Wandering Patients?

By: SAM

Last Tuesday, a man wandering aimlessly about the City, boastfully proclaiming his authority as head of the government and ruler of all, after a tug and war session with the local law enforcers was returned to his residence—a custodial care home within the community.

The investigation showed that substitute help had failed to give the patient his proper medication, which caused him to go into a state of deliriousness.

Another incident the same day, causing police investigation, found a patient suffering unbearable pain from a hernia condition, that had been overlooked for many years, because no one wanted to assume the responsibilities—neither from the humanity or financial aspect of the situation.

City officials last month conducted a survey of nursing and custodial care homes in the community, which found eight of the 14 inspected in direct violation of the City's governing ordinances. In the 14 homes surveyed, there are a total of 66 patients.

When you sit down and evaluate the above incidents, it's a pitiful story with a somewhat terrifying tail-twisting plot.

What might have happened if the local law enforcers had not been alerted of the situations, has put a lot of local residents in a state of "uneasiness." One can only visualize what could have happened, or what the headlines might have been in this issue.

What is the next step? Perhaps a state investigation should be called to see if the wandering patients have the required supervision to keep them intact, or they have a bonifide recreational or educational program to keep them occupied and off the streets.

Or maybe, the city should revamp their governing ordinances to put a controlling clamp on this type of housing in a small community such as Lowell.

Whichever road is taken, something must certainly be looked into by our city officials.

Taking Survey On School Enrollment

What is the school enrollment in the United States this fall? Robert G. McWilliam, Director of the Bureau of the Census Data Collection Center in Detroit, announced today that a number of households in this area will help to provide the answer when they are interviewed by Census Bureau representatives during the week of October 18-22.

The questions on school enrollment and related subjects such as living arrangements of college students will be in addition to the usual ones asked in the monthly survey on employment and unemployment conducted nationwide by the Bureau for the U. S. Department of Labor.

The October 1970 survey showed that 60.4 million persons from ages 3 to 34 years were going to school, from nursery school to college. This was 56 percent of the U. S. population. Of the 29.3 million in this age group not enrolled in school, 27 percent were high school graduates.

The monthly survey of the labor force provides a continuing measure of economic conditions in the country. The August survey found that both employment and unemployment had risen, as the labor force increased sharply. Unemployment, on a seasonally adjusted basis, edged up to 6.1 percent of the labor force, from 5.8 percent in July.

Interviewers who will visit households in this area are: Shirley Ford and Mrs. Lucy Hall.

Women Accountants To Meet

The Grand Rapids Chapter of the American Society of Women Accountants will hold their October meeting at Finger's Restaurant on Tuesday, October 19, at 6:30 p.m. A. L. Risdon, vice president of MultiVest Securities Inc., will speak on Economics of Equity.

Reservations can be made for members and their guests by calling Bernice Derda, 453-4773 or Betty Frantz, 452-2224.

United Funds 'Flying Squad'

The United Fund Mobile and a "Flying Squad" of eight young women will be in Lowell, Tuesday, October 19, to inform local residents about the United Fund and the 1971 campaign which is now underway and to answer any questions about the United Fund.

The Fund Mobile, a Volkswagen bus which was donated for UF use by Import Motors Ltd., will be at the Levy Restaurant parking lot.

On Monday, October 18, the United Fund Mobile will be in Kentwood, Caledonia and Grattan. The tour is one of the activities of the United Fund's Women's Division.

Leadership Diplomas Awarded To Jaycees

Five officers of the Lowell Area Jaycees were awarded Leadership-In-Action diplomas at the October 6 Jaycee meeting. Larry Kaiser and Ray Jones, internal and external vice president respectively, received two of the awards. Others were presented to Gary Rash, secretary; Barry Emmons, LIA director and Norm Veliquette, local president.

Leadership-In-Action is a program of personal growth and the basics of leadership. It is particularly valuable for young men striving to learn effective community involvement. The course was prepared especially for Jaycees with consultations of professionals in the personal development field.

Mrs. Dennis (Betty) Hockenberry, president of the Jaycee's auxiliary received her LIA diploma at the Jaycee meeting October 11. Mrs. Hockenberry graduated from the six-hour leadership course with the Jaycee executives. Norm Veliquette, Jaycee president, was the course discussion leader and awarded the diplomas to the graduates.

The personalized hand-lettered diplomas were sponsored by Carroll Streeter, CLU, local agent for the Massachusetts Mutual Life Insurance Company. Massachusetts Mutual also co-sponsored development of the leadership handbooks used in the course.

Barry Emmons, LIA director, announced at the Jaycee meeting that seven additional members have signed to participate in the course to be conducted this fall. The new group includes additional Jaycee directors and project chairmen.

Pollution Fighters Collect 22 Tons

The Forest Hills Students To Overcome Pollution (S.T.O.P.) extend their thanks to the environment conscious souls who helped make their September paper and can drives a success. Over 22 tons of would-be garbage found its way to the collection trucks with the following breakdown: 16.5 tons of newspapers, 4.4 tons of magazines, and 3,300 lbs. of steel cans.

S.T.O.P. plans to hold more drives in mid-December. Now is the perfect time to start bundling newspapers and flattening cans.

Nancy Matthews, president of the group, offered help to any school or community organization interested in setting up a similar program. She can be reached at 949-2054.

Draft Calls Are Resumed

Draft calls will be resumed in November and December for 1971 first priority registrants with random sequence numbers 125 and below, state Selective Service Headquarters has announced.

Draftees will also include volunteers and extended priority registrants with random sequence numbers 190 and below. The 1971 first priority group includes registrants born in 1951 or earlier who received lottery numbers of 125 or below in 1970 or 1969 and who are available for induction during 1971.

Registrants selected for induction will receive at least 30 days notice instead of the 10 days required under present regulations. All inductions will be completed by December 9.

Students and teachers who are reached for induction in November and December may have their inductions postponed to the end of the current semester, quarter or term.

Local boards have been directed to suspend action on all classifications, personal appearances and appeals until new regulations are issued under the 1971 amendments to the Selective Service law.

Local boards will continue all other normal registration, physical examination and induction procedures pending issuance of new regulations. Registrants should continue to submit information to draft boards which may affect their classification.

Tag Day Collections

Tag Day collections by the Church Warus Class and the Tags of the Cascade Christian Church totaled \$150.15 this year.

The funds collected will be used by the Sunshine Guild at the Kent Community Hospital.

In their annual collection drive, the Church Awards Class (seventh graders) edged out the TAGS (eighth graders) in a friendly competition match, with a total of \$79.37.

Drug Raid Nets Eight Arrests

A "pot party" in a converted chicken coop, north of Lowell, was raided Friday night, October 8th, netting eight arrests.

Following a tip, Kent County Sheriff's Deputy Robert Grummet and Policewoman, Rachel Bowman, assisted by the Lowell Police Department embarked on the party at 10 p.m.

The raid and arrests followed a long and extensive investigation and surveillance of the premises at 538 Flat River Drive.

Caught and charged with the possession of marijuana were Kirby G. Musick, 18, Michael F. Davies, 20, Greg Callier, 17, Arnold Terry Totch, 18, and Susan Hendricks, alias Bonnie Sue White, 19, all of Lowell.

Three juveniles, all under 17 years of age, also trapped in the raid, were turned over to the juvenile authorities.

The four boys charged, demanded examination before 63rd District Court Judge Joseph B. White, who set bond at \$2,000 each. Miss Hendricks, who allegedly hosted the party, was ordered to post bond of \$5,000.

