VOL. 18 NO. 26

## Stop Signs Safety Precaution

New flashers will be installed. Until then, motorists will be required to 'stop' before crossing the Alden Nash tracks.

Motorists will have to stop at the railroad crossing on Alden Nash Road, near 60th Street, east of Alto, until new flashers are installed at the crossing. Stop signs have been placed at the crossing as a safety precaution after Carl Kaechele and three children of the Dale Benjamin family perished in a mishap there August 11.

Controversy has arisen over whether or not the existing flashers were operating prior to the tragic accident. Law enforcement agencies are seeking a pickup with a camper that may have narrowly escaped collision with the train, seconds before the Kaechele vehicle struck the second engine of the 60-car train.

The driver of the pickup may live in the Lowell-Alto area, and be unaware that the car behind him collided

with the train.

According to Sgt. Donald Harrington, Kent County Sheriff's Traffic Safety Director, the stop signs were placed at the crossing as an added safety precaution. New flashers will be installed at the crossing sometime next summer. The new system will include six high-intensity lights facing each way.

Sgt. Harrington feels that motorists should be more cautious at "unguarded" railroad crossings. "As a rule railroad crossings are so well guarded with lights that the public feels unobliged about stopping at crossings without traffic control devices. Motorists have an obligation to be sure they may proceed across the tracks with safety."

At the regular meeting of the Citizen's Advisory Committee-Planning Commission meeting, Jim Gober, manager of Erb Lumber Company on West Main St., requested approval to build two new steel buildings, remove the wood frame units, fence off the sales property, and blacktop the area. The go ahead was given.

...

Next year's income tax form is slated to be so simple that a fifth grade student will be able to make it out, which means probably that a lot of us are going to find out that while we may have gone further in school, our education actually stopped at the 4th grade.

...

A high-speed chase from Ionia through Lowell Saturday night, saw law enforcement vehicles of every description in pursuit. So spectacular was their fly through Main Street, that a \$1 customer at Dick's Pure Oil on West Main Street, ended up with \$4 worth.

The chase ended at the west city limits and the driver was taken into custody.

...

David Worthington, appearing before Judge Joseph B. White last Tuesday entered a plea of guilty on a charge of giving a false report to a police officer. He was ordered to pay \$69 in fines and costs.

...

A stolen car complaint at Bristol's Body Shop on West Main Street September 19, prompted Lowell Police to send out an area broadcast. The car, a red Oldsmobile with white top was taken sometime between 12 noon and 12:30 p.m. The car was recovered later in Belding.

Belding police later arrested three youths, 11, 14, and 12, who admitted several car thefts, including the Oldsmobile taken recently from the Ralph Fluger home. All the cars taken by the boys, had the keys in the ignitions.

Lowell Chief, Barry Emmons, cautioned motorists to please remove their keys, when parking. Remember, the car you save may be your own.

...

Something new to see in '73... the new cars and trucks... they're all on display at any of Lowell's five car dealerships—Jacksons, Imperial, Thomet, Wittenbach, Royce. Stop in and test drive one today!

Nearly twenty years ago, these ladies performed a service to the City of Lowell. What was it? A year's subscription will go to the first person who calls 897-9261 after 12 o'clock noon on Friday. Another subscription will go to the person who can correctly identify the ladies!

## Servicemen's Edition

Coming up in October! The Ledger-Suburban Life will publish its annual "Servicemen's" Edition, featuring the men and women of the area who are serving their country, here and abroad.

The articles will include pictures, current addresses, parents', and other pertinent information.

All photographs and info to be included in this special edition must be submitted not later than October 12.

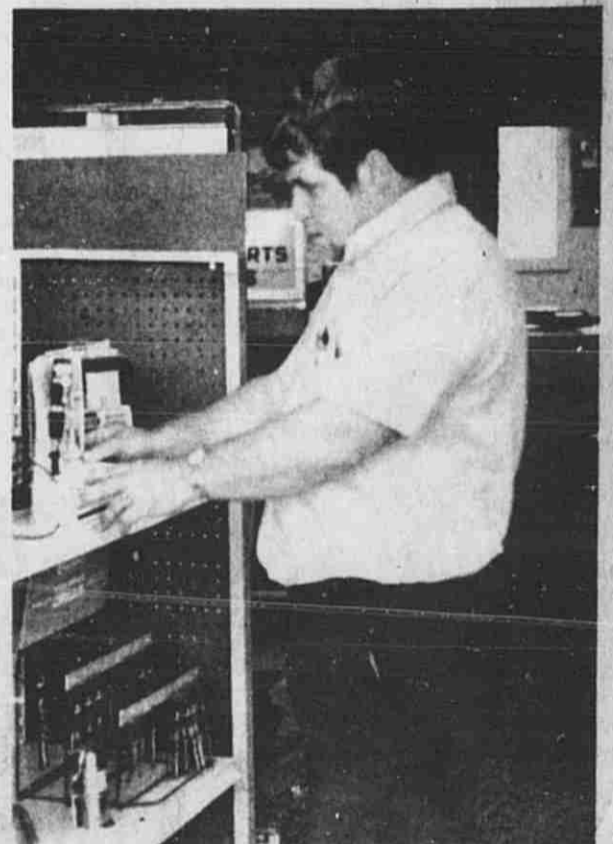

Parents, sweethearts and wives are urged to get their son's, daughter's, boy-friend's or husband's pictures in before the deadline.

ROSIE DRIVE INN—This Week's Special: Hamburg Deluxe 39¢. c-25

## Chamber Meets Fills Vacancy

Wayne Dowling of Lowell Automotive has been appointed to fill the vacancy on the Board of Directors of the Lowell Area Chamber of Commerce, caused by the resignation of Marge Sveadas.

At their meeting in the new offices, the Board set up

Dowling

tentative plans for the balance of the calendar year, the highlight being the bigger than ever Christmas parade planned for December 2 at 2 p.m.

This year the board decided to have five categories for the float judging; industrial, religion, business, children's organizations, and adult organizations. Once again, the committee will try to have the animal and Walt Disney character heads that made such a hit with everyone last year.

It is the hope of the Chamber Board that everyone will keep these plans in mind as they attend the meetings they do during the next few weeks so each organization is represented with some unit on December 2.

And remember, these donations can come in any time to defray the cost of the street decorations! Any amount will be greatly appreciated.

## Voters Ballot October 3

## Open House October 10

Forest Hills Central's open house has been rescheduled. The new date is Tuesday, October 10.

A change in date is necessary to avoid a conflict with the up-coming election on October 3. On that date, voters will decide whether to accept or reject a \$2.75 million dollar bond issue.

According to Robert Masten, superintendent, the assessment put to the voters probably wouldn't exceed 50 cents per \$1,000 of valuation.

Monies sought would be used for:

1. Construction of a new middle school, adjacent to Forest Hills High.
2. An auditorium at the new Forest Hills North high school.
3. A ten room addition to the Thornapple Elementary School.
4. A swimming pool added to the Forest Hills Junior High School, and,
5. Monies for land acquisitions.

## Clinic Is Relocated

The Kent County Health Department Immunization Clinic for Lowell has been relocated from the Nazarene Church to the Community Center at 10763 Grand River Drive, south and three miles west of Lowell.

The clinic will be held the second Monday of each month, at 9 a.m. The next clinic date is October 9.

In making the announcement of the new clinic, Dr. W. B. Prothro, Health Director of the Kent County Health Department, expressed concern that people are not keeping their immunizations up-to-date.

He warned that, "microscopic organisms which cause such diseases as diphtheria, smallpox, polio, pertussis (whooping cough), tetanus, measles, rubella, and tuberculosis are ever present, unseen and posing a constant silent threat to children and adults."

An East County Immunization Clinic was discontinued at one time due to lack of interest. Dr. Prothro expressed hope that the new clinic location will encourage more people, that do not have a regular physician, to seek protection from and against these preventable diseases.

DELICIOUS CHICKEN & SHRIMP — Liquor by the Glass. Riverview Inn, just outside East City Limits, Lowell. c49-4f

## Punt, Pass, Kick Entry Deadline Is September 29

Registrations for the 1972 Punt, Pass and Kick competition, sponsored locally by Royce Ford and the Lowell Area Jaycees, continue to roll in.

The contest is for boys ages eight through 13 and it winds up with final eliminations at the NFL Pro Bowl Game in Dallas, Texas, January 21, 1973.

Boys from Saranac, Lowell, Ada and Alto who can punt, pass or kick a football, and meet the age requirements, are invited to compete.

Participants compete only against boys their own age. There is no entrance fee and no body contact during competition. No special equipment is needed and participation does not impair a boy's amateur standing.

Scoring is based on accuracy and range with one point added for every foot of punting, passing and kicking distance and a point subtracted for every foot off a center line.

Boys, accompanied by a parent, may register for the contest at the Royce Ford agency on Fulton Avenue, west of the Lowell City limits. The registration deadline is Friday, September 29.

The local contest will be this Saturday, September 30, at 10 a.m. at the football field at Recreation Park.

## Projects Approved, Streets Abandoned

The recent meeting of the Kent County Roads and Parks Commission, saw the approval of two projects, the abandonment of two streets, the selling of a park and a discussion of scenic roads.

Authorization of a go-ahead road project included a stretch of Lincoln Lake Avenue, north to Downs Street. Amount of authorization is \$367,900.

The Cascade Road Storm Sewer project was approved from 2800 easterly of Thornapple River to the Thornapple River for \$75,100.

Petition from free holders in Vergennes Township requesting that Alden Nash Avenue between Vergennes Street and Bailey Drive, Sections 27 and 28, be designated as a scenic road. No definite action was taken.

The matter of holding a public hearing for the purpose of discussing a petition designating 52nd Street between Whitneyville and Buttrick Avenue as a scenic road.

The board moved to hold a hearing on the issue October 17 at 11 a.m. in the Cascade Township Hall.

A resolution was passed by the board for the abandonment and discontinuance of High and Bradfield Streets in the village of Ada, for public use.

Preliminary approval was given to Forest Ridge Estates No. 3, Section 21 (NE¼) in Cascade Township, and, it was voted to sell the Alto Park.

New Rotarian

Frank Cudihy, center, Imperial Motors Manager, newest member of the Lowell Rotary Club, receives initiation greetings from President Charles Doyle, left, and Stan Gardner.

## A Day On The Town

The Senior Citizens Club of Saranac who project "they're not old, they're just lived a long time," September 13 took a bus trip to Frankenmuth, Michigan. Taking time away from their "heavy duties" the group enjoyed a dutch treat chicken dinner at the Bavarian Inn, and then split into small groups to tour the town.

Different trips took some to the oldest Lutheran Church in Michigan, founded in 1845; Bonner's Christmas display store; Carling's Brewery; gift shops, etc. They all returned to the parking lot to see the Pied Piper figurines on the Glockenspiel Tower of the Inn. Enroute home, the group maintained a quiet order, and made the bus driver, a volunteer, more at ease. Some bet after the trip down, that he'd probably have preferred a bus load of kids.

Besides the driver, the group was accompanied by Muriel Peck and Eric Smith. All were thanked for the care and time they took for providing such a wonderful day. The bus was provided by Saranac Schools. Plans are being made for more trips this fall.

### Mom's Dinner

Last Thursday, the Saranac "Mom's" entertained the Senior Citizens at a dinner get-together in the Saranac Community Church.

Autumn leaves decorated the tables with a feast "fit for kings and queens" was served. After dinner, it was games and prizes.

The Mom's Club overwhelmed their guests, when they announced that a monthly get-together, such as today, is being planned.

