

Takes Reins Of Medical Association

Roger Tusken has been named executive director and convention manager of the American Academy of Family Physicians, the Kansas City-based medical organization which is the second largest U. S. medical group and the national association of family doctors.

Tusken, 42, was elected to the post of chief administrative officer of the 31,000-member by the AAFP Board of Directors on retirement of Mac F. Cahal. The election was effective October 8. Tusken's accession coincides with the change of the name of the organization from American Academy of General Practice to the American Academy of Family Physicians. The change was made by the organization's governing Congress of Delegates more accurately to reflect the changing nature of primary health care.

The new executive director is a veteran association executive, with 14 years in various capacities with the Academy. He has served as assistant executive director since 1968, and has also been director of the Communications Division, director of membership services, and field assistant. His educational background is in journalism, with a degree from Michigan State University. Tusken was born in Chicago but spent most of his early life in Lowell, Mich. He attended Aquinas college in Grand Rapids before entering Michigan State and then, on graduation, attended law school at Northwestern University before entering the army in the Korean War. He trained at Fort Leonard Wood, Missouri, and later was attached to a military police unit at the Missouri installation.

Following army service he returned to Michigan where he edited a weekly newspaper, Suburban Life, in Lowell. He later did graduate work at Michigan State. He moved to Kansas City, Mo., in 1957 and was employed in public relations with Jim McQueeney Associates until taking the job with the Academy.

Tusken is married to the former Margaret Barnes of Lebanon, Mo., and the couple has three sons, Mark, Michael and Matthew. The Tusken family is members of St. Peter's Episcopal church, where the new executive director is a member of the board of vestrymen. The Tusken home is at 603 East 110th Street Terrace.

Tusken's mother, Mrs. Bessie Tusken, lives at the Schneider Apartments in Lowell.

We're Proud Of Our Boys And Girls In Service

The November 4 edition of the Lowell Ledger-Suburban Life will be dedicated to the girls and boys of the area in service who are fighting to keep our freedom and demonstrate so well our will to live as free Americans.

The issue will carry the serviceman's address and photo. The deadline for pictures will be Friday, October 29, by 5 p.m.

All parents are urged to bring the information or mail it to the Ledger Office, Box 128, Lowell.

Veterans' Day October 25

Fifty years ago an unknown soldier of World War I was laid to rest in a hero's grave at Arlington National Cemetery—and 37 years after two other unknown combat heroes of World War II and the Korean Conflict also were buried there.

Next Monday, October 25, the Nation will pay tribute to these men and the country's 28 million living veterans with a Presidential wreath-laying ceremony at the Tomb of the Unknowns in Arlington Cemetery and a Program in Arlington's Memorial Amphitheater.

Veterans' Day falls on a new date this year. It formerly was November 11. But the spirit of America is as vital today as it was some 195 years ago when this country first proclaimed its freedom. The purpose is still the same—to honor those who have fought and died in defense of this Republic and its freedom; to salute the men and women who are today's veterans and have earned the gratitude of every American.

This fourth Monday in October is a time for all Americans, young and old, to rededicate themselves to the preservation of our way of life. It is a day when we pause for a moment with bowed heads in honor of those who gave their lives on foreign shores—a day when we express our thanks to those who have returned.

I urge that you, too, take a moment from your holiday to join in thanks to the men and women who served and still serve this Nation so well. Let us salute those who have fought to keep our freedom and demonstrate our will to live as free Americans.

Congressman Gerald Ford

Firemen Plan Halloween Parties

The firemen of Ada and Cascade will again this year bring out the ghosts and goblins as they plan their annual individual Halloween parties.

The members of the Ada Volunteer Fire Department will host the youngsters of their area at 6:30 p.m. on Saturday, October 30, at the Ada Township Hall.

There will be free cider, donuts and apples for the kids, and the parents are invited also.

At 7 p.m. that same evening (October 30) the Cascade Fire Barn will be the scene of the giant masquerade party sponsored by the Cascade Fire Department.

The evening's activities will start with a parade, followed by costume judging and the serving of cider and donuts and sacks of candy. All are invited.

Flush Hydrants

The Water Department for the City of Lowell will spend four days flushing the city's water mains and hydrants.

Starting at 8 a.m. on Tuesday, October 26, they will continue flushing and cleaning the mains through Friday, October 29.

As the flushing sometimes causes "rusty" water, those who will be affected, are urged to alter their schedules, accordingly.

Children's Fund Looks Beyond Limitations

Twenty-five years ago a revolutionary step in the growth and development of mankind took place. The nations of the world for the first time accepted their common responsibility for the protection of their most precious resource—their children—in the aftermath of war. On Dec. 11, 1946 the United Nations International Children's Emergency Fund (UNICEF) was formed and assigned the relief operation that was to mean the difference between life and death for millions of the child victims of the Second World War.

A massive campaign was mounted to feed and clothe the hungry and orphaned children of Europe. This operation was so successful that in the early 1950's the enormous task was virtually completed, and the continuing need for UNICEF's help was questioned.

The United Nations then took a realistic look at the conditions under which the hundreds of millions of children in the developing countries lived. It was decided that the agency that had been able to meet the challenge of a desperate emergency situation could do an even better job, given time, of coping with the problems of children who are malnourished, undereducated (if at all), and lacking even the most primitive medical care. Thus, another step forward, and the nations of the world jointly accepted the responsibility for the future of their young, not only in the aftermath of war but during "normal" times as well. UNICEF was called upon to play a new and important role in the development of mankind, and since it was no longer simply an emergency relief agency, it adopted the name United Nations Children's Fund, retaining the familiar acronym UNICEF.

The years that followed were years of challenge and change. New needs became apparent and were accepted in the agency's long-range program planning. UNICEF began to work in the fields of nutrition, basic health, disease control, education, and family and child welfare, as well as the provision of relief aid in emergencies that arose through the years.

In 1971 UNICEF's 25th Anniversary Year, the Children's Fund looks beyond the limitations of its present budget and sees an enormous task ahead. Today perhaps one child out of ten in the developing countries is being reached by UNICEF-aided programs. For tomorrow, UNICEF's motto is "A Future For Every Child."

This Sunday, October 24, close to 100 teenagers will leave the Cascade Christian Church (following morning services) on a 10-mile hike to collect funds in their annual UNICEF drive.

After the 10-mile hike, at the halfway point, being Ada, the youth will receive refreshments at the First Congregational Church of Ada.

Halloween and UNICEF have gone hand in hand for many years. This year in and around Alto, the children from the United Methodist Church of Alto will be collecting for UNICEF.

The children from the farm areas will come to their neighbors homes before going into Alto.

Historical Site Marker Dedicated At Fallasburg

The 100-year old Fallasburg Bridge, northeast of Lowell, one of the three remaining covered bridges in Michigan, was officially recognized by the Michigan Historical Commission last Saturday afternoon. One of the beautiful and impressive Historical Site markers was dedicated at the bridge in a ceremony conducted by the West Central Michigan Historical Society, which had promoted this project. Mrs. Leomora Tower, president of the Society, presided at the ceremony.

The speaker for the occasion was State Representative Stanley M. Powell of Ionia. The 89th House District, which he serves, includes the area in which the bridge is located. Representative Powell spoke, in part, as follows:

"This is a thrilling and inspiring occasion. We pause to contemplate our debt to those who have gone before and to realize that what we enjoy today, we owe to their efforts and sacrifice.

"They dreamed, they planned, they struggled and labored, and we have entered into the enjoyment of the fruit of their endeavors.

"There is something especially significant and inspiring about a bridge. It is a product of man's dreaming, planning, ingenuity and sustained, arduous labor.

"It conquers and terminates isolation and segregation. It unites and integrates.

"A crying need of this generation is for bridges of understanding and fellowship which will break down barriers of suspicion, misunderstanding and friction and usher in a new era of good will and cooperation.

"The West Central Michigan Historical Society is, it seems to me, something like a bridge. It is a connecting link between the past and the present, between yesterday and today. We cannot properly understand the present unless and until we come to appreciate and cherish our heritage from the past. History can be our teacher and our inspiration.

