

B-U-R-R! It Was Cold

The weekend's record breaking cold spell stranded many area motorists, caused water pipes to freeze, and put a heavy work load on heating units. A few homes were without heat or had a hard time trying

to keep warm as ole man weather dipped thermometers to a record 16-20 degrees below zero. And that's cold.

Sunday's low was 16 below zero, breaking the old record of 10 below set in 1966. Saturday's low of eight below tied the record set in 1927. And it hasn't been this cold since January 29, 1966.

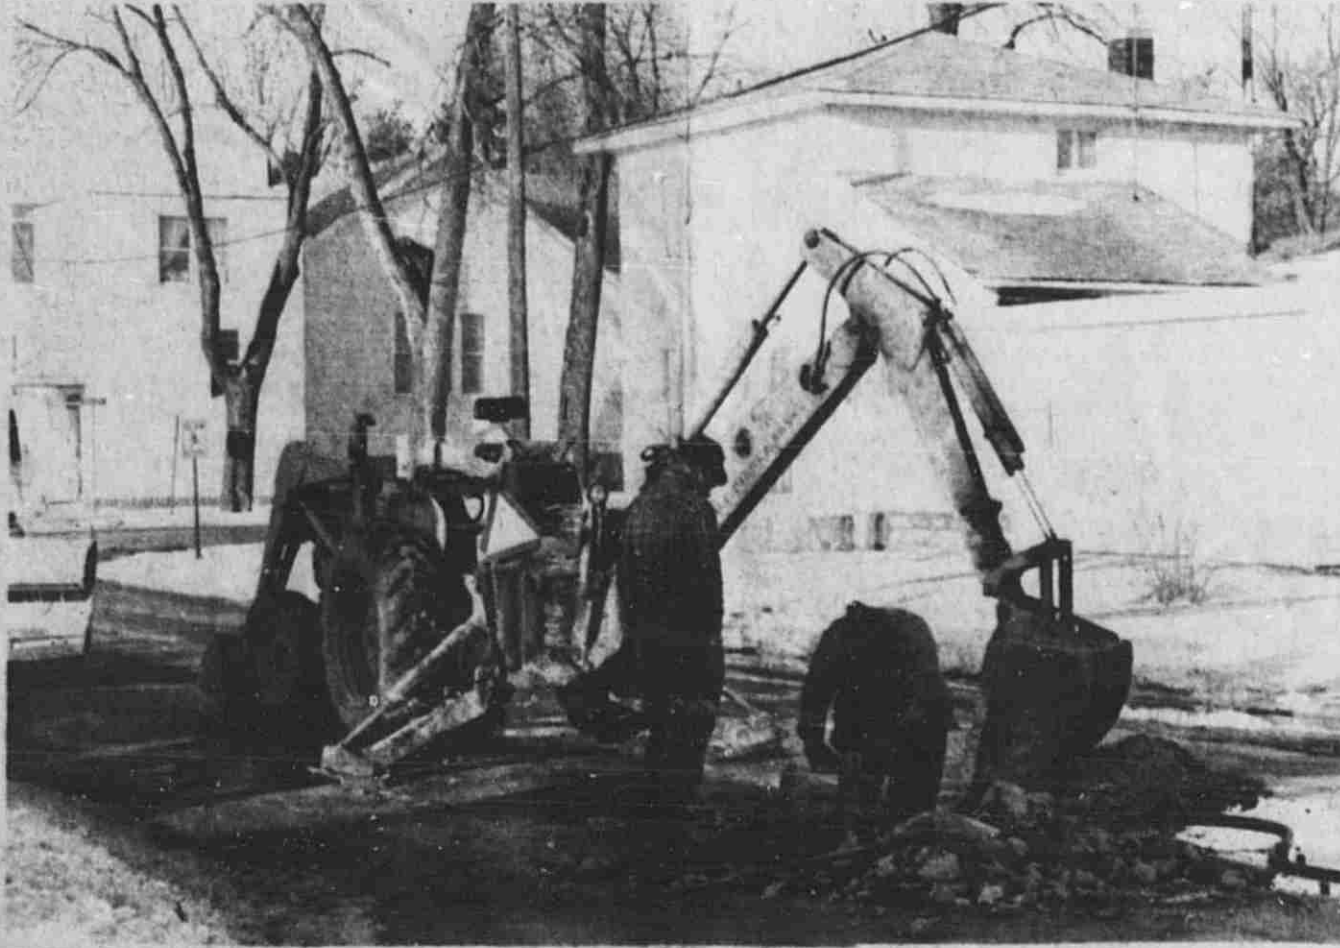

Wreckers and service station attendants were given no rest over the weekend. At least 200 calls kept one wrecker firm in Lowell on the run continuously. They towed them, tried to jump them, used quick start additives, but when it gets that cold, some just wouldn't even roll over.

Several West side residents found themselves walking, with the wind chill factor at -45 degrees, when their transportation failed to start. One family with three vehicles, despite all efforts, walked to church, etc., when all three vehicles remained idle during the cold spell.

Activities remained almost at a stand-still, as it was just too cold to engage in outdoor sports such as skating, skiing, snowmobiling, etc. If one did venture out, they had plenty of room to themselves.

Meanwhile, other residents were trying to unfreeze their water pipes, and keep the home fires burning.

Warmer weather has been predicted for the first part of the week, with a high in the lower 40's. But, it is expected to turn "sharply colder" Thursday and Friday, according to the National Weather Service.

Last week's cold weather caused a break in the water lines on N. Washington Street. The street was temporarily closed Tuesday for repair.

Firemen Called Out In Sub-Zero Weather

Sub-zero temperatures over the weekend froze the water pipes at Attwood Corporation, North Monroe Street, setting off the company's ADT alarm system, summoning firemen to the scene, on three different occasions.

The first alarm went off at 1:30 p.m. on Saturday, January 15. Firemen rushed to the steel frame structure only to find the water pipes frozen solid and the alarm system screaming repeatedly.

