Suburban LIFE

Serving The Forest Hills Area

VOLUME NINE

THURSDAY, OCTOBER 17, 1963

NUMBER THIRTY-ONE

Down Lee Rebels, 13-0

Rangers Grab First Grid Win

Superb defense and a revitalized offense were the tools that the Forest Hills Rangers used to fashion their first league win of the season, defeating the Lee Rebels 13-0.

The Rangers of Coach Ed Shy employed a diversified attack which rolled up 279 yards. They played their finest defensive game of the season, limiting Lee to only 105 yards on the ground while not allowing a single pass to be completed in 11 attempts.

The Rangers with the exception of fullback Tom Waterfield remained healthy, and are ready to square off against Hudsonville in next week's Homecoming battle.

The Rangers with the exception of fullback Tom Waterfield remained healthy, and are ready to square off against Hudsonville in next week's Homecoming battle. Forest Hills controlled the ball for most of the first quarter, forcing Lee to punt twice and to lose the ball on a fumble in their three series of plays. The first time they got their hands on the ball, Forest Hills started a rugged ground march behind the strong running of halfbacks Dale Hill and Gary Knapp. Moving 65 yards in six plays, the fired-up Rangers sent Dale Hill over from the three yard line on a straight power play for the first touchdown of the evening. Knapp bolted across with the conversion and the green and white were out in front 7-0 with 6:07 left in the period.

The teams exchanged punts and with time running out in the quarter, Dick Flynn recovered a fumble in the Lee backfield at the 35 yard stripe. Knapp moved nine yards with the ball as the gun sounded to end the quarter.

Defense Holds
Faced with another possible scoring opportunity, Jim Jones fumbled on the first play of the second quarter to give Lee the ball deep

WILL OBSERVE QUIET HOUR

The ladies of Snow Methodist Church will observe Quiet Hour at the church on Wednesday, October 23 at 8 p. m. All ladies interested in this program are invited.

Letter to Editor Opposes Governor's Tax Program

Suburban Life
Lowell, Michigan

Letter to the Editor
I am opposed to Governor Romney's tax program because it will give Michigan citizens both a sales tax and an income tax. Some states have sales taxes, some income taxes, but very few have found it necessary to tax their citizens in both ways. The few reduction being offered in the sales tax as a "trade" for the income tax can too easily be restored by a future legislature, and we may soon find ourselves with all the taxes we are now paying, plus an income tax super-imposed in addition. Many persons are not aware that under the proposed law the legislature can increase the rate or reduce the exemptions on the income tax proposed, without a vote of the people. Already voices are heard proposing that the income tax be raised to five or six per cent, and it has not yet been passed! A quick look at the his-

tory of our federal income tax gives a good idea of what can well happen to our proposed state income tax.

It is interesting to note that while the federal Congress is proposing to reduce both personal and corporate income taxes (federal) because most members of Congress seem to feel that the high rates of these taxes are stifling business and opportunity in this country, and while the President has asked for such reductions to "get the country moving again", our Michigan legislature is at the same time debating whether to accept the Governor's proposal for a personal and corporate income tax for this state that will more than offset the proposed federal reductions. If the President and the Congress believe we must reduce income taxes to bring increased prosperity, then what are we trying to do in Michigan: work the other way?

The present taxes, passed a few years ago to offset the poor financial condition of the state, have done so well that the state deficit is almost wiped out, and soon the state taxes will be bringing in a hefty surplus. It seems therefore that what we should be discussing at this time is not more taxes, or a re-distribution of taxes, but rather tax reduction. With another profitable year such as this year it could well be that the state sales tax could be reduced, or eliminated from certain items, without any new taxes necessary.

Jay Van Andel,
7186 Windy Hill Rd., S. E.
Grand Rapids, Michigan

in their own territory. Trying to run against the tough forward wall of the Rangers, the Rebs were stalled on four plays.

A fine punt by Dennis Mehling of Lee put the Shy men in the hole at their own 28. On a third and 16 situation Jones elected to pass, only to have it picked off by Lee defensive end Larry Johnson. This put the Rebels in good position again, deep in Forest Hills territory. Lee resorted to a form of the "Shotgun" offense but fine end play by Greg Bacon and effective pass defense by Flynn and Bif Freeman put down the Rebel uprising.

