Change Date Of Second Clinic For Polio Shots

As anticipated in our story last week about the approval of the Salk Polio Vaccine, and in line with Dr. Salk's suggestion that more time should be allowed between the 1st and 2nd shots in the immunization series, the Kent County Health Department has re-scheduled the date of the second clinic to be held in Ada for 1st and 2nd graders of Ada and Cascade townships. It will now be May 27, four weeks after the first clinic on April 29.

The third date has been canceled indefinitely. Dr. Salk calls this third shot in the series a "booster" and recommends it should be given about 7 months after the first two. The National Polio Foundation does not consider it feasible to plan to furnish the third immunization shot to all 2nd and 3rd graders, and the children who received "dummy" shots in the last year's test. Inasmuch as the vaccine will be available to private physicians by next Fall, this booster can be given by them, and the expense for same borne by the parents, they feel.

However, children who received the actual vaccine last year may be given the "booster" shot this year by the foundation, if supplies will allow.

Birth

Mr. and Mrs. James Banta, Spaulding, SE, are receiving congratulations on the birth of a son, David James, on April 16 at Blodgett hospital.

County 4-H Leaders Receive Recognition

"4-H Club work is one of the most effective means in America for preparing young people to assume adult responsibility", according to James M. Patterson, assistant director of public relations of Standard Oil Company in Chicago. Mr. Patterson spoke on the subject "Guiding Hands" at the banquet honoring Kent County 4-H leaders held in Grand Rapids Tuesday evening.

The Agri-Hort committee of the Grand Rapids Chamber of Commerce sponsored the dinner.

Receive Pins

Diamond set pins for 20-years of work as leaders in 4-H clubs went to Thomas Slater of R-3, Grand Rapids, and John Slanger, 6944 Ada Drive, SE, 15-year leaders received pearl set pins, Mrs. Irma Richmond of Lowell, being one of the recipients.

Those from here receiving gold leaf pins for 10-years as leaders in this work were: Glenn Marvin, 6860 Cascade rd., SE; Mrs. J. D. Kelley, R-3, Grand Rapids; and Sam Ryder, of Lowell.

5-year leaders received sterling silver pins: Mrs. Lester Antonides, Mrs. Auburn Olin, Mrs. Lawton Cole, Mrs. Eric Strand, all of Lowell; Mrs. Leonard Johnson of Alto, Mrs. Harry Olthouse of R-2, Caledonia, and Tom Walquist of 3152 28th St., SE.

3-year leaders from this area, receiving gold leadership pins, were: Mrs. Noel K. Black, 7100 Ada dr., SE; Mina Bruce, Alto; Mrs. Albertine Haggai, Alto; Mrs. Orval Kilmer, 5870-28th st., Elura McPherson, Mrs. John Potter, Rowland Ryder and Dale Shade, all of Lowell.

Look for Suburban Life weekly

ACE Area Students Lead Lowell High To Track Wins

Three Lowell High students from the Ada-Cascade area are leading the Lowell track team in Grand Valley conference tilts.

Local records were smashed last Monday when Leonard Fase ran the high hurdles against Wyoming Park in 16.5", breaking Lowell's 17" record held since 1950 by Ron Holst and 1952 by Bill VanderMaas.

Leonard's sensational time overshadowed the close and exciting final score of 57-53, Lowell edging out Wyoming. Leonard also came home ahead of the pack in the low hurdles; time 21.8", only one-tenth of a second behind the Lowell school record.

Sharing honors with Leonard are Jerry Pollice who added another first in the broadjump, and Leonard's brother Keith who took third in the high hurdles and second in the low hurdles. Altogether Lowell thinclads took 7 first to win the match.

