More than 140 mayors, village presidents, and other elected and appointed municipal officials attended the annual Region V meeting of the Michigan Municipal League on April 20, 1972. Grandville served as the "host city."

Regional Meetings have been held by the Michigan Municipal League for the past 19 years in each of ten separate regions in the state. These area meetings serve to bring more than 450 member cities and villages into closer contact with the League and provide the opportunity for an exchange of ideas and cooperae action on matters of mutual concern.

The April 18 breaking and entering at Parker's Old Dutch Service Station on West Main Street, has been solved by the Lowell Police Department. Four juvenile boys confessed to the B & E, and have been referred to the Juvenile Court. One juvenile was lodged at the Juvenile Home and the other three were released in their parent's custody. Most of the merchandise was recovered.

The Senior Citizens of Lowell will openly discuss the possibilities of a Drop-in Center at a special meeting May 15 at 7:30 in the Lowell Methodist Church. Unique features of the program would be a "meal on wheels, for shut-ins," activities for all senior citizens, and things to occupy idle moments. The program will be ignited by the Lowell Community Center. All senior citizens are invited.

Lodged in the Kent County Jail April 21 for driving while his license was suspended was Kenneth LeRoy Worthington. He was arrested by the Lowell Police. Worthington was bonded out and is scheduled to appear in the 63rd Dis-trict Court of Judge Joseph B. White on April 26.

The first Spring flushing of the city's water mains will be made next week, Tuesday through Friday. Flushing will commence at 8 a.m. each morning. Residents should be on the lookout for rusty water during this period.

Presidential Primary Fast Approaching

The date of Michigan's first presidential preference primary, May 16, is fast approaching. At that primary voters will be asked not only to express their preference for a party's presidential candidate, but will also elect precinct delegates to the party's county convention and will be asked to vote yes or no on two proposed constitutional amendments.

1. Presidential Nominee Preference-The voter may indicate his preference for one presidential nominee only in the party of

Republican voters will be able to vote for Richard M. Nixon, Paul N. McCloskey, Jr., or may vote "uncomitted." Democrats have a wider range to choose from including Edwin S. Muskie, Hubert H. Humphrey, Shirley Chisholm, Vance Hartke, Henry Jackson, George Wallace, George McGovern, or may vote "un-

Voters will also be asked to elect precinct delegates to their party's county convention. The names of the candidate(s) for this office will appear on the ballot with their presidential preference name beside. This is so you will know who that precinct delegate is comitted to for President. It is important for you to have this information because this is the first step in the presidential nominating system. Precinct delegates will go to county conventions. At the county convention they will elect delegates to the state convention, and the state will elect delegates to the national conventions. Throughout this process, the number of delegates must reflect the results of the presidential preference primary.

3. The third question on the ballot will be Proposal A. This is a proposed constitutional amendment to allow the Legislature to enact laws to authorize lotteries and to permit the sale of lottery tickets.

4. Finally, for your consideration, will be a proposed constitutional amendment to permit members of the Legislature to resign and accept another office to which they have been elected or appointed. Before accepting another office, they would be required to resign from their legislative office.

The same question was placed before the voters in 1968 and was rejected because voters didn't really understand just what was involved in this proposal. This change would not allow leg-islators to do anything that any other public official in the State of Michigan is not already permitted to do.

Members of the Michigan House of Representatives and Sen-ate are the only public officials in Michigan who cannot resign during their term of office to be appointed to or elected to another position. For example, a County official, County Commissioner or Councilman may run for the office of State Representative during his term, or a Judge may seek election to a high er court during his term.

When the present provision of the State Constitution was drafted, it was to prevent any member of the Legislature from receiving any civil appointment within the state from the Governor or from any other state authority during the term for which he had been elected. The trouble arises from an Attorney General's formal opinion that the word "appointment" includes

On this basis it has been held that, for instance, a member of the State House of Representatives would not be eligible, even if he resigned from his House seat, to become a candidate to fill a vacancy in the State Senate or in fact for any other elective position during his term of office in the House.

Want A Pepsi?

Carol and replica of the Plymouth Gold Duster she won.

How much does a Plymouth Gold Duster filled with Pepsi, and eight WGRD disc jokeys weigh? 5,266 pounds? Sixteen-year-old Carol Smith, 4961 Cascade road, guessed that amount and won the WGRD Heavy Wheels Contest!

