CONGRATULATIONS TROOP 102 PICKED AS GOV. HONOR GUARD

Congratulations are in order for Lowell Boy Scout Troop 102. Once again the Lowell Boy Scout troop have been invited to participate as the Governor's Honor Guard for the fourth consecutive year on Mackinaw Island, July 24 to 31.

This is a great honor, since only eight troops from the State of Michigan are chosen each year.

Scouts of Troop 102 recently competed in the Ionia District Klondike Derby held at Ionia. Thirty scouts from our troop manned six sleds for the event.

Of the 106 adults and scouts registered at the derby, thirty-seven were from Troop 102. This is an excellent showing for Lowell.

On February 12 and 13 the tin can camp-out, which is held annually, took place at the Scout cabin. This is a different type of event, because for the meals to be cooked, each scout had to make his own cooking utensils. These were made from all sizes of cans. Cups, pots, and frying pans were also made. Twenty-four boys and five adults were on hand for this event.

God & Country Award

Mr. and Mrs. Allen Mulder and son, Craig, and the Rev. Dean I. Bailey of the Lowell Methodist Church.

The presentation of the God and Country Award to Craig A. Mulder highlighted Boy Scout Sunday, February 14, at the First Methodist Church of Lowell.

Augmenting the congregation were over thirty Cub Scouts, Boy Scouts and their leaders representing Pack 3102, Pack 3188 and Troop 102 of Lowell.

Craig, the son of Mr. and Mrs. Allen Mulder, 9494 Bailey Drive, Ada, was escorted to the Chancel by Donald E. Kelly, Institutional Representative, for the church-sponsored gifts.

Norman Kettner, Ionia, a member of the Ionia District Committee and the Grand Valley Council Committee on Health and Safety, spoke briefly of the award's significance. Craig's parents were also presented pins of the award.

The Women's Society of Christian Service hosted a reception following the service in the Fellowship Hall with Mrs. Arie Lee-man and Mrs. Robert Barnes in charge of arrangements.

Former God and Country recipients assisted the Rev. Dean Bailey in the ceremonial services. They were Michael Blough, Gordon Kelly, Joel Bieri and Mark Blough.

Jeane Metsker Gets Top Horse Awards

At the recent State Awards Dinner held at the Civic Center in Lansing, Jeane Metsker, local area horsewoman, was awarded the State Championship in Regular Working Hunter with her horse, "Secret Way," and also State Championship in Third and Fourth Level Dressage with her horse, "Scooter T."

Miss Metsker and Scooter T were also Reserve Champions in the recent American Horse Show National Dressage Senior Medal Finals held in Far Hills, New Jersey, and also placed in the ribbons at the Washington International Horse Show with Secret Way held in Washington, D. C.

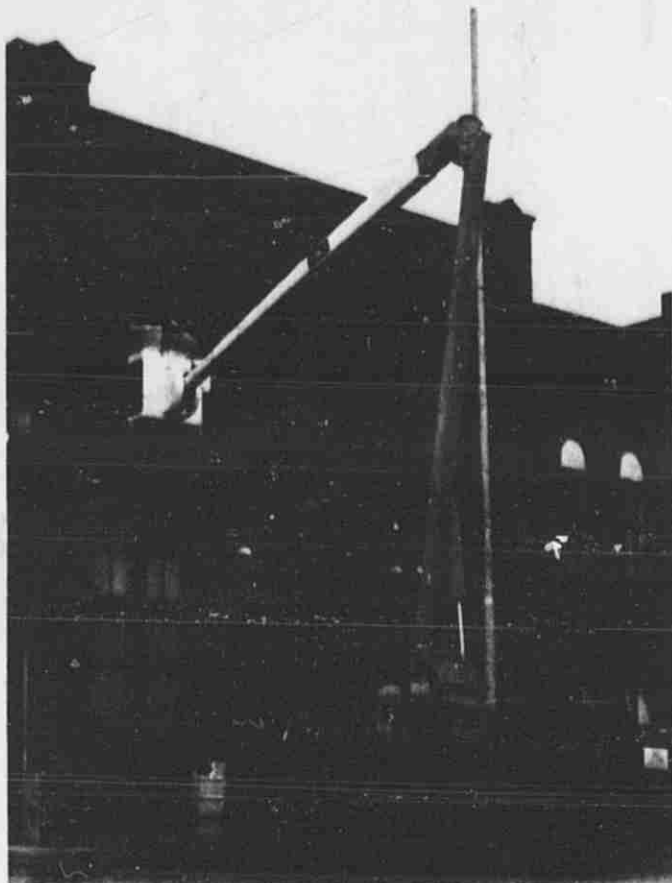

Jeane is the daughter of Mr. and Mrs. L. S. Metsker, Beechwood Drive, S.E.

Reverses Decision To Close On Saturdays

Due to the many requests made by postal patrons, who use the Post Office facilities in the area on Saturdays, the Postmasters have decided to remain open on Saturdays.

This announcement, made prior to the official closing of the governmental units set for Saturday, February 20, will effect postal services at the Lowell, Ada and Alto Post Offices. These units will remain open on Saturdays between the hours of 8 a.m. until 12 noon.

Some adjustments in the Saturday window services offered to the public, may be made at a later date, however, after a study has been made to see what effect this would have on certain areas.

SECOND STORY MEN - Shown caulking the windows at City Hall from their lofty perch.

Children's Film Festival

This Saturday's "Reel World" films for children at the Lowell Library features stories about different modes of transportation.

"The Little Train" watched while the big trains left for exotic destinations. Finally, fed up with his unimportant job, he jumps the tracks and is off for a lot of fun, until his fuel runs out.

"The Chairy Tale" is a modern fairy tale about a young man and a common kitchen chair that refuses to be sat upon. Then it's off with "Alexander and the Car with the Missing Headlight" for a quick trip around the world. All the art work, voices and sound effects were created by 4 and 5-year-olds.

The film programs which last about 45 minutes begin at 10:30 a.m. There is no admission charge.

Help Control Pollution By Reducing Phosphates

After an informal laundry experiment by the Michigan Water Resources Commission staff, they've suggested one way every Michigan family can help control water pollution - by reducing the amount of high phosphate laundry detergents per washload.

