The scene above shows clossup of car driven by Eugene Randall of Saranac, which reportedly veered out of control as the driver reached for a cigarette. # Driver Serious Following Head-on Crash on M-21

A Saranac man is listed in serious condition at Butterworth Hospital following a head-on automobile crash in Lowell Monday afternoon.

Ironically, the mishap took place in an area on M-21 that just three days before had changed from a 45-m.p.h. speed zone to 50 miles an hour.

Hospital officials said that Eugene R. Randall, 22, who just recently moved from Lowell, was suffering from a fractured left leg and chest and head injuries. Randall was the driver of one of three cars involved in the accident.

According to Lowell police, Randall's westbound car veered out of control as he reached for a cigarette. After missing one car, the Randall vehicle glanced off a car driver by Johnnie C. Cason of Gran

Rapids, then plowed head on into a car driven by Robert Jackson of Wayland.

Jackson, 21, suffered no apparent injuries. His wife, Patricia, 20, who is expecting a child, was hospitalized with possible skull fractures and facial cuts., Three passengers in the Randall car were

### LHS Classes Planning to Reunite BY PATT BAMBRICK

June traditionally is the season for graduations . . . and also for class reunions.

This June will herald the respective gettogethers of the classes of '39 and '49 from Lowell High.

The class of '39, boasting an all-time high (to that date) of 78 graduates, will hold its reunion on June 21.

The evening's festivities will be held at Shady Acres, formerly known as the Lone Pine Inn, where a great many of the teen-age parties during the middle 30's and early 40's were held.

# Honor Nation's Heroes

Tributes to the nation's honored dead will be offered throughout the area this Friday morning in Memorial Day services.

Included on the list of local ceremonies are parades in Lowell and Cascade.

The Lowell parade will gather at Richards Park at 9:30 a.m. and march to the Soldier's Monument in Oakwood Cemetery. En route, marchers will pause at Flat River where a three-volley gun salute to fallen sailors will be made.

Another gun salute and taps are scheduled at the cemetery. Reverend Hartwell Gosney, associate pastor of Lowell First Methodist Church, will give a brief address.

Members of the American Legion and Veterans of Foreign Wars and auxiliaries from both organizations will join in the parade.

Boy Scout, Cub Scout, Girl Scout and Campfire Girl units will join the line of march with music provided by the senior and junior high bands.

There will be bicycle and horse units as well, according to Commander Roger Bieri of the American Legion, who serves as parade marshall.

Ceremonies are scheduled to be held at the Veteran's Memorial Marker on the east end of Cascade Bridge immediately following a parade that gets underway at 8 a. m. from the assembly area at Cascade Christian Reformed Church.

Sponsored by the McDonald-Osmer American Legion Post 451, commanded by James Wood, the parade will include among its marching units the Forest Hills High School band and members of Cadet and Scout organizations from the area.

They will also build and equip an 11th and 12 grade building of approximately 100,000 square feet to be located east of the present high school. This building will have a small auditorium and will share present athletic facilities and gymnasium.

Further, the projects will remodel the present campus into a 9th and 10th grade school, will convert one building to a central locker area and study hall commons, improve electrical circuits, add an intercommunications system, close in open classrooms, resurface halls, and replace gym floor.

The projects will also erect a storage building which will contain a wash and dry off area for two buses, a bus driver's rest area, and storage for instructional and custodial supplies. Class president Colleen Swan announced that "after 20 years away from the hallowed halls of Lowell High, the class of '49 will hold its 20th class reunion on June 28."

The reunion committee planning the gala evening are John R. Timpson, Pat O'Neill, Walt Eyke and Susan Chaffin. American Legion Boat and Canoe Club, 401 N. Park Street, Grand Rapids, will be the scene of the event.

A cocktail hour will precede the catered dinner and ensuing evening, which will include a "get to know each other-again" program, and dancing.

Reservations, and an enclosed check, for the class of '49 reunion should be sent to Pat O'Neill, 6749–28th Street SE, Grand Rapids, by June 21. Further information can be obtained from committee members or Colleen Swan, class president.

It may come as a surprise to some residents, but the June 9 ballot in the Lowell Area School District will require voter approval for the Alton, Mapes, Moseley and Talbot district to assume bonded indebtedness of the district.

Superintendent Carl Hagen said the step is being taken by all schools where reorganization elections were held in accordance with Act 289, Public Acts of Michigan, 1964.

"Many people apparently felt the incoming districts would assume the bonded indebtedness of the Lowell Area Schools immediately following the so-called 'threeyear' moratorium," said Hagen. "Actually, the law (Sec. 9, Statute 388.719) clearly states that the Alton, Mapes, Moseley, and Talbot schools may assume the obligation of the bonded indebtedness any time after three years following reorganization, and after the school tax electors of the district have approved the assumption of such bonded indebtedness." Commencement exercises for a record 240 graduating seniors at Forest Hills High School are scheduled this Sunday and Monday.

Prior to the more solemn ceremonies marking their final hours as high school students, the seniors will meet for the annual Senior Class dinner this evening (Thursday) at 9 p.m. at Scottie's Restaurant.

Baccalaureate services are scheduled Sunday in the high school gym starting at 4 p.m. while commencement itself will take place Monday evening at 8 p.m. in the Civic Auditorium in Grand Rapids.

Featured at Monday's services will be speeches by class valedictorian Robert VandenBos and salutatorian Curtis Thon, who will be presented by Principal Howard Dalman.

