Western Riders club will hold hay ride

The last meeting of the Western Riders Horse Club was held on April 10 at the home of Debbie Koenders. She showed her yearling at halter, along with some other horses. We had a new member join, Diane Yob. Also, at the meeting, we voted to have a hay ride at Hi-Ho Stables on April 25.

Creature Carnival will be Saturday

All of the wonderful "creatures" at Martin School have been scurrying around these last few days ironing out the last-minute details for their "Creature Carnival" being held Saturday, April 18, between 3 and 7 p. m.

Each and every room has been decorated in a horrifying mode depicting the theme. We hope all of the friends of Martin School that are planning to enjoy the afternoon with us will not be frightened away at the first sight of our weird and spooky decor. Actually, it is only part of getting you in the mood for a fun, fun, fun time at the "Creature Carnival".

The Martin Mothers who are known to excel in their culinary delights have provided ample food, expecting a huge turnout. The menu has a very appetizing appeal, especially to the young set. Mummy-burgers and weird weiners, plus all of the side trimmings for the nominal charge of 25 cents each, or five for $1.00. Pie a la mode will top the menu to make the meal a gastronomical delight.

We hope to see many of our old friends Saturday, April 18. We guarantee an afternoon of fun. Plan to stay for supper and renew old acquaintances.

Meeting will determine interest

A meeting to be held Monday evening, April 20, at the Ada Public School, has been called to determine the interest in a softball league for boys 15 through 18.

The meeting, which is scheduled to start at 7:30 p. m. is open to all interested persons. Boys wishing to participate are urged to be present with their father.

If enough interest is shown, and a program is set up, the cost per boy to play in competition softball would be only $4.

Additional information regarding this league can be secured by calling OR 6-1858 or OR 6-1795.

Area seniors get scholarships

Seniors in 449 schools will receive 805 Regents-Alumni Scholarships to the University of Michigan, Ivan W. Parker, Assistant Director of Financial Aids, announced this week.

About 2,200 applied for the awards which are made annually. Last year, 733 seniors in 416 accredited high schools won awards.

Theodore A. Ray, son of Mr. and Mrs. Tom C. Ray, 1588 MacNider, S. E., a student at Forest Hills High School was a recipient of the award from the Forest Hills area.

Lowell High School's winner was Donald A. McPherson, son of Mr. and Mrs. Donald McPherson, 1276 Parnell Avenue, Route 1, Lowell.

Each accredited school is entitled to at least one of the scholarships if a qualified senior applies. Also, some awards are granted at-large on the basis of state-wide comparison of applicants from participating schools. There are no limits on the number of applicants from or awards to, any one school.

In evaluating the applicants, emphasis is on character, citizenship, academic record, financial need, and scores on a competitive test.

Dangerous spring season for fires

Conservation Department field crews look for this spring to be the most dangerous season for grass and forest fires in a good many years. Unless there is a generous spattering of spring showers, Michigan will be up against the same threat that it faced last fall when dry conditions led to a state-wide ban on smoking and burning in the out-of-doors. Debris-burning landowners, in particular, are being called upon to help offset this danger. They are again urged to GET PERMITS from the Department BEFORE BURNING as the first check against carelessness. Also, their burning should be done during the early morning and late afternoon hours when winds, humidity, and other factors are generally safest.

The Rev. Cornelius Van Heest of Schenectady, New York, has been selected as the Missioner of the Eastmont Reformed Church for the mission to be held at the church April 26 to April 29. As Missioner, Mr. Van Heest will speak at the five mission services, train the members in visitation evangelism and council various groups in the church regarding their possibilities in evangelism.

Problem Clinic is April 30

This is another in a series of articles covering the "Problem Clinic" to be held at Forest Hills High School on April 30.

Many parents filled in and sent the coupon printed in last week's Suburban New back to school, however, there wasn't much response from senior high students. The Committee urges these teenagers to be part of this program and present their ideas on what they would like to have openly discussed.

One question that comes up again and again concerns communication. One parent writes, "About the only communication I have with my youngster concerns use of the family car."