"May worthy sentiments thrill us, motivate and activate us whenever we view this marker and contemplate all that it means to us of this community in this day and generation."

The festivities were concluded with a 6:30 dinner, served in the Fallasburg Park Pavilion, after which a business meeting of the West Central Michigan Historical Society was held.

Masquerade Dance

The Fallasburg Covered Bridge Centennial Corporation will be sponsoring a Halloween Masquerade Dance at the Fallasburg Park Pavilion October 30th.

Dance to the music of Frank Matteson and his orchestra from 8 o'clock in the evening until ???!

Everyone is welcomed to join into the fun at this last activity of the Covered Bridge Centennial Celebration.

School Board Agenda

The agenda for the October 26 meeting of the Lowell Area Board of Education will include:

1. Purchase of site for Middle School.
2. Fleet Insurance bids.
3. Transporting of students to Skill Center.
4. Board Policies.

Completely stripped by fire was the interior decor of this car involved in a 3-car chain reaction accident Monday afternoon on M-21, near the Cumberland intersection.

A search for paint markings, to help in the apprehension of a driver leaving the scene of a property damage accident, was made by investigating officers. The car, blue in color, departed promptly after a 3-car mauler Monday afternoon on M-21, west of Lowell.

Thelma Says, Happy Birthday

"She never forgets us ole folks, like some people do," was a comment that followed a birthday celebration at the Levee Restaurant last week.

Speaking in reference to the restaurant's owner, Thelma Roth (Cookie on the Bridge) the group of "young" folks that meet there each day for a coffee and gab session could feel the impact of her friendly, quiet, resourceful way of saying Happy Birthday, one and all.

Thelma never forgets . . . when there's a birthday, she's on hand with a cake and the appropriate trimmin's, for the nine o'clock visitors.

Recognition Banquet Honors 4-H Leaders

Over 400 Kent County 4-H leaders were honored guests at the Eighteenth Annual Recognition Banquet last Tuesday, sponsored by the Greater Grand Rapids Chamber of Commerce.

Roy Kramer, Varsity Football Coach at Central Michigan University, addressed the leaders, teen leaders and 4-H boosters assembled in the new ballroom of Adrian's Ramona Terrace. The Honorable George V. Boucher, 17th District Circuit Court, served as master of ceremonies for the event.

Special recognition was given leaders with 10, 15, 20 and 25 years of volunteer service to the 4-H program. Mrs. Ava Grossbacher was presented with an emerald set clover pin and a certificate for her 25 years of leadership.

Diamond set clover pins and certificates for 20 years leadership were received by Mrs. W. J. Boerma, Grand Rapids, and Dale Shade of Lowell.

Fifteen year certificates and pearl set clover pins were awarded to Mrs. Donald Chase, Bryon Center; Kenneth Backer, Mrs. Ed Erhart and Mrs. Harry Wells, Rockford; Mrs. Glenn Hale, Cedar Springs; Mrs. Richard Hawkins, Alto and Mrs. Kenneth VanderLaan, Grand Rapids.

Ten year honors went to Mr. and Mrs. Walter Barnes, Comstock Park; Mrs. Wendell Briggs, Northview; Mrs. Arnold DeVries and Mrs. Homer Guy, Byron Center; Fred Dykstra, Ada; Ken Fitzsimmons and William VanHeyningen, Caledonia; Mrs. Robert Norman and Harold Williams, Rockford; Mrs. Gloria Porritt, Alto; and Mrs. Russell Johnson, Grand Rapids.

Five year pins were received by twenty-seven leaders. Leader Citizenship Award plaques for outstanding leadership and service to the Kent County 4-H program were presented to Mr. Cleo Anders of Comstock Park, Mrs. John Ebers, Sparta; Mrs. William Nyblad, Casnovia, Mrs. Richard Hansen, Kentwood; and Mrs. Jerry Warren, Northview and Mrs. Vernon May of Sparta.

The 4-H Booster Appreciation Awards were presented to Elton Smith, President of Michigan Farm Bureau, and William Kempainen of Production Credit Association.

A special award for Outstanding Service was presented to Mr. and Mrs. William Phillips, Rockford.

Calendar Of Events Saranac Schools

Monday, October 18, Golf with Montaballa - Home.
Wednesday, October 20, Junior High Football at Portland, 6 p.m., T.C.A.A. League Golf Meet.
Thursday, October 21, Junior Varsity Football with Central Montcalm, Home, 7 p.m.; Board of Education meeting, 7:30 p.m.
Friday, October 22, Varsity football at Central Montcalm, 8 p.m.; Powderpuff football 8 p.m.; State Golf Finals.

Twig Pruner Problems

Twig pruners may be the culprits if you have been plagued by a scattering of fresh twigs on your lawn during the past several weeks.
According to Michigan State University entomologists, twig pruners are small borers that live in the center of small, growing tree twigs. When the borers are fully grown they partially cut the twig and then wait for a strong breeze to break off the weakened twig.
The borers hibernate in the fallen twigs during the winter and emerge as beetles the following summer.
Oak, hickory, maple and elm trees are the varieties commonly attacked by the twig pruner. This damage will not kill trees but can thin the tree canopy by pruning out small twigs.
To find out if twig pruners are causing your lawn clean-up problem, carefully split several of the fallen twigs and look for the borer.
Putting an end to twig pruner problems is best accomplished by burning all the fallen twigs. This breaks the insects' life cycle and reduces the number of beetles emerging next year.

Make It Yourself With Wool' Contest

Wool doesn't mind being needed by the best young seamstresses in the nation, and that's exactly what has started with the official launching of the national Make It Yourself With Wool (MIYWW) contest.
Miss Joyce Swanson, contest director, headquartered in Denver, said today the contest officially is open for thousands of teenage girls who are adept with the needle and sewing machine.
All entry materials for the popular contest, that has more than 20,000 young girls sewing with wool, have been completed, including the important entry form. The contest is divided into junior and senior divisions, with ages ranging from 14 to 16 for the juniors and 17 to 21 for senior entrants.
With the great trend toward creative arts and crafts and the do-it-yourself hobby, Miss Swanson said, "The Make It Yourself With Wool contest is more popular than ever. We feel that home sewing is becoming more and more exciting, especially when it produces a beautiful and useful garment."
Judging by competent persons at each level is based on the girl's skill in sewing or knitting with 100% wool loomed, knitted, felted or spun in America; in making garments properly coordinated in color, design and texture for her own figure and coloring; in selecting fashions suitable to her age and activities; and in modeling the garments submitted.
Top awards are a European trip and luggage for the first-place Junior and Senior Division winners. Additional finalists' awards include college scholarships, government bonds, sewing machines, and other merchandise awards.
MIYWW information and entry blanks may be obtained by writing the American Wool Council, Dept. WS, 200 Clayton Street, Denver, Colorado, 80206. Entry deadline is Nov. 6, 1971. District 3, which includes Allegan, Barry, Eaton, Ionia, Kent, Muskegon and Ottawa County, is under the direction of Mrs. Carroll Wells, Route No. 2, Vermontville, Michigan. This district judging will be November 20 in Hastings, Michigan.
The Michigan Contest is directed by Mrs. Herbert D. Smith of Carson City, Michigan and will be held December 1 at M.S.U.

