# School Millage Rejected in Record Lowell Vote

## Lowell Officer Assists Capture of Theft Suspect

An off-duty Lowell policeman today was credited with playing a key role in apprehending a suspect who allegedly stole postal money orders with a face value of \$165,000 from an Upper Peninsula post office in early October.

State Police and U. S. Post Office authorities are holding Curtis E. Gibbs, 36, of Hamtramck, Mich., on a charge of burglary from the Rudyard Post Office on October 2.

Gibbs was arrested Saturday night in an Ada tavern by Sgt. James Hutson of the Lowell Police Department and turned over to troopers from the Michigan State Police post at Rockford minutes after the arrest.

## Two New Officers on Force

Two new officers have joined the Lowell Police Department, bringing the force up to its full complement, according to an announcement from Chief Avery Block.

The new officers are Allen Eckman, 25, of Lowell and Ronald Speckin, 21, of Ionia. Eckman is a native of Lowell and was graduated from Lowell schools. He also studied for two years at Grand Rapids Junior College. A member of the Michigan National Guard, Eckman is single.

Speckin is a former serviceman, having served with the Navy until 1965. He was a member of the Ionia auxiliary police force. He and his wife, parents of one child, plan to reside in Lowell.

Chief Block also reports that Patrolman Robert Perrin has completed the initial phase of the Michigan State Law Enforcement School in Grand Rapids with a rating well above the class average of 85.7.

of possessing stolen property and with passing stolen money orders is Joseph Martin of Grand Rapids.

State Police were processing burglary tools and cutting equipment found in Gibbs' car for fingerprints. Pending the outcome of this investigation, both men were being detained at Kent County Jail awaiting possible transfer to Sault Ste. Marie.

Sgt. Hutson was alerted to the possibility that the alleged burglars were operating in this area when several of the money orders were passed to area business places.

Acting on a tip, he traced Gibbs to an Ada address and notified the Rockford post of his findings.

Troopers Millard Holton and Robert Suplee were sent to the area, but apparently had hit a cold trail when it was discovered that the home in Ada was empty.

Hutson investigated further, however, and learned that Gibbs had gone to Grand Rapids and was accompanied by a young boy. He maintained a stake-out near the home and shortly thereafter spotted a car containing Gibbs, Martin, two female companions and the boy.

The party entered the Lena Lou Inn and Hutson once again notified state police. Holton and Suplee, joined by Troopers Leon Baker and David Frogge, converged on the scene and took custody of Gibbs and Martin following the arrest.

A number of burglary tools and cutting tools were found in Gibbs' car. A check of Martin's apartment in Grand Rapids led to recovery of approximately 1,100 of 1,400 money orders reportedly stolen at Rudyard. Also found in the apartment, according to state police, was forgery equipment and a typewriter used in filling out the stolen money orders.

Gibbs had 25 money orders in his possession at the time (Continued on Page 2)

## Fiscal Problem Remains

Lowell Area School voters, turning out in the greatest numbers in district history, soundly rejected a request by the Board of Education for an additional seven mills of operating money.

The margin of defeat was by 113 votes with 1,136 voters casting "no" votes to 1,023 "yes" ballots. Another 12 votes were declared spoiled.

The decision, which saw 60.7 per cent of the district's 3,592 registered voters going to the polls, was the second refusal in three months to underwrite the district's deficit financing that resulted in an accrued deficit of about \$110,000 at the close of the 1967-1968 school year.

Board members huddled immediately after election workers had completed the count to determine the next course of action.

In all likelihood, some steps will be taken in the near future to cut out all but necessary expenditures. This may sound the death-knell to the school's athletic program, among others.

In September, the board took steps to eliminate several administrative positions and other personnel in an effort to reduce spending. However, since almost 85 per cent of the budget for 1968-69 was already pegged for teachers' salaries, little could be done to bring about wholesale reductions in expenditures.

The changes are expected to bring about a saving of almost \$19,000 in this year's operating costs.

Monday's vote witnessed waiting lines at both precincts throughout the peak voting hours with an estimated 50 residents still on hand to cast ballots when the polls closed at 8 o'clock at Runciman Elementary School in Lowell.

Extra election workers were called in by mid-afternoon to handle the expected overflow near closing time.

The millage proposal was one of the most controversial issues ever placed before district voters. A concerted drive to get out the vote was credited with the large turnout Monday.

School officials had estimated that 1,800 voters would go to the polls in pre-election predictions.

## Set Lowell Fund Return at \$7,855

Third quarter Motor Vehicle Highway Fund collections are being distributed to Michigan counties, cities and villages, the State Highway Commission announced today.

Henrick E. Stafseth, state highway director, said net receipts in July, August and September totaled \$66,965,812, an increase of \$10,834,206, or 11.9 percent more than the same period of 1967.

Kent County's share if \$981,536 while Lowell will receive \$7,855.

The Motor Vehicle Fund includes all state gasoline and diesel fuel taxes, and license plate fees. After deduction of collection costs and the Waterways Commission's share, 46 percent goes to the Department of State Highways, 34 percent to the counties, and 20 percent to 528 incorporated cities and villages for use on state and local highways, roads and streets.

## Thanksgiving will be a happier, more meaningful day...

It's a story we all know and love—the first Pilgrim Thanksgiving. The excitement in their little homes must have been pretty much as it is today—the tantalizing smells of roast turkey and pumpkin pie—the bustle and rush of eager children—it must have been a wonderful day!

But before the Pilgrims sat down to their feast they observed the true meaning of Thanksgiving. They all gathered together in their meetinghouse to give thanks for the good they had received, for survival through a long year of hardship, and to pray for the strength and courage to keep their faith in this strange, new land!

This Thanksgiving, why not take your family to your house of worship. A quiet hour of prayer and thanks will make your holiday so much more meaningful.

Wherever you are... whatever your beliefs may be... take time to offer your words of thanks... just as the Pilgrims did more than 300 years ago.

## FH Board Looks at New System

Whether to go on a unique four-quarter system or to build more rooms is the question facing the Forest Hills Board of Education.

Many evenings of discussion concerning the facility needs in the district culminated at the recent Board of Education meeting.

At the present time the Forest Hills Junior High School, which was built to accommodate 600 students, has an approximate enrollment of 627, and a projected enrollment of 730 by 1970.

The senior high school has an approximate enrollment at the present time of 1,130. Built to handle 1,200 the school is expected to be at capacity level by next fall, and is projected to handle 1,550 students by 1972.

If the schools were to go on the four-quarter system, it would mean that there would be three quarters of 60 days

## Trio Hurt as Auto Rams Tree

Three area youths were hurt and two companions escaped without injury in a single-car accident Friday night on Hastings Road south of Peck's Lake Road.

