

FH Bond Issue Approved---No Cut in Lowell Deficit

The "go-ahead" for construction needed to answer projected students demands of 1975 has been given to the Board of Education in the Forest Hills Public School District.

By a vote of almost 2-1, taxpayers in the district Monday authorized the board to embark on a \$2.9-million construction and renovation project that will, when finished, complete the present junior and senior high complex.

Superintendent Robert R. Masten said that plans now call for selling approximately \$700,000 in bonds as soon as possible in order to get expansion of the junior high and renovation of the existing high school started by fall.

"The biggest project... that of building a new 100,000-square-foot facility to

house the upper two high school grades within the 1971-72 school year... is not expected to get underway for about another year," Masten explained.

The vote was somewhat lighter than had been anticipated, but was solidly in favor of the measure, 813 to 477.

Masten said he is hopeful that the junior high addition and repair of the gymnasium floor of the senior high will be started before school reconvenes.

"Our timetable on the entire project depends on getting the junior high project underway as soon as we can," he said.

In a spirited race to fill the remaining three years of a vacant place at the board table, Roger Matthews out-poled his nearest competitor by almost 150 votes.

Matthews, who moved to the district last fall, gained 484 votes to 347 for Kenneth Klynstra, 254 for Mrs. Sarah Hamp and 122 for Gerrit Lmain.

He will fill the remaining three years of the seat vacated by the resignation of John Wardrop, who has left the district.

James Banta, present board treasurer, and William Colvin were re-elected to regular four-year terms on the board without opposition. Holdover members of the board include Neil Weathers, president; Mrs. Mary Helen Price, secretary; William Zoellmer, vice president; and Mrs. Sally Seidman.

The annual organizational meeting to determine officers for 1969-70 is scheduled to be held on Monday, July 7.

Loss of some state aid revenues and unexpected increases in other areas of the budget will leave Lowell Area Schools operating on about an even keel for 1968-69.

This was the word from Superintendent Carl Hagen at Monday night's monthly meeting during which he informed the Board of Education that the school system should wind up the fiscal year "about \$110,000 in the red."

This was the same deficit figure of June 1968, which touched off two unsuccessful campaigns for additional operating millage. A third vote finally succeeded in March.

Hagen explained that the budget for substitute teachers, set at \$5,000, already has exceeded \$12,000 and will be slightly higher in the final audit. Insurance rates

also were up almost \$2,000 and tuition costs were \$3,400 higher than anticipated.

This, coupled with losses in state aid revenues, including \$5,158 for remedial reading, will wipe out most of the \$18,000 or more that the board had hoped to save on the present budget.

Hagen also reported that the state had advanced the district \$101,250 against its 1969-70 state aid and that, in all likelihood, there will be no need to borrow money to meet summer expenses. Additional loans may be necessary in September and November before the district starts to receive the newly-voted operating millage.

The board spent considerable time reviewing the progress of common boundaries with adjoining districts in preparation

for a special hearing on the matter scheduled June 20 at the high school.

It was agreed to relinquish several properties now lying west of the boundary with Forest Hills. However, transfer of other property bordering the Caledonia and Lakewood districts may be contested.

The board also agreed to support a study report indicating that a Kent County Community College should be established to replace the present Grand Rapids JC setup.

On recommendation of Hagen, the board voted to fill the following administrative positions for 1969-70:

High school principal, Donald Kelly; assistant high school principal and athletic director, (Continued on Page 2)

Rittengers Departing from Area

BY WANDA SEESE

Ray Rittenger, who has served as Lowell Township supervisor for 12 years, is leaving his position and the area.

Friends and relatives gathered Sunday at an open house held for Ray and his wife Bertha, who will make their new home near Baldwin Lake in Greenville.

Born and raised on the farm that has been in his family since the Martin Van Buren administration (1837-1841) at which time it was taken on a Federal land patent, Ray was educated in the area and was graduated from the McLaughlin Business College.

In 1917, he enlisted in the army and served for 18 months, six of which were spent in active service in France.

Mrs. Rittenger (nee Visser) was born in the Holland area. Her family moved to Lowell when she was about nine years old. There she received her education, graduating from Lowell High School in 1918.

Bertha and Ray were married June 25, 1921. To this union was born one son, Glenn. Along with Glenn, they raised their sister's two daughters, Dorothy and Vivian Bieri.

For a period of nine years, Ray served as director of the Sweet School board. He was then elected Lowell Township supervisor, serving in this capacity from 1957-1969.

An enthusiastic fisherman and hunter, Ray hopes to spend much of his time pursuing these activities. Mrs. Rittenger will continue painting in oils, a hobby she has just recently taken up.

Ready Plans for Cascade 4th of July

From the opening flag raising ceremony at 10 a.m. to the closing fireworks display at dark, the Fourth of July in Cascade will be filled with events designed to make the day memorable.

Committee members organizing the celebration will meet next Tuesday (June 17) at 7:30 p.m. in the old Cascade Township Hall on Thornapple River Drive. Interested individuals and representatives of groups are welcomed. Booths are still available and the schedule of events has not been completed.

