## Goal Is \$6,000

# DECORATIONS DRIVE UNDERWAY

When you drive down Lowell's Main Street during the month of December, when the snow has covered the ground, and the bells of the Christmas season have just begun to ring... what will the total atmosphere be like.

With a drive launched this week by the Lowell Area Chamber of Commerce and interested service clubs, it is hoped that the full Christmas spirit will be prevalent, with the addition of a new set of street decorations.

Recent meetings of interested persons formulated the basis for the city-wide drive, which has a goal of \$6,000... the monies needed to decorate 42 light poles along the main thoroughfare.

According to some, it has been several years since the City of Lowell has fully decorated their town, although brightly colored Christmas balls have hung from the light poles.

New decorations, which add to the attractiveness of Main

Street, will not only be an encouragement for shoppers, but will depict Lowell's interest in bettering the community as a whole.

A special "Christmas Decoration" Fund has been established at the State Savings Bank, and anyone wishing to boost the drive's funds may do so in any of the following areas:

Mail or make your donation to the Lowell Area Chamber of Commerce, 100 West Main Street, Lowell; or call the Chamber's offices, 897-8545, and arrangements will be made for pick up.

Starting next week, the Ledger will carry a Christmas tree which will be decorated as the donations grow. The drive fund will start with \$500 which has already been received.

If you are interested in your community's betterment, make a donation of your choice today.

## Computer Service Draws Opposition

Some members of the Ada Township Board express opposition to the idea of joining the computer tax billing service offered by Don Lamoreaux of the Grand Rapids Board of Education Computer System at their regular meeting on August 23.

Those opposed to the proposal feel that the system may become another device for cutting inroads into the authoritative structure of the township government. The matter was tabled until the board had opportunity to discuss the matter further with Lamoreaux.

The Board approved a motion by Ken Anderson to purchase a new copy machine from the Pitney-Bowes Company on a three-year contract at \$38.16 per month.

The board reopened the issue of Spaulding Avenue area residents' request for load limit restrictions on trucks traveling from the Great Lakes Gravel Company through the area. Area residents have been complaining of the noise and dust created by the multi-ton vehicles.

Anderson said that he had called the Kent County Road Commission and that they will clean up the roads. "This will eliminate many of the complaints," he commented.

The board moved to contact the Legal Council on the matter of imposing weight restriction on the road from G. L. Gravel, south to Cascade Road.

Other board action included submitting notice for the public hearing of the re-zoning amendments for the Cascade Road area, the Somerville property, the Mobile Home Park Developments, and certain A-3 Agricultural Zones to R-3 Residential.

The board also moved to have the chairman, Sherman Coryell, contact the Planning Commission members Dan Vos, Oliver Robinson, and Joe McCabe, whose terms expire October 1, to see if they desire reappointment.

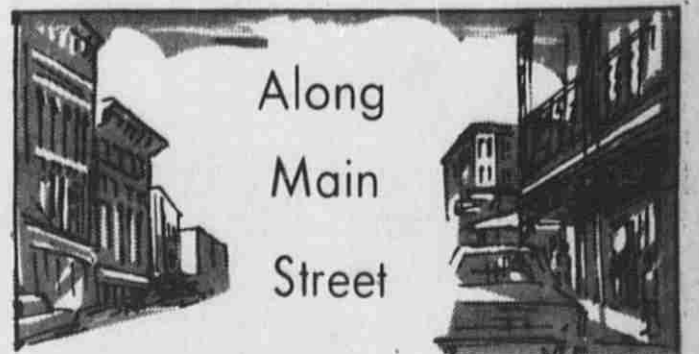

School starts in just about eleven days... and that means hundreds of youngsters will be putting an end to a summer full of activities.

On September 7, Lowell Area Schools will open their doors for a full days session of organization.

All the pertinent information on the school's opening (dress code, hot lunch program, bus schedule, starting times, staff, etc.) can be found elsewhere in this edition of the Lowell Ledger-Suburban Life.

The Forest Hills School System will welcome their new teachers on September 7 at 12:00 noon. School will officially open the system on Wednesday morning, September 8.

Jackson Motor Sales on West Main Street will be closed this Thursday afternoon, August 26, only, for their employee's picnic.

The annual affair will see Jackson's personnel and employees back on the job as usual Friday a.m.

A note of surprise was rung Thursday night at the Scale House Restaurant as friends, patrons and representatives from radio station WION got together to honor Thelma Roth, Levee Restaurant owner, on her 64th birthday.

Well known as "Cookie on the Bridge," with her famous home-cooked meals and delicious pies, Thelma uttered gasps of awe as the group paid tribute to a well deserving and wonderful person.

The demolition of the Old Masonic Temple Building on East Main Street is speeding up in progress. Last week, the third level of the building was downed, with workmen starting on the front half of the building.

Lowell Area Schools will open their doors on Tuesday, September 7... which will mean that the youngsters will travel to and from school.

Drive carefully and pay extra attention to the children who may be darting into traffic or riding that bike hup hazardly.

Summer is almost over, and for many college and high school students that means back to the ole grind... As a concluding point in the summer activities around the area, an "end of the summer dance" will be held in the Cement Block Building at the 4-H Fairgrounds on Saturday, August 28.

Continuous music will be provided by the Scragg Zoster and Prometheus groups, from 9 p.m. until 1 a.m.

Officers from the Lowell Police department were called to investigate a man seen staggering across M-21 Saturday night by the Thomet Chevrolet car lot on West Main Street.

The investigating officers found Victor Escalante lying under a car, apparently passed out. When Escalante was aroused, he became belligerent, and was arrested for being drunk and disorderly.

He was lodged in the Kent County Jail.

