IT'S A PUZZLER — Making a perfect headband can prove a puzzling task . . . and that's what Christine Baird appears to think of the project undertaken in Mrs. Hester White's third grade class at Runciman Elementary. The headbands will be distributed to children's homes in Kent County. Christine is the daughter of Mr. and Mrs. Allen Baird of Lowell.

## People Helping People: Students Assist UF Project

"People helping people" has been the basis of the Kent County United Fund since its inception and members of the Junior Red Cross prove that it's never too early to begin.

Hundreds of school children in Kent County help the United Fund way by belonging to one of its 66 member agencies, The American Red Cross. Participants in Junior Red Cross perform such services as filling Friendship Boxes for children in disaster situations throughout the world, making favors for children's homes, designing place mats and nut cups for nursing homes and making countless other art objects which brighten the lives of sick or homeless individuals.

Junior Red Cross members, such as those in Mrs. Hester White's third grade class at Runciman Elementary School, have learned the pleasures and rewards in volunteering their time and efforts to others.

Young people aren't a new phenomenon at United Fund or at any of its agencies. Seven agencies supported by United Fund are directly concerned with the activities, problems and successes of youth while many others include youth in their programs. Camp Fire Girls, Boy Scouts of America, Girl Scouts, Camp Blodgett, YMCA, YWCA and Big Brothers are all youth-oriented agencies.

Central Volunteers, another United Fund agency, numbers young people from nearly every area in Kent County, many of whom are working on the 1970 United

## Runciman Fund Offers Assistance to Needy Students

The advisory board of the C. H. Runciman Student Benefit Fund has announced that a cash gift is available to a deserving Lowell student who is in need of financial assistance. The fund was started by a group of Runciman's friends following his death in November of 1968. Board members include Harold Englehardt, William Jones and Mrs. John Bergin.

The requirements for eligibility are that a student be a graduate of Lowell High School and is currently enrolled in college or advanced trade school.

Students interested in applying for assistance this year should file an application at the guidance office of the high school before December 15. Following the current school year, all applications should be in by the June preceding the applicant's enrollment in college or trade school.

Fund campaign, among its list of volunteers.

In addition to its Junior Red Cross program, The American Red Cross has over 200 teenage girls working as hospital volunteers throughout Kent County. The Red Cross first aid and water safety programs provide young people with an opportunity to learn skills for employment as well as providing them with exercise and constructive hobbies.

This year over 15,000 volunteers in Kent County will work to reach the goal of \$2,300,000. Last year "Fair Share" dollars helped more than 120,000 Kent County residents who received aid from one of the 66 agencies supported by United Fund.

The senior member of our clan is spending the next few weeks in the hospital, the result of a nasty "header" that broke his hip.

This is in reference to the Old Man, who also answers to such monickers as A. P., Scoopy and Senior Goat.

He's in St. Joseph Hospital in Mount Clemens in the event you wish to drop him a line. If nothing else, a few cards and letters would get his mind off the broken hip and would probably be welcomed by the nurses.

We knew he was coming along well when the nurses started to take offense at some of his remarks!

Another recent hospital visitor was Cary Stiff, proprietor of Lowell's largest mercantile, who appears to be fully recovered from open heart surgery.

It's strange these two ducks should wind up hospitalized so close to one another.

For one thing, they both hail from "Down East," as folks from New England call their home base. For another, they are members of that rare breed of cat known as railroad buffs.

Cary is so smitten with following trains that he should be able to write a book when and if he retires.

I bring this up because it wasn't until I reached Lowell almost three years ago that I realized the town enjoyed a unique position in railroading.

We have in the southeast part of the city a thing known as a "diamond," which is created when tracks of two rail lines intersect.

I had often mentioned to the Old Man that there had to be a diamond somewhere between Detroit and Grand Rapids because I knew the east-west C & O crossed the north-south Grand Trunk or vice versa. I say that because I don't really know which came first and apparently that means something as far as right-of-way is concerned.

So I was wheeling down I-96 the other day near the Pinckney exit and sure enough there it was . . . just a few hundred yards away.

Still don't understand why they call it a diamond. Looks more like a square to me. But maybe because the latter term fits me.

Patt Bambrick, our Gal Friday who works Saturdays and Sundays in addition to carrying a full load at other times, tells us she is working on a feature picture which could be a gem.

Seems that just about every starting for miles around flies into town at a certain time each evening and makes a bee-line to the American Legion Hall, where they disappear down the chimney.

Which recalls an evening this summer when thousands of them went by the house, wave after wave, and flew . . . for no apparent reason . . . to a tree located several blocks away.

I admit that starlings are not among my favorites in the feathered world and now I really think they are nuts.

Maybe we should ask our good friend John Ham, the esteemed bird census taker from Cascade, what gives with the starling that he does these weird things.

\*\*\*

Time's drawing near for the color camera buffs, what with overnight frost turning trees in this part of the world flaming hues of red and orange.

It's all very pretty, gang, but it sure isn't helping my frame of mind. Probably won't get the chance to play more than a dozen rounds of golf before the snows fly.

I've been accused by a number of sharpies of being a lousy euchre player.

Well, folks, I've found one worse than me. He's Lynn Reuster, assistant PR director of Buick, who wound up as my partner recently against those two talented hockey announcers, Budd Lynch and Bruce Martyn.

Talk about the blind leading the blind. Whoeeeee!!!!

## Township Aides Meet

Kenneth Anderson, Ada Township Clerk, announced today that there will be a meeting of all township officials of the 5th Congressional District (Ionia and Kent counties) this Friday.

The meeting will be held at Ada First Congregational Church and will begin at 9:30 a.m.