The annual parade is planned for 11:00 a.m. This year the Forest Hills High School Band will play as will the Old Timers Community Band. Children with decorated bicycles, Boy Scouts, Cub Scouts, and dozens of other entries are expected to make the parade longer than ever before. Weather permitting, there will be a sky-diving act.

During the day, the traditional water-bell fight between the Ada and Cascade fire departments will once again give spectators a chance to cheer for favorites.

The annual canoe race down the Thornapple River will be held in the afternoon. Booths filled with foods and games will be open all day.

Annual Auction Huge Success

The most successful and profitable auction sale in department history was recorded last weekend by the Ada Fire Department, according to Chief Stanley Osmolinski.

Several hundred dollars were turned in to the fireworks fund for Ada's annual Fourth of July Celebration.

The fire chief also reported that buyers at the sale were from as far distant as Muskegon and that one check received was written on a Dearborn Bank. However, he felt that most of the bidders were folks who travel to Ada on Independence Day to watch the fireworks.

POOL TIME!

It's time to get in the swim of things, according to Lowell YMCA director Terry Bambrick.

Bambrick announced the moving of the "Y" office to its summer quarters at the King Memorial Pool on South Broadway on Tuesday.

The 1969 pool program will get underway this Saturday (June 14).

Flag Day, 1969: A Salute to The Colors

(Editor's Note: The following essay, entitled "What the United States Flag Means to Me," was written by 14-year-old Joseph L. Simmerer, a student at Lowell Junior High, who won local competition in a statewide contest. It is offered as a nation weary of war and civil strife pauses on Saturday to salute the colors on Flag Day, 1969.)

Council Picks Tom Ford as Acting C. M.

Thomas V. (Tom) Ford has been appointed to serve as acting city manager by the Lowell city council.

Ford, a city employee since 1963, is superintendent of the street department.

The interim appointment was required by city charter and came as the result of former city manager Bernard C. Olson's resignation, effective June 15.

Council members presently are screening three applicants for the vacancy, including two from out-of-state.

In a special meeting of the council Monday night, a resolution was passed to accompany a request to the State Highway Department for permission to install a water main under M-91 at Foreman.

ON THE MEND

Hospital officials at St. Mary's report that the Reverend Father Henry Niedzwiecki, pastor of St. Robert's Church in Ada, is out of the intensive care unit, is in good condition and is ambulatory.

Father Niedzwiecki suffered a severe heart attack on May 23.

To me the flag means freedom to all the people. It also means unity and brotherhood.

Now, some people think the stars mean the states at the present, and the stripes, the thirteen original states, and they do. But the red stripes could represent all the blood shed from the men that died for this country.

The white represents purity, which I cannot understand, because the people are not the same nationality or the same religion. But it could mean pure freedom.

Now, the stars in the blue could be saying that the sky is the limit for our democracy. As a matter of fact, I think that if Betty Ross could have seen what the future would be like, she would have put a rocket ship in the middle of the stars.

When the flag waves over the United States, it seems to guard and watch over us. It seems to be a power symbol and when it waves it looks like a source of pure energy. It leads us into battle and gives us courage. At Tripoli we won a great battle, and we raised the American flag.

What is the flag? It is just some dyed cloth, but it stands for country. And what makes our country? It's people, to whom you gaze upon the flag you are actually looking at the millions of people who make up this country and would die for it.

To sum it all up, to me the flag represents the people that have the urge for freedom, and would give their lives for it.

Wins Silver Star

BRUCE ROARK

The military's third highest honor, the Silver Star, has been bestowed upon a local ex-marine, Bruce Roark.

A 1967 graduate of Forest Hills, Roark was cited for "conspicuous gallantry and intrepidity in action" while serving as an 81-MM mortar forward observer with C Company, 1st Battalion, 1st Marines, 1st Marine Division.

He was commended for the bravery he displayed last July while trapped with five companies of Marines holding Hill 689, two miles west of Khe Sanh, during a Communist attack.

Roark was wounded twice before he managed to charge and wipe out a Communist mortar pit. Further mortar fire wounded Roark again and he was evacuated to a hospital ship.

Roark, who resides at 649 Livingston Ave. N.E., was recently discharged from the Marines. He received his award at the local Marine Reserve Corps Center last week.

ROBERT THALER

SUE THALER

For Thaler Family 3 Degrees in Week!

The past few days have been momentous ones for the Orion Thalers of Lowell with academic degrees being granted to

three members of the family in ceremonies held at two universities.

191 Grads Set Mark at Lowell

A record number of graduates from the Lowell area will pass through the threshold that will, hopefully, lead them to a bigger, better and brighter future this Thursday evening.

The class of 1969, boasting an all time high of 191, compared to last year's class of 127, will hold its commencement exercises at 8 p.m. in the high school gymnasium.

Following the traditional "Pomp and Circumstance," the Rev. Earl Decker of the First Baptist Church of Lowell will give the invocation.

Commander Roger Bieri, American Legion Post 152 of Lowell, will make the presentation of the American Legion and Auxiliary Awards.

