VOLUME TWELVE—NO. NINETEEN

Seek speed curb on 28th St.

The Kent County Road Commission was asked Tuesday to approve a speed limit of 45 miles per hour on 28th Street between Buttrick and Snow Avenues in Cascade Township.

A petition seeking the action was filed by about 30 area residents. It was referred to the commission's Engineering Department for study.

In effecting speed controls of this kind, it is necessary for the majority of the residents on the street to sign a petition requesting the change in the speed limit before any action can be taken.

The traffic situation is then studied by the local police, state police and government body concerned with the street or highway in question, usually the Road Commission.

If a decision is made to change the speed regulations, signs are posted and the police will then issue traffic violation tickets based upon the new speed limits imposed.

June permits for Ada Twp.

Twelve building permits, valued at \$130,044, were issued to residents residing in Ada Township during the month of June.

Six permits for new dwellings were issued to Lyman Wenger, Wilbur Perry, Jim Huedner, Ron Kiffit, Richard Murley and Milton Holmberg.

Permits for additions and remodeling were sought by Miles Fuller, Floyd Holliday, Harold Himebaugh, Jay Van Andel for a boat house, Charles Taylor, and Neil Weathers.

U. S. Oil companies give away about 150,000,000 road maps each year at a cost of about \$15,000,000.

Contest in August 2 Primary in Ada Twp.; challenge 3 offices

Three candidates for township offices in Ada Township are challenging the incumbents at the August 2 primary election. The run-offs are in November and the winners will take office in April of 1967.

Incumbent Richard Lynch, Supervisor, is opposed by Fred A. Clancy, a former Marine.

Township treasurer, Neil Van de Peerle is opposed by Mrs. Roe (Joan) Niles.

The office of Township trustee has been left open by the resignation of Clarence Hill. John Adriane and Carl Keena will vie for the post in August.

Township Clerk, Mrs. Kathryn Sytsma is unopposed in the coming election. No nominating petitions were filed for the office of Township Constable, so there will be no contest for this office.

Jean Kloosterman, 7, leukemia victim; rites held Thursday, July 21

Jean Francis Kloosterman, 7 daughter of Mr. and Mrs. Bernard J. Kloosterman of 5090 Paris Avenue, SE, passed away Tuesday, July 19, at Blodgett Memorial Hospital of leukemia, from which she had been suffering since 1962.

Born in Grand Rapids, Jean attended East Paris Christian Reformed Church and completed two years at East Paris Christian School, before she became bed ridden last December.

Funeral services were held Thursday, July 21 at the Zaagman Memorial Chapel with the Rev. William VanRees of East Paris Christian Reformed Church officiating.

Besides her parents, she leaves a sister, Betty; one brother, John, her grandparents, Mr. and Mrs. Peter Visser and John Kloosterman of Grand Rapids. Burial was made in Oak Grove Cemetery.

Local man heads But's campaign

Richard C. Simkins, 7261 Driftwood, Ada, has agreed to co-ordinate the campaign in the Ada-Cascade area for the re-election of State Representative Martin D. But.

But, a republican, is seeking his fifth term in the Michigan Legislature. The primary election will be held August 2.

Simkins said "throughout Rep. But's eight years of service, he has been a strong voice for sound financing and fiscal responsibility in state government. This quality which is so often lacking in state government today, together with his leadership ability and years of experience, deserve the vote of the residents of the 90th Representative District which includes the Townships of Ada and Cascade."

Don Herrington 1 of 7 promoted

Kent County Sheriff Ronald Parsons has announced promotion of seven department members.

The newly appointed sheriff has made several promotions since he was named to replace retiring sheriff A. Pigors.

Among the seven men just recently promoted was Donald Herrington, 38, of 5785 Ada Dr., SE, to Sergeant.

Don is a veteran of 9 year's service with the Sheriff's Department.

Karen Timmer, Richard Duthler nuptials read

Miss Karen Ann Timmer, daughter of Mr. and Mrs. Richard J. Timmer, Kirk Dr., SE, and Carl James Duthler, son of Mr. and Mrs. Carl Duthler of Ada, were married Friday evening, July 22, in Ada Christian Reformed Church.

The bride wore a gown of peau de' lin. Lily of the Valley Venise lace circled the empire bodice. A matching lace pill box secured her veil. She carried a cascade bouquet of white carnations and pink sweetheart roses.

Miss Sandra Timmer was maid of honor, and bridesmaids were the Misses Barbara and Bonnie Timmer, sisters of the bride. They wore pink empire gowns with matching circlet hats. White and pink carnations formed their bouquets.