Brown Bag Variety

With a little ingenuity and know-how, you can pack a school lunch that is both nutritious and a hit with the kids, according to a Michigan State University consumer information agent.
"For example," says Mrs. Sheila Morley, "fried chicken, cooked ahead, wrapped in foil and frozen, thaws out by noon for a healthy and delicious surprise. Hard-cooked eggs and oranges, peeled at home and wrapped, make nutritious and easy finger foods."
"A good starting point for a balanced packed lunch is the basic food plan of the National School Lunch Program," she notes. This includes whole milk, lean meat or another high-protein food such as cheese, eggs, or peanut butter; a vegetable, fruit, or both; and enriched bread, and butter.
For an appetizing change-of-pace in sandwich fare, Mrs. Morley suggests putting meat, eggs, cheese, or peanut butter and jelly on cornbread, rolls or an English muffin. Pack frankfurters in a thermos of boiling water and send along a wrapped hotdog bun—a steaming delight at noon.
"Use enriched bread in sandwiches," Mrs. Morley recommends. Three important vitamins—thiamin, riboflavin and niacin—as well as iron are lost in the milling of the flour. These essentials have been replaced in baked goods labeled "enriched" on the wrapper.
To meet vegetable and fruit requirements, try snack-size cans of fruit. Or use a wedge-size plastic container to hold a piece of fruit-filled pie, and a wide-mouth thermos for vegetable soup.
Top off the lunch with a few carrots or celery sticks or a crisp dill pickle in foil.

General Manager

Baseball was once the primary concern of Sandy Pines' general manager, Dick Grimes. A former catcher and coach on both the Washington Senators and Pittsburgh Pirates, he continues to enjoy the sport by coaching Little League games.
Grimes was appointed to general management of Sandy Pines Wilderness Trails, Inc., a recreational resort now under construction in Allegan County, this summer. Located near Dorrr and Burns, the recreational facility has its main headquarters in Grandville.

18-year-olds KnowYourLaw

(This is a public service article explaining in general terms a provision of Michigan law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult a private attorney.)
One of the most significant accomplishments of the 1971 Michigan legislative session was the Age of Majority Act of 1971. The Act is scheduled to take effect on January 1, 1972.
In the broadest terms, the Act provides that persons at least 18 years of age shall have the same legal rights and duties as persons 21 years of age or older. It overrides all state statutes which provide otherwise.
Among the many changes which the new law will effect in the status of 18-year-olds, the following are notable:
Such persons may sue or be sued on their own behalf, without the appointment of a special guardian.
The earnings of unmarried persons of age 18 or older are no longer subject to parental control, nor are such persons entitled to support from their parents.
Persons over 18 years of age may purchase and be served alcoholic beverages, and may frequent places where such beverages are served.
Such persons may place bets at pari mutuel windows, and may be licensed to operate poolrooms, bowling alleys and dance halls.
If injured in the course of employment, they may apply for workman's compensation benefits. If otherwise eligible, they may apply for welfare benefits.
Such persons may be licensed to carry a concealed weapon, if otherwise qualified. (It is extremely difficult to qualify for a concealed weapons permit.)
The Michigan Age of Majority Act should not be confused with the 26th Amendment to the United States Constitution, which became effective on June 30, 1971. That Amendment conferred upon persons at least 18 years of age the right to vote in all federal, state, and local elections.
Since state law provides that registered voters may serve on juries, persons 18 years of age are now eligible to serve on juries in Michigan.
The Age of Majority Act, in short, will make all Michigan residents who are at least 18 years of age full-fledged legal adults.

Strep Throat Season

The beginning of fall heralds the "strep" throat season, according to Dr. W. B. Prothro, Director of the Kent County Health Department. He reminded area residents that from now through next spring is the period when most so-called "strep" infections occur. He pointed out that they strike anyone regardless of age or living standard, and he said these infections can be far more dangerous than many people might suspect.
A "strep" infection, Dr. Prothro said, gets its name from a scientific term for the group of bacteria which produces the infection, streptococcus. He stated that only certain types of these bacteria are harmful and that sore throat is the most common indication of infection by them. Usually entering the body through the mouth, these microscopic organisms can grow rapidly, causing the familiar raw, sore feeling of "strep" throat. Fever generally accompanies it, said the doctor.
Mild-to-severe sore throat, however, is not the only possible result of this infection, Dr. Prothro emphasized. Streptococcal infections, especially in children, can affect other parts of the body. Scarlet fever, a serious disease in childhood, is such an infection. Rheumatic fever, in which there may be damage to the heart, and a mild-to-severe type of kidney disorder are two complications which can arise from "strep" infections.
Dr. Prothro cautioned that "strep" infections are contagious, the bacteria being spread mainly by direct, close contact among people. Ideal conditions for epidemic spread of bacteria are therefore found in crowded, confined areas.
Dr. Prothro stressed that early detection and treatment by a physician of such infections offers the best preventive measure.

Diet Deficiencies

With their per capita income steadily rising, Americans have allowed a significant decline of certain nutrients in their diets. Michigan State University food and nutrition specialists say Vitamins A and C have suffered the most.
They lay the blame on the changing eating habits of Americans which emphasize convenience foods, "fast-food" restaurant services, meal skipping and other phenomena associated with modern, fast-paced living.
Noticeably missing from many diets are fresh fruits and vegetables.
Linn Karbowksi

Dad's Night

The Saranac Redskins honored their fathers at Dad's night, Friday, October 15, during halftime of the Saranac-Montaballa football game.
After the Saranac band provided halftime entertainment, players and cheerleaders were introduced with their fathers.
The Redskins showed the dads their power as they tied the game with Montaballa, 8-8.

New Point System for Duck Hunters

	CANVASBACK	100 POINTS EACH
	REDFEED	
	FEMALE MALLARD	
	BLACK DUCK	90 POINTS EACH
	WOOD DUCK	
	MOOTTED NEREANGER	
	MALE MALLARD	20 POINTS EACH
	FEMALE PINTAIL	
	RINGNECK	
	SCAUP	
	TEAL	
	GADWALL	
	GOLDENEYE	
	MARE MALLARD	
	BALDRATE	
	MERGANSERS - COMMON & RED-BREASTED	10 POINTS EACH

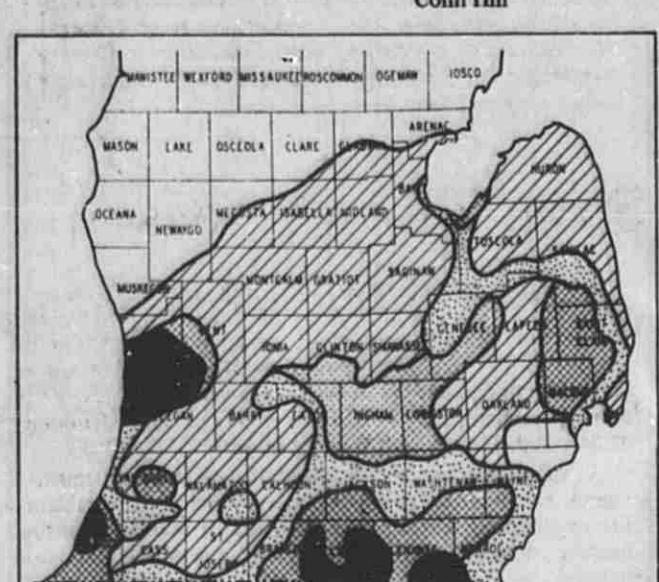

Michigan's duck season comes under a statewide experimental point system for the first time this fall in a move to shift gun pressure from the scarce duck species to more plentiful birds. The new system is also programmed to give selective-shooting hunters expanded sporting opportunities pegged to population levels of various duck targets. Under the experiment, species of ducks in shortest supply are given the highest point value to protect them from being over-harvested. The point value for each bird is shown above. Under this point plan, any hunter will have to call it a day if the first bird he takes is either a canvasback or redhead duck. If it isn't, he can continue to hunt until he takes a bird which brings his day's point total up to or above 100. Department of Natural Resources wildlife men explain that the point system allows for a flexible bag limit based on the ability to be selective in shooting. Experiments in Michigan and elsewhere in the nation show that the point system reduces hunting violations and increases the enjoyment of hunters as measured against the standard program of bag limits.

Open Spaces For Hunting

The U. S. Department of Agriculture has agreements with approximately 2,000 farmers in Michigan who are providing nearly 200,000 acres of land for public hunting.
Nick Smith, Chairman of the Michigan State ASC Committee reminds hunters that this program is made available to them. Areas throughout the southern part of Michigan that have never been open to the public before are available. Such areas may be located by contacting the local county ASCS office or the Michigan State ASCS Office for the names of the land owners and their location.
Smith further emphasizes that even though the land is open for public hunting, the landowner's rights must be observed and the number of hunters per farm is restricted. Therefore, it is essential that all hunters identify themselves at the farm headquarters and observe safe and sensible rules of hunting.

