Voters Swamp Cascade

BY SHIRLEY DYBERT

Voter registrations in record numbers literally swamped the Cascade Township officials in the final hours before last Friday's deadline.

Township Clerk Al Heemstra reports that approximately 750 new voters turned out to register as the deadline neared, virtually paralyzing his office.

However, additional help was secured and all registrations were handled before the time period expired, he said.

A number of administrative problems, most of them directly related to the continuous growth of the area, were taken up at Monday night's semi-monthly meetings of the township board.

The first test in the township for a 1967 state law regarding partitioning of lots in recorded plats came with the request of new residents owning two lots in Cascade Acres.

A resolution adopted by the board essentially states that anyone may partition and divide a lot in a recorded plat into not more than four parts providing that the resulting lot or lots are at least of minimum width and area and in conformity with ordinances of the municipality.

A sketch of such a proposal must be accepted by the Township Supervisor and the applicant will be required to pay a \$10 filing fee, plus \$5 for each additional lot in cases where any lot is divided into two or more building sites.

Burning of old buildings was discussed and a fee was set at \$50. A permit is required from the Township Supervisor.

Extra inspection fees will also have to be paid when experts are called on special building projects.

Discussion on fees charged for signs erected on business property brought out the decision by the township lawyers and members of the board that the cost of locating absent owners who are not township residents often requires more expenditure than is received by the fee.

Approval for the plats of Forest Ridge Estates and Whispering Brook No. 3, was given on the basis of the Planning Board's recommendation.

Building permits for September were for a valuation of \$182,000. This included seven dwellings and two additions to factories, the Plymouth Tank Company and the Kowalski Midwest Company. In addition, \$320 was collected for electrical inspection of twenty new dwellings and one commercial addition at Northern Air Service.

BIG WINNER - Perhaps the Republican party should take note of this! The senior class at Forest Hills High won the annual homecoming game float award with this elephant (pink, at that). Theme of the winning entry, appropriately was "Victory Is No Illusion".

Trick-Treat Drive Goal Set at \$900

Plans for the annual Trick or Treat for UNICEF are being formulated by the young people of St. Michael's Episcopal Church and Cascade Christian Church.

Tri-chairman for the UNICEF Drive are Kristine Bishop, Janel Belding and John DeAguirre. A collection date has been set for Saturday October 26.

Stop On A Dime? Test Proves Not

BY JERRY HANES

Tires screeched and pistols cracked at Forest Hills High last Friday as two students, an instructor and a State Police officer put their driving abilities to a test and simultaneously learned a lesson.

They were taking part in a traffic safety education program for seniors to disprove the old bromide that a car can be "stopped on a dime."

Seniors were shown a film "Emergency in the Making" and given a short lecture by Vern Slattery, safety specialist for Nationwide Insurance Company.

After the lecture, the students adjourned to the driveway in front of the school for an actual test. Seniors were given the opportunity to view this as they have been out of driver training for two years, and some have become complacent about driving.

As fellow students lined the curb, Brad VanSluyters slid behind the wheel of a specially-outfitted car. Beside him sat Slattery. Through loud speakers on top of the car, Slattery spoke to the students

lining the curb.

"Brad has been selected for this test because he's an experienced driver. Now let's see how quick he can stop at the terrific speed of 20 miles an hour."

As Brad drove toward the starting point, Slattery explained the reason for the three pistols mounted on the front bumper, and the red light on the front of the hood.

As soon as the car was going 20 miles an hour, the first gun was fired by Slattery. Immediately the red light flashed on, and a yellow paint bullet blasted a mark on the pavement. That was also the signal to put on the brakes.

When the brakes were hit, the second pistol fired. The third fired when the car stopped.

Dan Mosher, John Olmstead, Rick Slaughter, Steve Grabarek and Gary Gromer helped on the sidelines and relayed their figures to Slattery who announced the results.

Brad's record at 20 miles per hour was, reaction 14.6 feet, braking 19.3 feet and total stopping 33.9 feet. The average is reaction 22, braking distance 22 and total stopping 44.

Cindy Nowak took the wheel to represent the female drivers. She, too, broke the average, and on braking distance beat out her male counterpart. Her averages at 20 miles per hour were reaction 19.4, braking 18.11, total stopping 38.3.

Paul Levenworth, teacher at the school, tried it at 30 mph. He took 21.2 feet reaction, 39.2 braking and total stopping 60.4 feet.

Sgt. Ken Weaver, of the Michigan State Police took over the test at 40 miles per hour. He is an experienced driver, and used to every emergency. His reaction was 24.11, the average is 44, his braking was 78.2, the average 88, and total stopping was 103.1 against the average of 132.

By his vast experience, he broke the average by almost half. The car swayed and rubber could be smelled at the 40 mph speed.

All the drivers were aware of the fact that they had to make an emergency stop, where the average driver isn't alerted to a child running out in front of him, or a quick stop by a car ahead.