Anderson, who also represents the area on the Board of Directors of the Michigan Townships Association, said 183 officials from the two counties have been invited.

The all-day educational meeting will include presentations from State of Michigan personnel as well as reports given by staff members of the Michigan Townships Association. It will bring together township officials and county, state and Federal officials, including Congressmen and members of the Michigan Legislature.

## Township Board to Study Gathering Ordinance

The possible lowering of speed limits on two Ada Township roads was discussed at the regular bi-monthly meeting of the township board.

Fred Clancy, supervisor, agreed to request the Kent County Road Commission to allow a 35-mile-an-hour zone on Spaulding Avenue from Fulton Street to Cascade Road. That is the present speed allowed between Cascade Road and Burton Avenue.

Clancy will also request a study regarding the possible use of school zone signs for Ada Drive both east and west of the junior high school entrances. Ada Drive is presently zoned at 45 miles-an-hour. Citizens have complained that at some points the road is too narrow for both pedestrian and vehicular traffic.

The Ada Township Board is presently studying the question of an ordinance regarding outdoor gatherings. It is felt that the final regulatory law will be the same as the one just adopted by the City of Wyoming.

The board will petition the Kent County Drain Commissioner to approve an extension of a drain in Adacraft Commons. Ladd Building Corporation will assume all expenses.

A courtesy copy of a letter written by Stephen Graves, resident of Deer Run Avenue, was read. The original copies went to the Kent County Road Commission, The Kent County Park Commission, and the Kent County Sheriff's Department. The letter referred to congestion of traffic on Deer Run and on Pettis Avenue. Graves alleged that there have been a number of close calls to pedestrians and to bike riders, especially near Chief Hazy Cloud Park. He would like to see "Caution" signs posted and claimed that his neighbors were willing to pay for the expense.

The board will be requesting bids on a fire engine chassis. The bids will be opened on Oct. 13. The machinery is for apparatus already owned by the township.

The board agreed to concur with the Planning Commission's suggestion that the Master Plan of the Improvement Program of 1968 be applied to Ada Township and sent such notice to the Kent County Road Commission.

At the next meeting of the board on Monday, October 11, Winfred Estes, Kent County Chief Sanitarian and Chairman of the Grand River Watershed Association, will discuss the goals and accomplishments of the latter group. Out of sixty municipal governments, thirty-eight are presently members. The cost for one year to Ada Township would be approximately \$150, based on per capita.

Board members are still studying the problem of trash disposal and are seeking a solution with neighboring communities.

## Senior Named Merit Scholarship Semifinalist

The naming of a Lowell High School student as a semifinalist in the 1970-71 National Merit Scholarship Program has been announced by principal Donald Kelly.

Martha Coons, daughter of Mr. and Mrs. David Coons of Lowell, is among the 14,750 of the nation's most intellectually talented high school seniors appointed as semifinalists.

The National Merit Scholarship Qualifying Test (NMQST) was given to some 710,000 students last February in 17,000 schools across the country. The semifinalists constitute less than one percent of the graduating secondary school seniors in the United States. They must advance to final standing to be considered for the Merit Scholarships to be awarded next spring.

Semi-finalists become finalists by receiving the endorsement of their schools, substantiating their high NMQST performance on a second examination, and providing information about their achievements and interests. About 96 percent of the semifinalists are expected to become finalists.