Board of Education President Dr. Robert Reagan, assisted by faculty member Gordon Gould, will present diplomas to the record-breaking class. The announcement of scholarships will be made by senior high school Principal Donald Kelly.

An address to their classmates will be presented by Valedictorian Carol Clemenz and Salutatorian Steven Lessens.

Also taking part in the ceremonies will be the high school band under the direction of William Mills.

On Sunday afternoon (June 8) Mrs. Thaler and daughter Sue were a part of the commencement exercises at Michigan State University, the former receiving a Master of Arts degree in elementary education and the latter a Bachelor of Arts degree in English.

On Monday afternoon son Robert was awarded the degree of Bachelor of Divinity at Yale University's commencement exercises in New Haven, Conn.

Mrs. Thaler will continue teaching first grade at the Bushnell school in Lowell next year and Sue will begin graduate work at MSU in the English department.

Bob, who will be ordained into the ministry of the United Methodist church on Sunday, June 22, at Albion, will enter the Horace H. Rackham School of Graduate Study at the University of Michigan in the fall to begin work on his doctorate in the Department of Sociology.

An added note of interest is the fact that all three in their high school days, represented honor groups academically. Mrs. Thaler and Sue were salutatorians of their respective graduating classes while Bob was chosen valedictorian of his class.

OPEN HOUSE

Mr. and Mrs. James Wheeler wish to announce their son Ralph's graduation by holding an open house on Sunday, June 15, from 2 to 6 p.m. at their home in Alto. A cordial invitation is extended to all. c-10

Ada Eyes Study For New Sewers

BY SHIRLEY DYGERT

With an eye toward rising costs and rapid growth, Ada Township officials have decided to initiate a feasibility study to determine extension of the township's sewer district.

Board members discussed the plan with David DuFree of the Kent County Department of Public Works at Monday night's bi-monthly meeting and decided the time was at hand to start preparing a master plan to cover the entire area.

DuFree expressed the opinion that the township's lagoon system for treating sewage might be enlarged to take care of increased population for a brief period of time, but indicated that projections indicate that a more extensive lagoon system or sewage treatment facility would be needed.

Dean Switzer was present as a representative of residents on Spaulding Avenue who have requested that a five-ton limit be placed on vehicles traveling the road. He was advised that the request has been reviewed and turned over to Don Scofield, engineering manager for the Kent County Road Commission. Scofield will report to the township board on June 23 at the regular meeting at 7:30 p.m.

Herman Stukkie, building inspector, reported the total value of permits issued in May of this year came to \$257,033. Included were permits for nine new residences. In the same month a year ago, nine permits were issued for a total valuation of \$100,290.

In other business, the board discussed the proposed Kent County land fill project as opposed to the continuance of the Ada Township dump. It was decided to continue the local operation until further plans of the county are presented.

The junk car ordinance for Ada Township is now in effect. Anyone continuing to keep junk cars in the open is violating this ordinance and will be liable to penalty.

Fire Chief Stanley Osmolinski reported a total of 37 fire runs for 1969, three in the month of May. This total is down considerably from last year and is a reflection of weather conditions, he explained. A complete inventory of the Fire Department was presented to the board for filing. Osmolinski was given a copy of a proposed agreement with Cascade Township regarding mutual aid in case of fire or other emergencies.

Trio of Scouts Hurt in Crash

Three young Boy Scouts suffered minor injuries in a three-car crash in Lowell last week.

They were passengers in a van-type delivery truck which was struck by a car driven by Michael F. Hecht, 21, of Saranac on Main Street.

Lowell Police reported that Dennis Sharp, 13, suffered a broken nose and Dennis Nowak, 14, Philip Gerard, 12, lesser injuries. Four other scouts in the truck were not hurt.

According to the report, Hecht was driving east on Main when his car struck the rear end of a car driven by Mrs. Stephanie Liles of Lowell, then glanced off and hit the truck. Leo Haybarker, 37, of Lowell was the driver of the van.

Hecht was charged with driving while under the influence of liquor, but pleaded not guilty when arraigned before Judge Joseph B. White in 63rd District Court. No trial date has been set.

Judge White fined a 22-year-old Lowell man a total of \$56 and handed him a 30-day suspended jail term for simple assault. The judge also imposed a 90-day probation on Terry Richards, who gave his address as Maple Street in Lowell.

Low Bidders Listed on Road Projects

Three area highway projects were among the \$19.9-million in road construction and improvements let for bids by the State Highway Department last week.

Johnson-Greene Company of Ann Arbor was low bidder at \$293,792 for construction of a new bridge on MacPherson Street (extended) to carry traffic over the Flat River.

Spartan Asphalt Company of Sparta (\$52,216) and D. J. McQuestion & Sons, Dearborn Heights (\$49,135) were low bidders on construction of a new roadside rest area in Cascade Township on west-bound I-96, between Burger Drive and Thornapple River Drive.

The world's largest limestone quarry is located at Rogers City.

No Fireworks to be Allowed

No permits for fireworks will be issued to private individuals in Cascade Township this year, according to word from Supervisor Al Heemstra.