During the raid, officers found two lids of marijuana and a small quantity of hashish. The confiscated items were field tested at the scene and showed positive, and gave good results that the material was good stuff.

Helping the county law enforcers to execute the raid successfully, on the chicken coop, which had been completely remodeled and carpeted throughout were six members of the Lowell Police Department: Chief Barry Emmons, Sgt. James Hutson, Sgt. Arthur Farley, Wendell Tate, Gary Rash and Steve Pace.

Uni-Walk For UNICEF On October 24

There will be a new twist to the annual "Trick or Treat for UNICEF" drive in the Forest Hills area this fall, when close to 100 teen-agers leave Cascade Christian Church (following morning services) on a ten-mile hike, Sunday, October 24.

Hiking against hunger, the young people will approach local residents prior to the march, seeking sponsorship on the hike. Each marcher will seek several backers who agree, in advance, to pay so much for each mile walked.

The over-all UNICEF goal established for this year by the Youth Council totals \$1,500. Last year's collections totaled \$1,118.55.

The hike chairman for the October 24th walk will be Miss Jan Shearer, 6654 Brookhill Ct. In addition to Miss Shearer, co-chairmen have been named for the over-all drive in the persons of Miss Karen Fulscher, 116 Robin Hood, NE, and Brian Bishop, 1117 Argo, SE.

As in the past years, junior high youth groups in the church, along with Boy and Girl Scouts and others, will make door-to-door visitations in the Cascade, Eastmont and Forest Hills areas seeking UNICEF (United Nation's Children's Fund) gifts. Children and youth in Kent County last year raised over nine thousand dollars, with nearly eight million dollars collected throughout the United States.

Collections will take place throughout the period of October 23-30, at the convenience of different youth organizations involved. All monies will be handled through the treasury of the Cascade Christian Church Youth Council of which Mrs. Ralph Schurtz, 1633 Thornapple River Drive, Grand Rapids, Mi. 49506, is treasurer.

Soft Contact Lens Comes To Lowell

The much-publicized and long awaited "soft" contact lens was the subject of a study seminar recently attended by Dr. Herbert R. Mueller, Lowell optometrist.

After almost ten years of research, testing and improvement by Bausch and Lomb, the soft lens was approved by the Federal Food and Drug Administration for use by the profession in April of this year.

Dr. Mueller's office will be one of the first offices in West Michigan completely equipped for fitting of the new lens.

Dr. Mueller stressed that while the soft lens is far more comfortable and easier to get used to initially, it will not solve some visual problems adequately. Therefore, in its present form it will not be usable for all people with visual problems. Only personal examination and evaluation can determine who will or will not benefit by the new lens. He has written an objective evaluation report, a copy of which is available free at his office for anyone interested.

Encounters Difficulty Boarding Bicycle

Vern Burges of Route 2, Belding was arrested by officers of the Lowell Police Department October 9 for being drunk and disorderly.

Officers were summoned to the corner of Main and Broadway Streets, to check on a subject who was encountering difficulty in boarding his bicycle.

When officers arrived, the subject was found lying underneath his bicycle. Unable to get up, he was helped to a standing position, where his stability wasn't good enough to remain erect.

Following a half hour investigation trying to locate his residential address, the local authorities took Burges to and lodged him in the Kent County Jail.

Tousignant Caught In Foot Race With Police

Officers of the Lowell Police Department arrested Monty Lewis Tousignant Sunday night, October 10, for being a drunk and disorderly person.

Called to Mel's Bar on West Main Street, where Tousignant was reported fighting and using abusive language, the investigating officers arrived at the scene as Tousignant was fleeing away on foot.

The officers gave chase, making the apprehension. He was arrested for being drunk and disorderly and was lodged in the Kent County Jail.

Proclamation

Mrs. Doris Boyd, president of the Lowell Business and Professional Women's Club confers with Lowell City Mayor Harold F. Jefferies, as she signs necessary papers proclaiming October 17-23 as National Business Women's Week.

NATIONAL BUSINESS WOMEN'S WEEK

WHEREAS, working women constitute 26 million of the Nation's working force, and are constantly striving to serve their communities, their states and their nation in civic and cultural programs;

AND WHEREAS, a major goal of business and professional women is to help create a better world for all human beings through the study of social, educational, economic and political problems; to help them be of greater service to their community; to promote an ERA OF RESPONSIBILITY in all phases of daily living and to further friendship with women throughout the world;

AND WHEREAS, all Michigan citizens are proud of the leadership of these women in their many fields of endeavor, and their acceptance of their role of responsibility in the economic and social growth of our state;

NOW, THEREFORE, I Harold F. Jefferies, Mayor of the City of Lowell, Michigan, do hereby proclaim October 17, 23, 1971 as

NATIONAL BUSINESS WOMEN'S WEEK

in Lowell and urge all citizens, civic and fraternal groups, educational associations, news media and other community organizations to join in this observance by encouraging and promoting the celebration of the achievements of all business and professional women as they contribute daily to our economic, civic and cultural development.

Given under my hand and Seal of the City of Lowell, Michigan this 4th day of October in the year of Our Lord one thousand nine hundred seventy-one.

Final Fling!

A "final fling," climaxing the Fallsburg Covered Bridge Centennial celebration will be held this Friday, October 15.

Fallsburg's Fall Festival, slated to start at 8 p.m. will be the only chance to see our official 100 year Covered Bridge. Cider and doughnuts will be furnished.

Joe Barcelow will provide the square dance music as Neva Barcelow calls the rounds. Plan now to attend.

Counties Cooperate In Accident Survey

Thirteen Michigan counties and 10 in Ohio are cooperating in a farm machinery use study to establish farm accident frequency rates (accidents per 1,000 hours of use).

"We are surveying some 3,000 Michigan and Ohio farmers," says Howard J. Doss, mechanization specialist at Michigan State University.

According to Doss, machinery accident rates will be useful in:

- (1) Avoiding overly restrictive farm legislation. New federal regulations on farm labor and machinery are anticipated. This information could help assure that legislation is based on fact and not emotion.
- (2) Designing safer machinery.
- (3) Establishing reasonable insurance rates.
- (4) Improving safe machinery operation training programs. (These are carried out by 4-H, FFA and other organizations).
- (5) Making farm management decisions.
- (6) Improving machinery storage.

The project is funded through a \$27,500 grant from the American Farm Bureau Research Foundation.

New Orleans Motif

A touch of New Orleans motif, wrought iron pillars are being added to the front of the Village Inn on West Main Street. This is the fifth business along the Main Street thoroughfare that has taken to the idea of renovation along these lines. Last week, the Lowell Cafe, who added wrought iron lights to their face lifting project had a grand opening in celebration of their interior and exterior remodeling endeavors. Other businesses on Main Street using the lace-like decor are the Drake Gasoline Station and State Savings Bank on East Main Street and Lippert's Pharmacy in the heart of the city.

Alto Mothers' Club To Sponsor Learning Festival

The Alto Elementary School in Alto will sponsor a Learning Festival from October 18 to October 21. Students will be able to browse and purchase educational material. The Learning Festival will be open between the hours of 9:30 and 3:30 with Open House on October 19, 7 p.m.

There will be magnificient, simple science experiments, dinosaurs, magnets and motors, spelling games, nature collections, history and geography activities, number games, educational handicrafts and many other materials representing all areas of interest to children. Materials may be purchased at popular prices. This is a convenient, easy and pleasant way to provide your children with meaningful learning materials. Wonderful for gifts, too.

