## High Enrollment at Forest Hills Requires More Buildings, Bond Vote June 13

At two successive meetings, one held Monday, April 4, and another on Monday, the 11th, the Forest Hills Board of Education considered the problems which it faces due to persistent increases in projected school enrollments.

A statistical report presented by the Superintendent at the request of the Board reveals the problem which will confront the district within a short time despite its efforts to keep up with the enrollment increases, through construction of classrooms during the present year. Another matter which

makes the work of the Board pressing has to do with the task of providing high school facilities that will insure full accreditation now and in the future. Not only must classroom space be provided but particular kind of space, such as a library, science rooms, more physical education floor space, and so on.

The present enrollment of the Forest Hills District is 2081. The high school has 676 in grades 7 through 11. The first senior class of 100 students will graduate one year from this June. By 1963, the total enrollment will reach 2778. In the high school building alone, there will be 1152 students enrolled.

The Board of Education has decided that it will be necessary to ask the people of the school district to provide more funds for building space in the very near future. Present plans call for a special vote on June 13. If successful, this will provide 8 more elementary classrooms, 12 more high school classrooms, additional gymnasium space and a library.

To place the problems squarely before the people, public meetings will be held in rapid succession at the various community centers in the district. A planning session to be attended by all Parent organization executive Boards has been scheduled for Monday, April 25, in the School Board rooms in the Collins Elementary Building.

## Collins P.T.A. To Present "Spring Catillion"

Everyone is welcome to the first Spring Catillion at the new All-Purpose Room at Forest Hills High School for a gay evening of dancing. Lou Mahacek's Orchestra will be presenting the music for the evening. The dance will be on Saturday, April 23, from 8 p. m. to 12 p. m. This gala event is being sponsored by the Collins P. T. A. to provide funds for playground facilities.

Tickets may be purchased from the ticket chairmen, Mr. and Mrs. Stewart T. Johnson, GL 1-1241. Also on the ticket committee is Jas. W. Jarrad, GL 4-7232.

On the publicity and decorations committee are Sue Jarrad, Margo Clappe, and Sylvia Johnson. Refreshments are Mr. and Mrs. Berkeley Freeman. They are planning a punch bowl table for the event. On baked goods is Mrs. George Darooge. The general chairmen are Mr. and Mrs. Robert W. VanderVeen.

The Master of Ceremonies for the evening will be Robert Clark. Special lighting has been arranged by Consumers Power Company to add atmosphere to the theme of the dance.

There will be door prizes awarded and also plenty of refreshments. Hope to see you and all your friends there.

## Cascade Cub Pack 3334 To Hold Paper Drive

Cascade Cub Pack 3334 are asking their friends and neighbors to save their papers and magazines for them for their paper drive which begins Wednesday, April 13. There will be a truck trailer at the garage of the Cascade Christian Church Parish house from April 13 through Saturday, April 16. If you would care to bring your papers and magazines to the trailer it would be greatly appreciated.

The only request is that papers and magazines be separated and tied in separate bundles. If you would like to have your donations picked up, please call Fosner's, OR 6-5611 or Johnson's, GL 6-7536.

## Close 28th Street For Bridge Work

The State Highway Department closed 28th Street this week for construction of the overpass of the US-16 Expressway near the cemetery. The bridge and exchange will be under construction for several months. Passenger cars can avoid this by taking Burton Street. Truck traffic will have to take the East Beltline.

The structure on 28th Street will be of dual construction to carry the expressway over 28th street. Each will be 264 feet long and will carry two 30 ft. roadways. Completion is expected to take two months.

Pictured is Phillip Wilson, R-1, Ada, who was honored as top corn grower in 1959. He produced a yield of 100.46 bu. per acre to be named the Kent Co. corn growing champ in the 1959 National Selected 5 Acre Corn Growing Contest.

## Ada Christian School PTA Meeting, April 14

The P. T. A. of the Ada Christian school will meet on Thursday evening, April 14, at 8 p. m. at the school. Martin Dekker of Oakdale Christian school will be the speaker. He will speak and demonstrate visual aid used in education.

Election of necessary officers will take place at this meeting.

## FOREST HILLS COMPLETES VISUAL SCREENING

Visual screening for all kindergarten children in the Forest Hills District has been completed.

There will be rechecking where necessary and checking for those children who were absent will be done in about three weeks. If there is a need for further checking by a physician, the Kent County nurse Mrs. Moffatt will contact the parents.

## GOOD FRIDAY SERVICES

The Cascade Christian Reformed church are joining with the East Paris Reformed church in Good Friday services at 8 p. m. Friday evening at the East Paris church. The ladies of both churches will present an Easter Cantata.

Rev. R. Boeskool will deliver the sermon and the offering will go to the Board of Foreign Missions.

A cynic is a person who thinks the only footprints on the sands of time are heels.

## Forest Hills High All-Sports Banquet

Someone has asked some questions about the All Sports Banquet. We would like to try to answer those questions now. The first question is, "Why do we have the banquet so late in the school year?" We have scheduled it in the latter part of May so we could include in our program, all four major sports of the Forest Hills High School. If we scheduled it early, we could only consider basketball and football participants. Any sport banquet is usually held to honor varsity competitors and we don't know our varsities for track and baseball until sometime around the 15th of April. Hence the date of Thursday, May 26, was set.

Another question which has been asked is "Can we get tickets at the door?" This will be an impossibility because the dinner will be planned as per the number of tickets sold. In other words, buying a ticket is the same as making a reservation for this dinner.

The tickets are now in the hands of the Booster Club members and are ready for distribution. We are planning on a total ticket sale of 400. All varsity members of the four sports at Forest Hills and their coaches will be guests of the Forest Hills Booster's Club. Tickets for other people sell for \$2.00 per adult and \$1.50 for students. Get your tickets early so you will be assured of a seat at the banquet.

## Easter Services at Cascade Christian Church

An Easter Sunrise service will be held at 6 a. m. at the Cascade Christian church under the auspices of the young people.

At 8:30 there will be a worship service, at which time the adult choir will sing. At 9:45 a. m. there will be an identical service and at 11 a. m. there will be a third worship service with the youth choir singing. Rev. Gaylord's message will be "The Last Will and Testament of Jesus."

