Master Magicians Appear At Carnival

Local boy makes good! Great feats of legerdom performed by that master magician, Danny Wallace, will have spectators staring in awe on February 22. Danny will return that night in triumph to his old school in Ada, where he will present his art for patrons of the Ada School Carnival.

Danny has been performing his magic tricks for a number of years. Almost everyone in the Ada area knows about his skill, as he has delighted many an audience of the young-in-heart. To see him again should please many an old fan, and for those who have not had this treat, the opportunity will be knocking soon.

In addition to his regular show, Danny will have with him his young neighbor and protege, Tom Seidman. Tom is also a former Ada School student and is now in the 8th grade at Forest Hills. He has been practicing magic for the last three years and has performed at local birthday parties with outstanding success. He and Danny will combine their talents to produce a show calculated to keep everyone on the edge of his seat.

The Carnival opens at 6 p. m. for food. The first performance of the art of Black Magic will go on the boards around 7 p. m.

Events Scheduled For Ada Christian School

The Ada Christian School PTA will hold its regular meeting on Thursday, February 14, at 8 p. m.

Dr. Paul Zwiers, the speaker for the evening, will speak on "New Concepts in Mathematics." Dr. Zwiers is from Calvin College.

February 11, Monday, the school board will meet at the school at 8 p. m.

February 12, Tuesday, the Ada Christian School will have a skating party at the Woodlawn Skating Rink from 7 to 9:30 p. m.

Eastmont Mothers' Club

The Eastmont Mothers' Club will meet on Tuesday, February 12, at 8:30 p. m., in the home of Mrs. Rita Voss, 1039 Cutter Parkway, S. E.

The group will have a discussion on the WLAV community club awards, which they have joined.

Letter To Editor Retain Richard Lynch for Supervisor

Ada, Michigan
February 1, 1963

The Editor
Suburban Life
105 North Broadway
Lowell, Michigan

Dear Sir:
On Monday, February 18, an election will be held which will decide who is to be the Supervisor of Ada Township for the next two years, very probably. In our township the result of the February election is final, with rare exceptions.

St. Roberts' Guild Announces Officers

St. Robert's Guild is happy to announce the new slate of officers for 1963: Mrs. Bettie Beahan, president; Mrs. Donna Van Haren, vice president; Mrs. Joan Geary, secretary; and Mrs. Helen Bunda, treasurer.

The new team captains for the four local areas are: St. Elizabeth, Mrs. Vi Sremba; St. Anne, Mrs. Dorothy Pullen; Mother Cabrini, Mrs. Val Birndorf; St. Therese, Mrs. Sophie Doyle. Accepting committee chairmanships are: kitchen, Mrs. Stephanie DeGreen; sunshine, Mrs. Joan Geary; hospitality, Mrs. Donna Van Haren; alter, Mrs. Mildred Kennedy; program, Mrs. Ann Schlosser; publicity, Mrs. Elayne Gabriz.

The first general Guild meeting of the year will take place Thursday, February 7 at 6:30 p. m. in the church auditorium. This is a supper for all the ladies of the parish. The "old ladies" are encouraged to bring the "new ladies." Each lady will bring her favorite dish to pass. Mrs. Beahan has promised a short business meeting and Mrs. Schlosser has planned a very interesting program.

The program will feature one of Grand Rapids leading hair stylists, Russell Havens of the Panopoulos Beauty Salons. Mr. Havens will demonstrate new trends in hair styles. A question and answer session will follow.

The officers and members of the Guild offer to God their services and hope they will be pleasing to Him.

We have had a good Supervisor, Richard Lynch, for the past two years. Township finances have been on a sound basis, I believe, and township affairs have been run in a businesslike way. Within the limits of a low township tax, roads have been improved and some have been paved. Assessing of property has been done on a reasonable and impartial basis, without fear or favor, and the county equalization penalty should be reduced if this continues. Township planning is underway for the use and zoning of land, and we have been some welcome additions to our tax base, in the new industrial and commercial enterprises which have recently come in. In the County government, Dick Lynch has earned recognition as a conscientious, able, hard-working official, and we benefit from this in many indirect ways.

