

Ada Church Marks 100th Year

In September of 1849 a group of citizens of Ada banded together and organized the First Congregational Church of that community and in the fall of 1871, they commenced work on their first sanctuary.

Although not officially dedicated until January of 1872, the Ada Church this week end will start a string of celebrating events to commemorate the 100th anniversary of the sanctuary's being.

The English-style church as it stands stately on picturesque Bronson Street, has an interesting history, and parts of it will be focal points of interest in forthcoming events.

In 1955, an addition was erected in the rear of the church, which was and still is noted as Fellowship Hall. During 1959, the church sanctuary was completely redecorated and refurbished, and during this year, a parsonage on Bronson Street was acquired.

In March of 1959, the Rev. Alvin C. Brewer was installed as the church's first "full" time pastor.

One of the events of the 100th centennial year celebration will be a smorgasbord, which is open to the public, and will be held this Friday and Saturday evenings, October 1 and 2.

Serving hours will be from 6 p.m. to 8 p.m. on Friday and from 5:30 p.m. to 8:30 p.m. on Saturdays. For tickets and information contact Mr. and Mrs. William Chase, 6249 Adacraft Drive, S.E. (676-9361) or Mr. and Mrs. Forest Mitchell, 6146 Adacraft Drive, S.E. (676-9492).

Another activity sponsored by the Ada Church is the Travel and Adventure series which will be shown in the all-purpose room of Forest Hills High School.

For the past seven seasons, a passport to travel and adventure has been offered to the public by the Ada Congregators.

The first in a series of six presentations will be on Saturday, October 16, beginning at 8 p.m. "Taiwan, Hong Kong and Singapore," will be the topic of the guest speaker, Eddie Chu.

Saturday, December 4, James Forshee will tell of "The Golden State of California." Saturday, February 12, "Amazing Switzerland," by Raphael Green will be the subject of adventure.

"France's Fabulous Normandy," by Robert Q. Ostlund, will be the program on March 4, with Luben Balabanoff relating the "Discovery of Bulgaria" on March 25.

Concluding the series on April 22, John Strong will bring to the viewers "The New Arizona."

For information and tickets for the travel and adventure series call Mr. and Mrs. Donald Johnson, 676-2836, Mr. and Mrs. Ronald Collins, 676-2631 or Mr. and Mrs. Orison Weaver, 676-5811. Tickets may be purchased in advance or at the door.

Dynamic Guest Speaker

Charles Forbes Taylor, a wiry-haired, scrappy little preacher, who can preach with tears in his eyes and put tears into the eyes of his congregation, will be the guest speaker this Sunday, October 3, at the Ada Congregational Church.

Besides Billy Graham, Taylor is probably the most successful evangelist in America, although certainly not as well known.

Born in England at the turn of the century, Taylor has had a remarkable career. His first public appearance was at the age of four. He migrated with his preacher father to the United States when he was thirteen and has addressed an average of 500,000 people per year for 40 years.

Members and friends of the Ada Church are urged to hear this dynamic speaker as he makes his first appearance here.

Consumers Ends Electric Generation At Cascade Dam

Consumers Power Company will end 37 years of electric generation at its Cascade dam in Cascade Township October 1 when the backwaters will be lowered three feet to permit conversion of the facility to water level control.

In making the announcement, Gordon L. Carson, Grand Rapids division manager for the utility, said property owners along the Thornapple River should take precautionary measures to protect boats and docking facilities. The water level will be restored November 1.

Earlier this year Consumers Power sold the dam and its accompanying real estate and backwaters to the township for \$1. The dam will be operated by a special assessment district.

The company purchased the dam in 1934 and, depending on water levels, operated the facility almost continuously since then. The two generating units at the dam, rated at 2,600 kilowatts, will be removed by the utility by the end of the year.

Chamber Stages Annual Show This Week End

The Exhibition Hall at the 4-H Fairground will bustle with "all" kinds of activity this week end, as the Lowell Area Chamber of Commerce stages its second annual Home, Sport and Auto Show.

Running for three nights (September 30, October 1 and 2) the well-planned exhibition of all types of home, sport and automobile displays will be open for public viewing.

Every night, starting at 7:30, an archery exhibition put on by a group of boys and girls from Forest Hills who call themselves the "Ranger Bowmen" will be highlighted.

Then, on Saturday night, while you're visiting the different booths, or perhaps eyeing a new automobile, listen to the music of the Southfields.

There'll be something for all ages, Chamber officials projected this week, as they finalized plans for what they hope will be one of the best shows of this type staged in the area.

The proceeds from this year's show will go to the Christian Decoration Fund Drive.

Besides refreshments, there will be night door prizes and drawings to captivate the evening's entertainment.

Giant Puff Ball...

A GIANT PUFF BALL—Mushroom was found by Frank Baker of 701 Amity Street, last Saturday in the Vergennes area north of Lowell, as the wet climate has brought this type of morsel into season. Baker's prize-winning pick measured 14 inches high, 73 inches around, and weighed 35 pounds.

City Inspects Nursing Homes; Many Found In Violation Of Ordinances

Lowell Fire Chief Frank Baker and Assistant Building Inspector Charles Benjamin have inspected all the known nursing and custodial care homes in the community and found eight of the 14 inspected in violation of city housing or zoning ordinances.

The inspection was ordered by City Manager Blaine Bacon after the Planning Commission discussed the increased use of residential property in the community for nursing and custodial care homes.

Only one of the 14 reported homes refused to allow city officials admittance for inspection, 71 patients were listed by the

property owners.

Inspectors found some type of violation in 12 of the 14 homes; most were minor infractions. There were nine patients reported in one house and two had eight, in one single family home there were five patients and four children besides the owner.

Notices have been sent to all homes found in violation and no citations have been issued, until after a re-inspection has been made to discover if the owners have complied with the ordinances.

Lowell YMCA Puts It Altogether For Fall

The Lowell YMCA is busy putting together its Fall program for Youth and Adults. The program is scheduled to begin the week of October 11 and conclude the week of December 13.

Programs for adults will be Contract Bridge & Euchre Tournaments, Alcohol Anonymous, Upholstering, Art, Macrame, Tailoring & Alterations, Bridge Lessons, and Scientific Relaxation.

Programs for youth will include such items of interest as Art, Arts & Crafts, Gymnastics, Bowling, Indian Guides, Gra-Y, Tri-Gra-Y, Jr. Hi-Y, Boxing, Jr. Tri Hi-Y, pre-school Kindergarten, Hi-Y and Tri-Hi-Y.

