Board Pegs Millage Request at 12.5 for Next 2 Years

Oualified voters in the Lowell Area School district will be asked to approve a 1.25-mill levy for operating expenses for a two-year period in the special election of March 16.

This was the request submitted oy the board of education at its monthly meeting Monday night.

Just as they did a year ago, when extra millage was needed to retire operating indebtedness, the board unanimously pledged to levy no more millage than will be necessary to operate the district's growing school complex.

"There are a great many unknowns at this time," explained Board President Dr. Robert Reagan. "Therefore, we have decided to ask the voters to support us in this request with the firm pledge to keep the amount of millage actually levied in line with expenses."

Last year, voters approved an extra seven mills to go with an existing seven-mill levy. However, only 5.5 mills of the addi-tional levy was used to help retire a debt of almost \$130,000. Both have now expired.

Superintendent Carl Hagen reported at Monday's meeting that collections on the special millage will permit retirement of a \$120,000 emergency loan sometime this week at a saving of several hundreds of dollars.

One of the key concerns of school administrators in looking ahead is an apparent decision by officials of the Grand Rapids diocese to possibly discontinue classes at St. Mary's grade school in Lowell.

"If this should happen," Hagen told the board, "we might be asked to educate

Light Vote Expected in City Primary

Indications are that a light turnout of voters will participate in Lowell's first election utilizing new automatic voting machines next Monday.

Seven candidates are on the ballot for the February 16 primary election and six of them will be nominated to compete for three available council seats in the annual spring on April 6.

Voters may cast ballots for not more than three candidates. Polls will be open in City Hall from 7 a.m. to 8 p.m. All voters in line at the closing hour will be able to PERSONAL PROPERTY AND cast ballots.

Due to the use of automatic voting machines, results are expected to be known in record time.

Candidates, as they will appear on the ballot, include Carlen E. Anderson; Avery W. Block, Herbert Raymond Jones, Herbert R. Mueller, Virginia L. Myers, Alice Rittersdorf and Laura Rogers.

an additional 90 children over and above the normal increase in student population."

Hagen said that consideration would have to be given to the possibility of leasing the parochial school for classrooms should St. Mary's discontinue classes.

Also unknown at this time . . . and apparently headed for more debate in the state legislature . . . is the amount of state aid forthcoming in 1970-71.

"The longer things are held up in Lansing, the less we are likely to receive," Hagen told the board. "For these two reasons, it is necessary to base our expectations on more students and less aid than expected from the state on a per-pupil bas-

Board members also expressed concern for initiating action of some sort on a proposed new middle school, but ruled out the possibility of getting the project started in the near future.

"There's no doubt we will need such a facility and soon," said Dr. Reagan in explaining the board's viewpoint, "but everything points to holding up for a while longer

Preliminary estimates have set the price range for the middle school at between \$2.25-million and \$2.75-million.

Hagen was given a go-ahead by the board to refurnish several classrooms in the junior high, starting with the science room, and to order new chairs to replace worn folding units now in daily classroom use in the same building.

In other action, the board declined a request from Honey Creek Christian Home for Boys to establish special classroom facilities at the site of the home, located southeast of Lowell.

Will Conduct Survey of Handicapped

During the week of February 23-27, the Lowell Area Schools, along with other schools in Kent County, will be conducting a survey of the district to determine those children who are handicapped in some way, i.e. physical (speech, hearing, sight, etc.), mental (retardation, birth defects), and emotional or a combination of any of the three.

The purpose of the survey is to provide the state legislature with a comprehensive listing of the numbers of students in the state who are in need of special educational services.

The survey is authorized by Public Act 220 of the legislature which requires each local school district to conduct the survey and report the results.

Gordon Gould, Lowell High School counselor, will be coordinating the survey for the Lowell Area Schools. He may be reached by writing c/o Lowell High School or by calling 897-9216.

State Sets **Final Plans** for New M-21

VOL. 76 NO. 44

Final plans for reconstruction of M-21 between the I-96 freeway and Ada have been submitted to the Federal government by State Highway Commission Director Henrik Stafseth.

