# Ledger-Suburban Life Serving Lowell, Ada, Cascade and Eastern Kent County THURSDAY, APRIL 1, 1971

**Questions... And Answers** 

VOL. 77 NO. 51

JAYCEES SET CHARTER NITE

Donald E. DeMoss, 33-year-old President of the Michiga Jaycees, will be the guest speaker April 2, at the Charter Night Banquet of the Lowell area Jaycees. DeMoss, an employee of the United States Post Office, has been a Jaycee for eight years, starting his career with the Swartz Creek Jaycees.

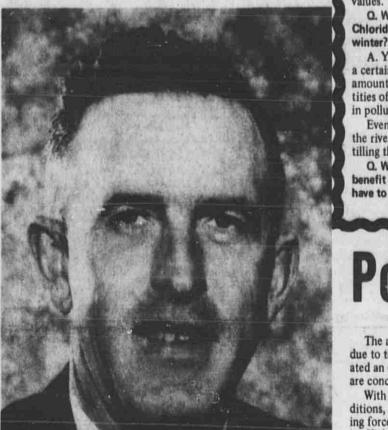

During his rise to the presidency of the Michigan Jaycees, he has served as Director, Vice-President, President and Chairman-of the Board of the Swartz Creek Jaycees and was State Vice-President, U. S. Jaycee Director, External Executive Vice President, and Chaplain of the Michigan Jaycees. DeMoss' term is for one year, beginning June 1, 1970.

DeMoss was awarded the Keyman Award two consecutive years, and received the highest award merited by a local Jaycee, a Junior Chamber International Senatorship.

The Jaycees are not the only group to keep DeMoss busy. He is active in local government, chairman of the school millage and bond issue committee, chairman of the Swartz Creek Water Study Committee, and recently elected to the Swartz Creek School Board. Don resides with his wife Janice and two children at 7078 Seymour, Swartz Creek, Michigan.

Other speakers will include Lloyd Wismer, Internal Executive Vice-President; John Bickert, External Executive Vice-President; Bill Dyke, National Director of Region C; and Ted Gortsema, State Vice-President of District Six.

Charter night will be the official installation of the Lowell area Jaycees as charter members of the state and national organization. The banquet will be held at the Lowell Moose Hall.

To assist the many citizens who have questions regarding the storm water separation program for the City of Lowell that was presented to the public on March 18, the Lowell Ledger will atempt to get answers to any questions mailed to Post Office Box 128, Lowell.

Here are a few questions received so far, and the answers we have gotten from the City officials:

Q. Why wouldn't it be a better idea to enlarge the existing sewage treatment plant to take care of the combined storm and sanitary sewers, rather than tear up all the streets to put in a separate storm water system?

A. The State Health Department would let us enlarge the ex-isting plant, but it would have to be many times its present size; even then, we would have to build a giant holding pond to take care of the storm water in spring thaws. All this would cost nearly as much as our separation program. But this would not be the end; forever, we would have to treat all this waste water with chlorine and remove the phosphates, which, in a period of years, would be far more costly than the \$1.9 million separation program.

In addition to the savings the City will make in treating only the waste water from the homes, stores and factories, Lowell will have much cleaner streets. This will eliminate the mud holes in front of the homes and businesses and give an entirely new and modern appearance to the area. The new streets are a bonus the citizens will receive, and they will increase property values

Q. Won't we still be polluting the river with the run-off of Chloride into the storm drains from the use of street salt in the

A. Yes, the chloride from the streets will pollute the river to a certain extent, but all surveys point to the fact that the amount of salt spread on the streets and diluted with the quantities of water from the ice and snow is not an important factor in polluting the rivers.

Even now, the storm water with the chloride in it goes into the river; there is no way to remove the chloride except by distilling the storm water.

Q. Why should those homeowners who will derive no direct benefit from the new storm drains, streets, curb and getters have to pay the additional four (4) mill taxes?

A. This is much the same case as why people with no children have to pay school taxes. The taking of pollution from the rivers and making a cleaner, better looking community, plus saving expenses in operating the water sewer plant, is a benefit to every citizen in the City.

VOL. 16 NO. 52

**NEWSSTAND PRICE 10 cents** 

Q. What about elderly people on Social Security and fixed incomes who cannot afford to pay an imposed charge of \$1,000 and three cents (3c) a square foot on their lots?

A. The imposed charge can be spread over 15 equal payments and this will make it easier for most citizens to pay the charge. For the elderly or those who are unable to pay even that, it is possible to have the charges postponed, under the hardship provision of the tax law, until the property is sold or transferred to another person.

Q. What if the population of Lowell increases so much that in ten or 15 years we will have to spend more money for a larger system?

A. There is little doubt that the Lowell Waste Water Treatment Plant will have to be enlarged to handle the growing population. Right now the City is in the midst of planning additions to the plant to remove phosphates, a new requirement by the State since the plant was built in 1964. These additions to the plant are paid for by the customers of the Lowell Water and Sewer service by service charges. The more customers, the more persons there are to help pay for plant enlargement and improvements.

Q. What about all the trailers that are moving into the vicinity?

A. The only trailers moving into the City of Lowell are the 137 units that will go into Valley Vista Village on West Main Street. This modern trailer park will have city water and sewer. The developer is putting in a trunk main from the park down Bowes Road. All the water and sewer mains in the park will be built and paid for by the developer, along with streets, storm drains, sidewalks, etc.

The City will collect sewer service charges and water service charges on each trailer, the same as they do for each resident in the City. This is another case of more customers to help pay the increasing costs of operating a waste water plant.

If you have any questions you would like to submit, drop them off at the Ledger Office or mail them to Box 128, Lowell, and we will try to have them answered for you.

# **Population Creates Emergency**

The alarming and continuing increase in school population, due to the rapid growth of East Gate and Valley Vista, has created an emergency situation as far as Lowell school buildings are concerned

With increasing enrollments adding to already crowded conditions, the Board of Education announced today that it is being forced to seek approval for the construction of a new Junior High Building, a new Elementary Building and an addition

state assistance, there will be no increase in debt millage this year and, beginning next year, the increase will only be one mill. This one mill, for the building program, will continue until the State Loan has been repaid.

"We are extremely fortunate to receive this financial assistance," Sinke added, "since the projection study indicates an increased enrollment of at least 1,200 during the next four years and with our present set-up we have absolutely no place to put

It all began in the Spring of 1959, when Miss Florence King, daughter of Frank Twining King, contacted Chester Hall, Gen-eral Secretary of the Grand Rapids YMCA, through her lawyer that she would like to discuss the possibilities of a bequest to the YMCA. A meeting was arranged between Miss King and the 'Y' several weeks later.

At that time, Miss King stated that she was interested in seeing that a YMCA was established in Lowell to service the Lowell area and wanted details on how this could be done. At this time, there was no mention of any particular amount of money. The details were then examined and the YMCA was later notified that Miss King had indeed named the YMCA as one of her benefactors.

