Area Halloween Parties

You may not know it, but Halloween has been celebrated on October 31 since the year 834 A.D.

Though it wasn't called Halloween then, that's the day the ancient Celts celebrated New Year's Eve—a time for calling up the spirits of the dead!

The holiday came to America during pioneer days, when there was a great influx of Irish immigrants, who brought their colorful Halloween costumes with them.

This year, as always, Halloween will be observed on Tuesday, October 31, with three gigantic parties being planned for the children in the Ada, Cascade and Lowell areas.

In Ada...

The Ada Fire Department's annual Halloween party for the children of that area will get underway at 6 p.m. at the Ada Fire barn.

A yearly project for the firemen, the party offers lots of prizes and surprise prizes: cider, donuts, candy and apples, for all the ghosts, goblins, witches or what have you that attend.

In Cascade...

A parade will start off the activities of the Halloween party being hosted by the Cascade Firemen, next Tuesday. The events will get underway at 7 p.m. at the Cascade Fire Station.

According to Lee Norton, who is organizing the pro-

gram, there will be free candy and apples for all of the area children in attendance.

In Lowell...

The young people, in grades 8 through 12, will be treated to a fantastic "Night of Terror," when they attend the party planned by the Word of Life Club of the First Baptist Church of Lowell.

The participants will meet in the parking lot of the church on West Main Street, at 8:30 p.m., from there, they will be driven to an unknown destination and led on a "Night of Terror."

The party will feature—The Trail of Terror; mystery activities; fresh cider and donuts; and a night you'll never forget. There will be a 25 cent admission charge to cover expenses.

All students, grades 8-12, are cordially invited.

Snowmobilers Promote Halloween Safety

Besides ghosts and goblins, there's often danger lurking in the Halloween night air, reminds the Flat River Snowmobile Club of Lowell.

In promotional efforts to insure a safe and happy Halloween, the club issued a reminder to parents this week, in preparation for the night of trick or treating on October 31.

If youngsters trick or treat at night, be sure they wear light colors so they can be seen by cars; walk along the shoulder of the road, facing traffic, if there are no sidewalks; wear makeup instead of a mask; to see better; wait outside of homes of strangers for treats; and carry a flashlight instead of candles or jack-o'-lanterns.

Every year many trick or treaters are seriously injured—some darting into the path of cars—others by objects placed in candy by people who think it's funnier to trick rather than treat.

Parents should give their children strict instructions not to eat anything given by strangers until they arrive home. At home, the club reminds, parents should carefully inspect everything received.

Amway Retail Sales Over \$180 Million

Amway Corporation announced today that its retail sales for the fiscal year ended August 31, 1972, exceeded \$180 million. The privately held company does not disclose its earnings.

"This is the 13th consecutive year since Amway was founded that we have been able to report a significant sales gain," reported Chairman Jay VanAndel and President Richard DeVos, who are co-founders of the direct selling firm.

On September 11, Amway announced that it had acquired a controlling interest in Nutrilite Products, Inc. of Buena Park, California, another direct selling firm which manufactures and distributes vitamins, food supplements, and cosmetics.

One Hurt As Car Hits Pole

Kathryn Gilley, 18, of 900 Fero, was cited for careless driving following a one-car crash Wednesday afternoon. Apparently she panicked when she came upon another vehicle on M-21 near Spaulding Avenue. The Gilley vehicle traveled some 100 feet after she lost control, and struck a telephone pole.

A passenger in the car, Albert Kline, of 13421 Vergennes, was taken to Butterworth Hospital for treatment of injuries. Two other passengers as well as Miss Gilley, were not hurt.

Who Is It?

Do you know who our mystery man is this week? If so, dial 897-9261 promptly at 12 noon on Friday and be the first to reveal the correct answer.

Contest Rules

Our weekly "name the person, place or thing" contest has promoted much interest, however, not everyone abides by the rules.

We have two extension lines at the office, which are disconnected promptly at 10 minutes to twelve each Friday—this prohibits people from holding us on the line prior to 12 noon.

At 12 noon the phones are open to callers, and the first person to correctly identify the pictures is the winner of a year's subscription to the paper, which they may keep themselves or give to a friend as a gift.

No guesses will be accepted before 12 noon on Fridays—this enables everyone to get their paper in ample time to study the picture, then submit their answer.

One woman calls every week to find out who had won, and when told, replies "It figures," indicating that a gimmick is involved. There is none, it's just fun, and we've got a lot of people playing the game.

If you have an old photograph of someone, whom you think people wouldn't guess, bring it in. We wholeheartedly accept full participation in the game!

Last Week's Winner

Mrs. Richard Waters of 135 South Center Street, Lowell, was the first person to correctly identify last week's mystery man as Dr. Godfredson.

There were a lot of calls, some reminiscing that he had brought them into this world and what a wonderful man he was.

According to Lowell Postmaster Charles Doyle there are no plans this year for a special airlift of Christmas packages to servicemen in Vietnam. Doyle urges area residents to mail early. Surface mail to the Far East, including Vietnam should be posted by October 27, parcel air mail by November 27; and air mail by December 1. Deadlines for mailing to Europe are: Surface Mail, November 11; space available air mail, November 27; parcel air lift, December 1; and air mail, December 11.

A demonstration voting machine has been set up in Lowell's City Hall and the City Manager Blaine Bacon has invited area residents to stop in and get a briefing on the proper usage before the November 7 General-presidential Election. The City offices are open daily from 8 a.m. to 5 p.m.

Large leaf bags (28" x 56") are being sold at the Lowell City Hall, six for fifty cents, plus sales tax. The large bags are being made available by the City because of their restrictions against burning.

Dr. Daniel A. Arsulowicz, who has served the vision care needs of the people of the Lowell area for the past year, has closed his Lowell office on North Center Street, and will concentrate his practice at his Grand Rapids office at 2150 Lake Michigan Drive, N.W.

J.R.B. Agency, Inc., West Main Street, is a new member of the Michigan Mobile Home and Recreational Vehicle Institute (MMHRVI).

Attention all Moose Members—A Halloween party, for members only, will be held this Saturday night, October 28, at the lodge on East Main Street.

Transue Realty Co., 609 West Main, is offering free transportation to the polls on November 7 for residents in Lowell and Lowell Township. If you need a ride, call 897-8453.

Snow in October! We might as well accept it, there's not much we can do about it, but prepare for the winter months that are forthcoming.

Friday, Lowell Police arrested three juvenile boys who admitted taking a driver's training car from Lowell High School, last July. The boys drove the car over 200 miles before they returned it to the school, scratched and dented.

They have been referred to the Kent County Juvenile Court.

Reports of a reckless driver brought Lowell Police to the North Washington Street Thursday night, where a witness had taken the license number of a car that hit a tree. Later in the evening information was received that Ronald Chassebo, who was involved in the incident, was going to drive his car into the river and he did! When Chassebo returned to the scene, he was arrested.

He was lodged in the Kent County Jail and arraigned Friday on charges of leaving the scene of a property damage accident, careless driving, and defective equipment. He pleaded guilty to all three of the violations and was given \$116 in fines and costs and 45 days in jail.

\$50 Reward

Two symbolic deer, denoting the Plowman's Rest Home at 121 South Jefferson Street, took a hike last week, but with some mighty strong help.

The manikins, which rested in the quiet residential yard for eight years were helped off the premises by a person or persons, whose periodical attempts to remove them had failed in the past.

According to the rest home's owner, Mrs. Sarah Plowman, the deer were a trademark and a conversational piece for her patients who rarely have an opportunity to see the real thing. "Only their return will bring peace and quiet to some of the patients, who took the loss very heavily."

The deer were made up north, eight years ago by a crippled man and trucked to the rest home by Mrs. Plowman's son, Keith, who originally opened the home in Lowell.

Weighing 200-250 lbs. each, the deer have often been found on the sidewalk and near the roadway, when the culprits were probably unable to lift them into a get-away vehicle.

This week, Mrs. Plowman has posted a \$50 reward for their return or information leading to the arrest of the person or persons who carried them off.

