Forest Hills Schools to Hold \$700,000 **Bond Issue for Classrooms, Equipment**

The Forest Hills Board of Edu-cation has decided to hold a bond be used for advanced shop and issue vote in September, the ex- home-making courses. act date to be determined very rooms. shortly.

The proposed bond issue will be for \$700,000 and will be used for the following purposes:

Erection of 12 classrooms for Erection of a multi-purpose room

which can be used for band and choral instruction, study hall, and school lunches

To Discuss School Bond Issue at Ada

An important meeting will be held at the Ada school on Tuesday, August 12th at 8 p.m. for the residents of the Ada School District.

The purpose of the meeting is to discuss the school bond issue which will be voted on in September. Several members of the Forest Hills Board of Education will be present to answer questions.

Remember, to be an enlightened voter, and to give your opinions effectively, can only be accomp-lished by being counted among those present.

Name Committee For Open House

Dr. Robert Paine, president of the Forest Hills Citizens Committee, has appointed the following persons to arrange an "Open House" program for the new Forest Hills High-School to be held on Friday evening, September 12: Robert Rose, Emory Watrous, Charles Whitbeck, Joe Jager, Mrs. Robert Smith, Mrs. George Bain.

Also on the committee are: Mrs. Glenn Morse, Mrs. Carlton Runciman, jr., Adrian VanderStolp, Henry Reimersma and Dr. Duncan E. Littlefair.

Young People in Farm Bureau to **Organize Aug. 8**

All young adults in Kent county between the ages of 16 and 28 are the Eastmont Baptist Church will urged to attend an organizational resume its regular meeting of the meeting of Farm Bureau Young fall season, beginning on Sunday, People at Townsend Park Shelter House, at Rockford, at 8 p. m. on church. August 8

There will be square dancing with Chris Wenger as caller. Refreshments will be served.

The equipment for the above

Erection of eight elementary classrooms.

When the present high school is completed in September, it will Junior high students on the high house 425 students. Beginning with school site and a part of the set the following year, there will be of buildings now being completed. 115 more students to enroll. Each year after that will bring a sim-ilar number. By the Fall of 1961 more than 800 students will have to be accommodated in the high school.

The elementary growth is similar, of course. This year all of the present elementary buildings will be occupied to near full capacity. The census taken this past May indicates a coming heavy demand for elementary school rooms. There are 1022 children under school age in the homes of the District.

Committees Plan

The Citizens Committee and the P. T. A.'s of the several elementary schools of the Forest Hills district is arranging for public meetings at each school to explain the purpose of a bond issue vote to be held in September. The P. T. A. presidents who are working on this project are: Mrs. Clifford Reed, Mrs. Henry Reimersma, Mrs. Peter Price, Mrs. Arthur Van Haun, Mrs. Adrian Vander Stoep, Walter Rose and Charles Titus,

Cascade Fire Dept. Answer Two Calls

The Cascade Fire Department answered a call on Friday, across from the Whitneyville pond. The party was tearing down a barn and burning rubbish which started a grass fire.

On Sunday the department also answered a call for a grass fire on the railroad tracks half way between Whitneyville and McCords. Neither fire caused any extensive damage.

Young People's **Society Begins**

The Young People's Society of added from time to time. August 10, at 5:45 p. m., at the

Mr. and Mrs. Robert DeBoer are sponsors of the group. All Junior and Senior high youth are invited to attend.

Something new is coming to Cascade next Tuesday, August 12 — a spectacular KRAZY TUESDAY sale sponsored by the Cascade Businessmen's Association.

Here's how it works. Every copy of this week's Suburban LIFE carries a different number-yours is printed below. If you can find that number posted in one of the stores in Cascade on Krazy Tuesday, you will be able to purchase the Krazy Tuesday Special to which it applies. Only one number to a family.

YOUR CHANCES? They're terrific! There will be over 700 numbers posted in participating stores and this valuable merchandise will be sold to lucky holders for a fraction of its worth.

Your number could be posted in more than one store. If you find your number early, keep looking, there may more! You are a privileged character-because you own this copy of Suburban LIFE. It could be your passport to tremendous savings. Be sure to bring it to Cascade next Tuesday and join the fun.

