# School Superintendent Dies In Wabasis Lake Boating Accident

By CARY STIFF II

Carl Hagen, 49, superintendent of Lowell Area Schools for the past 1½ years and former principal of Lowell High School for nine years, drowned Saturday in a boating accident at Wabasis Lake in northeastern Kent County.

According to Lt. Clair Durfey of the Kent County Sheriff's Department, the mishap occurred shortly after 1 p.m. when Hagen, who had been fishing alone, apparently fell from his outboard-equipped aluminum rowboat into the lake. His body was not recovered until shortly before noon Sunday.

Durfey said authorities first were called to the scene at 1:30 p.m. Saturday by Lawrence K. Broman of 1310 Walnut N.E., Grand Rapids, who has a cottage at 11836 Wabasis Lake Drive, near the Wittenbach Landing.

Broman told the investigating officer, Deputy John Orange, that he had been raking leaves in front of his cottage when he noticed Hagen's boat behaving erratically. No one appeared to be in the craft at the time, he said.

Fearing something had happened to the boat's occupant, Broman notified the Sheriff's Office. The boat, meanwhile, had capsized itself.

Broman then went out onto the lake with a piece of rope and towed the overturned craft to shore, Durfey said. Through its registration number—MC 1844 BB—it was traced to Hagen.

An officer was dispatched to Hagen's home at 315 N. Jackson St., Lowell, where a family spokesman confirmed that the superintendent had gone to the lake to fish. Further confirmation came from two of Hagen's friends, Bob Perry and Junior Ayres, who identified some of the school official's property at the drowning scene.

Investigation showed that the throttle on Hagen's 18-horsepower outboard was wide open, and officers theorized he had been jerked off balance when he had started up the motor.

There were no known witnesses to the accident, Durfey said.

Eight Scuba divers, including two Michigan State Police officers, searched for Hagen's body until nightfall Saturday, Durfey said. Search operations were resumed Sunday, and the body eventually was recovered from 35 feet of water by Sheriff's Deputy Edward Baker and State Trooper Donald Fett of Grand Haven. Lowell police participated in the search.

Dr. Bernard Kool, Kent County medical examiner, ruled that the death was accidental due to drowning. The body was taken to the Roth Funeral Home in Lowell.

Funeral services were to be at 2 p.m. Wednesday at the First United Methodist Church of Lowell, 621 E. Main St., with the Rev. Dean Bailey officiating. Burial was to be in Oakwood Cemetery, Lowell.

All Lowell Area schools were to close Wednesday in memory of Hagen.

Carl John Hagen was born Nov. 28, 1920, in Sturgis, Mich. He graduated from Sturgis High School in 1939 and then attended Michigan State University until 1943, when he enlisted in the U. S. Army. He quickly rose in rank from private to captain before his discharge in 1947. Two of his four years in service were spent in the European Theater of Operations during World War II.

In 1947 Hagen completed the requirements for his bachelor of science degree from MSU (then Michigan State College) and joined the Lowell High School faculty. He taught vocational agriculture for 12 years, served as assistant principal for one year and then became high school principal in 1960. In April 1969 the Board of Education selected him from among 40 candidates to succeed James C. Pace as superintendent of schools, and he assumed his new duties the following month.

Spectators stand on the banks of Wabasis Lake in northeastern Kent County where Lowell School Supt. Carl Hagen lost his life Saturday in a boating accident. Michigan State Police, Kent County Sheriff's Department officers, Lowell Police and reserve officers searched the lake Saturday and Sunday until the body was recovered. Many local citizens spent hours long after dark Saturday looking for signs of Hagen. Others stood high on the bluff overlooking the lake all morning Sunday until the body was found.

At the time of Hagen's selection as superintendent, Dr. Robert Reagan, school board president, remarked: "We feel that Mr. Hagen's long experience with the school system and his background in administration makes him an ideal person to fill this vital job."

Hagen was awarded his master's degree in administration from MSU in 1960. At various times during his career he had

## 'Pioneer' Family Likes Life in Eastgate

"Every weekend there seems to be a new family."

That, to Ellen Boyer, is what life is like in Eastgate in the Woods, a new housing development rising in the hills along Cumberland Ave. west of Lowell.

Mrs. Boyer and her husband, Glen, both of whom are 25, picked the type of house they wanted—a ranch model—last January. The basement was dug then, and by May the Boyers moved in with their two children, Lisa Ann, 5, and Steven, 19 months, and their dog, Stubby, a purebred English bulldog.

That made the Boyers one of the "Pioneer" families in the area—a tree-covered ridge which eventually will be dotted with about 600 new homes. The \$12-million development is being built by Everett L. Ladd, developer of the similar Westgate housing complex near Grand Rapids and the Adacraft Commons in Ada.

"When we saw the area, we just loved it," says Ellen Boyer. "We lived on Eastern Avenue in Grand Rapids, and we were sick of the city."

"We wanted Lisa to be in an area where she could go to school and not cross busy streets."

Mrs. Boyer says both she and her husband grew up in similar areas—she in her family's home on Burton St., he in the Kalamazoo region. Moving into the country was a little like going backwards in time for them.

Boyer commutes to his job at the Kindel Furniture Co. in Grand Rapids—a drive which takes him about 20 minutes each way. He leaves home about 6:30 a.m. and is back again at 5 p.m., ready for a pre-dinner romp with his children.

Although some of his neighbors also work in Grand Rapids, he makes the drive alone because he has to leave at such an early hour and because none of the neighbors work in the same part of the city. But he likes the drive.

"When we lived in the city we used to live real close to where he worked," Mrs. Boyer explains. "And he'd still be asleep when he got there."

Since moving into their new home at 1652 Stonewood N.E., the Boyers have landscaped it—using shrubs that were a housewarming gift from her parents. And they have got to know the neighbors.

"In the city most of the neighbors were older people," Mrs. Boyer says, "and we just didn't seem to have much in common."

But in Eastgate most of the families are young, she says, and there are plenty of children around for Lisa and Steven to play with—even though only about 38 families have moved in, so far.

"Everybody is friendly," she adds. "We know everybody around us. We've got pretty well acquainted because of the con-

served as district representative to the Michigan Education Association and as secretary, treasurer, vice president and president of the West Michigan Principals' Association.

He was a former member of the Lowell Rotary Club and a member of the First United Methodist Church of Lowell.

Surviving are his widow, Beverly; two sons, Thomas and James, and a daughter, Patricia, all of Lowell; his parents, Mr.

and Mrs. Harry Hagen, of Sturgis; a brother, Eugene, of Three Rivers, Mich.; a sister, Mrs. Fred Haskins, Sturgis, and several nieces.

Friends who wish may contribute to a Carl Hagen Memorial Fund being organized by school officials. Contributions may be sent in care of the Superintendent's Office, Lowell Area Schools, 700 Elizabeth St., Lowell, Mich. 49331.

## Carl Hagen... Some Tributes

The sudden loss of Supt. Carl Hagen to our school system will leave a definite void in our community.

