Ada Township Judge's Ruling Favors Mobile Home Park

Saying he wished he could preserve the "very pleasant rural characteristics" of Ada Township, Circuit Court Judge George V. Boucher ruled he nevertheless had to permit development of a 220-unit mobile home park there.

Judge Boucher said his decision last Friday was compelled by the "profound reversal" of high court rulings in the last few years which have held that low-cost housing is in the general welfare even though it may be unpleasant to other residents in an area.

No part of Ada lies more than a short drive from downtown Grand Rapids, but the township has been able to preserve its rural characteristics, Judge Boucher said after inspecting the 60-acre site on Egypt Valley Rd., a mile north of Knapp St., NE. "Zoning laws cannot operate for the sake of excluding a certain class of dwellers," Judge Boucher said. "There is a public need in Kent County for the availability of more sites (for low-cost housing) ... for the benefit of the wider interest."

"Although certainly if the court was a resident of Ada Township, it would want to see Ada preserve its very pleasant rural characteristics, it is compelled by the facts and the present state of law."

The decision forced Ada officials to allow Simon Enterprises to develop the park on the relatively isolated tract.

"Intentional exclusion of mobile home parks is illegal," said Quinn. The township's refusal of a building permit was a "deliberate attempt to exclude unpopular, perhaps unpleasant use of land."

Extend Drive!

Such tremendous response to their paper drive was received, that the Lowell Area Jaycees have decided to extend their drive for another week.

This Saturday, February 26, the Jaycees will be at work trying to catch up on collections yet to be made, and pick up any new stops that they missed during the past three weeks.

If the Jaycees were unable to pick up your papers previously, please call 897-8853 or contact any Jaycee member, and they'll make the proper arrangements for this Saturday's pick up.

Showboat Shows Marginal Profit

Although the profits realized from the 1971 Lowell Showboat were marginal (\$1,042.32), the comeback over the heavy financial loss in 1970, brought renewed vigor into the setting for the 1972 show.

In releasing the '71 financial statement at the annual Chamber of Commerce-Showboat dinner last Thursday evening, Showboat president Larry Wittenbach, revealed that the Corporation spent \$46,667.44, and recorded receipts of \$47,709.76.

Continuing with their two week end performances this year, Wittenbach informed that the 1972 talent had been selected and the ground work for this year's showing will now go into full scale production.

Jerry Reed, a man of many talents (song writing, singing, comedian) who will be the summer replacement on the Glenn Campbell show will headline the first week end show. The "Honney" guy, Bobby Goldsboro, who fascinates his listeners with true-to-life songs, and who also writes for other singers, and similar to Ray Stevens in his presentations, will star in the second week end.

Although the profits realized in 1971 will be eaten away by boat repairs and bleacher maintenance, Wittenbach added that the Showboat had done more in 1971 than any other year.

Revive Main Street

"We've got to revive Main Street," was the forceful words of Jack Beggs, president of the Lowell Area Chamber of Commerce, as he brought out the 1971 resume of the Chamber's activities.

The facelifting along Main Street was a disappointment to the Chamber in 1971, as the Lowell Cafe was the only firm to make any drastic changes. The Cafe won the most improved interior chamber award.

An exterior renovation project started in 1970 by the Roth-Gerst Funeral Home walked off with top honors in that improvement department. The only business to make a move, The Speerstra Agency, took the third Chamber award for the year.

The president's gavel was then turned over to Mrs. Darlene Cahoon, who will head the Chamber through their activities in 1972. Joining the Chamber's board of directors were the newly-elected members, Marge Sevadas of the Debonaire Shop, Richard Brian of Fairchild Oil Company and Art Warning of Art's TV.

DID YOU KNOW - Walter's Lumber Mart, 925 W. Main, Lowell, has dog food at \$2.15 and pet bedding at \$1.65! c46-47

Magazine Drive At Forest Hills

Friday, March 3, is the kick-off date for the annual Forest Hills Junior High Magazine Drive.

The junior high urges area residents to renew their expired magazine subscriptions with the school's program. Reduced rate form or coupon deals from any magazine listed in the school's sales booklet can be used with Forest Hills still receiving full credit for the sale. Enclose any special coupon offer with the completed magazine drive order form.

The drive will continue through March 20. Call the school office at 676-9177 if there are questions concerning the project.

Jury Returns Guilty Verdict

An Ionia County Circuit Court jury of nine women and three men deliberated several hours Friday night, before returning a verdict charging Dale L. Green, 28, with felonious assault.

Green had originally been arrested by Ionia State Police last October, when he had been accused of rape and assault with a dangerous weapon on a Lowell woman. Both were employed in an Ada factory.

The case went to the jury about 5:55 p.m. and then was recessed about 7:30 p.m. for an evening meal. Following more deliberation, jury members indicated about 9:10 p.m. they had reached their decision to the second count.

Green was brought to Ionia's Court room by an officer from the Lowell Police Department, where he is being held on a similar charge of assault. He reportedly had threatened the Lowell woman with a shotgun while both were in his home for several hours.

Meanwhile the case is to be continued for pre-sentence investigation.

Home Entered, Robbed

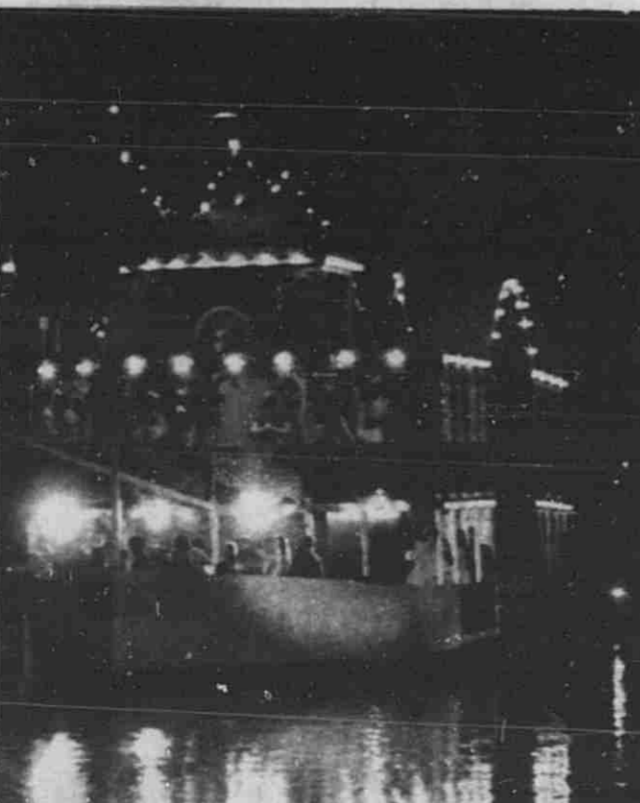

Some money, a hunting knife, and a wristwatch were taken February 19 from the LeRoy Roudabush home at 961 North Hudson Street.

On February 20, Lowell Police arrested a runaway youth who confessed to the Entry and Larceny of the dwelling.

School Will Be Closed

Beggs, before leaving his term of office, expressed his thanks for the cooperation he received on the Chamber's "light Lowell for Christmas from the community's service Club, the Jaycees, Lowell Light and Power, and all who took a part in the campaign to raise funds.

The joint meeting, following a deliciously prepared meal served in the First United Methodist Church of Lowell, was brought to an end by a speech presented by Rommie Moore, executive secretary of the Lowell YMCA.

Showboat to 'round Cattail Bend in 1972, after profitable showing in 1971.

ROSIE DRIVE INN - This Week's Special: Fish & Chips, 49¢. Family Nite, Tuesday, 4-8 p.m. c46

Council Establishes Housing Commission

Lowell's City Council passed an ordinance Monday night that would establish the Lowell Housing Commission to plan and operate housing for low income citizens of the city.

The five member commission, to be appointed by the City Manager Blaine Bacon will be solely responsible for the planning and operation of any senior citizen or low income family housing units built under the Department of Housing and Urban Development.

It is hoped that the housing developments will be a part of the Urban Renewal of a large section of the east side of the city. Approval for submitting a workable program to obtain approval for Urban Renewal was given to planning consultant John Paul Jones at the council meeting of February 7.

EDC Funds For Police

Lowell has been informed by Kent County that an application for funding for an additional police officer with Emergency

Employment Act Funds should be made now. Under this program federal funds would be used to pay wages, but the city would have to pay training expenses and fringe benefits which amount to 30% of salary.

This program is presently funded only until August, but additional funds are expected to be provided. The council tabled action on application for these funds until further investigation has been made.

Mayor Carlen Anderson appointed Councilman James Hall to serve as the council's representative on the Showboat Board of Directors. Anderson will represent the city on the committee being formed by Lowell and Vergennes Township to plan an appreciation dinner for the Lowell Fire Department.

The council also approved the application by Kroger for a license to sell beer and wine at their Lowell store.

Absentee Ballots Made Available

Absentee ballots for the coming March 6 school election are now available in the superintendent's office. The office is located in the Bushnell Elementary building, 700 Elizabeth Street.

Individuals who will not be in Lowell on election day may apply for their absentee ballots each week day from 8 a.m. to 5 p.m. and on one Saturday, March 4, from 8 a.m. to 2 p.m.

It is necessary for the individual who wants the absentee ballot to fill in the application form in his own handwriting. Those voters who come into the office may fill out the form and receive their ballots at the same time.

