# Suburban LIFE

Serving The Forest Hills Area

THURSDAY, MARCH 19, 1964

NUMBER ONE

VOLUME TEN

## Mrs. Nellie Lucas, 70 dies suddenly Sunday

Mrs. Nellie D. Lucas, aged 70, of 5663 Cascade Road, S. E., passed away suddenly Sunday morning at her home.

Survivors include her husband John; two sons, Steven and Leon of Cascade; five daughters, Mrs. Calvin (Ethel) Niewenhuis of Waupun, Wisconsin, Mrs. James (Margie) Wollter of Grandville, Mrs. Peter (Ruth) Uittvugt of Edmonton, Alberta, Canada, Mrs. Ronald (Orma) Slater and Mrs. Thomas (Betty) Cooper of Grand Rapids; 16 grandchildren; two brothers and one sister, Fred and Edward Hartger and Mrs. John (Minnie) Coeling; and two sisters-in-law, Mrs. Jay Hartger and Mrs. Ben Hartger.

Funeral services were held Wednesday, March 18, at the DeVries Funeral Home with Rev. Charles Steenstra officiating. Interment was made in Oak Hill Cemetery.

## Appoint key women workers for cancer crusade in April

Appointment of key women workers for the South Kent Rural area in the April Crusade of the Kent County Unit, American Cancer Society, was announced this week by Mrs. A. J. Verhoeven, South Kent chairman for the campaign, which has as its goal \$105,768.40.

The Unit is headed by Robert E. Bylenga, of Grand Rapids, as president, with Herbert R. Boshoven of Grand Rapids, general chairman of the Crusade.

Mrs. Verhoeven announced that Mrs. Richard Nordhoff of Route 2, Lowell, will be chairman in charge of the rural Lowell areas, while Mrs. Louis Smit, Route 3, Lowell, and Mrs. Bernie Bedell, 118 Grove Street, Lowell, will be co-chairmen for the City of Lowell.

Other appointments announced by Mrs. Verhoeven are: Cascade Township, Mrs. W. F. Zoellmer, 4870 Burton Street, S. E., and Mrs. Clarence Martin, 7007 Burton St., S. E., co-chairmen; Ada, Mrs. E. L. Kiel, 7283 Conservation, N. E.; Vergennes, Mrs. Lionel P. Horsman, 8310 Vergennes Street, and Mrs. Charles Fedorowicz, 11909 Vergennes Street, S. E., co-chairmen.

Motorists forced to stop their car on the road at night can make use of a "safety flag" that reflects brightly in the dark, thanks to a fluorescent red surfacing. It is attached to the desired spot on the vehicle by a suction cup.

The only thing changeless in this hectic world is change itself.

## Collins PTA to elect officers

Tuesday, March 24, is the date set for the Collins PTA meeting scheduled to begin at 8 p. m. with President James Jarrad presiding. This will be a very important meeting. On the agenda will be election of officers for next year. Come and cast your vote. The program for the evening will be a most interesting film on Economic Development.

April promises to be a very active month with a rummage sale planned for April 11 at Ada Township Hall, headed by Mrs. Fred Vanderploeg; and Collins annual Spring Dance to be held at the Gun Room on April 17. Mrs. John B. Stephenson is chairman of the dance this year. Be sure to attend the PTA meeting for full details.

## P. T. A. plans problem clinic

Parents who attended "Back To Class Night" at Forest Hills High School last November 21 were given a mimeographed bulletin covering a PTA-planned "Problem Clinic" for Teenagers and Parents scheduled for February 27, 1964.

As a starter, the PTA listed several topics it thought you might like to hear discussed. You were asked to check your preferences and add additional topics you would like to have aired.

A great many of these bulletins were returned to school and the suggested topics ran the gamut from A to Z. To mention a few: Alcohol, Cars and high school drivers, Communication between teen agers and parents, Dating, Discipline, Drop-outs, Freedom, Mental Health, Sex, Smoking, and Television, etc.