Again on Sunday, firemen were twice routed from their warm homes to the Attwood scene when the alarm went off at 11:30 a.m. and 3:20 p.m.

Wesley Langdoc of 13184 Grand River Drive, using a heating lamp to keep his car warm, summoned firemen to the scene at 6:30 p.m. on Saturday. One hundred gallons of water, which froze on impact, was used to extinguish the car's fire. An estimated \$400 worth of damage was done to the car.

Cub Scouts To Hold Old-Fashioned Carnival

Remember back in the good ole day when the schools held their annual carnivals, and what delight there was when you cast that line over the pre-fabricated wall into the "fish pond" and pulled your prize to the surface... well, this Saturday, January 22, you'll have a chance to do that again and much more.

A carnival, sponsored by Cub Scout Pack 3102, old-fashioned in every way, will take over the Runciman School gymnasium from 11 a.m. until 4 p.m. There'll be lots of action for the entire family.

Walk the cake walk, do the bean toss, fish at the pond, or engage yourself in the carnival activities planned by the Cub Scouts.

See you on Saturday for a day of fun at the Carnival.

With Universal 25 Years

Mrs. Ferne Green marked her 25th anniversary with Universal Metal Products in Saranac January 16. Guy Mutchler, plant manager, presented Mrs. Green with a gold watch and a 25-year service pin, along with the plant's thanks for her faithful 25 years of service.

WMU Honor Students

Michael K. Blough, son of Mr. and Mrs. Ivan Blough of 623 North Jefferson Street, Lowell, has maintained an all-A grade point average at Western Michigan University in Kalamazoo.

More than 1,900 Western Michigan students have won recognition as scholars by being named to the university's Dean's List for the fall semester. Blough was among the 297 students who received all A's.

Also named to the dean's honor list from the Ledger-Suburban Life Area were:

Lowell—David Boone, son of Mr. and Mrs. Albert Boone, 117 Flat River Drive, Sue Jean Kaye, daughter of Mr. and Mrs. Gene Kaye of 2318 Alden Nash Avenue, Shirley Krebs, daughter of Mr. and Mrs. Clare Krebs, 123 North Division, Anthony Myers, son of Mr. and Mrs. Albert Myers, 704 North Hudson Street, and Vern Paulsen, son of Mr. and Mrs. Ival Paulsen, 931 Beech Street.

Ada—Barbara Masten, daughter of Mr. and Mrs. Robert Masten, 2841 Stonington Road, Alto—Marcia Rodgers, daughter of Mr. and Mrs. Irvin Rodgers, 20581-76th Street, Clarksville—Julia Kay Metternick, daughter of Mr. and Mrs. George Metternick of 6971 Montcalm Avenue.

Girls Shoplifting

Area merchants who each year must face a loss of profit due to shoplifting, have had their share of stealing this year, so far, but protective measures on the part of the merchants have led to several being caught in the act.

Last week a juvenile girl shoplifting an eyelash curler was caught, and this week, three juvenile girls were apprehended in the act of shoplifting at Eberhard's Thrift-Mart.

Investigated by the Lowell police, reports were made out, and the three girls were released in their parent's custody.

Stolen Car Recovered

A car, belonging to Orlo Gwatkin of Lowell, stolen some time ago from behind the Lowell Moose Lodge has been recovered.

The late model car was found in the patients parking lot at the Henry Ford Hospital in Detroit, on the eleventh floor.

No arrest with the theft has been made, and it's possible that the car had been left in the hospital's parking lot since it was stolen.

The Gwatkins, who were covered by insurance, received compensation for their loss, so they will not get possession of the recovered car.

Who Knows The Answer?

During the course of our busy week, editing birth announcements, weddings, engagements, news stories, sports, etc., we get numerous telephone calls asking leading questions.

Although our staff handles the majority of inquiries, there's some questions that we're passing on to our readership for HELP!

If you have an answer, let us know, or if you have a question you'd like answered... give us a call or drop us a line, and we'll use this column to see if we can't solve the situation or find a solution.

Several of the questions hanging in the fire are:

Is there any "open to the public" snowmobile trails in the Ledger-Suburban Life area? If so, where?

If you're having a dance or a party, is there any available bands in this area? If so, who and where can you get in touch with them?

When we have freezing weather, and my car won't start, which service stations or auto dealers offer road service?

Is there any place in the Ledger-Suburban Life area where one can purchase ready-mixed snowmobile gas? If so, where?

Veterans To Organize VFW At Clarksville

An organizational meeting will be held Sunday, January 30, at 2 p.m. in the Clarksville Fire Barn for the purpose of organizing a Veterans of Foreign Wars Post in that town.

Department of State Officers of the VFW will be present to explain the objectives of the organization, and assist the formation of the Clarksville Post.

The Veterans of Foreign Wars is one of the oldest veteran's organizations in the country, having been founded in 1899. Included among many programs, the VFW sponsors programs of assistance and benefits to the community, various youth groups and veterans in hospitals.

Veterans of all wars, who served overseas are invited to attend this organizational meeting. For information contact Howard Heffelbower of Route 1, Clarksville or call (616) 693-3110.

This and That

National and state officers of the Soil Conservation will participate in the three-day annual meeting of the Michigan Association of Soil Conservation Districts in Grand Rapids, January 27 through 29, at the Pantlind Hotel.

There are 85 Soil Conservation Districts serving 82 counties of Michigan.

Dr. John W. Porter, State Superintendent of Public Instruction, has combined the Driver and Safety Education Unit (Driver Ed) and the School Bus Transportation unit into a new Safety and Traffic Education program.

Reportedly, this presages new emphasis on a total school safety program.

The number of jobless individuals in Michigan increased by 14,000 from November to December, 1971, to a total of 272,000 or 7.5 percent of the labor force.