Following recommendations from an outside source, experimenters agreed that three tablespoons of the washing powder can do an efficient cleaning job, compared to the 1-1 1/2 cups recommended on most packages. The suggested steps are:

- 1) Measure three tablespoons of detergent.
- 2) Put concentration where soil is heaviest (collars and cuffs of shirts, etc.) by sprinkling some of the measured detergent on dampened soiled area. Fold over and place in machine with remainder.
- 3) For cool water washes or loads with heavy soil, add a bit more detergent, not more than 1/4 cup.
- 4) If there is any doubt that amount of detergent is adequate, stop machine after about two minutes operation (time to dissolve all of detergent). There should be a narrow ring of suds only at edge of tub - about 1/2 inch wide.

If the suds ring is much wider, reduce usage on subsequent loads. If there are no suds at all, add about 1/2 teaspoon of detergent.

Phosphorus, a key detergent ingredient, stimulates excessive algae growth with resulting problems to our lakes and streams. Michigan has an intensive program underway, requiring facilities to remove 80 percent of the phosphorus from municipal wastes by specified dates.

ASS'T. PRINCIPAL TO HEAD NEW SCHOOL

Jack Lane counsels Forest Hills High School Student.

On the recommendation of Superintendent Robert Masten, the Forest Hills School District Board selected Jack Lane as the principal of the new high school to be built on Leonard Street, as yet unnamed.

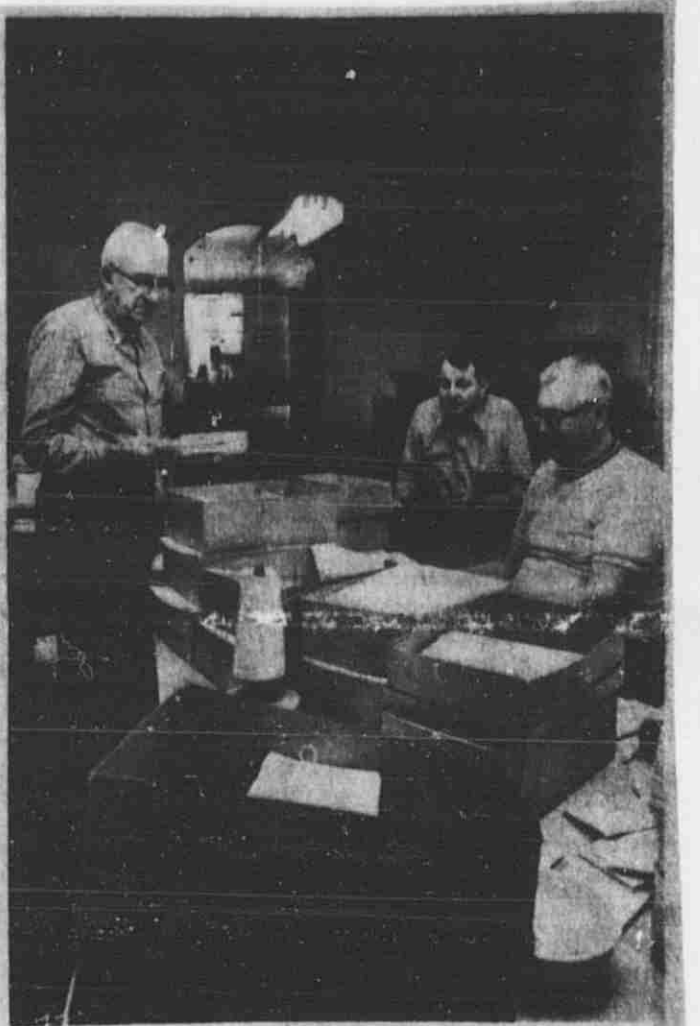

Lane is currently the assistant principal at the first high school in the district. He and his family live in the district; his five children attend the Forest Hills schools.

A 1949 graduate of Creston High School in Grand Rapids, Lane went on to graduate from Western Michigan University. He was the director of recreation at the Kalamazoo State Hospital for a time and then worked on his Masters Degree at the Southern Michigan State Prison in Jackson. He was most active in the counseling and athletic areas.

In 1956 Lane went to Ottawa Hills High School where he taught various subjects and worked for five years as assistant in varsity football and varsity baseball. He became the head counselor in 1960. Four years later he moved into the position of Director of Adult Evening Programs for the City of Grand Rapids, a new project at the time. There were over nine hundred students working toward high school diplomas.

Jack Lane was made assistant principal of Central High School in 1967 and moved to the Forest Hills school district in 1969.

Easter Seal Campaign

STUFFING AND SORTING - The 1971 Easter Seal mail going out March 1 is Clare E. Carey, Route 2, Lowell, Ron Burwell of Wyoming and Max M. Brown of Wyoming.

The 1971 Easter Seal Campaign will begin March 1st and continue until April 11. During these weeks a wide-spread appeal for funds will be made by the Easter Seal Society of Grand Valley, Inc. to finance treatment and rehabilitation for crippled children and adults in six counties—Allegan, Barry, Ionia, Kent, Montcalm and Ottawa.

The local Easter Seal Society is a voluntary health agency which helped more than 2,000 handicapped persons last year. However, the number of crippled children and adults increases every year and, in direct ratio, so does the need for more money to provide care and treatment in our area. To meet these needs the Grand Valley Society has set a goal of \$100,000.

The campaign will include either the traditional Easter Seal mail appeal or the door-to-door Easter Seal Parade. In addition paper lapel lilies made by the handicapped will be sold April 3 in many communities.

Attacked And Injured In Flint Motel; Hospitalized

Former Lowell School Board of Education president, Tyrus R. Wessell, was seriously injured in an apparent robbery last Thursday night in Flint.

Police said Wessell, 57, who had attended a school meeting at Grand Blanc, was attacked when he returned to his motel room about 9:30 p.m.

Wessell told officers he found four men in his room. They grabbed him and one slashed the right side of his throat. He was rushed to St. Joseph's Hospital in Flint, where he was listed in good condition on Friday in the intensive care unit.

Three suitcases of clothing were reportedly in Wessell's room, but officers found only one following the attack.

Wessell, who resides at 1451 Saxony Drive, N.E., Grand Rapids, is now vice-president and treasurer of Davenport College of Business in Grand Rapids.

During his residency in Lowell, on Hillside Court, he served on the Lowell Board of Education during the mid-1960's.

Warn Taxpayers About Advertising

Area taxpayers were warned today against misleading newspaper, radio, and TV ads conveying the impression that the tax law greatly complicates their 1970 returns.

Thomas A. Cardoza, District Director of Internal Revenue for Michigan, said the ads placed by some commercial preparers of tax returns also picture the Form 1040 as extremely complex so as to discourage taxpayers from attempting to fill out their own returns.

