# Sidewalk Problem Is Aired

BY SHIRLEY DYGERT  
Sidewalks... or rather the lack of them... in the area of the new Ada Elementary School was a principal topic of discussion at the semi-monthly meeting of the Ada Township Board Monday night.

Supervisor Fred Clancy told board members that he had received a request from the Forest Hills Board of Education which cited hazardous conditions for student pedestrians using Ada Drive to get to their classrooms.

The board noted that no funds are available for sidewalk construction and Clancy pointed out, additionally, that only four parcels of land are involved.

Another stumbling block is that no sidewalks could be constructed beneath the railroad overpass due to space limitations.

Apparently it takes a presidential election to bring the voters out in full force... and Ada Township residents are no exception.

Township Clerk Kenneth Anderson reports that his office accepted 300 voter registrations between the August primary and the deadline October 4.

The late registrants brought the township's total to more than 1,900.

The township also is experiencing a new-home building boom, according to building Inspector Herman Stukkie, who issued 13 such permits during the month of September.

Stukkie also reported that 13 other permits for small construction jobs and miscellaneous projects were granted during the month. Total valuation for the 26 permits was set at \$368,455.

Township Supervisor Fred Clancy disclosed at the semi-monthly board meeting that the township will be required to conform to a provision of the 1965 State Dump Law which calls for bulldozing dirt to cover garbage and trash each night.

Clancy plans to discuss the matter with officials of the Kent County Health Department.

It was also announced that the new addition to the township fire hall will be ready for occupancy within 2 weeks.

## Await Ruling on Dam

Property owners along the Thornapple River still are waiting word on disposition of the Ada Dam property.

Sale of the property by Consumers Power Company to the Thornapple River Association has been delayed pending a ruling by Circuit Court Judge Roman Snow, who conducted a hearing on the matter last July.

George Cook, legal counsel for Kent County, said that three factors are still to be considered before Judge Snow can hand down his opinion.

Of primary importance is approval of the Department of Natural Resources, formerly known as the Department of Conservation, which has jurisdiction of the waterway. Approval of the Board of Supervisors also will be required as will a transfer of deed from the power company to the association, Cook said.

Clint Storm, member of the Thornapple River Association Board, guest speaker at a recent Cascade Businessmen's Association meeting, explained this contract will set a precedent.

Until now, municipalities have purchased the equipment from the power company as it began its phasing-out program.

Storm indicated that when the contract is final, it will not preclude working with Ada Township on an arrangement for the use of the waters below the dam in the future.

He further explained that private ownership of the dam will cost more for the residents along the river, but that they will be maintaining the tax base which has made their property valuable.

Allowing the river to go back to its natural state before the dam was installed would lower the tax base of the two townships in which these residents are citizens.

To emphasize his point, Storm showed pictures taken along the various portions of the river when it was down recently for inspection.

NEW SUBSCRIBER - Chuck Matthews is shown signing up Miss Joy Reimer, signalling the start of the annual subscription drive by the Forest Hills Booster Club. Looking on are Coach Paul Northuis (left), Booster Club

president Fay Johnson and Jim Witzel (right). Proceeds from the sale of Suburban Life Subscriptions during the October 25-November 1 drive will go toward purchasing wrestling mats for the school.

## Boosters, Students Set For Drive

If you've been anticipating purchase of a Suburban Life subscription, the word from the Forest Hills Booster Club is "wait a week."

Junior high school students and club members are scheduled to start their annual subscription sales drive next Friday, October 25, and will complete the fund-raising campaign on November 1.

Proceeds from the sale will go toward providing the school's athletic department with two new wrestling mats. In addition, there will be awards made to contestants turning in the most total subscriptions, plus daily prizes.

Wilcox explained that he stepped hard on the brakes as he swerved to avoid the animal, but the Kent County Sheriff's Department investigators could find no skid marks.

Wilcox allegedly admitted to having had at least two beers. His injuries included lacerations to his right eye, both legs and chest.

Another car-deer accident on Spaulding was reported Monday. The victim was James Eardley, 7213 Driftwood Dr., who said the deer jumped from the side of the road directly into his path.

Since Eardley did not want the dead deer, it was sent to the county jail for disposal.

Zetha Schalk reported the

theft of a red motorcycle from the area of Ben's Tavern on Saturday.

E. Kiel, 221 Dogwood Lane, found that his home had been broken into on the 13th and that around \$20 in cash and a number of silver certificates were missing.

Emery Watrous, 4760 Watrous Drive, arrived home Saturday afternoon to discover that his home had been broken into with a hammer stolen from his garage. The thief had gained entrance by smashing the window of a bedroom. All of the dresser drawers had been emptied and possessions were strewn about the room.

An accident was reported on M-21 east of Pettis Avenue. Although an ambulance responded to the call, no one had to be hospitalized. The mishap occurred Saturday at 2 p.m.

Hasie Lewis, 71, of 515 48th St. S.E. and his passenger, Elijah Bloomer, 21, of South Division, Grand Rapids, were injured as Lewis turned off M-21 onto Pettis and was struck by a car driven by Edward Kessier, 50, of 2015 Byrnes St., Lansing. Kessier and his passenger, Edna Andrew, 5917 North Caulson Ct., Lansing, were both slightly injured.

## Bluebird News

The Happy Bluebirds held their first meeting, Tuesday, October 8th, with their leader, Mrs. Vern Keim.

Our officers for October are President, Amy Steward, Secretary, Francis Music, Treasurer, Suzanne Timson.

We learned 2 new songs and played games.

Jo Ann Keim brought the treat.

