LOST IN A TEMPEST. Many Vessels Wrecked on the Great Lakes.

Eighteen Persons Thought to Have Perished with the Dean Richmond on Lake Erie Six Days Ago. A BAY OF DEATH. The entire chain of lakes was swept Saturday and Sunday night by a northerly gale whose severity has never been exceeded in the season of navigation for the last ten years. The same wind which drove vessels on the beach on every lake also swept the Great Lakes. Reports of wrecks are somewhat slow in reaching the outside world, particularly from out-of-the-way localities. But the list of wrecks, in proportion to the number of vessels which were out in the gale, is larger, perhaps, than in the history of the latter-day marine. That there has been a large loss of life now seems certain, but it may be several days before it is known just how many sailors perished.

Following is the list of wrecks so far reported: Steamer Dean Richmond, founded on Lake Erie eight days ago. Schooner Hinchelwood, beached at Marquette, Lake Michigan; six lives lost. Steamer Yukon, ashore at Watska bay, Lake Superior. Steamer Kerawak, ashore at Watska bay, Lake Superior. Steamer John M. Pratt, ashore at Whitefish Point, Lake Superior. Steamer John M. Pratt, ashore at Whitefish Point, Lake Superior. Steamer John M. Pratt, ashore at Whitefish Point, Lake Superior.

DEATHS. Mrs. William Kelley fell downstairs near Adrian and was killed. It is said that black bears are numerous in Clare county this fall. It is reported that the Michigan State Fair will be held at the State Fair Grounds in Lansing, Michigan, from September 15 to 25.

SHORT BUT NEWSY. A Batch of Interesting Items from Michigan Towns. Mrs. William Kelley fell downstairs near Adrian and was killed. It is said that black bears are numerous in Clare county this fall. It is reported that the Michigan State Fair will be held at the State Fair Grounds in Lansing, Michigan, from September 15 to 25.

MINOR NEWS ITEMS. For the Week Ending Oct. 17. R. W. Crawford, at one time the cat king of southern Texas, died at Houston. Twenty-eight horses were burned to death in a fire which destroyed a livery barn in Chicago. Three ferryboats were wrecked and 100 lives were lost by a typhoon on the Yellow river in China.

CHANCEY SALE. STATE OF MICHIGAN—The Circuit Court for the County of Kent. The Grand Jurors returned a verdict in the case of the State vs. Charles W. McGill, charged with the murder of George W. McGill, on October 17, 1913.

It Tastes Good. One reason why Scott's Emulsion of Pure Norwegian Cod Liver Oil and Hypophosphites of Lime and Soda has such a large sale is because it is "Almost as palatable as milk," but the best reason is that its curative properties are unequalled. It cures the cough, supplies the waste of tissues, produces flesh and builds up the entire system.

SURROUNDED BY MYSTERY!
A Great Mistake.
A recent discovery is that headache, dizziness, confusion of the mind, etc., are due to enlargement of the nervous centers which supply the brain with oxygen. This enlargement is caused by the action of certain poisons which stimulate the nervous system and cause the brain to become enlarged. This enlargement causes the blood to be forced through the vessels with such violence that the vessels are torn and the blood is poured out, causing death.

Wedged in a sewer pipe.
Strung along the corner of Cherry street a number of clay sewer pipes. The pipes were fastened together by a single bolt. A crowd of children, among them Mammie Taylor, daughter of Connelman Mayor of the Fourth ward, were amusing themselves scrambling over the pipes. This sport grew tame, and some of them thought there was more excitement in playing "hide and seek" than there was in scrambling over the pipes. One child, who was named Mammie Taylor, wedged in a sewer pipe. She was wedged in a sewer pipe. She was wedged in a sewer pipe.

LITERARY NOTES.
Owen Wister, whose stories of the West are familiar to readers of Harper's Magazine, will contribute to the November Number a humorous tale of Wyoming ranch life, in which the hero is a demoted hen named "Em'ly."
Harper's Weekly will be unusually strong in World's Fair subjects next week. Truistrup, Remington, Graham, and Rogers each contributes a full-page drawing, supplemented by Newell's amusing "Johnson Family" and a page reproduction of an instantaneous view of the Chicago Day crowds in the Court of Honor. Richard Harding Davis contributes a striking article on the "Last Days of the Fair." Other notable features of timely interest are the article and illustrations of the America's Cup Races, of the recent destructive cyclone in the South, the views on the cruiser, New York, and the portraits of the two candidates for Judge of the Court of Appeals of New York, the Bishop-elect of Vermont, and of the Crown Prince of Austria. The number also contains the latter half of A. Conan Doyle's intensely interesting story of "The Naval Treaty."
Among the features of Harper's Bazaar for September, 30th will be an article by a well-known English tennis-player on Lawn-tennis in England, a sketch by Grace King, entitled "Madam Tascher de la Pagerie," and an article on Columbus, by Eugene Lawrence.

Time is getting short for those who have been putting off going to Chicago to see the greatest exposition of all time. It will close Oct. 30th, and if you haven't been yet, get ready to go now. Don't wait until next week. You cannot afford to miss it. It's as great an educator as a trip around the world and the expense is insignificant compared to such a trip. You won't have another such chance in your life-time to see such a wonderful show, and even if you have to scribble along for a while and go without something else—don't miss seeing the "White City" and its multitude of exhibits from all the world.
GO NOW. As an additional incentive to get you started, the C. & W. M. and D. L. & N. lines will sell tickets on Oct. 13, 17, 19, 21, 23, 25 and 27 at one-way fare for round trip.
These tickets are good ten days including date of sale, and are sold via the all rail routes as well as via St. Joseph and Steamer.
Rate from Lowell is \$3.95 all rail and \$4.45 via St. Joe.
Our agents will be glad to give you full information about trains and anything else which you may want to know (so far as they can.)
The crowds are going now; lots of people just waking up to the fact that they will be way behind the times if they miss seeing the World's Fair. Don't wait until the last week and then get caught in the final rush, but go now.
GEO. DEHAVEN.
The great value of Hood's Sarsaparilla as a remedy for catarrh is vouched for by thousands of people whom it has cured.
Mrs Bruce Watson, Cedar Springs, Mich., says: "Whenever I am very tired and nervous I take about seven drops of "Adironda" and I always obtain instant relief."
I feel it my duty to say a few words in regard to Ely's Cream Balm, and I do so entirely without solicitation. I have used it more or less half a year, and have found it to be most admirable. I have suffered from catarrh of the worst kind ever since I was a little boy, and I never hoped for cure, but Cream Balm seems to do even that. Many of my acquaintances have used it with excellent results.—Oscar Ostrum, 45 Warren Ave. Chicago, Ill.