Cardoza said the IRS has tried to make improvements in the form and in filing procedures in response to numerous suggestions from taxpayers, lawyers, accountants, and others. In addition, the IRS has this year offered to figure the income tax and retirement income credit for up to 30 million taxpayers filing 1970 returns.

Having IRS figure the tax could reduce the largest single type of error made by taxpayers, selection of the wrong tax table or rate schedule, as well as help elderly persons with retirement income credit calculations, Cardoza said.

Other changes made in the 1970 forms and schedules have resulted in a smaller tax package for most taxpayers, Mr. Cardoza explained. The basic package sent to 50 million people contains 24 pages, compared to 32 pages last year. In addition, the instructions will not appear on the backs of the various schedules but will be printed in a numbered and indexed booklet located in the center of the tax form package.

Taxpayers should also be careful of "guarantees" offered by some commercial preparers of returns that make it appear that they will represent the taxpayer in any subsequent audit, Mr. Cardoza said. Generally, only attorneys, CPA's, and those who, by demonstrating their qualifications, are enrolled for practice, can represent a taxpayer before the IRS. Taxpayers should be sure of just what is meant by a "guarantee" offered by a preparer.

Mr. Cardoza said that if a taxpayer employs a commercial preparer to fill out his return, he should select a reputable one. Regardless of who fills in the form, the taxpayer is responsible for the accuracy of the return.

Self-Employed Must File Returns

Persons with net earnings of \$400 or more from self-employment must file Federal income tax returns and pay a self-employment tax, Thomas A. Cardoza, IRS District Director for Michigan, said today.

The Tax Reform Act of 1969 liberalized filing requirements for many taxpayers so that, for example, a single person without self-employment income is not required to file a tax return unless he had income of \$1,700 or more in 1970. However, an individual must file a return if his self-employment income was \$400 or more, even if a return would not have been required based on his total income.

By filing a return and paying a self-employment tax on part or all of his income, each self-employed person helps finance Social Security benefits that are payable to self-employed persons as well as wage earners.

WHEN SHOPPING - At Eastbrook Mall, stop and enjoy a tasty luncheon or snack at Muir Drug Store's 'Arbor Room.' c46

FRUSTRATIONS OF AN EDITOR

If we print jokes, people say that we are silly.
 If we don't print them, they say we are too serious.
 If we publish things from other papers, we are too lazy to write.
 If we stay on the job, we ought to be out hustling for news.
 If we are hustling for news, we are not attending to business in our own department.
 If we don't print all contributions, we don't show the proper appreciation.
 If we do print all contributions, the paper is filled with junk.
 If we write in the vernacular, we have no taste.
 If we write with literary flourish, we are playing to the high brows.
 If we print a lot of foreign news, who is interested in those places?
 If we don't 'that publication is too unsocial.'
 Likely as not some fellow will say we stole this piece.
 We did.

ODE TO A BLUE MONDAY:

Will they never end - these gray and dismal days?
 How my heart longeth for the warm sun's rays
 Especially today, as I scrape away the ice that I may find
 eth my way home and pray that I shall bumpeth no one and no one shall bumpeth me!

A card shower is being given for H. A. (Jack) Nelson for his 80th birthday, March 5th. Mr. Nelson is a former Snow Avenue resident, who is now confined to his home at 801 Fish Lake Road, Route 3, Sturgis, Michigan.

We know he would like to hear from his many friends in the Ada and Lowell vicinity.

Bridge Centennial Committee Meets

The Fallsburg Covered Bridge Centennial of Lowell Area Committee met last week with Mr. Wallace Rafferty of the Baker Co. Mr. Rafferty detailed plans with which the incorporators and executive committee will proceed immediately in planning for the celebration of this memorial symbol in Fallsburg to be held June 28 through July 3.

The incorporators and executive committee members are as follows: Corporation officers—Chris A. Benson, President; Mrs. Leonora Tower, Vice President; Charles Lippert, Treasurer; Gould Rivette, Secretary. Other members—Don Kelly, Robert Green and Donald McPherson.

Members of the executive committee are Blaine Bacon, Operating Capital; Jack Beggs, Insurance; Bernard Pankowski, Headquarters Chairman; Charles Lippert, Treasurer; Clynis Benson, General Chairman; Lydia Johnson, Secretary; Gerald Kellogg, Revenue Division; Mrs. Robert Christiansen, Ladies' Chairman of Participation Division; Terry Bambrick, Men's Chairman of Participation Division; Carl Jackson and Don McPherson, Co-chairmen of Publicity Division; Leonora Tower and Frank Smith, Co-chairmen of Special Events Division.

Spectacle Ticket Division and Spectacle Division chairmen will be announced later, as will be the names of other committee members.

An executive committee meeting will be held at 7 a.m. at Keiser's Kitchen on Thursday, February 25.

Vergennes Methodist To Present Style Show

The Vergennes United Methodist Church W.S.C.S. will present a style review of wedding gowns through the years, including current fashions, on Saturday, March 6, at 8 p.m. at the church. Refreshments will be served in the Friendship Room and all interested are cordially invited to attend.

Wednesday... Thursday... Friday... Then Saturday!

SUNDAY, MARCH 7

The Lowell Chapter of the Women of the Moose will attend the Mid-Winter Conference in Muskegon on March 7.

Coupon Collection Deadline Is Extended

The deadline for obtaining lifesaving artificial kidneys through the collection of Betty Crocker coupons has been extended from May 31 to December 31, 1971.

The extension was granted in February to enable the Kidney Foundation of Michigan and Michigan Jaycee Auxiliaries to obtain additional kidney machines through the joint project begun in February, 1969.

In announcing the extension on February 4, Peggy Adams of General Mills' Betty Crocker Club Plan said that December 31, 1971 is the deadline for all lifesaving equipment projects.

When a patient must have a kidney machine for survival, but has no means for obtaining one, the loan closet provides the device immediately, at no cost to the patient.

For every 600,000 coupons shipped to them by the Kidney Foundation and Jaycee Auxiliaries, General Mills returns 83,000 for the purchase of a kidney machine.

In December, the food firm announced a deadline of May 31, 1971 for accepting coupons for all lifesaving devices such as artificial kidneys and heart pumps.

At that time, General Mills said the decision to cut off the program was made because of accusations that the firm was trading on human misery.

