fered their 14th consecutive winless football game last Friday night by losing 20-0 to the Rockford Rams

The Rams opened the scoring in the first quarter when quar terback Vic Wolven passed 40 yards to halfback Don Spykerman for a touchdown. The extra point attempt was wide and Rockford led 6-0.

Late in the second period Stan Grochowalski of Forest Hills fumbled a Rockford punt on his own five yard line and a Rockford defender picked up the loose ball and ran it into the end zone for a touchdown. The kick was good for a point, making it 13-0 at the half.

The third quarter saw Rockford drive to the Ranger two yard line, but a fumble recovered by Forest Hills averted this touchdown. Late in the fourth quarter, quarterback Scott Wingeier was rushed hard attempting to pass and consequently threw a stray pass that was picked off by a Rockford lineman. He ran it into the end zone for Rockford's third thouchdown. The extra point kick was good, and Rockford led 20-0.

Delinquency

At a meeting of the Michigan State Employees Association the subject of delinquency was discussed by Sociologist Don-ald H. Bouma, Ph. D., instructor at Western Michigan Univ-

He said: "To observe that 'we have always had delinquency' is to miss the point that delinquency is much different today, both qualitatively and quantitatively. In the past, delinquency was directed mostly against property, today it is increasingly directed against people, even old and helpless

He concluded correctly: "We may well go to the moon, but the greatest distances we have to travel lie in the hearts and minds of men." Grand Rapids Press, Friday, Sept. 15. As Christians we are deeply concerned about the tidal wave of delinqency that is engulfing us. We must make this a matter of prayer. We must call the attention of our youth and their parents to the Word of God with its abiding law proclaimed upon Mount Sinai, and reaffirmed by Jesus Christ. We must call men back to God by the way of the cross of Christ. To rebels we must announce the good news of the

PTO takes quick action to organize

Although the Ada-Thornapple PTO seemed about to rename it-self CHAOS at last week's opening meeting, quick action and Board Meeting the following day reversed the trend and a Get Smart Organization again

the control of the present officers, the first general meeting was a drawn-out, wordy affair with very little accomplished. Last year's President moved to Ann Arbor with her records from the formerly smooth-run-ning association. Last year's Carnival chairman moved to the north country and apparently "lost" all of those committee reports. Both of these woman are fine efficient gals and had put in tremendous efforts on behalf of the schools represented .. but they are human.

So in fine Pollyanna style, members of the Board went ahead and made the best of a bad deal.

Because the Carnival will not be held until spring this year, plans for small money making projects have been formulated and placed on a calendar arranged by the Board.

Copies of this calendar will be sent home to each family as soon as they are completed

Open Houses

Two Open House programs have been scheduled, one for Ada School parents on the evening of October 10th and one for the following week on the 17th for Thornapple School. It was necessary to set aside two nights because of interest conflict when parents had children in both schools. The programs will consist of short periods, probably fifteen minutes, wherein the teacher will describe the school year aims and methods.

Once a month special dough-nut and candy sales will be made to the children who desire to purchase a special treat for themselves. Announcement of the dates will be made thru the school. These treats are for the children to consume, they are not sales to outsiders. In order to insure that Park-

inson's Law does not take over ad infinatum, committee members are listed below. There are still openings available for those hardy souls who would like to offer their time as a service to the community to which they belong. Old salts will be a source of valuable information much needed by this year's PTO while newcomers to the area will meet others and are often possessed of ideas used in their former PTA's, PTO's, and Mothers' Clubs. To offer time call the chairman of the committee in which you are interested or Mrs. James Rooker, Vice President, at 676-3481 who in turn can help you find the proper committee.

Other officers are President. Mrs. Sias, Secretary, Mrs. De-Leeuw, and Treasurer, Mrs. Plafkin. Committees include the mesdames: Health at Thornapple: Gould, at Ada, not filled; Hot Lunch Tickets, at Thornapple, Chairman, Collins; at Ada, Plafkin Lucas, Cheesbro; Telephoning, Bardley, Livermor Library at Ada, Schuter, De-Vol; at Thornapple, Chairman; Bomers, Schueller, Furste, Atchison, Bradley, Gould, Richardson, Manning; Ways and Means, Atchison; Hospitality & Sunshine, Richardson.

Room Mothers

Since the Room Mothers list is not complete, Mrs. Dalrymple the chairman will be glad to have other volunteers. You may call her at 676-4671. As it now stands, those who have taken the responsibility are: Kindergarten AM, Atchison;

Kindergarten PM Holiday, Dalrymple; 1st grade, (Stevens) Shutter, Covert, Sias, 1st (Hardy) Bestrom, Buchko; 2nd, (Lizeuiski), Hemeveld; 2nd (Lilly), Varner; 3rd (Greer) Richard-

In addition to parent meetings, individual pre-school children with speech problems can be observed and evaluated. This will be necessary, in some cases, to help parents begin to use methods and activities that are designed to improve their child's speech. If an early diagnosis indicated that a child has physical or emotional complications, he would then be referred for proper treatment or placement in existing programs geared to meet those needs

The Center's fundamental purpose is to reduce the number of speech problems that are developing during the pre-school years. Many parents do not realize how much a young child relies on them for guidance and direction as he gradually learns to talk. By understanding the essential stages of speech growth, every parent can become a more effective and important teacher for their child. The articulate and expressive speech your children experience will be the reward for your ef-
