W. C. T. U. 'For God and Home and Native Land.' We the undersigned, for our own good, and the good of the world in which we live, do hereby promise and engage, with the help of Almighty God, to abstain from buying, selling, or using Alcoholic or Malt Beverages, Wine and Cider included.

Some of the mistakes we make: By we in this article I mean the temperance workers: not all of them I am glad to say. First there is a large class of men who may be termed middle men; men who are not in the advanced rank of temperance workers, yet who are above the whiskey rig and hate it.

Again, we trust too much to our organizations and do not make enough individual effort. We are in too much of a hurry. We want results immediately, forgetting it is God's work and that we are only workers. God is the motive power; to Him we appeal. Let us carry on this enterprise in the spirit of that good old reformer, Nehemiah, who prayed while he worked.

Another mistake we make is in removing the responsibility from the drunkard. We lay the blame upon the seller, while the fact is the drunkard is himself a criminal and deserves not only censure but punishment. The fact that a man is tempted is no excuse for doing wrong. Intemperance is the one great sin of our times, and surely the drinker is one of parties involved in the sin.

Again, we make a mistake in not enforcing the laws we have while we are laboring to secure prohibition. We all know that if liquors were not sold to minors, nor drunkards, nor on Sundays, we would not have one saloon where we now have five. The business of selling liquor to good temperance people would not be very profitable. Our boys are ruined before they are of a legal age to purchase liquor, yet parents sit quietly down while their sons nightly visit these haunts because they dread to expose them before the law.

Yes, we do make mistakes, but through them all God is leading us to sure and speedy victory. 'One very effectual kind of prohibition is steadily gaining. Corporations, proprietors and superintendents, are making it imperative that their employees shall abstain from intoxicants. They do it, of course, purely on business grounds but it is none the less effectual because it is a matter of interest. In this case, what is for the highest interest of the employer is equally so for the employed. The principle admits of extensive application, and we hope every one who has the ability to enforce it, will wheel into line.'

ADA'S BUDGET. Clara B. Waldron, of Palo, Iowa Co., has commenced a four months term of school in the Ward district. Charles Skellenger, collector for an Ohio agricultural implement firm, is at home. Mr. S. talks of moving his family to Traverse City.

Misses Mattie Carter and Sate Bunce, of Lowell, spent last Sabbath with Ada friends. The Ladies Bee Society met at the residence of Mrs. Stephen LaBarge Wednesday, March 13. A goodly number were present and a very pleasant time was enjoyed by all.

SO, BOSTON BREEZES. G. L. Steward's little girl, who has been dangerously sick was reported better on Sunday. Mr. Walker did not put in an appearance at the Lyceum and Mr. Fogg of Lansing, who came to fill Mr. Stowe's appointment, was invited to state his views in regard to free trade, which he kindly consented to do, occupying about two hours, controlling the attention of the audience until the last, by his eloquence, gestures, &c. but some of his statements reminded us of one made by a free trade speaker to a laboring man who sat in the audience which he was addressing, viz: 'My friend, the cloth in the shirt which you are now wearing costs you six cents more a yard than it would if there was no tariff upon it,' and the laboring man answered him saying that he was not much of a scholar and did not know how he figured it, for it only cost him five cents a yard now.

The Grange will have warm sugar at the hall in the near future. Miss Jessie Hooker teaches this summer in the N. B. District. GRANT GOSSIP. Mr. W. R. Mason is having quite a serious time with rheumatism. Thomas Donovan who has been confined to the house for the last six weeks with inflammatory rheumatism, is slowly improving.

South Grattan feels quite poor at this writing, having lost one of its fairest daughters March 13. Married, by Rev. D. L. Eaton, at the residence of the bride's parents, Mr. and Mrs. Orrin Trumbull, Mr. George Elsbey, of Oakfield to Miss Cassie Trumbull. The happy couple have the best wishes of their many friends at this place. If Cassie has done as well as George we are satisfied.

Mr. and Mrs. Ed. Clark returned to their home Friday night after a visit to friends in Lake County. The Misses Ivy and Myrtle Slayton, of Whitehall, are visiting relatives and friends about this place. Report has just reached us that Mrs. H. B. Ford is quite ill. WILD ROSE.

ALTON ATOMS. A large crowd attended the lyceum Saturday night. The debate was a very spirited one and lasted till twelve o'clock, and ended with a victory for PROTECTION. The society adjourned to the second Saturday in Nov. next. Phillip Jones, over 80 years old, is very ill but is better than he was a week ago. There will be a church social Wednesday evening at the residence of Dr. Ford.

Mr. S. Trumbull, of Marion, N. Y., who has been visiting his brother, Orin Trumbull, and other relatives for a few weeks, starts for his home to day. Cass and Frank Trumbull, of Evert, are visiting their father and brother. Cass is a successful lawyer. It is time to begin to think about town meeting, but this town is so one-sided that it will do the Republicans no good to think or act, only to show their good will.