The action was taken, Heemstra stressed, after consultation with Fire Chief Grover Buttrick.

"We feel it is impossible for the township to properly control the purchase and use of fireworks," Heemstra explained. "Therefore, so as not to play favorites, we will issue no permits except for the annual Cascade Fourth of July celebration."

Fireworks may not be purchased in Michigan without a permit.

CONSTABLES TO CONVENE

The 1969 summer educational seminar of the Michigan Constables Association is scheduled this weekend at Harrison, according to Sgt. James Hutson, president of the Kent County chapter.

Six Area Juniors at Boys State

Six area high school juniors are on campus this week at Michigan State University as part of the 32nd annual Wolverine Boys State, sponsored by the American Legion.

More than 1,250 high school juniors from throughout the state are participating in the eight-day practical course in civics, county and state government.

Representatives from Lowell High School and their sponsors are Mike Blough (American Legion Post 152), Ken Roth (Lowell Rotary Club), Dale Kropf (Lowell Lions Club) and Pat Hobbs (Alto Businessmen and American Legion Post 528).

Representing Forest Hills High are Bob Charters, sponsored by Fifth District American Legion, and Joe Page (Thornapple Valley Lions Club).

All delegates are selected on the basis of scholarship and leadership. The emphasis is on practical application at Boys State. Lectures are kept to a minimum and the boys actually operate a mythical "51 State" electing officials at all government levels who, in turn, fill all of the appointive offices from among boys who were not elected, or did not run for an elective office.

Wednesday, June 18, the last day of Boys State, the youths will march from MSU to the State Capitol Building where Governor William G. Milliken will address them. Congressman Guy Vander Jagt of Cadillac will also be one of the key speakers at Boys State.

rector, Robert Perry; junior high principal, John Gabor; elementary supervisor and principal and Runciman and Intermediate Elementary Schools, Dirk Venema; and elementary principal of Alto and Bushnell Schools and bus supervisor, Roger Buck.

The board approved another recommendation to rescind the policy of limiting coaches to one major varsity sport and then OK'd the following coaching positions for 1969-70, subject to availability of personnel:

Gary Rivers, varsity baseball and assistant varsity football; Harry Peacock, freshman football, junior varsity basketball and JV baseball; Jerry Smith, JV football; Terry Stahr, cross country; Mark Weber, varsity tennis; and Jack Kempker, varsity basketball.

A number of maintenance projects involving the junior high and intermediate schools were discussed. A further report will be heard when the board meets in a special session on June 23.

Non-Candidates No Challenge

Former Superintendent of Schools James Pace and Carl Kropf finished as "runners-up" in the annual election for the Lowell Area School Board of Education Monday.

Though incumbent Harold Metternick was the lone candidate listed on the ballot for the single four-year vacancy, a total of eight others received write-in votes.

Pace and Kropf each received six votes while James Malone received three votes. Two votes went to William S. Doyle and one each were written in for Earl Doyle, Claude Jackson, Roger Powers and Dr. Harold Myers.

Metternick received 117 votes in his home precinct at Alto and 484 votes in Lowell.

Thirty-five other voters apparently did not have a candidate in mind, turning in blank ballots to election workers in the two precincts.

'King' Set for Stage June 26-27

The Thornapple Community Theater will present the Rogers and Hammerstein favorite, "The King and I," Thursday and Friday, June 26 and 27 at the Pioneer Auditorium, old East Grand Rapids High School, at 8 p.m.

This is the group's second production and is under the direction of Barbara Womack, music director. James Neilson, of Kentwood High School with choreography by Rich Rahn, Academy Dance Arts.

The lead role will be portrayed by Robert Shaeder, and Mrs. Barbara Reynolds will play Anna. A cast of over 50 will round out the production. This is truly a community effort with the cast and crew coming from throughout the Thornapple Valley.

The aim of the group is to present good family entertainment, in a day where adult production seems to be a sure box-office smash.

Tickets may be purchased at Wardsburg, or by calling Mrs. Harold Roy (944-9740) or Mrs. R. E. VanSlyters (678-6191).

Rangers Name New Basketball Coach

Appointment of Larry Wilson, 26, to the position of varsity basketball coach at Forest Hills High School was announced this week by Superintendent Robert R. Masten.

LARRY WILSON

Wilson has served in a similar capacity for the past two years at Lakeview High School where his teams compiled records of 15-3 and 18-2.

He replaces Don Kemp, who resigned recently for personal reasons.

Kemp reportedly is negotiating for a position in the Rochester (Mich.) school system, including that of head basketball coach.

The 1968-69 team was one of the most successful in school history, winning conference and district tournament titles and reaching the regional finals before being ousted from the state Class B championships.

A native of Mount Pleasant, Wilson was an all-conference guard in basketball his junior and senior seasons and received all-state mention in his final prep campaign.

He played a year for the Northwest Institute variety before a serious knee injury ended his playing career.

Wilson was graduated from Central Michigan University in 1965 and his first coaching assignment was as freshman coach at Lakeview. He moved to the junior varsity for the 1966-67 season and to the varsity in his third year of coaching.