In August of 1959, Miss King died and the YMCA was notified that a trust fund had been set up to be known as the Frank Twining King Fund with an unofficial estimate of \$120,000. After probate however, the final bequest was approximately \$571,-536. Stipulated in the will was that the Grand Rapids YMCA was to be the administrator and that all interest and capital was to be used exclusively for work of the YMCA in the Lowell community.

On October 16 of that same year, Lowell's Mayor William Jones, Jr., and a delegation of ten Lowell citizens met with officials of the Grand Rapids YMCA to discuss the possibility of establishing a branch in Lowell.

A November 9 organizational meeting was held and the format for the new program to be initiated in the Lowell area was revealed. William Jones headed the first board of managers as chairman, with Roy Westcott serving as vice-chairman and Mrs. C. A. Bradshaw as secretary.

The new year, 1960, saw the local program almost in full swing as far as plans and organizational procedures were concerned. February brought out the plans for the proposed swimming pool at Recreation Park, which got unanimous approval of the Board. On February 11, it was revealed that the Lowell Branch of the YMCA would occupy the East Wing of the Lowell Library for their offices. A renovation program, costing \$6,500, has been made on the headquarters; and today is modernized to fit the 'Y's' needs.

Robert G. Forst, a Youth Program Director of the Grand Rapids Central YMCA was named Executive Secretary for the new Lowell Branch, and he officially assumed his duties on March 14, 1960.

The next memorable event occurred in April when city, school and Y officials gathered for the ground breaking ceremonies at Recreational Park for the long-planned and worked-, for swimming pool, and field house which cost nearly \$100,000.

Scope of the first summer's program reached out to residents of Ada, Cascade, Clarksville, Alto and Saranac, besides the City of Lowell. Classes in trampoline, tennis, crafts, baton twirling, piano, archery, badminton, swimming, nature lore, dramatics, softball and baseball were some of the summer programs offered. Other highlights included young adults and senior citizens

DONALD E. DeMOSS

to the present Senior High School.

Leonard Sinke, new superintendent of Lowell Area Schools, issued a statement this morning that will ease the minds of overburdened taxpayers when he said, "Fortunately we have been able to qualify for a State School Bond Building Loan, which is a form of property tax relief for fast-growing districts. It takes a great deal of money to build two new buildings and add to a third existing building but, because we qualify for this special

them."

Voters will be asked to go to the polls Tuesday, May 4, to approve the building program and to approve the one-mill building fund increase.

All registered voters may vote in this election; it is not necessary to be a property owner. For those not yet registered, the deadline for registration is this Friday, April 2.

meetings, trips to points of interest, and nine weeks of day camp

A well-planned winter schedule closed the first year of the Y's program in Lowell, and layed the foundation for the many programs which are still in existance today.

(Editor's Note: This is the first of a series of articles which will cover the growth, expansion, activities, and purposes of the YMCA. Next week's article will cover membership increases and program envoluments over a ten-year period.)

## Annual Township Meetings April 3

Six area townships will hold their "annual meetings" this Saturday, April 3, for the purpose of transacting such business as shall properly come before the meeting. These meetings are held in accordance with Act No. 133 of the Public Acts of 1963.

At that time, also, a public hearing will be held on the individual township budgets for the coming year. These meetings are open to the electors of the township in which they reside.

The time and place for the various scheduled meetings are: Ada Township - Ada Town Hall, 555 Ada Drive, Ada, 1:30 p.m.

Bowne Township - Bowne Town Hall, next to the Alto Library, 1 p.m.

Cascade Township- Cascade Township Administration Building, 2800 Orange Street, S.E., Cascade, 1:30 p.m.

Grattan Township - Grattan Town Hall, 1:30 p.m. Lowell Township - Lowell Township Hall, corner of Seg-

wun Avenue (Showboat Highway) and Cascade Road (Old Us-16), 1:30 p.m.

Vergennes Township - Vergennes Town Hall, corner of Parnell and Bailey, 2 p.m.

#### Are You Registered?

Are you sure you are a registered voter? During every election there are those who go to the polls only to be turned away because they are not registered.

Even though you have gone through the registration procedure, if you have not voted in a county or township election during the past two years, you have automatically been removed from the list of qualified voters and must re-register in order to vote.

If you intend to vote in the coming school election May 4, you must register by this Friday, April 2.

#### Smoking Women Run Greater Risk

A study of childbirth in both the state of Washington and the country of Great Britain show that pregnant women who smoke run a significantly greater risk of losing their babies, either in birth or shortly afterward, than do non-smoking mothers, says the Michigan Heart Association, a Michigan United Fund agency.

ZZANO'S PIZZA - 313 E. Main Street, Phone 897-8861 c45-tf Open 7 nights a week.

## Old Kent Collection Features Ada Bridge

The "Old Kent Collection," an exclusive series of personal checks will be released Monday by Old Kent Bank and Trust Company. Local artist, Ray Weidenaar was commissioned to do the line art for the series which features five West Michigan Landmarks.

The focal point for the collection is the Calder Stabile locat-ed in downtown Grand Rapids. The other four landmarks were selected from surrounding areas depicting the four seasons of the year: Spring, DeZwaan in Holland; Summer, the Grand Hav-en Pier; Fall, the Ada Covered Bridge: Winter, the Boyne Mountain Ski Area.

The five blue line drawings are set against a light blue, check colored background and are available from any one of the bank's 37 offices.

#### **Higher Social Security** Checks Are Forthcoming

More than 26 million Americans who rely on Social Security benefits will be getting a ten percent across-the-board increase in payments, retroactive to last January 1, according to Congressman Gerald Ford.

The House approved the increase March 16, 358 to 3. The Senate had acted earlier, and President Nixon has signed the bill into law.

Ford revealed the increase will show up in the June checks. There also will be a separate check in June, covering the amount retroactive to January 1.

"I strongly favored the Social Security Increase," Ford commented. "Those on fixed incomes suffer the most from inflation. They need help. They are struggling to maintain a decent standard of living."

Ford, who serves Kent and Ionia Counties as their Congress-man, further commented "Now we must prepare to enact other improvements in the Social Security Act; a provision which automatically raises benefits whenever the cost of living rises substantially, and a provision increasing the outside earnings limitation.

# Scholar's Award

Vern Paulsen, a 1969 graduate of Lowell High School has received a Waldo Sandgrin Scholar award for next year at Western Michigan University to create a pamphlet designed to correlate the Social Sciences into the Regular Calculus Text. Vern is the son of Mr. and Mrs. Ival Paulsen of Lowell.

## Census Bureau To **Take Buying Survey**

Questions on consumer buying and home improvement expectations will be asked by representatives of the Bureau of the Census in the Ada-Alto-Cascade-Lowell areas during April, according to Hobert A. Yerkey, Director of the Bureau's regional office in Detroit.