The date was changed to April 23 because precedence was given to the important information meeting covering the bond and millage issues held on February 27. Now the date has been moved up again—to April 30. This last and latest change was because the Committee had difficulty in getting the desired speakers together all at the same time.

The Committee (Dorothy Koesel, Gladys Koert, Virginia Waterfield) has lined up some fine panelists and their names will be in next week's edition of Suburban Life.

Remember the new date! April 30, 1964, 7:30 p. m., Multi-Purpose Building.

Forest Hills Executive Committee meets tonight in the Teachers' Lounge at School, 8 p. m.

## Lydia Guild hosts Easter Coffee

When women of the Cascade area view this picture of Mrs. Guy Chandler (left) and Mrs. Clare Coger (right) sitting at the table looking at the tree laden with Easter eggs, they will have many happy memories of the Easter coffee of a year ago and remember it as a delightful occasion. This Easter coffee will be repeated again this year by the Lydia Guild of the Cascade Christian Church at the home of Mrs. John Hamer, 6460 Burton Street, S. E., from 1:00 until 3:00 P. M. on Wednesday, March 25. There will be many lovely decorated Easter eggs for sale. We are looking forward to seeing many of our church and community friends who we know will have a most pleasant afternoon.

## School doin's

Students have been chosen to represent Forest Hills in the Spring Forensics contest, April 11 at Kentwood High School. Phil Waterman and Chip Perschbacher will compete in Declamation which is open to Sophomores only, John Banta and Rick Buell will compete in Extemporaneous Speech and Pam Dillingham will compete in Interpretive Reading. No one is being entered in Humorous Reading this year.

At approximately 8:30 a. m. last Tuesday, March 10, a large number of the members of the Junior class went, laughing and talking, to the High School Library to take the National Merit Test. Starting at 12:20, the same Juniors began to appear on campus on more. For the rest of the day it was easy to determine which Juniors had taken the test and which hadn't. Those who had dragged through their classes with a blank dazed look, while their fellow class members appeared to be alive.

Last week's column stated that the MC's for the Annual Variety Show would be Stan Robinson and Wayne Brown. That has since been changed to Stan Robinson and Steve Bigelow.

Friday, March 13, saw much activity at the Multi-Purpose Building of Forest Hills. In the morning, the first half of the Variety Show was rehearsed and the second half rehearsed in the afternoon. After rehearsal the props committee worked on the stage.

Members of this committee are Wayne Blocher, Joe Czajkowski, Connie Hulsapple, Adrian VanBemden, Jodee Carrington, Sharon Meines, and "the hand" himself, Mr. LaMain.

With its World's Fair theme the Variety Show promises to be quite unusual. We have visitors from different parts of the world and even from the outer world.

There will be skits, songs, piano solos, dances, and other unknown surprises. Our "Masters of Corn" Stan and Steve will keep you informed on all these acts and others besides. Two members of the cast are to be remembered from last year: Connie Hulsapple returns with two numbers—a jazz number and a tap dance. Carol Provonche also returns with a solo and later is seen with her sister, Christy, for a duet.

Sue Beach

## Transferred to Missouri

Mr. and Mrs. Andy Salm and family of 7039 Windcrest Avenue, S. E., are moving this Saturday, March 21, to Kansas City, Missouri.

Mr. Salm is being transferred to the home office of Hallmark Cards.

## Services held in Ohio for Mrs. Luetta Stewart

Mrs. Luetta M. Stewart, aged 79, wife of Charles L. Stewart of 4488 Cascade Road, S. E., passed away Sunday morning, March 15, after a lingering illness.

Besides her husband, she is survived by two sons, Robert L. of Grand Rapids, and W. Howard Stewart of Dayton, Ohio; a daughter, Mrs. Charles Wilgus of Hollywood, California; six grandchildren; two sisters, Mrs. H. D. Hendrick of Dayton, Ohio, and Miss Ann Marie Meeker of Delray Beach, Florida; and several nieces and nephews.