Rick Duthler, brother of the groom, was best man. Ushers were Jack Duthler and John Timmer, brothers of the bride and groom.

A reception followed in the church parlor. Master and Mistress of ceremonies were Mr. and Mrs. Clarence Timmer.

The former Miss Timmer is a 1962 graduate of Forest Hills High School. The couple graduated from Calvin College and after September 1 they will be at home in East Lansing while Mr. Duthler attends Michigan State University. Mrs. Duthler will teach in Lansing.

Attends wedding

Gerrit Doll of Grand Rapids and Mr. and Mrs. William A. Adriane, Cascade Road, attended the wedding of Lou Ann Fredricks and Richard Walker in Lansing Saturday evening.

Miss Fredricks is the daughter of Mrs. Crystal Fredricks and the late Mr. Harry Fredricks of Grand Rapids.

Lions ball team competing in Legion League

Again this year, the Thornapple Valley Lions Club is sponsoring a ball team for area boys c a division for 18-year-olds and under.

The team is competing in a Class A, II division of the American Legion Summer League. So far this season, Rick Taylor and Tom Sytsma have picked up wins for the Lions.

In the other three scheduled games to this point, the Lions dropped 2 games to Preskop Drugs, while winning another by a forfeit.

Randy Bruwer leads the team in hitting with a .500 average. Ron Horstmanshof and Jim Koert follow with a .338 average each.

Team managers this year are Martin Koert and Bud Taylor.

Members of the team are Randy Ashley, Ryan Ashley, Fred Bentley, Randy Bruwer, Stan Grochowalski, John Gromer, Ron Horstmanshof, John Jackson, Jim Koert, Bob Crier, Tim Moore, Dale Osmolin, Dean Richards, Tom Sytsma, Rick Taylor and Scott Weaver.

New 29 1/2 foot bookmobile to replace 'Mike'

Seven thousand Kent County Library books now move from place to place with the addition this week of a new 29 1/2 foot bookmobile. The new vehicle, as yet unnamed, replaces "Mike" and has twice the floor space and volume capacity of the older bookmobile.

Miss Joyce Pleune, Director of the Kent County Library, states that the two bookmobiles now in service, "Big Red" and the new bookmobile, will give county residents who cannot take advantage of branch facilities, better access to the System's 183,491 volumes.

The bookmobiles are a family affair, as they carry a wide selection of titles in subject areas, as well as recreational reading for all ages.

Mrs. Betty Garver, bookmobile supervisor, invites all children, 15 or under, to help celebrate the arrival of the new vehicle by participating in a "name the Bookmobile" contest.

Entry blanks will be available on either bookmobile, and the contest will close on Friday, August 12.

Bookmobile stops in this area are as follows:

Cascade school, Mon., June 13 through August 29, 10:30 a. m. to 1 p. m.

Cascade Drug Store, Monday, June 13 through August 29, 2 p. m. to 5:30 p. m.

Orchard View School, Thursday, June 16 through September 1, 10:30 a. m. to 1 p. m.

Eastmont Forest Hills Shop-Rite Store, 1 p. m. to 4 p. m.

East Paris Christian School, Friday, June 17 through September 2, 10 a. m. o 12 noon.

Florence Atchinson, 48, passes Sunday, July 24; last rites are held

Mrs. Floyd (Florence M.) Atchinson, aged 48, of 8517 Cascade Road, Ada, passed away Sunday morning, July 24, at Butterworth Hospital.

Surviving besides her husband, Floyd A. are; two daughters, Jo Ann, at home; Mrs. Ross (Sandra) Douse of Wyoming; three sons, Floyd R. and Clair L.; both of Cascade; John A. of Wyoming; four grandchildren; two brothers, Joseph M. Peska of Flint, Louis L. Peske of Wyoming and one uncle, Jacob Moermond also of Wyoming.

Funeral services were held Wednesday afternoon at 1 o'clock at the Sullivan Funeral Home, the Reverend Dean O'berhold officiating.

Turkey farm loses 72 birds to dogs

The Beltine Turkey Farm, 5952-28th Street, SE, owned by Richard Seppanes, reported that Friday night, July 22, a dog or dogs killed 72 turkeys on their range.

The past two nights there has been no further killing, but it isn't possible to predict when or if the dogs will kill again.

It is against the law for dogs to be allowed to run, and the reasons for this law are apparent. If you own a dog, be sure and keep him tied or shut-in to prevent this wanton kind of slaughter and property loss.

Wilcox, Beck engagement told

Mr. and Mrs. Kenneth L. Wilcox of Thorncrest Dr. SE, wish to announce the engagement of their daughter, Rita Lucia, to Larry Allen Beck.