Although nearly all drivers drive at speed faster than this, the theory of "stopping on a dime" proved to be a fallacy.

REGAL BEAUTY - Sue Moore is a happy young lady as she is crowned Queen of the Forest Hills High homecoming during Friday's football game against West Ottawa. Principal Howard Dalman officiates at the ceremony. Not able to be present for crowning was Quarterback Scott Wingeler, who spent halftime going over strategy with Coach Frank Rosengren that led to a 39-20 win for the Rangers.

Thieves Busy in FH Area

Thieves with a thirst were busy in the Forest Hills area Sunday when three breaking and entering cases were reported to the Kent County Sheriff's Department.

Two cases of beer were reported missing at the Forest Hills Inn, 4609 Cascade Road SE, and several more cases were found stacked by the door. Deputies theorize that someone scared off the thirsty thieves.

One bottle of beer was removed from the refrigerator at the Ronald Essich home at 10829 Bennett SE. In addition \$150 in cash was taken from a hiding place in a dresser and a water jug was gone. Two piggy banks had been emptied on the floor but the selective burglars took only the half dollars and left the rest of the change behind.

Entering through a rear bedroom window, apparently broken with a brick, person or persons unknown made a methodical search of the Everton Last home at 7343 Cascade Rd. SE while the Lasts were on a day-long trip. Drawers were opened and the contents scattered. Their efforts netted them about \$20 in small change. Left behind were watches, rings and a Canadian five dollar bill.

Not All Election Issues National

BY AL HEEMSTRA

How informed will you be when the curtain closes around you in the voting booth on November 5? Will you be prepared to deal with nearly a full panel of levers, each one geared to respond to your personal option?

Persons most closely connected with the election procedure know that few people arrive at their precinct truly ready; nearly all of us will have given our attention only to the major questions on the national level.

When voting you'll come before a series of five state proposals ranging from No. 1, which seeks to remove the present restrictions against a graduated income tax, to No. 5, which, if adopted, will amend the State Constitution to permit members of the legislature to stand for election to another state office during their present term.

"There'll be a County proposal to freeze, for three years, the present distribution (allocation) of the first 15 mills of school and township tax. It is hoped this will stabilize budget planning and make for more effective long-range planning.

You'll want to approach intelligently, too, the non-partisan ballot. It requires us to choose one judge for the state Supreme Court, one judge of the Court of Appeals, one judge of Probate and one judge for the District Court.

Of these four, the latter is new this year. Michigan voters will select 182 judges to serve the 99 new district courts. The 63rd district has two divisions, the second including the cities of East Grand Rapids and Lowell, and the nine Townships in the south half of Kent County (Ada, Bowne, Byron, Caledonia, Cascade, Gaines, Grand Rapids, Vergennes, Lowell).

The candidates are Edward D. Wells and Joseph B. White. Both are attorneys as required by Public Act 154 of 1968. The position pays a minimum \$19,000 salary.

Our district court (63-2) will become operative January 1, replacing justices of the peace, Circuit Court Commissioners Court, municipal and police Courts.

It will have exclusive jurisdiction in civil actions not exceeding \$3,000. It will judge all misdemeanors, ordinance and charter violations; it will conduct preliminary examinations in all felony cases. The county prosecutor will handle trials for state law violations. Ap-

peals will be to the Circuit Court.

And thus Michigan's lower courts will have been fully reorganized to provide a "more uniform judicial procedure." Now all courts, including those "of first instance," will be under the supervision of the State Supreme Court. As a practical consequence, all of the Michigan residents can be expected to receive like treatment in even a simple traffic violation matter.

Until 1922, even our Federal district courts and the Federal circuit courts were virtually independent units, without a unifying or supervisory head. When the problem of overwork arose Congress used to simply create additional judgeships without considering that in many places literally dozens of judges has comparatively little to do. Michigan has made a constructive step forward in this new lower court revision.

UF Goal for Ada is \$1,007

The first week has passed in the United Community Fund's effort to raise monies for its many projects.