Mistake Is A Real Gas

Twelve homes were left without gas service for nearly nine hours Friday as a result of a construction mishap. A crane operator working on Alta Drive near Alta Dale Avenue, apparently did not realize he was near a gas main. Dust and sand sprayed the area as gas left the main after it was struck by the shovel.

The roar of the gas leaving the pipe could be heard for some distance. The gas began to leave the 3-inch opening at 60 lbs. of pressure per square inch, at about 2:30 Friday afternoon. Consolidated Gas workmen finally halted the escaping gas five hours later.

The rupture was repaired and gas service was resumed to residents on Alta Dale Avenue around 11:15 p.m. According to Jim Bono, Consolidated Gas official, enough natural gas was leaving the broken main to power the GM plant in Grand Rapids. Workmen wore fireproof suits for protection as they repaired the leak. There was no danger as long as no open fires were near.

Jim Bono stated that a mistake like that happens "about once a year." Cost of the mishap will run into thousands of dollars. The workmen were digging a trench for the sewer line under construction.

Workmen scatter as gas "roars" from a broken main.

United Fund Campaign Shows Increase Support

Initial efforts of Kent County United Fund volunteers have raised \$855,000, or more than 30 per cent of the \$2.8 million goal for the 1972 UF campaign.

The figure, reported last week at the first campaign meeting of the drive, is \$153,000 more than had been raised by that time in the 1972 campaign.

Campaign leaders said they are encouraged by the early results but they urged volunteers to complete their assignments as soon as possible to allow for maximum follow-up.

Campaign Chairman Paul G. Goebel Jr. said this year's fund drive is being conducted in "the best campaign climate we've had in years."

"The economy is good," Goebel said. "We're receiving the finest newspaper, radio and television support of any campaign in the county and we are joined by the largest number of campaign workers our United Fund has ever known."

STUDDER TIRES STILL LEGAL

This winter may be the last season that studded snow tires are legal in Michigan if proposed legislation is approved.

Any legislative action would still permit tires with metal studs to be used on Michigan roads from November 1 through April 30, 1973.

Alarmed over evidence that studded tires cause serious highway pavement damage, both the state Senate and House of Representatives have passed measures banning studs. A joint conference committee is expected to meet after November 27 to iron out differences between the two bills.

The House ban against studded tires would exclude the Upper Peninsula while the Senate version is a statewide restriction.

Norman Mc.Clure Dies, Was Service Manager

Norman H. Mc.Clure, sr., service manager at Wittenbach Sales and Service Company in Lowell, passed away Monday morning, October 23, at the Grand Rapids Osteopathic Hospital.

Employed in Lowell for many years, Mr. Mc.Clure was 61 years old and resided at 1012 Chatham Street, N.W., Grand Rapids.

Funeral Mass was offered Wednesday morning in St. James Church, with interment being made in St. Mary's Cemetery, Marne, Michigan.

He leaves his wife, Mary, a son, Norman, jr., a daughter, Mrs. Gerald (Donna) Folkowski, all of Grand Rapids; nine grandchildren; and one great-grandchild.

REQUESTS PERMIT TO KEEP DEER
Gus Abel of Lowell, reported to Ionia State Police he was unable to avoid hitting a deer on M-21, at Turkey Trail Road at 4:45 p.m. Friday when the animal reportedly was chased from a nearby field by a dog.

Although Abel applied his brakes the right front of the car struck and killed the deer.

The driver requested a permit from state police to keep possession of the carcass.

Dear Editor,

I have read with much interest the two letters to the Editor in this week's Lowell paper.

Since I do not live in Lowell, maybe no one would like my advice, but I would like to suggest what rules Saranac had to make some time ago concerning "morning acting kids" at games. No youngsters below the 7th grade is allowed at a game without one parent.

Maybe this does not eliminate all the devilishness 13 and 14 year olds are acting the same.

I do not know what parents are thinking of, but they start their children out early to go to every game, to get them out of their way at home.

We have had our share of bothersome kinds, those who sneaked free into games, those who threatened younger ones wanting money and all of that. Some have had to be expelled from the field completely. We have paid playground Mother guards at our school too. Isn't it a shame so many little youngsters are being brought up to act as they are?

We used to have a movie theatre here in Saranac. The last time I went I could not stand the constant running up and down the aisles of approximately every youngster there. When I was a kid I sat for half a day at the Horse Pulling Contest at the Ionia Free Fair with only one trip to the rest room. If we got thirsty, out came a thermos jug. We were promised one pineapple whip ice cream cone before we went home. We were never separated from our parents. We dared not ask for any more.

Maybe this is the answer! The parents are trying to give their children too much and too much freedom. If they could watch their kids in action they might keep them home and put them to bed where they belong. Varsity football is not meant for an 8 year old whose only thought is squirting pop, throwing stones, fighting and chasing girls.

Most exasperating it is, parents, for us who have raised our own children to have to contend with yours. Try doing things with them as a family that they understand. You will be the one most rewarded after all.

From one who likes children and has grandchildren.

Rain Fails To Dampen Spirits

Fair weather shooting is much more relaxing for the members of the Alto Sportsmen's Club, but, Sunday morning and throughout the day, twenty-five members decided to shoot, rain or shine, and rain it did, all day!

The grounds at the club's shooting site on Timpon Avenue may have been dampened, but not the spirits of the members assembled to have a day of family activities. Some members picnicked on the grounds, while others, rain-soaked, watched the sportsmen take the line.

When it rained too hard to shoot, members sought refuge in the temporary club house, their cars, or the shed recently constructed, compliments of O. E. Bieri and Sons of Lowell.

This Sunday, while the members are shooting, their children, 12 and under, will be treated to a Halloween party at the American Legion Hall from 1:30 p.m. until three o'clock.

Club President, Earl Wieland, reminded prospective members Sunday that a substantial savings is in order for all persons who join the club before January of 1973. Family memberships, right now, are only \$5—this gives you full membership benefits, plus there are...

Abortion Issue Meeting Topic

The October meeting of the Alto Mother's was held Tuesday, October 17, 1972 in the school's all-purpose room.

After a short business meeting, Judy Jorgensen presented slides and literature on the abortion issue. Everyone participated in a discussion afterward, which left everyone feeling they knew much more about the subject and understood better what they would be voting on in the November 7 election.

Refreshments were served after a very enlightening program.

Storing 1972 Corn

With a bumper 1972 corn crop in the making, storage needs may be expanded according to Arthur Rowley, Chairman of the Michigan State Agricultural Stabilization and Conservation Committee. He reminded producers that if they intend to use the price support program in their marketing plans, it will be necessary to arrange for storage in approved warehouses or provide acceptable on-farm storage for their corn crop.

In many areas of Michigan, corn harvest will be later than last year; however, it is not too early to prepare plans for additional storage for anticipated needs.

Chairman Rowley pointed out that the county loan rates range from \$1.08 to \$1.12 per bushel, the same as for 1971. Loans will be made available on the basis of where the corn is stored. This is intended to encourage the flow of corn into principal consuming areas.

The September crop report indicated a Michigan production of 127 million bushels which is 10 percent larger than the record 1971 crop.

Michigan farmers produced 47.3 million pounds of fresh market tomatoes last year, valued at \$5,156,000. Besides this figure, another 65,050 tons of tomatoes for processing were grown in the state with a \$2,426,000 value.

OPEN LETTER from

DAVID GERST

Dear Friends,
We often hear this question: "Doesn't a funeral director become calloused to grief?" The answer to that question is, no.

One cannot enter a grief-stricken home without a real sense of sympathy, no matter what the circumstances may be.

We believe, though, that the funeral director can best express his sympathy by going about his work quietly and calmly. Confusion only adds to the strain.

Respectfully,
David Gerst

Saints Youth Leaders To Gather October 27

Union Avenue Branch of the Reorganized Church of Jesus Christ of Latter Day Saints is the site selected for a special Communion and Dedication service to be held Friday, October 27 at 7:30 p.m.

The service is being conducted by the G.R. District Division of Youth Ministries for all youth groups leaders and their assistants in the G. R. District, plus all branch Directors of Youth Ministries & Pastoral Counselors in charge of Youth Ministries.