His dedication to all phases of education for the students of Lowell was just one of his many outstanding characteristics.

Mr. Hagen, as principal and superintendent, unselfishly gave the extra time and energy to his position that enabled him to achieve his goals and provide the students with an education of the highest quality.

The Board will remember, with highest respect, the manner in which Mr. Hagen conducted his duties as superintendent of our Lowell Area Schools.

— Dr. Robert Reagan  
School Board President

In the untimely demise of Carl Hagen we have lost a fine educator and a living example of good citizenship.

His one consuming objective was to be of sincere service to Lowell students and to the entire community.

In over 40 years of service as an educator I never met a more dedicated or sincere exponent of what was best for boys and girls.

We have lost a fine educator, an exemplary citizen and a dedicated husband and father. To his good wife and children we offer our sincerest sympathy.

## Donald Kelly Picked As Interim School Chief

Donald Kelly, Lowell High School principal and former athletic director, was named Monday as acting superintendent of the 2,600-student Lowell Area School system.

Kelly, 41, was appointed to the interim post by the Lowell Board of Education in a 7-0 vote at the board's regular monthly meeting. He succeeds Supt. Carl J. Hagen, 49, who drowned Saturday in a boating accident.

The board also set into motion procedures for securing a permanent replacement for Hagen.

Because of Hagen's death, the board's meeting, held in the high school library before an audience of only five spectators, was abbreviated and subdued. The only major items of business to come before the body were the selection of the acting superintendent and a fiscal matter which could not be put off.

The fiscal matter concerned the opening of bids from three area banks seeking to loan the school system the \$128,239 it needs to borrow until state aid money becomes available later in the year.

Apparent low bidder was the State Savings Bank of Lowell, which said it would loan the sum at an interest rate of 4.25 percent. Other bids were received from the Michigan National Bank, which asked 4.9 percent interest, and Union Bank, which asked 4.5 percent.

On a motion by Board Member Gould Rivette, seconded by Dr. R. D. Diegle, D.V.M., the board voted to accept the State Savings Bank's bid on condition that some confusing language in the bank's proposal be clarified first. The confusion arose over the precise dates the bank would begin charging interest on the loan, which is to be taken out in two installments, two weeks apart.

The board asked Kelly to get the necessary clarifications from the bank in writing so acceptance of the bid can become final.

Kelly also was authorized to sign checks in his new capacity as acting superintendent.

Kelly was born in Battle Creek, Mich., on May 19, 1929. He received a B.S. in industrial arts from Western Michigan University in 1951 and an M.A. in administration from Michigan State University in 1959.

Following his graduation from WMU, he spent several years in industry and two years teaching in Frederic, Mich. He joined the Lowell High School faculty in 1954 as an industrial arts teacher and assistant football coach. Later he helped organize the school's wrestling program and, in 1962, he succeeded Chris Burch as athletic director.

Kelly became assistant high school principal in 1968. In April 1969 he became principal when Hagen left that job to become superintendent.

Kelly and his wife, Ethel, live on Crestwood Drive, Route 3, Lowell. They have seven children, ranging in age from 4 to 20. The eldest girls, Jean and Barbara, are students at WMU. The other children are daughters Patty, Colleen and Karen, and sons Gordon and Dennis.

Kelly is a member of the First United Methodist Church of Lowell and is district camping chairman of the Boy Scouts.

At the meeting Monday night, Rivette suggested that the board consider naming the high school building after Hagen, but no action was taken on the matter.

Dr. Robert Reagan, board president, called a special meeting of the board for 7:30 p.m. next Monday in the high school library. At that time matters deferred from this week's meeting will be taken up. They include a report on the school grooming and dress code, and a survey of the student crossing area on N. Monroe Street between the Runciman and Intermediate Buildings.

## ALONG MAIN STREET

All Lowell was saddened this week by the loss of Carl Hagen, 49, superintendent of Lowell Area Schools, who drowned Saturday in a boating tragedy at Wabasis Lake north of town.

Carl's cheerful smile and warm "Hello" for everyone he met will be missed. Main Street won't be quite the same without him.

Drop by the Ledger-Suburban Life office when you're in our neck of the woods some day, and give us the sidewalk-superintendent bit about the new paint job in our front offices. Len Rittersdorf, who works at the Post Office next door, did the honors with the brush during his spare time.

After you've put in your two cents worth about the choice of colors (for which the guest editor gets the blame), you might take the time to renew your subscription for the winter. And get one for Aunt Hattie in Florida, while you're at it.

Seen on M-21 just west of town, not far from Dr. Donald Gerard's home, at 9:10 p.m. Sunday: A good-sized buck deer

trying to cross the highway but confused by the headlights of passing cars. Looked like about a six-pointer to us.

Why are they always visible before hunting season starts, but scarce as hen's teeth on opening day?

You Eastgate residents see yourself in that aerial photograph we used this week in the Eastgate in the Woods ad? (You did remember to say "cheese," didn't you, when Scot Jefferies flew over the area in the Jackson Motor Sales airplane and took your picture?)

A copy of the photo is available free to any Eastgate homeowner who stops by the Jackson Motor Sales at 930 W. Main St., and asks for one. Just give your order to either Leonard Jackson or Orville Jackson, and as soon as the prints are ready they'll be mailed to you.

James Edward Thurkettle, 26, of 11006 Mountain Ash N.W., Grand Rapids, was arrested at 1:30 a.m. Saturday for driving under the influence of intoxicating liquor, Lowell police reported.

Thurkettle was taken into custody after being involved in an accident at the Zephyr Service Station, 607 W. Main St. Ac-

ording to Theodore Titus, an employee, Thurkettle drove into the station too fast and collided with the support post holding up the Zephyr sign, police said.

Thurkettle was lodged in Kent County Jail, police say, but later bonded himself out. He will appear next Wednesday before Judge Joseph White of the 63rd District.

The radiator on his vehicle was smashed, police said, but the sign remained standing.

An informant named Ruby tells us that Mrs. Margaret Clark of 520 N. Monroe St., Lowell, will be 94 years old Nov. 18.

Normally, revealing a lady's age in public isn't the thing to do. But, when you get to be 94, we think that's worth shouting about. Don't you?

So go ahead, Mrs. Clark. Brag.

Received a note the other day from Mrs. Hope Sargeant, who for many years was the Elmdale correspondent for the Ledger-Suburban Life. She fell recently and broke her right leg, she reports, and she probably will have to have surgery. "But I have sure been well remembered by friends, in more ways than one, from all over the United States," she said adding: "I sure miss writing my news."

Mrs. Sargeant is a patient in Room 364, St. Lawrence Hospital, 1210 W. Saginaw, Lansing, Mich. 48914. We bet she'd appreciate cards and letters from her Lowell-area friends.

Names make news, they say in this business. And Ledger-Suburban Life ads make good reading, too.

In the classifieds this week, for example, you can find a place to sell your standing timber or a farm for boarding your horse or pony. You can find a mobile home for rent, or a child's table with four chairs for sale—to name just a few of the bargains.

