Tornado damages area

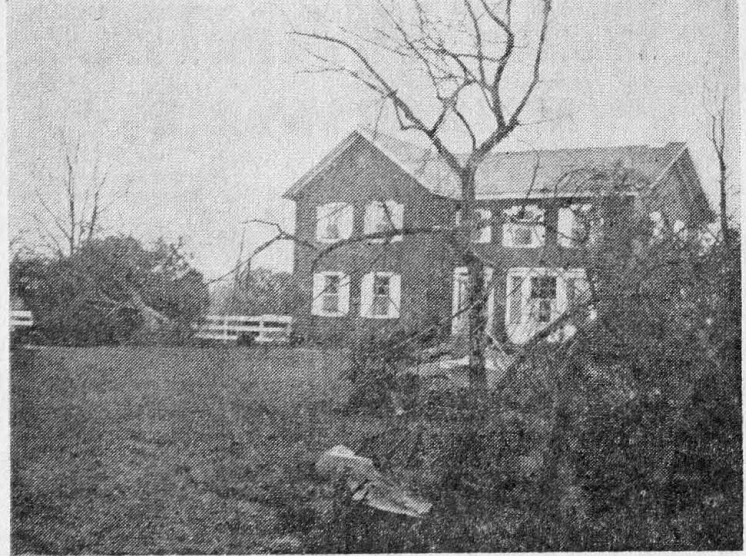

The second tornado caught the home of Mr. and Mrs. Fred-eric Ross of Thorncrest Drive and tore it to pieces. This was one of seven homes completely wrecked. Help was quick to arrive. 23 Cascade firemen reported for duty, along with others who volunteered.

Pictured Saturday morning in the rain were Mr. and Mrs. Jack Munsey, trying to salvage something from their demolished house. There was among the severely damaged homes in the area. Luckily no injuries were reported that required hospitalization.

Among the buildings wrecked by the second tornado that came through the Cascade area at 8:45 on Friday evening was the garage of Fire Chief Sy Dykhous, on Jeanlin Drive. All 23 firemen turned out in Cascade to assist in looking for injured and helping clear away roads and buildings. There were 7 homes badly damaged, 3 partially damaged, 4 garages demolished, along with 2 boat houses, Fire Chief Dykhous reported.

The Joe Neath farm home at the corner of Conservation and Fero was the last place the 7 p. m. tornado struck in its path across Grand Rapids, ending its trail of destruction here. Every one of the many trees were blown down, along with the garage. The barns and house were left standing. Ada firemen along with help from Cascade went to work clearing roads immediately after the tornado passed.

The fact that a series of tornadoes visited Western Michigan in general and the Ada-Cascade area in particular last Friday night is hardly last minute news. However, the real story is the clean-up campaign which will take months to complete. Repairs which were immediately necessary have been taken care of and the slow process of picking up and starting over grinds on. Families will be relocating and reestablishing themselves over the period of the next few weeks.

What happened Friday night? The overall picture seems to indicate that the whirling black clouds did approximately \$250,000 worth of damage in this area. Damage varied from a broken window to the complete loss of homes. Trees, including some that had stood for over a hundred years, were uprooted like so many weeds.

To be specific, people in this area now realize more completely what a tornado really is, and appreciate in full the unbelievable force of the storm. The fact that very few personal injuries were received and no deaths resulted from the storm has been attributed to many by the excellent coverage given by the local TV and radio stations in conjunction with Civil Defense.

Weatherman's Woods
 The weathermen took their knocks too. WOOD-TV weatherman Buck Matthews lost his garage. This resulted in extensive damage to his pride and joy, a 1931 Chevrolet. Buck won't be able to drive his car in the annual Woodland Antique Car Tour this spring. His dog and dog house sailed skyward but the dog came home none the worse for wear.

Cascade Areas
 Thorncrest and Jeanlin were the hardest hit area in Cascade. Mr. and Mrs. Sy Dykhous of Jeanlin lost their garage and the fencing around their swimming pool. They hosted Mrs. Nellie Birman and her son, Franklin, who had no basement.

