## Camp Fire Girls Birthday Week March 14-20

On March 17 Camp Fire Girls, Incorporated, will be 61 years old. During the week of March 14-20 the members will celebrate the founding of their national organization in 1910 by Dr. and Mrs. Luther Halsey Gulick, assisted by such well-known figures as Ernest Thompson Seton, who helped them incorporate Indian lore into their program. The joy and pride a woman finds in giving service to home and community were to be emphasized, as well as delight in the world of nature. The Blue Bird program, for girls in 2nd and 3rd grade, was developed somewhat later.

Lowell Camp Fire Girls and Blue Birds will observe Camp Fire Sunday on March 14 by attending the churches of their choice and sitting in groups with their leaders. "Worship God" is the first of the tenets stated in the Camp Fire Law, followed by "Seek Beauty, Give Service, Pursue Knowledge, Be Trustworthy, Hold on to Health, Glorify Work, Be Happy."

The Keewano Council of Camp Fire Girls will be holding its annual Pow Wow at Northeast Junior High School on Fuller Avenue on March 12 (5:00-9:00 p.m.) and March 13 (10:00 a.m.-4:00 p.m.). Booths in which group activities are demonstrated and continuous performances of skits and music are scheduled to acquaint parents and friends with the offerings of Camp Fire and Blue Birds to the girls in the area.

Door prizes, food, a cake walk, a fish pond, and a spook house will add to the fun. Several Lowell groups are planning to participate, and the girls have tickets available for \$5.00.

Proceeds from the Pow Wow go to pay the land contract on the Camp Fire resident camp, Camp Keewano.

## Showboat Honors Doyle

Members of the Board of Directors of Lowell Showboat presented retiring president, William S. Doyle, with a silver cigarette box last week honoring his five years as president and some 35 years of working on Showboat. The box was presented by new president, Larry Wittenbach, and inscribed "To Bill Doyle, in appreciation of 35 years' service to Lowell Showboat, President 1965-1971." Doyle will continue to serve Showboat as a member of the advisory committee.

## Townships Receive FHA Planning Grant

Lowell, Vergennes, Bowne, Grattan, Ada and Cascade Townships were among the rural Kent County Townships, Villages and small cities benefiting from a \$50,000 planning grant from the Farmer's Home Administration. This is the largest planning grant ever allocated in Michigan and is made to the Kent County Planning Commission.

The purpose of the \$50,000 grant is for a preliminary study of water and sewerage treatment requirements in the rural areas of Kent County. Jay Hanse, Regional Director of FHA, stated that the entire concentration of effort is to be in those villages, cities and townships with a population of less than 5,500.

The importance that the Farmer's Home Administration places on the project is reflected in the fact that the \$50,000 grant represents 100% financing of the program. Most Federal grants are made on a participative basis. The grant is for an 18-month study under the direction of Larry Miller, Planner for Williams and Works, the consulting firm employed for the job.

Since all future growth in Kent County is contingent upon adequate water supply and wastewater treatment, this planning study will lead to the orderly future development of the rural areas of the county. The study also gives Kent County communities an advantage in applying for Federal funds to aid in the construction of future facilities.

The Federal government will only grant funds to those areas in which a comprehensive planning study has been conducted.

**OUT OF DANGER** - The waters of the Flat and Grand River began receding earlier this week, leaving behind ice as a reminder of the high water. Earlier this week the waters of the Grand reached flood height and several homes in the Comstock Park area were evacuated. Photo by Brooke Johnson

## Public Meeting March 18 \$1.9 Million Project

All property owners in Lowell are urged to attend a public meeting Thursday, March 18, 1971 at 8:00 p.m. in the Runciman Elementary School. The purpose of the meeting is to provide full information regarding the project to separate the storm and sanitary sewers in Lowell, as well as the street improvement program.

A slide presentation outlining the project will be presented. Representatives from the Michigan Department of Health; the Kent County Department of Public Works; the consulting engineer, Williams & Works; and the entire City Council will be present to answer property owners' inquiries.

The City of Lowell is under "cease and desist" orders from the Michigan State Water Resources Commission to expand and improve its sewage treatment plant so that 80% of the

phosphates in the wastewater will be removed before discharge into the Flat River. These improvements cannot be accomplished in the present plant if the sanitary sewer and storm water collection systems are combined - the volume of water produced is much too great. The present sewage treatment plant was designed for separate storm and sanitary sewer systems, and was built with the understanding that the separation would be made at the earliest possible time.

The total project cost is \$1,900,000.00. It is estimated that the period of usefulness of the proposed construction will be in excess of 50 years.

Blaine Bacon, City Manager, emphasizes that complete financial information on the project will be presented at the March 18 meeting.

## 8 Students Eligible For Overseas Trip

Eight of Lowell's High School Juniors are eligible for a trip overseas under the Youth for Understanding program it was announced by the committee Monday. Those juniors that qualified (in alphabetical order) are: Paula Detmers, Louise Doyle, Sally Doyle, Denise Kropf, Barb Nordhof, Nancy Roth, Richard Siegle, and Vicki Sterzick.

For the next several months these young people will be busy getting passports, health records and letters of recommendation all compiled in preparation for their departure in early June to their host families in Europe.

The purpose of the Youth for Understanding program is to provide an opportunity for American high school students to live with a family overseas for approximately two months, to develop a better understanding and appreciation of the peoples of other lands.

Cost of this program is \$800 for each student. Lowell's local Y.F.U. committee will be trying to raise as much as possible to defray some of this cost. Anyone with questions about the program or wishing to make a donation is requested to contact Rose Ball, 513 E. Main St., Lowell, phone TW 7-7793.

### SPECIAL SCHOOL BOARD MEETING

A special meeting of the Board of Education will be held on Monday, March 15, at 7:30 p.m. in the Senior High School Library.

## Reactivate League Of Women Voters

The national organization known as the League of Women Voters is now past its fiftieth year mark. A former group in the Forest Hills area is being reactivated since the growth of the suburbs has dictated unit mobility within a locality.

The League of Women Voters is a non-partisan organization designed to aid women to become more informed on current issues in local, state, and national government. It is open to anyone interested in voting more intelligently. Monthly meetings are held, usually in private homes.

An organizational meeting will be held in the home of Mrs. Campbell Steketee, 2000 Thornapple River Drive on Friday, March 19 from 9:30 a.m. to 12 noon. A nursery will be provided at 6199 Spothill Drive in Adacraft Commons.

Mrs. Elmer Locke will be the featured speaker. She will be discussing "The Story of the Electoral College," the same topic that all units in Grand Rapids will also have under consideration.

If enough women are interested in more than one local unit, others may be formed. The turnout at the organizational meeting will determine the number of units and their locations.

## Lowell Men Injured In G R

George W. McDonough and Rickey L. Taylor, both 21, from Lowell, were treated at Blodgett after their car sped off the end of Plymouth Avenue about 4 a.m. Saturday.

Patrolman Joseph Benston said the car hit a snowbank at the street's end, became airborne, bounced beside the railroad tracks and then sailed up onto a bank.

### Seeks Help at Homes

McDonough apparently crawled from the wreckage up to Plymouth Avenue, seeking help at homes. He was first reported to police as a prowler, then a second call stated he was an accident victim. The first cruiser at the scene was unable to spot the car 100 yards off the end of the road.

McDonough finally was found on a front porch and told officers where the car was. Taylor, his face cut, was found in the wreckage. Benston said both had been drinking and each said the other had been driving.

ALONG MAIN STREET

Dick McCaul of Alto, formerly associated with Thomet's Chevrolet & Buick, has recently taken over the Texaco station in town.

The brain is a marvelous mechanism. As someone once said, it begins functioning the day you are born and never quits until you are called upon to speak in public.

Vera Brower was given a surprise birthday party by her friends last Saturday night at her place of business in Alto. Many happy returns!

I hope those swallows are warming up for their return flight to Capistrano. According to tradition, they're due to arrive back on March 19.

Happiness is having your wife try on a dress you can't afford and finding out it doesn't fit her anyway.

