Main Street took on a new look Monday, as Mrs. Bev Holst and her Centennial Decoration Workers began preparation for the Centennial festivities which will start this Sunday.

Centennial figurienes, colorful in silhouette style have been hung on the light posts. Also planned to help the town's atmosphere are individual window displays depicting the ara being celebrated.

Talking about new looks, the Island Park Project, which has been undertaken by four energetic Lowell men, took off in full swing last week end when volunteer help turned out in full force. The island is now clear, due to the help of Bieri Brother's

bulldozer, and assistance of Byron Weeks. According to the committee, the Island may not be fully completed by Centennial Week, but a guaranteed opening by Showboat time is being made.

There are several new concerns joining the Main Street business section, and several new moves are being made. In the building formerly occupied by the Speerstra Insurance Agency, Owen's Barbershop has shifted one door over. In the building formerly occupied by the barbershop, R. J. Ide Realty has set

Ada Celebration Is Fun-Filled

There'll be something for everybody to do at the July 4th celebration of events in Ada on July 5.

At noon, a kiddie's parade will form at the Ada Shopper's Square, with the booths opening and a penny scramble taking place at 1 p.m.

At two o'clock a two legged race will catch the eye of the spectators and will be a barrel of fun for the participants. At two-thirty the annual waterball fight pitting the firemen of Ada against a squad of Cascade fire fighters will take over the

scene of activity. A pig scramble at three o'clock will be followed by a softball game between Ada and Ada Christian Church at 4:30.

The Ada Merchants softball team will face the Amway team in a trophy game at seven o'clock. At 9, a raffle drawing will take place, topped off by a giant fireworks display. For more parade information call Len Washburn at 676-1163.

Showboat Begins To Speed Up

"Things are moving right along . . . and it should be a well-balanced show," commented Larry Wittenbach, president of Lowell Showboat, Inc., at a board meeting last Thursday night.

The talent auditions held at the Lowell High School auditorium on June 16 and 17, under the chairmanship of Dr. Clark Vredenburg, saw all types of amateur entertainers making a bid for a spot on the Showboat's Amateur Talent Night production scheduled for July 10.

Forty-eight of the top acts selected will perform on the Showboat Stage on the 10th before a panel of judges who will select 12 top acts to appear, two each night, during the two weekend productions (July 22-24 and July 29-31) this year.

Also, the finalist will appear in Grand Haven during the Coast Guard Festival on July 16 as the Amateur Finalist of the Lowell Showboat.

In auditions held Friday night, a new, or should we say "old" endman was selected to fill the vacancy on the team of joke-passers and fun-filled funny men of the show.

Loren Wohlford of Middleville, who retired 3 years ago as an endman because of business reasons, will return to the show and take over his old seat as an endman. Since Wohlford's original retirement, he has reworked his schedule, and will have ade quate time to again take part in the "minstrel show under the stars."

Serving as endmen along with Wohlford will be the ole veter-an, Forrest Buck, who will be appearing in his 36th consecutive year on the show, Dick McNeal, an 11-year veteran, Curt Chadwick, a six-year veteran, and the rookies of the team, Joe Vezino and Dennis Sisson.

Of course, to help them along will be the show's interlocutor, Gordon Gould.

Jack Smith, a representative of the Lowell Moose Club, was at the meeting to discuss the erection of the showboat stands, and a possible renovation of the numbering system, to help in a better method of constructing the removable portion of the

Barbara Ann Joins Country Music Show

World-famous Grand Ole Opry stars Lonzo & Oscar and The Country Caravan Television Band will not be the only features of the big Grand Ole Opry show coming to Lowell on July 2.

Gordon Gould, local chairman of the program announced to day another star performer has been signed to be here for the big country music show.

She is Barbara Ann, pretty song-stylist and star of Wheeling, West Virginia's renowned "Jamboree USA." At Frontier City's annual country music convention Barbara Ann was selected as Number One Female Vocalist. The result was appearances on Ralph Emery's WSM-TV show in Nashville, Tennessee at the Ernest Tubb Record Shop, and on the Grand Ole Opry itself.

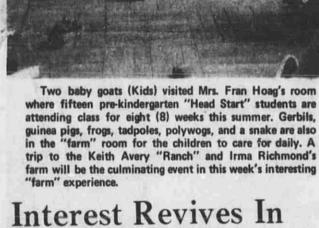

With the addition of recording star Barbara Ann to the show cast, the July 2nd country music show has developed into a really big show, and it will go on stage rain or shine. The famous Country Caravan Television Band, almost a

Grandfather Clocks

Emperor Clock Company of Fairhope, Alabama, has succeeded in generating a revival of interest in the traditional grandfather clock. The renaissance began just two years ago.

"General acceptance of grandfather clock ownership has been nation-wide," reports George Fowler, President. "Sales have been so good that it pushes production to meet the demand. It appears that the traditional grandfather clocks are a national status symbol," Fowler added.

Council Studies Bids To Rebuild Gee Drive Bids to rebuild 2,300 feet of Gee Drive were discussed at the June 21 meeting of the Lowell City Council. To-date, the low

bid of \$34,319.30 has been submitted by Bieri Brothers of Lowell. The Council took no affirmative action on the bidding until further study can be made of the repairs to be made.

Permission, at Monday night's meeting, was given to the Low-ell-Fallasburg Area Centennial Corporation to set up children's carnival rides and concession stands on Riverside Drive, just north of Main Street.

The fair-type rides will occupy the Riverside Drive area on June 29 and 30 and July 1 and 2.

Unanimous approval was given by the Council members on the lease with the Lowell Area Schools for use of the pool building at Recreation Park for another ten years.

