Ada Board Halts Work on Garage

A "stop construction" notice has been posted on a new building at the Kentree School of Horsemanship, at 4961 Michigan NE., on orders issued Monday by the Ada Township Board.

The board action followed a report of building Inspector. Herman Stukkie that he had issued Kentree a permit for a garage on-

But on further inspection, Stukkie told the township board he noted that the building in question did not conform the specifications in the application for the

building permit. In fact, Louis Withey, head of Kentree, said Tuesday that the new building was planned for use as a bunk house. He acknowledged that an error may have been

made in the application for a permit. Apparently to avoid the possibility of loopholes appearing on building permits in the future, the township board issued this "stop" order, and voted to take up the matter at a later meeting.

Meanwhile, the board agreed to meet with a Kentree representative to further consider the matter.

At the board meeting, a petition containing 58 signatures was presented by residents of Three Mile Rd. and nearby streets, requesting speed limits of 35 miles per hour be posted in their area.

But, Supervisor Fred Clancy advised that Three Mile Rd. is under the jurisdiction of the county road commission.

The board passed the petition over the

county road commission

Reporting at the bi-monthly meeting of the township board Monday night, the building inspector listed a total of twelve permits issued during July which included three new homes. The total valuation of all permits was for \$394,668. A year ago, the month of July brought a total of twenty-three permits issued including fifteen for new homes with a total valuation of \$401.

Clerk Ken Anderson read a report from Fire Chief Stan Osmolenski which brought to 46 the total number of runs for the year. He listed the fire July 18 at Amway, a car fire July 21 at the Foxhead, and a three fire July 22 at 555 Honey Creek Rd.

Discussion on sewer lines for the township included a report that the architects for St. Robert Church are drawing plans for septic tanks to be approved by the Kent County Board of Health. The building permit for the church was issued on the condition that the church plans include satisfactory drawings of such plans or agreement

to hook onto the sewer lines in the area. A feasibility study on sewer lines is being conducted on Ada Drive. These lines would run from the village to property beyond the junior high school if completed.

Money was allocated at the anual meeting for use in black topping the parking area of the Township Hall. A number of bids have been received, but until the bid from the Kent County Road Commission is turned into the clerk, the board will not decide on the matter. The proposed area is for 453 square yards.

In other action, Supervisor Fred Clancy explained the steps that must be taken by anyone holding less than an acre in a residential area if the owner desires a reduction

Clancy said that the approval of the Kent County Board of Appeals is required to make the land a building site. If approval is denied, then the township board can listen to a request for reduction of valua-

Lowell Teachers, Board Approve 1969-70 Master Agreement

A one-year master agreement between the Lowell Education Association (LEA) and Lowell Area Schools was approved at the Monday night meeting of the Board of

Superintendent Carl Hagen hailed to agreement as a "tremendous contract . . . both for the community and the teachers."

"The LEA was very realistic in its nego-tiations and should be complimented for its cooperation," Hagen said.

The only economic issues included in the 1969-70 pact concern salaries. There were no provisions for fringe benefits such as medical coverage.

Eliminated from the agreement was reimbursement of \$25 per semester hour for graduate studies undertaken by teachers.

Salaries will range from \$7,000 for a beginning teachers with a bachelor's degree (up \$645 from the 1968-69 agreement) to \$10,500 for those with 11 years of experience to \$7,600 starting base for teachers with master's degrees and a peak of \$11,-400 after 11 years.

The board voted to continue policy and bus runs established for the 1968-69 school years, acting on the recommendation of the superintendent.

New Officer Named to City Force

A new patrolman has assumed duties with the Lowell Police department. He is James Steven Pace, 23, a Vietnam veteran and former member of the local police reserves.

The son of former School Supt. and Mrs. James C. Pace, he graduated from North Huron high school, Kinde, Mich. Officer Pace, while in Vietnam, served

with the U.S. Air Force, and was a security police squad leader. He takes the place of former patrolman

Ronald Speckin who resigned Sunday. Speckin said he was leaving to accept a factory job which paid more money. He said he plans to return to Ionia, where he

owns his home. Meantime, Sgt. James Hutson, acting police chief, plans to use part-time police reserves whenever it becomes necessary to augment the force.

