## 36 teachers join Forest Hills staff

This Friday, 36 new staff members will meet at Forest Hills High School at 9:30 for a general orientation session.

From 10 a. m. to 12 noon, they will tour the campus-type high school and facilities, followed by a luncheon served at the high school.

In the afternoon, the teachers will report and meet with their own particular group—the junior high and senior high teachers will meet their principals.

September 6, will be pre-school day. There will be a general meeting in the gymnasium from 9 to 10 a. m. From 10 a. m. to 12 noon, the Michigan Association Chapter will meet. Luncheon will be served in the high school cafeteria.

All teachers will meet with their building principals in the afternoon for the balance of the day.

Thirty-six teachers will assume new duties in the Forest Hills School system when school officially starts on September 7.

A total of 13 new staff members have been hired in the high school. The teachers and their new posts are:

Joan Balcer, English and French; Lyle Burgess, Industrial Arts; William D. Campbell, Physics and Math; Edmond Chapple, Typing and U. S. History; Nancy Daggert, Home Economics; Susan Emdin, Girl's Physical Education.

Nancy Mateskon, General Science and Math; Charles Marhefs; Boys' Physical Education, Varsity Wrestling & Baseball; Jeanne Meyers, Home Economics; Richard Stren, Instrumental Music; Robert Vandenberg, English; Joan Vandenberg, Girl's Physical Education; and Thaddeus Wagner, Remedial Reading Specialist, hired under Title I program.

### Junior High School

Karren Antvelink, English & Social Studies; Robert Bouman, Math and Science; Sharon Eberhardt, English and History.

Karen Keip, Math and Science, transferred from elementary; Elliott Pearce, Math; and Daniel Puel, English and Geography.

### Elementary Schools

Michael Bixler, fifth grade, Collins; M. Lois Brown, primary cycle, Thornapple; Janice Cook, kindergarten, Orchard View; David Dykgraaf, fifth grade, Orchard View; Maxine Eddy, upper special education, Cascade.

Eugene Greer, sixth grade, Collins; Lovenia Greer, Primary cycle, Thornapple; Phyllis Grover, fifth grade, Collins; Doris Hoskins, lower special education, Cascade, transferred from elementary; Sheryl Lilly, primary cycle, Thornapple.

Sandra MacMillan, second & third, Honey Creek; Cheryl Mann, first grade, Orchard View; Margo Osterink, primary cycle, Cascade; Suzanne Richardson, fourth grade, Collins; Richard C. Roelofs, principal, Cascade, Ada, Thornapple; Nancy Sypien, kindergarten, Martin; and Joyce Wright, primary cycle, Cascade.

### J. MC CARTHY ELECTED TO ANGUS ASSOCIATION

Jerome McCarthy, Ada, has been elected to membership in the American Angus Association at St. Joseph, Missouri, announces Glen Bratcher, secretary.

There were 410 memberships issued to breeders of registered Aberdeen-Angus in the United States during the past month.

### Gordon Svoboda guest speaker at Ada Church

Gordon Svoboda of Bangor, Maine, formerly of Ada, will conduct the worship service Sunday morning, September 4, at Ada Congregational Church.

Mr. and Mrs. Svoboda will be visiting Mr. Svoboda's parents, Mr. and Mrs. J. W. Svoboda, 7329 Thornapple River Drive, SE, from August 29 until the early part of September.

Also sharing the pulpit at the Sunday services will be the Rev. M. J. A. Dalrymple of Crystal Lake, Illinois, who will be present to baptise his grandchild, the youngest child of the Rev. and Mrs. Lee Dalrymple. A cordial invitation is extended to each and everyone to come and hear these two guest speakers.

### Henry Walma, jr. now stationed in Germany

Pvt. Henry Walma, jr., son of Mr. and Mrs. Henry Walma of 2280 Buttrick Road, SE, Ada, has completed eight weeks of basic training at Fort Knox, Kentucky.

He had an additional 9½ weeks of training at Fort McClellan, Alabama, where he attended the United States Army Chemical School and graduated August 11.

On August 12, Pvt. Walma, left New Jersey for Germany, where he is now stationed.

Pvt. Walma graduated from Forest Hills High School in 1964, and attended Davenport College in Grand Rapids prior to entering the service.