**What's Your Hang-up?**

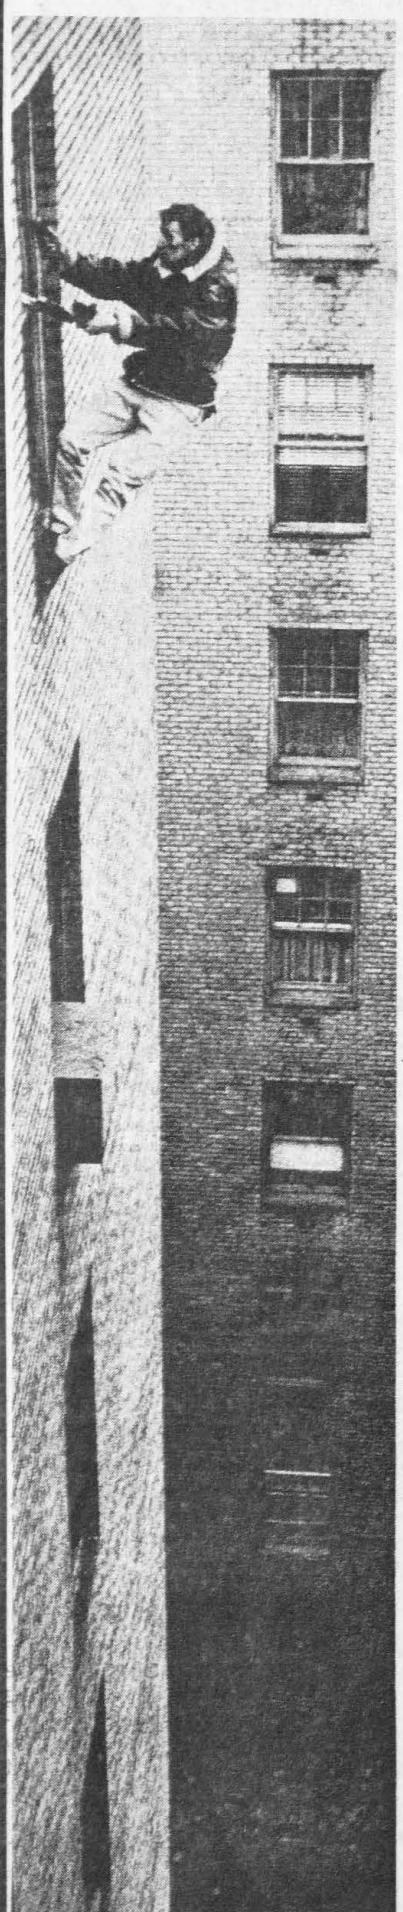

Yeah?

Well, first lemme tell you about ours...

You see, with all the fall clothes coming in we got no place to hang the stuff. Something's gotta give!

So we've taken a rack full of jackets, a table full of shirts, and several piles of pants, and we've dropped the prices way down to move 'em out.

So stop in and have a look!

## Letters to the Editor

To the Editor:

October 13, 1968 brought to a close, nineteen years of service, as pastor of Lowell Baptist Church.

To our many friends and neighbors in Lowell and vicinity we say, 'Thank You' for the pleasant experience of living in your fair city.

We wish to thank the business men and women, for their services, in so many ways to us, during our stay here.

To the people of this community we express our appreciation for the education of our children and the various opportunities afforded them and us through other organizations that were raised up to help both the youth and adults.

The City of Lowell, nestled here beside two rivers, seemed like home to us and we will long cherish pleasant memories of the many people we regret having to leave.

As pastor of Lowell Baptist Church for nineteen years, beginning in the old building on the corner of Main and Jackson and now in the new Church edifice on M-21 West, I can truthfully say that these have been busy years, but happy and profitable years.

The form of our message during this time may have changed some, but the content taken from the Greatest Book in the world, the Bible, is ever the same, "that God so loved us, that He gave His only begotten Son, Jesus Christ, for us, that we through faith in Him, might be saved."

The doors of this church will continue to swing open in "Welcome" to all who desire to worship, "The true and the living God."

We learned 2 new songs and played games.

Jo Ann Keim brought the treat.

And so we bid 'You All' farewell and may your community prosper according to the will of God.

Rev. M. Keith McIver

### Offers Further Vote Explanation

To the Editor:

The article appearing in your October 3rd issue written by Mr. Al Heemstra purporting to dispel confused impressions concerning the new Kent County Board of Supervisors and its duties impressed me as adding to the confusion, rather than clearing it up.

Since I am a candidate for the office in District 3, I would like to see if I can help eliminate any misunderstanding which may exist.

1. The new County Board of Supervisors will be composed of 21 members. The old or present Board is composed of 77 members.

2. The new Board will be composed of members elected specifically for the purpose of serving on the County Board.

The present Board is made up of members elected to Township or City offices or appointed by virtue of their employment as public administrators.

3. Each Township will still elect a Township Supervisor who will continue to perform his Township duties which consist primarily of presiding over Township meetings and Assessing Real and Personal Property.

The new County Supervisor will be responsible for County functions only, but should keep in close contact with the City Councils and Township Boards in his district to insure cooperation in local objectives.

4. Any Township Supervisor who is elected to the office of District Supervisor on the new Board will have to resign his position as Township Supervisor. This would result in the appointment of a new Township Supervisor by the Town Board to serve until a new election is held.

When Mr. Heemstra wrote, "County government responsibilities will remain the same, including hospital, jail, library and poor house oversight;" One gets the impression he is trying to tell us something. We suspect there has been far too much "oversight" and not enough "overseeing." Let us hope the 21 man Board will be more efficient than the 77 man committee controlled present Board.

County Supervisor

## Increased Parcel Post Rates Due

Area postmasters reminded postal customers today that higher parcel post and catalog rates will go into effect this Saturday (October 19).

The rate increase will average 10.5 per cent and, in most cases, will mean an additional ten cents postage per parcel.

The higher rates were approved by the Interstate Commerce Commission in July.

Under the new rates the minimum charge for local parcel delivery will go up from 40 to 50 cents. The minimum charge for parcels destined outside the local delivery area will be raised from 50¢ to 60¢.