Elsewhere, Leon, Elmer, Irene and Carl are saying "thanks" for your support, and the banking emporium on E. Main Street is publishing its financial statement. Look inside for further details.

There were so many issues that had to be carefully considered in the Nov. 3 election that to just an ordinary housewife it was extremely confusing - what with pollution, paroichaid ("Yes" meaning "No" and "No" meaning "Yes") and deciding whether I really wanted a woman in there making all those great policy decisions.

Coho Lure Snags Profit For Local Youths

It takes money to make money? Not always. At least not if you have a sound idea, work hard, and luck-out on original costs.

Steve Harrington and Bob Campbell, seniors at Forest Hills High School, have become entrepreneurs in the coho equipment business. Knowing the need of those with "coho fever," the boys founded their company on Bob's special design for a snagging lure.

Beginning with only an idea, they were able literally to dig up the copper they needed. It was lying under six inches of garden dirt in the form of plumbing tubing that had never been utilized. Permission granted from the owner, the boys set to work turning the tubing into lures.

The partners took out a business license, formed the Kamel-hare Tackle Co. and systematically began selling on weekends at the most popular river spots where fishermen were in abundance. They arrived early and stayed until their supplies were sold. Then it was back home to produce another week's supply.

Later, when sales brought into the firm enough money for purchases from wholesale houses, a larger line of products resulted. Ingenuity still prevailed as Bob and Steve redesigned hooks and lures.

The name of the firm, incidentally, comes from the stylized combination of their surnames.

As business increased, the partners reinvested profits and added such items as plastic bags, sinkers and a larger variety of hooks. They even sell a huge four-inch souvenir hook that especially appeals to coho buffs from other states.

Their adventures have included dealing with a myriad collection of individuals—an introduction to the selling game they feel will always be of value.

Steve's advice to those starting out in a small business venture: "You're bound to make some mistakes, usually where you don't expect them, but don't let them get you. We weathered it and learned a great deal."

The Kamel-hare Tackle Co. partnership is looking forward to the Big Coho Run which should begin shortly. They are preparing supplies for the time when demands will be ever greater. Information on the company's products can be gained by calling Bob at 949-6828.

JANE'S WORD

Reflections On The Election BY JANE HOUSEMAN The mind this morning, or at least mine, feels like one mass of tangled vines. There were so many issues that had to be carefully considered in the Nov. 3 election that to just an ordinary housewife it was extremely confusing - what with pollution, paroichaid ("Yes" meaning "No" and "No" meaning "Yes") and deciding whether I really wanted a woman in there making all those great policy decisions.

Then, having to choose between a liberal and a conservative was like opening Pandora's box - who knows what havoc one might have unleashed upon the world! On the one hand I would like a little law and order but on the other I don't want it to be too repressive, either. Maybe a good roux of law and order with a couple of cups of justice, well-seasoned with compassion and common sense, as in a good cream sauce.

The mechanics of voting in this election were a bit more complicated than in previous years. All those little letters! I missed the old familiar rickety voting booth and the stubby little pencil with which to make my X (not a check mark) in the little box.

It seemed more personal that way. You knew you had made your mark. But how do you know what those little letters are doing?

After hearing about Detroit's fiasco I'm not sure that the world is yet ready for anything more complicated than a ballot-pen!

But now all the hoopla, haranguing, and hand-shaking are over and we can get back to our uninterrupted TV programs for a couple of years. As chaotic, cumbersome, and crazy as the democratic system may seem to be, I think heaven that it was not only my right and duty but also my privilege to make my mark. So be it!

Other officers elected are William Hurd, King, Donald McPherson, Scribe; Orval Jessup, Treasurer; Gordon Johnson, Secretary; Clark Parsons, Captain of Host; David Miller, Secretary.

Also R. Bruce Tower, Royal Arch Captain; James Cahoon, 3rd Veil; Robert Chrouch, 2nd Veil; Glenn Parsons, 1st Veil; John C'erhart, Sentinel, and Rev. J. Marion DeVinney, Chaplain.

The chapter is compiling a centennial book, to contain sketches of 60 Hooker pioneers and several historical and memorial sketches. Persons with literary contributions for the book should call Gordon Johnson, general chairman of the project, at 897-8515.

The date of the centennial will be April 17, 1971.

Arrests of Minors Reported by Police

The arrests of several area youths for being minors in possession of alcoholic beverages were among the incidents reported this week by Lowell Police.

Arrested on W. Main Street at 11:05 p.m. Friday were Rob in Both Weavers, 17, of 1181 Riverside Drive, Lowell; Steven Charles Balcom, 20, of 1375 Eberly Drive, Lowell, and a 16-year-old juvenile girl. Also arrested for furnishing alcohol to the minors was Mathew Earnest Gould, 21, of 4836 Murray Lake Ave., Lowell.

According to police, all but the 16-year-old girl were issued appearance tickets and will appear before Dist. Judge Joseph White next Wednesday. The younger girl was referred to the Juvenile Division of Probate Court.

Police also reported the arrest of Leo Fisher (Harden), 18, of 8908 Vergennes St., Ada; Michael James Murphy, 18, of 2801 Lowell View, Lowell; Sid Hayward, 18, of 10032 Fulton, Ada; Jake C. Callier, 17, of 515 N. Hudson, Lowell, and Jerry Victor Malcolm, 20, 207 Maple, Lowell.

All five of the youths were picked up at 11 p.m. Monday, charged with being minors in possession, and issued appearance tickets. They also are scheduled to appear Wednesday before Judge White.

In another, unrelated incident, Lowell police reported that two 16-year-old juvenile boys were arrested last Thursday at 11 a.m. for the larceny of street signs and warning flashers. At the present time, both boys have been released to their parents.

A stolen car belonging to Eleanor J. Davin of 2129 Palace S.W., Grand Rapids, was recovered Sunday on M-21 west of the Whites Bridge Road by Patrolman Steve Pace. The Grand Rapids Police Department is still investigating the matter.

Professional Building Rising in Ada Twp.

Building permits, road improvements and taxes were among the items on the agenda of the Ada Township Board meeting Monday night.

Ada Township is soon to have its own professional building, officials said. The structure will be built on the east edge of the village on Fulton Street by the Tempo Construction Co.

A permit to build was issued by Herman Stukkie, building inspector of the township, during the last month.

The permit was one of 10 issued for the most recent period, according to Stukkie. It was the only one for new construction, however. Other permits were for additions to existing buildings. The Tempo permit was for \$90,000. The total number of permits was for \$109,800.

Fire Chief Stan Ornolewski reported seven minor runs during the month of October, bringing the total number of fire calls to 85 for the year to date.

The extension of Boynton Avenue for 800 feet south of Bennett Road was approved at a cost of \$579,30 for grading, gravel, trimming of trees, and two 12-inch tiles under a 16-foot wide section. The amount will be added to the 1970 road program, whichever budget is sufficient to cover the costs.