Information may be obtained by calling the YMCA at 897-7375 or by stopping at the "Y" office at 325 W. Main St. The Lowell Ledger will print the entire schedule in next week's edition.

Awana Club For Boys And Girls

The Awana Club, conducted in the Lowell area last year for boys only, will commence its second season this year, on a new note. Girls will be included.

The groups will hold weekly Wednesday meetings in the Run-ciman Elementary School, 300 High Street; starting Wednesday, October 6.

Meeting for a two-hour session, between 7 and 9 p.m., the meetings are highlighted by games, tribe and council times.

The club, this year being sponsored by fourteen responsible adults of the area, is open to interested boys and girls in the third through eighth grades.

If you would like to have your child participate in this noteworthy community endeavor, make sure that he is present at the opening meeting on October 6.

Showboat Concedes Defeat On Closing Lafayette Street

Showboat President Larry Wittenbach conceded defeat in the effort to close Lafayette Street from the alley north of Main Street to King Street so permanent seating could be built.

Wittenbach had requested the Planning Commission in August to consider closing the street; the public hearing was ordered for Monday night.

There were 19 Lafayette Street property owners present who opposed the closing and only Wittenbach from the Showboat and John Vos, Transportation Superintendent for the School who favored closing the street. Vos pointed out that only within the week had a school child been hit by a car in this street.

Police Chief Barry Emmons who was asked to investigate the proposal, reported that he did not favor closing the street as did City Manager Blaine Bacon. Citizens who reside on the street complained that this was always being proposed and there had been several hearings within the past 20 years.

On each occasion the majority of the property owners had appeared against the closing.

Jaycees To Auction Off Big Bargains

Join the Lowell Area Jaycees for excitement, participation and refreshments when they put on their first annual auction and rummage sale on Saturday, October 16.

At 3 p.m. the auctioneer's gavel will hit the table and bargains of every variety will be up for the taking of the highest bidder.

Half of all proceeds made by the project will be given by the Jaycees to the Christmas Decoration Fund.

If you have any articles that you would like to donate to be auctioned off by the Jaycees call 897-9976, and arrangements for pickup can be made.

Car-Pedestrian Mishap

A car-pedestrian accident on North Lafayette Street Thursday afternoon, was investigated by the Lowell Police Department at 12:35.

Gordon E. Desotel, 17, Lowellview Avenue, was driving north on Lafayette Street, when a student, hurriedly returning to school, ran out in front of the oncoming car.

Struck was 12-year-old Ernest William Hoover of 10764 Blue Water Highway, Lowell.

No serious injuries were sustained, and the driver was not held.

Gun Safety Course Being Offered To Young Hunters

With the cooperation of officials at the Lowell Junior High School, Lowell Police Chief Barry Emmons is conducting a Hunting Law and Gun Safety Course.

Approximately 130 students have registered for the course which will be given in the junior high school, in conjunction with the Department of Natural Resources.

Young hunters, who are not in school, and would like to attend the course in order to obtain their hunting license may contact the Lowell YMCA director Terry Bambrick or Raymond Jones of the Lowell Jaycees for further information.

The four-hour course which highlights all the hunting laws of the state, and the safety of using a gun, is the first course of this type to be offered to young hunters in the Lowell area.

Dress-a-Doll Contest

A contest which will provide beautifully dressed Christmas gift dolls for many of the less fortunate children of our community is being sponsored by the Camp Fire groups of Lowell.

The name of the contest is "Hello Dolly," and individual prizes in several categories will be awarded to the winning doll dressers.

During the month of October, the Camp Fire girls, who cannot spend more than \$1 to dress their dolly, will be seeking dolls to dress. So contributions for the project will greatly be appreciated.

When the contest ends on November 20 with a Camp Fire tea, the dolls will then be donated to the Lowell Moose Lodge for their annual Operation Santa Claus project.

If you have a doll to donate call Mrs. Juanita Baker at 897-8279 or Mrs. Marilyn Keim at 897-9886.

Culprits Take \$140

A theft of \$140 in cash and checks was made from Hazel Hoag's Hat Shoppe on West Main Street, last Thursday.

The culprits made off with the money, when Hazel was busy with a customer in the front of the store.

The matter is still under investigation by the Lowell Police Department.

Juvenile Shoplifter

A juvenile shoplifter was apprehended at Frank's \$4 to \$1.00 store on Monday, September 27, and was released to the custody of her parents, following investigation by the Lowell Police Department.

The juvenile was caught taking a pair of earrings and some embroidery material.

150 Glass Containers!

It's hard to believe until you do it! All this re-usable material was collected by a Lowell family of four from June 1st to September 24th. And it's just what would normally be carried away by the trash man. About 150 glass containers, 150 steel cans and 30 lbs. of newspapers. All from one family - none from friends, relatives or neighbors.

After collecting it once it seems a crime it is ever thrown away. How much more of an incentive it would be if the collection containers were in our town too. We need an interested organization to back it.

Townships Seek More Protection

Cascade Township Supervisor Lee Patterson, speaking in the Kent room at the airport before the first fall meeting of the Cascade Businessmen's Association, outlined the Township's intended participation with four other suburban Townships for more police protection.

The protection would be provided by additional Sheriff patrols under the Federal Emergency Employment Act.

Under the two year Act the County would receive approximately \$690,000 from the Federal Government. This money would be utilized for the hiring of qualified personnel to man equipment.

The Townships will have to provide the funds necessary for the purchase of equipment. Equipment would consist of such items as cars, radios, uniforms, etc.

Cascade and Ada Townships would share the costs of equipment. Combined costs for equipment during the first year have been estimated at \$2,800. Equipment costs would drop considerably the second year of operation because it would not be necessary to duplicate many of the items. Combined operating costs would be \$2,600 for the same period.

Patterson indicated that the program was a promising step towards deterring crime in the area.

Also to speak before the assemblage of businessmen was Superintendent of Forest Hills Public Schools, Robert Masten.

Plan December Wedding

MISS PAMELA JUNE CRAIG The engagement of Miss Pamela June Craig to Sgt. Robert J. Berrington Jr., is being announced by her parents, Mr. and Mrs. Richard Craig of Elm Dale Road, Clarksville.

The Sergeant, stationed at Clovis, New Mexico, is the son of Mr. and Mrs. Robert Berrington, sr., of Alden Nash Avenue, Lowell.

A December wedding is being planned by the engaged couple.

Our Men In Service

Airman John A. Pouliss, son of Mr. and Mrs. George K. Pouliss of 11790 Seven Mile Road, Lowell, has received his first U.S. Air Force duty assignment after completing basic training at Lackland Air Force Base, Texas.