All those who agree that a good job has been done by our Supervisor in his first term should turn in force to vote on February 18, so that the work can continue. Many elections are lost by the missing votes of those who complacently stay at home on election day.

Very truly yours,
Niel A. Weathers

C. Y. F. To Hold Puppet Show

The C. Y. F. Players of Cascade Christian Church will present a puppet show in the Fellowship Hall on Saturday, February 9, with two shows starting at 1:30 p. m. and 3:30 p. m. The Players will present Jack and the Beanstalk and Cinderella. In addition, there will be selected cartoons and free popcorn.

At each of the performances, a twenty dollar gift certificate, to be redeemed at the Alger Bike Shop, will be given to some child or young person. Admission is 50 cents.

All of the proceeds from the Puppet Show will go to send our delegation of young people to the International Affairs Seminar in Washington, D. C. next March.

Congressman Jerry Ford Reports Educational and Agricultural Bills Proposed For Congress To Act On

The President's messages on Education and on Agriculture were received by the Congress last week.

The all-inclusive message on education was implemented by an omnibus bill, H. R. 3000, introduced for the Administration by Chairman Adam Clayton Powell of the House Committee on Education and Labor. The President's message and the Administration's bill lumped together all types and kinds of "Federal Aid to Education." There is something for everybody in the bill, but the President has established no priorities. This means that the Congress must sift the dozens of proposals in the 182-page bill and separate the practical from the impractical and the desirable from the undesirable.

In the seven titles and 24 parts of the bill are hidden some propositions on which there is little or no disagreement. If instead of this hedge-podge measure, there had been introduced a series of bills concerning related aspects of education, earlier approval of the less controversial items would have resulted. As it is, Democrats and Republicans agree that passage of H. R. 3000 as introduced or in its present form is an impossibility. This, of course, raises the question of the sincerity of the Administration relative to aid to education. Does it really want to help or is the Kennedy Administration submitting an omnibus bill of 182 pages to be able to tell all interest groups "we are for you and are trying to help but the Congress is the bottleneck." Or in other words, "Is the White House bill an educational or political proposal?"

Included in the seven titles and 24 parts of the bill is a four-year \$1.5 billion program of grants to public schools for increasing teachers' salaries and aiding school construction on the elementary and secondary level. The bill also authorizes additional funds for construction loans for colleges, for student loans and insurance of private loans to students, graduate fellowships, teacher institutions, adult education, vocational education, the training of the handicapped, testing and guidance programs, college and public libraries, science and mathematics instruction, collection of statistics, and university extension services. In addition to the \$1.5 billion mentioned above the cost of these other programs could reach another \$2 billion over a three or four-year period.

Some of the proposals continue existing programs which I have supported; others establish necessary and justifiable programs while other parts of the bill cannot be endorsed. The Committee on Education and Labor must sift and judge; it has announced two weeks of public hearings beginning February 4th. In subsequent newsletters I will report on any action taken by the Committee and give my evaluation of its recommendations. Republican members of the Committee have introduced legislation relative to assistance to higher education which the Committee will also be asked to consider.

Agricultural Message: The House Committee on Agriculture had initiated hearings on cotton legislation prior to the President's agricultural message last Thursday. If a program for the 1963 crop is to be developed there should be a new law by the end of March. Whether the President's request for additional subsidies on cotton sold domestically will be approved remains to be seen. Personally I cannot support any bill which will increase the cost of our farm-support programs by \$400 million as the President's cotton proposal will do.

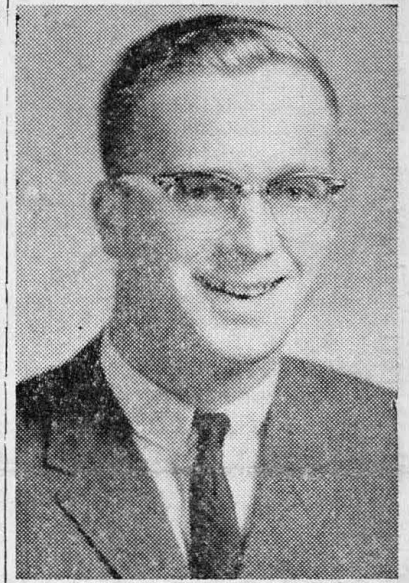

The Committee undoubtedly will take up next the dairy program concerning which many authorities feel the Administration's suggestions can only lead to greater costs and eventual stringent federal control over every dairy farmer.

