Accidents increasing

nine killed ...
 179 injured ...
 since 1965 ...

More motorists traveling M-21 (Fulton Street) from Grand Rapids, through Ada to Lowell, seem destined to become vital statistics as the traffic volume along this already hazardous stretch of state highway climbs steadily.

Reports prepared by the Department of State Highways in cooperation with the Michigan State Police, Kent County Sheriff's Department and the Lowell Police Department show that from 1965 to 1966, as traffic loads increased on this winding, hilly highway, the number of accidents climbed a catastrophic 70 percent, the number of injuries increased by almost 100 percent and the number killed increased by 25 percent.

No attempt has been made to calculate the accompanying increase in property damage from these accidents.

count jumps

In 1965, 3 people were killed and 56 were injured in 87 accidents along this highway. In 1966, when commercial, residential and industrial expansion increased the traffic load, the accident count jumped to 128, resulting in 102 personal injuries and four deaths.

Pointing to the record, area residents say that the treacherous curves and hills on M-21 appear destined to claim even more victims in 1967. With peak driving months and bad weather months still ahead, 21 people have already suffered injury and 2 have died as a result of 1967 accidents that are at least partly due to the unsafe, overcrowded conditions of this road.

by-pass

Professional truck and bus drivers refer to this section of M-21 as one of the worst highways in the entire state of Michigan. In one school district, the school bus drivers, who carry more than 3,000 children daily over M-21, state that because of the hazards of hills, high speeds, narrow pavement, icy curves and heavy traffic, they would by-pass the entire area, if it were possible.

Highway officials while admitting the need for improvement of M-21 from Lowell to Grand Rapids, have indicated that no work is scheduled for the next five years, nor can any be anticipated until the late 1970's. Despite the rapid residential, commercial & industrial growth of the area, a "lack of funds"

continues to prohibit improvement of this highway that was constructed in 1926.

3 to 5

Compared to other highways, official reports show that M-21 has a greater average daily traffic count than sections of the I-96 Expressway. It handles from 3 to 5 times as much traffic as M-44 and more than twice as much as M-57, highways which are located just north of Grand Rapids. Additionally, the 1965 accident records show that M-44 and M-57 had almost 50 percent fewer accidents and no traffic fatalities.

However, the construction and improvement of both of these routes is programmed as work on other less traveled routes such as M-66 in Mecosta county and M-20 in Newaygo county.

Citing these inequities, interested citizens and civic leaders ask that area residents join in urging responsible elected and appointed officials to formulate an immediate program giving reconstruction of M-21 the priority it deserves and to keep the public informed of the progress of such a program.

letters

Letters to the officials listed below will help eliminate the tragedy connected with travel on one of Michigan's heaviest traveled roads.

Governor George Romney, Executive Office, Lansing, Michigan, 48903.

Senator Robert VanderLaan, 4745 Curwood Street, SE, Grand Rapids, Michigan, 49508.

Howard E. Hill, Director Department of State Highways, Stevens T. Mason Building, Lansing, Michigan, 48926.

Senator Milton Zaagman, 2251 Plymouth, SE, Grand Rapids, Michigan, 49506.

Stanley J. Davis, 1336 Leonard Street, NW, Grand Rapids, Michigan, 49504.

Richard Palmer will head 1967 UNICEF drive

The 1967 UNICEF goal set by the Cascade Christian Church Youth Council is 420,000 vitamin pills. It will take \$700, incidentally, to provide this number of pills for children in the blighted and neglected areas of the world. It is the hope of the group to raise this money, in connection with the annual "Trick or Treat for UNICEF" program at Halloween time.

trick

Heading up the 1967 drive will be Richard Palmer, a Forest Hills high school senior, who has been designated as the captain. Serving as lieutenants will be Gary Crum, David VanHeyningen, Mike Johnson, Gerard Bouman and Steven Cribley.

Miss Kathy Rupert will serve as the secretary.

or

Involved in the collections in the Eastmont, Cascade, Forest Hills area will be the six youth groups of the Cascade Christian Church, plus interested youth from the community who wish to assist.

