Mrs. Blakeslee and Miss Ella McConnell are regaining, although slowly.  
Mr. Bert Houghton has returned from Kansas. We hope he will conclude to ask some Michigan girl to share with him that little white cottage, round the corner and settle down to be Morse Lake's especially guardian.  
Mr. Hillis is doing some fine decorative work for Mrs. Houghton.  
There was a school exhibition at Mapes schoolhouse last Saturday evening. Although the evening was very stormy, the house was crowded, and the program was well executed.  
The ladies of the W. C. T. U. met at the residence of Mrs. L. H. Merriman March 10 for a farewell visit and presented her with a large gilt framed oil painting. On the 6th the Champions met there and presented her with a copy of Will Carletons poems, and on the 13th the Band of Hope met there and presented her with a majolica fruit dish.

Orin Purdy and family are about to remove to Belding.  
There is still much sickness in town. Mr. and Mrs. Wm. Hillman of Erley have been visiting old time friends in Grattan.

"Maud is enjoying a visit with Greenville friends, among whom are Mrs. L. K. Alger, Mrs. DeBree, Mrs. L. Hnson, Mrs. Hunter, and Mrs. J. Coleman, and families, the latter being from Grattan. She also had the pleasure of meeting Miss Berta Ford of Cedar Springs and Miss Cynthia Spencer of Smyrna, at the home of Miss Belle Hansen.  
The sad tidings of the sudden and most unexpected death of Mrs. Wm. L. Moore, of Oakfield, gave sorrow to many friends here. Mrs. Moore, after doing her usual work March 19, dropped dead, her only warning being pain in the head, and her only words: "Oh! my head, it will burst open." Her family—husband, two sons, and two daughters were soon at her side thinking her in a fainting spell, but death was immediate. The deceased was 53 years of age, 31 of which she passed in Oakfield, having a host of friends. Rev. G. W. Bisby was chosen to conduct the funeral services Sabbath afternoon, when this beloved mother was laid to rest. MATD.

Mr. Hoag had one ankle badly bruised and his side was hurt badly, but fortunately no bones were broken. The team ran about four miles, when it was caught. One of the horses was badly bruised and cut up.

### LIMEKILN CLUB.

Why Brother Gardner Formally Expelled Prof. Trespass Johnson.  
"I can't see dat Prof. Trespass Johnson in de hall to-night," said Brother Gardner, as he looked up and down. "De fact am, I didn't zaetly 'speer he would be. Sartin events hec occurred to render his absence a necessity. De Sekretary will turn to his name on de roll an' scratch it off, and write across it in red ink de word 'expelled.'"  
When the Secretary had carried out the request the President continued: "Up to a yar ago Prof. Johnson was an active, respected member of dis club. He was not only a worker in our cause, but he was industrious as a man. If he couldn't get work at a dollar an' a half a day he got it for a dollar. If he couldn't hev roast duck for Sunday he put up wid a beef-bone soup. His family had plenty to eat an' he had de cash ready for his landlord."  
"Just about twelve months back some white man told de Professor dat he had just as good a right to a pianer, gold watch an' span of horses as a rich man. He was told dat de aristocracy war coinin' money out of his labor. He was made to believe dat de pusson who wouldn't pay two dollars to hev a kitchen ceiling whitewashed was an oppressor. It was ponded into him dat, if he sot on de fence all summer an' talked agin de blue blood of dis kentry, somebody would furnish him roast turkey all winter.  
"Many of you saw how he was affected. He begun to hate honest work. His mouf began to grow bigger. While his cloze growed seedy his importance increased daily. When his wool pile grew low he cursed Vanderhill. When his flour bar'l was empty he reviled Jay Gould. When his children becom ragged he ripped at capital. When his wife becom bar'f'ut he swore at de aristocracy. When his landlord bounded him for non-payment of rent he howled an' raved about oppressors an' tyrants.  
"De climax cum las' nite. I heard dat he had bin boasin' dat de rich must divide wid him, an' I concluded to watch my hen coop. About 'leben o'clock de Professor showed up. I had twenty-two choice hens. He had none. He was gwine to divide wid me an' take 'leben. My frons, I can't zaetly describe what happened arter I got my paws on him, but I know he went away empty-handed, limpin', sore an' in de hands of an officer. He am no longer a member of dis club. If dar' am any odder member wid socialistic ideas now would be a good time for him to make a grab for his hat an' back down sta's."—Detroit Free Press.

Successful experiments have been made in joining and restoring the functions of divided nerves, even nerves of different function being used to repair nerves partially destroyed. It is thought that even sight and hearing may be restored, after injury to the nerves on which they depend, by bringing other nerves into service by artificial union.  
Physicians Have Found out That a contaminating foreign element in the blood, developed by indigestion, is the cause of rheumatism. This settles upon the sensitive sub-cutaneous covering of the muscles and ligaments of the joints, causing constant and shifting pain, and aggregating as a calcareous, chalky deposit, which produces stiffness and distortion of the joints. No fact, which experience has demonstrated in regard to Hostetter's Stomach Bitters, has stronger evidence to support than this, namely, that this medicine of comprehensive uses checks the formidable and atrocious disease, nor is it less positively established that it is preferable to the poisons often used to arrest the disease, as it contains only salutary ingredients. It is also a signal remedy for malarial fever, constipation, debility, indigestion, and bladder ailments, and all other disorders. See that you get the genuine.

"The Tourist Season."  
With the constantly increasing facilities and conveniences for travel, the so-called "tourist season" is rapidly becoming a thing of the past, and travel for pleasure or health will soon cease to be generally confined to particular months of the year. Especially is this true since desirable winter resorts have been developed by the provision of necessary conveniences and accessories to localities whose natural attractions of climate and scenery are calculated to invigorate both the body and mind. Prominent among such are the resorts of Southern California and Mexico. They are reached by through trains over the Burlington Route, C., B. & Q. R. R., from Chicago or Peoria, to either Atchison or Kansas City, where connection is made with the southern routes for Mexico or California. If, however, business or pleasure dictates a visit to San Francisco en route to these resorts, the Burlington Route also runs through train over its own track from Chicago, Peoria or St. Louis, either by the way of Kansas City, Pacific Junction, Council Bluffs, Omaha, direct to Denver, the great distributing point for all Colorado and Pacific Coast points. These through trains are elegantly equipped, and ride you over a track that is as smooth and safe as a perfect road-bed, steel rails, iron bridges, interlocking switches, and other devices for comfort and safety can make it. When ready to start, call on your home ticket agent, or address PRELCEVAL LOWELL GENERAL PASSENGER AGENT, C., B. & Q. R. R., Chicago, Ill. 11.

In order that sufferers may know that Acker's Dyspepsia Tablets will always cure them, J. B. Yeiter, emphatically says that if the Tablets do not relieve every case of Dyspepsia, Constipation, Sour Stomach, Sick Headache, Heartburn, &c., he does not want any pay. The physicians say they are the finest combination that can be found. Price 25 cents.

Our readers are cautioned about buying medicines which are not endorsed by some well known druggist. J. B. Yeiter, has made a thorough study of Blood diseases, and after a careful investigation, and many practical tests, positively asserts that Acker's Blood Elixir will cure all blood disorders, ridding the system of its impurities, and leaving it strong, vigorous and healthy. He warrants it. It is a certain cure for all skin diseases.  
During a serious run of whooping cough at Stillwater, N. Y., the physicians found that Acker's English Remedy was a positive cure, and prescribed it very freely. J. B. Yeiter, says that in all his experience he never has known any medicine to equal it. He guarantees it to cure all Coughs (especially chronic cases), Croup, Asthma and Consumption.
