'Sno-Ball' plans made for Jan. 20

The Senior Class of Forest Hills high school will present the annual "Sno-Ball" Friday evening, January 20, in the Multi-purpose building. The new theme of the dance is "June in January.

Tim Gietzen, general chairman, reports that big plans are being made for this annual

Chairmen for the committees are Paula Johnson, decorations; Pat Jason, tickets; Jim Cort, clean up and set up; Ellen Rupp and Sheri Kooistra, refreshments; and Fred Rugg, chaper-

Five boys and five girls will be selected by the senior class as candidates for the king and queen of the "Sno-Ball."

The senior class will vote for the ones to reign, with the remaining students serving as the members of the royal court. The crowning of the king and queen will take place during the annual dance.

Hospital notes

Garry DeArmond, 8424 Dygert Street, Alto, is an operative patient at the Grand Rapids' Osteopathic Hospital.

Mrs. Jacob Visser, 3024 Thornapple River Drive, SE, returned home from Blodgett Memorial Hospital in Grand Rapids.

Mrs. Edwin Collar, 2460 Linda Street, SE, is a patient at St. Mary's Hospital, where she is a surgical patient.

Cleo Conklin joins Waring

Miss Cleo Conklin, age 23, second runner up in the Miss Thornapple Valley 1966 Pageant has left to join Fred Waring and his Pennsylvanians as a singer and featured baton twirler. She left Friday morning for Denver, Colorado, to join the Waring group.

Miss Conklin, who holds the '65 state and national baton twirling titles, was also Miss Grandville in 1965, and com-peted in the Miss Michigan pag-eant. She auditioned for Mr. Waring here in November.

Trudy Menich is future bride

Mr. and Mrs. Edward Menich of 1126 Cutter Parkway Drive, SE, announce the engagement and forthcoming marriage of their daughter, Trudy May, to Phillip Martin Bonner.

The prospective bridegroom is the son of Mr. and Mrs. Russel L. Bonner, 7524 Hessler Drive, NE, Grand Rapids.

Miss Menich and her fiance are planning a February wed-

First aid classes are scheduled to begin

Beginning Tuesday, January 17, there will be a first aid class given at the Forest Hills Senior High School in room B-3,

7 p. m.
This is a beginner's class instructed by Grover Buttrick, captain of Cascade Township Fire Department.

Everyone is welcome to attend this calss and to benefit from the useful and often necessary information that will be dispensed.

Snow shoveler's heart disease

Snow shoveler's heart disease, a malady which has been on the increase the last few winters of heavy snowfalls, may strike you if you don't take it slow

and easy. This note of caution was sounded by Dr. W. B. Prothro, City-County Health Officer, with the recent arrival of winter's blast. It was directed principally at men over 40 who aren't used to strenuous physical ex-

If you aren't in good physical condition, leave the shoveling to the kids, Dr. Prothro suggests. They can use the mon-You can't afford a heart attack if you can avoid it.

Any sudden exertion by a person not used to exercise or earning his living "by the sweat of his brow" may be sufficient to bring on a heart attack, Dr. Prothro points out.

If you must shovel, either because you can't get someone else to do it or because you may feel you must prove to someone you're not a pantywaist, take it easy and don't

If you have had a heart attack previously, check with your doctor before you attempt snow shoveling.

An "it can't happen to me" attitude leads too many men to snow shoveler's heart disease, Dr. Prothro says.

Linda Smith engaged to wed Donald Carew

Mr. and Mrs. Richard P. Smith, of Belmont Ave., are announcing the engagement of their daughter, Linda Sue, to Donald Thomas Carew.

Mr. Carew, son of Mrs. Donald Carew and the late Donald Carew of Ada Dr., Ada, was a 1965 graduate from Forest Hills High School and is now attending college in the east.

Miss Smith was a 1966 graduate from Rockford High School and is now attending Davenport Institute.

Educational films to be shown Jan. 18

On January 18, at 7:30 p. m. in the Cascade School all-purpose room, the County Health Education Department will present two human growth films.