Funeral services were held on Wednesday at the Whitmer Brothers Funeral Home in Dayton, Ohio, with interment in Woodland Cemetery at Dayton.

## List common errors in tax returns

R. I. Nixon, District Director of the Internal Revenue Office in Detroit, Michigan has released a list of the most common errors made by taxpayers in itemizing deductions on Federal income tax returns. The list was compiled from records of the Internal Revenue Service and consists of unallowable deductions found on returns.

None of the following expenses are deductible: Funeral expenses, water taxes, dog licenses, hunting and fishing licenses, social security taxes, Federal excise taxes on jewelry, tires, gasoline, furs, cosmetics, etc., life insurance premiums, title fees, fines and penalties.

Mr. Nixon said that when a return is audited, any of the above deductions must be disallowed and the taxpayer must pay the difference in tax.

He said that the instruction booklet mailed to most taxpayers has handy check lists of which expenses may be deducted.

## hospital notes

Bret DeGraaf, the 4-year-old son of Mr. & Mrs. Robert DeGraaf of 3343 Gateshead, N. E., is a patient in the Grand Rapids Osteopathic Hospital.

Bill Miller of 7106 Gladys Drive, S. E., is a surgical patient at Blodgett Memorial Hospital.

As Mr. and Mrs. Robert Smith of Thorncrest S. E., Cascade, were driving the young people of Cascade Christian Church to the International Affairs Seminar in New York City and Washington, D. C., Robert Smith became seriously ill in Niagara Falls with a collapsed lung. He will be hospitalized there for another two weeks. For those who would like to send him a card or letter to cheer him up, his address is Greater Niagara General Hospital, Niagara, Ontario, Canada.

# Basketball coaches resign

## Women's Fellowship to hold white breakfast

The Women's Fellowship of Ada Congregational Church will hold its annual White Breakfast on Wednesday morning, March 25, at 9:30 a. m.

Mrs. Julian Gromer will review Mrs. Katherine Marshall's book, "The First Easter"; Gounod's "O Divine Redeemer" will be sung by a group from the Senior Choir, directed by Mrs. Horace Cox.

All women of the community and surrounding area are cordially invited to attend.

For reservations, please call Mrs. Henry Reimersma at 676-1610. Tickets are 50 cents and may be picked up at the door. Nursery will be provided at the church.

# Object . . . Success

Public service has always been considered an honorable calling. In recent times, however, young people have been discouraged from going into government work or politics because of the connotations associated with the word "politics." Yet, our form of government which we cherish is based upon an interest in, and participation in, all aspects of government by our citizens. Our democratic system cannot work unless the ordinary citizen is willing to have a deep interest in public affairs and to participate in the affairs of government to the maximum of his time and ability.

There are many opportunities for young people in the field of public service. These opportunities are open to those who have an interest, encouragement, and put forth an effort.

Some of us achieve an interest in government at an early age. In others it develops later as we study history, government, economics, and sociology. Innate interests of the individual must be developed by extensive training in those subjects which help him better to understand our social and political institutions.

Any young person going into government or politics needs the encouragement of his colleagues and his elders. I can say that while I had long had an interest in government and had studied law at college, the encouragement to go into politics which I received from my father and mother and from the late Senator Vandenberg were primary considerations in my decision to become a candidate for Congress.

Without a willingness to expend a great deal of time and energy in the work, one will not find in it a particular satisfaction. The effort which we put into our task determines to a great extent the satisfaction we receive from it. I am stressing, therefore, that public service is not an easy way to make a living; it calls for extraordinary effort but its rewards are extraordinarily satisfying.

There is one aspect of public service which makes it especially appealing. It does not have to be a full-time job. Many individuals are performing outstanding public service in part-time elective or appointive positions. So we have a wide range of opportunities in this area: elective office, appointive office, career employment, all of which may be on a full-time or part-time basis. To those who have any interest in serving their communities I hope they receive the encouragement to continue and are willing to put forth the effort which will bring real satisfaction and happiness.

