Music Carnival Queen Register

The young ladies who have registered for the Queen contest for the Forest Hills Music Association Carnival are as follows:

Patty Harkiewicz, Lynn Slaughter, Sue Boyer, Trudy Menich, Rickey Frey, Pris Fredrickson, Jeri Brian, LaRae Jager, Betty Hughes, Pat Liefbroer, Joan Forward, Jeri Paine, Linda VanDam, Sandy Wentzloff, Connie Simons, Janice Pearson, Marjorie Cardinal, Barbara Christie, Lynn Anderson, Carol Lock, and Carol Crum.

Mrs. Bitto, chairman of contest, hopes the communities will help these girls as not only are they striving for the honor of Queen or a place on the Queen's court, but they are donating their time and money to help the Music Association.

Remember a penny a vote will help your favorite candidate.

You will see the girls' pictures in your neighborhood stores at different times.

Many stores of Ada, Lowell, Cascade and Eastmont will have special matinee tickets for rides to give their customers.

School Election Day Is Monday, June 12

The Annual Election of School Board members of the Forest Hills District will be held on Monday, June 12th. The filing of petitions for the placing of names on the ballots must be made by 4 p. m. on May 23rd in the school office at 4368 Heather Lane, S. E.

LITTLE LEAGUE MOTHERS TO MEET ON MAY 22

Mothers of the Thornapple Little League ball players are urged to attend a meeting at the Cascade Town Hall on Monday, May 22, 1961, at 7:30.

It is an important meeting. There will be an election of officers.

Lower River Level In Cascade, May 24

Consumers Power Company will lower the water level of Thornapple River below Cascade dam on Wednesday, May 24, 1961, from 12 noon to 6 p. m.

This gives anyone with a frontage on the river an opportunity to build or repair their dock or do any other work on the river bed that can be accomplished in this 6 hour period.

In the event of an excessive rain fall just previous to this date, the project will be postponed.

The Ada pond will be lowered one foot. Anyone wishing additional information may call GL 1-2917.

Honey Creek School Plan Centennial Festival May 20

The Honey Creek School is planning their "Centennial Festival" to be held this Sunday, May 20, from 1 to 5 p. m.

The original Honey Creek School was established October 2, 1860 with William H. McCaul, Robert Strong and William Ward serving on the first school board.

The festival will feature pony rides, cake walk, potato sack race, horse shoe throwing contest, tug-o-war, BB gun contest and many more.

For the little children there will be a peanut hunt and a fish pond with prizes.

The refreshment booth will serve hot dogs, homemade pies, and cakes, soft drinks and coffee.

In case of rain it will be cancelled until the following Sunday.

Boosters' Club to Sponsor All-Sports Party, May 23

Walter Jones, president of the Forest Hills Athletic Boosters' Club, has announced that the club will sponsor an all-sports party for all Forest Hills Varsity letter winners Tuesday evening, May 23 at 7 p. m.

Dr. Eugene Slep, pastor of the Emanuel Presbyterian church, will be the principal speaker. Dr. Slep is a former College and Professional football player.

The coaches will present awards to the boys. The party is opened to the public and ticket prices are 75c for adults, 50c for junior and senior high students, and 25c for elementary students.

Parents are urged to attend and bring their entire family. Refreshments will be served and tickets will be sold at the door.

Open New Shoe Store In Cascade

Ernie Clark, owner and operator of a shoe repair service at 2890 Thornapple River Drive, 1/2 block south of Cascade Road has remodeled his shop and is putting a line of shoes for the entire family.

The new store will have a complete new stock of shoes for men, women and children. Mr. Clark will also continue his expert repair service.

OSTEOPATHIC GUILD

The Forest Hills Osteopathic Guild will meet at the home of Mrs. J. Weirsma, 2221 Anderson Dr. S. E., on Tuesday, May 23 at 8 p. m.

The proceeds will pay for existing debt on new uniforms and to secure musical needs. The music program of the schools. The music of many things, the most important of these being instruments and musical scores for the choir and bands.

