Season Ends for Thornapple League

This is nearly the close of our baseball season at the Forest Hills High School "diamond." On the whole it can be certain that everyone connected with, or who has given time or money to the Thornapple Valley Baseball League, can be satisfied with the progress made this summer.

There were kids playing here this summer, some very good ball players that were turning their heads on ground balls. Can a team be judged fairly as a first, second, etc., place team when playing under these conditions? You as parents can help! There will be meetings this fall and winter to plan for next year. Be faithful and show your interest now! It is the belief of this reporter that a parent

should relinquish the privilege of having his boy on any team if that parent cannot give a few hours a month to a project such as this. It might also be said that just about half, or maybe more, of the load this year was shared by men who didn't have even one child in the League. Where were you? Did you take your child to the game or were you just "too busy?"

This summer the managers did all the work except pay expenses. There were times when it looked like they'd have to even do that.

The men who deserve a lot of credit are Ray Simon, manager, and Carl Lanham, coach of the Lancers; Lee Scott, manager, and Herb Wilcox, coach of the Cougars; Norm Farlee, manager and Casey Theule, coach of the Grand Gas Braves; Dick Andre, manager, and Rog Zuidema, coach of the Bear Cats. Frank Clark worked the schedule, and with the boys. These men formed the teams, worked with them, coached them, besides taking care of the equipment, the diamond, and most other affairs.

We thank the officers of the Thornapple Valley Baseball League this year. Bob Bushouse worked for most of the sponsorships. Our thanks go to Henry Bogdanik, who brought in some dirt and had a tractor at the field. Earl Unsel donated a pitchers rubber. Bob Rhodes donated his time to mow the field this spring. As head of the umpires, Gerrit Slinger did a swell job. Other men who acted as umpires this summer were Larry Centille, Earl Unsel, Dan Free, Jack Rogers, Joe Leale, Mel Eggleston, Bob Burkhead, Bud Taylor and Rudy Chasseur.

This Saturday afternoon the Lancer-Bear Cat All-Stars play the managers. We expect to have a lot of fun, but above all, we would like to see a large crowd. There are a big share of the parents who "wouldn't miss this game for the world." To those of you who are undecided—welcome! Just a word of warning. The All-Stars are strictly on their own. Dave Burkhead and Jim Lawrence, Captain and co-captain, are in charge of the team and no adult can be allowed to give them advice. Just in case someone has any ideas about helping them—don't. The umpires have strict instructions to penalize them with an out, if there is any violation of this new ruling.

The starting lineup for the managers will include Super Scott, Wee Willy Wilcox, Jo Jo the Tiger Man, Leaping Lanham, Substratum Simon, Zeppelin Zuidema, Flying Farlee, Thumping Theule and Anatomy Andre.

That's this Saturday, at 2 p. m. at Forest Hills High School on Hall Street. Keep the night of September 4 open and plan now to attend the annual fall meeting for the League.

Area Boys Attend Camp Grayling

Several ACE area boys are at Camp Grayling for two weeks, and will be returning home this week end.

The boys are: Kenneth Kleinkeskel, Henry Kramer, David Carpenter, Gary DeArmond, Larry Stahl, Dan Koetsier, Adrian Gilder and Urban VanBemden.

HOME ON 15 DAY LEAVE

Norman DeWeerd, son of Mr. and Mrs. John DeWeerd, 8870 52nd Street, is home on a 15-day leave from Fort Bliss, Texas. Norman will return to Fort Bliss by car on August 28.

Lancers Finish First in League

The Lancers Little League team won first place in the Thornapple Valley Baseball League with 10 wins, 6 losses and 2 ties. Pictured left to right, first row: John Gleeson, Tim Karst, John Clemon, Dick Dean, Peter VanBemden, Leo Dean. Second row: Carl Lanham, assistant manager, Jim Duthler, William Fry, Casey VanBemden, Dave Burkhead, John Unsel, John Kurkel, Ray Simon, manager. Not pictured are Dave Griffith, John Pelterito and Dennis Graham.

Rev. Weeber to Be Dean at Conference

Rev. Collins Weeber, minister of the Eastmont Reformed Church will be the Dean of Men and Bible teacher at Camp Geneva, near Holland, beginning next week, and continuing for a week.

Camp Geneva is a Reformed Youth Conference camp, located just north of Holland on the shores of Lake Michigan. This week of conference will be for Junior High young people.

Boy's Dog Shot!

Did you ever have a dog when you were a child? Remember your attachment and love for that dog? If you do, you will know why a little boy's heart was broken last week, when his little wire-haired terrier came dragging home one day last week, after having been shot in the neck with a 22 rifle. Ricky Culp, Eastmont Drive, was the little boy.

He had only had the dog about six weeks, but it doesn't take that long to become attached to a dog. Ricky kept the dog tied up, but it got loose and was gone for about fifteen minutes before it was shot. To the person who fired the shot, this was only another dog, but to Ricky it was a pal.

Vesta Chapter Plan Rummage Sale Saturday

The Vesta Chapter of the O. E. S. will hold a rummage sale, on Saturday, August 23, beginning at 9:30 a. m., at the Ada Town Hall. They will also be selling white elephants, baked goods, and coffee and homemade donuts.