## Ford To Visit Area

REP. GERALD R. FORD

Rep. Gerald R. Ford will be in Lowell with his Mobile Office on Thursday morning, September 2, from 9 to 11:30. Everyone is welcome and no appointments are necessary. The Office will be located at the corner of Main and Lafayette Streets. On Wednesday the Congressman will meet with the Lowell Rotary Club.

Ford will be at Cascade (Old Kent Bank parking lot) on Friday afternoon from 2:30 to 5 and at Caledonia on Thursday afternoon.

This is Congressman Ford's eleventh tour of the smaller communities in the 5th District to bring his office to Main Street. "I have been doing this," said Ford, "in order to give our citizens an opportunity to talk with their Congressman without having to go to Washington or Grand Rapids. I am interested in views on legislation and national policy and often can be of assistance to those who have specific problems with agencies of the federal government."

"Of course, I'm always glad to see those who just want to shake hands and exchange greetings," Ford added.

## Shop At Home Where It Counts

Everytime you spend a dollar in this community for goods and services, a substantial part of that dollar automatically becomes an investment in an enriched social and business life for you, your family and friends.

It's an investment you can draw on every day of your life... an investment that pays big dividends in happiness and prosperity, as it strengthens and builds up the vitality of this area in which you live... and in which you are important.

Contrast this with what the community-building and supporting part of your dollar does for you when you spend it away from home, send it to some mail order house, or surrender it to

some peddler.

It's gone. To support some other area... to build up wealth that you can never draw on... and to strengthen those who aggressively drain off the trade of your community... to weaken your business, your schools and churches, to eliminate your job, and devalue your property.

The importance of shopping in your own home town is being stressed this week in a campaign launched by the businesses of your community. See their campaign issues in two full pages of ideas on why you should stop at home this fall.

## Aircraft Owners Must File Tax Return Form

Owners of aircraft are required to file a federal property use tax return on Form 4638 by August 31, Thomas A. Carozza, IRS District Director in Michigan said today.

The tax year begins July 1, and runs through the following June 30.

The tax is \$25 plus 3½ cents for each pound of maximum certified take off weight for those weighing over 2,500 pounds.

IRS Publication 510, "Information on Excise Taxes for 1971," provides detailed information on this tax and may be obtained by dropping a post card to your District Director, Internal Revenue Service, Detroit, Michigan 48226.

## Cheerleading Clinics

Two cheerleading clinics will be held Monday and Tuesday, August 30 and 31 from 9:30-12:00 noon for all girls interested in trying out for high school cheerleading. Girls may attend either or both sessions. Additional practice sessions will be held the first week of school.

Registration will be at 9:30 a.m. at the high school gym. Girls should come dressed to participate.

The clinics are designed to help prepare girls for cheerleading tryouts which are scheduled for the first week of school. Techniques of cheers and gymnastics will be discussed and taught.

The clinics will be conducted by the Varsity advisor, Mrs. H. McMahon and JV and Freshman advisor, Miss P. Ehrob.

## Oldest State Fair

The biggest and most modern midway at any fair in the Midwest will provide fun and excitement for Michigan State Fair goers again this year, according to E. J. "Jeff" Keirns, State Fair general manager.

The 1971 Michigan State Fair runs for 17 days this year, from August 27th to September 12th. In its 122nd year, it is the oldest State Fair in the nation.

## Terminates Historic 67 Year Affiliation

"The Tuberculosis Society of Kent County will issue its own Christmas Seal this year," reported Robert F. Streelman, DDS, THE Society's President at a news conference held in the Society's headquarters at 822 Cherry, S.E.

The Board of Directors, culminating several years of concern over the elimination of grassroot TB-RD organizations and the increasing centralization of control over organizational administration and management voted unanimously along with county associations in Muskegon, Calhoun and Jackson Counties, not to negotiate a 1971-72 Christmas Seal contract with the Michigan and National TB-RD Associations.

"This action, according to policies of the state and national associations," reports Dr. Streelman, "terminates a 67 year affiliation of the local Tuberculosis Society with the national movement."

Recent changes in state and national TB-RD Association policies would in the best judgement of the local Society's Board of Directors "seriously damage present and future program goals of the organization in Kent County, necessitating elimination of all present "direct service" programs like the x-ray bus, tuberculin testing, and Emphysema Screening," stated Dr. Streelman.

As expected, the State Association has notified Kent County that it too, will mail Christmas Seals into the county. "This is unfortunate," says Dr. Streelman, "to subject local people to such duplication of solicitation, but the Kent County Society provides more than 130,000 persons with one or more individual services a year, thousands of abnormalities are discovered and people benefitted. What we have done is place the future of this organization and its program into the hands of Kent County people - trusting that what we have done for them in the past sixty-seven years will cause them to continue their support through the purchase of our own local seal." Dr. Streelman said, "At least now, 100% of all gifts will be used to provide broader and better services locally."

## Gerst Purchases Roth Mortuary

David Gerst, owner of O'Brien-Gerst Funeral Home on Cascade Road, S.E., announced acquisition of Roth Funeral Home at 305 N. Hudson Street in Lowell.

"The mortuary will be renamed Roth-Gerst Funeral Home under the new management," Gerst said.

A native of Traverse City, Gerst graduated from Wayne State University in 1954, and had been associated with the Harper-Mulligan Funeral Home in Detroit for the past 10 years.

The 40-year-old Gerst served in the Marines during the Korean War and attained the rank of sergeant. He and his wife, Joyce, and four children, Susan, David, Mark and Pamela, reside in the Forest Hills area.

### Named Manager

Herbert M. Reynolds has been named by Gerst as Managing Director of the Funeral Home.