The feed grains bill probably will not be acted upon until after the wheat referendum in late May or early June. At that time farmers on about 1.8 million wheat-producing farms including those with 15 acres or less will decide by a secret ballot whether they want high price supports (\$2 a bushel for 86 per cent of wheat produced and \$1.30 for remainder) and strict controls with acreage allotments and marketing quotas along with repeal of the 15-acre quota exemption or lower price supports (\$1.22 a bushel) to those farmers who voluntarily go along with acreage allotments. The President asked the farmers to vote for straightjacketing controls and higher supports. Many in the know doubt that the Administration will get the necessary 2-3 vote, especially because for the first time the smaller wheat farmers will be allowed to vote. The results of this farmer referendum on wheat will have a market effect on legisla-

tion concerning the feed grains, corn, oats, barley, rye, and grain sorghum.

Now it's "Puritanical" to oppose a tax cut: Chairman Walter Heller of the President's Council of Economic Advisers said last Monday that there exists "an enormous need for public education in the field of economics." He then explained the kind of education he had in mind by saying, "I think it is quite remarkable that the basic puritan ethic of the American people should be such that they want to deny themselves tax reduction because of their fears of deficits and the additions to the national debt; and because they do not understand that their spending, in effect, makes this contribution to the national growth and full employment."

This was in reply to a comment by a member of the Joint Congressional Economic Committee that many citizens felt they should not have a tax cut in view of the budgetary \$10-billion deficit and \$300 billion debt. As we saw last week, one President adviser stated it was "irresponsible" to favor a balanced budget. Now it is "puritanical" to be willing to share the tax burden. The New Frontiersmen are not only shooting at sound principles but are are harpooning our basic ethical standards.

HOW MUCH SHALL I SAY?
In a classified ad say as much as is necessary to completely describe what you are offering of goods or services, little more. Be brief, concise, complete. Tell all you would like to know if you were the prospect.
Facts are what count in a classified ad. Superlatives are to be avoided. Readers of classified pages are looking for something. If you have it and your copy adequately describes it, leave no question in prospect's mind, you will get action... a sale if terms are right.
A buyer looking for something in the classifieds will read most of the ads to find it. The judicious use of display type, a little white space at top and bottom, the boxed ad—as in display ads on this page—command attention, adding to the pulling power.
Say what is essential in your ad; use display space where competitive advertising dictates the need.

— Weekly Nature Notes —

by Edith Jarvi

The birds are very active about the feeders in this cold weather. The deep snow covers most of the weed seeds, so the Juncos and Tree-sparrows are busily gleaning sunflower seed crumbs dropped by the Chickadees and Titmice. These, in their hurry to get another seed, sometimes almost collide at the seedholder. The only solution is several containers of sunflower seeds so that all may be served. Even then the Goldfinches perch in the coconut shell and won't move unless badly pressed, when they join the Cardinals on the ground looking for dropped or scattered sunflower seed.

The English sparrows cluster thickly on the ground under the shelf feeders where the Blue Jays have scattered mixed bird seed and I've added chick scratch-feed. It amazes me to see how deeply the Juncos and Tree-sparrows will scratch in the snow when they find a rich deposit of small birdseed.

When a rattling leaf or some other noise startles them, the birds all fly off quickly to nearby sheltering shrubs and trees, except the Tree-sparrows and Purple Finches who "freeze" until they know there is no danger, then continue feeding.

The first birds to return are the part Chickadees, next the Titmice, then Juncos, Cardinals and Goldfinches, and soon all the birds are back.

After ten to thirty minutes of intense feeding, the birds leave, a few at a time, on their rounds of food hunting which will bring them back again in about an hour.

BOY SCOUT TROOP 334

We can be mighty proud of our local Boy Scout Troop 334! Three of their patrols won first, seventh and twentieth places in the South Kent District Klondike Derby held at Palmer Park on February 2. There were twenty-two patrols participating.

The winning patrol was the Flying Eagles composed of Gerald Gurney as patrol leader, Joe Smith, Jim Duvall, Jim Gurney, Gary Crum, Jeff Wilcox, Doug Dykhouse, and Ralph Crosby.