To be considered for the 1971 road program is an improvement of Bennett Road just south of Sargent Drive. An estimated cost of \$9,438 without the purchase price of a right-of-way has been given.

Citizens who live on Vergennes Road east of Boynton and just within the township lines were represented at the meeting. They were asking for a reduction in the height of the road because of a safety factor. They claim that the hill has made six driveways into blind areas. One accident has occurred.

In addition, they would like cooperation from Vergennes Township in the matter of speed limits. The road in that township is posted at 65 miles an hour, but at the township dividing lines, it becomes 45 miles an hour.

Kent Skill Center Openings Available

A meeting for students and their parents who are interested in possible placement in the Skill Center of the new Kent Intermediate District will be held Wednesday, Nov. 18, at 7:30 p.m. at Forest Hills High School.

The number of students able to enroll in the 25 categories will be limited. Courses will be as varied as landscaping, tool and die, homemaker and auto shop.

The number of students from each school will be based on student population.

The meeting will familiarize parents and students on procedures in trying to enroll in the program.

For additional information, call John Van Overen, director of student counseling at Forest Hills High School, 949-2410.

CLASS REUNION PLANNED

The Lowell High School class of 1946 plans a 25th Reunion dinner-dance to be held next June. Charles Doyle has been appointed chairman and Jo Siciliano secretary.

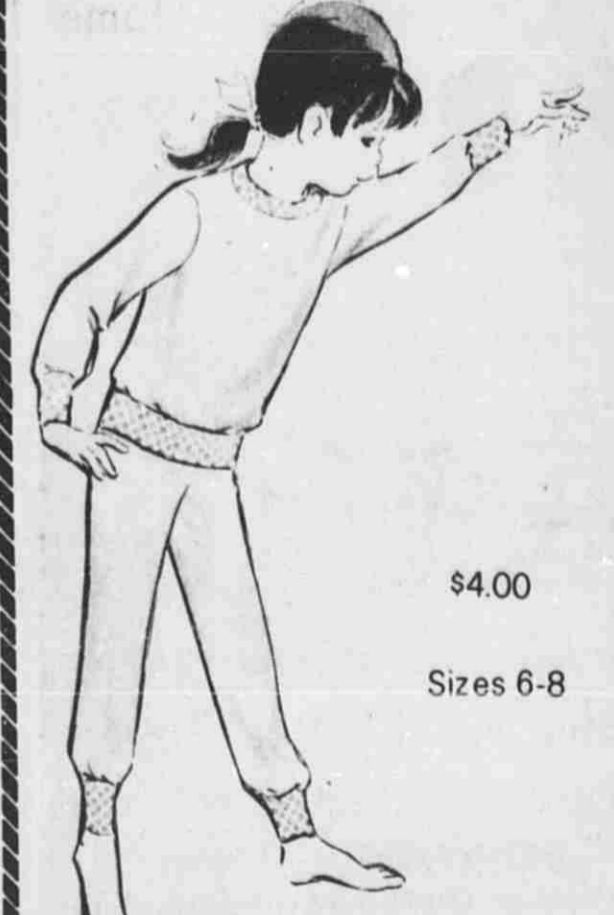

A committee consisting of Barbara Curtis, Flora Jean Beachum, Marion Kutchey and Marjorie Benson is making up a list of names and addresses of all members of the class so that they may be contacted in plenty of time.

### FHHS Seeks to Improve Student-Faculty Exchanges

Representatives and delegates to the Forest Hills High School Student Council will attempt a new method of student-faculty communication.

On Monday, 48 students, some regular representatives and some special delegates for the day will hold forums in each of the 48 home rooms of grades 9 through 12. They will lead discussions and group talks that are aimed to produce questions for faculty and board members of the school system.

The initial contact will be strictly student-to-student, a method council members saw work successfully at Western Michigan University. Once the questions are accumulated and filtered for general interest, they will be presented to Principal Willard H. DeJonge. He, in turn, will answer the most timely questions on the public address system, reaching the entire student body.

If questions are asked that are not within the realm of the principal, he will direct the proper authority to discuss and answer them.

"This sounds as though it might work," DeJonge said. "It certainly is a much better concept than trying to hold a forum with 1,300 students and a panel of teachers, coaches, school board members, and Student Council officers. The panel idea has been tried, but was found wanting when students were apt to get off on a tangent of interest only to one class or to one member of the panel."

It is hoped that this type of forum will be held three times throughout the school year. Others will depend upon the success of the first attempt.

"The questions will be wide open to anything that has to do with the school. This will include the curriculum, athletics, special studies, the Student Council and just about anything for which individuals need answers," said DeJonge.

### Kent Red Cross Sponsors 'Voice From Home' Tapes

If you live in Kent County and have a relative or fiancé who will be spending the Christmas holidays away from home with the armed forces, you may make a free tape recording at the Kent County Chapter of the American Red Cross.

The 15-minute tape will be made in privacy and a free mailing carton is provided.

Foreign students studying in the United States may also make the free recording to send to their families.

The recordings may be made until Dec. 15, Monday through Friday, from 8:30 a.m. until 5 p.m. If you wish to make a "Voice from Home" recording, call 456-8661, ext. 32, for an appointment.

### UNICEF Collection

The Cascade Christian Church Youth Council collected \$1,117.55 in its annual UNICEF drive at Halloween. This is the largest amount in the history of the drive in the Cascade area.

George Teachman and Craig Chandler, co-chairmen of the drive, wish to thank all of those who contributed, worked on the drive, and shared in the efforts to make it such a success.

### CAMPFIRE GIRLS

The Nov. 3 meeting was called to order by the president, Joann Keim. We recited the wood-gatherers decree.

Our leader taught us some things about square dancing. We played a game called seven-up.

Our meeting was closed by singing the law of Camp Fire.

Sarah Flanagan, Secretary

The 7th grade Campfire group met on Wednesday, November 14 at Mrs. Eickhoff's house. We voted for officers and elected Robin Guthrie president, Rosie Sterling, vice president; Barbara Cook, secretary; Pam Galbreath, treasurer; and Perri Eickhoff, committee chairman.

We also made plans for what we are going to do this year.

Secretary, Barbara Cook

The Bluebird group in the Valley Vista area met Oct. 29, at their weekly meeting for a Halloween costume party. Present were leader Faire Tate, Asst. Leader Margo Sterling, and members Abby Jacqman, Belinda Hardy, Deidre Tate, Beck Vegitor and Annetie Sterling.

A good time was had by all the Bluebirds, especially bobbing for apples.

Leader, Faire Tate

### ART APPRECIATION PROGRAM

The Docent Program, sponsored by the Grand Rapids Art Museum, will be explained by Mrs. James Marron at the Lowell Child Study Club meeting on November 19th. This is an art appreciation program which will begin its third year Nov. 16-17th by being presented to the elementary school children by volunteers from the Lowell area. The meeting will begin at 8 p.m. at the home of Mrs. Leo Peters, 14070 E. Fulton.

