ALONG MAIN STREET

Did you hear about the lucky fellow who was driving just north of Lowell when he spotted two Christmas trees lying in the road, having apparently fallen off a truck? Now he has one for his living room and another for the family room!

Anyone know how to get squirrels out of the basement? Ours are especially fond of the apples we had stored there. And here all along we thought we had a family of poltergeists living with us!

How about that poor fellow who was nicked quite badly while being shaved. Owen asked him if he wanted his head wrapped in a hot towel and the customer answered, "No thanks, I'll just carry it home under my arm."

A lot of people were awfully unhappy with the deluge of rain last week, but at least you didn't have to shovel it!

To conclude the saga of poor Boo, the operation was a success but the patient died!

Christmas hint to wives: If you're having trouble finding something different for that man in your life, how about surprising him with a pair of those new pantyhose for men that are just now hitting the market?

It's beginning to look a lot like Christmas around Lowell again with the gaily decorated light poles and the stores dressed up in their Christmas garb.

That huge wreath hanging from Cary's ceiling is really something else!

High School Band And Choir Concert Thursday, Dec. 17

The Lowell High School Choir and Band will present their Christmas Concert on Thursday evening, Dec. 17, at 8 p.m. at the high school gymnasium.

The choir, with its ninety-two members, and under the direction of Paul Balsam, will do numbers consisting of "You're a Good Man, Charlie Brown," "Go Tell It On The Mountain," "The Christmas Song," and many others.

The band, under the direction of William Mills, will do about five numbers, and a new choir called the "Chamber Choir" will also do a variety of songs.

Please notice the change in the date from the one which was given in last week's Ledger.

ADA TOWNSHIP APPOINTMENTS

In a brief bi-monthly meeting, members of the Ada Township Board of Review were appointed for two-year terms. Henry Riemersma and Alfred Rypstra were both reappointed to the positions they had held, and Jack Forshar filled the vacancy of Harold Burt who is leaving for South America.

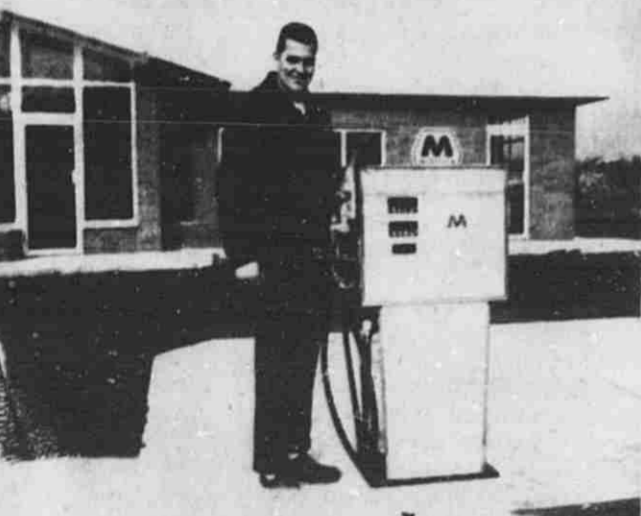

Reappointed to the Planning Commission were Stephan Harmon, John Adrianse, and Kathryn Kuiper for terms of three years.

Both the Building Inspector, Herman Stukkie and the Fire Chief, Stan Omolenski, were reappointed to previously held positions.

Mrs. Barbara Mooney was once again appointed Deputy Clerk for two years. Clerk Ken Anderson will serve on the Board of Appeals for his term of office.

Eugene Alkema will once again act as the township attorney; Moore and Bruggink will continue to be the township's official engineering firm. Auditors for Ada Township will be Smerk, Kranz, and DeVries.

JOHN DeKOK OPENS NEW SERVICE STATION

John DeKok, Eastmont resident and area service station operator, will open his new Marathon Service Station at the corner of 28th Street and E. Paris Rd. on Dec. 10. DeKok will offer expert auto service in addition to quality gas, oil, tires, batteries and accessories at his new station. He formerly operated a station at East Paris and 28th Street, served as a mechanic for the City of Wyoming and has had special training at both Auto Lite and Delco service schools.

DeKok was born in Minnesota in 1943, and came to Ada in 1956. He is a graduate of Grand Rapids Christian High School and served three years in the U.S. Army. He lives with his wife and year-old son in Eastmont and is a Deacon in Ada Christian Reformed Church.

He invites all his friends and former customers to stop during his grand opening celebration; see advertisement in another part of this issue.

Servicemen Are Remembered Monthly

PACKING CHRISTMAS CANDY — For servicemen overseas by ladies of the First United Methodist Church are from left to right: Mrs. Orval Jessup, Mrs. Howard Clark, Mrs. Arnold Wittenbach, Mrs. Louise Schneider, Mrs. Lafayette Tanner, Mrs. Orval McKay, Mrs. Martin Johnson, Mrs. Robert Barnes, Mrs. Dean Bailey, Mrs. Olen Miller and Mrs. Norton Avery. (Photo by Norton Louis Avery)

The First United Methodist Church of Lowell through its Servicemen's Committee seeks to be in contact with all twenty-seven of its church related service personnel often.