Rita is a graduate of Forest Hills High School and is attending Davenport College of Business.

The bridegroom-elect is the son of Mr. and Mrs. John Beck, Sr., of Kalamazoo, Michigan.

Area swimmers place high in city meets

The area swimmers who worked out in the Phillion pool for the past six weeks showed up exceptionally well in the city pool meets which were held on Saturday, July 23.

The swimmers were at different pools, throughout the city as suburban children's names are drawn and then they are placed at the various pools.

The Phillion pool team captured 17 first places.

Swimming for Highland, in the girl's 14 & under class were Janel Belding, placing first in diving, first in 100 yard freestyle, and first in 200 yard Medley relay; Dottie Bain, first in 50 yard back stroke, first 50 yard freestyle and first 200 yard Medley relay.

Girls' 12 and under, Jonn Belding, first 200 yard freestyle relay and third 50 yard freestyle, Tim Hanes, first 50 yard back-stroke, second 50 yard freestyle and first in 200 yard freestyle relay.

Swimming for Highland in the girl's 10 and under class was Kim Preston, who worked out at the Forest Hills Community pool. She placed first in diving and first in the 50 yard breast stroke.

Swimmers at Lincoln were Jim Dygert, in the boy's 14 & under, placing first in the 50 yard butterfly. Mark Soyka, boy's 10 and under, taking a first in the 50 yard back stroke and 50 yard free style. Allan Dygert, first 50 yard Butterfly, third 50 yard freestyle. Tracy Soyka, swimming in the girl's 10 and under, placed first in the 50 yard freestyle and first in the 50 yard back stroke.

Dan Averill swimming at the Richmond pool, placed third in the 50 yard back stroke, and 50 yard freestyle coming in 4th place in the boy's 12 and under group.

Sue DeVliger, who dives for Cascade Country Club, took a first place at Richmond in the enior Division Girl's Diving. At the Franklin pool, Dan Morris, placed fourth in the 50 yard freestyle and third in the 100 freestyle, in the boy's 14 and under division.

Also at Franklin was Debbie DeVliger in the girl's 14 and under class, placing first in the 50 yard breast stroke and first in the Medley relay. John DeVliger swimming in the boy's 10 and under division, took a first place in the 50 yard breast stroke and 200 yard relay.

The two DeVliger children worked out at the Forest Hills Community Pool.

Representing the Briggs pool was Margaret Herrity, in the girl's 12 and under class, taking a third place in the 60 yard back stroke and 4th in the 50 yard freestyle.

The children who swam at the Phillion pool took 17 first places in the individual pool meets and for many of them it was their first year of competition.

Saturday, July 30, the City Finals will be held at Richmond Park with the first place winners being eligible for the State Meets which will be held at Richmond the following week.

Forest Hills area has some excellent swimmers and more coming up all the time. What is needed in this area is a year around community pool that the area children could take advantage of and really represent the community in competitive swimming.

Forest Hills is very much in need of a swimming team for both boys and girls. Mr. Phillion and Mr. Hanes approached the school last year, on a swimming team for Forest Hills but nothing came of it.

At the present time Forest Hills could have a swimming team of boys & girls without

having to build a pool. All city schools have swim teams and East Grand Rapids is the only school with a pool of it's own.

If there are parents in the area who are interested in a community year around pool or a swim team for Forest Hills School, please contact Mr. Phillion at 676-1690 after 6 p. m.

This is the first year that here has been a diving representative from the group, and through Jack Breidenfield's generous offer to coach the group in diving Janel Belding took a first place in diving.

Mr. Breidenfield feels that if the diving had been started at the beginning of the work out sessions, he could have had at least four divers qualified for the meets.

The divers worked out approximately four weeks.

This area really has the potential for excellent swimmers, due to the fact that there are so many private pools to work in during the summer, but to be an excellent competitive swimmer, a year around program is needed.

It is felt that if the citizens in the area and the school system worked together that this could be accomplished.

Time saving tips offered

There we were all sitting around sipping our iced tea when Mrs. Fuddyduddy arrived in the open doorway. With her frizzled hair and frazzled air, she seemed to be in dire trouble. "Almost hysterical," said the woman with the Houndstooth checked apron, "What is the matter?"

"Oh, really," Mrs. Fuddyduddy cried as she walked in and accepted a cold glass, "it's this whole summer; I just can't seem to get anything done. It all just piles up and I can't wade through it to save me." The tea seemed to have taken effect for she smiled crookedly and said, "so save me. I need help!"

We all must have glanced at each other a little hesitantly, but then the lady with the camels' hair eyebrows asked, "you mean that you want some ideas on how to save time?" Mrs. Fuddyduddy nodded, "Yes, time or energy, or work, or money, or patience, or anything."