## Around The Area

As September draws to a close, and the Fall season begins, we find the occasion to sing "Happy Birthday" to: Merilu Lasby, Allen Lasby, Pat Mull, Carolyn Thaler, Vicki Hale and Phyllis Beachler, September 25; Karen DeLoof, Stephen Narrin, S. piember 26; Howard Ritter and Jeffrey Parsons, September 27; JoAnn Keim, Terri Condon and Paul Dintaman, September 28; Mildred Wittenbach, Orion Abel, Ed Stormzand, Jacquelyn Johnson, Phyllis Cadwalader and Daniel Snellink, September 29; and Ray Bergerson, Janice Walker and Raymond Zandstra, September 30.

Remember, the October list starts next week, call the names and dates to 897-9261.

Brian Hewitt, son of Mr. and Mrs. Melvin Hewitt of Lowell, will celebrate his second birthday, September 30, but he'll be doing it in Room 229 of Butterworth Hospital, where he is flat on his back, in traction, with a broken leg.

This is very uncomfortable and hard for the two-year-old, so your cards would very much be appreciated. He is expected to remain there for two more weeks.

The family expresses their "thanks" to the many people who have already shown Brian their kindness this past week.

Jesse Knapp of Saranac was admitted to the Belding Community Hospital last week for medical treatment.

Mr. and Mrs. David Benjamin have moved from the Ada area to McKendry Road, Saranac.

Miss Cheryl Lake and Phillip Wilcox were united in marriage September 16 at the Sunfield United Brethren Church. Their parents are Mr. and Mrs. George Lake of Vermonville and Mr. and Mrs. Carlton Wilcox of Clarks-ville.

Mr. and Mrs. William Ferguson will celebrate their 10th wedding anniversary on September 28.

Joe Wheelock, a patient at Butterworth Hospital for the past nine weeks, recovering from open heart surgery was released last Thursday. He is now recuperating at his home, 6129 Peck Lake Road, Saranac.

One student from Lowell was among 676 to be awarded degrees at Central Michigan University at the end of the summer sessions in August. Randall Havens of 3046 Court Street received his B.S. degree.

Commencement exercises are not held at CMU during the summer or fall, but August graduates are invited to participate in the mid-year commencement, to be held this year on December 16.

Thirty-four of the August graduates were graduated with honors, including three who graduated summa cum laude. To graduate with honors a student must have, at the beginning of his final semester or session, a total cumulative grade point average of 3.15 (4.0 is straight A). A summa cum laude graduate must have a cumulative average of 3.60.

### Griffins Bill Will Aid Small Farmers

U. S. Senator Robert P. Griffin (R-Mich.) has introduced legislation to help small family farmers by closing a tax loophole that now enables corporations to offset farm losses against profits from other enterprises.

"This 'tax-loss farming' by some corporations means unfair competition for family farmers and it means a loss of revenue to the government," Griffin told the Senate.

The Senate Minority Whip said that, unlike corporations which dabble in farming for tax advantages, the small family farmer depends entirely upon agriculture for his very survival. His risks are great—he must battle floods and droughts, fight crop diseases and base his livelihood on fluctuating market prices.

"The last thing a small family farmer needs is unfair competition from large corporations which are induced by tax incentives to undersell the market," Griffin said.

He noted that in 1969, some 8,696 corporations reported losses of more than \$221 million on their farming operations. They were allowed to deduct that entire amount for income tax purposes.

Under the provisions of Griffin's measure, a corporation could offset farm losses only to the extent that income is actually derived from farm activity.

The legislation would not affect family-operated farms which have elected to incorporate for business purposes, a trend which has increased in recent years.

"Closing this tax dodge will provide the Treasury with some needed revenue," Griffin said, "but that is not the main objective. Over the years, small family farmers have proven themselves sturdy enough to withstand numerous natural disasters and have provided us with the most plentiful harvest in the history of the world. They are, in short, an important national resource and they must be protected from unfair competition from corporations whose main interest is not the land, but an accountant's tax ledger."

DINE & DANCE

### Couple Betrothed

MISS PRIIBE

Miss Jamie Marie Pribe and Daniel Lee Kline are betrothed and planning a November 4 wedding.

Mr. and Mrs. Theodore J. Pribe of Howard City are the parents of the bride-to-be.

The prospective bridegroom is the son of Mr. Phyllis Kline, Vergennes Street, and Leslie Kline, Pleasant Street, Lowell.

The engaged couple are presently employed in the Grand Rapids area.

### City of Children Monthly Theme

The City of Children, Mooseheart, Illinois, will be the topic of informative discussion as the Women of the Moose meet Monday, October 2, at 8 p.m.

Leading the Chapter night program will be Mrs. Liz Hawk, who will introduce her guest speaker, Mrs. Diel Smit.

Mrs. Smit, who has visited Mooseheart on various occasions, will show pictures and reveal the current status of Mooseheart.

She will emphasize the broadening of the Mooseheart Admission policy at the 1972 International Convention, beyond the ranks of the Order's Defending Circle.

In a changing world where strife violence and discontent seem to be the byword, Mooseheart remains an oasis for those sons and daughters of departed Moose members, where they may come to live in peace and tranquility, knowing that because of the beneficence of the Loyal Order of the Moose, their futures are assured.

"Keep your membership an active one."

### Girl Scouts Sell Uniforms

There will be a Girl Scout uniform sale Thursday, October 5, 3:30 to 7 p.m. at Collins School, 4368 Heather Lane S.E. Dresses, hats, belts, ties and hand-books for Brownies, Juniors, Cadettes and Senior Scouts will be sold for half the original cost in good condition.

If you have items to sell, put your name, address, phone number and the size on an envelope and pin securely to the article and bring to one of the following Forest Hills schools: Collins, Martin, Cascade, Thornapple or Ada.

Donated items would be appreciated for needy scouts. Indicate if you wish to pick up unsold articles or if they may be donated.

If you have any further questions call 949-1394 or 676-9534.

### STATIONED IN THAILAND

Sgt. Alan E. Wingeier's new address is FR 376-48-9815, 490 MS, APO, San Francisco, Calif. 96340.

He is now stationed in Thailand and is the son of Mr. and Mrs. Walter Wingeier of Alto.

Lowell Moose Lodge

Sponsored by  
LOWELL'S HI-LO GUN CLUB

Open to the Public  
Adults \$2 - Children 12-5, \$1.25  
Under 5 FREE

## Around Alto

### Mystery Site Winner

Garry McWhimney of 812 E. Main Street, Lowell, a former Alto resident, was the first correct guess received on last week's mystery site.

The farm as pictured, known to many as the Bert Sydan farm, was occupied in the early 1950's by the Gary Dalstra family, before the property at 60th Street and M-50 was sold to the Skelly Oil Company.

The house is now located on Bancroft Avenue, and is owned by Mr. and Mrs. Paul Blocker. The barn was moved to the Clinton Blocker acreage on Bancroft, also.

### To Celebrate 50th

Mr. and Mrs. Leonard Johnson of Alto will be the guests of honor, Sunday, October 8, at an open house honoring their 50th wedding anniversary.

Hosted by their children, the open house will be held in the Alto Elementary School from 2 to 5 p.m.

All friends and relatives are cordially invited to attend. They have requested "no gifts" please.

### County To Sell Alto Park

At a recent meeting of the Kent County Roads and Parks Commission, it was unanimously agreed by the board to sell the two lots they own, comprising the Alto Park.

These lots were deeded to the County in 1954 for park and playground purposes. These lots are regarded as surplus property by the Road Commission's Right-of-Way Department.

It was recommended that communications be made with the Village of Alto to determine whether they are interested in acquiring the two lots, if not, it was voted to advertise them for sale.

### AMERICAN LEGION MEETS

The Alto American Legion Post 528, will hold their October meeting on Monday evening, October 2.

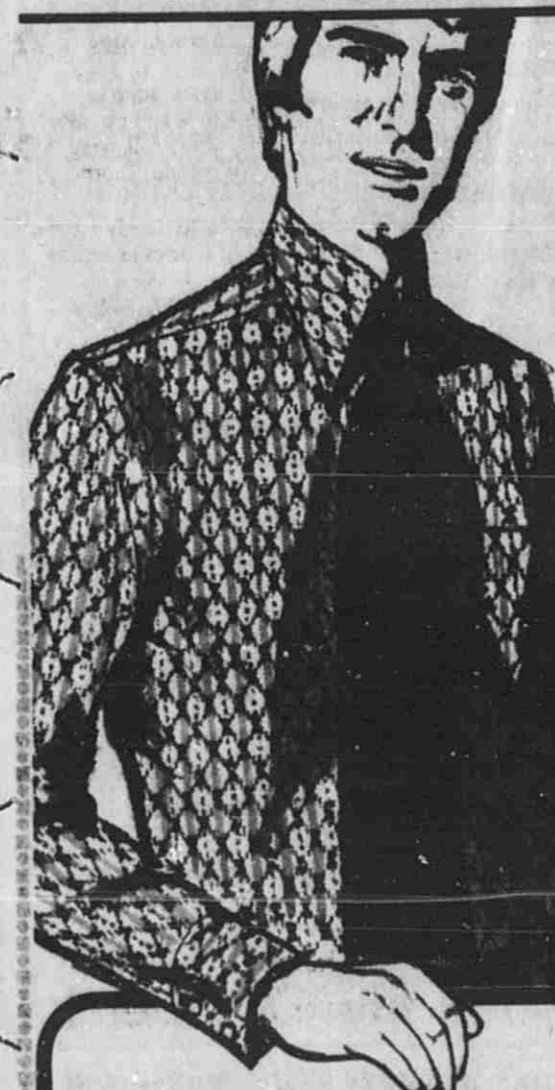

All members are urged to be in attendance.

### Timeless Furniture

COONS  
217 West Main, Lowell 897-7132

### Clark Circle Sale, Bargain Bonanza

Saturday, October 7, there'll be "something for everyone," when the Clark Circle of the Alto Methodist Church makes it a day of sales, eating and getting together.

The ladies will transform the Alto Fire Barns into a bonanza of bargains, starting at 10 a.m.

Items of every description will fill the tables and racks for a miscellaneous sale... while those delicious homemade goodies (cakes, bread, rolls, cookies, etc.) will send out a hunger aroma from the baked good sale.

The greatest bargain will be from the snack bar, where you can get a barbecue on a bun, with a cup of coffee for only ten cents, so bring along the whole family, or take some home for lunch.

Remember, for the bargains you won't want to pass up, visit the sale-orama October 7. Public invited.

### Form Sportsmen's Club

A Sportsmen's Club in Alto? Pat the man or men on the back who came up with that idea!

With little or nothing at all going in the community for complete family participation... a group of interested shooters met Tuesday night to make plans for a Sportsmen's Club.

It all started this summer when three or four guys started shooting traps, west of Alto... soon the Sunday meetings drew more interested guys and gals... until enough interest has been shown, continually, to prompt an organizational move.

Shooting regularly every Sunday on Timpson Avenue at 60th Street, on land donated by Bob Slater, in the mornings, the group has just completed the erection of a "trap house," built from all the miscellaneous materials, at no cost, they could get their hands on.

The new club when organized, will be designed for complete family participation... activities will be scheduled such as turkey shoots, competitive shooting, etc... and the cost to the participants will be very nominal.

If it sounds interesting, and you'd like to participate, come to the shooting site this coming Sunday morning and find out what it's really all about.

### Avery's Project

## Restored House Is Historic Attraction

The Paulson House, restored and serving as a museum of pioneer life in Au Train, Michigan, in the upper peninsula, was dedicated September 24.

Owned by former Saranac and Lowell residents, Mr. and Mrs. Hoyt Avery, the Paulson House was dedicated as an historical attraction of the State of Michigan, registered historic site No. 176.

W. D. Frankforter, director of the Grand Rapids Public Museum emceed the ceremonies and introduced Mrs. Faye Swanberg who presented the history of the Au Train area.