Ionia State Police report that the car, driven by Michael Phillips, 17, of Saranac was northbound on Hastings Road when it went out of control before striking a tree.

Phillips and two other occupants in the front seat were taken to Ionia County Memorial Hospital. The driver and James Justice, 16, of Clarksville were treated for minor cuts and bruises. Robert Bearden of 315½ Main Street, Lowell, reportedly suffered head and facial lacerations and possible fractures.

Lynn Manley, 14, of 3022 Snow Avenue, Lowell, and Allen Knapp, also 14, of Clarksville were not injured, according to the report.

Nancy K. Bigelow, 19, of 9470 3 Mile Road NE, was taken by ambulance to Butterworth Hospital in Grand Rapids following a one-car accident Saturday morning.

Miss Bigelow was driving north on M-91 six-tenths of a mile south of Emery Drive when she lost control of her car. It traveled 134 feet on the shoulder of the road before striking a guard rail.

Hospital authorities reported that she was released following treatment of minor injuries.

## Brings Charm, Amway Sales Up; Enjoyment to LHS Stage Start New Warehouse

Weeks of hard work paid off for LHS students when their production of "The Wizard of Oz" played to full houses of entranced children of all ages on Friday and Saturday.

Stars, Val Juvenall as Dorothy, Dan Kline as the Scarecrow, Rick Shook as the Tinman and Pat Hobbs as the Cowardly Lion, were individually charming in their roles.

The "Wizard" also displayed a fine supporting cast and audience reaction proved Cindy Blough as the Wicked Witch of the West and Shelley Richard as Tibia to be outstanding.

All backstage personnel are to be complimented too. Sets, cleverly designed by Ivan Haney, were changed quickly and quietly.

Director Brenda Dietiker and her student assistants, Kay Feuerstein and Mike Potter, met the challenge and turned what could have been a difficult play into an evening of fine entertainment.

A questionnaire will also be sent with the Focus, asking for the reaction of the public to the four-quarter program.

A new warehouse facility, designed to centralize storage of the company's finished goods merchandise, will soon rise at Amway Corporation in Ada.

Company officials announced plans for the 146,800-square foot warehouse following the ninth annual Founder's Week Celebration recently.

Amway presently has 272,280 square feet under roof at its Ada plant and another 16,000 square feet under roof at Amway of Canada, Ltd. in London, Ont.

Chairman Jay VanAndel and President Richard Vos, co-founders of the thriving direct-sell company, announced record sales in excess of \$65-million for the fiscal year ended August, 1968.

This represents an increase of 30 percent over reported sales of \$50-million for the previous year.

The number of self-employed distributors in the United

States, Canada and Puerto Rico also rose sharply... from 80,000 to 100,000, the company announced.

In its first year of operation in 1959, Amway sales totalled \$500,000.

## Santa Arrives in Lowell Saturday Night

Here he comes... that gentleman of gentlemen, the greatest father image of them all, the man in the sincere red suit... Santa Claus.

He'll be coming to town this Saturday evening in conjunction with his very own parade.

So opens the season so eagerly awaited by all children and so universally dreaded by most parents. To get it off to a good start, all the kiddies are urged to bring their parents to the parade so that they will be on hand to welcome Santa as he comes into town in his special mule drawn carriage.

The parade will form at Eberhard's at 7 p. m. and will wind its way through town to the city parking lot where various dignitaries will be on hand to greet Santa.

Mayor Arnold A. Wittenbach will preside over the lighting of the community Christmas tree scheduled for 7:30 p. m. Arrangements have been made for all the children to see Santa personally and express their Christmas wishes. He'll

be at Christiansen's Drug Store, ready and anxious to see his little friends at the following times.

For the first two weeks in December, Santa will be on hand from 6:30 to 8:30 p. m. Monday, Wednesday and Friday, and 2 to 4 p. m. on Saturday. On Saturday, December 14, he will also be available from 6:30 to 8:30 p. m.

On the final week before Christmas, Santa will be in his office from 6:30 to 8:30 every evening, from 2 to 4 p. m. and from 6:30 to 8:30 p. m. on Saturday.

The very last day to make wishes known to Santa will be Monday, December 23rd, when he will be on hand from 6:30 to 8:30 p. m.

Most local merchants will feature longer shopping hours during the month of December. The Lowell Chamber of Commerce urges shoppers to do their Christmas shopping locally for Lowell stores are featuring a fine selection of gift items, easy parking and quick service.

**The Village Smithy**  
BY FRAN SMITH

Those among the readership now enjoying sunnier climes down South may not agree, but there's a certain magical "something" about this season of the year.

Now we're the first to admit that late fall and winter weather creates a number of hardships. I mean, no one... but no one... detests shoveling snow more than the Smithy.

Perhaps the reason I like this time of the year so much is that I can recall most vividly the many hours spent on Lake St. Clair.

There were days, especially during Christmas vacation, when I did everything but wear my ice skates to bed. And, like other kids up and down the lake, we had an ice boat (somewhat crude) that would move only when the wind was at gale force.

In those days, there were no school buses to transport us to the classroom some seven miles away down the lake. So, when conditions were right, we'd get out the blades and skate to school.

This story has been told and re-told in our house and, generally, draws a loud scoff from collective voices. Which is rather unkind since I was much more rugged then than now! It may only be a figment of my imagination, but it seems that all kids were more durable in those days.

There were no hills on which to toboggan, so we improvised by attaching the sled behind a car (oh, yes, there were cars then) that hauled us for miles on end on the lake.

If snow was drifted on the ice, our fearless driver would take particular delight in playing a game of crack-the-whip, which usually wound up with the toboggan... and its eight to ten occupants... flip-flopping into a mountain of snow.

It's a wonder there weren't a few broken heads, arms and legs, yet somehow we managed to escape the fate.

There may be some among the younger generation who wonder at the thought of an automobile going out onto an ice-covered lake, so we will hasten to point out that in those days there was little pollution and ice up to three feet thick was common beginning in early December and continuing well into March.

There were quite a few kids in the neighborhood who fancied themselves as pretty good hockey players and, I suppose, against strictly local competition this was true to a large degree.

One time, however, we received a challenge from a team of Canadians from the other side of the lake. Our opposition, we were told, would be "amateurs."

I don't know how familiar you may be with Canadian hockey rules, but amateurs often play for about as much money as the pros.

The great day arrived and our team was out on the ice early, flooding the surface to make it silk-smooth. There was hardly one of us who had the proper gear such as gloves, hip pads, shoulder pads and so on.

Since I was the smallest guy on our team... and somewhat less proficient with the stick than the others... it was my lot to be the goal tender.

You no doubt have guessed by now the outcome of this epic struggle. Those big, rough Canadians walloped us and then some. They put enough pucks behind me to fill a warehouse!

However, I did manage to stop one shot... smack in the middle of my unprotected knee cap.