Of the seven hundred dollar local goal, four of the youth groups of the Cascade Church have already pledged one hundred dollars which will be raised through personal gifts and money-raising projects.

treat

Door-to-door solicitations are planned in such a way that it is to be hoped that only one call will be made at each home, the UNICEF collector designating Saturday, October 28, as the day of their drive.

In case of rain, the collections will be made the following day. Checks may be made payable to the Cascade Christian Church Youth Council or UNICEF.

Cascade scout groups organize

Boys Scouts, under the leadership of Scoutmaster Doug Stiles and a fine committee, are now meeting each Monday evening in the Fellowship Hall at the Cascade Christian Church at 7 p. m.

Boys eleven years of age and older are invited to participate. The Scouts have an overnight camp planned at Gaylon for Saturday and Sunday, October 14 and 15.

The Girl Scouts are organized and well on their way. Mrs. Robert Masten and Mrs. John Phillips are in charge of Brownies for seven and eight year old girls.

The girls will meet each Wednesday afternoon after school in the church's Fellowship Hall; the first meeting is October 11.

A Girl Scout Troop for fourth, fifth and sixth graders, ages 9 through 12, will soon be formed under the leadership of Mrs. Donald Ward, Mrs. Bill Rice and Mrs. Donald Loew.

Meeting time and place will be announced soon. If there are any questions concerning these programs, feel free to call any of the leaders or Cascade Christian Church.

Book Fair and open house

Sitting around the table are Douglas Ellinger, son of Mr. and Mrs. Vernon Ellinger, Thorncrest Drive, SE; Marie Jandernoa, daughter of Mr. and Mrs. Robert Jandernoa, Thornapple River Drive, SE, and Judy Barnette, daughter of Mr. and Mrs. Robert Barnette, Jeanlin Drive, SE.

The Cascade School Book Fair Tuesday, October 17, will feature the sale of new and used books during regular school hours, 9 a. m. to 3:30 p. m., and in the evening from 6:30 to 10 p. m.

Anyone wishing to donate used books may leave their contributions at the school library or call Mrs. Roger Hardwicke for pickup at 949-1169. Deposit boxes have also been installed at the D&W Food Store, Kingland's Hardware, and the Cascade Pharmacy for your convenience.

In conjunction with the annual book fair, the school will also hold an open house on the 17th, beginning at 7 p. m. with

a parent's meeting and short program in the school's staff program room.

Introducing the teaching staff and explaining the curriculum for the school year will be Mr. Popma, principal. Parents will then have an opportunity to visit their children's classrooms & meet their teachers.

Committees for the Book Fair and Open House, under the general chairmanship of Mrs. Roger Hardwicke are:

Mrs. Thomas Winquist, Mrs. Richard Laird and Mrs. Robert Woodrick, publicity; Mrs. Robert Cooper and Mrs. Wendell Champion, book selections; and Mrs. John Schulling and Mrs. James Dale, refreshments.

Open subscription drive by students

The tenth annual subscription drive for Suburban Life is starting this week with the almost 600 junior high school students working to raise funds for the athletic department of the school system.

These young people will be calling on you soon, with a request that you either renew your own subscription, or take out one for a friend, or both, in order to help them with their annual project.

This yearly contest leads to intense rivalry between home rooms and individuals as they compete for various prizes and honors. In the past years, the school has earned over \$9,000 for the Boosters' Club projects.

Originally the drive started to pay for the lights on the football field and since they have been paid for, the money has been used for various other needs of the athletic department.

Bernard VanArk is the coordinator of the drive and is assisted by the many home room teachers. The Forest Hills Boosters' Club is the sponsor of the drive. They provide prizes for the top boys and girls in sales.

Returns from Viet Nam

Sp-4 Larry S. Schaub returned September 27 from a years tour in Pleiku, South Vietnam.

After a leave at home with his parents, Mr. and Mrs. Stanley Schaub of 3458 Dean Lake Ave., NE, Grand Rapids, Larry will report to Fort Belvoir, Virginia, on November 5.

Theatre group makes progress

The long awaited advent of a locally based community theatre moved one step closer to reality last Tuesday night when twenty people attended a meeting at Forest Hills high school.

Under the leadership of Gerrit Lamain, the group talked in a general way about all aspects of project, including location, vehicle, financial problems, etc.