The FHMA has paid \$2500 toward the new uniforms, paid for merit awards for students, also sponsored two students to Lansing to play in the band there.

It is the hope for the FHMA to support more educational trips and to encourage musical interest to the students of the music program.

There will be rides, concessions, refreshments, prizes and special matinees for the whole family.

Chairman of this second annual event is Joe Jager. Don't forget to cast your penny vote for the queen of your choice to reign over these festivities.

VISIT FROM BUFFALO

Mr. and Mrs. Edwin George and children of Buffalo, New York are visiting their parents, Mr. and Mrs. Will George, Jeanlin Drive S. E., and Mr. and Mrs. Rolla Brown, Galbraith Ave. S. E.

Landscape Egypt Grange Grounds

Egypt Grange No. 1696, located at Knapp and Egypt Valley, has for many years had a project that would be interesting to the locality, in the line of Community Service. At a meeting held in November it was voted to call in a local landscape artist to give some ideas to make the grounds more attractive.

John Venman, who had previously shown slides and had given a talk, came up with a plan—a committee was appointed, and on the day Allen Shepard made his historical flight, the first step of the landscaping was done.

It is planned to do all sides of the building, and also the yard, in the near future.

Egypt Grange 1696 was organized in 1923 with 40 members meeting in their homes. As membership grew, they met in a store

on this same corner as the present Grange building—in 1939 the store burned down.

After meeting at River School for two years, the basement of the present building was finished and the group met there, finally completing and dedicating the Hall in 1948.

Many groups from the nearby community now use the Hall, and the Grange welcomes and is grateful for neighborhood support in this fine community service.

Area merchants salute Michigan Week in a display advertisement in this issue of Suburban Life. Let's all take pride in our state and give it a boost not only next week but every week of the year.

By William Doorn

This week the House has been struggling with the appropriation bills. None of the state agencies think they are getting enough money. Possibly you taxpayers are thinking differently.

The Legislature has been accused of cutting appropriations—the inference being that we have cut from former appropriations, particularly for higher education. Nothing could be farther from the truth. As they now stand, the recommendations of the House Ways & Means Committee call for an increase in state spending of more than \$45 million over last year. Of this amount more than \$21 million is for education.

Many of the members of the House are questioning the reasoning behind the assertions of the advocates of more spending for higher education when they threaten to cut off students who are seeking to enter college or to curtail courses dealing with science and other related subjects which we have been told are essential to our existence in the space age.

Sometimes we wonder why they don't talk about curtailing such courses as basket-weaving, archery, golf, tennis and the many like courses they offer if cuts have to be made. We are also caused to wonder if such "soft" courses are necessary in order to keep the campuses full of students. Why is it that educators think first of essentials when they threaten to cut their courses but never mention the others.

There is a feeling among most of the Republicans in the Legislature that appropriation requests were based primarily on expected revenues from the increase in the sales tax voted by the people last

Thornapple School News Bulletin

The final meeting of the Thornapple Parent's Club was held Tuesday with a potluck supper and an election of officers. The officers for the coming year are:

Mrs. Duncan Littlefair, president; Mr. and Mrs. Ken Klynstra, vice-presidents; Mrs. Martin Postma, secretary and Mrs. Earl Bentley, treasurer.

We feel that our first year has been successful particularly in our kitchen and library endeavors. There has been good co-operation between teachers and parents, but we do hope to see more parents attend our meeting next year.

We did have a wonderful turnout at the Operetta last Friday which was thoroughly enjoyed by those who saw it. Congratulations to Mrs. Cox, the music teacher, all Thornapple School teachers and to the children for their fine work.

Mrs. Martin Postma, 8858-52nd Street will have a coffee meeting for the room mothers Thursday morning, May 18, at 9:30 to complete arrangements for the school picnic.