They are "From Boy to Man" and "From Girl to Woman." These films are shown to our children in the junior high

A member of the County Health Education Department will be there to lead a discussion and question period. All parents are welcome. Other school parents Remember the time and date, January 18, at 7:30 p. m.

THE CRACKER BARREL

Photography is unique hobby

Along with slot cars, dolls, circular puzzles and the inevitable neckties, some people received cameras during the recent holidays. Now if they are old hands at the hobby, they probably went right out and produced splendid pictures. But for those who have only been snapping the ordinary "standover-there-and-smile" shots, a few suggestions may be in order to get the most out of the new equipment and the cost of the

Camera shops have fine books on hand which they will be glad to sell. The Grand Rapids Ryerson Library also has some excellent books which you can borrow if you have a card. There are books for beginers and there are those for special effects. You may be interested in trick photography, in textures in portraitures, in animals, in candid shots or in unusual landscapes. Color photography and black and white require different techniques if you are to utilize your time properly.

The whole subject can be challenging and the rewards can open your eyes to the world around you so that you see with a new perspective. The Grand Rapids Camera Club holds competitions and exhibits among both amateur and professional photographers. next Club meeting will be held January 18 at 8 p.m. at the Grand Rapids Public Museum. If you have small animals in the household or on the farm

that are not likely to sit still graph; a great way to get an exciting picture is to measure the distance to the spot where you would like to have the picture taken and check the background with a toy or some object approximately the animals's size. When you are sure that you are ready, have another person gently drop the animal into the area designated. If you close the shutter instantly, you will have a delightful picture which could win you a prize someday.

Wildlife photography calls for a great deal of patience and resourcefulness, but the end results will mean a unique photograph worthwhile to the hob-biest and perhaps worth selling. Remote control of your shutter, even night lighting and "self-

shooting" by the animal or bird may lead to great adventure.

If you are interested in obtaining information on a special field in photography, write and explain what knowledge you require to Consumer Markets Division, Eastman Kodak Company, 343 State Street, Rochester, New York, 14650.

January 19 meeting for parents' group

The Forest Hills Senior High Parents' Coordinating Commit-tee will hold a board meeting Thursday, January 19, at eight o'clock at the home of Mr. and Mrs. Robert VanSluyters, 7100 Driftwood Drive, SE.

Any parents or students who have suggestions or criticisms pertinent to our school's programs, are urged to contact or call the VanSluyters at 676-5191.

Meet the Rangers

Dan Mosher is a sophomore student at Forest Hills high school. The 6' 3" center is developing well as a rebounder and scorer on the Rangers' basketball squad.

At present, Dan is averaging eight rebounds and seven points per game. His future potential is certainly bright.

Jim Vanderbaan No. 43

Jim Vanderbaan, a junior letterman and sole returning reg-ular on the Rangers' squad, is a regular competitor on the varsity team.

Jim is a very dependable ball handler and floor man. His present average of eight points per game is expected to in-crease rapidly for the remainder of the season.

His defensive work is outstanding; and he gives the Rangers fine floor-stability.

Honey Valley parents meet January 16

The Honey-Valley Parents' Club meets Monday, January 16, at the Honey Creek School at Dr. Charles Starr, one of our

members, will show a film strip and talk on "Birth Defects." A short business meeting and refreshments will follow. All residents of this area are in-

Busy days at high school

Gerrit Lamain will attend the Michigan Music Educator's Con-ference January 13 and 14.

On Thursday, January 12, the students will have a movie on the Gemni Four program, sponsored by the Michigan Consolidated Gas Company.

Forest Hills has three student teachers from Ferris State College assisting in the school system. They are Miss Ann Den-Herder, who will be working with Mr. Henderickson and Mr. Kloostra; Miss Joyce Schwander, who is associated with Miss Laughrin and Miss Glenna Mortenson, working with Mr. Hoezee and Mr. Kemp. Miss Carol Cole has been ad-

ded to the teaching staff, replacing Mrs. Martha Walter's, who will join her husband, who is in the Armed Forces.