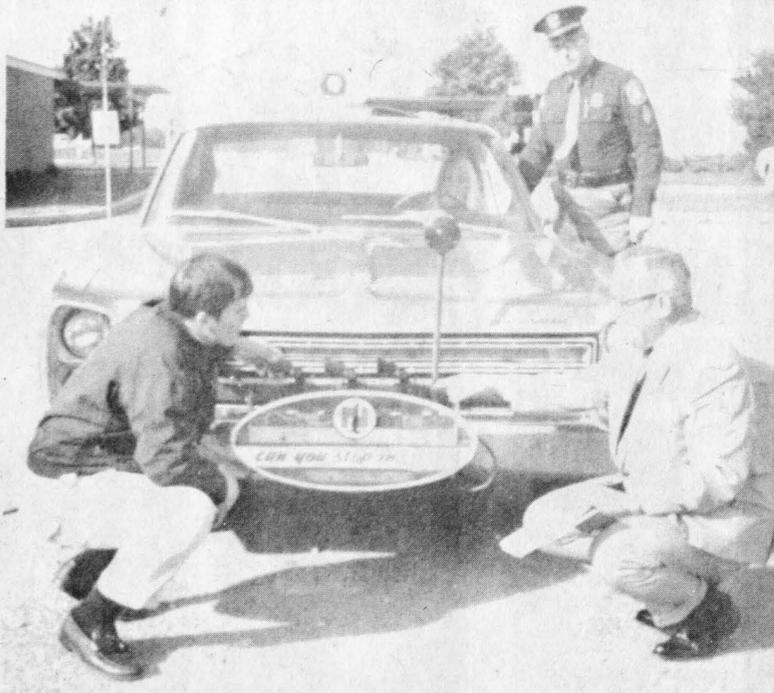

Flying from the Ada Township Town Hall is the United Fund flag, presented to the township by Wally Buttrick, United Fund Chairman for special events. Accepting on behalf of the township was Clerk Kenneth Anderson.

The goal from Ada Township is \$1,007.32. Each resident can help obtain this goal by contributing freely when they are called upon by a neighbor to give to the United Fund.

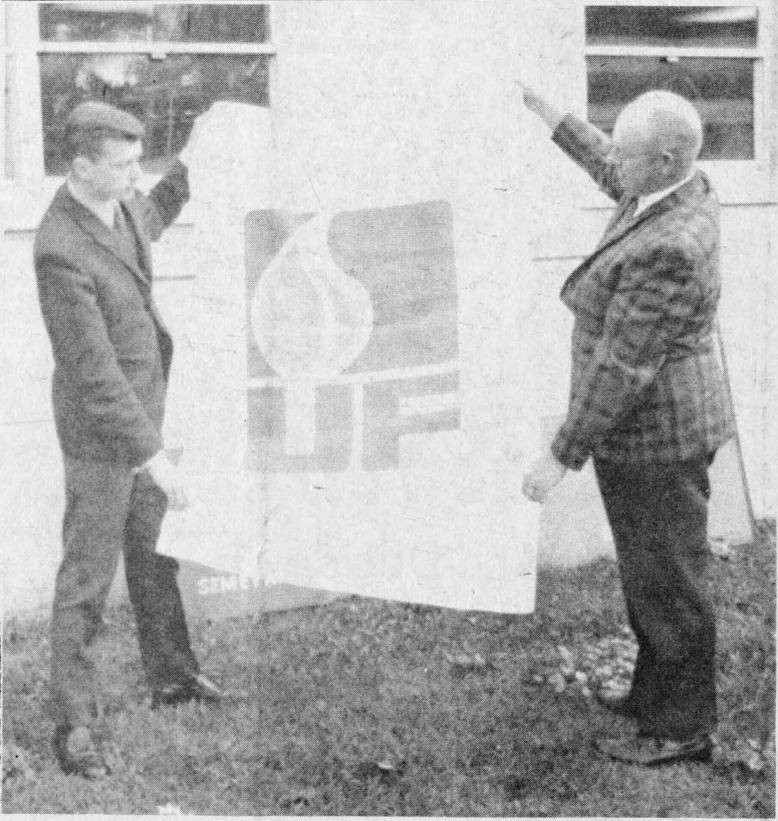

Some of the services the UF help support are Family and Child Care Services, Health, Rehabilitation Services; Community Action Program; Safety Council; Urban League, Central Volunteers and American Red Cross; the USO; Boy Scouts; Girl Scouts; Camp Fire Girls; YMCA and YWCA.

Through the cooperation of Kent County schools, students in the sixth grades are making posters and the winning entry from each school will be displayed in the Eastbrook Mall.

Posters on the local level will be distributed by local Boy Scouts to be displayed in local business firms and other public areas.

UNIQUE TEST - Brad VanSluyters (left) and Cindy Nowak (behind wheel of car) participated in a special safety check at Forest Hills High School in a car provided by Vern Slattery of Nationwide Insurance. Also shown is Michigan State Police Sgt. Ken Weaver, who participated in the test as well.

LAUNCH CAMPAIGN - A special flag flies over Ada Township Hall with the kickoff of the United Fund campaign in the area. Township clerk Kenneth Anderson is shown accepting flag from Wally Buttrick (left), Kent County special event chairman. Supervisor Fred Clancy had proclaimed the full month of October as United Fund Month in the township.

Navy Offers Opportunity for College

The test date for the 23rd annual national competitive NROTC examination has been set as 14 December 1968. Parents and high school officials should remind eligible high school seniors and graduates to submit their applications before 15 November 1968.

The Regular NROTC Program offers an outstanding opportunity for a young man to gain a regular commission while studying at one of the 53 NROTC colleges and universities. The Navy furnishes tuition, fees, books, and uniforms, plus a subsistence allowance of \$50 per month to NROTC midshipmen.