Sincerely,  
Gerald R. Ford  
U.S. Congressman, 5th District, Michigan.

We would like to express our gratitude to Mr. Ford and to all the others who have very selflessly donated their time and efforts to get this column started. Again we ask that you, our readers, will accept the invitation of writing to this column. As adults we can look back and see our errors and the progress we have made. Please share your experiences of growing up, with our youths.

Write to Object Success, Box 128, Lowell, Michigan.

Varsity Basketball Coach Jerry Dangel, and Reserve Basketball coach Paul Northuis, both tendered resignations to the Forest Hills Board of Education last week. The board accepted the resignations with reluctance according to Superintendent Robert Masten.

Mr. Dangel is leaving Michigan for California, a move he has contemplated for sometime. Jerry has no position there yet.

## Grant given to expand National Music Camp

A grant of \$150,000 from the S. S. Kresge Foundation of Detroit for the National Music Camp's expansion program has been announced by Dr. Joseph E. Maddy, head of the music camp and Interlochen Arts Academy.

The grant is earmarked for extension of the outdoor Kresge Concert Auditorium, the main performing arts center at Interlochen.

The new Kresge stage and concert arena, designed by Alden Dow of Midland, will house most major productions of the summer concert season. Dr. Maddy said enlargement of the Kresge concert auditorium would bring its seating capacity to 4,000 and increase facilities available for anticipated audiences at next summer's Interlochen Arts Festival.

# coming events

but expects to sign a contract shortly. He said his reasons for going to California are to live in a milder climate and to explore educational opportunities in another state.

Coach Dangel came to Forest Hills in 1958 and has worked his way from Junior High basketball to Varsity basketball. His Varsity team this year compiled the best record in the school history with 11 wins and 7 losses.

Athletic Director Edward Shy commented that Mr. Dangel's departure leaves a great void on our coaching staff. Jerry is a great teacher of fundamental basketball, a tireless worker, and highly respected by his players, and we will have a hard time replacing him, stated Shy. No successor has been named, and it will probably take three weeks for the school administration to screen the applicants for the job.

Paul Northuis is remaining in the Forest Hills system as a Junior High instructor. However, Paul stated he had no desire for Varsity basketball coaching and wants to leave coaching to devote more time to his family.

Mr. Northuis coached the reserve squad to a 11 win 5 loss record this year.

## Plate slogan change okayed

Michigan's license plates which since 1954 have listed the state as a "Water Wonderland" will have the word "Winter" added starting with 1965 plates to extol the state's growing popularity as a winter recreation area.

Announcement was made jointly by Governor Romney, who suggested the addition, and Secretary of State James M. Hare, who administers the vehicle licensing program in Michigan and made the ultimate decision.

The 1965 plates will read, "Water-Winter Wonderland."

Hare said he talked over the new slogan with Governor Romney several weeks ago and they decided jointly to make the change. "We had to wait for the go-ahead from Prison Industries relative to whether the word could be added to the plates without any undue problems," Hare said. He added that the new slogan got in "just under the wire" since Prison Industries is already gearing up for production of 1965 plates.

## JOHN HESSELINK GETS DEGREE FROM M.S.U.

John R. Hesselink, 1905 Thornapple River Drive, S. E., received his BA Degree in Food Science at mid-winter graduation ceremonies at Michigan State University.

Michigan State University awarded degrees to 835 students in winter quarter commencement exercises on Friday, March 13. Graduates included 49 doctoral candidates, 180 master's degree candidates and 606 bachelor's candidates.

The commencement address was delivered by Walter Reuther, president of the United Automobile Workers. Winter term at M. S. U. closes Saturday, March 21.

**Always Cash On Tap**  
WITH A  
LOWELL SAVINGS & LOAN  
**OPEN END MORTGAGE**

Almost everyone realizes that you build equity in your home as you make monthly payments on your mortgage. But many think that this equity must be tied up for the term of the mortgage.

