THIS IS THE ACTION that some lucky contestant in this area will be eligible for in the annual Tom Sawyer Contest at Hannibal, Mo., on July 6. Entries close on Friday, June 28,

at noon for local boys seeking an expense-paid trip to the famed site of Mark Twain's great stories.

Expect Record Cascade Turnout on July 4

The Kent County Sheriff's Department last year estimated that the annual Cascade Fourth of July Celebration drew well over ten thousand persons from the time of the big morning parade through the gala fireworks display in the evening.

This year's committee is confident that the number attending and participating will far exceed the 1967 record, based on response to the committee's appeals.

Many new features and booths will appear, including a Town Band being

formed under the direction of Sy Dykhouse. Interested musicians should meet in the Old Town Hall on Saturday, June 22 at 2 p. m.

Serving again as parade marshal will be Lloyd Winslow. Any organization or group with a float or entry for the

morning parade, should call Winslow at 949-1326.

Children or individuals need not call, but are asked to report at the parade formation at the Cascade Christian Reformed Church on Cascade Road no later than 10:30 a. m.

The schedule for the day's activities:

- 10 a. m.—Booths open.
- 11 a. m.—Parade stressing the theme of Patriotism.
- 12—Presentation of awards to winners in the parade.
- 1:30 p. m.—The traditional canoe race down the Thornapple.
- 2:15 p. m.—The traditional waterball fight between the Cascade and Ada Fire Department.
- 3:30 p. m.—Platform Program at Cascade featuring local talent.
- 4:15 p. m.—Chicken Bar-B-Que begins at the Cascade Christian Church, Orange St.

Veteran Supervisor Seeks Post

Cascade Township Supervisor Gerrit Baker announces that he will seek nomination in the August 6 primary for the post of supervisor for the 3rd District on the reappointed 21-member of the Kent County Board of Supervisors. He will run on the Republican ticket.

The 3rd District comprises the townships of Ada, Cascade, Vergennes, Lowell, Bowne and Caledonia; a portion of Gaines, and all of the City of Lowell.

Baker, who resides at 2811 Thornapple River Dr., Cascade, is the second oldest member of the county board of supervisors, from the standpoint of continuous service.

A member of the county board for more than 24 years, Baker is a member of the agriculture, education and building committees, and the Board of Aeronautics.

In addition to his post as the Cascade supervisor he has served as a member of the district school board, township clerk, treasurer, and justice of the peace.

Owner of the Cascade Realty Company, he is a member of the Grand Rapids Real Estate Board, Grand River Watershed Council, Kent County Assessors Association, and the Society of Resident Appraisers.

Seek Area Entrants for Contest

A local Tom Sawyer contest, first prize of which is an all-expense paid trip by jet to Hannibal, Missouri to compete in the national contest, is to be held in this area in conjunction with the Ledger-Suburban Life.

The contest will be held along the Flat River at a site yet to be chosen.

Each year the Hannibal Chamber of Commerce sponsors a week devoted to the events commemorating Mark Twain. The week-long celebration is highlighted with parades, contests, tours, and many events relating to Tom Sawyer's days along the Mississippi River.

The Chamber of Commerce there also pays all expenses for the winning contestant from this area.

Each entrant must be a competent swimmer who is between the ages of 10 and 13.

Every contestant will build a raft during the morning of the competition with materials provided for them. The rafts will be made from fence posts and twine; no nails may be used. The finished product will be judged on appearance, originality and speed.

A whitewash fence-painting contest will also be held, and judging will be based on speed and quality.

The winner and his father will leave Kent County Airport July 5, attend the national contest on July 6, and return on July 7.

To enter, send your name, address, phone number to the Ledger-Suburban Life, Box 128C, Lowell Michigan, 49331.

All entries must be received by Friday noon, June 28.

All boys will be contacted upon receipt of their entry.

Rare Kidney Transplant on Area Man

A kidney transplant, believed to be the first one in this area, was to be performed on a Grand Rapids man Wednesday at the University of Michigan Hospital in Ann Arbor.

Martin C. VanDam, 38, of 5491 Ada Dr. SE, was the scheduled recipient of a kidney donated by his sister, Mrs. Barbara Eastway, 39, of 452 56th SE, Kentwood.

Mrs. Eastway, a nurse at the Ferguson-Droste-Ferguson Hospital, underwent tests administered by university doctors to determine if she would be a suitable donor for her brother.

VanDam is a victim of chronic nephritis.

Amway Enters Catalog Sales With 300 Items

Amway Corp., a direct selling company of Ada specializing in home care products and toiletries—and which last month added a make-up cosmetic line—today announced that it has entered the field of catalog selling.

The new line offers 300 items. Included are linens and blankets, appliances, ladies' underwear, bathroom accessories, rugs, dinnerware, closet accessories, workshop tools, carpet sweepers and books.

Amway, begun in 1959, now has 80,000 independent distributors in the United States and Canada. Sales are approximately \$50-million annually. However, catalog sales will be restricted to the United States initially.

The additional 300 items include those not regularly manufactured by the company and are intended to be offered to housewives as an additional service after basic transactions have been completed. The initial catalog is in color and consists of 28 pages. Many of the products offered are those of well-known brand names.

CLOSE ADA DRIVE FOR SEWER PROJECT

Ada Drive between Bronson and Alta Dale will be closed for 10 days starting next Monday (June 24) while sewer construction is completed. It was announced today by Ada Township Supervisor Fred Clancy.

AMWAY EXECUTIVE NAMED DIRECTOR

William J. Halliday, Jr., secretary and general counsel for the Amway Corporation of Ada, has been named director for a three-year term on the board of the National Association of Direct Selling Companies at the industry's 54th annual convention in Washington, D. C.

Two Drivers Hit Animals on Highways

It was a bad weekend for drivers and animals alike in this area.

Kent County Sheriff's Department officers answered 2 calls involving automobiles striking wayward animals.

A cow owned by James Abraham of 7938 Whitneyville Avenue SE, Alto, was struck Saturday by a car driven by Jonathan Fields of Middleville. Deputy Jack Christensen reported that the animal was injured seriously enough that it had to be taken to the slaughterhouse.

Nancy E. Martin of 8548 Conservation Dr., Ada, struck a horse owned by Arthur Jackson of 5151 44th Street SE a short distance from the latter's home. Deputy Henry Deblaay said the driver was unable to avoid the collision.

Summer Class Program Good at Forest Hills

Summer school classes at Forest Hills Schools, the first in this area offering an extensive study program, are off to an excellent start.

Don Bruckman, principal of the Orchard View School, who heads up the summer school, lists an enrollment of 85 adults and 270 students of all grades.

The school lists a faculty of 32 including, five student teachers.

Federal Title I, which offers remedial reading and math, has 115 students enrolled from all grade levels.

Joe Popma, principal of the Cascade-Thornapple School, is in charge of the program.

See Link to Wave of Break-Ins

Kent County Sheriff's Department deputies today were piecing together information received from a wave of breaking-and-entering complaints Monday night in the belief that all may have been the work of a quartet of burglars.

Detectives Jim Porter, Phil Hefferon and Dick Williams, all assigned individually to handle the cases, formed an investigative team when it appeared that at least five of the break-ins might be the work of a single gang.

Three of the business places entered were in this area and two others in the north end of the county.

Four men, two of them juveniles, had been taken into custody and questioned at press time.

Hoppy's Shell Station at 4019 Cascade Road, was broken into and approximately \$275 in cash removed from the cash register.

Marathon Station at 2808 East Beltline also was broken into with an estimated wholesale loss of \$350. The thieves took 22 cartons of cigarettes, 20 cases of beer, a portable TV, a fan and other items, officers reported.

Park General Store, located at 6818 Whitneyville Road, also was entered during the night with undetermined losses by theft. Approximately \$40 in cash was taken from cigarette and candy machines, a tackle box and tackle worth about \$100 was missing as was a rod and reed valued at \$35.

Hazardous Intersection Study Near

Traffic engineers today are investigating the possibility of correcting hazardous conditions at the Cascade Road-Forest Hill Avenue intersection, the Ledger-Suburban Life has learned.

Dick Franklin from the AAA Safety and Traffic Division reports that a study of the traffic count in the area may be conducted at an early date as part of similar project scheduled for Kentwood.

It was also learned that Kent County highway engineers were looking into the possibility of adjusting approaches to the intersection to provide better visibility for drivers approaching on Cascade Road.

Plan to Form Town Band in Cascade

Efforts are being made to form a Cascade Town Band to march in the Fourth of July Celebration as well as other community functions in the future.

Old-time musicians or those of college and high school age are invited to attend the first rehearsal this Saturday afternoon (June 22) at 2 p. m. at the old township hall.

Persons interested in the project are asked to contact either Sy Dykhouse at 949-0978 or Bud Palm at 949-1337.

A work-day, to erect the booths in the village, will take place Saturday, June 29 at 10 a. m. under the direction of Jack Buys. This generally takes less than two hours.

Award Bid on Fire Hall For Ada Twp.

Low bidder on the two-stall addition to the Ada Township Fire Hall was Boersma Builders of Grand Rapids, according to Township Clerk Kenneth Anderson.

The project is expected to cost slightly more than \$20,000 and will house one fire truck and a rescue unit which is proposed for eventual purchase.

Construction will commence in two weeks with the completion target date set for September 15.

