

Cruise Greek Islands

This 38 ft. ketch, owned by her brother, will be "home" for Mayor and Mrs. Harold Jefferies for two weeks while they cruise among the Greek Islands with stopovers at many of them. The Jefferies left Monday for Athens where they will spend two days before embarking at the Port of Piraeus, which was the setting for the movie "Never On Sunday." Included among the islands on their agenda are MYKONOS, called the "Capri of Greece," with a chapel for every family on the island and a confusing maze of alleys designed deliberately to baffle pirates who used to be common in the Aegean Sea; AEGINA, with a history that dates back to the Achaeans (1300 B.C.) and a temple built about 500 B.C. that stands today, well preserved, atop Mt. Oros overlooking the Bay of St. Marina; PAROS, noted for its pure white marble used by sculptors from the 6th century B.C. up to the present time, and SANTORIN, in the center of which is Greece's last active and still smoldering volcano.

Along Main Street

Over 200 bus drivers will embark on the City of Lowell next week end (Thursday, Friday and Saturday) to participate in a "bus workshop" which includes a training session, first aid classes, mechanics classes, and a rodeo.

According to Lowell bus supervisor, John Vos, drivers from Kent, Barry and Ionia Counties will be in attendance.

It's colorful along Main Street, especially on the East Side... Ball Floral with their striking pink exterior flair is joined by Softee Cremes, brown and gold motif... and now Denny's Tourist Homes have a new frontage of color me green.

There have been several motorcycle incidents in the City which have prompted Lowell Police to issue several warnings and present the riders with violation tickets.

According to the Uniform Traffic Code for Cities, Townships and Villages all cyclists must be 16 years of age, and have a valid driver's license.

The Lowell Community Center social workers, reminded Lowell residents this week that they are still operating out of their temporary facilities in the quanset building at the 4-H Fairgrounds.

The workers, however, only maintain office hours on Tuesday mornings between the hours of 9 and 12. Progress on their permanent facility, on Ottawa Street, is getting underway, but teenage volunteers to cut the grass and do odd jobs are needed. If interested, call 897-9432.

FLUSH MAINS

The Lowell City Water Department will flush the city mains starting Tuesday, August 24. Continuation of the flushing will be made until Friday, August 27.

LOWELL'S SHARE IS \$11,432...

Second quarter Motor Vehicle Highway Fund collections are being distributed to Michigan counties, cities and villages, the State Highway Commission announced this week.

State Highway Director Henrik E. Stafseth said net receipts of the fund during April, May and June of 1971 amounted to \$91,275,495, an increase of \$4,129,009, or 4.7 percent, compared to the same three months of 1970.

Lowell's share of the quarterly distribution will be \$11,432, in comparison with \$10,105 received for the same period in 1970.

All state gasoline and diesel fuel taxes and license plate fees go to the Motor Vehicle Highway Fund. The money is distributed after deduction of collection costs, 1.5 percent of gasoline taxes to the State Waterways Commission and other fixed costs.

The Department of State Highways receives 46 percent of net proceeds, the 83 counties receive 34 percent and the 529 cities and villages, 20 percent.

Under this formula, the Highway Department will receive \$41,986,728 as its share of second quarter collections. Kent County will net \$1,231,703.

William Griffore Elected Association Treasurer

William Griffore of 1030 Sibley, Lowell, was elected treasurer of the United Highway Employees Association. The Association is state wide and represents the Department of State Highway Construction field employees.

Mr. Griffore whose term is from July 1, 1971 to June 30, 1972, has been employed by the Department of State Highways for 24 years. He is presently assigned as Soils Density Supervisor, District No. 5.

Grattan Approves Zoning Ordinance

At the regular meeting of the Grattan Township Board held Monday, August 9, the Zoning Ordinance and Zoning Map, as published in this edition, were adopted and/or amended, according to James Byrne, Grattan Township Clerk.