To this day, whenever it gets cold, that knee acts up something fierce.

Which may be one of the few reasons I dread the coming months. That and shoveling snow.

men and three minors were fined for various offenses involving drinking when arrested Monday before Kentwood Justice of the Peace Marie DeVries.

Gordon Sharpe, 18, of 9244 Downs, Lowell, and Rick L. Taylor, also 18, of 13274 Vergennes Road, were charged as minors in possession when stopped by Lowell police Saturday. Each paid \$31.80 in fines and costs. In addition, Sharpe was fined a total of \$25 on a charge of careless driving.

Edward Tonor, 22, of Rockford was fined \$42.80, including costs, for furnishing alcoholic beverages to a minor after his arrest Saturday. Arrested with him was Roger A. Hagen, 18, of Cedar Springs who paid \$31.80, including costs, on a charge of minor in possession.

Clarence O. Walker, 63, of 2261 Segwum, Lowell, was fined \$75 and \$4.90 in costs after

pleading guilty to a charge of driving with visibly impaired ability.

He had originally been charged with driving while under the influence of liquor, but was found guilty of the lesser charge following a breathalyzer test, according to Justice DeVries.

## Bushnell Parents Club Busy with Activities

New tether balls were the center of activity at Bushnell School this past week.

The Bushnell Parents Club recently learned that the game had been lying around for over a year, awaiting cement and manpower for installation.

Mrs. Shirley Smith donated the cement and Dick Bryan, Al Andrews and John Schneider handled the labor.

Third and fourth grade students at Bushnell are happily preparing a program centered around Indian ways and customs. Their songs, dances and activities are under the direction of their classroom teachers and music and physical education instructors Mrs.

Whan and Mrs. Elzinga. In committee action, Mrs. Nola Bryan's lunchroom group has been of great benefit to the school. They are now planning a "Neatest Table Award" to be presented to the room which practices the best table manners.

The Publicity Committee, headed by Mrs. Judy Wierenga, is planning an award to the room with the most parents present at the monthly meeting. This committee has also been busy with posters to publicize the November 25th millage election.

Mrs. Shirley Smith's safety group is at a temporary standstill, pending further investigation and action by City Police and City Council.

## BEHIND the COUNTER

with CHARLES WESTON

Quite often, I'm made to feel like the neighborhood villain when I must refuse to refill a prescription. But there is a very good reason for such a refusal.

A prescription is your doctor's personal request for specific drugs to be used as part of his treatment of your illness. He specifies how much of the drugs you are to receive, and he will sometimes place a limit on this by stating "Do not refill." This usually means that he wants to see the patient again, before providing more medication.

I would be wrong if I gave you the wrong amount of a drug, or the wrong kind of a drug. And I'd also be wrong in giving you a drug over and over again, by overlooking the doctor's instructions about refilling.

You see, drug dosages aren't the same for every patient, and they must often be changed every once in a while to suit the patient's needs. You may need less than the standard dose, or perhaps you will need more. Your doctor can gauge this by re-examining you after your first prescription has been used up.

Also, some drugs are habit forming and some are too dangerous to be taken without regular medical supervision.

If I refuse to refill your prescription, it is to protect you from possible danger. And I would rather have you annoyed with me than guilty of jeopardizing the health of you and your family.

### Night Persons Urged to Use Special Wear

If you're a night person be a light person as well.

This advice comes from the U. S. Public Health Service (PHS) which is urging Americans to wear garments that reflect light as they go about their night-time business.

More than half the 160,000 pedestrians killed or injured last year were struck down at night. To cut this fearful toll, the PHS urges that retro-reflective materials be worn on the person.

These materials are impregnated with tiny glass beads that bounce the light back to its source in such a way that a person can be picked out by a car's headlights at double the normal distance.

Retro-reflective materials, which can be purchased at paint and hardware stores, come in a variety of guises: as iron-on tape, as fabric that can be sewn onto clothing, as slip-on arm bands, as dangle tags on string.

### T-V Lions Launch Activities

The Thornapple Valley Lions Club has several winter projects underway.

Tickets are presently being sold by all T-V Lion members for the "Hunter's Special" raffle. The drawing will be held November 30 for two separate prizes that should whet any hunter's appetite—a registered D-Line Beagle pup and a 12-gauge shotgun.

Tickets may be obtained from chairman Bob Klug at 676-1835. Proceeds will be used for improvements of Lions' Park, located between Ada and Cascade, including the possible additions of restroom facilities and recreational equipment for the younger set.

Program chairman Ted Wietke and his committee have arranged a series of programs built around the multi-interest character of Lionism. In keeping with International Relations Month, the November 25 dinner meeting featured a

slide presentation by Miss Mary Sneden, a member of the Youth For Understanding Teen-Age Exchange Program.

Brief talks will be given by Miss Paivi Pitkanen of Finland, Miss Anna Pihlholm of Sweden and Miss Suzette Juico of the Philippines, three foreign exchange students now attending Forest Hills High School.

The Lions also bid farewell to Pres Wolf, a long active and loyal member of the Club. Pres and family are leaving for the colder reaches of the Traverse City area.

### New Fire Emergency Number for Ada Twp.

BY SHIRLEY DYGERT

Fire! Fire!

This terrifying call can signal the danger of panic and further jeopardize humans and animals within its radius.

Just about everyone knows the threatening, ominous fear of the sight and sound of a roaring fire out of control. It can begin in many ways: children playing with matches, exposed wires, accumulations of trash. It can be carried by the wind out of doors, or by open windows inside. It can remain undetected for a long time.

A fire can do damage to a warehouse, a row of homes, a field, or a forest. The greatest peril can be to the most precious entity, a human being.

It takes knowledge to fight a fire. It takes a cool head to behave correctly in a situation of danger. It takes training of children by their teachers and parents and reminders when you are older to be ready for the precarious moment when something must be done. To be unprepared is risky business.

One of the greatest helps is to know the emergency number. Beginning December 17, almost all residents of Kent County will call one number. Emblazon this on your mind, teach it to your children, hang it on a board near each phone. GL 1-2911.

The Ada Township Fire Department has just added ten monitors to the seven in previously had connected to the Kent County Sheriff's Department. Whenever a call is made to that number, it will go through the department switchboard and the request for aid will be sent to the seventeen monitors in the homes of fire department members.

The Ada Firemen, under Chief Stanley Osmolenski, meet once a month for a business meeting and once a month for a training meeting. They have a grass rig and two pumps, and recently moved into their new fire barns.

The addition to the Township hall is a 34' x 50' structure which was designed by Alexander Grant, AIA, and put

up under the direction of Boersma Builders at a cost of \$21,820. This houses 2 trucks, rest rooms, an equipment room, and a meeting room.