STEVEN MICK Army Private Steven L. Mick, 22, son of Mr. and Mrs. Alton C. Mick, Route 1, Clarksville, recently completed eight weeks of basic training at the U.S. Army Training Center, Armor, Ft. Knox, Kentucky.

MICHAEL BROWNELL Army Private Michael J. Brownell, 20, son of Mr. and Mrs. Stewart J. Brownell, Route 2, Hastings, recently completed eight weeks of basic training at the U.S. Army Training Center, Armor, Ft. Knox, Kentucky.

JAMES HERRICK Navy Dentalman James L. Herrick, son of Mr. and Mrs. Robert S. Herrick of 2435 Mildred Ave. SE, Grand Rapids, is participating in operation "Raven 3-71" aboard the anti-submarine warfare aircraft carrier USS Ticonderoga in the Pacific.

Old Kent Studies Holding Company Plan

Richard M. Gillett, President and Chief Executive Officer of Old Kent Bank and Trust Company, announced today the bank's intent to form a bank holding company.

In making the announcement, Gillett stated that "although the Board of Directors has approved the formation of the bank holding company, it is still subject to the approval of the regulatory agencies and appropriate action by the bank's shareholders. Formal application will be filed with the Federal Reserve Board within a week. Under the proposal, the bank would become a subsidiary of the holding company."

Prior to April of this year, Michigan law prohibited corporations from owning stock of Michigan banks. As a result of action taken by the Michigan Legislature in April of this year, bank holding companies are now permitted to be formed. The holding company has the power, subject to prior approval and regulation by banking authorities, to acquire or establish banks within Michigan and to acquire or establish other business closely related to banking.

In concluding the announcement, Gillett stated that "the formation of the holding company would provide the best means through which Old Kent can continue to anticipate and meet the many and varied financial requirements of the public we serve, as well as to take a more aggressive role in the development of the Michigan economy."

Mitch McMahon Cast In Theatre Production

Mitch McMahon, sophomore at Central Michigan University is cast as Of Tiana, President in the University Theatre production of "Indians" scheduled for October 2 and October 4 through 9. The dramatic play will be staged in the new Fred R. Bush Theatre on the CMU campus.

Enrollment Is 5,568

Enrollment at Grand Rapids Junior College this fall totals 5,568, highest in the history of the fifty-seven year old college, Harold Ferling, Registrar, announced. The enrollment exceeded slightly the production of 5,515 made a year ago. Male students total 3,249; female enrollment is 2,319. Of the total, 1,334 are enrolled exclusively in the Evening College. The total includes 2,268 students who are enrolled for the first time in any college. Seventy-five percent of the enrollees are in curriculums which prepare students for eventual transfer to senior colleges and universities. Twenty-five percent of the students are enrolled in occupational curriculums.

Heritage Hills Plans Annual Tour Of Homes

Six historic homes, an art show and film festival will be featured Saturday, Oct. 2 during Heritage Hill Association's third annual Indian Summer Tour of Homes in Grand Rapids. Organized in 1969, Heritage Hill Association is dedicated to preserving and protecting historic homes in the city's old hill district. Last March the district was placed on the National Register of Historic Places because of its unique architectural and historical significance.

Alicia Johnson Engaged

MISS ALICIA C. JOHNSON
A November 6 wedding is being planned by Miss Alicia A. Johnson and her fiancé, Sgt. Gerard G. Despres. Their engagement has been announced by the bride-elect's parents, Mr. and Mrs. Robert A. Johnson of 7065 Ada Drive, S.E., Grand Rapids. The prospective groom is the son of Gerard J. Despres of Bethel Park, Pennsylvania, and Mrs. Virginia Bryant of Grand Rapids. Sgt. Despres is presently stationed at the Cherry Point Marine Air Station, in North Carolina.

Apple Day, October 6
Apple Day is the way Kent County Cooperative Extension will be highlighting Michigan Harvest Day. Roger Sauer's orchard, corner of M-37 and 12 Mile Road is the setting for this first-ever celebration. Apple Day will be held Wednesday, October 6 from 9:15 a.m. to 11 a.m. Everyone is invited to attend Apple Day, according to Kent County Extension Director Richard Reath. But urban residents are especially urged to take advantage of the opportunity to visit an apple orchard and CA storage.

Builds Harpsicord In His Basement
Whatever happened to the old craftsmen and their crafts? They went the way of the machine. But recently we've begun to see a revival of some of the old handcrafts, one of them being the making of harpsicords. Lowell can boast its very own harpsicord maker, since David Coons of 404 N. Division in Lowell built one in his basement. What is a harpsicord? It's a keyboard instrument that looks similar to a piano, except it's smaller and more delicate in appearance. When played it has a nice tinkling tiny sound that to the untrained ear, might be mistaken for a guitar.

Harpsicord makers are few and far between. It is estimated that only one in forty thousand people have ever made a harpsicord. Coons purchased the necessary materials for his instrument in kit form from Zuckerman Harpsicords, Inc., in New York. The kit came completely disassembled. The only thing that Coons didn't have to do was saw the wood to size, everything else was left to him. It was quite a challenge in craftsmanship. He started the project in August of 1970 and completed it around the latter part of November. The harpsicord has a long history. The instrument came into being during the mid-1500's. For nearly 300 years it reigned supreme as the solo and ensemble instrument of European music. Recently there has been a revival in the harpsicord. The instruments are being used in the composition of modern music and in other areas of radio, TV, and movies.

David Coons enjoying a few minutes at the keys of his home-built harpsicord.

SATURDAY, OCTOBER 16
Dedication at 100-year-old Fallaburg Bridge by State Official presenting Historical Plaque late afternoon, 6 p.m., annual Pioneer dinner meeting of the West Central Michigan Historical Society at the Fallaburg Park Pavilion. Program meeting following dinner.

Harvest Yields Down

Final reports from major Michigan corn producing counties indicate that per acre corn yields will be slightly below normal this year.

According to scientists at the Michigan State University Corn Blight Information Center, this yield reduction is due to the unusually dry season rather than leaf blight disease. Total yields for the state, however, will be about equal to last year, and no shortage of corn is anticipated.

Leaf blight causing organisms were widely distributed throughout the state this year, and are still present in all corn producing areas even though there hasn't been any danger of reduced yields due to blight since the first week of September. The harvest of corn for grain is now underway in many areas of the state, especially where grain drying facilities are available. Harvest for corn silage is nearing completion in most areas.

Outbreaks of the European corn borer presented no problems for Michigan farmers this year, according to county agent reports. Borer populations have remained stable at slight to moderate levels since early in the season.