After completing his college course and all military requirements, an NROTC midshipman is commissioned as a regular officer in the U. S. Navy or Marine Corps and goes on active duty with the operating forces.

1969 NROTC Bulletins of Information and application forms are available from local high school counselors and Navy Recruiting Stations, or from the Chief of Naval Personnel (Pers-B6411), Department of the Navy, Washington, D. C., 20370.

BEHIND the COUNTER with

CHARLES WESTON

Druggists in a Midwestern city were recently alerted to a wave of forged prescriptions, written on blanks that had been stolen from a hospital clinic. The warning was not circulated by the police, but by the pharmacists.

Since a prescription is an order for drugs written by a physician, and since the druggists had no way of knowing forgeries were in circulation, it would not have been illegal for them to have filled the prescription and kept quiet about it. In most businesses, a sale is a sale.

But the pharmacists knew the dangers that the young thrill-seekers would encounter if they took heavy doses of the drug ordered on the fake prescriptions.

Used under a doctor's supervision, the drug is helpful and harmless. An overdose could cause permanent brain damage or death. That is the core of the drug abuse problem: products that can help, may also injure, if the necessary warnings are ignored. This is one reason pharmacists are so careful about filling prescriptions, and even more cautious about refilling them.

The story of the forged prescriptions had a "happy" ending. The druggists not only refused to fill them, but they also called the police, and the youngsters were placed in custody for their own protection. When they learned of the danger, most of the young people were appalled and, to some extent, grateful to the pharmacists who had "blown the whistle" on their thrill-seeking.

SOMETIMES ENGINES WILL MYSTERIOUSLY DIE. A COMMON PROBLEM MAY BE "VAPOR LOCK".

Vapor lock is the vaporization or boiling of the car's gasoline. It takes place in the car's fuel system before reaching carburetor jets.

This upsets fuel delivery to the jets. Without fuel delivery, the engine stops.

Vapor lock could be caused by high elevations.

Automobile gasoline is a blend. It includes fuels of many boiling points. For winter the fuel has a higher percentage of low-boiling point material. Your car requires a low boiling point fuel to vaporize in winter.

Traveling from warm climates to a cold climate could cause vapor lock.

In any event, your serviceman will get you started in short order.

The Village Smithy

BY FRAN SMITH

I was asked following the national political conventions to give an analysis of the upcoming presidential election. To one and all, I gave this summation:

This country now has two chances . . . slim and none!

It isn't often that the Smithy expresses political beliefs, primarily because our society is geared to the two-party system and I have never yet voted a straight-party ticket.

This is a habit that will not be changed come November.

What concerns me most is the man . . . not the office. I want people representing me in Congress, in the Legislature, on the County Board of Supervisors, at City Hall and on the Board of Education who are willing to follow their convictions.

If a job needs doing and it's going to cost more in taxes, then I say, let's do it! But if tax monies can be saved by eliminating boon-doggling waste, then I want my man to step up and have the courage to say as much and vote accordingly.

This, no doubt, is contrary to politicking in its truest sense of the word, but I feel this way . . . and I'm sure I have plenty of company.

The ranks are growing with each passing day due to the enigma of an unwanted war in a land that is as remote to most of us as the year 2000.

Each time the Congress passes another piece of "pork barrel" legislation, there is the inclination to rise to the highest summit and challenge the right of men to occupy office.

And each time the state comes up with a "new formula" for easing the tax burden by imposing legislation designed to reach deeper into my pocket, I want to yell "foul."

What concerns me most is that only at the local level can we do much about guiding our own destinies. And yet it's at this level that voters are most apathetic.

Get involved in a war . . . get involved in a knock-down, drag-'em-out, mud-slinging presidential campaign . . . or get involved in arguing the merits of state taxes and folks will offer more advice than most men could absorb in two lifetimes.

But let there be a hint that new roads are needed to improve local traffic . . . or that new buildings are needed to house students . . . or that something should be done about police, fire and ambulance protection and the average voter will look blankly into space, yawn and change the conversation.

What makes this apathy even worse is that "Big Brother" in Washington and "Little Brother" in Lansing are constantly looking for ways to help local governments solve local problems.

There is no cure-all formula. What works for one community seldom can assist the problem of another. Yet there is all too often the attempt of politicians to literally ram down our throats those stereotyped plans which force a community to fit the mold . . . rather than the mold fitting the community.

What you do with your vote in the upcoming general election is your business and what I do with my vote is mine.

But I would only urge that you STUDY the men and the issues.

I would rather that our chances be good and better . . . instead of slim and none.

Arrows Suffer 4th Loss to Rockford '11'

BY FRAN SMITH

The battle for championship honors in the O-K Red Division thunders into the second half of the season Friday night with Coach Frank Rosengren's rugged Forest Hills squad looking for the opportunity to move into undisputed possession of first place.