If anyone has any rummage they would like to have picked up, please call Mrs. Hayes, OR 6-3421.

Rev. Gaylord, Family To Attend Family Camp

The Rev. and Mrs. Raymond Gaylord and children will attend Family Camp at Crystal Beach Christian Assembly grounds at Crystal Lake, near Frankfort, from Sunday, August 24, to August 30.

Rev. Gaylord will serve as camp pastor, and Mrs. Gaylord will be the teacher of the Junior High Class.

The Grand Gas Braves won two games this week to take second place in the Thornapple Valley Baseball League. The Bear Cats are still in the cellar, but have one rained out game to make up, and a chance to finish in third. The Cougars are in third this week. The Lancers already clinched first place last week.

Braves Win

Tuesday night the Grand Gas Braves won a game from the Lancers 13 to 7. Bill Taylor (4-0) picked

Set Enrollment Dates at Ada Christian School

The enrollment dates for the Ada Christian School are the evenings of Monday, August 25, and Tuesday, August 26, between the hours of 7:30 p. m. and 9 p. m. at the school office.

Parents wishing to enroll their children for the coming school year should do so at this time.

Former Cascade Resident Dies in Hospital at 80

A former Cascade-township resident, Harley Lawyer, 80, passed away Wednesday at Butterworth hospital. He had been living in Grand Rapids.

His survivors include a daughter, Dorothy, of Grand Rapids; one sister, Mrs. Eva Thomas of Cascade; one half brother, Charles of Grand Rapids; several nieces and nephews.

Funeral Mass was sung Saturday morning, at St. Mary's Church in Cascade. Burial was made in St. Mary's Cemetery.

Forest Hills Latin Students Go To Convention

Five students of the Forest Hills High School will spend five days at the Junior Classical League Latin Convention held at the University of Michigan in Ann Arbor.

Those attending are Dave Atkinson, Fred Sytsma, Phillip Pryor, Marilyn Miller and Connie Simons.

Read Suburban Life Ads!

up the win, while Griffith (0-1) pitched for the Lancers. The Braves once more won behind Bill Taylor (5-0) Thursday night 4-0 over the Bear Cats. The Cats could only manage to poke out one hit in going down before Bill's slants. Jim Lawrence (4-2) was tagged with the loss as he allowed only one earned run. That was a home run by Douglas Stiles.

Lancers Lose

The Lancers didn't look like a first place team this week, as they lost two, Tuesday night to the Braves and Wednesday night to the Cougars. L. Dean (0-1) started and took the loss. Other pitchers were Pete and Casey VanBemden, John Kwekel and Jack Unsel. Spencer Wilcox (5-3) went all the way to pick up the win 11 to 6.

Cougars Lose-Win

The Bear Cats got sturdy pitching from Jim Vandenberg (1-0) to win over the Cougars Monday. Mike Ruffin (2-5) took the loss and gave up a homer to Dick Fase, as did a reliever, Jerry Boomers. Fase's second home run of the night came in the top of the 5th and meant the game, as the Cats won 8 to 6. The Cougars won Wednesday's game.

Standings (not final)

Team	W	L	T	Pct.	Pts
Lancers	10	6	2	.556	22
Gr'd Gas Braves	9	7	1	.529	19
Cougars	7	10	1	.388	15
Bear Cats	7	10	0	.412	14

Cascade 4-H'ers Receive Awards

The top winners in the Cascade Community 4-H Club at the 4-H Fair last week were: Judy Rodgers who won State Show on her second year Wildflower exhibit, which will be taken to the State 4-H Fair in a few weeks. Jerry Flynn won Champion and Grand Champion on his beef project. Dick Flynn won a cup for the boys division in Archery and Janet Todd won the cup for the girls division in archery.

The Cascadettes danced at the program on Thursday night. They wore Indian costumes for their new Indian dance.

Jack Adams quizzed by Fred Huber

Jack Adams is always good copy. The genial General Manager of the Detroit Red Wings has much in common with Casey Stengel. Each has achieved the pinnacle of success in his chosen sport, building teams which are perennial championship contenders.

Each, too, is well spoken, and with words of worth beyond comment on their own particular team, for each has realized that sports' strongest unity lies in leagues.

Whether it be the National Hockey League, or the American League in baseball, or the looser, but nevertheless fraternal, fraternity of all sports, these men set an example of belief in the value of a united front.

"I feel kind of badly about the Tigers", says Adams, "for one sport helps another, and that's especially true in Detroit."

"The Lions should do well, though", said Adams continuing on the overall sports theme. "George Wilson and I had luncheon here (they manage regular luncheons at Yeaman's Knife and Fork Club) just before he left for training camp. He

tells me he has a lot of good big kids to back up his champion-bred veterans."

Turning from sports to the current economic problems of Michigan, Adams has an optimistic comment.

"I'm not an economist, but everything I hear from hockey fans, and they are men in all walks of life and all businesses, indicate that at least the down-grade is levelling off locally. Our "season reservations" are even with last year, and last year we took in the most money in the club's history. This would certainly indicate optimism about Detroit's future in both business and hockey."

