Serving Lowell, Ada, Cascade and Eastern Kent County

VOL. 77 NO. 28

THURSDAY, OCTOBER 22, 1970

NEWSSTAND PRICE 10 cents

VOL. 16 NO. 28

Between now and the November 3 election, your delicate eyes and ears will be bombarded incessantly as those with particular interests seek to win you over to their side in the controversial parochial proposal.

It will appear as Proposal C on the ballot and deserves mention once again so that you can intelligently weigh the decision you make at the polls.

The choice, as we see it, is to approve passage of the proposal, which in turn would set up machinery for a change in the state constitution, or to reject it, which then throws everything right back into the collective laps of our esteemed legislators in Lansing.

We doubt seriously that, in this election year, enough good common sense has been used by the chosen delegates to the state legislature.

That's why the whole matter has been thrown at you, the voter.

In all likelihood, the ones who will suffer most are students in all categories... public school and private school systems.

What this matter of parochialism, more than anything else, is a blue ribbon committee of non-biased people who can sit, deliberate and come up with a workable plan.

Once this is done, and the election is out of the way, calmer heads than have been evident in Lansing to this point in time should take over the committee's findings and act in a manner befitting the office.

The entire matter of parochialism has been hidden behind a cloud of steam generated by state leaders bent on saving their own political necks.

We can only hope that the voters throw these guys out of office, bag and baggage, so that the most ultimate good can come from tax monies used for education.

It might also hold true that others in Lansing would follow the lead and come up more quickly with future means of providing sufficient funds for education without sapping the wallets of every working man and woman in the state.

Failing this, perhaps a formula should be sought to take the matter of financing education entirely out of the hands of our trusted servants.

Now there's an idea . . . . .

When one has spent a portion of his years on the campus at Ann Arbor and, subsequently, a few leisurely moments in the largest college-owned football stadium in the country, it's inevitable that he might have a word or two of praise for those who wear the Maize and Blue.

It is much more relishing, of course, when one is able to still hold his head high after the annual M-MSU confrontation.

The Smithy recalls all too well those bleak days of recent times when a host of acquaintances, including No. 1 son Bruce, sang the praises of their darling Spartans as they rode the crest of national fame on the gridiron.

It may be too early to say that Michigan has a "juggernaut."

But you've got to admit that those of us from the Athens of the West are entitled to a small measure of breast-thumping.

So . . . Go Blue!

So as not to embarrass the young man, we will delete names in that which follows.

Seems that this teen-ager had barely received his credentials to become a licensed member of the great Michigan motoring fraternity and he desired, as is natural, to show off his driving ability.

So he borrowed older brother's car and took off for an afternoon spin.

Wouldn't you just know it . . . less than an hour later the car was being towed to the repair shop, the result of a head-on crash with a stubborn tree that refused to give up the right-of-way.

Tch, tch, tch.

## Liquor Sale Proposal on Nov. 3 Ballot

In addition to voting for national, state and local officials . . . plus three state proposals . . . Lowell Township electors also will be asked on November 3 to determine the fate of a special local proposal.

The ballot will include a proposal calling for a "yes" or "no" vote on the matter of permitting the sale of liquor by the glass in the township.

The sale of beer and wine only is now permitted in the township.

## Hold Auction to Purchase New Furnace

Donations of new merchandise will be on the auction block at the Ada Christian School at 1 p.m. this Saturday.

Here is an opportunity to pick up just about anything from a pony to antiques, from trees to automobiles, from furniture to vet bollen, at most unusual prices. Some almost-new contributions to the auction have been promised by over two hundred area families with everything guaranteed to be in workable condition.

The auction will be the third in a series of events to be held on the same day by the men and women of the school district. Proceeds will go toward the purchase of a new furnace for the school.

In the morning a rummage sale beginning at 9 a.m. will be held. Following the sale, luncheon will be available. The menu includes, homemade pea soup, hot dogs, barbeques, homemade apple pie and fat balls. The latter may be purchased to take home as well as other baked goods. Coffee will be available throughout the day as will popcorn and candy for children.

In case of rain all events will be held indoors. Chairmen for the day include: rummage sale, Gert Papp luncheon and baked goods sale, Marthene Mulder; and auction, John Ver Sluis.

## '71 Licenses Go on Sale November 15

Michigan vehicle owners do not have to show their vehicle titles when they buy their 1971 license plates if they have a prepared application from the Secretary of State's office.

Plates for commercial vehicles and trailers of all types went on sale at all branch offices of the Secretary of State October 1. Passenger and motorcycle plate sales begin November 15.

According to Secretary of State James M. Hare, all the needed information has already been printed on the prepared application by computers. They are being mailed to owners of commercial and trailer vehicles and will be sent to most other vehicle owners by Nov. 15.

Hare reminded early plate buying commercial and trailer vehicle owners that they needed prepared application OR title, proof of liability insurance, and money for the plates as well as \$1.00 fee for the Motor Vehicle Accident Claims Fund. As in the previous few years, persons not having insurance have to pay \$35.

Hare said the number of prepared applications for commercial and trailer vehicles has risen considerably over last year.

Prepared applications for commercial and trailer vehicles will top the 1.1-million mark, with the number of trailer applications rising dramatically more than 90,000 over those mailed out in 1970. Some 35,000 more commercial applications are being mailed this year also, Hare noted.

## Seek \$1,000 for UNICEF in Cascade

A goal of \$1,000 has been set by young people of the Cascade area for a two-day collection drive for UNICEF.

The main collection will be held this Saturday, October 24, from 9 a.m. to 9 p.m. by members of Cascade Christian Church and St. Michael's Episcopal Church.

On Monday evening, Boy Scouts will conduct a drive for monies for the United Nations Children's Fund from 7 to 8:30 p.m.

In the event of bad weather either or both nights, collections will be rescheduled to a more suitable time prior to Halloween.

## Disc Artists Featured at Homecoming

The "Rock Garden," Grand Rapids recording artists, will play for the Homecoming Dance Friday, following the Lowell-Sparta football game.

The dance will be held at the Runciman School all-purpose room. Tickets will be available at the door. All alumni are welcomed to dance until 11:45 p.m.

The "Rock Garden," who are under contract with Capitol Records, have just released their current smash hit, the "Winds of South Chicago." Former hits were "Johnny's Music Machine," and "Five O'clock Traffic."

Preceding the dance, floats will be on display at Richard's Park, starting at 6:30 Friday. Lowell takes on the first-place Spartans and the 1970 Homecoming Queen will be crowned during halftime.

## Good News-Taxes Dip in City

In this day and age of escalated taxes, there's good news for residents of the City of Lowell.

City Manager Blaine Bacon, following approval of the council, announced that taxpayers would realize an overall saving of \$3,000 by waiver of the customary one percent collection fee on 1970 winter taxes.

It is estimated that taxes on property within the city will be almost \$300,000.

In addition, Bacon notes, city taxpayers will pay at the rate of \$1.40 less per \$1,000 assessed value due to a lessening of millage rates by the schools and county.

The local school millage is down 1.2 mills to 27.4 and the county (intermediate district) school tax has dropped .7 mills to 1.45. The county tax, with completion of airport bond millage, has dropped from 5.93 to 5.80.

Bacon points out that the decrease applies only to property located within the city.

He cites a year-long building boom in the city as a major reason for the change in the assessment rate.

The city, for four straight years, has levied 12 mills for city taxes. The permissible maximum, by state law, is 20 mills.

IT'S THAT TIME AGAIN — One of the pleasures (or chores, as the case may be) of fall is raking leaves. Staff Photographer Kevin Smith snapped Karen Gabriel and Gail Dawson (left) after recent weather sent leaves tumbling to the ground.

## Outline Plan to Announce School Closings

Accurate and timely information on school closings in Michigan caused by adverse winter weather or other emergency is the objective of a system being implemented by several agencies, the State Police have announced.

Participants in the planning for the system include public, private and parochial schools, the Michigan Department of Education, police agencies, radio and television stations, the Environmental Science Services Administration (ESSA), the Michigan Law Enforcement Information Network (LEIN) and the State Police.