However, if the voter is out-of-town now and will not return before the election, an application can be sent to them to be filled out and returned before the ballot is mailed.

If the individual feels that there will not be time to allow for the mailing of both the application and the ballot, he may write a letter in his own handwriting asking that the ballot be mailed to him but he must state in the letter that he will not be in Lowell on election day and must also state the reason why. All absentee ballots must be returned at least by election day.

As with many official ballots, the wording on the proposal to set the tax limitation is somewhat misleading, according to School Superintendent Leonard Sinke. The superintendent made it clear that although the ballot says the limitation is to be increased, it merely means increased from zero to 12.5 mills, since the millage has now expired in full. The 12.5 is merely a continuation of the same amount under which the school is presently operating.

Become Restaurateurs

Which do you prefer? Mexican or American food? Which- ever, the owners at the Monterey Coffee House at the Herkimer Hotel in Grand Rapids have both to offer for your eating pleasure. Mr. and Mrs. Raymond Saldivar of Donna Drive, Lowell, are the hosts who will greet you—and along with their business partner, John (Topo) Ybarra will see that you are served the menu of your choice. The Saldivars, formerly of Alto, have resided in Lowell for the past several years.

School Will Be Closed

School will be closed for one-half day on Thursday, March 2. Those students who begin their school day at 8 a.m., will be dismissed at 11 a.m., and those who begin their school day at 9 a.m., will be dismissed at 12 noon.

An inservice meeting for teachers has been scheduled for that afternoon.

Board Established To Govern 4-H Fair

The Kent County 4-H Youth Fair has established its governing body for the 1972 County Fair to be held this year, August 7-12, at the Lowell 4-H Fairgrounds.

E. L. Phelps from Cedar Springs was voted in as President, followed by Bud Fairbrother from Caledonia elected as Vice-President. Miss Lee Thome from Comstock Park will assume the duties as Secretary-Treasurer.

New Fair directors elected were Marvin Bunn, Richard Crissman, and Ken Fitzsimmons. Junior Directors elected include Claire Renton, Ed Gillet, Ray Jakolat, Dave Pedley, and Lee Thome.

The Kent County 4-H Fair is expected to be even bigger this year. An important change evident in the 1972 Kent County 4-H Youth Fair is the extension of the Fair to include a Saturday date.

Rotary Plans Twin Travelog

MONROE MacPHERSON

Lowell Rotary Club will sponsor a double-feature travelog Thursday, March 23, at 8 p.m. that should be of special interest to many area residents. The films are "Irish Holiday" and "Holiday in The Highlands," made and presented by Monroe MacPherson, president of radio stations WION and WYON.

"Irish Holiday" tours Dublin and travels to ancient monasteries that flourished well over a thousand years ago - visits the famous Powerscourt and Muckross Estates, McNamara Castle and includes the beautiful mountains of the Killarney lakes area.

The second film was made while MacPherson traveled more than 1,800 miles throughout the Scottish Highlands, said to be one of the most beautiful areas on earth. During his travels in Scotland, MacPherson spent several days in what is known as MacPherson Country, the home of his ancestors, where the MacPherson Clan Museum and Castle are located.

The film shows numerous castles, mountains, waterfalls, and is climaxed by the Royal Highland Games at Bramaer, visited annually by members of the royal family.

MacPherson will give a personal commentary on the films with a background of authentic Irish and Scottish music, in stereo. He has made similar films in Holland, Belgium, Trinidad, Puerto Rico, Acapulco, Bahamas, Japan, Hong Kong and other areas of the world.

The films will be presented in the auditorium at Lowell High School. Tickets are available from any Rotarian.

Can You Do The Can-Can?

Members of Students to Overcome Pollution (S.T.O.P.), the Forest Hills senior high ecology group, ply the area suburbs every Wednesday after school asking unsuspecting residents the question, "Can you do the can-can?" Following the initial shock they also ask, "Can you do the paper-paper?"

A burlesque revival? ... Hardly. It's more like a determined ten student confederation concerned with interesting an ever-growing ever-consuming public in the need for recycling. Apparently they are successful, having collected over 100 tons of newspapers and 25,000 lbs. of tin cans in five previous drives.

Lori Bone, S.T.O.P. Vice-President and original member, demonstrated the "can-can." First, she rinsed out a soup can, removed the label, and removed the remaining lid. Then, with one swift kick, she flattened the can. The can was then stored awaiting the weekend of the recycling drive.

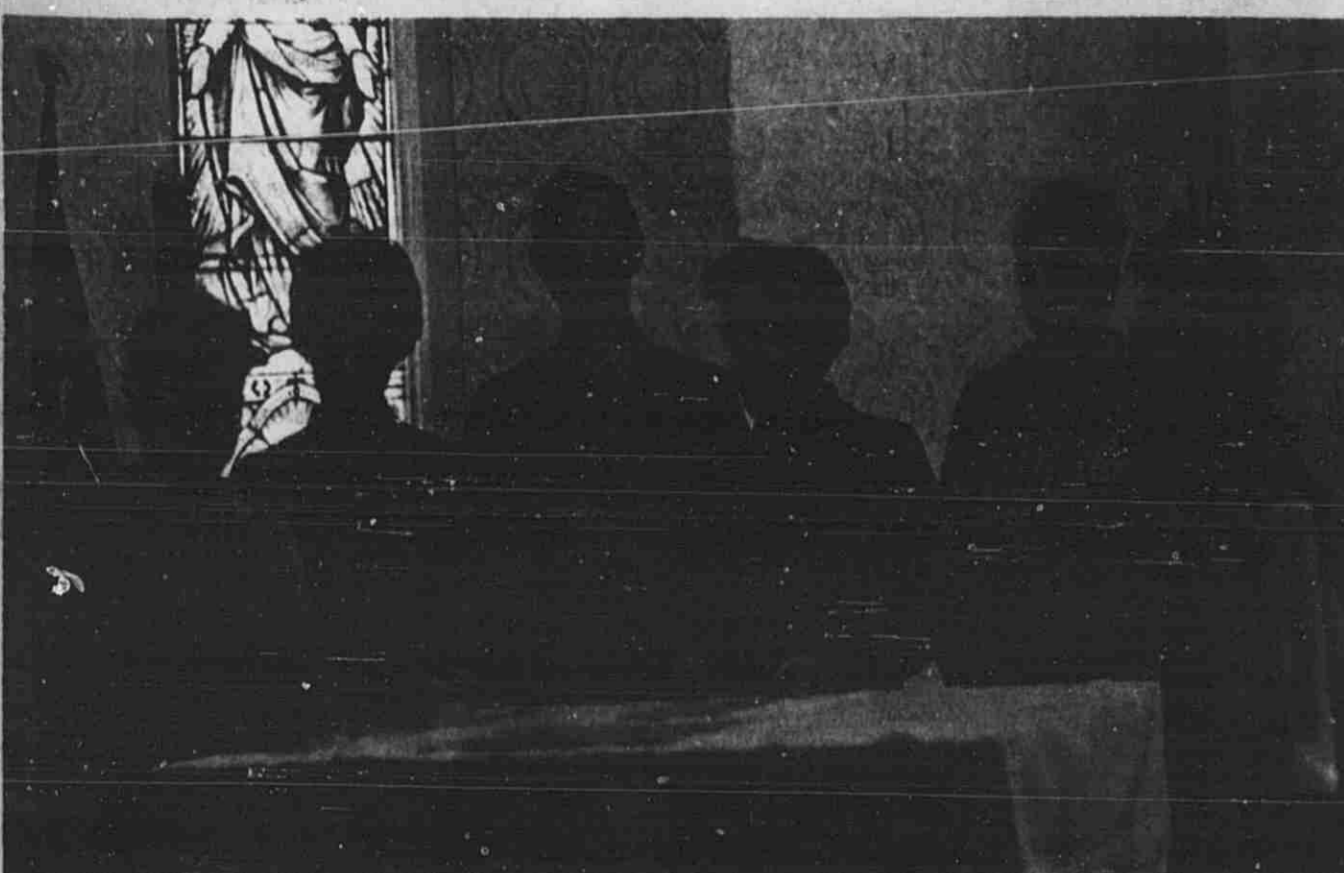

The "paper-paper" consists merely of neatly bundling and stacking newspapers between collection drives instead of burning them or throwing them in the garbage.

Residents have received the program well, responding with heavy paper bundles and noisy gunny sacks loaded with tin cans (no aluminum, please). On the weekend of March 17, 18 and 19 students will again man semi-trailers from Packaging Corporation of America and can bins from Padnos Iron and Metal Company in the high school parking lot with hopes of a record drive.

Monies earned go towards helping other environmental organizations, planting trees, developing parks, etc. For further information on group activities call 949-2054 or 361-0373.

WORLD DAY OF PRAYER plans are being made by Mrs. Dolores Laux, Mrs. Janet Bailey, Rommie Moore (speaker), Mrs. Florence Jefferies, Mrs. Florence Hosts and Mrs. Phyllis Bieri.

