United Fund Drive Progresses Nicely

According to O. B. Snow, chairman of the county division of the 1956 United Red Feather-Red Cross campaign, the drive is progressing beyond expectation. Although final returns are not in at this time, preliminary reports indicate a record amount for this area.

At a report luncheon this past Wednesday Mrs. James Scripps, Cascade township chairman, reported that 101.1% of their quota has been reached. The work in that township has not as yet been completed. Cascade's quota for this year is \$2,234.

Snow also reported that Ada township, with \$993 as a quota had collected \$335 by Wednesday noon. The drive in that area, off to a slow start, is now well under way and progressing smoothly. Mrs. Noel Black is Ada township chairman.

Total for the Kent county division is 81.1 of the total goal of \$49,545, the highest at this date, in the state.

ADA LODGE TO HOLD THIRD DEGREE OCT. 28

According to Homer Morris, secretary of the Ada Lodge F. & A. M. 280, a Third Degree (MM Degree) will be held Friday, October 28 at the Masonic Temple in Ada.

Paul VanderMaas, Master, will be in charge of the work. All Masons are invited. There will be a dinner at 6:30 p. m. and the work will begin at 7:30.

This will be the last Third Degree of the year.

Cascade-Martin Cub Scouts Split

Due to the rapid growth in the Cascade-Martin cub scout pack, it was decided at a recent meeting to split the pack into two groups. The smaller packs will benefit all concerned, now allowing both cubs and cub master a better opportunity for closer cooperation.

The Martin school pack will, in the future be known as Pack 3284. Warren Dekker is the new cub master, Carl Lanham, assistant cub master, Ed DeWitt, treasurer and from the Collins district Jack Baines was chosen as chairman.

The Webelos den is also in charge of a Collins leader, Edward Groening. Den mothers are Mrs. Virginia Waterfield, Den 2; Mrs. Edna DeWitt, Den 1; and Mrs. Florence Baines (Collins), Den 3.

Cascade pack has not as yet received their official number but the former cub master, Tommy Ray, is still maintaining the reins. Russell Jensen is assistant cub master, Dale Charters, chairman, with Irving Werner as treasurer. Den Mothers are Mrs. White, Mrs. Pierson, Mrs. Jensen and Mrs. Charters.

Martin pack will have their next meeting October 26 and Cascade will hold theirs the following evening on the 27th. Tommy Ray will be present at both meetings and they will begin at 7:30.

Lyle Dykhuizen leads the Webelos den at Cascade.

The world's largest cement plant is located at Alpena, Michigan

Murphy Features Study of Michigan; Student Participation

Upper picture shows Miss Shirley Nessel, elementary teacher at Murphy school. Featuring a study of Michigan for the coming semester, her room also has a cactus collection and is participating in a film strip program. Mrs. Barbara Garrison, primary grades, stresses self reliance and student participation in subjects under study. Both teachers and pupils are proud of the new building, occupied for the first time this fall.

Miss Shirley Nessel, who teaches grades 4 through 7 at Murphy school, corner East Paris rd., and Forest Hills rd., is in charge of 20 pupils.

As an added feature to the usual classroom work, her students are

engaged in a study of Michigan. Every other week for the coming semester they are learning various facts about our fair state. When Michigan Week rolls around in May, they will be well versed in the lore of their native home. The study includes besides the basic facts of our State flower, State bird, and State song, such aspects as the operation of state government and the study of the major cities.

In conjunction with this project, Miss Nessel will show pictures taken on a northern trip this past summer. A relief map of Michigan will be made by the pupils.

A cactus collection, featuring 8 different varieties, one of them the contribution of David Fairbrother, is an interesting display in the room. David, one of the students, brought the plant from Florida.

A film strip program, operated in conjunction with the Kent county board of public instruction, will also be a highlight of the coming months.

This winter, a skating party for Miss Nessel's young scholars is on the agenda.

A former teacher at Muffett Hill school near Cannonsburg, this is the first year at Murphy for Miss Nessel.

Mrs. Barbara Garrison, teaching the kindergarten and first three grades at Murphy, stresses the im-

Ada Christian PTA Met Friday Evening; Investigate Band, Florine Programs

Ada Christian PTA met at the school last Friday evening. A committee report was given on the possibility of starting a band for pupils in grades 4 through 9.

The PTA is investigating the possibility of getting a fluorine program under way in the school. This program would, if carried through, be an aid to the dental health of the students.

The principal, Gilbert VanSolkema, presented a short film, giving the parents an opportunity to see the type of educational films to be shown the pupils during the coming school year.

Following refreshments the parents and teachers had the opportunity for an informal discussion about parent, children and teacher relationship, and cooperation.

Forks were first used in the year 1220.

One Person Injured in Accident Friday

Mrs. Fred DuMond suffered knee injuries when the Cadillac driven by Hugo Hammerslag skidded out of control for 236 feet before striking the car driven by Fred DuMond. Topping a knoll on hilly Ada dr., Hammerslag lost control when he applied the brakes.