Almost all parcels that are charged up to \$1.10 under present rates will go up 10 cents. This accounts for more than 80 per cent of all parcel post, Postmaster Doyle pointed out.

There will be a 15-cent hike on most parcels now charged between \$1.10 and \$4 and a 20-cent increase on parcels now charged over \$4.

Parcel post rates are based on the weight of the package and the distance it is mailed.

Higher rates for the delivery of packages and catalogs are required to bring revenue from this type of mail within four per cent of operating costs, as required by law. The higher rates are designed to put parcels and catalogs, which are fourth class mail, on a break-even basis.

### Injured in Accident

Harrison Brock, Jr., 24, of Portland, was listed in good condition in Butterworth Hospital in Grand Rapids following a spectacular automobile accident near Lowell early on Saturday morning.

Troopers from the Ionia State Police post said that Brock, westbound on M-21, missed a curve three-tenths of a mile east of the Ionia-Kent line. According to the troopers the car ran 354 feet off the road, went into a drainage ditch, rolled over three times and landed on its top.

Brock was found beside the car. Hospital authorities said he suffered a fractured shoulder.

LAST LAUGH - Tiger fans Hugh Linkfield (left), Herb Keyser and Chuck Bartlett turn "thumbs down" on Frank Smith, the only Cardinal rooter among the foursome that attended the sixth and seventh games of the World Series in St. Louis last week (see story.)

## Foursome Gets Tickets; Rush to Tigers' Side

No one...but no one...enjoyed the Detroit Tigers victory over St. Louis in the World Series more than did Hugh Linkfield, Herb Keyser and Chuck Bartlett.

No one...but no one...suffered more abuse for the demise of the Cardinals than did Frank Smith.

Quite by accident, all four area residents were on hand in Busch Stadium for the final games of the series last week.

"It was something else again," said Bartlett, recounting the happenings in St. Louis.

"We gagged up some Tiger hats and everywhere we went those people down in St. Louis couldn't believe their eyes. One guy offered me \$100 for mine...and I told him I wouldn't part with it for \$500."

The quartet drove to Missouri on quick notice after Bartlett had secured precious tickets from a Grand Rapids beer distributor...which just happens to handle foamy products made by Cardinals owner Gussie Busch.

"I think it took us about an hour to get ready and seven hours to drive down there," says Bartlett.

Smith, an ardent Cardinal fan, reminded his companions en route that Pitcher Bob Gibson had won two games for

## 'Autumn Ecstasy' LHS Theme

"Autumn Ecstasy," theme of the 1968 Lowell High School Homecoming, is showing itself throughout the city this week.

Already, the town has experienced the snake dance on Tuesday night, and the King and Queen have been named to rule over the festivities.

At press time, the candidates for Queen were Crystal Haywood, Gerri Balcom, Wendy Craig and Vicki Hale. Potential kings are Steve Johnson, Cla Avery, Dan Heintzelman and Pat McMahon.

Crus of the homecoming will be the Friday night football game between Lowell and Belding. This begins at 7:30 p. m. At the half, the class floats will be paraded before the stands, and music for the introduction and parade will be furnished by the Lowell band, directed by William Mills.

Council approved one of two plans submitted by the company by a 3-1 vote with Councilman Herb Reynolds objecting.

The city fathers also chose to go against the recommendation of City Manager Bernard C. Olson, who favored the less-expensive of the plans.

Under the adopted plan, the city will share costs on a 50-50 basis for installation of 1,000 feet of sewer line at a cost of \$13,285...or \$6,643 as the city's share.

The alternate proposal called for installing 650 feet of line at a cost of \$9,037.

Mayor Arnold Wittenbach and council members Carlen Anderson and Mrs. Virginia Myers favored the plan accepted on the basis that it would facilitate long-range plans to open the area to industrial expansion.

Everyone is invited to come and join in the fun during Homecoming. Be sure to come and meet old friends from school days and be a high school student again for a short while.

Stevens T. Mason was the first governor of the State of Michigan. Mason served from 1835 to 1840, and Michigan was admitted to the union in 1837 as the 26th state.

**UFO Sighted in East Kent County:**

## Reporter Asks: What Was It?

(Last Friday night, the writer witnessed an unusual sight in the sky over eastern Kent County. Several other persons including Lowell policemen, also saw the Unidentified Flying Object.)

BY PATT BAMBRICK

There seemingly suspended in the sky was a...well, I don't know what it was.

At first, it appeared to be a star, but the light got brighter and then dimmer. And then,

there was a red light, and then blue.

Well, maybe it was an airplane.

But it stayed in approximately the same place for well over 15 minutes, appearing to either drift from one position to another occasionally, or perhaps to make a circling pattern.

But surely that was my imagination. I've obviously been watching too much science fiction.

One of my favorite theories, upon which I have expounded on many occasions, is that it is completely ridiculous to suppose that we are the only intelligent form of life in existence...a completely safe theory since the likelihood of a "Mr. Spock" appearing on my doorstep seemed highly improbable.

\*\*\*

Now my "comfortable" theory has become somewhat uncomfortable.

Was that thing in the sky something or someone from another world?

I don't know!

I fell asleep that night feeling terribly, terribly small. Here was I, only one in a world of how many billion humans.

And here are we only one world in how many billion worlds?

The numbers seem infinite.

Prospects of payless paydays for Lowell Area School personnel during the month of November had lessened today even as school officials continue to wrestle with deficit financing problems.

The Board of Education authorized Superintendent James C. Pace Monday night to seek temporary funds to meet at least two of the three paydays scheduled in November.

Pace contacted state school authorities in Lansing to determine the best course of action and was advised that three avenues were open to the district:

1 — Secure a short-term loan from a bank;

2 — Borrow against anticipated tax revenues (local taxes are collectible starting December 1); or

3 — Wait until November 15, at the earliest, for an advance on state aid revenues.