A 15 yard gain by Tom Nauta down to the Ranger 8 proved to be the only serious threat against the Forest Hills cause all evening.

Going Tough
Taking the ball the green and white found the going tough against the larger Lee line and had to kick.

With 2:07 left in the half Lee tried three scoring plays from Forest Hills' 32 yard line, but again they could not dent the inspired Rangers. The ball went back over to the Rangers, but time ran out as Jones tried to move his club in for another score.

After the intermission, Jones flexed his air attack with a 15 yard aerial to Ron Dunlap at midfield. Penalties moved the ball back 10 yards and Forest Hills kicked out of trouble. Denny Mehling, Lee's big threat this season, moved the ball up to the Ranger 20 on three carries, but the Rangers dug in again and forced Lee to kick deep in their own homeland.

Here began the most spectacular drive of the night by either squad. Jones called Knapp's number on three consecutive plays, and Gary responded by picking up two first downs. Fullback Dave Prusak and Hill got two more first downs and Jones hit Dunlap for still another. However, a backfield mixup caused a fumble and Lee recover-

Operation Eternity In Second Week

The Operation Eternity contest is in its second week. This contest is an endeavor on the part of 32 churches in the Grand Rapids area to bring more children and adults into the Sunday School.

Three churches in the Forest Hills area have challenged each other to see which one of them will grow the fastest. The attendance this past Sunday in the three churches was as follows: Eastmont Reformed, 164; Knapp Avenue Reformed, 157; and Ada Community Reformed, 168. This contest goes through November 10.

A prize of \$30 will be given to the church with the highest attendance. Each church has a poster with a thermometer on it to indicate its' progress. For further information, please call 676-1642, 949-2657, or 458-8025.

Cat Lovers Show Pets At West Michigan Event

No doubt you own a cat, and no doubt you are proud of him. Why not show your pet to other cat lovers?

You will have an opportunity to do this on Saturday, October 26, when the Western Michigan Cat Society presents its fifth annual Cat Show. This is a non-champion show. Any and all cats are welcome.

All proceeds will go to the Kent County Humane Society.

The show will be held in the Grand Rapids Public Museum and there will be ribbons, trophies and prizes awarded.

There will be other prizes for the oldest cat, the cat traveling the longest distance, the best groomed cat, the best decorated cage, and others.

Admission is free to the public. Children must be accompanied by an adult.

For further information, call any of the following numbers, GL 8-41-75, GL 4-4197 or GL 3-1717.

Parents' Club To Hear A. C. Cowles

The Thornapple Parents' Club of Thornapple School will meet on October 23, Wednesday, at 8 p. m. The speaker for the evening is Alfred C. Cowles, Executive Director of Human Relations Commission.

His topic is "Human Rights, Local and National Implications." Let's not miss this chance to become better informed about intergroup relations from a man who has worked in this field for fourteen years.

Preceding the speaker, there will be a short business meeting. Come and hear the plans for our carnival to be held on November 9. Light refreshments will be served by the hostesses, Mrs. George Bain and Mrs. Vern Boynton.

Also, we want to remind the men that Saturday, October 19, from 1 to 5 p. m. is work day at the school. The playground is in need of repair.

Cub Scout Pack 3284 To Meet At Martin School

There will be a special meeting on Tuesday, October 22, at 7:30 p. m. in the Martin School for all parents of Martin-Collins Cub Scout Pack No. 3284. This meeting is very urgent!

At the meeting held last Friday night, October 11, there was a very poor attendance.

Our charter for the Cub Scouts runs out on October 31. If you parents want the Martin-Collins Cub Scout Pack No. 3284 to continue, this charter will have to be renewed immediately. Also, in order to obtain a charter, a certain number of officers are required to maintain it.

Cubbing is a family project! If you want a Cub Scout Pack, we need your immediate cooperation. Let's all get behind it, by attending the meeting on October 22.

Girls Commended For Performance On Merit Test

Two seniors at Forest Hills High School have been honored for their high performance on the National Merit Scholarship Qualifying Test (NMQST) given last spring.