Each month a process is repeated that mediates the love and concern of the church to members of the Armed Services. Cookies or candy is homemade by approximately ten persons of the forty-person baking list. The baked goods are then individually wrapped to insure freshness before being packed in coffee cans, wrapped, addressed, and mailed. A volunteer committee of five to fifteen ladies do the packing and mailing.

Money for the wrapping supplies is provided by interested members of the congregation and the Women's Society of Christian Service donates the twelve to twenty dollars needed for each month's mailing.

Boy Scouts March Against Muscular Dystrophy

Boy Scout Troop 102 of Lowell under the direction of William Nowak is once again heading the March for Dystrophy in the Lowell Area.

Nearly a million volunteers march throughout the country to raise money to find a cure for Muscular Dystrophy. In addition to the money used for research, the Association also gives concrete help to patients and their families through its nationwide network of chapters and clinics.

The Kent County Chapter of MDAA maintains a clinic at Blodgett Memorial Hospital free of charge to the patients and provides them with wheelchairs, braces, lifts, and other orthopedic devices. Children are the chief victims of muscular dystrophy, a disease which invades and destroys the voluntary muscles. As they waste away, the body becomes progressively weaker, and very few of these children survive to maturity.

The Boy Scouts in Lowell have helped with this project for a number of years and it is heartening to realize how much these young people care, and how eager they are to do everything they can for other children. "When you open your door, open your heart" — Give to the MARCH AGAINST MUSCULAR DYSTROPHY.

CASCADE BOARD APPROVES WATER & SEWER ON 36TH ST.

In a comparatively brief meeting held by the Cascade Township board on Monday evening the request of property owners on 36th Street was granted. Water and sewer facilities will be allowed between Patterson Avenue and Kraft Avenue.

Several citizens appeared at the meeting to object to the Young Marine Camp which is located on Thornapple River Drive. The location is zoned R-1 which is limited to residential buildings only. According to Lee Patterson, supervisor of the township, it would appear that the camp is in conflict with zoning requirements and is not in character with the neighborhood. A study of the objections and the use of the land will be made.

The supervisor appointed Sy Dykhouse and Bruce Chadwick, members of the board, to study the outdoor-gathering ordinance as proposed and the soil and erosion amendments under consideration. They will report to the board on their findings at the next meeting, which will be held Monday, January 4, 1971.

MASTER'S DEGREE RECEIVED FROM M.S.U.

Fall graduation exercises for 1970 were held at Michigan State University on Saturday, December 5, 1970, in the University Auditorium. Advanced degrees were presented in ceremonies held at 10 a.m. while bachelors' degrees were presented at 2 p.m.

Those attending the 10 a.m. ceremonies from Lowell were Mr. and Mrs. John Troy who were joined by their daughter, Mrs. Ronald (Pam) Fort of Lansing. The occasion was the presentation of a Master's Degree in Education to Mrs. John Troy, fifth grade teacher in the Lowell Area Schools. Mrs. Troy completed her Master's Degree work this past summer of 1970 after having received her B.A. in June of 1966.

Along with the other graduates who attended the graduation exercises, Mrs. Troy was recognized individually as a token diploma, was presented on stage by the President of M.S.U., Dr. Clifton R. Wharton, Jr. Processional and Recessional music was performed by the M.S.U. Symphonic Band under the direction of Dr. Kenneth Bloomquist.

In addition to the mailings of cookies and candy, a "Serviceman Of The Month" is selected. The congregation then sends cards, letters, or gifts of concern and appreciation. Usually the "Serviceman Of The Month" is one of the men stationed in Viet Nam. He is also featured in a special article in Parish Tidings, the weekly congregational newspaper.

Currently there are eighteen of the church's servicemen in the United States; two in Europe; two on board ship; and five in Viet Nam.

Ski Clinic Open To All

Three expert skiers will be present at the second annual pre-season conditioning ski clinic sponsored by the East Grand Rapids Recreation Department.

Paul R. Williams, Certified Ski Instructor, will again conduct the ski program which will begin on Monday, December 7. The other two sessions will be held on December 14 and 21. All classes will be at the East Grand Rapids Junior High School from 7-8:30 p.m.

The program is open to all area residents. It is a safety and educational program and the only one available in the community.

Paul Williams is a former United States Olympic team member and has been an instructor for eleven years. Hogo Bohm, internationally known expert, will be on hand to share his racing experiences and illustrate techniques. Mike Larkin will also draw on his extensive experience as a member of the coaching staff of the Olympic Ski Team.

The pre-season conditioning clinic will consist of guest speakers, lectures, movies, equipment demonstrations, dry land instruction, and pre-conditioning exercises to prevent accidents and to strengthen muscles.

The clinic will run for three evenings. Participants are advised to wear sports clothes or slacks. For information about tickets call 949-2110.