We ask that you not only set this date aside for this service, but that you come prayerfully prepared to offer your ideas, suggestions, gripes, or what have you in regards to youth leadership, in the rap session that follows the service.

Our intent is not only to become better acquainted with our district youth leaders, but to become more knowledgeable as to what is happening in their branches. We may, therefore, be in a better position to assist with individual programs and/or problems and to provide stimulation and motivation to those who lack a complete youth program in their branch.

The youth of the First United Methodist Church of Lowell will be calling on Lowell area residents this Sunday, October 29, to collect funds for UNICEF United Nations Children's Fund.

The youth will leave the church at 4 p.m. and return at six o'clock.

Methodist Youth To Collect For UNICEF

The youth of the First United Methodist Church of Lowell will be calling on Lowell area residents this Sunday, October 29, to collect funds for UNICEF United Nations Children's Fund.

The youth will leave the church at 4 p.m. and return at six o'clock.

ALL THE WORLD'S CHILDREN

Cascade Christian Church Youth Council has set a UNICEF goal of \$2,500 for this Halloween, to be raised in the Forest Hills area, both by door-to-door solicitations and the Uni-Hike which was introduced last year for the first time.

Serving as co-chairmen of this year's ten-mile hike scheduled for Sunday, October 29, are Julia Shearer and Vicki VanderPloeg. Cindy Andrews and Joann Belding will be co-chairmen of the door-to-door collections, scheduled for the week prior to Halloween. Jonathan Gaylord has charge of publicity and art work.

Youth of the area are invited to join Cascade Christian youth in the achievement of this high goal. Last year's hike and collections produced \$2,470.28.

Michigan's 1972 Christmas Seal Campaign began this week with the mailing of over 5,000,000 sheets of colorful Christmas Seals, featuring the familiar double-barred cross, to homes and businesses throughout Michigan.

Players To Stage Highlights of Great Epic

An important date on the calendar of the First United Methodist Church of Lowell will be Monday, November 6, when the prize-winning play "Luther" will be presented by the Alpha-Omega Players, repertory theatre of America, of Dallas, Texas.

This forceful drama about Martin Luther, the man whose spiritual struggles led him to split Christendom apart and aroused some of the most bitter passions and bloody wars in the history of Western civilization, has been written by John Osborne. This English playwright shook the British and American stage in the mid-1950's with his revolutionary play, "Look Back in Anger."

Directed by Drexel H. Riley, the Players will present the highlights from this great epic with a minimum of props and costumes.

Though "Luther" chronicles the story of the famous leader of the Reformation, it is not regarded as a religious play to draw or repel one denomination or another; but as a drama of fiery emotional power. All theatre-goers, of whatever religious persuasion, "owe it to themselves to discover here the excitement that a vital play can generate."

New York critics bestowed on "Luther" their annual Critics' Circle Award as the best play of the 1963-1964 season.

The Lowell performance of "Luther" will begin at 8 p.m. Ticket information may be obtained by calling the First United Methodist Church at 897-7514.

Ann Hooker will narrate "Luther."

Candy Stripper's Meeting Set

The volunteer high school "Candy Strippers" who will work at the Cherry Creek Nursing Home in Lowell, will hold their fourth organizational meeting Thursday, November 2, at the Lowell Senior High School Library.

Forming under the organizational efforts of Mrs. Orton Seese of Alto, the girls will meet at 3:30 to discuss their duties which will commence sometime in November.

Mrs. Seese revealed Tuesday that a lot of girls have contacted her, offering their services, and she urges each of these girls to be sure and be at next Thursday's meeting.

Any high school girl interested in becoming a Candy Stripper may call Mrs. Seese at 868-4321, and she will provide you with the necessary information.

She also issued a reminder to the girls already signed up—work permits are a necessity, and if you haven't gotten yours yet, do so now!

Saints Hayride Planned

The Alaska Branch of the Reorganized Church of Jesus Christ of Latter Day Saints is planning a hayride for all young adults and older youth on Saturday, October 28 at 7:30 a.m. It will be held at Tom and Donna Quillans, 9055-68th Street at Morse Lake Road.

Bring your own hotdogs and buns for a hot dog roast afterwards. Call Ron DeMute, 868-5554 for details.

OES Installs New Officers

Installation ceremonies for the new officers of Cyclamen Chapter No. 94, Order of the Eastern Star, were held Saturday evening, October 21, at the Lowell Masonic Temple.

The new officers are: Worthy Matron, Eileen Richard; Worthy Patron, Dewayne Richard; Associate Matron, Marlene Jackson; Associate Patron, Carl Jackson; Secretary, Doris Boyd; Treasurer, Lylia Johnson; Conductress, Carla Miller; Associate Conductress, Mary Yakes; Chaplain, Clarice Boerna; Marshal, Dick Martin; Organist, Olive Clark; Aiah, Verna Rogers; Ruth, Esther DeRushia; Esther, Alice Ryder; Martha, Nancy Wood; Electa, Margaret Martin; Warder, Nell Sweringa and Sentinel, Edward Boyd.

Flag Bearers: United States Flag, Anita Miller; Christian Flag, Alice Alchin and Eastern Star Flag, William Wood. Special Officers, Bertha Jessup and Anna M. White; Instructor, Orval Jessup.

Richard Densmore of Ada acted as installing officer, assisted by Muriel Densmore, installing marshal, Martha LeVan, installing chaplain, both of Ada, and Evelyn Wittenbach, installing organist, Winnie Onan was guest soloist.

Eileen Richard was escorted to her station in the East by her daughter, Lois Richard, who presented her with an arm bouquet of red roses. The other officers were installed and escorted to their stations.

An appropriate address was given by the Worthy Matron and a few selected words by the Worthy Patron.

The retiring Worthy Matron and Worthy Patron, Esther DeRushia and William Wood, were presented at the Altar to sign the Bible and then escorted to the East where Esther was presented with a watch band from the Chapter and a musical jewelry chest from the officers of the year. William received a set of cuff links from the Chapter and cologne from the retiring officers.

Verna Rogers, president of the Past Matrons club, escorted Esther to the circle of past matrons around the Altar and congratulated her on completing a second successful term as Matron of the Chapter.

Verna then returned to the East and presented the new Worthy Matron, Eileen Richard, with her gavel.

Eileen has chosen for her emblem, the cross, flower, red rose; colors, red and white; and motto, love one another. The Chapter room was decorated with a cross with a garland of red rose buds at the foot of the podium and a small white cross with a garland of red rose buds on the pedestal of each Star Point.

The dining room was decorated with a white cross with a garland of red rose buds on each table, and on the cake table was a large white cake in the shape of a cross decorated with red roses and at each end of the table, red and white candles.

Miss Della Rogers presided at the punch bowl. Doris Boyd and Alice Ryder were general co-chairmen and Alice Rooker of Ada had charge of decorations. Theo Schutt, chairman of the refreshment committee, was assisted by Howard and Ida Clark, Harold and Alice Alchin, Dick and Kay Hall, Frances DeGraw, Beatrice Krum, Thea Herblet, Sarah Chrouch and Janet Boyd. Effie Paulson greeted the guests and asked them to sign the guest book.

Circle Sponsors Christmas Bazaar

The Susanna Wesley Circle of the First United Methodist Church of Lowell will sponsor a "Christmas Bazaar" November 16 in the Education Building from 10 a.m. until 9 p.m.

The Circle members would appreciate the aid of all women in the church in providing articles for the Bazaar. Needed are things for the following booths:

Trash and Treasures—Janet Bailey and Carol Briggs—donations of any articles that you have no further use for, but someone else could use, such as tables, lamps, dishes, candlesticks, books, curtains, toys, vases, etc.

Homemade articles—Marlene Jackson and Jan Silvis—slippers, mittens, bibs, aprons, pillows, baby things, pillow cases.

Christmas articles—Yvonne Free and Eva Johnson—candles, wreaths, tree decorations, Christmas stockings, Baked Goods and Candy—Laura Rogers and Nancy Willis—Baked Goods, candy, jams, jelly, relish or canned goods.

