Almost Halloween, and Someone's Rustling in the Pumpkin Patch

THURSDAY, OCTOBER 29, 1970

Who's that rustling out there in Ray Purchase's pumpkin patch? Why, it's Laurie and Mike Smith and their friend, Mark Butterworth.

Halloween is coming up Saturday, and the kids were getting ready by carving a traditional jack-o'-lantern. But they weren't sneaking anything over on Purchase. He knew they were there in his garden . . . and he even gave them a carving tip or two.

Laurie, 9, and Mike, 7, are the children of Mr. and Mrs. Gerald B. Smith, 806 N. Hudson St., Lowell. Mark, 7, is the son of Mr. and Mrs. Jack Butterworth, 338 Valley Vista Drive, Lowell. All attend the Lowell Area Schools, where the boys are in the 2nd grade and Laurie is in the 4th.

Purchase raises 400-500 pumpkins every year at his place on M-21 west of Lowell.

Only one contest is shaping up for candidates in Ada Township for the Tuesday elections. The office of supervisor has two men running for the position.

Sherman Coryell is a retired teacher, coach, and principal of South High School in Grand Rapids. He was active in many organizations in Grand Rapids before moving to Ada.

JEFF AT OLD STAND

Former Ledger-Suburgan Life publisher Harold F. Jefferies is preparing for a new team to operate the newspapers that have served the area since 1896.

The Jefferies family operated the Ledger beginning in 1930, when the late Rem Jefferies took over from the founder, Frank M. Johnson.

Harold Jefferies succeeded his father in 1945. In 1954 he founded the Suburban Life to serve the Ada-Cascade-Forest Hills area. He served as editor and publisher of both papers until 1968.

Fran Smith, publisher of the combined papers for nearly three years, has now left to do public relations work for the Windsor Raceways in Windsor, Ont., Canada.

This week the paper has as guest editor Cary Stiff II, who is here on vacation from the Denver Post. Stiff is a former Ada resident who graduated from Lowell High School, Dartmouth College and Columbia Graduate School of Journalism. He has been on the staff of the Post for the past six years.

If you're for it, vote "No" If you're against it, vote "Yes."

That, in a nutshell, is what voters will do when they come face-to-face in the voting booth with the confusingly worded "Parochiaid" amendment (Proposal C) on the ballot Tuesday.

The key word in the proposal is PRO-HIBIT. If you vote "Yes," you will be voting to prohibit aid to non-public schools. If you vote "No," you will be voting to allow aid to non-public schools.

Here is the full text of the hotly debated proposal:

Public Aid to Non-public School and Students

This amendment adds language to the constitution to:

for the above purposes." Those who oppose the proposition eith er favor parochiaid and want this prohibiting language defeated, or they are against public funds for private schools, but feel that the language of the proposal is too sweeping. These latter people contend that, if the prohibition is written into the constitution, then non-public schools would not receive certain benefits they have enjoyed for some years, including tax-exempt status and tax-supported services such as fire and police protection.

Those who urge the passage of Proposal C believe the language isn't too broad. They believe non-public schools should not have access to public funds. And they dispute the claim that essential services such as fire police and sewer will be denied by the new language.

Candidates Unopposed On Cascade Ballot

Voters who go to the polls on Tuesday in Cascade Township will have a limited number of candidates from which to choose for their local government because all are running unopposed on the Republican ticket.

A familiar name, that of Al Heemstra, former supervisor, is still on the ballot, although he has resigned his position. The balance of his term has been filled by Lee Patterson, formerly of the Kent County assessor's office.

Because his resignation came after ballots were printed, Heemstra will again find it necessary to resign officially as he will be duly elected on Tuesday. It is expected that the township board will once again appoint Patterson to the position.

Other candidates running in Cascade Township include Minor Cook, who seeks the office of clerk. He is presently filling that position and has in the past served in every official capacity in the township. He has long been a member of the Caledonia School Board as well.

The present treasurer, Paul Slater, is seeking re-election. He was formerly on the board as a trustee. He has been a local resident for many years and owned his own business in Cascade. He was active in the school consolidation when the Forest Hills district was formed.