World Day of Prayer

"All Joy Be Yours" is the theme for the annual World Day of Prayer Service in Lowell, which this year will be held at St. Mary's Catholic Church Friday, March 3, 1:30 p.m. World Day of Prayer guest speaker will be Rev. Rommie Moore, who is currently serving as the executive secretary of the Lowell branch of the YMCA. The service used each year is prepared under the direction of the International Committee for the World Day of Prayer and then sent to all the countries which celebrate the day. This year, women from approximately ten countries in eastern and western Europe wrote the original material. As the European women worked on the service, they were particularly aware of three things affecting the whole world: the unsettling effect of the technological revolution; the strained relationship between the generations; and the plight of displaced people. The local committee for the World Day of Prayer service is composed of women from the St. Mary's Catholic Church, the

First Congregational Church, and the First United Methodist Church. All Lowell area residents are invited to be a part of this service.

FOREST HILLS AREA

Come celebrate the Joys of Life at the World Day of Prayer service to be held in the Forest Hills area Friday, March 3, at 1:30 p.m.

This year the service, for all Forest Hills area residents will be held at the Cascade Christian Church, 2829 Thornapple River Drive, S.E. Babysitting will be made available in the chapel basement.

Mrs. Julian Gromer, state vice-president of Church Women United will be the guest speaker. Mrs. Earl Miner will be the guest soloist.

A tea reception will be served in the church's fellowship hall, following the service.

VanderVeen Review Opens Lenten Series

The Lowell YMCA will again host a series of talks on literary topics three Wednesday mornings during the Lenten season. Coffee will be served at 9:45 and the programs will start at 10. The meetings are open to all.

For March, Mrs. Hugh VanderVeen has chosen as her subject, "Father Knows Best—Does He?" She will discuss three American women authors and the influence of their fathers on their lives and works.

On March 15 Mrs. Harry Richmond will review "My Heart Lies South," by Elizabeth Borton de Trevino, the story of a Mexican marriage.

Reverend Dean I. Bailey of the Lowell United Methodist Church will be the speaker the morning of March 22.

The Ladies' Prayer Breakfast fellowship of the "Children's Bible Hour" will hold its Anniversary Breakfast on Thursday, March 2nd, in the Empire Room of the Mr. President Motor Lodge.

Speaker for the event will be Mrs. Robert Schindler, wife of Dr. Robert S. Schindler, under the Sudan Interior Mission in Liberia, West Africa. They are assigned to missionary radio station ELWA. Their first term found them involved with the building, equipping and staffing of the ELWA Hospital.

The Ladies' Prayer Breakfast Fellowship meets once a month to pray for the outreach of Gospel Broadcasting around the world. Mrs. E. Bradford Shook, Director of the Children's Bible Hour, and better known as "Aunt Bertha," is the leader of the prayer fellowship.

Reservations are needed for the Anniversary breakfast, and may be obtained by calling the Children's Bible Hour office at 451-2009 before March 1. A free-will offering will be taken to cover the cost. All ladies are cordially invited to attend.

Goal Announced

The Sunday School classes of Cascade Christian Church is teaching "way out" for its 1972 Easter attendance goal. According to Mrs. Mary Grier, who oversees the Sunday School, a goal of 280 has been established. Throughout the Lenten period, the combined Sunday School classes will keep pushing toward this objective.

Last year's goal was 250, and it was surpassed. The contest was introduced February 20.

Turkey And Trimmin's

Turkey and all those luscious trimmin's will top the menu at the dinner to be served Thursday, February 24, by the Men's Club of the First Congregational Church of Lowell.

Advanced ticket sales have been going good, according to ticket chairman, George Butler, and there's still time to get a reservation for the dinner which will be served from 5 p.m. until 7 p.m.

Bring the whole family and enjoy an evening of dining with the newly-formed Men's Club.