Not so with the Lowell Savings & Loan financing plan. The equity you build in your home can be "tapped"—reconverted to cash when you need it. By using the "Open End" provision, you can usually reborrow up to 100% of the original loan at a later date for any worthwhile purpose.

And this without the high cost of refinancing... without red tape, its all part of the original Lowell Savings & Loan home loan. Get the details today.

**Who Cares?**  
Do you ever feel that it does not matter how you live, because nobody cares, anyway? Nobody cares what happens to you. Nobody will miss you when you are gone out of this life. Even God doesn't care!  
Even God? That isn't reasonable. Would anyone make such a complex creature such as you are, and not care about you? Your body is a wonderful structure, each part marvelously cooperating with every other part. And you, living inside your body, must wonder at yourself if you stop to think. What is it that enables you to think? Where did you get that sense of right and wrong that often gives you an uneasy conscience? You long for better things, you want to love and to be loved, you feel that there ought to be something worth living for. You aren't satisfied to live like an animal. Why?  
The answer of the Bible is this: Man is God's masterpiece. There are all kinds of wonderful things around us that He created, but we are the highest, the most complex and wonderful, of all His creatures. Then of course He cares about us! Even when we have made a mess of our life, He still cares. He has said, "If with all your heart you truly seek Me, you will surely find Me." And in His Word, the Bible, we find Him a God of love.  
—M. Schoolland

**Program planning institute set to guide civic groups**

The third annual meeting of the Program Planning Institute, designed to give guidance and inspiration to clubs and civic organizations, will be held Wednesday, May 13, 1964 from 9:30 a. m. to 2 p. m., Second Congregational Church, 525 Cheshire Drive, N. E., Grand Rapids. Theme of the Institute will be "Program Techniques for Membership Action". Kick-Off Speech will be given by Kenneth King, Director of Home Reading Services of the Detroit Public Library, followed by workshops discussing program planning, publicity and membership participation. Moderators of the workshops will be Emory Freeman, Miss Patricia Greene, Mrs. John B. Martin and Preston Miller. Resource personnel for workshops are Mrs. William Beaman, Jeff Davis, William Gill, Mrs. R. W. Harper, Charles Hornbach, Mrs. Louise Hurst, Mrs. Robert LaBour, Mrs. Robert Modica, Mrs. George Schad, Mrs. Annice F. Starr, Mrs. Frank Tatreau, Mrs. Dorothy H. VanWingen and Miss Tammy Wood. Luncheon speaker is Thomas H. Dunn, Assistant Director of Wayne State Audio-Visual Utilization Center.

Program Planning Institute Committee members are Miss Alberta Massingill, Chairman; Miss Helen Gleason, Vice-Chairman; Mrs. Matt Heyns, Secretary; Mrs. Paul Liebert, Treasurer; Mrs. Alfreda McGuire, Arrangements; Miss Irene Cole, Budget; Miss Betty Shoemaker, Exhibits; Mrs. Robert Modica, Mailing; Miss Arvilla Winegard, Manual; Mrs. Bob Tubbs, Program; Mrs. Hudson White, jr., Publicity.

**850 children treated for accidental poisoning in 1963**

Accidental poisonings among Grand Rapids and Kent County children occur all too frequently says Dr. Daniel Reardon, President of the Grand Rapids Pediatric Society and spokesman for the Kent County Planning Committee for National Poison Prevention Week to be observed March 15-22.

Dr. Reardon said that facts collected by the Health Department from the three Poison Control Centers at Blodgett, Butterworth, and St. Mary's Hospitals show that 850 children received emergency treatment as a result of accidental poisonings in 1963. This figure, he said, represents an average of over two youngsters every day of the year and is higher than 1961 and 1962 rates. Small wonder, then, that the President and Congress of the United States have tried to emphasize this problem by establishing a National Poison Prevention Week.