Census Bureau interviewers will ask householders about any plans to buy a house, a car, and major household appliances during the next year. Questions about home repairs and alterations will concern those made during the past three months and those planned to be made in the near future.

The Census Bureau conducts a survey of buying expectations and home repairs every three months to serve as a guide to U. S. economic growth. A mathematically selected group of households throughout the Nation serves as a measure of what U. S. families own and what they expect to buy in the near future.

For example, the January 1971 survey indicated that in the fourth quarter of 1970 the year-long downward trend in consumer income expectations had come to a halt. Although people were a little more optimistic about income increases in the future than they had been for the preceding four quarters, there was evidence that the proportion of households suffering actual declines in income remained above year ago levels.

New car buying expectations were high, possibly due to the restricted supply of new cars during the fourth quarter. There was little change in expectations to buy other items.

Households in the survey will not be identified. Their answers are confidential, and information obtained will be used only for statistical purposes.

## Choir To Compete

The Lowell High School Choir, directed by Paul Balaam, will go into competition against the other Tri-River schools Friday, April 2, at Greenville High School.

The Choir will be judged on following the director, knowing the music, carrying notes and other musical talents.

The Lowell High School Choir consists of a sum of 120 members and is the largest choir in the Tri-River. Although the Choir has been active only one year, they are hoping to place high against their competitors.

The music arrangements to be performed at the festival range from classical to patriotic, also popular songs, as "Cherish" and as a selective, "Come Saturday Morning."

STOP FOR A SNACK - At Muir's Arbor Room during the big 'Skipper' Performing Porpoise Show at Eastbrook Mall this week. Try Muir's fabulous Mammouth-Burger! c51

Have you received a sudden jarring jolt while driving through Main Street lately? If so, it can only be attributed to the chuckholes, which are a product of an early spring thaw.

The frost level in the roads has been driven so deeply this winter that the thaw this spring is really breaking up the roads.

There was to be only a five percent chance of brief snow flurries last Wednesday afternoon, but old man weather was up to his usual tricks, and area residents found themselves under a white blanket of snow, AGAIN!

唐

The heavy snow, which fell with rapidity, caused several traffic jams, and cut visibility to near zero. The snowfall brought the season's total to 95.3 inches, well above the normal winter total of 80.

March has already seen 25.3 inches of snow this year, compared with the usual 14.1.

...

Effective May 15, the daily fee will be upgraded to \$2.50 for most of Michigan's 14,500 state park campsites. The camping fee, first adopted in 1966, was \$2 last year.

This increase will add an estimated \$500,000 in annual revenue needed to meet operational expenses

The Lowell-Fallasburg Area Centennial committee will take up occupancy in the building which formerly housed Fonger's Supermarket on East Main Street.

All future activities of the Centennial committee will be made from their new headquarters.

Next week there will be a lot of helpers around the house as the students in the Lowell Area School system will be enjoying "Spring Vacation."

School will be dismissed this Friday, April 2, and will reopen its door on Monday, April 12.

#### Wrap-Up Session For 'Reel World'

A wrap-up session of "The Reel World," the children's film festival at the Lowell Library will be held this Saturday, April 3 at 10:30.

Featured this week are two outstanding films, both award winners in cinematic art. Fans of "The Red Balloon" will not want to miss "The Gold-

en Fish" which was produced and directed by the same fellow. This is the bewitching story of a French boy, a black cat, a canary and a goldfish: an unusual cast of characters in a combination of fantasy and suspense.

Also on the program is "Glass," a colorful and lyrical treatment of the ancient art of glass-blowing con ern mechanized method of mass production. The jazz accompaniment underscores the counterpoint of the glass-blowers, the

glass and the machines. There is no admission charge for this program which will last about thirty minutes.

Receiving a Safety Award for five years of exceptional achievement in accident prevention is Root-Lowell Manu-facturing representatives Richard Houghton, left, and Ar-nith Stahl, right. The presentation was made by Donald Ludwig, center.

The Root-Lowell Manufacturing Company, Lowell, received an award from Employers Insurance of Wausau for "exceptional achievement in accident prevention."

The company had no disabling injuries from the period of October 3, 1966, to January 28, 1971. Its employees worked total of 306,426 man-hours during this period. The award was presented to Richard Houghton by Donald

H. Ludwig, a safety consultant for the insurance company. The award winning firm attributed its success to management's close working relationship with the employees, all work-ing together to make this a safe place to work.

### Wins Three Trophies

Overall winner in the Pinewood Derby for Cub Scout Pack No. 3334 of Cascade was Dale DeWitt, who managed to take home all available honors.

Last Friday was a big night in the life of Dale DeWitt. He took home three trophies from the annual Pinewood Derby

held in Cascade for Cub Scouts. First he won his den's contest in the father-son project which includes the designing and building of a model race car. All carr in the event are made from kits which include wood and wheel

of standard size. The car may be cut and sanded to any shape, but the weight must be comparable in all cars. After each den in Pack 3334 ran off best-two-out-of-three

races, the winners were pitted against the best of the pack. At the conclusion of those races, an interpack race was held against the three winners of Pack 3364 who had held their preliminar

Finalists for both packs include Dale DeWitt, first place; Tom Laird, second, and Jamie Weaver, third. Consolations in-cluded Carl Hardwicke, Mark Breen, and Pierre Pahl.

Ten members of the Lowell High School Band participated in the State Solo and Ensemble Festival of the Michigan School Band and Orchestra Association at Mt. Pleasant High School Saturday, March 27.

Receiving first division ratings were Martha Coons, for her trombone solo, and Ben Ward, for his saxophone solo. Both

were entered on the Proficiency II level. Awarded second division ratings were Janet Bieri, flute solo, Dan Lomas, French horn solo, Nancy Coons, French horn solo, and Ben Ward, Barbara Spitzbergen, Joylene Blough, and Leo Davies, saxophone quartet. Student accompanists were Jo Anne Vader and Vicki Sterzick.

#### **COMMITS MISDEMEANORS**

David Lee Stock, 22, of 7672 Knapp, Ada, and Frank Earl Inman, 22, of 6641 3 Mile Road, Ada, were arrested at 7:30 p.m. on the 24th of March and charged with Larceny Under \$100 (a misdemeanor). It is alleged that Stock and Inman stole a bag of fried chicken from a local high school student during

the early morning hours of March 21st. Both subjects were issued appearance tickets and will appear before Judge Joseph White on Wednesday, March 31st.

#### CHARGED WITH A FELONY

Charged with Larceny From A Building (a felony) was Ter-ry L. Hardenburg, 25, of 1319 Buffalo, N.E., Grand Rapids. Hardenburg was arrested following an investigation conducted by William Hulett (Security Director For Eberhards) in conjunction with the Lowell Police Department. Hardenburg has been , charged with the theft of merchandise and cash from the local Eberhard's store.