NOTICE CITY OF LOWELL BOARD OF REVIEW

The City of Lowell Board of Review will meet for its First Meeting of 1971 in the City Hall at 301 East Main Street on Tuesday, March 2, from 9 a.m. 'til 12 noon and from 1:30 p.m. 'til 5 p.m. and will continue on Wednesday, March 5, 1971 during the same hours.

The Board will hold its SECOND MEETING beginning Monday, March 8, 1971, but it may not increase or decrease any assessment at the Second Meeting unless resolved at its First Meeting to consider such at its Second Meeting.

c45-46 Blaine E. Bacon, City Assessor

NOTICE BOARD OF REVIEW MEETINGS TOWNSHIP OF LOWELL

The Board of Review of Lowell Township will meet at the Lowell Township Hall on

TUESDAY, MARCH 2, and MONDAY, MARCH 8, 1971, from 9 a.m. to 12 noon, and 1 to 4 p.m. and on TUESDAY, MARCH 9, 1971 from 3 p.m. to 9 p.m. for the purpose of hearing all claims.

MRS. CAROL WELLS, Lowell Township Clerk

c46-47

Wedding Plans

Planning a June 26th wedding are Miss Nancy Beth Schultz and Gilbert E. Marvin. The bride-elect is the daughter of Mrs. Mary J. Schultz of Kentwood and L. W. Schultz of Middleville. Mr. and Mrs. Walter V. Marvin of Lowell are the bridegroom-elect's parents.

Miss Schultz is presently attending Chis University of Cosmetology and hair finance attends United Electronics Institute.

CAMPFIRE GIRLS

The TaWa Aya Camp Fire Group elected new officers. They are president, Dorothy Burton; vice-president, Carol Baird, secretary, Amy Steward, and treasurer, Carol Scharasawak.

The past few weeks the TaWa Aya Group have done the following activities—drew names for secret pals, earned an honor badge in creative arts by making a picture from torn construction paper, made symbolgrams and put them on their jackets, and held a Valentine's party at the home of Carol Baird.

At the February 17 meeting of Mrs. Jones' Campfire girls, a practice session was held on the dance routine they will present at their annual Father-Daughter Banquet. The girls will swing into action to the tune of "Fanny," a song about being good to your parents.

Newly-elected officers of the group are Jennifer Jones, president; Pam Hansworth, vice-president; Kerstin Lipke, treasurer; Nancy Price, memory book; Debbie Loaminger, telephone; Jodi Weeks, secretary; Cathy Butts, newspaper girl; Becky Reaves, sergeant-in-arms; Patty Wagenboud, newscast; Jill Vanark, flag; and Chris Warner, song leader.

Mrs. Trislen, Mrs. McFarlan and Mrs. Jones have been helping the girls with their program arrangements for the Father-Daughter banquet, assuring it of another successful event. The group meets every Thursday at the Jones' home.

The February 16 TaWa Aya Campfire Group was called to order by the president. We cut our symbolic names out and sewed them on our vests.

Amy Steward, Scribe

To Be Married

Mr. and Mrs. Robert F. Wyman of 1124 Crown Street, Kalamazoo have recently announced the engagement of their daughter, Corrie, to Curtis G. Fonger, son of Mr. and Mrs. M. Jack Fonger of Lowell.

Miss Wyman is a graduate of Central High School, Kalamazoo, and Western Michigan University and is presently a teacher in Battle Creek Public Schools.

Mr. Fonger was graduated from Lowell High School and is attending Western Michigan University. He is an announcer for radio station WKPR in Kalamazoo.

The wedding is planned for late summer.

Lowell Men Drafted

Twenty-three men called by Draft Board No. 283 left the Federal Building in Grand Rapids Thursday afternoon, February 18, for a bus ride to Detroit and induction into the armed forces.

Among the draftees were five Lowell men—Michael Kline, Nicholas Klug, William Mitchell, Carl (Dean) Wittenbach, and Kenneth Wosinski.

Local Union Elects Officers

At the March 22nd meeting of the A.F. L.-C.I.O. Local 481 of the Light Lift & Power Co., the following officers were re-elected for another term:

President, Jack Ryan and Vice President, Urban Lipps. Bill McCarty was elected new Secretary-Treasurer. Thomas J. Wojtala, National Representative, spoke at the meeting.

New Committee Assignment Broadens Legislative Duties

State Representative Stanley M. Powell (R-Ionia) has added another committee assignment to his list of legislative duties giving him one of the heaviest assignment loads in the Legislature.

Powell has been added to the roster of the House Military and Veterans' Affairs Committee. He had previously served on this committee several years ago.

He is a veteran of World War I, is a member of the Veterans' of World War I of the U.S.A., and recipient of the National Commander's Award.

Powell, who is serving his 5th term in the House, also is a member of the American Legion and has been a member of that organization since right after World War I.

As State Representative, he also is a member of the Towns and Counties Committee serving as the Republican Vice-Chairman, and on the committees on Consumers and Agriculture, and Revision and Amendment of the Constitution.

The best way to save face is to keep the lower portion of it shut.

NOTICE BOARD OF REVIEW MEETINGS VERGENNES TOWNSHIP

The Board of Review of the Township of Vergennes will meet in the Vergennes Township Hall at 9 a.m. on

MONDAY, MARCH 8, 1971 and TUESDAY, MARCH 9, 1971

Meetings are to be from 9 a.m. to 12 noon and 1 p.m. to 5 p.m. to hear anyone who considers himself aggrieved.

Leon Alberts, Supervisor

c46-47

NOTICE BOARD OF REVIEW MEETINGS TOWNSHIP OF GRATTA

The Board of Review of Grattan Township will meet at the Grattan Township Hall on

MONDAY, MARCH 8, and TUESDAY, MARCH 9, 1971, from 9 a.m. to 12 noon, and 1 to 4 p.m. for the purpose of reviewing the tax roll and hearing all claims.

Robert C. Lamoreaux, Grattan Township Supervisor

c46-47

58 Calls Make 1970 A Busy Year For Firemen

Fifty-eight times during 1970, members of the City's Volunteer Fire Department were summoned away from their homes by the shrill command of the fire siren.

In his annual report to the City Council, Fire Chief Frank Baker revealed that out of the 58 fire runs made during the past year, 28 were made to fight grass fires. A majority of which had been caused by carelessness.

Comprising the remaining total of the runs made were ten house fires; three car fires; three barn fires; two tractor fires; seven false alarms; and one run each to a tree, shed, woods, grocery and lumber yard fire.