The Averages then related their efforts of restoration which started in 1968 and required replacing the entire roof of hand-hewn wooden shingles; reconstructing the original stairway; and refurbishing the house with replicas of the 1880's.

The presentation of the historical marker was made by Mrs. Ann Pratt, director of the Michigan State Historical Society. The unveiling was made by Mrs. Ellen Paulson Anderson, the only living descendant of the Paulsons. The historical house has five rooms downstairs (living and dining rooms, two bedrooms and kitchen) and three rooms and an overhead loft upstairs. During the World War I period, school sessions were held in the upstairs area, until permanent housing was secured.

The cost and financial investment of the Museum came strictly from the Avery's pocketbook. However, Hoyt and Dorothy reveal, "It would have been impossible without the cooperation and labor of so many wonderful people."

Attending the Sunday services of dedication were Hoyt's parents, Mr. and Mrs. Norton Avery of Lowell.

### 4-H Week

National 4-H Week is to be observed this year from October 1-7. The activities of some 5 million young people, as the events of the Week unfold, should serve once again to remind America that the great body of its citizens, especially its young, hold firm to the ideals and aspirations that make a great nation.

The interests of 4-H are broad and varied. They deal with the environment, nutrition, health, community betterment, management, careers and international programs. 4-Hers fight air and water pollution, learn about land management, strive for safe use of insecticides and other chemicals. They promote health education and endeavor to eliminate harmful drug usage and smoking. Special 4-H groups aid the mentally-retarded and physically-handicapped. They learn management techniques and how the free enterprise system works. They seek understanding of other cultures in over 80 countries.

This is 4-H today—a many faceted organization of Youth keenly alive to the complex issues of our time. Observation of 4-H Week is an occasion for catching up on the many things that millions of young people are doing to make the U. S. a stronger and better nation.

Who? She was in her early teens when this picture was taken in Alto, some 35 years ago. Do you recognize her, if so, the first person to call 897-9261, after 12 o'clock noon on Friday, and correctly identifies her will win a free year's subscription to the paper.

### Sondra Bergy Heads Mother's Club

Heading the Alto Mother's Club for the 1972-73 school year will be Mrs. Donald (Sondra) Bergy.

She assumed her new duties following the election of officers at the first meeting of the school year in the all-purpose room of the Alto School last week.

Mrs. James (Judy) Merklinger will serve the club as vice-president with Mrs. James (Peggy) Shade taking over the secretarial duties, and Mrs. Gerald (Delores) Posthumus assuming the treasurer's responsibilities.

At the initial meeting, seventy-five mothers including many new faces, were on hand to "get acquainted" and elect the new slate of officers.

Refreshments, intermixed with a social hour, concluded the evening activities.

The Paulson House before restoration.

September, 1968, the project begins to take shape.

Only the curtains need to be added to the finished project.

Here's the church, here's the steeple, open the door and see all the people... in a do-it-yourself project.

That's the saying that adequately describes

### OPEN LETTER from

DAVID GERST

Dear Friends,

Although at time of death the spirit departs the unneeded body, it is only natural for the bereaved family to revere the body as the symbol of the departed. St. Augustine, centuries ago, said that the body is the instrument of the soul in the performance of good works and it is thus proper to pay respect to the body and treat it with reverence.

Respectfully,

*David Gerst*

ROTH-GERST FUNERAL HOME  
LOWELL, MICHIGAN

### Trinity Begins Weekly Series

Trinity Lutheran Church will begin a series of weekly Sunday evening services October 1, 7:30 p.m. In observance of World Communion Day the evening service next Sunday will be a contemporary celebration of the Lord's Supper. The communion meditation will be delivered by Dr. Raymond A. Heine, Pastor.

Morning services at Trinity will continue throughout the fall and winter months at 8:30 and 11 a.m. The evening services are intended to provide an opportunity for a greater variety of worship experiences, such as youth services, folk liturgies, special music, guest preachers, as well as the traditional Vesper Service.

### Special Showing of Ten Commandments

Strand Theater of Lowell will present the remarkable film epic of "The Ten Commandments" on September 29, 30 and October 1.

It is the greatest family entertainment of all time, and it is said that the production of the Parting of the Red Sea is the single most spectacular scene ever filmed.

In the cast of thousands are Charlton Heston, Yul Brynner, and Anne Baxter.

Because of the length of the movie, there will be but one performance Friday evening starting at 7:45 and one performance on Saturday at 7 p.m. Sunday a special matinee performance at 1 p.m. will be held and one performance at 7 p.m.

### Youth Leaders Named For 72-73

The Christian Education committee of Cascade Christian Church has announced the 1972-73 youth leaders for the ten groups currently meeting.

The groups, for youth 7th grade and up, have started their fall activities. They are:

Chi Rho 7 - (7th graders) meeting each Sunday from 5-6:45. Leaders: Mr. and Mrs. Kim Schrotenboer and Mr. and Mrs. Gary Miller.

Chi Rho 8 (8th graders) meeting Sundays from 5-6:45. Leaders: Miss Debbie Wilson and Rev. Raymond Gaylord.

Cruaders - (9th graders) meeting Sundays from 5-6:45. Leaders: Mr. and Mrs. David Brandma.

Club No. 75 - (10th graders) meeting Sundays from 5-6:45. Leaders: Mrs. Marshall Belding and Mr. and Mrs. Robert Zoernan, Jr.

C.Y.F. - (11th graders) meeting Sundays from 5-6:45. Leaders: Miss Carol Slater and Mr. and Mrs. James Banta.

Senior Youth Fellowship - (12th graders) meeting as announced. Leaders: Mrs. Raymond Gaylord and Mr. and Mrs. Fay Johnson.

Post-HI - (18-25 years of age) meeting as announced. Leaders: Mr. and Mrs. John Folkertma, and Mr. and Mrs. Joseph Porter.

Church Awards Class - Two sessions each week; one meeting Fridays from 3 to 5 and the other Saturdays from 9 to 11:30. No new members admitted until January. Rev. Gaylord is the leader.

Tags - meeting each Wednesday from 4 until 5:45. No new members admitted until January. Mrs. Brandma is the leader. (Both Church Awards and TAGS are for junior high young people).

### Day Nursery

The Cascade Christian Day Nursery opened last week, serving 75 pre-schoolers.

It was necessary for the nursery to turn away as many enrollees as it accepted, due to its extreme popularity in this area as one of the finest.

Mrs. George Herity began her 14th year as director, with Mrs. Fred Carr and Mrs. John Folkertma returning as her assistants.

### Missionary To Speak

In 1956 in Kathmandu, Dr. Robert and Dr. Bethel Fleming, a husband-and-wife team of missionaries, opened Shanta Bhawan, the first modern hospital in Nepal. Dr. Bethel will tell of her work and life in that country when she speaks to the United Methodist Women of the Lowell Church following a 12:30 potluck salad-dessert luncheon Thursday, September 28.

### Communion Worship Service Sunday

Sunday, October 1, Priest Howard Jousma will be the speaker for the Communion Worship Service at 11 a.m. at the Reorganized Church of Jesus Christ of Latter Day Saints of Alaska, using as his sermon topic "Family Fellowship."

"Intimate Christianity" is the sermon topic being preached by Priest Lloyd DeVormer at the 7 p.m. evening worship. Prior to these services at 9:45 a.m. Church School for all ages is held.

Wednesday, October 4, 7:30 p.m., Midweek Fellowship service with Priest Robert Onan giving us thoughts for consideration with his theme, "Table Talk."

### Missionary For 22 Years

Hal Herman, a former film editor, made a movie in color that depicts the life of the students at Immanuel Bible Institute in a very interesting and unusual way. Everyone will want to see this film. Before going to the Philippines, the McCombers served a term in Indonesia and Malaysia.

The public is cordially invited to hear Rev. McComber's up-to-date report and to see this very unusual and interesting movie in living color.

### Study Bible

The Rev. Raymond Gaylord of the Cascade Christian Church will lead two Bible Study Groups for women of the Church and community in October and November.

The groups will study the "Ten Commandments" and the life of Moses. References will also be made to Christ's teachings on the commandments as found in the Sermon on the Mount.

The first meeting will be held October 4 at 10 a.m. in the church parlor. The second group will meet at a time and date to be announced later at the Wharton residence.

All women of the area are cordially invited.

### Bible College Has Record Enrollment

Reformed Bible College, 1869 Robinson Road, S.E., has a record enrollment for its 34th academic year.

From an enrollment of 120 students four months ago, the student body has increased to a total of 167 students. The largest previous enrollment was 143, in 1961-62.

Growing interest in evangelism and in missionary vocations is a vital factor in RBC growth. At the same time, the introduction of degree-granting courses and development of the curriculum have attracted a greater number of students. The annual Summer Training Session in Mexico also has extended the services of RBC to students attending other colleges and universities, and some of these have decided to continue their studies at RBC.

beginning of a new academic year for Reformed Bible College is marked by the arrival of two new faculty members. James Ritsma, recently teacher of Bible at Holland Christian High School, will serve as Field Work Administrator, directing the students in practical on-the-job training. Rev. Addison P. Soltva, for almost 20 years a missionary to Japan, is the new Professor of Missions.

Reformed Bible College welcomes inquiries from prospective students as well as from groups desiring to tour the campus in Grand Rapids.

### Basic Bookkeeping

Bob Kosowski's basic bookkeeping class for adults is used as a refresher course or applied credit towards a high school diploma. The class is part of the fall program offered through the cooperative efforts of the Lowell Area Schools and YMCA.

LOWELL

This and That

Indians Were Right

When the Indians characterized the government as the Great White Father, there were those who were amused by such pagan symbolism. As it has turned out, the Indians spoke perhaps with an intuitive wisdom. There's very little left in life in these United States that remains untouched by the hand of the federal government.

The usual measure of government activities is federal spending and the public debt. However, these barely scratch the surface. According to U.S. News & World Report, the financial commitments of the federal government over and above direct spending total some \$1.36 billion. These things that the government could be obliged to pay for include obligations that are guaranteed or insured by the U.S. government—private debt on home mortgages, urban-renewal and public-housing projects, bank deposits, veterans' lives, etc.

The list of these liabilities grows longer as the image of the Great White Father, as the protector of every man and his possessions, becomes evermore firmly fixed in the minds of the shortsighted white brothers who thought Indians didn't understand.

DESTROYS FLAVOR . . .

Overcooking destroys the flavor in vegetables and releases strong-tasting by-products. Carrots, cauliflower and cabbage are especially susceptible to overcooking.

The delicate flavor and crisp texture of oriental dishes may be attributed to almost undercooking the vegetables. Season fresh vegetables with lemon or grapefruit juice and melted butter or margarine lightly flavored with garlic.

WELL DRILLING PUMP REPAIR. Call: 897-8104. E. D. Richard. Fast Service, Free Estimates Fully Insured.

HARD ON HEARING . . .

Motorcycles and cars with "hot" mufflers can produce excessive noise levels, say officials of the Beltone Crusade for Hearing Conservation, who urge drivers to protect their own hearing ability, and to also be considerate of their fellow motorists by making certain all vehicles have effective mufflers.

BELTS IGNORED . . .

Seat belts, one of the earliest safety features to become standard equipment on modern automobiles, are largely ignored by the majority of motorists.

The lap belt and shoulder strap combination is considered one of the most efficient means of preventing auto fatalities.

Statistics show that some 10,000 lives could have been saved last year had every motorist buckled up each time he drove his car.

THE WELFARE KITCHEN . . .

Current welfare statistics help to explain why candidates and office holders are finding taxpayer-generated heat in the welfare kitchen intolerable. An AP dispatch says the nation's welfare rolls topped 15 million persons last March, which was a new record.