Tuesday, June 6, will be the school picnic at Fallasburg Park. The children will be picked up in the morning and taken home in the afternoon at the same time as on any school day. The menu will include bar-b-ques, potato chips, pop, ice cream and cracker jack. There will be a charge of 25 cents per child to help cover expenses. This money should be sent to school by Friday, May 19.

Next year, the Parents Club hope to take care of all the costs. The room mothers will go along to assist the teachers and will have charge of games for their rooms. If Mr. Littlefair's schedule works out, he will be there and arrange a ball game for the older boys.

Group 1 will have a final hat making meeting Tuesday, May 23, at the home of Mrs. James Baker, 5209 Whitneyville Road at 9:30 a. m. Mrs. George Manus has been elected group chairman for next year.

Group 2 will call their members and announce their final meeting later. Those lovely music boxes which were given away last Friday night are now in the possession of C. Powell, Burger Drive; Mrs. Gaines, Ventura Drive; and R. Fosner, of Denison Drive.

fail. While sales tax receipts have not been up to expectations, they also have failed to take into consideration that about \$50 million in nuisance taxes are due to expire June 30th. As it now stands, the \$45 million appropriated above last year's budget is just about what is left of the increased revenues from the sales tax after deducting the loss in nuisance taxes.

We look at the figures which show that in the ten years between 1950 and 1960, the population of the state of Michigan increased by 22 percent. Our appropriations for higher education have increased by 313 percent. Does that look to you like we have been unmindful of the needs of the colleges and universities.

If we have been unrealistic in our approach to appropriations for education, I think you will agree with me that it has been to expend so large a part of your money in this field.

By the time you read this the present session of the Legislature will be coming to a close. It has been a very productive session. Many worthwhile pieces of legislation have been passed. Equally important is the fact that we did discard some legislation which I am sure was not in the best interest of our community and the rest of the state. There will be study committees to give careful attention to some of the problems that remain unsolved.

I believe that it is more important than ever that each of the people in my district become more fully acquainted with problems of state government and that you let your representative know about your thinking on the matters that affect our mutual interests.

The Greatest Power On Earth

We are living in a power conscious age. Both men and nations think they could do almost anything if only they had power enough. For this reason there is great interest in the tiny atom, that mysterious source of power. But the Christian knows there is a power greater than science will ever discover. It is the power of the Holy Spirit. He alone has the power to change man's heart. Sunday, May 21 is Pentecost, the day God gave the gift of the Holy Spirit to the church. Jesus said, unless the Holy Spirit has changed your heart, you are not a Christian. Read the Bible, written by the Holy Spirit, and learn the secret of His power in Jesus Christ.

Little League Opens Saturday

Weather permitting, the 1961 season of the Thornapple Valley Little League will open this Saturday morning at 9:30 a. m. Flag raising ceremonies will begin at that time, with the Forest Hills marching band participating and providing the music.

Braves will meet the Yankees on diamond No. 1 or the east field, and the Cardinals and Tigers will meet on diamond two or the west field.

Dedicate Field Opening day has been proclaimed "Earl Bentley Day" in honor

of the league's first president and founder who contributed so much to the healthy existence of the league today. From this time on, our equipment and refreshment building will be known as "Bentley Field House."

New Sponsors
We welcome and appreciate our new sponsors this year, Pickitt & Schreuer Gravel Company. If bad weather exists on Saturday morning, these ceremonies will be held the following Monday evening at 6 o'clock with the same teams in contention.

We sincerely hope to have a good crowd out to witness our opening and to cheer the boys on to a good start of the year.

THINGS TO COME

The "do-it-yourself" handyman may be happy to learn of two new products that will make life easier around the house this spring and summer. First, there's a gutter and downspout repair kit which contains a self-soldering, plastic impregnated patch that adheres to both painted and bare metal surfaces and is guaranteed to last indefinitely.

Another new product designed to make life easier for the man-of-the-house is a solution which can be used to remove rust from metal surfaces and can also be used for preparing metal surfaces for painting.

MICHIGAN MARCHING FORWARD!