At this point Corky Gietzen said, "well, I'll tell you one trick that I do that saves time and frustration. I put any ironing that is damp and that I haven't time to do right at the moment in the freezer. There it stays until I am ready and I don't have to worry about it drying out and needing to be dampened again."

Mrs. Fuddyduddy was delighted, "Great," she said, "this is what I wanted to hear."

Now Kapi Bedi spoke, "Then I'd better tell you about casseroles, that is, I make two at a time. Why get out all of the materials and make only one? I also make up advanced amounts of barbecue. Then I pour it into cup cake tins and freeze it. Each cup makes the right amount for one hamburger bun."

"Why, that sounds like something I do with hamburger patties," said Corky.

"As soon as I get home from the store I make as many patties as I think I will need for the next week or so. Then I put them on a cookie sheet and place it in the freezer. When they are solid, I take them out and put various amounts in plastic bags. Then whenever I need a few for a lunch, I'm all set. You don't even have to

separate them from each other this way."

Joan Gary took over, "Hey, I'll tell you something I learned from a friend. If you have a combination of hard water and a stainless steel sink, you may be bothered with water spots. Now I just clean that sink well and coat it with a very thin layer of baby oil. So long, water spots!"

"Baby oil!" exclaimed the woman with the pinched face and the Houndstooth checked apron, but Corky said, "Why I imagine that people with stainless steel refrigerator fronts and counters would like to try that."

Catching the enthusiasm that was floating around, Jane Belding then said, "you know, a lot of people ask me about my poinsettias—how I take care of them. They should be brought indoors in September & kept in a room where there is no light except daylight after the first of October. That means really dark at night. Too many people keep them in the living room and they still get the lamplight at night, but if you don't let them have light at night, they will bloom for you by Christmas."

"Christmas!" said Houndstooth, "ugh, I hate people who are so efficient as to be thinking of that now."

"I'm a 'late Annie myself,'" said the woman with the camel's hair eyebrows, but I am starting to collect pine cones for now. Last year I waited until it was too late and the snow had covered them all."

"Oh, one last thing about food," said Kapi, "if you ever take out frozen peaches and thaw them, but don't use them all at one meal, you can keep the rest from turning brown by putting them with their sauce in a pan and bringing them to a boil."

"And I forgot to tell you, I always make a very large batch of spaghetti sauce when I'm about it, and then I freeze it in quart plastic containers," explained Corky, "That way you can take out any amount and reheat it when needed."

By now Mrs. Fuddyduddy had finished her iced tea and was in a hurry to head home. She thanked everyone, held her head high and walked out the door with an expression of carefree confidence.

Letter to the Editor . . . Supports Ada's 'progress team;' urges re-election on August 2

Dear Editor:

On Tuesday, August 2, 1966, Ada Township citizens will vote at the Ada Township Hall for a Township Board. Present board members are known as "The Progress Team" because of their far-sighted plans of action to avoid township problems of water pollution; sub-division development; unsafe, congested roads, community planning; sewage control; pay-as-you-go budgeting; cost-cutting business affairs management; old building codes, fair and equitable assessment of all Ada Township property; fire protection and a multitude of other examples of positive constructive thinking.

Dick (Richard A.) Lynch seeks re-election to a job he likes, does well, and is respected by fellow officials on township and county levels (that of Ada Township Supervisor). Neal Vandepoerle wants to return for another term to finish work begun as a Board Member. Katherine Sytsma, our helpful and efficient Township Clerk for the past six years also wants to continue to help Ada Township grow in an orderly fashion. This election will see a new face to add to the team . . . that of John Adriane, who is past President of the Forest Hills School Board, a Member of the Township Planning Commission and a hard working public-minded citizen. He has volunteered to assist present Trustee Kenneth Anderson on the Board.

These citizens have served Ada Township well. Their list of accomplishments herald a new era for the Ada Region. Because they have had the courage of their convictions, plus the sense to use reliable surveys, authoritative research advice from expert professional firms, state and federal agencies, the Township has a bright future without blight.

With the municipal ground work laid by this "Progress Team," Ada is destined to face a future of fantastic, projected growth with a reasonable plan of orderly development.

Progress sometimes rubs older, life-long residents in a harsh way. Statistics, events and lot development trends in the Ada area point to a great migration into Ada Township. I only ask these friends and fellow citizens to stop to realize that the growth from the population explosion that Ada is going to have, like it or not, can be more convenient, less destructive of our beautiful valley with the planning tools provided by the present Township Board. Their greatest accomplishment is that Ada's future is now planned without waste of money and duplication of labor.