Troop 102 Serves as 'Guard'

One of the most outstanding Boy Scout Troops in the state of Michigan is based in Lowell.

Chosen to be one of 12 troops out of the 3,000 troops in Michigan, Lowell Boy Scout Troop 102 has just returned from a week at Mackinac Island where it served as the Governor's Honor Guard.

The troop performed its three-fold responsibility of serving the governor, representing the Mackinac Island State Park Commission and the Scouting program, and performing civic duty in contact with the public.

Troop 102 was chosen because it has established an excellent record.

The boys were required to perform such duties as raising and lowering the flags each day, rain or shine (and they had both); and guide post duties within the fort. These duties alone required the services of 37 boys every day.

The scouts went on hikes and trips into town for diversion when they were not on regular or special duty.

Members of the troop extend thanks and gratitude to those people who worked so diligently with them while serving on the many committees that spearheaded and supervised the entire season of state and national pistol matches throughout 1967-68.

Held at the Scout Cabin and hosted by Troop 102, the profit from these matches almost completely financed their entire trip.

The troop received an unprecedented invitation to apply for a return in 1969. If a troop is invited to return, it is almost always on an alternate year basis.

A film and slide program is in the planning.

To be held at the Scout cabin in Lowell, it will give those interested a pictorial story of the fun and adventure experienced by all.

Accidents Run into Big Money

How much does it cost an employer when one of his employees is injured on the job? Depending on what line of work he is in, it could set him back anywhere from 15 television sets to 1,563 two-dollar meals.

To offset the same loss, a restaurant would have to serve 1,563 two-dollar meals; an auto company has to construct two-thirds of a low price sedan; a supermarket must ring up 357 twenty-dollar sales; a bagmaker would have to fabricate 14,286 burlap feed sacks; an office supply store must sell 4,750,000 paper clips.

It is estimated that to offset with profits a \$100 work accident loss, a television manufacturer must build 15 sets; or a department store must sell 8,000 pairs of children's socks; a publisher has to sell 17,500 newspapers; an office furniture manufacturer must make 85 typists' chairs.

Initiate Election Series

(In this general election year, the Lowell-Suburban Life, believes all citizens should be as familiar with election procedures as possible. In cooperation with Cascade Township Clerk Al Heemstra, the following is one of a series to keep you informed of your voting privileges.)

Hopefully, in the weeks to come, this column will be useful through its discussion of the numerous revisions in our

election laws and in our local governing and judicial bodies, as these issues touch the affairs of this community. Our concern is the voter and his franchise—his precious right.

Good government depends upon the informed elector. Voter registration, county reapportionment and an entirely new system of district courts are but a few of the recent changes made by public acts, each of which has an immediate bearing upon us. Let's

take a closer look at these revisions in the law.

Are you a qualified elector? Any citizen over the age of 21 can be. In fact, all young people who will reach that age before August 6 should register now, certainly before July 5, the fifth Friday preceding the primary election.

Those who register after July 5 can not be permitted to vote in the August primary election; their registration will be valid, however, in subsequent elections.

Until this month and the passing of Act No. 46 of 1968, voter registrations could not even be received for the period including five Fridays preceding any election. This new act was a sensible thing; now one can at least register during this "closed" period.

Should any doubt exist as to your being registered, call your city or township clerk. If you've moved, even to the next block, call and give your new address. Perhaps you've moved into another voting district; each year some awake on election day to the fact they've moved into another township!

You can vote at home if you are disabled. If it is reasonably certain you'll be out of town on election day, all you need do is phone your city or township clerk and request an application for an absentee ballot. If you're in town, the absentee ballot can be abrogated and you'll be permitted to vote as usual at the polls.

It has been said that local government, particularly that of cities, "is the one conspicuous failure of the United States." Certainly your city and township elections are important!

No other sphere of government activity offers a greater opportunity for personal service. As many as can should become involved in civic matters.

Right here at home we have ordinance power, police power, the power of taxation and of contracts.

The administrative function of government is democracy's way of dealing with the social and economic problems of the day. The high duty of citizenship demands effective participation by every American.

Be sure of your vote!

Junior Beef Cattle Day at Ada Farm

A junior beef cattle field day for Michigan farm and ranch youngsters has been scheduled for 10 a. m. Saturday, June 29, at Holiday Farm, Ada.

Program highlights will include a livestock judging contest and installation of new officers by the Michigan Junior Angus Association.

The field day will be held in conjunction with the Western Michigan Angus Association field day. The program will be designed to help the young people do a better job with their beef steer and heifer projects.

It will include a type demonstration and talks and demonstrations on how to select, feed, fit, and show a project steer or heifer.

All persons interested in beef cattle are invited to attend.

To Assume New Duties in Jackson

S-Sgt. Gene Rooker, son of Mrs. Mona Rooker, 6441 Ada Drive, has been promoted to lieutenant and transferred to Jackson where he will be assistant commander of the fourth district of the Michigan State Police.

For the past two years, he has been commander of the Rockford post. A member of the State Police for 22 years, he first served in Detroit before assignment in 1951 to Rockford. Promoted to corporal five years later he was again transferred to Detroit, then advanced to sergeant in 1965 and post commander at Alpena. Upon promotion to staff sergeant, he went to Rockford as commander. His new rank of lieutenant will become effective July 7.

Rooker was born in Grand Rapids and graduated from Lowell High School. During World War II he was in the Marine Corps 27 months, 18 of them overseas. He is married to the former Maxine Klein and has three sons and a daughter.

Motorists 'Soft-Pedal' During May

Motorists took to soft-pedaling their autos during the month of May.

This was indicated in the monthly report of Justice Howard J. Rittenger of the Lowell Justice Court.

In May, 20 drivers appeared in court on charges of speeding. This is a big drop in speeding cases, which normally run 50 or more in any given month.

Other court cases included violations resulting from tickets issued for minor offenses, such as failure to yield, careless driving, and the like.

Give OK to Request for Sewer

City Council voted Monday night, during a public hearing, that a need exists to install a sewer line on South Jackson Street over the objections of several affected property owners.

The decision was reached during a special hearing called to act on a petition by Mrs. Charles Manciu seeking the installation.

Present for the meeting were Elmer Lawyer, Mrs. Melvin Lewis and Bruce Weeks, who own lots through which the sewer would be extended.

After considerable debate, it was determined that City Manager Bernard C. Olson, who serves as city assessor, would seek to work out an equitable arrangement for drawing up a special assessment needed to pay for the project, and present the formula at a public hearing in the near future. Cost of the project is estimated at \$2,000.

In other action, the council:

Heard from petitioners who were on hand for a public hearing to determine need for curbs and gutters on Laurie Gail. City Manager Olson was instructed to work out a special assessment for a hearing to be set up in the near future.

Voted to temporarily close Lafayette Street from July 1 to August 31 to permit installation of seats for Lowell Showboat and to approve a request from Showboat officials seeking permission to display a banner over M-21 calling attention to the August 19-24 production.

Heard a request from Root-Lowell Manufacturing Company for installation of a sewer line to its new plant in the northwest section of the city and instructed the city manager to get estimates on costs;

Took under advisement a communication from the Michigan Dept. of Conservation regarding removal of the phosphorous compounds from waste water in line with anti-pollution measures designed to take effect in December, 1972;

Heard a report from City Manager Olson relative to regulations by the Michigan Department of Health that industrial liquid wastes could not be land-filled at the city's dump when that facility is brought into conformity with new state legislation that becomes effective May 28.

'Sniffing' Offender Is Jailed

An 18-year-old Lowell resident was jailed this week when he failed to pay a fine and court costs on a charge of illegal inhalation of model glue and encouraging another person to do the same.

Edward Whitley Weaver, whose address was given as 504 East Main, was remanded to the Kent County jail after pleading guilty to the charge before Justice Howard Rittenger. Weaver failed to pay a \$100 fine plus \$5 court costs and a \$10 fee for officer training services.

Local police officials, concerned with a wave of medicinal reports indicating serious side effects to the practice of glue sniffing, promised to intensify efforts to wipe out illegal use of the substance in Lowell.

Also taken into custody with Weaver was a 14-year-old minor who reportedly was seen in Weaver's company on the C&O Railroad bridge.

According to witnesses, the youngster twice almost fell from the bridge and, when apprehended, appeared to be suffering acutely from the effects of the sniffing.

Police also questioned five juveniles in connection with several alleged breaking-&-entering complaints. Four of them were referred to Kent County juvenile authorities and the fifth released into the custody of his parents.

According to police, three sprayers, \$6 in cash and a number of tools were taken from Root-Lowell Manufacturing Company in one break-in and \$65 in cash, a number of checks, two chain saws and various accessories were removed from Midwest Jacobsen Distributors in the second theft.

Scuba divers from the Kent County Sheriff's Department assisted in recovering the chain saws from the Grand River, where they reportedly were dumped by the gang.

Other missing articles could not be located.

Ex-Runciman GM Assumes New Post

Appointment of William M. Jones, Jr., as controller for the Behler-Young Company of Grand Rapids was announced today by company general manager Richard W. Young.

Behler-Young serves as a distributor and manufacturers representative for heating and air conditioning units and has affiliates in Kalamazoo, Jackson, Saginaw and Traverse City.

Jones recently resigned as general manager for C. H. Runciman Company in Lowell, a subsidiary of J. P. Burroughs Corporation. He joined Behler-Young on June 3.