Another problem worrisome to many parents is dating and going steady.

If you haven't yet filled in the coupon do it now and encourage your young people to do the same.

A crew will be working Thursday evening in the exhibit building in preparation for the show. The show will open Friday evening at 7 p. m. and will remain open until 11 p. m. Little League mothers meet

ACE Area boys between the ages of 8 and 12 are waiting impatietly to get started on the 1964 season of the Thornapple Valley Little League. With about 250 boys participating in 1963, we can be sure of another active year.

The Little League is an organization made up of volunteer help and cannot function without cooperation from many dads and mothers. Therefore, the Thornapple Valley Mothers' Auxiliary has played an important part in Little League growth through the nine years of its history by assisting coaches with telephoning, arranging rides, picnics, etc.

They have also maintained the refreshment booth so important to the players, as well as small brothers and sisters (and parents like that hot coffee on cold spring days). Some money-making projects have been sponsored by the Auxiliary to provide funds for uniforms and equipment.

Mrs. Foster Bishop, the 1963 chairman of the Auxiliary, is calling a meeting for all mothers of Little Leaguers, Major and Minor, at her home, 1117 Argo, S. E., in Eastmont, on Monday, April 20, at 8 p. m.

Plans will be made for the coming summer. Mothers, this is the only meeting you will be asked to attend, so be sure and save the date. Support your son's Little League.

DID YOU KNOW That Single Cross is taking over in the corn belt states and will be coming corn? On my farm it has produced 1,000 lbs. more shelled corn per acre than regular cross. We have customers who have proved that Single Cross does yield one-fifth to one-third more. We also have regular crosses that are hard to beat in their own class, & for green chop, or haylage, chew chow has done a real job. With moisture it will give you more green chop per acre than you can get otherwise. Get in touch with your PAG dealer and learn which will do the best job for you. Fading Away

A great leader has died. General Douglas MacArthur has "faded away," as he knew he would, and as we all must.

There is something very pathetic about the fading away of a great man. It makes the heart ache to think of how one once so strong, so brave, so independent and influential must become weak and helpless. Those nearest and dearest watch the last halting breath, and then stand speechless before a mystery.

What do we know about death? Little more than that it is inevitable. At the end of every life, no matter how high or humble, how intelligent and learned, how beautiful and beloved, there has been the solemn refrain: "and he died." Science protests that it can find no good reason for death; it cannot explain it or prevent it, and has no way of finding out what lies beyond it.

Only One can tell us why we die—God himself, who gave us life. It is reasonable, isn't it, that only He should be able to explain death? It's reasonable, too, that since He made us intelligent beings and knew we would be asking questions, He should give us answers. And so we find answers in His Book, the Bible. In it He tells us why we die, what death is, and what lies beyond death.

The Bible does even more—it tells us how we can escape the dread of death. It proclaims that the gift of God is eternal life through Jesus Christ, who triumphed over death!

Patricia Ribbens, Airman Stevens wed; take honeymoon trip to Florida

Miss Patricia Anne Ribbens and Airman 2. C. Gary Lee Stevens of Langley Air Force Base in Virginia were married on Saturday morning, April 4, in St. Andrew's Cathedral with the Rev. Bernard J. Schafer officiating.

Parents of the couple are Mr. and Mrs. Jay Ribbens of Orlando Avenue, S. E., and Mr. and Mrs. Lloyd D. Stevens of Thornapple River Drive, S. E.

The neckline of the bride's white candlelight taffeta gown was outlined in handdrawn Alencon lace. A matching lace capette held her triple-tiered veil and she carried a cascade of gardenias, pink roses, hyacinths and ivy.

Mrs. William Wierenga, Jr. of Ada was her sister's honor attendant. The bridesmaids were Mrs. Robert Ribbens and Miss Nora Fairbrother of Rosemount, Minn. They wore copen blue sheaths with matching silk organza overskirts. Pouff back veils were secured by matching rosebud capettes and they carried lace parasols with pink roses, light blue carnations and babies' breath.

Loralyn Ribbens was the flower girl and William Wierenga substituted as ring bearer for Thomas Feeney, who came down with the mumps just two days before the wedding.