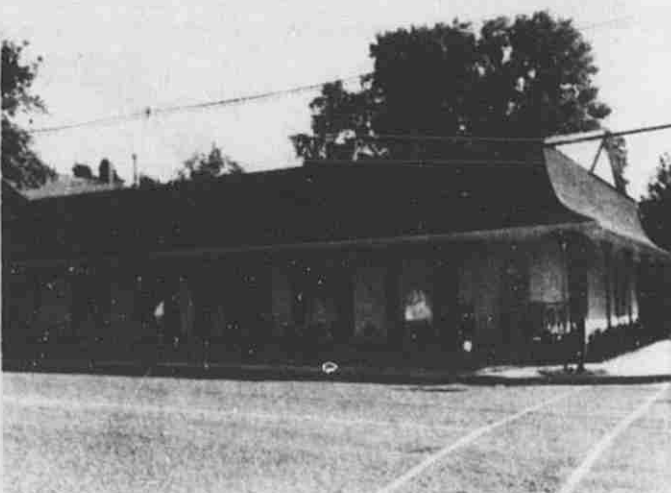

Reynolds, a native of Lowell, graduated from Lowell High School and attended the University of Minnesota where he graduated from the School of Mortuary Science.

After a 5-year tour in the Army, Reynolds purchased and directed his own Funeral Home for seventeen years in COLUMBIANVILLE, Michigan.

Reynolds and his family reside on North Hudson Street, Lowell.

Reynolds returned to Lowell and joined the Roth firm in 1963. Since that time, he has been active in civic affairs. He has been a member of the city Council, and is a member of the Lowell Methodist Church.

The funeral home was purchased from the J. Jerald Roth family following his untimely death in July of this year.

Roth-Gerst Funeral Home at 305 N. Hudson Street, Lowell.

Lowell Police officers were called to assist the Kent County Sheriff's Department at an accident on M-21, west of Lowell early Friday morning, August 20. Fatally injured was Roger DeYoung, 21, of Ada.

Witnesses stated that apparently DeYoung lost control of his car, which left the highway and sheared off a telephone pole. The car finally came to rest after rolling over several times.

The Kent County Medical Examiner stated DeYoung died of multiple head injuries.

## Civil Air Patrol Approaches Board

Three Civil Air Patrol officers approached the Forest Hills Board of Education at their regular meeting August 17, with a request to use the old Orchard View School House, located at 3 Mile and Leffingwell, for their youth program.

The program is aimed at youths from 13-18 years of age and involves education in aviation and leadership training.

The board heard the request and suggested to the officers that they canvas the community in order to determine whether the residents would object to such use of the building before they gave approval.

The School Board approved a \$2,400 underground electrical easement for the new Northern High School now under construction. The structure is tentatively scheduled to be completed September 1, 1972. It is hoped that the doors will open that same month.

The board also approved a \$10,000 expenditure for patching, paving, and widening of the Forest Hills School driveway complex, by Ken'l Pave Company of Cascade. Work on the drives will be completed before school starts.

In other action the board moved to support a pilot program for youthful offenders. The Kent County School System will receive \$70,000 to support the program, and Forest Hills is one of the five schools that have been selected to participate in the program.

In its general discussion the board announced the new teachers welcome will be 12:00, September 7, and that school will open the following morning, September 8.

## President Of Officer's Association

Sergeant James Hutson was elected to the presidency of the Lowell Police Officers' Association this week.

In his new capacity, Hutson will be assisted by the new vice-president, Steve Pace. Patrolman Mike Olson, who has rejoined the local force will hold the combined office of secretary-treasurer.

The Lowell Police Department, headed by Chief of Police Barry Emmons, elected the new slate of officers.

The Lowell Police Officers' Association is affiliated with the Police Officers' Association of Michigan.

## 'Gallumphry' Visits Alto.

Some 25 members of the Summer Reading Club of the Alto Public Library concluded their seasonal activities with a party last week. Helping them make the occasion extra special was the Kent County Library system's "Gallumphry." Besides the club members and their host librarian, Mrs. Evelyn Smith, forty were present for the afternoon's festivities.

On Alto's Main Street stands the Alto Public Library, adjacent to the Bowne Township Hall. In this jam-packed facility, you'll find a new selection of books to choose from, and something for everyone in the family. The librarian, Mrs. Evelyn Smith, this week issued a special invitation to all readers to utilize the library's facilities.

The Gallumphry is the figurhead of the Library's summer program for children. His visit to the Alto Public Library last week made a story-tale ending to their summer reading club.

## Births

### IT'S A GIRL

A darling daughter, Melani Lyn, was born on August 18 to Mr. and Mrs. Dan Nelson. The new arrival weighed eight pounds and six ounces.

### IT'S A BOY...

Specialist Four and Mrs. Charles Garber are happy to announce the birth of a son, Mathew Charles, born August 1st at the Grand Rapids Osteopathic Hospital.

The proud father is stationed in Viet Nam, but his mother, Nancy, is giving the little guy double attention.

Mr. and Mrs. Leroy Lundquist, nee Carol Free, of Lamont, became the proud parents of an eight pound baby boy, Erik Alan, on August 18 at Butterworth Hospital in Grand Rapids. Erik's grandparents are Mr. and Mrs. Dan Free of Ada and Mr. and Mrs. Clifford Lundquist of Custer.

Corp. and Mrs. Allan Mull, nee Patricia Miller, are the proud parents of a baby boy, Michael Allan, born at Butterworth Hospital. He arrived on August 16 and weighed eight pounds. Corp. Mull is stationed with the Marine Corps at Camp LeJeune, North Carolina. Mr. and Mrs. Glenn Miller, Jr., are the happy grandparents.

## Wedding Vows Spoken

MRS. FREDRICK J. OESCH

Wedding vows were spoken Saturday, August 7, by Miss Donna E. Thornberg and Fredrick J. Oesch, at the home of the groom.

Mr. and Mrs. Harry Thornburg of Belmont are the parents of the bride. The groom is the son of Mr. and Mrs. Joseph Oesch, 12877-84th Street, Alto.

Lace etched the empire bodice and the high neckline of the floor-length gown selected by the bride. A matching bow head-piece secured her veil of illusion.