Now serving his first term as a member of the Lowell Area School District board of education, Jones was elected to the village council in 1956 and served as the last village president in 1958-59.

When Lowell became a city in 1960, Jones served as a member of the charter commission and became the first mayor of the newly-created City of Lowell. He served in this capacity for two years.

Jones has long been active in civic affairs. He was the first president of the Lowell Lions Club, served as charter chairman of the Lowell YMCA Board of Directors and has been an end man and interlocutor for Lowell Showboat.

Jones has resided in Lowell for the past 20 years and will continue his residency here. He and his wife, Ruth, reside at 803 Shepard Drive. The Jones have five children: Sharon, a senior at Western Michigan University; William III, who will enter George Williams University next fall; David, Randy and Debra.

Will Shut Off Power Sunday A. M.

Homes serviced by Lowell Light & Power will be without electricity between 5 a. m. and 8 a. m. this Sunday morning (June 23), according to acting superintendent John Jones.

The power plant will be shut down to permit installation of new switch gear equipment, a procedure that requires turning off all generators, Jones said.

'67 State Champs Win Here

Preview '68, a drum and bugle corps contest held in Lowell Saturday, ended in a close finish with the Royal Lancers of Wyandotte, the 1967 state VFW champions, taking first place; and the Angels of Ohio, the 1967 Ohio American Legion state champions, coming in second.

An all-girl corps, the Vacationland Sweethearts of Port Clinton, Ohio, placed third, with the Marauders, from Madison Heights, coming in fourth.

A separate contest was held for the color guards from each corps, and the final standings were: First, Green Hornets of Comstock Park; second, the Diplomats of Roseville; third, the Maumee (O.) Suns; and Fourth, the Royal Guardsmen of Flint.

The contest co-ordinators, Leon Grove, Bob Green, Jim Glynn, and Don Lehigh, expressed satisfaction, considering that this was the first time that competition of this type has been held in Lowell, at the number of entrants and spectators.

Other committee members included Iris Pace, Lorayne Lehigh, Jerry McCarthy, Lorraine McCarthy, Lou Green, Noreen Grove, Junior DesJarden, Phyllis DesJarden, Gerry Glynn and Wayne Hoag.

Former Councilmen Score Officials on Land Purchase Plan

Dissatisfaction with a recent decision to purchase land outside the city for possible cemetery, park and airport expansion broke into the open Monday night at the City Council meeting.

Former councilman Richard Schlernitzauer, who elected not to seek a new council seat in the April balloting, termed the proposal to purchase a 39-acre tract of land in Vergennes Township "a ridiculous expenditure of money."

Just moments earlier, the council, by a 4-1 vote, had re-affirmed its decision to go ahead with the purchase pending a decision by Vergennes Township officials regarding zoning for the property.

Councilwoman Mrs. Virginia Myers, who had earlier opposed the purchase, voted "no" on a motion that re-affirmed the council's position and "no" again on a subsequent motion to have City Manager Bernard C. Olson set up a hearing before the Vergennes Township Zoning Board of Appeals.

Schlernitzauer exchanged words with Mayor Arnold Wittenbach and Councilman Herb Reynolds while an audience of more than a dozen hung on every word.

Schlernitzauer told the council that "you don't buy something you don't need. About one-third of that land is swamp."

"The cost to develop the property will be great," he added, "not to mention the cost to operate."

"I don't believe you are using good judgement," the former councilman continued. "Five men are interested in the airport... it's a hobby with them and will continue as a hobby."

At this point, Mayor Wittenbach reminded Schlernitzauer that the city's planning commission had recommended the purchase of the property and that the council had voted to go along with the recommendation.

See Letter on Page Seven

Ralph Townsend, chairman of the planning commission, also was in attendance and told the council:

"Perhaps the planning commission was too anxious. We did not know there might be a snag on zoning."

Schlernitzauer then tossed a bombshell at the council.

"There's talk of petitioning for a recall," he declared. "This just looks like a squeeze play to get this plan accepted before the people get aroused."

Councilman Reynolds took exception to these remarks and shot back at his former colleague:

"You have been going up and down Main Street yelling about this plan, but this is the first time you've come here to let your fellows be known."

Retorted Schlernitzauer: "You once called me a rabble-rouser."

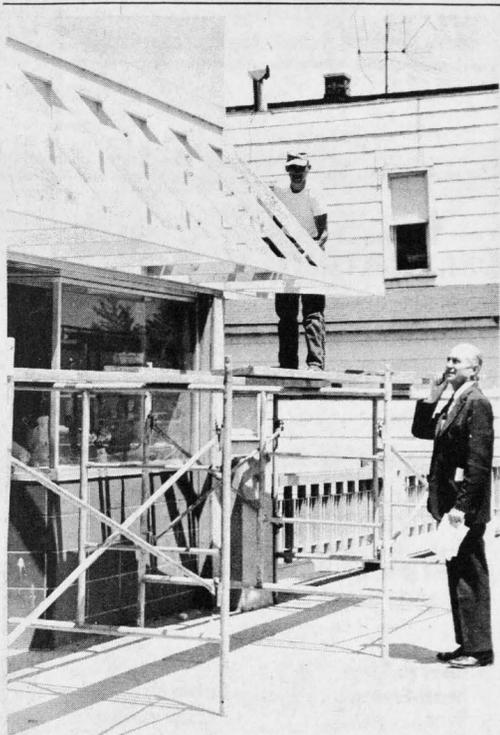

"I said it then and I meant it," replied Reynolds.

Another former councilman Phil Schneider, who like Schlernitzauer did not seek to return to the council table in the past election, also was on hand to speak against the proposal.

"Mr. Mayor," he said to Wittenbach, "we're not in the real estate business."

Mrs. Myers, during one lull in the exchange, noted that there should be, in her opinion, priorities established for things "that are needed to be done in this city" and suggested a public hearing to get citizen expressions.

Almost overlooked during the debate was a request by the proposed seller, John Gerhart, that council give its decision by June 18 (Tuesday). Under the original agreement, council had until June 30 to signify its final intent.

Minor Auto Mishaps Keep Police Busy

A rash of minor accidents throughout the area kept Kent County Sheriff's Department deputies busy over the weekend.

No serious injuries were reported in any of the mishaps.

Two cars sideswiped at the crest of a hill on Honey Creek NE Sunday. One car was driven by Monty Tousignant, 20, of 9451 Vergennes Rd. There were three passengers in the car.

The other car was driven by Gladys Erkes, 68, of 219 Burt. She was treated for head injuries at Blodgett Hospital and released. Also injured was a passenger in the Erkes' auto, Patricia Easley, 62, of 709 Burton, also was treated for head injuries and released from the hospital.

Minor damage occurred when a car driven by Jack Brooks, 1255 40th Street, Wyoming, turned into the path of a car driven by Roger Rowland of 7388 Cascade Rd., at 7690 Cascade Road Saturday morning.

James Potter, 19, of 5515 Bancroft, Route No. 2, Lowell, was shaken when he told deputies he fell asleep while driving on Ada Drive and his car hit a tree. The accident happened Sunday morning.

Help Curb Pollution, City Told

The City of Lowell has been notified by the State Water Resources Commission to improve the city's water treatment plant, and make provisions for the removal of phosphorus elements or both.

According to the Water Resources board, phosphorus is the contributing element which causes algae growth in the Great Lakes and state inland waters.

The city has been given 60 days to notify the commission with intent to comply with their orders. If verification of intent is not received, the commission has the power to force action through the courts.

Lowell was not alone in the order to clean up. Some 59 Lake Michigan basin communities also received notice of a federal-state conference decision that phosphate material be removed from treatment facilities.

The city has until December, 1972, to substantially accomplish the removal.

Lowell also was advised to evaluate its present waste treatment plant with a view of providing future additional facilities.

The state-federal authorities are seeking to bring purer water to Michigan communities, which at the same time eliminates pollution.

Correction!

New salary figures for Lowell Area School District teachers, published in last week's Ledger, were in error.

The actual figures for the 1968-69 school year should have read as follows:

NON-DEGREED — Minimum of \$4,850, an increase of \$450 from 1967-68, to a maximum of \$5,750, also increased by \$450.

BA DEGREED — Minimum of \$6,355, an increase of \$555,

to a maximum of \$10,255, an increase of \$1,255.

MA DEGREED — Minimum of \$6,955, an increase of \$555, to a maximum of \$11,155, an increase of \$1,255.

Superintendent of Schools Pace also noted that the average salary for all teaching personnel for the coming year will be \$8,423, reflecting an average increase of \$927.

The Ledger regrets any inconvenience caused by the error.

Regular Meeting June 10-1968.

Meeting called to order at 7:40 P. M. by Secretary Metternick.

Roll Call. Members Present: Jones, Coons, Metternick, Gerard. Rivette arrived at 8:10 P. M.

Motion by Coons and second by Jones to approve the General Fund bills and the Building and Site bills as listed. Ayes: 4. Nays: 0. Motion Carried.

OLD BUSINESS

1. Mr. Coons, Gary Gilbert and Superintendent Pace reported on the revised Master Agreement with the LEA, and the Board will vote on acceptance of the Agreement at a meeting later in the month.
2. Mr. Jones reported that a contact had been made with St. Mary's in regard to the property just south of the Bushnell School. A report on these results will be made to the Board later.