Each student who is endorsed by his school receives a formal Letter of Commendation signed by his principal and the president of the National Merit Scholarship Corporation.

Donald Crouse, the school's principal, has announced that the Commended students are Pamela J. Schmidt, and Ann L. Sytma.

The National Merit Scholarship Corporation gives recognition to two groups of students who achieve high scores on the NMQST. The Semifinalist group is composed of the highest-scoring students in each state and in U. S. territories.

Some 13,000 Semifinalists take a second examination to establish further their eligibility to receive Merit Scholarships.

The Commended students were among the high school juniors in approximately 16,500 schools who took the NMQST last March. The test is a three-hour examination that covers five separate areas of educational development. It was the first step in the ninth annual Merit Program.

This year's program will conclude about April 3, 1964, with the naming of students who will receive four-year Merit Scholarships to the colleges of their choice.

The Commended students and the Semifinalists who do not win Merit Scholarships are considered for certain other scholarships that are offered through the facilities of the National Merit Scholarship Corporation.

The annual Merit Scholarship competition is open to all high schools in the United States and its territories. There are more than 4,000 Merit Scholars currently enrolled in about 400 colleges and universities. Nearly 7,500 Merit Scholars have been appointed to date.

Scholarship awards are made from the resources of the National Merit Scholarship Corporation and through sponsoring business corporations, foundations, colleges, unions, trusts, professional associations, and individuals.

Sympathy Is Extended

The sympathy of the community is extended to Mr. and Mrs. Clarence Kerkstra of 1312 Forest Hills Road, S. E., in the death of Mr. Kerkstra's mother, Mrs. Berntha Kerkstra.

Puppets Are Coming To Town

The Cascade Mothers' Club will sponsor a major event for the children of the Forest Hills and Lowell areas in the Multi-purpose building at the Forest Hills High School on Saturday afternoon, October 26, at 1:30 p. m. Mrs. Jean Reges, professional puppeteer from Grand Rapids will bring her beloved troupe of little marionettes to entertain the youngsters. Mrs. Reges has worked for years at her profession, having taught puppetry at the Grand Rapids Museum and having put on successful shows at the Art Gallery.

Following the puppet show, Mrs. Reges will instruct the boys and girls on how to make puppets. She will demonstrate both hand and string puppets.

The Cascade Mothers' Club will sell tickets at all Forest Hills Schools on Wednesday and Thursday, October 23 and 24. The proceeds of the show will be used for the library at Cascade School.

To Trick Or Treat For Children's Fund

Wednesday evening, October 30, is the designated time for young people of the Cascade and Eastmont areas to be rapping at doors seeking gifts for UNICEF (United Nations' Children's Fund). Under the auspices of the Cascade Christian Church Youth Council, the young people are hoping to raise at least \$250.

Four youth groups and three Scout units have designated a willingness to help and assist. Any other young people from the fifth grade level and up that would like to assist should meet at Fellowship Hall at 6:30.

Adult drivers will supervise the door to door canvassing of the young people. Adults, willing to drive, should contact Mrs. Guy Chandler at 949-0494.

Turning Halloween into a Halloween Evening, at least so far as UNICEF is concerned, began back in 1950 when the pupils of a Sunday School in a small American community denied their "treats" and collected coins to contribute to the welfare of the world's less fortunate children. These Sunday School children that year made a donation of \$36 to the United Nations' Children's Fund. In 1962, U. S. children raised over 2 million for needy children throughout the world.

When making your gifts, remember that one dollar provides enough vaccine to protect 100 children from tuberculosis. Five dollars will make 250 cups of milk available to hungry children. Ten dollars will produce enough penicillin to cure 330 children from yaws, a crippling contagious disease.

People in outlying areas where children and youth might not call are urged to send their gifts or checks to any of the following adult committee members: Mrs. Charles Taylor, Mrs. Chandler or Rev. Raymond Gaylord. Checks should be made out to the Cascade Christian Church Youth Council, designated for UNICEF.