While no binding decisions were made, it was generally agreed to request the use of the Forest Hills high school multi-purpose building as a base location for the first year's operation.

Mr. Lamain and Mrs. Elaine VanShuyters will attend the Forest Hills school board meeting scheduled for October 17 to make their request to the school board.

Tentative plans call for at least two productions next summer. Those under consideration are "South Pacific," "The Sound of Music," and "The Student Prince," all obvious favorites with the group.

The next meeting is slated for Wednesday, October 25, at the Forest Hills high school. All persons interested in belonging to the community theatre group are urged to attend these organizational meetings and get in on the ground floor.

Rites held for 2-year-old boy

A funeral Mass was held on Friday morning at St. Mary's Catholic Church in Cascade for two-year-old Curtis Edward VanderLaan, who was killed on Tuesday, October 3, when he crossed the road in front of his home to get the paper. Curtis stepped into the path of a car driven by a Grand Rapids woman, who was unable to avoid hitting the child.

Curtis, who was born in Grand Rapids on July 7, 1965, was the son of Mr. and Mrs. Ed VanderLaan of 2674 Kraft Avenue, SE, in Cascade. Mr. VanderLaan is employed by Steelcase, Inc., as a press operator, and is a well known race car driver.

Besides his parents, Curtis is survived by two sisters, Cheryl and Darla, and one brother, Douglas, all at home; his paternal grandparents, Mr. and Mrs. Bert VanderLaan of Cascade; his maternal grandparents, Mr. and Mrs. Joseph Geelhoed of Ada; several aunts, uncles and cousins.

Tour upper peninsula

Mr. and Mrs. Gerrit DeGood and daughter, Carol, of 28th Street, SE, spent the week end in Michigan's upper peninsula.

Mrs. Frank Feenstra, sr., and Mr. and Mrs. Cornelius DeVos, all of Grand Rapids, accompanied them on the tour.

Open house at Thornapple School trains under Bruce J. Roark combat conditions

Teachers of Thornapple School will welcome parents of children attending that school on Tuesday evening during the annual Open House.

In order that each room may be visited by parents who have more than one child in the building, the times will be staggered as follows: Kindergarten at 7:30, first grades at 7:45, second grades at 8:00 and third grades at 8:15.

Each teacher will present a short talk on the objectives of the year and will answer as many questions as there will be time allotted.

Coffee will be served during the open house by members of the Ada-Thornapple PTO.

PTO will sponsor fund raising sale

Here is a beautiful opportunity for you to rid yourself of your rummage and second-best items and all for a good cause right now.

The Ada-Thornapple PTO will be holding a sale at the Cascade Township Hall on Friday from 10 a. m. throughout the day. Knick-knacks, books, furniture, and games as well as clothing are desired to make the sale a success.

Any contributions may be dropped off at Rooker's Hall on Ada Drive through Thursday evening or at the sale on Friday or you may have your articles picked up by willing volunteers at your home by calling 686-6134, 868-4551, or 949-5619.

Parents' Club will discuss young children

The Honey Valley Parents' Club will meet on Monday evening, October 16, at 8 p. m. in the Egypt Valley School.

A business meeting will be followed by a discussion pertaining to "Our Young Children."

The informative discussion will be led by Dr. Robert Troski, a prominent psychiatrist in this area.

Marine Private Bruce John Roark, son of Mr. and Mrs. A. Roark of 7655 Leonard Street, Ada, completed two weeks of training under simulated combat conditions in the fundamentals of day and night patrolling, employment of infantry weapons, survival methods and assault tactics at the Marine Corps base at Camp Pendleton, California.

This individual combat training is given every Marine after his graduation from recruit training. Taught by combat experienced non-commissioned officers of the infantry training regiment here, it prepares the young Leatherneck to become part of the Marine air-ground combat team.

While in the field Roark was taught how to use hand grenades, a compass and the principles of map reading and land navigation. He learned how to detect and disarm mines and booby traps and, while being exposed to live machine gun fire, he learned to advance safely from one point to another.

From this course, Roark is scheduled to go on to more advanced training before being assigned to his permanent unit.