3. Motion by Jones and second by Coons to appoint Herbert Elzinga and Orville Jackson to the Board of Canvassers for terms ending on July 1, 1968.

Ayes: 4. Nays: 0. Motion Carried.
4. Motion by Gerard and second by Coons to approve the coaching assignments for the 1968-69 school year as submitted.

Ayes: 4. Nays: 0. Motion Carried.

5. Motion by Jones and second by Gerard to hold an executive meeting of the Board of Education on Monday, June 17, 1968, and to hold a special meeting of the Board of Education on Monday, June 24, 1968, to complete year-end business.

Ayes: 4. Nays: 0. Motion Carried.

6. The Board approved the transfer petition of the people living on 28th Street and Buttrick Avenue to transfer from Lowell to Forest Hills as long as they live west of the imaginary boundary line.

NEW BUSINESS

1. Superintendent Pace reported that a new revised budget will be ready for the Board by the June 24 meeting and that the district will have to make a short term loan to meet obligations until local tax money is available.

2. Mrs. William Lomas raised the question as to whether or not it might be less expensive for the school district to mail report cards on the last day of school instead of operating the buses to transport the students back and forth to school on that date. School officials promised to investigate this request and also reported that the day of attendance was needed on last Friday to meet state requirements.

Motion by Rivette and second by Jones to adjourn at 8:12 P. M.

Respectfully submitted, Harold Metternick, Secretary

CINDY SLAMKA

Wins Talent Competition

Cindy Slamka, eleven-year-old daughter of Mr. and Mrs. H. D. Monroe of Route 1, Lowell, is the proud possessor of three beautiful trophies won Friday and Saturday at the U. S. Twirling Association's state-wide competition held in Caledonia.

The judges picked Cindy as the most talented child there when she performed a modern jazz dance routine which she had originated.

She was also named first runner-up to Sheryl Rene Erway of Middleville in the competition to pick Junior Miss Michigan, USTA.

On Saturday Cindy took 1st place in her division, Beginners Twirling.

The happy little Miss will be seen at various activities through the state during the future months.

NORM BORGERSON

Alumnus Honored

Norman E. Borgerson, long-time Lowell resident and former Lowell postmaster, was honored Sunday with a distinguished alumnus award from Ferris State College at Big Rapids.

Mr. Borgerson, an alumnus of the college, was at one time the state assistant superintendent of public instruction and is known as the father of driver training in Michigan. In addition he was one of the founders of the Lowell Showboat.

Recently he returned from his annual six week tour of European capitals. His visit to Paris coincided with the general strikes that recently immobilized the city.

Due to the various difficulties of the DeGaulle regime, he reports, the tourist trade in France has been virtually eliminated.

2 Rangers Invited for All-Star '9'

Invited to be on the John Bos All-Star baseball team for 1968 from Forest Hills High School are Stan Grochowalski and Tom Dygert.

The all-conference medal went to Grochowalski as well as the school's Hustle Award. Rob McCormick ended the season as batting champion with an average of .326.

The leading pitcher for the team was Carl Justice with a 3-4 record. He also completed a fielding average of 1.000.

Tom Teft and Scott Wingier both had four two-base hits to tie a record set in 1965. McCormick had the dubious distinction of being hit twice in the season by pitched balls, but he also got the most bases on balls, 13 in all.

Grochowalski set a new record of 10 stolen bases and Ryan Ashley made one with four pinch hits.

New records in single game figures show McCormick at bat six times in one game. Grochowalski tied a 1965 record of runs scored with three. Wingier got three of his four two-base hits in one game, and Teft batted in five runs in one tilt. Most assists record went to Justice with a total of eight in one game.

Require All Cars to Have Rear Mirrors

Michigan has gone the federal government one better in highway safety, but many state motorists apparently are unaware of it, Secretary of State James M. Hare disclosed today.

All Michigan cars must have an outside rear view mirror on the driver's side, regardless of what year the car was built, Hare reminded motorists.

He noted that a number of tickets are being written by Michigan law enforcement officers for failure to have the outside mirror.

The federal government's National Vehicle Standard requires the outside mirror on the driver's side to be included on all cars built after January 1 of this year, just as it requires shoulder safety belts.

But the Michigan law, which also took effect January 1, requires an outside mirror on ALL cars, no matter when they were built.

Chevelle Malibu Sport Coupe

Chevelle prices not only start a full \$100 less than other mid-size cars—it's more car.

We've thought of things for Chevelle that other mid-size cars would like you to forget. For instance, that taut-lined package above gives you a ride that rivals bigger higher priced cars. (That's because we thought to give it Full Coil suspension. And a separate frame with a computer-refined mounting system cushioning its Body by Fisher.)

The choice of engines and transmissions you have is the greatest in Chevelle's field. And if you're a performance buff, you'll find we did some thinking on your wave length: black-grilled SS 396's with Turbo-Jet V8 power you can order up to 350 horses strong.

You also get more ways of putting your personal stamp on a Chevelle than any other mid-size car offers. Take wheel covers alone. You can order simulated wire ones. Or mag-style. Or mag-spoke. Or rally-type.

Even so, Chevelle prices start a full \$100 under any competitive mid-size cars. How's that for a parting thought!

10th Inning Rally Gains T-C Triumph

Lowell manager Al Baird banged out three hits, one of them to drive in the winning run in the tenth inning, as the team picked up its first win in three starts this season in Tri-County Baseball League's Southern Division.

Roger Butcher was the winning pitcher for Lowell, setting down 10 Pawamo batters on strikes.

In other division action, Portland dropped its first game of the year, which coupled with Vermontville's win left the teams tied for first place with 2-1 records.

Tigers Set July 6 as 'Camera Day'

A new date for the Tigers' "Camera Day," postponed from June 1 because of wet ground conditions at Tiger Stadium, has been set for July 6.

The fourth annual "Camera Day" is scheduled to begin at 1:10 p. m., preceding the regularly scheduled baseball game between Detroit and the Oakland Athletics.

During the half-hour photo session, all fans with cameras will be permitted on the field in a roped-off area along the warning track. Tiger team members will then circulate inside the rope barrier, giving "Camera Day" participants a chance to photograph all of their favorite players.

Seek Swim Entries for City Meet

The Lowell YMCA announces the second annual City Championship Swimming Meet to be held on Saturday, June 29th, at the King Memorial Pool in Lowell.

There will be swimming races for all ages, from 6-and-under up through 15-and-up. Boys and girls races will be separate. The first four places in each race will receive colorful city championship ribbons.

Last year, over 100 youngsters participated, and most won some kind of ribbon for their efforts.

There is no cost to enter, and anyone who lives in Lowell, or who attends Lowell Schools (public or St. Mary's), or who is a Lowell Y member, can sign up. You do not have to be a Y member to enter. Entry blanks are available at the Lowell Y Pool.

A new feature this year will be a special freestyle race for swimmers who have never before competed in a Lowell city meet and who were not swim team members before this year.

Home Runs Feature Little League Action

Tony Grochowalski slammed out three home runs, one of them a grand slam effort, to spark the Braves to two victories during the week in the Thornapple Valley Little League.

Grochowalski's bases-loaded homer was all that was needed in a 16-3 victory over the Orioles in the Major Division. He hit one other four-ply blast and received two intentional walks.

Bill Dangi hit two homers to go with one by Grochowalski in the Braves' 9-4 conquest of the Pirates earlier in the week. Mike Van Aman banged out a home run for the losers.

The Cubs won two games to pull into a three-way tie for second place, including an 11-inning verdict over the Cards, 5-4. Winning pitcher John Vandenberg went the distance.

Another grand-slam home run was registered by Gordon Simons as the Tigers powered their way past Cards, 11-1. Steve Perry was the winning pitcher.

Steve Leach connected for three round-trippers and Steve Martin added a solo blast in the Cards' 11-8 win over the Orioles. Martin was the winner.

The Yankees scored a 2-1 decision over Orioles in Greg Myers' winning mound performance.

Greg Gutos homered and pitched Tigers to a 5-4 win over Indians with help from Chip Vanderjack, who also hit a four-bagger.

Gregg Mall was an easy winner as Pirates beat Yankees, 16-1.

In the Minor Division, the Dodgers stayed atop the standings despite a 9-8 setback at the hands of Bill Orr and the Jets; Harvey Sherd was the winner as Mets out-slugged Astros, 15-8; Devils came from behind to hand the Reds their 11th straight loss. Jeff Sepennan the winner; Bob Stevens was the winner for Twins in a 13-5 conquest of Angels; Don Pollice won as White Sox belted Giants, 17-2; Brandt Leach took the decision as Twins beat White Sox, 7-5; and Tom Lane led Giants to an 11-3 win over Angels.

In the Senior Division, Bearcats struck to an early league lead, winning 2-1 over Lancers behind Curt Dykhuizen; 9-0 over Hawks on Bob Chart-ers' winning effort; and 7-4 over Cougars with Mark Brandstaffer the victor.

Runner-up Lancers also won a pair, 5-0 over Cougars on Bill VanPutten's throwing and 14-4 over Midgets with Mark Anderson on the hill.

The Bulldogs' John Rose picked up the win in an 8-2 decision over the Hawks; Don Murphy was the winner as

Cougars downed Hawks, 17-7; and Midgets scored a 1-0 squeaker over Bulldogs.