The Learning Festival Committee invites all students, parents and visitors to attend the Festival. The event will not only help around student interest in learning, but will also contribute to a worthwhile project. The school profits from all sales, and the proceeds will be used for Science equipment.

The Alto Mother's Club is sponsoring this program, with Mrs. Ervin Church serving as Learning Festival Chairman. The committee includes Mrs. Harold Metternick, Mrs. Daniel Haver, Mrs. Kenneth Merriman and Mrs. Dale Johnson.

Heads Alumni Fund

Ray F. Bauer, assistant vice president of the Grand Rapids Branch of the Michigan National Bank, and Andrew G. Robel, account executive at Merrill Lynch, Pierce, Fenner and Smith, Inc., are heading up the 1971-72 Aquinas Alumni Fund. Kick off date for this year's Alumni Fund is October 19. Last year, Aquinas alumni broke all previous records in their support of the College and Bauer and Robel hope to continue the upward trend.

Promoted To Trust Officer

Thomas W. Walkles has been promoted to the position of Trust Officer at Old Kent Bank and Trust Company. Mr. Walkles joined Old Kent's Trust Department in February and is currently serving as a Probate Administrator.

He is a graduate of Calvin College, receiving his A. B. Degree in 1966 and his law degree from Wayne State University Law School in 1969.

Prior to joining Old Kent, Walkles served as an attorney with the law firm of Rhoades, McKee & Boer.

'Every Picture Tells A Story'

'Every Picture Tells A Story' will be the theme for Homecoming at Saranac High School this year.

Each class has chosen representatives for the court and are diligently working on their floats.

Voting took place Friday, October 8th, for representatives of the Homecoming court. Chosen to represent the ninth grade are Nancy Hewitt and John Hubbard. Sophomore representatives are Tim Spangue and Tammy Williams. Representing the Junior class are Patty Andrus, Pam Fourtsein, Renee Rainer, Dave Vroman, Ron Goff, and John Brown. Senior class representatives are Gloria Rymerson, Kathy Hoag, Lois Reinhardt, Colin Hill, Mike Mason and Stuart Swager.

Final voting for King and Queen will be the 29th of October and the results will be announced at the game that night.

Along with the crowning of the queen, half-time festivities will include a parade of floats. Each class enters a float for competition. A limit of twenty-five dollars is placed on the cost of each float.

Floats are judged on their relationship to the theme, their originality, and overall appearance.

Mr. and Mrs. Keith Arvey celebrated their 25th wedding anniversary Sunday with relatives and friends.

Mr. and Mrs. Howard "Doc" White have returned from their summer home in fronton to spend the winter months at their Key Heights home.

Frank Baker of 701 Amity has returned home after surgery at the Grand Rapids Osteopathic Hospital last week.

Community Choir Begins Practice

Tuesday night, October 5, the Saranac Community Choir began practice for the Cantata "Night of Miracles" which hopefully will be presented December 12, 4 p.m., at the Saranac Community Church.

Practices will be every Tuesday and Thursday night at 8 p.m. at the Saranac High School Cafeteria. The choir is open to anyone who wishes to participate.

The choir, under the direction of Sandra Ward has in the past presented the cantatas "Joy to the World," "Born a King," and "Behold Your King," all of which were arranged by John W. Peterson.

These cantatas have proven to be very inspirational to all who attended them. Connie Hodgman

OBITUARIES

HARRY M. KINSLEY

Funeral services were held Wednesday afternoon at the Roth-Gent Funeral Home for Harry M. Kinsley, a life-long resident of Lowell. The Rev. F. Ervin Hyde of the First Congregational Church of Lowell officiated, and burial was in Lowell's Oakwood Cemetery.

Mr. Kinsley, 94, of 217 S. Jefferson, passed away Monday, October 11, in a local nursing home.

One of the oldest remaining senior citizens of the community, Mr. Kinsley was born March 5, 1877, in Lowell, the son of Abigail and Elson Kinsley.

In his early years he delivered groceries with a horse and buggy, and had a milk route. Later, he worked in various factories.

He is survived by two daughters, Mrs. Katherine Blomshine of Lowell and Mrs. Helen Brown of Marquette; four grandchildren; four great-grandchildren; and three great-great-grandchildren.

Around The Area

SOUTH BOSTON - The annual meeting of the Old Timer's Club was held at the June Fahren home Sunday, September 26, with an attendance of forty. After the potluck dinner a short business meeting was held. This opened with a prayer offered by Mrs. Hope Sergeant. Irwin Heidrich was elected president for the coming year and Wilbur Young, vice-president. Mrs. Andrew Kole, secretary and treasurer. The group will meet with Mrs. Pearl Roth of Lake Odessa next year.

The rest of the afternoon was spent in visiting and recalling old times. Dr. and Mrs. Neil Stuart were guests from the longest distance away and Mr. and Mrs. Ben Aldenick were the oldest couple present. All left in the late afternoon thanking Mrs. Fahri for her hospitality in opening her home for this enjoyable occasion.

Mr. and Mrs. Keith Arvey celebrated their 25th wedding anniversary Sunday with relatives and friends.

Mr. and Mrs. Howard "Doc" White have returned from their summer home in fronton to spend the winter months at their Key Heights home.

Frank Baker of 701 Amity has returned home after surgery at the Grand Rapids Osteopathic Hospital last week.

Above The Board School Site Selected

Monday night's meeting of the Lowell Board of Education was lengthy!

The site was definitely decided upon although not yet acquired. It will be on Foreman Road north and west of the high school. The owners of the property and school officials have not yet been able to reach an agreement on fair terms of purchase. Since several meetings have been held between the school attorney and the owners of the site some members of the Board expressed irritation at the delay.

Suggesting that action begin immediately on condemnation proceedings to acquire the property, Board Member Dave Miller said, "I feel we've got to get going. There is still plenty of time to negotiate and settle out of court after the wheels are in motion."

Siding with Miller, Board President Robert Reagan stated, "I feel the same as you do, Dave. I think a firmer stand on our part will bring this thing to a head."

Bids were opened on fleet insurance with Farm Bureau submitting the low bid. The matter was turned over to the insurance committee for further action.

Bids were also opened on snow removal and the contract was given to Zigmont Brothers of Lowell.

The Board gave the go-ahead to Sturp, Slatke to hire a part-time Outdoor Classroom director and two more elementary teachers to ease the class loads in 4th and 5th grades.

The school budget for the new year was explained and accepted.

Jack Noon Honored At Memorial Service

Jack Noon, first Saranac alumni to die in action in Vietnam, was honored at a memorial-dedication service in the Saranac High School Cafeteria Wednesday, October 6.

Mr. and Mrs. Cloyd Noon, Jack's parents, and brother, Harvey Noon, and family were guests of honor. Vice Mayor Andy Stuart unveiled a plaque which will be displayed in the commons. The plaque commemorates the sacrifice that Jack made in the service of his country.

Words of solace and prayer were given by the Reverend John Hancock.

Vicky Clark

Forger Apprehended

A man wanted on a warrant held by the Lowell Police Department was apprehended October 10, in the 100 block of Lexington Avenue in Grand Rapids.

Working on a tip from the Rockford State Police, and with the aid of the Grand Rapids Police Department, the Lowell Police Department went to 121 Lexington, S.E., where their suspect Albert Forster was residing.

Wanted on a warrant of forgery, uttering and publishing, by Lowell authorities, Forster was lodged in the Kent County Jail.

Ada Christian Schools' Annual Auction Saturday

New and used items will go up for sale this Saturday, October 16 at 11 a.m. when the Ada Christian School holds their annual auction sale.

