Merry Christmas

Morning Worship - 10:00 A. M.

Merry Christmas, Again and again we hear these words during these days. But what do they mean? They mean, forget your troubles and get in the spirit of the season symbolized by

a jolly, laughing Santa Claus. Instead of grasping as we do most of the years, we even do a little giving to family and friends and needy. If nothing else works, get a little cheer out of a bottle. Soon the season is over and we return to normal: a rushing, troubled, self-centered life. How much more Christmas means to the Christian. It means

the love of God has come to man through the birth of Jesus, the Son of God. It means more than a external attitude put on for a few weeks. It means an inner peace and joy. This means first of all that we have peace with God through the forgiveness that Jesus came to give. Having experienced this we have

peace with ourself and with our neighbor. Such peace abides whatever the circumstances. May such a Christmas be yours through Jesus, wose birth we celebrate. PASTOR - REV. ROY BOESKOOL

Comfort

Cleanliness

With the Iron Fireman CUSTOM Mark II furnace you use a super-sensitive thermostat which operates the furnace with the slightest variation of room temperature. This gives you remarkably uniform indoor temperature. No matter how often the furnace starts there is no smoke, no soot, no fouled combustion chamber, no wasted oil

With the instant clean flame there are no flecks of soot blowing from your chimney or escaping into your home. Hundreds of tests made with smoke-detecting instruments show a flame that's absolutely clean from

the very moment it's turned on.

Down go fuel bills Owners report remarkable fuel savings. There is no smoky warm-up period to foul the furnace and waste oil. Service calls are cut to