ZZANO'S PIZZA - 313 E. Main Street, Phone 897-8861. Open 7 nights a week. c45-tf

## Celebration Plans Take Shape

The Lowell Area Fallsburg Covered Bridge Centennial committee announces that house-to-house get-acquainted calls will be made on Monday, March 15.

Literature on the program for the celebration will be distributed and those interested in Lowell area growth will be urged to volunteer their services as well as purchase Centennial Certificates.

Definite plans have been drawn up for the week of the celebration, June 27 - July 3, and the following special days will be observed: Sunday - Religious Heritage Day; Monday - Pioneer and Senior Citizen Day; Tuesday - Young America Day; Wednesday - Belles Day; Thursday - Business Progress Day; Friday - Community Day; Saturday - Military, Veterans and Fraternal Day.

Saturday will also be reserved as "rain-out" day to play any scheduled performance that has to be postponed because of weather conditions.

## Chamber Of Commerce Names New Officers

At a special meeting held by the Chamber of Commerce March 4, the Board of Directors elected the following officers: President, Jack Beggs; Vice President, Vince McCambridge; Secretary, Dolores Dey; Treasurer, Darlene Cahoon.

Other Board members are Dick Roth, Ken Ayres, Duke Thomet, Arnie DeLoof, Gould Rivette and Charles Lippert.

### WATER UNSAFE FOR USING

Water from wells that have been flooded should be considered contaminated, according to Dr. W. B. Prothro, Director of the Kent County Health Department. Water from wells that have been flooded should not be used for drinking and domestic purposes until proven safe by bacteriological tests.

Instructions for chlorinating wells, and bottles for water samples may be obtained, free, from the Kent County Health Department, or at Lamoreaux Drug Store, 3924 West River Road, Comstock Park.

After chlorinating a well, water samples should be taken and returned to the Health Department or Lamoreaux for laboratory analysis.

Reports of "safe" or "unsafe" samples will be returned to home owners as soon as they are available, about two days.

## Junior High Band In Concert On March 25

The Lowell Junior High School Bands, under the direction of Patricia Covey, will present a concert Thursday evening, March 25, at 8 p.m. in the Intermediate Gym building.

The 65-piece Cadet Band will play selections including Bunker Hill March, Little Scotch Suite, and Six Episodes by Kabalovsky. The 82-piece Concert Band will perform works such as Wagner Showcase, Belmont Overture and Minnesota March by Sousa.

This is the second of three concerts for the bands this year. The annual "Pops" concert will be held in May.

## Cancer Society Drive To Begin April 1

Mrs. Lance Molander will lead the 1971 Cancer Crusade in the Cascade area announced Roger L. Martin, General Campaign Chairman. The goal is \$150,000 this year, approximately half of which will be sent to the national office of the American Cancer Society for research and educational materials with the other half remaining in the county for service to cancer victims and public education programs. The annual spring drive will begin April 1st.

As area chairman, Mrs. Molander is responsible for all drive people in Cascade and the surrounding area. Her Township Chairmen are: Ada, Mr. Jim Oosdyke, Ada Union Bank, 455 Ada Dr.; Kentwood, Paris township, Mr. John Teggelaar from Old Kent Bank at Eastbrook; Vergennes, Mrs. John Gerhardt, 762 Lincoln Lake Ave., Lowell; City of Lowell, Mrs. Edward Boyd, 14200 28th St., Lowell; Rural Lowell, Mrs. John Blanding, Route No. 2, Lowell; and Dr. Thomas Davis, of 6886 Cascade in charge of Cascade township.

Mrs. Molander has worked for the Cancer Society at different levels several times. She and her husband live at 7237 Cascade Road, SE. If anyone would be interested in volunteering to help with the drive please call Mrs. Molander, 949-8189.

### BUSHNELL PARENT-TEACHER CLUB

Tuesday, March 16, at 7:30 p.m. our new Superintendent, Mr. Sinke, is coming to talk to us at the Bushnell School. The topic will be about School millage and the overcrowding of schools. This is our opportunity to meet and discuss school problems with Mr. Sinke.

The public is welcome. Coffee will be served following the meeting.

## Psychologist To Speak At Dinner Meeting

JAMES R. LUNDY

The Lowell Child Study Club entertainment committee has had the good fortune to engage James R. Lundy, Ph.D., as speaker for their annual Husband and Wife Banquet on Thursday, March 18, at 6:30 p.m. at the Methodist Church Youth Building.

Dr. Lundy is presently an Associate Professor of Psychology at Grand Valley State College.

He is a native of Tennessee, attained B.S. and M.A. degrees at his home state University and earned his doctorate in Personality - Social Psychology from Michigan State University.

In addition to his duties at Grand Valley, he has a private practice involving psychotherapy, and is a lecturer in Psychology, University of Michigan Extension Service.

Dr. Lundy has published many articles, including "The Myth of Romantic Love." At present he has a book in press on "Superstition: Dynamics, Role and Function in Society" and another book in preparation called "The Social Psychology of Charisma."

The presence of Dr. Lundy is sure to attract a large audience and the club officers urge those planning to attend the dinner to make reservations early. Call 897-7861 or 897-7195.

ZZANO'S PIZZA - 313 E. Main Street, Phone 897-8861. Open 7 nights a week. c45-tf

The Lowell Library's current film festival proves to be quite an "eye-opener" for this audience.

"The Reel World," the children's film festival at the Lowell Library on Saturdays at 10:30, is having great success. The films this week will especially appeal to nature lovers in the upper elementary and junior high levels.

One of the Walt Disney "True Life Adventure" series will be the feature this week. In "Beaver Valley" the camera observes the beaver as provider and family man. The daily lives of otters, prairie dogs, and other inhabitants of the woodlands are also recorded. The musical score is perfectly tailored to fit this extraordinary film.

Although there is no admission charge, seating is limited. It is advisable to pick up advance tickets at the Library.

### WITH OUR SERVICEMEN

Marine Lance Corporal Mark S. Noren, son of Mr. and Mrs. Harold R. Noren of 550 River Street, Ada, was graduated from Non-Commissioned Officer School at the Marine Corps Base, Twenty-nine Palms, California.

William G. Bouck, son of Mr. and Mrs. Roy A. Bouck of Route 3, and husband of the former Miss Louise R. Grover of Center St., all of Lowell, Mich., has reported to the Aviation Officer Candidate School at the Naval Air Station, Pensacola, Fla.

Upon completion of this segment of training he will be commissioned an Ensign in the Naval Reserve and proceed to the next portion of training under the Naval Aviation Program.

Bouck is a 1970 graduate of Central Michigan University, Mt. Pleasant, Mich.

Herbert M. Reynolds, Jr., whose parents live at 604 N. Hudson St., Lowell, Mich., recently was promoted to Army Private First Class in Germany, where he is serving with the 3rd Infantry Division.

Pvt. Reynolds, assigned to Company A of the Division's 4th Battalion, 64th Armor, entered the Army in March 1970 and completed basic training at Ft. Knox, Ky., where he was last stationed.

A 1967 graduate of Lowell High School, he received an associate degree in 1969 at Ferris State College, Big Rapids. His wife, Sandra, lives at 1037 Kendallwood, N.E., Grand Rapids.

"LANCASTER" Magazine charges that over half of all traffic deaths occur during the hours of darkness—with fewer cars on the road. Most night accidents are caused by speed, poor visibility or fatigue. So adjust speed to headlights range of vision—make sure you can stop in time! Don't wait till total darkness to switch on lights—right after sunset is the most dangerous time. Keep panel lights dim, to avoid distraction. And lower high beams for oncoming cars—even if they don't! Sunglasses cut down glare, but also cut down vision. Tired? Pull off the road for a brief nap and if you stop for repairs get off the highway, or use road flares.

### COMING EVENTS

**THURSDAY, MARCH 11**  
Pancake supper at the First United Methodist Church sponsored by Cub Scout Pack 3188. Serving from 5 to 7 p.m.

**FRIDAY, MARCH 12**  
Cyclamen Chapter No. 94 Order of the Eastern Star will hold its regular meeting and the ceremony of Initiation at 8 p.m. at the Masonic Temple in Lowell.