Participation by school districts is voluntary. Some may choose to continue procedures followed in past years.

Those who do elect to participate will notify a selected LEIN station (police) of the operational status of their schools (open, closed, etc.).

The LEIN station will transmit the information to the network headquarters at the State Police in East Lansing.

There it will be validated, then relayed through the State Police operations office over the ESSA network to radio and TV stations.

The radio and TV stations will then broadcast the information on the schools in their area several times between 6 and 8 a.m.

To expedite the collection and the processing of school status information, a code system will be used as a security measure by participants for identifying school districts and the various classes of operational status. The code will not be publicly used.

## Hosts 'Goblins'

Ada Township firemen will once again host their annual cider-and-donut party for Ada-area youngsters on Halloween, October 31.

The affair will be held starting at 6:30 p.m. at the Ada Township Hall.

## Eye \$3.5-Million Complex for Cascade

BY SHIRLEY DYGERT

The possibility of a \$3.5-million dollar motel-hotel complex in Cascade Township was under consideration by the Planning Commission today following a special meeting Monday evening.

An informal request by F. G. Budnick of Tempo Company for rezoning of property on the west side of Kraft Avenue between 28th Street and Burton Street was discussed. No action will be taken until a regular meeting of the commission. However, a poll of the membership resulted in a favorable nod with minor reservations.

Drawings of the proposed plans will be on display for viewing by those interested in the property. Public hearings are scheduled in the future.

The plans, presented under the name of Oak Park of Cascade, include a 160-unit motel, a 500-unit banquet area, a restaurant to seat 150, and a cocktail lounge with space for 170. In addition there is to be a

pool, a tennis court, a putting green, parking area and offices.

The motel will be a part of the Sheraton chain. Except for possible retail outlets, this part of the property under consideration is zoned transient and satisfactory for present building without change in zoning.

The need for rezoning on another 20 acres on the north to D-1 for the possible construction of middle to high income con-

## MSU Honoree

Beverly A. Roth of 10719 Vergennes, Lowell, is among 593 students from Michigan who achieved a position on the Michigan State University honors list for the recent summer term.

A senior, she is majoring in home economics.

To be eligible, a student must attain a grade average of at least 3.5 (B plus) for the term.

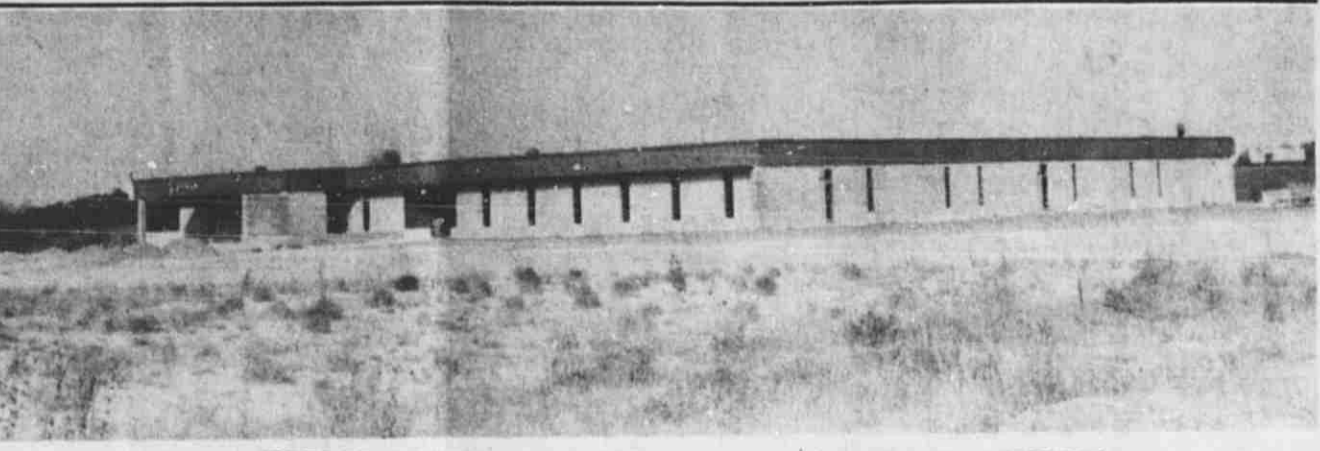

dominums units is also under consideration by the commission. A recreation center, streets, and a wide buffer zone to the north have been planned for the 240-unit area.

All buildings will be built of pre-cast concrete and other non-combustible materials. A semi-Tudor style is expected to coordinate buildings with greenbelt areas surrounding the property.

A feasibility study by Tempo indicates that an expansion of another 160 units in the motel area would be economically desirable.

Budnick has retained Millard Moore of Moore and Bruggink, Engineers and Mark De Vries, landscape architect.

Should all of the property under consideration be rezoned to D-1, the Cascade Township Planning Commission would be able to supervise each building to be constructed. It would be a general development zone which allows for motels, offices, and multiple dwellings.

EXTERIOR VIEW OF UNION BANK'S DATA PROCESSING CENTER IN CASCADE

## Union's Data Center Opens Doors

The latest addition to Cascade Township's growing "family" of office and manufacturing facilities has opened its doors.

A million dollar facility, the new building houses Union Bank's data processing center and is located at 6333 28th Street, west of Cascade.

Only finishing touches are needed to fully complete the center, according to Craig Pitcher, a member of the bank's operations department.

Erected on ten acres, the building is in

excess of 39,000 square feet. The operation will employ over 150, all dealing with the programming for the bank's daily records. In addition, the purchasing department will be housed in the new structure.

The building will house computers and was designed so that it can be doubled in size in the future. Presently the landscaping plans call for underground sprinklers, lawns, and trees. Pitcher said that it might be possible that sometime the grounds would be made available as a recreational

site for employees.

The employees' parking lot will be well lighted, fenced, and guarded. The data processing center was built by Wolverine Building Products which is located just across 28th Street.

A unique feature of the operation will be the handling of material from the Union Bank's data processing center in Petoskey. Information will be sent each day to the new center where it will be recorded and returned.

## Adoption of Codes Is Hailed

Adoption of two codes and recommended updating of two others has brought the City of Lowell toward the end of a long . . . and sometimes-controversial . . . trail en route to recognized planning and inspection procedures.

The city council Monday night adopted, by reference, the national electrical code and the state plumbing code.

The special codes committee, consisting of Fire Chief Frank Baker, Councilmen Carlen Anderson and Herbert Reynolds, Dave Clark, Jr., Clark Fletcher and City Manager Blaine Bacon, also recommended adoption of the BOCA housing code and the American Insurance Association's fire prevention code.

The latter were referred to the city planning commission.

Several years ago, in its first effort to bring the city in line with universal codes, approved adoption of the BOCA building code.

"The new ordinances will have a bearing on all future construction in the city," said the city manager, "and will greatly assist in efforts to secure various grants not available prior to adoption of the codes."

The council also approved transfer of 146½ acres located near Smyrna in Keene Township to Michael Thomas of Middleville for a price of \$20,000. Included with the property is the hydro-electric plant formerly used to generate electricity for Lowell Light and Power.

Sale of the property had been requested by the Light and Power board.

In other action, council authorized expenditure of not more than \$1,000 to help underwrite a feasibility study, in conjunction with the state waterways commission, for a boat launching ramp and parking area on city-owned land on the Grand River.

Agreed to contract for engineering studies of the same project, which would call for a 10 percent contribution by the city and the balance by the Department of Natural Resources if finally approved; and

Forwarded to the planning commission a request that the right-of-way for Amity Street north of Suffolk, which is platted but not in use, be vacated. The request was made by Kenneth W. Anderson, whose property is affected.

## Ford Opposes Proposal 'C' on Nov. 3

U. S. Representative Gerald R. Ford of Grand Rapids has declared his outright opposition to Proposal "C" on the November 3 ballot in Michigan.

Ford said that in response to inquiries he was making public his position as expressed in letters sent recently to Ivan Zylstra, administrator of government relations, National Union of Christian Schools, and Msgr. H. H. Zervas, superintendent of the Grand Rapids diocesan schools.