Rosengren's Rangers vaulted into a three-way tie for the No. 1 spot with a dramatic 39-20 conquest of previously undefeated, untied and unscathed-upon West Ottawa last Friday night before an enthusiastic capacity homecoming crowd.

Waiting for Forest Hills tomorrow evening is Godwin Heights, which shares the lead with the Rangers and Kentwood. Game time on the Godwin field is 7:30 p. m.

Fullback Randy Simon and Halfback Stan Grochawalski turned in the finest efforts of their prep careers to lead the Rangers past West Ottawa.

Simon played what Rosengren termed as "a great game... simply great" in piling up 123 yards rushing on 16 carries, three of which resulted in touchdowns.

Grochawalski lugged the ball 14 times for 146 yards, including consecutive reverse sweeps that netted 34 and 41 yards, and tallied one marker. His TD run from the six-inch line brought Forest Hills from behind a 14-7 count to a 14-all tie at halftime.

Godwin got double touchdown efforts from Gary Harmsen and Ken Rosek to dismantle Rogers, 32-0, and Kentwood nudged Wyoming Park, 13-7, in the other league games.

Forest Hills dented the West Ottawa end zone for the first time this season on the first series of downs following a fumble recovery by Guard Jim Meier on the opponents' 24.

Quarterback Scott Wingeier raced 13 yards to the West Ottawa 11 on a keeper. Simon smashed over center to the four and Halfback Doug Griffith swept end on a reverse to make it 16-0 at the 2:39 mark. End Bob VandenBos converted the extra point.

West Ottawa knotted the count two minutes later, on a 37-yard halfback pass play from Les Zommermaand to Tom Kruithof to cap a 54-yard drive on just five plays. A Jim Visser-to-Kruithof pass was the key play in the drive. Tackle Darryl Mitchell's extra point kick made it 7-7.

The ball changed hands sev-

EASY DOES IT! - Fullback Randy Simon is conveyed into the end zone by Guard Steve Grabarek (66), Tackle Dan Mosher (74) and End Tom Teft after ripping over center

on a 24-yard scoring burst against West Ottawa. The lone defender giving pursuit is Tackle Barry Haltenhof (75). Simon scored twice in 39-20 romp by Rangers last Friday.

en times before West Ottawa finally got onto the scoreboard again to take a 14-7 lead at the 6:12 mark of the second quarter.

After Kruithof recovered a fumble by Wingeier, West Ottawa rushed quickly to the Rangers' end zone, covering 34 yards on five plays with Visser hitting Fullback Greg Dalman for 20 yards with one pass and throwing a strike down the middle to Kruithof for 12 more yards to the For-

est Hills 12. Dalman plunged over for the score for the two and Mitchell's extra point placement made it 14-7.

Grochawalski then came up with his two sparkling reverses to spark an 80-yard drive on six plays with the tiny speedster blasting over from the one-foot line for the TD. VandenBos connected for the extra point to set up the 14-14 halftime deadlock.

There was no question that the second half... and a well-deserved victory... belonged

to the Rangers after Grochawalski took the kickoff and raced 33 yards to the West Ottawa 49.

Six plays later, Simon broke over center and raced unimpeded to paydirt from the West Ottawa 24. VandenBos' kick was wide, but the Rangers were ahead to stay, 20-14.

Guard Rob McCormick recovered a Zommermaand fumble on West Ottawa's initial play from scrimmage following the next kickoff and the Rangers rolled to their fourth marker on six plays with the assist of a penalty following Wingeier's end run to the 23. Simon was stopped short of the goal line on an 11-yard sprint, then bucked over from the one to make it 26-14 with 6:05 left in the period. VandenBos' extra point try was blocked.

The Rangers' final tally came less than four minutes into the final quarter on a 61-yard drive on eight plays... a march that actually stretched out an additional 20 yards because of penalties.

Grochawalski got the thrust going with a 26-yard reverse and VandenBos made a shoe-string catch of a 23-yard pass from Wingeier to put the ball on West Ottawa's 9. Two plays later, after penalties, the Rangers were on the 21, where Simon duplicated his earlier run by rinning over center for the touchdown. VandenBos made the extra point from placement.

An 11-yard pass from Visser to End Dave Overway gave West Ottawa its final marker with just 46 seconds left as Rosengren gave his entire bench a chance to see game action.

Forest Hills completely dominated the statistics, compiling 13 first downs to seven for West Ottawa and netting 385 yards rushing and passing to 230 for the losers.

The Rangers concentrated their offense on the ground, getting 10 first downs via rushing on a net 271 yards, while West Ottawa was forced into the air for most of its yardage... mainly because of Forest Hills' rugged defensive unit that dropped opposing runners for losses nine times.

West Ottawa's Jim Visser and Les Zommermaand attempted 23 passes and connected on 10 of them, but only once was the aerial a real threat to the Rangers.

Additionally, I deplore the manner in which the umpires permitted the Cardinals to make a travesty of the game with non-attempted stolen bases.