**MONDAY, MARCH 15**  
Ionia County Pomona Grange will be at South Boston Grange Hall. Potluck supper at 7:30. Please bring own table service and a dish to pass.

**TUESDAY, MARCH 16**  
Island City Rebekah Lodge No. 282 will meet at 8 p.m. Parent-Teacher meeting at Bushnell School, 7:30 p.m. Alto Blue Birds and Campfire Girls will hold their annual Dad-Daughter Dinner at 6:30 p.m. in the Alto School Gym.

**WEDNESDAY, MARCH 17**  
Lenten Book Review at the YMCA, 10 a.m. Mrs. David Coons will review "Kinds of Love" by May Sarton. Coffee will be served at the beginning of the hour.

The Alto Garden Club will meet at the Alto Methodist Church at 12:45 for a potluck dinner. Bring a dish to pass and your own table service.

**THURSDAY, MARCH 18**  
Lowell Child Study Banquet, Thursday, March 18, 6:30 p.m. at the Methodist Church Youth Bldg., Dr. James R. Lundy, professor of psychology at Grand Valley State College, speaker. Make reservations early—call 897-7195.

Lecture series on Social Concerns, 9:30 a.m. at Ada Christian Reformed Church. Nursery provided.

### Celebrated Boy's Choir To Sing At Ionia

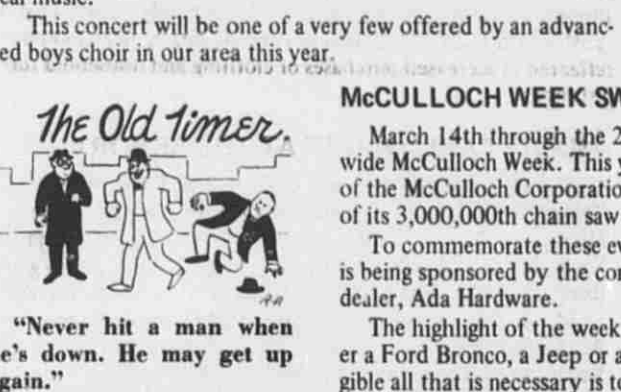

St. John, the Evangelist Parish (Episcopal) of Ionia cordially invites you to be with them Monday evening, March 22, at 8 p.m. for a vocal concert by St. Dunstan's Boys Choir from the Cathedral of St. Paul the Apostle (Episcopal), London, Ontario. This internationally known boys choir will sing the Service of Solemn Evensong with a concert to follow. Solemn Evensong is an ancient church rite which is very difficult to sing.

There are a total of 120 voices in St. Dunstan's full choir. In preparing for a forthcoming tour of Europe, the main body of the choir has been divided into three groups of 40 members each. All three of these groups are touring the United States individually at the present time prior to their joint to the continent.

In addition to concerts on numerous tours, this boys choir offers a few operas and holds an annual summer music camp for churches of all denominations. Music offered by this group includes the most difficult "Miserere" by Mozart—an ancient refined arrangement developed by The Vatican Choir many years ago.

St. Dunstan's Choir, under the direction of Choirmaster Malcolm Westler, has the distinct honor of wearing with their vestments the Royal Crown of the Croydon School of Music, Croydon, England. They are members of this advanced school of vocal music.

This concert will be one of a very few offered by an advanced boys choir in our area this year.

"Never hit a man when he's down. He may get up again."

### To Be Married

**MISS JANE DOMMER**  
Mr. and Mrs. Ward Dommer, Greenbrier Drive, Grand Rapids, announce the engagement of their daughter, Jane, to Robert Zwiers, Jr. son of Mr. and Mrs. Robert Zwiers of Holland, Michigan.

Jane will graduate from Butterworth Hospital School of Nursing in June. Her fiancé attends Ferris State College.

### New Arrivals

The Donald Alexander McPhersons are proud grandparents of two new grandsons. A son, Alexander Edward, was born to Mr. and Mrs. Donald E. Knox of Los Angeles, California on January 12. Mrs. Knox is the former Betsy McPherson.

On March 7 a boy, Donald Bruce, was born to the Melvin Peter McPhersons of Washington, D.C.

A daughter, Stacey Leigh, was born to Mr. and Mrs. Mike Steinberger of Lowell on February 19. The baby arrived in Butterworth Hospital, weighing 7 lb., 13 1/2 oz.

**PARENTS INVITED TO CONVOCATION**

Mr. and Mrs. Robert Godfrey, formerly of Ada, have received an invitation to the 48th Annual Honors Convocation to be held March 26 at the University of Michigan where their daughter Carol, a senior, will be among those honored. The convocation will be followed by a tea for the honor students and their families, hosted by the president of the University and his wife.

Mr. and Mrs. Walter Wingeier of Alto have also received an invitation to the Convocation in honor of their son, Elwood, who will graduate of the College of Engineering.

### Junior High Semester Honor Roll

**SIXTH GRADE**  
Karen Anderson, Tom Andrews, Bryan Benjamin, Nancy Bieri, Joel Blazo, Lori Canfield, Cathy Carbonell, Robert Christensen, Bill Clements, Elaine Condon, Phyllis Courser, Dale Dart, Gary DeVries, Beth Ford, Laurie Harris, Mark Hartley, Stephanie Hartley.

Rod Herrera, Mark Hines, Scott Homolka, Ernie Hoover, Sheryl Hull, Kathy Irwin, Cheryl Kirby, Anne Kline, Debbie Kropp, Nancy Kyser, Susan Mathews, Tom Marks, Judy McGlamery, Mitch McNeal.

Paul Miller, Debra Miner, Kevin Mulder, Greg Narva, James Pfalter, Denise Rittenger, Della Rogers, Cindy Smith, Gerald Stahl, Brenda Stuart, Terri VanBeekum, Linda VanLaan, Roger Wilson, Pat Wittenbach, Phillip Wittenbach and Kris Wynald.

**SEVENTH GRADE**  
ALL A — Diana Keim

Dale Anderson, Doug Anderson, Wayne Boyce, Brenda Clark, Colleen Erdman, Dave Frazer, Pam Galbreath, Karen Gahringer, Don Green, Robin Guthrie, Kim Hale, Ellen Harold, Gordie Hill, Richard Huver.

Toby Jones, Christy Jousma, Diana Keim, Paula Kirby, Elizabeth Kyser, Tom Lamonde, Jim Miles, Susan Miller, Steve Noffke, Cheryl Parsons, Judy Peritt, Dianna Ralys, Jim Reagan, Jeff Rickert, Dion Ritzema.

Julie Rosenberger, Mary Roth, Paula Rus, Jay Singh, Cindy Slamska, Rosalie Sterling, Barb Sterzick, Sue Stevens, Lorraine Sypher, Cindy Tichelaar, Karen Topp, Patt VanSlyke and Dave VanWyk.

**EIGHTH GRADE**  
ALL A — Colleen Kelly and Ron Kretz.

Craig Anderson, John Bergy, Cheryl Boree, Dave Boyce, Carolyn Briggs, Greg Canfield, Robin Childs, Sue Christensen, Barb De, Carol Doyle, Pam Fairman, Dan Fliter, Gil Fonger, Lois Fox.

Sandy Graham, Teresa Hale, Karl Higgins, Cindy Homer, Gay Homolka, Joy Homolka, Cindy Hoover, Susan Johnson, Sandy Kimball, Gail Kloosterman, Debbie Knothuisen, Beverly Kropp, Richard Lenartz, George Lessen, Nola Loper, Richard Loughlin, Scott McNeal, Craig Mulder.

Ed Neumeier, Richard Olson, Bob Pfalter, Dewey Prins, Jackie Ransburger, Jeff Richardson, Brian Richmond, Dianne Rickert, Gary Roth, Tom Schindler, Wendy Stinchcomb, Carol Stuart, Tom Stuart, Cindy Yoder, Lynn Weaving, Tom Wingeier, Kathy Wittenbach, Kurt Vast, and Jill Swains.