Anyone interested may call Mrs. Peters, 897-7861 or Mrs. Miller 897-7195.

### MRS. BOVEE VISITS DAUGHTER

Mrs. Glendon Bovee returned Oct. 29 from a month's visit, with her daughter and husband, Capt. and Mrs. Carl T. Hoyer, at Havelock, N.C.

She also welcomed an 8 lb., 1½ oz. granddaughter, Tasha Le, born Oct. 16 at the Cherry Point Naval Hospital, N.C.

### Couple Says Vows In Lowell Church

St. Mary's Catholic Church in Lowell was the setting Saturday noon for the marriage of Miss Janet I. Kissinger, daughter of Mr. and Mrs. James R. Kissinger of Alto, and Sgt. Paul K. Brower, son of Mr. and Mrs. Joseph E. Brower of Alto.

The bride was attired in an A line Victorian silhouette gown fashioned with brocade and venetian lace. An organza petal headpiece secured her elbow length veil.

Maid of honor was Miss Christine R. Blanding of Lowell. Bridesmaids were the Misses Maureen A. Kennedy of Lowell, Diana L. Kissinger of Alto, and Joyce A. Brower. Flower girls and ringbearer were Catherine A. Kissinger, Victoria S. Kissinger and Michael J. Kissinger.

Donald J. Brower of Alto was best man. The guests were seated by Thomas G. Brower of Williamston, Dennis A. Kissinger, Thomas Drake, Bruce Kraus and Joseph A. Kissinger, all of Alto.

Following a reception in the Shady Acres in Lowell, the couple left on a wedding trip to Charleston, S.C.

### Four Generations

The four generations of Mr. and Mrs. LaVerne (Red) Baker of 704 Monroe St., Lowell, are Mr. Baker's daughter, Mrs. Ronald (Sharon) Gwynn of Parkersburg, W. Va., right, and her infant son, Mark, proudly being held by his great-grandmother, Mrs. Sabie Baker of Route 3, Lowell. This is LaVerne Baker's first grandchild and Mrs. Sabie Baker's eighth great-grandchild.

### CENTENNIAL PLANS TO BE SHAPED

Plans for the Fallsburg Covered Bridge Centennial, to be celebrated next summer, will be discussed at 8 p.m., Thursday, Nov. 12, at the Lowell Intermediate School Building, 300 N. Monroe St.

Everyone interested is urged to attend the informal meeting. Delegates from various community organizations will be present, as will a representative from a professional planning company.

Traffic deaths in Michigan in October numbered 188. This was 20 percent fewer than the 236 highway fatalities in the same month last year, according to the State Police.

Have you seen the new Interchange Shop at the YWCA? When next you are Christmas shopping, stopping for a cup of coffee, having your eyes examined at the Medical Building, or otherwise downtown, take a peek.

The shop is located just beyond the cafeteria, and it's loaded with fascinating imports. The Y has exclusive on a number of items such as Korean bronzes. There are plenty of mold items, too; how about a necklace made of fangs?

Bessie Doyle says that the Japanese porcelain figurines and plates are popular with many men, who take them home to their wives—or take their wives to lunch to look for themselves.

The shop is manned by volunteers, with the proceeds going back into Y programs. It began as a book shop, but enough browsers made it seem worthwhile to add the other unusual items.

...  
Now here is a suggestion for those servicemen. Buy them some of the DeMets turtles that the Music Association is selling. The boxes have an inner seal to keep the candy fresh and they are within the weight limit for the SAM mail. What a delightful treat for your friends over there. They sometimes can get candy, but this is quality.

Want some fun? Watch the Powderpuff football game at the high school Friday afternoon. Last year's game was played in the mud, and the girls were hardly recognizable afterward. Maybe it's more exciting that way. But some, at least, hope that spectators can tell the players from the field. Don't forget your camera.

...  
The Law Club, on the other hand, will meet in orderly fashion under the direction of Judge Stuart Hoffius. Although new this year, the club has been gaining popularity among those who may make law their profession. This week's meeting will be held Wednesday night in the multi-purpose room of the high school.

A home full of fall flowers and the aroma of good things to come greeted the guests of Mary Hollowell. Seventeen women gathered for a luncheon and meeting on Tuesday.

The business-of-the-day was centered around the possibility of raising money for summer camp scholarships. The women are trying to think of something new in the money-raising department... who isn't? Four committees are looking into the ways and means. The name of the organization may be The Rocking-horse League.

...  
Reminder: The last football games of the season will be held this week. On Thursday it's Frosh and J.V. teams at home against Northview, the first at 5 p.m., the second at 7 p.m. Then on Friday the Varsity team will travel to Northview High to battle it out with that bunch of gladiators. The game is scheduled for 7:30 p.m.

Now hear this! It was down to the sea in ships last weekend when the Jack Kootes and the Dave Windmans took off for Ludington from Lake Macatawa in their two boats to spend a week aboard with guests. The weather was clear and the company congenial, so, if they can take the cold, they will return with stories of what they consider a "fun time."

...  
There is to be a dance at the high school on Nov. 20 from 9:11 p.m. This is to make-up for the dance that was canceled on the night of the Kentwood game. It will be presented by the Student Council in the multi-purpose room as a between-seasons festivity.

# Grattan Township Outdoor Assembly Ordinance

**PUBLIC NOTICE**  
At a regular meeting of the Grattan Township Board held on the 9th day of November, 1970, the following Ordinance was adopted:

**ORDINANCE NO. 10  
OUTDOOR ASSEMBLY ORDINANCE**  
An Ordinance to license, regulate and control, in the interest of the public health, safety and welfare, outdoor gatherings of persons in excess of three hundred, to provide penalties for violations thereof and to repeal all ordinances of parts of ordinances inconsistent therewith.

**THE TOWNSHIP OF GRATTA ORDAINS:**

The Township Board of Grattan Township finds and declares that the interests of the public health, safety and welfare of the citizens of Grattan Township require the regulation, licensing and control of assemblies of large numbers of persons in excess of those normally drawing upon the health, sanitation, fire, police, transportation, utility and other public services regularly provided in this Township.

**Section 1. NAME.** This Ordinance shall be known and cited as the Grattan Township Outdoor Assembly Ordinance.

**Section 2. DEFINITIONS.**

A. "Outdoor Assembly," hereinafter referred to as "assembly" means any event, attended by more than 3,000 attendees, all or any part of which includes a theatrical exhibition, public show, display, entertainment, amusement or other exhibition, including, but not limited to musical festivals, rock festivals, peace festivals or similar gatherings, but does not mean:

1. An event which is conducted or sponsored by a governmental unit or agency on publicly owned land or property;
2. An event which is conducted or sponsored by any entity qualifying for tax exempt status under Section 501 (c) (3) of the Internal Revenue Code of 1954, being 26 U.S.C. 501 (c) (3), as incorporated by reference in Section 201 of the Michigan Income Tax Act of 1967, Act 281 of the Public Acts of 1967, being Section 206.201 of the Compiled Laws of 1948; or
3. An event held entirely within the confines of a permanently enclosed and covered structure.