Michael Garner has military police training

Private Michael E. Garner, 19, son of Mr. and Mrs. Daniel E. Garner, 369 Pettis Ave., Ada, completed eight week of military police training at the Army Training Center at Fort Gordon, Georgia, on September 22. He was trained in civil and military law, traffic control, map reading, prisoner-of-war control and self-defense.

Colleges nowadays are emphasizing education. One university has become so strict it won't allow a basketball player his letter unless he can tell which one it is.

Annual Smorgasbord to be held

Final plans are being made for the 14th Annual Smorgasbord sponsored by the Ada Congregational Church. Over 40 various and delicious gourmet dishes will be served at the annual event to be held Friday, October 13, from 6 to 8 p. m. and Saturday, October 14, from 5:30 to 8:30 p. m.

Co-chairmen of the smorgasbord are, left to right: Mr. and Mrs. Donald E. Johnson and Mr. and Mrs. William H. Wall. Proceeds from the dinner will go into the church building fund.

Mrs. James A. Walquist and Mrs. Larry L. McPherson are in charge of the reservations.

Hobby becomes growing business

Junk into jewelry, hobby into business, is the story of Mrs. Joan Sturdivant of 687 Greenbrier, SE, who will hold an open house in her workshop on Tuesday and Wednesday, October 17 and 18, from 10 a. m. to 5 p. m.

This success story began four years ago when Mrs. Sturdivant felt the need of a hobby to take up some of her time when her children, Martin, 15, and Wendy, 14, were in school.

After turning her back on some of the usual forms of hobbies selected by women in her position, she began working with the then quite new craft of creating artistic pieces out of broken colored glass set in clear resin.

Her first efforts became some very unusual earrings which caught the eyes of her friends. Before long, Joan's basement became a hobby-factory, and she was turning out earrings, wall plaques and pictures.

Word of mouth advertising, plus the very unique work she did made her so busy she soon had to have help from her mother and her daughter, Wendy, in order to keep up with her business.

Never satisfied with the ordinary, nor interested in repeating herself, Joan has extended her line to include lamps, sun catchers in various forms, and what she calls chunkies, which are masses of colored glass of which catch the sunlight.

Joan's newest ventures are a line of Christmas decorations for home and tree, and cuff links for women. She began making cuff links when she found it was difficult to find a really feminine cuff link for the french-cuffed blouses she likes to wear.

Other women have the same problem, and so the cuff links were added to her ever-growing line.

For a very pleasant experience, attend her open house and observe her excellent work first hand.

Catholics take census Sunday

On Sunday, October 15, between the hours of 1:30 and 5:30 p. m., the Grand Rapids diocese will conduct a complete census of every home in the boundaries of the 29 county area. Revolutionary aspect of this census will be the Parishioner Opinion poll survey of the Catholic people contacted which will give every Catholic over eighteen years of age the opportunity to express their personal views on questions vital to the church today.

The purpose of the census is to obtain general information about the religious practices of all baptized Catholics living in the 130 parishes contained in the Grand Rapids Diocese.

Bishop Allen J. Babcock of Grand Rapids has complimented the more than 12,000 workers who have been recruited to help with this gigantic task for their enterprise.

The persons living in the area surrounding St. Mary's in Lowell, St. Mary's in Cascade and St. Patrick's in Parnell are of course, asked to cooperate with the census worker when he calls.

Operation Edith

Chief Howard Butts, of the Ada Fire Department, announced the beginning of Operation Edith. . . Exit Drills in the Home. Operation Edith outlines a pre-plan of action for families to take when fire strikes.

Available in booklet form, it urges families to study the normal and emergency escape routes that can be taken; how to get yourself and others out of windows; how to avoid smoke inhalation; to make plans for a central meeting place so that all may be accounted for; and above all, Edith suggests periodic fire drills by the family and assigned duties to reduce panic when faced with a fire emergency.

Copies of Operation Edith may be obtained from the Ada Fire Department by individuals, civic groups or schools. Also at the Ada Post Office and Ada Hardware.

The value of property saved by the U. S. Coast Guard last year amounted to three times the sum allotted to the Coast Guard for its operation during the same period.

Driving Clinic . . .

The Alaska Homemakers Extension Club are sponsoring a defensive driving clinic as taught by the Michigan Bell Telephone Company. This clinic will take place on

October 17 and 18 at 7 p. m. at the Kettle Lake School on Whiteville Road. Call Norma Sprite at 868-3701 if you would like to attend.