Not counting the long hours put in by the firemen and the hardship placed on the fire fighting equipment, the losses sustained during the year came to a grand total of \$94,800—\$31,800 of which was lost in buildings, and \$63,000 to their contents.

Actual fire losses in the city came to \$58,600; of this, \$4,200 was lost to buildings, and \$53,400 worth of contents were damaged.

The twenty-one fires fought in Lowell Township created a total cost of \$25,500; \$17,000 to buildings and \$8,500 to contents.

Two false alarms, seven grass fires, two house fires and one barn fire resulted in a \$10,400 loss in Vergennes Township. Of this total \$9,600 was recorded as building losses and \$800 worth of contents were destroyed.

The two fires that required assistances at Boston Township amounted to \$300 in loss to buildings and contents, while the three runs made to Keene Township resulted in no damage.

"It's getting that time of the year again," Chief Baker remarked, when people get the urge to start burning their winter collection of trash, and making way for the Spring season ahead.

He issued a warning that residents should check with their local fire authorities before setting any kind of fire to see if they are following the regulations as set forth in their city or township burning ordinances.

Don't be a fire bug, by lighting a fire, leaving it unattended, and not having adequate means to extinguish it if it gets out of control.

New Arrivals

Mr. and Mrs. Beryn Kloosterman are happy to announce the arrival of their new baby daughter, Jill Marie, on February 19. The little girl made her appearance at Butterworth Hospital, weighing 8 lb., 3 oz.

NOTICE BOARD OF REVIEW MEETINGS TOWNSHIP OF BOWNE

The Board of Review of Bowne Township will meet in the new Firehouse addition next to Library.

TUESDAY, MARCH 2, and WEDNESDAY, MARCH 3, 1971

from 9 a.m. to 12 Noon, and 1 p.m. to 4 p.m. for the purpose of hearing all claims.

The Board will also meet on Monday, March 8, from 9 a.m. to 12 Noon, and 1 to 4 p.m. and on Tuesday, March 9, from 9 until 12 and 4 p.m. to 9 p.m.

MRS. EVELYN SMITH, Bowne Township Clerk

NOTICE BOARD OF REVIEW MEETINGS TOWNSHIP OF CASCADE

The Board of Review of the township of Cascade will meet in the Administration Building from 9:00 a.m. until 12:00 and 1:00 p.m. until 5:00 p.m. to hear anyone who considers himself aggrieved.

MONDAY, MARCH 8th and TUESDAY, MARCH 9th

A reminder is given to those eligible that application for senior citizen's and veteran's homestead exemptions must be on file before the last meeting of the Board of Review.

R. Lee Patterson Supervisor

SPECIAL NOTICE OF GRATTA TOWNSHIP TAX ASSESSMENT CHANGE

Assessments in Grattan Township have been increased to reflect approximately fifty percent (50%) of true cash value due to equalization studies in Grattan Township in 1970 by the Kent County Department of Equalization.

If you would like to discuss your new assessment, an appointment may be arranged to meet with the Board of Review for the purpose of reviewing the accuracy of your property valuation.

The Board will meet in the Grattan Township Hall on March 8 and 9 from 9 a.m. until 12 noon, and from 1 p.m. until 4 p.m.

Robert C. Lamoreaux, Grattan Township Supervisor 11628 Belding Road, Route 3 Belding, Michigan

c46-47

Forest Hills Hi-Lites

BY SHIRLEY DYGERT

No matter what time of the year it is, people and their organizations seem to roll on and on.

On Monday, March 1, the Music Association will meet at 8 p.m. in the choir room. All parents and interested persons are urged to attend. At the Winter Concert the \$3,600 accoutrements band still purchased from monies raised by the candy sale was used for the first time. This greatly added to the enjoyment of the program by those who attended.

Tuesday, March 2, is set for the next meeting of the Athletic Boosters Association at 8 p.m. in the high school teachers' lounge.

There will be a sale of baked goods, featuring homemade breads, at the Cascade Pharmacy from 11 a.m. to 4 p.m. on Saturday, February 27. The proceeds from this sale will go into the kitty that is building for the students who will attend the International Affairs Seminar from Cascade Christian Church.

Those who will leave on March 20 to a week's trip to New York and visit to the United Nations will include George Teuchman, Paula Gessner, Matt Smith, Connie Masten, Jeffery Wilcox, Sharon Davenport, and Sue Ginebaugh. Accompanying the delegates will be Evelyn Shurtz and Willy Dransma. They will also visit the nation's capitol in Washington before returning.

There will be fifty young people from Michigan on the trip. This is the twelfth year that representatives of Cascade have been members of the seminar. Over one hundred and seventy-five students from here have participated.

Last basketball games for the varsity and JV's will be held this Friday, February 27, at home. Both teams will play against Hudsonville Unity Christian, the first game at 6:15 p.m. and the second at 8 p.m.

The regionals in wrestling will be held Saturday, February 27, at Union High School. We will have three matmen in the event.

On Thursday, February 25, there is to be an open Student Council Meeting in the multi-purpose room of the high school at 8 p.m.

Thursday, February 25, is also the day that the new Ada Retired Citizens Group will meet at 1:30 p.m. until 3:30 p.m. at the Ada Congregational Church.

A Hymn Sing and pictures of missionary work will be presented on Sunday, February 28, at the Eastmont Reformed Church, 8:45 p.m. It's open to the public.

On Monday, March 1, the Law Club will meet at 7 p.m. in the multi-purpose room of the high school.

Save your renewals for the Junior High Magazine Subscription Drive to begin Friday, March 5.

Save your papers, magazines, and old scrap metal for S.T.O.P. The members will let you know more about collection dates later in the month.

Any time is a good time to make your reservation for the Book for Lunch review on Thursday, March 4, Call 949-2110 soon.

Just back from a trip to a group of warm islands, John Mullins raves about the architecture he found in profusion. Being an expert in that field, his practiced eye caught details that delighted him.

One home on Barbados was clearly quite new and built without regard to the history of the area. It was an English country house transported to a rain forest. The only concession to the locality was the oversized windows without glass. Only shutters are used on occasion.

Another home which was born in the eighteenth century has been added onto so many times that it has a highly-piggledy atmosphere, but its gardens are as formal as a tail-coat. This one was on St. Kitts.

The Golden Lemon, a seaside house on St. Kitts, was built by the French in the seventeenth century. The upper story was restored by the English a century or so later. In his checkered smoggers' ronderous. It is now an elegant guest house, aglitter with Baccarat chandeliers.