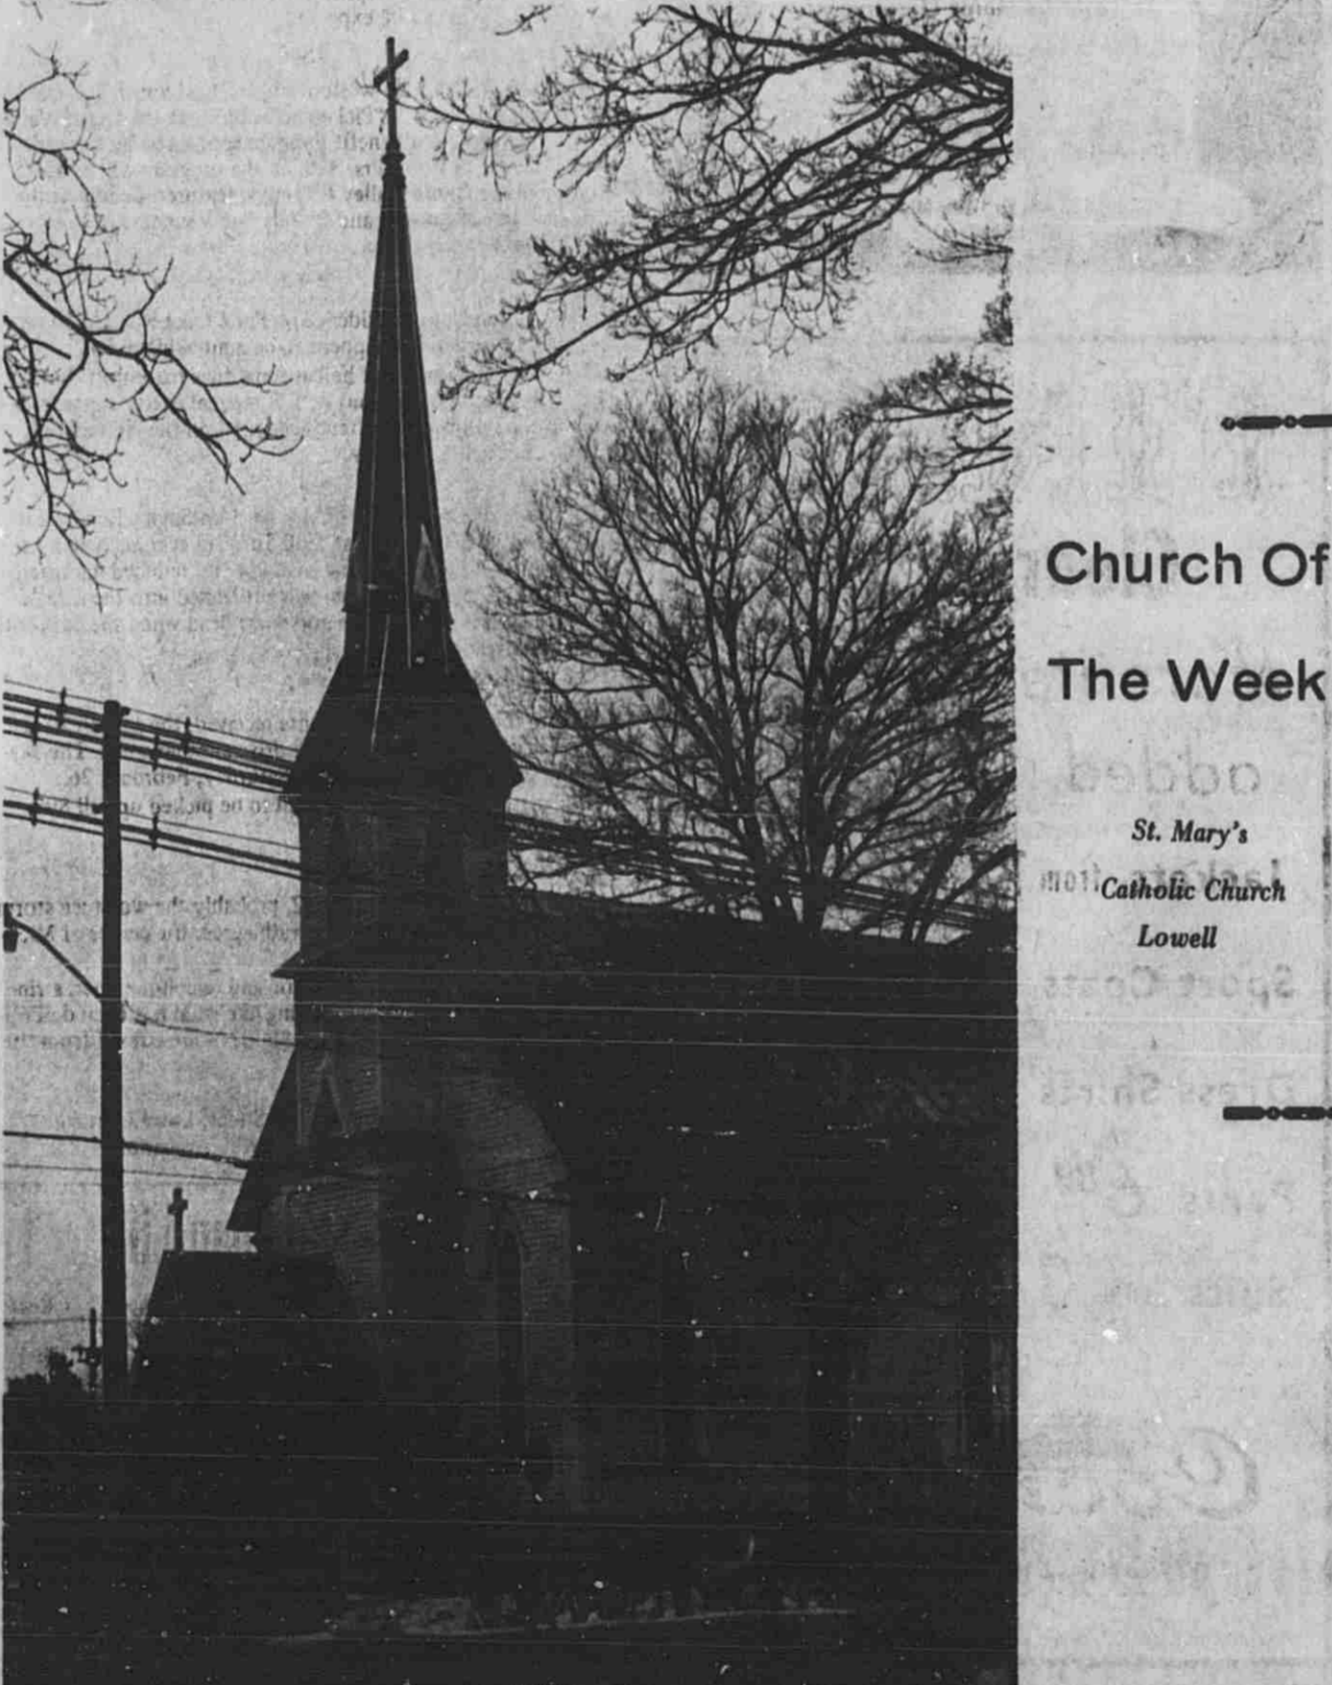

Day Nursery

Over two-thirds of the places available in the Cascade Christian Church's Day Nursery for the fall session are now spoken for.

Each fall, the Day Nursery enrolls about 75 pre-schoolers in four different sessions—Tuesday-Thursday morning, Tuesday-Thursday afternoon, Wednesday-Friday morning and Wednesday-Friday afternoon.

The Day Nursery is state-licensed and has been in operation for the past thirteen years. Parents interested in enrolling their children should call the director Mrs. George Herrity at 949-0478.

In addition to Mrs. Herrity, Mrs. Fred Carr and Mrs. Jack Folkertma are teachers in the nursery.

'God's Terms'

Sunday, February 27, High Priest Merrill Champion will be the speaker for the 11 a.m. morning worship at the Reorganized Church of Jesus Christ of Latter Day Saints of Alaska.

Using as his sermon topic, "God's Terms." There will be a special worship service for the 4, 5 and 6 year olds during 11 a.m. worship service. At 6:45 p.m. there will be a Hymn Sing.

At the 7 p.m. evening worship, High Priest Dirk Venema is teaching a class on "The Greater Endowment." There will be a Social Hour after the 7 p.m. service in the lower auditorium.

Prior to these services at 9:45 a.m. Church School for all ages is held.

Monday, February 28, at 7 p.m. Sons of Zions (boys from 8 to 11 years of age) will meet at the Church for Worship Service.

Wednesday, March 1, 7:30 p.m. Midweek Fellowship Service.

Ruth Lee On Honor List At Grace College

Ruth Lee, daughter of Mr. and Mrs. Wallace Lee, 13675-52nd St., Lowell, has been named to the honor roll of Grace College for the fall semester of the 1971-72 school year.

Miss Lee, a graduate of Lowell High School and a freshman at Grace College achieved a grade point average of 3.500. To be eligible for the honor list, a student must be taking a full-time load and must earn a grade point average of 3.500.

Grace College, located in Winona Lake, Indiana, is a liberal arts institution affiliated with the National Fellowship of Brethren Churches.

Around The Area

Mrs. Irene Blakeslee has been transferred from Butterworth Hospital to the Kent County Community Hospital in Grand Rapids.

Two men from the Cascade area are still hospitalized and would enjoy receiving a card or two from their friends.

Glenn Marvin is an operative patient at Ferguson-Drost-Ferguson and Minor Patterson is at the Grand Rapids Osteopathic Hospital.

Judge Woodrow Yared set bond at \$500 on David Orr, 22, of Grand Rapids, who is charged with attempting to steal an alternator from a parked car behind the Valley Cafe.

James Wert, 27, of Lowell and his brother, David, said they left the cafe shortly after midnight Friday and saw the hood of James' car raised with Orr doing something to the engine.

The Werts, who said Orr had a socket wrench in his hand, detained him until police arrived.

Thomas Winderov, 29, of Ada, was assessed \$230 for driving in violation of the financial responsibility law, during a recent session of the Grand Rapids District Court.

Mrs. Earl (Elsie) Maloney sustained a double fracture of an ankle when she fell while walking to work last week. The accident occurred in the 600 block on West Main Street. She was taken to Butterworth Hospital and it is reported she is resting as comfortably as can be expected.

Two popular country-western singers, Carl Smith and David Rogers and the Nashville Pipers will appear at the Grand Valley Armory March 4, in a benefit program sponsored by the Independent Order of Foresters. Also on the program will be Herb Brown and the Grand Valley Pipers, featured weekly at the Riverview Inn of Lowell, and Brenda Sue Venema, soloist from Lowell.

The Gordon Newell residence on Pratt Lake Road has a rare year round boarder. He happens to be a mockingbird.

Mrs. Newell reveals that he has some toes frozen off, but is a happy fellow who goes out with some real pretty songs, especially in the summer. He often feeds right on the Newell's sill outside the kitchen window.

Roy Gage of Lowell, was driving west on Skyles Road, near the Ionia-Kent County line at 5:30 Tuesday evening, when he noticed a horse standing in the roadway. He reduced his speed, and was nearly past the animal when it leaped into the side of the truck he was driving. The horse was dead when the authorities arrived to investigate.

Due to the tremendous response received, the Lowell Area Jaycees have extended their paper drive another week. The Jaycees will pick up papers again this Saturday, February 26.

If you still have papers that need to be picked up call 897-8853.

Fifty years ago on February 22, probably the worst ice storm in the state's history cut a wide swath across the center of Michigan.

The storm knocked down electric and telephone lines, stripped forests and left the areas looking like what has been described as a no-man's land. Some communities were cut off from the outside world for days.

Mr. and Mrs. Clare Carey of 36th Street, Lowell, returned from St. Petersburg, Florida for a 13 week vacation.

Third In Series Chief Objective Is To Prevent Blindness

In 1971, individuals, small businesses and major firms in Kent County raised a total of \$2,365,203 for the United Fund campaign. The following article is the third in a series which is part of the United Fund's continuing effort to inform contributors about how their money is spent to help others and to educate the public as to the services available.

Pete Adams celebrated his 37th birthday last summer with cake and ice cream and a new set of golf clubs. Happily married and the father of two young sons, he was making good money as a draftsman for an architectural firm. His only health problem was diabetes. Three months later, a fall day dawned bright and sunny but Pete Adams awakened to a world of total darkness.

Cases like Pete Adams' have become increasingly common in recent years. Diabetes is now a leading cause of blindness. For most of its victims, loss of sight comes gradually; some retain or regain partial sight or the ability to distinguish between light and dark. Others are destined to live in a world of total darkness.

Without proper rehabilitation opportunities, loss of sight can lead to a lifetime of dependence. For the 1,000 legally blind persons living in Kent County, the Association for the Blind, 215 Sheldon St. S.E., Grand Rapids, provides an avenue to independence.

The Association's comprehensive rehabilitation program helps the blind person through the difficult initial period of personal adjustment. The program provides expert mobility training and instruction in cane travel, braille, and braille writing. It teaches the individual how to resume many of his normal daily activities and points him toward a suitable vocation.

When a blind person comes to the Association for rehabilitation, he undergoes an intensive evaluation and is then placed in a 14-week rehabilitation program designed to help him accept his disability, concentrate on his remaining abilities and make him as independent as possible.

In the Association's model apartment, a young mother can learn to readjust to her environment, to perform routine household tasks such as vacuuming, making beds and washing dishes—even to cook with the aid of a braille cookbook entitled "Cooking Without Looking."

Though the Association provides many services for the blind and partially sighted, its chief objective is to prevent blindness. Educating the public to the causes of blindness and to preventative eye care are important functions of the agency. The Association arranges eye examinations and the purchase of glasses for the medically indigent.

Last year, the Association provided services to 650 blind persons of all ages from an area which extends beyond Kent County. The agency is the only rehabilitation facility for the blind in Michigan outside of Detroit and Kalamazoo.

The Association, like its Tri-Agency partners, the Hearing and Speech Center and Goodwill Industries, believes strongly in cooperating with public and private agencies to provide better and more efficient services.

Next: How the Hearing and Speech Center prevents the purchase of unnecessary or unsuitable hearing aids and provides other services to those with hearing and speech problems.

SCHOOL LUNCH MENU

LOWELL AREA SCHOOLS WEEK OF FEBRUARY 28, 1972

Monday: Ravioli in Meat Sauce Whole Kernel Corn Plain or Garlic Bread with Butter Assorted Fruits

Snowmobilers Pick Emblem

The Flat River Snowmobile Club held its monthly meeting Sunday with 85 persons present and 28 machines.

President Jack Condon called the meeting to order. All officers present. The members voted on an emblem for the club. The following people were accepted as active members: Kenneth Warner, Tom and Eleanor Ford, Cassy and Nancy Vandermeer, John and Jean Osmolinski, Dave and Fran Powell, Mel and Pat Bulk, Paul and Bertha Erickson, Wayne A. Will, Red and Fawn Shepherd, Joe Campanaro as associate members. Our membership now totals 75.

Pat Myers of Lowell was the lucky winner of our helmet raffle.