### Unite, convert class rooms

There has been quite a bit of remodeling done this summer at the Forest Hills High School to make for more efficiency in the school running more smoothly.

Two class rooms were converted to a single study hall in the Junior high building. The Home Economics department was divided into two rooms as there will be 10 classes for Home Economics and there will be two full time teachers in this department.

Mr. DeYoung, the assistant principal, now has a link to the counselor's office by the addition of a door between the two rooms.

Much needed storage space has been added for the football equipment. Previously it was stored in the gym in the Athletic Director's office. He will take over a new office in M Building.

The old study hall has been converted into a physics lab since it is a larger room and better equipped for this type of instruction.

### Wins color television

The Suburban Cleaners, Cascade Road, SE, had the drawing for the colored television set, which they gave away during their grand opening week.

Carol Wiersema, 1025 Argo, SE, was the winner of the drawing which was held on August 25. Tom Gape of 701 Greenbriar, SE, did the drawing.

### Japanese girl is new exchange student here

Akemi Tsunokawa, of Sendai City, Japan, sailed from Toyko, Japan, on July 22, to Honolulu, then to San Francisco, California, where she lived with the Theodore Meyers family in San Jose for a short time.

The Meyer's son, Bill, lived with Akemi's family for two months this summer, on the same exchange student program, Youth for Understanding.

Akemi arrived August 21 to live with Mr. and Mrs. Stewart Johnson and sons of 612 Greenbriar Drive, SE, Forest Hills.

Her father, Susumu, is owner of a driving school, apartment buildings and an amusement park. As a hobby, he enjoys golf, fishing and a little guitar playing.

Mrs. Tsunokawa, Kiyoko, is a housewife who enjoys flower-arranging and also plays golf. The other members of Akemi's family are her grandparents, and a younger brother, Shigehiro, aged 13.

Akemi attended Miyagi High School for two years and has studied piano, voice, and Japanese ceremony dance. After returning to Japan, Akemi will have one year to complete her high school education, and hopes to enter Keo University in Toyko.

She is one of 18 students from Japan on the Youth For Understanding program this year, and the first Japanese student to attend Forest Hills.

### 7-year-old drowns while fishing near his home

David Stahel, 7-year-old son of Mr. and Mrs. Paul Stahel, 7160 Gladys Drive, SE, Ada, drowned Wednesday morning, August 24, while fishing on the Thornapple River, near his home.

His fishing companion, Thomas Walsh, 7, of 3352 Badger Avenue, SW, Wyoming tried to help David by shoving a fish pole to him, after he fell into the river. The Stahel boy had a hold of the pole, but it separated from the handle as he grabbed it.

The young Walsh boy ran for help to David's home, a block away. Help was immediately summoned. The Sheriff's Department and members of the Cascade Volunteer Fire Department worked to recover the body.

Jack Buys, Ben Zoodsma and Dane Powell, of the Cascade Fire Department and Detective James Haieshutter, Deputy Larry Flynn and Kent County Sheriff Ron Parsons worked until 10:07 a. m. to locate the Stahel boy; he was found about 20 feet from the point where he fell into the water—one of the deepest sections of the river.

The Stahel family have lived in the area about one year. David was a student at Thornapple school.

Funeral services were held Saturday morning at 10 o'clock in St. Robert's Catholic Church in Ada. Interment was made in Woodlawn Cemetery.

David is survived by his parents; one brother, Richard; one sister, Carol, both at home; his grandparents, Mr. and Mrs. Paul Stahel, sr., of Ionia, and Mrs. Mary Kelmovick of New York City; several aunts and uncles.

### Paul Farnsworth is killed in 2-car collision

A two-car crash on the East Beltline at Burton Street, SE, early Saturday morning took the life of a young area man, Paul Robert Farnsworth, 21, of 1042 Waltham Avenue, SE, Eastmont.

Farnsworth, traveling east on Burton, collided with a car, going south on the East Beltline. He was pronounced dead on arrival at Blodgett Hospital from a crushed skull and internal injuries he sustained when he was thrown from his convertible.

Paul graduated from Forest Hills High School in 1962, attended Grand Rapids Junior College and Michigan Technological University, and was planning to complete his studies at Western Michigan University this fall.

He has been employed at the Linus C. Palmer Park Golf Course in Wyoming.