### Will Add to 'Phone Coverage

The Michigan Public Service Commission has authorized the Michigan Bell Telephone Company to enlarge the base (flat) rate area of the Lowell zone of its Grand Rapids District exchange.

The company plans to add one-half square mile adjacent to the present local base rate area which will bring 145 customers into the flat rate calling area where urban telephone service will be available without mileage charges.

All customers affected will experience rate reductions totaling \$2,175 annually because of the elimination or reduction of rural zone charges.

In the proposed base rate area addition, elimination of rural zone charges will result in monthly savings of \$1.50 for sixty-five one-party business or residence customers; \$1.25 for thirteen two-party residence customers, and \$1 for nine four-party residence customers.

There are 21 rural residence customers whose service will be upgraded to four-party residence service and their basic monthly rate will be reduced by 75c.

In the outlying rural area, the changes in rural zones will reduce the monthly rates for 37 customers, according to which rural zone and class of service is involved, from 50c to \$3.

According to the company's plans, the 21 rural residence customers will have their service upgraded within 30 days, and all reduced charges will be effective in the billing cycle beginning with the next 30 days.

### 78 All-A Students at LHS

Eighteen students at Lowell High School achieved all-A ratings for the first nine-week marking period of the first semester, according to the list released today.

In all, there were 169 students on the honor roll.

Seniors on the all-A list include Carol Clemenz, Curt Fonger, Steve Lessons and Vern Paulsen. Five juniors made the coveted list—Luanne Blough, Dave Boone, Kathy Haybarker, Shirley Krebs and Esther Rogers.

The sophomore class was represented by seven students, including Dave Blanding, Martha Coons, Peggy Covert, Joanne Vader, Jeanne Leeman, Mike Talbot and Christa Yeiter. Freshmen making the list were Carolyn Kyser and Jeanette Marks.

The complete honor roll is as follows:

### Road Projects Finished in Kent County

Nearly a mile of US-131 Freeway and a mile of relocated M-57, both in Kent County, will be opened to traffic November 26, the State Highway Commission said today.

The freeway will be opened to local traffic from Interstate 96 north to West River Road. Through traffic will continue to be routed east on Interstate 96 to existing US-131 (Plainfield Avenue); until the US-131 Freeway is extended north to Rockford in late 1969.

The opening of M-57, extending east from US-131 three miles south of Cedar Springs, completes modernization of the highway between US-131 and Greenville. The rest of the work was completed in 1966.

## Bank Again Sponsors Vietnam Xmas Calls

Hundreds of servicemen on duty in Vietnam will be calling home free during the Christmas holidays, a gift from Union Bank & Trust, which is sponsoring "Operation Holiday" for the third year.

Under the program, the bank pays for the first three minutes of a phone call from Vietnam. Relatives of 860 local servicemen made application for calls last year and about half the calls were completed.

Union Bank President Edward J. Frey, announcing continuance of the program, said:

"We join the whole world in the hope that the Paris peace talks will bring a just and lasting peace to Vietnam, but since our boys are still there... and their families here at home, we will continue 'Operation Holiday' another year."

The program has been expanded significantly since its beginnings three years ago. Due to the nature of the war, many servicemen were unable to reach telephone facilities in Saigon, so Union Bank authorized the men to call from any point and at any time during the year.

The program is limited to residents of Kent County or Georgetown Township of Ottawa County.

Any wife, parent, brother or sister having a serviceman in Vietnam is asked to stop in at

## Install New Traffic Light on E. Beltline

A stop and go traffic light will be installed soon on M-44 (East Beltline) at Lake Eastbrook Drive, the Department of State Highways said today.

The light is necessary because of the high volume of traffic crossing M-44 between shopping centers and a new apartment project on Eastbrook Drive.

Existing traffic lights at 28th and Burton streets will be connected with the new signal to insure a smooth flow of traffic through the area.

## NEW FIRE ALARM GOES ON MARKET

A Japanese company reports that it is making a new fire alarm. The device will weigh only three ounces and the user will be able to plug it into a wall outlet. When a room's temperature reaches 135 degrees the device buzzes.

# Would you like a call from your serviceman in Viet Nam this Christmas?

For the third straight Christmas season, Union Bank will pay for the call. And you don't even have to be a customer.

**DEADLINE**  
 for application  
**December 24th.**

Union Bank will pay the cost of a three-minute Christmas-time phone call. There are only four requirements. Your serviceman or servicewoman must be a member of the immediate family: son or daughter, husband, brother or sister. You must reside within the Greater Grand Rapids area. Calls must be limited to one per serviceman. That serviceman must be serving in the Viet Nam theater of operations (including Rest and Recuperation areas or Staging areas). NOTE: there is no Christmas-day deadline on making these calls. If it takes several months to make the call, we'll wait.

It's up to you...

All you do if you qualify is go to your nearest Union Bank office—and fill in an application blank. Both American Red Cross and Bell Telephone Company will cooperate to process your request. Once you and your man in Viet Nam have received confirmation, he will be instructed on how to place the call. You shouldn't wait too long to apply. There are likely to be waiting lists, and arrangements may take some time. So get your application blank and fill it in. We sincerely hope your Christmas is a little bit brighter with this gift.

## Arrows at Home Dec. 6

Lowell High School's basketball team will launch its home portion of the 1968-69 season on Friday, December 6, in a Tri-River Conference game against new league rival Greenville.

Coach Jack Kempker's Red Arrows met Ionia on the latter's floor in a non-conference tilt Tuesday night. Results were not available at press time.

The Red and White cagers will be seeking their first league title in four seasons following a runner-up spot to Rockford in the 1967-68 campaign when they finished with an 8-2 mark. Both losses were at the hands of the veteran Rams.

This year's Rockford squad looms as a title contender again even though stripped of four starters by graduation. Returning to spark the club, however, is all-conference center Bill Hart.