Late reports from Cooperative Extension agents and from MSU corn disease experts indicate that stalk rot and red root rot could still present problems in unharvested corn fields. If these fungus diseases—which have increased steadily in the past two weeks—are accelerated by the recent wet weather, infected corn fields may be highly susceptible to lodging (downed plants) in the event of light and moderate winds.

Betty VanHeck To Address Chapter 1388, Moose Women
Former Grand Council member, Betty VanHeck will be the guest speaker October 4, at a formal meeting of Chapter 1388, Lowell Women of the Moose. The special speaker was secured by Mrs. Agnes VanTuinen, Mooseheart chairman and her committee who have charge of Monday's special meeting. Starting at 8 p.m., the meeting, conducted in a formal setting, will see all College Regents attired in their caps and gowns.

Weekly Bible Club

The Christian Service Club, an interdenominational organization, is sponsoring a weekly Bible Club for the first time this year at the Ada Elementary School. Clubs such as this have been held for a number of years in a number of West Michigan schools as well as in other parts of the country. The Ada Club will meet each Thursday afternoon beginning October 7 in the school's all-purpose room. The activities include Bible stories and songs. Mrs. Carl Duthler of Ada will teach the class and she will be assisted by Mrs. Adina Pennings also of Ada. All Christian Service Club teachers in this area meet together weekly to prepare for their own club activities. If you are interested in more information about the Christian Service Club or the local club please call 241-6431.

Births

Brent Wilson Richards arrived September 4, at Butterworth Hospital in Grand Rapids, weighing eight pounds and six ounces. His proud parents are Mr. and Mrs. Terry L. Richards of Lowell.

Produces Happiness For Married Folks

Rev. Gordon C. Blossom of Lowell is one of the 2,500 eminent Clergymen Counselors for the Scientific Marriage Foundation. This SMF is a charitable educational organization that has produced happiness for 10,000 newly married folks. Its divorce rate (after 16 years of operation) is less than one percent, in contrast to the tragic nationwide 25% figure! SMF is an interfaith foundation, with its volunteer Board Members including such distinguished clergymen as Dr. Norman Vincent Peale (N.Y.); Rabbi Samuel Silver (Conn.); Monsignor Henry Ward (Ind.); Bishop Gerald Kennedy and Dr. Myron Cole (Calif.); Dr. Charles R. Goff (Ill.) and Dr. Roy Connor (Fla.). "Computer Cupid" is the electronic machine that matches men and women on 10 basic personality factors. Each applicant must first obtain an interview with one of the 2,500 clergyman counselors.

Thousands of happy homes have already resulted from the SMF. And as a superb "fringe benefit," hundreds of formerly half-orphaned kiddies are now delighted to be back in a normal two-parent home, with a daddy and mother to love them. Since this is the only interfaith, ecumenical foundation rendering this type of service, the SMF welcomes any eligible unmarried person of good character. Write for complete information and free "Marriage Questionnaire" to the SMF, Hopkins Building, Meliott, Indiana 47958.

Religious Rock Group To Appear In Cascade

The Michigan YFC religious rock group that recently spent 4 1/2 months in France singing and sharing their Christian Testimonies will be at the Cascade Christian Church this Sunday, October 3. The joint youth groups of the church, along with their parents and friends are invited to see and hear this versatile group.

In addition, Dick Hatfield will give a short talk and tell of his work locally and at the Campus Teen Center in Grand Rapids. Following the program, which starts at 5 p.m., the young people will share a chicken dinner in the church's Fellowship Hall.

Ada Reformed Begins Fall, Winter Programs

The Ada Community Reformed Church will begin the Fall and Winter program the first week in October. The time of the evening service will be changed from 7 p.m. to 5 p.m. Sunday evening, October 3, at 5 p.m. the Broadcasters Quartet will sing. A Family Night Service will be held every Wednesday night at 7:30 p.m., beginning October 6. The Senior and Junior Choirs will be rehearsing and there will be Bible Classes for all age groups, including adults.

The Ada Church extends a cordial welcome to all who would like to attend either the Sunday services or the Wednesday evening Family Night program. Bible Study Books will be given to all who enroll without cost.

Methodist Inaugurate Pre-School Program

The First United Methodist Church of Lowell will inaugurate a weekday Christian Education program for four year olds. (One year from public school kindergarten) beginning October 4. The program will be held on Monday, Wednesday and Friday from 9:30 a.m. to 11:30 a.m. Enrollment is limited to fifteen youngsters. Further information concerning registration may be obtained from Mrs. Orion Thaler (897-9932) or Mrs. Dean Bailey (897-8267).

Ada Lodge No. 280 Plans Centennial Fete

A centennial celebration of the issuance of a Charter to Ada Lodge No. 280 F&AM will be held in the Ada Congregational Church October 29. There will be a reception in the dining room at 6 p.m., with a dinner at 7. A charter was granted to the Ada Lodge on January 25, 1871, sponsored by Lowell Lodge No. 90 and Hooker Chapter, R.A.M.

Fall Conference Focused On Legion Programs

Eugene W. Heugel, State Commander of The Michigan American Legion announced today that the Annual Fall Conference for the evaluation and instruction for all phases of Legion Programs would be held in Kalamazoo, Friday, Saturday and Sunday, October 1, 2, and 3. Commander Heugel, also announced that various schools of instruction would be offered to all participants. These include: Service Officers School which would include Representatives of the Veterans Administration dealing with subject matters of Disability Compensation and Pension Dependency and Indemnity Compensation, Educational Benefits, Hospitalization, Medical and Dental, Out-Patient Treatment, Home Loan and Mobile Home Loan Benefits and especially Adopted Housing For Disabled Veterans and Government Life Insurance.

Child Welfare School will include discussions relative to our youth and related areas in Child Welfare Guidance. Other Schools of Instructions will cover the phases of our Americanism Programs, such as Education, Sons of The American Legion, Wolverine Boy's State, Baseball, Boy Scouting, etc.

Recovery, Inc., Seeks To Prevent Relapses

The local group of Recovery Inc. meets each Tuesday in the basement of St. Andrew's Episcopal Church, 1025 Three Mile Road, N.E., Grand Rapids, at 7:30 p.m. Recovery Inc. is an international organization which employs a systematic self-help method originated and perfected by the late Dr. Abraham A. Low. The organization's objectives are to prevent relapses in former mental patients and prevent chronicity in nervous patients. The meetings are open to the public and there is no charge for attending.

The group also meets each Thursday in the basement of the Trinity Methodist Church, 1100 Lake Dr., S.E. at 7:30 p.m.