Ford wrote Msgr. Zervas and Mr. Zylstra as follows:

"I agree that Proposal C should not be made a part of our State Constitution. There are too many unanswered questions relating to its provision to have it written into our basic law. Although this is a state issue and not one before the Congress, I, as a citizen of Michigan, will vote 'no' on Proposal C on November 3."

## Candidates Tour City On Friday

Two candidates for state and national offices will team up for a "Meet The Public" tour of Lowell business places Friday afternoon between 1 and 4.

Running on the Democratic ticket in the November 3 general election, they are Jean McKee, who is seeking the Fifth District congressional seat, and Robert Fahey, a candidate to the Michigan House of Representatives from the 89th District.

## 5.5-Million Drivers Now

There are 5.5-million licensed drivers in Michigan, a 5.3 percent increase over a two-year period.

Statistics released by Secretary of State James M. Hare of a study of drivers indicate that as of May 1, 1970, there were 5.5-million valid licenses in the automated files of the Michigan Department of State.

Records of drivers in the central files numbered 5,724,945.

The number of male drivers is increasing faster than the distaff side.

Election Notice

TO THE QUALIFIED ELECTORS OF Lowell Township COUNTY OF KENT NOTICE

General State Election

will be held in the Lowell Township Hall within said Township on Tuesday, November 3, 1970

For the purpose of electing the following officers:

- Governor and Lieutenant Governor, Secretary of State, Attorney General, U. S. Senator, Representative in Congress from this district, Senator and Representative in the State Legislature, Two members of the State Board of Education, Two regents of the University of Michigan, Two trustees of Michigan State University, Two governors of Wayne State University, Two Justices of Supreme Court, Judge of Court of Appeals, Judge of Circuit Court, Judge of Probate Court, County County Commissioner, Supervisor, Clerk, Treasurer, Trustee, Constable

and to vote on the following propositions:

- A. PROPOSAL TO AUTHORIZE BONDS FOR LOW INCOME HOUSING
B. PROPOSAL TO CHANGE THE MINIMUM VOTING AGE TO 18 YEARS
C. PROPOSED CONSTITUTIONAL AMENDMENT TO PROHIBIT PUBLIC AID TO NON-PUBLIC SCHOOLS AND STUDENTS

AND Lowell Township Proposal No. 1: "Shall the Sale of Spirits, in addition to Beer and Wine, be permitted for consumption on the premises within the Township of Lowell under the provisions of the law governing same?"

Notice Relative to Opening and Closing of the Polls Election Law, Act 116, P. A. 1954

Section 720. On the day of any election the polls shall be opened at 7 o'clock in the forenoon, and shall be continuously open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

THE POLLS of said election will be open at 7 o'clock A.M. and will remain open until 8 o'clock P.M. of said day of election.

Carol Wells, Township Clerk

New County Road Marking Designed to Aid Motorists

Michigan residents and tourists soon will benefit from a new, standardized county primary road marking system. Adoption of the improved route numbering plan has been announced by Earl F. Rogers, engineer-director of the County Road Association of Michigan, following months of study.

New County Road Route Numbering System Adopted

The basic plan provides for dividing the state into eight zones lettered from A to H. These zones are determined by major state and federal trunklines which form dividers. Within each zone, two-digit numbers will designate continuous routes although each may cross several counties. In some cases, the route number may extend through one or more zones although the letter designation may change.

The numbering system will employ even numbers for East-West roads and odd numbers for North-South roads. Lower numbers, such as 01 and 02, etc., will start at the East or South boundaries and progressively increase to the 90 and 91 levels toward the West and North within each zone.

Thus, a traveler seeking to find A-28 could quickly determine that his destination is in the southwestern Michigan area and that his route is an East-West road in the central part of that zone.

Development of the comprehensive route numbering plan puts Michigan counties in a leadership role. Several other states such as Wisconsin, Illinois, Iowa, and California have experimented with somewhat similar programs.

While engineering departments from Michigan's 83 county road commissions now have approved the new marking system, Rogers estimated it will require several years to make the plan completely effective. No estimates are available yet on the cost of re-signing the entire primary system but it is expected to be sufficiently costly that many counties will be obliged to tackle the problem gradually, spreading the cost and the physical job of replacement over a period of several years.

Michigan ranks third nationally in the number of scientists and engineers employed in private industry, the Michigan Department of Commerce (MDC) reported recently.

The MDC said there are 74,000 scientists and engineers employed in private industry in Michigan, according to a survey made by the U. S. Department of Labor and National Science Foundation.

California, with 124,000, ranked first followed by New York with 105,000. Ohio ranked fourth followed by Illinois, Pennsylvania, Texas, New Jersey, Massachusetts and Connecticut.

The survey showed that 26,700 of Michigan's scientists and engineers were engaged in research and development activities. Of the total number of private industry engineers and scientists in Michigan, 66,700 are engineers and 7,300 are scientists.

Conference Report

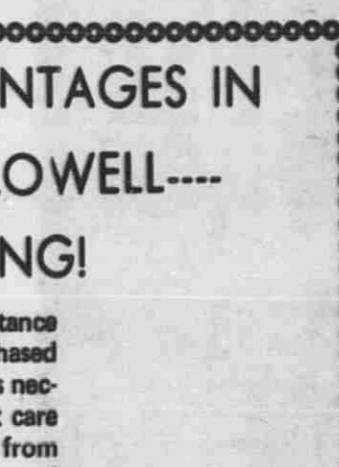

The Women's Society of Christian Service of the First United Methodist Church of Lowell will host a presentation on the National Conference on Family Life from the church's delegates who attended the recent four-day conference in Chicago.

Set Examination Date for H.S. Scholarships

High school seniors who want to compete for state scholarships or tuition grants that will be awarded next year must register for the annual examination prior to October 26, Acting Superintendent of Public Instruction Dr. John W. Porter has announced.

Registration is possible at every high school in the state. The examination will be given on Saturday, November 14, 1970.

More than 40,000 Michigan high school seniors are expected to take the examination.

"Participation in this examination is the first step in the process of selecting state scholarship recipients," Porter said. "In addition, it is the necessary first step for those high school seniors who wish to receive Tuition Grants for attendance at Michigan's private colleges and universities."

"State Scholarships are awarded on the basis of need, may be in amounts up to \$800 per year and may be used at any of the 90 approved Michigan institutions of higher learning," Porter said. "Tuition Grants may be used only at approved private colleges or universities - that is, non-state supported institutions - but amounts are the same."

This year's competitive scholarship examination will be administered at about 200 test centers throughout the state. During the current academic year, more than 15,000 Michigan students will be receiving a total of \$7.6 million, he said. The number of new scholarships awarded in any given year is dependent upon the amount of money appropriated for the purpose, he noted.

Election Notice TO THE QUALIFIED ELECTORS OF THE CITY OF LOWELL COUNTY OF KENT Notice

is hereby given that a General State Election will be held in the City of Lowell, County of Kent, and State of Michigan on Tuesday, November 3, 1970

From 7 o'clock in the forenoon until 8 o'clock in the afternoon, Eastern Standard Time, for the purpose of electing the following officers:

- Governor and Lieutenant Governor, Secretary of State, Attorney General, U. S. Senator, Representative in Congress from this district, Senator and Representative in the State Legislature, Two members of the State Board of Education, Two regents of the University of Michigan, Two trustees of Michigan State University, Two governors of Wayne State University, Two Justices of Supreme Court, Judge of Court of Appeals, Judge of Circuit Court, Judge of Probate Court, County and to vote on the following proposition: A. PROPOSAL TO AUTHORIZE BONDS FOR LOW INCOME HOUSING B. PROPOSAL TO CHANGE THE MINIMUM VOTING AGE TO 18 YEARS C. PROPOSED CONSTITUTIONAL AMENDMENT TO PROHIBIT PUBLIC AID TO NON-PUBLIC SCHOOLS AND STUDENTS

Absent Voter Ballots may be applied for during regular office hours and on Saturday, October 31, 1970, between the hours of 8 a.m. and 2 p.m.