Mrs. Dykhous reports that they came out of the basement after the first all-clear was given. She doesn't remember hearing the second warning to go to the basement. She feels it hit Cascade before the second warning was given. It hit the Thorncrest area at 17 minutes to 9. Mrs. and Mrs. Kenneth L. Wilcox had a large tree hit their breezeway, but as they had gas they were able to furnish hot coffee to many of the volunteers. Mr. and Mrs. Jack Munsey, 3059 Thorncrest, received the severest damage to their home. The roof was completely blown off. Mrs. Munsey, her 10-year-old son, Bruce, and her mother, Mrs. Buck, huddled in a closet while Mr. Munsey threw himself by the bed. All escaped injuries. Everything in the house was completely exposed to the elements.

The Munsey's belong to the Jehovah's Witness Kingdom Hall at 1301 Burton Street, SE. After hearing the newscast, the Christian Brothers organized a work party and came out to help. By noon Saturday they had hauled the remaining contents of the house to be stored until it could be gone through for salvage. Mr. and Mrs. Munsey would like to thank everyone who pitched in and helped. They are new to the area only since fall, and everyone's co-operation was greatly appreciated.

At the present time they are staying with Mr. and Mrs. Jack Stein, 3235 Behler Drive, who made room for them in their home. If anyone knows of a home for rent in the Forest Hills area would they please contact the Munsey's at 949-1489. They would very much like to relocate in this area. Mr. and Mrs. Frederic Ross of Thorncrest had moved into their home in November and at the present time have taken up residency at the Arden Hills Motel. Mrs. Ross reports that no one was hurt and they hope to be back into their home in another week. They also had come out of the basement after

the first all-clear. All of a sudden their lights went out and they rushed for the basement in the dark just as the storm hit their home.

The residents of Jeanlin and Thorncrest area would like to thank the volunteer firemen who arrived on the scene 5 minutes after the storm hit. They stayed all Friday night patrolling the stricken area and no vandalism was reported. Neighbors who weren't hit and friends came in and helped those less fortunate. The teenagers in the area really pitched in and made the work a lot easier.

Grover Buttrick, who, along with other firemen kept checking throughout the night for any possible signs of fire, reports that the help of everyone and especially the teenage boys who came in and cut up trees and branches and supervised the burning and general cleanup of the area are especially to be commended. Without their help it would have been a longer and harder clean up job.

Consumers Power and Michigan Bell Telephone men were out working throughout the night and all day Saturday. They worked without complaint to get services back to the area. Mrs. Dorothy Rooters who has a restaurant in Cascade served free hamburgs and coffee to the workers, and the wives of the firemen were on duty serving piping hot coffee throughout the cold night and all day Saturday.

Mr. and Mrs. Ennes Abbring of 1199 East Paris found their five plastic greenhouses ruined and the four glass greenhouses severely damaged when the storm whirled by. By 7 a. m. 25 or 30 people had collected to help them repair the damage. These people worked all day and managed to save the Abbring's crops.

Mrs. Dorothy Bos whose greenhouse on Spaulding was not damaged brought coffee and sweet rolls to all the workers during the day and Mrs. Mattson cooked and served supper for everyone who helped.

Ada Area
 Grand River Drive, was hit the hardest, with even the cemetery being damaged by falling trees. Grand River Drive off of 21, was impassable Friday evening and most of Saturday. Consumers Power and Michigan Bell Telephone Company had work crews clearing trees from the road and trying to get their services back into use for the residents. By Sunday when you could drive on the Road each place looked like a logging camp with new trees to be logged out.

Mr. and Mrs. Stanley Staskus, 6620 Grand River Drive, were still shaking Sunday. They had just hit the basement when the storm came over taking two beautiful trees over 100 years old, extensive damage to their chimney and windows and roof, however they are just thankful that their family was not hurt. The Staskus' son looked out the window and saw the dark cloud coming over. Had they remained upstairs the blowing glass would have surely injured one of them very seriously.

Mrs. Staskus had nothing but high praise for the excellent work of the Consumers Power Company workers and the Telephone Company men. She praised the excellent work of all the neighborhood people who pitched in and helped everyone. She commented on the area teenagers help in clearing the toppled trees and branches and piling and burning anything that needed immediate attention.