The Department of Health, Education and Welfare reports the figure was the highest since relief for the poor was federalized in 1966. Some 212,000 persons were added to welfare in March, the latest month for which figures are available. Welfare expenditures for the month of March totaled \$1.6 billion.

The number of recipients from July, 1971, through March, 1972, increased by 732,000, or 5.1 percent. No wonder over one third of what the nation produces goes to pay taxes!

SPECIAL SHOWING . . .

A premiere showing of "The Candidate," starring Robert Redford, has been arranged at the Northtown Theater as a benefit for Jean McKee, Democratic candidate for Congress from the Fifth District.

The movie will be shown at 8 p.m. Thursday, October 5, at the Northtown, located at 3494 Plainfield N.E., with all proceeds going to the McKee campaign. A reception where theater-goers may meet Mrs. McKee will follow the showing.

REDUCING THE RISK . . .

Reducing your risk of heart attack should be a part of your daily living; this includes controlling your intake of fats and calories, giving up cigarettes, and getting regular exercise, says the Michigan Heart Association, a Michigan United Fund agency.

HAIR SAMPLES . . .

Samples of old hair from lockets, hair wreaths, and Bibles are needed for a University of Michigan study attempting to gauge the human intake of potentially harmful chemicals over the last 200 years.

Meaningful data can be obtained by analyzing the hair. Only a tiny amount of hair is needed for the study and the encasement can be opened by trained University of Michigan personnel. Any individual who can help should contact Dr. Gordus, Department of Chemistry, University of Michigan, Ann Arbor, Michigan 48104. Please include a description of the item.

"CENTS-OFF" SENSE . . .

Under a new Food and Drug Administration regulation, any product involved in "cents-off" promotion must state on the package the actual price reduction and the new price. The original price also must be displayed nearby.

The new law assures that you really do save money when a package is marked "10 cents off regular price" or "25 cents cash refund when you mail in coupon."

Previously, if you mailed in a coupon that promised 25 cents refund, you really gained only 17 cents, due to an 8-cent stamp. Now, sponsors of refund promotions must either cover the cost of mailing—perhaps by returning an 8-cent stamp with the refund—or state that the offer does not include postage.

CREDIT OR DEDUCTION . . .

This year, for the first time, contributors to political campaigns may obtain income tax benefits in the form of either a credit against taxes owed or a deduction from taxable income. Would an eligible taxpayer be wiser to take the credit or the deduction?

It depends upon the amount contributed, whether the taxpayer is filing an individual or a joint return, and most of all, his tax rate.

NEW BANK . . .

Old Kent Bank and Trust Company opened its thirty-eighth office at 1319 Michigan Street, N.E., September 23.

The new office offers five inside teller stations, three-drive-in windows, safe deposit facilities, night depository, and bank-side parking.

ROTC SCHOLARSHIP . . .

September 1—Male high school students who will graduate in 1973 and are interested in flying are eligible to apply for an Air Force ROTC four-year college scholarship.

Interested students must submit their applications postmarked no later than November 15. Application forms and additional information may be obtained by writing Directorate of Admissions, Air Force ROTC, Maxwell Air Force Base, Alabama 36112.

Teenager Pageant

Have you ever dreamed of being a Queen? What teen age girl has not? Here's your opportunity. Enter the Miss Michigan Teen Ager Pageant being held at the Hilton Hotel in Detroit March 9 and 10.

Open to all girls who are American citizens, regardless of race, color, creed or National origin, between the ages of 13-17. Judging is based on poise, personality, appearance, civic contributions and scholastic achievements; there is NO talent nor swim suit contest involved.

Write today for your application to Miss Michigan Teen Ager Pageant, 126 Ryan Drive, Rockton, Illinois 61072.

AREA REPRESENTATIVES

Family Fashions of Grand Rapids announce the opening of their new showroom at 6143 East 28th Street.

This year-old company currently carries custom tailored suits for men and ladies' fashions. A children's line will be the next addition, making a complete family line.

President of Family Fashions, Don Baldwin, may be remembered by many as the founder of the gospel singing group, The Couriers.

Lowell area representatives for the firm are Mr. and Mrs. Vern (Marilyn) Keim of 13597-36th Street.

LEISURE TIME ART CLASSES TO BEGIN OCTOBER 4

"There are still plenty of nice Fall days left, for outdoor sketching," predicts Jan Johnson, instructor of Art and Drawing for the YMCA leisure time course.

Mrs. Johnson revealed the classes for adults, running for eight weeks, will begin on October 4; most of them will be held outdoors, weather permitting.

Beginner's drawing will be using charcoal, while the advanced classmen will choose their own materials. Classes will meet on Wednesdays at the Y office, unless otherwise specified.

Fathers from the Lowell area Y-Indian Guides attended a training meeting at Camp Manitou-Lin September 23.

Harold Kettner, Assistant Longhouse Chief; Orville Marklinger, Chief; Andy Noble, Longhouse Chief; Dick Draigh, Sachem (past Longhouse Chief.) Also attending, but not pictured were David and Peter Draigh; Skipper Noble, Mark and Bren Kettner, Dale Marklinger, and Rommie Moore and son, Robbie.

Indian Guides Train

For eight hours Saturday, over 120 fathers and their sons from Lowell, Alto, Ada and Grand Rapids attended a meeting for Y-Indian Guides Chiefs and Longhouse officers.

Held at YMCA's Camp Manitou-Lin, the meeting dealt with such topics as "How to reorganize tribes," "role of the tribal chief," and "crafts, invitations, games and stories."

From 10 a. m. until 12 noon, members of the Camp staff supervised the sons in organized recreation, while the fathers attended instruction classes. However, in the afternoon, the dads and sons had free time to enjoy camp activities together, such as canoeing, boating and fishing, and using the B-B and archery ranges.

The purpose of Y-Indian Guides is to provide for fathers and sons to do a wide variety of fun things together at that time in the boy's life (6-9 years) when his physical and social development most needs the masculine influence of the father.

During October informal meetings will be held in the elementary schools. Those interested in joining Y-Indian Guides may attend these meetings to learn more about this program.

OKTOBERFEST CELEBRATION

Sandy Pines' Recreational Reserve, which is located in Allegan County, will be presenting a big, three-day, Oktoberfest Celebration, Saturday, October 7th, Saturday, October 14 and Saturday, October 28th.

The events are open to the adult public, in particular for families, couples and individuals interested in recreational activities and recreational living.

Current planning for the three Oktoberfest Celebrations include food service from Noon until 4:30 p.m. each Saturday. Specialty German Foods, in keeping with the traditional Oktoberfest events, will be served. Large, Festival Tents will be set up for the food preparation and service.

### Classes Begin

Members of the Adult Education Government Class discuss current assignments with their instructor, Jerry Meredith. One of 36 classes being offered by the Lowell Schools-YMCA program, the group meets at the high school.

### Fall spectacular unfolds in state

Although Jack Frost already has touched the fringes of some forests, this state's peak fall color touring season is not expected to begin until the end of September. The annual fall spectacular begins to peak in the tip of the Keweenaw Peninsula in the Upper Peninsula near the end of September," says Joseph Ralls of Automobile Club of Michigan. "The show then begins a 50-to-75-mile-a-week march southward. "This means that those who wish to follow the colors can begin viewing in the Upper Peninsula late this month, and continue watching until the show ends 400 miles later in southern Michigan at the end of October," Ralls comments. He adds that the average couple traveling 300 miles on a color tour can expect to spend \$70 to \$100 from Friday night to Sunday night.

### Winter Bridge

The YMCA Women's Winter Bridge Tournament is scheduled to get underway the first week in October. Hoping to make this the biggest tournament yet held, co-chairman Ruth Ward and Olive Courser urge all interested to call the Y office and leave their names before September 28th. Proceeds from the tournament go to the Lowell Swim Team. The co-chairmen are seeking new players, as well as former players and those who play year.

### Walkathon

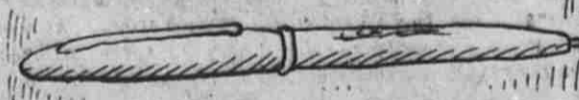

Approximately 8,000 young people and interested adults including a large group from this area, will participate in the March of Dimes Walkathon/Bikathon to be held on Saturday, September 30th, starting at John Ball Park. The purpose of the event is to raise funds for the two locally sponsored clinics, the Oral Cleft Clinic at Butterworth and the Neuro-muscular Clinic at Blodgett.

### New Meat Products

Precooked bacon, brand-name beef, and a prepackaged sausage combination are just a few new products you're likely to find in the meat department, a Michigan State University marketing specialist reports. One packer is testing precooked bacon, wrapped in a foil pouch to be heated in the toaster, and a dry-cured hickory-smoked bacon in three-pound slabs, says Sheila Mosley. Also on the market is a prepackaged outdoor buffet combination of knockwurst, bratwurst and Polish sausage.

Because many shoppers have shown preference for particular brands of bacon, some packers may label beef products with brand name identification, the specialist says. Another trend may be toward central cutting of meat. Grocery stores will receive counter-ready cuts shipped from a central meat cutting plant rather than whole carcasses or sides. Central cutting will reduce the spillage of shipping waste, fat and bone, the specialist explains.

The ball-point pen was patented as long ago as 1888!

**TOWNSHIP OF CASCADE NOTICE OF REGISTRATION**

TAKE NOTICE that any qualified elector of the TOWNSHIP OF CASCADE County of Kent, Michigan who is not already registered, may register for the GENERAL ELECTION TO BE HELD ON NOVEMBER 7, 1972.

Registrations will be taken at the office of the Township Clerk each working day until 5 p.m. On Friday, October 6, 1972, the Clerk's office will be open until 8 p.m., also, on Saturday, September 30, 1972, the Clerk's office will be open from 8 a.m. to 5 p.m.

**THE LAST DAY FOR RECEIVING REGISTRATIONS will be FRIDAY, OCTOBER 6, 1972, until 8 p.m.**

Edward L. Meyer, Clerk, Cascade Township.