Teachers Meet In Grand Rapids; Schools Will Close

All public schools in Regions 9 and 13 of the Michigan Education Association will be closed October 17-18 so area teachers may attend the annual Teachers' Conference in Grand Rapids.

Over 8000 teachers and school administrators are expected at the MEA-sponsored program.

The conference will include a general session and over 100 small group meetings dealing with specialized educational topics. Forrest Rozzell, executive secretary of the Arkansas Education Association, will keynote the general session which is scheduled for 1:30 p. m. on Thursday, October 17, in the Civic Auditorium. Rozzell will discuss "The Twentieth Century Imperative."

Bringing greetings to the educators will be Russell T. Jones, MEA president-elect and principal of Grand Rapids' Burton School, and Alexander Koster, deputy superintendent for administration, Michigan Department of Public Instruction.

The group meetings are scheduled to begin at 9:30 Thursday morning. Meeting in the Civic Auditorium will be the following: debate and forensics, filmorama, financial support of education, legislation, Michigan Education Home Association Village, adolescents' mental health, MESA, Michigan Week, reporting to parents, tenure, and Teacher Education and Professional Standards.

Some businesses could reduce their prices to all if they didn't have to spend half of their administrative time pleasing a minority of hard-to-suit customers.

Newspaper 'A Bridge To World'

What is a newspaper? A newspaper is lumber made malleable. It is ink made into words and pictures. It is conceived, born, grows up and dies of old age in a day. Yesterday's newspaper is used to wrap today's fish. Or to start a log fire, which brings it back to its origin.

Most of all, a newspaper is current information. It is the bridge between a home and the rest of the world. It tells of people and events swiftly and in detail. It listens to the threats of a dictator, the crack of a bat against a baseball, the anguish of a lost child, and the recipe for making cookies.

Newspapers, like people, come in many sizes and many personalities. Some are fat and sedentary; others are lean and hysterical. And, like people, some are reliable and some are not. There are newspapers which scream for attention and there are others, on the same newsstand, which whisper the news. All newspapers reflect the character of their owners.

Must Show Profit
A good newspaper must show a profit. All newspaper owners know this. That is why they establish good character in their papers and maintain it.

Character is an indefinable quality best understood by women. They live by it. They can detect it in merchandise, in people, in publications. They, more than their husbands, understand the newspapers they buy. Men usually read the front page news, the sports section, and their favorite features. Women leaf through a newspaper slowly, carefully, concentrating more on local news than international, assessing the advertisements, relishing the woman's page with its club meetings, lawn parties and gossip, and reading the obituary notices.

150,000 Words
The average newspaper contains 150,000 words or more of information. This is the daily equivalent of two novels. It is never perfect, never completely accurate. It is as near perfect as a chain of human minds—leading from editor to city desk to reporter to rewrite man to copy desk to composing room—can make it.

A good newspaper maintains a balance of 40 per cent news to 60 per cent advertising. When wages go up, and the price of newspaper print is hiked, the ratios can slip further apart, particularly on larger newspapers. No one is shortchanged, however, because increased advertising has simply meant more space for news.

Responsible Enterprise
A newspaper is private enterprise for the public good. It relies on many minds to fill it every day, in addition to machines which chatter incessantly about news coming from Rome, from Bangkok, from Tokyo and Topeka.

A boy on a bicycle can take all of these things, roll them up, and toss them onto a front porch while chewing gum and preparing a good excuse for a poor report card. A blind newsdealer can sell all this information for a small coin without ever seeing it.

In some countries, the newspapers are the instruments of the government. In this one, the government is sometimes the instrument of newspapers. Perhaps the best thing which can be said about newspapers in the United States is that they are in chronic disagreement with each other.

This is what is meant by a free press. A newspaper is always a little more than the sum total of its parts. It is also a friend who can be dropped, or picked up at will.

What is a newspaper?

DRIVERS LICENSE SUSPENDED
James Joseph Heather, 44, Route 2, 10391 5 Mile Rd., Ada was reported by the Michigan Department of State as among 407 Michigan drivers licenses suspended.

His license was suspended August 14, for driving under the influence of liquor, the State revealed.