Nelson Zoet will man the auctioneer's gavel when articles contributed by school supporters and area businessmen will go to the highest bidder.

In case of rain, the auction will be held in the school's gymnasium. A lunch, sponsored by the Mother's Club, will be available.

The Ada School, located at 7192 Bradford Street, will use the proceeds to boost their general fund.

Engagement Told

Dr. Donald Gerard then mentioned that the property owners may be waiting for advice from an individual out of the State and this might be causing the delay.

It was finally decided to give the property owners a limited time to reach an agreement with the attorney. If not, then, acting on the legal premise that public good must take priority over private ownership, condemnation proceedings will begin.

Speaking on the actual design of the new Middle School, Principal John Gabriel and Architect Donnelly Palmer next addressed the meeting.

"After viewing many schools and studying many proposed plans it is very apparent that all new construction is moving toward a so-called 'open plan' in structure," Gabriel began. "At this point we feel that it is important to encourage students to explore and to expose them to many new areas so that, when they enter high school, they will be ready to choose the subjects that they want to study in depth. How to learn rather than what to learn is important in the Middle School grades," he said.

"In open education, we are placing the emphasis of education squarely where it belongs, on learning and on children," the principal added, "and the design of the new building has been set up to do this in the best possible way."

Architect Palmer then took the floor and exhibited and explained the floor plan of the new building. "In keeping with the gymnasium and cafeteria (combined cafeteria and auditorium) are back to back in the second section," he explained. Another feature is the grouping of a unified arts center for graphic arts, crafts, fine arts, hand tools and home economics to ease work on a common project.

Mr. Palmer stated that as far as time schedules is concerned, the preliminary drawings are expected to be complete by November 15 and the working drawings by March 9. Construction should begin by April 1. It is expected that the building will be complete in August, 1973.

Bids were opened on fleet insurance with Farm Bureau submitting the low bid. The matter was turned over to the insurance committee for further action.

Bids were also opened on snow removal and the contract was given to Zigmont Brothers of Lowell.

The Board gave the go-ahead to Sturp, Slatke to hire a part-time Outdoor Classroom director and two more elementary teachers to ease the class loads in 4th and 5th grades.

The school budget for the new year was explained and accepted.

Registration Days For Cascade Cub Scouting

Any boys in the Cascade area interested in Cub Scouting are urged to attend one of two registration sessions set up. The first registration will be this Saturday, October 16 from 10-12 noon in the Fellowship Hall of the Cascade Christian Church.

Monday, October 18, in the church parlors of the Cascade Christian Church, from 7 to 8:30, the second registration period will be held.

Any boys ages eight through 10 are invited to share in this program of Cub Scouting.

All boys must be accompanied by a parent. Registration fee is \$2.

Collector's Club To Meet

The Pied Piper Collector's Club will meet October 19, to take a tour through the Ancestor Shop in Ramona Shopping Center, and hear a guest speaker.

Mrs. Lawrence Bickley, the shop's owner, will give a descriptive talk of the articles on display, as the club's members browse around.

This is a special meeting, and members are asked to be at the shop at 7:30 p.m.

GRAND RAPIDS, MICHIGAN 49506

We are the original Cascade-Ada Real Estate firm.

With nearly 20 year's experience here try us on your next listing or Real Estate needs.

You will be delighted.

Uncle Sam isn't the only one who can cut new car prices.

FROM NOW THROUGH NOVEMBER, UNION BANK'S CUTTING THE COST OF NEW CAR LOANS

Fighting inflation is everyone's job. And that includes us. So we've decided to reduce our new car loan rate drastically for the early in the selling season.

What does this mean in dollars and cents? Here's a good example. If you finance a new car now for \$2000 over 36 months at Union Bank's new 9 1/2% ANNUAL PERCENTAGE RATE, your monthly payments will be \$62.83. But if you finance it at 11.00% ANNUAL PERCENTAGE RATE, your payments will be \$85.22 a month.

That \$22.39 per month difference adds up to a total of \$806.04 over the three-year finance period. (Not a bad saving for the early in the selling season.)

Naturally, our new low car loan rate is available for any borrower 1971's still in dealer stock as well as the 1972 models. So remember, if you're going to buy a new car, act now and the end of November, you're entitled to our new low loan rate. Before you sign anything, make sure you're getting a 9 1/2% ANNUAL PERCENTAGE RATE. Union Bank in your neighborhood.

NEW LOW RATE MONTHLY PAYMENT CHART
(12, 18 and 36 month loans also available)
Use this chart to compare our deal with all the others.

Loan Amount	9 1/2% ANNUAL PERCENTAGE RATE			11.00% ANNUAL PERCENTAGE RATE		
	12 Months	18 Months	36 Months	12 Months	18 Months	36 Months
\$1000	\$83.33	\$55.56	\$37.04	\$95.24	\$63.50	\$42.59
\$2000	\$166.67	\$111.11	\$74.08	\$190.48	\$127.00	\$85.18

Bright Harvest Moon Brings Shorter Days

A bright Harvest Moon and shortening days are among the astronomical features of October, says University of Michigan astronomer Hazel M. Losh.

Defined as the full moon nearest the autumnal equinox, the Harvest Moon will first appear on the 14th. The peculiarities of the air and the suspended dust particles "trip" most of the blue rays in light, allowing red to dominate. The Harvest Moon may also look larger than usual while near the horizon, but Prof. Losh says this effect is considered an optical illusion.

Another feature of October is the noticeable shortening of days. Prof. Losh says. Twelve-hour days begin the month, but they will be reduced to 10 hours and 20 minutes by the end of October.

SOUNDS TERRIFIC!

Top awards for female and male vocalist at the TV and radio announcers' national convention were captured by Aretha Franklin and Marvin Gaye recently in Chicago. Female and male group awards went to Honey Cone and Jackson Five. . . The nation's DJ's voted Gladys Knight and the Pips best suited group. . . Bill Withers and Sam Knight most promising newcomers. . . Hollywood movie-makers rock and roll past. Woodstock with two new films, "Madonna Ball Caravan" and "Silver Tongued Devil". Caravan's free-form camera work is surprisingly well-paced and the soundtrack by the Youngbloods and Delaney and Bonner is nicely coordinated with appearance by Ed Vashelton and Stanggaard. . . In the "Devil," Kris Kristofferson pleases with a minimal style that makes the polished actors he plays against seem phony. . . Bee Gees, whose "How Can You Mend a Broken Heart" hangs high on the charts, served in the U.S. for a 20-day tour coinciding with their "Traveller" album release. . . The Tins will share the bill with the charts' number one. . . Another gold disk goes to John Denver for "Take Me Home, Country Roads". . . This is John's first award as a performer. . . His song "Leaving On A Jet Plane" by Peter Paul and Mary also hit the golden mark. . . And speaking of gold records, Jefferson Airplane's "Bark" was certified even before the charts came out with it. . . Ramsey Van Fleet is trying again with "Golden Hills No. 2". . . She was the first female country artist to reach a million. . . Among contenders for the throne left by the death of Janis Joplin and Grande Sierra's slow song is Ruth Copeland who creates a high intensity performance when she has a good instrumental accompaniment. . . The only thing that can keep the Afro-rock band, Outlaws from becoming a name is their music. . . They sound like Santana's "Watermelon Man" with Otis Spann's drummers, Blood, Sweat & Tears' brass and the Herbie's guitar thrown in. . . Gil Mello who scored the "Andromeda Strain" does the electronics for "The Organization," third Vinyl Bible detective for Sidney Poitier. . . The best disc, second album catalog we've seen to date is one by 7-Up. . . Savings are indicated in hundreds of tapes and LP's. . . Only \$5.99. . . Free Performance Demonstration. . . Better hurry. . . while they last!