The Choir and Samajo Singers were invited to sing at the Ki-wanis Travelogue series at the Civic Auditorium last Thursday and Friday evenings, and Saturday afternoon and evening.

Exams will be given Wednesday and Thursday, January 18 and 19. There will be no classes on Friday, January 20. The staff will be on hand rounding out the first semester of school. On Monday, January 23, a new semester will begin.

Wednesday, January 25, the report cards will go home.

Susan Smith, Eugene Boyce are bethrothed

Mr. and Mrs. L. D. Vernon min of Pettis Ra., Route 2, Ada, are announcing the engagement of their daughter, Susan Marie, to Eugene W.

The prospective bridegroom is the son of Mr. and Mrs. Chancey Boyce of 625 North Monroe Street, Lowell. Miss Smith will be a 1967 graduate of Lowell High

School. Her fiance is a sopho-

more attending Ferris State

No definite wedding plans have been made by the engaged couple.

'Zoto' is PTA movie Saturday, January 14, "Zoto,"

a comedy starring Tom Poston, will be presented by the Martin Collins P. T. A..

The movie will be shown from

1 p. m. until 3 p. m., along with several cartoons. The price is 30 cents; and snacks may be purchased in addition to

Don't forget the place. Collins School gymnasium, this Sat-

VFW POST TO MEET JAN. 17 Lowell V. F. W. Post 8303 will hold their monthly business meeting on Tuesday, January 17.

The meeting, to which all members are to be in attendance, will be held in the club's post rooms on East Main St.

Eagles trim the Rangers 78-50

The Ranger Varsity fell to a strong Hudsonville team, picked as the pre-season favorite, Friday night, by a score of 78 to

Forest Hills contained the Hudsonville scoring in the first period to twelve points and stayed within striking distance by tallying nine points, but an Eagle surge in the second quarter of 32 points left the Rangers trailing 44 to 24 at

Hudsonville increased their lead by five points in the third period 61-36 and coasted through the 4th period for their victory.

The Rangers had trouble in the shooting department. They matched Hudsonville in the amount of shots taken, 80 for each team, but the cold shooting Rangers could only connect on 21 of them, while Hudson-ville sank 31. This gave the Eagles an advantage of 20 points and they padded their lead with additional points at the free throw line.

Both teams attempted 25 shots at the charity stripe, where the Eagles again enjoyed a better percentage. The Rangers connected on eight attempts while the Eagles tossed in 14 while the Eagles tossed in 14. Pacing the Rangers was John

Stovall with 14 points and teammates Steve Russ and Scott Wingeier each contributed 12. The Rangers came out on top in one phase of the game.

Badly out-classed by Eagle height, the hustlin' Rangers were rugged on the boards and topped Hudsonville in rebounds

Junior Varsity Lose

The JV Rangers, with an early season record of 3 and 1, now stand even with a 4-4 record following tough action over the holiday season.
On the second day of Christ-

mas recovery, the Rangers lost a hard fought battle to the scrappy Panthers of West Ottawa. The Panthers held a 4 point margin following the first and second quarters coming off the floor at halftime with a 29-25 lead.

In the 3rd quarter, however, they stretched the lead to 44-34. In the 4th, the Rangers closed the gap to five points but West Ottawa surged ahead with consistent shooting to leave the gym with a 61-45 victory. Rangers Steve Grabarek, Glenn Collins, and Paul Jenks shared the scoring honors with 10 points apiece. Gary Gromer pulled the ball off the boards 9 times and Grabarek added to the attack with 7 rebounds.

JV's Dominate

The story was entirely different when the Rangers visited Rockford on the last Friday of vacation. Forest Hills dominated the ballgame utilizing a very effective zone and complete control of the backboards. The Rams never had a chance as the Rangers kept quarter leads of 15-9, 33-15, and 45-25. The final score was nearly twice as high—66 to 34.

Forest Hill's attack was con-centrated around tall Paul Jenks who dumped in 18 points; Kent Zech dropped in 12; Steve Grabarek followed with 9, and Tom Teft added 7.