He is survived by his parents, Mr. and Mrs. L. Paul Farnsworth; and a sister, Suzanne, at home.

Funeral services were held Tuesday morning at 10 o'clock at St. Robert's Church in Ada. Burial was made in Resurrection Cemetery.

### Ada artists invited to regional art festival

Amateur and professional artists of the Ada area have been invited to participate in a celebration commemorating the centennial of St. Paul's Episcopal Church, one of Muskegon's oldest protestant congregations. Theme of the art exhibition and contest, which offers prizes totalling \$200, will be "Art With a Christian Theme."

Mrs. Russell Damm, of Muskegon, is chairman for the unusual art contest. She announces that competition may be submitted in oil, water color, prints, pencil, and charcoal sketches, and sculpture. No entries will be accepted from those under fifteen.

The exhibit will have a formal opening on Tuesday, September 20th, and will close on Saturday noon, September 24th, of St. Paul's Centennial Week.

The art exhibit will be a "jury show," with outstanding west-state area professionals engaged in art, as judges. Their selections will designate the 1st prize winner and a \$100 award, a second prize winner and its accompanying \$75, and a third prize with a cash award of \$25. Honorable mentions will be given in all media, while additional "Special Awards" to be announced prior to judging.

Local artists desiring to submit entries, limited to three, may write St. Paul's Episcopal Church; Muskegon, Michigan, for entry blanks and additional information.

### LOWELL VFW POST TO HOLD BUSINESS MEETING

Lowell's V.F.W. Post 8303 will hold a business meeting on Tuesday evening, September 6, in their post rooms on East Main Street.

All members of the Post are urged to be in attendance for this important meeting.

Patronize Suburban Life Advertisers.

## Amway's family picnic

Sky divers will land in Fallasburg Park for 500 Amway employees & their families. More than 1,000 people are expected to enjoy Amway Corporation's Annual Family picnic event.

Activities planned for Saturday, September 10, are a gourmet buffet, ball game, horse shoe pitching contest amid the company's red, white and blue decorations.

Hugh VanderVeen of Lowell and Amway's Market Research Department is chairman of the event. He reports: "bells will ring throughout the day to announce door prizes of Amway products. Kids will have free popcorn, cotton candy, pop and ice cream!"

Dan R. Jones, 7365 Bronson, Ada, Production Co-ordinator of Amway's Production Division, will be in charge of lively music, and a record hop. Records will be augmented by live music played by the "Amway Band" a fun group of employees which has formed during off hours to develop latent talents. David Konkle of 533 Norwood, SE, heads the group.

Children will have a fish pond, ring toss and pony rides (if arrangements can be completed).

Several departments at Amway's Ada plant have planned humorous skits to liven festivities which begin at 10 a. m., lasting until 6 p. m.

### OPEN SEPTEMBER 5

Ada Laundromat will be opened Monday, September 5 from 6 a. m. to 3 p. m.

## OPEN—7 DAYS A WEEK

6 a. m. to 10 p. m. Monday thru Saturday — 9 a. m. to 10 p. m. Sunday

### Clamp down on dress apparel, unruly hair cuts

On the beach, boys in tight slacks and girls in shorts or mini skirts is the accepted dress of the day. This set off by shoes with no socks or even bare feet seems acceptable with the above attire and setting.

Members of youthful dance bands and youth groups on the Ed Sullivan show seem acceptable to the entertainment profession, with their long shoulder length hair and skin tight wardrobes.

Yes, as the old saying goes there is a time and place for everything.

The Forest Hills School system is not endeavoring for a beach like setting, nor is it training children for the entertainment world. The school has no aspirations to accept or promote any type of exceptional dress or grooming among students. In fact this sort of thing makes teaching all the more difficult.

For this reason we are asking for cooperation from students and their parents, for standards of acceptable dress and grooming.

All students, boys and girls, should come to school with shoes and socks. Please do not waste money on shorts, mini skirts and slacks for the girls or stretch slacks for boys. Boys should have their long unruly locks clipped.

No longer are school employees to spend their time forcing good grooming and acceptable school dress. When there is so much to be done teaching the subjects necessary for the students future success.

### VanderVeen speaks at London meeting, Sept. 23

Richard F. Vander Veen Grand Rapids attorney and Lowell City attorney, and a member of the State Highway Commission, will attend the Fifth World Meeting of the International Road Federation in London next month, it was announced today.