Ham Dinner Success

Mrs. George Grochowalski, Chairman for the ham dinner which was held at St. Robert's Catholic Church last Sunday, would like to report that the dinner was a tremendous success.

She would like to thank all the committee members and those who contributed and worked. A special thanks goes to Cathy Beahan who designed the table arrangements.

Discuss Goals At Martin PTA Meet

The Martin School will hold its PTA meeting on Monday, October 21, at 8 p. m. in Martin School. This meeting should prove to be an interesting one for all families in the Forest Hills system.

Mr. Masten, Superintendent of Schools, and Mr. Price, Principal of Elementary Schools, will be our guest speakers. They will discuss with the P.T.A. their job functions, immediate goals and objective for the Forest Hills School District and Martin School, as well as preparation being made for the future.

All families in the Martin School area who are interested in the future of the district are welcome to attend.

Mrs. Donald Harrington Heads Ada Fund Drive

The appointment of 1964 United Fund campaign chairman in Ada, Bowne, Lowell vicinity has been announced by Gerald Greene, co-chairman for the County Division.

Mrs. Donald Harrington, 7054 Winderest S. E., will head the fund drive in Ada, Mrs. Evelyn Smith has accepted the chairmanship for Bowne.

Lowell and Vergennes vicinity will be combined under the leadership of Gordon Johnson, for Rotary; and George Dey, Jr. from the Lions Club group.

Mrs. Blenda Kelley Will Host Mary-Martha Guild

The Mary-Martha Guild of the Ada Congregational Church will meet for a dessert luncheon at 12:30 p. m. on Thursday, October 24, at the home of Mrs. Blenda Kelley, 7179-3 Mile Road N.E.

The "word" for the day is Temptation. Mrs. Lenna Cramton will give the devotions.

The program, which will be on Eve, will be presented by Mrs. Dorothy Bolhuis.

BIRTHS

Mr. and Mrs. Ben Zoodsma of Thornapple River Drive in Cascade are the new parents of a baby girl born last Friday, October 11, in Blodgett Hospital.

hospital notes

As the result of an automobile accident, Mrs. R. J. MacIntyre of 2731 Cascade Springs Drive, S. E., is a patient at Blodgett Hospital.

Mrs. Frank Atherton of 4340 Buttrick Avenue S. E. continues as a patient in Blodgett Hospital.

Robert Winkels of 918 Orchard S. E. is a surgical patient in Blodgett Hospital.

Abbreviations
 A person can not read much today without being confronted with a host of abbreviations. They are used by the church, government, business, science, advertising, etc. We read and speak about WCC, NATO, CIO-AFL, RFR, UN, and a host of others. We even refer to our president as JFK. What a sad commentary on us as a nation. We are in such a hurry, we don't have time to say what we mean. Soon schools will have to offer a course in reading abbreviations so we can live intelligently in our world. In many things in life people are looking for shortcuts. This often ends in failure, even disaster. This surely is true in Christianity. God's Word tells us the only way of salvation, the only way to a happy life. To try to improve on this, to try to take shortcuts, will end in failure. Are you sure your way is God's way?

SCHOOL NEWS

Dance Class—The dancing class sponsored by the Forest Hills Parent Teacher Association, is in full swing with an enrollment of 83 students participating. The class meets every Thursday night in the school gym from 7:30 p. m. to 8:30 p. m. under the tutorage of Mrs. Robert Lewis. Mrs. Lewis has been teaching social dancing to our children ever since the P.T.A. inaugurated this program some few years ago.
 With only 83 dance aficionados signed up for this year, it was necessary to combine both beginners and advanced. There were some years when the girls outnumbered the boys, as far as registration was concerned; but this year Mrs. Sylvia Johnson, Chairman, said boys and girls are about evenly matched, so "grab your partner and swing!"
 Dance lessons cost only \$5.00 for the series and includes the cost of the grand finale—a real ball, including live music and refreshments.
 P.T.A. Membership Drive, Contestants in this membership drive were all of the seventh and eighth graders of Forest Hills Junior High School. The contest began on Friday, October 4, and ended on Friday, October 11.
 Dorothy Koessel, chairman, reported each room did a terrific job in signing up new P.T.A. members. The children did such a good job that there were two home rooms who had 100 sales.
 A contest denotes a prize, and as the prize was to be a room party, and there is a tie, there will be two parties or maybe one joint party. The winning home rooms were those of Mr. Northuis and Mr. Vander Wiel.
 The party or parties were held yesterday, October 16, in the All Purpose Building, and were given during the last hour of school.
 Back to class night—This "Back to Class Night" is a must on your agenda and is only five weeks away. Mark the date on your calendar now, November 21, 1963, as time passes quickly! Don't overlook it!
 High School Principal, Don Crouse, said at the Executive Com-