The rule is rather explicit on this point, stating in effect that no play will be allowed that attempts to make a farce of the game.

But a farce it was, one that was a disgrace to even as fine a team as St. Louis.

I suppose, being provincial, I might have looked upon this by-play with less-than-jaundiced eyes had it been in favor of the Tigers. Yet I seriously doubt that, too.

After all, there's a limit even to provincialism!

Most of us were vitally interested in the "Great Experiment" that Manager Mayo Smith came up with for the Tigers; namely, moving Mickey Stanley from center field to shortstop... a position with which he had only a nodding acquaintance prior to the Series.

Certainly none were as interested, though, as Mickey's parents, Mr. and Mrs. James Stanley, who reside on Thornapple Bayou, or his in-laws, Mr. and Mrs. Al Terrell of Buttrick Drive.

Pound-for-pound, you probably won't find two better offensive guards around than Steve Grabarek and Tom Dygert of Forest Hills High. These youngsters play each minute like there's no tomorrow.

And not too much has been said about Ranger quarterback Scott Wingeier... but his ball-handling skill has improved with each game. He hasn't had to pass much, what with some fleet runners to handle the offensive burden, but he can fling the ball a mile when the occasion demands.

Just the sort of kid that college coaches hope to find as a "sleeper."

Andretti Title Bid Marks MIS Inaugural

Thanks to the perseverance of Mario Andretti, the crucial race of the 1968 USAC Championship circuit will be the inaugural event at Michigan International Speedway next Sunday.

Italian-born Andretti is now only 163 points behind points leader and Indy winner, Bobby Unser, and an overall win—worth 500 points—on the new two-mile oval would put Mario well into the lead for his third National Championship.

Andretti has entered his Brawner-Hawk Turbo Offy in the premiere event at the Irish Hills facility. The car and driver have already had a taste of the fantastic speeds attainable this week during tire testing, posting a time of 182.57 mph, only a shade off Gordon Johncock's initial track record of 182.92 mph.

The entry of Andretti brings the total number of entries to

41—including such top names as Foyt, the Uners, Ruby, Vukovich, Bettenhausen, McCluskey, Johncock, Malloy, Pollard, Leonard, Tinglestad, Rutherford, McElreath, Bucknam and Dalenbach. Only 26 cars can qualify in trials Saturday.

The race will start at 1:30 p. m. Sunday. Pre-race festivities will get underway at 10 a. m. Practice and qualifying start at 9 a. m., Saturday.

PARENTS MEET COACHES

Parents of football players at Forest Hills High School have been invited by the Boosters Club to meet the coaches of the three teams, Frank Rosengren, varsity team; Paul Nordhuis, junior varsity and Ed Shy, freshmen coach, on October 14 at 7:30 p. m. in the multi-purpose room. Game films will be shown.

Lowell High School's football fans have good reason to wonder today if the touchdown floodgates will ever close during the 1968 season.

The Red Arrows suffered their fourth loss in as many starts last Friday in a 53-6 drubbing at the hands of defending Tri-River Conference champion Rockford.

Rockford remained atop the circuit standings with a 3-0 mark in the Tri-River and shares the No. 1 slot with Coopersville, a 7-2 victor over Belting.

In other league action last Friday, Sparta upset Greenville by a 26-13 count and Comstock Park blasted Cedar Springs, 25-6.

Lowell is scheduled to meet Cedar Springs on the latter's field this Friday night at 7:30 p. m.

The Red Arrows, as in earlier losses to Ionia (40-6) and Greenville (53-0), simply were not able to contain Rockford's powerful offense.

The Rams rolled to a 13-0 lead in the first quarter on two long scoring runs to quickly insure the triumph.

Larry Rau got Rockford started with a 45-yard romp with all-state candidate Bill Hart notching the extra point. Karl Daukss rushed to paydirt from 60 yards out later in the opening quarter to make it 13-0.

Rau notched his second marker of the game in the second quarter on a 12-yard jaunt and Hart's extra point gave the Rams a solid 20-0 lead at halftime.

Rockford cashed in on three scoring opportunities in the third quarter to break away to a 40-0 lead.

Daukss picked up TD No. 2 for the night with a 50-yard run and Chuck Wolven dashed to paydirt from the Arrows' 10. John Gordon added further to Lowell's misery when he intercepted a Mitch McManor pass and galloped 50 yards to Rockford's third tally in the period. Hart converted twice more to make it 40-0 going into the fourth quarter.

Lowell finally got onto the scoreboard in the final stanza on a seven yard run to make it 40-6.

Rockford continued to demolish the Arrows in the final quarter getting a touchdown on a 35-yard pass from Joe VanOverloop to Steve Cox and its final six-pointer on Wolven's second trip across the goal line on a 15-yard run. Hart's final conversion made it 53-6.

FH Jayvees, Freshmen Keep Pace

Forest Hills High junior varsity and freshmen football teams kept pace with the varsity last week, each scoring an impressive victory over West Ottawa to turn their season records to 3-1.