"Now We Live"

The apostle Paul manifested a deep concern for the people who had been converted to Christ during his ministry. One of the churches in which he was intensely interested was the church at Thessalonica. To show that he really cared for them, he wrote: "For now we live, if you stand fast in the Lord." I Thessalonians 3:8.

With these words Paul expresses his fervent desire for the steadfastness of these youthful Christians. When his helper, Timothy, returned from Thessalonica with good news concerning the Thessalonian church, Paul revived, Phillips translates verse 8: "To know that you are standing fast in the Lord is indeed a breath of life for us." Paul really lived when he heard good news about the church of Christ.

Do we live our Christianity as intensely as that? Is there a deep and vital concern in our hearts for the present and future welfare of Christ's church? Do you think much about the church, and pray for her welfare? Do you attend the services of your church faithfully?

Paul lived—not when his thorn in the flesh pricked him less than usually, or when his enemies left him at rest for a while—but when he heard good news about the church! The good news was that the Christians were standing fast. ARE YOU LIVING WITH THE CHURCH? ARE YOU STANDING FAST?

New oil furnace.

Iron Fireman CUSTOM Mark II oil furnace
with instant clean flame. Unequaled for clean comfort, low fuel bills and trouble-free performance

Comfort

With the Iron Fireman CUSTOM Mark II furnace you use a super-sensitive thermostat which operates the furnace with the slightest variation of room temperature. This gives you remarkably uniform indoor temperature. No matter how often the furnace starts there is no smoke, no soot, no fouled combustion chamber, no wasted oil.

Quiet easy-burning globular flame eliminates blowthrough roar. Fan has resilient mountings to dampen vibration and is sized for large capacity at low, quiet speeds.

Cleanliness

With the instant clean flame there are no flecks of soot blowing from your chimney or escaping into your home. Hundreds of tests made with smoke-detecting instruments show a flame that's absolutely clean from the very moment it's turned on.

Down go fuel bills

Owners report remarkable fuel savings. There is no smoky warm-up period to foul the furnace and waste oil. Service calls are cut to the vanishing point.

Operates without chimney draft

The CUSTOM Mark II furnace provides its own positive induced draft with precision control. No natural chimney draft required.

CASCADE OPEN HOUSE — There will be an open house at Cascade School on October 17, in order for the teachers to meet the parents, & acquaint them with the curriculum of the school.

There will be a general meeting in the school's all-purpose room at 7:30 p. m. in which Mr. Popma, the school's principal, will introduce the staff at this time. This will be followed by the parents going to the children's rooms to meet their teachers, and discuss the material which will be covered in the course of the school year as well as the teacher's expectations of the students.

To allow for having more than one child in school, the teacher will repeat their discussions twice so a parent can visit with at least two of their children's teachers.

During that day, the "Book Fair" will continue from 9:30 a. m. to 3:30 p. m. Books may also be purchased from 6:30 to 10 p. m. during the open house.

CARD OF THANKS

To our many friends, neighbors and relatives who expressed their sympathy in so many beautiful and practical ways during our bereavement, the sad loss of our beloved son, brother, grandson and nephew, Curtis E. VanderLaan, we extend our sincere thanks and gratitude. To Dr. Bakeman for his assistance, to Father Milnowski for his comfort, to the pallbearers, race drivers, organizations and associates, we are deeply grateful. The beautiful floral tributes, cards, food, prayers and acts of kindness have meant so much to us at this time.

Kitchen tour hospital benefit

The home of Mr. and Mrs. D. A. Darling, 7396 Oliver Woods.

The home of Dr. and Mrs. James Oosting, 1460 Buttrick Ave.

The home of Mr. and Mrs. Richard DeVos, 2157 Windy Hill.

The home of Mr. and Mrs. W. L. Seidman, 1615 Buttrick Ave.

Five lovely homes located on the banks of the Thornapple River in a countryside now wearing the brilliant colors of the Michigan autumn, will be open Thursday for the annual kitchen tour sponsored by the Little League of Mary Free Bed Hospital and Rehabilitation Complex.