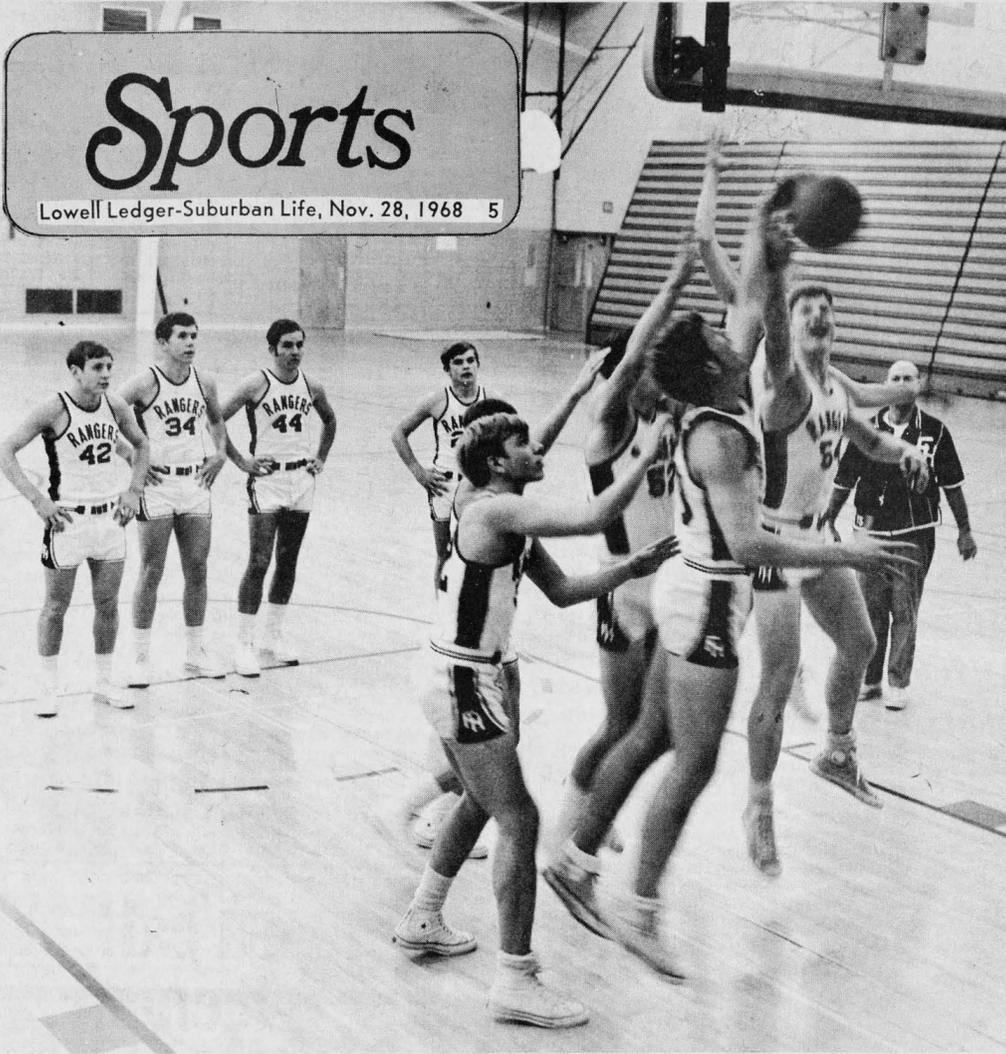

Lowell boasts depth in all positions and will, in Kempker's opinion, put one of the more versatile teams in school history on the floor.

"We have the players to move the ball well, to score from just about any place on the floor and to rebound," he said in assessing his club's chances this season.

Speed could also be a key-note for the Arrows with sophomore Denny DeWitt and junior Ken Roth providing most of it.

This pair, plus senior Captain Curt Fonger, is expected to produce most of Lowell's firepower. Fonger was No. 2 scorer on the squad last year.

Following the Greenville game, Lowell will play three other conference games before breaking for Christmas vacation. The Arrows will meet Sparta at home on December 10, then travel to Rockford December 13th and to Cedar Springs December 20th.

RANGERS GET READY - Under the watchful eye of Coach Don Kemp (right), members of the Forest Hills High basketball team practice for the season opener this Friday. The

Rangers are expected to rely on rebounding and defense in their bid to add the O-K Red Division cage title to their football championship.

## Honor Grid Squads, Harriers at FHHS

Football letters were awarded to 88 members of the three Forest Hills High School grid squads at a special assembly last week.

Included were 26 members of the Ottawa-Kent Red Division championship varsity squad that won seven and lost one game in recording the finest season in school history.

Thirty members of the reserve team that also posted a 7-1 mark and 32 players who competed for the freshman team (6-1-1) also were honored.

Cross country team members received awards as well, nine of them members of the varsity. Four letters were awarded to reserve team members and one freshman also was recognized.

The list of award winners follows:

## Smithy on Sports

BY FRAN SMITH

Like most U-M rooters, we offer a tip of the fedora today to Woody Hayes and his Ohio State Buckeyes for their absolute devastation of the Wolverines last Saturday.

There was one fellow (who shall remain anonymous) who figured he had a good bet going. He got Michigan and five points... and wagered a dime a point on the difference. With a 36-point differential... plus the five-point spot... he stood to lose at least \$3.10 on each such bet made!

My only loss was a dollar which Charley Doyle will pocket along with a number of others that he took so gleefully from those of us with Rose Bowl hopes dancing in our BLUE eyes.

One thing is for certain, OSU's win sure ruined a lot of winter vacation plans for Michigan grads planning a trip to Pasadena.

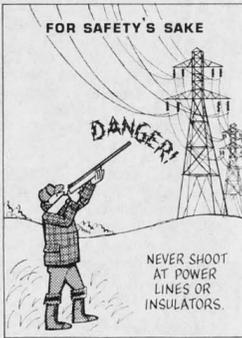

Well, maybe some would settle for following Grand Rapids JC down to Roswell, New Mexico!

One of the unluckiest hunters in Michigan has to be Tom Ford (he of the short back swing).

### The Old Timer

"Before offering a seat to a girl be sure she is!"

Seems that brother Ford thought that he bagged a beautiful eight-point buck up north. Saw it go down, in fact. But by the time he got to the spot, the deer was gone.

After several hours of tracking, he gave up. And his companions... most of them from Lowell... aren't letting him forget about the "one that got away."

Thank goodness for the Tigers!

When you consider what the Lions Red Wings and Pistons are doing so far, there really isn't too much for Michigan pro sports fans to cheer about these days.

It there's one thing I'm thankful for on this day of Thanksgiving, it's the fine weather we've been having. Managed to get in a couple of rounds of golf (nine holes only, of course) over the weekend and hope to get in a few more before the snow flies thick and heavy.

## DICK BUTLER

O. P. S. Opposite Police Station in Grand Ledge, Mich. Open Friday nights 'til 9. All other nights 'til 6. Open Sundays 12 to 5.

Loss of three key men by graduation may force Coach Don Kemp to install a "new look" at Forest Hills High for the 1968-69 basketball season.

Gone from last year's squad that posted a 10-9 record overall are John Stoval, a 21.5-points-per-game scorer; Steve Russ, who managed an 18.5 scoring average; and Jim Vander Baan, who handled most of the ball-handling chores in addition to peppering the nets at a 10-point pace.

"We just haven't come up with shooters to replace those three," said Kemp as he sent the Rangers through final workouts in preparation for Friday night's opener at Grand Rapids Union.

The junior varsity game will start at 6:30 p. m. and the varsity game follows at about 8 o'clock.

The Green and White are scheduled to launch their Ottawa-Kent Red Division season next Tuesday (December 3) with a home encounter against neighboring Kentwood.