A map of the project, scheduled to be undertaken in 1972, is on file at Ada Township Hall and at the State Highway District Office at 1420 Front Street, Grand Rapids.

Ada Township officials were given details of the project at Monday night's bimonthly board meeting by Supervisor Fred Clancy.

State officials adopted the Scheme A Alternate plan, which was discussed with other schemes at a public meeting in July. Under the plan, there will be 1.1 miles of five-lane divided highway beginning at I-96 to the Grand Trunk Railroad, then continuing as a four-lane roadway to the present improved portion in Ada, which is scheduled for five lanes.

Forest Hill Road will connect directly with M-21 under the plan. In the July meeting, it had been suggested that Forest Hill traffic be routed onto Heather Lane past Collins School, but there were a number of objections and this plan was dropped.

Purchase of right-of-way property will begin this summer.

Six permits were issued by Building Inspector Herman Stuukie for the past month. These included four houses, a print shop, and an addition to a dwelling.

The largest permit was taken out by Amway Corporation, which will build aprint shop on M-21. The permit was for \$325,-000. The total valuation of all permits was set for \$432,300.

Fire Chief, Stan Osmolenski gave his yearly report to the board members. Out of-town runs totaled seven with four to Cascade, two to Vergennes Township, and one to Lowell.

Within Ada Township there were 32 grass fires, five false alarms, two resusitator runs, three Halloween prank calls, twelve automobile fires, three dump fires, and fourteen building fires.

Loss on dwellings amounted to \$4,750 while loss on contents in fires of dwellings was \$2,285 for a total of \$7,035.

Loss on buildings other than dwellings was \$309,100 with loss on contents of these buildings amounting to \$554,500 for a total of \$863,600. Most of this involved the Amway fire. The grand total figure for

Construction of a new data processing and operating center for Union Bank was underway today in Cascade Township.

The new facility, with an estimated value of \$1,000,000 including complicated computers and fixtures, is scheduled for completion next fall.

Located at 6333 28th Street, a half-mile west of Cascade, the center will have more than 30,000 square feet of floor space and will house date processing, purchasing, a print shop, branch messenger services as well as stocks and supplies for all Union Bank outlets.

Bank President James W. Carpenter and Cascade Township Al Heemstra were on hand Tuesday for the official "groundbreaking" ceremony event though workmen already had initiated the project. Commenting on the new facility, Car-

penter said:

"This new Operations Center will be near the airport and the expressway. That's important to us for we need to service not only our own network of bank offices, but correspondent banks throughout Michigan. This new center demonstrates a commitment to our customers, here and around Michigan, to serve them even better in the years ahead, and our continued confidence in Greater Grand Rapids."

State OKs Upgrading of Area Roads

VOL. 15 NO. 45

Two major road projects in Grand Rap-ids Township have been approved by the Michigan State Highway Commission as part of a \$5.3-million program designed to upgrade 47 miles of state highway scheduled to be turned over to local jurisdiction by next July 1.

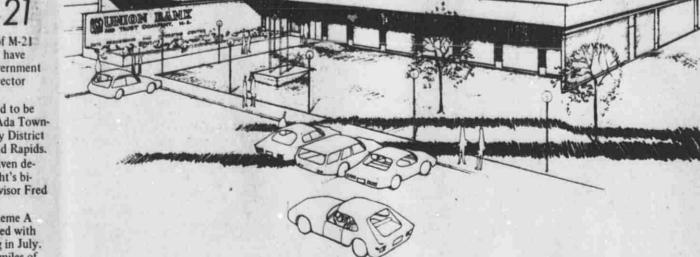

Included in resurfacing of one mile of M-21 between East Belt Line and Cascade Road at an estimated cost of \$100,000 and resurfacing of M-45 (Cascade Road and East Fulton) from I-96 to Division, a length of 5.5 miles, at a cost of about \$470,000.

By transferring the highways to county or municipal control, the highway commission will eliminate maintenance costs on highways replaced by new construction. Approval by local authorities is required before transfers can take place.