Residents, old and new, can be assured we will not have to live in a booming rural shacktown along roadways of rubbish, junk cars, trailer parks, and sign jungles. Our water

will be pure, our sewage treated, our wells safer, our roads modern, for a better tomorrow.

I am sure the only case study they will ever be able to make about Ada, Michigan, will be an example of intelligent future planning on a low budget at little pay for all the hard workers.

Political expediency has not been this Township Board's stock in trade. Distortions and half-truths are not their campaign. There is not one "has been" from the 1930's amongst them.

Sincerely,
James O. Rooker
6441 Ada Drive
Ada, Michigan

P. S. Why don't you stop out before the election to see Ada's new Post Office, 3 new M-21 intersections, 2-lane highway, new hillside home sites, 4 new sub-divisions, new bank site with trailer branch in operation across the street, new shopping center, new sewage lagoon site, many remodeling programs, the new rail spur, new M-21 service stations, Baker Book House's printing plant, the Jaqua Building site and even the ever-growing Anway Corporation. Most all these signs of area improvements aimed at service and convenience are new during the past six years under the "Progress Team." They helped these things happen.

Union Bank begins community opinion poll

A new "service" will be offered to Citizens of Greater Grand Rapids by Union Bank & Trust beginning in September, according to Bill Gill, Director of Public Relations for the bank.

The "service" will be a poll of community opinion on matters of concern ranging from the international scene to our own area of West Michigan.

Gill said ballots will be available in each of the banks 20 offices which blanket the Metropolitan area. Anyone wishing to vote will be encouraged to do so. Special ballot boxes will be set up in each office. Some sample questions to be answered "Yes" or "No" might be phrased as follows:

1. The U. S. is doing all it can to reach peace in Viet Nam?
2. Our draft procedure is equitable?
3. City employees should be allowed to strike?
4. Grand Rapids needs a city income tax?

There will also be a place for comments if someone wishes to elaborate. Ballots will be in all offices for one month. When they are collected for tabulation, new ballots with new questions of interest will be made available.

Said Gill: "We recognize that this is not a completely scientific approach, but we expect 3000 to 5000 ballots will be cast in any one month period, which will give a fair sampling of our community opinion. Results of the polls should not only prove interesting but informative to

our elected officials, organizations, etc., depending on the questions asked that particular month. We also hope that this emphasizes the deep interest Union Bank & Trust has in the communities which it serves.

CIGARETTES AND CANCER

Smoking cigarettes is like playing Russian roulette. One in every seven males who have been smoking heavily (20 cigarettes or more a day) for 20 years gets lung cancer.

GENERAL PRIMARY ELECTION

Kathryn Sytsma, Clerk

Letter to the Editor . . . Praises Ada supervisor who is not afraid of creating a controversy

Dear Editor:

History teaches us that most concrete accomplishments in life are accompanied by adverse criticism; fortunately for progress, there are always a few men in public life who have the courage of their convictions, and who are not afraid of creating a controversy for a good cause. Ada Township has such an individual in Supervisor Dick Lynch.

His record of progressive accomplishment in his six years as Township Supervisor naturally speaks for itself, but it may be desirable to recapitulate some of the high points at this time. After two years of concentrated planning under the leadership of Supervisor Lynch and his Board, Ada Township has adopted a building code, and the plans are formulated for a Master Plan for Zoning, an obvious necessity for a community such as ours with a rapid rate of growth, but one sadly neglected over the previous years.

Our new sewer system will finally eliminate the existing very serious pollution problem, and although this capital improvement has been criticized by the uninformed for devious political purposes, any objective analysis of it will recognize that this solution to the sanitation problem was actually long overdue. We now have a all the most modern fire fighting refinements, & every property owner in the township will benefit from it; we owe this advantage to the County Fire Commission who acted upon Mr. Lynch's recommendation. His influence at the County level has also resulted in a new bridge crossing over the Grand River at Knapp Street, an improvement which has been greatly appreciated.

After serving for five years as Township Supervisor, Dick Lynch was elected Chairman of the Kent County Board of Supervisors by the other supervisors. This, needless to say, is a singular honor, and a great credit to our Township. Incidentally, Dick Lynch is the youngest man ever chosen for this office, an indication of the esteem in which he is held by his peers.

Perhaps most important of all are Supervisor Lynch's accomplishments at the local level. Due to his efforts we have recently had a fair and equit-

able appraisal of all the property in the township by an independent firm of appraisers, so that the tax load is now evenly and reasonably distributed after decades of imbalance. We are the first Township in Michigan to receive a Federal Planning Grant in which the government matches our dollar investment two for one in this vital area thanks to Supervisor Lynch's initiative. We now have a new township dump, bought and paid for, a great improvement over the previous leased site. The list could go on and on, but the point is obvious.