Everyone in the community is cordially invited to attend any of these services.

## Youth Fellowship Work Day, April 23

The Christian Youth Fellowship of the Cascade Christian church are looking for jobs. On Saturday, April 23, they will do any odd jobs you don't have time to do, or don't like to do.

If you would like lawns cleaned, windows washed, storm windows taken down and screens put up, housework or babies taken care of, here is your chance.

To get a worker, simply call Mrs. Roy Reynolds, GL 2-9731 or Mrs. Ken Oakes, GL 1-3036, and they will arrange for someone to be there at the time you want them.

## Spring Sports Season Begins April 19

Tuesday, April 19, the Spring sports season begins in the Forest Hills High school, with a baseball game here with Hudsonville and a track meet with Hudsonville at the Lee field.

On Friday April 22, we will play baseball against Byron Center there, and a track meet with Byron Center at Lee field.

## "GOD OF CREATION" FILM TO BE SHOWN

On Easter Sunday evening after the regular worship service, the young people of the Eastmont Baptist church will show the film, "God of Creation."

## Cascade Ch. Church Kick-Off Dinner

Much of the preliminary work has been done on the fund raising campaign for the expansion of church facilities for the Cascade Christian church Expansion Program. Various committees and workers have been selected, including the Publicity, Spiritual, Team Captains, Meals and Calling. The Minute Men and Canvassers are being contacted and ALL campaign workers will be present for a Kick-off Dinner on Wednesday, April 20th at 6:30 p. m. in Fellowship Hall.

Program for the evening will consist of a talk by the Campaign Chairman, Robert Cribley, topic of which will be "Why We Are Here," and five minute statements from members of the various campaign groups and Minute Men on "Our Job as We See It." A consecration service for all workers will be let by Rev. Raymond Gaylord at this time also.

Success of a program such as this hinges on many aspects. Uppermost is the need for expansion and also that enthusiasm, desire and will being shown thus far on the part of the campaign committees.

## Eastmont Reformed Choir Observe Maundy Thursday

The Eastmont Reformed church will observe Maundy Thursday by a Holy Communion service at 7:30 p. m. Thursday April 14. The church choir under the direction of Simon Oppenhuizen will sing. This service, in observance of the Lord's Institution of the Last Supper promises to be of special significance to all who attend.

### Easter Sunday

Easter Sunday services are scheduled at 10 a. m. and 7 p. m. Residents of the Forest Hills area are cordially invited to attend. The choir will also sing an appropriate anthem in the morning service. Nursery care is provided.

## Easter Sunrise Service At Civic Auditorium

The Grand Rapids Christian Endeavor Union is sponsoring its 21st Easter Sunrise service on Sunday morning, April 17, at 6:30 a. m. at the Civic Auditorium. The service will feature the Rev. Louis King as speaker, Larry May and the Spiritual Harmonizers and other outstanding talent.

Transportation will be provided to anyone by the Eastmont Reformed church bus. Those desiring to go must be at the church at 6 a. m.

### EASTER MUSICAL PROGRAM

An Easter program will be presented at the Ada Community Reformed church Sunday evening, April 17th, at 7:30 p. m. The program will consist of solos, songs, and anthems by the Junior and Senior choirs. The soloists will be Mrs. Verne Ouendag, Mrs. Martin Perdok and Rev. Lester Muller. Mrs. Lester Muller is the accompanist and director of the choirs.

There will be a hymn sing that the congregation will participate in along with the program.

The public is cordially invited to attend.

### EASTER BREAKFASTS

The Doerr Guild of the Cascade Christian church will serve breakfast after the Easter Sunrise service in Fellowship Hall for the Chi-Rho and CYF youth groups. After the Sunrise service, the Post-Hi will prepare their own breakfast in the Parish House.

Read Suburban Life Want Ads.

## Old Kent Plan Open House at Opening, May 2

Old Kent Bank branch for Cascade which is scheduled to open on Monday, May 2, plan regular hours that day plus open house in the evening. Gabe Quakkelaar, manager of the Cascade Branch office, stated.

The building being built by Robert Martin for the bank is rapidly approaching completion. To staff the branch there will be three tellers and a proof girl besides the manager.

## Tri-Cees Sponsor Magic Show, May 6

May 6, is the date set for a Magic Show sponsored by the Tri-Cee's of the Cascade Christian church in Fellowship Hall at 7:30 p. m.

The magician presenting the program is Mrs. Meyer Ginsburg. Tickets may be purchased from any Tri-Cee's member for 50 cents for adults and 25 cents for children.

Save this date and plan to enjoy an evening that is different.

## Registration for Forest Hills Summer Baseball League

The final registration dates for boys to enlist in the Forest Hills Summer Baseball League has been set. Those dates are Tuesday, April 19, and Thursday, April 26, from 6 p. m. to 8 p. m. in the Cascade Township Hall. These dates will be the final registration. No one will be allowed to participate unless they have registered by the last date.

The program is planned for boys in the 13 to 16 year old age bracket. Any boy who has not reached his 17th birthday by August 1, 1960, is eligible to compete in this summer's program.

We would like to remind the boys that participated last year that they also have to be registered again this year. The fact that you were assigned to a team last year does not mean that you are registered now. Be sure to see us on April 19 or April 28.

Registration fee is \$1 per boy and each boy must be accompanied by one of his parents or legal guardian.

## JUNIOR C. E. TO PRESENT EASTER PROGRAM SUNDAY

The Junior Christian Endeavor of the Eastmont Reformed church will present a special Easter program on Sunday afternoon, April 17, at 3 p. m.

The children invite all their parents and friends to attend. Sponsors of this C. E. Group are Mr. and Mrs. Fred Koetsier.

Boy Scout Troop 290 will clean your car for Easter at Svoboda's Phillips 66 station on Ada dr., in Ada, Saturday, April 16.

## Michigan Leads Northeast States In Toll-Free Expressway Mileage

Michigan has more miles of toll-free expressway open to traffic on the National Interstate System than any other state in the Northeastern United States, the National Highway Users Conference reported recently.