The mystery gift winners were Sue Adriane and Dick Wood. Diane Will was the winner of the children's gift.

Everyone enjoyed a delicious potluck dinner after the meeting.

The next meeting will be March 19. Don and Polly Souser will be host and hostess. Think Snow!

Arrows Take District

Dave Wisner making the final pin of the District Tournament to give Lowell 30 total points and the second consecutive District title.

Lowell nipped the trophy by qualifying seven wrestlers for the regional tourney coming up here Saturday. 98 pound Gary Wisner who has come on exceptionally, earning a 20-6-1 record this year took his first win of the day, pinning Dave Calligan of Comstock Park and then qualified by taking a 2-0 win over Fred Trumble of Maple Valley in the finals.

Junior Dale Dawson was the Arrows' second qualifier of the day, pinning both of his matches.

George Mauric, wrestling the 112 lb. division took his first victory in a judges overtime decision but then had to face state runnerup Steve VanOlsen in the finals. Mauric held off the pin but went down in a 1-0-0 decision.

Mack Truxx gave Arrow fans a little surprise when he came through in all three of his matches at the regionals.

Bob Helmer was also slated to wrestle three matches but fell after winning his first match and losing his second.

Another surprise of the day came when sophomores Jerry Kropp pulled off two wins, one a 6-2 decision, the other a 2 minute pin.

Senior Kris Hybarkter zipped into the finals with a 15-3 win and then qualified by taking a 6-2 decision in the finals. 145 lb. Perry Beachum was eliminated in the finals after taking

Lowell Bids For Second Place Tie

The Red Arrows settled into third place in the conference standings after taking a 60-69 victory over Lakewood Friday night and the show-down is near.

This Friday night Lowell will clash with Coopersville here for second place position in the conference race.

Coopersville is only one game up on Lowell and if the Arrows play like they did against Lakewood it will mean a tie for second place in the conference.

Earlier last week Lowell faced Ionia for the second time of the season and it was easy to see how far the Arrows had come along.

In the opener against Ionia Lowell was nearly blanked all around but this time Ionia met much more resistance.

The first quarter scoring was close with the Bulldogs only two points ahead at the buzzer, but the second and third quarter are what put the game away for Ionia.

The Bulldogs used a lightning quick offense to stack up 51 points in the second and third periods while the Arrows picked up only 27.

The Bulldogs' offense was still hot in the final period and so was the Arrows. The two teams battled it out and Lowell only gained one point on the West Central Conference leaders and the final score was 62-87. The only Arrow player to hit double

RED PIN BOWLING SATURDAY

Rangers Put 3 In Regionals

Forest Hills placed seventh in a field of twenty schools at the Class A District wrestling tournament held last Saturday at Union High School. Three Ranger wrestlers qualified for the Regional Meet scheduled for this Saturday at Union. The team trophy went to Fruitport of the Lake Michigan Athletic Conference when they edged Muskegon Morris Shores.

Craig Neidenthal upset highly-seeded Dennis Heath of Union with a 1-3-6 decision. Neidenthal whipped West Catholic's Dave Tittancannon 11-1 in his preliminary bout.

A regional berth also went to Tom Spynen who registered pins in both his matches. The first was over West Ottawa's Dale Koltman 2-32 followed by his qualifying pin on Gene Sutter west of West Catholic. Spynen, who finished third in last year's state meet at 98 lbs., has gone undefeated since reaching his present 108 lb. weight class.

Steve Shuster kept visions of a state title alive with three pins lifting his season record to 26-1. Frank Mix of Hastings' fell at 1:59, Kentwood's John Park at 1:28, and Grandville's Shawn Whitcomb at 3:42. Shuster has won twenty-four straight, including a pin on Rockford's Lee Sowerby, who nailed Steve with his only loss on a one-punch decision.

Disappointment struck Jerry Johnson, Forest Hills' top-seeded 122 pounder, in his first match, Ottawa Hills' Jack Felton ending the Ranger's high school wrestling career with a 5-44 pin.

Another gutsy senior, Larry Deibel, finished four years of wrestling under Coach Chuck Mathews, dropping a 4-3 decision to Central's Dan Campos. In his first match Deibel outmanned Muskegon's Alvaro Martinez 5-2. Last week Deibel was runner-up in the O-K Red Conference meet at 114 lbs.

The only other Forest Hills pointmaker was Lee Champion at 129 lbs., winning his first match over Ottawa Hills' Don Partee 4-0 before losing in the finals to Muskegon's Lamar Bell 11-6.

Mark Kelley, Brad Gregory, Don Ashley, Jim Salzwedel, Gordy Simons, and Dennis Hill were all eliminated in the first round.

Junior Varsity Lose Squeakers

The past two weeks have been very tough on the Lowell Junior Varsity basketball team. Fresh from their defeat of league-leading Greenville, the JV's defeated Sparta 56-45 and looked like a title contender again, but a 77-75 at the buzzer lost at Cedar Springs closed out all title hopes for the Red Arrows.

Cedar led 47-31 at the half and by as much as 22 points in the third quarter, but the Lowell press and fast break closed the gap and Lowell led 75-71 with 40 seconds remaining. Cedar came down court and scored on a 35 foot jump shot. Lowell brought the ball down, but was called for traveling. Cedar got the ball and scored on a 30 foot jump shot.

Lowell brought the ball down court and while working for the last shot was called for a 2-second lane violation. Cedar had 8 seconds left on the clock. They shot the ball, it was tipped several times and as the buzzer sounded it fell through the basket. Willie Harden led all scorers with 28 points followed by Tony Malcolm with 12 and Bob Chapman with 11. Jeff Pierce and Don Phillips each had nine points.

Lowell traveled to Ionia and fell 60-54 in a non-league game. Lowell entertained league-leading Lakewood on Friday. The Red Arrows lost by six points during their first meeting and were ready for a big game. Lakewood got off to an early 24-16 first quarter lead, hitting 12 of 14 shots from the floor. The Red Arrows trailed 39-26 at half time. Lowell shifted defenses and began a comeback.

The fast breaking and man-to-man defense kept the Red Arrows even for the third quarter, but exploded in the fourth, outscoring Lakewood 17-8. The comeback fell short and Lakewood won 62-59. Lowell was called for 16 fouls to only eight on Lakewood. Lowell made 26 field goals and seven of 12 free throws.

Lakewood made 29 field goals and 4-16 from the line. Willie Harden, Don Phillips and Jeff Pierce led all scorers with 14 points each. Tony Malcolm added 11 in Lowell's upset bid.

Lowell now has one game left, with Coopersville Friday at 6:30 p.m. in the Lowell gymnasium.

State High School Basketball Finals

WZZM-TV was awarded exclusive rights to originate the four broadcasts of the Michigan State High School basketball finals. The announcement was made by Allen W. Bush, State Director, Michigan High School Athletic Association.

The finals will be held on Saturday, March 25, in Jenison Field House, at Michigan State University, East Lansing. Game times will be 11 a.m., Class B; 2:30 p.m., Class A; 7 p.m., Class D; and 8:30 p.m., Class C.

Play-by-play description of all games will be handled by Rick Lampert, TV-13's new sports editor; color and commentary, including court play strategies and analysis, will be given by the station's news director, Jack Hogan. Ray Hoyer, TV-13's Muskegon news editor, will conduct interviews with players, coaches, spectators and distinguished guests at the all-day event.

TV-13 has originated tournament coverage seven out of the last eight years they have been carried on television. This year's finals are the eighth broadcast by TV-13. Four other TV stations across the state will carry the program.

Kentwood Gunners Drop Rangers In Triple Overtime

With less than a minute remaining in the third quarter, one of Ted Zuiderveen's fourteen free throws thrust Forest Hills into a seventeen point lead over undefeated league leading Kentwood. The Falcons retaliated in the fourth quarter, sinking thirteen of eighteen field goals with Joe Beel's sidcourt jumper on target at the buzzer, tying the score a 69-69 and forcing the first overtime.

Dan VanPernis, the O-K Red's leading scorer, pumped in eleven of Kentwood's sixteen points in the nine minutes of the three overtime periods leading his team to their title, clinching 85-84 victory.

The Rangers led for all but the last second of regulation time. Their match-up zone defense kept Kentwood from unloading the basket for the first four minutes of the contest. Behind Rick Wagenaar's nine points Forest Hills held a 16-10 edge at the quarter.

By halftime Wagenaar had fourteen rebounds, and with the help of Dave Slater and Craig Klyntstra completely dominated the boards. Ted Zuiderveen drove through the heart of the Kentwood defense for a layup that gave the Rangers a 36-24 lead at half time intermission.

Four totals built steadily as Forest Hills maintained their advantage throughout the third period. Their widest margin of the evening was 52-35. Wagenaar's tip-in with 6:41 remaining drew an offensive foul that took away the basket while also sending the Ranger forward to the bench with his fifth personal foul.

The Ranger defense effectively limited the Falcons to low percentage outside shots, even with Wagenaar out, but it didn't seem to matter to Beel and VanPernis both firing in bombs that cut deeply into the dwindling Forest Hills lead.

Bill Heneveld coolly dropped in two free throws with twenty seconds left giving the Rangers a 68-65 margin. VanPernis countered, 68-67. No sooner did Klyntstra have the rebounds pass than he was fouled. He hooped the first toss, but his second bounced sharply to the left. An alert Kentwood rebounder grabbed the ball with five seconds left, lobbed it downcourt to Joe Beel, and Beel let fly with the field goal that caused overtime.