In Bud Osmolenki's case, it has led to his study for a third class radio operator's license for which he took his exam in Detroit this week. Bud thanks Stikro and George Arthur for aiding him in advancement toward his career, but without the actual experience he gained in J.A., he might still be dreaming. Because of his company, Hero Radio, he has been on the air several times from studios and has made a remote broadcast from North Kent Mall.

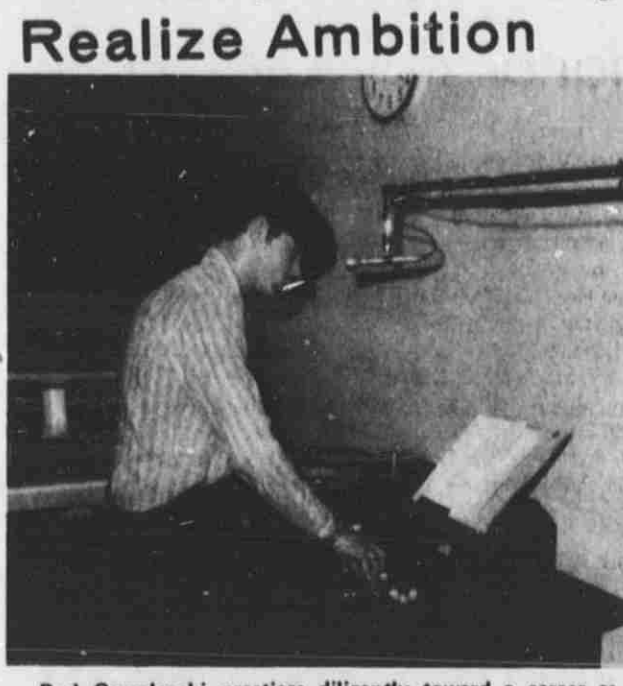

The Junior Achievement Trade Fair will continue the balance of this week at the Civic Auditorium. At 8 p.m. nightly live broadcasts of the talent shows will be on WZZM-TV through Hero Radio. Bud hopes that anyone wishing to buy commercial time on one or all of the remaining shows will call him at 676-1175.

**TOO MANY SNACK ADS FOR KIDDIES**  
A Code to moderate advertising of foodstuffs to children over television was proposed February 15 by Robert B. Chate at a Washington meeting evaluating hunger and malnutrition in the United States. Mr. Chate is Chairman of the Council on Children, Media and Merchandising.

The proposed Code would include these points: mandatory identification of ingredients and nutrients in foods advertised; the nation's airwaves; reduction in the advocacy of sugar; elimination of toys, gimmicks and bonuses to make a child select one food over another; restriction in the number of ads per hour of children's programming; prohibition of ads for drugs, medicines or vitamin pills during certain hours; separation of ads from program content; and establishment of a research center.

"Today a child watching television receives 10 advertisements per hour on what to eat. A moderate watcher of children's television programs receives over 5,000 messages per year, primarily advising him to eat snacks, sweets and soda pops," said Chate.

### J.A. Helps Area Boy Realize Ambition

Bud Osmolenki practices diligently toward a career as Disc Jockey.

Among the local young people who are taking part in the Junior Achievement Trade Fair, Bud Osmolenki, a senior at the Forest Hills High School, is following a career in which he has long been interested.

Hoping to become a disc jockey with a local radio station, Bud began some time ago to practice the skills needed. He has created a simulated radio studio in his home where he spends an average of two hours a night practicing cueing up records, keeping the speed down, and trying for the right tone of voice.

Bob Stikro, a disc jockey with WZZM, stopped in to look over Bud's set-up and suggested that he join the Hero Company of J.A. On his first night, Bud was made production manager of the company.

Junior Achievement is an economic education program in which high school students organize and manage miniature companies. They learn about American business by producing and selling products and services to the general public. The companies are formed in the fall and liquidated in the spring. Whether or not a profit is made, the experience remains a valuable learning tool.

In Bud Osmolenki's case, it has led to his study for a third class radio operator's license for which he took his exam in Detroit this week. Bud thanks Stikro and George Arthur for aiding him in advancement toward his career, but without the actual experience he gained in J.A., he might still be dreaming. Because of his company, Hero Radio, he has been on the air several times from studios and has made a remote broadcast from North Kent Mall.

The Junior Achievement Trade Fair will continue the balance of this week at the Civic Auditorium. At 8 p.m. nightly live broadcasts of the talent shows will be on WZZM-TV through Hero Radio. Bud hopes that anyone wishing to buy commercial time on one or all of the remaining shows will call him at 676-1175.

**TOO MANY SNACK ADS FOR KIDDIES**  
A Code to moderate advertising of foodstuffs to children over television was proposed February 15 by Robert B. Chate at a Washington meeting evaluating hunger and malnutrition in the United States. Mr. Chate is Chairman of the Council on Children, Media and Merchandising.

The proposed Code would include these points: mandatory identification of ingredients and nutrients in foods advertised; the nation's airwaves; reduction in the advocacy of sugar; elimination of toys, gimmicks and bonuses to make a child select one food over another; restriction in the number of ads per hour of children's programming; prohibition of ads for drugs, medicines or vitamin pills during certain hours; separation of ads from program content; and establishment of a research center.

"Today a child watching television receives 10 advertisements per hour on what to eat. A moderate watcher of children's television programs receives over 5,000 messages per year, primarily advising him to eat snacks, sweets and soda pops," said Chate.

### Forest Hills Hi-Lites

**BY SHIRLEY DYGERT**

Just back from a week of "shirt sleeve" weather are Muriel and Walt Penschbacher. On the way to visit son, Chip, in Williamsburg, they picked up Nancy at Western, and along with David, the quintet toured famous southern homes on the James River, took in Virginia Beach, and passed over and under the waters of Chesapeake Bay.

Also back from traveling and in time for the latest snowfall are Joanne and Stu Bradley. Among other delights at Nassau, they sat in the warm sunshine and watched the sailboats of the New York-Bahama races side by side.

They wandered through the stall markets by day and relaxed at night in a club called the Drum Beat. Now we know a winner; Joanne took the Casino for \$28.

For those of you who are stuck in Michigan, there are two fashion shows coming up that should shake your snowbound blues.

The first will be on Monday, March 15, at Forest Hills Country Club and is open to the public. It's to be called "The Spring Thing." A donation of \$2.00 will get you in for dessert and coffee and a peek at what you may be wearing in another month or two. You can call Bea Vander Ploeg at 949-0955 for tickets or talk to anyone of the Booth Memorial Hospital Auxiliary which is sponsoring the event.

The other style show will be at the same club on Wednesday, March 17, for members and their guests. Their theme is "Suddenly It's Spring" and we'll all wait to see if they are right.

S.T.O.P., the Students to Overcome Pollution, have announced the dates of their paper and scrap metal drives. The former will be on March 19, 20, and 21. Save your paper for them; you'll be doing yourself and the ecology a favor.

The scrap metal drive is slated for March 24 to April 4. Rinse out cans, remove labels, and squash them flat. For additional information call 949-6828. Pick-up service will be provided if necessary.

A group of men and women of retirement age have decided to band together for mutual enjoyment. A variety of programs including featured speakers and special films will be offered each week.

Meetings are to be held on Thursdays between 1:30 p.m. and 3:30 p.m. Currently the meetings are in the Ada Congregational Church, although the organization is non-denominational. Residents from all surrounding areas are invited to attend.

**RAIN ON YOUR VACATION?**  
Will it rain every day during your vacation? Cheer up. You can be insured against that.

After planning all year for those relaxing, sun-drenched days on some tropical isle you may find yourself drenched, all right, but not with sunlight. New rain insurance, however, can get back most of your money, if not your time.

It works like this: you pay daily premiums running \$1 for \$25 coverage; \$2 for \$50, \$3 for \$75 and \$4 for \$100. There's a one-day deductible so if it rains only one day you lose out. If it rains two days you get paid for a day; rain for three days means you get paid for two; rain for four days means you get paid for three. And so it goes.

With this insurance, a rainy day in a luxury hotel isn't that bad.