Mrs. James Watkins points out different techniques in landscape painting to Scott Blanchard and Connie Karkalik, fourth grade students in Mrs. Goff's room at Cascade Elementary.

MD Benefit Scheduled for October 24

Looking for a bargain? Want to get rid of a white elephant? Both opportunities are open for Kent County residents interested in aiding the Muscular Dystrophy Auction.

An auction conducted by Al VanderLaan for the benefit of the MD clinic at Blodgett Hospital will be held on October 24 beginning at 11 a.m. and running until all items are sold. It will be at Knollcrest Field House on the Calvin College campus. The proceeds will be used to purchase wheel chairs, braces, transfer lifts, and other items.

The auction chairman are both local residents, Pat McClellan and Buck Mathews are looking for your help in donating items that might be sold. They have been given such large gifts as a mini bike and such small ones as painted china.

Pick up your items that can be made by calling 676-9213 in the evenings. Furniture, antiques, dishes, knick-knacks and paintings are among the dozens of things they could sell. But no clothes or food will be needed.

Other members of the board are Dick Zainea, president; Jim Clay, vice president; Percy De Kam; Martha Simmons; Ron Mossel, Chris Hempel; Harm Deemer; Harm Landemulder; Esther Compton; Cynthia Heth; and Cliff Chamberlain.

Area Farmers Harvest 9,500 Acres of Oats

Kent County farmers harvested 9,500 acres of Oats for grain in 1969, according to Phil Doctor of the Michigan Crop Reporting Service. Production amounted to 485,000 bushels, an average of 51.1 bushels per acre. This compares to the 1968 crop of 593,000 bushels from 11,000 acres.

Kent is one of the larger oat producing counties in Southwest Michigan.

Michigan sportsmen must have a small game hunting license when hunting anywhere in the state except on their own enclosed farmlands where they live. Those who work and live on enclosed farmlands of another may also hunt on these lands without a license.

# Air Pollution Danger to Youngsters, Too

Dirty air, like war, is not healthy for children and other living things. Researchers have clearly established the relationship between air pollution and increased death rates, particularly among men aged 50 to 59 who have a lung disease. But new evidence shows that pollution also has damaging effects on the very young. One of the few long-term studies of the effects of pollution on children's health is being conducted in conjunction with the State University of New York at Buffalo. The study shows that the number of children hospitalized for asthma attacks jump sharply as air pollution levels rise. The jump is particularly high among boys under five years old.

An even more striking increase was found for eczema among young boys when pollution levels rise. In fact, both these conditions often developed in the same child. About 50 percent of the cases of eczema among infants have some form of respiratory allergy in later life, the researchers reported.

During October, people of all ages will be encouraged to participate in Clean Air Week. Call or write your local tuberculosis and respiratory disease association.

## LOANS HELP HOUSING

Michigan has just approved a record year of homebuilding and home improvement through credit services of the Farmers Home Administration.

State director Alfred O. LaPorte, said that \$21,458,335 was channeled into the state through 1,575 loans for better town and country housing during the fiscal year ended June 30. Loans the previous year totaled 775 for \$8,604,520.

## Last Week's Items

The program for the week has been a Round Robin Missionary Cooperative series with meetings for the weekend started Friday evening with speaker, the Rev. Emmet Cox, general secretary of Missions and Saturday evening Miss Floy Mulyk, a teacher in Bumpo, Sierra Leone, West Africa, where our own missionary Miss Bethel Mote is now. For Sunday morning Mrs. Iona Wood, general secretary of W.M.A. Missionary Emmanuel, is the speaker and Rev. Harold Wust, associate secretary of Missions for the concluding service for the Missionary Week here at the United Brethren Church.

Rev. George Speas of Lake Odessa was guest speaker last Sunday morning and gave a very challenging message and also led the Singing Program for the evening service.

Rev. Lee R. Palmer and family were away on a few days' vacation last week.

Leila and Gove Hooper of Saranac spent Wednesday at the home of their cousin, Mrs. Ethel Blank.

Miss Kris Stahl gave a fine rendition of a Solo on her cornet last Sunday for a Special.

We were sorry that Mrs. Hove Sargent, the roving reporter for several papers, had the misfortune last Friday to fall from her front door steps and has a double fracture of the thigh. She was taken to St. Lawrence Hospital in Lansing. Her home was in Clarkville. Her room number is 345. Perhaps she would appreciate some greeting and get well cards. She also is a member of the Alto Garden Club and Hope Church of the Brethren.

Mr. and Mrs. Loren Gray and Mr. and Mrs. Charles Flowers, Mrs. Dean Geiger, with many others from Logan, also attended the Laymen's W.M.C. at a banquet at Kalamazoo Saturday.

Mr. and Mrs. Jack Brake and daughter, Jennifer of Saginaw, spent the weekend here with their parents. The John E. Brake's and the Huron Healsy and were greeted at Church Sunday.

Mr. and Mrs. Donald Stahl and girls, the Armitth Stahl's and the Dean Geigers and the David Caswell attended the football game at Lakewood Friday night, also Dorlan Eldred and son, Dennis.

Mrs. Charles Flowers came Monday evening and took her grandmother, Mrs. Blank, to the home of her daughter, Mrs. Dalton Stahl in Clarkville, and all enjoyed a pizza supper at the home of Mr. and Mrs. Charles Flowers and girls. Bill Yoder of Bowne was also a guest.

Mrs. Helen Erb of Freeport spent Thursday with her mother, Mrs. Bert Blank, and did a lot of chores around the home for the winter, which we know is on the way.

Mrs. Erna Neek, one of our oldest residents and long-time neighbor, passed away Wednesday evening at the home of her son, Floyd, after a long illness. She was 93 years of age. The funeral was Saturday afternoon at the Fickens Funeral Home in Clarkville.

Mrs. Josiah Berkeley nee (Martha Blough) who had been a long-time and native resident in this vicinity many years and at Lowell for several years, passed away at her daughter's home in Grand Rapids Wednesday. They were very well known here by older residents and had many nephews and nieces here. She was 93 years of age.

## CBA Members View Interesting Film

A special film, "Please Don't Tell My Wife," was presented to members of the "Cascade Businessmen's Association by Kenn Helzer, who was introduced by Russ Brown.

The program, part of a series prepared by Bob Martin, was a story depicting the advantages of personal aviation for business and pleasure. Helzer explained that there are over 145 small aircraft based at the Kent County Airport and that many owners live in Cascade Township.

Other special guests at the luncheon included Jerry Gilmore and Jim Crosby. The meeting which was attended by over thirty area men, was conducted by Dr. Robert Paine in the absence of Mike Keenes, President.

On November 14, a dinner-dance will be held by the organization under the chairmanship of Dr. Gene Cohen. Cocktails will be served at 7:30 p.m., with dinner and dancing following at 9 p.m. The party is to be held at Howard Johnson's East.

Mr. and Mrs. Bill Smart and family of Marcellus were weekend guests at the Harold Seese home. Mr. and Mrs. Schondelmyer of Middleville were Friday supper guests at the Harold Seese home.

Mrs. Ken Meyers and daughters of Freeport were Saturday supper guests at the Carl Fox home.

Mr. and Mrs. John Holcomb were Wednesday callers at the Carl Kautman home.

Mr. and Mrs. Walter Kowalczyk of South Bowne were Thursday supper guests at the George Krebs home.

Mr. and Mrs. Clair Kautman and daughters, Lois and Janis, attended the Sullivan-Wingier wedding at St. Mary's Church at Lowell Saturday morning, also the dinner and reception at the Adian Terrace, Grand Rapids, which followed after the ceremony.

Mr. and Mrs. Lloyd Miller attended the Miller Family Reunion Sunday at the home of Mr. and Mrs. Ovid Miller at Marcellus Lake.

Mrs. Alex Wingier was a Saturday guest of Mr. and Mrs. Howard Bigler at Middleville.

Mrs. Dee Bryant of Bowne was a Friday afternoon visitor at Ira Blough's. Mrs. Alex Wingier was also a caller.