Last Friday evening Mrs. Fred DuMond, 4200 Jefferson, Grand Rapids, suffered knee injuries when a car operated by Hugo Hammerslag, 2975 Lake Drive, skidded out of control on Ada dr., and struck the car driven by her husband, Fred DuMond.

The Hammerslag vehicle, going west on Ada dr., skidded wildly

for 236 feet, spinning halfway around before striking both the DuMond car and a sand bank. According to Hammerslag, a farm tractor some distance ahead, caused him to apply the brakes.

The car driven by DuMond was headed east and suffered extensive damage. The accident happened in full daylight and the pavement was completely dry.

New Gift Shop Is Now Available to Public

Mrs. Louis T. Allen, who formerly operated an exclusive gift shop in Wilmette, Illinois, has opened the Ver-Sal Gift Shop on Fulton rd., about a half mile east of the bridge on M-21.

The newest addition to the rapidly growing ACE area business establishments is now open to the public. Persons interested in imported and domestic china, beautiful glassware, objects d'art, figurines and other gift items will find the place a fascinating spot.

The "Childrens Classics" line of toys, advertised in the Parents magazine and the Madame Alexander dolls are sure to thrill the youngsters. Figurines made by Josephs Originals will please those who are collectors of such things and the many beautiful cups, wall plaques, chinese jade pieces and other gift and collectors items make the shop unique in this area.

LOCAL RIDERS WIN IN KENTREE HORSE SHOW

Sandy Stekete won a blue ribbon in horsemanship over jumps at the Kentree horse show Sunday, October 9. Marion Idema earned a blue ribbon in the walk, trot, and canter.

Jim Idema and Tony Truog took part in the polo exhibition. A number of other Cascade boys and girls took part in the annual show at the Kentree Stables on Michigan st.

Two Local Couples to Represent Martin at PTSA

Mr. and Mrs. George Kish and Mr. and Mrs. Henry Bogdanik were elected to serve as 8th grade co-chairmen at Ottawa high school. Representing Martin school as members of the PTSA board the committee, plus two students representing their class, state that the purpose of the new plan is to bring, parents, teachers and students into a closer understanding of the many problems involved in the public educational system.

The committee emphasizes that any questions parents may have should be brought to their attention. The plan, a good one, should give all concerned a better understanding of how the schools are being operated.

MR THOMAS RECEIVES LETTER FROM JERRY FORD

A letter from Congressman Gerald R. Ford, Jr., was a great and unexpected thrill to William Thomas, Thirtieth st.

The letter, dated Oct. 6, reads: "Dear Mr. Thomas,

It was with great pleasure that I read in "Suburban Life" of the turkey dinner party, which was given at your son's home to celebrate your 94th birthday anniversary.

May I join your family and friends by extending to you my sincere congratulations and my best wishes for many more blessings in the days ahead.

I am sure you had a very enjoyable time, surrounded by your many relatives, and I hope that they allowed you a few minutes to hear the ball scores of the day!

With warm personal regards, I am,

Sincerely,
Gerald R. Ford, Jr., M. C."

Legion Turkey Shoot Declared Huge Success

Mother Nature and friends of the McDonald-Osmer Post 451 of the American Legion joined hands Saturday, Oct. 8 to make the annual Turkey Shoot a huge success. The weather was perfect, just enough sunshine to warm the air, but not enough to blur the sights.

In all, 195 targets were set up. Of course some of the targets were not damaged in the least, but I think everyone there had a good time.

There were 13 happy people who went home with a receipt for a turkey weighing at least 12 pounds, and a knowledge that they are marksmen par excellence.

The remainder of the contestants had to be satisfied with the fun of competitive shooting, and the enjoyment derived from eating the sandwiches served by the Women's Auxiliary.

Believe me folks, the ladies really did a bang-up job. They served hot coffee and doughnuts and Barbecue sandwiches from 9:30 in the morning until 5 o'clock in the evening, and there was plenty for everyone.

We feel sure that everyone who participated in our turkey shoot this year will be back with us next year, and we expect most of you to bring a friend.

Thank you very much for your support and cooperation.

Lyle Dykhuizen, Adjutant

MAKES TEMPORARY HOME WITH WILLIAM LUTHERS

Mrs. Ralph Luther and son Steven formerly of California are temporarily making their home with her husband's parents, Mr. and Mrs. William Luther of 922 Clifford, while her husband is attending a pilot's refresher course for Trans-World Airlines. Upon completion of the course Mr. Luther will be making trans-oceanic flights.