The JVs remained undefeated in the O-K Conference with a 27-7 walloping of West Ottawa, scoring one touchdown in each of the four quarters.

Al Henneveld tallied twice for the winners, the first on a 42-yard pass play from Ron VanderBaan and the second on a 12-yard run.

Craig Wynant's 67-yard scoring dash got the Rangers on the scoreboard in the opening stanza and Jim Vekasi completed the scoring with a 16-yard run in the final quarter.

Linemen Jon Price, George McCarger and Bruce Russ turned in outstanding games for the Green and White reserves.

Ted Zuiderveen tallied twice from the one-yard line on quarterback sneaks and Terry Dosenberry collected the other TD on a six-yard run as the freshmen topped West Ottawa by a 19-12 margin.

The win was the second in three conference starts for the Ranger ninth-graders. Bill Keenan, Jerry Ross and Dan Prusak contributed to the victory with their line work.

New Areas Open for Sportsmen

According to Frank Light, chairman of the Michigan ASC State Committee, the Public Access Program administered by U.S.D.A. is providing Michigan sportsmen access to 250,000 acres of farmland free of charge.

This land is privately owned and the owner receives \$1.00 to \$3.00 per acre compensation from the Federal Government. The Michigan Department of Conservation recommends the maximum number of hunters per day. All State conservation laws apply to the sportsmen.

Two-thirds of this area is in the lower one-third of Michigan. Farms that are enrolled in the Public Access Program can be readily identified by a large green and white sign which says "Hunting Permitted." The signs are generally posted at the farm headquarters.

All hunters should call at the farm headquarters and identify themselves, as the "Horton Trespass Law" applies to these farms as well as all others. This will also improve hunter-farmer relations and regulate the number of hunters at a given time.

A list of these farms may be obtained by calling 456-2341.

Frosh Bow to Rockford

This week, the Red Arrows are scheduled to meet Cedar Springs on the latter's field at 4:15 Thursday afternoon.

Forest Hills Hi-Lites

BY SHIRLEY DYGERT

It's autumn, the geese are flying south, the air is full of the pungent scent of campfires built with rustling golden leaves, the harvest is coming in, and it's time to make clear, sparkling jellies. Memories of summer weekly fade as cheers for favorite football teams take over on crisp fall days, and crunchy apples, hot out-tered popcorn and bronze chrysanthemums spread Halloween anticipation.

Taking a leisurely trip around Lane Superior to view the brilliant colors of the season are Mabel and George Hobson. They will be in Wau Wau, Terrace Bay, Duluth, the Wisconsin Dells, and Milwaukee before returning home.

Traveling in the other direction are Eric and Bett DeWall. They are covering the southwest and will make a very special stop at the SAC Air Force Base in Ft. Worth to see son, Jim, who has just been permanently assigned there.

Home on a ten day leave from the carrier, USS Sarasota, is Roger Plank, A.A., son of Mr. and Mrs. Donald Plank. He will return to Philadelphia where she is docked at the end of his leave.

Bruce Ehle, E4, son of the Merle Cogars, is also at home on a fourteen day leave. He will return to Key West, Florida to take up duty on his submarine, the U.S.S. Quillback.

Also headed for Florida are the William Hamelinks of Pettis Rd. A farewell party was given for them by Jane and Jack Breidenfeld on Sunday at which children, grandchildren, nieces and nephews all wished them well. They will be at Zepher Hills near Tampa. Judy DeMinck will be taking off for Fort Knox, Kentucky to visit husband, Craig, who is in Basic Training there.

Meanwhile back at the ranch... on September 14 at the CM Ranch in DuBois, Wyoming, Peggy Lynn Clark, the daughter of the Frank Clarks, Spaulding Avenue, became the bride of Larry A. Johnson of Lander, Wyo. Frank, Mary and son, Tom arrived at the ranch four days before the ceremony and attended parties feting the bride and groom. The wedding and reception were on the ranch grounds in a truly western, rustic setting.

The very youngest set has two new members; Stacy Lynn the daughter of Mary Ellen and Louis Boonenberg, was born in Blodgett Hospital recently. Osteopathic Hospital was the scene of the arrival of Cameron Jon, son of the Gary DeArmonds, on September 12.

The Executive Board of the Womens Western Michigan Golf Association will be holding a luncheon and meeting at the Womens City Club on October 18. Nine-hole womens leagues from several clubs will send delegates.

Representing the Hickory Hills league will be Marcella Kennedy and speaking for the Forest Hills Country Club league will be Pat Germain. The meeting will be conducted by Jane Breidenfeld, president of the WWMGA. A calendar of events for the coming season is to be planned. It is hoped that three one-day and one four-day tournaments can be included.

REGISTER NOW FOR SCHOLARSHIPS

The final day of registration for the State of Michigan Competitive Scholarship Program will be October 14 according to counselors John VanOveren of Forest Hills High School and Gordon Gould of Lowell High School.