Attending the bride were Miss Pam O'nderko of Belmont, maid of honor, and Miss Lois Thornburg, Belmont, bridesmaid. Steven Schutte of Alto was best man. Sam Oesch of Alto was the groomsmen. Ushering the guests were Lenard Brough of Clarksville and Steve Johnson of Kentwood.

Following the ceremony, two hundred guests attended the reception held in the Kettle Lake School.

Mr. and Mrs. Oesch will be at home at 12875-84th Street, Alto.

MARY JEAN VANLAAN

Mr. and Mrs. Earl VanLaan, 10248 Vergennes Street, Lowell, announce the engagement of their daughter, Mary Jean, to James Craig of Clarksville.

The parents of the prospective groom are Mr. and Mrs. Richard and Craig of 9415 Elm Dale Road, Clarksville.

Miss VanLaan and her fiance are planning a February wedding.

**Ocean Queen's Fittings Being Sold At Pantlind**

The "late" Queens of the Ocean, Queen Mary and Queen Elizabeth, two of the greatest ocean-going liners in history, are here in "parts" in the Pantlind Hotel of Grand Rapids. And they will continue to be here through Sunday, August 29th, on exhibit and for sale. The "parts" include the ship's fittings mounted on plaques, lamps, navigational equipment, clocks, crystal-ware with the crown commission markings, silver service, china-ware, lambswool blankets, and more.

Every piece is authenticated and every purchase is accompanied by a guarantee certificate. Most of the items are useful, like the cutlinks made from the gold and silver-plated buttons of ships officers clothing.

In essence, and reality, "nostalgia of the late 1920's and the 30's" is for sale to people in Western Michigan who have sailed the ocean upon these great liners, as well as to others who are interested in the history of these ships. Boating enthusiasts have purchased many of the items, since they have been offered for sale around the nation.

**FOREST HILLS ADOPTS FAMILY SIZE SCALE**

Assistant Superintendent Ray Price today announced a free and reduced price lunch policy for all Forest Hills school children unable to pay the full price.

Local school officials have adopted the following family size and income scale to assist them in determining eligibility.

Family size	State Scale	Total Family size	State Scale
2	\$2,220	8	\$6,125
3	2,900	9	6,700
4	3,595	10	7,225
5	4,290	11	7,740
6	4,920	12	8,260
	5,550		8,780

Families falling within these scales or those suffering from unusual circumstances or hardships are urged to apply for free or reduced price lunches for their children. They may do so by filing in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school.

Under the provisions of the policy the Assistant Superintendent, in charge of Personnel will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the local official he may make a request either orally or in writing for a hearing to appeal the decision. Superintendent Robert Masten whose address is 5900 Ada Drive, S.E. has been designated as the Hearing Officer. Hearing procedures are outlined in the policy.

The policy also provides that there will be no identification of or discrimination against any student unable to pay the full cost of a lunch.

A complete copy of the policy is on file in each school and in the office of the Assistant Superintendent where it may be reviewed by any interested patron.

**50TH OPEN HOUSE**

Open house is being planned for Mr. and Mrs. Martin Kooman, Sr. of 10448 Bailey Dr., Lowell, by their children in honor of their golden anniversary. It will be held September 4, 1971 from 2-5 p.m. at Grand Rapids Township Hall, 1836 East Beltline. The family requests no gifts.

**DROUGHT INJURES CORN**

Dry weather continues to be the greatest danger to the 1971 Michigan corn crop, even though most of the state had some rain during the past week.

According to scientists at the Michigan State University Crop Information Center, the general condition of Michigan's corn crop is spotty due to the moisture shortage.

In some isolated areas the drought is so bad that farmers are chopping their corn for livestock feed because there hasn't been enough moisture for the corn to mature properly. In other areas a bumper crop is expected.

Reports from individual counties throughout the state show a slow increase in amount of corn infected by corn leaf diseases. The total intensity of the infection remains slight, however, and the MSU scientists predict that these blights won't have a significant impact on corn yields this year.

On other corn problems, the Center reports that stalk rot infections remain slight and that the amount of Michigan corn infected by European corn borers remains stable at moderate levels.

The scientists continue to be optimistic, noting that three-quarters of the Michigan corn crop still has no, or very slight, blight infections.

# Lowell Area Schools

Lowell Ledger-Suburban Life, Thursday, August 26, 1971

## Official Back to School Information

### Bus Transportation

The school doors will be swinging open for Lowell Area School children on Tuesday, September 7. Superintendent of Schools, Leonard Sink, reports that a complete teaching staff will be ready to greet students for a full day of school.

Parents are urged to enroll new students as early as possible in the Principal's office of the building that their youngsters will be attending. All kindergarten and ninth grade students should have their required physical examinations before school starts. Physical cards may be picked up in the principal's office.

### NEW STARTING SCHEDULE

All bus students living on or south of the black line or darkened area indicated on the map of the Lowell Area School District, who attend school buildings in Lowell, will be starting classes at 8 a.m. Children attending St. Mary's School, Ada Christian School and Special Education schools, will also be coming in at this time. Children attending the Alto Elementary School, and all other students will be starting at 9 a.m. unless otherwise individually contacted by the building principal. Students attending St. Patrick's School will ride the late buses. All morning kindergartners start school at 9 a.m.; afternoon kindergartners, at noon. If you have any questions concerning bus routes and times, please contact Mr. or Mrs. John Vos at 897-9353.

### Bus Drivers

John Vos - Bus Supervisor; William Wright, Alice Mitchell, Doris Boyd, Ruth Webb, Winnie Onan, Pete Bencker, Barb Vos, John Green, George Dey, Doris Balcom, Dode Collins, Fred Bouck, Babe Wingeter, Jan Maris, Theda Herbit, Geraldine Nauta, Barbara Geelhood, Joan Green, Bill Purdy.