DANNY FAULKNER

Rare Mishap Sidelines LL Player

A rare mishap has sidelined Thornapple Little Leaguer Danny Faulkner for the balance of the 1968 season.

A member of Coach Matt VerHill's Tigers, he suffered a 31-stitch cut when he slid into second base in a game played last week. The spike used to tie down the base pierced his leg to the tendon, but did not cut it.

He was rushed to the hospital for sutures and doctors there decreed that he could not expect to play again this season.

Danny is the son of Mr. and Mrs. Roger Faulkner of 9275 Conservation.

Forest Hills Country Club provided Jerry Hutton of Grand Rapids with the second hole-in-one of his career Sunday. Hutton sank his tee shot on the 95-yard seventh hole. Witnesses were his wife, Jean, and Mr. and Mrs. Edward Gilmore.

Senneker Coasts to Easy Win

Bob Senneker of Grand Rapids labeled himself as one of the top contenders for the 100-lap Midwest Invitational Championship Race, by driving his 1965 Chevelle to victory in the feature event for semi-late model stocks Saturday night at the Berlin Raceway.

Senneker burst into a quick lead on the sixth lap of the 25 circuits and spent the rest of the event holding off the repeated challenges of Randy Sweet in a '65 Ford.

Sweet lost second place to the winner's brother, Rich, and settled for third in front of Bob Carnes of Kalamazoo and Gil Cobb of Ada.

Taking checkered flags in the preliminary runs were Dick Dunchee, Leo Havens, Don VanderMolen, Rich Senneker, Gene Edding, and Carnes.

This Saturday night (June 22), Marne will be the site of the Midwest Invitation Run.

The driver bagging the lion's share of the \$5,800 purse will get \$1,200; that includes \$500 in lap prizes.

Cascade's Ed Vander Laan who was injured and hospitalized two weeks ago at Oswego, New York, has returned home and is recuperating.

Bid to Fill Openings on Swim Team

The Lowell YMCA swim team has started practice for the summer season. All boys and girls, ages five through 17, are invited to try out for this year's team.

New members are especially needed for all age groups: 6-and-under, 7-and-8, 9-and-10, 11-and-12, 13-and-14, and 15 and over. Boys & girls swim separately. All that is required is some ability to swim and a lot of desire to learn and to work hard. See Bob Thaler at the Y Pool to find out if you can qualify to join.

The team practices every day, except Sunday, at these times: Ages 11-and-up, 8:45 to 10:15 a. m.; Ages 9-through-11, 9:15 to 10:30 a. m.; Ages 8-and-under, 10:15 to 11 a. m.

The Lowell Y Swim Team competes in the Mid-Michigan Swim League.

Thank you notes, many different patterns. See them at the Ledger office.

POOL TALK

In this column, to be published from time-to-time this summer, we will bring you news and notes from the Lowell YMCA Pool, about such things as water safety, swimming hygiene, program changes, lessons, and general swimming hints.

Parents are urged not to allow swimming to take the place of a child's regular baths or showers. Swimming, and the showers taken before and after swimming, all with swim suits on, do not sufficiently clean important body areas. For his own health and well-being, then, he should have a regularly scheduled thorough bath or shower. We have found at the pool that many youngsters have to be instructed on how to take a thorough soap shower.

Children should shower both before and after swimming at the pool. The shower before swimming removes dirt, dust, and grime which naturally accumulate on busy, playful bodies. This helps to maintain the cleanliness and purity of the pool water. The shower after swimming washes off the chlorine water, which may cause irritation in a few individuals otherwise. It also serves to rinse the chlorine water, thereby measurably increasing the life of the swimming suit. Cotton fabric and thread are particularly vulnerable to deterioration in chlorine water, a rinsing shower after swimming effectively checks this tendency.

We are most fortunate that this year, for the first time, all of the pool staff are currently certified Red Cross Water Safety Instructors. The W.S.I. rating is the highest general classification given by the Red Cross, and is the next rating above the Senior Lifesaver category. This year's pool staff includes:

Terry and Patt Bambrick. Terry is the executive secretary of the Lowell YMCA and is also serving as pool director for the summer. His wife, Patt, is working on the pool staff for the first time. Besides guarding and instructing, Patt works with the synchronized swimming group. The Bambricks have two boys, Sean, 5, and Tim, 4, who are becoming accomplished swimmers in their own right.

Bob Thaler, in his third summer on the Lowell pool staff, also coaches the Lowell YMCA swim team. He graduated from Lowell High in 1960, attended Michigan State, and is now a student at the Yale Divinity School. He and his

Sweet sixteen and having a party to celebrate the happy date? Have invitations printed. Available at Lowell Ledger-Suburban Life office.

wife, Diane, live at 516½ W. Main St.

Kay Jackson, who graduated from Lowell High in 1967 and attended Michigan State University, is a first-year staff member, and also assists with synchronized swimming.

Mary Brooks hails from Muir, and just graduated from Central Michigan University. She will be teaching at the Lowell Junior High School in

the fall. This is her first summer on the Lowell pool staff.

Less than 15 percent of the nation's population know how to swim. Many needless drownings occur each year. Why not make sure this summer that your child finally learns to swim? (And maybe you, too.) The next two-week session of lessons begins next Monday, June 24th.

Bluebirds Pay Visit to News Operation

Twelve Happy Bluebirds recently visited the Lowell Ledger-Suburban Life printing plant, accompanied by their leader Mrs. Donald Sias.

It took about an hour to acquaint them with the intricate operation of putting an offset newspaper together.

First, they watched the plant tele-typesetter as the operator translated live news copy into words which appeared in the form of a tape punched with varied-positioned holes.

From the tele-typesetter, the tape was then taken to a box attached to a linotype, where it was "threaded" through an automatic electronic unit.

As the linotype mechanism was switched on, the tape then caused linotype matrices to fall into an assembly unit, which re-formed the words punched into the tele-typesetter tape.

One line at a time was formed in the assembly unit and each line then was cast into a line of type.

From there the Bluebirds watched the printers make proofs of news stories from the assembled lines of type.

The little girls were then taken to large slanted desks with glass tops and with neon tube lights penetrating the glass.

Here the news stories and advertisements and pictures were pasted up on a full-page layout sheet, the size of an actual newspaper page.

It was then explained that the layout sheets of the completed page make-up are photographed, and the resultant negative of the pages were placed or "burned" onto an aluminum plate.

Also explained was the method of printing, by offset, of an entire edition of the Ledger-Suburban newspaper.

The youngsters were also shown other printing presses and equipment used in producing commercial printed forms.

During the visit the Happy Bluebirds had their picture taken. From left to right they are: Karen Kerr, Beth Rivers, Mrs. Donald Sias, leader, Laura Dey, Wendy Richmond, Sheryl Sias, N. Louise Weeks, Dianna Worthington, Teresa Noffke, Marta Schneider, Patty Timiniskis, Jodi Jenkins, and Nancy Fish.

Letters to the Editor

Regarding the article "Homeowners Face Council in Interceptor Road Protest" at which we were present. Here I wish to air our views to you and your readers.

We are being pressured and even threatened to the point of being taken to court to push the Hudson Street extension through.

Inquiries were made many, many months ago and we discovered that no one would admit any knowledge of this project. Then one day last year surveyors were swarming all over Hudson Street and beyond the City Limits. And still we could get no information on this project. The first official knowledge we had of this project was the day the County made it known they wanted to buy some land for a road extension. We feel that there are problems in the City of Lowell that are much more important than this road extension.

There are some people on Hudson Street just a few blocks from Main Street who still have to use septic tanks. Several local citizens in this same area weren't able to get enough water when they turned on a faucet. But nothing was done for them, so at their own expense they drilled their own wells.

You have small children attending a new school building that doesn't even have sidewalks so they can walk safely to school. You have trucks and semi-trucks going to a factory on streets that were not made for heavy traffic. But has anything been done to improve the situations?

We feel that this road extension will only end up as a race track and drag strip.

We wish to quote "No matter how valuable and sound plans may be to every resident of the community, elected officials can not adopt plans and carry them out as a matter of course. Theirs is not the final voice, as in management's in industry. Without the wide support and understanding of their citizens, even the soundest of planning programs faces a very negative future."

The level of success or failure which the City of Lowell will achieve will depend upon its citizen's responses and understanding."

But in spite of the above paragraphs, we were informed at this same meeting that this extension was going through and that the final decision will be made by the management.

Mr. Editor do we, or do we not have rights as citizens to fight for what we believe in or do not believe in. Is it just law or is there justice?

Sincerely,
Mr. & Mrs.
Earnest Kaufman

To the Editor:

Congratulations on the improved appearance of your paper with change to offset printing. The color reproduction in recent issue was really a milestone for small city newspapers.

You maintained excellent color fidelity and registration. A big step from the reproductions of 1912 when I started in business in Lowell.

I recall the great thrill I experienced when I saw my first color picture reproduced in the Milwaukee Journal in about 1930. I think it was the first newspaper in the U. S. to reproduce color (photogra-

vure) about 8" x 12" from 35 MM Kodochrome.

Now our pictures are reproduced in color by the millions all over the world.

Mrs. Avery joins me in wishing you many years of success in your business career in Lowell.