Chase Brings Jail Sentence

A high speed chase beginning on south Hudson Street and ending at a residence on 64th Street in Alto brought an Alto resident a heavy fine and time in jail. According to the police report, Walter Earl Hall, 21, of Route No. 2, Alto, was traveling at a high rate of speed on Main Street, then turned south on Hudson Street. Hall refused to pull over when signalled to by officers of the Lowell Police Department and increased his speed in excess of 90 miles per hour in addition to 'running' two stop signs. When stopped he resisted arrest.

Hall was arrested for reckless driving and attempting to elude a police officer and was lodged in the Kent County Jail at 2 a.m., December 3. Appearing before Judge Joseph White (63rd District Court) Hall pleaded guilty to both charges and was ordered to pay fines and costs totaling \$216.00 and to be confined in the Kent County Jail for five days. Failure to pay the fines and costs would result in an additional 10 days in jail.

The following is the police department activity report for the month of November compiled by officer Pace.

Calls and complaints investigated, 175; Citations issued, 44; Repair & Report Citations issued, 16; Property damage accidents policed, 6; Parking violations issued, 41; Personal injury accidents investigated, 1; Stolen Property complaints, 1; Recovered property, 3; Larceny complaints, 3; Doors & Windows found open, 9; Fire Calls (traffic control), 3; Severe Thunderstorm watch, 3.

Arrests, 24; Warrants, 8; Court cases, 9; Driving Under the Influence of Intoxicating Liquor, 6; Dog complaints, 2; Property destruction complaints, 4; Prowler calls, 2; Suspicious persons complaints, 1; Emergency messages delivered, 1; Assists to other departments, 13; Assists to citizens, 18; Family trouble complaints, 3; Juvenile arrests, 1; Total miles driven, 6,600.

Council To Act On Housing Authority

The City Council ordered the City Manager Blaine Bacon to investigate the steps necessary to set up a housing authority to provide low cost housing for senior citizens and low income families in the community. The housing authority would work in the proposed urban renewal program scheduled to get underway next year.

The council has been urged to provide the medium to obtain low cost senior citizen housing similar to that that has been constructed in Belding, Greenville and Rockford. Units in this Housing and Urban Development program rent for as little as \$45.00 a month in these nearby communities. Lowell will be eligible to receive HUD help after the housing, fire, plumbing and electrical codes have been in effect for six months.

New Hearings Called

The council called for new hearings Jan. 4 on two special assessment districts on High Street and Foreman Street where sewers were constructed this summer. Final construction figures were double the original estimate that was based on previous construction.

The council is expected to extend the payment time and to offer a delayed assessment plan for residents of the special assessment district who are on social security or other public assistance programs.

Buy New Street Equipment

The low bids were accepted by the council on the manager's recommendation for a new tractor-loader-backhoe, 3/4 ton pick-up truck and a flail mower.

A request by city employees to receive their pay weekly instead of bi-weekly as now provided. The manager was asked to investigate the cost and effect on city office staff.

The City Manager was authorized to send gift hams or turkeys to all members of the fire department and police reserves as a token of appreciation for their fine work by the citizens of the community.

Discuss Connector Road

Much of the two-hour meeting was given over to discussion of the route for the connector road between West Main Street and Foreman Street. Douglas Dok is about to let contracts for streets and underground structures in Valley Vista Plat No. 7 which lie across the path of the proposed connector street. Dok had been given preliminary approval for the plat and is now faced with a reversal of that approval.

After a long discussion, the council voted to compromise the street's location so it would only run along the edge of the plat. The manager and Dok will work out the necessary changes and bring their findings back to the council.

The street's location is only for planning purposes; there is neither money nor plans to build this street in the near future.

Rosemary's Sauces

FILLING JARS — Of their special ice cream sauce at Rosemary's Country House are Kitty Roberts, owner; (left) and Beth Grochowalski, cook.

It all started with hot fudge sauce. Although many pleased customers are familiar with Rosemary's Country House as a gift shop on Ada Drive, a large portion of them may not realize that behind the scenes another venture literally cooks.

Rosemary's Sauces have moved to Ada. The well established mail order company now has a local address and is entirely owned by Kitty Roberts. Originally, she and a friend, Ginny Ricker, were partners in a gourmet sauce enterprise that they began in a small way and enlarged to a company that sells from Maine to California and beyond.

When the two friends began, each contributed recipes that they had perfected. There were six dessert sauces. Each partner produced three that first summer and each took samples of all six to resort areas where they sold them to shops.

The sauces were sold under the label "Rosemary's" since each partner had a daughter named Rosemary.

Success came in the beginning as word of the delicacies was spread. Marshall Field's in Chicago was the first large customer and is still ordering after eighteen years. A building on Wealthy Street in Grand Rapids became the home of the ever-growing venture. Boxes, labels, and paper work meant the hiring of a cook.