SKI RACING - At Boyne Mountain, Michigan took place this weekend involving the K-2 cup races and the 28 game professionals. Saturday the giant slalom was swept by California's Spider Sabich and on Sunday the slalom was taken by Torja Overland, a Norwegian, who went away from the weekend with a \$4,400 purse. The surprise of the races was former U.S. Olympic hopeful, Tyler Palmer, who made his pre-debut by placing second in the slalom and a third overall for \$2,225.

The races will be televised this Saturday at 5 p.m. on ABC.

Saranac Wins Seminary Game

The Saranac Redskins built up a 19 point lead after three quarters, then withstood a fourth quarter rally by St. Joseph Seminary to walk away with a 68 to 66 win, Friday night.

Saranac held a 30-28 halftime advantage by outscoring St. Joseph 19-14 in the second period, after trailing 14-11 after the opening eight minutes.

In the third period the visiting Redkins tossed in 25 points, 14 by Dave Vroman, to only eight for St. Joseph, to take a commanding 55-36 margin.

However, in the final eight minutes the home team tossed in 30 points to only 13 for Saranac. Dave Vroman hit a pair of free throws in the closing seconds and Randy Butcher converted two bonus free throws with three seconds remaining to give Saranac a 68-64 lead.

Vroman led all scorers with 28 points, while Butcher chipped in 19 and Mark Miller 17. Brian Kelley and Ed DeVries added the other four points.

The Redkins made 27 field goals to 24 for St. Joseph, but the Seminary connected on 18 of 20 foul shots to 14 of 28 for Saranac.

The Saranac Junior Varsity contest ended in the Redkins' favor 51-35 as Burdette Gunden hit 18 points and Bob Parks 15. The Redkins will close out the 1971-72 season Friday night as they travel to Lakeview.

Cascade Township Sanitary Sewer And Watermain Deferred Benefit Connection Charge Ordinance

WHEREAS, by contract between Cascade Township and the City of Grand Rapids dated May 13, 1967, Grand Rapids agreed to provide water and sanitary sewer services to the township, with charges for same to be charged by the city to the customers within the township who receive such charges on a retail basis, and

WHEREAS, said contract also provides that the city will install certain water transmission lines and sanitary trunk sewers and that the township will in certain instances install local lines by special assessment proceedings, and as of this date certain water and sanitary sewer lines have been installed, financed and paid for in part by the city and in part by the township through special assessments against the benefiting properties, and

WHEREAS, there are properties, however, within the township which about such facilities which are not included within a special assessment district, but which may receive deferred benefits from said improvements at such time as such properties desire to connect to and receive benefit from any watermain or sanitary sewer facility, and

WHEREAS, it is necessary to establish an availability charge for such abutting lands and also to establish connection charges for lands not now abutting but which will hereafter be connected to such facilities so that insofar as possible, all sewer and water customers in Cascade Township will be treated equally, and

WHEREAS, it is also necessary for the orderly development of the township that future planning, land development and building within Cascade Township be done in such manner that sanitary sewer and watermain facilities will be provided insofar as possible, and

WHEREAS, it is necessary for the health, welfare and safety of the public of Cascade Township that such sewer and watermain facilities be provided and that all properties which can be served by said sewers and watermain be hooked on to same.

NOW, THEREFORE, THE TOWNSHIP OF CASCADE ORDAINS:

1. Any parcel of land abutting a local sanitary sewer or watermain in Cascade Township which is now or hereafter occupied and with respect to which a special assessment charge has not been paid, shall pay an availability or connection charge to Cascade Township as hereinafter provided.

2. Such availability charge shall not constitute a lien on such property until and unless the owner thereof exercises the option to pay such charge on an installment basis as hereinafter provided.

3. The Cascade Township Board shall, in each and every case where such local sewer or watermain are constructed without the cost thereof being assessed against all abutting properties, cause to be prepared and shall by resolution, a "Deferred Benefit Charge Roll," which shall contain:

Avery's Book Full Of Facts

Many families spend long and miserable vacations every summer because they devoted more time to packing the car than to planning their trip to the Upper Peninsula. Thousands more save an enjoyable vacation simply because they were lucky, but their chances for repeat success are limited at best.

Chance failure has no place in any vacation agenda, especially since 1971 publication of a simple fact-filled outdoor guidebook to Michigan's Upper Peninsula by Avery Color Studios of Ann Arbor, Michigan.

The 64-page Outdoor Recreation and Camping Guide was initiated by outdoor photographer-naturalist Hoyt Avery, formerly of Lowell and Saranac, in an attempt to furnish the public with complete and factual listings of all camping facilities in the Upper Peninsula.

People grabbed up three editions of the new book last summer and are already laying out an updated '72 version for spring release.

The first publication to ever list, describe and map every campground (from National Park to private recreation area), in each of the U.P.'s 15 counties, the guide quickly accomplished its original objectives.

Continuing with page after page of concise, concentrated outdoor recreation information about everything from U.P. Historic and Scenic Attractions to Waterfall Directories and Rock-hound Gem Trails, the book becomes a valuable addition to every outdoorman's and camper's home library.

"We're trying to provide people with facts they need to enjoy their time away from home," said Avery.

"People should know what to do in an emergency; how to contact State Police, where hospitals are located and a hundred other little things people seldom think about while planning a vacation.

"We've tried to provide this kind of information along with touring, camping and recreation facts as simply and usefully as possible," he continues.

"People often don't realize that hundreds of beautiful, well equipped camping areas exist throughout the U. P. and this is a shame when they find all the sites full at their original destination and don't know where to head next. We want to make it easier for people to learn about and use all the not-so-well-known areas where there's always something different and exciting to do. We think 24 detailed maps and pages full of up-to-date information are steps in the right direction," concluded Avery.

"We often don't realize that hundreds of beautiful, well equipped camping areas exist throughout the U. P. and this is a shame when they find all the sites full at their original destination and don't know where to head next. We want to make it easier for people to learn about and use all the not-so-well-known areas where there's always something different and exciting to do. We think 24 detailed maps and pages full of up-to-date information are steps in the right direction," concluded Avery.

Around Alto

BLUE BIRD PROGRAM VIEWED BY MOTHERS
The first grade Blue Bird group gave a short program Tuesday, February 15, to the Alto Mother's Club meeting.

Following the presentation of Mrs. Zeta Smith's group, Mrs. Shirley Kosenberger explained the Blue Bird program, and the advancement and advantages that are included in participation.

Mrs. Cranmer, a local 4-H leader, represents Allegan, Kent and Ottawa counties on the council.

The state council, composed of leaders representing each of 31 extension areas throughout the state, meets with the state 4-H professional staff twice each year to help plan the Michigan 4-H program.

At the February meeting plans were finalized for Leadership, an inspirational leader training conference held at Michigan State University each spring.

Mrs. Cranmer, a local 4-H leader, represents Allegan, Kent and Ottawa counties on the council.

The short business meeting, conducted by the club's president, Mrs. Kitty Dintaman, revealed signs that the May 5th Penny Carnival plans are well underway... and the whole family should be in for a treat filled with variety.

Before light refreshments concluded the evening, several student teachers were introduced by their head teachers to the mothers in attendance.

The Dentistry Division of the Michigan Department of Public Health estimated that Michigan parents of children from age five through sixteen have saved an estimated total of at least 15 million dollars in dental bills, if their children have been drinking fluoridated water since birth.

Since Alto and the surrounding area does not have fluoridated water, the Summer Topical Fluoride Program offered is very beneficial. Treatments are available for pre-schoolers, second, fifth, and eighth grades and cases referred by a dentist.

Enrollment of your child in this program can be made by calling your area chairman, Mrs. Harold Metternick, Jr., at 868-6639.

Despite hazardous driving conditions, four Alto area residents managed to make it to Irons, Michigan, over the week end to enjoy a stag get-together, spiced with card playing and snow-balling.

Joe Brower, Don Brower, Clayton Risner, all of Alto, and Bob McWhinney of Ada, braved the northern Michigan weather to relax for the week end, amidst freezing rains, snow and near sub-zero temperatures.

At Carousel Ceramics, 8793 Alden Nash Avenue, Alto, the world's most fascinating hobby will be offered in the form of classes.

Qualified Duncan Products teachers, Mrs. Sandy Kowalczyk will instruct classes on Monday from 7:30 until 10:30 p.m., Tuesdays, 1 p.m. to 4 p.m., and Wednesdays, 7:30 to 10:30 p.m.

Additional information on the classes can be secured by calling Mrs. Kowalczyk at 868-6100.

Mrs. Ella Watson who has been a patient at Butterworth Hospital for nearly a month, is expected to return home this week sometime, where she will complete her recovery from recent surgery.

Frank Kauffman is on the improvement list at Butterworth Hospital. He was injured in an auto-truck collision on February 1.

A card of get-well could brighten the days of recovery for these area residents.

HOME FROM ARIZONA
Mrs. Bryant said she preferred to live in Michigan. However, the Arizona atmosphere was very beneficial to her health.

The Kent County Chapter, American Red Cross has announced that two 10-week Water Safety Instructor's classes will begin in March.

The first will begin March 24 at the Grandville High School pool, 3335 Wilson Ave., SW, Grandville, at 7 p.m.