Despite the increase, the current December figures are below those registered in December 1970 when unemployment amounted to 280,000 or 7.7 percent.

The new year's first auction sale of State-owned used motor vehicles will be held at 10 a.m. Saturday, January 22, at the State Highway Department Garage on West Saginaw Street (M-43) at the Interstate 96 Interchange.

There are 110 motor vehicles and several other pieces of equipment to be placed on the auction block. The vehicles may be inspected January 21, or the morning before the sale.

Nursing Home Ordinance Approved By Council

An ordinance under discussion for several months, to regulate and control the operation of nursing homes and homes for the care of the aged in Lowell was passed by the City Council Monday night. The new ordinance will go into effect 10 days after publication in the Ledger-Suburban Life.

The original ordinance was amended to allow present homes six months to meet any physical requirements under the new regulations.

Lease Land to School

The council approved a lease agreement with Lowell Area School allowing the school to construct a parking lot on a 575 x 265 foot portion of the city's property on Foreman Road for the new middle school. In return, the school will allow the city

to explore for additional water sources on portions of the middle school property.

Object to RR Signals

The City Council authorized the City Manager Blaine Bacon, to object to proposed crossing signals on Foreman Road and South Hudson Street. Under the proposed signal types the Public Service Commission would put gates and move the location of signals. These changes do not meet the approval of the council and further hearings will be requested.

Mayor Anderson appointed Dr. Herbert Mueller as legislative contact man for the council. Bids were received for gasoline supplies for the city and the contract was awarded to Standard Oil Co., the low bidder at 14.2¢ per gallon.

'A Heart Of Pure Gold'

"Uncle Carl" a man of many talents and a heart of pure gold, will present a Jingle Bells Sleigh to the children at the Coldwater State Home and Training School Thursday.

Carl W. Behnke, a retired safety engineer, who resides at 4804 Cascade Road, S.E. known to so many as "Uncle Carl" has a workshop in his home garage that turns out products of delight to the recipients.

Utilizing his creative and carpenter talents, Behnke builds doll houses of unique designs, repairs broken toys, designs and constructs play toys, makes safety displays... all to his own personal satisfaction that a smile of delight will be his only reward.

This year, due to Mr. Behnke's efforts the children at the Coldwater State Home and Training School had the most bountiful Christmas in 28 years. A fantastic playhouse equipped with electric heat, air-conditioning, built-in hi-fi and electric door chimes was built by Behnke and given to the home.

Along with the playhouse went fifty sleds, conditioned by Behnke, and many major new toys donated by local merchants and citizens, and thousands of comic books donated by Shaw News Company. Bikes and tricycles were among the truckload of items delivered to the home under Behnke's leadership.

"The expressions on their faces when they see the gifts, are something you never forget," Behnke commented, as he revealed his latest project "Jingle Bell Sleighs."

This Thursday, the first sleigh, eight feet long, which holds approximately 10 kids, will be delivered to Coldwater. The sleigh has two horse figurines upfront with jingle bells that ring through the atmosphere. Designed to be drawn by a Saint Bernard, a garden tractor or small snow scraper can be used.

"If I could find someone that would like to donate a Saint Bernard to the home," Behnke added, "it would make the presentation more authentic, but I'm sure the personnel at the home will find some way to haul it around, loaded with kids."

Friday, Behnke will deliver the second sleigh to the Lincoln School in Grand Rapids, where a variety of his talents can be found in the playrooms and on the playgrounds.

"I started out reconditioning an average of 200 toys a year, for various organizations, but the job has increased to over 500, so you can see that my retirement time is well spent," Behnke revealed. "It's too bad that some of the retired carpenters, and men who need something to do don't take an interest in creating things for the handicapped and underprivileged children. They wouldn't be able to count the rewarding satisfactions that they would get," Behnke concluded.

A heart of pure gold, goes not untold, Uncle Carl, as we salute you for giving of yourself, and the contributions you've made to those who know not what the future holds.

Lowell Area Schools Policies And Procedures For Suspension And Expulsion Of Students

This past spring the Michigan Department of Education required all school districts to develop written policies for the suspension and expulsion of students from school. The Lowell Area Schools developed and adopted such a policy in June 1971.

This past fall the school realized that this policy could be implemented by being more specific in identifying violations and penalties. Again the Board of Education appointed a committee composed of a cross section of the community—four students, two parents, one teacher, one representative of law enforcement, a lawyer, two school administrators, and two board members—to study the problem and make a recommendation.

The following is the complete policy, including this recommendation for amendment that was adopted by the Board of Education at the board meeting held on December 15, 1971.

POLICIES AND PROCEDURES FOR SUSPENSION AND EXPIUSION OF STUDENTS

As Amended by the Board of Education December 15, 1971

The Lowell Area Schools Board of Education recognizes the following: That the primary intent of society in establishing the public schools is to provide an opportunity for learning.

That the students have full rights of citizenship delineated in the United States Constitution, the Constitution of the State of Michigan, the School Code and other laws passed by the Legislature of the State of Michigan.

That citizenship rights must not be abridged, obstructed, or in other ways altered except in accordance with due process of law. That education is one of its citizenship rights.

A primary responsibility of the schools of Michigan and its professional staffs shall be the development of an understanding and appreciation of our representative form of government, the rights and responsibilities of the individual and the legal processes whereby necessary changes are brought about.

The school is a community and the rules and regulations of a school are the laws of that community. All those enjoying the rights of citizenship in the school community must also accept the responsibilities of citizenship. A basic responsibility of those who enjoy the rights of citizenship is to respect the laws of the community.

The Board of Education, Administration, and Faculty of Lowell Area Schools feel that the parents of Lowell students share a major responsibility in the well being of the students and of the school. Cooperative supervision of students by the school faculty and parents is the key factor in satisfactory participation by the students.

The responsibility of the parent begins in the home. The parent must train the child to the best of his ability so that he or she may adjust to the total school situation. In the proper home environment a child will be encouraged to achieve and will want to remain in school.