Following the presentation of the class, awarding of diplomas will be handled by class president Paul Silver and Superintendent of Schools Robert R. Masten.

Silver will also present the school gift on behalf of the Class of 1969.

Reverend Herbert Vander Lugt of Trinity Baptist Church will offer the invocation and benediction.

The featured address at Sunday's service will be given by Reverend Vander-Lugt. The invocation and benedication will be offered by Reverend Ralph Bruxvoort of Ada Christian Church.

Joseph McCarger will read selections from "The Yard Went On Forever" and Barbara Ann Welsh will sing "The Lord's Prayer." Both are seniors.

Music for the commencement will be offered by the Forest Hills Junior Varsity Band, under the direction of Marion Sanderson, and by the Forest Hills Senior Choir, directed by David Gillett.

Will Let Bids Bids will be opened in Lansing next week on highway construction and maintenance projects with an estimated price tag of \$20.4 million.

Included are two projects in eastern Kent County calling for construction of a bridge over the Flat River on McPherson Street extended for an estimated \$310,-000 and construction of rest area facilities on westbound 1-96 between Burger and Thornapple River Drive in Cascade Township with a total price tag of \$107,000.

The bridge project is scheduled for completion December 15, 1969, and the rest area by July 31, 1971. Lowell Ledger-Suburban Life, May 29, 1969

Blake Johnson, a 1968 graduate from Forest Hills High, has been honored as first recipient of the Frank Atherton Certificate of Award.

The citation, named in memory of the veteran Cascade Township fireman, was presented to Johnson by Lou Zeek, past president of the Kent County Sheriff's First Aid Unit.

Atherton was fatally stricken last summer while on duty at the scene of a drowning below the Cascade Dam. Johnson sought, unsuccessfully, to rescue the drowning victim.

A total of 30 volunteer members of the First Aid Unit are scheduled to be on duty over the holiday weekend to assist during the heavy traffic period.

### Map Plans

A meeting of the Cascade Fourth of July committee to outline plans for the 1969 event is scheduled next Tuesday at 7:30 p.m. in the old township hall on Thornapple River Drive.

General chairman for the holiday festivities is Al Malley, who invites all residents interested in participating to attend the meeting.

On their return they stopped in several cities across the country to visit old friends. They report that they were delighted to get back to the attractive spring

Elmdale MRS. IRA SARGENT

It's about time that we let you know that we are back to our Michigan home again, Had a six a. m. breakfast with our daughter and family at Al-mambra. Also their other guests Mr. and Mrs. Joe Dyke of Bowle, Arizona, left the Los Angeles airport at 9 a.m. En-joyed brunch at an altitude of 38,000 ft. and had supper with our other daughter, Mrs. Walter Felzke and husband of Grand Ledge. It was just a little over four hours air travel, and flew above the clouds all the way. But we are happy to be home again and meet neighbors and old friends again.

A number of the ladies from Hope Church attended the Wo-men Rally of Mich. Brethren Churches, which was held at Camp Brethren Heights Saturday.

# pause in tradition and tribute

On this solemn occasion, we proudly pay tribute to our honored dead . . . and most especially express our thankfulness to those who have given their last full measure of devotion for our country, on the fields of battle. Now, as we are enabled to pause in respect and gratitude, we observe Memorial Day in the tradition of our great nation . . . and we feel privileged to be a part, and to take our part, in all that has contributed to our precious freedom.

### Lowell Bows in Inaugural

Failure to hold onto a threerun lead in the late going cost Lowell a chance to get the Tri-County Baseball League season started on a winning note

Vermontville rallied from a 4-1 deficit in the seventh inning to record a 6-4 victory over Lowell in Sunday's opening game and hand Bud Stam-baugh the victory. Bob Bos-worth and Merle Martin each produced two hits for Vermontville, a feat matched by Lowell's Tony Stormzand and Cug Hawley.

Belding, meanwhile, served notice that it will be the team to beat in the circuit following a 15-0 romp over Lake-view. A pinch-hit single by Lakeview's Dick Drain leading off the top of the ninth spoiled Dave Mather's bid for a no-hitter. Maher fanned 14 and homered to aid his own cause

In other action, Portland downed Perrinton as Larry Feldspausch clubbed a three-run homer and Dave Bianti fanned 13 and John Bengel's home run provid decige!'s home run proved decisive in Pewamo's 4-3 conquest of Sid-

**Bike Deaths** Reach 34 in State in '68

Children under 15 years of age accounted for 34 (or 81 percent) of the 42 bicycling deaths reported in 1968 in Michigan, State Police figures

Collisions between bicycles and motor vehicles totaled 2,588. There were 2,330 persons injured. By comparison, there were 47 deaths and 2,308 persons injured in 2,598 bicycling ac-cidents in 1997.

State Police analysis shows the balow-15 age group year after year accounts for 75 to 90 percent of the injuries.

In addition, two to three es as many bike riders are cilled in rural areas as urban. However, the past experience shows that the urban areas have the majority of the in-juries and the accidents reported.

The next highest age group in percent-age of convictions was the 25-30 year class, with 30 percent. Above 30, the percentage of convictions declined steadily until it reached the senior citizen's low level.

"These figures," Hare said, "tend to dispel the often-heard notion that many of our older drivers are not safe drivers. This survey seems to prove that highway safety wisdom improves with age. Years spent behind the wheel bring a greater re-gard for our traffic laws and for the need to think safety at all times.