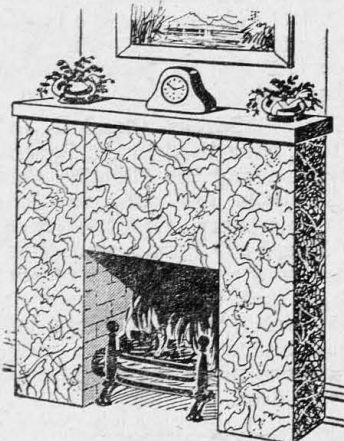

Mrs. Luther and son will join her husband as soon as housing facilities are found.

Beautiful Fireplace

DISTINCTIVE new beauty for a fireplace of outmoded or rundown appearance can be provided by covering it with marble-pattern Marlite, a tempered hardboard with baked plastic finish.

Faithfully reproducing the coloring and patterns of rare imported stones, this paneling gives the effect of the natural material at a fraction of its cost. A choice

of five patterns makes the paneling suitable for various decorating plans.

A 4x6-foot or 4x8-foot sheet, obtained from a lumber yard, is readily cut to size with a regular crosscut saw. The paneling is applied with adhesive right over the old surface after removal of excessive soil and loose material. Matching nail-on moldings protect exposed corners and edges and complete the joints.

The smooth, durable baked plastic surface over a tempered Presdwood base resists heat, soot and soil and is easy to clean.

Murphy Community Club Holds Open House

Last Friday evening the community club of Murphy school held an open house at the new building which was officially opened this fall. About 35 adults were present and those who took their children placed them in a separate room where organized games kept them entertained.

It was decided at the business meeting to purchase kick mats for the entrance ways. A decision was also made to purchase and hang a bronze plaque in the hallway in memory of the late Frank Murphy. Mrs. Gertrude Murphy, in memory of her husband is going to present the school with the large aluminum letters commonly placed on the outside wall of the newer school buildings.

Pie and coffee were served after the business was over and special music was rendered by the Honolulu Conservatory of Music from Grand Rapids. Tom Patterson, a student at Murphy gave a couple of numbers on the electric guitar.

It was also decided to frame and

place the cub scout charter in the hall of the school. The den was organized last spring.

Murphy school has a complete insurance plan for the students also.

MRS. TOM MORRIS—PHONE ADA 4831

Einig-Morris Wedding Saturday

St. Patrick church in Parnell was the scene Saturday morning of the wedding of Miss Barbara Jane Morris and Carl Joseph Einig. Rev. Gordon Grant performed the ceremony.

The bride is the daughter of Mr. and Mrs. Harry L. Morris of Ada, and the bridegroom's parents are Mr. and Mrs. John Einig, Wheeler SW.

For her marriage, the bride wore a gown of hand clipped Chantilly lace and nylon tulle over satin. The fitted bodice featured an illusion scooped neckline with a mandarin collar and long sleeves that tapered to points over the wrists. The bouffant skirt of tulle was accented with a front panel of lace and extended into a cathedral length train.

A sequined trimmed satin pill box held in place the fingertip length veil of French illusion. She carried a cascade bouquet of white carnations and streamers.

Bridesmaids wer Miss Eileen Morris, Mrs. Robert Scheidel, and Mrs. Clarence Pitsch, sisters of the bride, and Miss Mary Ann Einig, sister of the bridegroom. Flower girl was Donna Marie Scheidel, niece of the bride.

Louis Carsiglia assisted the bridegroom as best man, and groomsmen were Al Trazler, Robert Peterson, Harry Morris, Jr. and George Matt.

Harry Morris Jr., brother of the bride and Robert Peterson, cousin of the groom, seated the guests. Robert Scheidel, Earl Lamas, and Clarence Pitsch brothers-in-law of the bride, acted as church attendants.

A wedding breakfast was served in St. Patrick's Hall and an evening reception was held in the Polish Falcon's Hall. Master and mistress of ceremonies were Mr. and Mrs. Emery Thompson, uncle and aunt of the bridegroom. Assisting about the rooms was Mrs. Harry J. Morris.

EGYPT GRANGE ELECTS OFFICERS FOR YEAR

October 14 at a regular meeting of Egypt Grange the following officers were elected:

Master, Fanny Thomet; Overseer, Knapp Lamphear; Lecturer, Merle Cramton; Steward, David Bolt; Assistant Steward Richard Thomet; Chaplain, Lenna Cramton; Treasurer, Florence VandePeerle; Secretary, Emogene Gates; Gate Keeper, Merle Visser; Cere, Jeanne Robidoux; Pomona, Janet Dart; Flora, Nancy Fike; Lady Assistant Steward, Shirley Thomet; Executive Committee, Neal VandePeerle.

The agriculture chairman read an interesting letter on "Farm Prices" from our Congressman Gerald Ford. The committee assignments were read naming those who will work to make a success of the chicken dinner on Oct. 22. A letter to Egypt Grange from Morris Pullen, son of our Secretary Emogene Gates, who is in the service stationed in Korea, was read conforming the great need of clothing in that country. After a discussion it was decided to enter "Operation Santa Claus" to send used clothing to Korea.