Children's Shop—JoAnne Ridgway and Ruth Johnson—This is a special place for children, if you have jewelry, salt and pepper shakers, books, things that a child could purchase for their mom, dad, brother, sisters or grandparents, they will be very welcome.

If you have items or need items picked up call the chairman of the booth or Mrs. Herbert VanderBilt, 897-8642, or Mrs. Allen Mulder, 676-1164.

Break Ground For New Buildings

Charged with the responsibility and privilege of turning "the first shovels of dirt" in anticipation of the new buildings at the Cascade Christian Church campus on Sunday, October 15 were the following (left to right): Hugh Sater, life elder; Milton Howen, head of ushers; Mrs. Charles Dennett, honorary deaconess; Raymond Gaylord, pastor; Mrs. Ward Galb and Mrs. Rue Omer, both honorary deaconesses.

In the background checking over sound equipment is Buck Matthews and daughter, Kimberly. Mr. Matthews was in charge of the ground-breaking ceremony.

Construction is slated to begin momentarily on two new units, estimated to cost \$263,000. McMillan, Palmer and Fritz is the architectural firm; with Boersma Builders as the general contractors. Michael Vekasi is the chairman of the building committee.

Plans call for the completion of the building program by late summer of 1973.

Amway Adds Executives

SIMPSON STEPHEN BEUTNER FOLKENSTERN VANDER KAAV

During the past several months, Amway's managerial staff has been augmented by the addition of four executives and the promotion of a Grand Rapids native. From Washington, D.C., where he served as General Counsel of the Air Transport Association of America has come John E. Stephen. Now residing with his family at 7266 Denison Drive, S.E., Cascade, Mr. Stephen holds the position of General Counsel at Amway. Originally from Houston, Texas, he received his J.D. from the University of Texas and has studied at the University of New Mexico.

He has also completed postgraduate work at Northwestern University, the U.S. Naval Academy, and in International Law at the U.S. Naval War College. His business career included positions as Vice President and General Counsel, Gulf Coast Network, partner in the firm of Holzhain & Stephen, Attorneys; and Special Counsel and Executive Assistant to the Mayor, City of Houston.

New Director/Controller of Amway is William C. Falkenstein. In his new position he will be responsible for accounting budgets and financial control. He has formerly held several financial positions with major firms such as Merck and Co., Inc. and Hoffman LaRoche Inc. Reporting to him at Amway will be the General Accounting, Payroll, Budgeting, Refunds, and Financial Control.

Mr. Falkenstein received his B.S. at the Wharton School of the University of Pennsylvania and his MBA at Rutgers University. Mr. and Mrs. Falkenstein and their three children reside at 3264 Brentwood S.E., Grand Rapids.

Roger E. Beutner, who came from Briston-Myers to Amway in late 1970, has been promoted to Director of Manufacturing. Reporting to him are the Liquid Plastic, Aerosol, and Powder plants as well as Facility Control, General Printing, Corrugated and Folding Car-

ton departments, and the Kit Line and Print Shop. Beutner, a Professional Engineer, received his B.S. M.E. from Stevens Institute of Technology, his B.S. in Industrial Engineering from New York University, and his M.B.A. from Georgia State University. The Beutner family resides at 108 Maryland S.E., Grand Rapids.

New to the Grand Rapids area is Robert G. Simpson, new Manager of Catalog Planning and Development. He will be involved in Sales Planning, Catalog Planning and Evaluation, Merchandise Presentation, and Quality Control of Catalog items.

Mr. Simpson was formerly Merchandising Vice President of John Plain & Co. in Chicago. He holds a B.S. in Commerce from Loyola University in that city. The Simpson family still resides in Oak Park, Illinois, but plans to move to the Grand Rapids area in the near future.

A Grand Rapids native, Richard VanderKaay, who began his business career with Amway in 1962, has been promoted to Manager of Project Development and Implementation. In addition to assuming increasing responsibilities in his job, Mr. VanderKaay also attends Aquinas College, where he will receive a B.S. degree in Business Administration in December of this year.

His new position entails responsibility for the development and implementation of new marketing programs. Mr. VanderKaay's department is involved in the execution of new products through the selection of product formulation, packaging, graphics, brand name, and promotional theme. Mr. VanderKaay, his wife, and three daughters reside at 5610 Farhill Drive, S.E., Grand Rapids.

Fourteen area students have completed requirements for degrees at Michigan State University in East Lansing. Although there is no formal commencement exercises for summer term graduation candidates, 2,003 students have completed the requirements.

Candidates from the Ledger-Suburban Life area are: Joyce L. Kammeraad, 3845 Ketchum Drive, Ada, MA reading instruction; Mary Casleman, 2277 East Fulton, BA Elementary Intern Program; Kirby Hanson, 5413 Edgelawn Drive, S.E., MA Curriculum.

Nancy Katerberg, 2968 Leonard, N.E., MA Elementary Education; Mary Lachnet, 326 Woodmere, S.E., MA Reading Instruction; Robert Mulder, 1146 Edna Street, MA Secondary Education; Ernest Popiel, 448J Braeburn, S.E., MA Guidance and Personnel Services.

Vera Van Velsen, 6197 Adacraft, S.E., MA Home Economics Education; John Zinn, 1943 Linden, S.E., MA Curriculum.

Arthur Bieri, 115 Flat River Drive, Lowell, MA Curriculum; Jack Buttsworth, 338 Valley Vista, Lowell, MA History; Carrie Polon, 2600 Guilford Drive, Lowell, MA Curriculum.

Philip Schneider, 4953 Murray Lake Drive, Lowell, BS Biological Sciences; and Suzanne Thaler, 12920-36th Street, Lowell, MA English.

Small Game Licenses For Senior Citizens

A bill gaining the State House approval, provides a financial break on small game licenses for senior citizens. Instead of the normal fee of \$5, a senior citizen would be able to purchase a small game license for only \$1 if this bill becomes law.

"Sure I didn't interrupt anything important, Pop?"

You filled the emptiness. Your voice... turned his whole day around. And all it took was a long distance call. Now anyone can lower the cost of loving simply by dialing direct on long distance calls within Michigan instead of going through the operator. You save 40% by dialing direct weekdays after five, and weekends from 5 p.m. Friday till 5 p.m. Sunday. Dial direct any other time—save 20%.

And if you talk long distance within Michigan for one minute, you pay for one minute, not three.

Know someone in another town who could use a lift? Don't hesitate to call... often.

You can lower the cost of loving by 40%

She Goofed Again! English Students Win Awards

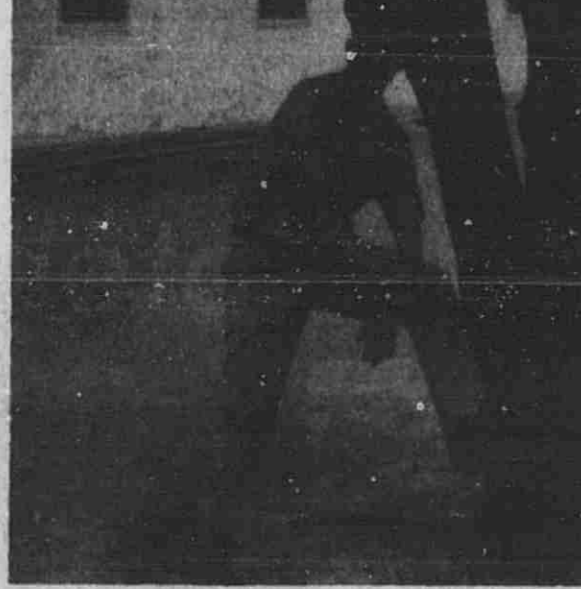

After the printing of last week's edition of this newspaper, the editor was heard muttering unintelligible syllables which translated meant, "I goofed again." This, from one who can spot a mistake on a galley with the perceptiveness of an eagle's eye. The knowledge that she could make the mistake not once, but twice, had clearly unsettled an otherwise calm and serene personality.

