"ALL TOGETHER, Uh-one, Uh-two"—For several nights this month, members of the Showboat Chorus have been meeting at the Lowell Elementary School for practice. Under the direction of Tom Hagen, the chorus will accent the Showboat's six nights run and star with Jerry Reed, the first weekend (July 20-22), and Bobby Goldsboro, the second weekend (July 27-29).

Get Ready. . . Here Comes Showboat

The summertime event that has made Lowell famous across the nation since its inception in 1932, the Lowell Showboat, gets underway Thursday. It runs for two consecutive weekends.

All of the regular favorites will be aboard on the 40th anniversary run this year- and two great headliners as

The regulars include Mr. Interlocutor Gordon Gould, the six endmen, Forrest and Terry Buck, Joe Vezino, Gerald Meredith, Dennis Sisson, and Dick McNeal, the Showboat Chorus under the direction of Tom Hagen, the winners of the talent search competition, plus manualist John Twomey.

For three nights, beginning Thursday, July 20, Guitar Man Jerry Reed will headline the show. Reed, the summer replacement on the Glen Campbell show on TV, was voted the top male vocalist in the Country-Western Grammy selections, and is currently one of the most popular and talented acts in show business. He's made the top charts with such songs as "Georgia Sunshine," "When You're Hot, You're Hot, and "Bet ter Things of Life."

For the six nights of the 1972 Showboat season, John Twomey, the manualist who last year amazed and thrilled the Showboat audiences, and has appeared on Reed's program, will return with his incredible act.

Beginning Thursday, July 27, Bobby Goldsboro, that "Honey" of a guy will join the cast for what promises to be one of the finest Showboat shows ever. There'll be more about this captivating man next week.

All seats are reserved for the 1972 show, and are available at the Showboat Ticket office on East Main Street, right up to Showboat time.

Lowell Police are Investigating a malicious destruc-tion complaint at Beachum's Furniture Store on West Main Street. Two large plate glass windows, valued at better than \$200, were shot by either a pellet gun or a .22 calibre gun.

It's completely renovated . . . McCaul's Texaco Station on East Main Street has had the works-a new exterior, a new roof, new lighting and new paving.

A window at the Vercel Bovee home was broken July 16 by a BB gun. The complaint remains under investigation by the Lowell Police Department.

"Flying saucers never scared me before," chuckled an irate husband, "but if my wife improves her aim, then it's time for me to change my mind." The com-ment followed a friendly Main Street spat.

The Showboat Restaurant on East Main this weekend will feature a Jerry Reed special of rolled rib roast, baked potatoes, sour cream, asparagus topped with cheese sauce, orange delight molded jello, blueberry muffins or homemade bread, and choice of

Showboat Being Previewed On State-Wide Television

The Lowell Showboat, one of Michigan's outstanding festivals, is being previewed on state-wide television this year, according to Terrence Fenech, manager of Automobile Club of Michigan's North Grand Rapids

Auto Club has sent color prints of a 11/2 minute film promoting this year's Lowell Showboat to all 20 of Michigan's television stations for their use in publicizing the event, Fenech said.

The film presents glimpses of the variety of family fun and entertainment which the showboat offers. There are minstrels and end men. Amateur acts each night, with contestants from across Michigan, vie with top flight professional entertainers which this year includes Jerry Reed (July 20-22) and Bobbie Goldsboro (July 27-29).

The Showboat will make its 40th annual appearance at the foot of Lafayette Street each evening on two successive weekends: Thursday, July 20 through Saturday, July 22 and Thursday, July 27 through Saturday, July

As a result of a hearing held last May between the Michigan Public Service Commission, the C&O Rail-road and representatives of the City, the Michigan Pubtic Service Commission has instructed the C&O Rail-road to improve the crossings on south Hudson Street and on Foreign Road in the interest of public safety and welfare.

The cost of the improvements will be split 50-50 between the railroad and the city, which would amount to about \$48,000 for the city.

As Manager Bacon stated, financial hardship is not-of consideration in cases such as this but only the safety and welfare of the public.

Accident Injures Girl

Vicki Lee Hoolston, 1051 Lincoln Lake Road, Lowell, was slightly injured July 12, in an accident on Vergennes Road near Parnell. Hoolston, 15, was a passenger in a car driven by Michael Campbell, 18, of Lowell.

The driver apparently lost control of the car as he drove onto the shoulder of the road. The car proceeded to travel off the roadway and into a deep ditch. The accident occurred around 8:30 p.m.