At the same time, the report showed Michigan has more mileage on the Interstate System that is "fully adequate for 1975 traffic" than any other state in the U. S. with the exception of Texas.

The report, based on information provided by the U. S. Bureau of Public Roads, listed the status of the Interstate System as of last Nov. 30.

The Users Conference, in its current issue of "Highway Highlights," said Michigan's Interstate expressway construction program "has shown remarkable progress."

The report said Michigan had 265 miles of Interstate expressway open to traffic at the end of 1959, following the completion of about 30 miles during December.

In addition, Michigan has approximately 100 additional miles of expressway that is not on the Interstate System, for a total of 365 miles of expressway open to traffic.

Here is a state-by-state breakdown for the Northeastern U. S. of toll-free expressway open to traf-

State	Miles
Michigan	231.2
Pennsylvania	180.2
Ohio	166.3
New York	113.5
Connecticut	107.2
Illinois	84.6
Wisconsin	48.2
New Jersey	40
Massachusetts	34.8
Indiana	15.4

In addition to the 231.2 miles of Interstate expressway open to traffic in Michigan, there are 99.2 miles now under construction and construction is expected to start by the end of May on an additional 85 miles of expressway on the Interstate System.

Here is a breakdown of Interstate expressway that is "fully adequate for 1975 traffic" for the 14 largest states in the United States:

State	Miles
Texas	347.3
Michigan	217.9
Pennsylvania	162.5
Ohio	129
California	97.4
New York	97.7
Illinois	75.6
North Carolina	56.4
Missouri	41.4
New Jersey	14.3

## Dr. W. B. Prothro Warns Public On Flood and Rubbish Hazards

Dr. W. B. Prothro, City County Health Officer, warned Kent County residents that a real public health hazard exists in those areas being flooded because some Municipal Sewage Disposal Systems and Septic tanks are being flooded and as a result private water supplies are being polluted.

Diseases such as Poliomyelitis, Hepatitis, Dysentery, Diarrhea, Typhoid and other Salmonella infections are spread through sewage.

Dr. Prothro advised the following safe-guards for those persons living in the flood areas:

1. Keep your children from playing in the flood water; as all must be considered polluted and unsafe.
2. Boil your drinking water if there is any possibility that your well has been flooded.
3. After the flood water receded sterilize your wall with chlorine.
4. Those individuals exposed to sewage pollution are advised to seek protection from typhoid by having typhoid shots. These may be obtained from the family physician or the Health Department.

The Health Officer also suggested that if your home is flooded, your floors and walls should be scrubbed with a good detergent or with a chlorine preparation which can be made with laundry bleach.

Anyone needing information on how to chlorinate water for drinking or to disinfect household belongings should contact the Health Department by calling GL 6-6544, extension 48.

**Clean Up Rubbish Soon**

Dr. Prothro also stated that because of the deluge of complaints coming to the health department about rubbish and garbage in back yards that rat invasion may very well become an increased problem to home owners.

The coming of spring has the tendency to inspire many homeowners to clean out their attics, cellars and other areas around the house. As desirable as such clean-up efforts are, stated Dr. Prothro, home owners are reminded that lumber and rubbish piles are excellent harbors and breeding places for rats and cockroaches.

All rubbish and lumber piles, suggested Dr. Prothro, should be given to rubbish collectors as soon as possible, while the rubbish is in waiting to be picked up, it should be kept at least one foot off the ground to prevent vermin from getting into it.

Rats carry disease to man and animals. Among these diseases are: plague, murine typhus, infectious jaundice and rat bite fever. Unless the proper safeguards are made to keep rats out of the homes, these diseases can be transmitted to man.

W. Ettesvold, Public Health Engineer, suggested to home owners the following precautions to keep rats and mice out of the homes. Close unnecessary openings such as windows, doors and ventilators with quarter-inch mesh; close unnecessary openings in the foundation of the house; make sure sacks

of garden produce do not stay out in the garage or outside the house over night before they are brought into the cellar; patch up holes in the floor and around the piping.

Rats and cockroaches are present wherever there is an abundance of food and shelter. Without these prerequisites they will move to another place. If we are "rat conscious" during the clean out days, said Mr. Ettesvold, "then we can still rid our homes of rubbish and still prevent our homes from being invaded by rats and cockroaches."

**'Bumper Pusher' Means Murder On Expressway**

In the East, it's known as a turnpike.

In the West, it's a freeway.

In Michigan, it's an expressway.

But wherever it is, it's part of a new highway transportation facility which will shrink time and distance for automobile travel.

These high-speed highways will soon be familiar to all Michigan motorists. Within the next two years, over a thousand miles of controlled access expressways will be in operation in the state and in less than a decade they will connect all major Michigan cities. They will directly service more than two-thirds of Michigan's population and 90 percent of its industries.

But Michigan's drivers are not yet ready for these new roads. Michigan's drivers have not acquired the driving skill demanded by these new roads. Michigan's drivers haven't even acquired the driving skills necessary on the old roads, judging from the annual toll of deaths and injuries resulting from traffic accidents.

Although the new expressways eliminate or reduce many of the traffic hazards of the old roads, they also demand higher performance skills of certain kinds if drivers are to get the maximum benefit from the new roads can provide in the way of convenience, efficiency and safety.

A recent news story from the East told of how a dog suddenly darted across the turnpike and 15 cars piled up when the first car braked to avoid hitting the animal.

Another story from the West, reported that some forty cars collided on a freeway shrouded in fog.

In Detroit, where the expressway has been a reality for some time, long enough for drivers to learn how to drive them, 40 percent of the expressway accidents are rear-end collisions.

Accidents on expressways don't happen as often as they do on the older type roads, but when they do, the accidents are usually serious and involve many cars.

The most common type of expressway accident is the rear-end collision. It is caused by drivers who fail to follow at a safe distance—the drivers who are currently being featured by the Michigan Association of Chiefs of Police as "Bumper Pushers."

The Bumper Pusher is a driver who is unable to efficiently judge distance and motion in relation to speed.