To the Editor

I feel that it is necessary to reply to the many letters and articles published by Mr. Ben Smith regarding the property assessments in Ada Township.

I really haven't paid too much attention to Mr. Smith's comments as this was just part of his campaign material. At the start of his campaign he came into the Township Office and stated that he had nothing against any of us, but this was a political campaign and he needed an issue. So he took off on assessments. However, he should know that anyone who has any concept of assessing knows that equality is the aim. And I have tried to keep them all as fair and as equal as pos-

One sale in an area does not establish the value of all property in that area. Nor can you in all fairness pick up a parcel at the sale price without any comparable sales of like property. It is admitted that enough sales in any given area will result in ligher land values in that location.

When assessing, one tries to keep all values of like property as near equal as possible. To assess at fifty percent of the market value is the aim of all assessors. However, without a complete reassessment each year, inflation will tend to raise the value of all property. This is when the Bureau of Equalization assists the assessor

. The Bureau makes a study of sales, costs of material and changing land values and comes up with an equalization factor that is imposed on all assessments throughout the Township to bring them up to the fifty percent level.

If Mr. Smith thinks my assessments are too low he should talk to the 58 property owners who had their property go up for delinquent tax sale this Spring.

Mr. Smith has yet to come up with anything constructive that he can do for Ada Township. He feels that one acre of land is enough for anyone. All the rest should be assessed high enough so that the tax on this property will force its sale

Mr. Smith has just moved into the Township, registered to vote last April and now he wants to be supervisor. I feel that the only reason he wants to be supervisor is to try to introduce his system of assessing on land value only.

He has preached this concept for 30 years now. It seems that if it had any merit it would have been given some consider ation by the Michigan State Tax Commission years ago. I think he is starting at the wrong end of the ladder. His efforts should be directed at State level in Lansing. At the Township level this method of assessing is not an acceptable practice under present taxing laws.

Fred Clancy

Ada Township Supervisor 5015 Ada Drive, S.E.

Dear Editor:

I am writing this letter because of my concern over the upcoming election for the Ada Township supervisor. We voters have a choice between Sherman Coryell, Republican and Benjamin Smith, Democrat.

I have talked with each candidate in order to try and find out their positions on local issues. Mr. Coryell stated he had no plans for changing any programs in the township and will work within the Ada Planning Commission recommendations. He seems to have done his home work and is very aware of the duties and limitations of a township supervisor.

I talked with Mr. Smith and this is what prompted me to write this letter. It isn't that he is a Democrat because I split my vote in almost every election. I feel, after listening to Mr. Smith and reading any of his printed news releases or letters that I do not want this person as Ada Township Supervisor. I urge any interested voter to try and understand his logic or figure what could prompt a man of his stature to say or even print what he has printed. There is an area in the Ada Shoppers Square which Mr. Smith has set up - go visit and ask to read his: Oct. 12th Plantform, Oct. 14th letter concerning taxes and the "Ada House" and (or) Oct. 21st News Release. Any of these statements will give you some insight into Mr. Smith's program and believe me they are not true or legal.

I attended a thoughtful forum sponsored by the Ada Congregational Church. It was an open meeting and gve both Mr. Coryell, Republican and Mr. Smith, Democrat an opportunity to speak to the voters. Mr. Smith aroused my common sense when he said he would like to raise all vacant, unused land over 50% in valuation. I mean it when I say "Mr. Benjamin Smith scares me."

A vote for Bill Milliken is a vote for all of Michigan. I have known well many of Michigan's governors beginning with Alec Grosebeck, who was a guest of my parents first in 1920. Some have been great and some average.

Bill Milliken is the one who has tried desperately and to such a degree to be governor for all regardless of section, party, religion economics, or race. I believe a vote for Milliken is a vote for continued equal government.

Police Chief Offers Tips on Driving

Lowell Police Chief Barry Emmons reminded drivers Wednes-day that good police services include motorist assistance in an emergency

The officers of the Lowell department stand ready to help as best they can, Chief Emmons asserted, "but to expect officers to use their car to pull you out when you skid into a ditch is above and beyond the call of duty!

