## Forest Hills First Home Game Under New Lights Friday Night

### Your P.T.A. And Mine

In checking with the High School office today, we find there are 890 children registered in Junior and Senior High at Forest Hills. That represents about 445 families. What a wonderful P. T. A. group that would make! If only more mothers and fathers would show more interest in the school their children attend.

We know that many mothers, yes and fathers too, have been active in the past in P. T. A. and Mothers' Clubs, while Johnny or Susie were in the Kindergarten through the sixth grade, but now that they are in the Junior or Senior High—well, they feel that they have done their duty, so now they rest on their laurels.

Surely as Johnny and Susie have been growing up you must be realizing the years flying by, faster and faster and faster. All too soon the 12th grade is at hand. High school diplomas are received and the school doors are shut, not only to those who have graduated, but to mother and father too; rather an empty feeling. Then you sit back and ponder over high school days. What have you done? What have you participated in? What have you, as a parent, contributed as an all around outside activity program, to bring warmth and wonderful high school memories to your children?

I remember as a girl in high school, how I wished my mother was in the P. T. A. group, but as she passed away when I was a child of 8 years, it was an idle wish, but I felt cheated. Do you know, have you ever wondered how your child feels about you and the P. T. A. groups? Why not find out?

Perhaps you are one of the parents who feel you are not needed or that "what's the use of joining the P. T. A.?" Just a certain group run it anyway." Well, here is an article I ran across last Spring, and I am sure it speaks volumes. Let's see what you think.

#### "The Clique in the Club"

"Word has been received from some members of our club that it is run by a clique. Upon investigation, we find this statement is true. Furthermore, we find the club is composed of faithful members who are present at every meeting; who accept appointment to committees; who give willingly of their time, energies and efforts, and who find that the more one puts into the club the more one will get out of it. There is no question that the enthusiasm, responsibility and efforts of these members are the most valuable to our club. We would, therefore, suggest that you join this clique. It is not a difficult matter to do so. In fact it is very easy.

Begin by attending meetings regularly, taking more lively interest in club activities, make helpful constructive suggestions and accept responsibilities to serve on committees. Show continued interest in all affairs pertaining to your club. Before you realize it, you will become a member of the clique and you would be surprised how anxious they are to have you."

Mrs. Edna Sanford,  
Publicity Chairman

#### CATECHISM BEGINS

The Ada Christian Reformed church Catechism classes will begin after school on Monday, September 26.

### Thornapple Parents Club Elect New Officers

At a meeting Tuesday, September 13, the following officers were elected to the Thornapple Parents Club. President, Mrs. Ralph Fosner; Vice-president, Mr. and Mrs. Henry Hoffman; secretary, Mrs. Kenneth Kleinstra and treasurer Mrs. Robert Bushouse.

The following committee chairmen were appointed: Program, Mr. and Mrs. Henry Hoffman; Ways and Means, Mrs. Bruce Phillion; Publicity, Mrs. Earl Bentley; Room mothers, Mrs. Martin Postma; Health, Mrs. Orland Smith; kitchen, Mrs. Robert Harter and Mrs. Robert Paine; hot dogs, Mrs. Walter Afton and Mrs. William Fosner.

We are in need of kitchen equipment so please look in your cupboards and if you have any articles to contribute, please contact Mrs. Paine, OR 6-1671; or Mrs. Fosner, OR 6-5611. We will be glad to pick up these things and among the most needed are tea kettle, trays, muffin tins, etc. Ask your neighbor too she might have something.

### Lowell Y.M.C.A. Branch Offers Gym-Swim Program

The Lowell Branch of the YMCA will offer boys and girls in Cascade and Thornapple Schools a physical education and swim instruction program beginning October 3. The program open to boys and girls from the 3rd to 6th grades will include a trip to the Y in Grand Rapids once a week for eight weeks. A bus will pick up the children at their respective schools.

There will be supervised gym and swimming. The boys program will be on Monday and the girls on Wednesday.

### Hearing Clinic to Be In Ada, October 6

The State Adult Mobile Hearing Unit and Hearing Technician will be at the Weaver Coffee Shop, 567 Ada Dr., in Ada on Thursday, October 6th from 10 a. m. to 6 p. m. to check for any hearing defects for those persons 18 years of age and over, at no cost to the individual.