The R. C. Washburn's house looked as if someone had taken a muddy burlap bag and swung it around as fast as they could as mud was all over their living quarters. The beautiful grove of Pine trees in the King yard further up on Grand River was completely leveled. The B. J. Homkes found their garage on a hillside near their home, it was completely demolished. Roofs all along Grand River were extensively damaged. The Perdoks on M-21 had a new building under construction and it was completely demolish-

Baker Book House

The Baker Book House in the Twinbrook Industrial Park, on M-21 was struck and the damage was estimated at about \$10,000 to the new building. Damage to the contents, however, was set at probably \$100,000. Part of the roof was peeled over. The backed up water drenched and ruined the company's executive offices and damaged half of the book stock, all new prints of approximately 100,000 to 200,000 volumes.

Forest Hills and Cascade Road were closed for a time as a beautiful old tree was toppled into the highway.

All in all it was a harrowing experience for everyone. However all who suffered material damage seems to be of the same opinion, that they were so fortunate and material goods can be replaced but families cannot. It is heartbreaking to see your home in ruins. Many things of sentimental value can not be replaced. But thanks to the excellent Civil Defense warnings our neighbors are not suffering personal loss.

Township Board says "Thanks"

We would like to take this opportunity to express the appreciation and thanks of the Ada Township Board to all the Agencies and individuals who were so helpful during the tornado emergency last Friday evening.

We owe a debt of gratitude to the Ada Volunteer Fire Department who worked all night lending assistance where needed and checking all areas of reported touch downs for damage and personal injuries. The Kent County Sheriff's Department for the personnel and patrol cars used for directing traffic and searching of damaged areas. The Michigan Bell Telephone Company and the Consumers Power Company for the prompt action in clearing fallen wires and restoring service. The Kent County Road Commission for the expeditious manner of clearing roads of fallen trees and immediate repairs to washed out roads and keeping them open to all emergency vehicles.

And not to be forgotten are the good citizens and neighbors of Ada who so graciously opened their homes to the families of residents whose houses were severely damaged by the storm. And a special thanks to Dr. J. C. Foshee for the offer of his house over in Vergennes to any family who needed a place to live until their home was repaired.

The property damage is going to run high in the Township but we can all thank God that we had no deaths or personal injuries and that Ada was spared the blunt of the storm. Ada Township Board

F. H. team drops three

In baseball action last week the varsity ballers had a tough time of it as they lost three consecutive games.

The scores of those road games were as follows: Tuesday, Wyoming Park 5, Rangers 4. Wednesday, South Christian 3, Rangers 1 and Friday, Godwin 10, Rangers 1.

In the two league games against Wyoming and So. Christian the Rangers took early leads only to see their efforts falter in the later innings. Pitching and doing a good job for those two fruitless games were Tim Moore and Greg Leach. Leading the hitting attack at Wyoming was second sacker Jim Koert, who had a triple and a single. At the Cutlerville School the Rangers could manage only three hits, two of these were by Randy Ashley and one by John Gromer.

In the game last Friday at Godwin, the Rangers faltered to a 10-1 loss.

The lone run came on a solo homer that Scott Wingeler clouted to right center field. Wingeler also did the pitching, doing a creditable job up to the 5th inning when the Wolverines only had two hits. The Ranger's overall baseball record is 0-5 and 0-3 in Ottawa Kent League competition. In five games the Ranger opponents have scored 36 runs and the green and white has scored 12 runs.

This week's games find the local boys against Kelloggsville Monday, Hudsonville at Hudsonville Wednesday and their 2nd home game of the season Friday entertaining the Rogers Hawks at 4 p. m.

Schedule

The Varsity baseball team schedule for the rest of the year is as follows:
 April 28, Rangers, home. May 1, Hudsonville Christian, away. May 3, Zeeland, home. May 4, West Ottawa, away. May 8, Godwin, home. May 10, Wyoming at home. May 12, South Christian, home. May 17, Caledonia, at home. May 19, Hudsonville, at home. May 24, Rogers at Kimball Stadium. May 26, Zeeland, away.
 All games are at 4 p. m. except Rogers at Kimball Stadium 7:30 p. m.