Saranac Firemen Prepare Annual Pancake Supper

Preparations are underway for the annual Firemen's Pancake Supper. The firemen expect a good turnout for the supper which will be held at St. Anthony's Church in Saranac Saturday, October 23.
Pancakes, eggs, sausage, applesauce, coffee and milk will be served from 11 a.m. to 2 p.m. and then again from 5 p.m. to 8 p.m.
All the proceeds will be used to buy equipment for the firemen.

Rout Rodents And Rabbits

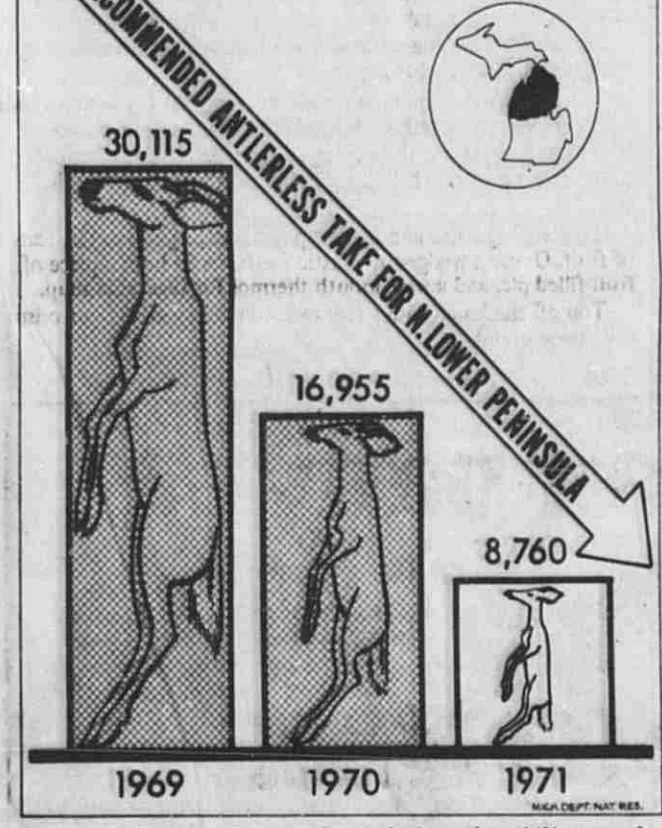

Rodents and rabbits could move in with the snow and seriously damage your trees this winter, according to Michigan State University horticulturists.
Measures should be taken now to prevent rodents or rabbits from completely removing bark around the trunk or stems of an ornamental tree. Bark removal, known as girdling, can lead to death of the tree.
To protect trees and shrubs, wrap the lower trunk with one fourth to three-eighths inch hardware wire before the ground freezes. Form the wire in a tube around the trunk at least 18 inches high and set it in the ground to a depth of one or two inches. Overlap the wire and secure in place.
The wire may need to be extended where snow tends to drift and build up to unusual depths. This will prevent rabbits from reaching up and feeding on the bark above the wire protection, the experts note.
Mice prefer to feed and rest under cover of vegetation. Removing cover around the plants will help discourage them from feeding.
Fix Rosebeds Now!
Prepare rosebed soil now for spring planting, says William Carlson, Michigan State University horticulturist.
Any good garden soil will produce good roses. If the soil isn't good, improve it by adding organic matter. Two inches of peat moss worked well into the soil is preferred.

Successful Hunter

Larry Sparks, 1937 Vergennes, Lowell, smiles proudly as Ruth Worthington helps him display the head of a bull moose he bagged on a Canadian hunt.
Hunting 790 miles north of Lowell in the wilds of Canada, Larry Sparks and his hunting companion Thomas Henline left their campsite early to put in a good day of hunting... not knowing the hunter's dream that awaited them as the sun began to rise on Oct. 8.
Also departing the campsite near Armstrong, Ontario, Canada, but in a different direction, were the two other hunters in the party, Howard Sparks and Don Graham.
As Sparks and Henline neared their destination, a bull and cow moose embarked on the scene, and Sparks' 30.06 rifle blazed with action. Downed on the spot was the bull, weighing 1,500 lbs., and his cow companion tipping the scales near the 1,300 lb. mark.
The prize kill was made at 8:30 a.m., and that afternoon at 2 o'clock, the exhausted hunters, with a lot of steaks to eat, were back at the campsite.
The five-year-old bull sported a rack spreading 53" tipped by 21 points. A bit of dental work on the Bull by the Ontario Department of Lands and Forest determined his age bracket, as the animal was bagged in the Moose study area.
Saturday's outing for the proud hunters was another lucky hit, as they downed a 550-pound bull calf, about a mile and a half from their campsite.
Sparks, who has been engrossed in this type of hunting since 1963, related that this was the biggest catch he has recorded. It was the 10th, 11th and 12th Moose that has fallen victim to his well aimed gun.

Target Region for Deer Build-Up

Over the last three years, the antlerless deer kill quota for the Michigan Lower Peninsula has been cut 71 percent under a two-pronged program to build up the region's deer herd in those areas where food supplies will allow more animals to be carried through the winter. As the second part of that plan, the Department of Natural Resources is moving to step up deer habitat improvements and strategic commercial timber cuttings to boost the carrying capacity of the region's winter range for white-taileds. Through these combined efforts, the DNR hopes to raise the productivity of the region's deer herd to a point where it will support the take of more animals on a sustained, long-term basis.

Election Notice TO THE QUALIFIED ELECTORS OF THE CITY OF LOWELL COUNTY OF KENT Notice is hereby given that a General City Election

Will be held in the City of Lowell, 301 E. Main St. Tuesday, November 2, 1971

From 7 o'clock in the forenoon until 8 o'clock in the afternoon, Eastern Standard Time, for the purpose of electing three candidates to the City Council.

City of Lowell Council Proceedings

Regular meeting, Monday, October 4, 1971 in the council room of the city hall. The meeting was called to order by Mayor Harold F. Jefferies at 8:04 p.m. and the roll was called.

Present: Councilman Anderson, Mayor Jefferies, Councilmen Mueller, Reynolds. Absent: Councilwoman Myers. IT WAS MOVED by Councilman Anderson, supported by Mueller, that the minutes of the September 20, 1971 meeting be approved after correcting the typographical error on P. 1, and the reading waived.

Bankers To Enjoy Triple Treat At Shady Acres Farm

Young and senior bankers alike will enjoy a triple treat of a hayride, food, and dancing sponsored by the Grand Rapids Chapter of the American Institute of Banking, according to the announcement of Mickey Dyer, A.I.B. second vice-president in charge of entertainment and employee of Old Kent Bank and Trust Company.

Bar-B-Q will be the menu specialty and the "Don Leonard Trio" is scheduled to supply the music for dancing. Reservations are to be sent to the following people according to place of employment:

Becky Marsh—Old Kent Bank and Trust Company; Robert Lee—Union Bank and Trust Company; Tom Mesler—Michigan National Bank; Ivan Foshier—Central Bank; and Lee VanArdt—All other banks.

Shooting Hours on Migratory Birds

Except for woodcock, which may be hunted from sunrise to sunset, the shooting timetable above covers all migratory birds in Michigan for the 1971 season. It brackets hunting hours on a Monday-through-Sunday basis to avoid confusion that might be created if the timetable shifted hours in the middle of weekends.

1. Manager Bacon stated an October 12, 1971 meeting has been arranged with Engineer Carr of Williams & Works and John Batzer and his engineers re possible sewer extension to the Mobile Home Park on West Fulton Road in Lowell Township.

NEW LOW RATE MONTHLY PAYMENT CHART UNION BANK

To the Editor: Back a few years ago it was not thought to be strange for a community to join hands and work together to attain a specific goal.