## "Aboard The Heather" by Theresa Collins

There are some interesting boats and ditto owners coming and going all the time here at Dinner Key. People from all over—Some sail their own boats, some charter them. Almost invariably they are people it's fun to talk with. And without exception they are a healthy and robust class of people, regardless of age.

Heather's family has been very busy provisioning. Anyone who goes camping knows how important it is to be very careful to have all details in hand, for when you once take off it may be very difficult to get some little fitting, some piece of gear, some item of food that you feel is essential. Being at sea you are absolutely on your own.

Should we cross over to the Bahamas we would want to have as much as possible with us, for everything is always appreciably more expensive on an island. You have to pay for that much more freight and handling. So quantities of food had to be purchased and stowed. Charts for alternate courses were obtained. For we intended to leave early Saturday morning, immediately after David's spring vacation began. Where we went would depend on the wind. The twins were sorry to say good-bye to their teachers and their classmates as they had had a wonderful time at the school here.

A friend took me shopping one day. She had been wearing a jacket and shorts for sailing of striped ticking which was so cute and also so practical that I craved the same thing. So we went looking. We saw the most beautiful sports clothes in various shops that anyone could ever hope to wear, but the "sailor suit" we sought was unobtainable in my size. But we had a wonderful time looking at lovely things in several stores in Miami and Coral Gables.

With the final arrival of warm weather everyone was getting sunburned, whether while sailing or swimming. This kind of weather is what we expected of Miami. Everyone always assures a newcomer that there is always a fresh breeze off the Atlantic, so that they really are not so hot here as the folks up north. All the same, air conditioning is very widely used. So there must be a little truth and partial truth in all this.

Finally came zero hour. David, a most important crew member, arrived. We were all ready. But some important mail had not come in. Imagine knowing for months exactly when you plan to go, then have to wait for mail. But Saturday morning it arrived, and after laying in the last few things, milk, meat, lettuce, etc. we were all set. A few hours later start than we had hoped, but we were ready. Friends we had made here were there to wave us off.

The wind was light and from the east. Which meant that instead of sailing across the Stream to Bimini we set our course north, to make Ft. Lauderdale the first day. What a wonderful day it was! How incredibly blue the stream when we got into it. How fresh and steady the breeze. This is marvelous sailing.

Ft. Likkerdale as it is affectionately known here, is an easy sail up the coast. We had an additional reason for wanting to reach Ft. L. because a few days before we had received a letter from my young sister that their family was coming here for the children's spring vacation. So shortly after we came in a telephone call produced a dinner invitation. What fun it was to see them! Last time was in Chicago just before we started down the River.

The Smiths had a round table reserved for us so we could all talk back and forth. Tempel and Esther sat with Kreigh and me, their beautiful teenage daughters, Martha and Linda sat with David, and their Timmy who is less than a year older than the twins sat with them. Was I proud of this handsome family. Everyone had so much fun that the twins were invited to spend the night with Tim. And now it's a perfect Florida night soft balmy breeze, moon shining on glistening palms and shimmering on the ocean. Truly a highlight of the year.

Theresa Collins

## Colored Easter Chicks Illegal in Michigan

Easter chicks or ducklings that are colored in gay hues may be novel and attractive, but they are not legal in this state, according to Director G. S. McIntyre of the Michigan Department of Agriculture.

Under state law it is unlawful to sell artificially colored animals. Included are baby chicks, rabbits, ducklings or other fowl or game which may have been dyed or otherwise artificially colored.

Nearly every year with the approach of Easter the Michigan Department of Agriculture's foods and standards division receives reports of violations through the reports of violations through the selling of artificially colored chicks or rabbits.

## South Kent Democrats Name Officers Thursday

The Southern Township's Democratic Club held its annual election of officers on April 7, 1960. The newly elected officers are as follows:

Chairman, Margaret Mudgett; Vice-Chairman, Robert Oakes; Secretary, Mary Kloosterman; and Treasurer, Richard Wilkie. On the Executive Board, Dorothy Newman Bill Kloosterman and Lionel Clark were elected.

The respective areas chose their area chairmen also and they are as follows: Gene Koon in Wyoming; Jerry Eastman in Paris; Mrs. Carl Eggleston in Lowell and Clarence Schneider in Byron Center.

**White Cane Week**

White Cane Week will be observed in Michigan from April 17 through April 23. The Lions Clubs of Michigan are cooperating to bring the information before the public that it is the state law that any driver of a vehicle who approaches within 10 feet of a person wholly or partially blind who is carrying a white cane or is being led by a Leader Dog wearing a harness, shall immediately come to a full stop and take such precautions before proceeding as may be necessary to avoid accident or injury to the person.

## How State Rules on Charitable Groups Property Tax Exemption

IF YOU'RE LIKE ME You realize that property of charitable organizations and the like is tax exempt in Michigan, but you may be hazy about the details.

In general, the Property Tax Act exempts library, benevolent, charitable, educational or scientific institutions, and memorial homes of world war veterans incorporated under state laws.

It also exempts charitable homes Boy Scouts or Girl Scouts, specifically exempts all library associations, circulating and reference libraries, and reading rooms owned or supported by the public and not used for gain, the property of all posts of the Grand Army of the Republic, 4-H Clubs, and many similar associations.

A case between the attorney general and the city of Detroit long ago established that it is not enough for one of the purposes of the association to be charitable. The sole or chief purpose must be such.

Other cases have brought out that the real estate for which exemption is claimed must be occupied and used solely for one of the designated purposes above. An attorney general's opinion held that if any portion of real estate is used for strictly commercial purposes as a source of profit, such portion would not be exempt.

A similar opinion held that property of incorporated posts of the American Legion and chapters of the Daughters of the American Revolution are entitled to exemption.

A layman's retreat has been ruled a benevolent institution, even though not a charitable institution within the meaning of the law.

The attorney general has held that county fair grounds owned by a non-profit county agricultural society do not lose their exempt status even though used between fairs for other purposes, as long as the proceeds go for county fair purposes.

Standing committees are the best kind. When they sit down, they get nowhere.

Patronize SUBURBAN LIFE Advertisers.