"While you are waiting for the community to achieve an ideal system of trash disposal, do a little trash collecting yourself. Pick up the junk, not just that, if any, in your own yard but in a nearby lot, or at some favorite picnic site, or along a roadside. You can appoint yourself unofficial curator for some area. Blaming a sloppy neighbor and then turning your back on the situation will get you nowhere."

**MONTE CARLO NIGHT AT THE ARMORY**  
The Kentwood Jaycees will sponsor their Fifth Annual "Monte Carlo Night," Saturday, March 20, at 8 p.m. in the Michigan National Guard Armory, 1200 44th Street, Southwest Wyoming. Monte Carlo Night, which includes all types of games using play money, is topped off with the millionaires auction!

Monte Carlo Night is the Kentwood Jaycees single biggest fund-raising project of the year! The proceeds help finance many Kentwood Jaycees community projects.

Co-chairman for the event this year are Dick Ward and Ken Johnston. The auxiliary wives also aid in this project. Tickets are available at the door or through any Kentwood Jaycee member. You must be 21 years of age to play.

### "Suddenly It's Spring"

**DISCUSSING PLANS** — For the upcoming fashion show are Aline Van Fossen (left) and Barry DeWalt (right), President and Treasurer of Forest Hills Country Club Women's Association.

The women of Forest Hills Country Club are planning to welcome members and their guests at a fashion show to be held on Wednesday, March 17.

The theme of the style show will be "Suddenly It's Spring." Canapes and finger sandwiches, dessert and coffee will be served. New Spring fashions will be shown with comments on each model's garb by Elaine Van Slyters. Modeling the collections will be members of the club including: Ginny Broski, Ellie Vega, Dottie Blackport, Alice Van Fossen, Nancy Murphy, Phyllis Block, Liz Parsb, and Carlie Wells.

General Chairman of the event is Phyllis Block; in charge of reservations, Betty DeWalt, chairman of the food committee, Priscilla Hallas; decorating chairman, Deann Binder; and publicity chairman, Jean Haner.

**ERA OF THE YOUNG MARRIEDS**  
The era of the young marrieds is just around the corner. And it holds considerable significance for American business.

Over the next 15 years there's going to be a dramatic growth in the number of younger adults. Government estimates show that one-third of the total expected population increase between now and 1985 will be in the 25-34 age bracket, says Meinhard-Commercial Corporation, a leading factoring and financing firm.

By 1985 the nation's population will be increased by 28 million persons in their 20s, 30s and early 40s. Total population then will be between 240 million and 250 million, compared with 206 million now.

Because of this anticipated increase of persons in the customary marriageable age bracket, household formations and birth rates should increase rapidly, says Meinhard-Commercial, a C.I.T. Financial Corporation subsidiary. The current rate of two million marriages annually should continue to rise to a peak of 2 1/2 million annually in 15 years, according to government statistics.

This increase in young marrieds presents business with varied sales and manufacturing challenges. For instance, the expected increase in household formations would mean additional opportunities in the textiles, furniture and other home-making industries.

Since it is a young population segment, its tastes and desires in clothing and household furnishings are likely to differ from those now prevailing. Then, too, by 1985 family money income is estimated to top \$1 trillion in 1968 dollars, which could be reflected in increased purchases of clothing and household furnishings.

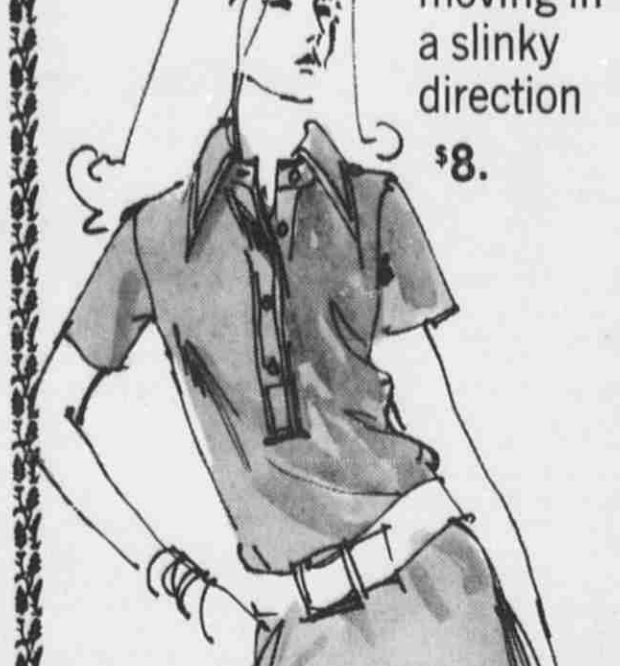

**MONTE CARLO NIGHT AT THE ARMORY**  
The Kentwood Jaycees will sponsor their Fifth Annual "Monte Carlo Night," Saturday, March 20, at 8 p.m. in the Michigan National Guard Armory, 1200 44th Street, Southwest Wyoming. Monte Carlo Night, which includes all types of games using play money, is topped off with the millionaires auction!

Monte Carlo Night is the Kentwood Jaycees single biggest fund-raising project of the year! The proceeds help finance many Kentwood Jaycees community projects.

Co-chairman for the event this year are Dick Ward and Ken Johnston. The auxiliary wives also aid in this project. Tickets are available at the door or through any Kentwood Jaycee member. You must be 21 years of age to play.

### Ship'n Shore

### Protestants Slate 23rd Annual Appeal For Work Overseas

On March 21, the fourth Sunday in Lent, many church-going Protestant and Orthodox men, women and children will contribute to the 23rd annual One Great Hour of Sharing, and by so doing support their churches' vast worldwide programs of relief and rehabilitation.

Church leaders estimate a sum of approximately \$12 million will be needed to carry out individual denominational programs and those conducted cooperatively through Church World Service, ecumenical agency supported by 33 denominations.

Response to the recent devastating cyclone and tidal wave in East Pakistan, and to the earlier earthquake in Peru, has claimed a significant portion of the churches' overseas funds during the past year, according to James MacCracken, executive director of Church World Service.

U. S. Protestant churches through Church World Service are pledged to raise substantial funds toward the complete rebuilding of three East Pakistan villages to house 1,800 families of cyclone survivors. This World Council of Churches project, officially recognized by the Government of Pakistan, is budgeted at more than \$800,000.

Villagers will participate in construction of their homes, a cyclone-tested design of cement-block block. As an added precaution, each village will have a multi-purpose building designed also as a cyclone shelter. Deep tube wells will provide water. Complete restoration of agricultural and fishing facilities is planned.

Immediately after the disaster, Church World Service rushed blankets, clothing, quantities of water purifiers and medicines to its warehouses in East Pakistan.

On the heels of the earthquake in Peru, CWS fielded three medical teams to the Government of Peru. The emergency phase was over, the headmaster of Peru asked the agency to assume responsibility for rehabilitation and reconstruction in Aja Province and the Huarmey Valley.

Repair of damaged irrigation reservoirs and canals, or roads, community buildings and homes is proceeding with the technical assistance of specialists, and nurses are carrying out immunization and public health care in villages. Long-range agricultural development is planned. The expenditure of approximately \$1 million is budgeted up to October 1972.

In addition to response to major disasters which make headlines, CWS supplies relief on a smaller scale to persons suffering from emergencies which though less publicized are no less difficult for those who are involved.

Some of this relief during the past year went to victims of war in Laos and Jordan, and to others suffering from natural disasters in Malawi, Bolivia, Turkey, Rumania, Ethiopia, South-west Africa, Rhodesia, Philippines and Costa Rica.

### 4-H Program Qualifies Youth For Off-Farm Work

Rural youths who hope to be employed off their parents farms this summer need to be aware of the U. S. Department of Labor regulations concerning such employment.

Laws in effect since January 1968 prohibit youths under 16 years of age from working away from their own farms in certain hazardous jobs involving tractors and machinery. But the Michigan State University Cooperative Extension Service announces that area youth who want to try to qualify for exemption from some of the labor restrictions can do so by completing the 4-H Tractor Program this winter.

Two types of exemptions will be offered to youths over 14 years of age with the 4-H tractor program. To qualify for tractor exemption only, the youth must attend at least 10 hours of instruction classes offered by the 4-H tractor program and successfully pass both written and tractor driving skills tests. To qualify for machinery exemption, the youth must fulfill all the above requirements plus 10 more hours of special machinery instruction and pass written and skills tests on these machines.