White Cane Week is April 23-27

The week of April 23 to 27 has been officially proclaimed White Cane Week by Michigan's Governor George Romney.

The White Cane movement has been a project of the Lions Club for the past twenty-five years. During this time they have provided White Canes for the blind for their safety in traffic and have acquainted the general public as to their special obligations to the people who carry White Canes. In addition they have conducted a public information campaign to develop these aims.

Anyone wishing more information regarding this fine service may call Rollin C. Hennie, president of the Thornapple Valley Lions Club.

Warning

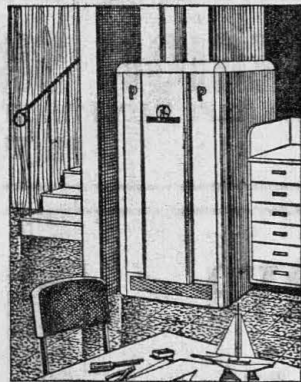

The word WARNING stands out very vividly for us in the Grand Rapids area after the repeated warnings on radio and TV last Friday, urging us to take shelter because we were in the path of tornadoes. That these warnings were necessary became evident when two tornadoes roared through our metropolitan area, causing widespread havoc and destruction. That these warnings were taken seriously is apparent in the fact that there were no deaths and that the list of injured was not large in view of the amount of property that was damaged extensively.
 No doubt there were some people who were unprepared because they did not listen to their radios; and still others were not ready because they made light of the warning. It may make the difference between physical life or death whether or not you take shelter in the time of a tornado warning.
 It is far worse to disregard the warnings of God in respect to your spiritual and eternal welfare. Inattentiveness to God's urgent warnings is disobedience and leads to eternal ruin. God said to the prophet Ezekiel (Chapter 33) "Therefore hear the word at my mouth, and give them warning from me... If thou warn the wicked of his way to turn from it, and he turn not from his way; he shall die in his iniquity." "Be ye reconciled to God." II Corinthians 5:20.

New oil furnace

Iron Fireman CUSTOM Mark II oil furnace
 with instant clean flame. Unequaled for clean comfort, low fuel bills and trouble-free performance

Comfort

With the Iron Fireman CUSTOM Mark II furnace you use a super-sensitive thermostat which operates the furnace with the slightest variation of room temperature. This gives you remarkably uniform indoor temperature. No matter how often the furnace starts there is no smoke, no soot, no fouled combustion chamber, no wasted oil.

Quiet easy-burning globular flame eliminates blow-through roar. Fan has resilient mountings to dampen vibration and is sized for large capacity at low, quiet speeds.

Cleanliness

With the instant clean flame there are no flecks of soot blowing from your chimney or escaping into your home. Hundreds of tests made with smoke-detecting instruments show a flame that's absolutely clean from the very moment it's turned on.

Down go fuel bills

Owners report remarkable fuel savings. There is no smoky warm-up period to foul the furnace and waste oil. Service calls are cut to the vanishing point.

Operates without chimney draft

The CUSTOM Mark II furnace provides its own positive induced draft with precision control. No natural chimney draft required.

Horseshoe season starts

The horseshoe pitching season will officially open Tuesday evening, May 2, when the Covered Bridge Horseshoe Club will get the 1967 Handicap League season underway. All interested parties whether they be men, women or juniors are invited to sign up for the season at the first scheduled meeting. A qualifying round of 50 shoes will be pitched by all newcomers to establish a handicap figure for their initial start at this type of play.

The lights will be ready, weather permitting.
 There is a small annual membership fee, and a small fee is charged each week for league pitching. This fee must be charged to help defray the cost of lighting the courts.

The club's officers have announced plans for the installation of three new courts, concrete at the Ladies distance (30 feet) and a chain link fence on the South side of the courts.

The Covered Bridge Club invites any other club, organization or church group to use the courts providing the courts are not mis-used. Week night dates are available and any interested parties should contact the club secretary, Eugene Polias, Route No. 2 Ada, Phone OX-1-8257 after 6 p. m.

There are several retirees included in the Covered Bridge Club's membership. The club would like to help form a weekly Oldtimer's Horseshoe outing. Most of these people, not all, are couples. Some, not all, of the ladies take a hand at pitching. Most of these retirees are not great ringer makers but they do get great enjoyment and recreation as well as pleasant company of other retirees. The picnic tables will be ready soon.