Wilson and his wife plan to move to the Forest Hills area in August following completion of his studies toward a master's degree. He will work in the summer basketball program at Forest Hills on Monday and Wednesday evenings starting next Monday (June 10).

LHS Varsity Club Posts Impressive Record

Lowell High School's Varsity Club set a record of achievement during 1968-69 that will take a heap of work by future letter winners to equal.

The 38-member organization, under the direction of co-sponsors Harry Peacock and Gary Gilbert, sold donuts, sponsored dances, ran the concession stand at sports events, promoted the WZLZ-Faculty basketball game and held a highly-successful pancake supper.

ALL THAT GLITTERS! Championship trophies, including the coveted O-K Red Division all-sports award, are lined up in front of Forest Hills High's athletic administration "team". From left to right are golf coach Ed Van Dam, Principal Howard Dalman, athletic director Ed Shy, football coach Frank Rosengren and wrestling and baseball coach Chuck Mathews.

Standings in the American League of the Ada Softball League were tightened considerably in the past week as St. John's posted a 1-0 decision over previously-unbeaten Amway.

Both teams managed to collect a pair of safeties, with St. John's utilizing one hit and an error to cash in with the winning run in the sixth inning.

Lowell Moose held off Pilef Lincon's final, inning bid and hung on to register a 6-5 victory while Banfield's took a 6-0 decision from Frolic Bar to earn a share of the first-place lead.

The longest game of the season saw Hub's ring up a 4-5 win over Ada Valley in 12 innings for its first decision in three starts.

Longleaves remained unbeaten at the head of the National League following a 12-3 romp over Steelcase while Sparks Belting lost its first game, 3-2, to Pioneer Barbershop.

O-K All-Sports Trophy Won by Forest Hills

The new overall league championship, picked up 84 1/2 points to 72 for runner-up Wyoming Pk. and 70 for third-place Godwin Heights. West Ottawa (66), Rogers (64) and Kentwood (61 1/2) followed while Hudsonville finished seventh with 54 1/2 points.

Points were awarded on the basis of 14-18-24-4-2.

Chuck Mathews coached two of the championship squads, assembling an overall mark of 17-0 in wrestling and a 2-1 record in baseball. Frank Rosengren, in his first season as head coach, piloted the Rangers to a 7-1 football record while Ed Van Dam's golf team, repeating as O-K title winner, posted a 10-2 mark.

Elliott Pearce coached the Rangers' first tennis team to a 3-3 record, good for second place and 11 1/2 points. The basketball team earned a tie for third with a 10-10 overall mark, and Coach Don Kemp's Cagers added nine points to the winning total.

In cross country and track, Forest Hills was relatively weak as Bob Vandenberg's harriers posted a 4-6 record, good for fourth place and eight points, and Jerry Hendrickson's throwers were 4-4 for seventh place and two points.

Athletic Director Ed Shy who predicted early in the spring that the school had a good chance at the all-sports trophy, was enthusiastic about the final outcome.

Everyone has worked hard toward winning the trophy, he declared. "The coaches, athletes, parents and fans deserve much credit for contributing so much to the effort."

The Yankees stayed on top of the American League, by defeating the Royals 5-1. Jack Lane handed the pitching for the Yankees.

The Braves, who still dominate the National League, were beaten by the Pirates, 7-3. Steve Kirkstra was the winning pitcher, while Grant Cooper slugged a three-run homer. The Braves also beat the Pilots, 6-5.

Behind the hurling of Gregg Mohr, the Orioles beat the Indians, 11-8. However, the Indians were successful in their make-up game against the Tigers by winning, 1-0, and they took possession of second place by defeating the Royals 12-6.

The Yankees-Tiger game, called off on June 5th, will be made up at 10 a. m. on Saturday, June 14th on field No. 1, Senior Division.

In the opening game of the Senior Division, Hawks played Midgets, winning 18-3. Steve Monahan was the winning pitcher. Cliff Cooper of the Hawks homered.

The Bears played three games last week, winning two and losing one. The loss was to the Lancers, 2-0. The winning pitcher was Ted Zander-veen.

In a game with the Midgets, Bears won, 7-1. The winning pitcher was David Slater. On Friday, the Bears took their second win against the Cougars with a score of 10-4. Randy Lanning on the mound.

game and for a canoe trip down the Pine River.

But most of the monies have been pledged to more worthwhile projects, such as \$250 for a seven-man football blocking sled, another \$300 toward eventual purchase of a \$2,000 audio-visual apparatus for the school's athletic department and a \$100 scholarship grant to Curt Fonger, who was voted by his fellow monogram winners as the outstanding senior athlete. He plans to attend WMU.

The Varsity Club also hopes to purchase an electric device that registers player and team fouls at home basketball games.

As if this weren't enough, the 38 members volunteered to paint football stands at Recreation Park with a special paint required to resist wear and tear of the weather.

Club president Cla Avery paid special tribute to faculty member Gilbert Woolworth, Richard Roth and Harold Metternich for their assistance on the projects.