An on-the-spot psychoanalytical study of the situation concluded that, number one: our editor is human. Number two: she was suffering from "I've done-it-againitis," which manifests itself in a flushing of the epidermis, especially of the face—a common affliction affecting most humans at one time or another.

There is no known specific for the disease, but large doses of forgiveness and understanding are recommended.

In all humbleness we print the following correction.

Mr. 'Arts & Crafts' 'Grass Roots' Meeting Held

Seventeen libraries from a four-county area were represented at a "grass roots" meeting to discuss suggestions for legislation concerning formation of regions and funding for libraries in Michigan.

Librarians, trustees and friends from Ionia, Kent, Montcalm and Ottawa counties met at the Kent County Library System headquarters building, 775 Ball, NE, Tuesday, October 17.

The meeting was chaired by Myrtle Starr, president of the Friends of the East Grand Rapids Library and a member of the EGR Library Commission.

Mary Duane, director of the Monroe County Library System and chairman of the Special Executive Board Legislative Committee of the Michigan Library Association, attended as speaker and resource person.

The libraries represented by the 36 persons in attendance were Herrick Public Library, Holland; Zealand Public Library; Saranac Public Library; Belding Library; Grand Rapids Public Library; Louit Library; Grand Haven; Reynolds Township Library; Howard City; Kent County Library System and the following of its 18 member libraries, East Grand Rapids Library, Kentwood Library, Cascade Library, Grandville Library, Caledonia Library, Gaines Township Library, Byron Township Library, Wyoming Library, and Comstock Park Library.

There are approximately 45 public libraries in this four-county area.

LOCAL AMWAY DISTRIBUTORS EARN TRIP TO SEMINAR

Clyde and Ida Benson of 614 Montcalm Road N.E., Lowell were among the Direct Distributors attending a three-day Seminar at the home office of Amway Corporation, in Ada, October 10, 11 and 12. The Bensons are distributors of over 150 home, car, and personal-care products manufactured by Amway Corporation.

The title of Direct Distributor is awarded by the fast-growing direct selling firm in recognition of the attainment of a high level of sales volume. The Seminar gives the new Direct Distributors an opportunity to see the Amway offices and plant and to learn new techniques which will help in the operation of their independently owned Direct Distributorship.

Postal Service Promises 'Speedy' Special Delivery

A system to speed up special delivery of airmail and first class letters, flats and small parcels was added to the U. S. Mail on October 1.

Lowell Postmaster Charles Doyle said postal authorities recognize the need to improve special delivery service. He noted that Postmaster General E. T. Klassen recently told a press conference in Washington, D.C., that "special delivery service for many years has been a disgrace."

At that time Mr. Klassen announced plans to install a nation-wide improvement program based on the use of a self-identifying plastic "speedy bag." The speedy bags will be used within the mail system to keep special delivery mail from losing its way among millions of other pieces of mail.

Postmaster Doyle noted that a six-month test program executed at 4,500 post offices in the West "has shown a reliability rate in the high 90s."

Speedy special delivery bags are made of polyethylene and are 20" by 30". The Postal Service eagle and the words "speedy" and "special delivery" are imprinted in green.

"All special delivery letters, flats and small parcels normally dispatched in mail pouches will be placed in speedy bags," Postmaster Doyle said. "The speedy bags then will be placed in a mail pouch or loose pack in such a manner that approximately four inches of the green imprint on the speedy bag is exposed when the pouch or loose pack is closed."

"Upon arrival at the destination or next processing office, pouches containing speedy bags are opened first and the speedy bag is removed and immediately taken to the distribution area for priority processing," Postmaster Doyle explained.

He said that studies have shown special delivery mail to be delayed within post offices when it gets intermixed with standard first class mail. This caused it to miss special delivery "runs," he added.

Postmaster Doyle pointed out that the public also frequently contributes to slow movement of special delivery mail when special delivery mail is dropped into street collection boxes or other mail deposit points without checking whether there will be an expeditious pickup afterwards.

"Special delivery mail is best deposited at a post office where it can move promptly to the station that will finally deliver it," he said. "Mails also should consider whether a particular item should go via air mail special delivery to insure fastest possible movement in transit as well as at the destination," he added.

★ CARD OF THANKS

The family of James L. Durkee wishes to express their sincere gratitude to the many relatives, neighbors and friends who so thoughtfully consoled us during the time Jimmy was in the hospital and after he passed away, for the many prayers offered on his behalf, for calls, cards and contributions of food and money and for the beautiful floral offerings.

Special thanks to the doctors and nurses in the emergency room at Pennock Hospital, to Dr. Brown for riding with Jim in the ambulance to Blodgett Hospital, to the many doctors and nurses who attended him and comforted us during his time in Blodgett Hospital, to Rev. Culliver and Rev. Harold Price for their calls and words of comfort, to the ladies of Freepart O.E.S. who prepared and assisted at the luncheon, to the pallbearers for their services, and to Mr. and Mrs. Seiler from the funeral home for their kindness and helpfulness.

A very special thanks, more than words can tell, to my brother, Gill and his wife Rita, for being with us every day at the Hospital and after, to Beryl and Janette Price for the help they gave us, to Fred's mom and dad for staying the first couple of days with our other children and to the Lyle Blough family, Bob Aspinall family and the Don Collins family who had our children for a week and helped them through this time of grief.

Your kindness will never be forgotten.

Fred, Gayle, Sharon, Freddy & Teresa Durkee

CARD OF THANKS—The family of Trooper Steven DeVries expresses their thanks and appreciation to the Class of 1959 for the beautiful floral wreath. Their sympathy and understanding was greatly appreciated.

Mrs. Phyllis DeVries & Family

CARD OF THANKS—Gary Omolinski and family want to say "Thank You" for all the thoughtfulness of schoolmates, neighbors and friends in our time of need. Also the Ada Fire Department. It's people like you who make life a little easier.

The Omolinski Family

CARD OF THANKS—We wish to thank all of our relatives, friends and neighbors for their many acts of kindness shown us at the time of the loss of our husband, father and grandfather. Also to Rev. Duane Bailey, the Roth-Gert Funeral Home, the pallbearers, and to Mrs. Wittensbach for the music. Many thanks to all.

Mrs. Hazel Tanner & Family

IN MEMORIAM—In loving memory of my dear friend, Harriett Kauffman, who passed away October 30, 1966, six years ago.

LOWELL LIGHT & POWER

Every young American is entitled to the best possible start in life. And our children will gain the knowledge and inspiration they need in better homes and better schools. Not in buses.

Quality, Not Quotas

Jerry Ford states: "I believe in quality education. We must improve schooling for all of our children. And the answer to that need is quality education. Not student quotas nor artificial percentages. Not forced busing of students across district lines to satisfy some judge's view of racial balance."

Upgrade Our Neighborhood Systems

"Let's upgrade our neighborhood educational systems," Jerry continues. "Let's preserve the neighborhood school concept which is so important to students, parents and the community."

Stop Forced Busing

While Jerry favors a Constitutional amendment to ban forced busing completely, its ratification might require two years or more. So he has also supported legislation which makes busing the final

People At Work

Judging by his smile, Jim Barnes enjoys his job as night custodian at Lowell High School. Jim, or "Barney" to his many friends, is a 1972 Lowell Graduate, and has been working at the high school since his graduation.

I picked up the fresh tracks of a deer and followed them. How it went through that bush I'll never know for I had to crawl on my hands to get through it. The rifle barrel was plugged with fresh snow.

I looked around and aimed it down the mountain and pulled the trigger. That cleared it. I laid down to rest across the path, rifle at my side, eyes closed, when I heard a swish, swish. It was a doe running toward me. I raised the rifle to my shoulder and waited and waited. Then I realized it was going the other way for it was getting smaller. They say deer circle and return. I waited and sure enough it was above me. Almost straight up. Aim, squeeze the trigger. Wham! I missed and slid twenty feet down the slope. That was my first deer.

I was on a logging road and my uncle was across a ditch on a ranch road. Between me and the meadow behind was a group of young trees. Above, projected on the trees was the shadow of an eight point buck. I spun around, aimed the rifle I had and the scope kept picking up the trees. I looked along the barrel and saw the buck. Went back to the scope and only saw trees. Another minute and it was gone. My second deer.