Hardenburg was arraigned before Judge White, waived ex-amination and was bound over to Circuit Court. Bond was set at \$1,000.

#### IS DISORDERLY

Arrested at 2:55 p.m. on Saturday, March 27, was Allen R. McWatters, 32, of 1280 Jane Ellen Drive, Lowell. McWatters was charged as a disorderly person by using obscene, immoral and indecent language before a woman or child. He was lodged in the Kent County Jail and arraigned on the 29th of March. McWatters pleaded guilty and was assessed \$79 in fines and

#### Spring, 1971

On the 21st the hours of daylight will approximately equal those of night for the first time since September and spring will begin in the northern hemisphere. It is a season awaited eagerly through the winter by many, perhaps the

loveliest exhibition of nature during the year. Spring means new life, which is evident all around us; it brings Easter (April 11th), a symbol of new life, warmer weather, baseball, the approach of holidays and spring fever and taxes. As we witness the resurgence of nature's vital forces around us, many seek to grasp the moral, the

hope represented therein. These inexorable laws of nature continue year after year their inevitable procession, inviting men and women to enjoy the delightful experience, to think about spring's meaning and the fundamental purpose and cycle of life, death, and time.

#### **QUALIFIES FOR 1971 MEMBERSHIP**

Robert M. DenBoer of Lowell has qualified for 1971 membership in the Life Insurance Leaders of Michigan, a state-wide organization affiliated with the Michigan State Association of Life Underwriters. He is a second year member. He has also been a member of the Million Dollar Round Ta-

ble of the National Association of Life Underwriters for five

## **Officers Receive** Instruction In C.P.R.

On Saturday, March 27, eleven police officers and one fireman attended a class of instruction in C.P.R. - Cardio - Pulmonary – Resusitation, sponsored by the Lowell YMCA, in cooper-ation with the City of Lowell. The class was arranged through the Michigan Heart Association offices in Grand Rapids with instructors provided by Bud's Ambulance Service.

The film entitled "Pulse of Life" was shown as an introductory session followed by an hour and a half of instructions and practice. Included in the instruction was mouth-to-mouth resusiation, closed chest external heart massage, clinical death diagnosis and team and individual practice of C.P.R.

Those officers receiving the training will receive cartificates and emblems of achievement. They are Police Chief Barry Emmons, Fire Chief Frank Baker, Sgt. James Hutson, Steve Pace, and Al Eckman, - reserves Sgt. Art Farley, Mike Kooistra, Gary Rasch, Wendall Tate, Ray Jones, Ed Ling, and Reggie Grooms.

Highlight: of the session was a demonstration by the team from Bud's Ambulance Service of a mechanical C.P.R. unit which is run by oxygen and is part of the equipment on all their ambulances. The machine can help any child or person from one-year-olds and up.

## Springtime Is Travel **Time In Michigan**

Springtime is travel time in Michigan—a time when entire families take to the road to rediscover the exhilarating fresh-ness of a new-born season. It is also a time for "doing" and lo-

Maple syrup festivals are a sure sign of spring and Michigan has two-one in Shepherd, April 23-25, and another in Ver-montville, April 24. A carnival atmosphere, complete with pa-rades, prevails in both communities. Highlighting the festivities Another tradition signaling the coming of spring is the Na-tional Trout Festival in Kalkaska, April 23-May 5. Kalkaska's 35th annual salute to Michigan's official state fish has been named by the Discover America Travel Organizations as one of the nation's top 20 travel events for the month of April. Fishing also will be king in Michigan's upper peninsula. The Ontonagon County Fishing Derby, which is open to the public, will be held April 4-25 and prizes will be awarded to the fisherman who catches the largest fish within the county boundary.

area April 15-18. This is the time when cowboys invade the State Fairgrounds for the Longhorn Rodeo.

## Search For Recipes, Set-Up Headquarters

Recipes for salads, breads, casseroles, cakes, cookies, meats. low calorie dishes, foreign dishes, pies pastries and miscellaneous are being sought by the Lowell-Fallasburg Area Centennial Committee for publication in their centennial booklet. This is one of the projects that is moving forward in preparation for the 100-year event which will take place June 27 through

If you have a recipe that has been handed down through your family for several years and you would like to have it published in this centennial booklet, contact Mrs. Donald McPherson at GL 8-1141 or 897-7110

Following last week's approval of the official Centennial seal, designed by Norton Louis Avery, the committee this week announced their plans to set up their official headquarters in the store building on East Main Street formerly occupied by Fonger's Market.

Centennial homes will be individually marked and honored during Centennial Week, and committeemen are being chosen to work on this phase of the plans. In the Fallasburg-Keene area, Mrs. Goldie Clark and Ray Onan will have charge of setting up the Centennial home program.

Other committee chairmen selected by the Centennial committee include Gordon Gould, Spectacle Division Chairman, and Vince McCambridge, Spectacle Ticket Division chairman If you have any ideas on promotions or wish to make any type of contribution to the Centennial event, contact any of the individual committeemen or write to the Lowell-Fallasburg Centennial Committee at 101 West Main Street, Lowell.

#### 1971 & Tornadoes

The unusually early appearance of severe tornadoes strongly indicates 1971 is to be a bad year for these sneaky, devasting storms. Weather officials are predicting this year's number of tornadoes will exceed 1970's 650, which claimed 73 lives; already the death toll in 1971 is 116.

There is no certain time in which tomadoes strike but they occur most frequently in late afternoon and early evening and in the states between the Rockies and Appalachians. Only in recent years have weather experts known enough about these storms, and had the facilities, to issue timely warnings and these have been of value in 1971.

But warnings are often not enough because of the suddenness of the approach of tornadoes, difficulties in gaining protection from them and the long time period warnings must often cover.

The official tornado season begins in March and lasts approximately three months, according to weather officials. Safety suggestions from them are to find refuge in the basement of homes, or the center part of the ground floor, to open all windows but stay away from them.

Reinforced masonry buildings are seldom damaged b any but the worst of these storms. Wooden homes and buildings are sometimes completely devastated by them.

#### Replace Snow Tires. . . HOTLINE SERVICE Or Get Speed Ticket

Weather-wary drivers who have not replaced snow tires with regular tires could find themselves with a speeding ticket, ac-

cording to Automobile Club of Michigan. Although most motorists are aware that studded snow tires are illegal on Michigan highways after April 39, Auto Club points out that cars with replacement tires larger in diameter

han those installed at the factory will be traveling faster than speedometers indicate.

"For example, speedometers showing 60 miles an hour on some cars with snow tires actually should be registering seven miles an hour faster," says Arthur C. Gibson, Auto Club Safety and Traffic Engineering manager. Gibson explains that the deviation results from the larger

diameter of snow tires when compared with standard-sized

"Vehicle speed is directly proportional to the diameter of the tire," Gibson said, "and the speedometer reads off the gransmission. So if the transmission is geared to original equipment tires with regular treads, and if those tires are then replace ed with wider diameter snow tires, the result will be a false speedometer reading."