The parent must be aware of school policies such as seeing that the child is in school on time; going through the proper channels when the child is absent; and, in general, seeing that the child is properly supervised. School policies were formulated for the purpose of benefiting the child and must be followed if the child is to receive the best possible education. Parental cooperation is essential. The parent must be honest with both the school and the child. If the parent feels that a policy is unfair or that the student has been treated unjustly, he should withhold his criticism until he has contacted the school and tried to resolve the problem in a discussion with all those involved.

The student also has a definite responsibility to the school, to his parents and to himself.

There are several concepts which a young person should acquire through his relationships with teachers and other authority figures. He should be prepared to discipline himself when he is on his own. He must learn to be sensitive to the needs of others, willing to accept responsibility for both social and household duties. A teenager should be developing mature, sensitive ways of dealing with people.

With the proper guidance from the school, it is the responsibility of the student and his parents to see that these mature concepts be developed.

In the Matter of
Kent County Drainage District No. 1
ALTO SANITARY DRAIN
Notice of Meeting of
Board of Determination
NOTICE IS HEREBY GIVEN that the Board of Determination, composed of Gerard Systma, Al VanderLaan and William A. Worst, will meet on Tuesday, February 1, 1972, at 7:00 P.M., at Bowne Township Hall, 6099 Limited Rd., Alto, Michigan to hear all interested persons and to determine whether the Alto Sanitary Drain is necessary and conducive to the public health, convenience and welfare, in accordance with Section 72 of Chapter IV of Act No. 40, P.A. 1956, as amended.

Frank W. Bouma, Kent County Drain Commissioner.

THE LOWELL COMMUNITY CENTER, 10763 Grand River Drive is open every Tuesday morning, 9 a.m. to 12 noon.

Other service representatives are there to see clients and take applications for food stamps, and offer assistance in other areas. For transportation call the Outreach Aid at 897-9159.

Jack Bronkema has maintained a 100 percent record in attendance in his responsibilities as Kent County Clerk.

Bronkema has held this "no absentee" record for the past eleven years.

Tommy L. Lee, 252 Orchard Hills, S.E., Forest Hills, will appear in the cast of "After the Rain," at Grand Rapids' new theatre, Stage 3, located at 101 Campus Avenue, on Thursday, Friday and Saturday, January 20, 21 and 22, starting at 8:30 p.m.

Mrs. Harry Carlgren and daughter, Rone Claeson of Lowell, escaped serious injury when their car veered off slippery M-21 last Thursday, rolling over and landing right side up.

Taken to St. Mary's Hospital, they were x-rayed and treated for multiple bruises and lacerations.

Cub Scout Pack 3102 will hold an old-fashioned Carnival at the Runciman School gymnasium on Saturday, January 22, from 11 a.m. to 4 p.m. Games and prizes for all ages. Come one, come all.

Sparks flew in debate over more than 25 resolutions, but the Michigan Township Association concluded its three-day convention in Grand Rapids Friday on a harmonious note with unanimous election of new officers and directors.

Kenneth Anderson of Ada Township was elected as one of six township directors from congressional districts. He will serve the 5th district.

The hallmarks of the exercise of disciplinary authority shall be reasonableness and fairness.

HAPPY BIRTHDAY - To Charles Prins, 16, and Dewey Prins, Jr., 15.

City of Lowell Council Proceedings

Regular meeting, Monday, January 3, 1972 in the council room of the city hall.

In the absence of former Mayor Jeffrey and because of a vacancy in the post of Mayor pro tem due to the death of former Mayor pro tem Reynolds, Manager Bacon suggested that a temporary chairman be named to open the meeting.

Councilman Mueller was unanimously named temporary chairman and the roll was called:

OUR MEN IN SERVICE

DEAN 2 PACK 3002

We have done a lot of things since our visit to the Lowell Fire Department. We have had a Halloween party, gave a Christmas party for the boys of Honey Creek Home, a Christmas party for us and to top the New Year off, we went riding and had snow mobile rides at the Van Weelden home, with a hot dog roast. A nice time was had by all.

Electricity For Today... For Tomorrow

"The human brain is like a freight car - guaranteed to have carrying capacity, but often rolling empty."

WE'VE ADDED TO OUR FAMOUS CORONELLE Collection OF VINYL FLOORS FROM Armstrong

Every year there are more and more ways that you use electricity to make life more convenient, more comfortable and more productive. And every year there are more people who depend on electricity.

That's why we plan ahead for larger power demands... long-range plans that include your children's needs as well as our own. Higher production and better living for you today - for others tomorrow - depend on plenty of low-cost power.

made the Armstrong Coronelle Collection the nation's favorite flooring. Help us stamp out dull, drab rooms! See you soon?

Offering Art Classes For Adults

Lowell YMCA is launching its winter program in the next few weeks. Typical of the Y's varied activities is the Wednesday afternoon adult art class under the direction of Jan Johnson.

The Lowell YMCA is again offering Art Classes starting January 26 on Wednesday afternoons 1 to 3 p.m. at the YMCA office at 323 W. Main Street. The classes run for eight weeks. Cost will be \$5.50 for "Y" Members and \$8.50 for Non-"Y" members.

Classes run the gamut from charcoal drawing to oils and watercolors and are conducted on an informal basis with beginners working beside advanced students giving an opportunity to help each other. Please call the "Y" office for enrollment. (897-7375).

For the past 10 years Jan Johnson has taught the Art Classes for the YMCA. Jan feels that anyone truly interested in painting can turn out a pleasing picture.

Jan lives at 810 Riverside Drive with her husband Phillip who is a representative of a local business. Jan works part-time for the Lowell Ledger Suburban Life which leaves the rest of the week for painting. Jan and Phillip have two boys, Blake, a freshman at J. C. and Brooke, a high school senior and Ledger-Suburban Life photographer and Sports writer.