KNOW Michigan and its many wonderful attributes

- Michigan has so many natural advantages
 - Michigan has the greatest shoreline of any state—3,121 miles—equaling the Atlantic shoreline from Maine to Florida . . . and it's longer than the whole Pacific from California to northwest Washington.
 - Michigan has 11,037 lakes for sports pleasure. It's the greatest tourist state in the midwest, attracting 5,000,000 visitors every year.
 - Michigan sells more hunting and fishing licenses than any other state.
 - Michigan has 61 state parks—more than any other state in the union.
 - Michigan borders four of the Great Lakes, connects by inland waters with New York, Pennsylvania, Ohio, Indiana, Illinois, Wisconsin, Minnesota and Ontario, Canada. Through the St. Lawrence Seaway, Michigan is a major part of the nation's fourth seacoast, enjoying water connections with the world's seaports.
- Michigan's Achievements Are Monumental
 - Michigan is first in the nation in value of manufactured products. It builds 85% of all cars and trucks. Pre-eminence too, is Michigan's production of cereal foods, metal working, machinery, salt, sporting goods, drugs, rubber, paper, furniture . . . and many other products.
 - Educationally, Michigan ranks among the nation's top three states. It has sixty-nine universities and colleges. Michigan is a leader in adult education, driver training for high school students, vocational education, disabled and handicapped personnel education and established school camps.
 - Michigan's farm production is big—so big, in fact, that it easily surpasses the value of agriculture in 35 other states.
 - Michigan's highway system is recognized as among the finest in the nation . . . and extensive plans for improvements are greater than those of any other state.

Honorarium Program May 26

The annual Forest Hills High School Honorarium program will take place in the Multi-purpose building on Friday evening, May 26, at 8 p. m. At this time, our outstanding students will be honored. Parents of students honored are being notified and it is hoped there will be a good attendance at this program.

The speaker of the evening will be Dr. Stanley J. Idzerda of Michigan State University. He is the Director of Michigan State University's Honors College and is Assistant to the Provost.

The Honors College was established in November 1956 to provide freedom, flexibility, and special challenge for the University's superior students. Dr. Idzerda was appointed as the First Director of the Honors College.

Born in New York City, June 4, 1920, Dr. Idzerda received a B. S. degree at the University of Notre Dame in 1946, and the B. A. degree at Baldwin-Wallace College in 1947. He received the M. A. and the Ph. D. degrees at Western Reserve University in 1951.

Before coming to MSU, he was a Fellow of the American Council of Learned Societies in 1950-51 and an Assistant Professor at Western Michigan University in 1951-52. He joined Michigan State in September 1952 as an Assistant Professor of humanities. He was promoted to Associate Professor in 1956 and to Professor in 1958.

Dr. Idzerda is a member of the Committee on Teaching of the American Historical Association, a trustee of the American Society for Aesthetics and Art Criticism,

and a Regional Associate of the American Council of Learned Societies.

His published work includes articles in the fields of French history, American Literature, and theoretical studies concerning general education and the education of the gifted.

Interiors by ANN

The ultimate in fine contemporary design.

A fantastic group of living room tables sculptured from African Teak with Prima Vira or Portuguese Rosa Aurora marble tops and cane shelves. Tables designed for those who love the simplicity of good contemporary design and for those who appreciate the elegance of fine detail combined with timeless materials such as cane and marble.

Featured in this collection are tables of unusual shapes and sizes, adaptable for use in many unusual ways and in "problem" spots.

One outstanding example would be the elegant oval cocktail table, only 18 in. wide and 60 in. long, for a "weightless" look to be used with any size sofa.

Another would be the LOW-BOY, a long console, only 21 in. high, with cane doors, which may be used for stereo and hi-fi or general storage and double as a lamp table.

The oval cocktail is priced at \$89.95, the console is \$125.00—others from \$39.95 up.