B. "Person" means any natural person, partnership, corporation, association or organization.

C. "Sponsor" means any person who organizes, promotes, conducts, or causes to be conducted an outdoor assembly.

D. "Attendee" means any person who obtains admission to an outdoor assembly by the payment of money or by the rendering of services in lieu of the payment of money for admission.

E. "Licensee" means any person to whom a license is issued pursuant to this ordinance.

**Section 3.** A person shall not sponsor, operate, maintain, conduct or promote an outdoor assembly in Grattan Township unless he shall have first made application for, and obtained as hereinafter prescribed, a license for each such assembly.

**Section 4. APPLICATION FOR LICENSE.** Application for a license to conduct an outdoor assembly must be made in writing on such forms and in such manner as prescribed by the clerk of the Township of Grattan and shall be made at least 60 days prior to date of the proposed assembly. Each application shall be accompanied by a non-refundable fee of \$100.00 and shall include at least the following:

- A. The name, age, residence and mailing address of the person making the application (Where the person making the application is a partnership, corporation or other association, this information shall be provided for all partners, officers and directors, or members. Where the person is a corporation, a copy of the articles of incorporation shall be filed, and the names and addresses shall be provided of all shareholders having financial interest greater than \$500.00).
- B. A statement of the kind, character, and type of proposed assembly.
- C. The address, legal description and proof of ownership of the site at which the proposed assembly is to be conducted. Where ownership is not vested in the prospective licensee, he shall submit an affidavit from the owner indicating his consent to the use of the site for the proposed assembly.
- D. The date or dates and hours during which the proposed assembly is to be conducted.
- E. An estimate of the maximum number of attendees expected at the assembly for each day it is conducted and a detailed explanation of the means by which such number will be used and of the sequential numbering or other method which will be used for accounting purposes.
- F. Each application shall be accompanied by a detailed explanation, including drawings and diagrams where applicable, of the prospective licensee's plans to provide for the following:
  - A. Police and fire protection.
  - B. Food and water supply facilities.
  - C. Health and sanitation facilities.
  - D. Medical facilities and services including emergency vehicles and equipment.
  - E. A nunciating and parking facilities.
  - F. Camping and trailer facilities.
  - G. Illumination facilities.
  - H. Communications facilities.
  - I. Noise control and abatement.
  - J. Facilities for clean up and waste disposal.
  - K. Insurance and bonding arrangements.

In addition, the application shall be accompanied by a map or maps of the overall site of the proposed assembly.

**Section 5.** On receipt by the clerk, copies of the application shall be forwarded to the chief law enforcement and health officers for the county, the state fire marshal, and to such other appropriate public officials as the clerk deems necessary. Such officers and officials shall review and investigate matters relevant to the application and within 20 days of receipt thereof shall report their findings and recommendations to the Township Board.

**Section 7.** Within 30 days of the filing of the application, the Township Board shall issue, set conditions prerequisite to the issuance of, or deny, a license. The Township Board may require that adequate security or insurance be provided before a license is issued. Where conditions are imposed as prerequisite to the issuance of a license, or where a license is denied, within 5 days of such application, notice thereof must be mailed to the applicant by certified mail, and, in the case of denial, the reasons therefor shall be stated in the notice.

**Section 8.** A license may be denied if:

1. The applicant fails to comply with any of all requirements of this ordinance, or with any of all conditions imposed pursuant hereto, or with any other applicable provision of state or local law; or
2. The applicant has knowingly made a false, misleading or fraudulent statement in the application or in any supporting document.

**Section 9.** A license shall specify the name and address of the licensee, the kind and location of the assembly, the maximum number of attendees permissible, the duration of the license and any other conditions imposed pursuant to the terms of the assembly, and shall not be transferred to any other person or location.

**Section 10.** In processing an application the Township Board shall, at a minimum, require the following:

A. Security Personnel. The licensee shall employ at his own expense such security personnel as are necessary and sufficient to provide for the adequate security and protection of the maximum number of attendees at the assembly and for the preservation of order and protection of property in and around the site of the assembly. No license shall be issued unless the chief law enforcement officer for the county in cooperation with the Director of State Police is satisfied that such necessary and sufficient security personnel will be provided by the licensee for the duration of the assembly.

B. Water Facilities. The licensee shall provide potable water, sufficient in quantity and pressure to assure proper operation of all water using facilities under conditions of peak demand. Such water shall be supplied from a public water system, if available, and if not available, then from a source certified, located and approved in accordance with Act 294, Public Acts of 1965, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable state or local law, or from a source and delivered and stored in a manner approved by the county health officer.

C. Restroom Facilities. The licensee shall provide separate enclosed flush-water closets as defined in Act 266, Public Acts of 1929, and the rules and regulations adopted pursuant thereto in accordance with any other applicable state or local law. If such flush-water facilities are not available, the county health officer may permit the use of other facilities which are in compliance with Act 273, Public Acts of 1933, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable state or local law.

The licensee shall provide lavatory and drinking water facilities constructed, installed, and maintained in accordance with Act 266 of the Public Acts of 1929, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable state or local law. All lavatories shall be provided with hot and cold water and soap and paper towels.

The number and type of facilities required shall be determined, on the basis of the number of attendees, in the following manner:

Facilities	Male	Female
Toilets	1:300	1:200
Urinals	1:100	
Lavatories	1:200	1:200
Drinking Fountains	1:500	
Taps or Faucets	1:500	

Where the assembly is to continue for more than 12 hours, the licensee shall provide shower facilities, on the basis of the number of attendees, in the following manner:

Facilities	Male	Female
Shower Heads	1:100	1:100

All facilities shall be installed, connected, and maintained free from obstructions, leaks and defects and shall at all times be in operable condition as determined by the county health officer.

D. Food Service. If food service is made available on the premises, it shall be delivered only through concessions licensed to operate in accordance with the provisions of Act 269, Public Acts of 1968, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable state or local law.

If the assembly is distant from food service establishments open to the public, the licensee shall make such food services available on the premises as will adequately feed the attendees.

E. Medical Facilities. If the assembly is not readily and adequately accessible to adequate existing medical facilities, the licensee shall provide and maintain such facilities on the premises of the assembly. The kind, location, staff strength, medical and other supplies and equipment of such facilities shall be prescribed by the county health officer.

F. Liquid Waste Disposal. The licensee shall provide for liquid waste disposal in accordance with all rules and regulations pertaining thereto established by the county health officer. If such rules and regulations are not available or if they are inadequate, then liquid waste disposal shall be in accordance with the United States Public Health Service, Publication No. 526, entitled, "Manual of Septic Tank Practice." If liquid waste retention and disposal is dependent upon pumps and haulers, they shall be licensed in accordance with Act 243, Public Acts of 1951, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable state or local law, and prior to issuance of any license, the licensee shall provide the county health officer with a true copy of an executed agreement in force and effect with a licensed pump or hauler, which agreement will assure proper, effective and frequent removal of liquid waste from the premises so as to neither create a nuisance nor menace to the public health.