**Dear John and Kay:**

This is a difficult letter to write. Our Joan is in Children's Hospital, in the isolation ward with polio. She was stricken Monday, although it wasn't until the next day that the doctor diagnosed her illness as polio and we sent her into the hospital in an ambulance. She loves you—so please send her a card or two.

I just told her that her leg had gone to sleep and that she had to go to the hospital for a good rest and where she could get strong again with the help of doctors and nurses.

We have no really definite news on her condition yet, and time is dragging terribly. But we realize that examinations are impossible as long as the fever remains. The doctors expect the fever to subside by tomorrow, and then there will be days of testing to determine what damage has been done and what cure may be possible.

Yes, it has happened to us, but we're praying God will be merciful and give us back our little girl to run and play.

Other than this, which is so hard to bear, we are fine.

**Love to each of you,**  
**Helen**

Last June, ten years after this letter was written, Joan received her high school diploma. She didn't walk to where the principal was standing on the stage. She rode in her wheel chair. Joan will never walk again. Her battle against polio cost her parents all the money they could spare from household expenses. In addition, more than \$16,000 of March of Dimes funds was expended on her rehabilitation and care.

*Don't let this happen to any member of your family. See that all of them are given the Salk polio vaccine now!*

Published as a Community Service

The expansion of the Polaris and Atlas missile systems announced by President Eisenhower last week beefs up our retaliatory capability and emphasizes the technological developments constantly occurring in our weapon systems. Eighteen more Atlas ICBMs will be combat ready by December 1962. Because of technical improvements made in the guidance system we are able to increase the number of launching pads at each Atlas base from 9 to 12. Three more missiles can now be controlled by the personnel and ground-control equipment at each base. We get therefore substantially more missile power per base and have greater

destructive force at a reduced cost per missile installation. The decision to increase the number of Polaris submarines in the defense program from 15 to 21 was based largely on the completion of highly satisfactory tests within the past few months. Out of the last 11 Polaris tests this year 9 have been fully successful. I must repeat what I have stated before, that "one Polaris submarine with its 16 missiles packs more destructive power than all the allied and enemy planes put into the air during the total period of World War II." Because of its power and mobility, the Polaris has been called a "truly indestructible retaliatory

force." OF STAMPS AND TAXES: The postman leaves a letter in your mail box. Four cents postage has been paid. The Post Office Department may have carried the letter across the country but Uncle Sam has performed a service and has made a little money over and above his costs.

The postman leaves for you a magazine or any other piece of second-class mail. Some postage has been paid but 4 cents is still due. The sender met his obligation; you pay no more now; but as a citizen you have had 4 cents added to your tax bill. Second-class mail currently pays only 26 percent of its own way. Uncle Sam (that's you and I) picks up the tab for 74 percent of the costs. In 1959 the 7.1 billion pieces of second-class mail accounted for about 12 percent of the weight of all mail handled. Revenue, however, was only 2 percent of all mail revenues. The average piece of second-class mail, which consists largely of magazines costs the Federal Government about 4c more to handle than the amount of postage paid for the service. The Postmaster General is recommending that the rates on second-class mail be increased so it will pay 37 percent of its way rather than the current 27 percent. This means the taxpayers would still pay 63 percent of the cost of second-class mail as a contribution to the "public service" of the Department.

The postman drops a piece of third-class mail in your box. This is often advertising material and is sometimes referred to as "junk mail." Each piece he leaves costs you as a taxpayer 1.11 cents. Uncle Sam is subsidizing third-class mail at the rate of nearly \$200 million a year. The users of this type of service are paying 73 percent of its costs. The Postmaster General is recommending that rates be increased to bring the user's share to 85 percent. The Department has no objection to carrying so-called "junk mail" which is undoubtedly a misnomer, but it does believe that third-class mail should pay its

own way without subsidy. The proposed increase in rates is a step in that direction.

The Postmaster General is also recommending an increase in first-class mail from 4 cents to 5 cents. Because first-class mail accounts for more than one half of all mail volume, this increase is necessary to make any real reduction in the \$2 million-per-day postal deficit. He also justifies the 5-cent rate on the basis of the special and preferential treatment accorded first-class mail.

A VISIT TO THE CAPITAL: Spring and visitors are synonymous in Washington. The past two weeks saw a major influx of folks from home. I want everyone in Kent and Ottawa Counties to know that the services of my office are always available in planning a trip to the Capital or in obtaining assistance while here. If there is any way we can help, please let us know. We have passes to the House and Senate Chambers, information on hotel or motel accommodations, suggestions on what to see and do, and some souvenir booklets which you will enjoy.

struction program, announced in 1957, calls for construction of 900 miles of four-lane expressways, connecting all of our cities of over 50,000 residents... construction or reconstruction of 2,900 miles of other state trunklines... and paving the remaining 800 miles of gravel surface trunklines by 1962.

The five-year program bears a \$1 1/4 billion price tag... and a second five-year program (for 1962-67) has already been sketched, to cost another \$780 million.

Outranking most of the other states in highway mileage, we have 109,643 miles of public roads and streets. The total includes 39,000 miles of pavement. Our 9,367 miles of state trunklines represent an investment of more than \$2 billion. Of the trunkline total, 846 miles are four-lane arterial highways.

We also have 85,825 miles of county roads... and 14,451 miles of city and village streets. As the home state of the automotive industry, it is only natural, of course, that the motor transport industry figures importantly in our transportation service... reflected in a 53.6 percent increase in truck registrations between 1950 and 1958.

We have 190 regularly scheduled truck lines and 14 inter-city bus lines operating in Michigan... and some 400,000 trucks and buses use our highways. First railway built in the United States west of the Alleghenies was in Michigan—a 35-mile line completed by the Erie and Kalamazoo Railroad in 1836 between Toledo, then a Michigan city, and Adrian.

The 32 railways and rail terminal companies which operate in our state have 6,954 miles of rail tracks... more than in any of 11 prominent foreign countries, including Ireland, Portugal and Peru... and serve 90 percent of the communities in our vast territory. Air transportation in Michigan is increasing. We have 147 licensed airports and 73 landing fields for emergency use, including a dozen seaplane bases... 5,372 state-licensed pilots... 2,988 Michigan regis-

tered-planes... and 77 aviation schools. We are served by 14 commercial airlines, stopping regularly at 20 cities.