Behind the Golden Lemon is Mount Misery, once a whopper of a volcano, now quietly extinct.

If you know a senior at FHHS, you might like to be informed that the official graduation date has just been set. It will be on June 4 in the main auditorium of the Civic in Grand Rapids. This will be the third year that the ceremonies have been held there in order to accommodate the large crowds of well wishers, not to mention the grads themselves.

MR. AND MRS. EGBERT BOES

Couple Wed 50 Years

An open house commemorating the 50th wedding anniversary of Mr. and Mrs. Egbert Boes will be held Friday, March 5.

Hostessing the event, to be held at the Wyoming Park Baptist Church, 2260 Porter Street, S.W., Grand Rapids, will be the Boes' seven children. Open house hours have been set from 2 to 4 p.m. and 7 to 9 p.m.

Mr. and Mrs. Boes were united in marriage on March 5, 1921, in Zeeland, Michigan. For eight years, they resided on Route 3, Lowell, and operated Ma and Pa's Coffee Cup in Cascade.

The Boes, who retired from the restaurant business several years ago, now reside at 2418 Winfield, S.W., in Wyoming Park. Their seven children include Mrs. Gerald (Grace) Krans of Zeeland; Mrs. Hessel (Nora) Veltema of Hudsonville; Mrs. John (Margie) VanderWal of Caledonia; Mrs. George (Leona) Nyenhus of Wyoming; Mrs. Thomas (Jacqueline) Porter of Grandville and sons Herman Boes of Ada and Egbert, Jr. of Detroit.

Old Friends Are Reunited

Mrs. Dora (Johnson) Venlet who resided in Lowell many years before moving away, returned recently to take up permanent residency here.

Friday, Mrs. Venlet spent the afternoon at the home of Mrs. Laura Dawson, recalling old memories and catching up on the latest.

Although the two ladies have crossed paths several times-it has been around thirty years since they had an opportunity to be reunited and have an old-fashioned chat.

The reunion was made possible by Mrs. Venlet's daughter, Mrs. James (Betty) Stanley of Grand Rapids, who was spending the day at her mother's home.

"It just doesn't seem possible," was the repeated comment of both Mrs. Venlet and Mrs. Dawson in their reference to the fact that Mrs. Stanley is the mother of famed Mickey Stanley of the Detroit Tigers.

Poison Prevention Week

Poisons come in many disguises but household poisons and various insecticides seem to be the greatest culprits because they are so often stored haphazardly in the home.

Things like bleaches, oven cleaners, solvents and old medicines are usually easy for the toddler to find. And, like all children, what they see goes into the mouth before even the most alert mother can prevent it.

Now a group of young people, 4-11 members between the ages of 9 and 19, are doing something to educate the public on the dangers of this type of poisoning. They are the participants in the 4-H safety program. Clubs from all parts of the country have taken the problem of poison prevention as one of the major projects in the safety program. This is true whether the club is made up of rural boys and girls or young people from the inner city of large metropolitan areas.

Other safety projects getting special attention include bicycle, skiing, radiation, avoiding eye damage (eclipse), baby sitting course, drug safety, testing of drinking water and safety while snowmobiling. These projects are, of course, in addition to traditional safety programs such as driving, accidents in the home, electric wiring, fire prevention, safe handling of guns, water safety and first aid.

There are over half million young people enrolled in the 4-H safety program and they are all becoming better citizens because of their involvement.

Michigan, a leader in health programs, is one of the few states to have a cancer research center—the new G. D. Cummings Cancer Products Development Center located at Lansing.

NOTICE TO SENIOR CITIZENS AND VETERANS OF City of Lowell

If you were 65 at the end of 1970 and feel that you qualify for the Senior Citizens Tax Exemption on a portion of your taxes for 1971; OR, if you are a Veteran or Widow of a Veteran and feel qualified for the exemption, please make application at the city hall office after January 1, 1971 during regular office hours.

Persons who qualified in previous years must re-apply each year.

Taxes Go Up In Cascade And Ada

The Supervisors of Ada and Cascade Townships do not like to be the bearers of bad news, but once a year the taxes have to be increased. This results in the Board of Review meetings open to those who feel themselves aggrieved.

In Ada Township, every home owner and landowner will find himself increased on an equitable basis as possible. The County Equalization Board completed its study last fall and determined the factors to be multiplied by present assessments to reach the 50 percent of total value required by State law.

In Cascade Township, not all owners will be affected by the rise in taxes this year, but Supervisor Lee Patterson will be sending notices to those with more than \$500 in adjustment.

Both Supervisor Sherman Coryell and Supervisor Patterson are anxious to inform their constituents of the fact that any citizen may enter the offices during regular hours and take a look at the assessment rolls. Comparing one's own taxes with those of the neighbors is allowed.

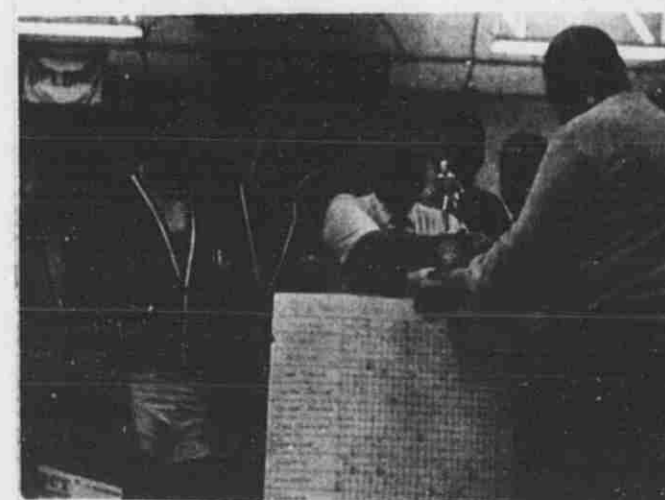

Coryell has taken a passage from the January 1971 Reader's Digest as a quote to remember for those who decry what the State officials have wished upon the citizens. He reminds them that the supervisor only spreads the taxes, he does not make the assessment. "No matter what the politicians promise, inflation WILL continue, our taxes WILL balloon and more, our housing WILL become increasingly prohibitive in cost."

This, says Coryell, is the primary reason for an additional raise in assessments. Another is growth. Over 55 percent in the past five years in Ada Township. "The seller is in an advantageous position. Fabulous prices are being paid for houses and land which raises the potential value of surrounding properties even when the owners have no desire to sell," said Coryell.