Pace said that, in all likelihood, the district would appeal to the Municipal Finance Commission for approval to sell tax anticipation notes in the amount of about \$150,000.

A total of \$47,000 is required for each payday and only \$42,000 remained in the school operating fund as of Monday, according to Pace.

Pace told board members that it might be possible to transfer some funds to accommodate payroll requirements for the initial November payday, but that the treasury would then be depleted.

A number of other fiscal items were discussed by the board, including adoption of a revised budget calling for expenditure of \$1,319,296 during the 1968-69 school year.

This was approximately \$14,000 higher than the budget which the board considered for adoption a month ago. The vote was 5-1 with William Jones opposed and Gould Rivelette temporarily absent from the proceedings to attend another meeting in the city.

Pace said that most of the extra \$14,000 would go toward salaries.

Board President Dr. Robert Reagan and Pace were queried by Jones as to the necessity of adopting the budget at this time.

"There are parts of this budget which will be subject to change after the November 25 millage election," he stated. "I firmly believe we should wait until before adopting any budget."

Pace noted that the budget was only devised to serve as a "guideline for the administration."

Dr. Reagan told the board and a dozen spectators that adoption of the budget was "only a formality," adding:

"If the people turn down the millage again, there are some things in the budget that will simply have to be eliminated."

The board also took up the matter of calling voter attention to the millage proposal, which seeks a seven-mill levy for two years for operating expenses.

Among other things, board members were unanimous in agreeing to meet with any group in the district to discuss budget problems encountered with an accrued deficit of \$114,000 at the end of the 1968-69 school year.

In other action, the board

Agreed to form a committee that would meet with Belding officials to determine advisability of transferring property owned by Lewis Marcellus at 14373 4 Mile Road from Lowell to Belding;

Tabled, for at least this year, sending a representative to the National School Safety Congress in Chicago despite an offer by the Rotary Club to write \$25 of the expense;

Discussed the matter of charging groups for use of school facilities after 5 p. m. following receipt of a request from the Lowell YMCA, which agreed to pay \$600 for rentals;

Referred to committee bus insurance bids from Farm Bureau (\$2,044.04) and Speerstra Agency (\$3,037.03) and possible sale of two old buses from the district fleet.

KICK OFF CAMPAIGN - Trent Geldersma is shown getting the United Fund Campaign underway in Lowell this week as he "kicks off" the drive with co-chairman Roger Roberts holding the ball. Other members of the UF "team" are Pat Lang (left), who heads up the drive campaign at Attwood Corporation, and

## Set October 25 Deadline for School Vote Registration

**The Village Smithy**

BY FRAN SMITH

It may have escaped your attention, but the period from October 6-12...among others...was National Newspaper Week.

We point this out rather belatedly because (1) there was little enough room for live news in last week's edition; (2) there are other "weeks" that mean much more to the public than this one; and (3) it might have appeared that we were blowing our own horn...again!

We're just happy to be a part of the business of gathering, editing and publishing items that go into making a newspaper.

It is a business that, like few others, can be a joy and a headache...often within minutes.

What we really had in mind when this piece started was to pay particular salute to the employees whose skills and talents are mainly accountable for the weekly production of the paper.

Rather than to list them here, I would refer you to what we call the masthead on Page 2. Except for the joker listed at the top, we would ask that you thank them for any comfort or benefits you may have derived from this or preceding editions.

The best way you can thank the Smithy for his investment in time and money is to keep reading what's written...and by letting our advertisers know that you appreciate their endorsement of these columns.

Less than three weeks remain before the general election and you can bet that drum-beating and tub-thumping of the presidential campaigns will be stepped up to an unprecedented pace in the days remaining before November 5.

Each of the candidates will point to the public opinion polls and explain to you voters why they are certain of victory.

They will also point to their opponents and shout at the top of their lungs about their rivals' shortcomings.

What disturbs me most, as of this writing, is that both Richard Nixon and Hubert Horatio Humphrey act for all the world as if this is a two-man race.

Just about now, if I were either candidate, I'd be aiming my siege guns at George Wallace.

Here is a man who is gathering speed like a runaway torpedo and who is, in the estimation of many experts, equally as dangerous.

I do not believe that Wallace can win the election. But I do believe that he can siphon off enough votes to disrupt the archaic electoral college process.

Should this happen, it would be up to the newly-elected House of Representatives to decide who the next President of these 50 United States will be...and, in effect, disenfranchise millions of voters who will turn out on November 5.

If you think this is the fair way to choose Our Man in Washington, then so be it. But I would caution that you give it much study before going to the polls.

Present projections indicate that a semi-austerity budget in effect for 1968-69 will reduce the deficit by approximately \$17,500 if the millage request fails to pass in its second test this year.

An earlier proposal calling for 3.3 mills for one year failed when a recount action created a 457-457 tie for the August 26 special election after it appeared the millage had been approved by a single favorable ballot.

# Rangers Win, Take O-K Loop Lead-Arrows to Change Offense

## FH Tops Godwin in Comeback

It's possible that the toughest part of the 1968 season may be in the past, but you'll never convince Coach Frank Rosengren that his Forest Hills High football club has at least a share of the O-K Red Division championship in sight ... at least not yet.

"We've got three games to play," said Rosengren following Friday's 19-7 win over Godwin Heights, "and two of those are in our conference. I figure that everyone will be pointing for us now that we're in the lead."

The Rangers, boasting a 4-1 overall record and a 3-1 mark in the loop, meet Lee High on the latter's gridiron this Friday night at 7:30 in a non-league encounter.

Lee tuned up for its confrontation with Forest Hills by storming over Byron Center in an O-K Blue Division game last week.

Also remaining ahead for the Rangers are Hudsonville at home a week hence and Rogers in a road game finale on November 1.