Today the line of dessert sauces, which include such mouth-watering titles as honey-orange, creme de menthe, sherry butterscotch, and chocolate mocha, has increased to sixteen labels and includes preserves and condiments. There are a curry dip and a peach chutney that would raise any party to epicurean heights.

The sauces are sold in small jars for easy handling and mailing. Often they are packed for gift giving in straw baskets or with special trays. Mrs. Roberts now operates the business from her gift shop which gives her complete control over the quality of the product. Rosemary's sauces go to foreign countries by mail, but may be purchased retail at the source.

Food Editor Clementine Paddelford once said in print, "Perhaps the finest line of sauces we have ever wrapped our tongue around, made entirely by hand in this day and age... imagine!

Trash Glass Collection Barrels

Leon Bohlius and his aunt, Mrs. Hugh Bohlius, deposit trash in containers supplied by the Forest Hills Girl Scouts Troop 480 who are collecting for re-cycling of the material in an anti-pollution campaign.

Any time is a good time to deposit trash glass in the containers provided by the Forest Hills Girl Scouts at the three property stores in the area. Troop 480 is only the second organization in the state to receive a contract with Owens-Illinois for re-cycling of glass. The first was a University student group in Ann Arbor. Just be sure that the glass is free of metal and placed in the proper container according to color. TOWNSHIPS GET REPRESENTATION UNDER POWELL-SPONSORED BILL

Michigan's townships have been guaranteed a voice in the allocation of county property tax revenues. State Representative Stanley M. Powell's bill assuring a township representative on the county allocation board has been signed into law by Governor William G. Milliken. "Up until this time," Powell said, "all governmental levels concerned with the distribution of general property tax revenues, except townships, have been guaranteed a seat on the allocation board. This bill corrects that obvious inequity and provides townships with their rightful voice in millage allocation." Under the Powell bill, any member of a township governing board is eligible for appointment to the allocation board. The selection of the township representative will be made by a majority decision of the county clerk, county treasurer and county sheriff.

Letters to the Editor

Dear Editor, The rural mailboxes are a danger to drivers? The mailboxes are off the roads; the cars and drivers are supposed to stay on the road. The driver is supposed to have his car under control at all times and drive according to the condition of the road and the weather.

Yes, a lot of people have put up rigid supports that can't be knocked over, but there may be a reason for it; the owners may be tired of setting the mailbox back up after many times finding it knocked over.

There are a lot of elderly people in poor health who live on the rural routes and when their box is knocked down, it could be dangerous to their health to have to set up a new support. Ours was knocked down the night my husband got home from the hospital a couple of years ago, not for the first time or the last time.

Why don't the drivers that knock one down go to the house and at least tell the person and offer to set up a new post? Only one person has ever offered to set ours up again. The snow plows have knocked over many, too. Our support is a 2 x 4, so it isn't a solid, unyielding support.

Sincerely, Mrs. William Rogers Route 3, Lowell

Mad Musings by Jane

It is now that time of year when we are supposed to be full of good will and good cheer toward all of our fellowmen, but me thinks that there are times when, at least some of us, may harbor a "Scroogie" thought or two.

For instance, I mentally stick pins in people from whom I receive cards on the first of December when I have not even purchased mine. Especially when the reason for the early delivery is the departure for a warmer clime (and they know how I hate the cold weather).

Then there are those whose homes take on that look of Christmas right after Thanksgiving when I still have the remnants of Halloween around. And people who have their gifts bought, wrapped and tied do not exactly do anything for my morale, either.

Sports enthusiasts, skiers and snow-bloomers in particular, who greet the first signs of snow with the greatest of glee are high on my list to receive my mental jabs.

However, if we just look deep enough we usually can derive some consolation or compensation from life's little laments. Receiving those early bird greeting cards provides me with an instant Christmas card list. And there is some compensation to be found in the fact that if there are enough early shoppers, I'll have clear sailing by the time I get around to do mine.

As for those gaily decorated homes - many clever ideas can be picked up by quietly observing your friends and neighbors and then stealing their ideas to adapt for your own. A few changes here and there and they might think you are the clever one! (Ah! How devious are they ways, oh, woman!)

Last, but not least, are the lovers of the winter's snows - go ahead and have your fun - I'll stay right here, inside, all snug and warm, while in my head dance visions of summer's sun!

Do not miss the opportunity to help defray costs and for purchase of shirts and slacks. For information regarding bookings, call 676-9177 or 948-2410 and ask for Mr. Gillette. The group will perform at the Cascade Businessmen's Association luncheon on Wednesday, December 9, for its second year.

FH Pom-Pom Girls

Sixteen junior and senior girls at Forest Hills High School have formed a pom-pom team which will be seen at half time during home basketball games. Debbie DeVieger and Ann Bukema sparked the new entertainment group which should prove popular among gri-watchers.

The ruling regarding cheerleaders caught the varsity girls with an over-sized troupe. Only six members of a team are allowed on the floor at one time, according to a new league law. The FH team has eight regular girls who now have to participate in weekly try-outs for appearance at games.