Gibson adds that several other factors also affect the number of tire revolutions per mile and thus falsify speed readings. One factor which results in speed greater than that registered on speedometers is stretching caused by heat, over-inflation or

On the other hand, low-profile tires used to replace standard tires make more revolutions than the tire replaced and result in speedometer readings above actual speed. Overloading also decreases tire diameter, increasing the speedometer reading. Auto Club suggests two simple tests to determine the accur-

acy of a car's speedomete 1. Hold a steady 60-mile-an-hour speed for one minute. If the odometer registers exactly one mile, the speedometer is ac-

2. If on a road with measured-mile posts or markers, travel between mile markers at 60 miles an hour according to your

speedometer. If 60 seconds lapse between markers, the speedometer is accurate. If a test shows speed is above or below that indicated on the.

speedometer, note the amount of deviation and adjust speeds

Finally, Auto Club cautions that if even one of the delicate components of the speedometer is malfunctioning, deceptive eadings will result, even though none of the tire factors mentioned above is present.

#### Cub Scout Pack 3188 Adds Three Leaders

Cub Scout Pack 3188 of Lowell, comprised of 33 boys, 13 adults and two Den Chiefs have added three new leadership positions in their organization.

Appointed to the new leadership positions were Arthur M Bieri, Mrs. James A. VanderLaan and Craig A. Mulder. Dr. Robert Kyser, Pack Committee Chairman, announces the selection of Bieri to the post of Cubmaster; Mrs. VanderLaan to serve as Assistant Den Mother of Den Three; and Mulder to be Den Three's Den Chief. Bieri replaces Dean Bailey as the Pack's

Pack 3188, sponsored by the First United Methodist Church of Lowell, is currently into its second year of operation and welcomes boys, ages eight through 10 years, to its program. On Thursday, April 22, the local Pack, and other boy scout groups will host the Ionia District Annual dinner at 6:30 p.m. at the Lowell Methodist Church.

#### Law Club To Meet,

#### Hear Guest Speaker

On Monday, April 5, from 7 to 9 p.m. the Law Club of For-est Hills High School will meet in the multi-purpose room. The featured speaker will be Bill Davidson representing the Juvenile Court Center. His talk will be on the subject of Juvenial law.

The meeting is open to anyone. The Law Club which was formed last year at the high school for anyone interested in learning more about the law, has about thirty members. Officers are: Rick Dommer, president; Claire Horning, vice president; Sue Martin, secretary; and Athena Lakos, treasurer. The group is sponsored by the Young Lawyers branch of the Grand Rapids Bar Association under the Explorers Division of the Boy Scouts of America.

The advisors of the club are Leonard Hoffius, junior, Dave Keyser, and Henry Guikema. The members meet approximately once a month with a speaker or to tour the court centers and local jails. They have watched a mock trial with a supreme court and two lawyers who argued before a judge. Last month the members heard Sgt. Robinson of the Sheriff's Department who discussed narcotics and an FBI agent who explained his

Not all members of the club intend to go into the law as a profession, although some are considering it. The value for most members is an acquaintence with the basic background in var-ious types and fields. They are getting an understanding of its history and the need to solve current problems within the law. More members are welcome at any meeting.

Congressman Gerald R. Rord today announced that he is in-augurating "hot line" telephone service between his constitu-ents in Kent and Ionia Counties may talk with his Washington office without charge on urgent business matters simply by call-ing his district office in Grand Rapids. The number if 456-9607. Ford said two special lines have been installed in his Grand Rapids office. If one line is busy, the call automatically will come in on the second line.

"When someone calls 456-9607, a staff member in my district office will put the call through to my Washington office," Ford said. "I or one of my Washington staff members then will take the call and handle the problem," he added.

Ford emphasized that the hot line service is primarily to expedite matters of immediate concern. In most instances, he said, letter-writing is best because then a constituent can explain all details of a problem.

Mr. and Mrs. Howard C. Heacock of Alto announce the birth of a baby girl, Tammy Ann, weighing a tiny 2 lbs. 8½ oz. on March 21st at Blodgett Hospital. Tammy's mother is the former Sharon Winchel of Lowell.

Mr. and Mrs. Rick Fonger of Lowell are happy to announce the birth of a daughter, Angie Marie, born March 25 at Butterworth Hospital and weighing 6 lbs. 1 oz. Angie makes the fourth and fifth generation in her paternal grandmother's and grand-father's (Mr. and Mrs. Mac Fonger) families.

## Miss Crimmins Weds

MRS. DANIEL FINKLER

Miss Martha Louise Crimmins, daughter of Mr. and Mrs. Charles William Crimmins of Grand Haven, became the bride of Daniel Charles Finkler on March 13. The groom is the son of Mr. and Mrs. Harvey Finkler of Lowell.

The double-ring ceremony was performed by the Rev. Al-bert Frevert in the United Methodist Church of the Dunes in Grand Haven at three o'clock in the afternoon. Mrs. Chester L. Crimmins, ir., was the soloist accompanied by Miss Elaine Bolthouse at the organ.

The bride, escorted to the altar by her father, wore a floorlength empire-styled gown of white crepe. The full sleeves and bodice were trimmed in Venetian lace. Her cathedral-length veil was secured with a crepe bow trimmed with the same Venetian lace.

Miss Mary Crimmins, sister of the bride, was the maid of honor. She wore a floor-length gown of lavendar crepe with a back panel of chiffon. She carried a modern colonial bouquet of carnations and pompons

Wearing gowns identical to the honor attendants were the idesmaids, Mrs. Michael Nietering of Dundee, Michigan and Miss Sandra Finkler, sister of the groom.

The bride's sister, Miss Deborah Crimmins, was the junior bridesmaid. Her gown and flowers were similar to the other at-

The best man was Dean Richard of Cascade. Dale Finkler brother of the groom and Timothy Carrigan of Grand Rapids were groomsmen. Ushering the guests were Dennis Finkler, the groom's brother, and David Crimmins, brother of the bride. A reception was held immediately following the ceremony in the church parlors. Mr. and Mrs. W. W. Vivian of Grand Haven were the master and mistress of ceremonies. A 1967 graduate of Grand Haven High School, the bride is a

registered nurse at Butterworth Hospital in Grand Rapids. The groom is a 1966 graduate of Lowell High School. He is presenty employed at the Amway Corporation in Ada and attends Grand Rapids Junior College Mr. and Mrs. Finkler are at home at 1857 Fuller Avenue,

N.E. in Grand Rapids.