SET MARCH 2 HEARING

A public hearing has been scheduled during the March 8 meeting of the Lowell City Council to determine need for installation of a new water line along Grand Street between Pleasant and a point near South Hudson. The hearing will be at 8 p.m.

ARTIST'S CONCEPTION OF NEW UNION BANK CENTER IN CASCADE

It is the first time in recorded city his tory that three women have sought or "in cal office in the same election.

Anderson and Mrs. Myers are incumbent members of the City Council and are finishing two-year terms. A third incorr. bent, Mayor Arnold Wittenbach, is not a candidate for re-election.

The five other candidates all are new to political campaigning.

WATCH FOR - The Grand Opening of Worlds In Glamor. 100 W. Main.

to Special Meet

Parents of students now in the eighth grade at Forest Hills junior high school have been invited to attend an "informational program" regarding selection of classes for the 1970-71 school year. Students who will be entering the ninth

grade will be given a choice of some classes program directions will be discussed. The meeting is scheduled for 7:30 p.m. Tuesday, February 17 in the junior high gymnasium

beyond the required subjects. Electives and

all fires in Ada Township amounted to \$870,635.

Following a trip to Lansing to seek lower valuation of the Ada Dam, Clancy reported that the valuation will be reduced to \$10,000 from \$50,000. The change was based on the decision by the state tax commission that the dam maintains the value of the homes behind it rather than the homes maintaining the value of the dam.

Amway Corporation requested the extention of boundaries of its drainage district to the west to include two 15-inch drains now under M-21 and adjacent to the present drainage district. The request was tabled pending action by Frank Bouma, Kent County Drain Commissioner. In other action the board members

adopted a resolution to pay Board of Review members \$20 a day while in session. A proposed amendment to the building ordinance regarding inspection fees is un-

der consideration. Rest Area Sign Arrests **Errant Auto**

According to the Kent County Sheriff's Department, drivers must be getting used to the winter pitfalls. Only one slight accident was reported over the past weekend in the Cascade-Ada area.

Appropriately a sign marked "Rest Area" stopped a car driven by Alan Bisel, 20, as he swerved off 1-96 about two miles east of 28th Street.

The accident occurred Sunday at 9:56 p.m. Bisel reported to the Deputy DeLeuew of the Sheriff's Department that while he was driving west on I-96, a white car heading east forced him off the road.

Bisel, of 36039 West 6 Mile Road, Livonia, and his passenger, Denise Benford, 18, of 11310 Superior, Warren, were both injured slightly and taken to Blodgett Hospital.

from a school bus, but when he caught the expression on Mrs. Klynstra's face, he realized that he wasn't seeing a warmlyclothed kindergartener only a few inches tall.

Members of the 1969 graduating class of FHHS who were classmates of "Rocky Raccoon" will be pleased to note that several of his nephews and nieces live near the Thornapple School.

Area post offices will observe regular hours this Thursday, February 12, but will be closed all day on Monday, February 23, in observance of Washington's Birthday.

LHS Actors Win Honors in Festival

Two students representing Lowell High School in the second annual One Act Play Festival at St. Johns High School were awarded top places in two of the competitive categories.

Seniors Pat Hobbs and Mitch McMahon captured first place in the best play competition with their 45-minute rendition of Edward Albee's "The Zoo Story." Pat is a three-year veteran in drama at Lowell. but Mitch, who took first place as best actor, is a first year member of the Lowell players.

Nine Class A and B schools competed in the festival in which judging was based on acting alone.

Both actors will appear in "Don't Drink the Water," the all-school play to be presented March 19-20.

Millage Designed to Keep Pace with Cost Increase

The request for 15 mills of operating levy in the special election of March 16 is "pretty much a status quo proposition," according to Forest Hills School Superintendent Robert Masten.

roughly \$8,000.

If approved by district voters, the levy will be used to replace 13 mills of voted operating millage that has expired.

Masten says he foresees only high-priority improvements to be met from the operating budget within the three-year tenure

of the proposed millage.