The ordinance has been set up to establish zoning districts for the unincorporated portions of the Township of Grattan pursuant to the provisions of Act 184 of the Public Acts of 1943, as amended; to set forth regulations, minimum standards and procedures for the use, size and protection of land and structures within such districts; to establish provisions for the enforcement of this Ordinance; and to prescribe penalties for the violation thereof.

Census Bureau To Take Survey Week August 16

Local representatives of the Bureau of the Census, U. S. Department of Commerce, will visit a number of households in this area the week of August 16 to obtain information on employment here. Robert G. McWilliam, Director of the Census Bureau office in Detroit, in making the announcement, said the households are among the 50,000 across the country that have been scientifically selected to represent a cross section of the American people.

The survey, which the Bureau conducts each month for the U. S. Department of Labor, provides a continuing measure of employment and unemployment for the Nation. For example, on a seasonally adjusted basis, the overall unemployment rate dropped from 6.2 percent in May to 5.6 percent in June. Total employment fell one-half million to 78.4 million, the same level as in March.

Information supplied by individuals participating in the survey is confidential by law and results are used only to compile statistical totals in which no individual or household can be identified.

The interviewer who will visit households in this area, is Mrs. Lucy Hall, 3046 Knapp N.E., Grand Rapids.

On Merry-Go-Round Since 1912 Opening

Want to hear some interesting stories? Then seek out 78-year-old Earl Ingalls, owner-manager of the Ingalls Carnival, now playing at the Kent County 4-H Youth Fair this week.

He'll tell you how he first began in the carnival business with a merry-go-round in 1912. He'll tell you how he had to sell his "old woman" who was 50 years old... because there were no drivers to haul around his special elephant.

The carnival is Ingalls' whole life. No thoughts of retirement have even been contemplated, he said. "Why should I? Since I lost my wife six years ago, this (the carnival) is what I do..."

Mr. Ingalls originally worked his carnivals out of New York, but moved to Michigan in 1935. He prides himself on the cleanliness of his carnival and the fairness of the games.

Ingalls' carnival at the 4-H fairgrounds this year has several new attractions, as well as a new fun-house ride called "dark ride..." It's a long way from his merry-go-round on an empty corner in 1912.

Re-elected To Top State Chamber Post

In a move which will insure continuity of an aggressive program, Jay VanAndel was re-elected to the position of Chairman of the Board of the Michigan State Chamber of Commerce. The Ada, Michigan resident, Chairman and co-founder of Amway, thus becomes only the second person to be so honored in that post.

A Chamber spokesman commented, "A re-election to this vital post has only taken place once before in the Chamber's history, when another outstanding man was persuaded to again accept the helm of our growing organization."

"At this time, we feel especially fortunate to have Mr. VanAndel's continued leadership and experience as we move forward with an innovative program designed to help our State in the evaluation and implementation of programs designed to help Michigan's citizens and corporations make best use of their tax dollars."

Jay VanAndel states, "I am pleased to accept the challenges of this post, and I look forward to serving with real enthusiasm. During the past year I felt that we made considerable progress despite the fact that we were in need of additional financial and human resources."

"We are now engaged in a challenging new project to study the State's budget and expenditures. A special study group composed of professionals and businessmen will evaluate the entire state budget in order to make recommendations to the Legislature on how to most effectively and economically use tax funds."

"It is logical that the Chamber should engage in this activity because it is composed of members representing all of the State's businessmen and women, who can offer a broad range of experience in efficacious utilization of funds in industry."

In addition to serving as the Chairman of the State Chamber for two years, Mr. VanAndel has also served that group on the board of Directors 1969-70, on the Committee on Public Conduct 1969-70, on the Taxation Committee 1967-68 and was a Vice-Chairman in 1969-70.

A member of many educational, religious and philanthropic boards, he is listed in Marquis Who's Who in Commerce and Industry, Who's Who in the Midwest and in White's National Encyclopedia of American Biography.