F.H. SENDS THREE WRESTLERS TO REGIONALS

In the district wrestling matches held Saturday at East Grand Rapids, there were two "Champions" and a runner-up from Forest Hills who will be eligible to enter the regional matches next Saturday.

LOWELL WRESTLERS WIN DISTRICT TOURNEY

CONGRATULATIONS! — Don Kelly presents Mr. Rivers and several team members the District Championship Trophy won Saturday at the Lowell Gymnasium. The Arrows won by a 15 point margin. Photo by Brooke Johnson

After winning the Tri-River Conference Dual match championship, Coach Gary Rivers and his record-setting Red Arrow wrestling team continued to travel down victory lane to become district champions for the second year in a row.

The Arrows second district title was earned last Saturday during the 26th district tournament held here.

This year's district championship is the second one for the Arrows under Coach Rivers' tutelage. During the 11 years Gary Rivers has been coaching at Lowell, he has guided the Arrows to eight conference wrestling championships and two regional titles.

A total of six Arrows will continue on to represent Lowell in the Regional Tournament at Kenowa Hills this Saturday at 12:00.

Three Arrow wrestlers will go as district champions. 98-pound Sophomore Dale Dawson won all of his matches and put the title out of reach with his final win. Dawson's performance showed that he will certainly be an asset to the team in future years.

167-pounder Gordon Kelly joined Dawson in a championship position with very impressive style. Kelly pinned all of his opponents and one win was one second short of the 16 second record set by Ty Wessell.

Kelly has also amassed 17 of the 120-team pins so far this season. Heavyweight Dave Wisner also gained a championship with two pins out of his three matches.

Medals earned

Four third-place medals were earned by Arrow matmen. John Gauw placed third and added two pins to his record. 119-pounder Kurt Inman ended up in a 3rd position after he fell to Marv Boluyt of Northview. Kurt continued on to defeat the rest of his opponents as did Boluyt. 155-pounder Junior Perry Beachum took a third place after falling to eventual runner-up Greg Smith of Cedar Springs. Beachum picked up a pin when he met Harvey Haskins of Portland in consolation. Paul Kliffman fell to the 185-lb. runner-up in his first match but defeated the rest of his opponents to become the Arrow's other 3rd place winner.

Max Truxa took Lowell's only 4th place. Max met runner-up Max Babbitt in his first match and was defeated in a (4-0) decision; he then won over Perry VanSheper of Central Christian (2-0) and ended up in 4th place.

Lowell's only close contender throughout the match was OK-Red Conference Champ Northview who followed the Arrows 106 points with 91 of their own. Lowell's closest conference competitor was Cedar Springs with 61.

F.H. J.V. B. Ball Team Takes Third In Conference

The Forest Hills Junior Varsity basketball team took third place behind Grandville and East Grand Rapids in the OK Red Division Conference ratings. Its final conference record was 7-5 with a total overall season record so far of 10-5. One game remains to be played Friday night against Hudsonville Unity Christian on the home floor.

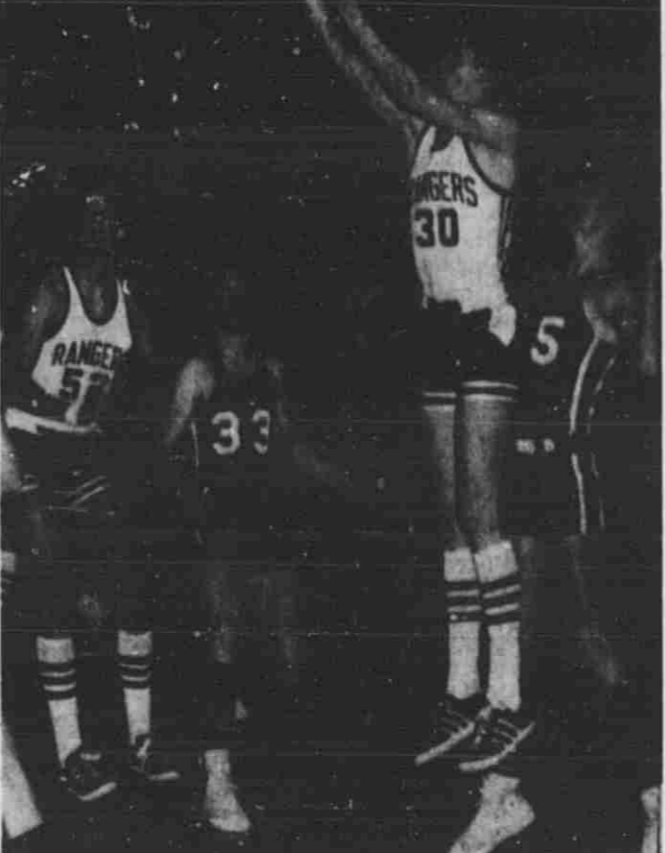

The J.V.'s split a pair last week. There was a wide win against West Ottawa on Tuesday night with the final score mounting to 79-50. The quarter scores were 22-7, 43-21, and 64-35.

Top scorers for the Rangers were Scott Vore, 20; Bill Heneveld, 19; Tom Bean, 15; and Kraig Klynstra, 10. Heneveld had ten assists and Vore was the leading rebounder with fifteen.

Following three quarters of play with Forest Hills in the lead, the team lost the game against Kentwood Friday in the last quarter. The first quarter whistle saw a Ranger lead of 6-4 which indicated a slow game. There never were many shots at the basket throughout the evening and the half ended at 18-13.

Very little action in the third quarter left the score at 29-25 as Kentwood held the ball whenever they were in possession. The fourth quarter saw the scoring reversed with the loss going to Forest Hills.

High scorers for the evening were Vore, 15 and Heneveld 10.

Plan FHHS Girls' Bowling

As part of the continuing girls' interscholastic sports program at Forest Hills, Joan Vanden Bosch, director, has announced that there will be at least five varsity and junior varsity bowling matches during March and April. Six teams make up the bowling conference whose matches will generally fall on Tuesday afternoons.

Other sports listed in the program include golf, tennis, volleyball, basketball, and softball. This makes a balanced schedule of three individual sports and three team sports.

"We had trouble getting the program off the ground," said the director, "but now that the ice is broken, perhaps other schools will join us. I prefer only six schools in the conference although the limit is ten." Commitments for a schedule in golf and tennis for next fall are being sought now.