Rosengren admits that the hard-earned win over Godwin may have given his team a lift toward the title.

"It's nice to be out in front instead of being in second place," he declared.

The victory gave Forest Hills a half-game edge over Kentwood, which stepped out of the conference to pin a 14-14 loss on previously-unbeaten Northview. Kentwood has a 2-1 league mark, including a 14-13 decision over Forest Hills.

Halfback Stan Grochowalski scampered for two touchdowns on runs of 15 and seven yards and Quarterback Scott Wingeier hit End Tom Teft with a 25-yard scoring pass against Godwin.

Fullback Randy Simon failed to get into the scoring column, but only because two short bursts into the end zone in the first half were called back due to minor penalties.

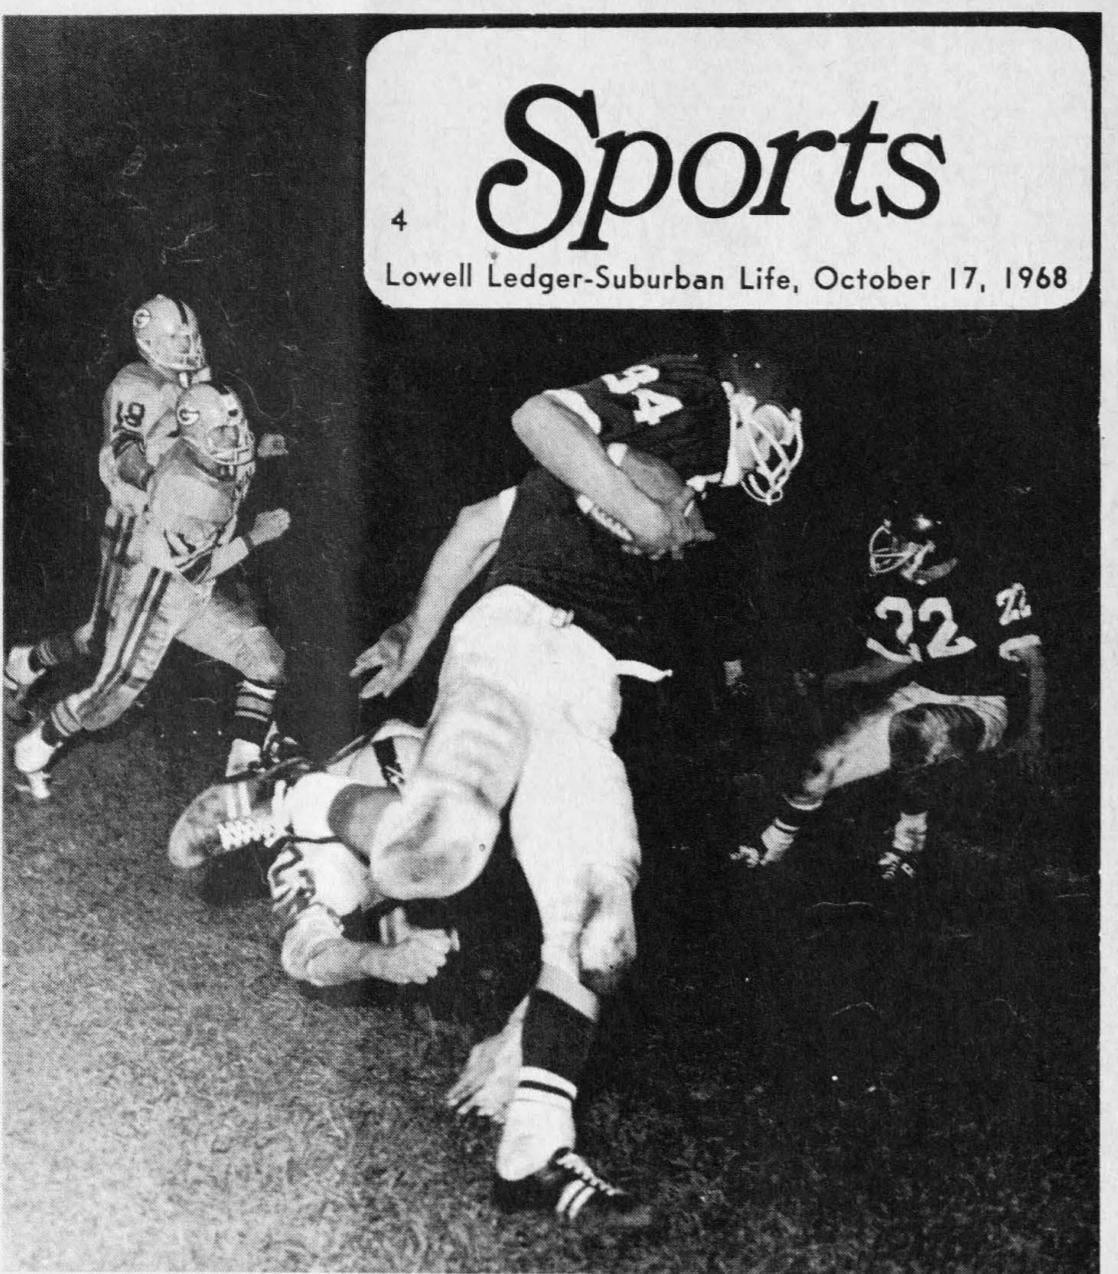

The teams battled through a scoreless first half, though Forest Hills twice reached the Wolverines' one-yard line. Godwin's lone threat carried to the Ranger 14 and was stopped when Grochowalski intercepted a pass by Quarterback Jose Hernandez.

A fumble by Simon on the Rangers' first play of the third quarter was recovered by Godwin Tackle Doug Carl and the Wolverines needed only two plays to reach paydirt from the Forest Hills 20, Gonzales firing a 12-yard payoff aerial to End Dana Snoop to go in front, 7-0.