The new uniforms for the cheerleaders are to fit all members. The girls earned the money for the uniforms by sponsoring a faculty-WLAV basketball game last year, several baked goods sales, and a car wash.

The skirts of the uniforms are green pleated with white inserts, worn with green crew-necked sweaters with white vertical stripes. Members of the JV cheerleading squad will soon don new white pleated skirts for the up-coming season.

Forest Hills Hi-Lites BY SHIRLEY DVGERT

Pre-party parties have been planned by some who will be attending the Cascade Community Dance on Saturday, December 12.

Cocktails and hors d'oeuvres at the home of the Don Wards. They will greet guests Don and Ann Blanchard, Peter and Pat Renucci, Bill and Marj Morey, Don and Char McFarland and the Charles Enright.

Also enjoying the Christmas mood with conversation around the wassail bowl will be the Bill Duros', John Ledbetters, Lewis Boonenbergs, and the Jerry Fellingners.

Over at the Dale Zeigler's the warm-up party will include Karen and Art Schneider, Lois and Baz Van Herson, Carol and Tom McAnallan, Sylvia and Rog Armstrong, and Sue and Rick Titman.

Included in the festivities are to be Lynn and Brian Estes, Inga and Claus Pahl, Shirley and Glen Dunk, June and Joe Strous, and Cheryl and Ken Brown.

Among the hundreds of women who attended the Christmas luncheon recently at Forest Hills Country Club were Dorothy Blackport, Zil Prescott, Jean Houlding, Mae Preston, and Flora Bishop. They admired the centerpiece, a specially designed ice carving by Don Newhouse, as they admired the holiday decor. Others present were Annette DeMink, Dorothy Hall, Connie Storm, Bonnie Whaley, and Phyllis Blok. Also making reservations were Margaret Cook, Jeanne Greer, Ginny Abbanante, and Liz Parsh. It was a time of conversation and planning for other winter projects.

The first three eight-year-olds to register to vote in Ada Township were Terry and Linda Niles and Arlene Hill. Others are expected to register during their Christmas vacations. Township clerks must accept the registrations, but are keeping those cards in separate files until such time as the Attorney General announces the Supreme Court decision.

Start saving all of those newspapers that are hanging around. STOP, an organization whose full name is Students To Overcome Pollution, will be holding a drive on Saturday, December 19. Details next week. Pile up as many as you can for Earth's Sake!

1 OF 4 DEPENDS ON AGRICULTURE

All of Michigan's farmers could be seated in Michigan State University's Spartan Stadium (capacity 76,000), yet one out of every four Michigan citizens derives some part of his income from agriculture, notes Dr. George Dike, Michigan State University agricultural economist.

Plans

MARIDELL PAINE

Dr. and Mrs. Robert Paine, Thornapple River Drive are pleased to announce the engagement of their daughter, Maridell, to James VanderBaan, son of Mr. and Mrs. Arthur VanderBaan, Knapp Avenue.

A December 19 wedding is planned at Kraft Reformed Church. The couple attended Forest Hills High School and both are presently students at Western Michigan College in Kalamazoo, Michigan.

Social Scene

Lynn Wittenbach VanDrie, daughter of Mr. and Mrs. Harold Wittenbach of B. Innet Road, Lowell, graduated from M.S.U. at the Annual Fall Commencement Ceremonies held at the University Auditorium on Saturday, December 5. She received her B.S. from the College of Human Ecology. She is a member of Phi Mu Sorority and Omicron Nu National Home Economics Honor Society.

Her parents, Mr. and Mrs. Harold Wittenbach accompanied by Carol, also of Michigan State, and Lynn's husband attended the commencement ceremonies.

Susan J. Miner, daughter of Mr. and Mrs. Earl H. Miner of 7496 Leyton Street, S.E., Ada, Mich., has been admitted for the fall term at Iowa Wesleyan College, Mt. Pleasant, Iowa. Wesleyan is a co-educational, liberal arts institution in Southeast Iowa. Its student body totals 730 from 35 states and 9 foreign countries.

OPEN HOUSE

Mr. and Mrs. Harold Collins welcome friends and relatives to an Open House Sunday, December 20, from 2 until 6 for their son, Bernard and his wife, Patricia, who will be home from California for Christmas. The event will be held in the dining room of Lowell Congregational Church. -35-36

Korhorn-Sytsma Wedding

Mary J. Korhorn became the bride of Thomas L. Sytsma Wednesday evening, December 2, at the Ada Christian Reformed Church. Parents of the bride are Mr. and Mrs. Ernest Korhorn, Clifford Ave., S.E. Parents of the groom are Mr. and Mrs. John Sytsma of Ada.

The bride, given in marriage by her father, chose a gown of de soie with empire waist and long tapered sleeves. The gown and train were accented with venice lace. The elbow-length veil was secured by a cluster of fabric rosebuds and pearls.

Matron of honor was Mrs. Michael D. Robertson of Ann Arbor. Bridesmaids were Mrs. Donald W. Korhorn of Ada and Mr. Bernard L. Sytsma of Grand Rapids. The girls wore A-line gowns of burgundy crepe with matching sash and headpieces.