DANGER AHEAD - Intersection of much concern to officials and alike in Forest Hills is

this one at Colchester and 30th Street. Cascade Township Supervisor Al Heemstra indi-

cated this week that plans are being made to eliminate crest of troublesome hill in the

near future. Cost of the project, to be undertaken by the township, is estimated to be

"Projections based on previous years, the new master agreement with teachers, property valuations, and a student population increase in excess of 200 students per year all indicate that the cost of instruction will increase about eight percent for each of the next three years," said Masten.

"Revenues are anticipated to increase five percent from state sources each year and the assessed valuation increase should

average about nine percent for each of the next three years," Masten declared.

Forest Hills levied 13 extra mills for operation this year. Ten schools in the county levied more and nine others levied less. The instructional cost per child at For-

est Hills this year is \$565. This is \$335 less than the highest per student cost in the county and \$64 more than the lowest.

The 13 mill levy last year balanced the budget with excess revenues of \$35,000.

An unexpected increase in valuations plus the year-end balance is making it possible to operate with a balanced budget during the present school year, according to Mas-

The full amoung of the new request may not be levied even though approved by voters if the present rate of growth keeps adding to the district's overall valua tion.

ROSIE DRIVE INN - This week's special: Hippie Burgers, 48 cents. c-44

After dropping off students and making a report at the Thornapple Elementary School one day last week, Mrs. Bea Klynstra started off with what she thought was an empty school bus.

Looking in the rear-view mirror Mrs. Klynstra was startled to discover a large ball of fur heading down the aisle toward the front of the bus.

Mrs. Klynstra turned in her seat to find that the hairy sphere was now calmly looking up at her with a bandit's mask.

But this was no hold-up. Rather, a hangup by a young raccoon who happens to be fond of apple cores and potato chips sometimes left behind by grade school students. By now Mrs. Klynstra was on Thornapple River Drive. She signalled to the driver of the car behind her, pulled over to the side and stopped the bus. She opened the door and out waddled her unpreturbed "passenger."

At first the surprised driver of the following automobile didn't quite know what to make of the unusual "student" alighting

Lowell, Forest Hills Aiming for Conference Mat Crowns

A share of second-place with league rival Sparta in the Central Christian tournament may be a sign of things to come for Lowell High in the annual Tri-River Conference wrestling meet scheduled this Saturday at Comstock Park.

"I'm sure Sparta will be way up for we know that Belding will be ready, too," declared Coach Gary Rivers as he prepared to send the Arrows after their second straight league tourney /

Lowell also is bidding to add the meet trophy to the one picked up during the dual match season. Rivers said many team members have been hampered by

flu and colds. In addition, 115-pound ace Kurt Inman is a doubtful starter due to a pulled knee cartilage. The Arrows will rely on team depth to bring them home in front in the conference meet, which will be an afternoon-evening affair with preliminaries starting at noon and champion-

ship finals at 7 p.m. "There's a good chance we can win it all," said Rivers, "but it won't be easy. We'll have to be at our best." Lowell came up with two individual winners and five runners-up while scoring 82 points to share second place with Sparta, both teams seven behind Class A Muskegon High last

Ray Smith continued his perfect record at 145 pounds, handing Tom Willison of Rogers a 10-2 loss in the finals after

scoring a pair of wins by pins in early matches. The results ran Smith's mark to 18-0, including 14 pins. Bob Graham took top-seeded Frank Tamburello of Godwin Heights in the 123-pound finals, 17-1, in one of the major up-

sets of the event. Graham was third seeded. Second-place points were garnered by Steve Newell at 107 pounds, a 5-0 loser to Godwins' Jerry Pichoski; by Jim Richard at 130 pounds, who lost by pin to Sparta's Mike Van Oeffelon; by 137-pounder Tom Rasch, a 10-6 loser to Central

Christian's Larry Scholtan; by Gordon Kelly at 165, who drop-ped a 3-2 decision to Jim Knauf of Sparta; and by John Lyons at 175 pounds following an 11-4 loss at the hands of Muskegon ace Al Heetius.

Al Wingeier assisted Lowell's cause with a third place finish at 155 pounds and Bob Rottier collected a fourth at 185

The Arrows were in action Tuesday night at West Ottawa in search of their 13th straight dual meet victory. Results were not available at press time.