We then planned a bake sale on October 14th. Some of the girls are going to enter the "Hello Dolly" contest during October. The meeting was adjourned.

option open to a federal court, and provides that no student can be bused beyond the school nearest to his home.

Dollars to Do the Job

While fighting forced busing, Jerry has worked hard helping to bring federal educational funds to our 5th District — over \$4 million during the past two years alone. To finance Head Start projects, special education for the disadvantaged, Upward Bound

classes and work-study programs. To expand classroom and library space in local colleges. To construct educational television channel 35 at G.V.S.C. which will benefit us all.

Excellence the Goal

He has also co-sponsored vital bills in this Congress to further equal educational opportunities, to share federal revenues with local districts and to extend the 1965 Higher Education Act.

Jerry pledges: "As the work of the Congress goes forward, I will direct my best efforts to bringing excellence and equity to every American student. Ask your help."

Maurici's Moments

The Hunter

Seventy-seven members of the Senior Citizens of Saranac, the club that's not old, just lived a long time, took a duo-purpose bus trip to Paw Paw, Michigan, October 11.

The scenic changes from autumn to fall were noted by the group as the color tour took them closer to their destination. When they arrived, trips through the wineries of the area proved to be very interesting, leading to a much quieter return trip home.

As in the past, the travelers expressed their appreciation to Eric Smith and Muriel Peck who arranged the trip, to the school for the use of the bus, and to the driver.

On October 19, the senior citizens were guests of the "Mom's Club" at the Saranac Community Church. A chicken dinner with all the delicious trimmings were served at one o'clock, followed by an afternoon of games and prizes.

The Mom's Club will entertain their special guests again on November 30. The interest and care shown by the club towards the senior citizens, leaves most of them without words in adequately expressing their sincerest "thanks."

As one member put it, "I hope they fully realize how much we thoroughly appreciate what they are doing for us." It means so much.

'Winery' Tours Prove Interesting

Arrows Scald Hawks 40-0

The Cedar Springs Hawks flew home Friday night, carrying with them the memories of a 40-0 defeat at the hands of the hard-charging Lowell Red Arrows. Recreation Park's field bursted with action as the Arrows scored six touchdowns and four extra points, giving them 40 big ones on the scoreboard.

Kris Kropp, finding his primary receiver well-covered, picked up his secondary man, Bernie Harden, who caught the 35-yard aerial for Lowell's first touchdown of the Tri-River conference league encounter.

Three successive touchdowns by Mark Billock rolled the score upwards, as he scampered down field on runs of 30 yards, 26 yards, and 25 yards. Passes to Harden and Tom Wernet saw the Arrows pick up four points after TD.

Dave Avery, making a one-yard plunge, brought about Lowell's fifth score, with the extra point attempt failing.

The final score of the game came when Jim Rathburn hit Cedar's quarterback from behind, causing him to fumble. Ron Lyon's quick to eye the roving ball, picked it up, and jaunted 25 yards to the goal line. The point after failed.

Friday night's win brought the Arrow's conference record to four wins and no losses, with a 5-1 overall seasonal tally.

"The real test will come this Friday night," Coach Al Rowe commented, "it will be the bread-basket game of the year."

"Playing at Lakewood, Rowe revealed, "We'll be completely outwitted and outsize, but we're looking for our experience and speed to see us through. Everyone on the team is playing this season with their head and heart."

Lakewood has a 3-1 conference record and a 5-1 overall mark. If Lowell continues their winning streak Friday night, the possibilities of coming up with the 1972 Tri-River football championship could be in the making.

Game time Friday night is 7:30; be there and see the Arrows in action.

Billock (34) cuts upfield for small gain. He roared for three touchdowns Friday night.

After Lowell's first TD, on a Kropp-Harden pass combination, Avery's point after attempt is blocked.

Freshmen Down Cedar Springs

The Lowell Freshman Football team ran their season record to four wins and two losses as they defeated the Red Hawk freshman at Cedar Springs.

Lowell got on the scoreboard in the second quarter on a 44 yard pass play from Quarterback Gary Ayres to end Greg Thompson, who had gotten behind a Cedar defender. The extra point was good.

Mike Tate scored again for Lowell on a 14 yard run in the third quarter. Tate also intercepted a Cedar Spring's pass on the last play of the second quarter but was tripped up on the 10 yard line after returning the ball 55 yards.

Cedar scored on a blocked punt in the fourth quarter. Tate led all ball carriers with 122 yards rushing. Jim Reagan had 48 and Dave Hendrix 32. Defensively Tate led with 12 tackles, Greg Thompson had 7.

An outstanding defensive job was done by Jim Reagan as he covered a 6'4" and, limiting him to only three short receptions, interceptions, one pass and deflecting several others.

Lowell will entertain league leading Lakewood Thursday at Recreation Park starting at 5 p.m.

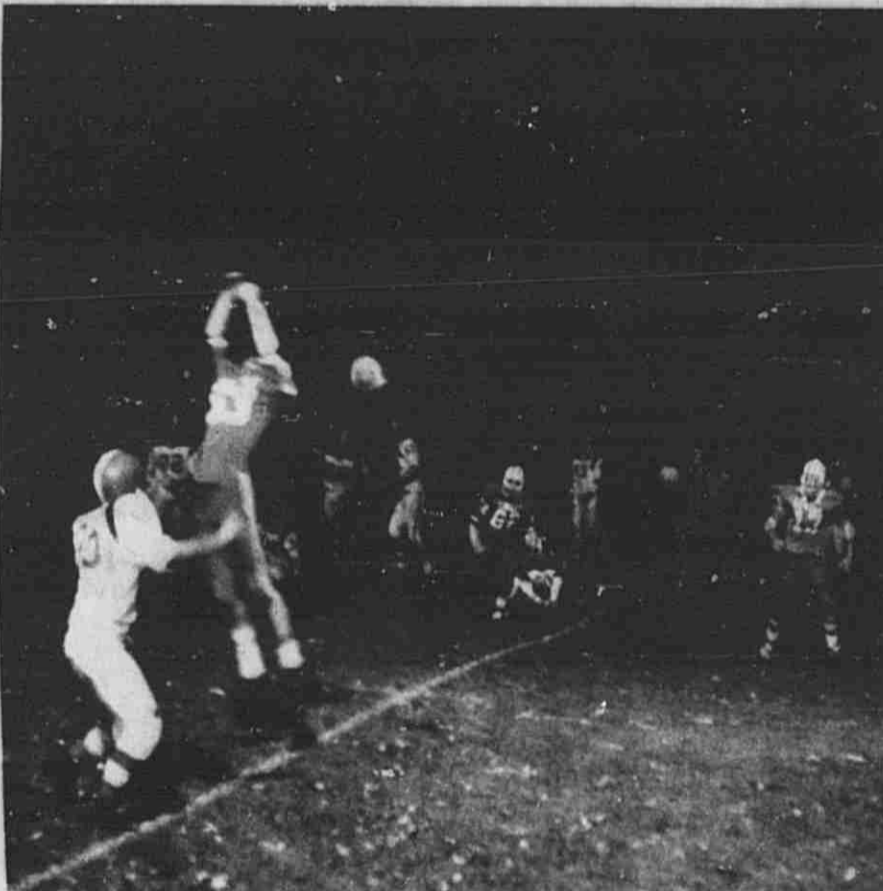

Red Cross Offers Water Safety Class

The Kent County Chapter, American Red Cross is offering a Water Safety Instructor's class, beginning October 26, and several Multimedia First Aid classes to be taught in October, November, and December.