"We can call for help," the chief suggested, "but a little 'self-help' in advance and on the part of the motorist, himself, can go a long way toward avoiding stalled cars, dead batteries, or skid wrecks."

He offered some "self-help" suggestions, based on recom-mendations from the National Safety Council's Committee on Winter Driving Hazards and endorsed by the International Association of Chiefs of Police:

-The car that makes it through this winter is most likely a well-tuned vehicle. Have the job done by a qualified mechanic and be sure to include an inspection and adjustment of the brakes. Check the radiator and the windshield washer for the proper anti-freeze

-All lights should be working, with headlights properly aimed. -Wiper blades must wipe clean; replace them is they smear. Wiper arm pressure must clear away heavy snow and slush. Tires must have a good tread, and snow tires are recommended for added traction on icy, snow-packed streets. To improve steering as well as traction, snow tires are preferable on all four wheels.

-Tire chains give the best traction and are a must for severe conditions. See that they're sound and replace broken links. Periodically check your defroster-before you need it.

-Self-help when a storm sets in and the going really gets rough is emergency equipment in the trunk of your car-booster cables tow chain, flares or reflectors, and a good set of reinforced tire chains. A shovel is a must and sand, rock salt or traction mats will help you get out of an otherwise impossible spot.

-Keep scrapers, spray de-icers and clean rags in the car also. Chief Emmons pointed out that there's plenty of winter weather ahead, but that most of these suggestions are equally helpful all year-round. "They're self-evident, and they're simply good sound judgment on the part of every driver in the way he

takes care of and equips his car," the chief concluded. "They make it a lot less likely you'll need to call upon one of our officers for assistance. It keeps them free to serve our community with all of our other police responsibilities."

Forty teaching stations have been planned for the new Forest Hills school district high school to be located on a ninety-acre

site on Leonard Street east of the East Belt Line. Approval of plans for an H shaped building to house originally 750 students was granted by the school board at a recent meeting. The building which will encompass 105,000 square feet may be expanded in time to a student capacity of eleven

The new high school which is expected to open in September, 1972, has provisions for a media center, science classrooms, shops, a gym and auditorium, music rooms, an art laboratory, as well as academic classrooms. A food preparation center will provide meals to be served in the gymnasi