Vander Veen will deliver a paper entitled "The Economic Impact of Modern Freeways" on September 23, the final day of the week-long meeting which will be attended by 5,000 persons from 60 countries.

## Cascade Christian plans workshop; Aug. 31-Sept. 28

Cascade Christian Church will hold a Christian Education Workshop Wednesday, August 31, through Wednesday, September 28, at 7:30 until 9:30 for Sunday School teachers, youth group leaders, and other interested persons.

September 7, John Boruff, associate state executive minister, will give an outline and presentation of all subjects and teaching materials covered by the Christian Board of Publication, showing an inter-relationship of subject matter and age group. Discussion groups will form.

September 14, Mrs. Evelyn Bailey, librarian at Newman's Audio-Visuals, will discuss the techniques of using film and filmstrips in the Sunday School. She will also show some of the best new film strips.

September 21, Mrs. Langerhorst of Kregel Bookstore will be continuing the discussion on the use of visual materials by giving demonstrations on the use of flannelgraphs, chalk talks, etc., in Sunday School.

September 28, Joe Popma, Martin-Collins elem. school principal and a former lay brother in the Catholic Church, will be discussing "The Child's Need of a Christian Education." A question and discussion period will follow.

### FOOT-DEEP IN FLIES

In one summer session, from April to August, the descendants of one pair of houseflies, if all lived and reproduced normally, could total 197 quintillion. That is enough to cover the surface of the entire earth to a depth of more than one foot.

How many of us pause and reflect on the significance of American holidays? To some they are merely a colored numeral on a calendar, to others an excuse for a long week-end—when cliff-dwellers take to accident-cluttered highways to get away from the city streets, when suburbanites come to the city to celebrate.

On Labor Day we should reflect on significant social and economic changes—the better standards of living we enjoy, the shorter work week, the improved working conditions. Today, American families have more leisure time than ever before.

During this holiday pause, we should consider how we might invest some of this leisure time toward helping our fellowman. There is a great personal satisfaction in participating in organizations like the Boy Scouts, the YMCA-YMHA, women's clubs, parent-teacher groups, 4-H clubs and other similar groups.

Let us show our appreciation to those who have made Labor Day possible by volunteering to assist our community in making it a better place to live and to work.

# Cobb makes clean sweep

Gail Cobb of Ada, started in ninth place, took the lead on the eighth lap, and came home the winner of Saturday's 20-lap semi-late model feature at the Berlin Raceway in Marne, Michigan.

Interrupted by one accident, when Jerry VanDyke of Grand Rapids, hit Ken Sutton of Muskegon broadside, the race continued in a whirlwind finish between Cobb and Bob Senneker, with others spread out as they finished. Glen Tanis of Hudsonville was third.

VanDyke, driving the Leonard Morgan special, was going into the second turn, got crossed up with a little help, and veered to the high side of the track, where he hit Sutton, flipping him end over end off the high side of the track. Sutton escaped serious injury, but both cars were heavily damaged.

Senneker turned in the fastest qualifying lap for the semi-late models, and annexed the win in the fast car dash, with Cobb finishing a close second.

Cobb credited his second consecutive feature win on the seven-sixteenths mile oval with victories in the fast car heat and the Australian pursuit.

Both Cobb and Senneker were torn down to determine their legality, following the feature event on a protest from a fellow competitor. Both drivers checked out within the limit, and will both be back in action this Saturday night.

John Bliss of Grand Rapids copped the first heat, and A. J. Schutt emerged victorious in the second heat.

### BENSON TAKES MEMORIAL FEATURE

Johnny Benson made it two straight at the Berlin Raceway Saturday night, notching victory in the 25-lap first annual Dick Carter-Jimmy Nelson Memorial race, ahead of Jackie Lindhout of Grand Rapids and Eddie VanderLaan of Cascade.

Mrs. Shirley Carter presented a trophy to the veteran ace, Benson, who came from deep within the line-up, stormed to the lead on the tenth lap, and was never headed for the win.

Benson, the fastest qualifier in the modified division, made a clean sweep in the evening's program by winning the fast car dash, the fast heat, the Australian pursuit and the feature.