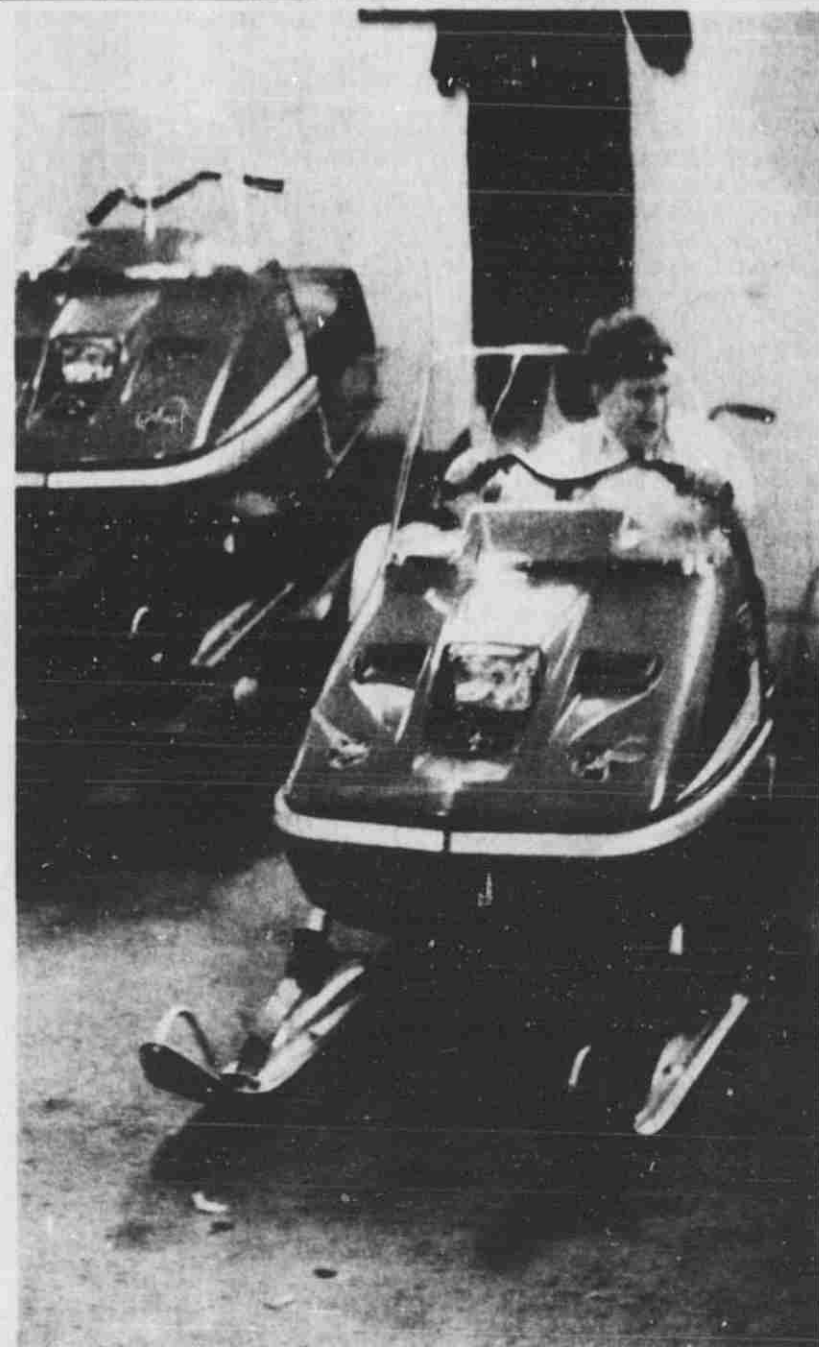

Four students of Forest Hills High School have been honored for their high performance on the 1970 National Merit Scholarship Qualifying Test.

According to Willard De Jonge, principal of FHHA, Mark Bransdorfer, Barbara Clark, Timothy Nielsen, and Ron VanderBaan are among thirty-five thousand students in the United States who scored in the upper two percent of those who are expected to graduate from high school in 1971.

The Commended students rank just below the Semi-finalists announced earlier.

Names of the winners in the 1970-71 Merit Scholarship Program will be announced in the spring of 1971. Some 24,800 students have received Merit Scholarships in the fifteen annual programs to date. About \$74 million in financial assistance to Merit Scholars and their colleges has been expended or committed through the Merit Program.

## 70 Dimes March Hits \$1.3-Million

Lawrence D. Bos, state chairman of Michigan's 1970 March of Dimes campaign, announced that a goal of \$1,313,715.69 was raised as compared to the figure of \$1,272,568.23 contributed to the 1969 campaign. In reaching this goal, tribute was paid to the many thousands of volunteers who contributed their time and effort to this project.

"With this continued support, the March of Dimes will be able to increase its efforts towards seeking an end not only to those birth defects seriously affecting children but also birth defects which appear in adulthood, just as the March of Dimes, in the past, eliminated polio as a major health factor," said Bos.

Bos added that the money raised will be used to sponsor The National Foundation's basic research grants at leading universities across the country, as well as the support of over one-hundred Birth Defects Centers, including those at the University of Michigan, Michigan State University, the Neuro-muscular Diagnostic Clinic at Blodgett Hospital, and the Oral Cleft Clinic at Butterworth Hospital in Grand Rapids.

## Absentee Ballot Deadline Set for October 31

Area township and city clerks are trying to remind citizens to apply early for absentee ballots for the November elections.

Students, servicemen, and those who do not expect to be at home are reminded that the deadline for application for such ballots is October 31.

## Stricken Family Receives Much Needed Goods

BY SHIRLEY DYGERT

The victims of the lightning fire last week, Mr. and Mrs. Ira Hufford and their sons, Charlie Plute and Chuck Dyer, are now living in a trailer on the property which once held their home.

Their home was destroyed in a storm September 21 as it burned to the ground. What was not accomplished by nature was demolished by man on Saturday morning as bulldozers tore down the remains.

An appeal by this paper in both Lowell and Ada has netted some donations of much needed cookware and linens. The Huffords are most grateful, but according to Mrs. Ed Mulder, more will be needed to replace the large loss suffered.

Collections of bedding, linens, dishes and other useful items will be received for the next week at the Ledger office in Lowell or in the mornings at the Ada Township Hall.

A permit to rebuild on the property is being sought and construction will begin as soon as possible.

## Honor Controller

The Governor's Awards Commission for Distinguished Public Employees has selected Kent County Controller Leonard Andrus, Traverse City Director of Public Works Gerald Williams, and Adrian Police Paul Shaffer, Jr. for Michigan's outstanding career worker awards in local government for 1970.

Selected from the ranks of Michigan's 107,106 local public employees, they will receive the presentations at a Lansing luncheon October 8 from Governor William G. Milliken.