### Hot Lunch Program

Mrs. Marilyn Bovee, school hot lunch supervisor, has planned to start serving meals in the school cafeterias on Tuesday, September 7. Students may purchase hot lunches at the Runciman, Alto, Bushnell, and Senior High Schools. The cost of the hot lunch meal will be 30c for students in Grades 1 through 8; 35c for students in grades 9 through 12, and 50c for adults. For students carrying their lunches, milk will be sold. However, the price has not yet been determined. Students attending St. Mary's School are again invited to participate in the hot lunch program at the Bushnell School. Parents should pay special attention to the fact that many students will have only 30 minutes for lunch, and that length of time will not allow too many students time to walk home for lunch. Most students should plan to purchase or carry their lunches this school year.

This week's menu is:

WEEK OF SEPTEMBER 6, 1971

MONDAY - Labor Day

TUESDAY - Barbeques, Potato Chips & Pickles, Whole Kernel Corn, Red Jello & Cookies

WEDNESDAY - Goulash, Cabbage & Pineapple Salad, White Bread & Butter, Lemon Frosty Creme Dessert

THURSDAY - Brown Gravy & Pork, Oven Whipped Potatoes, Buttered Green Beans, Chilled Fruit Cup, Macaroni & Cheese, Hot Battered Diced Beets, Hillbilly Bread & Butter

11 - Sunday - Graduation 3 p.m.  
13 - Tuesday - Semester exams in morning (a.m.)  
14 - Wednesday - Semester exams in morning (p.m.)  
15 - Thursday - No School - Teacher Work Day

### Dress Code

The following philosophy concerning appropriate dress and grooming for school was developed as a result of a survey of high school students, junior high school students, both faculties, and a sample survey of registered voters.

The code was presented to the Board of Education and was accepted by them as the regulations that will regulate students' dress at Lowell Public Schools. This code will be enforced in the Junior High and Senior High Schools during the coming school year.

Appropriateness for appearance varies with the degree of formality of the activity in which a person participates. Students are at all times expected to dress in an acceptable manner. Normal school dress does not require "dress up" clothes; however, it is a formal organized activity and therefore is not the appropriate place for casual or "play clothes." A school is most prominently known by the students who make up the student body. Some guidelines that should be used would include:

- 1. Eccentricity of dress should be avoided;
- 2. Blue jeans and shorts are not appropriate for girls. Dress slacks or pant suits are now included in desirable wear. The most important considerations should be modesty and neatness; skirts must contain enough flair to distinguish them from shorts.
- 3. Inappropriately lettered jerseys, extremely tight trousers, and shorts are not appropriate dress for boys;
- 4. Shirts and blouses with tails must be tucked in. Boys are to keep their shirts buttoned to within one button of the collar.
- 5. Coats, jackets and military fatigues should not be worn to class or to assemblies. When the classroom is chilly, the teacher may grant permission to wear a coat.
- 6. Hair is to be kept neat and clean at all times. Boys' hair that falls over the ears, eyebrows, or collar is not acceptable. (The students proposed allowing hair to the center of the ear - a difficult line.) Girls' bangs must clear the eyebrows.
- 7. Boys are to have clean shaven faces. Sideburns are to be kept neatly trimmed.

General behavior, of which good grooming and dress are important parts, is an important part of the total education provided by the home, the school, and the community. To expedite the code, the Principal or Assistant Principal shall make any necessary interpretations.

### High School Students

All students will have their schedules mailed to them during the week of August 23, 1971. Students will report directly to their assigned classes. On the first day of school, assemblies will be held for each grade level in the auditorium.

### Adopt Family Scale

The Lowell Area Schools Board of Education today announced a free and reduced price lunch policy for the Lowell Area School children unable to pay the full price. Local school officials have adopted the following family size and income scale to assist them in determining eligibility.

Total Family Size	Free Scale	Reduced Price Scale
1	\$2,040	\$2,220
2	2,670	2,900
3	3,310	3,595
4	3,940	4,280
5	4,530	4,920
6	5,110	5,550
7	5,640	6,125
8	6,170	6,700
9	6,650	7,225
10	7,120	7,740
11	7,600	8,260
12	8,080	8,780

Families falling within these scales or those suffering from unusual circumstances or hardships are urged to apply for free or reduced price lunches for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year. The form itself is simple to complete and requests information needed to determine economic need based on the income and number of persons in the family and any unusual circumstances or hardships which affect the family's ability to pay for school lunches. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

Under the provisions of the policy, the Hot Lunch Supervisor or will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the local official, he may make a request either orally or in writing for a hearing to appeal the decision. Superintendent of Schools, Leonard Sink, 700 Elizabeth Street, Lowell, has been designated as the Hearing Official. Hearing procedures are outlined in the policy.

The policy also provides that there will be no identification of or discrimination against any student unable to pay the full cost of a lunch.

A complete copy of the policy is on file in each school and in the office of the Superintendent of Schools and the Hot Lunch Supervisor where it may be reviewed by any interested person.