With 5:34 remaining in the third quarter, Forest Hills drove 79 yards to the end zone to knot the score at 7-7 with Simon carrying five times to account for 61 yards. Gorchowalski swept end on a reverse for the tying TD and End Bob VandenBos kicked the extra point.

Simon intercepted another Hernandez pass on the final play of the third period and set the Rangers in motion for their clinching score.

A 15-yard romp up the middle by Simon and a Wingeier-to-Teft pass good for 7 yards sparked the drive that culminated with Gorchowalski again sweeping around end from the

Forest Hills took advantage of another Godwin miscue to tally its final marker with just 2:04 remaining.

Guard Rob McCormick set up the insurance TD by recovering Hernandez' fumble on the Rangers' 41. It took the Forest Hills just six plays to reach the end zone on Wingeier's heave to Teft.

Though he failed to score, Simon turned in another great two-way effort for Rosengren's Rangers, carrying 23 times for 123 yards. Gorchowalski collected 50 yards in eight carries and caught two passes for 59 yards and Halfback Brad VanSluyters picked up 26 yards in four carries.

Wingeier turned in an impressive game, connecting on 10 passes for 138 yards. Rosengren had particular praise for the "M Squad" ... McCormick and tackles Dan Mosher and Jim Meier.

"They really did the job for us," he said. "Mosher made 13 tackles and stopped their running game cold every time they went his way."

The Ranger pilot also lauded the work of Fullback Steve Cribble, whose defensive efforts helped blunt Godwin's passing game.

### Cardinals Sparkle in Trophy Win

The Kentree Cardinals took home the Kent County Championship trophy at the conclusion of the action-packed polo game Sunday at the Kentree field. Their rivals for the trophy were the Taos Stable team.

The Cardinals came out the victor even after spotting the Taos players two goals. Final score showed the Cardinals ahead 6 to 4.

Dr. Larry Alleban scored three of the Cardinals goals. Lou Withey and Joe Hill each accounted for two of the Taos goals.

Next Sunday at 3 p.m., weather permitting, the Forest Hills Orioles will battle the Sparta Jaguars for possession of the Kentree Players Plate.

### Lowell JV Gridders in 24-0 Loss

The Cedar Springs JV's dominated the action against Lowell last Thursday and defeated the Red Arrows 24-0.

The Lowell defense couldn't stop the strong running and passing attack of the Red Hawks, as Cedar Springs scored 18 points in the first half.

Lowell's only scoring threat came in the first half when the hard running of Sid Haywood and Leo Hardin moved the ball to the Cedar 20-yard line. The threat was stopped, however, when a line backer intercepted a Collins pass and returned it to the Cedar 27.

The second half saw the Arrow defense tighten and allow only one touchdown to the spirited Red Hawks.

The ball changed hands freely throughout the game, with Lowell recovering two fumbles and Cedar Springs one.

### 5th Loss Suffered by Lowell

Lowell High football fans may expect a "new look" for this Friday night's homecoming game against Belding as Coach Jerry Smith seeks to generate a consistent passing game for the winless Red Arrows.

Smith introduced the formation briefly in a 24-13 setback Saturday at the hands of Cedar Springs and, while the results were inconclusive, it was apparent that the Red and White aerial game is beginning to jell.

The Arrows utilized a shotgun offense midway in the second quarter, designed to spring Quarterback Mitch McMahon loose from about five yards deeper than is possible in the T-formation.

"We'll probably try it again this week," explained Smith. "Our team is gaining confidence in its passing game and this is one way we can possibly get our offense moving."

Game time at Recreation Park is 7:30 p.m.

As in an earlier loss to Spartans, the Arrows managed to move the ball well in the second half against Cedar Springs ... but it was a case of too little, too late.

The Red Hawks struck for three touchdowns in the second quarter, exploding twice via the air and converting a Lowell fumble into another quick score.

In the second half, the Arrows connected twice on long pass plays to reach Cedar Springs' end zone, but the winners managed to sandwich in an insurance marker on an 80-yard burst by Halfback Kris Reyburn to thwart any Lowell hopes for victory.

Trailing by an 18-0 count, Lowell got on the scoreboard in the third quarter on a 48-yard pass-run play from McMahon to End Curt Fonger to complete a 74-yard drive on five plays.

A key to the march was Fullback Ken Roth's 37-yard gallop from the Arrows' 24 on a third-and-12 situation.

Midway through the final stanza, Guard Ray Smith intercepted a pass by Cedar Springs Quarterback Mike Stoner on the Hawks' 48 and relinquishing the ball on downs.

On the third play, Reyburn broke off tackle, eluded several defenders at the sideline and scampered 80 yards to the goal line to give the Hawks an insurmountable 24-6 lead.

A fumble recovery by Lowell's Dick Rosenthal with 1:30 remaining set up the final score of the game. After McMahon had lost nine yards to Cedar Springs 37, he sent Ted

If you are going on a trip and the car will be heavily loaded with luggage as well as passenger, be sure to consult with your service man as to the correct tire pressure needed under such conditions.

A car must be driven about five miles at a stretch to bring its engine up to the proper operating temperature.

An engine that does not reach operating temperature doesn't clean itself adequately. Thus, the crankcase oil becomes contaminated much more rapidly than when driving long stretches on the highway.

If your average trips are fewer than five miles at a stretch, such as merely going

to and from the office, have the crankcase oil changed every 1,000 to 2,000 miles.

# Arrows Bow to Cedar Springs

(Continued on Page 4)  
Hoseth far to the left on a "lonesome end" play and connected brilliantly to the lanky flanker at the goal line. Halfback Pete Olson ran for the extra point.

Cedar Springs pushed across two of its three markers in the second quarter on a 31-yard pass from Quarterback

LaVern Jones to Reyburn and a 71-yard pass-run play from Jones to Halfback Mike Stoner.