The Construction Fund Campaign at Cascade Christian Church goes into its fifth and final week, beginning Sunday, October 20. The goal of this campaign is to raise \$55,000.00 in gifts and pledges, in order that construction might begin on the long-anticipated church sanctuary and the administrative-Sunday School unit.

At the 9:45 and 11 a. m. worship services this Sunday, Raymond Gaylord, the pastor of the congregation, will preach on "First Things First." At both hours, consecration services will be held for the team captains, lieutenants, secretaries and canvassers.

Over fifty men from the church have volunteered to assist with the canvassing. Also on Sunday, the "Around-the-Clock" prayer vigil begins—with members praying every hour of the day and night for

a seven-day period. The All-Church Dinner takes place at the All-Purpose Room at Forest Hills High School Monday evening at 6:30. At this dinner, Harold R. Watkins of the Board of Church Extension of Indianapolis, Indiana, will be on hand to lead in a pledging program. Mr. Watkins is the guest director of the campaign. All the families of the church are invited—with special entertainment planned for the children.

Canvassers will meet at the Fellowship Hall Tuesday evening at 6 for a dinner meeting. The first official report will be made. There will be a briefing of canvassers and calls will be made.

October 27 has been designated as Victory Sunday by the congregation—with final reports being made to the congregation.

Congressman Gerald Ford Says Billions For Defense; 84 Million Soviet \$

The House of Representatives last Tuesday concluded action on the Defense Appropriation bill with which our subcommittee was concerned since it opened hearings on the 1964 defense budget on January 21st. As finally sent to the President for signature, the bill appropriates \$47.2 billion for the Department of Defense during the current fiscal year. This is a \$1.8 billion reduction in the President's request and is \$1.1 billion less than the 1963 appropriation. The action last week was on the conference report in which the differences between the House and Senate versions of the bill were resolved.

Defense, Communism, & Wheat: One day after the Congress voted the \$47.2 billion expenditure for defense against Communism, President Kennedy approved the sale of tax-subsidized wheat to the Soviet Union. In his statement the President glossed over the subsidy aspect of the deal by saying "There is in such transaction no subsidy to the foreign purchaser." As I pointed out last week it is true that no money is paid to the foreign purchaser. But the FACT remains he gets the benefit of the subsidy and that is the essential point. Every bushel of wheat sold to the Soviet Union will cost the Communists about 60 cents less than it will cost an American. The subsidy goes to the exporter, not the farmer, but the benefit goes to the Russian purchaser. The Russian gets wheat at a lower price than an American. The difference is paid by the Americans.

On October 10th the export subsidy on wheat was 56 cents a bush-

el with the world price at \$1.77 and the equivalent cost to American purchasers at \$2.33. To sell the 150 million bushels of wheat to the Soviets will cost the American taxpayers \$84 million in subsidy benefits for the Communists. And another fact should be emphasized: On October 10th wheat was selling in Russia for about \$2.50 a bushel in American dollars. This is 73 cents above the world price. While taking into account transportation costs, it is clear that the Kremlin will also realize a tidy profit on the U. S. wheat deal when it can buy at the low world price and sell at the higher Russian price.

Furthermore, in approving the wheat sale, the President ignored and negated the clearly stated policy of the Congress that subsidized farm products should not be sold to Russia. This policy was stated in a law signed by Mr. Kennedy on August 8, 1961.