The five homes selected for this year's tour are those of Mr. and Mrs. Richard DeVos, 2157 Windy Hill Drive, SE, Mr. and Mrs. L. William Seidman, 1615 Buttrick Avenue, Dr. and Mrs. James R. Oosting, 1460 Buttrick Avenue, Mr. and Mrs. Daniel A. Darling, 7396 Oliver Woods Drive, and Mr. and Mrs. Daniel B. Wallace, 7386 Oliver Woods Drive.

Tickets may be purchased from members or at any of the homes on the tour.

General chairman of the event is Mrs. Bruce Chadwick Walter, II. Committee chairmen are Mrs. Peter J. Protzmann, tickets; Mrs. Phillip E. Rada-baugh, houses; Mrs. Drake H. Atkinson, treasurer; Mrs. Charles Krupp, supplies; Mrs. Richard Spindle, refreshments; and Mrs. David H. Berles, publicity.

A classic contemporary kitchen is the latest addition to the home of Mr. and Mrs. Richard DeVos. Set high on a bluff overlooking the back waters of the Ada dam, the view could almost be looked upon as part of the decor.

The kitchen is done in walnut, complimented with yellow and brown. A decorative feature of the walnut kitchen is the handpainted border around the room. Good planning makes entertaining a large group easy for Mrs. DeVos.

windowless

The D. A. Darling kitchen is a windowless room which is separated from the glassed in family room by a bar.

Decorated in the Spanish theme, it features a fold-out pantry, built-in warming tray,

and lazy susan shelves. Mrs. Darling has chosen walnut and white as her main colors for her beautifully styled kitchen.

antiques

What is a kitchen without food? Refreshments on the tour will be served at the home of Mr. and Mrs. L. William Seidman where the kitchen was totally remodeled for efficiency for a family with six children.

All this was done without sacrificing the beautiful view of the Thornapple! Antiques add charm to the kitchen and Mrs. Seidman confesses she often spends time in the lovely old rocker which is convenient to her collection of cookbooks while looking for new and interesting recipes and menus for her family.

glass house

The home of Dr. and Mrs. James Oosting is a glass house planned to take advantage of the view of the countryside from every angle.

The galley kitchen is located in the center of the house and is lighted by a skylight. Glassed in ends of the kitchen show views of the woods.

Feature attractions are the counter bread board, cork wall over the built-in desk and a pantry cupboard with pull-out shelves for vegetables.

sky light

Also on the tour is the kitchen home of Mr. and Mrs. Daniel Wallace. The work area is lighted by a sky light and a view of the river may be seen through an infra red lighted passage through into the dining room.

Antique avocado cupboards & appliances with Spanish designs give an elegant touch to the efficient kitchen and eating area which features recessed cupboards and concealed cooking areas.

The pantry is equipped with sloping shelves for the storage of canned goods and all cupboards in the kitchen are equipped with pull-out shelves.

Russ, VandenBos top players

Following Friday night's football game Forest Hills vs. West Ottawa, the Ranger coaching staff voted Steve Russ as the outstanding back of the week.

Russ got both of Forest Hills' touchdowns on a 95-yard punt return, and three-yard run. A senior at Forest Hills, he is the son of Mr. and Mrs. Bill Russ of Dean Lake Avenue, NE.

Steve Russ, No. 10

Forest Hills dropped its third conference game of the season with a 40-12 decision to the hard-charging West Ottawa grid ioners.

Runs by Jerry Klompars and Steve Tucker and a Jim Visser pass to Greg Dalman, all on two yard plays, provided West Ottawa with a 20-0 half-time lead.

Forest Hills fired up in the second half to score twice, but fell short, as West Ottawa crossed the goal line again for 20 more points, making the final score 40-12.

Bob VandenBos, No. 20

Bob VandenBos, an end on the Ranger squad, was voted as the team's end of the week, following Friday's encounter with West Ottawa.

VandenBos played a good game from his position, and made a spectacular tackle following the kick off, and was credited with three unassisted tackles and five assisted tackles.

A junior at Forest Hills High School, he is the son of Mr. & Mrs. Peter VandenBos of 2721 Montreat Court, NE.

Battle of the disc "jollies" is October 21

A fun-filled season of teenage entertainment, provided by the Lowell Teen Center, Inc. will get into full swing Saturday night, October 21, when they will present a first of its kind, a "Battle of the Disc (Jockeys) Jollies."