Robert Stevens was his brother's best man. The guests were seated by Robert Ribbens, brother of the bride, and Daniel Donahue.

Mr. and Mrs. M. W. Fairbrother of Rosemount, uncle and aunt of the bride, and Mr. and Mrs. James Feeney of Ada uncle and aunt of the bridegroom, presided at the luncheon and reception in Finger's Restaurant.

Mr. and Mrs. Stevens left on a trip to Florida and after April 18, will live at 106 Westover Street, Hampton, Virginia.

Gail Isselhardt, Jim MacFarlane wed Saturday

Miss Gail Isselhardt and James MacFarlane were united in marriage last Saturday evening in the First Methodist Church with Dr. James W. Wright performing the ceremony.

Mr. and Mrs. Ralph L. Isselhardt of Driftwood Drive S. E. are the parents of the bride, and the bridegroom's parents are Mr. and Mrs. Walter MacFarlane of New Rochelle, New York.

For her wedding, the bride chose a white camellia satin gown styled with jeweled neckline and elbow-length sleeves. The bell-controlled skirt with souffle scroll was fashioned with detachable chapel-length train secured at the back with bow. A capette of hand-drawn lace and pearls secured the four-tiered bouffant veil of bridal illusion. The bride carried a cascade bouquet of lilies-of-the-valley, pink sweetheart roses and white hyacinths.

Miss Jill Bateman of Fenton was her cousin's maid of honor. Miss Patricia Ann Moore and Miss Elizabeth Ann Savage of Skokie, Illinois, served as bridesmaids. They selected peony pink chiffon sheaths. Matching velvet bows designed with pouff veils were on their hair, and they carried cascade bouquets of white daisies.

John W. Walesky of Pittsfield, Massachusetts, served as best man. Ushers were George L. Johnston of LaGrange Park, Illinois, and David R. Matthews of Ann Arbor.

A dinner reception was held in Cascade Hills Country Club. After April 20 the newly-married couple will make their home at 2510—44th Street S. E.

Mary Pellerito becomes bride of Anthony Dabnis

Wearing a petal taffeta gown made in Empire style with Watteau back and chapel train, Miss Mary Margaret Pellerito became the bride of Anthony Edmond Dabnis in a Saturday ceremony performed by Rev. Donald Farrell in St. Robert's Church in Ada.

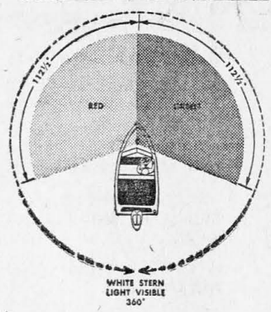
A Danish crown of lace with pearl and borealis drops held the bride's tiered veil, and her flowers were white roses and stephanotis.

Parents of the couple are Mr. and Mrs. John Pellerito of Hall Street S. E., and Mr. and Mrs. Anthony Dabnis of Ozone Park, New York.

Mrs. Ronald Packer was her sister's matron of honor. Bridesmaid was Miss Jacqueline Agnello. They wore peacock blue peau de soie gowns with matching veiled circlets on their hair. They carried white carnations and pink sweetheart roses.

Mr. Packer served as best man and the bride's brother, John Pellerito, was usher. Mr. and Mrs. Steve L. Ditta were master and mistress of ceremonies. After a Canadian wedding trip, the new Mr. and Mrs. Dabnis will reside at 150-15 128 Street, South Ozone Park, New York.

Boating Tips...



Any boat operating between sunset and sunrise must show navigation lights. By color and arrangement these lights identify you to other boats and show the direction of your course. In most waters minimum equipment is as follows: one bright white light, visible two miles in all directions, mounted as high as possible at the stern; one combination light, visible one mile, mounted near the bow, showing red to port and green to starboard. Each color must be visible from dead ahead to two points abaft the beam (the correct angle is built into the light). In mounting lights be sure that their visibility is not obstructed by other equipment.

Always have a powerful flashlight aboard. In some areas additional lights may be required — check local regulations before buying.