"We'll be battling for a play-off spot", the Wings' G.M. continued, "and by training at home we'll give the many visitors to Detroit an opportunity to see them go through their paces at Olympia. The building is open to the public. I hope, too, they'll stop down here and have a California Fruit Plate. Maybe I can get some royalties."

He was referring to a Celebrity luncheon dish named in his honor, and as he spoke he took another forkful of his own C.F.P.

a Dog's Life

HUMAN DEEDS OF BRAVERY ON BEHALF OF DOGS

by Bob Bartos
 Prominent Dog Authority

Nearly every day of the week, some dog, somewhere in the country, becomes a hero... alerting his family to fire in the home, dragging a child out of the path of an oncoming locomotive, or performing some equally courageous deed. Many of these dog heroes are feted, medaled and achieve national fame.

It's relatively rare, however, to hear about people who express devotion for their four-footed

friends through deeds of valor at the risk of their own lives.

To stimulate greater interest in the heroic acts of humans on behalf of their four-footed friends and to bring honor where honor is due, the Friskies Research Kennels have initiated the Friskies Fidelity Award. The first recipient was Victor Brand of Huntington, Long Island, who earned it by risking his own life to return to his burning home and rescue Timber, his dog.

If you know of anyone, who with courage and selflessness has recently performed a similarly brave deed on behalf of a canine friend, he may be eligible for a Friskies Fidelity Award. Send the name and address of your candidate with a brief description of the act to the Friskies Award Board, 124 East 38th Street, New York, New York.

Feeding Tip: It is not necessary to add meat to a good, commercial all-purpose dog food, such as Friskies, which already contains meat and bone meal in scientifically balanced proportions.

Expect Peach Harvest Early

Because earlier and better colored varieties of peaches have replaced once popular late maturing varieties in Michigan, the state's peach harvest could reach its peak just before Labor Day this year. Usually the peak comes after Labor Day.

Michigan is expected to have a peach crop totaling 2,900,000 bushels, the Michigan Department of Agriculture says. This is justing to most recent estimates, will be about 75 million bushels, about 12½ million bushels more than last year.

Weather can change both the expected peak date of the harvest and also the size of this year's yields. But a crop of nearly 3 million bushels in Michigan should go a long way toward satisfying the appetite for peaches and cream, peach pie, peach cobbler or peaches for home canning or freezing.

The initial homegrown peaches should appear in markets around Aug. 6. The harvest should continue until around Sept. 25, with

The Old Timer

receipts dropping off sharply after the peak is reached because today there are more trees bearing early varieties than there are trees bearing late sorts.

An old-time favorite peach variety, the Elberta, no longer is the principal Michigan peach. It has given way to earlier peach varieties propagated right in Michigan at the South Haven experiment station that mature from a week to two weeks earlier than Elberta. These varieties have better color and are rich in flavor.

For nearly a half century the Elberta reigned supreme in Michigan, as it still does in most peach producing states. Recent estimates indicate the earlier Redhaven variety makes up a third of the state's crop with the dark Halehaven second with 28 percent. Elberta is estimated to have only 18 percent in Michigan.

Such "haven" varieties as the Fairhaven and the Kalhaven also have been extensively planted as has Redskin. All have excellent flavor and are ideal for eating out of hand, in prepared desserts or for home processing.

"Immortality is the genius to move others long after you yourself have stopped moving."

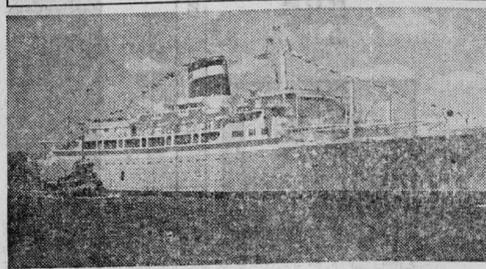

"One sure test of will-power is to see a friend with a black eye and not ask any questions."

Corn is one of the most prodigious growers in the plant kingdom. From a seed, it grows in eight weeks to a plant with more than 1400 square inches of leaf surface, and root system which would stretch seven miles laid end to end. A healthy stalk can grow four inches in one day.

A mechanical feeder for your fish tank automatically shakes in the right amount of fish food at regular intervals for as long as a year.

A hush-hush item has just been developed. It's a switch that automatically lowers the sound of the radio, hi-fi or TV the moment you take your phone off the hook.

America's New Liners

The Santa Rosa

After the wave of American-flag passenger ships placed in service early in 1957, there was a lull of almost a year. This was initiated by the time required to construct large and complex liners from the keel up, as distinguished from conversion of ex-ships.

First delivery of an American ocean passenger vessel entirely new construction in six years was that of the Grace I. Santa Rosa, pictured above arriving in Upper New York Bay 16, 1958, from Newport News, where she was built. Her other "firsts" include the following: first new American-flag passenger ship built for the inter-American trade since the early 1930's, first new ship completed under the American Merchant Marine's \$2,000,000-plus fleet-replacement program.

The Santa Rosa, which replaces a famous ship of the same name sailed from New York on her maiden voyage to Florida, West Indies and South American ports June 26, 1958.