Sincerely,
Norton Louis Avery

Dear Sir:

A tip of the old fedora to Councilwoman Virginia Meyers for the lone dissenting vote of the council on the purchase of additional airport property for our five man air force. Apparently Mrs. Meyers is more interested in the many than the few.

Personally, I feel and have always felt, that for the use our airport gets, it is plenty adequate. Probably less than five air miles from our airport, we have one of the most modern facilities offered for aircraft in the state of Michigan.

So, if the citizens of Lowell are willing to support this hobby which involves hangars, asphalt runways, wages for a man to be on duty 24 hours a day, which is what it will take to get Federal or State support for this facility, they must expect an increase in taxes! Already we support with our taxes, our new Kent County Airport.

The purchase price of this land is \$21,000. This is just the beginning! I estimate about \$80,000 for runways, probably no less than \$5,000 per hangar, and a \$5,000 yearly wage for maintenance and personnel to operate the airport.

Trying to justify the purchase of \$21,000 in land so that it could be used for cemetery purposes also, is just a subterfuge to expand the airport facilities.

To my way of thinking, we have much more important projects coming up in the very near future—No. 1, Curb, gutters, and storm sewers, which will entail over a million dollars in expenditures, mostly to be borne by the taxpayer; No. 2, a secondary treatment plant for the sewage disposal unit, probably a hundred thousand dollars plus, also a burden to the taxpayer; No. 3, a new Junior High, or Middle School building, and I have no idea what the cost of this project would be, but plenty!

If you are interested in having your tax money spent wisely, contact your favorite councilman and make your thoughts known on this subject, or better yet, attend the next council meeting and inform these elected officials on how you want your tax money spent.

BUILD YOUR NEW GARAGE WITH Extra STORAGE SPACE!

DESIGN NO. 2515

So Many Ways to Use the EXTRA ROOM

JUST two feet added to the length or width of your garage can give you extra storage space that will serve many practical uses.

Our new-style garages, only slightly larger than the standard size, provide this space in a most economical way. Sketched above is one way to do it, while at the right are typical ways to use the extra space allotted.

Stop in and see the plans for these and the many other designs. They are all shown in Weyerhaeuser's 4-Square Garage Design Catalog. It is new. Ask for your free copy.

REV. HARTWELL GOSNEY

Will Occupy Pulpit During Pastor's Absence

Members and friends attending the First United Methodist Church of Lowell last Sunday welcomed the Rev. and Mrs. Hartwell Gosney with receptions following both services.

Rev. Gosney has been appointed by Bishop Dwight E. Loder to serve on a part-time basis with the Lowell Church. He will take over the preaching responsibilities while Rev. Robert Webber is on vacation and, in addition, will do visitation in the Lowell area and at Grand Rapids hospitals. He will be available to give pastoral assistance at any time of need during Rev. Webber's absence.

When Rev. Webber returns from vacation, Rev. Gosney will continue to serve the Lowell church primarily in the area of parish visitation two days a week.

Rev. Gosney was formerly pastor of the South Wyoming United Methodist Church, near Byron Center. He has also served Methodist Churches in Marne and Nunica.

Prior to beginning his ministry here in Lowell, Rev. Gosney had a total of thirty-five years as a Methodist pastor.

OFFICERS RE-ELECTED

The Gay Nineties of the Alton Church held their annual meeting on Sunday, June 9.

The following officers were re-elected for another year: Gordon A. Frost, president; Delbert Kropf, vice president; Mrs. Carl Taylor, secretary-treasurer and Mrs. Chris Kropf, historian.

Appalachia Bound

Five Post-Hi youth and Rev. Raymond Gaylord are busy making preparations to go to the Hocking Valley Parish close to Athens, Ohio, June 16-23 to conduct Vacation Church Schools and to assist Paul Johnson in his work there.

The young people will conduct a Vacation School each week day morning at Taylor Ridge in a one-room church house, working in a similar school each evening at Trimble where the Christian Church unites with the Methodist Church.

Rev. Gaylord will enter into some visitations, as well as teaching an adult Bible class each night at Trimble. He will preach the last Sunday at two or three of the churches on Mr. Johnson's 5-point circuit.

The Cascade youth will do their own cooking while there, having fun periods and serious discussion among themselves and with other hi school youth in the area.

CARD OF THANKS

We wish to thank our neighbors, friends and relatives for the many kind deeds and acts of sympathy at the time of the loss of our son and brother, Cpl. Lee Himebaugh, in the service of his country.

Mr. & Mrs. Bert Himebaugh and family

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our relatives, neighbors and friends for their kindness and sympathy at the loss of our dear father, Cornelius Vander Jagt. Also for the beautiful flowers, cards, food and those who helped in so many ways.

Mr. & Mrs. Richard Nordhof p-11

Pick New President of B & PW

Mrs. Irene Osborne was installed as president of the Lowell Business and Professional Women's Club at the annual dinner of the club last week to serve for the coming year of 1968-69. Mrs. Elva Topp is the new vice-president; Mrs. Irah Melle, secretary; and Mrs. Mary Crane will assume the duties of the treasurer. Miss Elizabeth Sage of the Grand Rapids B&PW club conducted the installation.

A timely poem, read by Mrs. Theo Schutt, and three piano solos by Miss Christy Yeiter rounded out the program which followed the dinner. Novelty vases holding colorful artificial flowers formed the decorations for the tables and corsages were presented to Miss Sage and the new officers.

At a brief business meeting preceding the installation, Mrs. Osborne gave a report of the state convention which was held in Traverse City and members voted to accept the invitation of Mrs. Lylia Johnson to hold the annual picnic at her Blue Lake cottage on July 21.

CARD OF THANKS

Our most sincere thanks to all our friends, neighbors and relatives who helped to make our 50th wedding anniversary such a wonderful occasion. Thank you all for the lovely cards, flowers and gifts. It was a day we'll never forget.

We also wish to thank our friends who were so kind and thoughtful while we were in the hospital. The cards, flowers and gifts sent us were very much appreciated.

IT WAS MOVED by Councilwoman Myers, supported by Anderson, that the minutes of the May 20, 1968 meeting be approved with some corrections noted by the Manager and a change in the percentage figure regarding special assessment for water in Beech Street from 26 percent to 23.8 percent, all of which were corrected at the meeting.

Yes: Myers, Wittenbach, Anderson, Jefferies, Reynolds, 5.
No: None.

The City Clerk read lists of deposits which had been made to the various accounts following the May 20, 1968 meeting:

General Fund	\$1,190.76
Water Fund	7,167.65
Sewer Fund	14,170.04
Cemetery Fund	100.00
Motor vehicle Highway Fund	\$12,748.54
1965 Debt Retirement Fund-Water	3,936.14
1965 Debt Retirement-Sewer	11,208.24
Bills payable read:	
General Fund	\$5,088.89
Water Dept.	18,938.22
Sewer Dept.	11,810.29

UNFINISHED BUSINESS

1. Advisory hearing on increased special assessment for Beech Street water installation. One resident who had purchased one affected property was present to inquire the date of the assessment and when the installation was completed. Since no person appeared to protest the additional assessment in amount of 23.8 percent, Council accepted the recommendation of the Manager made at the May 20, 1968 meeting and made the additional assessment, notice of which went to affected property owners in April, 1968.

2. Approval of Valley Vista Plat No. 5. (See MOTIONS).

3. The Manager reported that the County land buyer has acquired signatures of all needed property owners for the acquisition of land necessary to the extension of Hudson Street to Lincoln Lake Avenue. (See MOTIONS).

4. Manager Olson explained the expediency and value of giving the County jurisdiction of M-91 south of M-21 and M-91 from Hunt Street north to its connection with Lincoln Lake. By relinquishing such jurisdiction the County will assume half the cost of the Hudson Street extension, as well as half the cost of storm sewer installation in Hunt Street. If the City retains jurisdiction, the County will charge the City on a cost basis for the engineering costs of the project, as well as the cost of the improvement which is within the city limits. (See MOTIONS).

CITY MANAGER REPORTS

1. Request for sewer main installation in Kent Street. (See MOTIONS).

2. Request for curb and gutter installation in Laurie Gail Drive. (See MOTIONS).

3. The Manager reported that the City's license to operate the dump had expired as of May 31, 1968 but that engineers are in the process of performing the necessary topographical work, that we have a bulldozer and have one price for a pole-barn, will secure one more such price. The Manager cited the need of installing a fence, also stated that possibly the opening of the dump could be limited to two or three days a week.

4. Sellers of property for cemetery-airport development have presented an agreement whereby the City would pay \$2,000 down and \$2,000 annually. Council requested procurement of clarification on whether the \$2,000 annually would include the stipulated 5 percent interest, and procurement of a sample of the intended contract form.

5. \$1,400.00 is the amount of the City's share of assessment for the Cherry Creek drainage project, Manager Olson reported.

6. Recommendations for cemetery operation were presented to individual Council members for study and establishment of policy in the near future.

7. The Manager reported that all was in readiness for dedication to the City of the street adjoining Calvary Chapel on the west. (See MOTIONS).

NEW BUSINESS

1. Request for water-and-sewer charge credit was presented by automatic laundry operator who had been located at East Main at Washington Street. Referred to Manager.

2. The Manager recommend-

ed a new layout for the East side parking lot due to the frequency of accidents therein. No action taken.

3. The Manager reported that the Planning Commission has recommended a proposed change in the Zoning Ordinance to permit two-family dwellings in the A-1 District, under certain conditions. A hearing date was set. (See MOTIONS).