Today we hear too much of "I just don't have the time" or "Let the organizations do it!" It is too bad that people want things for themselves and their children but leave the work up to the "organization!"

What has happened to the concerned citizen who sees a problem and talks other neighbors and friends into joining hands to solve the problem? Have we finally been faced with the painful thought of becoming lazy?

Truly, J. V. Lowell, Mich. 49331

Lori Ettema Weds

Mrs. Steven Meyer and Lori Ettema exchanged the vows of Holy Matrimony Saturday evening, October 9, in South Congregational Church.

Entering the sanctuary, the bride was attired in a gown of ivory satin crepe. Her hair was styled in a sophisticated updo.

Attending the bride as maid of honor was Miss Linda Paquin. Bruce Meyer was the best man.

Saranac Undeclared

The Tri-Central league race grew tighter Friday night, October 15, when a fired-up Saranac team held league leading Montebella to an 8-8 tie.

Montebella scored in the second quarter after a tight defensive struggle. The score came with 6:54 remaining in the quarter and capped a 45-yard drive. Fullback Greg Perkins took the ball in from the one-yard line for six points and Tom Kohn went off to tackle for the two point conversion.

Later in the second quarter Saranac tied the score when quarterback Brian Kelly uncorked a 23-yard scoring toss to end Mark Miller. Several seconds later tailback Dave Vronan scrambled in for two points.

Saranac had several chances to score but failed, while the Saranac defense held Montebella in check.

Saranac travels to Central Montcalm on Friday, October 22.

Rangers Exhibit Pride, Poise In First Win

The Forest Hills Varsity football team registered their first victory of the '71 campaign mastering the Grandville Bulldogs 22-14 last Friday night. A solid ground game and an erratic but efficient passing attack unveiled by the Rangers left a number of salty tears in the eyes of Grandville's homecoming crowd. It was only sweet revenge as Grandville had ruined last year's homecoming for the Rangers by a 14-0 count.

Midway through the first period Grandville marched to the Forest Hills 40. On an off tackle dive the ball slipped out of the hands of the Grandville halfback, was kicked into the air by an unidentified lineman, and fell conveniently into the hands of Forest Hills' Scott Vashaw coming up from his secondary position at a full gallop. Vashaw sprinted down the sidelines before being knocked out of bounds at the Grandville 15.

Two plays later junior quarterback Randy Lanning tossed a touchdown pass that was deflected into the surprised arms of Bob Banta off the intended receiver Bob Warner. Grandville broke through to block Vashaw's extra point attempt, giving Forest Hills a 6-0 advantage.

Early in the second quarter Forest Hills sustained a drive behind the running of Vashaw (in all fairness the Shuster boys, Joe McCormick, Scott Vorel, Mike Anderson, and Jeff VanStrien opened some mighty pretty holes for their backs) and the passing of Lanning. At 7:58 VanStrien latched onto a post pattern for a 15-yard score breaking two tackles enroute. A procedure penalty nullified the first extra point attempt. From seven yards out the decision from the bench-go for the two pointer. Lanning took the snap, rolled to his left, and pitched out to Vashaw on the halfback option. Vashaw set up to pass, then sur-

prised everyone as he turned and threw a perfect spiral back to the right where quarterback Lanning slipped into the secondary. Forest Hills 14, Grandville 0.

On the ensuing kickoff Vashaw made a fine tackle, but injured his nose in the process and was lost for the remainder of the game. Grandville couldn't mount anything more than a piece-meal attack. Their drive stalled at the Ranger 25 with 4:48 remaining in the second stanza.

The Lanning-Banta pass combination hooked up for a 15 yard run out to the Ranger 40. John Andrews then plowed for eight on a trap up the middle. The march turned sour as the Rangers forfeited the ball on downs. VanStrien missed an interception by inches with open field ahead of him which caused him to kick loose a chunk of saw, "Aw, Shucks." Forest Hills went into the dressing room with a 14-0 lead.

Here A Hero - There A Hero - Everywhere A Hero

Grandville took McCormick's second half kickoff out to their own 36. On the first play from scrimmage Grandville's Craig Eisen shed a tackle carrying to the P. H. 35. On a fourth and five Steve Cappon picked up the first down diving to the Ranger 21. Four plays later on another fourth and five Cappon came face to face with Steve Shuster. Shuster prevailed. Forest Hills gained possession.

Lanning misfired on two passes and Andrews was stopped on a short run before Warner punted. On the following series Grandville's QB couldn't make aerial connections as his receivers were closely guarded by the Ranger secondary.

Forest Hills took over for just one play fumbling on a hand-off at their own 41. Grandville fanned the spark. Eisen scored on a 25-yard draw at 3:35 in the third period. The two point conversion saw Eisen slash off left guard, making the score Forest Hills 14, Grandville 8.

Banta returned the kick to his 26. On a tight end sweep the referee cited a Forest Hills lineman for clipping, taking the ball back to the 12-yard line. Lanning lifted the team out of the hole with two passes to his halfback Terry Dusenberry. They fell short of the first down, forcing Warner to punt. Grandville's return man fumbled with VanStrien, pouncing on the loose ball for the Rangers.

Starting the final stanza Lanning missed VanStrien on a short pattern. On a fourth down at the Grandville 18, an Andrews' fourth down run fell short of the needed yardage.

A piling penalty against the Rangers launched a Grandville drive that moved smoothly to the Forest Hills 24. An offside penalty and a backfield tackle by Tom Fudge pushed the Bulldogs back to the 34 where the Rangers took over with seven minutes left in the game.

The following hike up the field was a one-man ground affair that saw Andrews play the role of workhorse carrying eight straight times. A five-yard slice off right tackle by Andrews climaxed the touchdown drive. Andrews romped in for the two pointer untouched. Forest Hills 22, Grandville 8 with 4:04 remaining.

Grandville struck back quickly on a march ending with a four-yard scoring plunge by Cappon at 2:29. The extra point failed Forest Hills 22, Grandville 14.

Andrews covered Grandville's outside kick at midfield. The offense splattered and Warner, playing courageously with multiple sprains in his right shoulder, booted a dandy punt. Grandville's reverse on the return didn't fool either Van Strien or Shuster making the tackle on the Grandville 8. On the following play Joe McMahon put a vice grip on a Grandville fumble for the Rangers. The offense ran out the clock.

A couple defensive heroes not involved in the text were Carl James and Craig Pitcher. The stats showed that Andrews ran for 128 yards and Lanning completed eight of eighteen for 86 yards. The offense had only one turnover coming on the fumble that led to the first Grandville touchdown.

Next week a highly improved Godwin Squad will be the hosts of Coach Frank Roegen's Green-and-White. Let's fill the home stands. The game starts at 7:30.

The ideal camping spot doesn't just happen. It's improved. Like adding a lake where there's already rolling forest to camp in. That's Sandy Pines. A membership campground. Built to preserve and protect nature through planning. With 200 acres set aside, ready to

Dam it

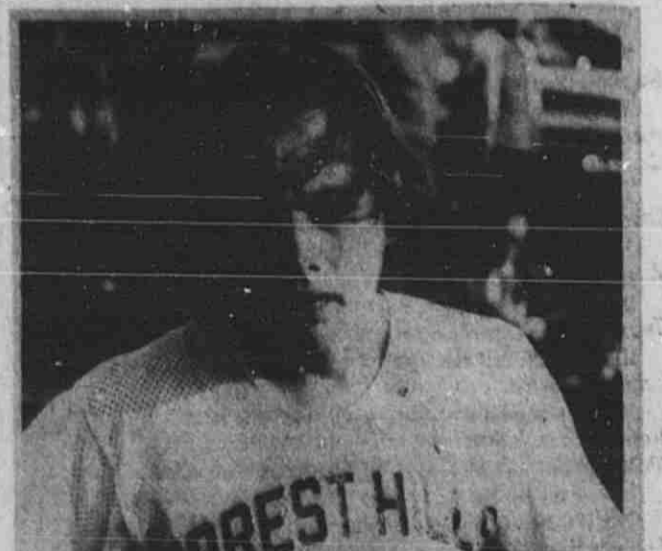

and have a lake with five miles of shoreline. With a 9,000 sq. ft. lodge on the hill. A pavilion for square dances. Recreation center. And a general store to pick up daily items. Heated comfort stations, tiled and clean, never more than 200 yds. from your campsite. Showers, too. Come out and visit. Watch the water come in.