Girl Scout Notes

Bike Hike

The Cadettes of Lowell participated in a bike hike on October 2nd, with all the girls of District II. Starting at East Grand Rapids they went to Dutton Park and back. Altogether it was 18 miles. We met new friends and had a lot of fun.

We'd like to thank everyone who helped to make this trip possible, especially Mrs. Margaret Jones, one of our adult advisors on who "biked" with us, and Tom Scheidel who helped transport the bikes.

Michele Heintzieman

Bake Sale

All the Browns and Girl Scouts of Lowell would like to thank Lippert's Pharmacy and Eberhard's Thrift-Mart for allowing us to hold our bake sale. We would also like to thank all of the community who cooperated and bought baked goods.

We are sure the City of Lowell appreciates the support of the community in raising money for the Christmas Lighting Fund.

Divide Youth Church Choirs

The Children's Choir at the Cascade Christian Church has become so large, with a weekly attendance of 34, that the director, Mrs. Robert Woodrick has chosen to spawn off the kindergarten, first and second graders into a choir all their own.

To be known as the Church Choir, the young singers will have their initial rehearsal on Saturday morning, October 23.

Mrs. Woodrick's Saturday morning rehearsal schedule will be running as follows, beginning October 23: Junior Hi Folk Choir (6th grade plus all junior high youth) 9 a.m.; Children's Choir, (3rd-5th grade) 10 a.m. and Church Choir (kindergarten through second grade) 11 a.m.

RLDS Church To Hear Guest Speaker

A guest speaker will take over the pulpit at the 11 a.m. worship service this Sunday, October 17, at the Reorganized Church of Jesus Christ of Latter Day Saints, Alaska.

Elder Varian Bauman of Greenville will use as his topic "Gaining Power to Overcome," when he visits the church.

At the 7 p.m. evening worship, Elder Robert Johnson will use as his theme "Organize Ourselves." Prior to both worship services, Church School for all ages will be held at 9:45 a.m. Wednesday, October 29, High Priest Dirk Venema will have charge of the annual election of officers of the church. This important phase of the church programming will start at 7:30 p.m.

The Women's Department is having a family style chicken dinner on Thursday, October 21, at 6:30 p.m. Tickets may be secured by calling Bonnie Colburn at 698-8567.

TUESDAY, OCTOBER 26

Annual Harvest Turkey Dinner with all the trimmings Tuesday, October 26, from 5:7 p.m. at the First United Methodist Church of Lowell.

Alpha-Omega Players Portray 'Adam And Eve'

The K-3 class of the First United Methodist Church of Lowell presents Mark Twain's wisdom and gentle humor in "The Diary of Adam and Eve," to be performed by the nationally acclaimed Alpha-Omega Players on November 2, 8 p.m. in the Lowell High School Auditorium.

Music, humor and nostalgia combine to provide a new perspective on the lives of the first man and the first woman. Adapted from a short story by Mark Twain, with music by the composers of "Fiddler on the Roof," this is the story of the beginnings of the age-old struggle between men and women, as relevant today as it was in the Garden of Eden.

America's beloved humorist and storyteller, Mark Twain, writes compassionately and with great understanding of the sensitivity and gentleness of Eve, and the strength and often hidden sensitivity of Adam. Written in memory of his wife, "The Diary of Adam and Eve" is a poignant, humorous, and thoroughly entertaining evening.

Starring in "Adam and Eve" will be the talented young actors Jen Graves, Kit Hunter, Scott Avery, Barbara Lowry and Paul Tankerley of the Alpha-Omega Players of Dallas, Texas. Alpha Omega Players, Repertory Theatre of America, has travelled over 400,000 miles in the last three years, performing in 45 of the 50 states, making them the most active touring theatre group in the country.

Drexel H. Riley, producer-director of the talented group of young players, has chosen Mark Twain's "The Diary of Adam and Eve" as an evening for the entire family.

Performance time is 8 p.m. For full information and tickets contact the church office at 797-7514 or Mrs. Ruth Johnson at 676-9504.

Sparta Hosts Fall Meeting

The Sparta Ladies Literary Club will be the host group for the Fall Meeting of the Kent County Federation of Women's Clubs to be held at the United Methodist Church of Sparta at 54 E. Division, Sparta, on Wednesday, October 27.

Mrs. William Vandenberg, President of the county organization, has announced the following agenda: 9:30 a.m. - Coffee and Registration; 10:15 a.m. - Morning Business Session with the program assignments as follows: Caladonia - International Affairs; Canaanville - Home Life; Cedar Springs - Fulton Lewis III, his topic will be "Where in the World Are We Going?" Tickets are available by calling 949-0865 or Republican headquarters.

Following the noon luncheon, special music by Sparta High School will be presented under the direction of Robert Stiles.

Don Bradford, one of the coordinators for Sparta's Quasi-centennial will be the afternoon speaker followed by the afternoon business session.

Reservations should be made before Saturday, October 23, with Mrs. John Van Houtum, 31 W. Mark, Sparta, or call TU 7-9531.

Annual Harvest Dinner Planned

Seculent turkey, with all the trimmings will be the menu at the annual Harvest Dinner Tuesday, October 26, at the First United Methodist Church of Lowell.

Under the general chairmanship of Mrs. Arnold Wittenbach and Mrs. Rowland Ryder, serving will commence at 5 p.m. and will continue through 7 p.m.

Mrs. Harold Wittenbach will head the decorations committee for the popular annual church event, with Mrs. Annabelle Wittenbach taking charge of the ticket sales.

Tickets, selling for \$1.75 for adults, and \$1 for children, may be secured by calling Mrs. Wittenbach at 897-9582 or 897-9277.

Bargain Bonanza

The Junior League of Grand Rapids will hold its 5th Bargain Bonanza at the Grand Rapids Civic Auditorium on Thursday and Friday, October 21 and 22. The sale will be open from 9:30 a.m. to 9 p.m. with great values offered in new and used merchandise.

The theme, "Up, Up, and Away in your Beautiful Balloon" applies to the League gathering a wide assortment of articles for sale in order to provide varied services for our community.

Tight Job Market

Despite the tightest job market in years, only 11 percent of Michigan State's spring graduates have been unable to get find employment.

Jack Shingleton, director of MSU's Placement Bureau, said, "We feel that this compares very favorably with other universities where as many as half of their students still have been unable to find work."

Shingleton said that his interview schedules at present do not indicate that there will be a change in demand by employers for the coming year.

Rangers Press Towards Title

It was another "business as usual" week for the Forest Hills Cross-country team. Currently, their overall record stands at 9-0 and their OK Red Conference is an unblemished 5-0. Kentwood matched strides with Forest Hills in league action last week, but remains a half-skip behind at 4-0.

The Forest Hills Harriers clobbered Grandville 22-39 last Monday. Jerry Salzwedel suffered his first dual defeat of the season as Grandville's Jim Herrema broke Salzwedel's course record at Johnson Park with a 12:24 clocking. Four seconds later Jerry crossed the tape with his season's best 12:28. John Rose raced to a third at 13:18 with teammate Bill Keenan taking fourth at 13:34. Grandville grabbed fifth. Chuck Schram and Rick Toll finished sixth and seventh for the Rangers.