Dry Bean Harvest Up

Kent County farmers harvested 1,100 acres of Dry Beans in 1970, according to Arvin Budge of the Michigan Crop Reporting Service.

Production amounted to 12,000 bushels, an average of 10.9 bushels per acre. This compares to the 1969 crop of 11,000 bushels from 1,200 acres.

AGREES TO TURNBACK FOR TRUNKLINE M-91

The Lowell City Council at their meeting Monday night approved a turn-back resolution for trunk line M-91, which connects with M-21 in the city. The south portion of the state highway was turned back several years ago as part of the agreement to build a new bridge over the Grand River. The County later built a new highway connector to the I-96 freeway.

Part of the present turn-back agreement is for the state to participate in the storm water separation program on the route M-91 presently takes in the city.

In other action the Council passed a resolution of intent to cooperate in every way possible with the Lowell Area School Board in providing water and sewer service to the new middle school if it is built outside the city limits.

The school is currently studying several sites near the city which will provide them the 50 to 60 acres deemed necessary.

The City also voted to join the Kent-Ottawa Regional Planning Commission which deals with overall planning for the

Grand Rapids metropolitan area, of which Lowell is a part. Sewer Extension Study Contract

Jim Carr of Williams and Works presented a contract to provide a feasibility study for Lowell, Lowell Township and Key Heights Mobile Home Park. The cost of the \$3 thousand dollar study will be split among the three governmental units.

The council agreed to study the contract and discuss its aims with the Lowell Township, before committing the City.

David Miller, newly elected member of Lowell Area School Board, was named as the school's representative on the Lowell City Planning Commission.

The school board has requested a meeting with the City Planning group Tuesday evening to discuss the location of the new middle school.

The meeting is to coordinate long range planning of the school with that of the city.

FAIR WEEK IN LOWELL

Thousands of people from all over the state were expected in Lowell this week (August 9-13) for the 37th Annual Kent County 4-H Youth Fair.

A huge, fun-filled midway, hundreds of craft exhibits, vegetable, produce and plant displays, hundreds of animals—especially horses—filled the sprawling 4-H grounds and buildings on the banks of the Grand River.

Hundreds of 4-H clubs from all over Western Michigan are represented at the fair. Trailers (for people and livestock) and tents are everywhere.

Thursday, August 12, the day's activities will begin at 9 a.m. with horse judging. At 1:30 p.m. an Archery Tournament will be held, followed by a Pet Parade on the Tennis courts with

youngsters ages 2-13 being invited to show their pets.

A livestock parade in front of the grandstands will take place at 7:30, after which a variety show will go on stage and the 1971 Fair Queen, Lynda Meyerink of Alto, and her court will be introduced.

The fair will be open through Friday each day at 9 a.m. The midway closes at 11 p.m.

Horse judging at 9:30 a.m.; a dress parade in the Exhibit Hall at 7:30 p.m.; and exhibits released at 9 p.m. will be the schedule of events for the final day of the fair, Friday.

There is no admission charge to the fair and there is no charge for parking. Come one, come all and see what our 4-H youth have been doing along the "project lines."

Main Street Collision Fatal To Holland Man

John H. Parker, 75, of Holland, died last Wednesday in Blodgett Memorial Hospital, Grand Rapids, of injuries suffered in a head-on collision on West Main Street Tuesday evening.

In serious condition in Blodgett with a caved-in chest and a broken arm is Mrs. Florence Long, 83, of Holland, who was a passenger in the Parker vehicle.

Lowell Police reported that Parker, driving East on M-21, swerved across the center line head-on into a car driven by Mrs. Gretchen Denevan, 46, of Lowell.

In good condition at Blodgett with head lacerations suffered when she hit the windshield is Mrs. Denevan's daughter, Lynn, 14. Police said Parker and Mrs. Long were in the process of moving to Toronto, Ontario, Canada.