Attending the groom was Mr. Daniel DeVol of Grand Rapids. Ushers were Mr. Kenneth D. Sytsma of Ada and Mr. Bernard L. Sytsma of Grand Rapids.

Following the wedding trip, the couple will reside in Lowell.

BIRTHS

Mr. and Mrs. Dennis Nead of 130 South St., Saranac, are happy to announce the arrival of their daughter, Stacie Jo, born November 26 at Butterworth Hospital weighing 8 lbs. 2 oz.

The proud grandparents of the new baby girl are Mr. and Mrs. Clare Phillips of Lowell and Mr. and Mrs. Lee Cahoon of Saranac.

Rangers Lose To Rockford

The Forest Hills basketball team started fast in its game with Rockford last Friday, but lost when it was unable to maintain the pace. The final score was 66-61.

The Rangers located the basket range in the first quarter and took a 20-10 lead. Ron VanderBaan led with eight points and nine rebounds. A thirty-eight percent clip was shot as the Rangers moved the ball well.

Coach Larry Wilson of FH said that the Rangers showed signs of becoming a good team as players gain experience and confidence. He feels that the team could still be a contender in the league. VanderBaan turned in an outstanding performance with 22 points and 20 rebounds.

The next Forest Hills game will be against EGR on Friday, December 11, on the home floor. The J.V. game at 6:15 and the Varsity at 8 p.m.

FH Wrestlers Place Third

Final scores in the quadrangle wrestling match held last Saturday at Forest Hills were Muskegon Catholic 58, Alma 48, Forest Hills 45, and Fruitport 36.

Throughout the day the Rangers had to forfeit the 165-weight group as there was no local matman to fill the vacancy. In the first round, Jeff Kelley pinned Alma, Mark Kelley pinned Fruitport, Gerry Johnson pinned Alma, Steve Shuster pinned Fruitport and Dave Buell pinned Muskegon Catholic.

In the second round, Jim Dygert pinned his opponent from Alma.

Red Arrows Victorious In Opening Matches

By BROOKE JOHNSON

The Lowell Red Arrow Wrestling team opened their new season by winning three victories in a row. In their opening match the Arrow grapplers landed (Class B) Wyoming Park a 4-4 defeat. In their first conference match the Arrows defeated Greenville 32-11. Their third victory came when the Arrow matmen walked over non-conference team Lakewood 41-9.

Lowell vs. Wyoming Park

98 lbs. - Dale Dawson won by forfeit; 105 lbs. - George Mauric won by forfeit; 112 lbs. - John Gauw lost by decision (3-10); 119 lbs. - Jan Wittenbach lost by decision (1-4); 126 lbs. - Kurt Imman won by Pin; 132 lbs. - Jim Harpo Richard won decision (6-4); 138 lbs. - Pete Porritt won by Pin; 145 lbs. - Perry Bechum won by decision (10-2); 155 lbs. - Randy Sorenson won decision (5-1); 167 Gordon Kelly won, Pin; 185 lbs. - Paul Klifman won, Pin; HWT - Dave Wisner won, Pin.

After each match an outstanding wrestler is chosen by the coach. (Heavyweight wrestler Dave Wisner was chosen outstanding wrestler of that match.)

Lowell vs. Greenville

98 lbs. - Dawson won decision (11-2); 105 lbs. - Mauric lost decision (4-3); 112 lbs. - Gauw lost decision (1-7); 119 lbs. - Wittenbach lost decision (7-0); 126 lbs. - Imman won dec.

(6-0); 132 Richard won, Pin; 138 lbs. - Porritt won, Pin; 145 lbs. - Bechum won decision (7-0); 155 lbs. - Sorenson won dec.

(6-2); 167 lbs. - Kelly won decision (7-3); 185 lbs. - Klifman won, Pin; HWT - Wisner, tie.

The outstanding wrestler of the Greenville match was Dale Dawson who won on decision 11-2.

Lowell vs. Lakewood

98 lbs. - Dawson won, Pin; 105 lbs. - Mauric lost decision (4-0); 112 lbs. - Gauw won decision (4-0); 119 lbs. - Wittenbach won, Pin; 126 lbs. - Imman won, Pin; 132 lbs. - Richard won decision (1-2); 138 lbs. - Porritt won, Pin; 145 lbs. - Bechum won, Pin; 155 lbs. - Sorenson lost decision (4-1) 167 lbs. - Kelly won, Pin; 185 lbs. - Klifman won, forfeit; HWT - Wisner lost decision (2-1).

Jim Richard was chosen outstanding wrestler of the match. During the opening match with Wyoming Park, Gordon Kelly won on an 18 second pin just two seconds over the school record of 16 seconds set by Ty Wessel during the 1963 wrestling season.