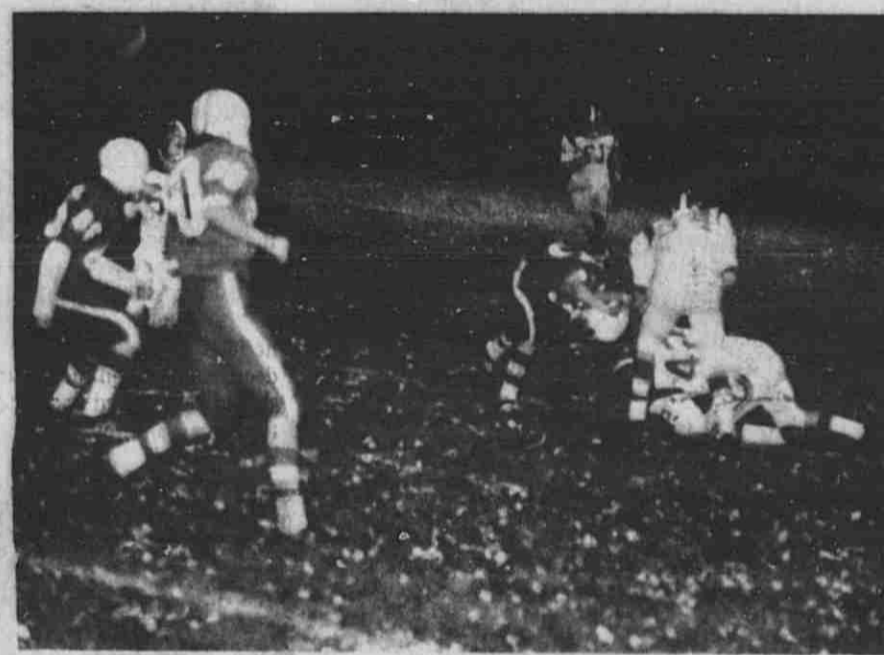

The Water Safety Instructor's class will be taught in conjunction with the Grand Rapids Recreation Department at the new Ottawa Hills High School beginning Thursday, October 26 from 6-10 p.m. The class will run for eight weeks. Those who are interested in enrolling must be at least 17 years old and hold a current Senior Lifesaving certificate.

Call 456-8661, extension 63 to enroll.

Michigan turkey growing is a huge, complex business. Total production last year was over a million birds whose total weight was 22,022,000 pounds.

Ed Roth (53) almost intercepts a Hawk pass.

Rathburn (86), Lyons (80) almost recover a Cedar fumble.

Harden sweeps for a large gain—he had one touchdown and one conversion, both on passes.

Powderpuff Football Saturday

Saturday, October 28, the Fourth Annual Powderpuff Football Game, sponsored by the Senior High School French Club will be held at Recreation Park.

This popular event centers around a football game played by the girls in French Club. The Freshman-Sophomore team will play against a tough Junior-Senior team. The Freshman-Sophomore team is ably coached by Craig Anderson and Gil Fonger. The veteran Junior-Senior team is coached by Ken Kropp and Chris Kropp.

Tickets for this exciting event will be sold at the gate the day of the game and the prices range as follows: Students, 50¢, Adults, \$1, Family, \$3, and Preschoolers, free. Homemade refreshments will be sold throughout the game.

Half-time activities will be highlighted by the crowning of Monsieur Football. The nominees for the coveted title are Ron Krebs, Jeff Richardson, Craig Mulder, Joe Simmerer, and Tom Heintzelman.

Proceeds from the game go towards French Club activities throughout the year. The French Club Gourmet Dinner is the highlight of the season.

Men's Gym Programs

Dale Tripiett and Milt Homolka warm up for this year's YMCA Men's Gym Program.

November 6 will mark the start of this year's YMCA Men's Gym Program. Along with basketball, several other sports will be offered this year. Volleyball nets and table tennis will be set up in the gym, and, on occasion, the men will be able to go swimming. Plans for a jogging club will be looked into and several other programs will be set up. We plan a variety of sports so more men will participate in the program.

You don't have to be a superstar to participate, just come out and get some good exercise for your own good health. Of course, the more men showing up, the better the programs and activities.

The gym programs will take place every Monday night, beginning November 6, at 7:30 p.m., in the Lowell High School Gym. It will be free to Y-members and fifty cents a night for non-Y-members.

Wins Pool Trophy

Mrs. Darlene Farrell of Lowell won the first place trophy in the weekly Women's Pool League sponsored by Pet's of Lowell. Presenting the trophy are Dot McCaul and Pete White. Second place went to Marge Richardson; with Sharon Miles, Eloise Titcomb and Pam Brovant sharing third; Louise Harrington; fifth, Florence Petersen; sixth, Penny Linsausky; seventh, Marion Vandenberg; and eighth, Bev Taylor.

Hunting and Fishing Keep Sportsmen Busy

Rainy weather has not succeeded in driving the salmon fishermen from their "hotspots" at the mouths of the Grand and Muskegon Rivers, and upstream. Fishermen continue to catch fine salmon in the Grand River up to the 6th Street Dam, and the Muskegon River up to Croton Dam. Weighted hooks jerked through the water to "snag" the salmon will connect most often near the dams or in deep holes in the river bottom.

Small spinners and spoons have been successful baits for steelhead, brown trout, and even salmon on undisturbed stretches of the Grand River. One fisherman recently caught a limit of salmon using spinners distant from other fishermen. "Snaggers" should note that they may not legally snag any fish other than salmon.

Duck hunters have not fared as well this year as they have in the past. Officials from the Department of Natural Resources report that many hunters are not able to hunt the many "potholes" created by the rainy summer. The wood duck population has increased and the mallard population has remained stable but hunters must search even the small ponds for game.

ZONES

- NOV. 20** Limited open season closes in Zone 3.
- NOV. 23** Season closes on rats and jacksnipe.
- NOV. 24** End of regular duck season. **Last day for hunting coots and gallinules.
- NOV. 25** Start of special season for hunting waterfowl in designated waters of Zones 2 and 3.
- NOV. 30** Close of firearm deer season and season of action game season, including in Saginaw Game Management Area. **Also final day for hunting bears in Zone 1.
- DEC. 1** Archery deer season resumes statewide. **Hunted grouse hunting picks up again in Zones 2 and 3.
- DEC. 10** End of special season in Zone 1.
- DEC. 31** Final day of archery deer hunting statewide. **Hunted grouse hunting picks up again in Zones 2 and 3.
- JAN. 1** Begins hunting season in Gaylord District.
- JAN. 31** Begins hunting season statewide.
- FEB. 28** End of limited season in Gaylord District.
- MARCH 1** Final day of archery season in Zones 2 and 3.
- MARCH 31** End of rabbit season in Zone 1.

The small game opener Friday was generally a disappointment. Pheasants were "spotty" and foliage hid fleeing rabbits and partridge. Rainy weather kept most hunters home, cleaning their guns and waiting for drier conditions. Squirrel hunters have been increasing their shooting as the visibility increases. Some hunters have reported greater success in connecting with the elusive "bushytail."

Kent and Ionia County have many cornfields, swamps, woods, and thickets where game will be found. It is a good idea to check with the owner of the land before you begin your hunt.

Central Montcalm Defeats Saranac

The Saranac Redskins came out on the short end of a 14 to 12 score Friday night as they hosted TCAA foe Central Montcalm. The win was CM's second in three decisions, while Saranac is 1-2.

The home team got on the board first as Dale Stuart hit Dave London on a 28 yard play of the first period. A run failed for the points after.

Late in the second quarter CM scored three straight times before getting one that counted.

Saranac scored at 9:40 of the first period as Stuart and Dave Wronam teamed up on 78 yard pass plays. A pass failed for the extra points.

CM had 11 first downs to three for Saranac, and out rushed the Redskins 172 to 15. In the passing department Saranac hit on four of 17 for 162 yards to 5 of 11 for 47 yards for the Hornets.

This week Saranac travels to Portland to meet the league leading Raiders.

This deer was killed recently on McCabe Avenue, north of Conservation Road. Drivers beware!

Watch For 'Eyes'

During the firearm deer season, a few hunters are always complaining about the lack of deer in the area. Some motorists, however, have been finding the deer without really trying. Frosty nights have started the deer moving during the late evening and early morning.

Daily deer migrations have presented a traffic hazard on many county roads. According to Arnold Richmond, local conservation officer with the Department of Natural Resources, cold weather, an upcoming mating season, and small game hunters have "aroused" the deer and kept them moving. Contrary to what most deer hunters believe, "there is a pretty good deer population in Kent County," states Richmond.