4-H Leader Executive Member Of State Council

Mrs. Kenneth Cranmer, Grand Rapids, was recently elected executive committee representative of the State 4-H Youth Council for 1972.

The state council, composed of leaders representing each of 31 extension areas throughout the state, meets with the state 4-H professional staff twice each year to help plan the Michigan 4-H program.

At the February meeting plans were finalized for Leadership, an inspirational leader training conference held at Michigan State University each spring.

Mrs. Cranmer, a local 4-H leader, represents Allegan, Kent and Ottawa counties on the council.

The short business meeting, conducted by the club's president, Mrs. Kitty Dintaman, revealed signs that the May 5th Penny Carnival plans are well underway... and the whole family should be in for a treat filled with variety.

Before light refreshments concluded the evening, several student teachers were introduced by their head teachers to the mothers in attendance.

The Dentistry Division of the Michigan Department of Public Health estimated that Michigan parents of children from age five through sixteen have saved an estimated total of at least 15 million dollars in dental bills, if their children have been drinking fluoridated water since birth.

The tentative assessment ratio and assessment multipliers required by P.A. 165 of 1971 are:

Ratio	49.22	49.04
Multiplier	1.00	1.00

City of Lowell Council Proceedings

Regular meeting, Monday, February 7, 1972 in the council room of the City Hall.

The meeting was called to order by Mayor Carlen Anderson at 8:00 p.m.

Present: Councilmen Hall, Jefferies, McCambridge, Mueller, Mayor Anderson

IT WAS MOVED BY Councilman McCambridge, supported by Hall, that the minutes of the meeting of January 17, 1972 be approved with the corrections noted.

IT WAS MOVED BY Councilman Mueller, supported by Jefferies, that the bills payable (list attached) be approved and warrants issued.

IT WAS MOVED BY Councilman Hall, supported by McCambridge, that the low bid of R. G. Moeller & Company in amount of \$428.00 for a CH & E Model 3003-S pump for the Water Department be accepted and the award made.

IT WAS MOVED BY Councilman Mueller, supported by McCambridge, that the bids not be opened and that both vehicles be offered at auction.

RECOMMENDATIONS OF THE PLANNING COMMISSION were relayed by Manager Bacon on the following proposals:

1. To rezone an area north of Heffron Street in the Young Addition to create a Nursing Facility District.

2. To create a new section in the Zoning Ordinance permitting skilled care nursing facilities.

3. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

4. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

5. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

6. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

7. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

8. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

9. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

10. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

11. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

12. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

13. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

14. To vacate parts of N. West Street and N. Center Street for creation of a skilled care nursing facility.

Notice of Special Election

TO THE QUALIFIED ELECTORS OF THE LOWELL AREA SCHOOLS Kent and Ionia Counties, State of Michigan:

NOTICE IS HEREBY GIVEN that a Special Election will be held in the Lowell Area Schools in the Counties of Kent and Ionia and State of Michigan, on MONDAY, MARCH 6, 1972, from 7:00 o'clock in the forenoon until 8:00 o'clock in the afternoon for the purpose of voting on the following propositions:

1. Shall the limitation on the total amount of taxes which may be assessed against property in the Lowell Area School District, Kent and Ionia Counties, Michigan, for all purposes, be increased as provided by Sec. 208B of the Michigan Constitution, effective January 1, 1972, from 1.25 mills to 1.25 mills for the year 1972, 1974, both years inclusive, on the equalized assessed valuation of all property for the purpose of using the proceeds of any taxes levied hereunder to provide funds for the operation of the Lowell Area Schools?

2. Shall the limitation on the total amount of taxes which may be assessed against property in the Lowell Area School District, Kent and Ionia Counties, Michigan, for all purposes, be increased as provided by Sec. 208B of the Michigan Constitution, effective January 1, 1972, from 1.25 mills to 1.25 mills for the year 1972, 1974, both years inclusive, on the equalized assessed valuation of all property for the purpose of using the proceeds of any taxes levied hereunder to provide funds for the operation of the Lowell Area Schools?

3. Shall the limitation on the total amount of taxes which may be assessed against property in the Lowell Area School District, Kent and Ionia Counties, Michigan, for all purposes, be increased as provided by Sec. 208B of the Michigan Constitution, effective January 1, 1972, from 1.25 mills to 1.25 mills for the year 1972, 1974, both years inclusive, on the equalized assessed valuation of all property for the purpose of using the proceeds of any taxes levied hereunder to provide funds for the operation of the Lowell Area Schools?

4. Shall the limitation on the total amount of taxes which may be assessed against property in the Lowell Area School District, Kent and Ionia Counties, Michigan, for all purposes, be increased as provided by Sec. 208B of the Michigan Constitution, effective January 1, 1972, from 1.25 mills to 1.25 mills for the year 1972, 1974, both years inclusive, on the equalized assessed valuation of all property for the purpose of using the proceeds of any taxes levied hereunder to provide funds for the operation of the Lowell Area Schools?

5. Shall the limitation on the total amount of taxes which may be assessed against property in the Lowell Area School District, Kent and Ionia Counties, Michigan, for all purposes, be increased as provided by Sec. 208B of the Michigan Constitution, effective January 1, 1972, from 1.25 mills to 1.25 mills for the year 1972, 1974, both years inclusive, on the equalized assessed valuation of all property for the purpose of using the proceeds of any taxes levied hereunder to provide funds for the operation of the Lowell Area Schools?

6. Shall the limitation on the total amount of taxes which may be assessed against property in the Lowell Area School District, Kent and Ionia Counties, Michigan, for all purposes, be increased as provided by Sec. 208B of the Michigan Constitution, effective January 1, 1972, from 1.25 mills to 1.25 mills for the year 1972, 1974, both years inclusive, on the equalized assessed valuation of all property for the purpose of using the proceeds of any taxes levied hereunder to provide funds for the operation of the Lowell Area Schools?

7. Shall the limitation on the total amount of taxes which may be assessed against property in the Lowell Area School District, Kent and Ionia Counties, Michigan, for all purposes, be increased as provided by Sec. 208B of the Michigan Constitution, effective January 1, 1972, from 1.25 mills to 1.25 mills for the year 1972, 1974, both years inclusive, on the equalized assessed valuation of all property for the purpose of using the proceeds of any taxes levied hereunder to provide funds for the operation of the Lowell Area Schools?

8. Shall the limitation on the total amount of taxes which may be assessed against property in the Lowell Area School District, Kent and Ionia Counties, Michigan, for all purposes, be increased as provided by Sec. 208B of the Michigan Constitution, effective January 1, 1972, from 1.25 mills to 1.25 mills for the year 1972, 1974, both years inclusive, on the equalized assessed valuation of all property for the purpose of using the proceeds of any taxes levied hereunder to provide funds for the operation of the Lowell Area Schools?

9. Shall the limitation on the total amount of taxes which may be assessed against property in the Lowell Area School District, Kent and Ionia Counties, Michigan, for all purposes, be increased as provided by Sec. 208B of the Michigan Constitution, effective January 1, 1972, from 1.25 mills to 1.25 mills for the year 1972, 1974, both years inclusive, on the equalized assessed valuation of all property for the purpose of using the proceeds of any taxes levied hereunder to provide funds for the operation of the Lowell Area Schools?

10. Mr. and Mrs. Bruce Walter and sons, Robin and Peter, drove down recently for a visit with the new member in their family. The Walters new address is 6308 Corby, Apt. 5, Cincinnati, Ohio 45230.

Our Men In Service

COMPLETES BASIC

Lloyd D. Miller, son of Mr. and Mrs. David W. Miller of 224 Riverside Dr., Lowell, has completed basic training, and is now in Armor training at Ft. Knox.

His address is: Pvt. Lloyd D. Miller, 367-589540, A-51-2, Fort Knox, Kentucky 40121.

DONALD VANDER MEULEN
Navy Seaman Apprentice Donald G. Vander Meulen, son of Mr. and Mrs. Charles R. Vander Meulen of 2925 Belknap N.E., Grand Rapids, graduated from recruit training at the Naval Training Center in Great Lakes.

CHARLES BOWLES
Army Private Charles F. Bowles, 18, son of Mr. and Mrs. F. M. Bowles Jr., 7281 Thorncrest SE, Ada, recently was assigned to the 82d Airborne Division at Ft. Bragg, North Carolina.

Pvt. Bowles is a clerk-typist in the Division's 82d Administration Company. He entered the Army in August 1971, received basic training at Ft. Knox, Kentucky, and was last stationed at Ft. Benning, Georgia.

He is a 1971 graduate of Onarga (Ill.) Military Academy.

MARTIN BUTLER
Marine Pvt. Martin D. Butler, son of Mrs. Jane E. Larson of 3246 Soft Water Lake Drive, Grand Rapids, graduated from basic training at the Marine Corps Recruit Depot at Parris Island, South Carolina.

MICHAEL FITZSIMONS
Navy Petty Officer Third Class Michael J. Fitzsimons, son of Mr. and Mrs. Louis A. Fitzsimons of 3106 Plaza Drive, Grand Rapids, returned to Alameda, California February 12 with the nuclear powered aircraft carrier USS Enterprise, ending an eight-month deployment with the seventh fleet in the Western Pacific, South China Sea and Indian Ocean.