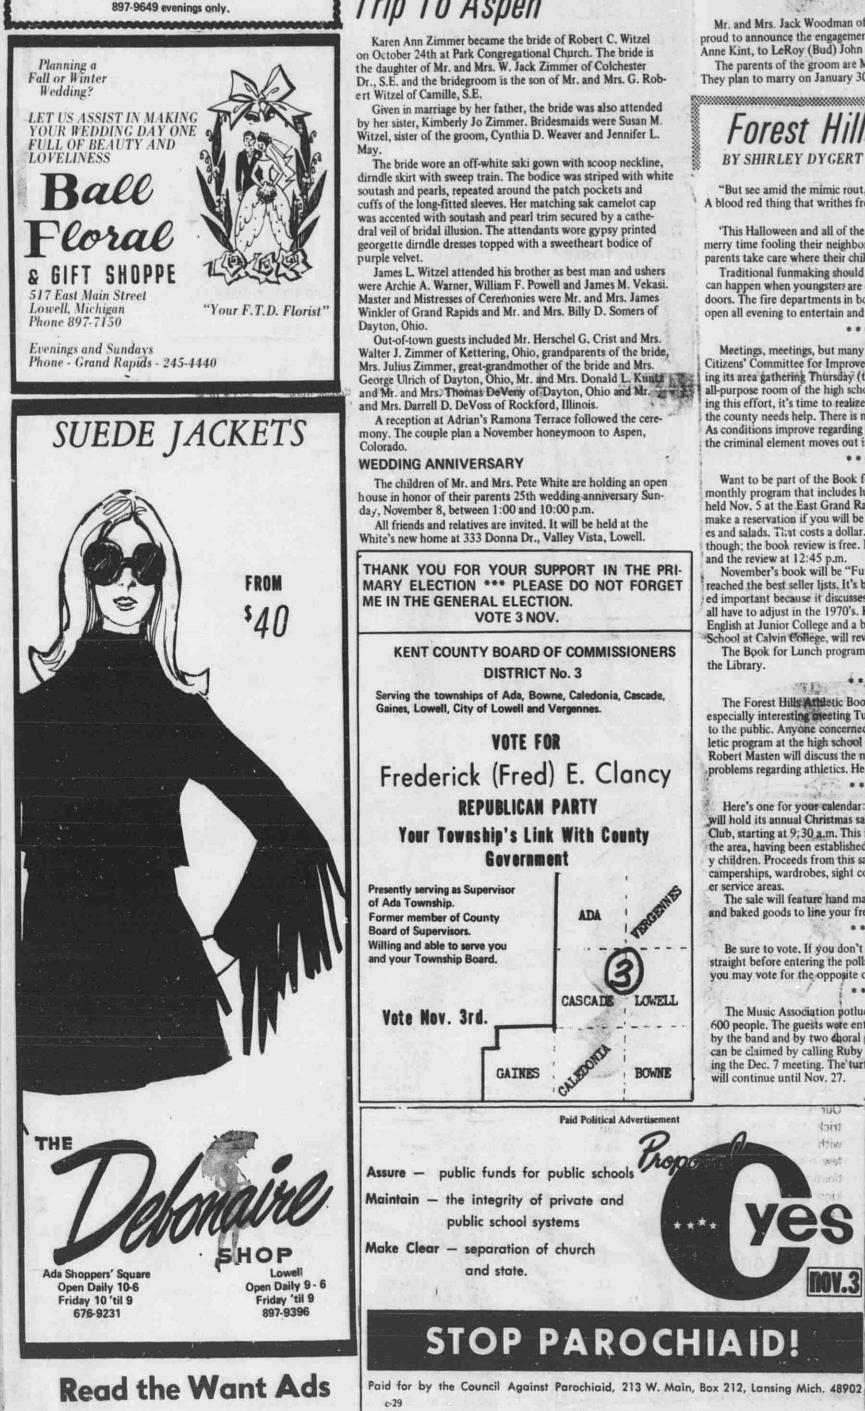

It is expected that the Class of 1973 of the present high school will remain in the complex on Hall Street in order to graduate from there. The new facility will house the ninth, tenth and eleventh grades during its first year. Provisions for athletic teams of both schools to participate in the OK confer ence in an appropriate division will be made by the school

Key teachers from the high school were asked to study the allotted areas in the preliminary plans to consider the most suitable arrangements within classrooms, A representative group of students was consulted regarding activity areas. Con-sulting engineers were selected through Guide A. Binda and Associates, designers of the building.

MRS. ROBERT C. WITZEL Newlyweds Plan Trip To Aspen

Karen Ann Zimmer became the bride of Robert C. Witzel on October 24th at Park Congregational Church. The bride is the daughter of Mr. and Mrs. W. Jack Zimmer of Colchester Dr., S.E. and the bridegroom is the son of Mr. and Mrs. G. Rob-

Given in marriage by her father, the bride was also attended by her sister, Kimberly Jo Zimmer. Bridesmaids were Susan M. Witzel, sister of the groom, Cynthia D. Weaver and Jennifer L.

The bride wore an off-white saki gown with scoop neckline, dirndle skirt with sweep train. The bodice was striped with white soutash and pearls, repeated around the patch pockets and cuffs of the long-fitted sleeves. Her matching sak camelot cap was accented with soutash and pearl trim secured by a cathedral veil of bridal illusion. The attendants wore gypsy printed georgette dirndle dresses topped with a sweetheart bodice of

the engagement and forthcoming marriage of their daughter, Beulah Kay, to Charles Earl Doyle, Jr., also of Lowell. Miss Erler and her fiance both attended Ferris State College. The wedding is planned for next May 28.