Sports

The Courtly Dames

Forest Hills High School sports a female tennis team for the second year with this fall's squad. Mrs. Jane Ogilvie, a gym instructor, coaches the vivacious belles of the court. They've split their matches thus far, showing a 2-2 record. The Rangerettes dropped their opening tilt with East Grand Rapids 4-1, blanked Comstock Park 5-0 and Lee 5-0, then the girls from Wyoming Park squeaked past the ladies from Forest Hills 3-2. Kathy Weathers plays 1st singles for the team and Lin Benick 2nd singles. The doubles partners vary from match to match.

Composing the bulk of the squad are Robin Troala, Marva Hertry, Trish Kamey, Meg Lindholm, Rachel Ferguson, Sam Martin, Jody Chamberlain, Kim Lindholm, Pat DeAguiar, and Conny Masten.

On Monday the Rangerettes rub shoulders with the tough Hudsonville team... No, Mother, not the football team.

It's for fishing. Boating. Water skiing. All at Sandy Pines. A membership campground with country club privileges. With five miles of shoreline around the 200 acre lake. We're building the dam, and clearing the bottom. Come on out and watch the water splash.

In Pick a spot on a sandy beach. Swimming in August, ice skating and snowmobiling in December. You can be part of it. A member. Watching the fish jump. From a campsite reserved just for you. Ready when you are. No worry of crowding, because it's private, for members only. With country club privileges. Drive over soon... and watch the water splash in.

There's no Forest Hills blockers near the scene as Bob Barta sweeps left and in the homecoming game that saw West Ottawa come up with a 12-7 victory.

West Ottawa Spoils Gridiron Homecoming

A fourth period touchdown carried West Ottawa to a 12-7 victory over winless Forest Hills last Friday night. It was a miserable evening that had umbrellas popping and raincoats sliding in the mud.

Forest Hills received the kickoff, made a first down, but failed to sustain the assault. West Ottawa followed with a drive that lost gas on the Forest Hills 10. The teams punted back and forth for the remainder of the first quarter.

Midway through the second stanza Forest Hills cashed in on the first break of the game, a backfield fumble recovered by Forest Hills' defensive lineman Mike Anderson at midfield. Scott Vashaw, starting his first game as fullback, raved around left end for 20 yards. Moving with their most authority of the year the offense pushed towards pointland. Bill Heneveld was tabbed with the touchdown call on a nine-yard scamper with a key block thrown by running mate Bob Barta. That marked the first time this year the offense managed to crack the goal line. Vashaw's extra point sailed through the uprights giving the Rangers a 7-0 lead.

Near the end of the first half West Ottawa strung together a long pass and some consistent running, sending them to the Forest Hills 25. Heneveld stopped the threat by picking off a West Ottawa aerial.

Early in the third quarter the Rangers launched a drive that could have provided the needed insurance. On a fourth and one from the W.O. 15 the defensive line denied Scott Vashaw the first down.

Late in the third period broke loose on a 64-yard run to the Forest Hills 4. Three plays later Vork swept right end from six yards out for the score. The passing attempt for extra point was stymied by Vashaw's interception in the end zone. West Ottawa trailed Forest Hills 7-6.

The boys from Holland then attempted an on side kick but Anderson covered the ball for the Rangers. Moments later Forest Hills fumbled on their own 40. Early in the fourth quarter the Forest Hills defense forced W.O. to punt, but a screen pass developed out of punt formation that caught the Rangers off guard and sustained the drive. At 9:54 Vork sliced in from twelve yards out for the go-ahead TD. The extra point failed, West Ottawa 12, Forest Hills 7.

On their final possession Forest Hills came up with a first down still in their own territory with 4:21 remaining, but fell short on the next series. West Ottawa proceeded to run out the clock.

Players injured

In analyzing the game, Coach Frank Rosenegen felt the loss of defensive stalwart Bob Hinton in the second quarter was a crucial blow, and piled on top of this Bill Heneveld suffered an injury in the third period. With Forest Hills' strongest linemen out West Ottawa found it easier to move the ball. The loss of Heneveld also crippled the Rangers offensively as Rosenegen now regards the guard converted to halfback as his best block.

Mike Anderson turned in another fine game. Rosenegen considers him to be his best lineman, playing both ways. Offensive tackle Scott Vork improved from earlier showings, dumping a linebacker on his back with one block.

Someone once said, "A winner never quits, and a quitter never wins." Any team that considers Forest Hills a party could be in for a rude awakening. These boys still have pride; and when they travel to Grandville next Friday night the Bulldogs better be growing. The game starts at 7:30.

WINS ANGLER'S CREST

Tom Rockett of 6500 Grand River Drive won the salmon fishing contest held by Gilmore's Best Shop in Ada. The prize-winning fish weighed 42 pounds and was 28 inches long.

With a point for each pound and a point for each inch, Rockett scored a total of 70 points. His chinook salmon was caught near the High Railway on the Muskegon River.

Dick Craft of 938 Lincoln Lake, missed the first prize but a South Bend rod and reel combination by 1/2 point. His fish was 41 1/2 pounds and 28 inches long.

Both were nice fish but some fishermen report larger fish yet to be caught.

The salmon fishing contest ended last Sunday but there will soon be a pheasant contest held by Gilmore's.

More details will be available next week but in the meantime a little shooting practice never hurt.

Fall Harvest: Harriers Take Invitational

The Forest Hills cross-country team outdistanced eight other schools to capture the Class A first place trophy at the West Catholic Invitational last Saturday. That's the first team trophy ever won by the Forest Hills on the Muskegon River.

Dick Craft of 938 Lincoln Lake, missed the first prize but a South Bend rod and reel combination by 1/2 point. His fish was 41 1/2 pounds and 28 inches long.

Both were nice fish but some fishermen report larger fish yet to be caught.

The salmon fishing contest ended last Sunday but there will soon be a pheasant contest held by Gilmore's.

More details will be available next week but in the meantime a little shooting practice never hurt.

Top competitors in each age and weight class and rank were selected to compete in a team match.

As a member of the winning Michigan team which opposed the outstate team, David received a championship medal.

David is a member of the Ionia County Judo Club, which meets each Wednesday in the Saranac Middle School gym.

Most of the family of Dr. and Mrs. Robert A. M. Clark participate in judo. Dr. Clark, an older son, Robert, and daughter, Ann, are also Judoka.

Ann, a freshman at M.S.U., performed at a recent demonstration of the campus martial arts.

Robert, now a junior at Olivet College, has instructed judo sections of freshman physical education for two years.

Flaherty Finishes Fourth In League

Mark Flaherty paced the Forest Hills golf team in the OK Red Conference Meet at the West Ottawa Country Club last Friday. Flaherty fired a 78, losing third place to Don Hartman of Grandville in sudden death. High winds off Lake Michigan and rain plagued the players for most of the round.

East Grand Rapids and Grandville tied for the dual meet crown, but East's first place finish in this meet gave them the outright championship. The team stroke totals are as follows:

East Grand Rapids 316, Grandville 328, Rockford 332, West Ottawa 337, Forest Hills 353, Kentwood 341, and Godwin 380. Charles Vandenberg of West Ottawa claimed the first place medal with a 77, edging out East's Craig Johnson in sudden death.

Ted Zuiderveen played well from tee to green for Forest Hills, but had putting troubles and finished with an 84 as did teammate Jim Gabbles. The Rangers' fourth man, Dan Jockhoff, shot an 87. Coach Papp's linkers close out their dual meet season this Thursday with a non-league match against Kenowa Hills. On Saturday they visit Kalamazoo for the Class A Regional.