There will also be an opportunity for one to have counsel with a hearing specialist. We hope any adult over 18 years of age will take advantage of having his hearing evaluated.

### Benefit Polo Game

Sunday, September 25, at 3 p. m. at the Kentree Polo Grounds located at 4961 Michigan St. N. E., the Kentree team will play the Holiday Farm team in a benefit game. A trophy will be presented to the winning team.

The proceeds of this benefit game will go into the Playground fund of the Collins P. T. A.

Donations are 50 cents for adults, and children are admitted free.

### Promotion Day Observed

Sunday, September 25, will be observed as Promotion Day in the Sunday School of the Cascade Christian church at both the 9:45 and 11 a. m. Sunday School hours.

Promotional certificates will be given and Bibles presented to those entering the Junior Department. The program has been arranged under the direction of Mrs. Zetha Schalk.

### Forest Hills Supply Fee Covers Many Items

Patrons of Forest Hills Elementary Schools will doubtless appreciate knowing what the \$3.00 supply fee covers. There are a total of 221 different items, including various sizes and colors, used in Elementary classrooms. Not all items are used in every grade since Kindergarten children, for example, must use certain items not suitable for older children and vice versa.

The list includes the following: Brushes, cards, chalk, clay, crayons, envelopes, erasers, brass paper fasteners, ink, pen, marking pens, paint, paper, paste, pencils, pens, pipe cleaners, gummed reinforcements, rubber bands, rulers, seals, staples, stik-tak for display of work, twine.

The above items are consumed in use by the children. Besides these there are about 50 items supplied each classroom not covered by fees. Examples of these are: flags, large scissors, sponges, scotch tape, mimeograph stencils, ditto masters, first aid supplies, games, etc., which are used on behalf of the students but are not consumed by them directly.

Through the fee method, children are supplied with all basic items necessary during the school year. Since modern education is as broad as life itself, the actual number of items used during the year is greater than the above list. Frequently children will be asked to bring clippings, colored pictures, and many other items which serve as aids to learning.

### Collins P.T.A. Plan Potluck Supper, Sept. 27

The Collins P. T. A. will meet on Tuesday evening, September 27 at 6:30 p. m. for a potluck supper at the school. A regular business meeting will follow.

It is hoped there will be a good turnout for this first meeting of the year.

### RALLY DAY PLANNED AT ADA CHURCH

Sunday, September 25, is Rally Day at the Ada Congregational church Sunday School. Pupils will register, be assigned to classes and meet their teachers. Formal Sunday School will begin on Sunday, October 3.

### OSTEOPATHIC GUILD TO MEET SEPT. 27TH

The Forest Hills Osteopathic Guild will meet at the home of Mrs. Sybrant Dykhouse, 3012 Jeanlin Dr. S. E., on Tuesday evening, September 27, at 8 p. m.

The Forest Hills Rangers got off to a flying start in their 1960 grid opener with a 26-6 conquest of Kent City, last Friday night. The Rangers demonstrated a devastating and swift ground attack as they rolled 385 yards rushing.

1st Row, left to right: Mgr. Don Clemons, Lyle Dykhuizen, Sy Dykhouse, Gordon Oatman, Hans Lucht, Jerry Boomers, John Van Tassel, Nick Duiven, Dick Schroeder. 2nd Row: Mgr. Roy Charters, Art Homrich, Joe Gillard, Dick Osborn, Terry Haglund, Bill Crawford, Bill Martin, Larry Wentzloff, and Coach Ed Shy. 3rd Row: Bernard Van Ark, ass't. coach; Harold Bailey, James Gager, Bill Norder, Jan Christian, Bob Chambers, Dennis Graham, Doug Stiles and Hank Doele, ass't. coach. 4th Row: Michael Hayns, Paul Roy, Randy Dodde, Glenn Sanford, Dick Vander Kaay, Roger Grimes, Mike Reed and Tim Baker.