Mr and Mrs. Jack Woodman of Murray Lake, Lowell are proud to announce the engagement of their daughter, Valerie Anne Kint, to LeRoy (Bud) John Averill of Ada. The parents of the groom are Mr. and Mrs. Frank Averill.

can happen when youngsters are excited or appear at strangers' doors. The fire departments in both Ada and Cascade will be open all evening to entertain and serve cider and doughnuts.

Meetings, meetings, but many are well worth your while. The Citizens' Committee for Improved County Services will be hold-ing its area gathering Thursday (this evening) at 8 p.m. in the all-purpose room of the high school. If you haven't been following this effort, it's time to realize that the law enforcement of the county needs help. There is no county ambulance service. As conditions improve regarding police protection in the city, the criminal element moves out into the county.

Want to be part of the Book for Lunch bunch? The first in a monthly program that includes lunch and a book review will be held Nov. 5 at the East Grand Rapids Library. It's open. Just make a reservation if you will be going for the noontime sandwich es and salads. That costs a dollar. You don't have to eat there, though; the book review is free. Luncheon begins at 12:30 p.m. and the review at 12:45 p.m.

reached the best seller lists. It's by Alvin Toffler and is consider ed important because it discusses the changes to which we will all have to adjust in the 1970's. Kenneth Bultman, teacher of English at Junior College and a board member of the Walden School at Calvin College, will review the book. The Book for Lunch program is sponsored by Friends of

The Forest Hills Athletic Boosters Association will hold an especially interesting meeting Tuesday at 8 p.m. It will be open to the public. Anyone concerned about the future of the athletic program at the high school should attend. Superintendent Robert Masten will discuss the new high school and the related problems regarding athletics. He will answer questions, as well.