The Rangers pulled down the rebounds at will with 38 to Rockford's 18. Jenks again led in this department with 15. Zech had 6 and Glenn Collins contributed 5.

Hudsonville Wins

At Hudsonville last Friday night the Forest Hills Junior Varsity displayed good hustle, but Hudsonville's ability to get off more shots proved the decisive factor.

First quarter action ended in

a 17-17 tie, and after a tough second period, Tom Teft hit on a quick jump shot from the left corner with one second remaining to leave the Eagles with only a 36-32 lead. In the 3rd quarter, Captain Gary Gromer led the spirited

attack for Froest Hills but Hudsonville still managed to stretch their lead to 55-47. In the final period, the Rangers played well but were un-

able to overcome the 3rd quart-

er deficit and Hudsonville came off the floor with a 68-62 vic-Tom Teft spearheaded the Ranger drive with 18 points. Kent Zech added 11, Doug Koessel had 9, and Paul Jenks dropped in 7. Teft also led in

rebounds with 12. Paul Jenks

and Glenn Collins shared 8 a-

piece. The Eagles attempted 87 shots and connected 27 times. Forest Hills shot 64 times and were sucessful with 25 of them.

Why dairymen

ship Hall.

Analysis by Dr. Glynn Mc-Bride and C. Ray Hoglund, MSU Economists, shows 60 percent or more were farming from 100 to 150 acres and only 27 percent tilled less than 100 acres. More than 70 percent were

milking no more than 30 cows. Dr. McBride says there are indications that most of the producers at one time had milked more cows than they were at the time they quit entire-"This suggests that the process of exit from dairy production is not a hasty one, but involves some degree of herd reduction before final departure,"

the ag economist concluded. About 65 percent of those quitting dairying were over 50 years of age with the average age of all who quit being 54 years. change is taking place in the More than 40 percent were ov- value system of the farmer.

er 60 years of age and nearly 2 percent of those who quit were 80 years of age or older-no doubt tired of twice daily chor-

SUBURBAN LIFE, JAN. 12, 1967

More than 20 percent of those who quit had been shipping milk for 30 years or more and 65 percent had been producing milk

for more than 15 years. The appeal that "farming is a way of life and living and working in a rural area had value" may be losing out, Dr.

McBride believes. The former dairymen expressed concern with low returns on investment and greater interest in "shorter hours, free weekends and vacations." Although reasons were economically grouded, this may mean that a

Because of the high investment in land, equipment, machinery, improvements and livestock necessary for an economical and profitable dairy farm enterprise and if a sociological revolution is taking place in the value system of the farmer, the agricultural economists think this may mean that the organization and structure of our dairy farms of the future will be substantially different than those of the past.

YMCA Youth Leagues

High bowler for all leagues last Saturday was Blair Cahoon, who rolls in the Jr. and Sr. High School Boys League. He fired a 533 series on games of 144, 181 and 208. Steve Newell, a Jr. High boy was tops in his age bracket, rolling a 451 series that included the high game a 167.

In the Grade School League it was Kevin McMahon rolling the high series, a 224 for two games, and the high game, a 130. It should be mentioned that Denise Gould bowled a 110 game for the girls in this league and that Libby Callier rolled a 400 series with a 144 game for the High School girls.

Minimum side yard on street side of corner lot	35 feet	30 feet	25 feet

(a) For each square foot of land gained under the provision of this chapter, through the reduction of lot sizes below the minimum requirements of the R-1, R-2, or R-3 Residential Zones, equal amounts of land shall be dedicated to the common use of the lot owners in the particular Planned Residential Development Area in a manner approved by the Township Board only upon recommenda-tion of the Planning Commis-

P-1A PLANNED DEVELOP-MENT — NATURAL RESOURCES ZONE

SECTON 22.01 DESCRIP-TION AND PURPOSE, A zone established for the orderly extraction of natural resources

SECTION 10.03 COMMON and for the erection and opera-LOT AREA REQUIREMENTS. tion of allied and associated industries pursuant to Chapter XIV of this Ordinance and the Application and Development Plan dated December 14, 1966.