Several 4-H tractor clubs are being developed in Kent and some surrounding counties which will offer the required course on tractor safety and operation, plus the special units on safety when operating other implements.

Any boy or girl under 16 thinking about employment off his home farm next summer, should contact Alan Snyder, Kent County 4-H Youth Agent at the Cooperative Extension Service, 728 Fuller N.E., Grand Rapids 49503, 459-4471 before March 8.

### Pair weds in church United Fund Campaign Says "Thank You"

MRS. DAVID L. THOMAS

Saturday, February 27, 2:00 p.m., at St. Mary's Church in Lowell was the scene of the marriage of Elaine Martha Parker, daughter of Mr. and Mrs. Joseph P. Parker of Lowell, and Mr. David L. Thomas of Grand Rapids, son of Michael Thomas of Belding and Mrs. Dewey Sargent of Ada.

Rev. Father James R. Thelen performed the Nuptial Mass for the young couple.

Miss Parker chose a white velvet gown of classic design by Anon; she carried white roses and lilies of the valley. Her headpiece was Capote design in matching velvet.

Pamela Murray attended as maid of honor wearing royal blue velvet in a matching design with the bride and carried a blue bouquet.

Dan Stephens attended Mr. Thomas as best man. Following the ceremony, a reception for the immediate families was held at Evergreen Acres.

Mr. and Mrs. Thomas are now residing in Manhattan, Kansas, where he is stationed with the Armed Forces.

So often we hear the remark, "The only time we hear from United Fund is when they want money."

The 1970 United Fund campaign has been completed and pledges in our area total \$2,162,837.50.

Now, we want to say THANK YOU. Thank you to all of the people who contributed to the campaign and to the thousands of volunteers who helped solicit funds.

Thank you to the volunteers who serve throughout the year on the United Fund and Community Services boards and committees.

Thank you to the persons who voluntarily give of their time and energies to the United Fund member agencies. All of them stretch the United Fund dollar even farther.

Your contributions to the United Fund will be helping people in our area throughout all of 1971, people like the woman who wrote, "I would like to take this opportunity to thank United Fund and Community Services for their help. Without your assistance in paying my hospital bill, my husband and I would have been unable to return to school."

Thank you to a recipient of help at Booth Memorial Hospital. "I never was very good at saying thank you, especially to those to whom I owe so much. How can anyone really thank someone for saving their life. If it hadn't been for your good professional help along with your warm kindness, I might not be still able to make something out of my life."

And a thank you letter from a new family. "We are so grateful to D. A. Biogdetti Homes for Children. We always knew your services were wonderful, but the full realization of what you fine people do never hit us until we brought our little boy home last week."

An, on, and on. . . . Through your United Fund pledge you have said that you believe in helping people less fortunate than yourself - the homeless, the handicapped; families struck by disaster, shut-ins, helpless older persons, the mentally ill and many others.

United Fund and Community Services has reserved this special time to say thank you to all of you who help from all who benefit - one out of every three persons in 1970.

### Marries

Miss Nancy Ann Peck and Maurice Roger Pitsch were married February 19 in the Michigan State University Alumni Chapel. Parents of the couple are Mr. and Mrs. Vernon Peck of Plymouth and Mr. and Mrs. A. Roger Pitsch of Alto.

The couple will reside in Lansing.

### On Dean's List

Eliwood Winger, a student at the College of Engineering, University of Michigan, has been named to the Dean's List which consists of those students who completed 12 hours credit or more and who earned a grade point average of 3.5 or better for the term.

Eliwood is the son of Mr. and Mrs. Walter Winger of Alto.

### Social Notes

John and Peg Gerhardt returned last week from a Florida vacation. With them they were weekend guests of former Lowellites, Marian and Ray Avery and all attended the marriage of L. Wendell Christoff and Helen Condrelin in Orlando.

### Senior High School Honor Roll

Out of the 186 students named to the semester "honor roll" at Lowell Senior High School, eighteen students were credited for achieving "A-B" records.

The "A-B" students included Kathy Marks and Dean Roth, freshman class; Marcia Alderink, Janet Bieri, Nancy Coons, Nancy Gwatkin, Jordan Leyer and Aubrey Marrow, sophomore class; Nancy Ellis, Nancy Heintzelman, Kevin Hoag, Carolyn Kyser and Jeanette Marks, junior class; and Martha Coons, Mark Hodley, Jeanne Leeman, Jane Reagan and Peter Waller, senior class.

The remainder of the students named to the listing were:

**NINTH GRADE**  
Shawn Ayres, Mary Bailey, Tom Bergy, Mark Blanding, Carlton Blough, Mark Blough, Laurie Biggs, Ken Bryan, Cindy Buche, Joyce Comdure, Terry Conley, Lori Courser, Rollin Craft.  
Joan Dalata, Mary Dey, Sheryl Esclair, Sherry Fairman, Mary Ford, Nancy Gahrin, Phil Gerard, Garbutt Graham, Beth Harrison, Tom Heintzelman, Doug Hoffman, Ken Kropf, Debbie McCambridge, Sherry Olson, Jerry Olson, Joe Parker, Angela Parsons, Robert Payne, Don Phillips, Jeff Pierce, Ben Porritt, Sharon Pratt, Charles Prim, Kathy Reagan.  
Charles Rogers, Reetha Seese, Bonnie Shade, David Slatler, Tara Sprott, David Taylor, Ken Thomet, Susan VanLaan, Carrie Weemhoff, Jerrilyn Wells, Jeanne Wernet, Randy Werner, Scott Wingerie and Paul Wittenbach.

**TENTH GRADE**  
Robert Anderson, Gary Barber, Joylene Blough, Denise Breink, Pam Briggs, Bernie Bryan, Drew Condon, Dale Dawson, Sharon Doyle, Joe Ellis, Terry Fairman, Vicki Fenn, Lee Galbreath, Judy Hakala, Colleen Hill, Cindy Irwin, Mari Justifer, Patricia Kelly, Kathy Kemper, Gary Key, Kris Kropf, Melissa Lake, Dan Lomas, Cherie McKeage, Carol Monroe, Bob Morris, Terry Reynolds, David Rittersdorf, Nancy Rottler, Bernard Sarniak, Barb Spitzbergen, Debbie Thuston, Janice Wandwater, Chris Yalack and Carl Yost.

**ELEVENTH GRADE**  
Karen Alexander, Laura Antrim, Liz Bacon, Sharon Bauer, Jeff Beachum, Cindy Bigelow, Donna Bowne, Brooke Boyce, Jeff Brower, Lou Davies, Marc DeForest, Dan DeHaan, Louise Doyle, Pamela Erdman, Donald Fairman, Arlene Falangan, Lori Gahrin, Alan Graham, Dan Hendrick, Dan Hill, Liz Hoag, Randy Jones, Debbie Kemper, Joanne Kyser, Dorothy Latic, Bonnie Lee.

**TWELFTH GRADE**  
Cindy Adams, Kay Alderink, Sharon Beach, June Bire, Dave Blanding, Cindy Blough, Gary Blough, Tim DeHaan, Vincent DeWitt, Marc Gedloed, Steve Greenewald, Anita Hann, Myers Hoover, Ruth Lee.  
Tapani Maata, Mary Manigold, Cara McKay, Lenora Myers, Peter Porritt, Margi Pys, Val Rich, Debbie Rickert, Linda Roth, Sue Seese, Randy Sorenson, Kathy Sprott, Mike Talbot, JoAnne Vader and Crista Yeiter.

**BREAD AND WINE DIET**  
Watch Wighters magazine print the story of a young mother and daughter attending a church communion service together and faced an unusual problem.  
As the traditional piece of bread and swallow of wine were being distributed to the congregation, the daughter, a member of Wight Watchers, whispered worriedly, "What should I do? Is Communion 'Legal'?"

Michigan has more fresh water coastline than any other state.