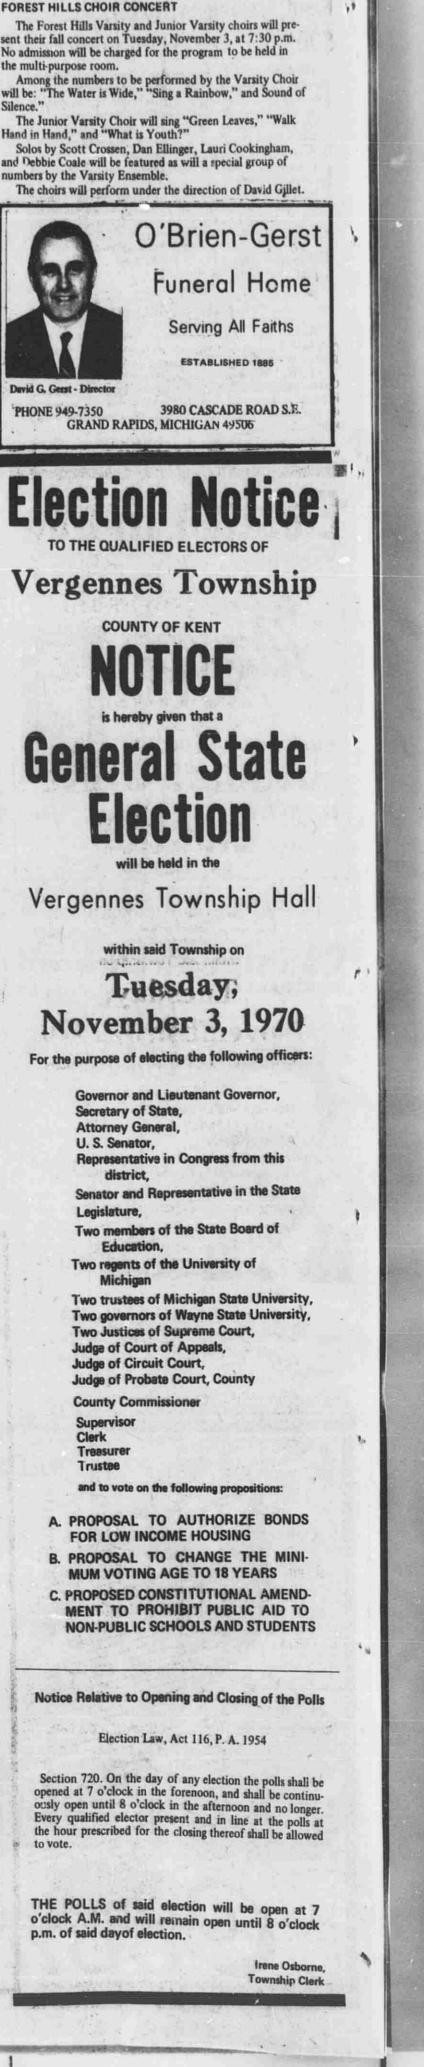

Here's one for your calendar: Little Folks Welfare Society will hold its annual Christmas sale Nov. 10 at Cascade Country Club, starting at 9;30 a.m. This is one of the oldest groups in the area, having been established in 1909 for the benefit of need y children. Proceeds from this sale will go to aid children through camperships, wardrobes, sight conservation, hospital aid and oth-

The sale will feature hand made goods for giving and keeping and baked goods to line your freezer or family's tummies.

Kent Colleges to Get \$205,500 for Student Grants

The federal government will provide Kent County colleges with \$205,500 for the period Jan. 1 through June 30, 1971, for continuation of a work-study program benefiting 543 students, Congressman Gerald R. Ford reported this week.

Ford noted that these federal funds cover 80 percent of student payrolls, with the college or an off-campus agency putting up the remaining 20 percent. Nationwide the work-study pro-gram grants for the six-month period involved total \$85,755,491. An estimated 268,158 students will benefit.

Kent County schools and their participation in the program: Calvin College, \$62,000 in Federal funds, 194 students benefiting; Grand Valley State College, \$53,000, 166 students; Grand Rapids Junior College, \$45,000, 141 students; Aquinas College, \$25,000, 78 students; Davenport College of Business, \$17,000, 53 students; and Grand Rapids Baptist College and Seminary, \$3,500, 11 students.

GIRL SCOUTS

Girl Scout Troop No. 128 from Ada, under the leadership of Mrs. E. G. Mutchler, have been very busy working on the service projects in the Mutchler basement.

They made beautiful centerpieces for the Michigan Trails Girl Scout Council's Annual meeting, out of spray-painted weeds in pumpkin and squash bases. They also made 250 beautifully decorated book shelf markers for the entire Forest Hills Library

Congratulations to these busy girls and Mrs. Mutchler for two worthwhile service projects.

KNOW THYSELF' SUBJECT OF EXTENSION CLUB Recognizing yourself and others was the subject of the fascinating lesson presented to the October meeting of the South Boston Extension club at the home of Mrs. Rose Tallant. This esson, presented by Mrs. Mildred Wittenbach and Mrs. June Fahrni covered observation, empathy, stereotyping and a case history to analyze. Charts were filled in by each member, evaluating themselves and a friend and compared for impressions. The lesson was enthusiastically received by the members who are looking forward to the conclusion of it at the next meeting, as it proved too long to thoroughly explore in one session. Names were drawn for secret pals which will be changed after the Christmas gift exchange. The next meeting will be at the home of Mrs. June Fahrni, November 17th, and will be an allday meeting in order to cover the rest of the October lesson. in the morning. In the afternoon, a lesson on low-calorie meals will be presented. Guests are always welcome at these meetings.

Arrows Drop to Tie for Third

Lowell's Homecoming was marred after a 28-0 defeat by first ranked Sparta last Friday night at Recreation Park. The defeat places the Arrows in a third place Tri-River Con-

ference tie with Coopersville.

Sparta clinched the game early with two first-quarter touch-downs, the first of which was scored by Don McCreedy after an eight play, 45-yard drive to Lowell's 4. A pass good for the

Forest Hills Eleven Stopped by Godwin

In an extremely even contest with Godwin High's football squad, the Forest Hills team showed its spirit was undaunted al-though its roster is loaded with walking wounded. Only four of the season's starting 11 were able to participate in the game against the Blue and Gold.

The Rangers came within inches late in the fourth quarter of winning the game. Vic Switzer's kick for an extra point failed by the closest margin as the Forest Hills team attempted to take the lead.