"On The Hook" 'Coho Fever' Spreads

Most fish have gathered near their "parent" streams where they will migrate to spawn. Fishing in the Great Lakes has slowed down considerably due to fish movement. Many steelhead and a few brown trout have shown up at piers on the Little Manistee and Platte Rivers. Spoken sakes are one of the most effective baits when fished along the bottom in deeper sections of the river. Lake trout are somewhat active in sections of Lake Michigan. They have been caught in deeper water but cooler water temperatures should have them in more accessible areas.

Fair catches of bluegill and perch have been reported on many local inland lakes. Fishing pressure, however, has been very light. Many area fishermen have been afflicted by "coho fever" that is spreading to epidemic proportions.

Coho and chinook salmon are starting their runs in many streams. The Grand River is close and fish have been consistently taken. Sauging is better when a run is "in" and fish are in heavier concentrations. Sixth Street Dam is one of the most popular spots because the salmon congregate there before trying to make their way further upstream. Approximately one out of 10 make it above Sixth Street Dam and swim upstream until they eventually get to the Lyon Dam in Ionia County. Unfortunately when there are fish, fishermen will follow. Early in the morning or during weekdays would be good times to fish near the Sixth Street Dam if you wish to avoid the crowds.

The Muskegon River is also a very popular salmon stream. Many fishermen report very few salmon caught near Croton Dam. Success seems to be generally better further downstream near Newaygo and the High Railway on M-46. Chinook salmon have caught regularly but as yet no coho have been reported.

Salmon snagging is a fun outdoor activity between hunting and fishing seasons. Both young and old enjoy the sport. All you need are several large weighted treble hooks, heavy line, rod, reel, and maybe a pair of water skis in case your fish decides to head out to Lake Michigan.

THE EXTRA POINT - Is good, as Bob Barta holds for Forest Hills' Mike Anderson, making the scoreboard read in the Rangers' favor 7-0.

Judo Champ In Saranac

David Clark of Saranac earned two medals Sunday, October 10 in the Downriver Y. annual show in Detroit.

At 102 lbs. ten-year-old David competed in the 11-year-old heavyweight division, where he earned a third place.

Top competitors in each age and weight class and rank were selected to compete in a team match.

As a member of the winning Michigan team which opposed the outstate team, David received a championship medal.

David is a member of the Ionia County Judo Club, which meets each Wednesday in the Saranac Middle School gym.

Most of the family of Dr. and Mrs. Robert A. M. Clark participate in judo. Dr. Clark, an older son, Robert, and daughter, Ann, are also Judoka.

Second Half Explosion Sinks Fulton 26-2

Saranac remained one-half game behind Montabella by beating Fulton 26-2 at Fulton Friday night.

Saranac scored first in the first quarter when quarterback Brian Kelly threw a pass to trailback Dave Vroman. The play covered 37 yards and accounted for the only score in the first half. The conversion failed. Score 6-0.

In the third quarter action got under way quickly when defensive end Peter Stuart roared in to block a Fulton punt. Saranac scored three plays later on a pass from Kelly to end Don Vroman. The conversion again failed. Score 12-0.

Saranac regained the ball later in the third quarter and drove to the Fulton 5-yard line where Dave Vroman took it in for his second touchdown. Pat Powell nipped in for the conversion making the score 20-0.

Saranac talked again in the fourth quarter when swingback Pat Powell scored on a 25-yard run around end. The conversion failed.

Fulton got two points when a snap from center went over the head of the Saranac punter and he was tackled in the end zone. Saranac plays Montabella Friday night at Saranac. Montabella, Tri-Central league leaders, won over Carson City-Crystal last Friday, 36-0.

Lowell 14-Grandville 14

Grandville Oct. 8. The Lowell Red Arrows continued their football schedule by traveling to Grandville Friday night. It was felt that with the inclement weather that the Lowell fans would not turn out. This was not the case as our boosters really filled the stands.

At about five minutes before game time, the weatherman came to our aid and the rain stopped. When these two defensive teams met, it's really not a football game anymore. It might well be an instant replay of "The Siege of Alamo".

If my history is correct I believe it was Jim Bowie who said, "We don't have to worry, we have Davy Crockett on our side." Playing against a strong Grandville team you may have heard young Chris Kroff mutter: "I don't have to worry, I have Veiter, Brower, Kliffar, R. Steffens, Beasum and E. Steffens." This is the way it went:

Lowell took the opening kickoff and drove the ball to the Grandville 45 and had to punt the ball away on the 4th down. The Arrow defense held Grandville on their own 25 and Grandville punted the ball to the Lowell 45 yd. line. Grandville's defense pushed Lowell back to their own 25 and Jim Bovee went back to punt only to have it blocked and Mike Cooper picked up the ball on the 10 yard line and went in for the T.D. The extra point was no good as QB Jim Dugan tried the middle of the Lowell line.

At the start of the second quarter, Grandville had Lowell backed deep in their own territory on the 2 yard line. Kroff, after three plays, pushed the ball out to the eight. Bovee then punted out to his own 47 yard line. The Big White and Red Machine then went to work. Grandville's QB Durham never got the chance to have the ball off to his speedy backs as Lowell's defense pushed them back to their own 45. On fourth down, Dave Veiter returned the blocked punt compliment to Grandville and Lowell took over on the Grandville 40. Kroff then started his assault on the Big Grandville Line, using Avery and Billock up the middle and right end Joe Rissard on a 15 yard pass. Kroff then plunged over the 2 yard line. Martine's extra point kick was no good.

On the kickoff Lowell's old nemesis returned as Martinez booted the ball to the Grandville 15 yard line where Steve Cappon took the ball and raced toward the sidelines and ran 85 yards for the T.D. On the extra point Durham sent Eisen off right tackle for the 2 points.

Halftime Score: Grandville 14 Lowell 6

The third quarter saw the stout defensive teams of both Lowell and Grandville work to perfection as the sea-saw exchanges of the ball went on for a total twelve minutes.

At the start of the fourth quarter, after an intercepted pass by Rusty Steffens, Lowell had moved the ball to the Grandville 20. Kroff, engineering the Arrows from the tight wishbone line, showed the Lowell fans the exciting quarterback option: He pitched the ball to Billock who rambled to the nine. He then sent Harden off right guard to the 5 yard line. Harden again got the call off right tackle to the two. Kroff then went up the middle to score the T.D. Kroff by this time had drawn the center of the Grandville team in tight. He then came right back with the QB option, pitching the ball again to Billock who went in for the 2 point conversion.

Lowell then kicked to Grandville on their own 15, with a return of 20 yards. Lowell's defense really had to go to work and this did to perfection causing a Grandville fumble on the Lowell 40. Rusty Steffens was the ball hawk. For the remainder of the quarter the defensive teams controlled the game.

IN THE SERVICE

Military Policeman

Pvt. Jerry Kinyon, who has completed his Military Police training, is now stationed six miles north of Tue Nhon, Vietnam.

His address will be Pvt. Jerry L. Kinyon, 367-58-9122, 560th M.P. Co., APO, San Francisco, Calif. 96226.

GREGG COURTER

Army Private First Class Gregg S. Courter, son of Mr. and Mrs. James G. Courter, 6209 Montcalm Avenue, Clarksville, is serving with the 101st Airborne Division (Airmobile) in Vietnam. He is a military policeman with the 101st military police company of the division.

ROBERT WATKINS

Army Private Robert O. Watkins, son of Mr. and Mrs. Ralph B. Watkins, Route 1, Gays, Illinois, recently completed an eight-week cooking course at the U. S. Army Training Center, Armor, Ft. Knox, Kentucky.

The soldier's wife, Kathy, lives at 920 North Hudson St., Lowell.