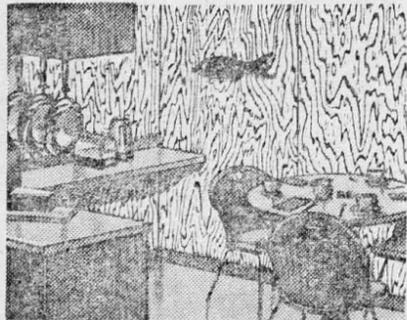

Shop Friday and Saturday evenings until 9:00.

Forest Hills Junior Achievers Win Honors at 'Future Unlimited Banquet'

Carole Pearson

Flash! Forest Hills students take three top awards, four honorable mentions, and a scholarship at "Future Unlimited Banquet." To these seven students who won the awards, it was a great surprise, honor, and joy. It seemed a wonderful end to a tremendous banquet for all F. H. students who were there.

The F. U. B. is the capping-off of the Junior Achievement year, and is always eagerly looked forward to by all achievers.

This year there was a short comedy act as entertainment and speeches by three achievers. Lutz Storbeck, a FH student, was one of the three achievers. His speech "I Came Over" gave a very straight forward and seemingly unprejudiced viewpoint of J. A. He also compared J. A. with other organizations; and told how Europeans would react to such an organization.

It was a wonderful speech and Lutz received a large round of applause. We should all be proud of such excellence in speech by one of our students.

The students from F. H. who took awards were: "President of the Year", Lutz Storbeck, who also won an Aquinas Club scholarship; "Secretary of the Year", Mary Burkhead, "Safety Director of the Year" was won by Rob Godfrey, and an honorable mention was won by Paul Farnsworth in the same field. Pirrko Linna, Gary VandenBos, and Marilyn Miller received honorable mentions as "Production Manager of the Year", "President of the Year", and "Vice President of the Year" respectively.

A very tight and close race was given for the "Company of the Year" award. The two companies who came in as tops were Fair Temp, and Keyas Co. FairTemp won the top award. Everyone was happy to see such a fine JA company win this high award.

From Forest Hills there were many members in the two top

Work is already beginning on next year's annual. Six students with experience on the "61" Campsonian are busily collecting ideas rearranging, and giving a general overhaul to the yearbook. Assembly line production is the goal set by next year's staff.

As of now the yearbook staff will work from the Journalism Class. Miss Busch, who has done her practice teaching at Forest Hills, will teach the class and act as advisor to the yearbook.

companies. Sy Dykhouse was in FairTemp, and in KeyGasCo there was Marilyn Miller, Joe Gillard, Chet Grochoski, Fran Willard, and Denny Graham.

I am, as are many achievers, looking toward next year and JA; and hope that again we are selected as one of the fortunate teenagers to be an Achiever.

I would like to add a word of encouragement to all the parents in our area to take a deeper interest in Junior Achievement. It is a wonderful organization, and the people who work with and for it, deserve a great deal of credit.

Baseball News

May 8, on a rain-soaked diamond, the Rangers defeated Byron Center 7-5.

The Rangers collected six hits including a pair of long triples by Johnny Pellerito. Tom Ray and Dick Schroeder each added two. Freshman pitcher, Bob Burkhead in picking up his first varsity win allowed nine hits, struck out six, and walked two.

Trailing 5-4, going into the sixth inning, the Rangers' Tom Ray singled with two men aboard sending the Rangers into a lead never overcome by Byron.

FH 7-6-4; BC 5-9-7.

Rockets Continue Hex

The Rangers lost a five run lead in the last inning as Kelloggsville again defeated Forest Hills to make a clean sweep of all sporting events between the two schools.

Trailing 8-4 the Rockets capitalized on two fielding errors in the seventh inning and scored five runs defeating Forest Hills 9-8.

Jerry Boomers led all hitters having three hits in four times at the plate, including a two run homer in the sixth inning.

Defeat Byron Center

The Ranger baseball team defeated Byron Center 4-1, Friday, May 12. Earlier in the week the Rangers had defeated Byron 7-5. The wins of last week gave the Rangers a firm hold on third place in the OK conference.