4. The next step in the proposed lift station installation, the Manager reported, is the taking bids. The Manager was authorized to work with Douglas Dok and to arrive at a recommendation which will be brought to Council at possibly a special session.

5. Council members were in agreement with flying city flags at half-mast during the time of service if the service is held in Lowell, or during time of service for a Lowell serviceman, if services are held elsewhere.

IT WAS MOVED by Councilman Anderson, supported by Councilwoman Myers, that the bills payable be allowed and warrants issued.

Yes: Anderson, Reynolds, Myers, Jefferies, Wittenbach, 5.
No: None.

IT WAS MOVED by Councilman Anderson, supported by Councilwoman Myers, that the appropriation be and hereby is approved for the acquisition of parcels of property necessary to the extension of Hudson Street to Lincoln Lake Avenue;

BE IT FURTHER MOVED that the Mayor and Clerk be and hereby are authorized to sign agreements effecting such acquisitions.

Yes: Anderson, Myers, Jefferies, Reynolds, Wittenbach, 5.
No: None.

IT WAS MOVED by Councilman Anderson, supported by Councilwoman Myers, that the following resolution be adopted:

WHEREAS a verbal petition was received on May 20, 1968 for installation of sewer main in Kent Street from Jefferson to Jackson Streets; and

WHEREAS the City Manager has reported to the Council that the Assessed value of affected properties is \$4547.50; Number of parcels delinquent, 0; Number of parcels owned by public authority, 0; Number of lots to be assessed, 6; The estimated cost of 380 ft. of 8" main, \$1,700 to 2,000; Recommended spread of annual installments, 5; Recommended rate of interest, 6 percent.

NOW, THEREFORE, BE IT RESOLVED that a Public Hearing shall be held at 8 p. m. on June 17, 1968 in the council room of the city hall on the necessity for such proposed special assessment.

BE IT FURTHER RESOLVED that proper publication and notices be made as required by ordinance.

Yes: Anderson, Wittenbach, Myers, Jefferies, Reynolds, 5.
No: None.

IT WAS MOVED by Councilman Reynolds, supported by Jefferies, that the following resolution be adopted:

WHEREAS a petition was received at the May 20, 1968 Council meeting from residents of Laurie Gail Drive for installation of curb and gutter from Valley Vista Drive to Donna Drive; and

WHEREAS City Manager Olson has reported to the Council that the Assessed value of affected properties is \$111,700.00; Number of delinquent parcels, 0; Number owned by public authority, 0; Number of parcels vacant, 3; Total parcels to be assessed, 20; Estimated cost of 1473 lineal feet of curb, \$5,300.00; Recommend spread of annual installments, 5; Recommended rate of interest, 6 percent.

NOW, THEREFORE, BE IT RESOLVED that a Public Hearing shall be held at 9 p. m. on June 17, 1968 in the council room of the city hall on the necessity for such proposed special assessment.

BE IT FURTHER RESOLVED that proper publication and notices be made, as required by Ordinance.

Yes: Reynolds, Jefferies, Anderson, Myers, Wittenbach, 5.
No: None.

IT WAS MOVED by Councilwoman Myers, supported by Reynolds, that the completed street immediately west of Calvary Church on West Main Street be and hereby is accepted as a public street of the City of Lowell and shall be called "Church Street."

Yes: Myers, Reynolds, Anderson, Wittenbach, Jefferies, 5.
No: None.

IT WAS MOVED by Councilman Jefferies, supported by Reynolds, that the following resolution be adopted:

WHEREAS the Board of County Road Commissioners of the County of Kent, under the provisions of Section 9.118 of Michigan Statutes Annotated, as amended, and its Res-

olution under date of May 3, 1966, has offered to take over as County roads certain roads running through and under the jurisdiction of cities and villages in the County, as the same may be mutually agreed upon between the Road Commission and such cities or villages, upon the conditions set forth in the Road Commission Resolution of May 3, 1966; and

WHEREAS Hudson Street in the City of Lowell constitutes a part of Highway M-91, which highway the State Highway Commission proposes to relinquish to the City of Lowell in the future; and

WHEREAS Hudson Street jogs to the East at its intersection with Hunt Street and the City is desirous that said jog be eliminated by the construction of a new portion of road extending North from the intersection of Hudson Street and Hunt Street to the North line of the limits of the City, the same to connect with a new County road to be built by the Kent County Road Commission from said point to a connection with Lincoln Lake Avenue; and

WHEREAS the City of Lowell is desirous of having the Kent County Road Commission take over as a County road all of Hudson Street (M-91) within the City of Lowell lying South of its intersection with Hunt Street, at such time as the State Highway Commission relinquishes its jurisdiction over the same, and also desires, upon completion of the construction of the portion of the proposed new road extending from the intersection of Hudson and Hunt Streets North to the city limits, that the same be taken over by the Kent County Road Commission as a County road to the end and to the effect that all of Hudson Street in the City of Lowell, as thus extended, become a County road under the jurisdiction and control of the Kent County Road Commission;

BE IT THEREFORE RESOLVED that the City of Lowell hereby authorizes the Kent County Road Commission to make plans and specifications and construct for the City of Lowell a new road to constitute an extension of Hudson Street from its intersection with Hunt Street North to the North city limits of Lowell, the centerline of said extension being described as follows:

Commencing at the intersection of Hunt Street and Hudson Street centerlines, thence Northwesterly Seven Hundred Seventy-six (776) feet on a line Thirty-three (33) feet East of and parallel with the East lot lines of Lots Nine (9) and Fourteen (14) of Block Two (2), Fox's Addition extended to the North section line of Section Two (2), Town Six (6) North, Range Nine (9) West, Kent County, Michigan;

BE IT FURTHER RESOLVED that the City of Lowell undertake to procure the right-of-way for said extension and that the costs of said right-of-way and construction of said portion of road be shared fifty (50) percent per cent by the City of Lowell and Fifty (50) percent per cent by the Kent County Road Commission, engineering and preparation of plans and specifications to be provided by Kent County Road Commission without cost to the City of Lowell.

BE IT FURTHER RESOLVED that immediately upon completion of construction of said extension, the City of Lowell give its written consent to the Kent County Road Commission that the same be adopted as a County road by the Kent County Road Commission;

BE IT FURTHER RESOLVED that at the time the State Highway Commission relinquishes its jurisdiction over M-91, lying within the City Limits of the City of Lowell, that the City of Lowell give its written consent to the Kent County Road Commission that the same be adopted by the Kent County Road Commission as a County Road;

BE IT FURTHER RESOLVED that all of the above matters be in accordance with and subject to the conditions,

provisions and obligations as set forth in the Kent County Road Commission Resolution of May 3, 1966, pertaining to the taking over by the Road Commission of roads and streets lying within the corporate limits of cities and villages.

Yes: Jefferies, Reynolds, Anderson, Wittenbach, Myers, 5.
No: None.

IT WAS MOVED by Councilman Jefferies, supported by Reynolds, that the following resolution be adopted:

WHEREAS the Planning Commission has recommended to the Council that an amendment to the Zoning Ordinance be adopted which would permit two-family dwellings in an A-1 District provided certain conditions are met;

NOW, THEREFORE, BE IT RESOLVED that a Public Hearing be and hereby is set for 8 p. m. on Monday, July 1, 1968 in the council room of the city hall to hear all persons interested or affected by such proposed zoning amendment.

Yes: Jefferies, Myers, Reynolds, Wittenbach, Anderson, 5.
No: None.

IT WAS MOVED by Councilman Jefferies, supported by Reynolds, that the following resolution be adopted:

WHEREAS Lowell Development Company has requested that Tentative Approval be given to Valley Vista Plat No. 5, described as

That part of the SE ¼ Section 3, Town 6 North, Range 9 West, City of Lowell, Kent County, Michigan

Commencing at the southeast corner of said Section 3, 1. thence North 1,502.00 feet along the East line of Section, 2. thence North 89 degrees 45' West 1,254.78 feet to the place of beginning of this description, said point being the southwest corner of Lot 39 of Valley Vists No. 1,

3. thence North 0 degrees 15' East 346.21 feet,

4. thence North 45 degrees 15' East 436.19 feet,

NOTICE OF PUBLIC HEARING

Public hearings will be held by the Zoning Board of Appeals of the City of Lowell at a meeting to be held in the Council Room of the City Hall at 7:30 P. M., Tuesday, June 25, 1968. Purpose of the hearings will be to hear interested parties on the following:

1. Request by Mr. Melvin Bulk of 604 Lafayette Street which would permit adding an attached garage to the north-west corner of his house. The proposed construction would result in a 2' side yard while the Zoning Ordinance requires a 6' side yard.

2. Appeal by 1400 West Corporation of 1400 West Main Street, challenging building inspector's interpretation of the Zoning Ordinance. The corporation contends that installation of two gasoline pumps in conjunction with its operation of a Dog & Suds Restaurant and automatic car wash operation does not constitute a filling station operation.

Introducing Joseph (Joe) Marshall

(Another in a series introducing you to personnel of Wittenbach Sales & Service)

For the past twenty-five years we have been serving the automotive and farm power needs of the Grand River Valley.

Last year Joe Marshall joined our organization as Body Shop Foreman. He brought with him 30 years of experience and "know-how" in the automotive field . . . many of them in body repair work.