Two More Defeats for Winless Rangers

"There isn't much doubt that the worst is behind us now." This was the terse summation by Coach Larry Wilson of last week's action in which Forest Hills High School's basketball team continued its season-long losing streak with defeats at

he hands of powerful West Ottawa and Rogers. The losses ran Forest Hills' record to 0-12 in a campaign which Wilson says "can't end too soon."

"We have to look to the future," he declared, "and I think there's a ray of hope when you look at the JV and freshman

Though the reserves also dropped a pair, the margin against west Ottawa was by two points. The freshmen, meantime, notched two more victories to run their season mark to 11-2. Earlier in the season, Forest Hills was plagued by the inability to finish strong after getting away to fast starts, but found themselves out of the game before the end of the first guarter gainst both West Ottawa and Rogers.

West Ottawa struck to a 17-9 lead, then bolted away to a 46-26 margin at the half in posting a 90-69 victory on Tuesay. Len Locki's 20 topped the winners while Ron Vanderaan collected 22 (15 in the final period) and sophomore Bob

Warner added 18, getting 12 in the first half, for Forest Hills. It was almost the same story against Rogers as the O-K Red Division pacesetters romped to a 20-5 first quarter lead, then upped the margin to 25 points at the half, 48-23.

Rick Gilman poured in 19 points and Phil Burke added 15 to Rogers' balanced attack. Dirk VanWestrienen sank 16 and VanderBaan added 12 for the losers.

Ted Zuiderveen's 15 led the Rangers JVs in an 81-79 loss to West Ottawa while Larry Lanning sank 20 in a 90-65 setback at the hands of Rogers.

Bill Henneveld collected 18 to pace the freshmen past West Ottawa, 55-45, and Dave Slater and Joe McCormick each had 12 as the ninth graders edged Rogers, 53-52.

EMERICAN LEGION

LANES

Arrows Upset Ram Cagers; Still Eye Winning Mark

A perfect record in five remaining regular-season games is needed if Lowell High's basketball team hopes to finish the 1969-70 season above the .500 mark.

The Arrows got new life for a winning campaign by upset-ting Rockford on the latter's floor last Friday night, 54-51, with newcomer Chris Collins giving a major assist.

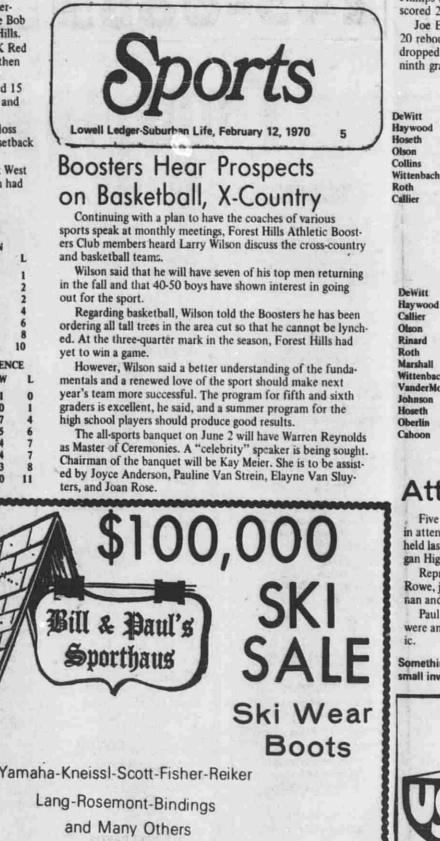

Coach Jack Kempker's club earlier in the week suffered an 83-58 setback at the hands of Sparta in a game that featured a 30-point effort by the Spartans. The results left Lowell with a 4-8 record on the season and

five games remaining to be played. The first of these sends the Arrows against contending Ced-

ar Springs on the Cedar floor this Friday night. A victory is a "must" for Cedar Springs (10-1) if it hopes to beat or tie Green-ville (11-0) for the Tri-River Conference championship. Next Tuesday, the Arrows journey east to meet Ionia in a

non-leaguer in hopes to scoring a repeat victory. Lowell won the first match against the Bulldogs in the season opener. Collins, a leading scorer for the JV team most of the season, made his debut on the varsity squad a huge success by sinking

five of his 11 points in the final quarter as the Arrows held to a precarious lead by out-scoring the Rams in the session, 15-14. "It was really a fine game for a sophomore," said Kempker, who has been testing non-seniors in recent games to provide them with varsity experience.

free throws firing 66 times for a 30 percent average.