I have always favored the use of our surplus agricultural commodities to assist the needy at home and abroad, provided those abroad were not aiming to destroy us, I'm willing to give away our products when this means preservation of life and health. I can defend the sale of subsidized products to allies and true neutrals. But the sale of tax-subsidized wheat to communist conspirators who would "bury us" is in an entirely different category. Certainly all of us can understand the implications of the fact that only two days after the President announced his approval of the wheat deal, the Communists held up for hours a U. S. Army convoy on the highway leading into Berlin.

Defense Spending and Unemployment—It is significant that on the day before the defense appropriation bill was passed, the majority whip of the Senate, Senator Hubert Humphrey (D-Minn), told his colleagues that the government has "essentially failed in encouraging defense spending in areas of persistent and substantial labor surplus." Senator Humphrey pointed out that "only 4 percent of all defense contracts are let in these areas" and that "less than one-quarter of 1 percent of defense moneys" has been placed in areas of substantial unemployment.

Senator Humphrey said that according to latest reports, "over 50 per cent of research and development work done in the universities and research institutions goes into two states, and prime contracts often follow the research and development work into these same areas." The two states are California and Massachusetts.

REBUILDING OF 28TH ST. TO 5 LANES TO COST \$1,793,091

The State Highway Department reported this week that it received low bid of \$1,793,091 from Hertel-Deyo Co. of Grand Rapids for construction of 6.2 miles of 5-lanes on 28th Street from the I-96 interchange to the US-131 freeway.

We hope that everyone has noticed the new automatic school blinker sign on Burton Street West of Cascade School. This sign warns motorists of the children in the immediate school area.

The School Board along with Cascade Mothers' Club had this erected before school began in September. Our Safety Chairman, Mrs. Raymond Gaylord has worked hard the past year to make our school grounds, bus stops, and walking conditions safer for our children. She isn't through yet. So, will everyone give her your support, help, and thanks.

Watch for details of the November meeting.

The Westway Golf Benefit, which was held on October 10 at Hickory Hills Golf Course, was a big success thanks to the thirty-three women who came out to play golf and also to perfect weather.

Our sincerest thanks goes also to the Hickory Hills owners who so kindly allowed us to hold our event at their course. According to official score-keeper, Mrs. Herman Meyer, the final results were as follows:

Mrs. Tommy Ray took first place with a 46, Mrs. Bea Thomas came in second with a 53, and Mrs. Fay Longstreet, third, with a 55.

Prizes were awarded to first, fifth, tenth, fifteenth, twentieth, twenty-fifth and thirtieth places. A "loving cup" went to Mrs. Bob Whittier for high score.

St. Roberts To Hold Open House

The parishioners of St. Robert's Catholic Church, Ada, Michigan, are issuing a general invitation to the people of this locality to visit their church in an "Open House" event, being planned for Sunday, October 27th. On this date, from two until five p. m., the church at St. Robert's will be open for visits from people of all faiths, who would like to see the church, and perhaps learn more about the form of worship. The Open House is designed to promote better understanding among persons of various faiths, and is being sponsored by the Grand Rapids Councils of Catholic Men and Women.

There are plans being made to make this an enjoyable and beneficial day for those who attend. Paul Roy is in charge of the plans for St. Robert's, and he is being assisted by the Holy Name Society and The Ladies' Guild. Father Donald Farrell is the pastor of St. Robert's. There will be no religious services conducted during this event. It is designed solely to give people an opportunity to visit the church that they have seen many times from the outside—but never the inside—and who perhaps have a curiosity and an interest to see where their Catholic friends and neighbors worship.

Many of the laity, or parishioners, will be on hand to conduct tours in the church and explain or answer questions. There are 127 Catholic parishes in the 29 counties of the Diocese of Grand Rapids, and all of these churches, as well as many schools, rectories, convents, etc., will be open to the public on October 27th. The Parishioners of St. Robert's invite you to mark this date on your calendar and be their guests that day.

Nature Notes

by Edith Jarvi

This is the time to get bird feeding stations started for the winter, if they have not yet been started. However, once they are started they must be kept up as the birds will depend upon them instead of foraging in the fields, protected woods and swamp areas. The local birds that stay all year are looking for places to feed during the winter, and many of the northern birds which stay in our area are beginning to come south with the other migrating birds.