Harriers Keep Hopes Alive Despite Setback

Through the first month of the cross-country season Forest Hills and Kentwood each week dropped lesser opponents, working towards the title showdown with unscathed records.

Kentwood stormed out of the Johnson Park Hills where they'd been limbering up for the meet shouting, "Kill, kill, Forest Hills." A member of the Rockford team announced to his teammates, "Stand back, felias, here comes the Red Army." Making use of the old numbers game Kentwood ran their entire team, not bothering to enter any of the younger boys in the JV meet.

Forest Hills' John Rose crosses the finish line in third place.

Jerry Salzwedel set the Ranger pace at 12:31. He passed for a momentary rest period after crushing the tape in first.

Photos By George Benkert

Only a few hundred yards after the crack of the starting gun Jerry Salzwedel of Forest Hills and Kentwood's Tom Swoboda paced the pack. The largest cross-country crowd of the year formed narrow running shoots in their anxiety to inspect the struggling harriers. At the halfway point Salzwedel had begun to pull away from Swoboda, but Kentwood's depth and the tactic of raining two abreast gave them a preliminary lead.

At the finish Salzwedel sprinted to a 12:31 first place with Swoboda 18 seconds behind in second. Forest Hills' John Rose grabbed third at 13:03. The "killing" blow came at Kentwood swept the fourth, fifth, and sixth places. Running with a bad case of shin splints and without five days conditioning, Charley Schram raced to a seventh at 13:27. Kentwood secured eighth. Jim Grochowalski finished ninth with a season's best 13:31, while sophomores teammate, Jim Gallagher, took tenth at 13:33, also a personal record.

Salzwedel's time was the day's fastest as 14 teams competed in different races.

Do Or Die - The Conference Meet

Kentwood must still run against Rockford, but it would take a major upset for the "hush puppy" squad to become a giant killer. If Kentwood wins then they'll capture the dual meet championship, but that's only half the story. The other half is the conference meet. Assuming that Forest Hills wins then one could rightly say that the Rangers will share the OK Red Crown with Kentwood. This lively meet is scheduled for October 28 at Johnson Park.

Coach Larry Wilson thinks his men have a good shot at it. Salzwedel should take first and Rose fourth. Conference rules state that only seven boys from each team may run in this meet, this could hurt Kentwood's "Red Army." Whereas Forest Hills sports seven outstanding runners making the choice of who competes an easy question.

Spirit Week Oct. 25-29

The students of SHS look forward to the events of Homecoming activities. Activities include Spirit Week followed by a Snake Dance and bonfire.

Spirit Week which is October 25-29 includes a red and white sock day, a greaser day in which everyone dresses in the styles from the 1920's, a sweater day when all girls wear a guy's sweater, and Redskin day in which all students dress like a Redskin.

The annual Snake Dance, which is October 28th, will begin at the high school led by the SHS band. The Snake Dance goes through the streets of Saranac and ends at the football field where a bonfire is awaiting their arrival.

The bonfire will feature the execution of a Portland Red Raider dummy, as well as speeches by coaches and players. These events are sponsored by the cheerleaders.

Fall Golf Seasons Draws To Close

With the close of the fall golf season the Conference and Regional tournaments were held last Saturday and Monday.

The Arrows came on strong in both tournaments. Saturday the Arrows took 7th place at Saugatuck Golf Course during the Regional Tournament.

The Arrows were 49 strokes out of first place. The hoisting Caledonia team grabbed the first place with a 323 team total. Also qualifying for the State tournament was Portland and Rogers High School.

Medalist honors went to Jeff Letterman with a 4 over par 76, edging his brother Mike by two strokes.

Kim Schwacha fired an 89 to lead the Arrows. One stroke behind Schwacha was Junior Rick Kerr with a 90.

Lowell's second and third positions were handled by Rick Kerr and Terry Abel with a 90 and a 96 respectively. Kevin McMahon brought up the Arrows scoring with his 102 total.

Last year the Arrows shot a 353 total, also at Saugatuck. The Arrows' real spark of the season came Monday afternoon at Silver Lake Country Club when Lowell grabbed 2nd place in the Conference tournament.

In an outstanding field of individuals Sophomore Kevin McMahon shot the 3rd best score of the day.

McMahon shot an 87, 4 strokes away from the medalist's position grabbed by Rick Callina of Greenville.

The Arrows outshot the Sparta team to land second place behind Greenville's 350 team total.

Following McMahon for the Arrows was Kim Schwacha and Rick Kerr both shooting a 91.

Sophomore Terry Abel was one stroke behind and Rick Price shot a 98 for the Arrow's 5th position.

Through voting by the Tri-River Conference golf coaches, Arrow Sophomore Kim Schwacha was elected to the All-Conference team and an honorable mention went to Terry Abel also a Sophomore at Lowell.

Next Fall the Arrow Golf team has an even better chance at the Conference title. Most of the Conference teams were made up of seniors, but the Arrows are a much younger team, and therefore, next year they will challenge some less experienced teams.

Saturday Morning Quarterback

Lowell 44, Cedar Springs 6

Cedar Springs, October 16: The Lowell Red Arrows journeyed to Cedar Springs on Saturday night to meet that city with their annual Red Flannel Day celebration.

Playing before a standing room only crowd, the Arrows lost the toss and kicked off to the Red Hawks to open the game. Martine booted the ball to the Cedar 2-yard line with a return to the Cedar 9 after running two plays against the tough Lowell defense. Cedar went to the air and Pat Herblert intercepted the pass on the Cedar 20 and with the help of a penalty Lowell started the first play from scrimmage on the nine-yard line. Kropf sent Bernie Harden off to the right side for nine yards and a T.D. Kropf tried a Q.B. sneak for the extra point but failed.

After the kickoff, Cedar started moving the ball from their own 25-yard line to the Lowell 30 where again Cedar was using the pass to move the ball. On the second down and ten Cedar tried to boot the right defense halfback Kropf who had his man all the way and intercepted the ball on the Lowell 25-yard line.

After two exchanges of the ball in the second quarter, the Big White and Red Defense Machine pounded the ball loose and Dave Wisner recovered on the Cedar Springs 27-yard line. Kropf then went to work sending Billock up the middle for 5. He then handed off to Joe Rimard on an end around for four yards. Kropf tried Herblert off right tackle for no gain. On the fourth down Kropf used Billock on the option and he rambled 17 yards for the T.D. Kropf then passed to Rimard for the 2 points.

After the kickoff Cedar Springs threw the ball for 3 incompletions and punted the ball on a 4th down to the Lowell 35. With a fine return of 20 yards by Kropf, Lowell started yet another sustained drive from the Cedar 45. Kropf then passed to Jim Bove for 21 yards. Four plays later Kropf handed the ball to Bernie Harden who rammed in from the four. Kropf then pitched out again on the option to Billock for the two pointer. With 1:27 to go in the half Lowell kicked off to Cedar Springs and the Cedar back rambled 80 yards for their only score.

Cedar Springs kicked off to Lowell to start the second half and with a fine return of 44 yards Lowell started to move the ball again from their own 47-yard line and in six plays Kropf ran the ball up the middle for 8 yards and the T.D. Kropf then passed to Rimard for the two points. On the ensuing kickoff the Lowell defense caused Cedar to fumble on their own 25-yard line where Tom Wernet picked the ball up and ran for the T.D.

Kropf then came back to Billock on the option for the 2 points. In less than 10 seconds Lowell put 16 points on the board.