The Lowell Red Arrow grapplers set a new record when they defeated Lakewood by surpassing the record of nineteen consecutive wins in dual match play and brought a new record, a 20. The new record is by no means set as the Arrow matmen are looking for several more victories when they meet Cedar Springs here next Thursday.

A real battle is expected when the Arrows meet last year's Class B Champ South Haven, there, Saturday, in a tournament match.

Wrestlers Win Three In Row

The Lowell J.V. wrestlers kept up with their Varsity team as they also took three victories in a row.

The Grapplers defeated Wyoming Park 46-3, Greenville 39-0 and Lakewood 44-8 with pins by Gary Wiener and Jerry Kropt.

In the matches against Greenville, pins were won by Mark Hays, Gary Wiener, John Curtis, Craig Haybarker, Glenn Anderson and Jim Gauger.

Arrows Drop Two In Row

The Lowell Red Arrow Cagers opened the 1970-71 season by losing two games. The first game against non-conference Ionia where the Arrows suffered from their slow start and the game ended with the Arrows down 55-69. In their first conference game the Arrow Cagers went into the second half very close to last year's co-champions Greenville but were unable to keep up with the Greenville scoring on a rebounding throughout the second half, losing 78-50.

This Friday's game should prove to be a real test to Coach Jerry Meredith and the Arrow team as they meet last year's second place team at Coopersville.

J.V.'S LOSE IN REAL SQUEAKER

The Lowell Junior Varsity basketball team went away from Ionia with a real heartbreaking 74-70 defeat last Tuesday night. Despite the loss, Coach Clark was quite impressed with the team overall.

City of Lowell Council Proceedings

Regular meeting, Monday evening, November 16, 1970 in the council room of the city hall.

The meeting was called to order by Mayor Jefferies at 8:05 p.m. and the roll was called:

Present: Anderson, Jefferies, Mueller, Reynolds.
Absent: Mrs. Myers.

IT WAS MOVED by Councilman Mueller, supported by Anderson, that the minutes of the November 2, 1970 meeting be approved as presented.

Yes: All.
No: None.

The Clerk read lists of deposits made since the November meeting. They totaled as follows:

General Fund	\$8,819.83
Major Street Fund	6,415.24
Local Street Fund	2,745.67
Water Fund	1,596.94
Sewer Fund	300.00
Bills payable, lists of which were furnished to Council members with the agenda, totaled as follows:	
General Fund	\$6,309.19
Major Street Fund	564.50
Local Street Fund	238.00
'65 Debt Retirement - Water	730.51
Water Fund	356.61
Sewer Fund	622.45
Equipment Fund	493.59
'65 Debt Retirement - Sewer	3,728.07

IT WAS MOVED by Councilman Anderson, supported by Reynolds, that the bills payable be allowed and warrants issued.

Yes: Anderson, Mueller, Reynolds, Jefferies.
No: None.

IT WAS MOVED by Councilman Reynolds, supported by Mueller, that Councilman Myers be excused from the November 2, 1970 meeting because of illness.

Yes: All.

No: None (Mrs. Myers entered meeting at 8:10 p.m.)

There was further discussion on the necessity of installing sidewalk on West Main Street and on Valley Vista Drive, on which a hearing was held on November 2.

Councilman Reynolds and Mayor Jefferies were of the opinion that since no one came from the area requesting the installation but some affected property owners did appear and object to it, and since sidewalk would not be installed in the winter at any rate, it should not be declared necessary.

Mayor Bacon and Councilman Myers expressed the opinion that it should be declared necessary, since pedestrians are only using Sibley Street because there was no sidewalk on West Main Street, because more people are moving into the area constantly, more children attending school, and a Mobile Park will be constructed shortly.

Councilman Mueller wished that the matter would be acted on, pro or con.

IT WAS MOVED by Councilman Anderson, supported by Reynolds, that Council vote negatively on the proposal since there appears to be no necessity for the sidewalk installation on West Main Street under Walter's Lumber Mart (Center St.) westerly to Valley Vista Drive and on both sides of Valley Vista Drive to meet present sidewalk.

Yes: Anderson, Reynolds, Jefferies.
No: Councilman Myers.

Abstaining: Councilman Mueller.

NEW BUSINESS

1. Opening of bids on tractor-trailer, backhoe and a pick-up truck and a haul-type mower.

Manager Bacon stated that 22 firms had been invited to present bids on each of the units, or present a package bid. All bids were read and he recommended that he be allowed to tabulate them, go over the specifications with the city mechanic to determine conformance of the bids to the specifications and report at the next regular council meeting.

IT WAS THEN MOVED by Councilman Myers, supported by Anderson, that the bids be tabulated and brought before Council for action at the December 7 meeting.

Yes: All.
No: None.

A MOTION BY COUNCILMAN MYERS to increase the customary \$35.00 Christmas gift to full-time employees by \$5.00 gained no support.

IT WAS THEN MOVED by Councilman Anderson, supported by Mueller, that the customary gift of \$35.00 be presented to each full-time employee at Christmas time.