Your Automatic Transmission needs checking regularly

If fluid is not kept at proper level, or needs changing, your automatic transmission can be seriously damaged. Repairs are mighty costly. Stop by every 1,000 miles for a fluid level check. And when you need a refill at the mileage specified by your car's manufacturer, you'll get the best—Texaco Texamatic Fluid.

by
**Congressman
JERRY FORD**

In the adjournment rush Congress notched some noteworthy accomplishments but in several instances has failed to measure up to its legislative responsibilities. After three unsuccessful attempts at writing a sound bill for agriculture the House of Representatives agreed to a proposal which has the endorsement of Secretary Benson and the Democratic and Republican leadership. The Secretary of Agriculture had this to say: "The bill more closely approaches the immediate and long-range needs of agriculture as set forth in January by the President."

Your Congressman voted for this proposal. I disapproved of previous bills coming from the Committee on Agriculture because, 1. they had been loaded with special benefits for individual commodities such as cotton and rice, and 2. they were actively opposed by the American Farm Bureau and most agriculture experts.

The Senate has already approved an acceptable farm bill. In conference between the House and Senate Conferees a constructive solution to this complicated and controversial issue can be achieved. Because of the President's leadership, Secretary Benson's firmness and the Congress' eventual willingness to compromise its differences, real progress has been made.

LABOR MANAGEMENT LEGISLATION: The shocking disclosures brought to light by the McClellan Committee would seem to necessitate Congressional action on legislation to correct these abuses. The Senate earlier this year approved a compromise bill after accepting a number of amendments from the floor that had not been recommended by the Committee. The net result: a piece of legislation that is highly controversial and one which badly needed further analysis by the House Committee on Education and Labor.

The Senate bill was sent to the House of Representatives in mid-June and held by Speaker Rayburn on his desk 41 days before it was referred to the Committee on Education and Labor. In the meantime the Committee did nothing about public hearings where the pros and cons of this Senate bill could be scrutinized.

Now, all of a sudden, there are rumors that the Senate bill will come before the House of Representatives under a parliamentary procedure which limits debate to a total of 40 minutes and precludes any amendments. On a problem which is so serious to so many people, on an issue which is extremely controversial to say the least and in a field of the law where every single provision is of vital importance to all concerned

In preparation for pheasant and rabbit seasons, many Michigan hunters are busy training dogs in the field. Under state regulations, dogs may be trained between sunrise and sunset from July 15 to August 15, and at anytime of day between August 15 and the opening of raccoon hunting season—October 20 in the southern lower peninsula.

It does not seem proper to restrict debate to 40 minutes, prevent amendments, and by-pass intelligent and orderly consideration of the legislation by an established House committee.

If the Speaker of the House had referred the Senate bill to the Committee promptly instead of holding it on his desk for 41 days the House Committee could have done its job and then the House as a whole could have worked its will by approving or disapproving proposed amendments. A "gag rule" procedure in this situation doesn't make sense. I for one would greatly prefer that the Congress stay on the job postponing adjournment until sound and constructive labor-management legislation is approved.

NATIONAL EDUCATION ACT: The Federal Education Bill as amended and passed by the House provides for Federal loans to needy college students who have proven their ability. The House eliminated those provisions of the bill which would have authorized \$17,500,000 in each of three years for awarding free scholarships of up to \$1000 each to those persons found eligible by tests and other measures of aptitude.

The bill as passed makes available loans which must be repaid. The assistance would be available to capable students who can show a definite need for financial assistance. However, the Federal Aid would go only to those individuals willing to assume the responsibility for repayment.

The program will be administered through the various state departments of education.

In subsequent action the Senate included the scholarship provision in the bill but limited each scholarship grant to \$250 annually. At this writing the bill is headed for a House and Senate conference to iron out differences.

U. S. S. NAUTILUS: Every American was thrilled to hear of the historic trip of the Nautilus, our atomic powered submarine, over the top of the world and under the ice cap at the North Pole. When the U. S. S. SKATE duplicated the feat in the opposite direction we knew something of the terrific advancements that this country has made in underwater navigation.

Having been aboard the NAUTILUS for a week-end underwater cruise in 1956, I was especially

pleased to receive the following letter from three members of the crew postmarked "North Pole, 11:15 p. m., Aug. 3, 1958."

"After having met you on board the Nautilus we wish to extend you a very hearty greeting from the Top of the World.

"It might be of interest to you that we left Pearl Harbor on the 22nd of July and arrived here at the North Pole at 2315 E. D. T. on 3 Aug 1958. Presently we are heading for some European port of call. Thus marking two historic achievements, the first being the Polar Transit in addition to reaching the North Pole by ship.

"We are looking forward to having you on board for another visit. Until we see you again we remain... Sincerely yours, John J. Krawezyk FTC (ss), Lynus J. Lorch TMC (ss), John H. Michaud SOC (ss)."

**Deaths Increase
At High Speeds**

A trucking-industry leader warned today that the chances of someone being killed in a traffic accident are five times as great at 75 miles per hour as at 55, and nearly nine times as great as at 45.

"These odds on death have been computed from state accident reports, and we are glad to pass them along to you," stated W. H. Boutell, president of the Michigan Trucking Association in connection with Michigan trucking industry's August Courtesy & Safety Campaign, "Speed Control."