This year the grange gave \$20 to the Red Feather Drive.

The next meeting Oct. 28 will be open and colored pictures taken by Ernie Reuhs on his trip abroad will be shown, also bring your used clothing for Korea.

Mr. and Mrs. John Freyermuth and Mr. and Mrs. Hubert Freyermuth and children and Mrs. Grace Whaley all enjoyed a family picnic at Caledonia Park shelterhouse last Sunday.

Mrs. Maud Baker of Buttrick rd. spent Sunday with Mrs. Blanch Loveless.

Assist Grand Chapter

Mrs. Dorothy Weaver of Vesta Chapter 202 portrayed "Venus" at the opening of the Venus session Grand Chapter O. E. S. last week. Mrs. Ila DenBoer of Vesta Chapter was appointed as grand committee woman, and Mrs. Dorothy Weaver as representative to Michigan from Illinois at the 78th session of Grand Chapter.

Ada Locals

Mr. and Mrs. Clark Nellist had as their luncheon guests Saturday night her brother, Mr. and Mrs. Russell Fox of Grand Rapids.

Mr. and Mrs. Robert Taylor visited his mother Mrs. Robert Taylor in South Haven last Saturday.

Mrs. Webb Ward and Mrs. Hazel Ortowski attended the Swan school mother's coffee at the home of Mrs. Hubert DeVries of Greenville last Wednesday.

Mrs. Eddie Dunneback and Joanne spent last Wednesday with her mother, Mrs. Blanch Loveless.

Mr. and Mrs. Robert Morris, Mrs. J. W. Svoboda, Mr. and Mrs. Roger Spring, Mr. and Mrs. Gordon Svoboda, Mrs. Orison Weaver and Doreen attended the wedding and reception of Miss Barbara Morris and Carl Einig at St. Patrick church last Saturday morning.

Last Sunday guests of Mr. and Mrs. Harry Fitch were Mr. and Mrs. Clyde Lutin, Mr. and Mrs. Norwood Harris and Lynda Margueret and Christine of Marcellus.

Mr. and Mrs. Gordon Svoboda and Mr. and Mrs. Orison Weaver attended the Obernkirchen Children's Choir at the Civic auditorium Saturday night.

Mr. and Mrs. Webb Ward and Mr. and Mrs. Don Ward and family spent Saturday evening at the Maurice Ward home in Ionia.

Sunday dinner guests of Mr. and Mrs. Shirley Ward were Mr. and Mrs. Dick McCarthy and Mrs. Alice Ward of Grand Rapids and Mr. and Mrs. Robert Ward.

Mr. and Mrs. Melvin Rooker and family of Battle Creek spent last Sunday with his parents, Mr. and Mrs. Bernard Rooker. Mr. and Mrs. Leo Jasperse

UNLIKE COLLEGE football, professional football avoids contact work during practice sessions between games. Perhaps only twice a season, outside of training camp, do the Lions engage in physical contact—and this to sharpen up pass defense.

The players suffer enough bumps and bruises on Sunday without taking any chances on someone getting hurt in a needless scrimmage. Good professional players are hard to come by.

This does not mean that the Lions aren't kept busy between games, though. After a day to recover from the effects of Sunday's encounter, the team assembles Tuesday to begin a full week of activity.

Study Films Often

This starts promptly at 9 a.m. in the Briggs Stadium clubhouse with a scouting report on the next opponent from either Russ Thomas or Bob Ivory. Then the team goes out on the field for 10 minutes of loosening-up exercises.

The balance of the morning is devoted to running through a series of offensive plays.

The players knock off for lunch around 11:30 and return at 1:30 to split into two units.

The defensive team remains with Coach Buster Ramsey in the clubhouse to look at the films of the past Sunday's game. The offensive team goes with Head Coach Buddy Parker and assistants Aldo Forte and George Wilson to the Lions' office near the stadium to view films of next Sunday's opponent in action.

Everyone Knows Everything

The films are run and re-run, backwards and forwards, stopping every few seconds to examine a key block, a missed assignment and other important action. By the time they are finished at 3 p.m., the players know the films thoroughly.

Wednesday morning is devoted

to running through the new offensive plays devised by Parker to be used in the next game. Both the offensive and defensive teams run through them so that all the players have them committed to memory.

In the afternoon, the offensive and defensive teams again split and exchange the films they had viewed Tuesday.

On Thursday morning, Ramsey gives out the defensive patterns for Sunday's game, things such as pass coverage. Both teams then work on the defense, with one team running through the plays.

Thursday afternoon the entire team sits in a group to look again at the films of the past Sunday's game. As the film is run through time and again, flaws in the team's play are repeatedly pointed out and discussed.

Comes Friday and the team goes directly onto the field, devoting half its time to offense and the other half to defense. The afternoon is taken off.

Quiet Saturday Night

On Saturday the squad works the first half-hour loosening up, then devotes the rest of the morning running through offensive plays.