Jan received her training at Kendall School of Design in Grand Rapids and Ringling School, Sarasota, Florida. Jan has gone on to be a prolific painter and her work can be seen in stores and galleries throughout the area.

YMCA Swings Into Winter Program

Wish you had that class credit so you could get your High School Diploma? Here is your opportunity! Enroll in one or more of these courses for high school credit or self-improvement. Classes are free to non-high school graduates. Others may take courses upon payment of \$15 per class.

Self Improvement Classes

- "Snowmobile Safety" - rules, maintenance, safety, and operation of snowmobiles. Instructor: Bliss Allison, Marcel Kroff, and Arnold Richmond.
- "Beginning Guitar" - Basic styles of Folk guitar to accompany singing. No musical experience necessary. Needed for the course - a guitar and a book, "Folk Singer's Guitar Guide" by Jerry Silverman. Instructor: Norman Steen.
- "Bride for fun" - A course for beginners and those who want to improve their bride game. These classes would be ideal for an individual or for husbands and wives. Instructor: Clara Winger.
- "The Art of Investing in Stocks and Bonds" - A down to earth course on how to make investments. Instructor: Watson Pierce.

Sign up for all classes at the Lowell YMCA, 323 W. Main St., Lowell. Phone 897-7375 between the hours 9:00-12:00 and 1:00-5:00. If you need help securing a babysitter phone the YMCA for names of certified babysitters.

Lowell Rated Eighth In Class 'B'

Junior Gary Barber (left) works for a take down against a Coopersville opponent. Barber took a 5-0 decision and helped the Arrow matmen to a 42-9 win.

Last week the first wire service polling results were revealed and two Tri-River teams were among the top ten.

Lowell was elected an eighth in the state class B wrestling poll just behind Sparta in seventh.

Proving that Michigan sports writers were far from wrong in the choice the Arrows took two easy wins over Lakewood and Coopersville and last Saturday they spread their fame with a second place in the Catholic Central tournament of Champions.

Fruitport topped the eight other teams and Lowell took second place 23 points behind them with 64 of their own.

Behind Grandville in the fourth spot was host Catholic Central totaling 57 points, barely slipping past Mona Shores with 54 1/2 points.

Fruitport and Lowell both landed 3 champion places but Lowell nabbed only one second place and three fourths while the winners totaled three seconds and two thirds.

The competition for the top four places was very close after

the end of the first round; Fruitport held an early lead with 66 points while Lowell trailed with 45 just ahead of Muskegon Catholic Central.

Fruitport retained its lead after the semifinals, outscoring Lowell's 54 points with 74. Grandville was still pushing at the Arrows' back with their 48 1/2 points and five wrestlers in the consolation matches. Lowell had four wrestler in consolation. Gordy Beatey, Jerry Kropf, Kraig Haybarker and Perry Beachum.

Beatey fell, Kropf, Haybarker and Beachum took fourth places but Grandville took three third places.

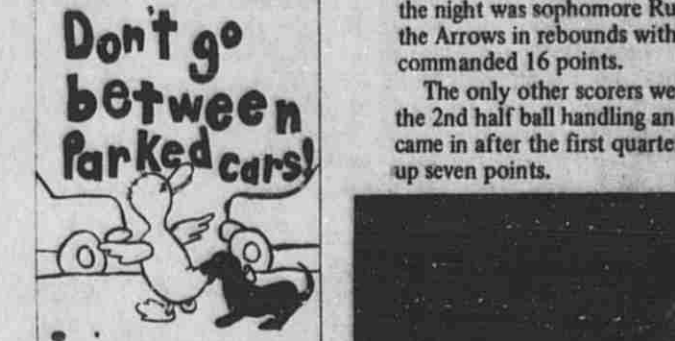

In the finals Lowell would put four wrestlers on the mat of those four, three would become champions. Sophomore Gary Wiener proved himself working his way to the final on an 11-2 and an 8-3 victory but fell to Greg Preslar of Fruitport by a pin in the third period of the finals.

Another Sophomore Dale Dawson, took a 5-0 win and a pin in the semifinals then a 4-2 decision to become champion of the 105-pound division.

185-pound Senior Paul Kliffman traveled the same route with a 9-2 first round victory, a pin in the semifinals and a 3-0 decision for a champion spot.

Heavyweight Dave Wiener, also a senior, went the route to champion with 3 pins to put his record to 15-0, 11 of them pins.

The final team scores were: Fruitport 89, Lowell 64, Grandville 62, Catholic Central 57, Mona Shores 54 1/2, Muskegon Catholic Cent. 50, Osage 26, Northview 21, East Grand Rapids 14 1/2.

On the evening of January 10th the Arrow matmen gave Northview a 45-6 thrashing.

On Tuesday night Lowell bumped off Coopersville 42-9. Lowell remains in second place 4-1 behind undefeated Sparta, 7-0.

Lowell Vs. Northview
The winners: 98-Gary Wiener (L) pin; 105-Dale Dawson (L) 16-0; 112-George Mauric (L) 19-2; 119-Mack Trux (L) pin; 126-Bob Helmer (L) 20-0; 132-Marve Bohytz (N) 5-2 over Kropf.

138-Kraig Haybarker (L) 13-4; 145-Vern Bekker (N) 5-0 over Curtis; 155-Perry Beachum (L) 5-2; 167-Gordy Beatey (L) pin; 185-Paul Kliffman (L) pin; HWT-Dave Wiener (L) 3-1.

Lowell 45, Northview 6
Lowell Vs. Coopersville
The winners: 98-Tom Busman (C) 8-4 over Wiener; 105-Dale Dawson (L) 8-6; 112-Fred Zimmer (C) pin over Mauric; 119-Mack Trux (L) 9-0; 132-Jerry Kropf (L) 9-0.