REST ROOM EQUIPPED AIR CONDITIONED

outdoor lighting

for fun, beauty and protection

This is the time of year when earlier sunsets seem to nibble away the best part of the day. You can extend the day with outdoor lighting... lighting to let you work or play longer outdoors. Outdoor lighting will also discourage prowlers or burglars. Crime authorities agree that darkness spawns crime. Even plain all-weather flood lights or brighter lights in existing fixtures will help. Outdoor lighting also makes your home more attractive, so light-up now.

TOUCHDOWN! GO-GO-GO...

Lowell's Varsity Cheerleaders, a boy of cheerfulness keep the action rolling at each football game. On the 1971-72 squad are: kneeling, Margie Norton; second row, Cherie VonEhr, Melissa Lake, Sharon Doyle, Denise Kropp, Louise Doyle; top, Terri Reynolds.

Red Arrows EyeSports Showdown

An L.H.S. sports showdown is inevitable. So far the Arrows team have landed all but two victories, the Arrow linkers hold a 4-1 record, football a 2-0 rating, and cross-country a 3-1 scoring.

Lowell High School looks at the Tri-River all sports trophy through different eyes this year, and a foundation for a winning tradition is being built.

The Arrows have no easy tasks in front of them. For the linkers to grab the conference title they must again face the experience of Greenville and Sparta. The Harriers will have a tight race against conference champs, Cooperville.

Rowe's Raiders will have to withstand the speedy Sparta offense and will meet Greenville again in a tussle game.

Surprising Depth

An outstanding fact is that the Arrows have a surprising amount of depth on all their teams. The golf team has one Junior and three sophomores in starting berths.

The cross-country team has eight competing underclassmen, and the Arrow's football team holds a well synchronized, hard hitting junior back field.

With their depth and the community behind them, the Arrows might not only treat their fans but may also credit the community with several titles.

Flash By Belding

Wednesday, the Harriers ran a near perfect meet when they flashed by Belding 18-41.

The Arrows nearly blanketed Belding when they took first, second, fourth, fifth and sixth, only one place away from a perfect race.

First through the 2 1/2 mile course was Jim Perkins, a senior veteran, stopping the clock at 13:41. Thirteen seconds behind was Ron Anderson, also a senior veteran.

Belding placed a third when Pete Harrell ran a 14:01, spoiling the shut out.

Fourth, fifth and sixth was brought in by Mark DeForest 14:16, Jerry Bauteer 14:32, and Jeff Brower 14:38, respectively.

Next Wednesday the Harriers meet a strong Greenville team, at Greenville High School at 4 p.m.

Golfers Gain One

Last week the Arrow golfers took an 11 stroke victory over Cedar Springs.

Greg Kost of Cedar shot a par 35 to steal medalist honors. Medalist for Lowell was Terry Abbi, shooting a 40.

Three close scores followed with Kevin McMahon landing a 41, Kim Schwacha, a 42 and Rich Kerry a 44. The Arrows took the match, 4-1.

Lose To Cooperville

"For Want of a Stroke," was what Coach Meredith said after the Arrows heartbreaking loss to Cooperville.

The match was played at Western Greens golf course, outside of Marne, and when the totals were figured the Arrows were behind one stroke 177 to 176.

Match medalist was Mark Shears of Cooperville with a 39. Arrow sophomore Kevin McMahon followed with a 42.

The Arrows again met Ionia in a non-conference match at Morrison September 29. Lowell then meets Belding at Arrowhead Golf Course on Friday.

Rosie Gannon, Carol Myers, Ruth Stahl, Nancy Gabriel, Kathy Reagan, Leita VonEhr and Sus Condon comprise the Junior Varsity cheerleading squad for the action-packed season ahead.

Sports

Freshmen Defeat Greenville 30-8

The Lowell High School Freshman football team opened their Tri-River Conference play with a resounding 30-8 victory over Greenville. The Red Arrows were in command the entire game behind the running of Fullback Robert Thompson and his halfbacks Bruce Billock, and John Piper. Lowell used its ground attack to move the ball, going to the air only four times, three of them on extra point plays. Quarterback Scott McNeal completed two of four passes. Lowell's defense set up the first touchdown when Rock Thompson blocked a punt and Gil Fong ran it to the 6 inch line. Lowell scored and following a Yellow Jacket fumble marched down 22 and score again.

Halftime score was Lowell 22, Greenville 0. Greenville scored with 1:50 left on the game Lowell emptied their bench for most of the second half, enabling Coach Clark and Coach Koonoody to watch all players in action.

Lowell will entertain Cooperville at Recreation Park at 5 p.m. on Thursday.

Saranac, Vestaburg Battle To 8-8 Tie

Saranac and Vestaburg battled for forty-eight minutes Friday night, September 24, only to end up with a tie ball game.

Vestaburg scored first as Mike Buckner plunged four yards for the six pointer. Quarterback Doug Wright then tossed a pass to Randy Waldron to make it 8-0. This score remained for the rest of the first half. Both teams put together drives, but were unable to score.

The second half saw a fired-up Saranac team take the kick-off and drive to the Vestaburg 25 yard line. Then quarter-back Brian Kelly rumbled up the middle for the final 25 yards and 6 points. Kelly also ran for the 2-point conversion.

Vestaburg put together one more drive in the 4th quarter but the Saranac defense, helped by a clipping penalty, stiffened and Vestaburg ran out of downs. The final score Saranac 8, Vestaburg 8.

Saranac plays host to Lakewick this Friday. Lakewick was beaten last Friday by Central Montcalm 26-6.

Players-Of-The-Week

It was an extremely hard job to pick the players of the week but here we go. Kris Kropp was selected as outstanding offensive player due to his generalship of the team under pressure. Dave Yeter was selected for his all around good defensive play.

Rowe's Raiders: Throughout our lives in securing a good academic education we have been told that the three R's are the key to success. Football is precisely in the same category. To be good football players one must discipline himself to the three P's—practice, perseverance and prayer.

Kris Kropp (11) outstanding offensive "player of the week," and Dave Yeter (61) picked for his good defensive play.

Saturday Morning Quarterback

"How sweet it is," this must be the feeling of Coach Al Rowe and his underdog Lowell Red Arrows.

On Friday night the strong Greenville Yellow Jackets invaded Recreation Park only to find that there would not be a repeat of last year.

Most people throughout the state had already cast their vote to Greenville and a strong Sparta team as the probable Champs of the Tri-River Conference. It seems to this reporter that these people who are picking teams should get out from behind their desk and take another look at the other teams in the conference.