More Thefts Investigated

Five larceny complaints are currently under investi-gation by the Lowell Police Department as they search for such items as a car, tools, money, stereo equipment and motorcycle accessories.

Entry was made a. the V reel and Eyel. Shop on West Main Street June 29, with a motorcycle seat and a sissy bar taken.

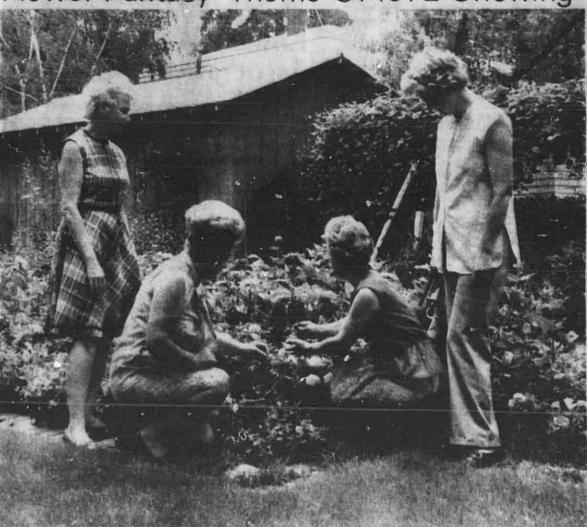

Someone entered Chrouches' Radio Communications Shop on July 5 and made way with a "Toshiba" AM-FM-MPX receiver with an eight track tape player. There were no signs of forced entry into the building on East Main Street. The serial number of the unit is on file with the Police.

July 10, Dr. John Wellman reported a tool box missing from his garage adjacent to his office building on West Main Street. The tools were apparently taken sometime July 5 or 6.

Knowing full well that your schedule most likely will not permit you to do so, we would like to extend an open invitation to you, or a representative of your choosing, to spend a night in our small community, enjoying the relaxed atmosphere of a citizenry who are proud to be called AMERICANS.

I have been asked to acknowledge the kind letter you and Mrs. McNeal addressed to the President inviting him or his representative to attend Lowell Showboat at the end of the month.

The President was pleased to be asked to be with you and would like to have the opportunity to do so, if circumstraces permitted. Unfortunately, though, his schedule is such that it will not be possible for him to add this engagement to his calendar. Regrettably, the demands on all those working with him also are so heavy we are unable to suggest a representative.

Jabber by Jane

I'm not so delahenshus Nor yet so cutawumpshus But I can understand a lot better jibberish Than all that amounts to. Author Unknown

Disruption of weekly television programs, suffering mightily because of the Democratic Convention, drew varied comments last week.

There were those who thought the convention to be better drama than many dramatic programs and there were some . . . who thought it was better comedy. Some people appeared to be disinterested in the whole thing—except for displaying a certain irateness if their favorite TV program was cut.

Perhaps if the conventions could take their cue from the movies or Broadway billings, it might make them more palatable to the general public.

Something like "George McGovern, starring in his

latest extravaganza—with supporting players, Humphrey, Muskie, Wallace and Shirley Chisholm in her first dramatic role. Chicago's Mayor Daley could have been billed as having a "bit part." A cast of thousands including the Yippies, Women's Lib, the Gay bunch, the Poor People (that could have included many of us as "extras"), Ted Kennedy making a "cameo appearance"

Then last, but not least, the commentators, cameramen and producers who put it all together—so to speak—the directors of the Show—"Chancellor, Brinkly and Cronkite bringing you another brilliant portrayal of one man's rises to political power—or "George McGovern, Small town boy makes good."

Well, it's all over until the Republicans gather together and I dare say the reaction and remakrs will be no different-Hope they don't pre-empt "Ironsides!" (Wouldn't Raymond Burr make a great president??)

Orderly Development Burlingham's Concern

Charles S. Burlingham of 7228 Thornapple Park Dr., S.E. has filed for the Republican nomination for Cascade ownship Trustee. Mr. Buringham has had considerable experience in township government having served for six years (1963-1969) on the Cascade Township Planning Commission, the last two years as Assistant Chairman He is currently serving as Chairman of the

Water and Sewer Advisory Council and was instrumental in bringing those services into the township. He has been active in local Boy Scout affairs and has served as Deacon and Elder in his church, Westminster Presbyterian. Mr. Burlingham, who is 51, has lived in Cascade Township for over 14 years since arriving in the Grand Rapids area from Long Island, New York in 1958. He has been an Engineering Manager at Lear Siegler for 15 years.