Mr. and Mrs. Terry Zimmerman of Norton, Ill., Mr. and Mrs. Larry Wingier of Kalamazoo, Mrs. Stan Wingier of Saginaw were weekend guests of their parents, Mr. and Mrs. David Wingier and Bruce. On Saturday they all attended the Sullivan-Wingier wedding at St. Mary's Church at Lowell, also the dinner and reception which followed.

Mr. Leo Bryant called at Ira Blough's Tuesday evening. Sunday callers were Mr. and Mrs. Robert Blough of Hastings, Mrs. Joy Blough of Freeport, Mr. and Mrs. Stephen Miller of Clarkville, Mrs. Ray Seese and Mr. John Krebs.

Mr. and Mrs. Carl Fox and family were Sunday dinner guests of the Kenneth Krebs at Freeport.

Mr. and Mrs. Clair Kautman called on Mr. and Mrs. Ira Blough Monday afternoon.

## MICHIGAN GROWTH TOPS AREA

Michigan's population increased at a faster rate than the rest of the nation during the 1960's, the only state in the Great Lakes area to do so, the Michigan Department of Commerce reports.

Michigan's population increased by 12.2 percent, provisional census figures show, followed by Wisconsin, 10.5; Minnesota, 10.4; Indiana, 10.3; Ohio, 8.9; Ohio, 8.6, and Pennsylvania, 3.

STATE OF MICHIGAN  
IN THE CIRCUIT COURT FOR THE COUNTY OF KENT

IN RE: THE MATTER OF ESTABLISHING THE NORMAL LEVEL OF WABASIS LAKE

NO. 10099  
ORDER TO PUBLISH NOTICE AND SERVICE

At a session of said Court held at the Hall of Justice in the City of Grand Rapids, Michigan, this 25th day of September, 1970.

Present: Honorable Roman J. Snow, Circuit Judge

Frank Bourne, Drain Commissioner of Kent County, having filed his Complaint against the Court to determine the normal level of Wabasis Lake pursuant to the provisions of Act 145 of the Public Acts of 1961, and the Court being fully advised in the premises.

NOW, THEREFORE, on motion of George R. Cook, attorney for the petitioner,

IT IS ORDERED AND ADJUDGED THAT FRIDAY, the 11th day of DECEMBER, 1970, at 11:00 O'clock A.M. be and the same is hereby assigned as the date on which this Court shall hear proofs and allegations of all parties interested and shall consider and review the description of lands within the special assessment district and upon which day the Court shall determine the level of Wabasis Lake, to be established and maintained.

AND IT IS FURTHER ORDERED AND ADJUDGED that a copy of this Order be published in the Lowell Ledger on each week for eight (8) successive weeks prior to the 11th day of December, 1970.

AND IT IS FURTHER ORDERED AND ADJUDGED that copies of this Order shall be served by certified mail at least three (3) weeks prior to the 11th day of DECEMBER, 1970, to each person whose name appears on the latest Township Tax Assessment Rolls as owners of lands within the special assessment district at the address shown on the roll and upon the Michigan State Conservation Department.

AND IT IS FURTHER ORDERED AND ADJUDGED that the Kent County Drain Commissioner make available for inspection to all interested parties all engineering surveys and data heretofore compiled by him at his office in the County Building, in the City of Grand Rapids, Kent County, Michigan.

# All About Lowell

BY CECILE CRONINGER 897-8597

## ART REFERENCE LIBRARY

A brochure of TIME-LIFE BOOKS, in this week's mail, advertised The Collector's Encyclopedia of Painting, a set of 20 books covering all phases of Paintings of the Great Masters. The price, \$2.95 per book—too much for me.

At just about the same time I learned about a new service at the Grand Rapids Art Museum, on Fulton Street, opposite the Masonic Temple.

I learned from Miss Laura M. Ripley, president of the Library Guild, a group of volunteer aides, that the library has been in service for two years but not open to the public until last April.

This library, for reference use only, is comprised of 1,000 volumes: encyclopedias and more specific titles on sculpture, ceramics, architecture, stained-glass windows, graphic arts, etc. The books cannot be taken out because there is only one of each title.

Students, above elementary grade and other adults are invited to visit Thursday through Friday, hours: 10 a.m. to 4:30 p.m. An attendant is on duty to help locate the subjects desired.

Representing the Royal Arch Masons, of Lowell, at the Grand Chapter in Battle Creek, Friday and Saturday, were: Claude Rivette, Gordon Johnson, Harvey McClure and William Hurd.

Social News  
Mr. and Mrs. Perry Crow of Grand Rapids, Mr. and Mrs. Warren Beardsley, with sons, Glenn and Scott and Mrs. Clarence Parks, of Orleans, enjoyed coffee with the Roger Adams family, 791 Flat River Drive, Sunday afternoon.

The bearded family remained for Sunday evening lunch that featured home-smoked salmon caught by a neighbor. Earlier this year, Mr. Almas caught a 36-inch salmon, at or near Cronin Dam that weighed 24 pounds.

DO YOU NEED TO GO SHOPPING? I DO.  
One of these days I must go shopping. I am completely out of self respect; I want to exchange some self righteousness. I picked up the other day for some humility, which they say is less expensive and wears much better.

I want to look at some tolerance, which is being used for wraps this season. Someone showed me some pretty samples of peace... we are all a little low on that... and one can never have too much of it.

And by the way, I must try to match some patience my neighbor wears. It is very becoming on her, and I think it might look good on me.

I might try that little garment of long suffering they are displaying. I never thought I wanted to wear it, but I feel myself coming to it.

Also, I must not forget to have my sense of appreciation rendered. And look around for some inexpensive, everyday goodness. It is surprising how quickly one's stock of goodness is depleted.

Family Firsts  
Mr. and Mrs. Gordon Johnson and daughter, Mrs. Walter Shaffer, spent the weekend with the former's son and wife, Mr. and Mrs. Wayne Dawson, who live near the State line of Southfield, Ind. While there, they visited Mrs. Johnson's four grandchildren, whom she had not seen for some time, and their families, including three babies she had never seen. They all lived within a radius of 30 miles. Nearly all the relatives were new to Mrs. Shaffer.

On the way to Indiana, the ladies stopped at Gordon's sister's home in Wayland, but no one there. So they drove on to Kalamazoo to the home of Mrs. J's brother, Francis Tucker, just in time for lunch, another first for Mrs. Shaffer.

# Forest Hills Hi-Lites

BY SHIRLEY DYGERT 676-3721

Whether you wish to make a whole day of it or just spend part of Saturday at Ada Christian School, you should find one of the three events planned to your liking and profit.

First in the morning, the well-known annual rummage sale will be held with contributions from over two hundred families. The buys at this affair are great.

The aroma of homemade pies and hot rolls will permeate the air all day as the ladies prepare for the luncheon to be served beginning at 11:30 a.m. You can make purchases to take home or eat on the spot. The Dutch market for those famous fat balls that sell by the dozens every year.

Following luncheon there will be a new attraction this year. An auction of new and almost-new merchandise should be well-attended. Some unusual items have already been donated and EVERYTHING HAS TO GO. This will begin at 1 p.m. Take the children; there will be popcorn and candy available.

Jeanne Bradley is one of those creative people who can take a square of leather and within twenty minutes engineer it into a jacket.

In like manner costumes for "Alice in Wonderland" have grown from nothing to something special under the magic fingers of Maria Jaffar. Try to see them at the presentation by the Cascade-Thornapple PTO on Tuesday, October 27, at the F.H.I. all-purpose room. Tickets can be reserved by calling Shirley Winwasi at 949-0160.

Ruth Meyers does a fantastic job with a bit of paper mache. She turned out masks and radishes for both "Alice" and Rapanzel and the Witch.

Joining the cast of "Rapanzel" as lighting director is Millie Gaskell. The effects she produces during the witch's spells are flashing combinations of reds, greens, and purples.

Also traveling with the "Rapanzel" group is Connie Le Vand who is in charge of props and scenery. Her job is not insignificant as a garden wall and stone tower must be moved and little details such as tin cups with witch's brew have to be in the proper places at the right times.