**COMBAT ACTION RIBBON**

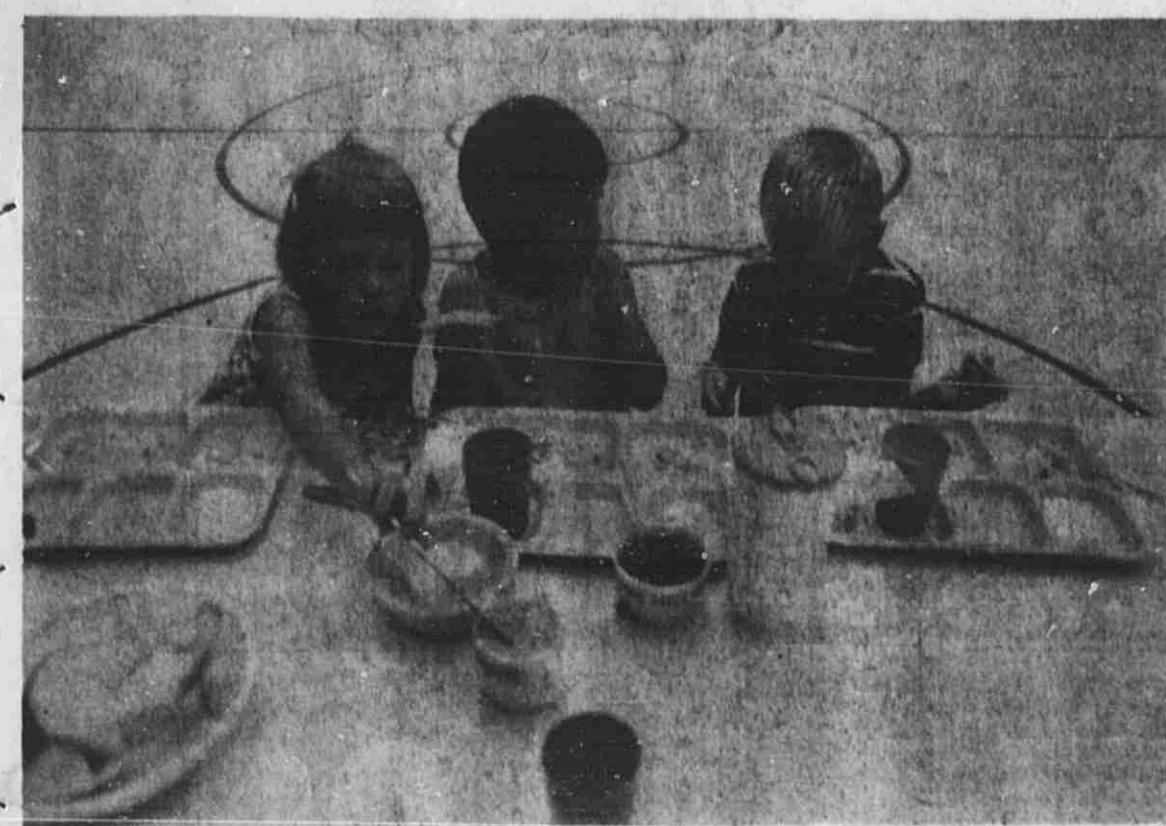

Navy Seaman Robert J. Fabian, son of Mr. and Mrs. Robert J. Fabian of 2757 Leelanau Drive, N.E., and husband of the former Miss Kathleen V. Kozminski of 1736 Silver Avenue S.E., received the Combat Action Ribbon while off the coast of Vietnam aboard the guided missile destroyer USS John S. McCain. The ship's crew received the award when the McCain encountered shore battery fire, while supporting operations in Quang Tri province.

**Registration Notice to City of Lowell Electors**

The last date to register for the November General Election is: **Friday, October 6, 1972 at 8:00 p.m.**

The Lowell City Office will be open Saturday, September 30, 1972 from 8:00 a.m. to 5:00 p.m. for the purpose of accepting registrations of electors. The City Office will also be open Friday, October 6, until 8:00 p.m. as well as each week day from 8:00 a.m. to 5:00 p.m. at which times registrations will be accepted.

The Lowell City Office is located at 301 East Main Street, Lowell, Michigan. Blaine E. Bacon, City Clerk.

### Requires Involvement

The Headstart Program had its first meeting of the 1972-73 school year September 20 at 9 a.m., followed by a one o'clock luncheon. The only way that the City of Lowell, or any other city can have a Headstart program, is by parent and community participation.

Barbara Brown, speech therapist, Mary Bondon of Parent Education, Bill Kooyer, diagnostician, Janet Davis, volunteer coordinator, Samuel Walls, Michigan office of Economic Opportunity, Barbra Boylon, EFMP dietitian, Harriet Wierama, County nurse, Helen Noah, school nurse, Tony Troupe, Policy Council chairman, Ronnie Moore, YMCA director, and Ellen Moore, registered nurse. Ellen Moore and Shirley Fisher, offered to be on the Headstart advisory council. The only way that the City of Lowell, or any other city can have a Headstart program, is by parent and community participation.

We, the parents of the City of Lowell are very fortunate, because we have that kind of participation needed from both the parents and the community. If this trend continues, Headstart is here to stay. Roger Buck, principal, introduced the speakers and Mrs. Fran Hoag, Headstart teacher. The parents would like to thank these two fine people for making all the rest of the meetings possible and for helping in so many ways to give us, the parents, the knowledge of the Headstart program and of all the benefits available to us.

### Indian feast

In Indian language a fancy eating affair is termed "Wee-koon-de-win." In celebration of the 10th annual smorgasbord of First Congregational Church of Ada, there will be a "Wee-koon-de-win" on Oct. 6 and 7 at the church.

The dinner climaxes a cultural study of Michigan Indians by the church's religious education groups. Area Indians have volunteered their time to speak to the youngsters about their history, culture and crafts. A demonstration of crafts will be held during the smorgasbord by Indians dressed in tribal costume.

Serving hours will be from 5:30 to 8 pm on Oct. 6 and from 6 to 8:30 pm on Oct. 7. Tickets are \$3.50 for adults and \$1.50 for children under 12. Reservations may be telephoned to Mrs. Forest Mitchell, 676-8482, or Mrs. Russ Bender, 676-9033. Tickets will also be sold at the door and the event is open to the public.

### Falls Asleep

A Grand Rapids man was cited for careless driving after his car fell in the 1-96 expressway near the Whitneyville Road overpass Friday night. Robert Thompson, of 3439 Burton, was taken to Blodgett Hospital with minor injuries.

It is believed that Thompson fell asleep at the wheel as there were no braking marks until he left the roadway.

### Winterizing Fences

Removing wires from fenceposts in the fall and re-fastening them in the spring may be the best way to maintain livestock fences through Michigan winters. Six types of fencing were tested for winter durability. After a winter during which 200 inches of snow fell, every type of fencing required splicing, restretching and refastening.

In one test, twisted wire stays were substituted for some of the cedar posts. Although easy to install, the wire stays were fairly expensive. The stays made it difficult to retighten individual wires and the stays were damaged by the weight of the snow.

Woven wire fence was the most difficult to repair. The report shows Standard four-strand barbed wire fence with wooden posts suffered the most breaks but was the easiest and fastest to repair.

### LEGION'S FALL CONFERENCE

Flint will host the American Legion of Michigan's annual fall conference, September 29th through October 1st. Hundreds of Legionnaires from almost 500 American Legion Posts in Michigan, will congregate there for three days of meetings and intensive schools of instruction in the programs of the Legion.

Newly elected and appointed legion officials at post, district and state levels will receive guidance and plan their operations for the ensuing year.

### SUNDAY SUPPLEMENT

WOTV, Channel 8, Grand Rapids, introduces a new, locally produced half-hour program, "Sunday Supplement," which takes a close-up look of individual people in Western Michigan who may or may not be in the news; how they live and work, from out of the ordinary.

It will be seen Sunday nights at 10:30, starting October 1. The show's host is Dave Bolton. It is written and directed by Henry Erb, produced by Herb Thurman and filmed by Mike Grass and Fred Monms.

### May Lose Allotments

Since this is the third year of the set-aside programs under the Agricultural Act of 1970, producers who failed to protect their allotments in the past two years will lose them if they again fail to do so. W. Arthur Rowley, Chairman, Michigan ASC Committee, cautioned producers who plant less than 90 percent of their domestic wheat allotment will lose the portion of that allotment that is underplanted up to 20 percent in any one year. After three consecutive years of zero planting and zero planting credit, the entire allotment will be removed.

Rowley added that complete details as they apply to individual farmers can be obtained from their local county ASCS office.

### DID YOU KNOW...

... IN 1876, A WISE OLD MANUFACTURER OF INDUSTRIAL CLEANERS, CHAUNCEY CHARLES PARSONS, GAVE HOUSEWIVES A NEW HOUSEHOLD CLEANER-AMMONIA!

... SOARED TO POPULARITY. THE 8.5 BILLION OUNCES OF HIS HOUSEHOLD AMMONIA PRODUCED SINCE 1962 COULD CLEAN EVERY ONE OF THE 7.788 WINDOWS IN THE PENTAGON EVERY DAY FOR THE NEXT 751 YEARS AND 5 MONTHS.

THAT WISE OLD MAN WOULD BE AMAZED THAT HIS BRAIN-CHILD, PARSONS' AMMONIA, NOW WITH A NOSE-PLEASING LEMON SCENT, STOOD THE TEST OF TIME. IT IS STILL AN ALL-PURPOSE, HARDWORKING, INEXPENSIVE CLEANER FOR WALLS, FLOORS, WINDOWS AND MODERN APPLIANCES.

Benjamin Franklin invented bifocal eyeglasses.

## Repeating Trend Central's Rangers Routed 32-0

For the second time this season the Forest Hills Central Rangers have left the field in defeat. The bout last Friday against the Wyoming Vikings left the score 32-0.

After last week's contest against Jenison, which resulted 21-0, this week's rout has done nothing to hide the Rangers' faltering offense. Last year the first five games of the season produced a scoreless Ranger offensive. The trend, it seems, is repeating itself.

The ball game started optimistically for the Rangers. On the second play a Randy Lanning pass to Bob Banta made for a 30 yard gain. But what happened after that, was a true omen of the events to ensue: A punt snap was fumbled, and the Vikings retrieved the ball on Central's 20 yard line. The option around both ends, which Wyoming had used for a 36-0 victory over the J.V. Rangers the day before, was successful against the Varsity also as it made for a slow advance to the one yard line. Viking Fullback Jim Griffin went over the middle for the TD.

The rest of the quarter seemed to be a comedy of errors as a Ranger pass was intercepted and both teams continuously lost the ball through fumbles. Another spectacular Lanning-Banta pass combination proved unfruitful as the quarter ended, 6-0.

Wyoming, confident and making less mistakes, began to control the game. Advancing on the option once again, they came within the 15 yard line. A flat pass to tailback Larry Boone produced a 14 yard gain, and once again Griffin was up the middle for the score.

An extremely poor Ranger ground game left Wyoming open once again, and Tailback Ron Scott ran 80 yards on a Viking aerial for touchdown No. 3.

At the half, both teams' performances and a score of 18-0 seemed to indicate an easy Viking victory.

Again and again in the second half the Rangers' ground game was thwarted as the Vikings advanced slowly, making few mistakes and playing with an assuredness produced by their lead. A Viking pass to Don Garvin produced a 40 yard gain, and Griffin scampered around right end for his third touchdown in the game.

The Rangers, however, were faltering more and more, and a pass interception by the Vikings only heightened an uninspired fourth quarter.

And, as if to rub in an already obvious Wyoming win, Viking fullback Terry Wier ran in for another score.

One remembers that Coach Frank Rosengren last week explained Central's loss to Jenison as being "because the boys were tense." Apparently, the nervousness never subsided. Last Friday's game showed a very poor Ranger performance against an efficient Viking team.

The scoreboard showed 32-0 as the buzzer sounded, and disconsolate Central fans left the stands.

Mike Schultz

## Instruct Young Hunters

Farley and Emmons stress safety.

The first of two sessions in the YMCA "Hunter Safety Class" was held Saturday at the Lowell High School cafeteria, 9 a. m. until 12 noon, with over 30 young prospective hunters participating.

Art Farley, a sergeant in Lowell's Reserve Police Department, instructed the class, assisted by Lowell Police Chief Barry Emmons and Al Eckman.

The course deals with safe practices for bow and gun hunting. Those successfully completing the course are eligible to apply for a Hunter's Safety Certificate and embroidered Hunter's Safety Patch.

## Saranac Routs Vestaburg 36-0

The Saranac Redskins routed Vestaburg last Friday night, by a score of 36 to 0, on the loser's field. This was the second non-league victory for the Redskins in the young season.

Pete Stuart, who scored three times, put the skins on the scoreboard early in the opening quarter, as he intercepted a lateral and raced 35-yards for the TD. Bill Overbeck's attempt for the point after was good, and Saranac leads.

Late in the same period, Stuart went over from the two yard line, giving his team a 14-0 advantage. In the second quarter, Dale Stuart passed 39 yards to Jim Kimble for the score. Later Peter Stuart again intercepted for a 67 yard run and the TD. Overbeck's PAT was good and the Redskins led 28-0 at half-time.

Bob Parks closed out the scoring in the 3rd quarter as he smashed over from the four yard line, after a 29 yard run by Overbeck. John Brown added the point after.

Overbeck paced Saranac's rushing attack which gained 186 yards, with 52 yards in five carries, and Pete Stuart added 50 on eight tries.