138-Kraig Haybarker (L) 10-2; 145-Bob Ignasiak (L) 19-10; 155-Gary Barber (L) 5-0; 167-Gordy Beatey (L) pin; 185-Paul Kliffman (L) pin; HWT-Dave Wiener (L) pin.

Fouls Key To Arrow Win Over Lakewood

Earlier last week the Lowell Red Arrow basketball team climbed into a second place tie with Coopersville after a close 70-66 win against Lakewood.

Lowell took an early first quarter lead 7 points over front. Senior Joe Rinard played like a veteran of last year along with Chris Collins. Collins hit for 24 game high points while Rinard hit for 15 and hauled in 11 rebounds but the real highlight of the night was sophomore Rusty Steffens. Steffens not only led the Arrows in rebounds with 23 but found the distance and commanded 16 points.

The only other scorers were Dan Murphy who did most of the 2nd half ball handling and made six points. Kris Kropf also came in after the first quarter, made several assists and picked up seven points.

The other scorers was senior Pat Herblet hitting two from the foul line and making three assists. Lowell held only one point lead on the half.

Then the battle began. Lakewood found their aim and put in 13 points, only one of them from the charity line.

Fortunate for Lowell, Lakewood became too excited and picked up five fouls which the Arrows turned into six points and stayed tied at the third quarter mark.

The score changed hands many times in the final period. Again Lakewood's shooting was strong but again their over-eagerness took its toll and this time cost them the game.

The Arrows had only 15 fouls compared to Lakewood's 22, 13 in the second half giving Lowell the four points needed for the victory.

Lowell's second place tie was shortlived as the face off between Coopersville and the Arrows put Lowell back into third. Coopersville outshot Lowell 63-72 last Friday night. The Coopersville Broncos combined their height and shooting to pass the Arrows. Lowell stayed only one point behind in the first period.

But the biggest scarcity was the rebounds, especially on offense. The Broncos commanded the boards through most of the game but Rusty Steffens did manage to put together a showing much like at Lakewood. Steffens hit for eight points and hauled in 19 rebounds.

The spark of the night was 5-11 Junior Tom Wernet who came in after the first five minutes of the game, replacing Bernie Harden, and ended up the Arrows' high scorer with 17.

Coopersville used a full court press occasionally and put pressure on Arrow guards Pat Herblet and Kris Kropf. Both of them seemed to work all the harder with the pressure. Herblet put in 13 points mainly on drives and Kropf put in 10 points.

Lowell worked out of several defenses but none produced any satisfactory results. No matter what the defense Coopersville was able to shoot from outside and outscore the Arrows in the second period 32-37.

In the third period Lowell's tall men, Tom Wernet and Rusty Steffens, showed the only way to stop an offense like Coopersville. Wernet and Steffens surprised the Coopersville players many times by blocking their shots.

The Broncos turned around and used a new attack of fast breaking for several quick points while Lowell adjusted.

Coopersville was out from 52-47 going into the final period. The Broncos kept on fast breaking and the Arrows' press was ineffective against it and Coopersville stayed out front 63-72 for the win.

There's Ice Afoot!

Most area lakes have adequate fishing ice, thanks to the recent cold spell. Up to five inches of solid ice covers the lakes but fishermen must be cautious about rivers and backwaters.

Moving water tends to undermine the ice even in the coldest weather.

Fishermen have until the end of February to fish for pike. Some favorite lakes for northern pike are Rattigan, Wabasa, Morrison, Pratt, Murray and Reeds Lake. Tip ups baited with live minnows are most commonly used.

Perch have started the ice fishing season by biting very little. The schools appear to be scattered at various depths. This condition should change as the water temperature decreases. Perch are usually found in the deeper water feeding on the bottom.

Favorite baits are small minnows, wigglers, moories, and wax worms.

Speckled bass and bluegills are often found schooling near each other in the same lakes. Reeds, Murray and Morrison Lakes are favorite spots for both. Bluegills, sunfish, and speckled bass usually are not found in deep water. They commonly are found between 5 and 20 feet of water. If there are weed beds at those depths, the chances of success are greater.

Shanties are being moved out on the ice, some shanties are for spearing but when the wind chill factor is down to 30 below, any form of protection is welcome. The ice was late this year but barring any warm spells the ice should be safe until late March. Those who brave the wind and cold may find just rewards, good luck and good fishing!

Bulldogs Bite Rangers 34-18

They were queer looking Bulldogs sporting long, lanky legs and winning records from their 100 lb. puppy to take St. Bernard heavy weight. The Rangers held their heads high against this canine powerhouse jumping off to an early 12-0 lead. At the close of the match the Bulldogs were eager to return to their Grandville homes and howl that they were still unbeaten.

Emotions ran high as both units dealt non-wrestling blows, (usually verbal), throughout the match. Charges also shot through the audience; an irate Grandville fan discussed the weather with referee Jack Scott while a three-year-old Ranger Rooter dashed from the stands towards the mat in an attempt to aid Don Ashley in the 147-lb. division before being detained by his father, the Forest Hills basketball coach.

In the opening match Craig Neidenthal soundly disposed of Tom Frederick on a 9-3 decision, upping his personal record to 9-4. An agitated atmosphere filled the gym before Tom Syden recorded a pin at 3:37 over Grandville's Ken Denton in the 107-lb. division. Larry Diebel's 8-1 bouncing of Jon Blough left the Rangers ahead 12-0.

Proceeding to take the next seven bouts Grandville showed Forest Hills why they had won their last eight dual meets.

Jed Ulberg surprised Mark Kelley with a first period pin that helped the Ranger lead. Tom TenBrink stretched his winning streak to nine ending out a 6-5 victory over Jerry Johnson. Johnson's record is now 13-4.

At 134 lbs. Lee Champion gained an escape early in the third period of his match with Terry Bear knotting the tie at 1-1. The irked Bear went on to a 6-1 decision which tied the match score at 12-12.