After the kickoff Lowell held Cedar again and forced them to punt and Lowell fumbled the ball away on their own 31-yard line. The Big White and Red then caused Cedar to fumble on the first play from scrimmage. Ed Steffens recovered the ball. Kropf then engineered one of his best sustained drives of the night. In eight plays (after having Bernie Harden's T.D. called back) and a series of penalties against the Arrow, Kropf passed to Pat Herblert for 20 yards and the T.D. Kropf's pass for the extra point failed.

With the score 44-6 Coach Rowe then emptied his bench for the remainder of the third quarter and also the fourth quarter. Doing a real good job in the fourth quarter were Barber, Haybarker, Mendez and Jerry Kropf on offense. What can you say about the defense? They held Cedar Springs to a minus one yard in the fourth quarter, while gaining 39 yards on offense.

The Outstanding Players for this week are Jim Rowe and Ed Steffens. Both of these young men have done a tremendous job for their club throughout the season.

Rowe's Raiders: A prominent Michigan college coach was asked: "How do you and your football players run the triple option?" His comments were: "Sometimes we pass the ball, sometimes we run the ball, and most of the time we drop the ball and try to fall on it."

Freshmen Sparkle Down Cedar 22-6

The Lowell Freshman Football team ran its league record to three wins and 0 losses Thursday defeating Cedar Springs 22-6 at Recreation Park.

Lowell put 22 points on the scoreboard in the first half, enabling the substitutes to finish out the game. Cedar Springs ran 46 plays to Lowell's 34, but were able to gain only 103 yards. Total offense to Lowell's 353 yards.

Highlight of the game was a 65-yard punt return by Lowell's Willie Harden on the second quarter. Leading ground gainer was John Piper with 71 yards rushing. Bruce Billock led the Lowell defense with nine tackles.

Quarterback Scott McNeal completed three of six passes. The Freshmen now have four wins and one loss in the year.

They will entertain Belding in another Tri-River league game at 5 p.m. Thursday at Recreation Park.

Higgins Makes Second Intercept As JV's Win

Lowell Junior Varsity football team pounded out a 24-8 win over Cedar Springs Friday night at Recreation Park. First quarter action saw two exchanges of the ball and on second down Cedar Springs passed the ball and defensive halfback Tom Heintzman intercepted the pass and rambled 65 yards on the return. In six plays the Arrows sent Ned Higgins in for the 5-yard T.D. Dave Powers ran the extra point.

In the second quarter Cedar Springs made good their only sustained drive of the night, passing the ball 23 yards for the T.D. and running the extra point. The score at halftime: Lowell 8, Cedar Springs 8.

The third quarter was all defense with fumbles and intercepted passes. At the beginning of the fourth quarter Cedar stopped Lowell on downs and after making a first down on the ground, Cedar again put the ball in the air. Tony Malcolm intercepted the pass on his own 45-yard line and went all the way for the T.D. Jeff Pierce then pitched but to his full back Higgins for the extra point.

After the kickoff Cedar, running its first play from scrimmage, again tried to pass the ball and as Albert Higgins was picking off his second interception of the night, Pierce then went to work on the ground using Powers, Malcolm and Higgins. Powers up the middle for six yards and the T.D. Higgins then got the ball on the extra points which was good.

Alumni Returns To MSU

More than 20,000 alumni are expected to return to Michigan State University for homecoming activities and the football game on Oct. 23. The alumni banquet will be at 6:30 p.m., October 22, in the Big Ten Room of MSU's Kelllogg Center.

Arrows Place 19th In Invitational

Last week the Arrows' cross-country team ran against some very stiff competition gaining a victory and failing to place in the top ten during the Lowell Invitational.

Running against 22 different teams the Arrows settled with a 19th place.

The teams were paced by a very surprising group of runners from Charlotte, hitting a very low 74 points and 1st and 2nd places. Charlotte's one and two runners, Bob Bywork and Jeff Chenoweth, ran identical times of 12:25.

The five remaining Charlotte team members followed less than a minute behind.

A strong Forest Hills team (playing the dark horse in their league) grabbed second overall, 30 points above Charlotte.

The F. H. Harriers paced by Jerry Salzwedel running a 12:44, took 3, 7, 22, 44, 92 positions.

Environmental Education Program Launched In Kent County

Two years ago the West Michigan Environmental Action Council formed an Education Committee to probe the possibilities of integrating and environmental curriculum into county school district programs. Appropriating funds to conduct the project proved to be a major obstacle. Last spring the WMEAC working with the Center For Environmental Studies and personnel from Kent Intermediate managed to secure monies from the Grand Rapids Foundation to inaugurate an environmental education department in the Kent Intermediate School District.

This summer KISD hired Ellen VanDeVisse to act as program coordinator. Her background includes a Master's degree from the University of Michigan in environmental education. Her office started pilot programs in three schools this year: Alpine Elementary in the Kenowa District, Northeast Junior High in Grand Rapids, and East Grand Rapids High School. If these trial experiments work other county schools could be included as early as next year.

Miss VanDeVisse and William B. Stapp outlined environmental education problems and solutions in a pamphlet entitled "A Proposed Strategy for the Kent Intermediate District." In the introduction the authors focus on the facts of urban living that will affect eight out of ten Americans by 1980. "Our urban areas are being plagued with complex biological-physical-social problems, such as lack of comprehensive environmental planning, community blight, air and water pollution, traffic congestion and lack of institutional arrangements to cope with such problems... Man has but a short time to become trustee of his inherited land, air and water and to live in harmony with his environment."

"Root Causes Vs. Symptoms" is discussed in the next portion of the outline. In a recommendation for citizen involvement VanDeVisse and Stapp state, "As an example, citizens should be active in solving traffic congestion problems both through the political process and by walking, bicycling, or using rapid transit rather than their cars."

The defense budget is attacked for using up 36 cents of every tax dollar while only 1% goes to education, 1% to housing and community development, and 2% to agriculture. In a poll conducted by the National Wildlife Foundation 97% of all Americans favored more tax dollars spent on environmental problems and 51% of them said take the funds away from the defense budget to pay for the programs.

These generalized citations lead to statements concerning the role of the primary and secondary school system in developing environmental skills and values. The result of value teaching should be a citizen interested and sensitive to his environment with a willingness to act when action is needed.

Another desired product of the program is the student with skills to both identify legitimate problems and recognize emotionalism and irrelevant facts used by special interest groups. The natural follow-up to the realization of existing problems is the eventual conclusion embracing a plan of action.

With obstacles of already crowded curriculums, fears of a "let's jump on the bandwagon" classroom, and lack of trained environmental educators the transition might be slow in coming. But how much longer can we afford to cry wolf when the sheep deserve the blame.

Reading Services Available For Blind, Handicapped

Do you have a friend who is legally blind... one who cannot hold a book, such as one with muscular dystrophy? Or perhaps you know someone with a learning disability which prevents him from reading type.

These persons are eligible for free library service which will again bring them into the world of books and magazines through the Blind and Physically Handicapped Section of the State Library, Michigan Department of Education.

Sue Haskin, librarian and Margaret Gilmore, assistant librarian, of the Blind and Physically Handicapped Library, Lansing, explained this service and how it works to local librarians of the Kent County System at a meeting Friday, Oct. 8, at the Kent County Library headquarters building, 775 Ball, NE.

Miss Haskin pointed out that these persons could be reading books in braille, in large print, or listening to books and magazines recorded as talking books or on magnetic tape.

These books and equipment to listen to them are mailed postage-free to blind and handicapped homes and is returned to the library the same way.

Talking book machines (record players) are also loaned to patrons free of charge. The State Library has more than 4,300 of the especially designed record players and more are ordered as requests are received.

Michigan residents have available 25,000 volumes in braille, 3,500 titles in talking books and tape and over 90 magazines. These magazines include such timely ones as Newsweek, Sports Illustrated, Readers Digest, Ebony, Farm Journal and Jack and Jill Magazine.

Samples of book titles range from "The Beatles; the Authorized Biography," "The Andromeda Strain," "The Presidency," to Agatha Christie's "By the Pricking of the Thumbs."