### Accountants To Meet, Will Elect Officers

The Grand Rapids Chapter of the National Association of Accountants will hold a member participation three-section meeting Tuesday, March 16, at the Comet Restaurant.

Three separate groups with a discussion leader to guide them will be divided into the categories which include: "Impact of Inflation on Usefulness of Account Reports," "Discussion leader: Ken Hopus with Touche, Ross and Company," "Getting Faster Information - Speeding up Closing," "Discussion leader: Edward Goddard of Kenower, MacArthur and Company," "Credit Analysis and Practices." Discussion leader: Harry J. VanderMeer with Rapistan, Inc.

The annual election of officers will also take place. Dinner will be at 6:30 p.m., preceded by a social hour at 6.

**BUY THAT DREAM... WITH A LOW-COST LOAN**

Dreaming about a modern kitchen, an extra bathroom or any other home improvement? You can make that dream come true NOW. All the money you'll need, you can get promptly on a low-cost loan from us. Terms will be arranged so that you can readily repay the loan out of income. Or, if you have an adequate equity in your home, we can re-finance your present mortgage to provide the needed funds.

Serving You From Two Convenient Locations

DONALD P. FRITZ

### New Partner In Local Firm

A firm of architects and planners has recently changed its name in order to add a partner. The firm now is McMillen, Palmer & Fritz, Incorporated.

Donald P. Fritz, Thorncrest Avenue, was born in East Grand Rapids. He was graduated from the University of Michigan in 1960 in Architecture and began his career in the east. Upon his return to the Grand Rapids area a year later, he joined the firm of O'Byrne and Nochtgall where he remained for nine years prior to joining McMillen and Palmer. He has designed several residences in the Cascade area.

Fritz and his wife, Karen, have three daughters; Mary Ellen attends Cascade School, Barbara is a student at Thornapple School, and Elizabeth is still at home.

When Robert Burns wrote "We'll take a cup 'o' kindness yet," he established a pattern we still follow during the season of fellowship and good cheer. But even Burns, who it has been said enjoyed his "wee dram," could never have predicted the great popularity that Highland spirits enjoy during America's holiday seasons.

Americans purchased over 15 million gallons of Scotch during the 1969 holiday season and the amount jumped to nearly 17 1/2 million gallons for the same period in 1970 according to a study by the research department of Black & White Scotch.

Scotch drinkers consumed more than 44 million gallons of spirits of the clan during 1969. Sales figures for 1970 climbed to over 50 million gallons. This represents an estimated \$1.7 billion in retail sales, the study shows.

These figures would surely have stirred the blood of Scotland's national poet as much as knowing his birthplace in Alloway became a public drinking place out of respect for "Rab" Burns and his beloved Scotch whisky.

Use only approved snow tires during the hazardous winter driving season. Chains are still the best deterrent to skidding, but regular snow tires and studded tires also provide better traction than normal tires. But don't get overconfident, a skid can occur with any tire.

**Now there's a new, small Pontiac with a small-car price for small-car lovers.**

Wouldn't you know it would be fun to drive, stingy on gas, quick to service and built to last.

Of course you would. We wouldn't build a small car unless we figured it would give you more of what you want a small car for.

Take that low price. Ventura II is a small car, so it has a low, small-car price. But it's what you get for that small price that makes Ventura II worth a close look.

Ventura II is fun to drive. It should be, it's from the Wide-Track people. Which means you get a smooth, comfortable, Wide-Track ride.

The handling's quick. There's a nifty 111-inch wheelbase for easy parking. And both the 250-cu.-in. six and available 307-cu.-in. V-8 respond beautifully in city traffic or on the expressway.

Ventura II is stingy with your gas money. Both the standard six-cylinder engine and the V-8 you can order run beautifully on regular gas or the new low-lead and no-lead fuels. The carburetor on the six is an economical one-barrel and the transmission for both six and V-8 is a practical 3-speed manual.

Ventura II is quick to service. If you're a do-it-yourselfer, you'll like fiddling around with the new Ventura II. New twist-lock lamp sockets let you make changes in seconds.

The engine is uncomplicated, and there is plenty of engine compartment space, especially with the six.

If you ever need to have somebody else work on your car - well, you'll like Ventura II, too. Both the standard six and available V-8 are tough, time-tested designs. Same goes for transmissions. The standard 3-speed manual and the available 2-speed automatic. Turbo Hydra-matic or floor-mounted 3-speed are all rugged, dependable units.

Ventura II is built to last. There's nothing lightweight about this car. It's welded - not bolted - at hundreds of strategic points to help keep it tight and quiet.

The body is heavy-gauge steel. And it has double paneling in the deck lid, hood and doors. You could probably sum it up best with three little words. Body by Fisher.

So come on. If you're a small-car lover, stop by your Pontiac dealer's today. Tell him you want to see the new Ventura II. It's the small car that gives you more of what you want a small car for.

Don't forget to buckle up for safety.

### Silver Anniversary For Ada Firm Employee

Joining Baker Book House as soon as he was released from a tour of duty with the United States Navy, Benjamin Veldkamp is celebrating his 25th anniversary with the Ada religious publishing firm.

Ben's military service extended through the years of World War II, with duty in the South Pacific, and upon his discharge on February 5, 1946, he joined forces with Herman Baker and entered the field of religious book selling and religious publishing.

His years with Baker Book House have included responsibilities as bookkeeper, office manager, shipping room supervisor, retail store manager, stock manager and accountant.

Many bookellers, especially those in Michigan, Ohio, and Pennsylvania, remember Ben Veldkamp as a traveling sales representative who called on them with new Baker Book House publications, an added duty which he accepted along with his other work, since new sales territories were just being developed and expanded.

Outstanding among the projects which he supervised were the enlarging of the original building at 1019 Wealthy Street in 1953 to accommodate the growing publishing firm, the construction of a new publishing building in Ada, Michigan, in 1966, and repairs and remodeling after a devastating tornado struck in 1967.

Ben and Rena Veldkamp live at 1417 Edgewood in East Grand Rapids and have three children: Larry, a Calvin Theological Seminary student; Mary, a nursing student at Western Michigan University in Kalamazoo; and Jim, a basketball playing sophomore at Grand Rapids East Christian High School.

Locally, 1,739 persons completed first aid courses and 8,113 received training in water and small craft safety during 1970," Leitman says.

Nationally, 1,276,510 people participated in first aid courses; 326,190 in lifesaving; 2,225,558 in swimming; 44,060 in small craft safety; and 89,495 in water safety leadership courses.

In other water safety courses, 41,400 people were enrolled in a Red Cross-mounted physical fitness program called "Swim and Stay Fit," which encourages swimming as exercise and provides awards for various attainments. Another 17,600 handicapped persons participated in a swimming program designed for them.

Countless Americans were informed of ARC-recommended accident prevention standards by providing first aid training for new drivers, rescue squads and ambulance attendants. Last year, ARC chapters provided first aid to accident victims through nearly 17,000 mobile units and 1,296 highway first aid stations located mainly in police and fire departments and at gasoline service stations.

"Locally, 9,471 persons were informed of ARC safety activities through films, talks and demonstrations," Leitman reports. "Every law enforcement agent, fireman and ski patrolman in Kent County is now a first aider and the Kent County Chapter now coordinates the training for all ambulance personnel."

"Accidental fatalities hit the 115,000 mark in the U. S. last year," comments Leitman, "and disabling injuries from accidents affected nearly 11 million people. We hope that through safety programs of the Red Cross, other safety-oriented organizations and a concerned American public, these horrifying figures will be greatly reduced in the future."

### Red Cross Safety Program Saves Lives

A community thrives on the vitality of its citizens. In Kent County and throughout the United States, the Red Cross and its volunteers are leading examples of what is positive in life. March is Red Cross Month.

The lives of 195 people were saved in the United States last year by some person applying Red Cross-taught safety skills.

"In all likelihood, there were hundreds more saved through the use of Red Cross first aid or other safety skills, but these 195 cases have been fully documented," says John Leitman, Chairman of the Kent County Chapter. In each case, the person or persons responsible for the lifesaving act received the American Red Cross Certificate of Merit, the organization's highest award.