Johnny Pellerito started things off by smashing a home run to right center field in the first inning. Carrying a 1-0 lead into the fourth inning, center fielder, Dick Schroeder singled and scored on 2 Bulldog misplays. Jerry Flynn continued shut-out pitching and in the sixth Forest Hills added two more runs. With two out in the seventh, Flynn's shut-out was ruined as Byron pushed over one lone run.

Bill Martin New Student Council Head

Johnny Zanella

Forest Hills will see a new student council for the 1961-62 school year. Bill Martin winning over opponents Brady Crinion and Chet Grochowski won the presidency in a landslide.

The Vice-Presidency was won by Sy Dykhouse over Steve Bushouse, Pat Liefbroer and Rob Godfrey.

Mary Burkhead won the position of secretary over Penny Shoemaker and Candy Reyburn. Treasurer was won by Kathy Engen over opponents Shirley De Muth, Bryce Thompson and Donna Edison.

Our congratulations go to those winning officers in the 1961-1962 student council.

Teachers Attend Masters' Meeting at U. of M.

Dick Vanderkaay

On Friday, May 12, Mr. Fletcher, Mr. Dewitt, and Mrs. Claffey attended the annual Michigan School Masters meeting, which was held in Ann Arbor, Michigan on the campus of the University of Michigan.

The purpose of these meetings was to discuss pertinent problems which exist in the schools.

Mr. DeWitt attended an English meeting which covered all phases of English. Mr. Fletcher, who was on a special committee to select five interpretive readings for the spring Forensics, attended the Forensic meetings, and Miss Claffey attended a Home Economics meeting.

This was a one-day meeting, and substitute teachers had to take over the classes of these teachers, because they left in the morning.

Interesting Term Papers

It seems that Mr. Elenbaas has had some hard, but very interesting work cut out for him.

In all of his U. S. History classes Mr. Elenbaas requested a term paper. The paper could be on anything of the student's choice; as long as it was approved of by Mr. Elenbaas. It couldn't be too broad a subject or too dry. It had to be between 3,000 and 5,000 words.

One student got very involved on an interesting topic and wrote 8,000 words, 30 typewritten pages about the "Hardships of American Indians"! These papers were written on all historical events ranging from famous people, famous events in history, to histories of separate states. Some were too broad, but most of them were very informative, interesting and well written.

Very much research was done on these term papers, and very good results were obtained.

F. H. Honor Assembly To Be Held, May 26

Sy Dykhouse

For all the students with a B or better in every class, May 26 is the day. At this time these students will receive a certificate for their scholastic and citizenship achievement throughout this school year.

Most of the parents have been notified by mail, and have been asked to attend with their children the night of May 26 at 8:00. That night their children will receive awards for the achievement in school.

'I Remember Mama' Presented Fri. and Sat.

Johnny Zanella

Friday and Saturday, May 1st and 13, the Speech classes of Forest Hills presented the play "I Remember Mama," written by John Van Druten. Mr. Fletcher, faculty advisor for the Speech classes, stated that even though a hundred dollars plus profit was made, the play was poorly attended.

The Friday night cast included: Penny Shoemaker as Mama, Bill Norder as Papa, Mary Burkhead as Katrin, Hans Lucks as Nels

History Students Attend High School Invitational Conference at Jr. College

Sy Dykhouse

May 11, approximately 15 U. S. History Students of Forest Hills High School attended a High School Invitational Conference at Grand Rapids Junior College. The topic of this spring conference, which is sponsored by the International Relations Club at JC is the Organization of American States.

Each of the schools participating represented at least one member nation of the OAS, with approximately 5 delegates for each country.

The delegates were distributed into 5 Committees which discussed questions or problems that have either already been brought

up, or are in the process of being brought before the Council of the OAS.