GRATTAN GATHERINGS. Mr. and Mrs. H. A. Barrett of Lowell visited their children and old time neighbors here last week. Mrs. Seymour Pratt of Saranac has been spending a few days with home friends. H. Lessiter sold the shorthorn cow, 'Fanne', with a young calf at her side to C. Youngs of Cannon. Henry Mooney aged 16 yrs had the misfortune to fracture one of his limbs March 8. Both bones were broken, and his limb is said to be in a bad condition. O. I. Watkins has returned from Luther, and filled his place as Master of Grattan Grange the 18th. W. R. Mason is having a serious time with the rheumatism, and several of our citizens are on the sick list.

Two daughters of A. W. Slayton, a former resident here, are visiting relatives in South Grattan. They are both graduates. March 13, Miss Cassie Trumbull of South Grattan, became Mrs. George Elsbey. The happy groom is a resident of Oakfield, the bride a musician and alto together charming. May the new field be a delightful one, and its duties never out of tune. A large and well ordered farewell surprise party was given Mr. and Mrs. Ed. Stocking March 11, evening at Madison's Hall, as Mr. S. with several others start for their Dakota homes March 17. The party came equipped with supper, and music for dancing. A miniature imitation sod shanty had been prepared by

For Free Trade. ALBION, March 18, 1884. Friend Hine of the Journal:—Though we have spent the last five months very pleasantly, as there is good society and school here; and my health has been better than for the past two winters, yet I would like to drop into your sanctum, and chat a few moments and shake hands with the boys and friends in Lowell. The JOURNAL comes to us, an old friend, and after having read N. A. Dunning's letter, in the JOURNAL, on the Tariff Question, I want to say a few words:

I think I have been true to the republican party, since its organization, and have stood by it with ballot and musket against all its enemies and yet I am not blind to its mistakes and bad legislation, on certain points. I fail to see any necessity for a protective tariff. And when republicans and republican papers attempt to mislead farmers to believe tariff is beneficial to them I take exceptions.

If there are any productions of the farm interest protected by tariff, excepting wool and small amount of sugar manufactured, farmers wish to know it. I have been a farmer for a good many years and know something about it. Put wool on the free list and farmers would not lose a cent in a year, on wool, while at the same time all that enters into the clothing must be correspondingly cheaper. Take the tariff off from lumber and nails and we can build cheaper. If our salt tariff is taken off, that costs us less. We have to sell our wheat and other grain, pork and beef, on the market of the world and cannot be protected by tariff. You tell me it will cut down the price of labor. Today and for years past; the manufacturers, even lumbermen, have paid so high it has been impossible for farmers to keep a good class class of help on their farms even after paying them more than they could earn. We have felt this very severely and yet so long as these prices were necessary to put our farms on a sound basis we were willing to bear the burden. I have yet to learn that this nation cannot compete with England or any other nation in manufacturing. Farmers want a fair show, that is all they ask.

S. E. HULL. Temperance Talk. The 'union' movement lately inaugurated in this state by the greenback managers is the most complete farce ever played upon the prohibitionists. It was got up solely for the purpose of aiding in the defeat of the only party that ever really helped the prohibition movement—the republican. The address to Michigan republicans is a tissue of lies from first to last. The writer knows what it costs to be a temperance man; he has paid dearly for his education; has been a temperance politician for over 40 years and is fully cognizant of where the support of that great principle comes from, and while we know that some men in all political parties are true to the principle, yet we never knew the democratic or greenback party to furnish any great amount of voting strength—Manistiquie Pioneer.

AN EXTRAORDINARY OFFER! To All Wanting Employment. We want Live Energetic and Capable Agents in every county in the United States and Canada, to sell a patent article of great merit, on its merits. An article having a large and paying market, and on which the agent is protected in the exclusive sale by a deed given for each and every county he may secure from us. With all these advantages our agents, and the fact that it is an article that can be sold to every household, it might not be necessary to make an 'Extraordinary Offer' to secure good agents at once, but we have concluded to make it to show, not only our confidence in the merits of our invention, but in its saleability by any agent that will handle it with energy. Our agents now at work are making from \$150 to \$500 a month clear, and this fact makes it safe for us to make our offer to all who are out of employment. Any agent that will give our business a thirty day trial and fail to clear at least \$100 in this time above all expenses, can return all goods unsold to us and we will refund the money paid for them. Any agent or General Agent who would like ten or more counties and work them through sub-agents for 90 days, and fail to clear at least \$750 above all expenses, can return all unsold and get their money back. No other employer of agents ever dared to make such offers, nor would we if we did not know that we have agents now making more than double the amount we guaranteed, and that but two sales a day would give a profit of over \$125 a month, and that one of our agents took 18 orders in one day. Our large descriptive circulars explain our offer fully, and these we wish to send to every one out of employment who will send us three one cent stamps for postage. Send at once and secure the agency in time for the boom, and go to work on the terms named in our extraordinary offer. We would like to have the address of all the agents, sewing machine solicitors and carpenters in th country, and ask any reader of this paper who reads this offer, to send us at once the name and address of all such they know. Address at once, as this advertisement will not appear again, and you will lose the best chance ever offered to those out of employment to make money.