Kemp's squad is the smallest, in numbers, that he has had at Forest Hills. Only 11 men will be suited up for varsity games.

"I certainly hope we don't run into any injury problems

during the season," he declares.

The Rangers have good size up front with Dan Moshier (6'3"), Scott Wingeier (6'2"), Tom Teft (6'2"), Dave Sherwood (6') and Glenn Collins (6'3") among the seven returning lettermen.

Moshier and Teft are considered key men in Kemp's plans, which call for emphasis on rebounding and defense.

In addition, Moshier could develop into a scoring threat from inside. Last year he averaged 11 points, many of them on second-effort rebounds.

Sherwood also looms as an offensive threat. He developed a good outside shot late in the season and helped spark the Rangers to a spot in the Class B district tournament finals.

"If Sherwood can score consistently from outside," says Kemp, "it surely would help open up the middle for our inside men."

Scheduled to see action up front with these four are Ken Zech, Kurt Linscott and Marty Everse.

Though only 5'10", Steve Grabarek may also be utiliz-

ed at forward, Grabarek and guard Doug Kossel are returning letter winners and will, in all likelihood, handle the bulk of the ball-handling chores. Rob McCormick also is available for duty in the backcourt.

The Rangers are scheduled to play eight of their 17 games on the home floor. Included are non-league encounters against Tri-River conference opponents Rockford and Lowell, the former at Rockford on December 17 and the latter in the next-to-last tilt at home on February 25.

Here is the complete 1968-69 schedule:

## Fun Classes at Jr. High

Students at Lowell Junior High School are being offered a variety of special classes this year under the continuing diversification of the academic program.

In addition to their regularly scheduled classes, students may elect to take special ten week courses such as small motors, fly fishing, gun safety, small gifts and others. Students use their study hall time for these specialities and may re-register for something different at the end of the ten weeks.

Recently a group of students in the Horse Sense classes journeyed to Lansing. They had been invited to the Rowe Ranch where they were instructed by James Rowe on the fundamentals of training horses for dressage. Mrs. Rowe demonstrated the art on horseback. A question and answer session concluded the day.

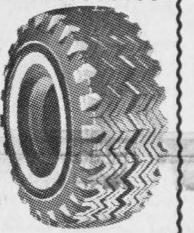

Assisting the sponsor, Mrs. Carrie Pellon, were chaperones Mrs. Ruth Webb, Doris Balcom, Mrs. Taylor, Mrs. Witherall, Mrs. Dalstra and Larry Pelon.

## CAR CARE TODAY

MARCE KROFF      DUKE THOMET

The engine temperature gauge is a type of thermometer. It shows the temperature of the liquid in the engine cooling system.

Like a fever in the human body, undue rises indicate trouble. Normal operating temperatures vary between 160 and 180 degrees in different cars.

Much depends upon outside air temperature and driving conditions. For instance, driving very slowly in heavy traffic could heat the engine.

Mountain driving or crossing a desert could produce a hotter engine. Whenever the temperature gauge indicates a hot engine, it's a danger signal. Proceed to your service station slowly.

Aside from operating conditions, overheating may be due to various causes. Insufficient liquid in the cooling system is one of the causes. Loose or broken fan belt is another.

Watch Next Week for "The Problem of Overheating"

# Pours Out Grief on Death of 'Runci'

(Editor's Note: The following was written by Gene "Chief" Foster, manager of the Portland Beavers baseball team and a long-time friend and associate of the late C. H. Runciman, Sr.)

There should be a place where there are no muffled streets, no silent buildings, no quiet tears, no bended heads, no broken hearts. And there should be a time when men don't hurt in grief, women don't weep, throats don't catch, voices don't break and eyes don't blue.

But that place is not here and that time is not now. For here and now, grief walks our city because "Runci" does not.

It takes greatness, it takes a lot of greatness to put a shroud over an entire town. There has to be a lot of something to hurt a few thousand hearts and bow hundreds of heads, and whatever there has to be, in "Runci" there was.

There was devoted friendship, there was great trust, there was help for everyone, there was humor, there was a glory and ultimately there was silence. There was no hint of falsehood in the friendship, no reserve in trust, no sarcasm in the humor, no compromise in the leadership, no stain on the glory and no cowardice in death. Most people pronounce belief in these virtues. "Runci" didn't need to say it.

This place and this time shall pass away, but his memories shall not pass away. There are too many of them

and they are too worthwhile. No matter how many years and how many people come and go, there will always be one part of your heart that will hark back and say, "this was a great man."

This was the firm hand, and the ready laugh, the soft voice and the warm smile. This was the true gentleman; a follower of God, the leader and the staunch friend. This was "Runci". And all the years and all the friends will never fill that one empty ache, that one small part of yourself that died when he died.

Runci has gone, but he has left us a record and an inspiration. A record that he set and an inspiration that he followed. A record of many achievements and an inspiration of love. To do as "Runci" did will require giant strides, and he would like us to trod his path.

Outside there are muffled sounds, this is a silent time, there are quiet tears, bended heads and broken hearts. Because of one in death, we are one in grief. For, as John Downe said:

No man is an island entire of itself,

Every man is a piece of the continent, a part of the main... if a grain of sand be washed away by the sea, Europe is the less for it. As well as if a man or thy friends or of thine own were, any man's death diminishes me.

For I am involved in mankind, and therefore, never send to know for whom the bell tolls, it tolls for thee.

# Nazarene Church Has New Pastor

The Lowell Church of the Nazarene has recently installed a new pastor, the Reverend James E. Leitzman.

For the past four years Reverend Leitzman has been pastoring a rural church at Alanson, Michigan some two hundred miles north of Lowell in Emmet County. He has also pastored churches in Minnesota and Wisconsin before coming to Michigan.

The Reverend Leitzman was born and raised in Iowa. He received a Bachelor Degree in Theology in June of 1958 from Olivet Nazarene College, located near Kankakee, Illinois. Mrs. Leitzman also attended Olivet Nazarene College.

The Leitzmans have two children: a boy James Edward, Jr. who is in his sophomore year at Olivet Nazarene College, also studying for the ministry, and Lynel Elaine who is in the 7th grade at Lowell Junior High.

# CROP Fund Drive Under Motion Now

Helping people to help themselves and providing food for those who need it is the objective of CROP (Christian Rural Overseas Program).

CROP's fund raising drive for Kent County is currently in progress and will continue until December 8th.

Created to meet emergency food needs in Europe following World War II, CROP now includes the hunger areas of the Middle and Far East, Africa and South America in its self-help program.

All CROP aid is distributed under church supervision, without regard for race, creed or national origin. Fair distribution is assured. People know the origin of the gift. Most shipments are marked "Voluntary gift of the American People, Ocean Freight paid by the U.S.A."