F. Solid Waste Disposal. The licensee shall provide for solid waste storage on, and removal from, the premises. Storage shall be in approved, covered, fly tight and rodent proof containers, provided in sufficient quantity to accommodate the number of attendees. Prior to issuance of any license, the licensee shall provide the county health officer with a true copy of an executed agreement in force and effect with a licensed waste collector, which agreement will assure proper, effective and frequent removal of solid waste from the premises so as to neither create nor cause a nuisance or menace to the public health.

The licensee shall implement effective control measures to minimize the presence of rodents, flies, roaches and other vermin on the premises. Poisonous materials, such as insecticides or rodenticides shall not be used in any way so as to contaminate food, equipment or other articles which constitute a hazard to the public health. Solid waste containing hazardous material shall be stored so as to be inaccessible to vermin. The premises shall be kept in such condition as to prevent the harborage or feeding of vermin.

H. Public Bathing Beaches. The licensee shall provide or make available or accessible public bathing beaches only in accordance with Act 218, Public Acts of 1967, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable provision of state or local law.

I. Public Swimming Pools. The licensee shall provide or make available public swimming pools only in accordance with Act 230, Public Acts of 1966, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable provision of state or local law.

Section 11. The licensee shall provide a parking area sufficient to accommodate all motor vehicles, but in no case shall he provide less than one automobile space for every four (4) attendees.

L. Camping and Trailer Parking. A licensee who permits attendees to remain on the premises between the hours of 2 a.m. and 6 a.m. shall provide for camping and trailer parking facilities in accordance with Act 171, Public Acts of 1970, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable provision of state or local law. While Act 171 does not become effective until January 1, 1971, for purposes of this ordinance, its provisions shall be effective and applicable upon the adoption of said ordinance.

M. Illumination. The licensee shall provide electrical illumination of all occupied areas sufficient to insure the safety and protection of attendees. The licensee's lighting plans shall be approved by the building inspector before the issuance of a license, and in accordance with the provisions of Act 146 of the Public Acts of 1961, and the rules and regulations adopted pursuant thereto, and in accordance with any other applicable provision of state or local law.

N. Insurance. Before the issuance of a license, the licensee shall obtain public liability insurance with limits of not less than \$300,000 and property damage insurance with the limit of not less than \$25,000 from a company or companies approved by the Commissioner of Insurance of the State of Michigan, which insurance shall insure liability for death or injury to persons or damage to property which may result from the conduct of the assembly or conduct incident thereto, and which insurance shall remain in full force and effect in the specified amounts for the duration of the license. The evidence of insurance shall include an endorsement to the effect that the insurance company shall notify the clerk of Grattan Township in writing at least 10 days before the expiration or cancellation of said insurance.

O. Bonding. Before the issuance of a license the licensee shall obtain, from a corporate bonding company authorized to do business in Michigan, a corporate surety bond in the amount of \$100,000 in a form approved by the Township authority, conditioned upon the licensee's faithful compliance with all of the terms and provisions of this ordinance and all applicable provisions of state or local law, and which shall indemnify the Township, its agents, officers, and employees and the Township Board against any and all loss, injury or damage whatsoever arising out of or in any way connected with the assembly and which shall indemnify the owners of property adjoining the assembly site for any costs attributable to cleaning up and/or removing debris, trash, or other waste resultant from the assembly.

P. Fire Protection. The licensee shall, at his own expense, take adequate steps as determined by the state fire marshal, to insure fire protection.

Q. Sound producing equipment, including but not limited to, public address systems, radios, phonographs, musical instruments and other recording devices, shall not be operated on the premises of the assembly so as to be unreasonably loud or raucous, or so as to be a nuisance or disturbance to the peace and tranquility of the citizens of Grattan Township.

R. Fencing. The licensee shall erect a fence completely enclosing the site, of sufficient height and strength as will preclude persons in excess of the maximum permissible attendance from public access and which will have sufficient gates properly located so as to provide ready and safe ingress and egress.

S. Communications. The licensee shall provide public telephone equipment for general use on the basis of at least one unit for each 1,000 attendees.

T. Miscellaneous. Prior to the issuance of a license, the Township Board may impose any other condition(s) reasonably calculated to protect the health, safety, welfare and property of attendees or of citizens of the Township of Grattan.

**Section 11. REVOCATION.** The Township Board may revoke a license whenever the licensee, his employee or agent fails, neglects or refuses to fully comply with any and all provisions and requirements set forth herein or with any and all provisions, regulations, ordinances, statutes, or other laws incorporated herein by reference.

**Section 12. VIOLATIONS.** It shall be unlawful for a licensee, his employee, or agent, to knowingly:

- A. Advertise, promote or sell tickets to, conduct or operate an assembly without first obtaining a license as hereinafter provided.
- B. Conduct or operate an assembly in such a manner as to create a public or private nuisance.
- C. Conduct or permit, with the assembly, any obscene display, exhibition, show, play, entertainment or amusement.
- D. Permit any person on the premises to cause or create a disturbance in, around, or near the assembly by obscene or disorderly conduct.
- E. Permit any person to unlawfully consume, sell, or possess, intoxicating liquor while on the premises.
- F. Permit any person to unlawfully use, sell, or possess any narcotics, narcotic drugs, drugs or other substances as defined in Act 343, Public Acts of 1952.

Any of the above enumerated violations is a separate offense, and a licensee who is immediately enjoined in the circuit courts, and, is punishable by imprisonment in the county jail for not more than 90 days or by a fine of not more than \$100.00, or by both such fine and imprisonment.

It is further provided that any of the above violations is a sufficient basis for revocation of the license and for the immediate enjoining in the circuit court of the assembly. **Section 13. SEVERABILITY.** If any portion of this ordinance or the application thereof to any person or circumstances shall be found to be invalid by a court, such invalidity shall not affect the remaining portions or applications of this ordinance which can be given effect without the invalid portion or application, provided such remaining portions are not determined by the court to be inoperable, and to the extent that this ordinance is declared to be severable.

**Section 14. EFFECTIVE DATE.** This ordinance shall be effective from and after November 9th, 1970.

All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

# Arrow Shut Out Gull Lake, 22-0

BY BROOKE JOHNSON

The Lowell High Red Arrows put together the second of their tremendous showings when they shut out Gull Lake 22-0 here last Friday night.

The Arrows are now in a final 3rd place standing in the league.

Lowell received the ball to begin the game, and their offense took off on a 12-play, 60-yard drive featuring mainly Pete Olson running off of key blocks by Mark Billock, to the Gull Lake 7. There Joe Rinard took a short quick pass from Denny DeWitt for the Arrows' first six points.

The game then turned defensive with both teams battling across the 50.

Late in the third period, the Arrows started a drive from their own 22 all the way to the Gull Lake 3, where DeWitt ran one in for six more points. Rinard grabbed DeWitt's pass over the center for the two-point conversion, putting the Arrows out front, 14-0.