Sid Haywood, who split the center assignment with Hoseth. Pete Daukss led Rockford with 12 points. Dan Kik put on one of the best one-man shows of the entire Tri-River season on Tuesday night as he sank 18 points or Sparta in its 30-point third-quarter effort.

Kik finished as high scorer with 20 points as all 13 players who saw action for the winners got into the scoring column. The Arrows got away to a 16-14 lead, then sagged to a 34-26 deficit at the intermission as they managed to sink only three of 16 field goal attempts.

DeWitt was top scorer for the Red and White hardwooders with 12 points in addition to garnering eight rebounds. Sid Hay wood and Ken Roth each netted 10 points in the losing cause and Haywood snared seven rebounds as well.

Lowell's JV quintet split a pair of games, handing Sparta 1 72-67 defeat before bowing to Rockford, 65-55. Rick Sieale (19 points). Pat Herblet (18), Chris Collins (16) and Don Phillips (11) led the balanced attack against Sparta. Herblet scored 21 and Joe Rinard 14 against Rockford. Joe Ellis scored 21 points and Tom Wernet gathered in

Heights and Wyoming Park is the prospect for the annual Ottaw-Kent Red Division conference wrestling championships this Saturday.

Coach Chuck Mathews' Rangers are rated an excellent chance to repeat their tournament title efforts of the past two years following an unbeaten record in league dual match

No championship is awarded to the No. 1 team in dual meet standings, but a team's regular-season record counts 50 percent toward declaring an overall title-winner . . . thus giving the Rangers the inside track on the major crown.

Forest Hills was scheduled to close out the regular-season against non-league rival Grandville Tuesday night. The Rangers entered the finale with an overall mark of 7-1-1 in dual competition, a victory in the seven-team Woodland Invitational and three runner-up spots in other tournaments during the 1969-70 campaign.

Though this year's squad does not have as many individual standouts as recent teams, Mathews says it has been "a wonderful team to coach."

"We have faced some great competition, but our boys have come through with flying colors," he declared. Two of the top performers have been Jim Leyndyke at 07 pounds with a 22-2 record, including six pins, and 133-

pound Craig Van Sluyters, who has had eight pins in a 19-3 ef-Both emerged victorious last week as Forest Hills closed

out the conference dual season with a 28-14 triumph over Godwin Heights, which also entered the match undefeated in conference action. Leyndyke pinned Bob Almy of Godwin at 3:49 to win the

110-pound class and Van Sluyters took his opponent by decision, 7-3.

In other matches Jerry Piechockki of Godwin decisioned Tee Weitke, 11-1, at 101 pounds. Chip King tool: a decision over his opponent, 6-4, while Godwin's Frank Tamburelle decisioned Mark Mollo at 126 pounds, 5-3.

Jed Bush of Godwin decisioned George McCarger at 140 pounds, 3-2; John Price at 148 pounds took his decision, 3-0, and Mike Osmolenski won his match 8-1. Steve Shuster pinned Abel Gonzales in 3:30 in the 178-pound class; Jim Bacon took his decision, 8-6, while Greg Winters suffered a pin from Rich DeVries in 0:48.

The next wrestling event for Forest Hills will be the confer-ence meet at Wyoming Park. The first round will begin at 1 p.m. the semi-finals will be held at 3 p.m. and the finals at 7:30 p.m. **Ex-Ranger** Credited

with National Mark

Larry Cardinel, former wrestling star at Forest Hills High, has been credited with a share of a national record, according to a recent edition of National Scholastic Wrestling News. Cardinel scored 23 pins en route to a perfect record in 1968-69 for Coach Chuck Mathews' Rangers. A similar one-season record for pins was established by a California high school star.