Spearheading the Saranac defense, which allowed 126 yards on the ground and eight through the air was Dale Courter with 19 tackles, Ed Smith with 12 and Dave Dixon with 11.

This Friday night, the Redskins will play their first conference game, against Lakeview, there.

## Busy Time For Sportsmen

The state-wide squirrel season opener marks a busy time for the sportsman. In addition to squirrels, the hunter may also shoot grouse in Michigan above Highway 20. Foliage will present a problem to both the squirrel and "pat" hunter, he may be able to hear his quarry, but unable to spot it.

A good hard frost will decrease the foliage for the hunters and urge salmon upstream for the fisherman. The sixth Street Dam has become a popular spot for salmon fishermen.

The fish are easily snagged as they congregate below the dam before making their way further up the Grand River. Stretches of the Muskegon River have been yielding fine catches of salmon, mostly chinook, especially between the High Railway and Croton Dam.

The salmon fishermen are fun to watch and large crowds have already gathered near the Sixth Street Dam to observe the fishermen, and the fish. The gallery responds with "ooohs" and "aahs" as the large salmon jump frantically to clear the dam.

River remains high as a result of heavy rainfalls, making fishing somewhat difficult. Lakes teeming with panfish in Kent County are Wasau, Botwick, Murray and Cranberry, Jordan and Tupper Lakes, in Ionia County, are also favorite spots for the pan-fish.

Salmon fishing in Lake Michigan is best near the mouths of streams where the salmon feed heavily before making their migratory run. Lake trout fishing is best near Grand Haven and Muskegon, fine catches have been reported whenever the weather permits fishermen to get out on the lake.

Hunters waiting for the small game opener have no time to lose. Both dogs and hunters should be exercising regularly to be fit for the first day afield. Fair-weather could rob a hunter of a pleasant hunt.

Crowds and fishermen gather at the Sixth Street Dam.

A lucky angler snags a big one.

## Kentree Wins Bond Trophy

The Bob Bond trophy went to the Kentree Polo Club Sunday as they defeated the Bob Bond team in a game at the Kentree Club.

It was a close game, with Kentree taking the win by only a slim margin of three points, 13-10. Maurie Hosterman's seven (7) goals boosted by three each from Gene Gilmore and Craig MacIntyre, were enough for the walk into the victor's circle and the champagne ceremonies.

The Bond team behind the scoring of Scott MacIntyre, three, Larry Allaben, 3, and Joe Hill 4, made several bids for the lead, took it over once, and then lost it to the Kentree riders.

This Sunday, the eighth in a series of games between the Cascade Polo Club and the team from Taos Farms will be played.

Cascade has won six out of the past seven games, putting Taos on the revengeful side. The match should be exciting. It starts at 3 p. m., weather permitting.

## Knights Of The Crooked Hook? Sounds Fishy

Joining the Knights Of The Crooked Hook, for the first time, Mike Vosburg took top prize... a crisp ten dollar bill.

Some 20 years ago the late William Kerekes, a Lowell postal employee, jokingly formed a group of his friends, called the Knights of the Crooked Hook.

The group, founded on good fellowship and an appreciation of the outdoors, has outlived its originator. Saturday, September 16, marked the annual meeting of the group on the Grand River, near Lowell.

Each of the approximately 45 sportsmen who met, cast \$1 into the "pot" in the morning. Members with the largest fish by noon, would receive a \$10 prize for their efforts.

Carl Kerekes, Kerekes' son, explains the group is "more famous for the humor and fish stories than the fish caught." The purpose of the annual meeting in mid-September is to let everyone have a good time whether they catch anything or not.

The members of the Knights of the Crooked Hook and their friends come primarily from the Ada, Cascade and Lowell areas. Most of the members are hoping that the Grand River is making a "comeback" with fish populations, and will continue to yield fine catches.

This year, Mike Vosburg, of 6344 Ada Drive, Ada, accompanied his brother, John Zanella, through the Big Brother program, to the meeting and subsequent fishing on the Grand. As a result 12-year-old Mike caught an 18" silver catfish which won him the top prize. Mike was fishing with nightcrawlers when he hooked the fish near shore. How does a Grand River silver catfish taste? "Delicious!"

## Softball Trophy

Jackson congratulates Meredith upon capturing YMCA Softball championship.

Rommie F. Moore, Executive Secretary of the Lowell YMCA, presented the Sportsman's League first place trophy to the First United Methodist Church's Softball Team Sunday morning.

The team, sponsored by the United Methodist Men's Club, was feted at a breakfast by the club.

Gerald A. Meredith, team manager, expressed appreciation for the sponsorship by the club and the strong support of church members at the games. In addition to the first place ranking, during the regular season, the

team placed second in the post-season Double Elimination Tournament.

Carl L. Jackson, men's club president, introduced this year's club officers to the group: Stephen Beach, Program; Carlen Anderson, Secretary-Treasurer; and Martin Johnson, Vice-President.

A survey of the Lowell Senior High School's Varsity Golf & Football seasons were presented to the club by the coaches, Meredith and Alvin L. Rowe, respectively.

## LHS Schedule

CROSS-COUNTRY - 1972

Oct. 28	Regionals - MISAA - Assigned
Nov. 4	State - Ypsilanti

Home Course - Fallsburg Park  
\*Conference

## Northern Boosters Support Athletes

With the splitting of Forest Hills School district into two high schools, comes the formation of a new athletic booster's club.

Formed out of a group of parents and fans, the new club at Forest Hills Northern, the newer unit, will endeavor to fully support the school's fine athletes with their extra efforts.

On Tuesday, October 10, at 8 p. m., the first regular meeting of the "boosters" will be held at the high school.

A big turn-out of athletic supporters is expected to lay the format for coming attractions, games, fund raising events, etc.

## Red Arrow's Action

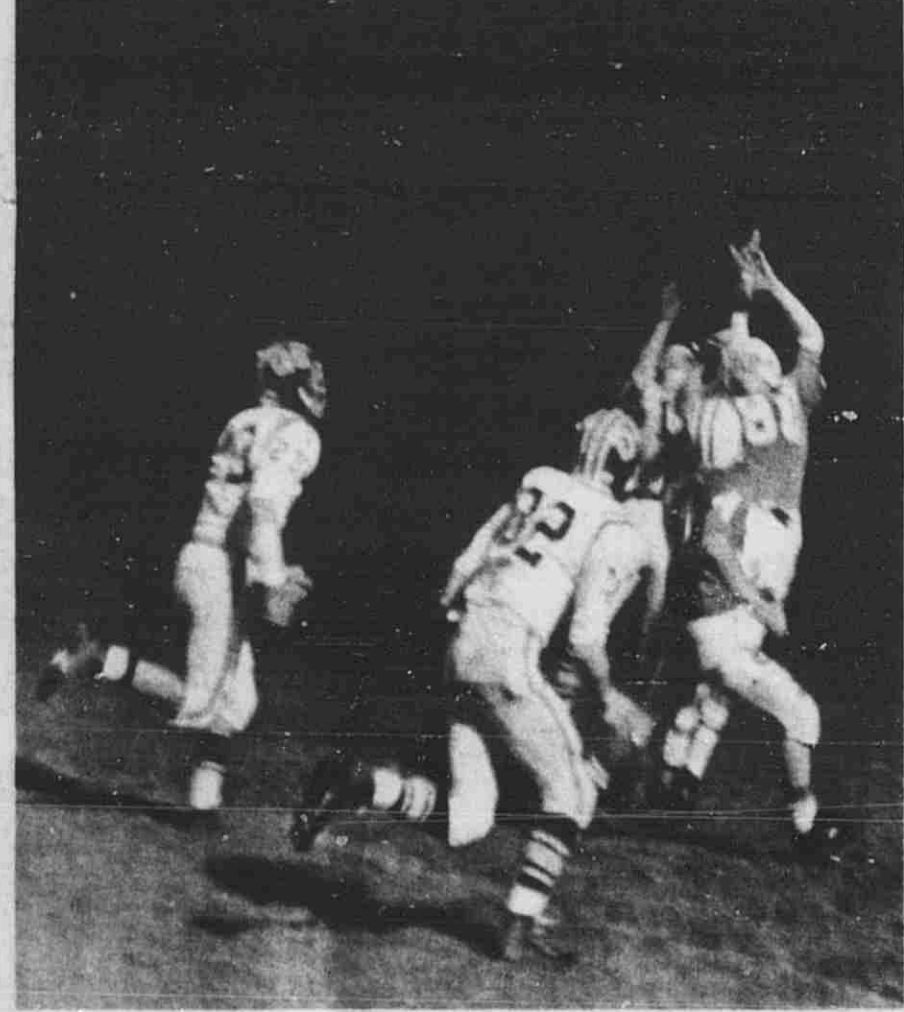

Bernie Harden tries his luck on a power sweep only to be face-masked and carried out of bounds. He landed on some broken glass that some inconsiderate person left behind. His cuts resulted in 20 stitches. After on the spot treatment... he finished the game.

## Holst Trophies At Portland

The early morning Sunday drizzle put the two-mile Portland motocross track into prime condition for an afternoon of racing action by cyclists with a thirst for competition.

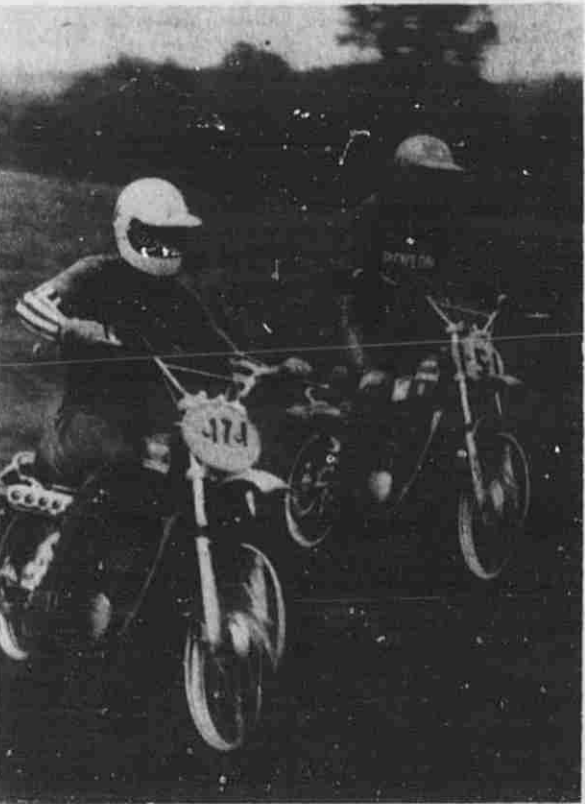

The newly graded and re-routed course, saw very little mishaps as the riders, in 20-minute motos, toured the fast track with incredible times.

Only two members of Lowell Niguel Racing team were on hand for the action—Ron Stoner on his 400 CZ, and Kelly Holst on his 125 Penion.

Stoner was off to a bad start in his first moto of the day, regained his momentum, worked his way up into the middle of the charging pack, and dropped out, when his throttle cable broke. Unable to make the necessary repairs, he finished the afternoon out watching Holst make his bid for the top ten.

Holst made his best ride of the day on his last moto. A good start off the line left him well in front of the pack, and he encountered no difficulties down to the finish line. Competing against 50 other bikes in his classification, Holst made it ninth overall—bringing home a nice trophy for his three rides over the hills, down the gullies, through the mud holes, and over the jumps.

This Sunday, several riders from the area will be participating in a three-hour endurance race at Egypt Valley. This event will send the riders over the roughest terrain possible... they'll do some hill climbing, forge water areas and skirt trees, as they follow the markers through the trails and paths.

Holst breezes past a slower competitor.