The players again are given the afternoon off but they are required to report to the Sheraton-Cadillac Hotel promptly at 8 o'clock that evening to take them away from the distractions of home life over the week end and to help infuse team spirit.

A short meeting is followed by a visit en masse to a local movie house. Then the team returns to the hotel for the night. No one is permitted to go home. All must be in bed by 11 p.m.

By 12:30 Sunday afternoon everyone is at the ball park and then 2 p.m. arrives and the results of a full week's work become known.

and Mrs. Lydia Miller returned Wednesday from a week's vacation trip to Mexico, New York. Mrs. Lois Ticknor, who has been visiting relatives here, returned to her home with them.

Mr. and Mrs. Homer Morris were Friday night supper guests of her sister, Mr. and Mrs. Paul Brown of Grand Rapids and Sunday dinner guests of Mr. and Mrs. Allie Schmidt of Dorr.

Mr. and Mrs. Roy Richardson

had as their supper guests Friday night, Mr. and Mrs. Walter Afton of Kent City, Mr. and Mrs. Robert Morris and Mr. and Mrs. Charles Cramton in honor of Mrs. Cramton's birthday.

Mr. and Mrs. Ralph Averill, Linda and Dawn spent the week-end at St. Helen and Mr. and Mrs. Robert Goebel and Skip and Mr. and Mrs. Roy Taylor and Butch of Grand Rapids were their house guests.

MRS. ROGER WYKES, JR. — PHONE GL-8-5570

Serious Fire Averted At Dr. Good Home

Cascade Fire department answered a call from the Ada department Thursday night to a fire in the home of Dr. and Mrs. C. R. Good, on Buttrick av. Cause was a rug left hanging over the furnace pipe in the basement. The rug was the only thing burned; but smoke damage to the house was considerable. The Ada department, which received the call and was first on the scene, had to use smoke masks to locate the fire.

However the furnace was red hot, and the coal fire roaring, with the likelihood of a more serious fire in a short time. The Cascade department discovered the thermostat to be stuck open with cotton, keeping the furnace draft open.

"The rug may have been left on the smoke pipe by the previous tenants," Cascade Fire Chief Sybrant Dykhouse said. "The fire points up the warning of Fire Prevention Week. Check over your furnace equipment."

Girl Scout Cookout

Troop 80 Girl Scouts of Mrs. Ray Jarvi's and Mrs. Leah Richards' patrol were to have a cookout in the Walter Goebels' woods Thursday noon. Tenderfoot girls were to lay a trail for the second class scouts to follow; the latter would plan the games. Objects would be collected for work toward nature badges.

CLARKSVILLE WOMAN FOUND NOT GUILTY

Mrs. Garfield Swanson Jr., 29, of Clarksville, Rt. 2, was found not guilty of negligent homicide last week Wednesday by a circuit court jury in a retrial before Circuit Judge Fred N. Searl.

Mrs. Swanson was the driver of the car which crashed through the front of the Cascade Pharmacy a year ago on September 23, causing the death of Dr. Ina M. Harper, Benton Harbor pediatrician.

Local witnesses appeared in court four times, at the three trials and one postponement.

In Hospital

Cascade area had two emergency appendectomies within seven days. A week ago Monday afternoon Richard Mulder was operated on at Grand Rapids Osteopathic hospital. He is the son of Mr. and Mrs. Harold Mulder, Burton rd.

Sunday night, Mrs. Ray Reynhout, 30th st, underwent surgery at Butterworth hospital. Both patients are recovering well.

Locals

Mr. and Mrs. Michael Osmolinski, E. Fulton rd., are the parents of a baby girl, Debora Jean, born Oct. 10 at Grand Rapids Osteopathic hospital, with a weight of 7 lbs., 6 ozs. Mrs. Osmolinski is the former Mary Lou Sloan.

Sylvia Dykhuizen and Gordon Keck went to Ann Arbor with the Lowell high school band Saturday, where they played with 750 other high school bands between halves of the Michigan - Northwestern game. The band left Lowell by bus at 3:45 a.m., and returned at 10 p.m., a strenuous day, but worth it, we understand.

Annual Banquet This Tuesday

Annual anniversary banquet of Cascade Christian Reformed church will be held Tuesday evening at 6:30 p.m. at the church. The dinner celebrates the organization of the congregation in April, 1952, and is usually held in the spring, but this year was postponed.

A program will follow the dinner. A quartet, consisting of Mrs. Blaine Venneman, Miss Dorothy Roeters, John DeWeerd and Harmon Lamberts, will sing. There will be a skit, a reading by Rink Miedema, and movies of his Western trip.

Banquet committee are Miss Roeters, chairman; Mrs. Gerrit Baker, Mrs. Albert Bishop, Mrs. John DeWeerd, Mrs. Peter Kramer, Mrs. Rink Meidema, Mrs. Alfred Scott, and Mrs. Daniel Vandenberg. Mrs. Herbert Izenga and Mrs. M. C. Goudzwaard have charge of tables and decorations.