After losing the first point of the match for brutally demonstrating an illegal body slam, Scott Yerrick pinned the Rangers' Brad Gregory at 3:34. The Bulldogs picked up ten more points on successive decisions by Doug Gitchell over Don Ashley 7-0, Steve Prangley over Jim Salvendy 5-2, and Clint Gitchell over Gordy Simon 17-1. Though C. Gitchell earned his twelfth win without defeat a gutsy Simon denied him the pin. At this point Grandville held an insurmountable 28-12 margin.

Steve Shuster broke the Grandville scoring slean pinning Shawn Whitcomb with only four seconds remaining in the bout. Shuster stands 1-3 for the season. Grandville's heavyweight, Bob Roberts, pinned Dennis Hill at 0-41. This final six points left Grandville with a 34-18 victory.

Syden and Shuster shared honors in tying for the Ranger Award.

On Tuesday night Forest Hills entertained non-league rival Northview while on Thursday (January 20) they host Godwin in a resumption of league play.

Ranger Cagers Split . . . The Wrong Way

Despite playing 500 basketball last week the Forest Hills Varsity found themselves dangling on the short end of the stick. After dropping a crucial game with Kentwood on Tuesday where the stake was O-K Red Division leadership the Rangers reoriented themselves onto the win trail against St. John's, a Lansing area school, on Friday.

The Rangers muffed their chance to move into a first place tie with Kentwood and East Grand Rapids in their lowest point production of the season. For most of the game Kentwood held since early in the first period.

Kentwood jumped to an 8-0 lead behind the outside shooting of Joe Beel and the rebounding of Dan VanPernis. Whittling their way back the Rangers counted on two long jumpers by Craig Klystra to cut the Kentwood gap to 14-12 in the close of the quarter.

Only two seconds remained in the half when Kentwood's Brian Reid fouled Ted Zuidveeren, presenting a bonus situation at the charity stripe. Ted's first shot passed through the hoop without touching metal. His bonus attempt bounced high off the board into the tipping fingers of Randy Lanning. Lanning's tip meshed as the gun sounded giving the Rangers a 29-28 lead and drawing a standing ovation from anxious fans.

Early in the third quarter Forest Hills lost the lead which they were never to regain. VanPernis scored ten of Kentwood's fifteen third quarter points in carrying the Falcons to a 43-40 lead. Wagnear's three baskets kept the Rangers within striking range.

Zuidveeren free throw tied the score at 44. Beel then hit for Kentwood, and just as quickly evened things up with an outside jumper.

The Rangers held a 42-38 advantage on the backboards and hit 18 of 52 field goal attempts while Kentwood was 20 of 52.

Coach Wilson noted that his squad had numerous opportunities but just didn't cash in. But Wilson also said, "We'll take them when we have the home court advantage." At the halfway point in the league schedule the Rangers show a 4-2 conference record. The most dramatic games with Kentwood, East Grand Rapids, and Grandville will all be played on the home court.

ST. JOHN PROVES AIMABLE HOST

Last Friday night the Rangers ventured across the state to find an agreeable host in St. John's High School. Outscoring their opponents 21-9 in the final stanza the Rangers registered a 78-61 victory that raised their overall record to 6-3.

In the first half the Rangers had apparently not warmed up from the long, cold bus ride; they trailed 37-34 at halftime.

Rick Wagnear scored 18 points in the second half and grabbed 14 rebounds to lead the Ranger comeback. St. John's found themselves in serious trouble late in the contest as four of their regulars fouled out.

For the Rangers ten boys put themselves in the scoring column. Wagnear finished with a career high 21, Hensveld and Zuidveeren each had 11. Klystra, Scott Vorel, and Dave Slater all had 7.

The rebound department also felt Wagnear's domination. He had 18 while teammates St. John and Lanning had 7 and 6, respectively.

Coach Wilson commented, "We needed a win after the disappointing loss to Kentwood. From here out we'll have to take our games one at a time."

On Friday Forest Hills travels to Rockford to battle the Rams. A wise mountain man once said, "Never turn your back on a Ram." Translated that could mean, "Don't look ahead lest you be butted."

FLAT RIVER SNOWMOBILE CLUB

Sunday, January 16, Flat River Snowmobile Club held its meeting. Potluck dinner was enjoyed by 72 persons.

The club is now incorporated as of December 22, 1971. The advisory board consists of Ed Anible, 1 year; George Schick, 2 years; and Jim Minges, 3 years.

We voted to hold a county meeting with county law enforcement at their convenience. The date of meeting will be announced later.

We enrolled 33 new members Sunday. They are Mr. and Mrs. Austin Ingerson, Dick Wood, Fred Althaus, Mr. and Mrs. Dick Roth, Phil Anible, Mr. and Mrs. Pat McCormick, Mr. and Mrs. David Gnass, Mr. and Mrs. Phil Schneider, Mr. and Mrs. Red Bristol, Mr. and Mrs. Art Gross, Mr. and Mrs. Bob Adrians, Mr. and Mrs. Wes Adrians, Mr. and Mrs. Archie Warner as active members. The new associate members are Dick Priebe, Dale Marshall, Gordon Marshall, Jan Marshall, Mr. and Mrs. Ed Young, Mr. and Mrs. Joe Griffith, Mr. and Mrs. Percy Willard. This brings our membership to 58 charter members.

The mystery gift winner was Lucille Adrians. The fifty-five winners were Phil Anible and Polly Sooner. Children's mystery gift winners were Bobby Will and Delbert Will.

The next meeting will be February 20 with Mr. and Mrs. Gibb Snider as host and hostess.

Local Jaycees Fulfill Community Needs . . .

A service club. A leadership club. A social club. Since incorporation into a club in April of 1971, the Lowell Area Jaycees have directed their efforts toward building a better community.

The club has served its purpose in providing young men an opportunity to improve themselves through community leadership and involvement, such as entertainment, encouragement and fulfillment of innumerable social and individual needs.