The thrill of the year came to Jean Maloney last week as she bowled in the St. Robert's league. Usually a 124-average bowler, she took the style with six strikes in a row and ended with a score of 247!

Gary Ellingwood surprised his friends by letting to Monaco where he was literally "royalty" entertained by the Prince and Princess. What others didn't realize was that his family had long been acquainted with Princess Grace. Afterward, it was back to the old books at Northwestern Michigan in Traverse City. He says he was also offered a part in a film in Rome, but that point is under debate by his roommates.

What can I do in the war against pollution? Men and women can save billions... not millions... billions of pounds of trash by simply cutting off both ends of the tin cans and crushing the sides of them to make a flat paper disc. As you say, but the weight of the can will remain the same. The weight-saving comes from the fact that trash must be dumped in a qualified area where dirt must lie over it every night. If the cans were flat, that dirt would not have to fill in every empty hole, thus much less yard work would be needed in the trash hills. Tell your neighbors, spread the word. Everybody has been letting George do it... now you can help, too.

Members of the Forest Hills Athletic Boosters Club are putting on a door-to-door drive to sell a Calendar of Events. They will be calling in several areas with the handy folders that list school activities, holidays, meeting times and places, and dates of school vacations. The calendars have large squares with plenty of space for writing in other important information. Included are dates of PTA meetings and school board meetings. Monies from the project will go to the furtherance of the athletic program at the high school.

Officers to be installed are as follows: Worthy Matron, Verna Rogers; Worthy Patron, Dewayne Richard; Associate Matron, Esther DeRushia; Associate Patron, William Wood; Secretary, Doris Boyd; Treasurer, Lydia Johnson; Conductress, Eileen Richards; Associate Conductress, Marlene Jackson; Chaplain, Clarice Boehm; Martha, Anna M. White; Organist, Nancy Wood; Ada, Carla Miller; Ruth, Olive Ethelbus; Esther, Euphemia Paulson; Martha, Doris Nelson; Electa, Alice Ryder; Warden, Peg Ryder; Sentinel, Edward Boyd; and American Flag Bearer, Edna Marshall.

Orval Jessup will serve as installing officer. Other members of the installation staff are Bertha Jessup, installing marshals; Margaret Martin, installing chaplain; Evelyn Wittenbach, installing organist; and Winifred Onan, guest soloist.

## Rockford Will Host Women's Club Meeting

The Kent County Federation of Women's Clubs will hold their fall meeting at the First Congregational Church, Rockford on Wednesday, October 28. Representatives from nine Women's Clubs in the county will be guests of the Rockford Monday club.

Registration will begin at 9:30 a.m., followed by a brief coffee hour.

Programs have been assigned as follows: Caledonia, Communications; Casanova, Fine Arts; Cedar Springs, Conservation; Grand Rapids, Education; Kent City, Public Affairs and Social Welfare; Lowell, Michigan History; Rockford, Home Life; Saranac Lake, Civic Affairs and Gardens; Sparta, International Affairs.

Reservations are due by Friday, October 23, and may be made with Mrs. Harold K. Wood, 5302 Ten Mile Road, Rockford 49341, VO 6-0422.

## Art Talks Initiated at FH

Sixty-five speakers have been trained to conduct art talks in Kent County to elementary school children. A program under the direction of Mrs. Dwight Ewing, 7237 Thornapple River Drive, and sponsored by the Art Museum Education Committee, has been introduced by the Forest Hills school system whereby students will receive instruction at various grade levels in recognizing fundamentals of art forms.

## Ada Student Honored

Elizabeth J. Hayes, 7499 Sheffield Drive, SE, Ada, a junior at Miami (O) University, was one of forty young women tapped into SPER, a junior women's service organization based upon scholarship, personality, enthusiasm, and responsibility.

Miss Hayes, who is majoring in chemistry in the College of Arts and Science at Miami, received the honor at an annual award ceremony designed to honor student and faculty women.

Mr. and Mrs. Robert Krebs and son Matt of Alto, Miss Sally Lewis and Miss Lorene Lewis of Big Rapids, Mr. and Mrs. Russ Swanson and Jeffery were Sunday supper guests at the George Krebs' home.

Sunday dinner guests at the Francis Shaffer home were Mr. and Mrs. Edwyn McCool of Clarkville. Afternoon callers were Mrs. Lenore Mapes, Mrs. Dorothy Mapes, Mrs. Hilma Anderson and Mrs. Bernice Stanfield of Grand Rapids.

Mr. and Mrs. Darwin Thompson and family of Clarkville, Mr. and Mrs. Armitth Stahl were Friday supper and evening guests at the Lloyd Miller home.

Mr. and Mrs. Ray Seese of Freeport, Mr. and Mrs. Ivan K. Blough of Lowell, Mrs. Alex Wingier and Mrs. Freida Roth of Clarkville were last week callers at Ira Blough's.

Mr. and Mrs. David Wingier, and Mr. and Mrs. Russ Swanson were among those that called on John Krebs at Blodgett Hospital last week.

Mr. and Mrs. Lloyd Miller attended the Home Builder's S.S. Class Hay Ride Saturday evening.

Mr. and Mrs. Ira Blough were Sunday dinner guests at the Ivan K. Blough home at Lowell.

# Parents Announce Wedding Plans

MARGARET MARY ABRAHAM

Mr. and Mrs. John H. Abraham of Ada announced the engagement of their daughter, Margaret Mary (Peggy), to George Patrick Mooney.

Mr. Mooney is the son of Mr. and Mrs. Patrick Mooney of Grand Rapids.

The bride-elect is a graduate of Lowell High School. A spring wedding is planned.

Mr. and Mrs. Leon B. Miller of Lowell announced the engagement of their daughter, Patricia L. Miller, to Gary C. Smith, son of Mr. and Mrs. Clayton Smith, also of Lowell.

A November wedding is planned.

# Arrows Bid for Title Share Against Sparta

And now comes the "big" one! That's the story for Coach Al Rowe and his contending Lowell High School football team on the eve of their most important game in several years.

The Red Arrows will try to stake out at least a share of the Tri-River Conference championship when they tangle with long-leading Sparta in the annual Homecoming Game at Recreation Park Friday. Kickoff is scheduled for 7:30 p.m.

Rowe's Raiders reached the climatic game with an easy 28-6 win over Cedar Springs while Sparta sent Greenville spinning to its only conference loss to date, 22-14.

Lowell's only loss in a 3-1-1 record was to Greenville. In addition to bidding for the title, Lowell will be seeking to assure its first winning record under Rowe's tutelage.

Hard-working Pete Olson emerged as the standout in the contest of Cedar Springs, rushing 281 yards in 27 carries for a brilliant 10.4 yards per try. He accounted for more than half of Lowell's 422 yards rushing that included 18 first downs via the overland route.

Olson scored two touchdowns and a pair of two-point conversions to go with a TD "double" by Quarterback Denny DeWitt.

Cedar failed to dent Lowell's goal line until late in the final

quarter when Rowe elected to flood the field with reserves. Mike Stoner carried over from four yards out to ruin the shut-out attempt.

Olson's first touchdown got Lowell started on the road to victory as he smashed off tackle from the six and ran the extra points to make it 8-0.

A 45-yard gallop by Olson, his longest of the night, set up Rowe's initial foray into scoring territory as Lowell rushed to a 14-0 lead in the second quarter on a three-play drive that was good for 60 yards. DeWitt carried in from the Cedar 11 on a keeper, but Olson's extra point bid failed.

A recovered fumble set the stage for a second quick touchdown in the final period after DeWitt repeated his earlier effort with a seven-yard gallop to make it 20-0. Olson converted the twin EP.

The Cedar boogie was snared by Dave Yetter on the opponent's 31. A 23-yard run by Olson, followed by a penalty, took the ball to the four and Olson crashed over on the next play to make it 28-0 with time running out.

Equally impressive as Olson's personal contribution was the fact that Lowell amassed 68 plays from scrimmage to only 46 for Cedar Springs.