SECTION 22.02 USE REGU-LATIONS. In this zone, no building, structure, or part thereof, shall be erected, altered or moved upon any parcel of land in said zone or no parcel of land shall be used for any purpose other than one or more of the following:

(a) Mining, mobile and temporary processing and stock-piling of sand, gravel, sand and gravel aggregates, dirt, soil and other materials.

(b) Fixed or permanent pro-cessing facilities and stockpiling of sand, gravel, sand and gravel aggregates, dirt, soil and other similar materials. (c) Concrete batch plants.

(e) Cement block plants. (f) Ancillary uses including, by way of example and not by limitation, office buildings, scale houses, fuel storage, parking, equipment maintenance buildings and general storage buildings. ings and general storage build-

ERGENNES ST

Provided, however, uses (b) (c) (d) (e) and (f) shall be confined to such areas within this zone as are designated Marshalling Centers on the Development Plan hereby incor-

porated by reference.
SECTION 22.03 GENERAL CONDITIONS.

(a) The erection or construction of any structure in this zone which is indicated on the Development Plan shall be preceded by the acquisition of a township building permit for such building.
(b) No land shall be used nor

a building permit issued for any use in this zone which is not (d) Bituminous batch plants.

We would like to express our gratitude for the many acts of kindness and warm friendship extended us. We are so thankful that we live in a community of such wonderful friends and where there is such a willingness to help one another.

Mr. & Mrs. George Sytsma

CARD OF THANKS

and family

At an exclusive resort, a reporter brought down the lug-gage for a nicely dressed old gentleman and stowed it in his Cadillac. The old gentleman, about to give the porter a tip, asked him if he could change a dollar. "Around here, sir," said the porter, "a dollar is change."

indicated on the Development

(c) Front Yard — there shall be a minimum front yard in this zone of 75 feet. (d) Rear Yard - there shall

be a minimum rear yard in this zone of 75 feet. (e) Side Yard - There shall be a minimum side yard of 50 feet except where this zone abuts a residential district or a street on the side, in which instance, the minimum side

yard shall be 100 feet. (f) Off-Street Parking - Adequate off-street parking must be provided in this zone.

(g) All activities and equipment used in this zone shall meet the standards set by the Air Pollution Control Section of the Michigan Department of Public Health

(h) On that part of this zone described as a 40-acre parcel, more or less, being the Southeast ¼ of the Northwest ¼ of Section 21, Town 7 North, Range 10 West, Ada Township, Kent County, Michigan, any uses permitted in this zone may occur for a period of 5 years only beginning on the date that any of such uses first com-

(i) Any area within this zone shall be graded in accordance with the Proposed Final Contour Map of the Development Plan within two years after the natural resources have been removed or operations for the removal of such natural resources have ceased, whichever event first occurs.

Natural buffers, as indicated on the Site Plan of the Development Plan shall maintained to a reasonable extent in such zone.

Vision

One of the most precious gifts that God has given to men is that of vision. It is by means of the seeing eye that we have our most important, though not our only, contact with the outside world. In this time of electric eye cameras and of color film we pride ourselves on our photographic accomplishments. In the meantime we are inclined to overlook the fact that the human eye, as created by our Almighty God and maintained by His marvelous providence, has its own "electric eye" adjustments for the amount of light around us. And isn't it wonderful that the human eye can see in color? Isn't it true that we take our eyes and their delicate mechanisms for granted? And must we not admit that we do not confess before God and our fellowmen sufficiently: "I will give thanks unto thee; for I am fearfully and wonderfully made: Wonderful are Thy works; and that my soul knoweth right well." Psalm 139:14.

Thank God for your 20-20 vision, if you have that belssing. Thank God for the corrective lenses you may wear to bring your vision up to par. But no matter how good your natural or corrected vision is, there is a vision which is much more important, which is most important. It is the gaintful vision important, which is most important. It is the spiritual vision which is given to sin-blinded sinners by Jesus Christ. CAN YOU SEE?

—John Guichelear