After a see-saw battle throughout the first quarter the big white and red machine started to move the ball. With a strong line in front, young Kris Kropp took complete charge of the game. Running from the tight wishbone tee, Kropp mixed his plays extremely well, only to have the ball turned over to Greenville on their own 12 yard line. After two plays Greenville fumbled on their own 19 with Ed Steffens recovering for Lowell and Kropp then went to work on the first T.D. sending Mark Billock across from the 2 yard line. The extra point was no good, Lowell 6, Greenville 0.

Starting the second half Lowell kicked off to Greenville and after trying to run the ball against Lowell's strong defense, Greenville fumbled and an alert Dave Yeter recovered on the Greenville 33. Kropp then started his club moving again and after nine plays scored himself from the 3. Lowell 12, Greenville 0.

Campers are different people

Anywhere else we wouldn't have a time to say to each other. But here in the woods it is different. Like the last time our family was out. Before you knew it the circle around our campfire contained a retired insurance man and his wife. A factory foreman. A doctor and his daughter. None of us had met before. But we talked half the night. I guess that's really what started our family camp. And keep us coming back. There aren't any strangers in the woods, and we really like that.

Sure, there are some things we don't like, too. Dirty restrooms. Overcrowded campgrounds. Lack of recreation facilities. But we always thought they were part of the price.

Until we joined Sandy Pines. Now we have a guaranteed campsite. Weather or summer. Private. Secluded. But close enough to other campers for those long gabfests.

The land is rolling and wooded. 800 acres around a beautiful 200 acre lake with sandy beaches. Restrooms and showers are heated and immaculate. And there is always something doing at the lodge. A realtor centers scattered all over the campground.

Square dances. Swimming in the lake or the heated pool. Tennis. Scubaing. Fishing. Water skiing. Teen center. A full time recreation director makes sure things don't lag.

If Sandy Pines sounds interesting to you, you've probably got the kind of people. Fill out the coupon or drive out to see us. We'll invite you to camp with us for a weekend.

Saranac JV's Outclassed 48-8

The first Junior Varsity football game of the season saw Saranac defeated by a powerful Hallett team 48-8.

Hallett's strong defense held Saranac scoreless until late in the second period, while their offense scored four touchdowns.

Hallett displayed a strong running game as well as accurate passing which proved too much for the Junior Reddies.

Saranac's only score came on a twenty yard run up the middle by Bob Parks.

Hallett scored twice more in the last half making the score 48-8.

Same Old Story, Rain! Charity Game Rescheduled

As Bert Hathaway of Kentros Polo grounds put it this week, "It's the same old story, Rain!"

Sunday, for the third straight week, it rained, forcing cancellation of two important events on the polo calendar; the Michigan State Championship at Detroit, and the charity game for the Physically Handicapped.

"But we'll try it again this Sunday," Hathaway revealed as he projected the importance of the eighth annual running of the benefit game for the National Association for the Physically Handicapped (Grand Rapids Chapter).

Starting time Sunday, weather permitting will be 3 p.m. The traditional NAPH cup-trophy will go to the winners.

Ranger Offense Dead In 20-0 Shellacking

Forest Hills opened the league schedule by taking their second straight whitewashing of the young season. It came at the hands of their northern rival the Rockford Rams; Rockford 20, Forest Hills 0.
 A scoresheet first quarter witnessed such antics as a pulling guard pings by the host team, Forest Hills. In an obvious mix-up between the center and QB the ball squirted loose and into the hands of the left guard going to his right on an intended trap play.
 Scott Vashaw stopped Rockford's first serious drive by intercepting a Ram pass at his own 20. Later in the same stanza Vashaw recovered a fumble. Junior quarterback, Dick DeVos, then dropped back to pass but lost the handle on the ball. Rockford's Tom Walker fumbled on the pignin at the Forest Hills 19.
 The scoreboard was unable to make a smooth transition between quarters causing a ten minute delay. When play resumed Rockford had a fourth down on the Ranger 4. Quarterback, John Hocktra, pitched the ball to his trailing halfback, Bernie Hanting, who sprinted to the flag for the score. Lee Sowerby kicked the extra point, making it Rockford 7, Forest Hills 0.
 Later in the second quarter Rockford launched a drive highlighted by a 35 yard pass to the Ranger 2. Hunting capped the series with a paydirt plunge. Sowerby's kick strayed to the left, locking the score at 13-0 with the halftime intermission.

Uses Lem Barney Style
 The Rangers returned to the field with a rejuvenated look. Bob Banta latched onto the kickoff and with a little Lem Barney style latched off his offense in prime position near midfield. Shoddy line blocking killed the hoped-for drive.
 On Forest Hills next possession DeVos flipped a drop-back pass into the hungry hands of Rockford's hunting who roared 49 yards down the south side for the visitor's final score. Sowerby converted for a 20-0 count.
 Banta took the kickoff that followed. He sidestepped and tipped off his way to the 40, but referred called the ball back on a clipping penalty. Forest Hills then fumbled. Rockford failed to take advantage and on fourth down Sowerby came in to attempt a field goal. Forest Hills' Joe McMahon broke through the offensive wall and blocked the kick.
Bevy of Interceptions
 Most of the fourth quarter ticked away within 40 yards of the Forest Hills goal line. The opposing quarterbacks com-

mented one another both throwing a bevy of interceptions. Jeff VanStrien, Vashaw, and Bob Hinton all swiped Rockford passes.
 The Ranger offensive line displayed what Coach Frank Rosenregen called: "The most inept blocking I've ever seen." Though provided with a minimum of protection DeVos kept his points.
 The defense played a tough game. Rosenregen had special praise for Lee Champion, Hinton, and McMahon. Statistics bear out the defensive nature of this game.
 Forest Hills 169 yards rushing, 26 passing, 11 first downs. Rockford 135 yards rushing, 38 passing, 10 first downs.
 The Rangers travel to East Grand Rapids on Friday hoping to bounce back. The game starts at 7:30.

Sods Diamond At Forest Hills
 Forest Hills High School's baseball field was sodded on September 18, by a group of interested Boosters' club parents and students. The field had been fenced in right after baseball season in the spring.
 The advance planning and detail work was done by Coach Chuck Matthews, Archie Warner, C. Kappes, Ken Klynstra and Wes Chapman.
 Others who helped with the sodding were Jim Schuster, Curt and Craig Klynstra, Ray and Dave Slater, Tim Weston, Lloyd and Bill Heneveld, Don Walker, Al Grabarek, Lee Champion, Eric Ameth, Jim Ogilvie, Bob VanStrien, Keven Mead, Steve DeFouo, and John and Dave Beck.
 A special note of appreciation should be given to Mr. Warner and Mr. Kappes, two members of our community who donated their time and professional talents so that Forest Hills High School could have a baseball field of which we all can be proud.