## What Happened To The Fat Balls?

"Oh, woe, is us," was the anguished cry of the ladies of Ada Christian Church. They received a letter following their huge sale of new and used items last week. It pointed out several "mistakes" that they will rectify next year

Remember the Dutch-costumed girl we pictured in the paper with the recipe for Fat Balls? She could have appeared at the sale in costume, but didn't and some people were disappointed Then too, in the haste of the day, sellers of the fat balls forgot to tell some customers that the goodies should be reheated and once again someone was disappointed, this time in the flavor.

The recipe that was printed did say to "serve hot." In addition, the inexperience of the members got them into other hot water with customers when they placed the fat balls in plastic bags for sale. Apparently, the reason that bakeries use wax bags is that the flavor remains sharper, the plastic isn't the best material to use.

But the ladies are grateful for the suggestions offered and will do better for customers next year because of them. They wish also to thank all of those who attended and participated in their fund raising. It takes a lot of hours and hard work to perform what actually is a community service. Although new items were in among used items, they went for much under their costs and the benefits to those who were able to purchase them were enormous

"We had to learn the hard way," said the committee. "but we'll be back much wiser because an anonymous letter writer did us a favor."

## **Copies Available Of Annual Statement**

Copies of the annual statement of Ada Township will be available for residents at the township offices on Ada Drive prior to the annual meeting to be held on Saturday, April 3, at 1:30 p.m.

Included in the statement are records of total disbursements of \$138,856 and receipts of \$121,672. Balance on hand in the contingent fund equals \$33,112.

In the records of the disbursements the largest item was for streets and roads which came to approximately \$41,000 in expenditures during the year 1970-71. Most of this went for road struction which included half of Spaulding Avenue and completion of work on Conservation Avenue.

Administration costs which includes salaries, office expenditures, janitorial work, and payroll taxes, amounted to approximately \$30,000. Taxes to Forest Hills and Lowell Schools came to \$23,000 while the Fire Department costs were around \$16,-

In the fiscal year ending March 23, 1971 State Grants amount-ed to \$49,252 through Sales Tax Diversion, Intangibles Tax, and the State Income Tax

In the Tentative Budget for fiscal year 1971-72, township officials have forecast expenditures of \$123,899 and receipts of \$145,487. In the opinion of Senator Robert VanderLaan the nonies of State Grants could be reduced in the coming year according to Orison Weaver, Township Treasurer.

Road Construction which is pegged at \$15,000 for the new year, will include work on Bennett Road and completion of Spaulding Avenue.

in markets or from fruit harvested later from your own pate rhubarb pie is always a welcome herald of spring. This recipe uses orange juice and rind to add subtle overtones of flavor and fragrance to the tartness of the rhubart CITRUS RHUBARB PIE l recipe pastry for double crust pie

teaspoons grated orange or lemon rind a cup corn starch teaspoon salt cup orange juice Food coloring (option tablespoons margarine Divide pastry almost in half. # Wedding Date Set

Lowell Ledger-Suburban Life, April 1, 197

#### **MISS KAY D. FEUERSTEIN**

A Christmas week wedding is being planned by Kay D. Feuerstein and Thomas E. Speerstra according to the announcement made by her mother, Mrs. Algene Feuerstein of Murray Lake Road in Parnell. He is the son of Mr. and Mrs. Richard H. Speerstra of Vergennes Road, Lowell.

Miss Feuerstein, a former exchange student to Sweden, is in her junior year at Western Michigan University in Kalamazoo. She is also the daughter of Jack Feuerstein, Thornapple River Drive, Alto,

Presently a student at Ferris State College in Big Rapids, Mr. Speerstra will graduate from the college in August.

#### Got A Cherry Recipe?

Since 1968 when the National Cherry Festival first requested Michigan women to send favorite cherry recipes for use in festival publications and by food editors, hundreds of delicious recipes for cherry dishes have been received by the festival office in Traverse City.

It is estimated that these recipes have reached 125,000 via festival publications alone and approximately 12 million through newspapers, radio and TV. Additionally many, many more individual recipes are mailed on request by the National Cherry Festival

Once again Mcihigan women - and men - are being asked to assist in this promotion of cherries, a product important to the economy of the state. Cherry recipes should be sent to National Cherry Festival, P.O. Box 141, Traverse City, Michigan

#### Chip King Receives **Proficiency Rating**

On Saturday, March 27, the State Solo and Ensemble Con-test was held in Mount Pleasant. A rare Proficiency III rating was granted to Chip King, bassoon player from Forest Hills High School. This rating is representative of the most difficult category possible and is only the fourth time a student from this school has been so honored. Twenty-eight events were entered by Forest Hills students of

which sixteen were taken with first division ratings, ten with seconds, and two with third places.

First division ensembles were: Woodwind Quintet; Greg Hoyle, Marcia Van Horn, Mike Schulze, Dave Demorest. Chir King; Flute Duet, Sarah Gaylord, Sue Harper; Flute-Violin Duet, Greg Hoyle, John Sullivan.

First Division winners in solo and proficiency were: Mike Schulze, clarinet; Marcia Van Horn, oboe; Jeff Shuster, Snaredrum; Paul Sherwood, percussion; Jackie Schmidt, clarinet; Greg Hoyle, flute; and Dave Demorest, French horn.

Receiving first division honors in solo and proficiency II were: Ric Troll, percussion; John Sullivan, violin; and Kathy Osbeck, flute.

Serving as accompanists for the contestants were Sue Elaner, Jamie Van Ooster, Claire Chadwick, and Mrs. Paul Schulze.

#### **Our Men In Service**

WENDELL CHRISTOF

Capt. Wendell L. Christoff, son of Mr. and Mrs. Clinton J. Christoff, 624 Riverside Drive, Lowell, has completed helicopter training at Sheppard Air Force Base, Texas.

Following specialized training at other bases, Christoff, al-ready a qualified fixed wing pilot, will be assigned to MacDill Air Force Base, Tampa, Fla.

A 1962 graduate of Lowell High School, Christoff received his Bachelor of Science degree in 1967 from Western Michigan University.

#### THOMAS C. YOUNG

Army Specialist Five Thomas C. Young, son of Mrs. Ellia E. Young, 1344 Alpine Avenue, Grand Rapids, recently received the Air Medal in Vietnam.

Specialist Five Young received the award for heroism in action while engaged in aerial flight in connection with ground operations against a hostile force. He holds the Army Commendation Meda

His father, Thane M. Young, lives on Route 2, Lowell. Young is a Crew Chief with the 57th Assault Helicopter Company. STEVEN D. GUERNSEY

Army Private First Class Steven D. Guernsey, son of Mrs. Kathleen Guernsey of Route 2, Saranac, recently was assigned

to the 3rd Armored Division in Germany. Pvt. Guernsey is a mechanic with Company A, of the Divi-sion's 48th Infantry near Gelnhausen. He entered the Army in June 1970, and completed his basic training at Fort Campbell

His father, Leonard Guernsey lives at 642 Bagley Street in Ionia, and his wife, Kathleen lives on Route 2, Lowell.