TRI-RIVER CONFERENCE			OK-RED DIVISION		
Team	W	L	Team	W	L
Sparta	3	0	Kentwood	3	0
Lowell	2	1	West Ottawa	3	1
Greenville	2	1	Rockford	2	1
Coopersville	2	1	Grandville	2	1
Belding	0	3	E. Grand Rapids	2	2
Cedar Springs	0	3	Godwin	0	3
			FOREST HILLS	0	4

OCTOBER 16 RESULTS

Lowell 28, Cedar Springs 6	Kentwood 36, E. Grand Rapids 14
Grandville 14, Forest Hills 6	West Ottawa 28, Godwin 13
Sparta 27, Greenville 14	Rockford 43, Cen. Christian 14
Coopersville 20, Belding 12	Caledonia 22, Hamilton 12

## 'Spoiler' Role Possible for Rangers

Week continued to mount for Coach Frank Rosengren and his winless Forest Hills High football team as the season passed the halfway mark.

The Rangers learned they will be without the services of defensive ace John Price for the balance of the campaign due to an injury sustained in a 14-6 defeat at the hands of Grandville in the OK-Red Division last Friday.

Forest Hills will seek to snap its losing ways with a victory at Godwin Heights Friday night. Kickoff is set for 7:30.

It was a case of too little, too late for the Rangers in their fifth successive defeat and the subsequent injury to Price did nothing to add to chances for victory.

Forest Hills was bidding to overtake an 8-6 deficit in the fourth quarter when Price suffered an ankle injury. Grandville exploited the situation by running over Price's line-backing spot as Dave Way ripped 25 yards for the insurance tally.

Mark Anderson had given the Rangers hope for a homecoming triumph by carrying in from the Grandville one-yard line to cap an 80-yard drive that required 15 plays and ate up much of the clock in the third period.

The attempt for a two-point conversion failed when Craig Wynant was trapped trying to sweep end.

Grandville dominated play through much of the first half and appeared to be off to an easy win by marching 68 yards with the opening kickoff to post an 8-0 lead.

Making his initial start for the Bulldogs at quarterback, Tom TenBrink carried in from the Rangers' three-yard line on the 11th play of the contest.

While Forest Hills is now out of the title chase in the powerful OK-Red Division, Rosengren can point his gridders toward the assignment as "spoilers" in the championship picture.

That opportunity comes a week hence on October 30 when they host Kentwood in the first of two remaining home games on the calendar.

Members of armed forces on active duty and officially stationed in Michigan may buy a resident hunting license regardless of how long they have been stationed in this state. This also applies to members of the armed forces officially stationed outside the state who were residents of Michigan when they entered the service.

## Arrows Frosh Breeze

The Lowell High Freshman football team combined running and passing with a stingy defense to defeat Cedar Springs, 32-6.

The Red Arrow Frosh piled up 345 yards in total offense while allowing only 108 yards to their opponents.

Offensive standouts were Bob Chapman with two touchdowns, one on a 50-yard TD and a 45-yard run, Jeff Pierce with two TDs and one pass for a touchdown.

Defensively, Ken Kropf led in tackles and had one interception. The halftime score was 20-0 allowing Lowell to play the substitutes for most of the second half. Lowell travels to Sparta on Thursday for a 5 p.m. game.

Minors must have their parents or guardians apply for their hunting licenses in Michigan. This requirement covers youths 12-16 years old in the case of small game licenses, and youngsters 14-16 years old who are seeking deer and bear licenses. These young hunters, when hunting on lands other than those where they live, must be accompanied by someone over 17; someone designated by their parents or guardians. Youngsters under 12 may not buy hunting licenses.

B. PROPOSAL TO CHANGE THE MINIMUM VOTING AGE TO 18 YEARS

C. PROPOSED CONSTITUTIONAL AMENDMENT TO PROHIBIT PUBLIC AID TO NON-PUBLIC SCHOOLS AND STUDENTS

Notice Relative to Opening and Closing of the Polls  
Election Law, Act 116, P. A. 1954

Section 720. On the day of any election the polls shall be opened at 7 o'clock in the forenoon, and shall be continuously open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

THE POLLS of said election will be open at 7 o'clock A.M. and will remain open until 8 o'clock p.m., of said day of election.

Mimer L. Cook,  
Township Clerk

## Sports

### Lowell HS Harriers Remain Undefeated

Lowell High School's cross country team extended its winning streak to four straight last week with victories over Cedar Springs and Sparta.

In the meet with Cedar Springs at Coopersville's course, the Red Arrows won with a perfect score of 15-50, capturing 9 of the top 10 places. Mike Oberlin took first place honors with a time of 11:00 over the two-mile course. Close behind Oberlin were Blake Johnson, Ron Anderson and Jim Perkins. Taking fifth, sixth and seventh were Jeff Brower, Randy Jones and Jerry Batterbee while Steve Graham and Dan Pierce finished ninth and tenth, respectively.

Lowell's Harriers moved into a tie for first place with Coopersville with a 26-29 victory over defending league champion Sparta at Greenville's course. Despite a record-setting first place time by Sparta's Steve Okkonen, Lowell's depth was too much for the Spartans. Following Okkonen across the finish line were Lowell's Oberlin and Anderson in second and third with Perkins and Johnson taking fifth and sixth which assured the win for the Red Arrows.

This week Lowell traveled to Sparta for a re-run with Coopersville which should decide the conference championship. On Wednesday Lowell plays host to the Tri-River at Fallsburg Park with a meet against Belding. The Red Arrows conclude their duel meet schedule on Friday, meeting Forest Hills at Fallsburg.

Lowell's Harriers moved into a tie for first place with Coopersville with a 26-29 victory over defending league champion Sparta at Greenville's course. ## In The "Spotlight"

When it came to being "shot" by a Department of Natural Resources photographer, this replacement ring-necked pheasant picture-perfect. However, when the real shooting starts on the October 20 opener of southern Michigan's pheasant season, he and his colorful counterparts will burst into psychedelic blazes if hunters and their dogs get too close for comfort. Judging from last summer's brood count survey, that thrilling moment of truth between hunters and their flushed targets will be repeated as often this season as it was in 1969. Last season, an estimated 423,000 ringnecks were taken in the state's southern farmlands. Pheasant hunting prospects for 1970 shape up substantially better than last year in St. Clair, Leawee, Macomb, Van Buren, and Washtenaw counties, reports the DNR. The birds have also shown some gains in Allegan, Calhoun, Clinton, Eaton, and Livingston counties. Their numbers appear to have held up as well as a year ago in Ottawa County, the state's top producer of pheasants. Elsewhere, generally, pheasants are not as plentiful, and harder hunting will be in order. —Michigan Department of Natural Resources.

## Set Series of Talks on Careers in Health

A series of talks regarding careers in the health field will be sponsored by Blodgett Memorial Hospital through the fall and early winter. They will be open to high school girls in grades 10, 11 and 12.

At Forest Hills High School, Mrs. Ed Shy will hold a pre-series meeting on Tuesday (October 13) at 2:30 p.m. for girls interested in attending the talks. She has asked that students sign in the guidance office in advance for permission to attend.

The purpose of the series is to inform girls of the requirements, responsibilities, and rewards of the health fields associated with hospitals.

Those who attend three or more meetings will be offered an opportunity next fall to observe and participate in the care of children on a volunteer basis. Working with the nursing team permits the volunteer to observe the actions of many of the other members of the hospital health team.

The first meeting will be held at the hospital on October 22 from 7:30 p.m. to 9:00 p.m. in the auditorium. It will be an orientation meeting with registration, welcome and briefing as well as a film horizon unlimited. The speakers will be Mr. Stout of the Personnel Department and Mrs. Buer, R.N.

Other dates include November 5, November 19, December 3, December 17 and February 4. Subjects will include nursing programs; medical technology; field of x-ray; physical and occupational therapy; and a panel discussion on other fields in health. This last will have a doctor, pharmacist, dentist, social worker and dietitian. Others appearing at talks will be Miss Scott, R.N., Assistant Director of BMH; Miss Schois, M.T. (A.S.C.P.); Dr. Gunn, radiologist; Mr. Smart, P.T.R.; Miss Harwood, O.T.R.; and Mr. Branson of the personnel department.