Woodpeckers have found the suet and are visiting it once or twice a day. Later, as the weather gets colder, they will come more often. The Chickadees, Titmice, Nuthatches and Blue Jays have found it too, but prefer to feed on the standing Sunflower heads. The sparrows and Blackbird feed on the sweet corn which matured too rapidly to be eaten.

Slate-colored Juncos are coming through from their northern nesting grounds with others of the finch tribe; the White-crowned Sparrow, the White-throated Sparrow, and the Fox Sparrow. Some of these birds may stay all winter in protected places if enough food is available. Later more of the finches may visit the feeders: the Purple Finch, the Pine Siskin and the Redpoll as well as their near relative, the Evening Grosbeak.

In the meantime as long as there are leaves on the trees, other small migrants, the wood warblers, the vireos and the thrushes including the beloved Bluebird, will be seen in fence row, woodlot and orchard.

Music Association Rummage Sale

Since the beginning of the fall school term, the Forest Hills Music Association has ordered 10 more choir robes, at \$22 apiece (including stoles) and 10 more band uniforms at approximately \$75 apiece. One can quickly add up the sum of \$970.00 which has to be paid out shortly.

In order to maintain a balance in the treasury, it means getting out and working. So on November 13 from 6 p. m. to 9 p. m., and November 14 from 9 a. m. to 6 p. m., the music association will again hold a rummage sale at the corner of Logan and Jefferson.

We realize with all the rummage sales that have been held this past month in the community, one may not have much left. Maybe there has been a coat, a pair of gloves, boots or other items that have been overlooked that you would like to give to the rummage sale.

As in the past, anyone wishing to drop their rummage off at the high school may do so by depositing it in the large boxes that will be placed in the lobby of the All-Purpose Building where it will be picked up daily.

If you are unable to use the drop-off depot at the school, please call to have it picked up or drop it off at one of the following locations: Mrs. Martin Postma, 8858—52nd Street, UN 8-4135; Mrs. Harry R. Gaskell, 4990 Ada Dr., 949-0197; Mrs. Curtis Dunlap, 4361 Braeburn, 949-0307; Keith Clinton, 236 Forest Hills, 949-0245 or John

Silver Spurs 4-H Horse Club Meet

The first meeting this year for the Silver Spur 4-H Horse Club was held on September 12th at the home of their leader, Mrs. Joseph Carlson. Officers for the coming year were elected: President, Sue Kersting; Vice-President, Sue Carlson; Secretary, Nancy Carlson; and Treasurer, Sara Kersting.

Three members of the Silver Spur Club attended the Kentwood Open Horse Show on September 21st. They were Richard Fitch, who won First Western Pleasure, First Bareback Horsemanship; Sue Carlson, who won First Western Horsemanship, First Good Grooming, First Halter, Third Pleasure; and Sue Kersting, who won Third Good Grooming, Fourth Halter, and Second English Pleasure.

The regular meeting of the Silver Spur Club was held on October 10th at the home of Joe and Cathy Smith. Requirements for "A" grouping were discussed.

Lt. Charles Croninger Command School Grad

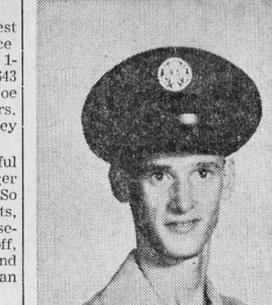

First Lieutenant Charles H. Croninger of Ada, has graduated from the Air Training Command officer instructor school at Randolph Air Force Base in Texas. He is being reassigned to Laughlin Air Force Base, Texas, for duty as an instructor pilot.

Lieutenant Croninger received training in oral and written communications, psychology of learning and teaching practices.

The lieutenant, son of Mr. and Mrs. Herbert S. Croninger of Route 1, Ada, was commissioned in 1960 upon completion of the aviation cadet program.

A graduate of Lowell High School, he attended Grand Rapids Junior College and the University of Michigan at Ann Arbor.

Lieutenant Croninger's wife, Marjorie, is the daughter of Mr. and Mrs. Winfred E. Higgins of 112 Country Club Drive, Lubbock, Texas.