Local figures show that 86 per cent of all accidental poisonings are due to medicines with aspirin alone accounting for 41 per cent of all poisonings. The other products most often involved were household cleaning and polishing agents, pesticides and petroleum products. Nearly 2-3 of the cases involved children at ages 1 and 2 years.

To avoid poisoning accidents in Grand Rapids and Kent County the Committee issued the following pointers for parents:

1. Store all medicines in locked cabinets.
2. Never say to a child that medicine is "candy"—it may lead the child to take an overdose at the first opportunity.
3. Try to avoid taking medicine in the presence of children—they love to imitate and play doctor and nurse.
4. Remove unused medicines from cabinets and flush them down the toilet where they cannot be reached by others.
5. When medicines are still in use always return them to the cabinet—never leave them on a shelf, furniture or other place where a child may get hold of them, even by climbing.
6. Don't wait for signs of sickness to appear—it might be too late. If you suspect that a child has swallowed a possibly poisonous medicine call a doctor immediately or one of the three Poison Control Centers. The numbers are: Blodgett—456-5301, Butterworth—451-3591, and St. Mary's—GL-93131.
7. Store household agents commonly found under the kitchen sink out of the reach of children.
8. Remember that agents usually stored in garages such as pesticides, fertilizers and gasoline must be kept out of the reach of children.

Dr. Reardon announced that the activities of the Planning Committee will continue throughout the year. Later this spring, he said, the Committee hopes to prepare thousands of special packets containing one-half ounce bottles of ipecac and one one-half ounce bottle activated charcoal to be made available to parents of young children at a nominal fee. The packet, which will be available on a prescription basis from physicians, will serve as a first aid measure for some accidental poisonings until medical aid can be secured. The ipecac will induce vomiting which is helpful in certain poisonings and charcoal serves to absorb poisons in the stomach. An all out drive will be made encouraging parents to secure this packet.

A man with six children is better off than a man with six million dollars. A man with six kids doesn't want any more.

**BIRTHS**

Mr. and Mrs. Kenneth Estelle of 6715 Interurban, S. W., who are members of the East Paris Christian Reformed Church, are the new parents of a son born at Blodgett Hospital on March 13.

Mr. and Mrs. Roger Tusken of Kansas City, Missouri, are the parents of a son, Matthew Allen, born on January 29, weighing 5-lbs. 14-oz. The Tuskens are well-known in this area because he was the news editor and co-founder of the Suburban Life.

**MSU band to appear at World's Fair**

Michigan State University's 150-man marching band has accepted an invitation to perform at the New York World's Fair, band director Leonard Falcone has announced.

The MSU unit will perform May 18 at New York City during the Fair's Michigan Day, Falcone said.

The invitation to MSU was issued by the state committee planning Michigan Day at the Fair.

Oldsmobile Division of General Motors Corp., will sponsor the band's trip.

Falcone said the band will play Monday morning (May 18) at an MSU breakfast in the Waldorf-Astoria Hotel, and perform at the World's Fair that afternoon.

Complete plans for the band's appearance will be announced later.

A giant food firm has added to its frozen line a series of exotic boil-in-the-bag fish dishes; the butter sauce is flavored with lemon and wine.

**4-H Club experiences aid to Peace Corps international program**

Your 4-H Club experience in agriculture and home economics can be a valuable resource in the developing nations of the world, says Dennis K. Sellers, County Extension Agent, 4-H.

He says men and women, 18 years or older, are building 4-H type rural youth education programs like those in Michigan in other countries through the 4-H Peace Corps. These programs have spread to about 70 countries through the 4-H Peace Corps. These programs have spread to about 70 countries of the world and are credited with making substantial contributions to the improvement of farm and home methods and to community development in new and developing nations.

Over 100 volunteers are now serving in 4-H Peace Corps projects. Among the Michigan 4-H Peace Corpsmen taking an active interest in foreign agriculture are: Allaire Schlicher of Lansing, who is in the MJA program in Uruguay; Robert Hartner of Carson City, and Janet Reader of Scottville, both in 4-S in Brazil; and Maurice Spencer of Kalkaska, who is working with group leaders in 5-V in Venezuela.