Linda Bailey is outjumped by a towering Coopersville player as the Red Arrow's Girl's basketball team starts their first season of league play. The local girls lost 109-17.

## Redskin Golfers Tie For First

The Saranac Redskins 2-0 in the Tri-Central Golf League jumped into a first place tie last Thursday with Lakeview.

Saranac moved up to the front spot with a 154-164 win over Portland. Medalists sharing the Saranac honors were Mark Miller and Dave Gaul. They each had 36.

**OMEGA**

Oldsmobile's new entry, the Omega, is built on a 111-inch three wheel-base with an overall length of 197.5 inches. It is offered in three body styles... a two-door coupe, a four-door sedan and a hatchback coupe that has a rear door that opens upward to reveal a flat carpeted load floor extending from the front seat to the rear and when the rear seat back is folded down.

Front and rear bumpers are rigidly mounted to meet new requirements. The bumpers protect the car's safety systems in front-end barrier impacts up to five miles per hour and rear barrier impacts up to 2.5 mph.

The Omega's standard engine is the 250 cubic-inch six-cylinder and the 350 V-8 four-barrel is optional. Other Omega options include power drum and power disc brakes, variable ratio power steering and Turbo Hydra-matic transmission.

## Snow-Expo 72 This Week End

Snow-Expo '72, sponsored by the West Michigan Snowmobile Council, will be held this week end at the Grand Valley Armory, 44th SW, Wyoming.

The doors will open at 7 p.m. Friday when various snowmobile related items will be displayed by distributors. A snow clothes style show featuring Miss Michigan will be presented at 8 p.m. and a speed clinic kicks off at 9:30 p.m.

Saturday, 10 a.m. to 10 p.m., will feature shows following Friday's schedule. The doors will open Sunday at noon, with the style show starting at 3 p.m., and the race clinic at 4:30.

Chairman of the exposition is G. E. Mitchell, president of the council. Participating clubs include Grand Valley Snowriders, Forest Hills, Northkent, Byron Center, Dorr Trailblazers, Gun Lake and Middleville.

### Senior Citizen Passes

Mrs. Margaret Miller, left, and Mrs. Ruby Andrews receive their Senior Citizen Passes from Bob Perry, Lowell High School Athletic Director. Passes were given to members of the Golden Swingers Club at their recent meeting and entitle senior citizens to attend all of Lowell's home athletic events, school plays and concerts.

### Barbara Rash Weds Harold L. Bean

Exchanging vows Saturday, September 2, in the Alton Bible Church were Miss Barbara J. Rash and Harold L. Bean. Parents of the couple are Mr. and Mrs. Eugene A. Rash of Lowell and Mrs. Pearl Bean of Belding.

The bride wore a floor-length empire gown of organza and daisy appliques. A crystal tiara secured her finger-tip veil. She carried a bouquet of white carnations and yellow roses.

Mrs. Janice Main, sister of the bride was Matron of Honor. Bridesmaids were Mrs. Sharon Rash and Miss Betty Bean. Mrs. Main wore a floor-length gown of pale blue with white daisy appliques and Mrs. Rash and Miss Bean wore floor length gowns of pale yellow trimmed with lace. They carried long stemmed carnations tipped to match their dresses.

Terry Oann was the best man. Jim Rash and Wayne Bean were ushers.

There was a reception following the ceremony at the Moose Hall in Lowell.

The couple will live in Waynesville, Missouri until his release from the Army next March.

### Sporty Cars Trigger Study

Those sleek low-profile automobiles are what's behind a new survey of no-passing zones on two-lane highways.

Conducted by the Department of State Highways, it has to do with the distance motorists can see ahead on hills and the length of no-passing zones.

In most cars, drivers sit with their eyes approximately 48 inches above pavement level. They can see ahead and over hills with what traffic engineers describe as "normal horizontal sight distance."

The sporty low-profile autos put drivers' eyesight levels down to an average of 42 inches above pavement, reducing horizontal sight.

Usually, the only way to provide them with the same sight distance in a no-passing zone is to lengthen the zones.

Four three-man crews have begun a statewide survey of all no-passing zones on the state highway system. Driving slow-moving vehicles equipped with flashing lights to warn motorists, they began in the western Upper Peninsula. Completion is anticipated in mid-1973.

### OBSERVATORY OPEN

The J. C. Vein observatory at 3308 Kiasing Rock Road, Lowell will be open to visitors without charge from 8 to 10:30 p.m. Saturday, October 14, and Friday, October 27.

When the sky is clear, observations may be made through the observatory telescopes.

## New Concept In Bus Travel

Travel America for \$2.50 a day? Can't be done? It can now—using Ameripass, Greyhound's new unlimited 60-day ticket.

For \$149.50, a traveler can go anywhere in the U.S.A. over Greyhound's 100,000 miles of routes for 60 days.

James L. Kerrigan, president of Greyhound said, "Ameripass is our way of making it easier for Americans to see this great land of ours. Our buses serve 40,000 cities and towns in America and can take a traveler not only to the more popular tourist attractions such as the national parks, historic sites and exciting metropolitan areas, but also to the lesser known places of great beauty and national significance."

Available beginning September 15, Ameripass will

be honored in all 48 contiguous states and in some areas of Canada.

Ameripass holders will also be eligible for special discounts on hotels, automobile rentals, sightseeing and other travel services. To obtain the discount, all they need to do is show their Ameripass.

The 60-day ticket offers complete freedom and flexibility of travel. There are no limitations on the time of day or day of week when it may be used during the 60-day period—including weekends, weekdays, holidays, day or night.

Travelers will be able to stop whenever and wherever they wish—for as long as they want.

### Bridge For Fun

MRS. WINGEIER

"Bridge for Fun" is one of the popular YMCA Leisure Time Classes designed for both beginners and those who want to improve their bridge game.

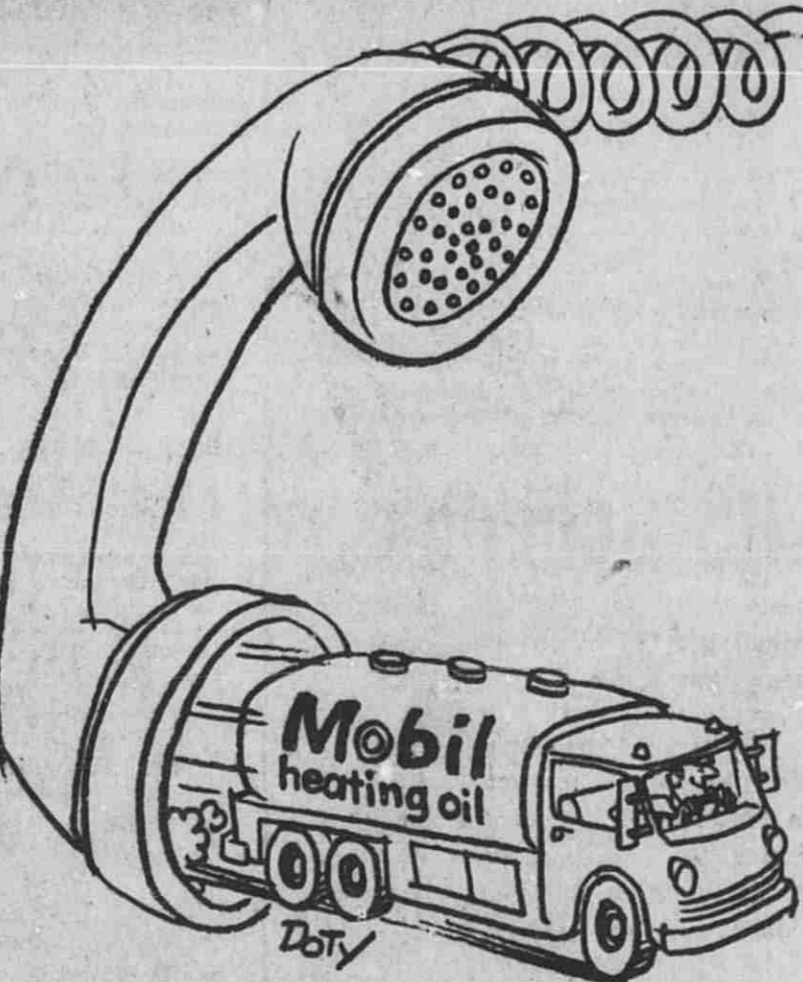

Mrs. Clara Wingeier instructs two classes—one on Tuesdays, 7:30-9:30 p.m. and the one on Thursday afternoons, 1-3 p.m. Classes run for eight weeks and are held in Mrs. Wingeier's home at 515 North Hudson Street. Tuesday classes start October 3 and Thursdays, October 5.

## Ledger-Suburban Life

## Study Group Holds First Fall Meeting

South Boston Extension Study Group held its first meeting of the coming year, September 20, at the home of Laura Thomas.

The meeting was called to order at 1:30 p.m. by the chairman, Janet Bovee. All recited the Michigan Extension Woman's creed. Roll call found 11 members and one guest present.

Reports were given on Rally Day and the area Council meetings. Discussion evolved around the new point system that is being used this year to pick the outstanding club in the County, to be honored at the recognition event in the Spring.

After the meeting, there was a secret gift exchange, as this was birthday month. The hostesses, Mrs. Thomas and Mrs. Condon, served a lovely lunch of ice cream, cookies, and coffee or tea to finish out the afternoon.

### Stealing Not Uncommon

## Case No. 10204031625

Case No. 10204031625—the number doesn't mean a thing really, it's just an off beat way to start this story. I, Tony Maucis, can tell it in a very few words, like, "somebody stole my boat, motor and trailer," but then, that wouldn't be very interesting, would it?

Stealing is not an uncommon thing these days. When we resided in Grand Rapids, if the boat hadn't been inside, it would have been outside the next morning. In Lowell's Valley Vista, though, things like this very rarely happen, so I thought.

September 16, we walked four blocks to Eberhard's store, where we spent no more than an hour making our purchases. Yet, how long does it take to hitch a boat-trailer to the back of a car and drive it away. Ten minutes, if you drive it away. Much longer though if you enter one's back yard and wheel it away by hand for a half block.

Bill Bauder and Al Carroll, good friends of ours, saw us leave the house that night, and hurriedly left Bill's house on foot to wheel the prize possession away—between Al's house and ours, down the sloping yard to the sidewalk, over to Al's driveway, into the street, up Bill's driveway, between a pickup truck and two cars, and set it in the back yard, out of sight.

Not wanting to get into trouble with the law, Bill's wife, Pat, immediately informed the Lowell Police of their plot to steal the boat, asking them to ignore any frantic calls that might come in. I was frantic alright!

The boat was gone! It wasn't in Cherry Creek, behind our house, nor was it in any of the neighbors yards. It wasn't even in Al's swimming pool because he predicted months ago that it would sink to the bottom of any water, anyway.

I ran to Bill's house and checked out his yard. Sure enough, there she sat, my lovely boat, trailer and all. As I entered Bill's house, I thought "This is no way to treat a friend. Maybe I should have sold it to him for the \$25 he offered me." I concealed my knowledge of

the boat's whereabouts. The subject of a practical joke, this boat, motor and trailer brought in more prospective buyers than it would have, had it been for (sail) sale!

I quickly exclaimed, "My boat has been stolen!" Bill replied, "maybe he went to the creek for a drink and drowned," and Al added "did you call your insurance company and tell them your boat's gone?"

Casualty replying, "no, I'd wait until Monday, Al out in with "if you wait till then, they'll never pay." Pat cut in with "are you sure it isn't in the creek?" A year away from water is much too long for a boat.

I lashed their conversation by telling them their joke really wasn't a joke at all, and I expected to see the boat back at home by the next morning.

Bill then said "too bad! It's in my yard now, and possession is 99 percent of the law. You should have sold it to me when I offered you that \$25."