Law enforcement officials feel a contributing factor in the recent increase in car-deer accidents is an unawareness on the part of the motorist. In most collisions the driver has ample time to act on the situation. What most people don't realize is that a collision with a deer can cause damage and serious injury.

Richmond believes that most roads in the county present a potential hazard but motorists should be especially watchful for "eyes" on M-21 and I-96. He states that motorists should be prepared to stop if they spot a deer near the roadway. Also if a deer crosses the road, the driver must "assume there are more following the first one. Many times the deer struck, is the second or third to cross the road."

If a motorist does spot a deer on the roadway ahead, he should be prepared to stop, and watch for other deer ahead. If you should strike a deer, the collision should be reported to a law enforcement agency, and the carcass and vehicle should be moved out of the road.

ed portion of the road. Motorists should not swerve to miss an animal, otherwise they may be involved in a greater collision.

There are deer in our area and they will be "running" until late November. Until then drivers should be especially watchful of "eyes" along the roadway.

Come November! What Will Your Decision Be?

The November 7, General Election Day will be one of the biggest in many years for Michigan voters, not only in the number of decisions to be made, but in terms of the far-reaching impact of many of those decisions.

There will be five important statewide proposals on the ballot, in addition to candidates for President, Vice-President, U.S. Senator, U. S. Representative, State Representative, State Supreme Court, 8 education positions, and county and local offices. Familiarize yourself with each of these vital issues.

In the interest of assisting our readers in making the most informed decisions possible on these important statewide proposals, the exact wording and sequence of the five proposals as they will appear on the ballot, along with a brief and objective explanation of each issue, follows.

Since in prior years there were issues in which voters were uncertain as to whether a "Yes" vote actually meant "Yes" or "No", the law has been changed and each of these five issues has been clearly worded so that "Yes" votes support the propositions, and "No" votes reject them.

PROPOSAL A

PROPOSAL TO CHANGE MICHIGAN TO DAYLIGHT SAVING TIME

The proposed law would change Michigan to Daylight Saving Time from the last Sunday in April until the last Sunday in October of year year.

Should this proposed law be approved?
Yes No

This proposal is the result of a petition campaign by proponents of Daylight Saving Time, to repeal Act 6 of the Public Acts of 1967. (This act establishes Eastern Standard Time throughout Michigan on a year-around basis.)

Approval of the proposal would put Michigan on Daylight Saving Time during the six-month period between late April and late October each year.

PROPOSAL B

PROPOSAL TO ALLOW ABORTION UNDER CERTAIN CONDITIONS

The proposed law would allow a licensed medical or osteopathic physician to perform an abortion at the request of the patient if (1) the period of gestation has not exceeded 20 weeks, and (2) if the procedure is performed in a licensed hospital or other facility approved by the Department of Public Health.

Should this proposed law be approved?
Yes No

This proposal would change Michigan's abortion laws, which presently permit abortions only when the pregnancy presents a clear threat to the life of the mother.

The decision to perform the abortion would be made by the woman and her physician, except that parental consent would be required for patients under 18. The physician would not be restricted as to abortive technique.

The issue was placed on the ballot by the petition procedure.

PROPOSAL C

PROPOSAL TO LIMIT PROPERTY TAX FOR SCHOOL, COUNTY AND TOWNSHIP PURPOSES AND TO PROVIDE THAT THE LEGISLATURE SHALL ESTABLISH A STATE TAX PROGRAM FOR SUPPORT OF SCHOOLS

The proposed amendment would:

- ban a property tax for general school operation purposes;
- limit the property tax to allocated amounts for specified county, township and school purposes, the total not to exceed 26 mills;
- require the Legislature to establish a tax program for raising and distributing funds for public elementary and secondary schools; and
- require the Legislature to provide for distributing supplemental funds, based on local needs, for specified purposes.

Should this amendment be adopted?
Yes No

This is a proposition to amend the State Constitution to revamp the property tax system, particularly as it has been used to finance the operation of the public schools. It was put on the ballot by a petition drive sponsored by the Michigan Education Association and supported by Governor Milliken and numerous citizen groups.

It is a response to public demands in recent years for property tax relief and in anticipation of court decisions which would require changes in the state's school financing system.

The average local school operating tax is now 26 mills. Adoption of this amendment would eliminate this tax. This would not automatically be replaced by higher state income taxes, but no other revenue source appears to have the needed potential to replace the individual portion. The business tax replacement could be a combination of a value added tax and an income tax increase, but these decisions would have to be made by the 1973 Legislature.

Property taxes would still be levied to operate county, city, village and township governments, to retire bond issues by local governments and school districts, for vocational, compensatory and special education programs and to operate intermediate school districts and community college districts.

Also, the people of a community could authorize, by a vote, extra property taxes of up to 6 mills for county and township purposes and up to 6 mills for "enrichment" of local education.

PROPOSAL D

PROPOSAL TO REMOVE CONSTITUTIONAL BAN AGAINST GRADUATED INCOME TAX

The proposed amendment would enable the Legislature to impose a flat rate or graduated state income tax and to enact laws to permit local units to levy a flat rate or graduated income tax.

Should this amendment be adopted?
Yes No

The State Constitution now prohibits the state or any of its subdivisions from levying a graduated income tax. The present state income tax is a flat rate tax and so are the income taxes imposed by various cities. "Flat rate" means that everyone pays the same percentage of net taxable income in taxes. With a graduated tax, the person who makes more pays at an increasing rate.

Adoption of this amendment would not require graduated income taxes, but would permit the Legislature to impose either kind and to pass laws allowing local governments to levy either kind.

This proposition was also placed on the ballot by a Michigan Education Association petition drive, as a companion to Proposal C. It has not, however, been endorsed by the Governor or all the organizations which are supporting Proposal C.

PROPOSAL E

PROPOSAL TO ALLOW THE STATE TO BORROW \$266,000,000 FOR TUITION PAYMENTS AND BONUSES TO VIETNAM AND OTHER VETERANS

The proposal would allow the State of Michigan to borrow the sum of \$266,000,000.00 to provide veterans of the Vietnam and other conflicts with tuition payments to educational institutions or a service bonus. The state shall issue general obligation bonds of the state to secure the said amount and shall pledge the full faith and credit of the state for the payment of principal and interest. The method of repayment shall be from the general fund of the state.

Should this proposal be approved?
Yes No

This bond issue would be needed if the voters want a state program of Vietnam era veterans' bonuses and educational benefits. A cash bonus of \$500 would be paid to honorably discharged veterans who have served on active duty in the Vietnam conflict between January 1, 1961 and January 1, 1974, or the date that Congress officially terminates the war.

Honorably discharged non-combat veterans who served anywhere during the same period would receive \$15 for each month of service, not to exceed \$360.

Vietnam era veterans would also qualify for educational benefits of up to \$500 a year for four years, but could not have both the bonus and full educational benefit.

Repayment of the \$266 million, plus interest, would be made by an annual appropriation of approximately \$20 million from the state general fund for 20 years.

For Absent-Minded Voters

Persons who will be out of town election day (November 7) are encouraged to pick up, or at least apply for, an absentee ballot before they leave.

The procedures are simple and the qualifications explicit enough so everyone should be able to cast his ballot easily.

Anyone may use an absentee ballot if he is away from his place of residence on election day, is physically unable to visit the polls, is serving as precinct inspector in a precinct other than the one in which he resides, election day interferes with his religion, or he is over 65 years of age.

Securing an absentee ballot requires that the voter simply file an application, write a letter or apply in person to the city, township or village clerk by November 4. After that he may apply in person by 2 p.m. November 6, fill out the ballot in the clerk's office and leave it.

In emergency situations absentee ballots will be issued in case of physical disability or sickness or death in the family that occurs too suddenly to plan for absentee voting. Ballots are available to these people until 4 p.m. on election day.

All ballots must be returned in time to be delivered to the voter's precinct by 8 p.m. election day. To eliminate any chance of invalidation, the voter should follow the ballot's instructions carefully.