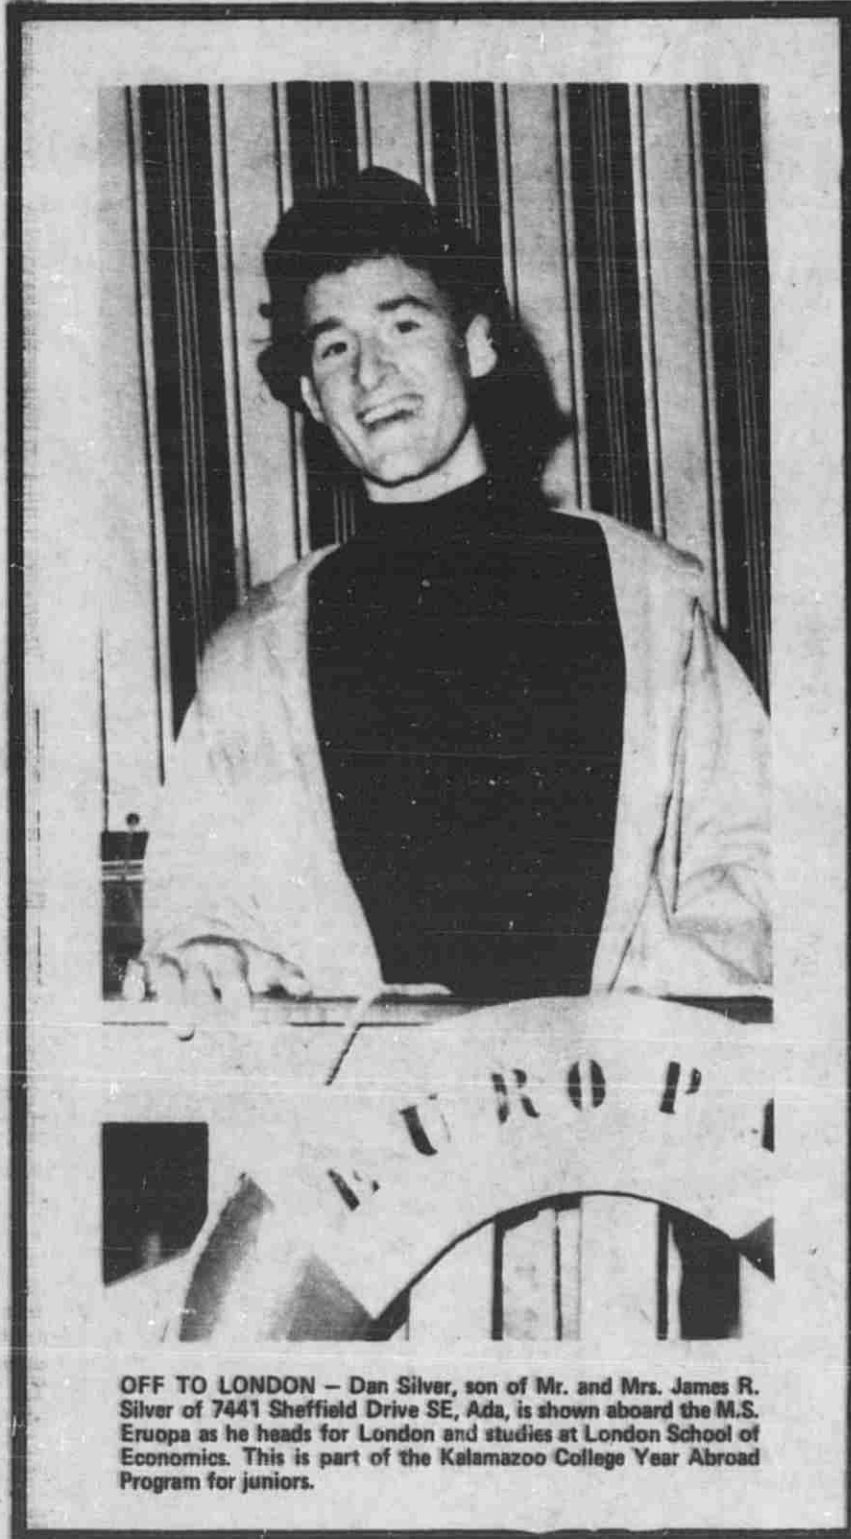

## Receives 'Outstanding Member' Award

The winner of the 1969-70 'Outstanding Jr. Hi-Y Member' award has been announced by Al Eckmar, club advisor.

Mark Blough, son of Mr. and Mrs. Ivan Blough, 623 Jefferson Street, Lowell, earned the honor through the voting of the 35 club members, the Lowell Junior High faculty and the club advisor.

Winning the award seems to be a family tradition. Mark's brother Mike received the same award in 1966. Mark served as president of the club during the last year.

Jr. Hi-Y is a club program for boys of the seventh and eighth grades, and is sponsored by the Lowell YMCA. Its members are interested in promoting activities to develop well-rounded youngsters. Program areas include social, service, physical, worship and education activities.

MRS. RICHARD PECKHAM

### R. C. Peckham Wed in Grandville Ceremony

Solemn wedding vows uniting Miss Lora Lee Wolf to Richard C. Peckham were repeated in Grandville Jenison Congregational Church September 5. Parents of the bride couple are Mr. and Mrs. Ladd E. Wolf of Grandville, and Mr. and Mrs. Richard C. Peckham of Lowell.

The bride wore a floor-length gown of organza styled in the princess manner with side bust fullness. Alencon lace accented the bodice and was echoed on the bishop sleeves and high neckline. A re-embroidered Alencon lace camelot toque secured her cathedral veil and her only jewelry was a pair of moonstone earrings, a gift from her parents.

Attending the bride as maid of honor was Miss Linda Wolf, sister of the bride. Bridesmaids were Lori Wolf, Bev Leys and Cathy Heyboer, all of Grandville, and Kathy Peckham of Lowell, sister of the groom. The attendants wore empire gowns of gold. Wendy Steel of Jackson, cousin of the bride, was flower girl and Jeffrey Steggers of Lansing was ring bearer.

Performing the duties of best man was C. Jeffrey Cleveland of LaPorte, Ind. Seating the guests were Ross Starkweather, Rick Spicer, Keith Buck and Jerry Thompson, all of Lowell, Joe Lord of Flint and Ronald Fright of Jackson.

The reception was held immediately following the ceremony at Cecil's Ranch House. Mr. and Mrs. Fred W. Steel of Jackson, uncle and aunt of the bride, were host and hostess; Carol and Karen Peckham, sisters of the groom, had charge of the guest book.

The couple left for Niagara Falls; Hershey, Pennsylvania and Washington D. C., and will make their home at 526 1/2 Monroe Street in Lowell.