Avery also urges residents to contribute to audio-visual equipment and a scholarship fund by simply contacting the high school office.

Serving as officers with Avery were Carl Rasch, vice president; Craig Schneider, secretary; and Ron Wittenbach, treasurer.

Engaged

ANN FEUERSTEIN

The engagement and forthcoming marriage of Ann Louise Feuerstein to Richard Leigh Lyons was announced this week by her mother, Mrs. Eugene Feuerstein of 608 Murray Lake Road in Parnell. She is also the daughter of Jack L. Feuerstein of Thornapple River Drive, Alto.

He is the son of Mr. and Mrs. Ormand (Bud) Lyons of 131 Center Street, Lowell.

Ann, who just completed her sophomore year at Aquinas College in Grand Rapids, is presently employed by Amway Corporation in a number of capacities.

Rich is a member of the United States Air Force recently assigned to duty at Selfridge Air Force Base near Detroit.

The President's Physical Fitness Awards went to Jeff DeLacour, a student at Wanda Green, Virginia Lane, Lori Marsman, Kathryn Osmolinski, Patricia Ousings, Kimberly Zimmer, Robert Banta, Brad Cooper, Randall Lanning, and Daniel Osmolinski.

The eighth grade basketball team Spirit Jug was awarded to Joe McCormick while a similar prize went home with Gordon Osmun in the seventh grade.

The James Banta's pocketed Dave, Ted, and Steve into the car and zoomed off to John's graduation from Hiram College in Ohio. They were joined by Mr. and Mrs. Fred Banta, John's grandparents, and his aunt and uncle, Mr. and Mrs. W. C. Banta, Jr. of Cleveland for a splendid dinner celebration at the Weisfield Inn.

John was tapped for the college's scholastic honor society, Alpha Sigma. He also was taken into Omron Delta Kappa, a national men's leadership fraternity.

He was graduated Cum Laude and was given a scholarship.

Other officers to be installed that evening are president, Mary Jo Downs; first vice-president, Martha Souditz; treasurer, Mary Lou Schuchman; recording secretary, Hattie Wolbert; corresponding secretary, Patricia Nolen; and director, Rose Dempsey. Bernice Derda, Helen Nyenhuis, Marjorie VanderLaan.

My first day in town I was literally overcome. Around five people that I had never laid eyes on before smiled at me! Just as if they knew who I was! Unbelievable.

And then there's this business of families.

It was immediately obvious to me that there were many more people in this area. Coming from a big city, where many names are the same, and no one seems to be related, I never gave it another thought.

But as I met more and more people, fascination upon fascination.

Two Lowell women have been named as members of the Women of the Moose Academy of Friendship.

Dear Grad: Almost everyone has to start at the bottom... and with very little effort, you can stay there.

Everyone seems to be graduating or knows someone who is or has recently.

At FHHS a large group of fine musicians just left the fold and would have left a hole in the band, but to the fact that the eighth grade is sending along some eighty talented instrumentalists.

The band nearly tore the roof off the building with its marches and Dixieland. A great way to wake up in the morning.

The last day of school at Ada Elementary saw Jeff DeLacour flashing around the building sporting a Mohawk haircut; mismatched, but very colorful socks; cut-off pants; and a grin as big as all outdoors.

The President's Physical Fitness Awards went to Jeff DeLacour, a student at Wanda Green, Virginia Lane, Lori Marsman, Kathryn Osmolinski, Patricia Ousings, Kimberly Zimmer, Robert Banta, Brad Cooper, Randall Lanning, and Daniel Osmolinski.

The ceremony was held at the Bethel Lutheran Church in Grandville.

Parents of the bride are Mr. and Mrs. Earl P. Peters of Grandville.

The bride wore a silk organza gown with a full length lace panel. A jeweled floral tiara held her veil.

Attending the bride as matron of honor was Mrs. Glenn D. Smith, Misses Patricia S. Burr and Diane Groeters served as bridesmaids.

Gary D. Groeters performed the duties of best man. Ushering were Dick L. Peters and Daine P. Pient.

Kristi and Randall Smith were flower girl and ringbearer.

Miss Deming M.D. Dodds Repeat Vows

The Reorganized Church of Jesus Christ of Latter Day Saints, Alto, was the scene of the marriage of Miss Janet M. Deming to Michael D. Dodds.

Parents of the couple are Mr. and Mrs. Charles Deming of Alto and Mr. and Mrs. Charles Dodds of Muskegon.

The bride chose an A line gown of organza trimmed with lace and satin. A jeweled headpiece held her veil.

Miss Pamela Jordan attended the bride as maid of honor, and the Misses Annie Sinclair, Linda Servis, Karen Deming and Mary Sinclair were the bridesmaids.

Lori Loesch and Mark LaLone served as flower girl and ringbearer.

William Wegner was best man, Ronald Carlson, Robert Sullivan, Richard Kelly, Robert Olan, Donald Jousma and Gary Farwig served as attendants.