Intermixed with dancing, the event will be held in the Runciman Elementary Building on High Street, at the Monroe St. intersection, from eight o'clock until midnight. Refreshments, will also be served.

Disc jockeys from radio station WGRD in Grand Rapids will be center stage, providing the gift of gab to collect the most votes and be rated as the top DJ.

The teens on hand for the dance will get a chance to see the WGRD record spinners in action, live and on stage for the first time, in this type of battle, trying to outwit each other.

Following a session of remodeling, the Lowell Teen Center, Inc., will officially open their Fall season at the teen headquarters on Lafayette Street in Lowell, within the next several weeks.

The October 21 dance is open to all teenagers, Michael Harrington, president of Lowell Teen Center, Inc., announced this week. Admission is one dollar per person.

Benefit roller skating party on October 18

To help with the financial support of their adopted Korean orphan, Chun Soon Bok, the two Chi Rho youth groups of Cascade Christian Church are holding a roller skating party Wednesday, October 18, at the American Legion Big Wheel in Lowell.

Skating will take place from 7 until 10, with an invitation to persons of all ages groups to attend.

All profits will be turned over to the Korean orphan fund.

Trinity women to host sixth annual convention

Trinity Lutheran Church Women will be host to the Sixth Annual Convention of the Michigan Synod Lutheran Church Women, October 17 and 18.

Registration and coffee hour will precede the formal opening at 10 a. m. "Divine Multiplication" is the convention theme.

Speakers will be Dr. Inez Seagle of Lenoir Rhyne College, Hickory, North Carolina, and Mrs. Charles Reed, Auxiliary Representative from Alexandria, Virginia.

The banquet will be held on Tuesday evening at East Congregational Church with the Rev. Paul Beatty, Missionary from Guyana, South America as speaker.

A reception for the officers and board members will be held following the banquet.

Study group sets programs, dates, topics

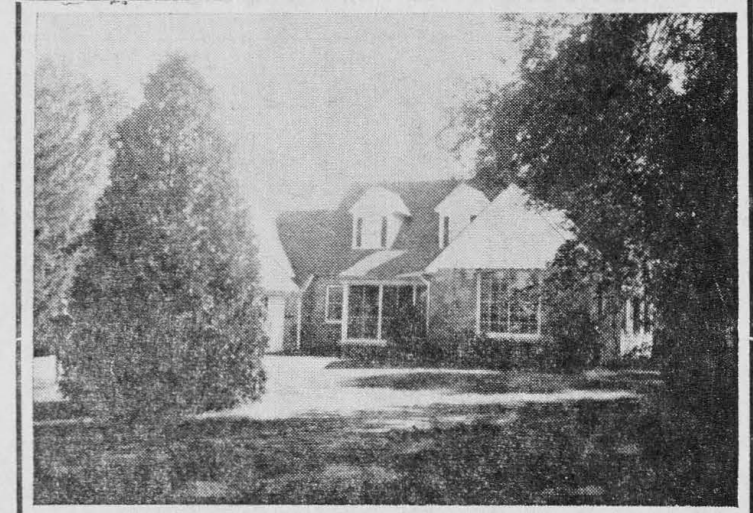

The first meeting of the Pad-dy's College Extension Study group was held at the home of Mrs. Bernard Schaaf, at 7536 Knapp Avenue.

Mrs. Schaaf presided over the meeting, and listed the new officers for the ensuing year. A scheduling of meetings, places, dates and topics was made. The October 24 meeting on "Balance, Appetite and Activity For Weight Control," will be held at the home of Mrs. John Trather, 5825—40th Street, SE.

Other monthly topics chosen were: Bone Up On Meat, November; Laundry, February; You As A Consumer, March; and Understand Yourself, April.

Mrs. Allan Smith, the Safety Chairman, passed out Safety First and Clear Blue Water Books, while telling the different rules of safety to teach children when they are around school buses.

The afternoon's lesson on "Buyer Be Wise," was given by Mrs. Schaaf, who warned that all buyers should be aware of free gifts offered when purchasing things, and a check of the services you will get from the store you are buying from should be complete.