### Diet Guild Sponsors Theatre Holiday

MRS. STEPHEN CROSBY STEKETEE

### Will Make Home in Long Branch, N.J.

Glen Lake Community Reformed Church was the setting for ceremonies uniting Miss Linda Lou Peppier and Stephen Crosby Steketee in Holy matrimony on Saturday, September 12. Parents of the newlyweds are Mr. and Mrs. William Henry Peppier of Glen Lake and Mr. and Mrs. Campbell Hall Steketee of Grand Rapids.

Miss Peppier chose a floor-length gown of angel-skin peau and venise lace featuring a high neckline for her bridal dress. A matching caplet of venise lace secured her mantilla train veil of illusion. Her bridal bouquet was made up of white daisies and baby's breath fashioned into a colonial bouquet.

Miss Christine Helen Peppier of Glen Lake attended her sister as maid of honor. Bridesmaids were Miss Christine Dorsey and Mrs. Kathy Aylsworth of Glen Lake; Miss Diane Turgeon of Detroit and Miss Penny Steketee of Chicago. They were attired in identical gowns of willow green chiffon accented with lace bodices, high necklines and full chiffon sleeves trimmed with satin. Each carried a wicker basket of yellow daisies.

George Herrity of Grand Rapids served as best man. Dale Olah and Don Balcom of Muskegon; Dan Afton of Lowell and Campbell Steketee Jr. of Salem, Ore., seated the guests.

Following a wedding trip of undisclosed destination, the couple will make their home at 171 Franklin Ave., Long Branch, N. J.

**S.W. BOWNE** Mrs. L. T. Anderson

Janice and Kathy Pitsch spent a few days recently with Grandpa and Grandma Anderson before their school commended.

Mrs. Keith Bowman, daughter June and Mrs. Michael Bowan attended the Eastern Star meeting at Caledonia Masonic Hall Tuesday evening.

Mr. and Mrs. Leonard Anderson spent Sunday of last week with their son, Claire and family, in their beautiful new home in Cutlerville Hills. They will soon be all settled.

Gale Bowman, who had been taking his basic training at Ft. Knox, Ky., has re-enlisted for the Green Beret. He will then attend medical school for eight weeks in Houston, Texas.

Mrs. Mary Vreeland and Mrs. Leonard Anderson attended the "Girls of Yesterday" at Bowen Center Thursday. The WDGS served the lovely dinner to 38 guests. A very interesting program followed, then, of course, reminiscing about old times.

Mr. and Mrs. Keith Bowman attended the 50th wedding anniversary of Mr. and Mrs. Leon Post at their home in Caledonia Sunday afternoon. Leon and Doris are feeling much better after their illness.

Mr. and Mrs. Keith Bowman attended a Grange meeting and supper at the Maynard Ditcher home Saturday evening.

Mr. and Mrs. Roger Pitsch spent Sunday evening with their parents, the Leon Andersons.

Mary Jo Pitsch took her Grandpa and Grandma Anderson to Grand Rapids Tuesday afternoon on business.

It is definitely that time of year, all right. If the calendar failed to tell you, the weatherman took care of letting you know that it's high time to seek out those old boots and sweaters.

A little Crosby-bird told us that Randy Litton, Dick Solon and But Budnick left the Kent County Airport at 6 a.m. on Sunday, September 13. The idea was to take-off for a three-day goose hunt.

It seems that they were not only weather-in, but ran into transportation problems as well. They never returned home until 10 p.m., September 24, toting some very ripe geese. They must have lived on berries.

Horray for our girls. The Forest Hills Junior Varsity Cheerleading Squad has just captured a large trophy for their coordinated efforts. This is the same bunch that did so well last year when their Freshman Squad took prizes. Try to get to the game Friday and watch those Varsity girls too... they're a good sight to see.

Because of all of this rain you've been noticing, the football field has been a non-go for the marching band. They'll probably have to perform from the end zones, according to the director, Marion Sanderson. But if you like band music, you'll take it all in good stride.

Don't forget to buy yourself and your friends the big BAKE SALE and ICE CREAM SOCIAL on Friday night at Ada Elementary. Stop in on your way to the football game.

If you are not attending the game you can still take yourself out for a treat. There will be plenty of purchases you could make to give your freezer a smile.

School's in for parents next Tuesday night. If you would like to follow your child's schedule through a mini-sized day, the high school Open House is the time to do it. Then, after the last bell, there'll be refreshments back in the multi-purpose building. Don't take the kids... this is for parents only.

Evangeline De Pew has been speaking at a great many retreats lately. She seems to have about one a week. One was an all-day retreat at Byron Center at the Bonell House and another was at the Episcopal camp on Lake Michigan at the Seymour Church Reformed Church. She likes to start the new year with talks entitled "God's Power Through Youth" and "Tomorrow and Youth." Her audiences contain a large number of young people and she feels that she makes an impact with these subjects.

After a short summer recess, 57 people sat down to a bountiful repast in the Fellowship Hall of the Congregational Church last Saturday evening.

Among the guests were Mr. and Mrs. Paul Zolliker, of Rochester, Mich., who furnished the entertainment—beautiful slides, with descriptive dialogue of Luxembourg, Germany, Austria and Switzerland taken on a recent 21-day trip with their three daughters.

Enroute, from the U.S. to Luxembourg City, the plane landed just once, in Iceland, where they were surprised to see green grass on the landing field instead of snow. The plane soared over England without even dipping a wing.

A life-time dream was realized when they visited a number of elderly relatives in Switzerland, and a house, still in perfect repair, built by Paul's great-grandfather, his name, carved on two huge beams, was clearly legible even in the pictures.