Celebrate Golden Anniversary

Fifty years of marriage will be celebrated by Mr. and Mrs. Leighton Dresser on June 21.

The Dressers for many years residents of the Lowell area, were married June 24, 1919.

Mrs. Dresser, nee Mary Jane Vinegar, was born just north of Lowell, in Mosley, in 1897. One of the eleven children born to John and Lena Vinegar, she has two brothers, Rob and Gus, and a sister, Mrs. William Huffman, still living in Lowell.

Leighton Dresser sparked the Lowell baseball team from 1919 to 1923 as an outstanding pitcher and infielder.

A reception is being planned for the golden couple by Richard and Robert Dresser.

NOTES AND NONSENSE
FROM 'WINKY' NOB!
Shades of the Old West! From out of the grass came the thundering wing beats of a great black mosquito. The monsters are swarming again! I guess I put pretty absent-minded at times, but I can see where I cut weeds and grass and I know I sprayed this yard. Why I even spent half a day not too long ago looking for just the right spray. There's so many of them on the market now that it's like looking for just the right gift for fussy Great Aunt Millie for Christmas. Anyway, I ran across this one salesman who had a spray in a push button can. Guaranteed to do the job he said. So I read the label. Yep! Active ingredients 85 percent, inert ingredients 15 percent. Beautiful! Good bye mosquitoes. Home I went to spray the yard. The only thing is, that salesman neglected to tell me that the 85 percent part was about half antibiotics to contract the

out of this cunning season cheaper than usual. Boy, friend husband and I went to a bang-up affair Saturday night. We helped a large group of friends and relatives shiver Mr. and Mrs. Earl Wieland. Sure was noisy and even the rain didn't dampen any spirits.

Now on to the important items and news.

SPECIAL THANKS
Mr. and Mrs. Ray Rittenger wish to express their thanks to the South Lowell Circle, neighbors and friends for the lovely farewell open house, which was given in their honor at the First United Methodist Church in Alto. Special thanks for the many cards and gifts. It was deeply appreciated. They hope to see their many friends from time to time at their new home at 802 Beila St. in Greenville.

CUB SCOUT NEWS
The pack meeting was postponed last week because of the weather. It will be held at the same place this week. Wednesday, weather permitting.

ATTAINS BACHELOR OF ARTS DEGREE
Lola Blocher, daughter of Mr. and Mrs. Laverne E. Blocher, of Grandville, and the granddaughter of Mr. and Mrs. Clinton Blocher and Mrs. Marylyn DePew of Alto, will graduate from Grand Valley College on June 15 with a Bachelor of Arts Degree. During the summer she will attend a mobility school for the handicapped.

ALTO GARDEN CLUB
Lola will be living in an apartment in Grand Rapids where she will be instructed in self-reliance. She will be trained to use a cane, how to get around in traffic, the art of catching a taxi, etc.

Obituaries
JAMES F. DORAN
James F. Doran, formerly of Lowell, passed away at the age of 49 Friday.

Surviving are his two daughters, Mrs. Jackie Babcock and Mrs. Ginger Mason, both of Belding; his mother, Mrs. James Doran of Lowell; four sisters, Mrs. George Rogers of Lowell; Mrs. Dale Mette of East Lansing; Mrs. Donald Stockinger of Tontion; and Mrs. Charles Malone of Dorville Georgia; one brother, John, of Petoskey.

Other News
Mr. and Mrs. Paul Blocher, Doug and Tim, Mr. and Mrs. Clinton Blocher and Mr. and Mrs. Richard Craig and family went to Whitehall on Sunday to visit the home of the oldest daughter and sister, Mrs. Willard Haight and family. Son, Steven and family of Thailand and Mrs. and Mr. Al Best and family of Texas were home on leave before going to Viet Nam. Bruce Haight will leave for Africa this week to further his education in American History. Mother Blocher stayed a few days to visit her daughter, Mrs. Evelyn Haight.

Nick DePolo was a weekend guest of Karen Deming.
The Boyd Andersons were Sunday guests of their son and family, Mr. and Mrs. George Anderson.

Mr. and Mrs. Ray Linton attended graduation exercises and open house for Margaret Thaler at Caledonia Thursday night. On Sunday evening they called on Mr. and Mrs. Don Dutcher of Caledonia.

Among the relatives who attended the open house for Ray Rittenger were Mr. and Mrs. Carl Rittenger from near Baldwin, Lucio Viscer of Grand Rapids, Mr. and Mrs. Roger Lewis and family of Grand Rapids, Mr. and Mrs. Howard Rittenger of Lowell, Glen and Sue Rittenger and family of Greenville, Mr. and Mrs. Harold Simpson of Saranac, Mr. and Mrs. Dick Fairchild of Alto and Mrs. Hazel Taylor of Vergennes. Others among the 170 guests who attended came from Lake Odessa, Prepost and surrounding communities.

Mr. and Mrs. O. K. Seese and family entertained the Victor Koks family on Sunday. The originally planned cook-out was rained out and became a cook-in. Everyone enjoyed the day of food and fun. Mrs. Jenny Vanden Heuvel spent the weekend with her sister-in-law, Mrs. Joe Vanden Heuvel in Jamestown. On her way home she stopped to see her daughter, Mrs. Mary Jean Zimmerman. Mary Jean and her family will be moving to New Jersey around the first of July.