Report 4-H Fair Funds Jeapordized by State

State funds for the 1969 4-H Youth Fair, now in progress in Lowell, were in jeapordy until the Kent County 4-H Fair Board paid the Michigan Department of Agriculture a total of \$558.76 incorrectly paid for premiums in the 1968 fair, it was reported this week.

According to the report, fair board president E. L. Phelps said the board had returned the money "under protest".

Department of Agriculture auditors poi pointed out to state officials the discrepancy in the disbursement of fair premium funds in 1968. The department then notified Kent officials that funds would be withheld until the claim was settled.

The fair is continuing at the 4-H Fairgrounds with exhibitors numbering about 3,000 displaying their 1969 projects.

Thursday is Kid's Day with TV favorite Buck Barry scheduled to make an appear-

ance at 5 p.m. In the evening, a variety show is scheduled in front of the grandstand following the livestock parade of 4-H members and their project animals.

Locate Sate Stolen from Auto Agency

A safe stolen from a Lowell auto agency about three years ago has been found.

After months of investigation, Kent County Sheriff detectives and Lowell police finally located the stolen safe from Azarello Chevrolet, hidden under a thicket of brush in a cornfield near Greenville.

First break in the case came not long after the theft, when a Greenville youth reported to authorities that he stumbled onto a large box containing office accessories while swimming in Flat River.

Also on the river bottom were records missing from the auto agency. Greenville police contacted the Lowell officers.

Kent County Sheriff Det. Richard Williams, Lowell Chief Avery Block and Officer James Hutson, together with scuba experts, waded the Flat River to retrieve all the evidence possible.

The officers also suspected that the safe was hidden in the Greenville area.

After investigation and quizzing several suspects, Williams and Hutson learned of the location of the hidden safe, and hauled it out of brushwood last week.

Kent County authorities are currently sifting the evidence for solid proof as to the identity of the thief or thieves, the officers

Firemen Quench City Grass Fire

Lowell firemen were called out at 3 p.m. Monday to quench a grass fire along the C & O tracks, near Hunt St.

Fire Chief Frank Baker said cause of the blaze may have been due to flying sparks from a passing freight.

The firemen were out about 10 min-

pal at the Intermediate and Runciman schools; and Roger Buck, principal at the Bushnell and Alto elementary schools.

In other action, the board: Accepted a low bid of Highland Hill

Dairy to supply milk to the Lowell area schools for the school year 1969-70. * Referred to the transportation committee bids on gasoline, motor oil, and fuel

oil, with power to act; * Awarded to Jackson Motor Sales the leasing of a station wagon for school purposes during the next school year on a bid of \$620:

* Voted to accept resignations of August VanderArk, fifth grade at Alto, and Mary Ellen Rivers; and

* Approved the publication of student

handbooks with certain changes. Split Vote Scheduled in Caledonia

All qualified electors in the Caledonia School District will be eligible to vote in the August 25th special election in which the board of education seeks approval to sell \$1,350,000 in bonds primarily for additions and remodeling to three schools.

School officials point out that a recent ruling by the U. S. Supreme Court has prompted inclusion of all voters, as opposed to the traditional taxpayers only, in the voter eligibility regulations.

Superintendent Harold Whipple said that eligible taxpayers would vote on one color ballot and non-taxpayers who are qualified would vote on still another color

Separate canvasses will be made of the two votes, he said.

"We have been informed by bonding attorneys that they will not handle sales of bonds unless the vote is conducted in this

Whipple said that the board is not likely to authorize sale of bonds unless the vote is approved by the majority of voting taxpayers, however.

"This matter has been tested in the courts and there is some question about the validity of the Michigan constitutional pro-visions covering voter qualifications on bond issues," he declared. "If the taxpayers fail to support the proposal, I don't believe the board will attempt to sell bonds needed for improvements to our schools."

This type of "split election" is believed to be the first in this area, though other districts in the state reportedly have conducted similar votes.