There's no fool like an old fool. You just can't beat experience.

In education, it is better to teach the pupil than the subject.

Michigan has nearly 114,000 miles of state highways, county roads and city streets.

Taxes are going up so fast that Government is likely to price itself right out of the market.

Basic research is when I am doing what I don't know what I am doing.

## Lights on For Cancer Drive Planned For Thursday, April 28

Plans are being made for the "Lights On" Night outstanding event of the April Crusade of the Kent County Unit of the American Cancer Society, to be held April 28th from 6 to 8 p. m.

James M. Crosby III, Crusade general chairman, has designated Mr. and Mrs. Robert E. Bylenga as co-chairmen of this program in which 5,000 volunteers will call upon every household in the county to solicit contributions for the war on cancer. Goal in this year's Crusade is \$95,384.72. The "Lights On" project annually produces about one-third of the goal.

literature explaining the "Seven Danger Signals" of cancer and urging everyone to have annual physical checkups by their family physician. Many cases of cancer can be cured if detected soon enough, physicians say.

A portion of the funds raised here will be forwarded to the American Cancer Society to help finance research into the causes of cancer. The research is being carried on by scientists in the large institutions of the country, including the University of Michigan, Michigan State and Wayne Universities. Major part of the funds collected here are expended for operation of the Kent County Unit's Cancer Center on Ottawa Ave., N. W., Grand Rapids, and for financing the unit's educational campaign.

## Miss Peterson Weds Mr. Letson

Miss Nancy Rae Peterson and Harold Letson exchanged their wedding vows at 2 p. m. Saturday in Cascade Christian church.

Rev. Raymond Gaylord officiated at the ceremony. Miss Karen Snyder played the organ prelude and accompanied Mrs. Roy Reynolds who sang.

The bride is the daughter of Mr. and Mrs. John Peterson of Byron Center. Mr. and Mrs. J. Letson of Lake Odessa are parents of the bridegroom.

For her wedding, the former Miss Peterson wore a floor length gown of taffeta, with net organza overskirt and inset panels of lace. Her fingertip veil was held by a pearl tiara and she carried a bouquet of orchid and white mums and lily of the valley.

Miss Marilyn Blakeman, cousin of the bride, attended as maid of honor. Miss Ardith Letson, sister of the groom served as bridesmaid. They selected sheath dresses of lavender with nylon overskirts. Their bouquets were of white and lavender mums and they wore bands of lavender nylon in their hair.

Lee Shellenbarger assisted as best man, and John Letson, brother of the groom, and Larry Neil seated the guests.

Mr. and Mrs. Cornelius Warners were master and mistress of ceremonies at the reception held in Fellowship Hall, assisted by Miss Laura Letson, of Detroit, sister of the groom and Mrs. Lee Shellenbarger.

The mother of the bride wore a beige sheath dress and a corsage of pink carnations. The groom's mother wore a navy lace dress with a pink carnation corsage.

The couple plan to make their home in California.

The trouble with the average budget is that it is hard to fill up one hole without digging another.

## Boosters Club News

At their regular monthly meeting on Wednesday, April 5, the Booster's Club discussed bids on the football field lighting project. After discussion, it was voted that the Board of Directors would meet with the various contractors to discuss their bids. The Board of Directors is then to make a recommendation on the one selected. The final decision will be made at our regular meeting in May.

A nominating committee of four men were appointed to select a slate of officers for next year's operation. This committee was composed of Jack Laing, Steve Christian, Leo Blocher and Cliff Reed.

The Boosters voted at the meeting to continue the book cover project for another year. This is another of the many money making projects wherein advertising space is sold on the book covers, which are then passed out to students gratis.

The next regular meeting of the Booster's Club will be held on Wednesday, May 4, at 8 p. m.

## CASCADE TERRACE GROUP TO MEET

The Cascade Terrace group of the Cascade Mother's Club will meet on Monday, April 25, at 8 p. m. at the home of Mrs. Esther Connors, 2911 Hayward Dr. S. E. The co-hostess will be Mrs. Elsa Miller.

This will be the last meeting of the year, and an election of officers will be held.

## Paris Grange News

The Paris Grange have set up their meeting dates for the second and fourth Fridays of the month. The next meeting will be Friday, April 22, at 8 p. m. at the hall.

### Ham Supper

The grange is serving a family style ham supper on Wednesday evening, April 27, at the hall, serving from 5:30 to 8 p. m. The price will be \$1.50.

## CHI-RHO GROUP TO CLEAN CHURCH YARD

The Chi-Rho group of the Cascade Christian church have designated Friday morning, April 8, as the morning they will do their bit for the church by cleaning and raking the church yard.

They will meet at the church at 8 a. m. and work until noon. Bring your yard cleaning equipment.

## Van Wolvlear to Head Vander Veen Campaign

The appointment of Henry J. Van Wolvlear, wellknown Grand Rapids insurance executive, as State Chairman of the "Vander Veen Committee" was announced this week.

Van Wolvlear will manage the campaign of Richard F. Vander Veen, 37-year-old Grand Rapids attorney who is seeking the Democratic nomination for Lieutenant Governor.

Vander Veen said he was "extremely happy" that Van Wolvlear has accepted chairmanship of the "Vander Veen Committee."

"Henry Van Wolvlear is highly respected as a business and civic leader in Grand Rapids, and has many friends throughout the state," Vander Veen said.

"His organizing abilities have been recognized by the United Community Fund which twice chose him to be chairman of its annual fund drive and I am confident his activities on my behalf

## hospital notes

## Spaghetti Supper Thursday, April 28

Have you purchased your PTA Spaghetti Supper tickets? This supper will be held from 6 to 7:30 p. m. on Thursday, April 28, at the Forest Hills High School. There is a strong possibility that the All-Purpose building will be completed by that date, and this will be the first function initiating the lovely new facilities.

Tickets can be bought at the school, at Riley's Drug Store, at the Cascade Pharmacy and the Trading Post in Ada. If you wish tickets delivered, call Mrs. Phil Johnson, OR 6-4091. Adults \$1.25, children under 12, 75 cents.