Handicap Tournaments
 The Covered Bridge Club will join with other horseshoe clubs from Muskegon, Byron Center, Howard City, Greenville, Breckenridge, Shepherd, Sebawaing, Yale, Marlette, and possibly Midland in hosting a series of Handicap tournaments. This will be a jackpot series with the Championship to be decided at Breckenridge on August 26th. Any WSHPA member or any member of one of the participating clubs will be eligible to try for this big prize.

All players are expected to have their own shoes. Most of the local hardware dealers have shoes for sale. If you prefer the professional type of shoes, please contact one of the club

Miss Schipper's wedding plans

Gracia Schipper, daughter of Mr. and Mrs. John Schipper, 7546 Fase Street, Ada, and Edward Tichelaar, Jr., son of Mr. and Mrs. Louis Tichelaar of Saranac, are planning a June wedding. Miss Schipper is a senior at Forest Hills High School and Mr. Tichelaar graduated from Saranac High School and is attending Ferris State College.

Academy dancers at Aquinas fete

On Thursday evening Aquinas College drama students presented Carousal Week's Drama Night in the Carriage House, Theatre in The Round. Drama students delivered various readings and improvisations. Featured was a performance by the Ballet Group from the Academy of Dance. The original jazz ballet entitled "LeConflit" was presented by Edward Riffel and Rich Rahn with Pamela Martin representing Love, Cheryl Mason, Passion, Margi Duiven, Mary Battjes and Val Faunce. Indecision. All the dancers performed with beauty and grace, and Pamela Martin, a fourteen-year-old dance student, was outstanding in the role of Love.

Mr. Rahn and Mr. Riffel, the choreographers, represented Man in the dance and their outstanding talents as dancers as well as instructors showed thru brilliantly.

This summer the two local dance masters will have a busy schedule. They will have the direction of the Academy's girls line for the Lowell Showboat. For two weeks this summer they will be at the Blue Lakes Fine Arts Camp in Muskegon. They will also participate in the "Music Man" to be presented at John Ball Park. The team combination of Rahn and Riffel has made numerous night club, stage and television appearances. Mr. Rahn has danced the lead in "The Music Man" for the Chicago Equity Touring Company, while Mr. Riffel has had dance experience with the Royal Ballet and the London Festival Ballet. The two dance masters donated their talents to the Forest Hills High School for the choreography for "The King and I." They are truly a great asset to our ever growing community.

Muriel Dilley, woman in man's world
Mrs. Muriel Dilley with one of her students at the Kent Co. Airport. Mrs. Dilley is the only woman ground school instructor in the Grand Rapids area.

Do you ever have Walter Mitty dreams of soaring around in the air as free as a bird? For some it may be that getting through the day's routine means hurrying to paint a picture, play a game of golf, or to finish a good book. But for Muriel Dilley a perfect day happens when she has taken care of the needs of her husband, their four teenage children, various community affairs, and she can get to the Kent County Airport as quickly as possible. And when she arrives there it is to go flying, to talk flying, or to teach flying.

But it wasn't always thus. Until very recently, Mrs. Dilley was extremely frightened at the very thought of "flying so high with some guy in the sky" even when the pilot happened to be her husband.

But when they had only ten days for a vacation and decided to fly in order to cover 14 states, Mrs. Dilley said, "that is what proved to me the value of flying. We were actually out in the air for 24 hours out of all of that vacation time and we were able to visit distant relatives and see sights we couldn't have seen any other way."

"But I still wasn't too keen on the actual flying aspect even though I realized the poten-

Willow DeFouw gets wings

Miss Willow Jean DeFouw, daughter of Mr. and Mrs. Gerald DeFouw, 431 Greenbrier Drive, Grand Rapids, has been awarded the silver wings of an American Airlines stewardess after completing training at American's Stewardess College, Fort Worth, Texas.

She has been assigned to flight duty out of Buffalo.