JV's Lose Thriller

"For want of a free throw." That was the statement made by Michael Clark, Lowell Junior Varsity Basketball Coach, following Lowell's 55-48 loss at Belding. "We played an excellent game overall," said Clark. "We went into the game mentally and physically ready to play. We outshouted them and played real good defense, but in the end, it was our inability to make the free throw that lost it."

Lowell has been averaging nearly 60 percent from the charity stripe on the year, but could only hit 35 percent, hitting on 8 of 23 attempts. Lowell took an early lead, but watched it disappear as only 3 of 14 free throws were converted in the first half. The half time score was 32-23 in favor of Belding. Lowell staged a 3rd quarter rally scoring 13 points to Belding's 6 to tie the score at 38, all going into the 4th quarter.

The game stayed close and was tied at 44 all, when Belding scored two quick baskets to take the lead for good. Lowell fought back to within two points, but the hand of Belding's Darryl Casey, who scored 12 of his game high 23 points in the fourth quarter, put the game out of Lowell's reach.

Lowell held a decisive edge in rebounds, 49-27. Clark mentioned special praise to Tom Wernet and Rusty Steffens, who combined to hold Belding's 6'6" Center to only 12 rebounds and two points.

The Red Arrows finish the Tri-River league play with a 7 win, 3 loss record and assurance of second place. League leaders Belding and Greenville face tough opponents on their final league games this week.

A loss by both teams would give Lowell a tie for first in the Tri-River league. Lowell will host Lakewood in the season finale on Tuesday, February 23, at 6:30 in the Lowell gym.

Leading scorers for Lowell were: Joe Ellis with 17, Dave Rittersdorf with 10, Bernie Harden, who came off the bench to spark Lowell's offense with seven points, Rusty Steffens with six, Tom Wernet with four and Denny Wittenbach with two points. Rusty Steffens pulled in 15 rebounds, Tom Wernet 10 and Joe Ellis nine.

Win Last Two Dual Matches

The Arrows won their last two dual matches last week when they met and defeated Belding 30-11 and Ionia 39-6 in a non-conference match held here Thursday.

Outstanding wrestler for the Belding match was Jim Richard. Jim won over Randy Holt who was previously undefeated in duals. Heavyweight Dave Wisner was the outstanding wrestler in the Ionia match. Dave defeated Al Benet for the first time out of the five times they've met.

Table with 2 columns: Lowell Vs. Belding and Lowell Vs. Ionia. Lists match results and scores for various weight classes.

Arrows Defeat Ionia Lose To Belding

The number of Arrow victories may never equal the number of defeats this season but the number of wins was bolstered after a 94-77 win over Ionia in a non-conference game held here last Tuesday. That win was followed by a heart-breaking one point loss to rival league team Belding last Friday night.

Belding battled Lowell on even terms for most of the game with the lead never more than a 2 point difference.

The Arrow's largest lead was at the end of the third quarter when Lowell was out front 51-45.

Belding put on a successful fourth quarter press which forced Coach Meredith to watch the Arrows lead taken away and both teams sat for the final basket. Belding chipped in the final basket and left the final score 59-61.

Junior guard Chris Collins paced the Arrows with 16 points, followed by veteran starter Denny DeWitt, collecting 14. Both shot 50% from the free throw line.

Once again forward Joe Rinard was the Arrow's power under the board. Rinard hauled in 17 rebounds and also gained 13 points.

Pete Olson's quick hands netted the Arrow's five steals and four assists. Olson also collected five points.

Arrow forward Denny DeWitt was held to an unusually low four points and he totaled only four rebounds.

Opposite Kisinger was Belding's high scorer, Don Campbell, who topped the Redskins with 33 points.

Sophomore Kris Kropf, brought up to fill in for injured guard Blake Johnson, hurt in the Cooperville game several weeks ago, saw varsity action for the second time. Kropf chucked in three foul shots to get on the score board.

Mike Oberlin substituted for Kisinger through most of the game and finished the game after Denny Kisinger allegedly picked up his 5th foul with two minutes, 14 seconds left. Oberlin chucked in a rebounded shot with 31 seconds left, but the Red Skins still ended up on top by two points.

DeWitt tied his season's high scoring with 32 points. Hot shooting Junior guard Chris Collins also pumped in 32 to set his high mark. DeWitt produced most of his points by threading his way down the base line to sink layups. Collins impressed the crowd with his pin-point shooting from the side of the key and several 20-footers.

Center Denny Kisinger hit for 10 points and grabbed several rebounds.

Ionia's scoring was closely matched with Lowell's. Lowell was one point ahead at the quarter mark and one point down at the half.

Table with 2 columns: Lowell Vs. Ionia and Lowell Vs. Belding. Lists player stats including FG, FT, TP, Rebounds, and Assists.

'Peoplos Patterns' Topic Of Public Forum

On the evening of Tuesday, March 16, a number of voluntary organizations in Grand Rapids is sponsoring an exploration of some of the current ideas concerning population growth, development and control.

This public forum entitled People Patterns will take place at 8 p.m. in Fountain Street Church. The keynote speaker will be the Reverend Canon Don C. Shaw of the Episcopal Diocese of Chicago.

The program on March 16 will open with remarks by Canon Shaw. Following his observations, four or five individuals representing various viewpoints will serve as reactors, briefly presenting their own positions regarding population concerns and reacting or responding to specific issues raised by Canon Shaw.

BOY SCOUT 61ST ANNIVERSARY CELEBRATION

A Salute to Scouts . . . They're Cleaning Up!

Because today's Boy Scouts are concerned about today's problems, they're cleaning up in 1971, with trash disposal and anti-litter programs to help our community.

Conservation . . . It's Their 1971 Good Turn

Planting, cleaning up river beds, reforestation . . . these are just part of our Boy Scouts' activities, on behalf of conservation, their "Good Turn" for 1971.

Pollution . . . Scouts Do Something About It

With vigorous programs to fight pollution, Boy Scouts set a good example. They're doing something now to improve our environment . . . and what they do can inspire action by all.

They Act to Save Our American Resources . . .

Project SOAR, "Save Our American Resources," involves Boy Scouts everywhere. We congratulate our local Scouts, who on February 8th, Anniversary Day, inaugurate their own programs in aid of Project SOAR.

To our local Boy Scouts and their leaders, we proudly offer sincere congratulations on the 61st Anniversary of Scouting.

For your dedicated efforts to fight pollution, to protect and preserve our vital resources, we are truly grateful, Scouts!