The most dramatic needs in our times are those of Biafra where we are reaching them with food under very trying circumstances. CROP does not limit its efforts to providing food where government surplus giving leaves off, but is also providing seeds, farm equipment and clothing so that those in need may help themselves to a better life.

Campaigns are being conducted throughout our State and in the past well over a million dollars has been contributed. The funds are being received by the local churches and turned over to the treasurer for the Kent County Program. Attorney Bruce Parsons, 465 Old Kent Bldg., Grand Rapids, Mich. 49502.

# Rates Up on Xmas Cards

All Christmas cards, sealed or unsealed, must have six cents postage affixed this year.

Area postmasters report that post office window clerks have noticed many patrons buying five cent postage stamps recently, apparently in anticipation of use on Christmas card mailings.

Effective January 7, 1968, the third-class rate for greeting cards, including Christmas cards, was raised from four cents for the first two ounces, or fraction thereof, to six cents. The minimum postage that can be used on greeting cards in envelopes is now six cents whether sent as third-class or first-class mail.

All patrons are urged to send their Christmas cards, and other greeting cards, at the first-class rate of six cents per ounce. In this way, persons may write a message inside, and may seal the envelope. The card can also be forwarded if there is a forwarding address on file, or returned if undeliverable if you have included your return address on the envelope.

### VA Sets Program for Widows

An estimated 3,901 Michigan widows of veterans who died as the result of military service will be eligible for up to 36 months of educational assistance from the Veterans Administration.

Robert M. FitzGerald, manager of the VA's Regional Office in Detroit, said that starting December 1, the wives of Michigan's 3,222 totally and permanently disabled veterans will also be entitled to VA educational assistance payments of \$130 a month—up to a maximum of 36 months—for full-time institutional training.

The allowance for three-quarters time training is \$95 a month, with \$60 being paid for half-time training under the new law granting these widows and wives VA educational help for the first time in the history of veterans benefits in the United States, FitzGerald said.

Widows and wives now eligible will have until December 1, 1976, to complete their training under this new program, the manager explained.

He said that women who become eligible in the future for VA educational assistance due to the service-connected death or permanent and total disability of their husbands have eight years in which to complete their training.

Eligibility of widows and wives does not depend on when their husbands served in the Armed Forces. However, it was pointed out, if a widow remarries or a wife divorces her disabled husband, she loses her new entitlement.

The manager emphasized that it will not be necessary for eligible widows and wives to contact the VA for detailed information on this new program. In the near future, VA will mail explanatory material with widow's dependency and indemnity compensation (DIC) checks and with compensation checks for totally and permanently disabled veterans.

### BLUEBIRDS

### Social Scene

Mr. and Mrs. Charles Cramton, 9960 Fulton Rd., Ada, were the honored guests at a golden wedding anniversary dinner given by their son, Mr. and Mrs. Robert Cramton and family at Fingers Restaurant, Saturday evening, November 9th. The delicious dinner and beautiful decorated wedding cake was enjoyed by forty guests.

The evening was spent with tributes given to each other by Florence and Charles and by the two granddaughters, Sally and Leslie Cramton. Leslie appeared dressed in her grandmother's wedding gown of 50 years ago.

Of special interest was the niche in which old photographs were displayed depicting the scenes of their families of 50 years ago.

This celebration was planned for December 1967, because of illness was postponed until this time.

The beautiful gifts, cards and best wishes received were a wonderful tribute to them of the memories shared with their many friends in the Lowell and Ada areas.

Per Olaf Svensson, Swedish exchange student spending the school year with Mr. and Mrs. Thomas Slykhouse of Midland, was the weekend guest at the home of Mrs. Aelene Feuerstein in Parnell. Per Olaf and his own family were hosts this summer of Kay Feuerstein when she was an exchange student in Sweden.

MSU Professor Lyle Stone gave special credit to Dr. Ruth Herrick of Lowell for her work at the Ada Indian village site at the annual banquet of the Wright L. Coffinberry Chapter of the Michigan Archaeological Society recently. Dr. Herrick is noted for her interest in local history.

### Rates Turkey as Good Buy for Holidays

Wholesale turkey prices are up this fall, but consumers can still expect to find a good buy on a Thanksgiving bird this year.

While wholesale prices for a family-size hen turkey (10 to 14 pounds) will probably run three to four cents more per pound than in 1967, store prices will not necessarily follow wholesale prices, reports Michigan State University agricultural economist Dr. Henry Larzelere.

He explains that stores usually offer turkeys as promotional or sale items just prior to Thanksgiving to build holiday trade for the store's overall business.

Dr. Larzelere also points out that there is no real turkey shortage.

ALL Christmas cards require 6c postage this year.

### Apple Queen to Be Chosen

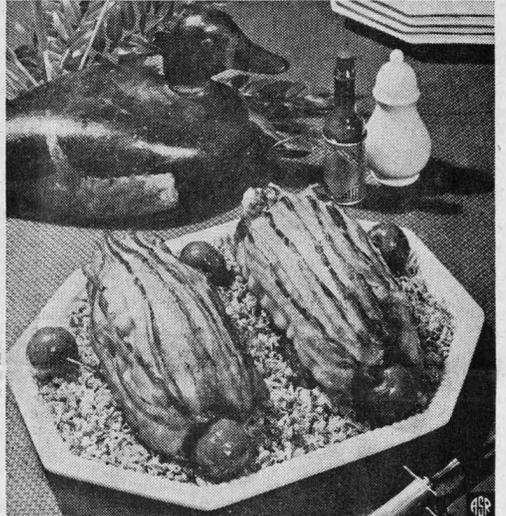

One of the seven finalists in the 1969 Michigan Apple Queen contest is Maureen Byrne of Belding.

Already queen of Ionia and Montcalm counties which she will represent in the state contest, Miss Byrne will meet with the other contestants in Grand Rapids next Tuesday, December 3, when the final judging will take place.

The new queen will be chosen on the basis of her beauty, poise, apple know-how and ability to represent the industry well as she travels through out the country during the coming year.

Maureen, the daughter of Mr. and Mrs. James A. Byrne, is a senior this year at Belding High School.

### Succulent Thanksgiving Fowl

If you have a hunter in the family, why not celebrate this Thanksgiving with the prize catch of the season—wild duck? For lovers of the succulent, rich meat, there is no finer dish than duck simply prepared and served on a bed of wild rice.

The secret is in the seasoning, and that's where Tabasco, the internationally known liquid red pepper spice, lends its unique touch. Tabasco, butter, paprika and salt are rubbed into the duck skin before the bird is roasted. When half done, the bird is covered with bacon slices and the roasting continued.

When serving duck with wild rice, roast crabapples make a colorful garnish for the platter.