This will be a real Spaghetti supper. The spaghetti sauce is being prepared by an Italian chef especially for this event. Also on the menu will be cole slaw, Italian bread, ice cream, cookies, coffee and milk. The PTA of your Junior and Senior High School is counting on you to come and make this a success.

The regular PTA meeting will follow the supper and separate entertainment for the children will be provided. John VanOeveren, program chmn., has planned a demonstration of Physical Education at our high school for both boys and girls. Also the officers for next year will be inducted.

Remember the date, April 28th.

## Women's Fellowship Spring Luncheon, April 19

The Christian Women's Fellowship of the Cascade Chr. church are having a Spring luncheon in Fellowship Hall on Tuesday, April 19 at 1 p. m. to which all women of the church are invited. Women of the Christian Women's Fellowship of the Central Christian church have been asked to be our guests.

The program will include a book review by Mrs. Leroy V. Walcott of Grand Rapids.

## Boosters' Club to Sponsor Car Wash

Is your car dirty? Does your car need some minor repairs? Is your car low on gas and oil? Do you want your car summarized? If so, the Booster's Club of Forest Hills High School can help you. They are sponsoring a car wash and gas sale at the Phillips "66" gas station in Ada this Saturday, April 16, from 8 a. m. to 6 p. m. The Ada Oil Company will present all proceeds to the Booster's Club from this project. Men from the Booster's and boys from the high school will be on hand to help the personnel of the Oil Co.

Someone from the Booster's Club will be present at all these hours, but we could use more help. If any man or any junior or senior high school boy has some free time on Saturday, their help would be welcomed at the station. See you there.

## PIONEER GIRLS TO MEET EACH MONDAY AFTERNOON

The Pioneer girls of the Eastmont Baptist church will meet each Monday afternoon from 4 to 5:30 p. m. at the church. This group is for girls from the third through the sixth grades.

The girl inviting the largest number to attend will receive a prize.

## Recipient of Awards at 4-H Achievement Day

As leader of the Honey Bears 4-H club, I am pleased to announce the results of our exhibits at Achievement Day on April 2, in Lowell.

Our largest single group and the first year for everyone was in Ceramics.

The following received an A: Mike Coale, Jean Gietzen, John Jensen, Karen Jensen, Jane McDuffee, Pat McDuffee, Carol Jo Provonche, Joan Roark, Pat Sinz, Terry Van Sickle.

The following received a B: Barbara Bentley and Pat Bentley.

In clothing with Mrs. Homer Provonche as leader, the following received a B: Gayle Hein, 1st year; Carol Jo Provonche 3rd year; and Joan Roark, 3rd year. Carolyn Farlee 2nd year, received a C.

Our Foods group was as follows: Carolyn Farlee received an A in both 2nd and 3rd year cooking. Gayle Hein received an A in 1st year cooking.

In woodworking Gordon Farlee 2nd year and Roy Hein 1st year, both received an A.

In leathercraft Barbara Bentley 1st year, received an A and Pat Bentley 1st year, received a B.

I would like to say that I enjoyed helping the 4-Hers and am looking forward to our summer group.

All those interested please contact me before June 1, for enrollment. Also any adult that is interested in helping at a leaders post, please contact me. My phone is OR 6-4241.

See you this summer.

Mrs. Bernard Baer.

## PENNY CARNIVAL, APRIL 22

On Friday, April 22, the Murphy School Community Club will hold their Penny Carnival at the Murphy School.

The Carnival will begin at 6:30 p. m. and everyone is welcome to come and enjoy a snack at the lunch counter and have an evening of fun at the various booths and games.

## VISITORS FROM INDIANA

Mr. and Mrs. Frank Richardson, 7640 Fase, have as their guests for a few days their daughter and son-in-law, Mr. and Mrs. Fred Althaus, Jr., from Valparaiso, Indiana.

They had as their Sunday guests, Mrs. Gertrude Meyers and daughter, Joan and John Klomparsens of Grand Rapids.

## Lena VanBemden Weds Mr. Marsman

Miss Lena VanBemden and David J. Marsman exchanged their wedding vows Friday evening in Calvin college chapel. Rev. William C. Lamain officiated at the ceremony. Maynard Oppenhuizen, soloist was accompanied on the organ by Mrs. Norman Mieras.

Parents of the couple are Mr. and Mrs. Cornelius VanBemden, 5635 Cascade Rd. S. E., and Mr. and Mrs. Leonard Marsman, Eleanor St.

The bride chose a gown of chantilly lace over taffeta with fitted bodice and long lace sleeves. Her finger tip veil of illusion was held by a scalloped lace cloque. She carried lilies with satin bows and streamers.

Acting as maid of honor was the bride's sister, Miss Henrietta VanBemden. The bridesmaids were the bride's sister-in-law, Mrs. Joseph VanBemden and Miss Nancy Ros-

endall. Their gowns were of green net over taffeta with matching lace jackets. Their headpieces were bonnets of daisies and they carried carnations with white streamers. Miss Debra Marsman, niece of the bridegroom was flower girl and Gerald VanBemden, the bride's brother, served as ring bearer.

Leonard L. Marsman assisted his brother as best man. Ushers were Joseph VanBemden, brother of the bride and William Lavandoski.

A reception in Plymouth Christian school was held, at which time Mr. and Mrs. Charles Robinson, brother-in-law and sister of the bridegroom acted as master and mistress of ceremonies.

The couple will reside at 444 Prospect Ave. after a northern wedding trip.

### Last Rites Held For Mrs. Belle Sinclair, 82

Mrs. M. Belle Sinclair, aged 82, widow of Earle Sinclair, passed away Friday morning at the home of her daughter, Mrs. John (Ito) Dalstra in Lowell. She is also survived by three daughters, Mrs. Velma Aldrich and Mrs. Betty Roberts of San Antonio, Texas and Mrs. Bert (Doris) Thompson of Alto; one son, Kenneth of Alto; 18 grandchildren, 16 great-grandchildren, nieces and nephews.

Services were held Monday afternoon from the Cascade Christian church, where she was a member.

Rev. Raymond Gaylord officiated at the services. Interment was in Cascade cemetery.