Dick Lynch is presently serving not only as Ada Township Supervisor, but as Chairman of the County Building Committee, member of the County Board of Health, President of the County Assessors Association, Board Member of the Michigan Mental Health Society, Chairman of the Board of the Kent County Conservation League, a member of the Grand River Basin Study Authority, and so on. It should be plain that Dick Lynch is a doer; he is admired and respected by other people in government; he is experienced and competent in his work. In short, Dick Lynch should be re-elected by a substantial majority.

Yours very truly
F. G. Budnick
C. R. Solon, Jr.

Swimmers take second meet

The Lowell-Forest Hills Swim team emerged victorious over the Northville team at the dual meet held at the Forest Hills pool Thursday, July 21.

Co-coaches, Jim Stewart and Bob Thaler led their team to a 319 to 115 victory.

Pacing the winning team as double or triple blue ribbon winners were; 8 an under; Diane Ensing; 10 and under; Bill Markward; 12 and under; Jean Beemsterboer and Jane Reagan; 14 and under Nicki Beemsterboer; Michelle Vander Veen and Bob Bunda; 15 and over; Ken Tapley.

The Lowell-Forest Hills Team will meet South Side Swim Club of Holland, in the Forest Hills pool Thursday, July 28.

To The Editor of
Suburban Life

I am one of the little people who got their township taxes increased 3 times and got no relief on appeal. My 20 acres where I train and board a few horses is hilly and not even good pasture.

Apparently the real estate promoters are not interested in hilly land, so I have had no one running after me to sell. There are others in the same boat—widows living on old homesteads with a few acres not big enough to farm. There are pensioners trying to keep up with the rise in the cost of most everything. Some are paying as much as \$500 a year in township taxes. One semi-retiree was boosted to over \$800 per year taxes.

All this was bad enough, but now I see by your paper and by going to the town meeting that more than a half million dollars in bonds have been sold to help some real estate promoter build 800 houses. All without a vote of the people.

Now I find that some of those who got boosted are getting offers to sell out at the increased tax rate. One friend of mine sold at less than his valuation—that was before the real estate men got busy. Now by adding 2 and 2, it looks to me like some kind of conspiracy—make them sell and bond for improving the land they buy. We little people are the suckers.

A neighbor not far from me, who was trying to make a living for himself and widowed mother by milking 15 cows, had his taxes boosted so that before the last boost he would have had to sell 9 cows. This would have put him out of business, so he sold 4 cows and took the money to pay part. He was told, "bring it all or none. If you can't pay, sell out."

I was at the meeting where the supervisor made them take down the loud speakers for the people to hear who couldn't get in the hall. I had to pinch myself to remind me that this is the United States that is having our boys in Viet Nam fighting for democracy.

July 22, 1966

Earn placement on Dean's List at Ferris State

Maynard A. Baer, senior in the Department of Education and son of Mr. and Mrs. Bernard Baer, and Kenneth H. Paap, freshman in the School of Technical and Applied Arts and son of Mr. and Mrs. Peter

Paap, both of Ada, were among the more than 700 Ferris State College students who were named to the Dean's Honor List for academic excellence during the past quarter, Dr. Robert L. Huxol, Vice President for Instruction, has announced.

To be named to the Dean's Honor List a student must maintain at least a B average while carrying a full academic load.

Light

The Editor of NOW, Mr. Nels E. Stjernstrom of Le Tourneau College, recently was in Tournata, Liberia. One evening he received a very striking lesson. Arriving early at a native church he found that it was pitch dark inside, and he wondered how it would be lighted. The answer came soon. From the jungle there came a light, carried by a native. When the native family entered the church, the lantern was hung on a ceiling hook. Soon others came to add their light. The lights that had lighted them on their path to bring them to the meeting now filled the house of worship with light.

The lantern directly over the pulpit was polished more brightly than the others. Its glass sparkled, its wick was trimmed evenly, and it shed a steady light on the Word of God on the pulpit. All the lights were not equally bright and clean. Some were turned too high and smoked a bit. Some had uneven wicks and flickered. But every family brought a light.

He and we inevitably think of our fine, well-lighted churches in the United States. We have a great deal of light, but how much light do we ourselves bring? Is there more light because we have come with our light? Or less because we do not even come? Jesus has commanded us: "Let your light so shine before men, that they may see your good works, and glorify your Father who is in heaven." Matthew 5:16.