Ann Arbor Crash Injures Lowell Art Teacher

Three area women were injured in a fatal automobile accident last Tuesday, August 3, near Ann Arbor, that claimed the life of 63-year-old Gerald Mast, painter and art professor of the Michigan Extension Center in Grand Rapids.

Mrs. Blanche Mullen, 62, art teacher in the Lowell Area Schools remains hospitalized at Kalamazoo's Bronson Hospital with a broken leg, rib, and multiple bruises.

Mrs. Marjorie Benedict, 45 of Ionia, listed in serious condition is in St. Joseph Hospital's intensive care unit. Donna Williams of Kalamazoo is in satisfactory condition at Bronson, and Mrs.

Gladys Bulson of 6712 Cascade Road, S.E. is still under observation.

Wastanaw County Sheriff's deputies said a small utility trailer broke loose from a pickup truck driven by Albert Carter of Sylvania, Ohio, on US-23, about three miles east of Ann Arbor, and careened across the highway median into Mast's car.

The car rolled over, pinning Mr. Mast behind the steering wheel and throwing three of his passengers from the vehicle.

Mast and his passengers were enroute to the Metropolitan airport in Detroit where they planned to begin a three-week tour through Europe.

Forest Hills, Lowell CALL 'PREP' GRIDIRON PHYSICALS NEXT WEEK

All Forest Hills Senior High School varsity football candidates (11th and 12th grade) are to report to the high school gymnasium for physical examinations next Thursday, August 19, at 9 a.m. It was announced this week by the school's athletic director, Edward Shy.

For 11th and 12th grade boys in Varsity golf and cross-country, the physical examinations will be held Friday, August 20, at 1:30 p.m. in the high school gymnasium.

All 9th and 10th grade athletes are requested to pick up an examination card at the high school office (5901 Hall Street, S.E.) and get their examinations from their family physicians, Shy reported.

Lowell's Red Arrow Varsity football coach, Al Rowe, has called for all candidates seeking positions on any of the Arrow grid teams to report for physical examinations next Tuesday, August 17, at 7 p.m. at the high school gymnasium.

Rowe added that all boys going out for athletics during the 1971-1972 school year, are to report for their physicals at this time.

During the 1971 football season at LHS, Rowe will be assisted in his coaching duties by Richard Brennan, Charles Brostrom will head the Junior Varsity griders, assisted by Craig Huizen.

Mike Clark, Freshman football coach, will be aided in his scheduling by Zoltan Kocszonyi.

Outstanding Swimmer

Marti Griffith Sets Pool, Meet Records

Anxiously awaiting the sound of the gun these swimmers set the fast pace at the Mid-Michigan Swim League Meet.

Top swimmers from the six teams in the Mid Michigan Swim League met at the Forest Hills Community Pool Friday afternoon, August 6, for Conference Meet Finals. It was a warm and brilliantly sunny day — perfect for the event.

Trophies were awarded for the overall winner and Junior (10 and under) and Senior (11 and older) divisions. Forest Hills swimmers won all three, and jubilantly dunked Coach

Sports

Gary VanderLende in the pool following the presentations. The overall scores were Forest Hills 320, Rockford Village, 236, Rockford Community 203, Lowell 202, Dolphins 159 and Sea-ville 155.

Marti Griffith of Forest Hills was the outstanding individual swimmer of the afternoon, the only triple winner and furthermore setting Forest Hills Community Pool records in each event. They were: 14 and under Individual Medley 1:13.7, 14 and under Breaststroke 37.9, 14 and under Butterfly 30.7. Tom Frost also set three records; 12 and under Freestyle 29.8, 12 and under 100 yd. Individual Medley 1:17.5, 12 and under Butterfly 36.5.