He and his wife, Arlene, have three sons, Douglar ginning his junior year at Western Michigan Univer-y, Alan, entering Michigan State University this fall, d Robert, an 8th grade student at Forest Hills Junior

During his years in Cascade he has been a close oberver and participant in the growth of the township is concern now is to provide the most orderly possi ble development during the coming years when Cascade is destined to continue being one of the leaders in Grand Rapids suburban development. This is a matter which is of vital interest to every resident and should be controlled at the local level to the greatest extent

As the township develops Mr. Burlingham believes that cultural and recreational facilities need to be considered and planned as an integral part of the continued

OPEN LETTER from

DAVID GERST

Dear Friends,

One of the penalties life exacts for love's fulfillment is the anguish of grief. It is a mixture of anxiety, anger and despair over the loss of a loved one, and the greater the love, the deeper the grief. Feelings of anger and guilt, as well as sorrow, must be confronted and surmounted by the bereaved if he is to regain normal emotional health.

Respectfully,

City of Lowell Council Proceedings

Regular Council Meeting, Monday, July 3, 1972. The meeting was called to order at & p.m. by Mayor Carlen Anderson and the roll was called. Present: Hall, and Anderson.

Absent: Mueller, McCambridge, and Jefferies. There not being a sufficient number of Council Members present to compose a quorum, Mayor Anderson moved to adjourn, and to reschedule the meeting on Vednesday, July 5, 1972, at 8 p.m. Supported by Hall. The meeting adjourned at 8:06 p.m.

Approved: July 17, 1972. NANCY J. WOOD, CARLEN E. ANDERSON. Acting Clerk

Adjourned Regular Meeting of City Council Monday, July 3, 1972. The meeting was called to order on Wednesday, July 5, 1972, at 8 p.m. by Mayor Carlen Anderson, and the roll was called. Present: Jefferies, McCambridge, Mueller, Anderson

IT WAS MOVED by Councilman Hall, supported by McCambridge, that the Council members not present at the July 3, meeting be excused from same. Ayes: All.

IT WAS MOVED BY Councilman Mueller, supported by Jefferies, that the minutes be approved and the read ing waived.

A Public Hearing was then held on the Storm Sewer Separation Project, with curb and gutter. Mayor Anderson opened the hearing stating that the

purpose of the meeting was to satisfy a commitment to the people of Lowell to discuss the project before continging with the Sewer Separation. It was announced this week that Lowell will receive a HUD Grant to help with this project in the amount

of \$411.045.04. The bids taken from contractors for this project are due to expire on Saturday, July 8. In January of this year, the Department of Public

Works was asked to be our agent in this matter. The Director of the Department, Mr. David Despres, was introduced to explain the bids taken.

Notice of Public Hearing CITY OF LOWELL

Monday, August 7, 1972

n the Council Room of the City Hall at 8:00 p.m. The purpose of the hearings is to listen to all persons interested in a proposal to amend the Zoning Ordinance to permit gasoline filling stations and accessory uses in the C-1 Limited Highway District; and to hear all persons interested in a proposal to amend the Subdivision Ordinance to provide for the reservation of land for public use or open space.

City Clark

Mr. Despres stated that bids were taken in April of 1972, and that there were as many as sixteen bids on each of four contracts. The total estimated cost as set forth by the engineers is \$1,794,001.71. The total of low bids is \$1,480,246.75. He recommends that the community hold on to these bids, explaining that these prices relate to 1971. The fact is that on September 1 of this year, contractors will be obligated to make a wage increase under contract. All contractors, whether ion or non-union must meet the Federal Wage Scale Index in a HUD approved project. If the bids are not now confirmed for the project, this wage increase will affect the \$1,480,246.75 figure. Additional costs could run 10 to 15% higher, due to HUD requirements. The contractors price does not include engineering fees. The overall project will cost approximately \$1,900.000.

Mayor Anderson commented that with the present price bid, all possible cavings will be passed directly on

There were a number of questions raised by the audience and Council Members as to whether prices would be raised considerably, when work was to begin, and if sidewalks and driveways torn up would be replaced by LOWELL SANITARY AND STORM SEWER

I am writing this letter hoping that I can bring out he oversightedness of the Lowell Police Department, I am speaking about their failure to adequately identify faulty safety equipment on the cars here in town. The other night I was given a ticket for excessive noise (loud mufflers). But then I see a large number of cars driving around town with one headlight out, or a taillight out, maybe both tail lights out, and then there

are the cars that have tires that are so bald they look like balloons, these are just a few things. Sure, loud mufflers are not the nicest thing to listen Sure, loud mufflers are not the nicest thing to listento, but are loud mufflers going to cause a head-on collision like a car with only one headlight will? Or will a loud muffler cause a rear end collision like a car with faulty tailights? Would a loud muffler prevent you from stopping in time to avoid a wreck like bald tires do? I say no!!