#### ACTION ON INTERSTATE TAX NEEDED

The frustrations of the many state taxes which every business must pay when it sells products be-yond the borders of its home state continue because of Congressional failure to act.

After ten years of consideration it appears that action may be taken this year to ease the Balkanlike array of state taxes which discourages the expansion of business enterprises, particularly for smaller companies. Often a firm is required to fill out from dozens to hundreds of individual tax forms even though it may have no employees and no permanent address in the state.

According to one of the chief supporters of the legislation, Senator Charles Mathias (R.-Md.), "There is no doubt that the State statutes, regulations, and tax rules now in force or in contemplation in every one of the 50 states are seriously burdening American business-without any significant

ous sessions, but both times the Senate failed to act. Indications are that this year the Senate will seriously consider the proposal. The long-range result of stimulating the economy provides a good reason for action.

# Over 600 boys, ages 10 to 14 years, will win a five-day trip to Southern California. Each participating IGA store is sponsor-ing one or more boys who will win this once in a lifetime trip.

Boys' Contest

Monday, April 12 and end June 5.

ing boys leave for California on Sunday, June 27 and return Thursday, July 1. Complete details and contest rules are available at all parti-cipating IGA Food Stores, including the IGA store in Ada. The contest is not open to store employees or their families.

Announcement was made today by the IGA Food Stores in

the area of their fifth annual "IGA Boy's Contest" to begin

These 600 boys and their sponsors will travel on chartered jet to Anaheim, California, where the Hyatt House Hotel - directly across from Disneyland will be their headquarters for the five-day trip.

Chartered buses will take the winners to such places as Universal Studios, Knotts Berry Farm, Movie World Cars of the Stars and Planes of Fame, Marineland of the Pacific, a Long Beach harbor cruise, an L. A. Dodger Baseball game and of

course an exciting day at Disneyland. It promises to be a trip long to be remembered for those boys who are the winners in IGA's fifth annual 'Boy's Contest.'

HAROLD METTERNICK Secretary, Board of Education

## Easter Sunday

Easter is almost upon us again. The date is April 11. In the Christian world, Easter Sunday commemorates the Resurrection of Christ. Easter customs, as we practice them in the U.S. today, are a singular tribute to the spirit of Faster and to the quict freshness of a Spring morning when one can almost feel, for a few hours, the pervading sense of tranquility and consideration of our fellowman that 2,000 years ago released humanity from the bondage of sheer barbarism.

Many capture the spirit of Easter by going to Church. The simple Easter egg hunt and the tradition of the Easter bonnet end joy and color to the occasion. All of the ways in which Easter is observed hold a certain humility-as they should. Easter is a day of civilizing influence. It is merely one day out

of 365, but it is a day that expresses the way we should live hroughout the year-in humble respect for the unseen power that guides our lives.

#### Share Concert, April 9

"The Group" may be considered a youth organization which takes place weekly every Tuesday Night with the leadership of Don DeGraaf. It has affected the lives of thousands of people young and old alike from all over the country and Canada. "The Group" has been a catalyst in the change and improvement of nany lives, both the drug user and the "straight."

"The Group" has been involved in many activities for the betterment of Grand Rapids. You've probably been aware of the crucifixion bill boards in various parts of the city. This is in preparation for the Share Concert on April 9th (Good Friday) rom 8 p.m. to 10:30 p.m. at the Civic Auditorium.

Arthur Doering, under the supervision of youth leader Don DeGraaf, has organized this Easter project. Doering says, "I expect this to be one of the most meaningful events that has ever hit Grand Rapids yet! The Jesus movement is not only happening in California, but also right here in Grand Rapids.

**RCYF CONDUCTS PAPER DRIVE** 

The RCYF of the Ada Community Reformed Church is conducting a paper drive. Call 897-7812, 676-9410 or 676-1849 for pickup before Wednesday, April 7. No magazines please.

#### Walk A Block Or Two

Now that spring is here, try a little mild exercise. If you are in poor condition, get your doctor's okay, and then walk a block or two, or more. This is good advice, says the Michigan Heart Association, a Michigan United Fund agency.

Gerald M. Henry 400 Federal Square Building Grand Rapids, Michigan 49503

PUBLICATION ORDER File No. 121 628 State of Michigan, The Probate Court for the County of Kent Estate of GUY FORD

#### **Breakfast Speaker**

#### THE REV. JACK FINDLAY

The fourth annual White Breakfast, which is traditionally held at Easter time in Ada will see the gathering of women from several churches for a program related to the season. The Ecumenical event will be held at St. Robert's Catholic

Church on Ada Drive Wednesday, April 7, at 9:30 a.m. The Reverend Jack Findlay who is the associate pastor of St. Pius X Church in Grandville will be the featured speaker. The Invocation will be spoken by Reverend Henry Nied-

zwecki of St. Robert's with a Welcome by Mrs. John Schuelling. Also on the program will be a solo, "All In An April Evening," sung by Mrs. Glen Morris, Junior, representing Ada Congrega-tional Church and Devotions are to be led by Mrs. Frank DePew of the Ada Community Reformed Church.

Decorations for the breakfast will include the traditional purple and white colors carried out in candles and floral pieces. The committees arranging the program and themes include gen-eral chairman Mrs. John McWebb, Mrs. Schuelling, Mrs. Morris, Mrs. Donald Korhorn, Mrs. Eugene Huising, and Mrs. Charles Van Timmeran.

A nursery will be provided at the Ada Congregational Church. Reservations, which are open to all area women, may be made through Mrs. Huising at 676-9410 or Mrs. Van Timmeran at 676-1197.

#### **Heads Publication Council** Kenneth A. Zick, a senior, is president of the Albion College

Publications Council. He is the son of Mr. and Mrs. Kenneth Zick of 4805 Curwood, S.E., Grand Rapids. The Council supervises student publications on campus. Its

main duty each year is to select the staffs for the college newspaper, the Pleiad, the college yearbook, the Albionian and the Campus Directory. Other duties include oversecing the budget of each publication, and consulting with each on editorial pol

## PINEWOOD DERBY

It was sign up time, last Wednesday evening, as the Cub Scouts of Pack 3102 of Lowell, prepared to run their cars down the ramp-way in their annual Pinewood Derby Competition.

"Are you ready?" was the call from the official as seventy cars awaited entry into the Pinewood Derby for members of Cub Scout Pack 3102 of Lowell, last Wednesday evening.

The ramp-like track was set up in the Runciman Elementary Building, and the crowd moved to the edge of their seats as the cars were placed at the starting line, and the competition long-awaited was underway.

After several elimination races, Brian Brown of Den No. 9 roared home the victor. Robbie Yeiter of Den No. 8 finished a close second, and Kirk Haybarker of Den No. 9 took third place honors.

The cars, built by the Pack members, as stipulated in the Derby rules, were of various designs and colors, constructed for speed and durability.