The committees and the problems discussed are as follows:

Committee No. 1

1. Multi-lateral armament limit on all member republics of the OAS.

2. Peru-Ecuador boundary dispute.

Committee No. 2

1. Cuban condemnation for its August 13, 1959 invasion of Haiti.

2. Allowance to Cuba of unrestricted access to hemispheric defense information from the Inter-American Defense Board.

Committee No. 3

1. Creation by the OAS of a body to enforce human rights in all member republics.

2. Guatemala-Belice (British Honduras) boundary dispute.

Committee No. 4

1. Exclusion of all non-elected regimes from OAS membership.

2. Honduras-Nicaragua boundary dispute.

Committee No. 5

1. Bolivian access to the sea.

2. Cuban communists representing a threat to the Americas.

The twelve F. H. students who attended the conference are: Jane DeArmond, Hans Lucks, Roger Grimes, William Crawford, Joe Gillard, Lutz Storbeck, Janice Rondeau, Marilyn Watrous, Sybrant Dykhouse, Chester Grochoski, Betty Hughs, Marilyn Miller, and David Shepard.

Ranger Tracksters Defeat Hudsonville

Sy Dykhouse

Hudsonville is the first track team to fall at the hands (feet) of the Forest Hills Rangers.

The Rangers defeated Hudsonville, Tuesday, May 9, in a class 53-51 meet. At this time one of the Rangers, Nick Duiven, also set a new conference record in the High Jump, with a jump of 5'8".

'The Pioneer I' Seeks to Break Dragster's World Gas Record

Working with the aim to beat the world's record on gas (now 172 m. p. h. held by the "Green Monster," driven by Art Arfons) Fred Schatz, East Paris Road, S. E., and Jim Byerly, Ada Drive, Eastmont, have built this airplane engine powered dragster. The first appearance of this dragster will be this week-end when the boys will enter it in the Rod and Custom Show in Battle Creek.

The Pioneer I, sponsored by the Pennzoil Company is 17 ft. 10 in. long and is powered by an Allison V-12 World War II super-charged fighter engine.

The horsepower of the engine nearly equals the weight of the car per pound. The dragster weighs 3,500 pounds of which the engine weighs 1,350. The engine has 3,000 horsepower, 4 valves per

cylinder and left-hand rotation with dual ignition. The car is also equipped with hydraulic clutch, brakes and steering.

The tires are mounted on a wheel made by welding three wheels together to get the necessary width. The car has four-wheel drive with a 120 inch wheel base.

Fred and Jim started building the dragster in October of 1960. The approximate cost to build the car was \$2,000. They spent 1,800 hours of their spare time designing and constructing it.

The dragster when going at a high rate of speed is stopped by a jet drag parachute in addition to the brakes on the car. On most drag strips, the cars have a limited amount of space to stop in and when going at an average of over 155 miles per hour, the car must have some other means besides the brakes to help them slow down and stop. The parachute is about 12 feet in diameter.

Jim, aged 24, is the driver of the car. He has won 12 trophies from all over the state in past racing experiences with other cars. He is married and has two children.

His partner, 23 year-old Fred Schatz, is married and the father of two girls.

The boys will have their dragster on display for the first time this week when it will appear at a Rod and Custom Show in Battle Creek. Although a lot of work is still ahead of the sports enthusiasts, they hope to be working on breaking the record set by the "Green Monster" in the very near future.

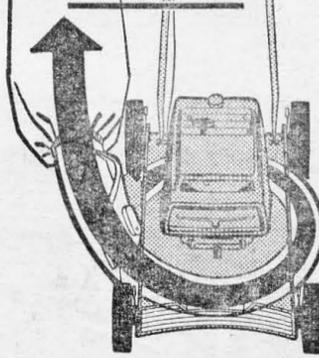

Births

Mr. and Mrs. Freeman Koetsier 7759-30th St. are receiving congratulations on the birth of a daughter on Monday, May 8th at Blodgett Memorial Hospital.

A daughter was born to Mr. and Mrs. Roger DeMann, 2831-32nd St. on Monday, May 8, at the Blodgett Memorial Hospital.

The United States has 22 million dogs and 40 per cent suffer from halitosis, says a recent scientific survey. I don't question the survey; I'm just glad I didn't have to make it.