In order to qualify for this service, a certificate of eligibility must be completed and signed by a competent authority in the medical or allied professions. After this qualification is satisfied, catalogs are mailed to the patron and service begins. Miss Haskin said that at this time over 8,000 readers are using the service with a monthly circulation of 23,000 books.

Anyone interested in learning more about this service may write to the State Library, 735 E. Michigan Ave., Lansing, 48913, or may inquire at any of the 18 member libraries of the Kent County System. These are located in Alto, Byron Township, Caledonia, Cassovia, Comstock Park, East Grand Rapids, Gaines Township, Grandville, Greenville, Kent City, Kentwood, Rockford (Krause Memorial), Lowell, Peach Ridge, Plainfield, Sand Lake, Wyoming, Walker's Big Red Bookmobile, and the Kent County Traveling Bookmobile, Moby.

Persons who can read large-type books may borrow those directly from their neighborhood branch of the Kent County Library System, which has more than 300 different titles available.

Dodge Registers All-time Records

Dodge Division registered all-time records for both car and truck sales for the month of September, closing out the 1971 model year with 552,872 car sales, and an all-time model year for Dodge Truck sales of 157,151.

Model year car sales were the best in three years - since 1968, when a record 585,289 were sold.

The final 10-day spurt in September resulted in 25,722 car sales, nearly double the amount for the same period a year ago, and helped give the company its best September in its 57-year history. The 51,358 cars sold was up 63 percent from the same month a year ago. The previous September record was in 1969 when 46,067 units were sold.

September truck sales of 13,117 were the best in 22 years. The previous high of 13,073 was set in 1949.

Dodge also set an all-time model year record for its compact Dart line with 228,760 sales compared to the previous high of 192,574 set a year ago.

Open House At Residential Facility

Friends in the Lowell Area are invited to the 3rd anniversary celebration of Honey Creek Christian Homes with open house, Sunday, October 24, from 2:30 to 5:30 p.m.

These homes are a residential facility for dependent boys and is located five miles south of Lowell on Cascade Road, three miles east of the stop light or one-half mile west of Jimmy's Grill.

The Rev. Gordon Blossom is the Director.

TOPS Clubs To Recognize Losers

Some 2,000 members of 67 TOPS (Take Off Pounds Sensibly) Clubs located in metropolitan Grand Rapids, Kentwood, Wyoming, as far north as Howard City & south as Plainwell will hold their Annual Recognition Dinner (ARD) Thursday, Oct. 21, in the Grand Valley Armory in Wyoming. Those honored will include members who have reached a desired weight, kept the pounds off, and members who have lost 100 pounds or more.

According to Area Supervisor, Anne Laurn of Kentwood, other active clubs are located in Middleville, Otsego, Grandville, Allegan, Hastings, Dorr, Saranac, Ionia, Wayland, Belding, Lowell, Sparta, Carson City, Douglas, Bryon Center, Muir, Greenville, Caledonia, Six Lakes, Lakeview, Stanton, Cedar Springs, Smyrna, Hamilton, Kent City, Rockford, Kent City, Comstock Park and Lamberton Lake.

TOPS International is a non-profit organization which encourages those with weight problems to be ever "Counting calories to keep off creeping pounds for health sake under the direction of his or her physician."

Over five ton of "flab" was peeled off by members during the previous year. However, due to a change in TOPS regulations to be honored as a Queen or to graduate as a KOPS (Keep Off Pounds Sensibly) a member had to have reached her desired goal by December of 1970.

Members will attend the banquet 2,000 strong, but five tons light.

THIS LAND IS BORN AGAIN...

THE PHOSPHATE MINING INDUSTRY IN CENTRAL FLORIDA MEETS ALMOST A THIRD OF THE WORLD'S PHOSPHATE FERTILIZER NEEDS. AT THE SAME TIME WITH IMAGINATION AND A SENSE OF RESPONSIBILITY, THEY'RE SHOWING THAT MINING AND ENVIRONMENTAL CONSERVATION CAN GO HAND-IN-HAND.

TONS OF EARTH MUST BE REMOVED TO REACH VALUABLE PHOSPHATE DEPOSITS. AFTERWARDS, DISTURBED LAND IS RECLAIMED, CREATING A LANDSCAPE DOTTED WITH LAKES AND SUITABLE FOR AGRICULTURE, CATTLE, RANCHING, FORESTS AND RECREATION.

THOUSANDS OF ACRES HAVE BEEN RESERVED AS WILDLIFE SANCTUARIES. HERONS WHOOPING CRANES EGRETS AND OTHER SPECIES FLOURISH HERE TO BE JOINED IN WINTER BY WILD DUCKS.

LAKES CREATED BY MINING AND RECLAMATION EVEN SERVE AS CATFISH "RANCHES" WITH SOME 300,000 OF THE FISH-A FAVORITE REGIONAL DELICACY-BEING "PASTURED". SPORT FISHING IS POPULAR, TOO.

BOY SCOUTS AND GIRL SCOUTS, FUTURE FARMERS AND COMMUNITY GROUPS FIND THE TRANSFORMED LAND IDEAL FOR HIKING, FISHING, CAMPING AND PICKNICKING. CAMPS AND MANY MILES OF TRAILS ARE SET ASIDE FOR YOUTH ORGANIZATIONS.

TO MAKE THIS LAND AGAIN A PLACE OF BEAUTY AND BOUNTY IS THE GOAL OF RECLAMATION ACTIVITIES OF AGRICO CHEMICAL CO., THE PLANT FOOD DIVISION OF CONTINENTAL OIL. FOR AGRICO, LAND IS A LEGACY AFTER ESSENTIAL MINERALS HAVE BEEN MINED-THE LAND IS TRULY BORN AGAIN.

Selects Library Books

The third grade class at Collins Elementary School takes first choice of library books offered for the enrichment of students in the K-6 school. The class is taught by Shirley Kyle.

Students Watch Blind Gymnast

Sight means nothing when it comes to gymnastics for Eddie Matter who proved this point to the students at Saranac High when he performed his gymnastic skills Tuesday, October 12, during an all-school assembly. Many students were petrified as they watched a blind man perform handstands, back flips and balancing acts with his wife.

Blind since the age of nine, Mr. Matter has never seen the stunts he does. He performs all acts on a small table, except a back flip, which is done on the floor.

Mrs. Matter is an integral part of the performance, doing shoulder balances and mid-air tosses, each more hair-raising than the last.

Students showed their appreciation of the performance with a standing ovation.

Vicky Clark

Seek Parents For Club

The Michigan Association for Emotionally Disturbed Children are looking over the possibilities of forming a Parent's Club in the Lowell Area.

Membership would also include parents who have children attending Special Education Classes.

To secure more information, interested parties should call 897-9432.

The KaTaKa Camp Fire group began its year's activities by electing officers. Louise Weeks is President, Vickie Tulecki, Vice-President, Kellie Grim, Secretary and Marta Schneider, Treasurer.

We went on a cook-out and helped at the Fly-up for new Camp Fire Girls.

We are inviting guests to a Sports & Games party for our next meeting.

Girl Scout Notes

Junior Troop 511 went on a five mile hike Saturday October 16. They worked on hiking and observer badges. At this week's meeting the Juniors received calendars to sell for 35¢ each.

NEWEST ROOMIEST PICKUP

IN TOWN.

THE DODGE BOYS

GREAT NEW RIDE.
This all-new '72 Dodge has a brand-new, independent front suspension. Combine this with a wider front and rear track, plus a longer wheelbase (131"), and you have a great new pickup with a great new ride.

TOUGH CONSTRUCTION.
Even though this is an all-new pickup you still get all the toughness you'd expect in a Dodge. For example, the cargo box has thick, double walls and ribbed inner panels for greater strength.

ROOMIEST CAB AROUND.
The Dodge designers gave this all-new pickup doors that are two inches wider and open nine degrees farther for easy exit and entry. Shoulder room has been increased by over four inches and the taller cab gives you a full 13 inches of seat height for greater leg support.