This is Your **Krazy Tuesday** Number

Cascade Businessmen Hold Annual Outing

The annual Cascade Businessmen's outing will be held Thursday, Sept. 4. The group will go to Detroit to a ball game by bus.

All reservations must be in by August 21. Contact Grover Buttrick for the losers. or Jack Buys.

GOC'Alert' Flag Causes Confusion

Several calls have been made to Mrs. Ann Spaulding, Chief Observer, as to why the Alert Flag was out at the Cascade G. O. C. Post, when there were no tornado alerts a couple of weeks ago.

Mrs. Spaulding would like to explain that the Civil Defense Office, was requested that the Alert flag. a yellow flag with a big black "A' be flown for all severe weather reports, not necessarily meaning tornadoes.

Beaver Patrol Have July 31, 1958

Light Vote Here Tues.

voters turned out at the primary-301 in Ada, and 297 in Cascade.

The extra millage for Welfare Relief failed to pass in Kent County although Cascade and Ada voted favorably, 333 to 308 on Proposal 1, and 328 to 293 on Proposal 2.

In Cascade, the Welfare Bill was passed 188 to 173 (No. 1) and 183 to 172 (No. 2). Ada voters accepted it 145 to 135 and 145 to 121.

Lancers Almost **Cinch Title Share**

The Lancers took two big games this week to gain a five point bulge over the Braves and Cougars. The Bear Cats are all but out of first place running. Any combination of one Lancer win and one Bear Cats loss or tie would eliminate the Cats. The Lancers only have to win two while the Braves and Cougars lose or tie two to eliminate these two teams. In the event of a tie, there will be a playoff.

Cougars Drop Monday night Bill Taylor (2-0) pitched a two-hitter for the Braves as they took the Cougars 2 to 0. Spencer Wilcox (4-3) took the loss, Wednesday the Bear Cats once more took life and once more looked like a good team to beat the Cougars 9 to 1. The Cougars gained only 1 unearned run as Jim Lawrence (3-1) and Joe Christian combined to pitch a no-hitter for the Cats. Lawrence practically won the game single handed as he hit a long, high home run with one man on for two runs in the first inning. Mike Ruffin (2-3) was the pitcher

Lancers Win Two

Tuesday night the Bear Cats slid back to their old ways of playing in losing against the Lancers. The Cats starting pitcher, D. Stites (2-5) gave up only three earned runs as his teammates gave up the rest. The Lancers looked nearly as bad a-field, but came through smelling like a rose for the big victory, 11 to 9. John Pellerito started but gave way to Dave Burkhead (5-2) who picked up the win. Ron Waterfield homered in that one.

The Lancers won again Thursday night against the Braves. Tom Bigelow (0-1) pitched for the Braves while Burkhead (6-2) picked up the win. The score was 6 to

The standings through Thursday

field and, later, the playing field. While no games will be played on the home field this Fall, it is necessary to have the layout so as to properly care for the areas. Estimates of cost will be given so that the Board of Education will be able to determine what part of the field and its equipment can be

Rubdown Prevents 'Swimmers Itch'

A brisk rubdown with a dry towel immediately after coming out of the water is the best preven-tive for "swimmer's itch," according to the Michigan Department

Drying with a towel will remove the conditions that can lead to the minor skin irritation that sometimes follows a dip in inland waters

"Swimmer's itch" is caused by a tiny flatworm that is able to penetrate human skin, when the skin is covered by a film of water and when the water is evaporating. The worm is not known to penetrate while a person is in the water.

Man usually is not a part of the life cycle of this flatworm. The usual course is for the flatworm to enter small aquatic snails, then to be taken into waterfowl when the snails are eaten, finally passing through the fowl and starting the cycle again by entering snails.

When the flatworm bores into man, an annoying skin irritation is set up for two or three days. The itching can be reduced with calomine but can be avoided entirely, according to the state health department, by using the towel rubdown method.

The flatworms can be eliminated from water sites either by killing the snails with chemicals or by keeping aquatic birds away from the sites.