Boutell explained that these odds do not necessarily indicate the likelihood of an accident happening at a given speed. They only show the likelihood of someone being killed if an accident occurs.

"Nevertheless," he emphasized, "there is ample reason to believe that accidents are more likely to occur at higher speeds. For one thing, there is a drastic increase in stopping distance for every increase in speed.

"Therefore, the high-speed driver needs plenty of room in which to stop to avoid an accident. Sooner or later, he will find that he doesn't have it when he needs it.

The federal debt requires interest payment of \$14,000 a minute.

Football Call At Forest Hills

The call for the Forest Hills Rangers football candidates to report for their physical examinations on Tuesday, August 26, at 7 in the Ada gym was made this week by Athletic Director Edward Shy.

The examinations will be administered free by local doctors, and Mr. Shy emphasized that it is very important that all boys be present on this date. The school cannot guarantee a free examination to boys not present, and every boy must pass a physical before they can be issued equipment. Mr. Shy stated that all Forest Hills ninth and tenth grade boys are welcome to the meeting, and no one needs a special invitation to try out for the teams.

Tenth grade boys who pass the examination will be issued equipment on Tuesday, September 2, at 1 p. m. The first practice will be held at 3 the same afternoon. The equipment will be issued at the new high school gym. The ninth graders will receive equipment at 2 p. m. on the same day. They will practice at 4 p. m.

"The realities of today's world and its demands on the Federal budget require that the states and increasingly greater part of both local communities assume an the burden and the challenge presented by the public health needs of the future."

Scouts Organize CD Emergency Service

Explorer Scouts of the South Kent District are the first to be organized in Emergency Service with the local Civil Defense.

Approximately 175 boys and their leaders can be mobilized within a very few minutes. Leaders of the District have been working on this program for nearly two years. The Explorer Emergency Service program is under the direction of D. Edgerly, Explorer Health and Safety Director.

On Friday, August 29, and again on Sunday, August 31, the Explorers are being mobilized to work with the Sheriff's Department, doing First Aid and traffic counting at strategic corners in the county. Explorers from Explorer Post No. 2334 of Cascade, under the leadership of Milt Heaven, will be participating in this program.

Miss McCormick Engaged

The betrothal of Miss Mary Ellen McCormick to Bruce P. Flanagan has been announced by the future bride's parents, Mr. and Mrs. Edward M. McCormick of Ada. The bridegroom-to-be is the son of Mr. and Mrs. Percy Flanagan of Lowell.

Miss McCormick is a graduate of St. Patrick High School at Parnell. Mr. Flanagan attended Lowell High School.

The wedding date has not been set.

TV NEWS

SOME JOB!

Securing guests for the "What's My Line?" show has been no problem for Frances Trocaine, program manager for the show, and her assistant, Ann Kaminsky. Applications come from all parts of the globe. "I think the oddest job ever submitted to us," Miss Trocaine said, "was that of a girl who models for caskets. She works for a casket manufacturer and displays the wares at undertakers' conventions. We didn't use her because the job is too grim for us."

GOOD START

Shirley MacLaine, star of Broadway and Hollywood, became a TV comedienne quite by accident. "An early show I did was with Bob Hope," Shirley explained. "I was just supposed to dance. No one thought of me as cute or funny. Then during my number with Bob he started throwing dialog at me. I started throwing it back and everybody started laughing."

TV BRIEFS:

Mel Allen, on TV sportscasting: "On TV it's the duty of the sportscaster to give the little added things they don't get at the park; the background on the players, the low-down on the strategy, things like that."

Shirley MacLaine, on TV: "Television? The most powerful medium in the world. But it's still in the embryo stage. Things will happen in it we haven't dreamed of. Sure we watch it. We just have to be careful it doesn't start watching us."

hospital notes

Walter Hayes, 1668 Buttrick Rd., is convalescing at home after undergoing surgery at Blodgett hospital on Monday, August 11.

Falls killed 20,000 persons in 1956. Only traffic accidents took more lives.

A little flattery now and then, Makes husbands out of single men.

Motorists Face Challenge on Labor Day

Motorists will face a real challenge on Michigan highways over the Labor Day holiday to reduce the death toll under the record low of 13 fatalities last year.

The death tolls are computed from 6 p. m. Friday to midnight Monday, a period of 78 hours. Last year the average was one death every six hours. During the five years previous to then, a death average was one every three hours, the lowest being 14 in 1951 and the highest in 1952 and 1953 with 32 each year.

The goal of the Michigan State Police is to have the lowest toll ever occurred.

Again an intensified patrol will be in effect from noon Friday, August 29, to midnight Monday, September 1. All pass days will be cancelled and more than a thousand state police on duty. Traffic patrols will work 10 hour shifts, assisted by 129 National Guardsmen. Sheriffs will have 96 Guardsmen.

State police will use marked, semi-marked and unmarked cars. Detectives will be on desk duty

to relieve uniform men for patrols. "We will do everything we can to cut the toll," said Commissioner Joseph Childs, "but there will also be a test to just how great the improvement in driving has been. We can continue to show improvement if drivers remember to drive safely and courteously. Let's do just as good as we can."