## DRIVE WITH CARE SCHOOL'S OPEN

### Board Of Education

### Debra McGregor Weds

MRS. DOUGLAS J. GABRICK

The marriage of Miss Debra Lynn McGregor and Douglas James Gabrick was solemnized Friday, August 20, in a ceremony performed by the bride's uncle, the Rev. C. E. Keegstra of Cleveland, Ohio, in Bethel Christian Reformed Church, Grand Rapids. Parents of the couple are Mr. and Mrs. Donald Delbert McGregor of Boynton, S.E. Lowell, and Mr. and Mrs. Joseph Gabrick, jr., Quincy Street, Grand Rapids. The bride chose a gown of pure silk organza with Alencon lace on English net fashioning the bodice, short sleeves and high neckline. A cap of Alencon lace secured her hair. Maid of honor was Miss Pamela Ann McGregor of Grand Rapids. Bridesmaids were the Misses Sherri Beth McGregor of Lowell and Miss Joyce Drog of Jenison. Donelle Haglund of Grand Rapids was flower girl. William Balk was best man. Seating the guests were Roger Gabrick and Harold Fisher, jr., both of Grand Rapids. Darryl McGregor and Brian Gabrick were junior ushers. Paul Kibler, jr., was ringbearer. Kimberly Sue McGregor, sister of the bride and Dawn Marie McGregor, cousin of the bride, greeted the guests at the reception. Master and Mistress of ceremonies was Mr. and Mrs. J. McGregor. Opening the gifts were Miss Sandra Cimock and Miss Jo-Anne Krynianik. The reception was held in the Continental Room of Adrian's Ramona Terrace. The couple left for Myrtle Beach, South Carolina, for a two week honeymoon. They will reside in Grand Rapids.

### Our Men In Service

**CHARLES A. DEURLIO**  
Navy Petty Officer Second Class Charles A. Deurlio, son of Mr. and Mrs. Charles A. Deurlio of 3021 Thornapple River Dr., S.E., Grand Rapids, has returned to his homeport of Long Beach, California, after a six month deployment to the Western Pacific. His ship served as Positive Identification Radar Advisory Zone (PIRAZ) control ship in the Gulf of Tonkin and performed search and rescue missions in the Taiwan Straits. During the cruise he visited Subic Bay in the Philippines, Perth, Australia and Hawaii.

**DONALD DUNSTAN**  
Navy Chief Petty Officer Donald L. Dunstan, husband of the former Miss Clairene L. Shaver of Route 1, Alto, participated in a Naval Reservist training cruise with Reserve Air Group 80 aboard the anti-submarine aircraft carrier USS Ticonderoga in the Pacific. His squadron is the first reserve aircraft squadron to conduct active duty training exercises aboard a fleet carrier. Seven operational squadrons from New Orleans, Seattle, San Diego and Alameda, California, plus accompanying support units, comprised the 900-man, 45-plane air group.

**ALLEN CONNER**  
PFC Allen L. Conner, son of Mr. and Mrs. Hugo Conner of 10273 Richmond Road, Belding, is stationed in Viet Nam where he is a mechanics helper. His wife is the former Virginia Miller. He is a 1969 graduate of Lowell High School. His address is: PFC Allen L. Conner, 374-54-2150, TRP B 7/17 CA, APO San Francisco 96494. Any letters he receives will be appreciated.

**DENNIS E. BRINK**  
Retired M/Sgt. Dennis E. Brink is in the V. A. Hospital at Battle Creek, Michigan, undergoing treatment and observation. While being hospitalized, his address will be Retired M/Sgt. Dennis E. Brink, c/o Building 82, Room 208, V. A. Hospital, Battle Creek, Michigan, 49016.

JAY DAVIES  
Marine First Lieutenant Jay H. Davies, son of Mr. and Mrs. John H. Davies of 256 Greenbriar Drive, S.E., and husband of the former Margaret A. Sill of 1310 Hillburn N.W., all of Grand Rapids, has reported for duty with the Third Marine Division Okinawa.

### 25TH OPEN HOUSE

Mr. and Mrs. Richard Molenkamp, CutterParkway Drive, S.E. will celebrate their 25th wedding anniversary with an open house on Sunday, August 29. Twenty-two of their married years have been spent on CutterParkway Drive. The Molenkamps have three daughters, Mrs. Greg (Jill) Bacon, Joy and Janna. All friends and relatives are cordially invited to attend the open house which will be held from 2 to 5 p.m. and 9 to 11 p.m.

PEDESTRIANS - BE ALERT IN PARKING AREAS

Holly Magaree, of South High, Cleveland, Ohio, reminds the pedestrian through this prize winning entry in the AAA School Traffic Safety Poster Contest that there are dangers lurking in low-speed parking areas. This is one area where pedestrians and drivers must be alert; the small pedestrian walks deliberately, alert for cars backing out of parking spaces and for drivers who may not be on the alert for pedestrians.

Lowell Ledger-Suburban Life, Thursday, August 26, 1971

## A BIG SLICE OF YOUR DOLLAR

goes to make some community more prosperous

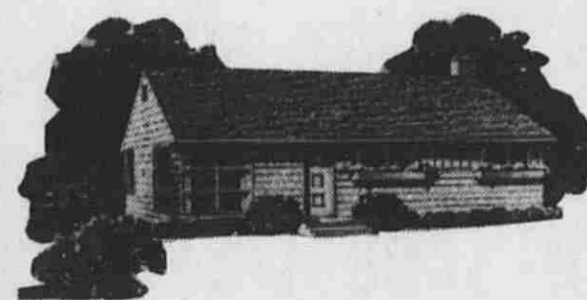

*yours . . . or the other fellow's*

An average of more than 40% of the dollar you spend stays in the town where it's spent . . . to support schools, furnish fire and police protection, put down paving . . . to pay the folks who work for you . . . to support churches and charities . . . to be invested in more kinds of merchandise for your selection and convenience . . . to improve service facilities . . . and to support all of the other things that promote prosperity, growth and better living in a community.

**Make your dollars build your community...not somebody else's**

*It Pays to Buy where You Live*

These Twelve Business Establishments Are Genuinely Interested in the Future of This Community and in your Welfare—TRADE AT HOME WHERE YOUR MONEY BENEFITS YOU!

Ralph Jackson 642-9974  
Marian Bohnes 451-4644

Let Us Sell Your Home,  
Farm, Cottage, Commercial  
Property, Or Business

Do you bring home everything you've paid for?

It's a good question. Which you can answer "yes" — if you always buy from the business people right here at home. Where you live.