Chairman of the program committee is Mrs. Hudson Nyenhuis, assisted by Mrs. Harmon Lamberts and Mrs. Venneman. Young People's Society will serve.

Other Church News

CYF of Cascade Christian church will have a busy week end. Saturday evening, they will go on a hay ride, with refreshments afterward at an unannounced destination. The young people will meet at the Kleinhans home on Patterson av. at 7:30 p.m. to start. Barbara Kelley is in charge of arrangements.

Sunday evening, from 7 to 9 o'clock, the CYF will have a Parents' Night at the church. A discussion, "Shirking or Working", will be held by the group and their parents.

CYF earned \$45 on its work day Saturday, mostly by leaf-raking.

Pouring of Cascade Christian church's extended steps was finished Monday. The new platform is ten feet longer and 14 inches wider than the old one. Step treads are deeper. Wrought iron railings will be installed when the concrete hardens.

Christian Men's Fellowship will have a supper meeting Tuesday at 6:30 p.m. at Cascade Christian church. Cradle Roll Guild will have charge of the dinner. All interested men of the community are invited.

Roger Bruinekool of Great Lakes was a Saturday caller at the Herman Stukkie home.

THE IRRESPONSIBLE "SPORTSMAN"

Roaming unmolested among the ranks of the hundreds of thousands of legitimate sportsmen of Michigan is a minority group of renegade outlaws guilty of fish and game law violations of every description, vandalism, malicious and deliberate desecration of public and private property, littering highways and byways with trash, and assorted misdemeanors having direct and disastrous bearing on future hunting, fishing and recreation in your land and mine.

That's a long sentence carrying a serious charge. To bring the culprit to justice you and I constitute the policeman, judge and jury, and unless we accept the responsibility the situation will continue to grow steadily worse.

There aren't enough law enforcement officers in the field to begin to do the job of apprehending the offenders. Time and again you and I have witnessed wilful violations of our fish and game laws, and have asked angrily, "Where are all the conservation officers? Why doesn't somebody teach these guys a lesson?" The truth of the matter is just this: In a state the size of Michigan with hunters and fishermen scattered over virtually the entire

area, a law enforcement field staff of 5000 men would still leave thousands of square miles unpatrolled. So what's the answer? It's up to the honest and responsible sportsman to step in and go to work.

The Logical Approach

We have two courses we may follow to curb the violator we catch in the act. The "gentle" approach calls for friendly and reasonable conversation with the culprit in an effort to shame him from further violation. Your personal criticism and indictment of the act you've witnessed can arouse an "exiled" feeling distasteful to most "sportsmen," and therefore effective. If this draws nothing but a sneer and the usually profane warning to mind your own business it's your duty to make an effort to identify the party, by the back tag, or perhaps by the license number of his car. You must then swear out a complaint against the violator and appear later as witness in the case.

You aren't that kind of a guy? Then you aren't the kind of a guy that cares enough about the future of hunting and fishing in Michigan Outdoors—and the future can creep up on us mighty fast!

Think it over!

Honey Creek News

Mrs. Leona Hunt

Thanks

Well, our auction was a big success! Many thanks to all who Mr. and Mrs. Fred Bentley had Mr. and Mrs. Ed Tucker of South Bend and Larry Hodge and Bob Boone of Zion, Ill., as house guests for the week-end. guests of Mr. and Mrs. Ernie cago Tuesday, returning Wednesday with her sister, Mrs. Arnold, who is visiting here from Massachusetts.

Mr. and Mrs. Carl Nowack who recently bought property on Leonard rd, have moved on

Cramton rd, while their house is being built.

Next coffee cup will be at Mrs. Russel Gould's on Cramton rd. in October.

The entire neighborhood unite in extending congratulations and best wishes to Warren Lewis who was recently married to Janet McCormick of Grand Rapids.

(Continued from Page 1)

portance of proper reading in her classroom. At present, according to Mrs. Garrison, various projects besides the basic three R's are in full swing.

The third grade has taken a trip to Africa and is now enjoying that amazing country. Leaving Murphy airfield, the class flew to New York City on a large airliner. Before leaving of course, the tickets were purchased and the illusion of actual flight was achieved by placing chairs on classroom tables. Holiday bound, the young students could then look down and watch the countryside unfold below them. Among the sights visited in New York were the Empire State building and the Holland Tunnel.

The ocean trip by steamer was a thrilling experience and after a river boat journey up the Congo, the class saw many interesting scenes that will never be forgotten. Papier-mache jungle animals are being modeled and a written and pictorial record is being kept by the young travellers.

Mrs. Garrison's pupils are also learning to work as a group, are learning rhythm, simple songs and have dramatized such nursery rhymes as The Three Little Pigs, Black Sambo, etc.