The area visited is known as the castle area of Europe. Many of the slides showed castles close up or on a mountain top in the background.

They saw many farmers cutting hay on steep hillsides, swinging scythes where it would be too much for a son Swiss walk. Most of the hayfields looked more like flower fields.

# Mistakes Costly In League Opener

BY KIT SMITH

Lowell High School's Red Arrows will be looking for their first conference win this Friday night when they meet Coopersville at Recreation Park at 7:30 p.m.

"We need to win this one Friday night if we are going to stay in contention," said head coach Al Rowe after Lowell's 24-6 defeat at the hands of Greenville last week.

"We gave our own game away with eight mistakes," said Rowe. These eight mistakes were in the form of four lost fumbles and four intercepted passes. "We have just got to quit making these mistakes on offense," Rowe added.

The defense played another strong game, but we just can't seem to get the offense rolling," said Rowe.

The loss left the Red Arrows with an 0-1 record in the Tri-River Conference and a 1-1 record overall.

Lowell found itself down quickly Friday night in the first period when Greenville clicked on a 40-yard off tackle play that went for the distance and the first score of the game. The extra points followed and the score was 8-0.

The Red Arrows came right back in the second quarter. After a consistent running attack brought the ball down to the Greenville five, the Yellowjackets tightened up and kept Lowell for the next three plays. On fourth down quarterback Denny DeWitt kept the ball himself on an end sweep from the three to make it 8-6 with 10:10 remaining in the first half. DeWitt's pass to Mark Billock for the extra points fell short.

With only three minutes remaining in the half Lowell recovered a wild pitchout from quarterback Paul Jorgensen at the Greenville 37.

However Lowell was forced to punt after the offense could not move the ball.

Early in the third quarter Greenville was moving the ball well when sophomore Bernie Hardin picked off a Jorgensen pass at Lowell's 45 and ran it back to the Greenville 25.

DeWitt and running back Pete Olson combined on two running plays to pick up a first down at the 15, but this was as far as they got as the Yellowjacket line once again shut the door.

Lowell only crossed the 50-yard line once more. This drive was terminated when DeWitt threw off target and his pass was intercepted at the Lowell 11. After a 5-yard penalty moved the ball to the six it looked as if Greenville had their backs to the wall. It took only two plays to prove different, the first a 22-yard off tackle play and the second the same play that was good for 72 yards and the touchdown. The extra points were good to make it 16-6 and put the game out of reach.

Greenville's last score came with only 1:24 left in the game. Another Lowell pass was intercepted and returned 40 yards. Jorgensen's pass for the two points made it 24-6.

## LHS Runners Rack Up Wins in First Outings

The Lowell cross-country team has begun the 1970 season with two impressive dual meet victories.

It was Lowell over Portland in a non-league match, 19-40. Lowell swept the first three places, with Mike Oberlin leading the way with a time of 13:21 over the two-and-a-half mile course at Fallsburg Park. He was followed across the finish line by Blake Johnson with a time of 13:49 and Jim Perkins with a time of 14:04.

In the first conference meet of the year, the Red Arrows edged Greenville by a score of 28-29 on Belding's hilly Wabasis Park course. An all-out team effort made the difference between victory and defeat.

Despite the first place finish of Greenville's Steve Bullard, Lowell took the next three places, led by Oberlin. Junior Ron Anderson ran the best race of his high school career, finishing third with a time of 15:25. Jim Perkins passed two Greenville runners in the last thirty yards to capture fourth place and insure the victory for Lowell. Despite an injury to his back during the race, Blake Johnson was able to finish the race and stay in front of Greenville's fourth and fifth men.

Lowell's next dual meet is against a strong Coopersville team Tuesday at Cedar Springs' Long Lake course.

# 1971. Buick introduces a new set of values.

Value, not gimmicks or ornamentation, sells cars. More people have been coming to Buick each year for just that reason. Buick concentrates on value. And this year, Buick introduces a new set of values. Features that will help make your new Buick perform better,

last longer and get you more of a return on your investment at trade-in time. Only a Buick dealer can offer you our new set of values. So, test your values against our new ones. Then ask yourself this simple question. Wouldn't you really rather have a Buick?

**Something to believe in.**

**1971 Buick Riviera.** A totally new design concept. And that's not all. Riviera offers MaxTrac, an exclusive power control system you can order with its own on-board computer. It helps you get securely over slick surfaces by reducing rear-wheel slipping. The new body features side-guard beams for protection, a bigger trunk, and a driver cockpit with a control center designed around the driver for new ease and convenience.

**1971 Buick Electra 225.** A new interpretation of quiet elegance. We've improved our Electra everywhere you look. There's more room in every direction, interiors that can be appreciated as much for their durability as for their beauty and comfort, even a new balanced braking system. A unique valve proportions braking force front to rear to help give you quick, smooth straight-line stops.

**1971 Buick Centurion.** This is our newest Buick, a city car with sleekness and grace as well as muscle. It features more nimble variable-ratio power steering, power front disc brakes, Full-Plo ventilation, and a vinyl roof on the Centurion Formal Coupe as standard equipment.

**1971 Buick Skylark Custom.** This is the car that has set the pace for value in its price class. Rocker panels that wash and dry themselves, big-Buick room and comfort inside, a cooling system that should never overheat, inner fenders that protect the outer fenders, and a modest price have put our Buick Skylark traditionally among the resale leaders in its class.

**1971 Buick LeSabre.** An incredible new offering of Buick value. The LeSabre, like the Riviera, Electra and Centurion, features AccuDrive, a new version of the directional stability system we pioneered. It will help give you smooth handling.