Seventh place was won by T-Birds with Dave Reterstorf as patrol leader, Jim Vekasi, David Vekasi, Mart Bulheis, Paul Jenks, Doug Fosner, Bill Buell, and Steve Banta.

The third patrol that took twentieth place was the Panther Patrol. The members of this patrol are Claude Boyle, patrol leader, Kim Cartmill, Gary Palm, Mark Smith, Leigh Koops, Tom Koops, and Dick Forrester.

These patrols were accompanied by Tom Nurnberger, John Gurney and Charles Cartmill. William Nurnberger and Charles Cartmill were judges at the rescue event. Mr. Cartmill was mayor of Kodiak, assisted by Mr. Nurnberger.

The Flying Eagles Patrol will be one of four winning patrols of the South Kent District that will go on to participate in the Grand Valley Council Klondike Derby in two-weeks, February 16, at Townsend Park.

Just Married
A young couple stands before the minister, the glow on their faces expressing the glow in their hearts. The minister says: I pronounce you husband and wife. What a wonderful occasion, as two lives are joined to become one. What joys and blessings they look forward to, as they share life together. This is as it ought to be. They are proud to tell the world that they are "just married." The word "just" means recently married. But how sad it is when the word just means "only" married. A legal ceremony has been performed but there is lacking a strong and living christian love, which ought to be the basis of a happy marriage. Soon fond dreams are dashed by cold reality. May that be the experience of none of us. Rather, may deep love make marriage a rich and blessed experience.

Mulder-Dykstra Rites Performed

Miss Merry Beth Mulder and Raymond Jay Dykstra were married Friday evening, February 1, in the Cascade Christian Reformed Church with Rev. Roy Boeskool officiating.

Parents of the couple are Mr. and Mrs. John H. Mulder of Linda Avenue, and Mr. and Mrs. Henry Dykstra of Radcliff Avenue.

Miss Mulder wore a white peau de soie gown with an oval neckline, bell-shaped skirt with detachable square chapel-length train complemented by a rose petal cummerbund with large fabric roses at the back. Her veil was secured with a cabbage rose. She carried a bouquet made up of red Topper roses, white carnations, ivy, and hearts of pearl beads.

Maid of honor was Mrs. Edward Paaue with Miss June Vandenberg and Miss Sharon Meines, cousins of the bride, as bridesmaids. The attendants' dresses were red and styled with bell-shaped skirts and oval necklines. On their hair, they wore brief veils with red rosettes. Each carried a bouquet of white hearts and red-tipped carnations.

Best man was Edward Paaue, Jerry Dykstra and Philip Dykstra, brothers of the bridegroom, acted as ushers.

The reception was held in the church parlors with Mr. and Mrs. Marve Dykstra, brother and sister-in-law of the bridegroom, as master and mistress of ceremonies.

After a wedding trip to Canada and Niagara Falls, the couple will reside in Dearborn, Michigan.

Buth Works To Obtain Hospital

Rep. Martin Both (R-Comstock Park) with every House member from Kent, Muskegon and Ottawa Counties, today introduced legislation to obtain a western Michigan hospital for mentally retarded children.

The Both bill would provide \$50,000 for site study and purchase of land options in the Kent-Muskegon area for the hospital. It is the first step toward construction of the hospital in western Michigan's most populous area. Retarded children in this area now are committed to temporary facilities at Fort Custer or to Coldwater Home and Training School, approximately 120 miles away. In addition, Both pointed out, the waiting list for committed retarded children for whom there are no facilities at present exceeds 1,000.

Rep. Both said, "The need for this institution for retarded children has been established for several years. No one denies the need. We hope this bill will be the vehicle for obtaining the western Michigan facility."

Specific site of the hospital would be determined by the study provided in the bill.

Accept Applications For Residents Of Housing Development

Ada Housing Corporation met last Wednesday, and heard Don Garrington, Mid-west Director of this division of the H.H.F.A., who explained the newest features of the Federal Housing. His report was very encouraging to the local group, and will be discussed at the regular meeting of the Ada Housing Corporation on February 19.

Among other items it appears that it would be advisable for those interested to express their possible willingness to become residents of the new four room apartment housing unit when it is completed.