DeWitt again scored, this time with a quarterback sneak, and the much used DeWitt-to-Rinard pass made good the conversion, netting Lowell an additional two points.

Gull Lake's only real scoring threat was stopped when defensive man Pat Herblet recovered a fumble on Lowell's five-yard line with only 50 seconds left on the clock.

The Arrows totaled 341 yards on offense; made 15 first downs and owned the ball for 75 plays. By comparison Gull Lake totaled 155 yards and had eight first downs by running the ball 40 plays.

## BELDING

Two weeks ago last Friday the Arrows played another outstanding game when they won over Belding 46-24.

The game belonged to DeWitt who scored four out of the six touchdowns while the other two were scored by defensive-men.

The first touchdown of the game was scored by the Redskins when Rog Jackson ran for a 45-yard touchdown.

Lowell scored when defensive tackle Paul Klifman grabbed a fumble shook loose by John Brower in the end zone.

# Thornapple Lions Appreciate Support

Looking for an activity? Join the Thornapple Lions. The club needs new members to keep up with its plentiful activities.

President Ed Buell is proud of the overwhelming use of the Thornapple Lions community park this year. Jay Liefbroer, park director, is looking for more help in keeping the park, which is located on Thornapple River Drive just south of Ada, in trim. The use of the picnic area was extremely heavy from May through October. The rains made it hard to keep everything in order, says Liefbroer, but, nevertheless, some flowering bushes will be added for the coming season.

During the summer the Thornapple Valley Baseball League used the three diamonds every day. Baseball league director, Bob Dangel, said that 500 boys were organized into three independent leagues plus two American Legion leagues. This was a new venture for the Lions, who were led by Dangel and Dr. Ernest Ensing.

"With only 35 members, the Lions could not possibly have been able to complete the past successful year at this park without the splendid support of so many from the community," said Buell. "Our thanks to everyone, whether it was for their hearts, their backs, or their money."

The Lions Clubs throughout Michigan are also deeply involved in the White Cane projects.

## LOWELL FRESHMEN WIN AGAIN

The Lowell Freshman football team ran their win streak to 4 in a row by defeating Kent Occupational Education and Training Center 18-6 at Kimble Stadium in Wyoming.

Leading rushers in the game were Bob Chapman with 118 yards, Rusty Steffens with 62 yards, and Dave Beach with 50 yards. Jeff Pierce completed eight passes while attempting 13.

The Red Arrows Frosh gained 290 yards while Kent gained 142 yards. The Freshmen will close out their season with a home game against Rockford at 5 p.m. Thursday at Recreation Park.

Belding scored twice in the second quarter but DeWitt came back to score on a quarterback sneak. Pete Olson then scored two more on the conversion leaving the Arrows behind 14-18.

Lowell's defense not only held the Redskins through the third quarter but also scored a touchdown when Dave Yeiter intercepted a pass and ran four yards for a touchdown. Olson then ran his way into the end zone to pick up two more points.

The Arrows again scored in the third quarter, this time when DeWitt ran in from the two-yard line. Olson again picked up the two points.

Belding's last touchdown was scored in the fourth quarter when Ben Neilsen took a pass from Mike Kohn and ran 29 yards for a touchdown.

The Arrows racked up two more touchdowns when DeWitt ran around the end twice from inside the 10 and Olson scored two more inside the 10 and Olson scored two more conversions. The final score was 46-24.

# Forest Hills Steamrollers Over Belding, 49-20

Victory came to the Forest Hills football team as they romped over the Belding team in the last home game Friday. Frustrations were let loose with a vengeance as the Rangers scored three touchdowns in the first eight minutes of play.

In a rolling game, the Green and White totaled over 500 yards in rushing with a tremendous attack that ended the game with a final score of 49-20. The leading rusher was Craig Wynant who gained 223 yards, made three touchdowns and one extra point. The only weakness in the game, according to the coaching staff, was in passing.

The first touchdown for Forest Hills came in the first two minutes of play after Belding attempted to punt. Larry Deibel took over, running straight up the middle to score six points. An extra two points was made on a pass from Ron VanderBaan to Bob Warner.

Three minutes later Wynant went up the middle on a 23-yard run, completing the second touchdown. VanderBaan's run around end for extra points failed.

The third TD for the Rangers was made on a pass from VanderBaan to Jeff Van Strein for fifteen yards. Thus ended the first quarter at 20-0.

Two more touchdowns by the Green and White came in the second quarter. Wynant went up the middle with a 15-yard plunge and also made a smash through the middle for the two extra points.

Mark Anderson from two yards out went off tackle for a touchdown, and a points-after attempt was run up the middle by Warner, also good. The Belding team made two touchdowns in this quarter.

The third period was all Forest Hills' as the Belding team was held to only two yards rushing and zero yards passing, although they tried four passes. A two-yard plunge up the middle by Wynant added to the score, although the try for extra points failed. It was 42-14 going into the fourth quarter.

Bill Kekasi recorded the longest run of the season for the Rangers as he romped 49 yards off left end. Vic Switzer kicked the 49th point for his team. The Belding players managed one more TD before the final whistle.

The coaching staff said outstanding games had been played by George McCarger, who worked both offensively and defensively, and by Dick Powell, who was injured in the fourth quarter and who is now on crutches for the rest of the season.

There is only one game remaining for the Ranger team. The players are looking forward to Friday's hassle with Northview, rated the number one team in the state in Class B. The game will be held at 7:30 p.m. at the Northview field.

"It was a tremendous effort by every member of the team," said the coaching staff, "We were able to show our team's talent, and the boys never let down."

Oberlin qualified for the state finals when he placed sixth in the regionals at Indian Trails the Saturday before. Mike also placed fourth in the Tri-River Conference meet Oct. 22.

# Census Bureau Slates Employment Survey

The Bureau of the Census will conduct a survey of employment and unemployment in this area during the week of Nov. 15, Hobert A. Yerkey, Director of the Bureau's regional office in Detroit announced today.

In addition to the regular questions on employment asked each month, the survey will again collect information about supplemental or part-time jobs and the number of hours devoted to them.

The Bureau will also ask whether each person included in the sample voted in the November election or had been registered to vote. Similar questions were asked in November 1968, 1966, and 1964.

The households to be interviewed here are part of a scientifically designed sample that is representative of the entire U.S. population. The employment and unemployment statistics are collected monthly by the Bureau for the U. S. Department of Labor to provide a continuing measure of the economic health of the Nation as a whole and of its major regions.

Facts supplied by individuals participating in the survey are kept confidential and are used only to compile statistical results. The law safeguarding the privacy of the individual applies to all information collected by the Census Bureau.

Interviewers who will visit households in this area included in the sample survey are Mrs. Lucy Hall, 3046 Knapp, N. E. Grand Rapids, and Mrs. Ruby Ver Strate, 1900 Darwin, S.W., Grand Rapids.