"The Red Cross avidly pushes its programs for safety in the home, on the highways and in and on the water because of our inherent interest in human life," Leitman adds. "Our efforts are aimed at accident prevention and secondary at teaching proven lifesaving techniques which can be applied in case an accident does occur."

Last year 3,954,800 certificates were issued for the completion of ARC courses in first aid, small craft and water safety conducted by some 205,000 volunteer instructors. Nearly 77 million people have completed ARC safety courses since the organization began safety training record-keeping.

"Locally, 1,739 persons completed first aid courses and 8,113 received training in water and small craft safety during 1970," Leitman says.

Nationally, 1,276,510 people participated in first aid courses; 326,190 in lifesaving; 2,225,558 in swimming; 44,060 in small craft safety; and 89,495 in water safety leadership courses.

In other water safety courses, 41,400 people were enrolled in a Red Cross-mounted physical fitness program called "Swim and Stay Fit," which encourages swimming as exercise and provides awards for various attainments. Another 17,600 handicapped persons participated in a swimming program designed for them.

Countless Americans were informed of ARC-recommended accident prevention standards by providing first aid training for new drivers, rescue squads and ambulance attendants. Last year, ARC chapters provided first aid to accident victims through nearly 17,000 mobile units and 1,296 highway first aid stations located mainly in police and fire departments and at gasoline service stations.

"Locally, 9,471 persons were informed of ARC safety activities through films, talks and demonstrations," Leitman reports. "Every law enforcement agent, fireman and ski patrolman in Kent County is now a first aider and the Kent County Chapter now coordinates the training for all ambulance personnel."

"Accidental fatalities hit the 115,000 mark in the U. S. last year," comments Leitman, "and disabling injuries from accidents affected nearly 11 million people. We hope that through safety programs of the Red Cross, other safety-oriented organizations and a concerned American public, these horrifying figures will be greatly reduced in the future."

Scientists Claim Road Salt More Helpful Than Harmful

Scientists and public works officials have taken a hard look at the effects of highway de-icing salt on the environment and have concluded that its benefits outweigh any damage to water supplies and roadside vegetation.

# FH FRESHMAN TAKES STATE HONORS

Although seven points were all that were recorded for Forest Hills in the State Class A wrestling tournament, it was the best showing by an area school. Detroit Catholic won the tournament, with Ypsilanti and three Lansing schools taking other top honors.

It was an outstanding performance by freshman Tom Sypien who came through for the Ranger squad by taking third place in the 98-pound division. In the last several years, there have been only two other freshman winners in state tournaments.

Sypien opened the state finals with a 5-4 win over Maynard Miller of Lincoln. He lost his next match against Robert Steward of Ypsilanti who went on to win the championship. With his opponent going on to the state title, Sypien was able to enter the wrestleback matches. Here he won two victories, 4-1 and 6-5. Tom's last bout was with Nick Lopestrone of Warren Mott, which he won 4-2 with a take-down and a reversal.

# LOWELL FALLS TO GREENVILLE IN DISTRICTS

By BROOKE JOHNSON

The Lowell Varsity basketball team ended its season when they fell to Greenville in a high scoring 84-101 district game. The action took place at Greenville last Thursday night when the third game of the district tournament was played.

Lowell met Greenville after Greenville previously tromped over Belding last Tuesday night. Greenville became district champs after they defeated Lakewood Friday night.

Greenville's speed and tremendous scoring abilities took its toll on the Arrows throughout the game. Lowell took an early lead which vanished before the end of the first quarter.

Greenville was leading 51-37 at the half. Denny DeWitt pumped in 15 of his game high 25 points during the first half. DeWitt's season scoring leads the team with 349. Most of the Arrows' shots were made from the outside with little chance for rebounds. Joe Rinard hauled in 11 rebounds to top the Arrows.

DeWitt also grabbed six steals and often broke loose to score on a fast break.

Greenville's scoring onslaught came in the third quarter when they held the Arrows to 19 points, while scoring 26 of their own.

Greenville center, Chuck Barber, did most of the Yellow Jackets' third quarter scoring when he accounted for nine. Barber was Greenville's high scorer with 19. Paul Jorgenson followed with 17 points made mostly by outcourt shooting.

Arrow Center, Denny Kissinger, shot the best percentage of the Arrows. Kissinger shot 50% and pumped in 14 points. Rinard followed Kissinger's 14 points with 13 of his own.

Guard, Chris Collins added 12 points to the Arrows' score along with several steals. Pete Olson ended his high school basketball career with 50 steals and 63 assists this season, leading the team with both.

Pat Herblet came in during the last quarter and hit for four points. Kris Kropf came on the scoreboard in the second half when he chucked in five foul shots.

The Arrows were able to gain back only four points by the end of the game and the final score was 84-101.

# ARROW WRESTLER TAKES SECOND IN STATE TOURNEY

By BROOKE JOHNSON

Three Arrow wrestlers that traveled to the State Tournament at Sturgis, Michigan Friday returned bringing with them one runner-up position.

Senior Tom Rasch's quest for a state title came to a peak when he took a second in the M.H.S.A.A. State Wrestling Tournament. Rasch is the first Arrow wrestler to win a position in a State tourney since Leo Taylor became champion four years ago.

Rasch's long road to state has produced a fine record of 31 wins and five losses.

Fellow 145-pounder and conference wrestler, Chris Reburn, of Cedar Springs left the tourney a bit disappointed after getting bumped off in the second round of the tourney. Last year Reburn took a runner-up position.

98-pound sophomore, Dale Dawson, unfortunately met first ranked, Jeff Sabin, of Parma Western, in his first match of the tournament. Sabin took a very early lead but Dawson fought back to within two points of Sabin and at one time nearly pinned him. The final score was 6-10 and Dawson was eliminated when Sabin fell to the eventual State champion, Tom Roof, of Ovid-Elsie.

The 126-pound division was certainly the best contended division of the tournament. Beside Arrow matman Jim Richard at 126-pounds was Bernie Gonzales, who last year was the world 126-pound champion while wrestling in Olympics action. Gonzales boasted a record of 64 continuous wins and no losses. Richards met Gonzales after defeating Fred Hooff of Bentley High School 2-1 in the first match and battled Gonzales until Richard fell by pin. Gonzales pinned three of his four matches to become state champ.

Richard was defeated in his consolation match by Bob Groszefon of Michigan Center who ended up in a fourth position. Richard's season record stands at 26-11.

Three other Tri-River Conference wrestlers placed in the tournament. They were Steve Van Oeffelen; 105-Sparta 2nd; Sam Knight, 105-Belding 4th; and Max Babbit, 112-Greenville 4th.

## Fine Season For Lowell JV Wrestlers

This year's wrestling action not only produced an outstanding Varsity season but an almost equally impressive J.V. record. The Junior Varsity wrestling team followed Varsity suit by turning in a fine 12 win, one loss record.

It seems that winning has become a Junior Varsity tradition as well as a Varsity. Lowell J.V. teams have carried six straight seasons without a loss to top the league. The first defeat to break the Arrow's string of victories came this year when Sparta defeated Lowell in a 40-6 upset.

Coach Al Rowe feels that the J.V. program is very much a part of the Varsity. "Our goal is to produce a wrestler. We have no real difference between our teams. A boy could wrestle in a J.V. match one night and Varsity the next."

Five Junior Varsity wrestlers turned in outstanding season records; 105-pound freshman Gary Weimer totaled the most pins, making 5. Weimer's record stands at 9-4. John Curtis, who occasionally wrestled Varsity, left his record at 12 wins, one loss and four pins. Sophomore, Jerry Kropf, who also wrestled Varsity occasionally, produced a fine record of 10 wins, one loss and three pins.

Two juniors proved to be assets of the J.V. team. Ed Steffens and Jim Gauger produced records of 11-1 and 10-2 respectively, with three pins each.

J.V. Season Record		12-1	
Lowell	46	Lowell	49
Wyoming	3	Greenville	5
Lowell	34	Lowell	30
Greenville	8	Northview	16
Lowell	44	Lowell	35
Lakewood	8	Cedar Springs	10
Lowell	41	Lowell	6