—John Guichelaar

JOAN (Mrs. Roe) NILES for ADA TOWNSHIP TREASURER

Our candidate for Township Treasurer bears a name that is well known in Ada. The Niles family have been in this township since 1890. Joan got her business training at the Davenport College in Grand Rapids. Mrs. Niles has served as an executive secretary and office manager for several years.

She is the mother of a teen age daughter and son. This fact has made her an active member of Forest Hills PTA, after serving as an officer in Burton PTA.

Mrs. Niles has been an active student of our township government and has attended many township Board meetings. She is perhaps better informed in Township affairs than any one not a member of the Board. She is extremely intelligent and can be counted on to give efficient service in the office of Township Treasurer.

Richard DeVos addresses 300 marketing experts

This country's leading sales and marketing executives attending the meeting of the Sales Executives Club of New York were urged to sell not only the professions of marketing and selling as an occupation, but also to sell the American standard of living as a direct outgrowth of the personal enterprise system.

The admonition came from Richard De Vos, president of the Amway Corp., of Ada, who told the 300 marketing experts attending the meeting at the Hotel Roosevelt that many who enjoy the fruits of free enterprise "are not aware of the fact that these benefits come because of the efforts of millions of Americans and not because of one group or another or because of laws passed in Washington."

"All young people need to be shown," he said, "is that the highest standard of living in the world has resulted from our personal enterprise system un-

der which every person has the right to work and succeed in direct proportion to his ability and efforts."

Mr. De Vos' concern sells a variety of household products through some 80,000 individual distributors selling directly in the home. The Amway Corp.—it derived its name by tele-scoping the phrase American Way—eloquently testifies to the success of the free enterprise system. Begun only seven years ago, it is already the Cinderella company in direct selling, with sales of \$40 million a year.

The world is jammed with people who do not know as much as they think they know.

To the Voters of Cascade Township

As your present Township Boards, we solicit and will appreciate your support at the Primary Election to be held August 2, 1966.

Your Township Board has worked in harmony with one objective: That Cascade Township should be an outstanding community in which to live and raise a family. This is our home and yours.

We believe we have succeeded in directing Cascade Township affairs towards the development of a clean and wholesome community for the benefit of all our citizens and by returning each and every member to their respective offices, we can continue this program. Be sure you vote next Tuesday.

Gerrit Baker, Supervisor
Albert Heemstra, Clerk
R. Lee Patterson, Treasurer

SENNEKER IS SUPER STOCK CHAMP

Bob Senneker of Grand Rapids drove a beautiful hard-fought race at the Berlin Raceway Friday night, and walked off with his second super stock feature, and his 15th main event of the season.

Senneker jumped into the lead on the 23rd circuit, after race leader Joy Fair of Detroit encountered engine trouble. Moose Myers of Fort Wayne, Indiana, took second in the 25-lap event followed by Jack Goodwin of Detroit and Gail Cobb of Ada.

In the second heat race of the evening, won by Bob Sensiba of Middleville, the cars of Larry Lawrence of Lowell and Ron Laben of Grand Rapids were totaled out in a 5-car melee on the back stretch. Laben was hospitalized, but the other drivers miraculously escaped serious injury.

In the 15-lap semi-late model feature, Kenny Sutton of Muskegon outdueled Glenn Tanis and Bill Rake to enter the victory circle for the second time in the two-in-one card.

Sutton scored a win in the fast car dash with Don VanderMolen, Senneker and Fair taking heat races.

Fair, who established a new track record for the super stocks on the seven-sixteenths hi-banked oval, also captured the fast car dash and the Australian pursuit.

ADEMA HOLDS OFF COBB AT KALAMAZOO

In a see-saw battle for the semi-late model feature at the Kalamazoo Speedway Sunday night, Jim Adema of Hudsonville and Gail Cobb of Ada, put on a daring driving performance, down to the last lap of

the 25-lap event.

Adema made his final move on the 20-lap when he sneaked to the inside of Cobb and forged into the lead.

Johnny Boerma of Allegan was third.

DON WHITE ROARS IN 100-LAPPER

Don White of Keokuk, Iowa, walked off with his second US-AC win a row at the Grand Rapids Speedrome Friday night, when he won the 100-lap late model feature.

White deftly threaded his way through the field and overtook Jim Hurtubise on the 45th lap and steadily increased his lead by a quarter of a lap to finish ahead of the field.

Hurtubise was second with Norm Nelson of Racine, Wisconsin third.

SET SUPER MODIFIED CHAMPIONSHIP EVENT

This Saturday night, \$600 will go to the winner of the 40-lap mid-season championship for super modifieds at the Berlin Raceway.

A large field of cars is expected to compete in the program which will also feature the semi-late models. The title chase on the four lane seven-sixteenths tracks will be accentuated with a fast car dash, heat races and pursuits.