Larry Wentzloff started the scoring early in the first period with a 55 yard scamper. Stiles converted. In the second period Harold Bailey raced 32 yards for the second score. The conversion was wide.

In the third period Wentzloff went off tackle 28 yards for the third score, and Jerry Boomers capped the Ranger scoring in the fourth period with a scintillating 84 yard gallop into pay dirt. Doug Stiles converted.

The Kent City tally came in the second period on a one yard dash by Fred Grice. Roger Grimes and Randy Dodde stood out defensive-

ly for the Rangers.

#### Bow to Rockford

The Forest Hills Ranger Reserves opened their season at home Saturday night by losing to a strong Rockford team 6-0. The only touchdown of the game was scored in the second period on a pass that covered 20 yards.

The Rangers were on the Rockford 2 yard line in the closing moments of the game, but were stymied by a rugged Rockford defense. The game was hard fought through out with neither team being able to muster much offense.

#### First Home Game

The Forest Hills Rangers' rush from their opening game triumph over Kent City will start O-K league competition Friday with a home game against Rogers. Rogers' lost their opener to a strong Wyoming Park team. Coach Edward Shy reported his boys came out of the Kent City game in good physical shape. He is hoping that Dennis Graham who missed the opener with a foot injury will be ready for action Friday night.

Coach Shy was well pleased with his teams offensive effort against Kent City, but was disappointed with some phases of the defense, which he stated was far below our ability. He had high praise for guards Roger Grimes and Randy Dodde, and middle linebacker Bill Norder who played very well in the center of the Ranger Defense. However, he stated that his corner defenses will come in for a lot of work this week in preparation for the Rogers game. Coach Shy does not contemplate any major lineup changes.

#### Reserves Travel to Rogers

The Forest Hills Reserves will travel to Rogers Thursday night for a game at 7 p. m. Coach Jerry Dangel will work his charges hard this week to improve their offense that was held scoreless against Rockford.

#### TURKEY SHOOT

The American Legion will sponsor a Turkey Shoot, Saturday, September 24 at Orange St. and Hurley, just off US-16 by Cascade Christian church.

Prizes for all BB gun shoot for kids. Barbeques, coffee and pop on grounds.

### Congressman Ford Visits Forest Hills Area, Oct. 31

Rep. Gerald R. Ford, Jr., today announced the schedule of his 6th annual mobile office tour of the Fifth Congressional District. He will be in the Forest Hills district at Cascade Pharmacy, Monday, October 31. Ford will make 20 stops in Kent and Ottawa Counties, including Lowell, Friday, Oct. 28, and Alto, Tuesday, Nov. 1.

Congressman Ford welcomes in each community those who not only have problems or questions concerning governmental matters, but those who wish to meet their Congressman and talk over topics of mutual interest. Ford said that one of the purposes of the mobile office tour is to hear the views and suggestions of area residents on matters of public policy.

The mobile office will be set up at convenient locations in each community, and will be open from 2:30 p. m. to 8 p. m. on the dates indicated. Rep. Ford emphasizes that no appointment is necessary and that everyone is welcome.

**Ada Troop 290 Hold Camp-Out**

Scout Troop 290 of Ada, packed up and left for Olin Lakes last Friday afternoon and stayed overnight. Chuck Reintges, Committee Chairman and Dick Andre, Scoutmaster stayed out with the boys. The main purpose of the camp-out was to give the boys a chance to get acquainted again for the coming season. The fellows got in plenty of swimming and most of them passed their swimming requirements for First Class.

Saturday afternoon most of the parents came out for a potluck supper. After the meal the group was assembled and an informal Court of Honor was held. At this time First Class badges were awarded to Tom Carew, Harry Knoop and Dan Olmsted. Dan Olmsted and Glen Lockhart were installed as Patrol Leaders. Harry Knoop was installed as Troop Quartermaster and Tom Carew as the Senior Patrol Leader. We would like to add that Tom attended a special training for the S. P. L. held at Camp Ottawa last June, and earned his Senior Patrol Leaders' neckerchief.

There are some new boys in the Troop who have passed their Tenderfoot requirements. Those on hand Saturday to receive their pins were: Jim Hill, Tony Becker, Chuck Reintges, Pat Hanes, Fritz Dygert, Tim Gietzen, Jim Phillion and Scott Weaver.