Miss DeFouw was born in Grand Rapids, where she graduated from Forest Hills High in 1964. She also attended Central Michigan University, Mt. Pleasant, as a speech major. She was a runner-up for "State Champion in Bowling" in 1964. She held the title of "Sno-Ball Queen" in 1964. Prior to joining American Airlines, she was employed at Steelcase Company in Grand Rapids.

She is 5' 6 1/2" tall with dark brown hair and blue eyes.

Miss DeFouw graduated with the sixth class of the year at American's unique Stewardess College. During her seven-week training period she studied more than 100 different courses, ranging from make-up & grooming to in-flight food service and theory of flight.

Forest Hills School Board Official Proceedings

The Board of Education of the Forest Hills Public Schools met in regular session the evening of March 21, 1967. Members present were Banta, Colvin, Price, Seidman, Weathers and Zoellmer. Also in attendance were Superintendent Masten, Principals Dalman, Boerman, Bruckman and Roelofs, Supervisor DeArmond, Audio-visual Director Taylor and faculty member Van Aark.

Moved by James Banta, seconded by William Colvin, the approval of Board minutes of February 21, 1967 as presented by mail. Motion carried.

Moved by William Colvin, seconded by William Zoellmer, the approval of Board minutes for the special meeting of March 14, 1967 as read at the meeting. Motion carried.

Moved by James Banta, seconded by William Zoellmer, that the planning figure for the proposed bond issue be reconsidered and that the figure be established at \$1,350,000.00. Motion carried.

Moved by James Banta, seconded by William Colvin, the authorization to issue warrants in the amount of \$130,000.54 from the General Fund, and \$1,872.00 from the Building and Site Fund in payment of bills as presented by mail. Motion carried.

The treasurer, James Banta, gave a summary financial report.

Moved by James Banta, seconded by William Colvin, that the proposed budget revision for the year 1966-1967 providing an estimated year end balance of \$103,000.00 be accepted as presented. Motion carried.

Moved by William Zoellmer, seconded by William Colvin, the authorization to purchase for transportation of Special Education students to Grand Rapids a step van 20-passenger 1967 Chevrolet school bus for \$4,341.75 as bid by Alberda-Shook Chevrolet, purchase of which is covered by the approved, revised budget. Motion carried.

Moved by James Banta, seconded by Sarah Seidman, the approval to hire 4 additional teachers for the senior high school, 2 additional teachers for the junior high school, and 7 additional teachers for the elementary schools, all who will be needed during the 1967-68 school year due to increased enrollment and overcrowded classrooms. Motion carried.

The request of the Varsity Club for a non-instructional, non-participation trip to a Detroit baseball game by school bus is denied due to the fact that the request is against the established policy and practice of the Board. Motion carried.

Moved by William Colvin, seconded by Sarah Seidman, that a committee of the Board be appointed to work with the Superintendent on the question of portable classrooms. Motion carried. President Westhers appointed members James Banta and William Colvin to serve on this committee.

Moved by James Banta, seconded by Sarah Seidman, that Tenure contracts and Probationary contracts be issued to faculty members as submitted in lists A, B, and C of the supplementary agenda, contracts to be issued under the provisions of the Master Agreement with the Forest Hills Education Association. Motion carried.

Moved by James Banta, seconded by Sarah Seidman, that terminations as presented in list D of the supplementary agenda be approved. Motion carried.

Moved by James Banta, seconded by William Colvin, that Tenure contracts be offered to the first two faculty members on list E of the supplementary agenda conditional upon their obtaining certification before the beginning of the 1967-68 school year and that a Probationary contract be issued to the last named faculty member in list E at the discretion of the Superintendent, contracts to be issued under the provisions of the Master Agreement with the Forest Hills Education Association. Motion carried.

The Superintendent gave general reports concerning Forest Hills participation in a local TV program based on the format of the "College Bowl," vandalism at the band festival held at the Forest Hills senior high school, contract negotiations with the Forest Hills Education Association, obtaining of

options on school sites, overtime for hourly employees, and the possibility of more extensive remedial reading programs within the district. The secretary reported on State House and Senate bills which would affect the school district. The Board wishes to extend its condolences to the family of Charles Powell, former bus driver and custodian at Martin school.

There being no further business, the meeting was adjourned.

Respectfully submitted,
Mary Helen Price,
Secretary of the
Board of Education