Cardinel is currently wrestling with the Western Michigan University squad and held a 3-1 record going into this week's

S BY SHIBLEY DYGERT

Congratulations to three young men who were given their God and Country awards last Sunday. It takes a long time and a lot of work by a Boy Scout to achieve this award so Terry Thorington of Alto, George Teachman of Cascade, and Michael Jousma of Lowell are receiving best wiehes from admiring friends.

Seven young people of junior high age were granted Churchmanship awards at Cascade Christian Church. This meant that they had completed a full year of help to the church with a minimum of one hundred hours. They are: Jill Folkertsma, Debbie Boris, Linda Fulscher, Evelyn Peterson, Dewey Prins, Charles Prins, and Todd Buzzell.

S'wonderful what a little idea can do when enough people happen to think it can grow. The first annual Valentine dinnerdance that was organized by members of St. Robert's Catholic Church and Ada Congregational Church should prove to be a fun affair.

Cascade Christian Church was the scene Friday, February 6th when Nancy Lee Krebs became the bride of Charles Frederick Garber. Parents of the couple are Mr. and Mrs. Harold W. Krebs of Clifford Avenue, Grand Rapids and Mr. and Mrs. Edwin C. Garber of Brooklyn Avenue, SE, Grand Rapids.

The bride's organdy and satin wedding gown was fashioned by her mother. The lovely dress featured lantern sleeves and a raised waist. It was lace banded at collar, waist, sleeves and hem and matching lace adorned her flowing mantilla veil. She carried a bouquet of pink roses, lily of the valley and stephan-

Mrs. Robert Winters was the honor attendant. Bridesmaids were Christine Krebs, sister of the bride and Diane Penning, niece of the groom, of Saline, Michigan. The attendants also in satin and organdy, carried hurricane lamps wreathed in flowers to match the floral halos in their hair.

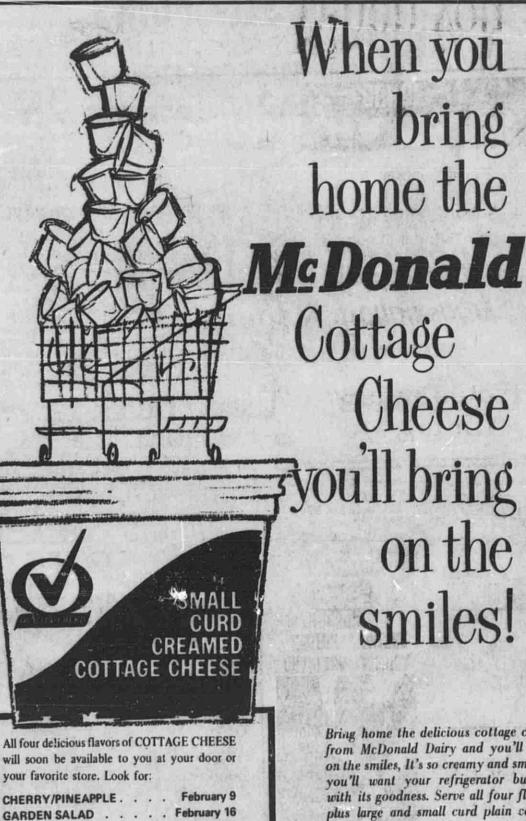

Janet Hulst, niece of the groom, acted as flower girl. Lori Cargill, cousin of the bride, and David Hulst, nephew of the groom, carried the bride and grooms rings to the altar.

Attending the groom were Kirk Swayman of East Lansing as best man and Ed Gorter and Robert Winters of Grand Rapids who seated the guests.

HONORED FOR HIGHEST ACADEMIC STANDING

Laret D. Bolthouse of Clarksville and Ruth A. Walter of Saranac were honored for outstanding academic achievement during the fall term at a dinner held at Michigan State University.

These outstanding young people have maintained an A or Aplus average in every course and are listed on the honor roll which offers "recognition of the highest attainment in scholarships."