Welcome into the Troop as Scouts fellows. Homer Spidell was also at the camp-out. Barry BeMent, who is staying with the Phillion's was also along and plans to transfer into the Troop from Troop 229. Again welcome, fellows.

Final plans were made for the September Troop meetings by the Green Bar at a meeting held at Knoop's on Wednesday of last week and it looks like the boys will have a great time on Monday nights. The next meeting will be held on Wednesday evening, September 28, at Carew's.

The committee of the Troop will hold a special meeting Monday, September 19, at 7 p. m. at Ada school. The next scheduled monthly meeting will be held at the home of Fred Dygert on Thursday, September 29, at 8 p. m.

A word of thanks also goes to Mrs. Knoop and Mrs. Olmsted who made the menus and obtained the food for the campout. The food was purchased at Mick's Market in Ada and the Troop was given a special discount. Thank you, men!

The Tri-Cees' the married couple's group of the Cascade Christian church will be meeting on a different night than in previous years. The new meeting date will be Wednesday evening, September 28, with a potluck supper at 6:30 p. m. in Fellowship Hall.

The Wednesday evening date has been chosen in hopes that it will not conflict with so many school activities.

There will be an address given by Rabbi Edward Neufeld of Ahas Israel Congregation. His theme will be "Race Relations and South Africa," a very timely theme. Rabbi Neufeld has spent five years in the Union of South Africa and is well qualified on the subject.

Let's have a good turn out of old members at this meeting, and bring a couple with you who have not been attending.

Robert Fulton was a portrait painter before he became an inventor.

**Family Finances**

by John Roberts

**Family Finances**

How much do you earn? Really? Want to change that? It could very well be that your pay is 25 per cent greater than the amount you gave to the question above.

Pay today is a package. You probably think of pay as your wage or salary given to you on payday. This type of thinking may prove a disadvantage to you. You may make a mistake when you figure the money value of your job and compare it with another job offer.

American industry spends an average of \$980 a year per worker in indirect pay—items which don't show in your pay envelope.

When comparing job prices figure these common indirect pay devices: social security payments; unemployment insurance; bonuses; health insurance and life insurance; paid holidays; vacations; medical, cafeteria, parking, recreational and other facilities; discounts on products or services; pensions; profit sharing; stock options; thrift plans.

## Coffee Group Plan Annual Rummage Sale

The Eastmont mothers are at it again; busy as bees, carting cartons of cargo into Hoff's garage in readiness for another of those sales they have become famous for in the last five years. Yes sires, those mothers keep coming back year after year and each time with a bigger and better sale than the one before.

It surely is a mystery how they can find so many wonderful bargains in their closets for each sale and "Twice a year, yet!" Yes, there will be a second-best department as well as baked goods and rummage. By the way, why not look in your closets and see what is stored there that you no longer wear or need. It might be just what someone else is looking for. Besides making space in your closet it puts money in your pocket (if it is 2nd best and we sell it for you) you will also help to provide some new equipment or supplies for our children at Martin school.

Call Hope Kappes GL 4-1972 or Roberta Jordan, GL 1-2321 if yo.1 Roberta Jordan, GL 1-2321 if you have any rummage to donate and would like to have it picked up. Second-best must be brought to 1052 Cutter Parkway at least two days in advance of the sale.

The date of this years sale is Saturday, Oct. 1, from 9:30 a. m. to 3 p. m. Call your friends and neighbors today and plan to bring a carload and have your second cup of coffee with us while you shop in "airconditioned comfort" for yourself, dad and the children, as well as household items, toys and what have you. See you at the sale.

A customer is the most important person in our business—in person, by mail, or by telephone.

A customer is not dependent on us—we are dependent on him.

A customer is not an interruption of our work—he is the purpose of it. We are not doing him a favor by serving him, he is doing us a favor by giving us the opportunity to do so.

A customer is not an outsider to our business—he is part of it.

A customer is not a cold statistic—he is a flesh-and-blood human with feelings and emotions like our own, and with biases and prejudices.