All students are urged to take this test and can obtain registration blanks from their counselors.

ELMDALE RAMBLER

Mrs. Ira Sargeant
693-2242

Once again I find time to pick up a pencil and will attempt to jot down a news or two.

We are now living in our recently purchased home in Clarksville, moved but far from being settled, but am told by a number of friends who have likewise had such experiences to just have patience and you will come out all ok.

Mr. and Mrs. Charles Stewart and family, formerly of Grand Rapids, but who bought the farm of Mr. and Mrs. Ira Sargeant, are living in a trailer, while making repairs and putting in a heating season, and remodeling to the house before moving in.

Installation service for officers and teachers of the Sunday school at Hope Church of the Brethren was held at the morning service. The charge being given by the Pastor, Rev. Arthur Heisler. Sunday evening the Lord's Supper and Holy Communion was observed.

The Community extends sincere sympathy to Mr. & Mrs. Ervin Stahl, in the recent passing of Mrs. Stahl's mother.

The Women's Fellowship of Hope Church are busy making all kinds of fancy goods for their annual bazaar which will be on Thursday, November 7. They always have a fine variety of home baked goods.

Callers of Mr. and Mrs. Ira Sargeant during the past few days have been Mrs. William Stalter, Rev. and Mrs. Arthur Heisler, Mrs. Mabel Cool, Mr. and Mrs. Spenor Johnson, Mrs. Horace Myers, daughter, Jennie and grandson Shawn.

Mrs. Gertie Stahl spent Sunday with Mrs. Pearl Stahl.

Mr. and Mrs. Thomas Kauffman left on a trip to Iowa.

Thomas has returned, but Mrs. Kauffman will remain for an indefinite time.

Mr. and Mrs. Harold Alderink accompanied by Mr. and Mrs. Elmer Miller of Lowell, spent the weekend with relatives of Northern Michigan, also enjoyed the autumn colors.

CARD OF THANKS

We wish to express our sincere appreciation to friends and neighbors for the kindness and expressions of sympathy shown during our recent bereavement. We especially thank Rev. Webber for his words of comfort, the pallbearers, Mr. Fisher for his thoughtfulness and those who sent floral tributes and cards of condolences.

COMMUNICATIONS

1. Michigan Liquor Control Commission requesting Council action on a transfer of SDD-SDM licenses. (See MOTIONS)

Charles Bartlett, of the local Village Inn, requested Council take the initiative in ordering placed on the November ballot a proposal that liquor by the glass be licensed in Lowell. In support of his request he displayed a sheaf of signatures of electors favoring such proposition. (See MOTIONS).

UNFINISHED BUSINESS

1. Public Hearing on need for sidewalk improvement on west side of Lincoln Lake Avenue between Elm and Spring Streets. (See MOTIONS)

2. Consideration of revised contract with Scott Bagby & Associates was deferred until after the Planning Commission meeting.

3. Manager Olson related that revised plans of Root-Loell Company involve additional sewer footage to front of their new building. He stated that original plans called for 730 feet at a cost of \$4.00 per foot but now, because of the water table, costs are estimated at \$8.00 per foot and the footage increased to 1100 feet to bring it to the north end of the building. The Manager will meet with Root-Loell representatives and possibly call a special meeting to report to Council.

4. The Manager reported an estimated \$4,500 could be saved by installing proposed water and sewer in North Hudson Street from Hunt Street to the city limits by using city forces for the project. (See MOTIONS).

5. The request of King Milling Company to relocate a sewer line now located on King Milling property was further discussed. The Manager stated it would involve considerable expense but that every spring high water causes a problem with the sewer in its present location. He was directed to procure some estimates of the cost and report back to Council.

6. City Manager Reports:

a. The bid of \$30,684.75 submitted by Dunigan Brothers, Inc., for a lift station to serve the western extremities of the city, was recommended by

Williams & Works for acceptance, Manager Olson stated. He related that the bids were all considerably less than the estimates, that the difference between the whole cost and what Lowell Development Company will pay is \$6,000 whereas it was originally expected to be in the neighborhood of \$13,000. The Manager related that Douglas Dok is now awaiting approval of Wendell Berman. He stated that Dok requested that the City finance the footage to the West, with a plan that Lowell Development Company would reimburse as they moved out, which the Manager stated was reasonable.

b. Quotation of \$720 has been received for proposed work on Elizabeth Street, originally estimated at \$1,008.

c. Purchase of shrubs, after Chamber of Commerce had made its selection, was made and shrubs planted behind the treatment plant to start a nursery for city use.

d. Gulf Publishing Company expects to have galley proofs of our Codification Ordinance by the end of September.

e. Description of Gerhart property, which the City proposes to purchase has been corrected and correction made by Williams & Works. The matter has been referred to our city attorney for a title opinion. The Vergennes Zoning Board will consider this matter at its September 30 meeting.

f.