Bill McClure of Elmdale, taking over the wheel of No. 46, sponsored by Jeff's Bait and Tackle Shop of Grattan, roared home the victor in the second super modified heat, when he took over the lead from Osborne on the checkered flag lap.

Curley Moody, driving the Dri-Power Special, came across the finish line, first, in the first mod heat ahead of Johnny Logan and Buddy Steward.

### COBB NOTCHES SECOND KAZOO FEATURE WIN

Gail Cobb made it two in a row in the semi-late model race.

## Electricity heats, cools and cleans

A chill in the bathroom? Don't run for the furnace room—just move up the thermostat and stay where you are. Flameless electric home heating will do the rest.

Summer got you all steamed up? Turn on the air conditioning and breathe cool, clean air.

Got twelve to cook for? Do it electrically. Set the dial on your flameless electric range and it will turn up the heat on the stew and turn it off when company's ready. Spills in the oven? Forget it; many electric ovens can clean themselves.

Dry air? Humidify it—electrically of course.

Dirty dishes—get them out of the sink and into the dishwasher—pots and pans too. You could be running a restaurant and no one would know it.

Is the baby awake? Keep the intercom on; it will let you know.

You can open your garage door from your kitchen, flood your yard with light or melt the snow off your sidewalk. Do just about anything electrically.

Millions of redwoods have been used by industry. The wood of a single 300-foot-tall redwood alone can go into the building of five homes. Today 300,000 acres of the red giants remain, 50,000 of which are permanently preserved within public parks and groves.

ped and Cobb was given a victory lap.

Next Sunday, at the Kalamazoo Speedway, the annual Labor Day festivities will be held, with a 50-lap feature scheduled to be run.

Time trials are slated to start at 6:15, with the first action-packed race to get underway at 8 p. m.

### HOLIDAY PROGRAM AT BERLIN RACEWAY

The Labor Day Week end will see lots of action on the seven-sixteenths mile oval at the Berlin Raceway.

This Saturday night, time trials will start at 6:30 for the semi-late models and super modifieds, with the first race beginning at 8:15 p. m.

On Monday, Labor Day, time trials will start at 5:30 with the first race on the two-in-one card to get underway at 7:30.

**Letter to editor**

Every taxpayer in Ada Township should get a copy of the September 10th issue of the Saturday Evening Post and read the lead article listed on the front cover in big letters "TAXES."

There are some very strong statements such as: "In Practice your tax bill is whatever the assessor says it is. The assessor is the nearest thing to an absolute monarch in the western world."

There are many taxpayers in Ada that are wondering about the constant rumors that are going around that the present Supervisor (assessor) who was defeated in the primary election and his friends are now planning to run again in the general election.

There were 850 people who went to the polls in the recent primary and only 308 voted for the present Supervisor. Why is Mr. Lynch and his friends so anxious to stay in office. Is the pay so great that he must have the job to live? Why are the businesses interested and large taxpayers so intent in keeping the present supervisor in office? Read the Post.

George W. Welsh

On his charger and he represents a soap there too. But ads are only shown at the beginning and end of a program; there is no interruption of the story. Perhaps because of our gangster shows Rosa Maria was surprised to find that we are very "casual" in locking our stores and houses at night. There they not only lock, but bar with iron every door and window at the end of the day.

Rosa Maria said that she doesn't pay too much attention to politics. Franco has done well for her country for twenty-five years; they have not had the trouble that other countries have had and that is mucho good, no? She felt that Spain more than other countries, needs a strong man at the control because the country itself is so divided by its own geography with mountain ranges criss-crossing the whole peninsula. This accounts for the Roman and Arab influences in the north and the Moorish beauty in the south.

She thought that a democratic form of government could be more easily managed now, however, since modern communication can unite the country presently where it could not be done in the past.

The weather and temperature here were miserable for August and she explained that Barcelona is almost always a pleasant 70 degrees. There is a little cold in the winter, but not much rain or wind. Siesta is still a part of Spanish life and Rosa Maria could not get over how much we do for ourselves and how much energy we put into our daily routines.

Children in Spain begin school at four. Rosa Maria has four languages. She began French at ten and then when she studied music, she acquired Italian. Her English came later, but because she was interested in America, she made a point of talking to Americans in Spain and studied our manners and customs. She also learned to read English which she said was most difficult because the printed words very often look nothing like the sounds we make in our speech. "It must be hard on the little ones," she said.