The cost of residency will according to the architects budget plans, be \$65.00 a month with all utilities furnished. It would be greatly appreciated if interested persons would give their names to any of the following people; Mr. and Mrs. Walter Hayes, Mrs. Verma Dudley, Mrs. Robert Rooker, Walter Vander Wulp, James Boyen, Carl Peters, Joe Fuller, John Adriane, Fred Dalstra, Leon McVoy, D. A. Walgren, Neal Vandepierle, Harold Gietzen, Mrs. Alfred Thomet, Henry B. Davis, jr., or Donald McPherson.

President of the Corporation, Donald McPherson revealed that he is especially interested in having the names of interested persons by the next regular meeting on February 19.

Rangers Falter In Rockford Clash

A game which started as nip-and-tuck ended wide open in the Forest Hills gym, Tuesday evening, January 29. Our Forest Hills Rangers with many mistakes, handed Rockford the game.

At half time the Rangers trailed 21-17. Then during the third quarter, shortened the gap to two points.

Late in the third and all the fourth quarters fouls and sloppy ball handling cost the Rangers the game. The tussel ended 65-56, Rockford, with a brilliant show by sophomore Jim Warner scoring 20 points, 12 of these coming in the critical fourth quarter.

Wayne Johnson also added 16 to the victors total. The Ranger's high point man was Clarence Stiles netting 12 followed by Jim Perrin with 7.

Many fouls and bad breaks cost the Rangers the game. The Hawks took command the first half 16 to 10 and expanded their lead to 37-29.

Mike Jason was high for Rangers with 10, and Vossekuil, brother of the Hawks varsity star scored 12 points for the victor.

Future Teachers Meet; Discuss Plans

At 3:05 p. m., January 30, 1963, the meeting was called to order by the president, Gail Smiley, with Mr. Fletcher present as the sponsor.

The first order of business concerned the delinquency of the yearly \$1.00 club dues. A decision

was made to make the payment necessary if a member intended to participate in further club function. Gail then clarified the reason for the cancellation of the F.T.A. assembly to be held Friday. It seems that all the planned speakers were unable to attend.

The next order of business dealt with the planning of a dance February 8. A committee was chosen with Jane Hillman as the general chairman.

The meeting then turned to the discussion of the annual trip to some college for a weekend. Gloria Havinga volunteered to compose a form letter and send copies to different colleges seeking accommodations.

Then, realizing the need for official initiation of new members, a program for this purpose was proposed and is to be planned by Ray Landman.

Gail proposed that everyone make a serious effort to attend the Kent County F. T. A. meeting held February 20, since it will be at our school. Pam Schmidt, the chairman is making the arrangements.

After a discussion and analysis of the cadet-teacher program the meeting was adjourned.

League Champs Down Rangers

On Friday, February 1, our Forest Hills Rangers traveled to Rogers' gym to clash with the O. K. Conference leaders.

Rogers with even scoring and good ball handling held a lead throughout the entire game.

Mr. Dangel was pleased with the Rangers, because of their hustle and desire to win. Even with their defeat, there was a great improvement over past games.

Jim Connors paced the Rangers with 14, but good scoring by Jim Vossekuil with 12 and Bill Glass with 11 kept up the Hawk's hopes for the O. K. Conference crown.

Ottawa-Kent Standings table with columns for team names and scores.

Reserves Lose Our Junior Varsity basketball squad followed much the same game as did the varsity last Friday. The Rangers high scorer was Mike McCormick with 18 and Tom Waterfield with 10.

Even with this effort the Hawks had even scoring by Baker, Bishop, and Bair making up 42 of their 54 points.

The game broke open in the 2nd quarter and at half the score was 18-29. The game ended in a 40-54 triumph for Rogers.

Varsity Club

Friday, February 1, fifth hour, the varsity club held a short meeting in the library.

It was announced that the club would sponsor a donkey basketball game with the profits of which will go to the boosters' club. Also discussed was the problem of school property and smoking on the school grounds. The new code of conduct for athletes made up by the officers of the club and Mr. Dangel were read and will be presented to the board.

The next meeting of the club will be held in mid-February.

Future Nurses Discuss Trip