I have all good tires on my car, all my lights work properly, everything works perfect on my car (it is five years old) except I have loud mufflers. I have made it through a State Police Safety Check with everything passing. Nothing was said of my pipes. But do you think that the L.P.D. can give the people

with faulty safety equipment a ticket? No! They have

to give me one because it must seem to the L.P.D. that

loud mufflers are very dangerous, or maybe it is because I am just a kid with a fast car. Thanks for letting me speak my peace.

The Department of Natural Resources has long predicted a comeback of perch fishing off Lake Michigan piers. Increased populations of perch have led fish biologists to believe that perch fishing may soon become as successful as it was a decade ago. "Jumbo" perch up to 13 inches have been reported caught by pier fishermen at South Haven, Grand Haven, St. Joseph, and

Saugatuck. Is this the beginning of the great perch pier fishing that has been predicted for so long?

A cane pole baited with a minnow, wiggler, night-crawler, or soft shell crayfish is the best method for pier fishing. Spincast or spinning gear is also popular and is ideal for battling a stray salmon that may strike the bait. Boat fishermen are also doing well in areas beyond the piers. Fishermen should be up early, perch will bite best from dawn until about 9 a.m.

Chinook and coho salmon were taken 2 to 3 miles offshore from Grand Haven, South Haven, Muskegon, and Whitehall. Trolling lures 40 to 60 feet down in water 80 to 100 feet deep may connect a lucky angler with a hard-fighting salmon.

Green Becomes Standard Dealer

Roy Green of Lowell, the new Standard Oil dealer in Belding, has received a di-ploma from the oil industry's most comprehensive couse in service station oper-

Four weeks in length, the course is conducted at a specially-equipped training center operated by the Standard Oil division of American Oil Company in

Graduating from the course July 7, Green was schooled in all phases of service station operation and care of customers' au-tomobiles. Especially stressed were maintenance of a clean, attractive station, management of money, a manpower and materials, and knowledge of Stand-ard's broad line of quality products.

Since American Oil was the first company to begin a nationwide distribution program of a pollution-fighting fuel, Lead Free Amoco, the dealer training course now includes comprehensive training on the ben-efits the new product gives the motorist.

Green is a graduate of Gaylord High School, and he's had previous service station experience. He and his wife, Margaret, have two children. They live on Route 3, Lowell.

SHOWBOA1 WHISTLE TOOTS

An early morning meeting last Thursday of the Show-boat Directors and managers tied up most of the loose ends that tangle as the opening night of Showboat

Most of the committees revealed that all is going well, as Chairman Chuck Lippert asked for last minute reports. Tickets are up 30% over last year at this time, and the program's format has been laid out.

Fred Phelps, VFW chairman, who annually handles the parking details, brought a barrel of laughter to the meeting when Lippert asked if all was set along these lines. Phelps replied, "I guess so, the land's still there."

Dee Doyle who has the hectic job of planning a gi-gantic "thank you" party for all Showboat workers ask-ed for a guest list from all chairmen so invitations could be extended. The party after the final performance on Saturday night, July 29, will be held at the Lowell Moose Lodge.

The Lowell Area Jaycees with long-stemmed paint rollers in hand added a fresh coat of paint to the staging area of Showboat stadium Saturday morning.

How many headaches do you get annually when you try to redecorate your home? Ever try to paint, repair, and decorate a boat, weather permitting, in time for a two week-end extravaganza. If not, just ask Bev Holst how many headaches that can produce.

With the expert help of several volunteer youths of the community, Bev has been pushing the paint brush for two weeks, worrying about whether or not the colored tin foil will arrive in time, pinching the pennies on her budget, itemizing every detail, and trying to meet a deadline that often times arrives sooner than it should.

"Each year I get the usual line of criticism Bev remarked, but if they only knew the work that goes into the boat, I'm sure they'd think twice before they com-mented. Or they might try helping just once, and see

One of Bev's hardest workers has been Mark Kroll. He pushes a paint brush like it's going out of style, and is becoming an expert at the job. Without the wit and humor of Charlie Miller, things probably woundn't progress as they have ... or the staple pulling of the volunteers, who make way for this year's covering ... or the miscellaneous jobs done by the other youthful volunteers who join in to make the Showboat one of the heauties of the summer. the beauties of the summer.

Despite the fact that she's been bitten twice by spiders on the boat, Bev keeps up the hectic pace needed to get the job done.