During the past year, the Lowell Area Jaycees have been a busy club—their noteworthy projects and endeavors have put a firm foundation under the club for its continuance.

Organized by the Kentwood Chapter of the Jaycees, the Lowell unit received a Charter with 33 members in April and they were on their way . . .

Their first big community project was the sponsorship of the 1971 queen's contest to select "Miss Lowell Showboat." In June, a field of nine contestants competed for the title in a well-staged pageant. Miss Pamela Murray of Grand Rapids, 21-years-old, 35-25-35, 118 lbs., 5' 4", brown hair and blue eyes was the winner. This year, she will be their entry in the Miss Michigan Pageant at Muskegon.

In September, they became an award winning Club when they captured the District Six Travel Trophy at the 44th Street Armory in Wyoming Park. Points for winning the trophy were calculated by multiplying the number of members present at the meeting, times the mileage traveled. Lowell earned nearly 200 points.

As fund raising endeavors, the Club had a booth at the Kent County 4-H Fair and in October held two auction sales, with one-

half of their proceeds going to the "Light Lowell for Christmas Fund." Their contribution totaled \$200.

September 18-25, in conjunction with the Lowell State Savings Bank, the Jaycees sponsored their first annual Tennis Tournament for all ages at Recreation Park.

October 6 saw five officers of the local chapter awarded Leadership-In-Action diplomas. They were Larry Keiser and Ray Jones, internal and external vice-presidents, respectively, Gary Rash, Secretary, Barry Emmons, LIA director and Norm Veliquette, president. Mrs. Dennis (Betty) Hockenberry, president of the Jaycee's Auxiliary unit was also given an LIA diploma at this time.

The Jaycees received their Charter in April of 1971.

At the Fall Board meeting of the Michigan Jaycees, "The Rooster" the official publication of the Lowell Jaycees was selected as the most outstanding Jaycee publication of the quarter. For this, they won the "Q" award.

Also in November, the Michigan Jaycee Board of Directors in milestone action, changed the organization's by-laws permitting 18, 19 and 20-year-olds to become Jaycees. This has encouraged more of Lowell's young men to take an active part in the community-minded club.

A permanent home for the Jaycees was found, and their regular meetings are held in their club house leased to them by the County of Kent. They have remodeled the former Rod and Gun Club, north of Lowell.

One of their biggest projects has been their total involvement in the establishment of a Community Center for the Lowell area. With their manpower, they have helped in the renovation of the facility on Grand River Drive. Besides mowing paint brushes, they have mowed the lawn, cut the weeds, helped with the interior decor and made a financial contribution.

The development of Kent County property along Flat River for a park will be one of their projects facing them in 1972 . . . with the final restoration of Lowell 1924 Fire truck to be used in some of the city's parades.

The unmentionable things accomplished by the Club make them a great asset to the community . . . they assisted with Showboat preparations, they participated in the annual Christmas parade, they conducted a safety campaign to help make it a safe and Merry Christmas . . . and they contributed \$100 to a distressed family in the area.

Working at their side is a Jaycettes Chapter which received their charter in May at ceremonies in the Calvary Christian Reformed Church of Lowell. They have conducted several fund raising projects, have greatly aided in furnishing the Jaycee's club house, giving assistance when needed, and doing several social projects of their own.

To these two organizations we say congratulations during their week—National Jaycee Week, January 16 through January 22.

Norm Veliquette, Jaycee's president, presents \$200 check to Jack Beggs, president of the Lowell Area Chamber of Commerce, for the lighting fund.

Fly-in Brings Out New Jaycees

Shown above after a Jaycee swearing-in ceremony at Kent County Airport, left to right, Pat Sheridan, Michigan Jaycee president; Richard A. Lequia, a new member of the Wyoming Jaycees; Michael Olson, Randy Johnson and Pat Myer, new members of the Lowell Area Jaycees; and Roy Switzler, United States Jaycee vice-president.

Seven members of the Lowell Area Jaycees proudly witnessed the swearing-in of three new members to their club, January 9, at the Kent County Airport. New members are Mike Olson and Pat Meyer of Lowell and Randy Johnson of Ada.

The induction of the new members was held at the airport as part of a fly-in membership campaign by the Lowell Area, Michigan and U. S. Jaycees.

Roy Switzler, U. S. Jaycee vice-president and Pat Sheridan, Michigan Jaycee president, flew by private plane to numerous cities in Michigan, including Grand Rapids on January 9 to induct new members to Jaycee chapters in each location. Mr. Sheridan reported that about 200 new Jaycees were sworn-in during the day and Grand Rapids was one of the last stops.

Dennis Sanford of Cumberland Road, S.E. is the local Jaycee membership chairman. The three fine young men joining the Lowell group brings their membership to 35. Membership in the Jaycees is open to men age 18-35 inclusive and requires a dedication to community improvement and personal development.

Steamatic

... it makes shampooing a thing of the past!

Where Steamatic succeeded . . .

Steamatic is an entirely new patented process. What it does is break down the static hold your carpet has on dirt, loosen the grime at the carpet base by a controlled heat solution, and then remove the dirt from the fibers all the way down to the backing. The idea seems simple enough . . . but it took 40 years to perfect. And no one else has been able to do it. They've made machines that look similar . . . but none of them have the four patents that make our system superior. Look what we took out of a rug that had just been shampooed.

Measurably different...

WORKING TOWARD A BETTER COMMUNITY

NATIONAL JAYCEE WEEK
★
JANUARY 16 TO 22

Our Young Men Of Action

JAYCEES are the young men of action in our community. This is their week—JAYCEE WEEK (January 16-22 in Lowell and across the U.S.), and we join with Jaycee organizations across the nation in observing this important and significant event recognizing all of the local young men who are STEPPING IN TO SERVE!

We say "thank you," fellows, for the extra effort and time to become involved in the important affairs of our community. We encourage everyone to get behind our Jaycees and support their activities. To SUCCEED is to work TOGETHER!