Rosenregen To Address First Boosters' Meeting
 The Forest Hills Athletic Boosters' Association will hold their first fall meeting Tuesday, October 5, at 8 p.m. in the teacher's lounge of the high school.
 The speaker for the occasion will be Football Coach Frank Rosenregen. All interested parents are welcome to attend.

Ranger Land Rovers Pace OK Conference
 Last year at this stage of the cross-country season Forest Hills didn't have anyone running the 2.6 mile Johnson Park course in under 14:00. In their last meet seven boys broke the barrier. That depth along with record times posted by 25" Jerry Salzedval earned Forest Hills sole possession of first place in the OK Rod Conference.
 A major step in the championship bid came last Monday when Forest Hills nipped a strong Rockford team 27-30. Salzedval, who breaks records every time he runs, paced the squad with a 12:49 first place. John Koe squeaked in ahead of Rockford's first two men in a match-up crucial to the outcome of the meet.
 Rockford captured third through sixth. Jim Grochawski wrapped up the seventh spot, Rick Troll eighth, and Bill Koen ninth. These last three figured prominently for the Rangers in the tight meet.
 "Little Big Man" Establishes Record
 The East Grand Rapids team, rated a darkhorse contender in the league, went home licking their wounds after a 20-41 thrashing care of Coach Wilson and Co. on Thursday.
 Salzedval, as usual, finished far ahead of the field with a 12:41 clocking that shattered the Old Johnson Park record. This performance thrusts the little guy into the heady situation of being one of the top runners in Western Michigan.
 Rose grabbed the second spot, continuing his top-rate showings. Troll finished fourth, coming off a bout with ankle tendinitis and bettering his previous outing with 28 seconds. Charley Schrag, talked into the sport by his fellow senior teammates, raced to a sixth. The onslaught persevered as Keenan, Grochawski, and Jim Gallagher scored seventh, eighth and ninth.
 Coach Larry Wilson noted that the big showdown with Kentwood arrives at the close of the dual meet season. Kentwood currently has ten boys running under 14:00. Good luck and long windedness to the squad in their title pursuit.

Wall Guide to 1971 Coho, Chinook Salmon Fishing
 Vacation time is over for many people as colder weather moves in. This isn't the time to put up the fishing gear. Cooler weather has driven fish in some lakes into shallow water along the shores. Fishing along lily pads, submerged logs and weeds should keep most fishermen from going home "knocked." Fall stream fishing will soon be on its way and many trout and bass should be caught.
 Unfortunately many fishermen are giving little attention to area lakes. Reports of excellent catches early in the morning on Morrison Lake have been noted. Bass and bluegill appear to be the prime targets. Several nice "muskie" have been caught out of Campau Lake. These "muskie" were planted several years ago and must attain a length of 30 inches to be legal. The upper portions of Thornapple River have been heavily fished and there have been scattered catches of nice bass, perch, and bluegill.
 Salmon fishing has dominated the fishing efforts of a great number of fishermen recently. The salmon have moved into more shallow water due to cooler temperatures and can be caught 20 to 40 feet down. The coho are averaging 8 to 9 pounds and a: caught on most popular lures. Muskegon has reported large numbers of chinook in 35 and 40 feet of water. Some salmon have been caught offshore and in shallow water near the mouths of some rivers including the Grand and Muskegon.

Salmon Season Swings Into Full Bloom
 Salmon season has swung into full bloom, with local anglers crowding into areas such as the Sixth Street dam on the Grand River and Croton dam on the Muskegon River as the fish begin to move at near peak levels.
 The larger two-year-old Chinook, not yet fully grown, are moving up the Grand and being taken at Sixth Street in Grand Rapids, along with coho.
 One out of every ten were seen to be successfully making the jump at Sixth Street. Those that do manage to make it past the dam will not be able to move further up river than the Lyon dam in Ada County.
 One local angler, C.B. Mohn of 1300 Jean Allen Dr., Lowell, hooked into two coho at the Sixth Street dam. The largest weighed nine pounds and measured 28 inches. The other weighed eight pounds and measured 26 inches.
 Other local fishermen have been having a good time on the Muskegon. Bruce Phillips of 1080 Grande Drive, Lowell, hooked into a 25 pound Chinook, measuring 41 inches long at Cro-

Consistent Mediocrity Plagues FH Golfers
 The championship golf teams of the mid-sixties remain only a pleasant memory in the minds of Ranger rollers. Other schools learned the how-to of golf and Forest Hills now finds itself riding the middle of the pack.
 Last week's play displayed a remarkable consistency, marked by a rash of 42's and 43's. On Monday Coach Pupp's duffers lost to Rockford 4-1 and East Grand Rapids 3 1/2-1 1/2. They came back on Tuesday to down Zealand 4-1.
 East Grand Rapids again outdove and outplayed Forest Hills on Wednesday for another 3 1/2-1 1/2 win. In league play on Thursday Forest Hills shut out Godwin Heights 5-0.
 Though clearly disappointed with this year's showing, Pupp credited Dan Jonkoff and Jim Gailing with "giving the team good balance." With only a few weeks of dual action left and a current 5-6 record it looks like mediocrity will prevail.
 The state Class A Tournament gets underway in mid-October, but Forest Hills has only a snowball's chance in Florida of taking any honors.

From Harold Happy Birthday, Nancy

Airman First Class Harold G. Barton, stationed with the United States Air Force in Vietnam, composed a poem shortly after his arrival overseas, and has dedicated to his girlfriend, in honor of her birthday.

September 23 was her birthday date, so to you Nancy Walquist of Ada, here is your Happy Birthday poem, from one far away . . .

TO MY GIRL BACK HOME

As I sit here in this distant land
In service to my country
I can't help but think of you my love
And pray that you are safe.

I long to be with you my love
And hold you in my arms.
Each day without you is a torment
Like that I can't endure.

Only night-time brings a blessed relief
You fill my every dream.
I hold you close and kiss your lips
And know that you are mine.

I know that I'll be home one day
But till that time my love
Take care, dear heart, and cherish me
As I still cherish you.

'EnvironVan' To Visit Lowell High School

Students at Lowell High School will take part in a lecture-presentation on the "Ecology of the Grand River" by a team of Beloit College students on October 8 at the school.

Lowell High School is one of about 38 schools along the Grand River at which the Beloit team will appear. The team will also visit schools along the Kalamazoo River.