## CUB SCOUTS

The Bobcat ceremony was conducted by awards chairman Edward Stormzand for six new boys entering Cub Scouts in Pack 3188. At the recent pack meeting at the First United Methodist Church, the following boys received Bobcat pins: Todd Bryan, Jeff Stormzand, Mark Homolka, Jeff White, George Fonger, and Lindsay Fonger.

Cub serving as Denners for the month were introduced: Billy Wittenbach, David Cadwallader, and Troy Miller. John Lashby, Den Chief for Den 4, and Mrs. Richard Bryan, assistant Den Mother of Den 2, were presented. The den displays were on the theme of "Den Doodles" with Ivan Graham's Webelos Den displaying their Citizenship Notebooks and providing refreshments.

The next Pack Meeting is set for Thursday, November 19, at 7:30 p.m. Boys and their parents interested in joining Cub Scouts should be present.

One of a kind Western Michigan University is the only institution in Michigan to offer a degree in Printing Management.

Another is proper use of electrical equipment. Safety consultants say that most equipment is safe when installed but becomes a fire hazard when misused or not properly maintained.

Michigan residents are becoming more aware of the importance of fire prevention in their homes, but many of these same people fail to recognize the threat that fire poses to their job security.

Hundreds of jobs go up in smoke each year when industrial fires destroy factories and cause injuries and large losses in equipment and materials, safety consultants of the Michigan Department of Labor point out.

However, there are a number of things job holders can do to further fire prevention. Two things that are readily accessible are to observe "No Smoking" regulations and place trash in approved receptacles.

Another is proper use of electrical equipment. Safety consultants say that most equipment is safe when installed but becomes a fire hazard when misused or not properly maintained.

## The Award-Winning Team at JACKSON MOTOR SALES

# JACKSON

Extends It's Most SINCERE THANKS To The People Of LOWELL-ADA-FOREST HILLS

And All The Surrounding Communities For Making Possible Our 14th ANNIVERSARY And Twelfth 'Distinguished Dealer' Award

Again this year, on our 14th Anniversary, we are sincerely happy to thank our many customers and friends for their patronage, these past 14 years. ## Discuss Mutual Problem

Increasingly complex procedures for acquiring right-of-way for highways got an airing at a meeting of federal experts and right-of-way officials from five Midwest states.

Michigan's Department of State Highways hosted the conference at Boyne Falls. The state highway departments of Illinois, Indiana, Kentucky and Wisconsin also were represented with the state, regional and Washington, D. C., offices of the Federal Highway Administration (FHWA).

Sessions covered such areas as relocation payments and advisory assistance to individuals and business displaced by highway construction, new appraisal procedures and requirements and operational aids.

## Ada Congregators Sponsor Travelogues

The first in a series of six interesting travel and adventure programs will be held this Saturday evening at 8 p.m. in the multi-purpose building at Forest Hills High School.

The series once again is sponsored by the Congregators of the First Congregational Church of Ada.

"Ireland - Land of Legend" leads off the series and will be narrated by Robert E. O'Reilly.

The color film is a film record of a 3,000-mile adventure through the by-ways and streets of Ireland and features visits to Blarney Castle, Rock of Cahel, Killarney, Tipperary, Dublin, Galway Bay and other familiar-sounding places.

Season tickets are offered in advance at reduced prices or may be purchased at the door. The general chairmen are Mr. and Mrs. Ron Collins (676-2631).

## State Opens Newest Freeway Rest Area

Michigan's 60th freeway rest area is open to highway travelers.

The 10-acre rest area on northbound US-23 south of Flint has sanitary facilities, heat, light and drinking water. A wooded section adjacent to the rest area building is equipped with 25 picnic tables and outdoor cooking facilities.

Freeway rest areas operated by the Department of State Highways are constructed and maintained to provide relaxation for motorists on more than 1,500 miles of state and interstate freeways in Michigan. The remainder of Michigan's 9,000 miles of state highways is served by 100 roadside parks and more than 1,000 picnic table sites.

## Election Notice

TO THE QUALIFIED ELECTORS OF

Grattan Township  
COUNTY OF KENT

## NOTICE

is hereby given that a

## General State Election

will be held in the

Grattan Township Hall

within said Township on

Tuesday,

November 3, 1970

For the purpose of electing the following officers:

Governor and Lieutenant Governor,  
Secretary of State,  
Attorney General,  
U. S. Senator,  
Representative in Congress from this district,

Senator and Representative in the State Legislature,

Two members of the State Board of Education,

Two regents of the University of Michigan

Two trustees of Michigan State University,  
Two governors of Wayne State University,  
Two Justices of Supreme Court,  
Judge of Court of Appeals,  
Judge of Circuit Court  
Judge of Probate Court, County

County Commissioner

Supervisor  
Clerk  
Treasurer  
Trustee

and to vote on the following propositions:

- PROPOSAL TO AUTHORIZE BONDS FOR LOW INCOME HOUSING
- PROPOSAL TO CHANGE THE MINIMUM VOTING AGE TO 18 YEARS
- PROPOSED CONSTITUTIONAL AMENDMENT TO PROHIBIT PUBLIC AID TO NON-PUBLIC SCHOOLS AND STUDENTS

### Notice Relative to Opening and Closing of the Polls

Election Law, Act 116, P. A. 1954

Section 720. On the day of any election the polls shall be opened at 7 o'clock in the forenoon, and shall be continuously open until 8 o'clock in the afternoon and no longer. Every qualified elector present and in line at the polls at the hour prescribed for the closing thereof shall be allowed to vote.

THE POLLS of said election will be open at 7 o'clock A.M. and will remain open until 8 o'clock p.m. of said day of election.

James A. Byrne,  
Township Clerk

BAZAAR-BOUND - A few of the articles to be sold at the Harvest Bazaar at Mayflower Congregational Church are displayed by Mrs. Grant Lorch (left), Mrs. Robert Collins and Mrs. Lawrence Butler. The event is scheduled October 28.

## Harvest Theme Set for Church Bazaar

Harvest decorations at the door will introduce the bazaar to be held at Mayflower Church on Robinson Road. Each booth will be enhanced with antique relics to add to the charm of the event.

Booths offering Christmas items, art objects, apparel, homemade baked goods, fresh fruit and cheeses will be among those operating on Wednesday, October 18, from 9:30 a.m. until 3:30 p.m.

A handmade quilt will be offered for silent auction along with other items of special interest to collectors.

A children's nursery will be provided. A refreshment center will serve coffee, sandwiches and cookies.

More than one third of American wives are in the paid labor force, according to the latest census study, compared with about one fifth back in 1952.

## Old Kent to Sponsor Dress-A-Doll Contest

The prize contest which provided beautifully-dressed Christmas gift dolls for many of the less fortunate children of our community last year will again be sponsored this year by Old Kent Bank.

The name of the contest is Dress-A-Doll, and the bank will award individual prizes in six doll-design categories for the best-dressed dolls in the contest. In addition, there will be a grand prize awarded.

Anyone who wishes to help provide a special Christmas gift for a deserving child in Grand Rapids may enter the contest by stopping at the ground floor lobby of Old Kent's Main Office at One Vandenberg Center starting this Thursday. They can pick up a free doll to design and sew a costume for at that time.

These dolls, furnished by the bank, stand 18 inches tall and come dressed in shoes, stockings and underclothing. Contestants finish dressing the doll in their choice of costumes, in any one of six categories. The contest categories are: fancy dress, sensible dress, nationality costume, character costume, knit and crocheted, and a special category for youngsters under 15 years-of-age.

When the costume is completed, the dolls are returned to Old Kent Bank for prize judging and display. All the dressed dolls will be on display in the bank lobby for two to three weeks prior to distribution. Shortly before Christmas, they will be turned over to the Santa Claus girls and local orphanages as Christmas gifts for children of our area who might otherwise be missed at Christmastime.