There were only seven double winners, a reflection of the intense competition. These were: Jeff Wetherbee, 12 and under Breaststroke and 12 and under Medley relay, Jim Vandenberg 8 and under Freestyle and 8 and under Breaststroke, Jackie Keller 10 and under Breaststroke and 10 and under Medley relay, Kim Preston 15 and over Individual Medley and 15 and over Butterfly, Chris De Fouw 12 and under 100 yd. Medley relay and 12 and under 200 yd. Freestyle relay, Tammy Johnson and Laurie Slaughter 12 and under 100 yd. Medley relay and 12 and under 200 yd. Freestyle relay.

Forest Hills Community Pool Records set by Forest Hills swimmers were: Boys 8 and under Freestyle Jim Vandenberg 17.0, Boys 14 and under Freestyle Chris Wietke 1:05, Girls 15 and over 100 yd. Individual Medley Kim Preston 1:15.7, Boys 14 and under Breaststroke Brad Bazuin 35.5, Girls 14 and under Freestyle relay Donna Bunda, Diane Schelling Cindy Linscott, Kelly Johnson, 2:10.8, Boys 14 and under Freestyle relay Brad Bazuin, Grant Cooper, Paul Cooper, Bob Gross 2:02.6, Girls 15 and over Freestyle relay Cheryl Bunda, Cindy Winters, Robin Rens, Jenny Wassink 2:04.9.

Relay teams earn 12 points for first, 8 for second, 6 for third, 4 for fourth and 2 for fifth. Individual swimmers earn 6 points for first, 4 for second, 3 for third, 2 for fourth and 1 for fifth.

Barrington Wins Bob Bond Trophy

When the final chukker was played in a two-day polo festival at the Kentree Polo grounds, over the week end, Barrington, Illinois, walked off with the Bob Bond Challenge Trophy.

In Saturday's preliminary games, Kentree's B team took a 4-2 defeat by the Detroit Polo Club, and in the afternoon, the Kentree A team were stunned by an 11-4 loss to the Detroit poloists.

Detroit continued their winning streak in round robin play on Sunday morning by rousting the Kentree riders 6-3.

In their final bid for the championship, Detroit came face to face with a tough squad from Barrington, Illinois, who entered victory lane to the tune of an 11-4 win.

Mrs. Virginia Bond greeted the Barrington winners, and made the official presentation of the trophy honoring her late husband.

Mrs. Alice Campos made the class B presentations.

KENTREE STABLES 4961 MICHIGAN ROAD, ADA

The Kent County Polo Championships will be played this Sunday afternoon at the Kentree Stables, with the action beginning at 3 p.m.

Open to spectator viewing, the games will see the Taos Farm riders meet the challenging Kentree Club.

Winning Coach To Host Football Clinic August 19

John Soderman, athletic director and head football coach in the Caledonia Community School system will host a four school district coaching clinic for the thirty-three team Thornapple Valley Youth Football League. The clinic will be conducted on Thursday, August 19, at Caledonia Community High School starting at 7:45 p.m.

In addition to speaking, sections of game films will be shown covering "How to perform properly in particular situations, etc."

Coach Soderman graduated from the University of Michigan and began his coaching career at St. Ignace, Michigan. As a varsity football coach, he carved out an outstanding record of 39 wins, 12 losses, and one tie. Coach Soderman brought his winning ways to Caledonia from St. Ignace. With his well-qualified touch, Caledonia has developed to become one of Michigan's finest High School Football teams. Under his direction Caledonia's style of play and ability on the gridiron have gained the respect of all opponents. All-State and All-Conference honors have become a regular part of his well-drilled teams.

According to Coach Soderman, Youth League Football offers youngsters the opportunity to learn the fundamentals of football as well as enjoy the great game on the gridiron. He sincerely feels that excellent coaching and good equipment are the chief ingredients for a successful head-start program of this type.

The Thornapple Valley League serves the Caledonia, Forest Hills, Lowell, and Middleville School Districts. All coaches are cordially invited to attend this resource clinic.

