Lions Present 'Israel Rebirth of a Nation'

"ISRAEL" is a new nation, and the roaming cameras of Ed Lark will take us there to find its historic and colorful past and its intensely interesting present. We will visit Tel-Aviv to see modern shopping centers, bathing beaches and family life. Then on to ancient Jaffa and modern Haifa. Of course, Jerusalem will be one of the highlights of our journey. We will also join pilgramages to the Old City Wall, Mt. Zion, King David's Tomb and the Hall of the Last Supper, and to such places as Nazareth, Galilee, the Dead Sea and the Jordan River.

Monday evening, November 20, at 8 p. m. in the All-Purpose room of the Forest Hills High School. the second of the World Travel Series will be presented by the Thornapple Valley Lions Club. The film, "Israel-Rebirth of a

THE CHAMPIONS

Congratulations to the Rangers! We are all happy that our Forest Hills football team has won the championship of the O-K Conference. Everyone likes to be a winner. That is human nature. But the trouble with being the champion is that everyone is trying to dethrone you. And eventually someone succeeds (even the Yankees lose sometimes). Wouldn't it be wonderful if we could be the victors and no one could dethrone us? Or to be champs, not just of the O-K Conference, but of the world? Did you know we can? The Bible tells us that "faith is the victory that overcomes the world." Jesus is the Victor, the King of the world. By His death He made it possible for us to be the victors with Him forever. By faith in Him, you, too can be a member of His winning team now

Many persons run an unusually high risk if they contact Influenza. Any every sign points to an awful lot of Flu this Fall and Winter.

If you suffer any of the chronic ailments such as Heart Disease, Asthma, Bronchitis, or High Blood Pressure you should not lose any time protecting yourself against Flu.

If you are pregnant or over 65 don't take any chances. If you are a parent, remember that Flu most often hits those 5 to 25 years old.

The Surgeon General's Advisory Committee on Influenza recommends Flu vaccination just as soon as possible. Immunization is simple but it takes two weeks before it can work to protect you. See your Doctor now for Flu shots. * * *

THANK YOU, NEGIBORS.

The Instrumentation and Control Division of PneumoDynamics Corporation wishes to express our sincerest appreciation to all of you for the warm welcome extended to us.

We're busy now in building our new, modern plant for the manufacture of highly specialized components in the gyroscopic, electronic and electro-hydraulics field.

We are looking forward to becoming a real part of your Cascade community and we'll be pleased to join with you in making our area an even better place in which to live and work.