Sunday night around 8 o'clock, Rick Donahue from WGRD answered the third call to the station about the contest. Carol Smith was on the other end, armed with 21 pages of notes and figures. Her correct guess of 5,266 pounds was the result of constant listening and visits to the display window of Highland Chrysler-Plymouth. Donahue, who works weekends was surprised to say the least. Only a few days before another caller guessed 5,267!

Carol was on the line for several minutes before the disc ockey answered, she came close to hanging up! After the excitement died down Donahue got Carol's name and address so she could receive the details later. "I knew I had it, it was just a matter of getting through." Carol remarked. During the day, Sunday, a clue indicating the weight of the Duster and Pepsi was given, Carol added that to what she had previously figured to calculate her guess.

Carol estimated the weight of the car at 2,780, the disc jockeys at 1,306 and the Pepsi at 1,180. Congratulations Carol, want

Thornapple Lions Plans Sight Screening For Public, April 29 Sight screening for the public will be conducted by the Thornapple Valley Lions Club Saturday, April 29, from 10 a.m. to 3 p.m. at the D & W Supermarket East in Cascade in conjunction with White Cane Week. April 23 through April 29 has been proclaimed White Cane Week by Gov. William G. Milliken, urging all persons to become

more familiar with the meaning and purpose of the white cane and what it symbolizes The person displaying a white cane is either partially or total-

ly blind. Michigan law provides that the bearer of the white cane has the right-of-way in traffic. The Lions Clubs of Michigan have as their major project sight conservation work and aid to the blind. They have provided many white canes for persons who need them.

The Thornapple Valley Lions Club urges all persons who sus pect they have a sight deficiency to take advantage of this free sight screening opportunity on April 29. The screening procedure is not a corrective measure, but it will indicate a sight problem if one is present and alert that person to the importance of seeking professional care from their eye doctor.

Everyone talks about the malignancies in our environment. Let's do something about it. Robert Norman, chairman of the East Kent Soil Conservation District, and Marlin Clark, chairman of the West Kent Soil Conservation District, urge you to join with the Kent SCDs in the observance of Soil Stewardship Week, May 7-14th.

Soil Stewardship Week is a nationwide observance which places emphasis on man's obligation to God as stewards of the soil, water and other resources. "Creative Conservation," this year's theme, underscores the responsibility which each citize has in fulfilling his or her role as caretaker of the realm. The Kent SCDs and some 3,000 companion Districts throughout the nation, along with their State and National Associations, are sponsoring the event for the 18th consecutive year.

The Kent Soil Conservation Districts have distributed to churches of all faiths throughout the county bulletin inserts created particularly for this year's observance. The inserts were prepared by the National Association of Conservation Districts, in consultation with a Soil Stewardship Advisory Committee composed of leading church men in the nation.

Table Tennis Tournament

After 90 separate matches in 6½ hours of action at the Low-ell Senior High gym five division champions were crowned in the table tennis tournament staged by the Lowell YMCA last

Winning the adult Singles was Keith Caldwell in a hard-fought finals dual with Art Bieri, 21-14 and 21-15. Earlier Bieri had forced the playoff by defeating Caldwell for his only loss of the night; 10-21, 21-12, 26-24. Bieri and Caldwell teamed up to win the Adult Doubles by taking Leo Pfaller and Dave Potter; 21-14, 21-15.

In Senior High Singles it was Randy Jones going undefeated all the way as he took Robert Hinton in the finals; 21-19, 21-10.

However, Hinton and Scott Vashaw captured the doubles title from Jones and Rick Siegle; 21-12, 21-13. The Junior High Division was a hotly contested one, especially in the loser's bracket but Trent Sprague emerged the undefeated champ with a 21-18, 21-12 finals victory over Tom LaMonde. Rommie Moore, Executive Secretary of the Lowell YMCA, termed the event a "success" and stated the YMCA Program Committee plans an extensive table tennis program for all ages

Serving as the Tournament Committee in addition to Moore were Keith Caldwell, Gerald Meredith, Dean Bailey and Kim

Forty participants and over 100 spectators enjoyed the Fri-day evening affair. There were nine entries in Junior High Sings, ten in the Senior High Division, and twenty-one in the Adult

A big assist was given by Wittenbach Sales and Service who furnished the truck to transport the five Nissen Tebles from the Central YMCA, Grand Rapids. Two sets of brothers were playing; Tom and Craig LaMonde

and Karl and Kurt Yost. The Lowell Schior High School staff was especially helpful: Robert Perry, Athletic Director; Gary Rivers, Industrial Arts; and the custodial staff.