**An Important Improvement.** Every new Buick engine is now designed to run smoothly and efficiently, and with lower exhaust emissions, on no-load and low-load gasolines. And every Buick V-8 engine will have exclusive nickel-plated exhaust valves for smoother operation and longer valve life, and a new time-modulated choke to help give quicker warm-up and a more consistent fuel mixture.

## Rangers Make Unsuccessful Bid to Stop Rockford

For the second week the Forest Hills football team found itself stymied following a single touchdown. Lack of a big play to hold the opposition found the final score adding up to a loss to Rockford of 17-13.

A polished Rams team recovered two fumbles and made three interceptions, breaking the back of the Rangers offensive team. Junior half-back Bernie Hunting of the Orangemen scored three touchdowns. The only bright spot for the Green and White, according to the coaching staff, was the hard running of Scott Vashaw who also scored one touchdown.

Another touchdown came late in the fourth quarter by Forest Hills junior halfback Terry Dosenberry, pushing over from the five-yard line. As the final whistle sounded, the Rangers team was on the three-yard line again making an effort to build the score with one last T.D.

The Green and White team is faced this Friday with an undefeated East Grand Rapids team on the Forest Hills home grounds.

## Forest Hills JV's Battle Rockford to a 0-0 Tie

The Forest Hills Junior Varsity football team played a tough Rockford squad on a muddy field. Neither team let up in the struggle, but the final score belied the efforts with a 0-0 tie. A well seasoned East Grand Rapids team will be the Rangers' next opponents in an away game. New offensive plays will be tried by the Green and White.

## Lowell Freshmen Drop Opener

Lowell's freshman football team went down to defeat to Greenville last Thursday, 22-8. The end of the second quarter saw Lowell in the lead 8-6, but two long runs in the third quarter sealed the win for Greenville.

Lowell's lone touchdown came on a 16-yard pass from Robert Chapman to Rusty Steffens. Chapman ran the extra point in. Lowell will play at Coopersville today (October 1). The game time is 5 p.m.

## New Ticket Booth, Fencing Ready for FH Home Opener

A new four-window ticket booth and special fencing will aid in crowd control at varsity football games this year according to Edward Shy, athletic director of Forest Hills High School.

Shy warned that patrons should plan to leave home in ample time to be seated at the 7:30 p.m. kick-off for the East Grand Rapids game on Friday night to be held on the Rangers' field.

A new booth with more selling windows will be in operation and is expected to expedite people through the gates more rapidly.

However, Shy said, "Traffic problems on Hall Street are beyond the control of the school. People who wait until the last minute may get caught in bumper to bumper traffic."

Ticket gates will be open at 6:45 p.m. and Shy guaranteed that those who arrive on campus by 7:15 will have no problem being seated by kick-off time.

Shy said that the Board of Education has installed new fencing along the curbs from goal post to goal post to help keep spectators off the track and playing field area. His office has hired six uniformed officers to control the crowd.

Shy issued a plea to all parents to help control small children. He indicated that many children are unsupervised by parents at games. They cause problems, he said, because of their mobility and lack of interest in the game. Also, the field is not equipped with rest-rooms at the present time.

The increasing number of mechanized bikes racing on the roads and in parking lots on game nights are definite safety and noise hazards, Shy stated. Consequently, he has instructed the police force to compel motor bike operators to park their bikes or leave the campus area.

Shy announced that ticket prices for the games would remain the same. These are standard prices established for all O-K league schools. Adult tickets will cost \$1.25. For ticket purchase purposes, Shy defined an adult as anyone who is not now at attending high school.

Student tickets for grades seven through twelve will also be \$1.25 when purchased at the gate. All junior and senior high students have the opportunity to buy tickets on the day of the game for 50 cents at their respective schools. Elementary school students may buy tickets at the gate for fifty cents. There is no advance sale in those schools.

## Kentree Horse Show Scheduled for Sunday

The 20th annual Kentree School of Horsemanship Children's Horse Show will be held October 4 at the Kentree Riding Club, 4961 Michigan NE, Ada.

There will be competition in 19 classes, with trophies to be awarded for horsemanship over the hurdles and on the flat (The Flanagan Memorial Trophy), equitation in the open (Karen Sue Beneman Perpetual Trophy) and the Bond Annual Improvement Trophy.

Officials will include Mary Ann Cowan of Ada as chairman, James W. Muir of Grand Rapids as announcer and secretary, Mr. and Mrs. B. A. Hathaway of Forest Hills, tickets and Mrs. VanderDulfer of Rochester, Michigan as judge. The days program will begin at 9 a.m.

## Rangers to Meet EGR in Cross Country Meet

The Forest Hills cross country team hopes to be up for its next contest which will be against West Ottawa (today, October 1).

Following an upset by East Grand Rapids with a final score of 50-5, the Rangers, who will be without the services of Dirk Van Westreinen for the next few weeks, have been practicing away from the football field because of its muddy condition.

**SEEK TO FORM ATHLETIC ASSOCIATION**  
A group of interested parents, attempting to begin a community-wide athletic association in the Farnell area, will hold an organizational meeting on Thursday, October 8, at the Tri-County Conservation Club on Dunn Avenue.

The new association is to be known as the C. Loyall Malone Athletic Association in honor of the late Mr. Malone's sincere and active support of the Little League teams during the past few years. Activities of the group, limited heretofore to the Little League, are scheduled to include something of interest for each member of the family.

All interested parties are urged to attend the meeting which will begin at 7:30 p.m. The nomination and election of a date of temporary officers will be held.