The third TD came after Smith fumbled while trying to punt the Arrows out of trouble deep in Lowell territory, the ball going over the Cedar Springs on the Lowell three-yard line. From there, Half-

back Mike Karasinski carried over center to make it 18-0.

Lowell managed 123 yards in the air, getting 85 of them in the second half, but wound up with -13 yards rushing... the result of numerous losses by McMahon on pass attempts.

Cedar Springs gained 74 of its total 110 yards rushing in the first half and collected all but 17 of its 119 passing yards before the intermission.

The winners held a 7-5 edge in first downs, though they managed to move the markers only twice in the second half as Lowell's defense gave evidence of better thing to come.

Roth was the top gainer for Lowell, rushing nine times for 64 yards and won Coach Smith's nomination as offensive back of the week. Center Steve Johnson, who waged a head-to-head duel with all-conference Tackle Larry Malinowski, was the top offensive lineman.

Ray Smith and Dick Rosenberger won weekly honors for their defensive efforts.

The loss was the fifth of the campaign for Lowell and its fourth in Tri-River Conference action.

Belding also has dropped all four league starts after an opening-game win over Central Montcalm.

Gordon Preston of Sparta was third with a clocking of 10:54 and teammate Bryan Claxton finished fifth behind Ron Cool.

Ron Cool picked up the individual first-place trophy with a time of 10:51 in the two-mile hill-and-dale test, nudging out brother Rob by a mere second.

Ron Cool took first-place honors with 69 points, placing five runners among the top 21 finishers. Northview was second with 84 and Sparta took third with 100. A total of 115 runners participated in the varsity meet.

Kenowa Hill's Randy Saliers.

The top finisher for Lowell, which finished 15th in the 17-school competition, was sophomore Craig Wittenbach.

Another Lowell sophomore, Larry Winchell, was timed in 11:14 in taking second place among 111 entrants in the Jun-

ior varsity portion of the meet. Mike Baugus of Sparta won the event in 11:01.

Rangers took first-place honors with 69 points, placing five runners among the top 21 finishers. Northview was second with 84 and Sparta took third with 100. A total of 115 runners participated in the varsity meet.

Lowell High's freshman football team lost its third game in four starts last week at Cedar Springs, 45-7.

The Arrows were out-gunned by a larger, faster Cedar team that displayed a fine balance of running and passing.

Lowell's only score came in the third quarter on an 80-yard kick-off return by John Doane. Joe Thompson ran for the conversion.

This week's game will feature the Arrows against Belding here at 4:15 p. m. Thursday.

Harriers Top Coopersville in Tri-River

Dave Barrus placed first and Mike Oberlin was second last week when Lowell High's cross country team beat Coopersville, 25-30.

It was the second league victory for the LHS harriers this year.

On Oct. 8, the Red Arrows lost to Belding, 21-34. Barrus and Oberlin placed fourth and sixth, respectively, in the Belding meet.

Tackles Steve Schuster and Joe McMahon and Linebacker Larry Diebel sparked on the forward wall.

## Install New Officers for Pistol Club

A new slate of officers was installed by the Lowell Rifle and Pistol Club at its meeting October 8.

Named as president for 1968-69 was Richard Yeiter with Tom Bruce to serve as executive officer. Donald Kelly as vice president and Mrs. Trude Schleritzauer as secretary-treasurer.

Jack Young, Phil Schneider and James Schneider were re-elected as directors and Bill Harris was elected as the fourth director.

Teams are now being formed to compete in the indoor 22-calibre league which gets underway on December 6.

The club meets Tuesday evenings at 7:30 on the second floor of the Lowell City Hall. Persons interested in pistol shooting are invited to attend.

## MISSIONARY CONVENTION

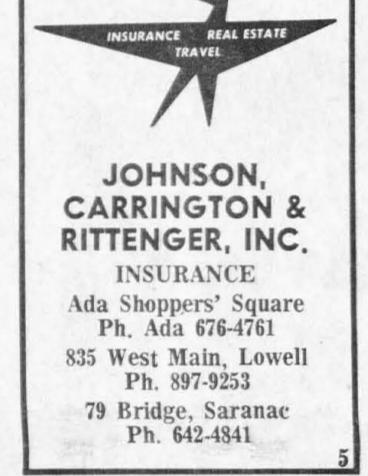

Folks attending the Round Robin missionary convention of the United Brethren churches in the area were privileged to hear Miss Bernadine Hoffman, guest speaker Wednesday evening, describe her tour of the Holy Land. Complimenting her talk was a display of slides she took on her trip.

Dr. Lloyd Eby, scheduled to speak on Friday evening, was ill and Dr. George D. Fleming took his place. Dr. Fleming is the secretary of World Wide Missions.

Serious or not,  
accidents can  
be expensive!

Loss of income, medical bills,  
the rising costs of repairs...  
our accident policy takes  
care of all this for you.

## SCHEDULE REVIVAL MEET

A series of revival meetings have been scheduled at the local church from October 18 to 27th.

The public is cordially invited to attend each evening. Rev. Norman Clothier and the Teen Teams from Pontiac will be featured.

### CONTEST CLOSES

The Chuck Wagon dinner, served right after church on Sunday, October 13, brought to a close the contest between the Sunday school classes for new members.

The young people had put a lot of effort into this contest and had good results.

### Other News

The W.M.A. of the United Brethren society was held at the home of Mrs. Maude Stadel in Carlton on Messer Road Thursday, October 10, with a basket carry-in dinner. A quilt was put on and is being quilted at her home by members.

**Jeanne Metsger Top Winner at Kentree**

Poor weather on Sunday, October 6th, forced the performance of the annual Kentree Horse show into becoming an indoor event.

Over ninety children, from 6 to 17 years old, participated in the nineteen classes.