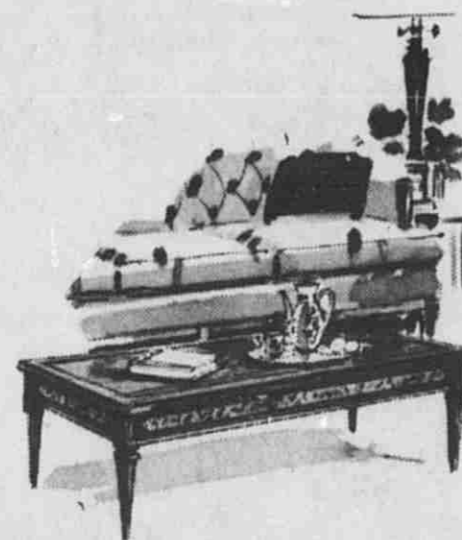

Wherever you buy, part of your money goes to build and to keep up the community in which you spend. To support schools, churches, civic projects, to pay the people who work in that community, and to provide better business and job opportunities for those who live here.

When you buy in YOUR OWN town, you get about the same merchandise you'd get anywhere else — PLUS the enjoyment of these other things that your money pays for.

When you buy anywhere else, you get merchandise ONLY. And your home community is a little poorer because you carried off part of its resources. And the many things other than goods that your money pays for are left for somebody else to enjoy, while they wait for you to return and hand them some more.

the Sharp Trader

buys at better than wholesale . . . because he buys where his bread is buttered

When you BUY in the community you LIVE in, you know that every cent you pay for goods and services above wholesale cost stays here at home with you. By staying here, it can get around to buying MORE good things for you and your family.

It's trading material . . . and TRADE ALONE builds communities with better opportunities, better schools, better churches, better neighbors.

Any ONE of these advantages could bring you returns beyond measure in a BETTER LIFE, as well as real CASH returns in the form of increased business, improved property values, a better job, more people to help you carry the load of normal community expenses.

That's how the SHARP TRADER gets BETTER than wholesale values.

# "On The Hook"

by Steve Harrington

## Charter Boats

Lately, fishing in local lakes and streams has been poor. There is one method of fishing, however, that is booming. It's called charter boat fishing.

With the advent of the salmon and the comeback of lake trout, people from all over the state have been heading out to the Great Lakes. Contrary to what most people believe, you don't need to own a large boat to fish the Great Lakes. Many charter services are available to supply the fishermen or even non-fishermen, with fish and a good time.

To charter a boat you can check with larger sport shops, or with the Michigan Charter Association. For the \$5 to \$10 per hour per man, the charter boat operator provides the customer with many comforts. The operator usually provides the lunch and beverages, all necessary fishing equipment, electronic fish finders, knowledge of where and how to catch fish, and a large and well-equipped boat.

The customer's responsibilities are also very important. He is completely responsible for suitable clothing (operator may provide advice), and most important, his behavior. Alcoholic beverages are almost always present. Those who don't know the limit wreck the outing for everyone. A charter boat operator knows his business. It is a good idea to follow his advice. Those who think they "know-it-all" or try to impress others may cause an accident. Fishing equipment is expensive, failure to follow the operator's instructions may prove costly. If the customer behaves like a gentleman and a sportsman he is sure to have a good time.

A charter boat will usually stay out 4 to 6 hours. In the morning they usually leave dock by six or seven o'clock, and return by noon. The best time to charter a boat is when the schools of fish can be found easily. Currently they are off the Whitehall and Muskegon area, Ludington, Manistee and Traverse Bay.

Very few charter boats guarantee fish, but with the proper equipment, and "know-how," fish will more than likely be caught. It may be expensive but it is great as a vacation treat, or just for something fun and unusual to do.

## Arrows In Huddle. . .

# FOOTBALL: An Obsession

As the days are becoming shorter and fall is just around the corner a young man's fancy turns to football.

Coach Al Rowe called his Red Arrows into the huddle Monday, August 23, to begin what promises to be a great season. Rowe's Red Arrows are returning from a 5 win, 3 loss and 1 tie season of last year. Their Tri-River record of last year was three wins and two losses.

Monday's call brought 70 Varsity and Junior football players out for a full week of conditioning including reaction and agility drills. Last year's 26 Varsity players was seven below this year's turn out of 33 players. This week's conditioning schedule will include morning and afternoon sessions.

Assisting Coach Rowe will be Assistant Varsity Coach Dick Brennan; Reserve Coach, Chuck Brostrom; Freshman Coaches, Mike Clark and Zolton Kocsandy.

Returning lettermen for the Arrows include Dave Yeiter, John Brower, Ed Steffens, Doug Ford, Bernie Harden, Dan Hendrick, Perry Beachum, Mack Truax, Tom Wernet, Dave Wisner, Joe Rinard, Pat Herlet, Dave Avery, Mark Billock, Paul Klifman and Chris Kropf.

During the coming weeks the following young men will be competing for these positions:

Center: Perry Beachum; Guards: Dave Yeiter, John Brower; Tackles: Paul Klifman, Dave Wisner; Ends: Ed Steffens, Joe Rinard, Tom Wernet, Jim Bovee and Dave Rittersdorf; Quarterbacks: Chris Kropf, Jeff Pierce; Halfbacks: Bernie Harden, Pat Herlet, Mack Truax; Line Backers: Doug Ford, Dan Hendrick, Kraig Haybarker, Tom Martinez; Fullbacks: Mark Billock, Dave Avery, Jim Gauger.

Three outstanding prospects include Rick Thompson, John Curtis, Kirk Craig who will be working hard for that starting line-up.

The Red Arrows will open their season at home opposing a tough Ionia Team September 17.

As this writer contemplates over the Red Arrows games of last season, memory returns me to the opening day sessions of the great and immortal Vince Lombardi's training camps. His opening statement "Hard Work, driving ambition and a little luck are all you need to be a winner."