Making jewelry from Indian corn and field corn has met with good success. Necklaces from hickory nut husks proved to be very attractive also.

Mrs. Garrison is following the music schedule set up by the Kent county board of education this semester and the entire school will attend the annual Music Festival to be held in April.

A science program, scaled down to the basic facts, has been set up and such weighty matters as the failure of the stars to be seen during the day are studied. The pupils set their own standards for room behavior and according to their teacher, have some rather harsh rules.

The students have their own safety program and see to it that the younger children get into their own jackets and sweaters and are safely started off for home.

Mrs. Garrison has 24 pupils. This is her third year at Murphy. Former experience was gained at schools in Jackson and Calhoun counties. Her main concern is to help her students develop socially and emotionally as well as physically.

Births

Rev. and Mrs. Herbert L. Barnard are the parents of a baby boy, David Bruce, born Saturday night at Blodgett hospital with a weight of seven pounds, eleven ounces.

A son was born Sunday morning to Dr. and Mrs. Clyde Davenport of Saginaw. Mrs. Davenport is the former Nancy Marvin.

Mr. and Mrs. Jack Geldersma Thornapple River dr., have a baby son, Keith Alan, born Oct. 5 at Blodgett hospital.

CELEBRATES BIRTHDAY

The birthday of David Fairchild, Eastmont, was celebrated last Monday, October 16. The Cub Scouts of his pack were present and the traditional birthday cake did not last very long.

Rex Kingsland, proprietor of Kingsland's Hardware, 28th st., presents a Hotpoint dishwasher to Mrs. Fred Clay, 2307 East Paris rd. Mrs. Clay was the local winner in Hotpoint's \$2,000,000 contest. Said Mrs. Clay, "I never won anything before and never thought I would." The moral—if at first you don't succeed, etc.

Mrs. Fred Clay, 2307 East Paris rd. has won an automatic dishwasher in Hotpoint's \$2,000,000 Golden Anniversary National Contest.

Rex Kingsland, of Kingsland's Hardware, 28th st., said official contest judges in Chicago selected Mrs. Clay's name last Thursday as having the best dealer prize entry from this immediate area.

When notified by Kingsland of her award, Mrs. Clay said, "My husband told me 'You'll never win. It's a waste of postage stamps.' I was surprised too. I never won anything before and never thought I would."

Kingsland said the contest was specially designed to dramatize 50 years of progress in electric living. He predicted that with increased public demand for electric home appliances, new homes 25 to 50 years from now will be operated completely with electricity.

Mr. and Mrs. Willard Marks spent the week-end visiting his sister, Mr. and Mrs. Paul Schalm at Beulah.

New Eastmont residents now residing at 4830 Luxemburg, are Mr. and Mrs. Loren Stevens and family formerly of 5186 Ada dr.

Last week Thursday the Mothers' Club of Ada Christian school made plans for a baked goods sale to be held in the near future. This past Wednesday morning several of the mothers met in the basement of Mrs. Dorothy VanSolkema's home. The ladies began a rug-making project, in preparation for the bazaar to be held in December.

Mr. and Mrs. Lou J. Hildebrand, Sarasota, Fla., are spending several weeks in the ACE area. Mrs. Hildebrand is the sister of Mrs. Ervie E. Ward. The Hildebrands are staying at the Arden Hills Motel on 28th st., near Cascade.

Wednesday, Oct. 26 the Ada Rd. Coffee Group will sponsor a hot dog lunch for the pupils of Martin school, to be held during their lunch hour. Potato chips, hot dogs and a dixie cup will be served.

Poem

The Cascade Legion, as I recall,
Has bought some land to build a
hall.
It's about a mile north of town,
and not too many folks around.
But what were there were all well
pleased,
And signed the pledge as they
agreed.

But there were a few who thought
they knew
And could tell the Legion what
what they could do.
They had a meeting at the Old
Town Hall,
But nobody agreed to a thing at
all.

But the objectors found out in
a round about way,
That the American Legion is here
to stay.
The Legion has done a lot for
our town,
And it seems a shame that they
kick 'em around.

They have a few drinks and a lot
of fun,
But they earned it "by George"
They mustered their guns
That won us the war and the
freedom to come.

So if the objectors are still blowing
their lid,
Just join the army and fight
Like the American Legion did.
Ernest H. Clark

ACE reports

The ACE area echoed and re-echoed with the boom of shot-guns Thursday and the brightly plumed cock pheasant fell to the ground by the hundreds. Business was almost at a standstill in the shopping areas and we might almost say that Rep. Gerry Ford, in Ada for the afternoon with his "mobile office", was given "the bird". Later in the day, however, successful hunters, birds and persons cleaned, visited Rep. Ford and proved that he was welcome here after all.