In Spain a black animal is good luck, unlike our black cat superstition. And all Spaniards, she emphasized, do not play the guitar. Rosa Maria plays the castanets and classical piano. She has a quick wit and an observing eye. She sketches scenes with a pencil and took home some examples from this area. She has traveled much of Europe, but said she is enjoying America more than any other country. Her visit in a private home made her feel that she knows much more about us and our way of life than she could possibly ever know by reading about us. Perhaps this is the only way we will ever shake hands across the seas.

The Na-Wa-Kwa 4-H Nature Club, under the leadership of Mrs. Jerry Sietsema, did exceptionally well at this year's fair. The eleven members brought home twenty blue ribbons from the county fair. Two were chosen to represent Kent County at the Michigan State University State show last week.

Tom Cribley constructed a miniature model of a winter small game feeder; Jerry Penninga made an exhibit with life size Michigan Bird models. Congratulations to these two boys. They also brought home blue ribbons from MSU.

Donna Oppelval's lovely collection of bird's nests so nicely displayed was chosen to go to the Grand Rapids Museum for the Fall Garden Show.

The children kept very busy this summer looking for Michigan Wildflowers and Birds. They also made a fine collection of leaves and animal footprints. This will all put together into a scrape book.

Each member also constructed a bird house.

With this beginning introduction to conservation and nature, Mrs. Sietsema now hopes the children will pursue which ever field interested them the most. The members range in ages from 9 to 13 years of age. This was their first year in 4-H.

Other members of the 4-H Club are Paul Penninga, Pat Lupton, Shelly Lupton, Jane Vandenberg, Tom Postema, Don Vandenberg, Chuck Waldron & Sherry Sietsema.

**Newest to the Crib Crowd**

Mr. and Mrs. Ed VanderLaan of Cascade are the proud parents of a son, Douglas Paul, born Saturday, August 27, at the Grand Rapids Osteopathic Hospital. He weighed eight pounds, four ounces. His mother is the former Donna Geelhoed.

**Western Riders place high**

The Western Riders 4-H Club did very well in the year 1966. The 4-H Club leader is Mr. Koenders.

In halter this year, Russ Berry received second place in yearling halter and first place in showmanship.

Karen Berry received third place in yearling halter, and a third place in showmanship.

Paul Buck received first place in full halter. Sue Koert received first place in yearling halter and first in showmanship.

Debbie Koenders received a second place in registered halter. In Pleasure this year, Wayne Berry received a third place in registered pleasure. Tom Dewey received fourth in registered pleasure and fifth place in horsemanship.

Debbie Koenders received 3rd in registered pleasure and fourth in horsemanship.

The Western Rider's Club won second place in Barn Cleanliness.

**DOUBLE EXPOSURE**  
 Twinning occurs in once in every 98 American births, but only 37 percent of twins born are identical.

**The Cracker Barrel**  
**Senorita Rosa Maria Sunol is an area house guest**

After flying nine hours in a jet from Barcelona, Spain, to New York, Senorita Rosa Maria Sunol has been touring this country. She was a house guest last week for several days. It was an opportunity to stay with an American family and live, what before she had only glimpsed through windows. It was also a chance to go to a laundromat, a supermarket, and a drive-in. She particularly liked her first malted milk; it filled her so that she could not eat the hamburger that went with it.

Rosa Maria said that on arriving in New York on August 6, she immediately decided that Americans eat too much. Most of us are far too fat, she declared, and we eat too much salad. She eats very sparingly according to our standards and her home diet is restricted mostly to fish. She delighted in the opportunity to eat steak and roast beef as often as possible. She couldn't get over our pre-ground beef. In Barcelona, she said, you spend all of one day chopping it up in order to use it the next. One of our foods that we so take for granted was entirely new to Rosa Maria. That was the common cracker. The various flavored snack varieties were tried one after another with utmost attention.

Rosa Maria also likes our better grades of bread more than Spanish bread. That is like the French bread, but larger and with an even harder crust. She was teased repeatedly because her once tiny waist was going to grow in the one month she will be here if she keeps eating the American foods that do make us larger than most of her people.