My Neighbors

"Before I decide to settle down here, what about your income tax structure?"

Lancer-Bear Cats Win All Star Game

Saturday afternoon was a beautiful afternoon for baseball! The Lancer-Bear Cat All-Stars won the flip to be home team and at 2 p. m., the game got under way. Dave Burkhead began pitching for the Lancer-Bear Cat squad, while Mike Ruffin started for the Cougar-Braves team. Both pitchers did very well for their three innings. Dave gave up no runs and one hit, while Mike gave up no runs and two hits. The Lancer-Bear Cat All-Stars scored one run in the fourth off Jerry Boomers, which looked big until the sixth inning, when the Cougar-Brave All-Stars tied the score with their lone run of the game.

The Lancer-Bear Cat team came back with their second of the game in the last of that inning, and also added three more insurance runs in the last of the seventh.

Dave Burkhead started and worked the first three innings for the Lancer-Bear Cat team. John Pellerito relieved him and pitched the fourth, fifth and eighth innings. Jim Lawrence pitched in the sixth, seventh and ninth innings and picked up the win.

Mike Ruffin was the starter for the Cougar-Brave outfit and was replaced in the fourth by Jerry Boomers. Jerry took the loss. Bill Taylor came on in the sixth to work the rest of the game. There were no home runs in the game.

The Box Score

Lancer-Bear Cats—5 runs, 7 hits, 3 errors, Winning Pitcher, Lawrence.

Cougar-Braves—1 run, 3 hits, 2 errors, Losing Pitcher, Boomers.

Umpire-in-chief was Earl Unsell, 1st John Pellerito, 2nd Gerrit Slinger, 3rd Rudy Chasseur, announcer Carl Lanham, leading batter J. Vandenberg with 3 hits, score keeper Dick Andre, collection \$10.50.

Snow Community

Mrs. S. P. Reynolds

Correction—Snow Sunday School picnic will be held on Friday evening, August 22, instead of September 22, as was stated in last week's Ledger.

Snow WSCS will hold their Spiritual Life class and business meeting at the home of Mrs. John Blanding, on Wednesday evening, August 27. It is desired that all members be present.

Jon Ingersoll of Kalamazoo, spent last week with his grandparents, Mr. and Mrs. Claude Cole, and attended the 4-H Fair with Mr. and Mrs. Lawton Cole.

Mr. and Mrs. Richard Smith and sons and Mr. and Mrs. Seymour Hesché and son attended a family dinner party at the home of Mr. and Mrs. Leo Bloomer, of N. McCords.

Mrs. Lawton Cole spent Saturday afternoon with her father, A. J. Porritt of Bowne Center.

Mr. and Mrs. Morley Carew of Ada, spent Friday with Mr. and Mrs. Claude Cole and they all attended the 4-H Fair and Monday Mr. and Mrs. Guy Cole spent the day and night with the Claude Coles.

Monday evening Mr. and Mrs. Richard Smith entertained in honor of their son Douglas' birthday. Those present were Mrs. Trenis Devenor of Lowell, Mr. and Mrs. Wayne Brown of Eaton Rapids, Mrs. Ronald Hesché and children of Fennville, and Mr. and Mrs. A. J. Smith and son.

Mr. and Mrs. Clarence Snyder and sons of Kalamazoo, spent Saturday night with Mr. and Mrs. Alex Robertson, and Sunday the Snyders and Robertsons and Mr. and Mrs. Sherman Reynolds and the John Blanding family attended the Geib reunion at Caledonia Park.

Boosters' Club to Meet Sept. 3

The executive committee of the Forest Hills Boosters' Club announced this week that they will hold their first meeting of this year on Wednesday, September 3.

The meeting will start at 8 p. m. and will be held at the new high school.

Entertainment will be provided and refreshments will be served. Fred Sytsma, president of the Boosters' Club urges all men in the Forest Hills District to attend this meeting. Even if you don't have children in school, and you resided in this district, you are cordially invited to attend.

THINGS TO COME—A Swedish inventor has come up with a one-piece loudspeaker telephone that may be heard and "spoken at" from four different directions. It's about the size of (and looks like) an ordinary desk phone, minus the hand receiver. . . Better brightwork is promised on 1959 model cars, some using thicker chromium-nickel-copper combinations, others using double coatings of nickel, to eliminate "pitting" of bumpers and door handles. . . Flooring makers are experimenting with especially tanned squares of shoe-sole leather with a shiny finish, held down by an adhesive.

One pound of activated carbon can absorb up to half its weight in smells, which is about the amount a human being breathes in a lifetime. The substance contains an incredible network of sub-microscopic canals which trap the tiny odor particles as a sponge traps water.

Need extra storage space occasionally? A portable warehouse which folds into a three by five feet package has been developed by industry.

Rooker Wins Award for Fifth Time!