The ACE area has several doctors who live and practice here in Suburbia. In these days of the "specialists" it's rather in style to forget about the general practitioner and drive to the nearest city for an appointment with Dr. So'n So. These specialists certainly have their place and we could not get along without them to be sure, but let's not forget the "family doctor" living in our own area. These men have spent years of their lives and thousands of dollars of their money learning how to get you and I and our children back on our feet after being flat on our backs. It's a mighty comforting feeling to know that when you call a doctor one of these cold winter nights that he'll "Be right out". Let's get acquainted with our doctors—you'll both profit by the experience.

Some communities, smaller than our local area, have erected hospitals in the hope that doctors would settle there and start up a practice. Fortunate indeed are we; we have them; let's keep them here.

The concrete barriers dividing the highway in Cascade village are beginning to chalk up a few victories against tires and wheels lately. A couple of blow-outs last month, a wheel or two out of line this past week. Unlighted, the barriers are for the transient driver, a definite hazard at night. With winter coming on, some of the residents feel that more serious things may happen. Time will tell.

You may have noticed that recently a few of the ads in Suburban Life feature business in the Eastown area of East Grand Rapids. Knowing that many of our subscribers do some of their shopping there for items not found in the ACE area as yet, we contacted these merchants, showed them our paper (which they liked, by the way) and convinced them that you do buy merchandise in that district. So when you buy from these merchants, please tell them "I saw your ad in Suburban Life." Only through the advertising can we continue to bring this paper to you each week. Tell our local merchants too that you noticed their ad.

Our thanks this week to the two fishermen whose picture is found elsewhere for the fine photo of the pike. All you sportsmen, don't forget; we want to share your good luck with everyone. All pictures will be returned.

Remember—respect the rights of others. Ask permission before hunting on someone's land. Don't shoot near the house or barn. Be careful when climbing fences and don't mistake guinea hens for pheasants which has happened—I was there.

This old world has too many church members and too few Christians.

Warren Dekker, left, Kirk dr., Eastmont, and Jim Watson, Jr., Orlando dr., display Northern pike caught in the back waters of Hart Lake by Dekker. The fish was 38 inches long and weighed 11½ pounds. Dekker used a six pound test line with a flat fish as a lure.

NINE MARTIN BOYS ENJOY OUTING NEAR BALDWIN

Friday, Oct. 14, nine boys from Martin school left for an overnight stay at the cabin of Mr. and Mrs. W. Fairchild, located near Baldwin. In charge of the group were Mr. and Mrs. Wally Fairchild and Mrs. E. DeWitt, from Eastmont.

Carl and Bob Lock, Mike Lanham, Dick Osburn, Van DeWitt, David Fairchild, David Thomas, Albert Crowell and Corney Mahlabashian made up the group.

After a hearty breakfast Saturday morning, the boys practiced archery, hiked through the woods and made quarter staffs from small saplings.

Warren Dekker and wife arrived in the afternoon and Dekker gave the boys lessons in rowing a boat. The experience was enjoyed, needless to say and will help them to earn awards in their future scout work.

Mr. and Mrs. Roy Richardson were guests of Mr. and Mrs. Walter Afton at Kent City a week ago Monday night and attended the Swedish supper and program at the Lutheran church.

Ground Observers to Visit Radar Installation

Twenty observers of the Thornapple Valley Post GOC will be taken by the Air Force to visit a radar installation. Purpose of the tour will be to see the ultimate end of all unknown calls which the various GOC stations send in to the filter center. The members will witness the types of alerts and scrambles that may develop from these warnings.

The observers will be divided into two groups, one visiting the installation on October 20 and the second on the 26th. The first group will be in charge of A1/c Richard Zinn and the second will be headed by John G. Grotenrath, Liaison Officer of the Kent county civil defense.

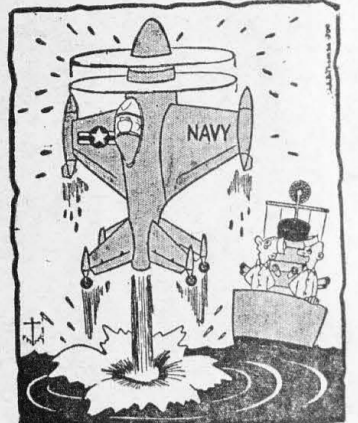

The Cascade post still can use volunteers for this important job of early warning against possible enemy air attack.

WANT ADS make quick sales.

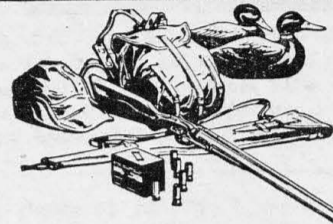

AMERICAN LEGION TO HOLD DANCE NOV. 5

The McDonald-Osmer Post 451 of the American Legion wishes to announce their dance, Saturday, Nov. 5 at Rookers Hall.

The festivities start at 8:30, refreshments will be served and lunch will be sold by the Auxiliary. So come early and stay late.