The bond issue proposal, in its present form, is being offered for the first time. Last December, voters rejected a \$790,000 bond issue proposal.

Schools involved are the senior high school, junior high, and Kettle Lake Elementary. In addition, monies are needed to construct and equip playgrounds and to develop and improve school sites.

Road Issue Returned to Ada for OK

The issue of what to do about Spaulding Avenue in Ada Township, like a hot po-tato, has been passed back to the township board by the Kent County Road Commis-

In action Tuesday, the road authorities recommended that the street be blacktopped as part of the township's 1970 road

This proposal had been rejected earlier by residents who sought, by petition to the township, to eliminate hazardous truck traffic on the street.

Approximately a dozen interested resi-

dents were on hand for the meeting. The commission did not impose load

limits for normal conditions and, in answer to a request for a 25-mile-an-hour speed limit, pointed out that such a limit is now in effect.

In other action, the commission approved a bid from Woodland Paving for resurfacing of Galbraith in Cascade Township.

NOTES AND NONSENSE FROM "WINDY NOB"

The month of August means many things to people. For some it is just another month, For many it is vacation time. Some are trying to think of ways to get out of taking the kids to the fairs, while others are looking forward to it.

The kids have started counting the days until school starts. Some gladly, some with regrets. Mothers face the age old problem of trying to decide whet-

her to buy or sew for their brood. "Nothing is cheap any more, and am I going to have time?

The garden is going strong. The peaches are getting ripe. The corn has to be taken care of now

I wonder if I can alter last year's pattern? Those beets should be pickled before they get any bigger. I'll bet if I let the hem out of that plaid skirt . . . or should I take it up for the younger one?

Boy, I should have bought can lids last week. If I have heels put on Johnnies shoes he can start school with

August is indeed a busy month and means many things. To us here on Windy Nob it means all of this and much more. Each evening before dark the garden is inspected by the whole clan. Each of the "Little Seeses" long ago picked out a melon, a squash, and a pumpkin to raise, and the race was on.

Which one will be larger at maturity and which of these will mature first? Right now the questions are many. The conditions are right and you can see a difference in size every day.

Yes, August means many things to many people To "The Seven Seeses" it is a special month. We bought and moved onto Windy Nob in August 10 years ago. So in a way it is an ending and a beginning. We end one eventful year and start another twice as exciting. COPYRIGHT 1969 WANDA SEESE

GOLDEN WEDDING ANNIVERSARY There were 26 friends and relatives present on Sunday, August 10 to help Mr. and Mrs. Glenn Loveland celebrate their 50th anniversary. They were presented with a beautiful three tier wedding cake, many cards and lovely gifts. Mrs. Loveland got her wedding gown out for all to view and there was much reminiscing after looking at pictures of 50 years ago. Guests came from Florida, Jackson, Flint, Perry, Mulliken, Ionia, Lowell, Clarksville, and Alto.

ALTO GARDEN CLUB

The Alto Garden Club will meet at the home of Rhena Damouth on August 20 at 2 p.m. The refreshment committee will be Rhea Cronin, Blanch Spaulding, Bertha Sanborn and Mary Vreeland. The roll call will be answered by telling what beautiful birds have been seen this year.

OTHER NEWS

Mr. and Mrs. Ronald Watts and two daughters of Brockport, New York are visiting his parents this week. Val has just returned home from Butterworth Hospital where he underwent surgery recently. At last report he was doing nicely.
Rev. and Mrs. Beach and family spent from Wednesday to

Friday of last week in Ohio visiting friends.

Mrs. Genevieve Layer was very pleased to have her sister-in-law, Mrs. Mable McCall as her Sunday afternoon guest. Mrs. Pearl Dygert spent last week at Little Pine Island Lake with the Golden Ages group and then on Saturday and Sunday she was a house guest of Mrs. Emma Hilton.