In the first quarter the Rangers punted to Godwin, who took the opportunity at the 20-yard line to march down the field in six plays. Tee Bartholomew crossed the goal line from the threeyard line with a run around end. Ed Lucas scored a two point play, making the score 8-0.

Early in the second quarter Craig Wynant of the Green and White scored from his second yard line in a run around end. Wynant also scored two points, tying the score at 8-8.

Later in the same period, Van Slyke of the Wolverines crossed the goal line to tally for Godwin. A determined Forest Hills sent Wynant around end from the two-yard line for another tie at 14-14. Larry Diebel's try for the extra point was no good.

The third quarter was dominated by Godwin. The Green and White had only four plays at the line of scrimmage. Bartholmew again aided his team by scoring from the seven around left end. The try for the extra point was no good, and the period ended 20-14.

Fourth quarter action saw Forest Hills sweep up the middle as Wynant again recorded six points following an interception by Jim Nansig. The score stood at 20-20 as Switzer's kick barely missed making the extra point.

Ron Vander Baan's pass intended for Bob Warner was intercepted by Bob Lake of Godwin, who ran around end for 44 yards to a T.D. and victory, with the final score of 26-20. The[Forest Hills squad was attempting to score once again as the game ended on the 20-yard line.

According to the coaching staff, the Rangers suffered because of the numerous injuries of varsity players, who must now watch from the bench. Fumbles and interceptions caused problems, but execution of plays have been improved.

A tough Kentwood game on the home field is scheduled for Friday at 7:30 p.m.

Thornapple Valley Football

With a 13-7 win on Saturday over the Lowell Lion Leos, the Forest Hills Badgers became the Class B Thornapple Valley League Football Champions.

Other contests are to be decided this coming weekend. Below are results of last week's contests and schedules for the next battles:

conversion put Sparta out front 8-0.

Sparta's second score was a 35-yard pass to Tim Kline, good for six points, making the first quarter score 14-0.

In second quarter action, the Arrows' offense started picking up, but Lowell failed to hold the ball and fell short of several first downs.

Sparta's last score in the first half was from the Arrows' 3, followed by a pass good for two more points, making the halftime score 22-0.

In the second half the Arrows went to the air with DeWitt finding ends Callier and Rinard for several large gainers. But fumbles and penalties prevented the Arrows from scoring.

During the third quarter both teamd held each other scoreless, but Sparta scored their last touch down in the fourth, leaving the final score a devastating 28-0.

Coach Rowe's only comment was "We just weren't up for it mentally, or physically," . . . and it looks as though the score certainly proved it.

Next week the Arrows take on Belding at Lowell.

Lowell Harriers Place Second inConference

Lowell's cross country team scored an indecisive victory over Belding Wednesday at Lowell's course, placing Lowell second second in final Tri-River Conference standings.

Mike Oberlin of Lowell took first place over all, followed by Ron Anderson in 7 seconds, Blake Johnson in fourth, Jim Perkins in sixth and Jeff Brower in tenth.

This year's second place marks the highest placing for Lowell in the conference for the past several years.

In other conference action Coopersville won over Sparta and Greenville won over Cedar Springs.

SPORTSMANSHIP TROPHY RATINGS EXPLAINED

Rules for the Tri-River League Sportsmanship Trophy have been revised this year to include the spectators.

Following each athletic event - football, basketball and wrestling - a committee composed of a faculty member, a student and a citizen from the community of each school will meet and arrive at a single combined rating for the event.

Ratings are one for excellent to five for poor, with 15 possible points for each event, five as spectators, five as a team and five as team management.

•The school with the least number of points at the end of the basketball season will receive the Tri-River Sportsmanship Trophy.

Lowell Frosh Dump Sparta

The Lowell freshman football team scored an impressive victory over Sparta Thursday at Sparta.

Led by the bruising running of Chris Steffens, who gained 151 yards and scored two TD's, Lowell completely dominated the game.

Jeff Pierce tossed two TD passes to Ken Kropf for the other scores.

Lowell gained 388 yards in total offense while holding Sparta to only 59 yards in offense. The halftime score was 20-0, and