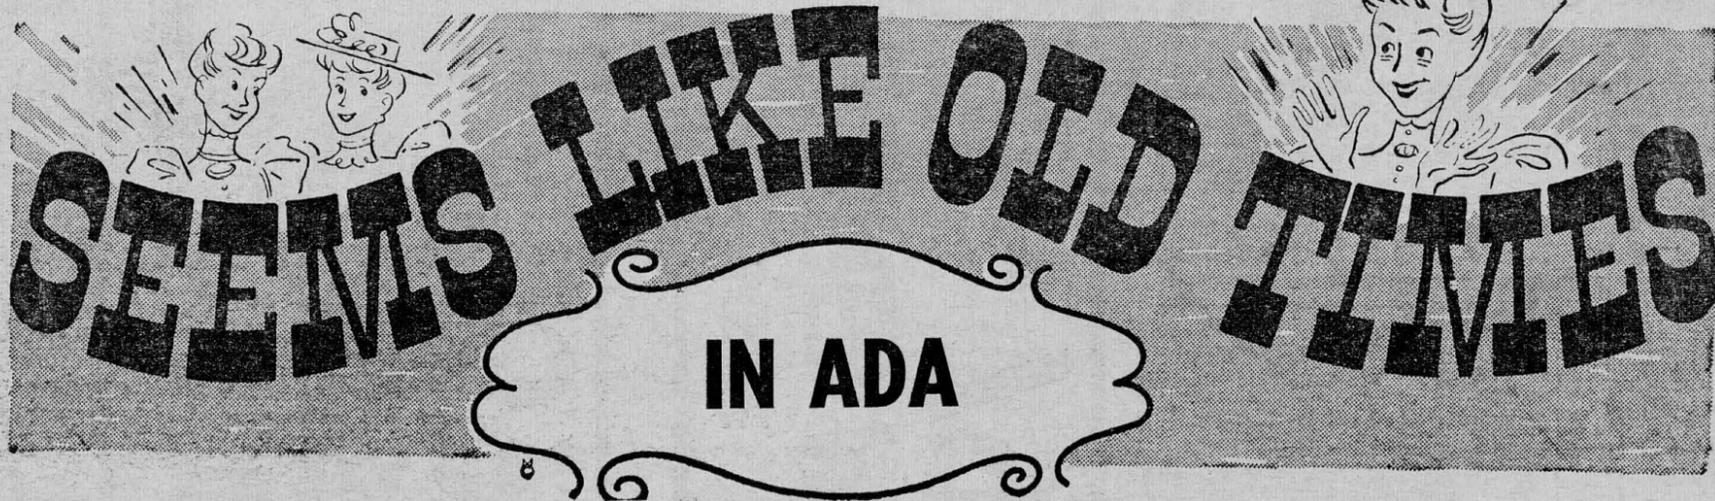

For the fifth time Jim Rooker, center, serviceman at the Ada Oil Company, received a \$50 service award from John Foley, right, of the Phillips Petroleum Company for giving top drive-way service. At left is Gordon Svoboda. Here's how he won. A "Mystery Motorist" paid an unannounced visit to the station and rated Rooker "excellent" for friendly and thorough service. The check and a certificate were presented by Mr. Foley last week.

Perhaps one of the most difficult things in the world for the average driver to realize is that accidents are not confined to other people, they can happen to him too. For many drivers this realization can be brought home only by an accident in which he is involved—and all too frequently when that happens it is too late for the realization to do him or his family any good.

Half of all fatal home accidents result from falls—13,100 of the home accident deaths in 1956.

It's not surprising that the warm summer months bring the heaviest traffic loads to our highways. Vacation and holiday travelers are piled on top of normal traffic as thousands of our wide ranging population take to the highway for sheer enjoyment. But what is surprising is that so often these folks move across the highway at a clip that leaves the scenery and the sights only a blur. This summer why not make a note to slow down and really live.

Softball Team Wins First Game of Tourney

Last Thursday evening, the Cascade Christian Reformed Church Softball team played their first tournament game and won over the Fuller Avenue Christian Reformed Church team by a score of 6 to 5.

On Tuesday night, August 19, they were scheduled to play the Burton Heights Christian Reformed Church team.

Guest Ministers

On Sunday, August 24, the guest minister at the Ada Christian Reformed Church, will be Rev. John Vanderploeg, Editor of the Banner.

On Sunday, August 31, the guest minister will be Rev. Morris Faber, teacher of the Bible at Grand Rapids Christian High School.

On Sunday, August 17, the guest minister at the Cascade Christian Reformed Church was Dr. Ralph Stob of Calvin Seminary. On Sunday, August 24, the guest minister will be Rev. Calvin Niewenhuis of LeMars, Iowa.

Mrs. Joe E. Brouard, Sr., of Beaumont, Texas, really does things in a "big" way. She has 66 grandchildren—so far.

More perfumed products are used by men than women.

Pigeon Club to Hold Bird Show

The Grand Valley Pigeon Club will have a show of young birds on Saturday, August 23, on the lawn at the home of Mr. and Mrs. Verne Morse, 5043 Cascade Road, during the afternoon.

All people who are interested in pigeons are invited to attend, and there is no admission charge.

Honor Miss Cutler At Bridal Shower

A miscellaneous shower for Miss Sally Cutler, bride-elect of Fred Osborn, was held on Friday evening, August 14, at the home of Mrs. C. H. Turner, Cascade Road, with Myra Jane Quinn and Nina Scripps as co-hostesses.