Out of town folks who attended the funeral of Earl McDiarmid were Dr. Adlai Pilcher and wife of Kankakee, Ill. Mrs. Esther Meddaugh and Mrs. Alice Seyfert and daughter Sharon of Oak Park, Ill. Sharon remained for the week to be with her aunt. A weekend guest was Sharon's friend, Joe Nalezny of Chicago. On Monday Sharon returned home, accompanied by

her aunt, who will spend the remainder of the month. Mrs. Mildred Bradshaw, son Richard and grandson Ricky and Mrs. Leetha Leese were Sunday callers at the McDiarmid

A third of the nation is always on the move. That's what the statisticians claim, and from the look of the Forest Hills area, they are accurate up to a point. Around here, the population just seems to move in by bunches and very few leave.

Let us take the case of Joanne and Stu Bradley. They moved, but only a block away. Coming from Pennsylvania to occupy their former home are John and Helen Sherry and their five children. These range from 5 to 14 and will add to the merriment on Sheffield Drive.

Then on Baywood Drive little Stephanie Secchia and her parents, Joan and Peter, have become part of the scene. On Buttrick Avenue John and Georgia Briedenfield are now moved into their new home.

Congratulations to three gals who took first place honors in the Western Michigan Womens Nine Hole Golf League four-day medal play tournament at Meceloa last week. Corky Almerigi of Hickory Hills league placed first in the second Flite, Annete DeMinck of Forest Hills C.C. was the winner in the third Flite, and Sharon Morse of H.H. captured first in the fourth Flite.

At the election of officers following the final luncheon, Jane Breidenfield of FHCC was re-elected to the presidency, Cedell Bloomquist of Big Rapids won the V.P. position, Doris Story of Lincoln CC will be the new secretary, and Rose Marie Wolverton of Reed City will assume the treasurer's duties.

That new supper club called The Fo'c'sle, and brimmi with nautical decor, is owned and operated by our locals, Pat and Joe Whinery. It's on Foremost Drive in the northwest corner of the Eastbrook shopping area. Word is getting around that their food is especially ambrosial; everything from gormet escargot to savoury steaks.

Taking advantage of the summer weather, Jeanne Montclair has returned to an old hobby. She builds sandcastings that are more of an art than a craft.

Five friends were invited to "wear your old clothes, pack a box lunch, and prepare for a day of playing in the sand." When the day was done, each guest went home with a unique representation of her own inspiration.

Kim and Karen Kiser and their mother, Betty, have just returned from Canada where they attended the Dundas School of Art. The school happens to be run by Betty's mother, but the instructors are from leading colleges and universities all over Canada . . . something like our Saugatuck summer schools. Betty . majored in water colors, painting mostly landscapes and buildings. Kim worked in sculpture and completed two figures and a head. Karen concentrated on acrylic landscapes and one effort was so fine that it was left there for the show at the end

Country Home Setting for Old Fashioned Wedding

The country home of Mr. and Mrs. Donald McPherson provided a country setting for the marriage Sunday of their daughter Marjorie Ann to Norman Roger Veliquette, son of Mr. and Mrs. Beverly Veliquette of Elk Rapids, Michigan.

The bride descended the staircase, which was decorated with sheaves of wheat, wearing a traditional gown of white silk, accented by lace yoke and long lace sleeves, and featuring a bustle back. Her headpiece was a puff of illusion veil.

Attending the bride were matrons of honor Mrs. Patrick O'-Meara of Detroit, and the bride's twin sister, Mrs. Christopher Gaffeld. They wore cream colored blouses of dotted swiss and floor length skirts in wheat patterned with gold and green. They carried bouquettes similar to the brides.

Tony Anita and Jonathon Lad Veliquette, sister and brother of the groom, were flower girl and ringbearer.

Serving as best man was Edward Breckclaw of Chicago. Seating the guests were Gene and Dean Veliquette.

Following the ceremony a buffet supper for 400 was served to guests who mingled on the lawn admiring the 4 tier wedding cake and baskets of Queen Anne's lace dyed gold, green and russet placed about the yard. An old wagon filled with brown eyed daisies and cattails further enhanced the setting.

The newlyweds will be at home at Valley Vista, Lowell, following a northern honeymoon.

Wedding Announced