Simple Larceny
George Paul Follett was arrested February 14 by officers of the Lowell Police Department for Simple Larceny from DeMull's Auto Parts on East Fulton Road.

A water pump was removed from one of the cars in DeMull's yard and placed by a hole in the fence. The water pump was marked so it could be identified, and the subject was later arrested.

When apprehended, the car part was found in Follett's car.

Congratulations. You just saved \$5 by doing your own income tax.

And all it cost you was three long, sleepless nights.
And a slight case of heartburn.

If you had gone to H & R Block, on the other hand, you could have relaxed while someone else figured out your return. Quickly and confidently. Satisfy. Probably utilizing any way you've ever done it before.

And, when you figure your own, you may be entitled to deductions you're not taking and taking deductions you're not entitled to. For instance, do you know all about deductions for child care as a taxpayer? Or, that if your income increased over the last few years, you may save tax dollars by "income averaging"? And when you would you know how to go about "income averaging"? And then, what you paid. Not to mention the fact that aggravation isn't tax deductible.

You see, when it comes to income taxes, taxpayers should depend on H & R Block. We have over 6,000 conveniently located offices manned by thousands of specially trained personnel. They're warm and friendly people who are anxious to help you. They'll all you down over a free cup of coffee and show you some things about

your income tax that you might never have known existed. Furthermore, if your return is audited we will accompany you, as do our other tax services. H & R Block is ready to offer you your "young tax service" for just one low fee a year, with extra charge for audits and estimates. H & R Block charges start at \$25.00 per year, with an average cost was under \$12.00 for the 7 million families we served last year. Which is somewhat less than what you paid. Not to mention the fact that aggravation isn't tax deductible.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.
The income tax people.

Scout Committee Reorganizes

Thursday evening, February 17, members of the committee for Boy Scout Troop 102 met at the Bushnell School to fill the many posts necessary to operate a successful Boy Scout Troop.

Don Kelly will assume the chairmanship of the Scout's committee that will include his duties as Institutional Representative. William Nowak will continue as Scoutmaster with the assistance of Chuck Sherman, combining to head up the most successful Scout Troop in the Ionia District.

The members and the posts they were assigned include: Bob Ellison and Al Mulder, Awards Committee, Board of Review; Dave Butts, Merit Badges and Registration; Duane MacDonald, Outdoorsman, Liaison Officer.

John Schneider, Transportation; Art Benedict, Special Activities; Al Lasby, Cabin Maintenance; Bernie Narva and Dale Johnson, Fund Raising; Roger Raymor, Patrol Dads; and Leo Haybarker, Public Relations.

Many of these committees require additional volunteer help from scout's parents, and any of these men can be contacted by telephone if such help is available from any concerned citizen of the community that cares about their children. Among the several announcements made during this session was the new time and meeting place for future committee meetings.

The first Wednesday of each month at 7:30 p.m. the members will meet at Bushnell School. Registration Roundups will be held at every Scout meeting with the hope that every boy will bring a friend and introduce him to a period in his life that can be full of fun and adventure.

The registration this year will be a cost of \$3 per boy, that will include his subscription to Boys' Life Magazine, with the registration deadline being March 13.

A trophy will go to the top Recruiter of the Troop.

Magician At Scout Event

The featured entertainment of the Annual Blue and Gold Banquet of Pack 3188 will be Dr. Jack Vander Wal of Grand Rapids. Dr. Vander Wal, an area dentist, has an avocation of magic and will delight young and old at this family dinner.

The event is set for Thursday at 6:30 p.m. in the dining room of the First United Methodist Church of Lowell. The Den Mothers have charge of the meal arrangements while the Pack Committee, Dr. Robert Kyser, Chairman, are arranging the program.

Pack 3188 is also looking forward to their Pancake Supper from 5 p.m. to 7 p.m. on Thursday, March 9. The supper is an annual fund raising event of the Cub Scout fathers.

Authorizes Bank Holding Company

Edward J. Frey, Chairman of the Board, Union Bank and Trust Company, N.A., announced today that its Board of Directors had authorized the establishment of a bank holding company which would seek to acquire a controlling interest in the Bank by means of a public exchange offer.

Under the terms of the exchange offer, as presently contemplated, the bank holding corporation which is named "Peninsular Holding Corporation of Michigan" would exchange two shares of its common stock, par value \$1 per share, for each share of the Bank's presently issued and outstanding common stock, par value \$10 per share. The public exchange offering, according to the Bank, will be made only by means of a prospectus to be included as a part of a registration statement to be filed with the Securities and Exchange Commission under the Federal Securities Act of 1933.

PLAN JUNE WEDDING

Miss Debra Sue Piper and Bruce Allen Hesche are engaged and planning a June 24 wedding.

Parents of the couple are Mr. and Mrs. Marshall Piper of Ionia and Mr. and Mrs. Raymond Hesche of Saranac.

The bride-elect is a graduate of Ionia High School. The groom-to-be is a 1970 graduate of Lowell High School and is employed at Root Lowell Manufacturing.

This and That

"The good, the bad and the ugly" or how to grow a lousy lawn without really trying, will be a featured exhibit during Farmers' Week March 20-24 at Michigan State University.

This-and-That

Producers of wheat and feed grains in the area should sign up early in the 1972 Wheat-Feed Grain program. The sign-up began in all county ASCS offices on February 3; the deadline is March 10.

This-and-That

More than 75 used passenger automobiles are among approximately 100 state-owned motor vehicles to be sold at public auction near Lansing February 26. The sale will begin at 10 a.m. in the State Highway Department garage on M-43 at the 96 interchange.

This-and-That

"Business Challenge-72," a regional conference to highlight trends in state expenditures and their meaning to the individual businessman will be held in Grand Rapids' Pantlind Hotel on February 28. The special two-hour program is sponsored by the Michigan State Chamber of Commerce and hosted and co-sponsored by the Greater Grand Rapids Chamber of Commerce.

This-and-That

Although Michigan is usually thought of in terms of industrial production, agriculture is extremely important. There are over 13,000 manufacturing and processing plants, and the automobile industry employs about 500,000 people. Michigan also has 134,000 bread-winners working in agriculture.

This-and-That

Truck drivers have a different view of Michigan's 9,251 miles state highway system than other motorists do. That's why the State Highway Department publishes a truck operator's map.

This-and-That

If you've noticed a gathering crescendo that sounds like a fire siren throughout the land, it's the combined scream of millions of housewives over the swift rise of food prices.

Food prices, especially those for meat, have continued to climb despite the economic controls. Under Phase Two regulations, unprocessed food sold in the supermarkets, such as meat, fresh fruits and vegetables, are not controlled. Increased costs can be passed on to the consumer.

Economic figures show that the inflationary price spiral has begun to slow down—but it would take a brave man to tell that to a housewife!

This-and-That

At least President Nixon's trip to China has given us something else to talk about besides the weather—for some people—that is! Remarks concerning the journey range from a blase "So What?" to "It's the most exciting thing since the trip to the moon."

'Twas noticed by a China watcher that Pat Nixon was not carrying a hand bag as she embarked. Wonder if Richard was totting all those little items in his suit coat pocket?

Seems as though summer would have been a better time to go. At least the weather would be warm in case the reception was chilly—

This-and-That

Michigan's traffic death rate dropped to a record low last year. The death rate fell from 4.1 per 100 million miles driven in 1970 the previous low, to 3.9 in 1971.

This-and-That

St. Mary's Hospital continues to offer a week-long evening course for diabetics and their family members. The course is held every other week and classes meet from 6:30 to 7:30 p.m. Monday through Friday. Need to know more? Call 459-3131.

This-and-That

Governor Milliken last week signed into law House Bill 5718 which extended permission for local school districts to spend remedial reading money in the kindergarten through the third grade if they so desire. Up to signing this bill, the state's 3.4 million dollar appropriation was limited to programs in the fourth through twelfth grades.

The Kroger Store on West Main Street has made application for an SDM license. They were denied a license in 1970.

Lowell may be able to receive funds to employ additional policemen with Emergency Employment Act Funds. Lowell would have to furnish uniforms and training, which would amount to 256 hours and pay fringe benefits, which amount to 30 percent of total pay.

Petitions are being circulated in the City to permit the sale of liquor-by-the-glass. The question would be placed on the November ballot, if enough signatures are secured.

Lowell has been paired with Zeeland for the May 22 observance of Mayor's Exchange Day during Michigan Week.

A frame of white ornamental wrought iron has been placed in front of the Debonaire Shop, Eleanor's Fabric Shop, just a few doors down on West Main Street, has also sprung up the home of their new business venture.

Lowell Police are investigating the theft of two tires off a new car at Jackson Motor Sales on West Main Street. The tires were taken off a 1972 Dodge Challenger sometime early Monday morning, February 14.

The officers are continuing the investigation, and have the serial numbers and make of the tires.

A shoplifting complaint made by Eberhard's Thrift-T Mart on West Main Street February 19, led to arrest of Terri Ann Blattner by the Lowell Police Department. She was issued an appearance ticket for shoplifting and was ordered into the 63rd District Court on March 1.

Buses Robbed

A complaint has been filed with the Lowell Police Department by the Lowell Area School involving stolen items taken from school buses.

Sometime over the weekend of February 12 a first aid kit, flares and three reflector kits were lifted from the parked buses. A window in one of the buses was also broken.

The police continue to investigate the matter, which has been a common occurrence with the school's transporting units.