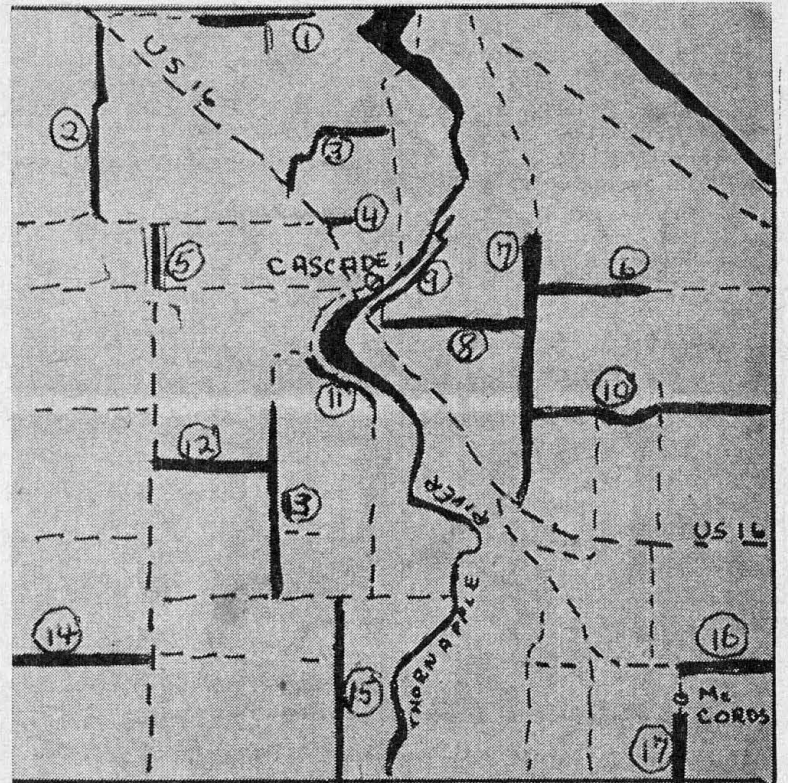

With all events run but the 880 yard relay Lowell trailed by one point, 52-53. However the Lowell team of Orison Abel, Bob Whitaker, Jerry Pollice and Leonard Fase brought the baton home first in the relay to make the final score 57-53. Leonard led the team with individual scoring honors of 11½ points, and Jerry followed with 9½.

Snow WSCS will hold a bake sale at Gee's Hardware Saturday April 23rd beginning at 11 a. m.

Special Election in May Cascade Road Blacktopping Plans Set; \$200,000 Bond Issue to Go to Voters

The above map of Cascade Township (North is at the top) shows the road system within the township. All roads which are on the proposed bonding issue for blacktopping have been darkened as solid lines and given a key number. For details on this issue, see the story below.

Cascade Township Supervisor Gerrit Baker and board member William Venneman met with Kent County Road Commission officials Tuesday morning and arranged tentative cost schedules for a 20-mile blacktopping road program. This will be presented to the voters as a \$200,000 bonding proposition at a special election some time in May Mr. Baker stated.

Petitions have been prepared for circulation by Paul O. Strawhecker, Township attorney. Only 25 valid signatures are required to call a special election.

Supervisor Baker said that all sides of the blacktopping question have now been heard and it will be up to the township residents to decide the answer. Two questions will be on the ballot. The first will authorize sale of the \$200,000 bond issue and the other will provide for an increase in millage to meet security requirements on the bond issue. Mr. Baker has stated that the millage will only be levied as necessary, with all or a greater part of the money for the yearly payments coming from present sales-tax returns.

If the proposed program meets with the approval of Cascade residents, most of the blacktopping would be completed during the coming summer. Without the bond issue, it will take approximately 20 years to complete the program. The bonds will run for 16 years, but payments should be completed in 13 years. The amount of millage necessary to secure the bonds

has not yet been determined.

Roads to be Blacktopped

The following is a list of roads to be blacktopped, keyed to the above map. The tentative cost of each road is also listed, with variance in costs for similar lengths of roadway due to the amount of preparation needed prior to blacktopping.

1. Hall St. from Marsman west .4 of a mile, \$5,269.
2. Spaulding Ave. from US-16 to Burton SE, 1½ miles, \$15,164.55.
3. Laraway Lake from US-16 to Thornapple, 1.2 miles, \$12,176.55.
4. Burton from US-16, eastward, .25 mile, \$2,576.04.
5. Kraft from 28th St. to Burton, .5 mile, \$5,291.45.
6. Twenty-Eighth St. from Buttrick towards Snow. This street will be the buffer in the blacktopping program. If costs run higher on others than is now anticipated, less of 28th will be black-topped. If costs are less, more will be finished. It is now estimated that approximately \$10,000 worth of blacktopping can be done on 28th st.
7. Buttrick, from the present end of the blacktop to US-16, 2½ miles, \$24,864.00.
8. Thirtieth from US-16 to Buttrick, 1.25 miles, \$9,831.55.
9. Cascade Springs from US-16 northeast .7 of a mile, \$5,268.75.
10. Thirty Sixth from Buttrick east to Snow, 2 miles, \$25,017.30.
11. Burger from Thornapple to Goodwood SE, 0.7 of a mile, \$6,834.35.
12. Fortieth from Kraft to Thornapple River SE, 1 mile, \$10,456.70.
13. Thornapple River Dr., from the end of the present blacktop to 48th st., 1.5 mile, \$16,950.50.
14. Fifty Second SE from Paterson east to Kraft, 1 mile, \$11,321.70.
15. Thornapple River Dr., from 48th to 60th, 1½ miles, \$13,131.60.
16. Fifty Second SE, from McCords to Snow, .75 of a mile, \$7,067.85.
17. McCords from the C & O Railroad south to Sixtieth, .75 of a mile, \$8,286.90.