A touch of femininity was added to the tournament by Mrs. Milton Homolka. Beverly played in the Adult Singles and teamed with her husband for the doubles. She also played in the largest game of the night when she topped Allen Mulder, 28-26. However, Mulder went on to win the match. Transporting tables to and from Grand Rapids for two

consecutive weekends were Dean Bailey, Gerald Meredith, Kim Lathwell, George Blocher and Jim Barnes. Tournament officials plan a two evening event next year as numerous adult doubles teams forfeited as the hour grew late.

Traveling the greatest distance to compete was Dave Kagan of Wyoming, Wyoming, Michigan, that is. A Dispute Committee was ready to rule on all disagreem but there was no need to meet as all participants exhibited a high degree of sportsmanship and courtesy through the matches. One of the hardest working players was Art Bieri who played 8 matches, four of which were three game ordeals.

The double elimination aspect of the tourney had everyone playing at least two matches; but challenged the charting abili-ties of Gerald Meredith and the designing capabilities of Ray-

The spectators were most enthusiastic during the final matches in the Junior High Singles as the exciting play was continuously purctuated by applicase.

Junior High student, Mitch McNeel, played tough opponents as all three of his matches were decided by a third game.

The salmon and trout migrate along the shore northernly, unti they find deep water to lay in during the hot summer. Anglers in the small boats and off-shore are reporting limit catches of these fish. Nightcrawlers are the most popular bait but spinners According to the Department of Natural Resources, the sal-

non and rainbow trout average between 2 and 4 pounds and the brown trout between 3 and 6 pounds. A few lake trout have been caught, averaging between 8 and 10 pounds. The most successful areas presently are St. Joseph, South Haven, Saugatuck, Grand Haven and Muskegon.

Sucker fishing will soon be at its "peak" but due to the sal-mon fishing and high water little attention has been given to these fish. Suckers, as well as most other "rough" fish, are not picky eaters. A glob of worms or a doughball will usually coax one of these sporting fish to bite. Although the high water has caused some difficulties, spearing and netting on the upper stretches of the Thornapple River and some Grand River Bayous have been successful.

Spring spawning runs of smelt have not begun but are sure to do so very soon. Spring rains help open up the streams and raise the water temperature, encouraging the smelt to swim up even the tiniest streams. When the runs are in full swing smelt may be "dipped" or netted in great numbers from many Great

Steelhead fishing has already reached its "high point" in many rivers, but fishing should still be good for several more weeks. High water has made some rivers cloudy and full of debris but the determined sportsman may find his efforts rewarding.

IN MEMORIAM

Deadline Tuesday Noon

It is with deep appreciation that we express our thanks to the multitude of friends and relatives for their kind remembrances and expressions of sympathy and assistance at the time of Luelia Clarke's demise. The many letters and cards through the years from friends and relatives so far away have brought cherished moments and memories.

Your friend is your needs answered. He is your field which you sow wity love and reap with thanks-And he is your board and your fire-For you come to him with your hunger, and you seek him for peace,"

Vows Exchanged

MRS, MARK VAN KOEVERING

The vows of Holy Matrimony were exchanged Friday evening, April 21, by Miss Carol Lynn DeGood and Mark Alan VanKoevering. The Rev. Charles Wissink performed the ceremony in the Ada Community Reformed Church at 7:30 p.m.

Parents of the couple are Mr. and Mrs. Gerrit DeGood of 5746 Michigan Street, N.E., Ada, and Mr. and Mrs. John Van-Koevering of Hudsonville.

Appliques of lace enhanced the floor-length gown of satin worn by the bride. A satin band, trimmed with pearls, held her

The bride's sister, Mrs. Leo Ward of Ada was the matron of honor. Lyn Osborn and Linda Larsen were the bridesmaids. Dale Birchfield of Hudsonville attended the groom as best

man. Brent VanKoevering carried the rings. Ushers were Gary DeGood and Robert VanKoevering. A reception was held following the ceremony. The newlyweds will reside in Byron Center.

Girl Scouts Scope-Orama

What's going on? A birthday party! Girl Scouts of the U.S.A. celebrate their 60th anniversary this year, 1912-1972. Michigan Trails Girl Scout Council invites you to their way of celebration with "Scope-orama-World of Girl Scouts" at the Wyoming Armory on 44th Street, S.W.