Quiet, friendly and co-operative are the words to describe Joe. He heads a team of four very busy men working to serve the body repair needs of our area, servicing Oldsmobile, Pontiac, GMC truck or competitive models. We've even seen a Farmall tractor in his shop!

Joe lives with his wife, Mona, and three

daughters at 42 Betty Street, Comstock Park. To relax, Joe likes to sit down before a large, juicy steak . . . or, fishpole in hand, head for some quiet lake.

Joe Marshall is just another one of the many people working hard to sell and service the products we sell—Oldsmobile, Pontiac and GMC trucks - International Harvester products - Goodyear, Firestone and Dayton tires - Homelite chainsaws - Toro and Simplicity lawn equipment. But most of all, we are working hard to please and satisfy our many, many friends and customers.

When you have a body shop repair problem, just call for Joe Marshall and you will reach one of the best men in his field.

Ada Man Weds

Central Christian Church in Grand Rapids was the scene Saturday evening of the wedding of Margaret I. Milligan and Garry L. Ten Hoopen.

Parents of the couple are Mr. and Mrs. Albert M. Milligan of Cameron Street SE, Grand Rapids, and Mr. and Mrs. Albert F. TenHoopen of 7479 Sheffield Drive, Ada.

The bride chose an A-line gown featuring a Sabrina neckline and pearl and sequin trim. Pearled petals, with lace and crystal accents, held her veil in place.

Her honor attendants were Mrs. Gerald Daniels of Coldwater and Miss Sally Brom.

Daryl L. Weaver acted as best man for Mr. TenHoopen.

MRS. EVERET HOOGLAND

Postema-Hoogland Nuptials

Kathryn Postema, daughter of Mr. and Mrs. Jacob Postema of 5900 Hall Street SE, and Evert A. Hoogland, son of Mr. and Mrs. Ed Hoogland of 867 Burton Street SE, were united in marriage on Friday, June 14.

The Rev. John Guichelaar officiated at the beautiful evening ceremony held at the Cascade Christian Church.

The bride, escorted to the altar by her father, wore a traditional lace wedding gown and a shoulder length veil held in place by a crown of lace petals.

Mrs. Cheryl Postema of Muskegon Heights, sister-in-law of the bride, was the matron of honor. She was also attended by Mary and Betty Postema and Alberta Hoogland, bridesmaids.

Patti and Susy Postema of Muskegon Heights, the bride's nieces, were flower girls.

The groom's attendants were Ronald Wiersum of Jennison, best man, and Jack, Bob and Dave Postema, brother of the bride, ushers.

Acting as master and mistress of ceremonies at a reception held in the church parlors were Mr. and Mrs. Bruce Lieter of Chicago.

Following the reception the bride and groom left on a western honeymoon.

Forest Hills Hi-Lites

BY SHIRLEY DYBERT

Two stalwart outdoorsman, Floyd Chaffee and Terry Niles, are taming the Canadian wilds around Hawk Junction. If that is unfamiliar, perhaps knowing that it is well beyond Wau Wau will help.

Also vacationing in scenic spots—are the Bob Rooker's who are taking their camper through the Smokey Mountains. They will stop in Washington, D. C. before returning to Ada.

On the other hand, Barbara Raby has been entertaining her sister and family from North Carolina in their new home on Buttrick.

The Carl Saunders have their daughter and her husband, Carlene and Victor Kopecky, and their granddaughter, Robin, visiting them from his base in Iceland.

For several gay hours on Sunday, shouts of laughter could be heard from the home of Phyl and Tom Johnson as they entertained a crowd of 14 mothers and fathers and 22 children. The parents are the seven couples who form a monthly bridge club (they always invite one guest couple each session). But the unusual feature of the group is that at least one spouse in each couple was a classmate at South High in Grand Rapids of the other members. This club has been meeting regularly since graduation, but never before have they gathered all of the children together.

Lawn games and an old fashioned picnic followed by a huge ball game in which nearly everyone played, kept the guests so busy that none of the children misbehaved and the parents went home with memories of family fun.

Fathers and mothers were Jack and Pat Bauman, Jack and Nancy Whitman, Elmer and Marylou Veen, Bill and Sally Trestrail, Ray and Sue Oakes, and Ray and Joan Bass.

Lee Scott thrilled three boys by escorting them to Detroit to watch the Tigers when he took his son, Lee, and friends, George Manus and Kevin Moore.

Lou and Lee also managed to hold a pool party during the weekend for over thirty guests. This was another parents and children gathering for neighbors of the Scott's. Those enjoying the afternoon of swimming and the evening potluck and games were the Dr. Cook's, Raleigh and Betty Varner, Marcie and Harold Riehl, Ruth Graves, Betty and F. B. Thompson, Margo and Ken Clapp and various assorted children.

Mr. and Mrs. Fred Mellish and Mr. and Mrs. Roy Roberts of Lapeer were hosts and hostesses.

A reception immediately followed the ceremony in the Nazarene Fellowship House.

The Golden Anniversary celebration will be held from 1 to 5 p.m. in the home of their son-in-law and daughter, Mr. and Mrs. Richard Peckham, 423 King Street, Lowell.

Social Scene

12 Lowell Ledger-Suburban Life, June 20, 1968

Recent guests at the John Fahrni home were Mildred Kieft of Saginaw, Richard Kieft and family of Rochester, Mich., and Wm. E. Lind of Oakland, California.

Mr. and Mrs. Arthur Norton, Mrs. John Fahrni and Mrs. Rose Tallant attended open house honoring Dennis Fahrni who graduated from Saranac High School Wednesday evening.

Mr. and Mrs. John Fahrni, Mr. and Mrs. Arthur Norton and Wm. Lind of Oakland, California, attended an open house honoring Gregory Miller Saturday evening at his home in Grand Rapids. Gregory was one of 418 graduates at Creston High School.

Mrs. S. R. Crabb accompanied Mrs. Clair Kauffman of Bowne Center to Pewamo last Wednesday where they attended a luncheon meeting of the Past Presidents' Association of Ionia County, Order of the Eastern Star, both ladies having served as presidents.

Mrs. William Lyndrup of Greenville was a Sunday visitor at the Crabb-Duell home.

On the evening of June 7th, Mr. and Mrs. Gordon Kropf entertained for supper his son, Oren and family of Westport, Conn. and New York City. Oren's daughter, Katherine Jill, was to graduate from Michigan State University on Sunday the 9th. Also present was his daughter, Mrs. Allison Roark and family of Spring Lake. The Roark's daughter's husband, Terry Thomas, recently graduated from Ferris State College. His other daughter, Mrs. Don McPherson and family were also present. The McPherson's daughter, Marjory, was also to graduate from Michigan State on June 9th as was their daughter-in-law, Karen Wingeier McPherson. Earlier in the afternoon, Mrs. Frost's daughter and husband, Mr. & Mrs. Maynard Harrison of Mendon were also guests.

L-Cpl. Robert B. Tower Jr. made a phone call to his parents recently while on a week of rest and recreation in Taiwan.

Mrs. Rose Watrous has been on the critical list at Sunshine Hospital. Her granddaughter, Mrs. Florence Goodrich came from Wisconsin to see her on Monday.

Mr. and Mrs. Orison Abel and Terry and Mr. and Mrs. Al Cummings of Oshkosh were Saturday night dinner guests of Mr. and Mrs. Steven Koss in Grand Rapids. On Sunday they all gathered at the Tower cottage near Sheridan and were joined by Mr. and Mrs. Lon Tower Sr. and Billy of Owosso to observe Father's Day with Mr. and Mrs. Bruce Tower Sr.

Mr. and Mrs. Ival E. Paulsen have returned home after attending an H & R Block Regional Convention in Columbus, Ohio. Mr. Paulsen is Area Manager in Grand Rapids for H & R Block, the Nation's Largest Income Tax Firm.

Mrs. Jack Feuerstein of Parnell and Mrs. Joan Salas of Ada attended the Artex branch convention in Lima, Ohio over the weekend with several members of their respective units. Mrs. Salas was cited for her outstanding work in both sales and recruiting during the past year.

Miss Pearson is Married

Before an altar decorated with yellow gladioli and white carnations, Linda C. Pearson and Charles T. Craig recited their nuptial vows Saturday evening. The ceremony, held in Elmdale Nazarene Church, was conducted by the Rev. Earl Hardyman.

Mr. and Mrs. Leo Pearson of Route 3, Lowell, and Mr. and Mrs. Harvey J. Craig, Route 1, Clarksville, are the parents of the couple.

The bride, given in marriage by her father, wore a floor length gown of acetate taffeta covered by ruffled nylon net crinoline. It featured a corded V-waist, long pointed sleeves and a scalloped hemline. She carried a white Bible decorated with an arrangement of yellow sweet-heart roses and white carnations.

Miss Dixie Hurlbut attended the bride as maid of honor.

The best man was Michael Craig, the groom's brother.

A reception was held at the Moose Club in Lowell following the wedding ceremony. Mr. and Mrs. George Dey acted as master and mistress of ceremonies.

The happy couple left on a short honeymoon trip to the upper peninsula. Charles will leave on June 25 for Fort Dix, New Jersey and expects to leave soon for Germany where he will continue his service for eighteen months.

The new Mrs. Craig plans to live at home with her parents pending his return.

Engaged

SANDRA BEST