As 4-H volunteers, they are helping to organize clubs, recruit and train local volunteer leaders, and assist members with their projects, demonstrations, exhibits and recreation.

4-H volunteers serve 2 years. Their 4-H experience and agricultural backgrounds are essential tools needed to aid developing nations. After a short initial training period in the United States, these men and women are sent to needy countries.

In addition to full expenses and medical care, workers are provided a clothing allowance, 45 days leave and a \$75 readjustment allowance for each month of peace corps service payable at the termination of the experience.

Persons who are high school graduates with agricultural and home economics training and experience, plus 4-H, FFA, or FHA training, are needed for the 4-H Peace Corps. Anyone interested should write or contact the 4-H Office, 728 Fuller Avenue N. E., Grand Rapids, Michigan, GL 9-4471.

A line of pen-shaped gadgets that emit a choking tear gas-like spray to drive off molesting people (possibly animals, too) has gone to market. The lever-operated devices are being called "penguins."

**Cascade Township Zoning Notice**

PLEASE TAKE NOTICE that the Cascade Township Planning Commission will hold a public hearing on Friday, March 27, 1964, at 8:00 PM on said date at the Cascade Township Hall, in the village of Cascade in said Township, upon the following proposed Amendments to the Cascade Township Zoning Ordinance and Land Use Map, viz:

1. To change the zoning classification of the Hickory Hills Golf Course property, so-called, the legal description of which follows, from its present "R-2" Residential classification to "A" Agricultural, so as to conform the present use of said property to the Cascade Township Zoning Ordinance, subject to the condition that said land shall be limited to use as a golf course, and the facilities, including buildings necessary and proper for such golf course purposes;

All that part of the East 1/2 of the SouthEast 1/2 and of the SouthEast 1/4 of the NorthEast 1/4 lying South of Cascade Gardens except that portion described as follows: Commencing at the SE corner of Lot 154 of said Plat, thence West 300 feet to the SouthWest corner of said Lot, thence South on the East line extended of MacNider Avenue 150 feet, thence East parallel with said Lot line 300 feet to the East Section line, thence North 150 feet to place of beginning, Section 6, Town 6 North, Range 10 West; also except commencing at the SouthWest corner of said Lot 32, Cascade Gardens, then South 200 feet, thence Easterly 364.75 feet parallel with the Southerly line of said Lot 32, thence Northerly 275 feet more or less to the SouthWest corner of Lot 97 Cascade Gardens, thence SouthWesterly to the SE corner of said Lot 32, thence Westerly along the South line of said Lot 32, 304.75 feet to the place of beginning; ALSO, that part of the North 1/2 of the NorthEast 1/4 of Section 7, Town 6 North, Range 10 West, lying East of a line commencing 1,695 North & 410 feet East of the South 1/4 corner, and extending Northeasternly to a point on the North Section line which is 500 feet West of the East 1/2 line, except the East 165 feet thereof, all in Cascade Township, Kent County, Michigan.

2. To change the zoning classifications of the following described property from "R-2" Residential

District to "I" Industrial District, subject to the condition that the owners of such property shall, by a recordable indenture, impose restrictions and conditions upon said lands substantially as follows:

(1) along the Westerly boundary of said land, the owners shall cause to be planted before June, 1965, a buffer zone 50 feet in width of evergreen trees which planting shall consist of at least two rows (spaced in an East and West direction) of said trees; and

(2) A zone 100 feet deep starting from the South end of the right-of-way of Cascade Road, and extending the full distance said land is contiguous to Cascade Road shall be landscaped and part thereof shall be occupied by a building, parking lot or other facility which is apparent on the surface; and

(3) The area lying between the plant facilities erected or to be erected upon said land and Galbraith Avenue shall either be landscaped or used for parking of passenger automobiles; and

(4) The design and architecture of the plant facilities to be erected on said land shall be approved by the Township Board before erection is initiated; and

(5) At no time shall there be exposed exterior storage of machinery, equipment, tooling or products; and

(6) The land shall not be used for industrial purposes other than those which are related to the activities of Ace Plating Company, and in no event shall the land be used for industrial purposes which create a nuisance by reason of noise or obnoxious odors; and

(7) Any buildings to be erected on said premises to have brick fronting on the portions thereof fronting on Galbraith Road.