Many lovely and useful gifts were received, after which lunch was served.

Tri-Cees To Hold Last Bible Class

The Tri-Cees Bible Class, the last one of the season, will be held on Wednesday evening, August 27, at Fellowship Hall, with Mrs. Milton Heaven and Mrs. R. Dale Charters as co-hostesses.

The text for the study is Revelations 21, "The Final Victory of Our Lord." The leader will be Robert Cribley.

coming events

The Paris Grange will meet at the hall on Friday evening, August 22, at 8:30 p. m., for their regular bi-monthly meeting.

The WSCS of the Snow Methodist Church, will meet on Wednesday, August 27, at the home of Mrs. John Blanding, for their Spiritual Life and business meeting. They would like all members to be present. The meeting will begin at 7:30 p. m.

The Sunday School picnic for the Snow Methodist Church will be held on Friday, August 22, at the shelter house at Fallasburg Park. Supper will be at 7 p. m. There will be games and entertainment following the supper.

social briefs

Mr. and Mrs. Wayne Fellows, Thornapple River Drive, have just returned from a two weeks' vacation at Hess Lake.

Mr. and Mrs. Joe Svoboda of Ada, entertained their employees on Sunday, August 17, at the summer home of Gordon Svoboda, on Silver Lake.

Rev. and Mrs. Raymond Gaylord, Orange Street, had as their guests Mrs. Joe Belding and children of Perry, Ohio, last week, when they came to take their daughter, Nancy, home. Nancy had been here over a week. On Sunday, they also had callers from Perry, Ohio; Mr. and Mrs. Harry Few, former residents of Grand Rapids.

Mr. and Mrs. Peter Kramer, 28th Street, and Mr. and Mrs. John Kleinheksel of McCords, returned home Saturday from a two weeks' vacation trip to Yellowstone. On the way they visited the Bad Lands and the Black Hills, and returned through upper Michigan and across the Straits bridge.

Mr. and Mrs. Milton Heaven, Denison Drive, attended the 40th wedding anniversary party of their cousins, Mr. and Mrs. Fred Gray, in Grand Rapids, on Sunday.

Mrs. L. Pryor and son, Phillip, spent last week end in Port Huron, Michigan, visiting her sister and husband, Dr. and Mrs. Carl Martinson.

Mrs. Gladys Culp, 1172 Eastmont S. E., has had as her guest the past two weeks, her niece, Miss Claudia Farnun, from Danville, Illinois.

Mr. and Mrs. Don Biemers, Bronson St., Ada, have as their guests, Mrs. Biemers' sister and husband, Mr. and Mrs. John Walters, of Bridgeport, Connecticut.

Street Carnival to Benefit Missions

Remember the "Let's Go International" carnival the C. Y. F. of the Cascade Christian Church are sponsoring on Saturday, August 30, from 2 p. m. to 11 p. m. Each organization that will maintain a booth at the carnival are to choose some country in which the Disciples of Christ have mission fields, and to decorate the booth or dress to represent the country chosen. Ten percent of the proceeds of the carnival is to go for mission work.

The C. Y. F. themselves have chosen "America." They will sell hot dogs at the dance; carry on a telegraph service, have a King and Queen Court, and a policeman with jail and court.

The Denison Guild, representing "Japan" will have a fancywork booth. Chi Rho, who have not yet chosen their country, will have a dart game, and sell paddle pops, popcorn and nuts.

The Christian Men's Fellowship representing the "Philippines" will sell pop, and help build booths. The Cradle Roll Guild, represent-

ing "Mexico" will sell hot coffee, cupcakes, maintain a goldfish bowl and have pony rides.

The Post-Hi group have chosen "Jamaica" and will have a make-up booth and a kissing booth. The Doerr Guild, who also have not chosen their country, will have a baked goods booth.

The Tri-Cees will sponsor the street dance, with Mac's Music Masters furnishing the music for round and square dancing, with Lee Patterson calling for the square dances. There will be a clown on hand to amuse the children, and to sell balloons.

Come join the fun at the C. Y. F. Carnival.

Hold 2 Practice Alerts At Cascade GOC Post

There were two practice alerts at the Cascade G. O. C. post last week. The first, on Monday, August 11, was from 7 p. m. until 1 a. m.

The post was manned by Ken Mercer, Harold Ballast and Mr. and Mrs. Duwayne VanderSloot. The second alert was Thursday, August 14, from 7 p. m. until 12 midnight. The post was manned by Mrs. Edna DeWitte and Mr. and Mrs. Duwayne VanderSloot.

There's Something Special about Phillips 66 Service

All right . . . so you don't carry potted plants on automobile trips. And if you did, maybe you wouldn't expect to have them watered at a service station. But you'll be surprised at all the *extra* services your Phillips 66 Dealer offers you.

Phillips 66 Service includes much more than just filling your gas tank. For example, the attendant cleans, *not only* your windshield, but *all* your windows. He checks the tires, radiator, and battery. Even brushes out *inside* your car. It's all part of our "Hospitality on the Highway."

Drive in at stations where you see the orange and black Phillips 66 Shield. You'll be treated right, and so will your car!