## Freshmen Football

All Iowell Area School freshmen interested in playing football should report to the Field House on Thursday morning, August 26, at 10 a.m.

Bring gym shorts, socks, tennis shoes, and be ready for practice.

## Cross-Country

All candidates for Cross-Country competition in the Lowell Area Schools are to report to the high school parking lot at 10 a.m. on Wednesday, September 1.

This will be the first initial gathering of the Cross-Country squad in preparation for the 1971-72 season.

## Scott Scores Seven

Seven goals in a polo match is "unusual," but that's what the spectators witnessed Sunday afternoon at the Kentree Polo grounds, in the charity match that benefited Goodwill Industries.

A member of the Kentree team, Scott McIntyre, was the lucky hitter, as he aimed his mallet to the goal line for seven big ones, to lead his team to a 9-7 victory over the Taos Farm riders.

John Bissell added two goals to the winner's total with Gene Gilmore and Dick Cooper taking two each, along with a two point handicap, for the losers.

Mrs. Wilma McIntyre, Scott's mother, made the coveted Director's Cup presentation to the victors. All proceeds from Sunday's match went to the Goodwill Industries.

This Sunday, there will be no action on the Kentree field, as the local teams will be visiting Barrington, Illinois, where they will compete in a return match.

## Clarksville's Dirt Oval Opens Friday

Steve Clarke, owner of Clarkes' Motor Speedway, near Clarksville, announced this week that his new dirt track auto racing facility will open this Friday night, August 28.

Clarke, who announced plans for the racing plant last December, had hoped of having the facility ready in April, but decided to delay the opening until the facility was completely finished.

The track, which includes half and quarter-mile dirt ovals, is located just south of I-96 and west of Jordan Lake Road. Clarke said the track will be open for drivers' practice at noon, with the first race at 8 p.m.

The new facility includes a seating capacity for 5,500 fans in permanent grandstands.

With a \$3,000 guaranteed purse, drivers from throughout the state will be on hand to provide race fans with an evening of the most exciting racing to be found on any track in the area.

The racing program will feature the super stocks on the ½ mile dirt oval, with the hobby stocks performing on the small track.

Friday's opener at Clarkes' Motor Speedway will mark the return of dirt track racing to the Lansing-Grand Rapids area.

## Lowell Creeps Within Half Game Margin

Pewamo maintains its one game edge over Ionia in the Southern division of the Tri County baseball league as it overcame a five-run deficit and bounced Portland 8-5 August 15, in Pewamo.

The winners scored four times in the eighth inning with Dick Fox delivering a bases loaded single to earn the pitching verdict for Bill Werner. Roger Trierweiler banged out a home run for the losers as John Bengel paced Pewamo's attack with three hits.

In the Northern division, leader Sidney split a pair of games to maintain its edge over Lowell. On August 14, Sidney downed Portland 7-4 behind the pitching of Randy Pritchard. Steve VanHoose banged out three hits, including a three run home run in the third, to pace Sidney, while Russ Lenneman and Roger Trierweiler rapped round trippers for Portland as Sandborn suffered the defeat.

Sunday Ionia bombed Sidney 12-2 in seven innings as Paul Matthews hurled a four hitter and losing pitcher Herb Loveless was roughed up for 13 safeties, including three hits by Greg Wilson and a home run by Bob Baker.

In other action Hubbardston downed Lakeview 6-3 and Vermontville dropped Sheridan 9-3. Ken Maher picked up the win for Hubbardston as Dan Fenn and Dave Layle collected two hits each off losing pitcher R. Wheeler. Mark Lake collected three singles to back up Randy Hummel's 14 strike out performance in Vermontville's victory, while Parks suffered the loss.

Lowell crept within a half game of Sidney in the Northern division with an 11-10 win over Belding.

	Northern		Southern	
Sidney	8	3	Pewamo	9
LOWELL	8	4	Ionia	8
Lakeview	5	7	Portland	6

Practicing for the AIB Golf Outing Event to be held August 28, at Saskatoon Golf Club are left to right, Sue Korzikas of Michigan National Bank; Bruce Everts, AIB Treasurer of Central Bank; Sue Germeraad of Old Kent Bank and Trust Company; and AIB President, Ray Kalinowski of Union Bank and Trust Company.

# GOLF

Bankers With A Different Swing

The men of the Grand Rapids Chapter of the American Institute of Banking have added a little spice and challenge to their annual golf outing. The Lib has broken the Golf Stag. Women are competitively invited.

The AIB, represented by local bank members, plan their outing on August 28, 1971 at Saskatoon Golf Club of Caledonia, Michigan, and first tee-off of the eighteen hole event is at noon.

The golf outing is under the chairmanship of AIB Second Vice President, Mickey Dyer. AIB Board Members serving on the Golf Committee are Earl Bolks, Ken Pierce, Tom Kinney, and Phil St. John.

The Moose District Golf Tournament will be held this Sunday, August 29, at the Chase H Hammond Municipal Golf Course at Muskegon, Michigan.

Tee off time will be 10 a.m., rain or shine. Other Moose golf matches includes a Scramble at the Arrowhead Golf Course on September 12 and eighteen holes at Riverbend, Hastings, on September 26.

Arrowhead golf course was the scene Sunday of the West Michigan Best-Ball Golf Association's seventh 18-hole tournament of the 1971 season.

Shooting three under par, the team of Dick Thome and Joe Tuplio won the tournament with a blistering 68.

A two-way tie for second place with one over par 72 were the teams of Ike DePotter and Dale Wisner, and Frank Skestone, sr., and Chuck Kelley.

The second annual Calvin Alumni Best Ball Golf Tournament will be held on Wednesday, September 22, at the Saskatoon Golf Club with starting times from 12 to 2 p.m. Two flights. Call the Physical Education Office of Calvin College, 949-4000, ext. 386, for starting times. Entry deadline is September 17.