Barcelona is in the northeast portion of Spain and is a large manufacturing area and Mediterranean port. The city has two and a half million inhabitants and is full of tall buildings and a few parks. New York reminds her of it. When she saw a picture of Barcelona with quaint streets and Roman architecture, she laughed and said, "Yes, every city in Spain has historic portions like that left over from the old days and they are the parts of the cities where tourists are conducted." On the other hand, in traveling through Michigan, she had really expected to see Indians and their teepees.

Television in Barcelona carries a great many of our American shows; I Spy, Bonanza, The Fugitive are a few of them. They also see the white knight

**M. A. Myckowiak accepts new post**

Michael A. Myckowiak, 207 Loch Lomond, NE, has been hired as the dean of vocational and technical guidance for Glen Oaks Community College, and began his duties June 15, 1966.

The Myckowiak family—wife Phyllis, and Holly, 16, who attended Forest Hills High School, and Scott, 12, who attended the junior high, will leave for Sturgis next month.

A neighborhood farewell open house was held Sunday, August 23, at the home of Mr. and Mrs. Kenneth Kutchin, 140 Loch-Lomond.

Mr. Myckowiak's primary responsibilities are to perform all the duties necessary to implement and direct a vocational and technical educational program for both students and adults in the Glen Oaks area.

His immediate duties will be to direct an extensive study of the communities' vocational & technical needs and to work with committees of lay people to determine the curriculum of Glen Oaks in the vocational-technical area.

He has been a teacher in Grand Rapids for twenty years. He taught mechanical drawing, graphic arts, machine shop and wood shop in the junior high and senior high levels, and mechanical drawing, blueprint reading, metallurgy, social economics, and social mathematics on the adult level.

Mr. Myckowiak received his BS degree from Western Michigan University and his M.A. degree from the University of Michigan. He has additional graduate credits in school administration from the University of Michigan and is a candidate for a specialist degree in education from the University. He needs only a few more hours of work to become qualified for his journeyman paper in sheet metal.

He has worked regularly in a furniture factory during the summers; is a past president of the Grand Rapids' Education Association and a member of the MEA and NEA, and has served as chairman of the public relations committee of MEA. He is also a member of the Michigan Industrial Educational Society.

**Honey Bears take 4-H fair awards**

The Honey Bears 4-H Club of Ada, under the leadership of Mrs. Bernard Baer, took the following awards at the Kent County 4-H Fair held in Lowell recently.

With their ceramic exhibits, Barbara Bowles, Beverly Krick, Jean Silbar, and Ann Silbar received blue ribbons. Janice Olmstead was given a B award on her exhibit in this division. Monette Baer and Ann Silbar received blue ribbons for their projects in the creative arts division, with Jean Silbar getting a B rating.

Blue ribbon winners in knitting were Barbara Bowles, Kathleen Blume and Beverly Krick. Reb ribbon winners were Alicia Johnson, Ann Silbar and Jean Silbar.

Having A award exhibits in the leathercraft division were Scott Prickett, Jean Silbar, and Virginia Stanard. B award winners were Cindy Boonstra, Lori Stanard, Kathleen Mooney, and Sandy Weathers.

In the Dog Care exhibits, Alicia Johnson was the recipient of a second place rating.

State show winners were Monette Baer, creative arts; and Barbara Bowles and Jean Silbar in ceramics.

**Set Red Cross first aid course**

James M. Crosby, III, Kent County Chairman of Red Cross First Aid Services announced that the next Red Cross First Aid Course will begin September 8, 1966. Classes will meet every Thursday night from September 8 through November 10, from 7 p. m. to 10 p. m. at the Red Cross Headquarters, 55 Division North.

This course will be a combination of the standard and the advanced first aid course and will include such subjects as: general directions in giving good first aid care, bleeding control and simple bandaging, artificial respiration, traction splinting of the leg, special wounds, basic anatomy, special injuries to the eyes and insect bites, and common medical emergencies such as fainting, convulsions, stroke, heart attack, etc.

Kent County skiers will want to take special note since this course is co-sponsored by the National Ski Patrol of Southern Michigan. The course is open to the general public with the only qualification being for student candidates who must be 15 years of age, or have completed the 9th grade in school.

You may enroll in this free first aid course by calling your Red Cross at GL 6-8661. This Red Cross Program financed through the partnership in the United Fund Crusade.