Jeanne Metsger showed her prizewinning riding style by taking home the show's top award, the Kentree Perpetual Equitation Trophy, for the 3rd time. Jeanne was first in her class in equitation over fences and also in walk, trot and canter.

Winners of the Bond Improvement Trophies for the riders showing the most improvement during the year. Robbin Smith took the honors in the advanced class and for the first time in Kentree's history two sisters, Kathy and Pam White, shared the spotlight by winning the intermediate trophy.

Sherry Withey, in the 13 and under class, took first place in the walk, trot and canter and in equitation over fences. Carol Withey took home a ribbon for equitation 13 and under.

Robbin Smith made her mark by winning the one minute "take your own jumps" jumping contest and also won the open working hunter class on her horse, Something Special, and the Flanigan Memorial Trophy.

Other first place winners were Linda Fletcher, Laura Oosting, Cathy Robert, Ann Hunting, Connie Wold, Ann Miller, Jeannine Johnson and Caree Tuthill.

**Miss Priebe Married to Illinois Man**

St. Mary's Church in Lowell was the setting for the Saturday afternoon ceremony uniting Maureen Priebe, daughter of Mr. and Mrs. William Priebe, Center Avenue, Lowell, and Lawrence Trzaskus. Parents of the groom are Mr. and Mrs. John Trzaskus of Mt. Prospect, Illinois.

The bride wore an empire gown of silk ottoman trimmed at the bodice with imported venise lace. The long sleeves were trimmed with appliques of matching lace as was the detachable train. A silk clustered bow accented with seed pearls caught her floor length illusion veil. She carried a bouquet of white cushion mums encircling a beautiful white orchid.

Mrs. Curtiss Chadwick, matron of honor, wore an olive green gown, similar to the bride's. Attired in gold gowns were Suzett Koppers of Paw Paw and Judi Trzaskus, sister of the groom. They carried snowballs bouquets of gold and rust colored mums.

Tena Priebe, niece of the bride, was flower girl. John Krebs of Arlington Heights, Illinois was best man. Craig Brush of Jackson and Ronald Boksa of Chicago, were groomsmen.

Tom Wilcox and Mike Miller seated the guests. John Trzaskus and Tom Heinzelman assisted Father Ben Marciulionis with the Holy Sacrifice of the Mass.

Following the ceremony a reception was held in the Lowell Moose Lodge rooms. Mr. and Mrs. Blake Forslund were master and mistress of ceremonies.

The newly married couple are honeymooning in New York City.

**6 Students Score High In Merit Test**

Letters of Commendation honoring them for their high performance on the 1968 National Merit Scholarship Qualifying Test have been received by six area students.

Three members of the Lowell High School senior class who were so honored were Curt Forger, Gwen Batterbee and Steve Thurlert. From Forest Hills High School, Nancy Martin, Curtis L. Thor and Robert J. Vandenberg were singled out for this high scholastic honor.

They are among 39,000 students in the United States who scored in the upper two percent of those who will graduate from high school in 1969.

**Volunteers Seek Jobs for Project**

The Aquinas College Student Volunteers are looking for work!

They will rake lawns, wash windows, wash or polish cars, clean basements, baby sit, iron—do any sort of odd jobs this Saturday, October 19, to raise funds for their volunteer projects in Latin America, Appalachia, and the Inner City.

The volunteers will conduct a radio marathon on WXTO-FM (459-3553) Saturday 19th from 9 a.m. to 1 p.m. Those persons who wish to "order" a worker may call the station during that time. Donations given the student for his work will be turned over to the Aquinas Volunteers.

**Forest Hills Hi-Lites**

BY SHIRLEY DYGERT

Week-ending this fall has been a joy for those who have cottages and cabins in the northern woods where the colors have been painted so lovingly by Mother Nature.

Near Cadillac the Ron Fosters have a lodge which they opened to friends, the Don Daltons, the Robert Weighs, and the Harry Johnsons.

Almost as far as Frankfort is the cottage of the George Gearys who invited Betty and Maury Wilson, Phyl and Bob Van Vrevoordt, and Ruth and Bogey Harper for Saturday night after the game at Ann Arbor.

Although golf would seem to be seasonal, there are a great many activities possible for members of clubs. Carlee Will, president of the Women's Association, has announced that November 6 will see the staff members of the Forest Hills Country Club gathering for their first luncheon meeting of the winter season.

Elaine and Irving Boeskool took a few days off for a "sentimental journey" when they went to Homecoming at the Naval Academy at Annapolis where he was graduated.

The Show Dragon is coming to school. Under that elaborate exterior will be members of the Council for the Performing Arts. They are out promoting the three performances that they are sponsoring this year.

Their identifying theme from now on will be the exciting creature that children love. Somehow he isn't always a villain after all. The shows this year will be "The Puppet Prince" by the Civic Theatre performers, "Tom Glazer," Folk Singer, and "The Young Tom Edison," a musical play.

Ask Ken Klinstra how to make a million dollars in one evening. He started with four hundred thousand at a Monte Carlo party at the Frank Schueler's Saturday and ended as the richest man present. Gag prizes went to all heavy winners and even those who lost, really won. They enjoyed Mary Lou's rolled rib roast and beef tartare between the laughs. Other guests included Hank and Ev Stevens, Dale and June Stopples, Paul and Winnie Peterson, Berry and Abby Bement, John and Patsy Clark and Jerry and Rosemary Ozman from Lansing.

**Local Girl Pledged by Honor Group**

Mr. & Mrs. Richard Schleiner have received word that their daughter, Jo Ann, has been pledged to Pi Omega Pi, the National Business Education Honorary Society at Western Michigan University. A student must maintain a 3.5 in business subjects and a 3.0 in education in order to be eligible for this honor.

Jo and her husband, Larry, will be graduating from Western Michigan University in April of 1969.