JOHN SODERMAN

Leadership Races Highlight League

In Tri-County Baseball League action, the race for the leadership in the Southern Division continued as Paul Mathews scattered six hits to lead Ionia to a 5 to 1 win over Vermontville at Ionia. Pete Shanski banged out three hits including a home run to pace the Ionia attack. Mark and Ron Lake along with teammate Greg Hoefler had two hits each for the losers. Randy Hummel took the loss for Vermontville. The win kept Ionia within a half game of Pawama, the leaders in the southern division.

Pawama got back on the winning trail as they downed Hubbardston 11 to 1 behind winning pitcher Bill Werner. John and Jim Bengel socked home runs for Pawama. Losing pitcher, Mickey Barker led Hubbardston's hitters with two hits.

Sheridan pulled another upset in the league as they downed Lowell 10 to 4 for their third straight win. Dave Hoisington scattered five hits in picking up his third win of the season. Royce Wolverson led the Sheridan hitters with three hits. Joe Melle and Steve Van Putten belted home runs for Lowell. Van Putten was the starting and losing pitcher.

Portland and Sidney did not play because Sidney is participating in the NBC tournament at Grand Rapids. In Sunday's tournament game, Sidney was defeated by Muskegon 5 to 4 in 12 innings.

Standings to date . . .

NORTHERN DIVISION		SOUTHERN DIVISION	
Team	W L	Team	W L
Sidney	6 2	Pawama	7 3
LOWELL	6 4	Ionia	6 3
Sheridan	3 7	Portland	5 4
Lakeview	4 4	Vermontville	4 6
Belding	2 6	Hubbardston	3 7

WINNER'S CIRCLE

Shown above are Jeane Metsker and her horse Secret Way, receiving the blue ribbon and trophy for the Amateur Owner Working Hunter Appointments class at the Detroit Horse Show, one of the largest and most competitive in Michigan. Always colorful and interesting, the appointments class is one in which both rider and horse are dressed as for a true hunt, right down to a sandwich case in preparation for a long day!

Secret Way was Reserve Champion Amateur Owner Hunter at Detroit, and Jeane's dressage horse, Scooter T., came through with a win in the Midwest Dressage Association Medal Class for Level B, qualifying him for the finals ride-off this fall.

In addition to the Detroit honors, Secret Way received a Regular Working Hunter Reserve Champion at the Grosse Pointe Hunt Horse Show, another top show, and an Amateur Owner Working Hunter Reserve Champion at Centaur Farm Stables Show. Jeane and Secret Way were also consistent ribbon winners at the Metamora Hunt Club Horse Show and the Greater Toledo Charity Horse Show.

Bass And Pike Prowling

Bass and northern pike appear to be about the only "catchable" fish in inland waters. Bass have been biting nightcrawlers in many area rivers. The Thornapple and Flat Rivers have always been known for an abundance of these scrappy fish. Northern pike have been caught in many area lakes recently. Murray, Morrison and Wabasis Lakes and the Flat River are favorite waters. Northern pike have a mean temperament and will usually feed at least once a day. Pike are also prowlers so they could be found in any area of a lake or stream.

A variety of bright lures trolled 5 to 14 miles offshore from Whitehall and Muskegon have been very successful. Many fishermen are coming off Lake Michigan with a mixed bag of coho, chinook, lake trout, and steelhead. The schools are usually 60 to 80 feet below the surface. Lake trout are still active in scattered parts of Lake Michigan but it is up to the fishermen to find them.

They are being caught 150 to 180 feet deep with flashing spoons.

According to the Department of Natural Resources, southern lower Michigan is supposed to be more active than northern lower Michigan. Burt Lake in Cheboygan County is still heavily fished and nice walleyes are being caught. Minnows and nightcrawlers fished off the drop offs are effective.

Pollution is in the news everyday, new legislation, public suits, and club projects usually receive much publicity. The individual can do something too. If you spot a source of pollution on your next fishing trip, report it to the authorities or such organizations as the Sierra Club or the West Michigan Environmental Council. We need clean water as much as fish do.