A 30-foot aerial rigging attached to a high-powered sports car will carry German born aerialist Countess Maritella around the track in a special added attraction on Saturday night's program.

Countess Maritella will perform death-defying feats on a trapeze bar, while her husband drives the car around the track at a blistering speed.

The act has been highlighted at 18 state fairs, at major speedways from coast to coast, featured on the Ed Sullivan show and was filmed on the ABC TV Show, "You Asked For It."

Racing starts at 8:15, with time trials scheduled to start at 6:30.

An old lady, apparently pre-occupied with January white sales, crossed the street against the traffic.

"Didn't you see that sign?" a traffic cop demanded, pointing to the flashing "Don't Walk" signal.

"Oh, I saw it," the lady murmured. "But I thought it was an advertisement for a bus company."

Primary contest in Cascade Township

The August primary in Cascade Township will see a contest this year as incumbent Supervisor Gerrit Baker is challenged by Jack Dean; Township Treasurer, Lee Patterson opposed by Larry L. McPherson; Clerk Al Heemstra faces opposition from William F. Foy and Mrs. Edna Osmer and Sybrant Dykhouse vie for the position of Township Trustee at the polls.

Gerrit Baker, 2811 Thornapple River Drive, SE, has been a resident of the Cascade area since 1908, and has served the community as supervisor for the past twenty-five years. He has been engaged in the real estate business in this area for the past twenty years.

His opponent, Jack E. Dean, 6921 Burger Drive, SE, is a quality control engineer at the Lear Seigler Inc. He has owned property in the township since 1922 and moved into permanent residence in the area in 1949, serving as Township Constable for six years shortly after becoming a resident. Mr. Dean has always been actively interested in the local government and is running for the of-

Quality emeralds that are inexpensive and indistinguishable from real stones can now be turned out by a machine in 2 minutes flat. The process developed by the Navy is able to copy nature's, which creates gems from the force of high-temperature and high-pressure acting on the earth over millions of years. Forecasts hold that stones of several carats will be available for less than thirty dollars. And women can feel assured that only a gemmologist will know the difference.

A man attending his first symphony concert was puzzled by the large orchestra and the dazzling repertoire on the program. Finally he asked someone near him, "What's that book that fellow with the stick keeps looking at? That's the score, he was told. Oh? said the man. Well who's winning?"

Sy Dykhouse, who is opposing Mrs. Osmer for the office of Township Trustee lives at 3012 Jeanlin Drive, SE. He is a partner in the business of Dykhouse and Buys located in Cascade.

Al Heemstra, 3281 Buttrick Avenue, SE, who has been serving as clerk since the resignation of Mrs. Osmer, previously served two terms as Township Trustee. Heemstra is a commercial artist, with Al Heemstra Associates, Signs.

His opponent, William F. Foy, 6665 Burger Drive, SE, has made his home in the area for the past ten years. His ideas run parallel to those of Jack Dean. Foy ran for the office of trustee at the last Township election, under the slogan "It's time for a change."

Well-Child Conference to be held August 16

Due to the absence of Dr. Koh, the Caledonia Well-Child Conference normally held the first Tuesday of the month will be held August 16, 1966, in the Caledonia Town Hall on Emmons Street from 1 p. m. to 3 p. m.

The Well-Child Conference is co-sponsored by the Caledonia P.T.A., and the Alaska, Paddy's College and Caledonia Extension Study Groups.

The clinic is for well infants and children up to school age not under the regular care of a private physician.

Appointments are necessary and may be made by calling Mrs. Fred Lass, TW 18726 or Mrs. Clarence Hansen, GL 2-5394.

Knoll and Adema get feature wins

DUANE KNOLL OF MUSKE

Duane Knoll of Muskegon put on a magnificent display of driving as he claimed the 25-lap feature race for super modifieds at the Berlin Raceway Saturday night.

Nolan Johncock was second, as he rode right on the tail of Knoll as he crossed the finish line. Johnny Logan of Charlotte held off Jim Eberstein of Kalamazoo for the third place finish.

Jim Adema of Hudsonville wheeling the Grand Valley Ready Mix special, a 1957

Chevrolet, won the 20-lap semi-late model main event.

Starting in the sixth spot, Adema took the lead from Don VanderMolen of Marne, and weaved his way through the 28-car line up to grab the win. Bob Senneker who was penalized with two restarts from the back of the line up, finished third.

Dale Bergakker, Jerry Pelouquin and Ken Sutton shared the model heats. Super modified heat race winners were Cy Fairchild, Howard Metzmaker, Logan and Knoll.