## Junior Livestock Show Deadline is October 17

Michigan farm youth have until Saturday, October 17, to make steer, swine and lamb entries in the Detroit Junior Livestock and Horse Show to be held November 6, 7 and 8 at the Michigan State Fairgrounds.

New show weight minimums for market animals have been set for this year's 41st annual show. They are: steers 900 pounds, market hogs 200 pounds, and sheep 90 pounds.

Closing date for horse show entries is October 30. Last year was the first time that horse classes were included for juniors.

Again this year, exhibitors will be offered supervised heated housing on the grounds but they must bring their own bedding. Accommodations for approximately 200 will be assigned on a first come, first served basis.

Youths, ages 10 through 18, may enter animals in the show. The public is invited to the three-day program, including the horse shows, free of charge.

Entry forms and further information on the show are available from County Extension Agents, Vocational Agriculture Instructors and Robert McLellan, Michigan State Fair, Detroit 48203.

**SNOW AREA** Mrs. S. P. Reynolds

Rev. Marion DeVinney will be present at Snow United Methodist Church on Sunday, October 4, at 10 a.m. to lead in the Sacrament of Holy Communion.

Mrs. Dorothy Lowery of Zeeland, spent the weekend with Mr. and Mrs. Richard Doezema.

Mr. and Mrs. Wesley Shaffer and Mrs. Harry Shaler of Lowell spent Sunday afternoon with Mr. and Mrs. Robert Shaler. David Blanding came home from Osteopathic Hospital Monday, after spending two weeks there.

Mr. and Mrs. Clark Hoxie of North Lowell spent Saturday evening with Mr. and Mrs. Lester Antonides.

Mr. and Mrs. Robert Shaler attended the wedding Saturday evening of Miss Rita Hulst and Thomas VanderMolen at Faith Lutheran Church in Grand Rapids.

Miss Lois Meyers of Lowell and Miss Christie Blanding have visited the British Isles and are now touring Europe. They will visit Mrs. John Dawson in Bamberg, Germany.

Mrs. Bessie Dennett of Cascade and Mrs. Alice Reynolds were dinner guests of Mrs. Ann Emmelander and Mrs. Lucy Emmelander in Grand Rapids.

Mrs. Alice Reynolds visited Thursday with Mr. and Mrs. Leon Slater of South Miami, Fla. at the home of his sister, Mrs. Charles Dennett of Cascade. They were enroute to Washington, D. C. and then on their way home.

Services at Snow United Methodist Church will start next Sunday at 10 a.m. and continue so through the winter months.

ANNUAL REPORT Forest Hills Public Schools

ANNUAL REPORT

The following materials are published to better acquaint the public of the general condition of the Forest Hills Public School District.

Four thousand two hundred sixty (4,260) children enrolled in the schools during the first week. This was sixty less than expected. Late registrations will bring this number to about four thousand three hundred (4,300). The indication at this time is that junior and senior high school registrations are as expected with the elementary growth less than in previous years.

During the past year a new storage building for use by the entire school district was constructed on the present high school site. The junior high school addition was begun last spring and is near completion. All of the high school rooms have been closed to the halls and an intercommunication system has been installed.

One of the most important decisions made during the year was that of disbarring the proposal dual school complex at the present high school site and planning a second high school at a separate location. This decision was reached after many work sessions with key teachers and a university consultant, followed by board and staff visitations of schools of various sizes throughout the state. The main reasons for this change were:

- 1. Students in large schools lose identity as individuals.
2. Extending the present campus would mean greater exposure of students and staff.
3. Many district residents are located too far from the present high school for their children to participate in their after school activities economically.

The voters of the district approved a 1 mill operating tax this May. The Board of Education has spread 14 mills of this tax on the 1970 valuation. It had been planned earlier in the summer that less than 13.5 mills would be used, but the Supreme Court decision concerning fire supplies and books necessitates \$50,000.00 of extra revenues.

The following is a general report of the financial activity during the past year in the Forest Hills School District.

BEHIND THE COUNTER

CHARLES WESTON

Course for warts runs from the nose, around to the somewhat disgusting, it has been said. Your dermatologist would need to rub them with fresh lard with milkweed juice, or with a granobopper's "soakoo spit." Tom Sawyer believed that warts would be cured by burying a dead cat at midnight in a place where someone will be buried.

Warts have been considered almost supernatural in the way they come and go, but they are simply viral infections of the skin's outermost layer. They are not cured by contact with toads, but apparently can be affected by mist suggestion.

Warts most often occur on the hands, fingers, toes or on the feet, the groin, and on the face and scalp. Treatment today depends on the location, size and number. Warts of warts.

One method is "cutting," by which the warts are dried up by sealing off the blood supply and nerve endings. An electric in this process, which seldom leaves a scar. Sometimes warts must be cut off, or an acid solution may be used to destroy them. Corn plasters may be used to the warts so that they can be scraped off.

Some doctors have hypothesized warty patients successfully, and suggestion therapy is widely used. Dr. E. V. Ross, an embryologist of Memphis, sometimes paints children's warts with a harmless ointment that glows under ultraviolet light. This "magic" convinces the children that the warts will disappear—and they do.

Letters to the Editor

Dear Editor:

In your recent editorial (which was so important you put it on the front page) you made certain remarks regarding the unfair justice of the Lowell Police.

You did not however state whether they pertain to certain police officers, the department, or any reasons whatsoever.

In this age when youth are so full of problems, I feel everyone should be informed so that they could correct the conditions.

I feel you owe the people a full explanation of your editorial. I urge everyone to give the police full support until such time and place that reason dictates we shouldn't.

Hoping to see your full explanation soon. I remain,

Dorothy Flier