Known as "EnvironVan," the program is designed to stimulate study of the environment by secondary school students. When possible, the team is also speaking to adult groups.

In addition to the formal lecture-presentations to the high school students, the Beloit student-environmentalists will conduct a field trip each Saturday of their 14-week journey for students visited during the week.

The 1971 EnvironVan program is principally funded by a grant from the U. S. Office of Education. The team visiting schools along the Grand and Kalamazoo Rivers is one of five teams this fall. Other teams are touring the Wisconsin and Rock Rivers, the shoreline of Lake Michigan, the Miami River, and the Wabash River.

More than 150,000 high school students in 350 high schools will be visited by EnvironVan this fall. Last year's pilot program visited more than 24,000 students at 78 high schools in nine states along the Mississippi.

Making up the EnvironVan team that will visit locally are Jan Dawe of Highland Park, Ill., and Carol Feinson of Danbury, Conn.

Prior to beginning its extensive trip, the team spent considerable time along the Grand River viewing possible field trip sites, photographing geologic formations and other landmarks, and coordinating textbook material into a localized program.

The formal EnvironVan programs, which are presented at no charge to host schools and organizations, will be concerned with geographic and geologic formations along the Grand River, as well as the effect of man on the river valley environment.

Covering about 2,000 miles in three and one half months, living in a 22-foot motor home, the EnvironVan team will be doing more than discussing a topic of contemporary interest. It also will be attempting to stimulate interest in the study of science as a career by demonstrating the many positive areas in which science can work to improve and preserve the environment.

Calendar Of Events Saranac Schools

SEPTEMBER 29 - Junior High football with Montabello, at home at 4 p.m. Injuries have plagued the junior high squad in pre-season practice, with ten of the original 30 members sidelined with injuries.

Coach Jim French says his team likes to tackle, and he has some very good runners. French made no prediction on the game's outcome, since practice sessions were late in getting started.

SEPTEMBER 30 - Dress Up Day, and Junior Varsity football at Lakeview at 8 p.m.

James Maatman, JV coach expresses the belief, with one game under their belts, that his team will look a lot more polished in this week's encounter.

Scott Ramier was injured in last week's game, and will be out for the remainder of the season. He sustained a broken collar bone.

OCTOBER 1 - Football with Lakeview, home, at 8 p.m.

With two games behind them, one tie and one victory, this is the determining game telling which way the Saranac Redskins will go.

Varsity coach Terry Abel said that the game should be a good one. The Redskins, composed mostly of juniors, faces a strong Lakeview team of returning senior lettermen.

The Annual Staff will sponsor the after-game dance in the cafeteria, to promote the sale of the 1971-72 Redskin's annual.

A receipt for the purchase of the annual, is the admission (\$4.50) for the dance.

OCTOBER 4 - Fall golf starts and **OCTOBER 5**, unsatisfactory student progress reports go home.

Saturday Balloon Ascension

It's 6:15 a.m. on a clear Saturday morning at the Lowell airport. The sun glowing bright orange, still sets just below the horizon; the air is cool and hangs still in the quiet of the first morning light. It's an ideal morning - perfect conditions for a balloon ascension. Yes, a balloon ascension!

Last minute checks are made just before lift-off by Western Michigan Balloon Association.

Gordon Saunders, a representative of the Ledger-Suburban Life, Douglas Mills, and Gordy Bursma, two members of Western Michigan Balloon Association and two of the 250 balloonists in the country, 100 of whom are active, roll a 250-pound bundle of red and white striped nylon fabric from the bed of their trailer and begin to stretch it out on the grass. "A beautiful morning," says Mills, "A balloonist's delight."

The wicker gondola is removed from the trailer and attached to the steel suspension line that secures it to the balloon. "Balloon is like nothing you've ever imagined before," he continues. "It's a whole new dimension of life. "You feel yourself lift into the air and everything shrinks away from you. You see things you've never seen before. You watch deer dash across open field and disappear into the woods; a bird flying below you. In one glance, you can see the work of a thousand different persons carved out in the landscape."

After the balloon has been stretched out a gasoline-run fan is brought to the mouth of the balloon to start filling the bag with air. When it's nearly filled, Mills starts the heating system. It consists of four 40 pound propane tanks, furnished by Norgas of Lowell, and three 5 1/2" tubular burners.

The burner pilot is lit and a jet of hot flame is pumped into the waving bag. Slowly the red and white orb begins to fill and lift itself from the ground. In ten minutes it stands tight and proud.

The crew climbs aboard the 4 x 4 foot gondola and casts off. The first movement is imperceptible. The seven-story giant climbs effortlessly. The ground crew mans the car and everybody is off for a joy ride over the country. Two and a half hours later the balloon descends seven miles outside Kent City. It was a pleasant and exciting way to wake up to a Saturday morning.

Douglas Mills right and Gordy Bursma, unloading balloon from trailer.

Searching For Card Players

Do you like to play Euchre? Bridge? Well, if you do, the Lowell YMCA is searching for participants in the Couples Euchre and Ladies Social Contract Bridge Tournaments.

The Tournaments are scheduled to begin the week of October 4 and will end in early April. Couples will play once every two weeks in each others homes. All tournament couples and their guests will meet together for a Mid-tournament party (January) and a final party (April).

If you would be interested in playing in either of these tournaments, please call the "Y" at 897-7375 or 897-7115 before noon Thursday, September 30th.

Girl Scout Notes

MODEL FASHIONS

The Cadette Girl Scouts of Lowell aided the J. C. Penney firm at Woodland Mall in opening their new Girl Scout Department by participating in a fashion show last week end.

Claudia Jones, Linda Scheidel, Carol Thomson, Judy Hoover and Mary Lessens modeled Girl Scout clothing and displayed equipment on Friday evening and Saturday morning, September 24 and 25.

SERVICE PROJECT

Taking on the service project of boosting the Christmas Decoration fund for the City of Lowell, the Girl Scouts of Lowell have planned two separate bake sales for Saturday, October 9.

The fresh home-baked goods will be on sale from 9 a.m. until 3 p.m. at Lippert's Pharmacy on East Main Street, and Eberhard's Thrift-Mart on West Main Street.

This is a service project for all Brownies, Juniors and Cadettes.

Square Dance Lessons

"Swing your partner," will be one of the calls that will echo through Bushnell School on Monday evenings as square dance lessons will be the activity on the agenda.

Anyone interested in the art of square dancing, and would like to learn the fundamentals, etc., are urged to take part in the lessons given each Monday night from 7:30 to 10 p.m.