Receives Degree From Michigan State College

Carroll E. Weller, son of Mr. and Mrs. Guy Quiggle, R1, Ada, was one of 100 students at MSC to receive an advanced degree at the close of the winter term, March 23.

Carroll, who is an electrical engineering student, received his degree from MSC President John A. Hannah, along with 400 other students in the graduating class.

Flexi-Clogs as advertised in Life. Knapp Shoes, Phone 99-6320.

GARRIT SLANGER ELECTED HEAD OF ADA PTA

Ada high school PTA met for its annual election of officers Tuesday night, April 12. The following were elected for the ensuing year: president, Garrit Slanger; father vice president, John Verhill; mother vice president, Mrs. Hazel Brian; teacher vice president, Ray Price; secretary, Glenn Morse; treasurer, Clifford Reed.

The next meeting will be May 10 with potluck dinner and installation of officers.

Members of the Thornapple Lions Club take a break from their work on the club park project located on Thornapple River Dr., between Ada and Cascade. Over 20 members were present last Saturday to plant 1,000 pine seedlings, and though there was a pause to lean on shovels for this picture a good afternoon's work was accomplished. Seated, Mrs. James Timmons (Lioness): From Left to Right: Club President Leonard Verdier Jr., Bill Wagner, Joe Gillard, Bill Wilson, Sy Hatch, Walter Hayes and Gerrit Baker.

MARTIN SCHOOL PLANS BAZAAR

The Martin School PTA have set Saturday, April 23, as the date for their annual Bazaar. Booths will be open from 5 to 10:00 p. m. for fancy hats and make-up for children, fish pond, baked goods, do-it-yourself, white elephants and of course, refreshments.

Upon entering the bazaar each lady will be requested to purchase a necktie for 5 cents and each gentleman a fancy hat. These must be worn during the entire evening or a policeman patrolling the crowd will levy a fine of an additional 5 cents.

Proceeds of the affair will go towards the purchase of black-out curtains for the school's visual education program.

County Extension Group Receives Citation

The Kent County Extension Service was cited in the April 16 issue of Michigan Farmer for their work in helping their home demonstration agent, Eleanor Densmore raise \$450 for scholarships to send students to the Ryukyus University in Shuri, Okinawa.

Four years ago Michigan State College adopted the University of Ryukyus and sent Miss Densmore and others there to help develop and establish the school. On her return, Miss Densmore gave talks and demonstrations to raise money for these scholarships.

Local area Extension Service chairmen and their clubs aided in the project and are to be congratulated for their good work. Three clubs serve the Ada area including the Egypt group headed by Mrs. Boyd Anderson; the Merry Wives, Mrs. Lyle Krick; and the Thornapple Club, Mrs. Gerald Brian. In Cascade, Mrs. Rue Osmer is chairman for the club's activities.

Any women interested in joining these clubs should contact the chairmen for further details. The Kent County Extension Service aids in helping housewives with home problems and ways to better living.

A C E Reports
 This weekly column is written to provide a place for views, opinions and comments on our own ideas and thoughts. Since the beginning of the paper I have tried to tell you as much about Suburban Life as possible, to acquaint you with its policies and with what we consider is news—and is not news.

First of all, a couple of little things came to mind during the past week that I have not mentioned as yet. One is the distinction between advertising and news. An advertiser buys space in the paper and his material must therefore be used first. A newspaper cannot turn down any advertising as long as it is in good taste and does not offer products repugnant to the stated policy of the paper.

The problem of news and advertising becomes a little more complicated when organizations rather than businesses offer something. It has been a policy among most newspapers and will be the policy of this paper to follow the rule of "If you charge, we charge." This simply means that if you are submitting an announcement of any doings put on by your club that charges outsiders for the profit of the club,

this announcement must be paid. This allows a clear distinction, and also insures there will be no later hard feelings because an item didn't get in, since paid advertising must go, with the news used to the extent that space is available.

Along with these announcements, we will also publish a story if it is newsworthy and space permits.

I also want to mention that if there are any issues being aired in which you feel particularly interested we will be glad to publish any letter written to the paper as long as it is signed and of interest to other readers.