The council also approved the lease, with revisions, held with the 4-H Kent County Fair Board. The revised lease would remove 1.6 acres needed for the constructing of a boat launching site on Grand River, but including land cleared at Bowes Road and South Hudson Street.

Under the same transaction, the 4-H Board will start construction this week on a new 120 x 40 horse barn, south of the present horse housing structure, adjacent to the entrance to the waste water treatment plant.

Van Stee To Chairman Water Parade Event

Robert Somerville, president of the Thornapple River Association, announced this week that the finalization of plans for the Water Parade during the July 4th celebration activities on July 5, will start at 1:30 p.m.

In his announcement, Somerville named Ray VanStee, chairman of this year's parade. Van Stee will be assisted by Ken Klynstra and Bob Wagner.

Prizes in various categories will be awarded in the parade, which will be held if the weather is permitting.

All members of the Thornapple River Association are urged to make some kind of an entry. Past parades have produced a lot of colorful entries, and the participants are to be congratulated on their efforts.

This year's parade, which should be better than ever, will be one of the big highlights of the holiday activities in the area.

Past Noble Grand Club Takes Summer Recess

The Past Noble Grand Club of Lowell will take a summer recess from their club activities that have been under heavy schedule during the winter months. During the remainder of June and all of July and August,

the Club members will be void of any meetings, etc.

The next meeting of the club, when they resume their fall schedule, will be held on September 27.

CASCADE'S FOURTH PROMISES TO BE BIGGER AND BETTER

The annual Cascade Fourth of July celebration which, incidentally, will fall on Monday, July 5, this year promises to be "bigger and better" than ever before. Churches, community organizations, the Fire Department and many others will pool their efforts to make this the most outstanding local celebration.

A new feature of the celebration will include a baseball game between the men of Cascade Christian and Cascade Christian Reformed Churches. An internationally-famous sky diving team will thrill the spectators as well. Of course, there will be the annual "grudge" water ball fight between the Ada and Cascade firemen. Many booths will be included, and there will be the usual chicken bar-b-que dinner at Cascade Christian Church.

Mustn't forget the parade either, featuring the famous "Old Timer's Band." The parade will start the day's festivities at

Collects 20 Tons Of Newspapers

The third paper drive and second steel can drive of S.T.O.P., the Forest Hills Students to Overcome Pollution is scheduled for this weekend, June 25, 26, and 27. This year the gorup has collected over 20 tons of newspapers and magazines and three tons of steel cans. The goal for the weekend drive is 14 tons of paper and five tons of cans. The popular slogan for paper drives has been "save papers, save trees." The emphasis, at least in environmental terms is changing. Land fill space is running out, yet recycable paper

products still comprise the bulk of disgarded material. Polluted air is partly the fault of people sitll burning newspapers and magazines. The new catch phrase is "save papers, save trees, save land fill, save the air. The can drive is the area's first since WW II days. Other

schools and organizations have shown interest in the Forest Hills recycling program and the coming school year will see aluminum collection and work with groups collecting glass. Consumer support determines the success of reclamation projects. Loan a helping hand or better yet a bundle of papers and sack of crushed cans.

one appeared to protest adopting amendment to the Zoning Ordinance which would establish the requested A-1 One Family Residential District for the whole plat. Manager Baocn read the proposed Zoning Ordinance No. 56. (See MOTIONS-RESOLUTIONS). The Hearing was calosed. Manager Bacon relayed an oral request from the 4-H people for permission to erect a 120 x 40 pole barn on city-owned land

south of the old horse barn, north of and adjacent to the enfrance to the waste water treatment plant. He stated neither he nor the operators of the Water or Wastewater Departments could foresee any objection to the proposed building. (See MOTIONS-RESOLUTIONS).

Manager Bacon reported asking for six quotations for doing demolition work at 313 East Main Street but to date had received only two. The consensus was that a special council meeting should be held late Wednesday at which time more quotations would likely be received. (See MOTIONS-RESOLUTIONS). Messrs. Roger Roberts and Larry Wittenbach appeared on behalf of the local YMCA who are requesting that the City deed to the YMCA the land on which the pool, lockers and dressing rooms are located. They are planning - if they can gain title to the land - to expand YMCA facilities to include meetings rooms, an office, possibly sauna rooms. They also wanted additional land to the west, up to the two houses remaining in that area. Manager Bacon informed them that the City Las a lease agreement with the 4-H which runs into 1975, applying on this

property adjacent to the houses. He also expressed the opinion that the City could not "deed away" park property without a Mayor Jefferies suggested that after the School and the YMCA

Boaters Creating Hazardous Wakes

During the past month waterfront property owners have been confronted with very serious problems relating to boaters. creating hazardous wake. Due to the rise in water level the problems are more critical than any previous year.

Boats creating hazardous wake certainly violate both safe boating and courtesy and this violation seems to be more prevalent this year than any previous year.

Speeding by crowded dockage and anchorages not only cause discomfort for those tied up, but in addition is a hazard that can cause damage to boats and injury to those on board.

Giants Win Midget Crown

Two consecutive victories by the Giants in The Thornapple Valley Baseball League's Midget Division gave them the championship crown for the 1971 season.

In the first game of the championship round on June 18, two spectacular catches by outfielder Dan Smith aided Paul Richards in hurling a no-hitter as the Giants overpowered the White Sox

Helping to mount up the score for the Giants were two home runs made by Ed Grochowalski and Craig Terrill.

On June 21, the Giants continued to travel the victory road as they almost shut-out the White Sox in the second game of the championship series. Richards again hurled for the winners, allowing only two hits.