Trophies were presented to the top three winners in the Derby competition, and special trophy awards were made in two categories. Mark Almas of Den No. 9 won the over-all originality award and Doug Myers of Den No. 1 was tops in the design classification.

An annual event held by the Cub Scout Pack, this year's list of entries was the largest enrollment made since its inception.

# Schedule Set-Up For Varsity Tennis

All Tennis matches scheduled at Forest Hills High School for the Varsity squad will be played at 4 p.m. this year. Eighteen matches have been set-up, with dates reserved for

the O-K Conference, Regional and State encounters.

Monday,	May 24	Kentwood	away
Wednesday,	May 26	Ottawa Hills	home
Friday,	May 28	O.K. Conference	
Friday,	June 4	State	

#### **Junior Archer Second** In National Tourney

Second place honors and a trophy were garnered by Lori Mathews, Cascade Road, in a national tournament for archers held last weekend in Detroit.

Over two hundred and fifty Junior Olympic bowmen stood on the line and shot their arrows into the hearts of the official targets at the American Indoor Archery Championships Tournament Saturday. Lori, who had appeared in only one previous tourney of any size, became the runner-up in the Cadet Division for those eleven and under with a 454 point score.

She was defeated by Jodi Crowell of York, Pennsylvania, who had 488 points. Third place went to Lisa Weid of Menominee Falls, Wisconsin with 408 points. In front of a thousand spectators, Lori was presented her trophy by Fred Baer.

A boys' team representing Forest Hills High School captur-ed eighth place in team rankings. The individual scores which were added to total 2,012 points for a team score were: Doug Grant, 524; Ron Block, 508; Lee Champion, 502; and Bill Dangl, 478.

The archers were accompanied by their parents and their coach, Chuck Mathews.

# BASEBALL TO BEGIN APRIL 10

The Lowell Red Arrow's Baseball team will begin its 1971 season when they meet the Ionia Bulldogs, here, for a doubleheader.

The games will take place at Recreation Park on Saturday, April 10, with the first game getting underway at 10:30 a.m. The second encounter will commence at 1 p.m.

Sixty-two prospective players turned out for pre-season prac-tice. Baseball coach Gary Rivers described the teams as a young ball club. "We have a little experience with only four returning lettermen. Basically, we will rely on our pitching and if it's up to par, we should really come on," Rivers commented.

The team's only returning Varsity hurlet is junior Chris Col-

# **Track Season Opens Against Ionia Friday**

The Lowell High School track season will get underway this Friday when the Arrow runners face the Ionia Bulldogs in a non-conference practice meet here at Recreation field.

Coach Chuck Bostrom is looking forward to a good season with many returning lettermen and good team depth. He added, "We have a good number of young runners returning and we should be strongest in the sprints and middle distance vents." The team will be out to better last year's 4-3-1 record which left the Arrows third in the conference.

The Arrows have already run in several meets and though only placing once, they did very well compared to fellow conference teams.

The Arrow runners will play host to a predicted 27 teams in the Lowell Invitational track meet held at Recreation field Saturday, April 10.

lins, who will be heading up the pitching department. Backing him up will be Joe Rinard, also a junior.

Last year, Rinard produced a fine record hurling for the Junior Varsity team.

Besides Collins, returning lettermen are Pete Olson, Mark Geelhoed and Mike Sherman. Eleven other players are working for starting positions on the Varsity team. They are Gary Barbee, Kris Kropf, Joe Rinard, Dan Hendrick, Randy Jones, Phil Vanderbilt, Mel Miller, Bob Yalacki, Bob Reynolds, Tom Martinez and Allan Graham.

The Junior Varsity team, coached by Bob Copeland, is also a young club, with 28 freshmen and 18 sophomores on the roster.

# Golfer's Opener **Toughest Match**

The Lowell High School golfers will begin their season with probably the toughest match of the season.

The Arrow golfers will take to the links to face last year's conference champion, Greenville, at Greenville, on April 12.

Coach Al Rowe predicted, "If we can get by Greenville's experienced team (4 returning lettermen) the toughest part of the season should be over." Last year the Arrows did defeat Greenville to produce the Yellow Jackets only loss of the season.

Three of last year's lettermen will return to lead the team. They are Jon Schwacha, Tom Gless and Jack Metternick.

The team does not lack recruits, as four players will return from last year's Junior Varsity team and 10 new players have showed up for practice.

The Arrows' first home match will take place at Arrowhead Golf Course.

#### **Membership Drive Kick-Off**

The Lowell Masonic Temple was the scene of the Kick-off dinner for the 1971 Lowell YMCA Membership Drive. Fifty men and women workers for the "urive" were treated to a delicious dinner served by the women of the Eastern Star.

This year's campaign is headed by Gordon Gould, general chairman and Howard Briggs and Mrs. Harold Ball, men and wo-men's chairman respectively. The goal of the drive will be to enlist: Sustaining memberships, 62; Family memberships, 94;

Area Residents

Adult memberships, 40; Youth memberships, 100; and Triangle memberships, 6. This represents a monetary goal of \$2,204.

The program consisted of discussion of how to contact and sign-up members for the YMCA and a slide presentation on the programs offered by the Lowell "Y" this past year. The drive will be'concluded on April 22, at the Lowell Methodist Church with a Victory Dinner.

Derby winners were Brian Brown, first place, Robbie Yeiter, second place, and Kirk Haybarker, third place. Special trophy awards were made to Mark Almas for originality, and Doug Myers for design.

#### 98% OF CMU STUDENTS FROM MICHIGAN

Central Michigan University remains truly a Michigan university, according to a recent report from the CMU Registrar's Office.

Of the University's spring semester enrollment of 13,246, a total of 12,977 or about 98 percent of the student body is from Michigan. One hundred seventy-six students are from 31 states other than Michigan while 93 foreign students are on the cam-

CMU's spring enrollment includes students from 82 of Michigan's 83 counties. Only Keweenaw, located on the extreme northern tip of the Upper Peninsula, is unrepresented.

More students come to CMU from Wayne County than any other. A total of 1,379 Wayne students are enrolled, while 1,278 are from Oakland and 959 are from Isabella, where the University is located.

As usual, nearly half of CMU's student body comes from seven counties forming a diagonal line running from Detroit to Mt. Pleasant. The counties include Wayne, Oakland, Macomb, Genesee, Saginaw, Midland and Isabella.

The 20 leading counties in terms of current enrollment are:

1. Wayne	1,379	11. Gratiot	294	
2. Oakland	1,278	12. Huron	218	
3. Isabella	959	13. Jackson	207	
4. Saginaw	701	14. St. Clair	206	
5. Genesee	677	15. Tuscola	205	
6. Macomb	531	16. Shiawassee	197	
7. Midland	514 .	17. Muskegon	171	
8. Kent	457	18. Berrien	163	
9. Bay	434	19. Calhoun	160	
10. Ingham	325	20. Ottawa	157