MICHAEL WINTERS

Navy Petty Officer Third Class Michael E. Winters, son of Mr. and Mrs. Jack R. Winters of 233 Burr Oak NE, Grand Rapids, Mich., is serving at the Naval Communication Station, Adak, Alaska.

CHARLES SCHWANDT

Navy Airman Charles F. Schwandt, husband of the former Miss Sue E. Steger of 2022 Paris S.E., Grand Rapids, is a member of Attack Squadron 65 aboard the attack aircraft carrier USS Independence which participated in the NATO Strike Fleet Exercise Royal Knight in the Eastern Atlantic.

The seven-day exercise which ended today (Oct. 4) included 35 warships and 200 aircraft from Canada, the United Kingdom, Norway, the Netherlands and the United States.

CHRISTOPHER CHADWICK

Navy Petty Officer Second Class Christopher C. Chadwick, son of Mr. and Mrs. Bruce J. Chadwick of 5883 Burton St. S.E., Grand Rapids, is aboard the anti-submarine warfare aircraft carrier USS Intrepid which participated in the NATO Strike Fleet Exercise Royal Knight in the Eastern Atlantic.

The seven-day exercise which ended today (Oct. 4) included 35 warships and 200 aircraft from Canada, the United Kingdom, Norway, the Netherlands and the United States.

Sue Strong Is Forest Hills' Queen

Last week's homecoming activities at Forest Hills High School ranged from float building and skit preparation during the week to Saturday night's climax, "Tales of the Vienna Woods."

Sue Strong became queen of homecoming during crowning ceremonies at halftime of the Friday night football game. Ted Zuiderveen donned his own bit of royalty as king. Selections to the queen's court were Laura Pullan, Pat Everse, Pam Hanson, and Denise Osmun. The king's court was comprised of Steve Shuster, Rich Silver, Bob Warner, and Bill Keenan.

The sophomores won the float competition with a brown and white St. Bernard named Ruff with a theme of "Ruff 'Em up." The paper mache canine wagged his tail, wiggled his ears, and turned his head, not to mention winking his eyes at the judges.

The junior class, which took top honors in both their freshman and sophomore years, accepted the defeat honorably finishing second with a cuckoo clock, having the theme "Knock 'Em Cuckoo." When the cuckoo's door swung open a little, a referee popped out and gave the touchdown indication by raising hands over head. The freshman float was a Swiss chalet on a mountain-top with the theme "To The Top."

The seniors declined to build a formal float presentation, instead erecting what class president Greg Hoyle termed a "Coronation Float," carrying the homecoming court. In the end the seniors captured the victory in the friendly battle of the classes by piling up the most points during the week. But West Ottawa's fourth quarter touchdown giving them a 12-7 victory over the Rangers put a premature damper on the festivities.

Hoyle expected Saturday night's dance to be a success. Atlantic Bridgefield, a group from Grand Valley State College, provided the music. Credit for the senior sponsored affair goes to Greg Staszlar, Laura Pullan, Paula Elliot, Pat Everse, Denise Osmun, Sarah Potter, Bob Warner, and senior advisors, Mrs. Irene Nowak and Mr. John Catzere.

Pretty Girls - A Reminder!

"Response to this year's contest to select a queen for our Tournament of Roses parade float has been the best since its inception more than a decade ago," says R. M. Pittenger, vice president of the Farmers Insurance Group.

"Farmers Insurance Group is presenting the opportunity to some lucky girl to have an all-expense-paid air trip to Pasadena to participate in the parade and attend the Rose Bowl football game," said Pittenger, who added this reminder was being sent to newspapers throughout the company's operating territory so all interested girls will have the opportunity to learn about the contest and enter.

The contest is open to unmarried women, age 18 through 25. Entries must be postmarked no later than midnight, October 20, 1971. Entry blanks are available from any Farmers agent or by writing "Queen Contest, Farmers Insurance Group, 4680 Wilshire Blvd., Los Angeles, Calif. 90010."

Theme of this year's Tournament is "Joy of Music" and the Farmers Insurance Group float theme will be "I Love You Truly," based on the famous wedding song. The float depicts a bride in a gown made entirely of white flowers - orchids, roses, gladioli and carnations - leaving a chapel with her bridegroom following their wedding.

Esther DeRushia Worthy Matron

At the regular meeting of Cyclamen Chapter No. 94, Order of the Eastern Star, held at the Masonic Temple last Friday evening the following officers were elected:

Esther DeRushia, Worthy Matron; William Wood, Worthy Patron; Eileen Richard, Associate Matron; Dewayne Richard, Associate Patron; Doris Boyd, Secretary; Lytia Johnson, Treasurer; Marlene Jackson, Conductress; Carla Miller, Associate Conductress.

Installation Ceremonies for the new officers will be held on Saturday, October 23, at 8 p.m. The appointive officers and flag bearers who will also be installed are:

Clarice Boerma, Chaplain; Anna M. White, Marshal; Cecil DeRushia, Organist; Verna Rogers, Adah; Olive Clark, Ruth; Alice Ryder, Esther; Nancy Wood, Martha; Alice Allchin, Electa; Nell Sweringer, Warder; Edward Boyd, Sentinel; Janet Boyd, American Flag; Phyllis Cadwallader; Christian Flag; Theda Herblot, Eastern Star Flag, Special Officer, Bertha Jessup and Orval Jessup, Instructor.

Joni Shade Competes As National Judge

Miss Joni Shade represented the state of Michigan in the 50th National 4-H Dairy Cattle Judging Contest in Columbus, Ohio, on October 7.

The daughter of Mr. and Mrs. Dale Shade of Lowell, she is a student at Lowell Senior High School. Miss Shade won the opportunity to compete in the contest by being one of the top four winners of contests held this summer in East Lansing and Detroit.

Arriving in Columbus on Thursday, she returned home on October 12. The judging competition, tough in its entirety, is a valuable learning experience for all participants, as it requires each youth to make individual decisions in placing the class, and then they must justify their selections by specific oral and written reasons.

Besides gaining judging experience, Joni had the opportunity to meet other contestants from across the country, as well as many leaders in the industrial field.

Band Festival

Dear Editor:

I would like to extend a warm welcome and invitation to everyone in your community to attend the 1971 Red Flannel Day Celebration on October 16th. The Band Festival begins the day starting at 10:00 at the Football Field at the South end of town. Admission is free and there are plenty of bleachers and parking. This year's Festival will be one of the largest and remains to be the drawing card to Red Flannel Days.

Our Band Festival draws the top hands of the area and I sincerely hope many band parents and citizens of Lowell will come and enjoy the whole day with us. The huge parade will follow the Band Festival, at 3 p.m. If you have been here before, welcome back and if you are new to Red Flannel Day, I hope you have an enjoyable day.

Sincerely,
Sally M. Hill
Pres. Music Boosters
Cedar Springs, Michigan

P.S. It might be a good idea if you wear some red. The Kangaroo Kor- will be in full force that day.

Editor's Note - Each week the editor's mail box is filled with a variety of letters to the Editor, some printable, some non-printable, but all in all most of them carry good points of interest to the public.

A lot of letters, that really put the punch where it is needed, have been left idly standing on the wayside because of the signature and the jeopardy that might be involved with the submitter's job, etc.

The Ledger welcomes all letters to the Editor. Our policy for submission is this: All letters must be in the hands of the editor no later than five o'clock on Friday for the next publication; all letters must be signed for our records, but initials only will be used in the published letter.

If you have a complaint about something, a note of praise for an endeavor, or a general comment, drop us a line.

Sam