Yes: Anderson, Mrs. Myers, Mueller, Reynolds, Jefferies.
No: None.

IT WAS MOVED by Councilman Anderson, supported by Mrs. Myers, that the Manager's computation and recommendation for payment of water and sewer installation charges at \$763.62 and \$558.00, respectively, be concurred in as a justifiable charge for Wesleyan Church on Lincoln Lake Avenue.

IT WAS FURTHER MOVED that payment be accepted in five (5) annual installments, with interest at the rate of 6% on the unpaid balances, in lieu of special assessment.

Yes: All.
No: None.

IT WAS MOVED by Councilman Mueller, supported by Mrs. Myers, that the following described property on North Hudson Street extended be offered for sale at a minimum price of \$1,000:

All that part of the following parcel of land which lies West of a line which is 33.0 feet West of the centerline of Hudson Street (extended); Part of Government Lot 5, in Section 2, Town 6 North, Range 9 West, Kent County, Michigan, commencing at the Northeast Corner of Lot 1, of Block 2, of Fox's Addition to the City of Lowell, thence West 355 1/2 feet more or less to a point 241.4 feet East of the Northwest Corner of Lot 4, of Block 2, of said Addition, thence Northeastly parallel with the Eastern line of Lincoln Lake Avenue 134.48 feet, thence East parallel with the North line of said Block 2, 356 feet more or less to the Western line of Riverside Drive, thence Southeastly along said Western line to the beginning.

Yes: Mueller, Anderson, Jefferies, Mrs. Myers, Reynolds.
No: None.

IT WAS MOVED by Councilman Mueller, supported by Anderson, that the Manager's recommendation to approve the audit of Alexander Grant & Company for the fiscal year ended June 30, 1970 be and hereby be concurred in.

IT WAS FURTHER MOVED that the Special Report of the Auditor be accepted and the Manager directed to implement suggestions contained therein.

Yes: All.
No: None.

IT WAS MOVED by Councilman Mueller, supported by Mrs. Myers, that Council grant payment of one week's vacation (in lieu of taking vacation for one week) to the City Clerk in recognition of her willingness to defer vacation due in 1969;

IT WAS FURTHER MOVED that the second week of 1969 vacation be used as such before the end of the calendar year of 1970.

Yes: Mueller, Mrs. Myers, Reynolds, Jefferies, Anderson.
No: None.

Mr. David Miller, Lowell resident, expressed opposition to the application made by the Planning Commission for State Recreation Bond money for the purpose of developing neighborhood parks. In his opinion, those voted funds should be used in the metropolitan areas where disadvantaged people have no means or transportation to the best recreation areas of the State.

Councilman Myers believed areas of our City should also be entitled to such funds, since we also have residents without transportation to the lake areas.

Mayor Jefferies assured Mr. Miller that very little hope had been extended to the City that Lowell would qualify for these funds.

CITY MANAGER REPORTS

1. His attendance at the Annual Assessing Officers' School at Ann Arbor.

2. He urged attendance of council members at the symposium on "Modernization of Local Government through County Home Rule" in Grand Rapids Nov. 20.

3. His computation of water and sewer installation expense and recommendation for Lowell Wesleyan Church.

4. Recommended sale of parcel of land on North Hudson Street (extended).

5. Selection of the City of Lowell as one of three units in the county for a pilot study of data processing of assessment and tax rolls, printing and billing and accounting of taxes. The initial fee would be \$950, with annual costs of \$515.00.

6. Councilman Myers, objected to the action taken by Council at the meeting of November 2, regarding the proposed two-step pay schedule for employees. It was her contention that he had agreed on an executive session and when brought up by the Manager at the official meeting only the first step in pay increase was adopted. Her motion to take new action and concur in the recommendation of the Manager approving the November 16 pay increase and the second increase in March of '71, found no support.

The meeting was adjourned at 10 p.m.

Approved December 7, 1970.

HAROLD F. JEFFERIES, Mayor
LAURA E. SHEPARD, City Clerk

PUBLIC NOTICE

Sale of Surplus Real Property

The City of Lowell will accept bids for the following described property on the west side of North Hudson Street (extended):

Some handy information about new phone rates within Michigan.

They're simpler. With the chart below, for instance, you can figure out what it will cost to call any number in the state. Any number outside of your local calling area.

Four things determine what you pay:
How far you call within Michigan.
How long you talk.
Whether an operator calls the number or you dial it yourself.
The time and day.

And the rates are more fair. Look at the chart again. Notice that you're now charged for "each" minute you use the phone. (Before, you'd pay for no less than 3 minutes. Whether you used them all or not.)

Also notice that you're given discounts for dialing direct rather than using an operator. Both of these changes were made for one reason. People should only be asked to pay for what they use. Fair? Fair.

Handy cut-out for future reference.

Long Distance rates within Michigan

How long a distance. (Miles)	Basic rate per minute if an operator places your call. (a)	Discount rate per minute if you dial direct. (b)	
		20% off. (c)	40% off. (d)