## Forest Hills Track Season to Open With Rogers, Apr. 19

The Forest Hills thinclads are anxiously awaiting their Ottawa-Kent Conference opener next Tuesday, April 19, against Rogers at Lee track. Coach Van Ark reports the team is greatly improved this year. "We now have at least one boy in each event that is capable of placing in the dual meets" reports the coach.

Out of the 35 candidates who have been practicing vigorously the team is being built around a nucleus of seven boys. These boys are: Nick Duiven an excellent high jumper and 440 runner, Bob Hughes a pole-vaulter, Glenn Sanford in the shotput, Larry Wentzloff the squads fastest dashman and a good broad-jumper, hurdler John Van Tassell, miler Jim Gager, and 880 runner Tom Price.

Other boys that show promise are middle distance runners Ron Spooner, Rick Simkins, Si Dykhouse, Joe Gillard, Larry Purcey, and Dan Clemons; Sprinters Harold Bailey, Larry Merchant, Gary Merchant, Jan Christian, Terry Haglund and Roger Hardesty. Alan Lutkus and Randy Dodde will bolster the shotput. Jim Perrin will be in strong contention as a starting hurdler.

### Schedules Planned

Athletic Director, Edward Shy, of Forest Hills High School has announced the following spring sports schedules in baseball and track. In baseball the Rangers will play exclusively in the O-K Conference. In track the Rangers will compete in the Central Michigan Relays, and the Regional and State meets, in addition to the O-K league dual meets and the O-K Conference meet. All O-K Conference meets will be held at the Lee Field with the field events beginning at 6 and the running events at 7:30.

TRACK	
April 19	Rogers
April 22	Lee
April 26	Hudsonville
April 30	Cent. Mich. Relays (Mt. Pleasant)
May 3	Byron Center
May 6	Kelloggsville
May 14	Regional

May 17	Rogers Home
May 20	Lee There

### Mrs. VanStrien and Mr. Adrianse Marry

Friday evening, April 8, at 6:30 p. m. Mrs. Cora Van Strien of Cascade and William Adrianse of Grand Rapids were united in marriage by Rev. Raymond Gaylord in the Cascade Christian church.

### ENTERTAIN AT CARL SCHOOL

Charles Berry, Band Director of Grand Rapids South High School with 10 seventh grade pupils entertained the teachers and pupils at Carl School last Monday afternoon. The instrumentalists were Elizabeth Humphery, Donna Wilhakis, Don Sarrington, Linda Coleman, John Garner, Mike Hunt, David Troupe, Brian Duist, Mike Laution, David Tarstia.

Mr. Berry briefly described each instrument and its use before each selection given. This fine program was an inspiration and created a desire in several of the youngsters to become band students as soon as they are capable of this work.

### FATHER AND SON NIGHT

Thursday evening, April 21, at 7:30 p. m. in Fellowship Hall of the Cascade Christian church, the father and sons of the Cascade school district will be hearing Inspector William Dangl of the Grand Rapids Police force speak on modern police equipment and show films.

## Funz-a-Poppin' Friday, April 22

"It's Coming! It's finally coming!" Like waiting for the first signs of spring! The robin bobbin' across the yard, or the early flowers stretching forth their first green shoots; thus we have waited for Funz-A-Poppin'. With its brave little robins "bobbin'" across the stage and the green scared looks on everyones face as they make their first entrance, soon a warm sunshiny feeling hovers over all and Funz-A-Poppin' again.

As we go tiptoeing among the tulips we find the Eastmont Players absolutely speechless over their heavy dramatic roles in a story that takes place beside the rolling sea (bring a hanky).

The Ada Drive Culture Club are meeting in the rose garden, and such culture you have never seen before (you might want to take notes.)

If you are a bird watcher you will like seeing the swinging "mocking birds" that make their home in Cascadia Meadows as they entertain with their music.

The Blooming "Hilcliff" are showing off in all their spring loveliness as they stand gazing over the entire show of spring. And silver bells and cockle shells of lovely singing and dancing maids and men all in a row—this and so much more will be this year's Funz-A-Poppin' on Friday evening, April 22, at 8 p. m. at the Forest Hills High School and sponsored by the Martin School P. T. A.

Plan now to take the entire family for an evening of laughs and good fun watching your friends and neighbors making fun and merriment on the stage. The cost of this hilarious presentation is \$1 for adults and 50 cents for children, with proceeds going into much needed supplies and equipment for the school.

Tickets will be available through coffee groups, PTA members and at the door.

By the way, Mike Newhouse, the great young banjo player from our last Funz-A-Poppin' show will be back again this year. More details will be in next week's paper. See you at Funz-A-Poppin'. Everyone else is going.

I am becoming so accustomed to women who are somewhat profane that I don't act right in the presence of well-bred ladies.

## coming events

The Ladies Christian Fellowship of the Cascade Christian Reformed church will meet at the church at 8 p. m. on Wednesday evening, April 20th.

The Sunshine Community Club will meet on Tuesday, April 19, at 1 o'clock sharp for a luncheon at the home of Glenn Thompson, 4251 Cascade Road, S. E.

The quarterly business meeting of the Eastmont Baptist church will meet at the church at 8:30 p. m. on Wednesday evening, April 20th.

The Senior Mr. and Mrs. Club of the Cascade Christian Reformed church will meet at the church at 8 p. m. on Tuesday evening, April 19th.

On Tuesday evening, April 19, the Workers' Conference of the Cascade Christian church will meet in Fellowship Hall at 8 p. m.

The Men's Society of the Ada Christian Reformed church will meet at the church at 8 p. m. on Tuesday, April 19th.

The Egypt Grange will hold their regular meeting at the hall on Friday evening, April 22, at 8:30 p. m.

The Vesta Chapter of the OES will meet on Wednesday evening, April 20, for a regular meeting at 8 p. m. at the Masonic hall.

The Men's Brotherhood of the Eastmont Reformed church will meet at 8 p. m. on Tuesday, April 19th. A special program of slides depicting life in the Netherlands will be shown. The men are inviting their wives to this meeting.

A refrigerator loaded with leftovers is something I don't care to peer into.