**Roast Water Fowl**  
2 wild ducks (1 1/4 pounds each),  
1 onion, chopped  
1 garlic clove, minced  
2 tablespoons unsalted butter  
1 teaspoon paprika  
1/2 teaspoon salt  
1/4 teaspoon Tabasco  
1 pound sliced bacon

Rub cavities of birds with onion and garlic. Combine butter, paprika, salt and Tabasco; rub into duck skin. Wrap duck in cheese cloth; place bird breast down on rack in greased shallow pan. Roast uncovered in 325° F. (slow) oven 1 1/2 to 2 hours, basting occasionally. Turn when half done. Remove cheese cloth, cover each bird with strips of bacon. Continue roasting until done. Serve with 4 cups cooked wild rice.  
YIELD: 4 servings.

### Immunization Available

Immunizations for diphtheria, tetanus, whooping cough, polio, measles and smallpox; tuberculin skin test; physical examinations at regular intervals and interviews regarding child growth and development.

These are some of the services available at the Cannon Grattan Well Child Conference.

Conferences are held the first Monday of each month, from 9 a. m. to 11 a. m., at the Bostwick Lake Congregational Church.

Medical service is available to all residents of Kent County not already under medical supervision, and is free of charge.

## Forest Hills Hi-Lites

BY SHIRLEY DYGERT

**Candid Shots** Just back from his cabin at Gaylord where he bagged his deer is Floyd Chaffee. Others hunters who came home with their prizes were Bob VandenBos with a ten-point buck; Bob Buys who returned with a six pointer; and his uncle, Lou Mulder, who successfully hunted with him at Thelma; Dave Carew, and Bob Bakeman.

**Action!** Meanwhile, on their way to Lewiston, Idaho for an elk hunting expedition are Dick Terrell, Mickey Stanley, Jim Willard, and Ken Tarbell.

**Travelog** Fran and Harold Buttrick have just returned from a whirlwind trip via Mohawk jet to Farmingham, Massachusetts where they visited their son and daughter-in-law, Dick and Sandy Buttrick.

In the short time they were there they squeezed in a tour of Concord and a dinner at the Colonial Inn. Of special interest was the statue of Major John Buttrick, the leader of the Minute Men in the American Revolutionary War, who was an ancestor of Harold's.

Dick and Sandy will be arriving here for the holidays around December 15.

**Speed-Graphic:** Former resident, Bruce Bjornson, whose magic with air brush and other artistic exotica took him to New York, is now working on a special assignment with a documentary film. The subject is a humorous look at today's transportation and communication problems.

**Places Everyone:** Six members of the Key Club of FHHS represented their organization at the Charter Night of a new Key Club at East Christian High School. The dinner was held at Olivet Church in Grand Rapids.

Attending from here were: Gary Gromer, Doug Griffith, Marty Vonk, Chris Harrington, Bob Pearson, and Tom Dygert. They were accompanied by Mr. Moodey, their sponsor from the Downtown Kiwanis.

**Spotlight:** Congratulations to Kreigh Collins on his new cartoon series "Up Anchor." There are so many "old salts" in this part of the country that it should have a big following.

**Instamatic** Gretchen Johnson came through with a speedy "sweet" recipe for Thanksgiving or any other time that you are rushed. Using a can of ready-to-spread frosting and two-thirds cup of chopped nuts, mix, roll them into balls. Coat the balls with granulated sugar, confectioners sugar, or a combination of sugar and cinnamon and voila! Taste treat.

**Brownies, elves, and Santa's** helpers are fast becoming part of the conversation of the very youngest set. Before they are too much with us though, Heide Anderson gave an all pink and white birthday party for little friends, Tracee Jergens, Kim Fulton, Joyce Ganpers, Marjory Walters, and Susie Egleston. Most beloved features were the real rose corsages each miss received as she arrived.

**Rolleiflex:** It's on to the Wrestling season for football coach Frank Rosengren. He is serving as an assistant coach this time, but before the dynamic football triumph of this fall passes into history, the members of that team honored their coaches. Both Coach Rosengren and Coach Van Ark received white footballs with

every player's signature. Other signs of appreciation are being planned by the victors.

**Swingers:** Getting together for a potluck dinner at the home of Janet and Rich Hubbardson last Saturday were the Ron Cannoses, Bob Jones, Sam Darlings of Saginaw, and the Joe Roberts of Lake City. This group meets once a year just before Thanksgiving. It all started when they were young marrieds and had no families in Michigan to join them for Thanksgiving meals. Now they have their own children who celebrate with them, but they still want to see "the old gang."

**Negative and Positive:** No school on Thursday and Friday, but there will be plenty of fine dining. Perhaps some parents may even explain to their children why we celebrate Turkey Day, as it is beginning to be known... or will it be the other way around?

### 'Star of Wonder' at Planetarium

A stimulating and thought provoking program is in the planning at the Rober B. Chaffee Planetarium.

"The Star of Wonder" will be presented from December 5th through the 29th, and an attempt will be made to answer the question of whether the star that appeared over Bethlehem at the time of Christ's birth was a natural astronomical event.

Public demonstrations will be held Thursdays at 8 p. m.; Saturdays at 3 and 4:14 p. m.; and Sundays at 1:45, 3 and 4:15 p. m. Group demonstrations may be made at other times by reservation.

The Planetarium is housed in the Grand Rapids Public Museum East Building.

# Special YMCA Youth Day Supplement

to the Ledger-Suburban Life—Nov. 28, 1968

**Y.M.C.A.**

**LOWELL, MICH.**

To the Citizens of the Lowell Area:

In examining the record of the Lowell YMCA summer program over the past eight years, 1968 has to be the most outstanding. Program attendance has reached an all-time high. Our baseball program, which provides competition for boys and men six through 50 years of age, reached an all-time participation record of 287 (28 teams total). Future plans foresee an increase in the number of teams and playing areas.

The regular "Y" summer program which includes day camp, tennis, golf, trip programs, clinics and horseback riding accounted for an additional 185 attendances. Future plans include an expanding of the program area with a new "camp" site on the Flat river and additional trips.

The pool program established a record high with 801 registrations for instructional classes and over 20,000 attendances for all classes and open swims for the three-month period the pool was open. 1968

saw the establishment of the 1st Annual Water Show with performances by over 100 children and enjoyed by almost 350 parents and friends.

The present bail of participation would not be possible without the dedication of parents, service organizations and the businessmen of Lowell. The profits which the YMCA realizes from this special supplement to the Ledger are earmarked for use in subsidizing our summer program.

To the parents, service or-

ganizations and businessmen of the Lowell area: WE SALUTE YOU! Without your continued support, both moral and monetary, the YMCA

would be unable to accomplish its goal of developing—SPIRIT — MIND — BODY through Christian Service to the Community.