Not feeling well, anyway, I returned home hoping that my firmness would bring results from, pardon me, my friends, and it did.

Like thieves in the night, Bill and Al tipped back the same route they came, and struggled even more this time as the trip was mostly uphill. They finally maneuvered the boat up my driveway, where they connected it firmly to the back of my car... but somehow, the boat looked different!

When my wife, Sharon, arose the next morning she beckoned me to come and look out the window, and sure enough, there was our boat, plastered with several signs, reading, "Please? I'm hungry!" "For Sale," "Just Married!" "Hot Springs Tonight," "Squeek, Squeek," and "If you don't want to buy it, steal it, we did!"

The next day several people stopped inquiring about our purchase price for the complete outfit. I say, \$25 isn't a bad price, or is it?

### Art Series Designed for Senior Citizens

An illustrated lecture series on art, designed especially for senior citizens and including discussions of art in humor, food, nature and the environment, will begin Tuesday, September 26.

The series is sponsored by the Grand Rapids Public Museum and the Senior Citizens Coordinating Committee of United Fund and Community Services.

The programs will be held on Tuesday afternoons at 2 p.m. Five of the six sessions will be held in the East Building, Grand Rapids Public Museum, Washington Avenue Entrance. The October 10 program, "Art in Food," will be held at the Michigan Consolidated Gas Company, Consumer Services Center, 200 Monroe Avenue N.W., Vandenberg Center.

The September 26 program, "Art Is," will feature a film, courtesy of the Sears and Roebuck Foundation in cooperation with the Associated Council of the Arts. "Art in Humor," October 3, will be a discussion of cartoons and a cartoonist, Calvin college Art Professor Robert A. Jensen, at work.

The October 10 program, "Art in Food," will discuss the art of cooking for one or two, including a food demonstration featuring practical, simple and attractive recipe ideas for retirees. A social hour will follow the demonstration.

"Art in Environment," October 27 and 31 will feature films of the explorations of Sir Edmund Hillary in the Himalayas, the Antarctic, Alaska, New Zealand, and on Mt. Everest. Plant and animal wild life will be discussed in the "Art in Nature" program on October 24.

All senior citizens are invited to attend the series, for which there is no charge.

## LeBaron Sweeps Crystal Card

Sunday's racing program wrapped up the 1972 racing season for the Crystal Raceway, and it was a near perfect day for racing.

In announcing the closing of the track for the year, promoter Duane LaCombe took the mike, and spoke briefly to the crowd on hand about the upcoming 1973 season and commented further on a question form that had been distributed to the fans last week in which the track asked for their comments, suggestions, and questions. From the response, plans for the '73 season are tentative.

Track Record Holder, Bill LeBaron literally swept the card winning all but the fast time honors, these went to Bill Simpson. LeBaron went on to capture the fast car dash, the fourth heat, and the feature.

Other heat race winners were Al Williams, Don Sherman, Denny Marcy and Jim Thompson.

The action filled semi was taken by Doylan Albrink, followed by Jim Haas, and Gene Boeven.

### BARBERSHOP HARMONY

Barbershop Harmony returns to the Barbershop on Friday evening, September 29. The Grand Rapids Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Incorporated, will perform with its all male chorus and quartets from 7:30 p.m. to 8 p.m. at the Woodland Mall in Grand Rapids. Following the performance, the chapter will conduct auditions for new members at Pat's Place Barbershop, located at Woodland Mall.

# Registration Notice

Barber's scale model of village's projected restoration.

## Display Model Village

A scale model of the projected Fallsburg Village Restoration, made by William Barber of Lowell, is currently on display at the Lowell Area Chamber of Commerce office on West Main Street.

Contracted by the West Central Michigan Historical Society, the model required five months to complete. Barber used photographs supplied by Norton Avery, along with his own drawings and location observations. Balsa wood was used for building construction, sandpaper for roofs, a moss called Lychen for the bushes.

Barber's hobby of model building spans nine years. He has completed three model railroads and one of the village of South Boardman, his parent's hometown.

The reality of the restoration continues to be the major project of the WCMHS with several events scheduled for the publicity and involvement needed;

The traditional Fourth of July Arts and Crafts Show was again a success. The perfect weather, location and advance publicity brought more exhibits and crowds this year.

A membership drive is now underway. New members are welcome and renewals are urged. Dues are \$2 for singles and \$3 for a family. They may be paid at the office of the treasurer, Dr. Robert C. Kyser, 100 West Main Street, Lowell, 897-7595.

The next meeting for members will be the annual autumn dinner. It will be served this year at the "Tower House" in Fallsburg on Saturday, October 14. Further notice concerning those plans will be found next week. Reservations can be made at anytime by calling 897-9936.

The officers of the historical society sincerely appreciate the support of the membership and anticipate an increase in your enthusiasms. The officers are:

Mrs. Lenora Tower, president; Gould O. Rivette, vice-president; Dr. Robert C. Kyser, treasurer; Mrs. Connie Odell, secretary; Mrs. Pat Babcock, editor of the Pioneer Times; Ferris Miller, Mrs. Irma Richmond and Mrs. Bertha Jessup, directors.

Join our ranks now and proceed with us to consummate our worthy causes.

Tornado paths have varied in length from a few feet to almost 300 miles.

## It's Their 25th

Dolores Dollaway and Rex Collins, who were united in marriage 25 years ago in the First Congregational Church of Lowell by the Rev. Norman G. Woon, will be the guests of honor at an open house, Sunday, October 8.

Hosting the silver anniversary celebration will be their children. It will be held at the Collins' home, 1015 Beech Street, Lowell, from 3 p. m. to 6 p. m.

Their friends, relatives and neighbors are cordially invited to help Rex and Dode celebrate the occasion.

## The Class of 1901-02

The guesses were many, and wild, but nobody came close to guessing the 1901-02 class of third and fourth graders at the East Ward School. Get out your last week's Ledger and now see how many you recognize—they were:

Front row, left to right, Edward Rubens, Norton Avery, Otto Andrews, Carl Johnson, Maurice Miller, Benjamin Kerekes, Charles Clarke, and Helen Price.

Second row, Eddie Kellogg, Harry Delk, Ernie Ayres, Ruth Flogus, Marion Godfrey, Winnie Donaker, Tuba Smith.

Third row, Charles Hutchinson, Cora Kellogg, Howard White, Bertha Murdock, Ethel Morse, Eula Golds, Hazel Morse and Florence Aldrich.

Back row, Lyle Denick, Faye Godfrey, —Morse, Nora Andrews, Allie Donaker, Marjorie Swan and Bernice Griffith.

## Motorcyclists Hurt As Bikes Collide

Lois Parlmer, of 951 Pine NW, underwent emergency surgery for internal injuries suffered in a mishap early Sunday morning. She was a passenger on a motorcycle driven by Flavous Flurry, of 172 Grand, NE, that collided with another motorcycle driven by Clarence DeBose, of 747 Watkins.

The cyclists were riding their bikes on M-21 east of the roadside Park when the Flurry vehicle lost power and sideswiped the DeBose motorcycle. Eliza DeBose, a passenger on the DeBose vehicle, and the two drivers were treated and released from Butterworth Hospital.

## Royal Squares Attend Nationals

Eleven couples, members of the Lowell Royal Squares, took part this summer at the National Square Dance Association's get-together in Des Moines, Iowa.

People, numbering 16,000 strong, and representing many states came to dance the modern square dance.

Lowell's group was the second largest group in attendance, Iowa having the most. They are now looking forward to next year's National to be held at Salt Lake City, Utah.

The Royal Squares, organized about 10 years ago, dance every second and fourth Saturday evenings from September through June at the Runciman All-purpose Room.

This year on both Thursday nights preceding the docking of the Showboat, the Squares entertained the audience with their Do Si Dos.

## Jane's Jabber

# So Long, Summer

*The morrow was a bright September morn,  
The earth was beautiful as if newborn,  
There was nameless splendor every where,  
That wild exhilaration in the air,  
Which makes the passers in the city streets,  
Congratulate each other as they meet.*

Henry Wadsworth Longfellow

So long September, I'm sorry to see you and Summer leave. It seems as though you were here such a short time. I didn't do the many things I had planned for you. There is still that painting—and a few odds and ends of those abominable housecleaning chores. It rained quite a bit while you were here, and there were those hot and humid days when lifting a cool glass to the lips was about all the exertion one could muster. And vacation—getting ready to go and trying to get in gear again afterwards. And then we decided to have that new porch poured—you remember?—and the truck drove over the septic tank and one wheel dropped in?—we weren't really planning on all the fuss that caused.

Also, there were times when I just wanted to enjoy you—by doing nothing. Wish you could stay a round a little longer—but I know—you have other places to go.

Autumn is here now and she's nice to have around—maybe we can do some of those things left undone—yet—a walk in the woods would be more fun than wishing windows—anyway, there's always next year.

*There is something in October sets  
the gypsy blood astir;  
We must ride and follow her,  
When from every hill of flame  
She calls and calls each vagabond by name.*

Bliss Carman

## Swinger's Meeting Dates Established

About thirty Golden Swingers enjoyed a delicious potluck dinner recently and then Carlo Berger, ASCAP, sang a song, "The Senior Citizen's Jamboree," which was written and copyrighted by himself and Mary L. Gape.

A short meeting and games followed. Mr. Bowen assured us we will be allowed to meet the first Monday of every month in the Bushnell School from 5:30 to 8:30 and every third Thursday from 11:30 to 2:30 in the American Legion Hall.

Anyone wanting to join or know more about the club, just come. Everyone will be welcome.

## New Arrival

Mr. and Mrs. Michael Murphy of Lowell proudly announce the birth of a baby girl, Jennifer Lynn, weighing eight pounds and four ounces on September 21, at Blodgett Memorial Hospital.

Grandparents of the new arrival are Mr. and Mrs. Robert Peters of Ada, and Mr. and Mrs. Jim Murphy of Lowell.

## Recruit Volunteers, Key To Success

Beginning the week of September 18, the Kent County Chapter, American Red Cross will be recruiting new volunteers. Volunteers are the key to the successful operation of the local chapter, and many new volunteers are needed in several areas of service.

Motor Service needs volunteer drivers to transport elderly or handicapped patients to appointments in the Grand Rapids area. Drivers must be at least 18 years old and have good driving records. Also needed are volunteers at the motor service desk to receive calls and arrange the schedules for drivers.

The nursing department is recruiting instructors for classes in Home Nursing, Mother and Baby Care, and Mother's Aid. Also needed are RN's, LPN's and nurse's aides to work during blood mobile visits, to serve in emergency first aid stations, and to serve on disaster watch teams.

First Aid instructors are needed to teach the new Multi-Media classes, especially during daytime hours. This new system of teaching first aid includes filmed demonstrations, guided practice sessions, and programmed workbooks. The class provides solid first aid training in one day.

Staff aides are needed to assist with typing, filing, and other clerical duties in several departments.

Youth and adult volunteers are being recruited to work in hospitals, performing a variety of duties, including making beds, feeding patients, delivering flowers and mail, transporting and entertaining patients.

Volunteers who are interested in working with children are needed to assist with the recently-initiated baby sitting program. Many women who would like to do Red Cross volunteer work have been unable to do so because they cannot get a babysitter for their children.

The baby sitting program is designed to assist women with children participate in chapter activities, or to attend Red Cross classes. Several volunteers are needed to make this program successful, and volunteers can bring their own children along when they do baby sitting.

All Red Cross volunteers are required to take a two-hour basic orientation class. Certain volunteer positions require additional training or professional requirements.

If you would like to put your volunteer services to good use, please call the Red Cross at 45C-8661, ext. 56 for an appointment to register.

Lake Superior is the second largest lake in the world. The largest lake is the Caspian Sea.