Alvin Bergy and daughter, Mable, attended baccalaureate services at Kentwood High School Sunday afternoon. Afterwards they attended the open house of Mable's niece, Janet Luntford.

Mable and her father were among those from this area to attend the Dadds-Deming wedding on Saturday.

Annual Tent Meeting
An "old-fashioned" tent meeting, planned and sponsored by the Clarksville Area Ministerium, will be held June 15-22 on the corner of Old U.S. 16 and the Lowell-L96 exit, southwest of Lowell.

The huge tent, seating about 600, will be erected this week in preparation for the first service on Sunday evening.

Benson Warms Up for '100'

Warning up for this week's 100-lap Invitational Race, Johnny Benson of Grand Rapids drove a 1967 Chevrolet to victory in the 30-lap feature race for late model stock cars Saturday night at Berlin Raceway.

Benson forged his last race lead in the 30-lap feature race on the 26-lap of the hectic event and was never headed as he rang up his second consecutive and third main event victory of the season. Ed Howe of Ray City chased Eddie Zedding as the finish line followed by Randy Sweet, Rich and Bob Semmer, all of Grand Rapids, and Herb White of Elkhardt, Ind., in that order.

The race was halted on the 18th lap when a five-car crash eliminated the cars of Bob Carnes, Andy Schutt, Art Benoit, Jim Duke and Jerry Polquin. All drivers escaped serious injury.

The six-cylinder stock car Spring Championship race saw Terry Schmidt of Grand Rapids gain the lead and victory only 20 yards from the finish line as Mike Setzer Gary Peoples of Muskegon spun out of control.

Rich Semmer drove to a new lap qualifying record of 17.62 seconds. A \$1,000 cash prize of a line than \$5,000 money will go to the winner of next Saturday's speed classic. Warm-ups will be at 8:00. The first race at 8 p.m.

Lowell Tops Portland in T-C League

Old Man Weather has been no friend of the Tri-County Baseball League this season with one full schedule washed out on June 1 and half the action shelved by rain over the past weekend.

Lowell managed to get its first win of the season in two starts Sunday as Roger Butcher hurled the locals to a 4-3 triumph over Portland's Steve Stipley.

The result left the two teams tied for third with 11 records in the Southern Division. Defending champion Pewanow and Vermontville share first place with 14 marks and Hubbardston has yet to see action.

In the only other game Sunday, Belding's Dave Mahar racked up his second straight shutout of the year, and his 18th straight in regular-season competition... with a 5-0 whitewash of Sheridan.

Mahar helped his own cause with three hits.

side and with the power of prayer.
Believe and know that He will help us because His Son, Jesus, died for a cause and people are wondering today was it worth it. Oh God! Was it worth it. His answer, Howard? YES!

It was good that Lincoln freed the slaves. Because these people are no different than anyone else who gets dark under the sun. No man should be a slave to another without proper pay! Of course, because we are all slaves for the mighty dollar, aren't we?

But Howard, black power and national economy are just organizations, without a doubt by Communist control. They are trying to separate us.

You know that religion has its cults and they have several that rant and rave and yet we still have good God-fearing people who get dark under the sun. No man should be a slave to another without proper pay! Of course, because we are all slaves for the mighty dollar, aren't we?

Heavy artillery units will be on the move throughout both weekends, traveling about 35 miles an hour. Wherever possible, the convoys have been routed on freeways and other multi-lane highways in an effort to minimize disruption of regular traffic.

Highways to be used include US-27, US-31, US-127, US-131, M-21, M-40, M-72, M-100, Interstate 69, 75 and 94, and County Highway No. 543 between I-64 and M-21.

The Michigan National Guard will move to camp in mid-July.

With communication & transportation what they are in the modern day "backwoods," few will need to prepare for fractures, heart attacks, or ruptured appendices.

Eye and dental examinations are also good precautions, as well as an extra pair of eyeglasses.

The actual first aid kit, need only include: Sterile gauze pads; Gauze bandages; Adhesive tape & elastic bandages; Safety pins; Thermometer; eye droppers; scissors & tweezers; and Tannic acid jelly for minor burns.

Drugs and medications packed in the kit should include certain basic items like aspirin, calamine lotion, rubbing alcohol, paracetamol for diarrhea, a mild laxative and medicine to combat motion sickness.

And it should be remembered that first aid and first aid kits are only temporary expedients. When major health problems arise it is best to avoid too heavy measures. Patient waiting for professional help is often one of the most valued types of first aid.

Offer Health Tips to Wise Campers

Instead of investing in a big supply of first aid materials, it is better to prepare for the camping trip with a routine physical examination.

With communication & transportation what they are in the modern day "backwoods," few will need to prepare for fractures, heart attacks, or ruptured appendices.

Eye and dental examinations are also good precautions, as well as an extra pair of eyeglasses.