From 2 to 8 p.m. Saturday, April 29, and from 2 to 6 p.m. Sunday, April 30. One hundred fifty troops, Brownie, Juniors, Cadettes, Seniors, and their leaders will present . . . Musical skits, dances, puppet and style shows, lemi stick demonstrations, and plays. Many booths staffed by Girl Scouts will display macrame projects, animal care, glass and can recycling, outdoor cooking, tent pitching, bicycle safety, first aid, drawing, quilting. We could go on and on naming the sirl planned activities, but we'd could go on and on naming the girl planned activities, but we'd rather have you see for yourselves. It's a great family type event

Saturday at 2 p.m. a special ribbon cutting ceremony will open the festivities with Wyoming's Mayor Thomas K. Bardley, Jr. presiding. Troops from the Ledger-Suburban Life Area will be: No. 2, Miss Mary Lessens; No. 407, Mrs. Thomas Scheidel; and No. 415, Mrs. Greg McClure.

Wepman Gets Master's Degree

A master's Degree in Business Education was conferred on Lloyd Barry Wepman at Eastern Michigan University in Ypsilanti Sunday, April 16.

Wepman, a 1962 graduate of Lowell High School, earned his BA degree at Central Michigan University in Mt. Pleasant. For the past five years, he has been instructing general business courses in Farmington Junior High School.

Watching Wepman accept his degree at the ceremony gradua-tion was his mother, Mrs. Molly Wepman of Lowell, his sister, Bev, and husband, Mr. and Mrs. Harry Friedman of Detroit, and Miss Michelle Bencker of Alto.

Area Consumers Asked To Voice Opinions . . .

May 1 through 6 has been proclaimed as Consumer Informa-tion Week. Activities planned during that time will offer West Michigan residents an opportunity to air their opinions of business in general by filling out a "National Consumer Referendum" questionnaire. Area newspapers are cooperating by running the questionnaire during the first week in May as a public service. Local banks are serving as collection points for the ballots, or consumers may mail their completed questionnaire to the Grand Rapids Better Business Bureau.

As an additional service to residents of the greater Grand Rapids area, a Consumer Information Center will be provided on May 5 and 6 at Woodland Mall. A booth will be set up in a recessed area at the center of the Mall, and it will be staffed by volunteers on Friday the 5th from 1 p.m. to 9 p.m. and on Saturday the 6th from 11 a.m. to 9 p.m. Shoppers will be able to fill out the "National Consumer Referendum" at that time, if they have not previously done so. They may also review consumer information donated by the Grand Rapids Better Business Bureau, Michigan State Extension Service and area business-

According to Bob Bonner, local manager of the BBB, a consumer education program is being scheduled on May 5 and 6, also at Woodland Mall in the auditorium. Short talks by area businessmen will offer suggestions on topics which have been selected as being most interesting to consumers, such as the purchase of cars, food and homes. Both the auditorium and central mall area are being offered by the Woodland Mall management as a public service.

Area businesses involved in Consumer Information Week have indicated that the thrust of the program is a positive one. They mention that about 99% of all business transactions are good ones, with both buyer and seller being satisfied. When there is a problem, businessmen suggest that the consumer come first to them, and a sincere attempt will be made to solve all legitimate

If a dispute arises, or a consumer wishes information about a particular company before engaging in a business transaction, it is suggested that he contact the Better Business Bureau.

Ann Paulsen Weds

MRS. DONALD CARROLL

Mr. and Mrs. Donald E. Carroll are residing at 611 North Monroe Street, Lowell, following their marriage April 1 at the First United Methodist Church of Lowell. The Rev. Dean Bailey performed the four o'clock ceremony.

The bride is the daughter of Mr. and Mrs. Emil Paulsen of 1757 Alden Nash Avenue, Lowell, and the groom is the son of Mr. and Mrs. Wesley Carroll of 13238 Beckwith Drive, Lowell.

For her wedding, the former Ann Marie Paulsen, chose a floor-length crepe gowr. trimmed with lace and pearls. Her elbow-length veil was secured by a band of crepe enhanced with lace appliques and pearls.

Preceding the bride down the aisle was the matron of honor,

Barbara Manley. She was adorned in a yellow empire gown of organdy. Marsha Manley was the miniature bride. Larry Thuston was the best man, with Wesley Carroll, jr., at-

tending as the miniature groom. Seating the guests were John Layer and Ted Onan. Following a reception at Shady Acres, the couple left on a northern wedding trip.