Said land proposed to be so rezoned is described as:

Lots 17 through 32 inclusive of Cascade Gardens, Cascade Township, Kent County, Michigan, and a parcel of property described as:

Commencing at the SouthWest corner of said Lot 32, Cascade Gardens, thence South 200 feet, thence Easterly 364.75 feet parallel with the Southerly line of said Lot 32, thence Northerly 275 feet more or less to the SouthWest corner of Lot 97 Cascade Gardens, thence SouthWesterly to the SouthEast corner of said Lot 32, thence Westerly along the South line of said Lot 32, 304.75 feet to the place of beginning.

The Tentative Test of said Amendments is on file at the office of Gerrit Baker, Cascade Township Supervisor, 6907 Cascade Road, S. E., and may be examined at any time between the hours of 9:00 AM-5:00 PM from Monday through Friday prior to said hearing.

Any person may appear at said hearing on the aforesaid proposed recommendations.

Dated: February 24, 1964

CASCADE TOWNSHIP PLANNING COMMISSION (Publish February 27, 1964 and March 19, 1964)

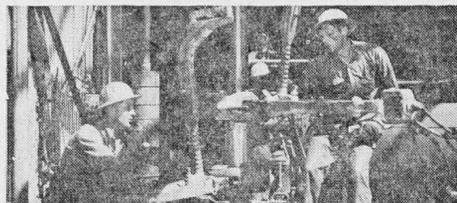

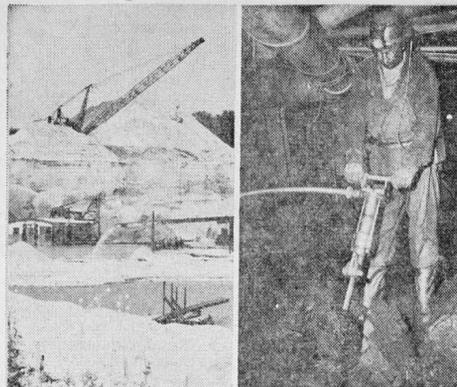

**Michigan road deaths increase**

According to figures released by the National Safety Council, Michigan recorded a sharp increase in traffic deaths during January, a hike of 53 per cent over 1963's all-time high.

James M. Hare, chairman of the State Safety Commission, said Michigan was 11th in percentage increase, behind such states as Illinois, Kansas, Missouri, Montana, New Hampshire, Rhode Island, South Dakota, Tennessee, Vermont, and Wisconsin. The dubious honor of recording the largest percentage increase went to Montana with 280 per cent over 1963 totals.

Michigan was in 26th place nationally during January in the number of deaths per 100,000 population with 21.0.

**Michigan's Mineral Might**

Minerals figure heavily in Michigan's over-all economy each year. In 1963, production of these natural resources jumped to \$478 million in value to hit a new high for the state. Last year's output was paced by iron ore operations (top, right) which reached \$98.2 million in mining returns. Next in value were: cement, \$82 million; copper, \$46.3 million; and petroleum (bottom), \$45.7 million. Some \$42.4 million worth of sand and gravel (top, left) was produced to rate fourth in the march of mineral dollars. Latest rankings list Michigan as the No. 1 state in production of natural salines and pear. Nation-wide, it places second in iron ore, sand and gravel, lime, and gypsum; third in marl; and fourth in cement and salt.—Mich. Dept. of Conservation

Welfare-statism is right now making serious infringement on American liberties and privileges that have from the birth of our nation been regarded basic.
